2. Writ Petition (C) No. 25995/2018 filed by Glory Saji&Ors. Vs. Union of India & Others in the Hon'ble High Court of Judicature at Allahabad

Read: Agenda Note

Decision:

The Board of Governors noted that the above mentioned writ petition has been filed by the students of MBBS course in the Venkateswara Institute of Medical Sciences, Gajroula (U.P.) in the academic year 2016-2017. They have completed two years of their education in the said course. The grievance of the petitioners is that the Venkateshwara Institute of Medical Sciences, Amoraha, U.P. does not possess the basic minimum infrastructure in terms of human resource and otherwise required for imparting education for a highly professional course. It is also their case that the management of the respondent institution is threatening the petitioners that if they raise any voice against the set-up of the institution their future would be put to jeopardy and that they will have to face dire consequences and would be deliberately declared unsuccessful. These students have also in their petition before the Hon'ble High Court vaguely expressed their apprehension about threat to their life and property.

The above-mentioned case was listed before the Hon'ble High Court on 08.08.2018 when the Hon'ble High Court directed the Superintendent of Police, District Amroha to ensure that the petitioners are provided adequate security in terms of their life and property provided that there is any apprehension, as alleged by the petitioners, for which the Superintendent of Police, Amroha will get an internal inquiry conducted. Thereafter, the matter was heard on number of dates and Orders were being passed for exchange of pleadings. When the case was listed for hearing before the Hon'ble High Court on 14.03.2019, Sri Prashant Mathur, Additional Chief Standing Counsel, placed an Inquiry Report of Superintendent of Police, District Amroha dated 25.11.2018 which had been conducted pursuant to Order dated 08.08.2018. There are certain photographs also alongwith the report and other supporting materials. The Hon'ble Court was of the opinion that all these materials should be forwarded to Medical Council of India forthwith by Secretary, Department of Medical Education, Government of U.P.. Thereafter, the Medical Council of India will proceed accordingly, as per Rules, Regulations and the Statutory Provisions to deal with such issues.

The Board of Governors noted that in pursuance of the Order dated 14.03.19 passed by the Hon'ble High Court of Allahabad, in the above-captioned matter, the Secretary, Medical Education, Govt. of U.P. has forwarded the Enquiry

Report of S.P. Amroha of the enquiry conducted by Police Officers of Venkateshwara Institute of Medical Sciences, Amroha. The Police Enquiry was conducted based on order dated 08.08.18 of the Hon'ble High Court. A perusal of the Police Enquiry Report brings out that during inspection by the Police most of the Departments and Labs were empty. Further, there were no patients in the OPD. The Police authorities have also noted that there has been overwriting in the OPD Attendance Register. The Police Officers in their Report have also stated that approx. 70 students who were present in the College have informed about lack of Teaching faculty, Support Staff and Patients in the College. Further, the students have informed the Police that despite several strikes by them there has been no improvement in the College. Concerning the security issue of students, it is noted that the Police Authorities have established a Police Station in the campus, as well as shared their Mobiles Nos. with students.

The Board of Governors further noted that the College Authorities in response to Council letter dated 26.02.19 have submitted, after reminder dated 04.04.19, Compliance Report on 08.04.19.

The Board of Governors took note of the Enquiry Report of Police received from the State Government, as also the compliance that has been received from College Authorities. The Board of Governors decided that the statutory process for renewal of permission be further followed.

3. Medical Education – Hon'ble High Court of AP orders dt.24.8.2018 in WP No. 27949, 27968 and 30074 of 2018- RVS Institute of Medical Sciences, Muthirevula Village, RVS Nagar, Tirupati Road, Puthapattu (M), Chittoor District- Submission of proposals for accommodation of the students studying in RVS Institute of Medical Sciences in Government Medical Colleges of AP –reg

Read: Agenda Note

Decision:

The Board of Governors noted that in pursuance of order dated 24.08.18 of the Hon'ble High Court of A.P. in WP No. 27949 of 2018 & connected matters, the Board of Governors had accepted the proposal of State Government dated 09.10.18 to reallocate the 150 students of 2016-17 batch of RVS Institute of Medical Sciences, Chittoor in 11 Government Medical Colleges, subject to withdrawal of Essentiality Certificate. The State Government had subsequently cancelled the Essentiality Certificate and submitted a fresh proposal dated 29.03.19 for relocating the students in 10 Government Medical Colleges. The Board of Governors were informed that vide order dated 07.04.19 in WP No. 4484 of 2019 – Srinivasa Educational Academy &Anr. Vs. The State of A.P. &Ors, the learned Division Bench of the Hon'ble High Court granted an interim

stay on the cancellation of the Essentiality Certificate by the State Government. The Board of Governors noted that the proposal of State Government to reallocate the students in Government Medical Colleges had already been accepted. Once such proposal has been accepted the status of Medical College is that of a closed Medical College. Therefore, it was for the State Government to take further steps as regards reallocation of students was concerned.

4. Recognition of MD (Pharmacology) qualification of Dr. Jaspreet Kaur Boparai admitted in 1st batch in 2011 in Gian Sagar Medical College

Read: Agenda Note

Decision:-

The Board of Governors noted that Gian Sagar Medical College, Patiala was granted Letter of Permission in 2011. On the strength of this Letter of Permission only 01 student had been admitted in the academic year 2011. The Board of Governors further noted that there were no admissions made in subsequent batches and that the assessment at the final examination could not be carried. The College as on date has been closed. The only student admitted in the course – Dr. Jaspreet Kaur has successfully passed the examination conducted by Baba Farid University of Health Sciences, Faridkot. Accordingly, the Board of Governors after considering the representation of Dr. Jaspreet Kaur decided to recommend to the Central Government to recognize the MD (Pharmacology) degree awarded by Gian Sagar Medical College, Patiala under Baba Farid University of Health Sciences, Faridkot for the batch admitted in academic year 2011-12 only.

13. Retrospective approval and Recognition of MD (Emergency Medicine) Course at Rajah Muthiah Medical College Annamalinagar as well as (Accident and emergency Medicine) at Sri Ramachandra Medical College, Chennai and Vinayaka Mission University, Salem– Regarding

Read: Agenda Item

Decision:

The Board of Governors noted that the Central Government vide its letter dated 10.01.19 has sought for reconsideration of the issue of retrospective approval and recognition of MD (Emergency Medicine) course of Rajah Muthiah Medical College, Annamalai Nagar in view of the hardships faced by 41 students who have passed out from this College, and as the College is now under the control of Government of Tamil Nadu. On perusal of records, it is evident that the course was started without the prior permission of Central Government under section 10A of the Indian Medical Council Act, 1956 and was conducted during the period 2009-10 to 2012-13. The consequence of non-obtaining of prior permission of Central Government as contemplated under section 10A of the Act is provided for in section 10B of the Act which reads as under:-

10B. Non-recognition of medical qualifications in certain cases.-(1) Where any medical college is established except with the previous permission of the Central Government in accordance with the provisions of section 10A, no medical qualification granted to any student of such medical college shall be recognised medical qualification for the purposes of this Act.

(2) Where any medical college opens a new or higher course of study or training (including a postgraduate course of study or training) except with the previous permission of the Central Government in accordance with the provisions of section 10A, no medical qualification granted to any student of such medical college on the basis of such study or training shall be a recognised medical qualification for the purposes of this Act.

(3) Where any medical college increases its admission capacity in any course of study obtaining except with the previous permission of the Central Government in accordance with the provisions of section 10A, no medical qualification granted to any student of such medical college on the basis of the increase in its admission capacity shall be a recognised medical qualification for the purposes of this Act.

Vatir

[Signature]

Explanation. – For the purposes of this section, the criteria for identifying a student who has been granted a medical qualification on the basis of such increase in the admission capacity shall be such as may be prescribed.

Accordingly, in view of the statutory provisions referred above, the Board of Governors after re-consideration decided that retrospective approval and recognition to the MD (Emergency Medicine) of Rajah Muthiah Medical College, Annamalainagar to mitigate the hardships faced by 41 students who have passed this course is not permissible.

The above minutes of the meeting were read/approved and confirmed in the meeting itself.

14. MGM Institute of Health Sciences, Navi Mumbai - Recognition of MD(Forensic Medicine) qualification for 2 seats in respect of students being trained at Mahatma Gandhi Mission's Medical College, Aurangabad

Read: Agenda Note

Decision:

The Board of Governors considered the representation dated 26.02.2019 received from Dean, MGM Medical College, Aurangabad with the request to grant retrospective recognition in MD (FMT) qualification, i.e w.e.f. April 2015 instead of April 2016, as one candidate was admitted in MD (FMT) after completing Diploma in FMT. The Board of Governors noted that the proviso as regard period of training for MD course in clause 10 (1) of Postgraduate Medical Education Regulations, 2000 provides as under:

“Provided that in the case of students possessing a recognised two years postgraduate Diploma course in the same subject, the period of training including the period of examination shall be two years.”

Accordingly, the Board of Governors decided to accept the request of the College Authorities and recommend to the Central Government to grant retrospective recognition, i.e., from 2015 instead of 2016.

The Board of Governors noted that the Hon'ble Supreme Court has directed as under:-

"M.A D.No. 9386 of 2019 and M.A D.No 9542 of 2019, on mentioning, are taken on board.

We have heard learned counsel for all the parties at great length.

First of all, we make a minor correction to our order dated 23.01.2019. We make it clear that in the paragraph beginning "150 students, in their first year, will have to take the exam", the sentence which reads as "It is only on their clearing this examination, that they will then be allowed to take the classes of the second year ..." will be corrected to read as follows:

"It is only on their clearing this examination, that they will then be allowed to take the examination of the second year..."

We had, in this order, earlier indicated that these two batches of 150 students each will be accommodated strictly on merit in accordance with the results obtained in the NEET examination. This has resulted in a large number of students of reserved categories now having to pay a higher fee as a result of being allocated to private medical institutions. In the interest of justice, we direct the Medical Council of India, as an ad hoc one time exercise, to accommodate all these students by increasing the seats commensurately only

Vatm

in the three government medical colleges. This will be done by the Medical Council of India within one week from today. All these students, as a result, will now have to pay whatever fees are charged by these Government Medical Colleges. To this extent, our order dated 23.01.2019 will now stand amended.

Within a period of two weeks from today, counselling will also be completed in these three Government medical colleges.

All interlocutory Applications are disposed of accordingly.

Applications for intervention/impleadment stand disposed of.

As prayed for, two weeks' extension of time from today is granted to the Trust to refund the security deposit of Rs. 2 lakhs."

Subsequently, the Medical Council of India has moved an IA before the Hon'ble Supreme Court seeking recall of order dated 14.03.2019 and implementation of Order dated 23.01.2019. This application came to be listed on 12.04.2019 and the Hon'ble Supreme Court was pleased to pass the following order:

"Having heard all the learned counsel appearing on behalf of the parties, we see no reason to modify our order dated 14.03.2019. The miscellaneous application stands disposed of.

However, the date for counseling may be extended by two weeks from today."

The Board of Governors in super-session of Medical Council of India in pursuance of the orders dated 14.03.2019 and 12.04.2019 passed by the Hon'ble Supreme Court in WP (C) Nos. 571/2018- Sourabh Brala&Ors vs. Union of India &Ors., keeping in view the peculiar facts and circumstances and in order to protect the interests of students of 2016-17 and 2017-18 batches of students admitted in Sridev Suman Subharti Medical College, Dehradun decided to as a one-time measure grant increase of additional seats, in accordance with the Orders of the Hon'ble Supreme Court. Accordingly, the sanctioned intake capacity of the following 03 Govt. Medical Colleges for the academic session 2016-17 and 2017-18 shall be increased as under:-

S. No.	Name of the Medical College	Sanctioned Intake Capacity of the college	Sanctioned Intake Capacity for 2016-17 after ad hoc allotment	Sanctioned Intake Capacity for 2017-18 after ad hoc allotment

1. There is deficiency of 1 Associate Professor. Dr. Nilesh Naphade promoted after the cut off date without requisite publications.
2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 02 to 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office within 30 days from the date of communication of the deficiencies by the Council as specified in the Gazette Notification dated 05.04.2018. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.
