Dated

To

1. Principal Secretary/Secretary (Health) of all States/UTs
2. Directorate of Medical Education (DME) of all States/UTs

Subject: Completion of BCMET (Basic Course in Medical Education & Technology)-reg.

Sir/Madam,

Many representations have been received from faculty of medical colleges/institutes regarding the delayed availability of slots for the BCMET (Basic Course in Medical Education & Technology) from the designated institutions. Moreover, as per the representations received from the faculty, the Medical Colleges do not follow any clear norms or seniority criteria for nomination to the limited slots for BCMET courses. As a result, many faculty members are not getting promoted from their due date due to the delayed completion of the BCMET course.

2. In view of the requirement of the BCMET course for promotion, it is clarified that if a faculty member completes the BCMET course after the due date of promotion and submits the completion certificate, then he should be promoted from the due date of promotion.

Yours faithfully,

 (C.K. Ramaswamy)
 Director
