PRESS RELEASE

New Delhi, 14th December, 2023

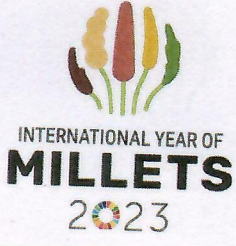

NMC Concludes Successful Assessors Training, Furthering Quality Standards in Medical Education

The National Medical Commission (NMC) continues its dedicated efforts towards fostering excellence in medical education across the country. As part of its ongoing initiatives to elevate assessment quality at Indian medical colleges, the NMC conducted a highly successful refresher training session earlier today.

The session, held on the 14th of December 2023, focused on reinforcing the standards and methodologies employed in assessing medical students. Spearheading this endeavor, the MARB of NMC remains resolute in its pursuit of ensuring a robust and standardized evaluation process across all medical institutions.

Dr.J.L.Meena (Member MARB), Vijayendra Kumar (Member UGMEB), Dr. Yogender Malik, (Member EMRB) along with three experts conducted the training Session. Dr.Yogender Malik, Head of the Media Division at NMC, stated, "The completion of this rigorous training exemplifies our steadfast dedication to fostering excellence in medical education. These initiatives are vital in ensuring that our medical professionals receive top-tier training, ultimately benefiting our healthcare system."

The NMC acknowledges the collective efforts of educators, professionals, and stakeholders involved in fortifying the quality of medical education in India. These proactive measures underline the NMC's commitment to fostering competent and skilled medical professionals for the nation.
