The Department of Social Justice & Empowerment (DoSJE) launched the **Nasha Mukta Bharat Abhiyaan (NMBA)** in August 2020 to combat the menace of substance use through mass awareness, counselling and providing treatment and care. Since its launch in the year 2020, the Abhiyaan has transformed into a Jan Aandolan through the participation of 11.22+ Crore citizens of the country including 3.55 + crore youth. Now, Nasha Mukta Bharat Abhiyaan is extended to all the districts of the country with special focus on the youth, Students and educational institutions.

2. The Hon'ble Home Minister and Minister of Cooperation chaired the 7th Apex Level Meeting of Narco-Coordination Centre (NCORD) on 18th July, 2024, in New Delhi, and reviewed the progress of Nasha Mukta Bharat Abhiyaan. While appreciating the efforts of all the stakeholders of the Abhiyaan including the states and UTs, Hon'ble Home Minister encouraged all to take up activities in mission mode for successful nationwide execution of the Abhiyaan. Hon'ble Home Minister also desired that Nasha Mukta Bharat Abhiyaan activities be carried out in the hostels of the educational institutions, to aid the young students in the fight against substance use, and to cope with factors like academic stress, peer influences etc., and promote the abilities in students to make good choices of life.

3. With this vision, it is requested of all the hostels in Central Universities, Indian Institutes of management (IIMs), Indian Institutes of Technology (IITs), All India Institute of Medical Sciences (AIIMS) medical colleges, engineering colleges, polytechnic colleges, Industrial Training Institutes (ITIs) and hostels of other Higher Educational Institutions to implement the following measures:

3.1. Formation of a Nasha Mukta hostel committee in all educational institutions. The composition, roles and responsibilities of this committee are attached in the Concept Note (Part I) attached as Annexure I.

3.2. Formation of an annual schedule of activities to ensure sensitisation and awareness of the student community, faculty and residents of the hostel. Training and sensitisation of all the counsellors, shall be done with the help of NIMHANS/ AIIMS, New Delhi and National Institute of Social Defence (NISD). A non exhaustive list of awareness activities is also attached in the Concept Note (Part II).

3.3. Universities should have a collaborative mechanism with the enforcement agencies to ensure that supply of narcotic drugs from neighbouring boundary areas/slums/hotspot etc., is curbed. Sensitization efforts in university campuses should be conducted with various stakeholders to ensure the student population remains in a safe and drug-free environment. This collaborative approach aims to create a vigilant community, effectively combating drug peddling and illegal trafficking.

3.4. Proper referral & networking systems may be evolved through the following helpline numbers:

a. National Toll-free de-addiction helpline: 14446 - This helpline is to provide confidential psychosocial support and counselling by trained counsellors is supported by the Department of Social Justice and Empowerment (DoSJE).

b. Tele Manas: 14416 - provide free tele-mental health services is supported by the Ministry of Health & Family Welfare

c. MANAS (Madak Padarth Nisedh Asuchna Kendra): 1933 - Citizens of the country can anonymously share information on drug supply, peddlers and illegal drug trafficking. This helpline is supported by Ministry of Home Affairs (MHA) and Narcotics Control Bureau (NCB) where identity of callers is kept confidential.

3.5. As you are aware, newly admitted students (hostel residents as well as day scholars) are at higher risk of substance use due to peer pressure, academic stress, lack of supervision and mental health issues among others. The absence of structured routines and easy access to substances also contribute to this risk. First-year students also face emotional challenges due to transitioning to independence, loneliness, and homesickness, which can further lead to substance use as a coping mechanism. Therefore, NMBA activities in hostels may put special focus on sensitising and training 1st year students and parents through a sustainable plan of action.

3.6. A structured approach has to be implemented to provide students with continuous support throughout their academic journey, ensuring they receive assistance as explained in the Concept Note (Part III).

4. An Action Taken Report (ATR) may be submitted by Vice Chancellors/dean/head of the institutes of the concerned higher educational institutions to Department of Social Justice and Empowerment (DoSJE) with a copy to Department of Higher Education (DoHE) as per proforma attached in the Concept Note (Part IV). The names and contact details of nodal officer of the Nasha Mukta Hostel Committee may provided so that login access to NMBA mobile application may be provided by DoSJE for uploading the activities in upcoming academic years.

Your prompt action in this regard is much appreciated.

Yours sincerely,

ANNEXURE I:

CONCEPT NOTE FOR EXPANDING NASHA Mukht BHARAT ABHIYAAN IN HOSTELS OF HIGHER EDUCATIONAL INSTITUTIONS

NASHA Mukht BHARAT ABHIYAAN

The Department of Social Justice and Empowerment being the nodal agency for drug demand reduction launched its flagship mass awareness campaign 'Nasha Mukht Bharat Abhiyaan' (NMBA) on 15th August 2020 in the 272 identified districts. It has successfully evolved into a Jan Andolan covering all the districts of the country since 15 August 2023, and is now entering its fifth year. In the past four years, a wide range of activities under the banner of NMBA have been undertaken across the country with the participation of youth, children, educational institutions, women and the community. With the active participation of all the stakeholders, NMBA has been able to sensitize, educate & inform 11.22+ crore people including 3.55+ lakh youth, 2.35+ lakh women, 3.39+ lakh educational institutions and 9000+ master volunteers through 3.91 lakh activities conducted at various levels across the country. Recognising the exemplary efforts of the states and districts under NMBA, the Hon'ble Prime Minister also appreciated the abhiyaan activities in his Mann Ki Baat episode on 30 July 2023.

BACKGROUND

Young students in hostels are at an increased risk of substance use disorders due to several key factors including peer pressure, stress and academic pressure, lack of supervision, mental health issues, and experimental curiosity among others. The absence of structured routines and the ready availability of substances further elevates this risk. Additionally, the emotional challenges of transitioning to independence, loneliness and homesickness, can drive students to use substances as a coping mechanism. To address this issue, Nasha Mukht Bharat Abhiyaan aims to strategically sensitise and train hostel students, teachers, parents and other stakeholders through a sustainable plan of action.

PART I: COMPOSITION, ROLES AND RESPONSIBILITIES OF NMBA HOSTEL COMMITTEES

FORMATION OF NASHA MUKT HOSTEL COMMITTEES
