PUBLIC NOTICE

Subject: Examination Schedule for the students of the academic year 2021 for Post-graduate Broad Speciality Courses

The National Medical Commission (NMC) is an apex body for regulating the medical education, constituted by an Act of Parliament, i.e. National Medical Commission Act, 2019 by repealing the erstwhile Indian Medical Council Act, 1956 and Medical Council of India. As per the NMC Act, 2019, "Notwithstanding the repeal of the Indian Medical Council Act, 1956, the educational standards, requirements and other provisions of the Indian Medical Council Act, 1956 and the rules and regulations made thereunder shall continue to be in force and operate till new standards or requirements are specified under this Act or the rules and regulations made thereunder."

2. The Post-Graduate Medical Education Regulations-2000 (PGMER-2000) notified by erstwhile Medical Council of India stipulated 1st May of each year for commencement of academic sessions for Post-Graduate Broad Speciality Courses (both Degree and Diploma courses). However, due to the COVID pandemic, this schedule has been modified from time to time.

3. The Post-Graduate Medical Education Board (PGMEB), National Medical Commission (NMC) vide Public Notice dated 11.01.2022 (copy enclosed) had intimated all concerned that the academic session for the Broad Speciality Courses for the year 2021 shall commence from 1st February, 2022. The academic curriculum of the diploma and degree courses shall be completed by 31st December, 2023 and 31st December, 2024 respectively. However, the post-graduate Degree and Diploma students should complete the required period of 36 and 24 months respectively.

4. Representations have been received that some of the Universities are not sticking to the schedule prescribed vide Public Notice dated 11.01.2022. Further, the PGMEB vide Public Notice dated 10.4.2024 had also given clarification regarding the eligibility to appear for examination. Hence, all the Universities are requested to take note of the aforesaid Public Notices and complete the academic curriculum which includes the conduct of the examination by 31st December, 2024 of PG Broad Speciality degree students who had taken admission in the Academic Year 2021.

Vijay V. Oza

No. NMC/MCI-23(1)(74)/2021/Med/ 002942

Date: 11.01.2022

Subject:- Starting of the Academic year 2021 for the Postgraduate Courses.

Postgraduate Medical Education Regulations 2000 as amended from time to time, stipulates the date of starting of the academic session and duration of Postgraduate courses.

2. There has been a delay in the starting of the Broad Speciality Courses on account of COVID Pandemic in the year 2021. Therefore, the National Medical Commission has decided that academic session for the Broad Speciality Courses for the year 2021 shall commence from 1st Feb 2022. The academic Curriculum of the diploma and degree courses shall be completed by 31st Dec. 2023 and 31st Dec. 2024 respectively. However the postgraduate Degree and Diploma student should complete the required period of 36 and 24 months respectively to complete the course.
