16. **Clarification regarding requirement of NEET in respect of Indian Citizens/OCI who are intending to take admission in medical university/college outside the country.**

The Board of Governors considered that the Medical Council of India with the prior approval of the Central Govt., Ministry of Health & Family Welfare made necessary amendments in the Screening Test Regulations, 2002 and 'Eligibility Requirement for Taking Admission in an undergraduate medical course in a Foreign Medical Institution Regulation, 2002 whereby National Eligibility Cum Entrance Test was made mandatory in respect of Indian Citizens/OCI who are intending to take admission in medical university/college outside the country on or after May, 2018. The BoG also considered the directions of the Hon'ble High Court at Delhi and legal opinion in this regard.

The BoG considered the following issues in connection with the Indian Citizens/OCI who are intending to take admission in MBBS or equivalent medical course in the various medical universities outside the country in the academic year 2019-20 and onward:

- i) As to whether Indian Citizens/OCI who will qualify NEET 2019 and takes admission in pre-medical/language course, will have to qualify NEET again at the time of their admission in MBBS or equivalent medical course in subsequent years.

Decision: The Board of Governors decided that the candidate, who qualify the NEET in 2019 and leaves the Country for perusing pre-medical / language course, will NOT be required to qualify NEET again at the time of their actual admission in MBBS or equivalent medical course in subsequent year after completion of pre-medical / language course in that university/Insitution.

ii) Whether the NEET qualified once can be considered as qualifying NEET exam in subsequent year(s). If NEET qualified score card can be considered as Eligibility Certificate in subsequent years, we may specify number of years of validity of score, in respect of Indian Citizens/OCI who are intending to take admission in medical university/college outside the country

Decision: The Board of Governors decided that the candidate, who qualifies the NEET once, her/his NEET score will be valid for THREE YEARS in respect of Indian Citizens/OCI who are intending to take admission in medical university/college outside the country for:

- (a) Perusing pre-medical / language course, followed by MBBS or equivalent medical course in subsequent year after completion of pre-medical / language course; OR
- (b) Perusing MBBS or equivalent medical course.

The BoG directed the Eligibility Section to examine the matter relating to whether the above clarification can be issued through public notice or requires amendment in regulations.

**17. Rejoining the PG Course after a long time - policy decision – regarding.**

Decision: The Board of Governors decided to refer this matter to the BoG Member In Charge Ethics Sub-committee for examination and his recommendations for framing policy / consideration for bringing amendment in the Regulations in respect of UG and PG.

**18. Granting permission to students for readmission/appearing in MBBS examination and continuing the students of MBBS after a long gap of leave.**

Read: Agenda Note.

Decision: As in agenda item number 18.

**19. Consideration of World College of Medical Sciences & Research, Jhajjar, Haryana – Court case.**

The Board of Governors considered the assessment report for renewal of permission of 4<sup>th</sup> batch of admission of 150 MBBS students of World College of Medical Sciences & Research, Jhajjar, Haryana for the academic year 2019-20 along with order of the Hon'ble High Court of Punjab & Haryana at Chandigarh.

*Qm U4Pe*

The BoG noted that, an assessment was carried out by the Council assessors on 12/12/2018 and 13/12/2018 for 3<sup>rd</sup> Renewal (for admission of 4<sup>th</sup> batch of MBBS students) and one copy of the assessment report in sealed cover has been sent to the Council Advocate at Chandigarh on 17/12/2018 for placing the same before the Hon'ble High Court.

Read: Agenda Note.

Decision: The Board of Governors considered the assessment report dated 12/12/2018 and 13/12/2018, submitted by the Council assessors and summary/ observations of the Consultant and noted that:

1. There was faculty deficiency – 0.85% (1 out of 117)
2. Bed Occupancy was – 70.73%
3. Blood Cell separation facility not available
4. No other deficiency reported in assessors' report.

After considering the above, the Board of Governors decided to issue Show Cause Notice for disapproval to the Dean of World College of Medical Sciences & Research, Jhajjar, Haryana since the bed occupancy in the college is 70.73% against the requirement of 75%. The BoG also observed that the bed occupancy in the ICCU, ICU, SICU on the day of assessment was less.

**20. Admission of 1st year MBBS student at Rohilkhand Medical College & Hospital, Uttar Pradesh for the Academic Year 2013-14 – issue relating to discharge of 21 MBBS students of batch 2013-14 excess admission- Regarding.**

The Board of Governor considered the reference received from Under Secretary to the Government of India, Ministry of Health & Family Welfare, Under Secretary vide his letter dated 29/10/2018 requested to provide complete status of the case relating to discharge of 21 MBBS students of batch 2013-14 excess admission at Rohilkhand Medical College & Hospital, Uttar Pradesh for the Academic Year 2013-14.

Read: Agenda Note.

Decision: The Board of Governors decided:

- (a) To inform factual position of the case to the Ministry with reference to their letter dated 29.10.2018.

The Board of Governors considered the recommendations of the Ethics Sub-Committee in 8 + 19 (placed as table agenda with the approval of the Chair) = 27 cases for approval.

Read: Agenda Note.

The Board of Governors approved the recommendations of the Ethics Sub-committee as presented by the Chairman of the Ethics Sub-committee, except for case at Sr.No.4 i.e. appeal by Dr. Satish Lamba against the order passed by the Delhi Medical Council dated 28.08.2017 (Appeal No.76/2017 dt. 07.09.2017). The Board of Governors decided to refer this case back to Ethics Sub-Committee for its consideration. The Ethics Sub-Committee may examine the documents received from Delhi Medical Council and the statement of applicant and the statement of the complainant before the Delhi Medical Council. (Recommendations annexed, Annexure – I).

**30. Presentation of plan of action for completion of UG 10A / Renewal of permission applications by BoG, Member Incharge UG.**

The Board of Governors requested the BoG Members In-charge UG to expedite the pending work of the UG sections and present their recommendations to the BoG for its consideration. The office was asked to put up details (number) of cases pending in various categories. The BoG members I/c UG were requested to present plan of action expedite pending work, including plan for grant of hearing urgently.

**31. Plan of action for Board of Governors meeting to be held on 25.12.2018 on the subject of Medical Education Reforms.**

The Board of governors decided to have meeting to discuss issues relating to reforms in Medical Education on 25.12.2018 from 10.00 AM to 1.00 PM.

**32. To consider introducing DNB examination for candidates qualifying PG degree from foreign nations other than five English speaking countries.**

The BoG considered the issue relating to shortage of specialist in the Country and decided in-principle that Indian / OCI PG doctors planning to return / wish to render their services to the Country may be allowed to enter in main stream by

facilitating registration of their PG qualification by equating it to DNB. In view of the foregoing the BoG decided to nominate Dr Randeep Guleria, Dr Nikhil Tandon and Dr S Venkatesh, BoG Members, who are also NBE members, to workout detailed modalities in consultation with NBE leadership for allowing the Indian/ OCI Doctors who possess foreign PG qualification to take up DNB examination without undergoing three years DNB training at NBE accredited hospital in India.

**33. Any other item with the permission of Chair.**

(a) Matter relating to fee refund in case of UG and PG applications under IMC Act, 1956 under section 10 (A):

The BoG considered the issue relating to refund of fee in case the UG/PG application is withdrawn / returned without assessment. The BoG decided that in case the applicant withdraw the application or application is returned to applicant, without carrying out the assessment, the fee return policy followed as under:

- (i) Application withdrawn after registration by the Council: 20% application fee shall be deducted and remaining 80% fee shall be returned.
- (ii) Application withdrawn after the technical scrutiny by the Council or returned by the Council: 30% application fee shall be deducted and remaining 70% fee shall be returned.
- (iii) Application withdrawn during / after assessment by the Council: No refund of application fee.

Further, the Board of Governors decided that the application fee shall not be carried forward / adjusted in subsequent year.

(b) The Board of Governors decided to request the Sub-committee constituted to work out modalities to make available at least three times (of available PG seats) candidates in case of PG (Broad Speciality) and five times (of available PG seats) in case of PG (Super speciality) qualifying NEET, to submit its report within two weeks.

(c) Adjustment of application fee (deposited last year or earlier) for applications submitted for starting/increase of PG Broad Speciality seats.

The matter relating to request by some of the medical college authorities during the hearing granted u/s 10A(4) of the IMC Act 1956 for adjustment of application fee, deposited last year or earlier during the current year (for applications submitted for academic year 2019-2020) was discussed in the meeting. The BoG resolved that as per applicable provisions of the regulations the application fee deposited last year or earlier cannot be adjusted for processing application for the current academic year (i.e. 2019-2020) as the application fee deposited earlier was non-refundable.

The meeting ended with a vote of thanks to the Chair.

**Appeal dated 06.02.2017 filed by Smt. Payal Gandhi against Order dated 20.12.2016 passed by Delhi Medical Council.**

The Delhi Medical Council passed an order on 20.12.2016, the relevant part of the order of Delhi Medical Council is as under :-

" .....

*In view of the observations made hereinabove, it is, therefore, the decision of the Executive Committee that prima facie **no case of medical negligence is made out on the part of doctors of Dharamshilla Hospital, in the treatment administered to the complainant's husband late Shri Dinesh Gandhi.***

However, Smt. Payal Gandhi has not satisfied with the decision of the Delhi Medical Council and filed an appeal dated 06.02.2017 in the Council Office.

Whereas, the Ethics Committee of the Council investigated the matter and recorded the statements of Smt. Payal Gandhi Dr. Niranjana Naik, Dr. Atul Kumar Srivastava and Dr. Satish Bansal Dr. Yashvanth Shivanna Dr. Sandeep Chatrath.

Ethics Committee decision (30<sup>th</sup> and 31<sup>st</sup> August, 2018):

" .....

*In view of the above, the Ethics Committee is of the view that no medical negligence can be attributed to the accused doctor of Dharamshilla Hospital and there is no infirmity in the findings of the Delhi Medical Council made in the impugned order. **Present appeal is therefore dismissed and the impugned order dated 20<sup>th</sup> December 2016 passed by the Delhi Medical Council is upheld.***

2. **Appeal dated 04.07.2017 filed by Sh. Rohit Goyal against order dated 30.01.2017 passed by Delhi Medical Council**

The Ethics Committee further observed the decision/Order dated 30.01.2017 passed/issued by Delhi Medical Council. The operative part of the order of Delhi Medical Council is as under:-

“ .....

*In view of the observation made hereinabove, it is, therefore, the decision of the Executive Committee that prima facie no case of medical negligence is made out on the part of doctors of Kailash Hospital, in the treatment administered to the complainant's mother Smt. Suresh Rani at Kailash Hospital.*

*Complaint stands disposed.*

*The Order of the Disciplinary Committee dated 22nd December, 2016 was confirmed by the Delhi Medical Council in its meeting held on 19th January, 2017.”*

However, Sh. Rohit Goyal has not satisfied with the decision of the Delhi Medical Council and filed an appeal dated NIL (received in the Council office on 11.07.2017).

पत्र संख्या वी .11025 / 14/2017-एमईपी दिनांक 18.12.2017 स्वास्थ्य और परिवार कल्याण मंत्रालय, नई दिल्ली

The Delhi Medical Council passed an order on 28.08.2017, the relevant part of the order of Delhi Medical Council is as under :-

*".....In light of the above the Disciplinary Committee observes that explanation put forth by Dr. Satish Lamba is not satisfactory. The Disciplinary Committee further observes that inspite of the fact that Dr. Satish Lamba has been suspended from practicing vide order No. DMC/Dc/F.14/Comp.1866/2/2017/258579 to 258581 dated 25<sup>th</sup> January, 2017, Dr. Satish Lamba was found on 12<sup>th</sup> April, 2017 to be practicing during the period of punishment, as is established by the CD submitted by the Police. This action of Dr. Satish Lamba flouting the order of the Delhi Medical Council is reflective of professional misconduct. The Disciplinary Committee, therefore, recommends that name of Dr. Satish Lamba (Delhi Medical Council Registration No. 56121) be removed from the State Medical Register of the Delhi Medical Council for a period of 90 days."*

The Committee noted that Dr. Satish Lamba has not satisfied with the decision of

Whereas, the Ethics Committee of the Council investigated the matter and recorded the statements of Dr. Satish Lamba.

Ethics Committee decision (9<sup>th</sup> October, 2017).

*".... the Ethics Committee is of the considered view that there was no willful default or violation by Dr. Satish Lamba of the order dated 25.01.2017 passed by Delhi Medical Council and therefore could not have been held guilty for willfully flouting the order, therefore, the order dated 28.08.2017 passed by the Delhi Medical Council whereby Dr. Satish Lamba's name has been directed to be removed from the State Medical Register for a period of 90 days is hereby set aside and the present appeal is allowed."*

The above decision was placed before the Executive Committee at its meeting held on 25.10.2017 and the Executive Committee approved the same.

Further it was noted that the decision was communicated to the concerned parties on 21.11.2017.

The Ethics Committee further noted that on the basis of the above decision, Mrs. Sunita Singh approached the Ministry of Health & Family Welfare, Govt. of India for reconsideration of the case.

Further it was noted that the Ministry of Health & Family Welfare vide letter dated 18.12.2017 requested the Council to reconsider the case as Mrs. Sunita Singh was not given a chance of hearing.

Refd back to Ethics Sub-committee for reconsideration  
U.P. ————— GH

Whereas, the Ethics Committee of the Council investigated the matter and recorded the statements of Dr. Satish Lamba and Mrs. Sunita Singh.

Ethics Committee decision (14<sup>th</sup> & 15<sup>th</sup> September, 2018).

The Ethics Committee after observing the certificate provided by Ms. Sunita Singh noted that no date is mentioned on the certificate issued by Dr. Lamba. The dates written on certificates appear to be from different pages. Further, regarding certificate of Mr. Vijay Khare, Mr. Ram Sewak, Mr. Vineet Kumar, no date is mentioned. Mrs. Sunita Singh has submitted before the Ethics Committee that these documents have been sought by her through RTI from the ITO department. The Ethics Committee noted that these certificates are simple photocopy without any attestation. Therefore, from the above evidence, the Committee feels that there is no clarity as to whether Dr. Satish Lamba issued the said certificates in that particular period.

In view of the aforesaid, the Ethics Committee unanimously decided to reiterate its previous decision dated 21.11.2017 and **decided to exonerate Dr. Satish Lamba from the charges leveled against him.**

Referred back to Ethics Subcommittee for reconsideration.

5. **Appeal dated 07.06.2016 filed by Sh. Prosanta Kumar Dey against Dr. Amit Mukherjee & Dr. Anupam Biswas of Life Nursing Home, Nadia, West Bengal**

The Ethics Committee on perusal of documents noted that Sh. Prosanta Kumar Dey had initially filed a complaint dated 24.08.2015 in West Bengal Medical Council against Dr. Amit Mukherjee & Dr. Anupam Biswas.

The Ethics Committee further considered the matter and noted that the West Bengal Medical Council has failed to conclude the matter within the stipulated time period as per Regulations "the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002".

The Ethics Committee further noted that now Sh. Prosanta Kumar Dey has filed the above mentioned appeal dated 07.06.2016 against Dr. Amit Mukherjee & Dr. Anupam Biswas of Life Nursing Home, Nadia, West Bengal and has informed the Council Office that the West Bengal Medical Council has failed to conclude the matter within the stipulated time period, as per the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002, and requested to accept the appeal.

Whereas, the Ethics Committee of the Council investigated the matter and recorded the statements of Dr. Anupam Biswas and Dr. Amit Mukhopadhyay.

Ethics Committee decision (**24<sup>th</sup> & 25<sup>th</sup> September, 2018**).

The Committee further noted that Dr. Amit Mukherjee (Mukhopadhyay) admitted the patient under him at 12:55 pm on 20.07.2015. He was fully aware that he is engaged in other hospitals till evening. The Committee observed that as far as treatment part is concerned, Dr. Amit Mukherjee is non-negligent but definitely he has shown negligence in not attending the patient timely (as patient was admitted under him at 12:55 pm and he attended the patient at 5 pm on 20.07.2015). The Committee after detailed deliberation **decided to warn him to be more cautious in future and admit only those patients to whom he can render his service timely.**

6. **Appeal dated 03.08.2017 filed by Ms. Hema Gadodia against order dated 27.06.2017 passed by West Bengal Medical Council**

The West Bengal Medical Council passed an order on 27.06.2017. The operative part of the order is as under:-

“ .....

*The Council, at their meeting dated 5<sup>th</sup> May, 2017, went through the report of the concerned Penal & Ethical Cases Committee together with the opinions obtained from experts in various fields like CTVS, Endocrinology, Cardiology and Orthopaedics and concluded that there was no negligence on the part of the treating doctors. However, the Council agreed with the findings of the concerned PE Committee that the treating doctors should be more careful about taking Informed Consent from patient parties in their own language.*

*With the above observation the Council decided to close the case with intimation to all concerned.”*

The Ethics Committee further observed that Ms. Hema Gadodia was not satisfied with the decision of the West Bengal Medical Council and filed an appeal dated 03.08.2017 in Medical Council of India.

Whereas, the Ethics Committee of the Council investigated the matter and recorded the statements of respondent doctors.

Ethics Committee decision (24<sup>th</sup> & 25<sup>th</sup> September, 2018).

....the Ethics Committee unanimously decided that no case of negligence can be made out against the alleged doctors. Therefore, the Ethics Committee decided to uphold the decision of the West Bengal Medical Council in respect of **5 doctors namely Dr. Ajay Kaul, Dr. Tarun Praharaj, Dr. S. Kamath, Dr. Samit Roy and Dr. Monimoy Ghosh** and also to exonerate the three doctors namely Dr. B.K. Kochar, Dr. A.A. Bhowmik and Dr. Ghanshyam Goyal.

The Ethics Committee further noted that the Executive Committee referred the matter to the Ethics Committee to take suitable action against the alleged faculty of the college namely Dr. P. Elavarsi and Dr. S. Renuka as they have appeared in two different medical colleges in the same academic year.

Whereas, the Ethics Committee of the Council investigated the matter and recorded the statements of Dr. S. Renuka, Dr. P. Elavarasi and the Dean Dr. K. Gajendran.

Ethics Committee decision (24<sup>th</sup> & 25<sup>th</sup> September, 2018).

".....the Ethics Committee took serious note of it and has instructed the Dean to give them their salaries and relieving order within 7 working days and send us the compliance.

Concerning Dr. S. Renuka, the Committee decided to exonerate her since she has mentioned the detail on the first page. The Committee further decided to give warning to Dr. P. Elavarasi to be more cautious in future."

8. **The matter with regard to renewal of permission for MBBS Course for 5th batch (150 MBBS Seats) at Shridevi Institute of Medical Sciences & Research Hospital, Tumkur, Karnataka for the year 2017-18, forwarded by UG Section**

The Ethics Committee noted that all the matters referred by the Undergraduate Section of the Council need detailed discussion and deliberation and decided to defer the consideration of all these matters for the next and subsequent meeting of the Ethics Committee.

Whereas, the Ethics Committee of the Council investigated the matter and recorded the statements of the alleged faculty members.

Ethics Committee decision (24<sup>th</sup> & 25<sup>th</sup> September, 2018).

".....the Ethics Committee reviewed the documents and noted that in the morning session they did their signatures in hurry and in afternoon session they did the signatures properly and at the time of inspection they repeated the signatures in front of MCI assessors and the assessors have accepted the same, also the assessors had not written any negative comments for not accepting them as a faculty. Therefore, the Ethics Committee is of the view that both the signatures of morning and evening are done by the same person and warned the doctors namely **Dr. Mukesh Kumar and Dr. Ravi Kumar NR to be more cautious** in future while doing their signatures.

The Ethics Committee noted that the other alleged doctors namely **Dr. Santosh S., Dr. Amith K.M. and the Principal Dr. Shankerappa D. Desai** appeared before the Ethics Committee on 08.03.2018 and have already submitted their written statements alongwith the proof i.e. signatures notified and attested by the Notary Public. The Ethics Committee had instructed them to be **more careful in future** and use only one type of signatures for MCI purposes."
