"I have perused the letter dated 21.11.17 of the ESIC Medical College regarding the issue of acceptance of Dr. J.C. Panchasheelan. The College has referred to the order dated 29.09.15 passed by the Hon'ble Central Administrative Tribunal, Bangalore wherein the Hon'ble CAT had allowed the prayer of Dr. J.C. Panchasheelan to be designated as Associate Professor w.e.f. the date of his actual joining to that post from 05.04.2013. The Hon'ble CAT has noted in its order that that MCI had accepted the Declaration Form of Dr. J.C. Panchasheelan during the course of assessment. The ESIC had preferred Writ Petition No. 16384/2016 – ESIC & Ors vs. Dr. J.C. Panchasheelan which had affirmed the orders of the Hon'ble CAT. The operative part of the order reads as under:-

"12. In view of the aforesaid facts and circumstances, two conclusions can be reached; One is that the respondents was already posted as Associate Professor from 05.04.2013 and he was shown as working on the said post. The second is that, respondent in any case has fulfilled the requisite criteria for regular promotion/promotion as Associate Professor from the

post of Assistant Professor and he was already officiating from 05.04.2013 onwards.

13. In view of the aforesaid two conclusions, when one is officiating on the post of Associate Professor, naturally he would be entitled to the salary and other benefits accorded for the post of Associate Professor. Further when there was only one post of Associate Professor and the said post has already been filled up as back on 05.04.2013, may be by officiating initially but thereafter if the respondent is continued on the said post till the notification, he can be considered for regular posting as Associate Professor and the bar of age or qualification does not apply for consideration for promotion. As per the Recruitment Regulations, the post is to be filled up by promotion and as there was only one post, the notification so far as Associate Professor is concerned may not be required, since the post was already filled up or can be filled up by promotion to the respondent. If the aforesaid aspects are considered, we do not find that the ultimate decision taken by the Tribunal would not call for any interference.

Hence present petition is dismissed."

2. SLP (C) No. 27781/2017 – ESIC vs. Dr. J.C. Panchasheelan against the aforesaid orders of the Hon'ble High Court came to be dismissed by the Hon'ble Supreme Court on 22.09.17. In view of the above orders of the Hon'ble CAT affirmed by Hon'ble High Court of Karnataka and Hon'ble Supreme Court, the objection regarding the promotion of Dr. J.C. Pancheelan may be dropped and the matter may be further processed for grant of recognition of MD (General Medicine) qualification awarded by ESIC Medical College, Bengaluru."

In view of above, the Committee decided to recommend to the Central Government that MD(General Medicine) qualification for 06 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at ESI-PGIMSR, ESI-Hospital, Rajajinnagar, Bangalore be recognized and included in the 1st Schedule to the I.M.C.
