PUBLIC NOTICE

Sub: Filing of 1st/2nd Appeals under sections 28(5) of NMC Act, 2019.

The Commission is currently handling multiple appeals concerning MARB's decision on starting or increasing seats in postgraduate (PG) courses. Given the time-sensitive nature of the NEET PG counselling process, the Commission has decided to prioritize appeals for Broad Specialty PG courses first.

2. Since Super Specialty PG course counselling is scheduled later, the appeals on PG(SS) from different colleges will be taken up later (in the month August, 2024). However, colleges who intend to appeal against the order of the MARB are requested to submit their appeals within the time frame.
3. The results of the appeals heard already, if any, and the results of the hearings that we start for the PG (SS) will be communicated together.
4. This issues with the approval of competent authority.
