

**MEDICAL COUNCIL OF INDIA**  
**NEW DELHI**

**Minutes of the meeting of the Board of Governors held on 13<sup>th</sup> June,2011 at 10.00 a.m. in the Council office at Sector-8, Pocket-14, Dwarka, New Delhi-110077.**

\*\* \*\* \*

**The following were present:**

|    |                                |                              |
|----|--------------------------------|------------------------------|
| 1. | Dr. K.K. Talwar                | Chairman, Board of Governors |
| 2. | Dr. (Prof.) H.S. Rissam        | Member, Board of Governors   |
| 3. | Dr. Purshotam Lal              | Member, Board of Governors   |
| 4. | Dr. Rajiv Chintaman Yeravdekar | Member, Board of Governors   |
| 5. | Dr. Kailash Sharma             | Member, Board of Governors   |
| 6. | Dr. Sangeeta Sharma            | Member Secretary             |

1. **Minutes of the Board of Governors meeting dated 06.06.2011 – Confirmation of.**  
**The Board of Governors confirmed the minutes of May 06, 2011.**
2. The Board of Governors held detailed discussion and also perused the list of the colleges where the show cause notices have been issued relating to duplicate faculty. Some new facts regarding the Regulation on applications for increase of seats in colleges which have not been recognised for running of MBBS/PG Diploma/PG Degree/Higher Speciality courses was brought to the notice of Board of Governors.

Relevant part of the Clause 3 of Part-II of the Regulation 2000 on Opening of a New or Higher Course of Study or Training (including postgraduate course of study or training) and increase of admission capacity in any course of study or training (including a postgraduate course of study or training) Regulations, 2000. deals with Qualifying Criteria which is as under:-

**“3. Qualifying Criteria**

*The medical college/institution shall qualify to apply for increasing the number of admission in MBBS/PG Diploma/Degree/Higher Speciality Course in the existing medical college/institution if the following conditions are fulfilled:-*

1. *(1) The Medical College/Institution is recognised by the Medical Council of India for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.*

*or*

*(2) Medical College/Institution has received the formal permission of the Central Government under Section 10A of the Indian Medical Council Act, 1956 (102 of 1956) and has started*

No amendment has been made in the above said regulation permitting the college to apply for new or higher course of study without the colleges being recognised by the MCI for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.

Legal Retainer opined that in the absence of any provision in the Regulation permitting the non-recognised medical college to apply for increase of seats, permission could not be granted to the colleges for increase of seats which are not recognised for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.

In view of the specific provision in the Regulation, further in the absence of any amendment in the Qualifying Criteria of the above Regulation, the Board is not vested with power under Section 10A of I.M.C. Act, 1956 to entertain application for increase of seats in colleges which are not recognised for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.

Section 10A of I.M.C. Act, 1956 also provides that the application for increase of seats has to be in accordance with the scheme framed under section 10A. The Regulation above mentioned framed under section 10A of I.M.C. Act, 1956 does not give liberty to the Board of

Governors to entertain the application for increase of seats in undergraduate courses from the college which are not recognized by Medical Council of India. In my considered opinion, all such applications pending in the Medical Council of India for increase of seats in medical colleges which are not recognized for running MBBS/PG Diploma/PG Degree/Higher Speciality courses are liable to be rejected.

**Thereafter, the Board decided to direct the Secretary, MCI not to issue any letter of permission/rejection without prior permission of the BOG on June 10, 2011. The BOG will review again the decisions based on the above information after obtaining legal opinion.**

3. The Board of Governors perused the recommendations of the Undergraduate Medical Education Committee meeting held on 10<sup>th</sup> June, 2011. The following decisions were taken:-

| S.No                                                            | Name of college                                                                                                                                                                                                                                  | Infrastructure                                                                                                                                                                                                                                                                                                                                                     | Equipment | Clinical Materials | Staff                           | Remarks                                                                                                                                                                                                                             | Decision of the BOG                                                                                                                                                                                                                                          |
