Dr. D.K. Sharma	]	Former Professor & Head,]Department of Paediatrics,]L.L.R.M. Medical College,]Meerut
Dr. P.K. Sur	]	Director,]I.P.G.M.E.R.,]Kolkatta.
Dr. G.B. Gupta	]	Prof. of Medicine,]Pt.JNM Medical College,]Raipur
Dr. Mukesh Kr. Sharma	]	Deptt. of General Surgery,]S.M.S. Medical College,]Jaipur
Dr. B.C. Das	]	Director,]State Instt. of Health &]Family Welfare,]Govt. of Orissa, Nayapalli,]Bhubaneshwar
Lt.Col. (Retd.) Dr. A.R.N. Setalvad	-	]Secretary

The apologies for absence were received from Prof. N. Rangabhashyam, Adhoc Committee member and Dr. J.R. Kher & Dr. Nitin S. Vora, members of the Executive Committee.

The President (Acting) informed the members with regret about the sad demise of Dr. K.M. Rameshchandra Babu on 27th April, 2005. The members expressed their grief about the sad demise of Dr. K.M. Rameshchandra Babu. Dr. Babu had been an esteemed member of the Council since 2000 and member of the Ethics Committee from 01.11.2001 till date. He also informed that the condolences to the bereaved family on behalf of the office and on behalf of the Committee will be sent. The Chairman requested the members to pass a resolution of condolence to be sent to the bereaved family in the memory of late Dr. K.M. Rameshchandra Babu and also to observe two minutes silence.

Thereafter the following condolence resolution was passed to be conveyed to the bereaved family:-

“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council resolved to condole the tragic death of Dr. K.M. Rameshchandra Babu and pray the God Almighty to give peace to the departed soul and to give strength and courage to the bereaved family to bear the irreparable loss.”

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council before taking up the agenda items discussed and decided as under:-

- (a) A national level meeting should be convened on Crisis in Medical Education at the earliest.
- (b) Efforts be made to include research component like number of papers published in last 1 year in national/indexed journals, ongoing research projects in which the teacher is actively involved etc. in the declaration form.
- (c) The office of the Council should prepare a note of pending items and the Secretary should take up the matter of pending items with the Central Govt. for early resolution of all such pending items.
- (d) Steps be initiated to start the accreditation process. President (Acting) be authorised to form a Sub-Committee to oversee the process.
- (e) Whole Time/Zonal inspectors should sign on each and every page of the inspection report of the inspection carried out by them.

1. Minutes of the Executive Committee Meeting held on 7th May,2005 – Confirmation of.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council confirmed the minutes of the meeting of the Executive Committee held on 7th May,2005.

2. Minutes of the last meeting of the Executive Committee – Action taken thereon.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council noted the action taken by the office on the various items included in the agenda of the Executive Committee meeting held on 7th May, 2005.

3. Pending items arising out of the decisions taken by the Executive Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the list of pending items arising out of the decisions of the Executive Committee.

4. Midnapur Medical College & Hospital, Midnapur-Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (23rd & 24th May, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at Midnapur Medical College & Hospital, Midnapur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 23rd & 24th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of 100 MBBS students for the academic session 2005-06 at Midnapore Medical College, Midnapore.

5. Establishment of new medical college at Vikarabad, by Bhagwan Mahavir memorial trust, Hyderabad-Grant of letter of permission.

Read : The compliance verification inspection Council Inspectors report (9th & 10th May, 2005) for grant of letter of permission for establishment of new medical college (Bhagwan Mahavir Institute of Medical Sciences at Vikarabad, by Bhagwan Mahavir memorial Trust, Hyderabad u/s 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 9th – 10th May, 2005 and noted the following:-

1. The shortage of teaching faculty is as under:

(a) The following teaching staff are not available:

(I) Assistant Professor: 2 (Biochemistry 1, General Medicine 1)

(b) The following faculty cannot be considered as per the reasons shown below:

	Name	Designation	Dept.	Remarks
1.	Dr. M. Chandrasekharan	Professor	Surgery	He does not possess experience as Associate Professor. He cannot be considered eligible as Professor as he does not have 4 years teaching experience as Associate Professor.
2.	Dr. B. Sushila Amma	Professor	OG	She does not possess any experience as Associate Professor. She is not eligible to be considered as a Professor as she does not have 4 years teaching experience as Associate Professor.
3.	Dr. P.N. Swami	Professor	Paediatrics	He does not have any experience as Associate Professor. He is not eligible as he does not have 4 years teaching experience as Associate Professor.
4.	Dr. Sindhu Joshi	Asstt. Professor	Medicine	She possesses only one year's teaching experience as shown in the declaration form. She is not eligible to be considered as Asstt. Professor as she does not possess 3 years teaching experience as Resident/Tutor as

				required under the Regulations.
5.	Dr. C.S. Jain	Asstt. Professor	Paediatrics	No experience as shown in the declaration form. He is not eligible to be considered as Asstt. Professor as he does not possess 3 years teaching experience as Resident/Tutor as required under the Regulations.
6.	Dr. A. Krishnu	Asstt. Prof.	Surgery	He possesses only 2 years experience as Resident as shown in the declaration form. He is not eligible to be considered as Asstt. Professor as he does not possess 3 years teaching experience as Resident/Tutor as required under the Regulations.
7.	Dr. M.R. Raju	Sr. Resident	ENT	He possesses only 2 years experience in the department as shown in the declaration form. He is not eligible as he does not possess 3 years experience in the department.
8.	Dr. Y. Radhika	Sr. Resident	O.G.	She possesses no experience in the department as shown in the declaration form. She is not eligible, as she does not possess 3 years experience in the department.

- (c) The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that in relation to certain Declaration Forms submitted on behalf of the Medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the experience certificates submitted by them are forged as shown below:

#	Name	Designation	Department	Remarks
1	Dr. T. Rajeshwar	Asso. Prof.	Physiology	In declaration form, he has shown experience at Vinayaka Mission College, Salem from February 1998 - October 2003 as Asst. Prof. Vinayaka Mission's College, Salem has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Associate Professor.
2	Dr. Rama Devi	Asso. Prof.	Pathology	In declaration form, she has shown experience at Christian Medical College, Vellore from June 1995 - February 2002 as Asst. Prof. Christian Medical College, Vellore has stated that she has never worked in their college. Thus the

				experience certificate submitted by her is forged and that experience cannot be considered. She is not eligible to be considered as Associate Professor.
3	Dr. S. Ramesh Sounder Rajan	Asso. Prof.	Microbiology	In declaration form, he has shown experience at Vinayaka Mission Medical College, Salem from May 1996 - March 2002 as Asst. Prof. Vinayaka Mission Medical College, Salem has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Associate Professor.
4	Dr. V. Karthikeyan	Professor	Biochemistry	In declaration form, he has shown experience at Sri Ramachandra Medical College, Chennai from June 1992 - June 1997 as Asst. Prof. & from June 1997 – June 2001 as Asso. Prof. Sri Ramachandra College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Professor.
5.	Dr. K. Rajsekharan	Professor	Anatomy	He possesses only 2 years 10 months experience as Associate Professor. His experience in the University of Seychelles cannot be considered. Also, in the declaration form, he has shown experience at Christian Medical College, Vellore from June 1993 - December 1995 as Asst. Prof. Christian Medical College, Vellore has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Professor as he does not possess 4 years experience as Assoc. Prof. as required as per regulations and also as experience certificate submitted by him is forged.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that submission of absolutely fabricated and false documents to the MCI appears to be an attempt to mislead the Council in discharge of its statutory responsibilities.

- (d) The following faculty cannot be considered as they have presented at other medical colleges at the time of inspection for the academic year 2005-2006 as

shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. D. Srinivasa Rao	Asso. Prof.	Medicine	He has also presented at M.G. Medical College, Pondicherry at the inspection on 27.01.2005 for the inspection for academic year 2005-2006. He cannot be considered as a teacher at this college.

(e) In view of above, the shortage of teaching faculty is more than 15 %.

2. Dr. Chandra Sekhar, designated as Medical Superintendent, is not qualified to hold the post as he has only 2 years' administrative experience.
3. Residents' accommodation does not have furniture. Residents are not staying in the accommodation provided for them. Principal failed to provide allotment letters for accommodation of residents.
4. Furniture is not provided in Nurses' hostel. Total accommodation is available only for 40 Nurses which is inadequate. Principal failed to provide allotment letters for accommodation of Nurses.
5. In OPD, only vacant room is provided for Physiotherapy. Audiometry room does not have air-conditioning in the patients' chamber. There is no technician. Proper colour coding system is not followed for disposal of biomedical waste. In the examination room of Surgery OPD, for clinical examination, gloves, proctoscopes, Vaseline, gauze, etc. are not available. In Physiotherapy section, only vacant room is provided.
6. In wards, side laboratories are not provided with water supply. Location of the nursing station is such that they are not in a position to look after most of the patients. Tuberculosis and Psychiatry patients are admitted in Medicine wards as there are no separate wards.
7. Most of the patients of Orthopaedics, ENT, Ophthalmology and Obst. & Gynaec. Wards were of little clinical significance.
8. Medical Records department is not computerized. Except one technician, no other staff is available. ICD X classification is not followed for indexing.
9. On the day of inspection, no patients were available in ICCU, medical ICU, respiratory ICU, Paediatric ICU & Neonatal ICU.
10. Segregation and collection of biological hospital waste is not done properly in many areas of the hospital.
11. Other deficiencies / remarks in the report.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, were clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigation in all such cases. It was also observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided to take appropriate action be taken against these Doctors in accordance with Professional Conduct (Etiquette and Ethics) Regulations 2002.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment

of new medical college at Vikarabad, by Bhagwan Mahavir memorial trust, Hyderabad received u/s 10A of the IMC Act, 1956.

6. Mediciti Institute of Medical Sciences, Ghanpur(A.P.)-Renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (11th & 12th May, 2005) for renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-06 at Mediciti Institute of Medical Sciences, Ghanpur (A.P.)

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 11th -12th May, 2005 and noted the following:-

1. The shortage of teaching faculty is as under:
 - (a) The following teaching staff are not available:
 - (i) Associate Professor 1 (Obst. & Gynaec. 1)
 - (ii) Asst. Professor 1 (Epidemiologist cum lecturer 1)
 - (iii) Tutor 1 (Radiodiagnosis 1)
 - (b) The following faculty cannot be considered as per the reasons shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. Kameshwari Prasad	Professor	Surgery	She possesses experience of 2 y 10 m only as Associate Professor and 1 y as Professor. She cannot be considered eligible as Professor as she does not have 4 years experience as Asso. Prof.
2.	Dr. A.Vardha Chary	Asst. Prof.	Surgery	He does not possess requisite P.G. qualification as prescribed under the regulations for the post of Asst. Prof. He does not fulfil the required teaching experience of 3 years as Tutor/Resident/Registrar prescribed in the regulations for the post of Asst. Prof..
3.	Dr. Shobha Murthy	Asst. Prof.	Pathology	She does not possess requisite P.G. qualification as prescribed under the regulations for the post of Asst. Prof. She has teaching experience of 2 y 3 m only as shown in declaration form and does not fulfil the required teaching experience of 3 yrs. As Tutor/Resident/Registrar prescribed under the regulations for the post of Asst. Prof.
4.	Dr. S.N. Chappa	Professor	C.M.	He does not possess requisite teaching experience as shown in the declaration form. He is not eligible as Professor as he does not have 4 years'

				teaching experience as Asso. Prof. in medical college.
5.	Dr. B. Anand Kumar	Asso. Prof.	Anatomy	He does not have any teaching experience in a medical college. His experience in Dental college cannot be considered. He is not eligible as Assoc. Prof. as he does not fulfil the required teaching experience of 5 yrs. As Asstt. Prof. in medical college prescribed under the regulations for the post of Asst. Prof..
6.	Dr. A. Venkata Raman	Asstt. Prof.	Anaesthesia	She does not possess the requisite P.G. qualification as prescribed under the regulations for the post of Asst. Prof. She is not eligible as Asst. Prof. as she does not fulfil the required teaching experience of 3 yrs. as Tutor/Resident/Registrar prescribed in the regulations for the post of Asst. Prof.

Histopathology	7	21	14	20
Cytopathology	11	7	10	6

3. Hostel accommodation and staff quarters are not available at RHTC. Audiovisual aids are not provided.
4. The number of books in the departmental libraries of Tb & Chest, Skin & V.D., Psychiatry, E.N.T., Ophthalmology, Radiodiagnosis and Anaesthesia are inadequate.
5. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of MBBS students for the academic session 2005-06 at Mediciti Institute of Medical Sciences, Ghanapur(A.P.).

7. **Increase of MBBS seats from 120 to 150 at Govt. Medical College, Surat.**

Read : The Council Inspectors report (13th & 14th May, 2005) for increase of MBBS seats from 120-150 at Govt. Medical College, Surat.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's Report 13-14 May 2005 and noted the following :-

1. The shortage of teaching staff required at present stage is as under:-
 - (a) Faculty 16.6%
 - i) Professor : 3 (1 FMT, 1 Gen. Surgery, 1 ENT)
 - ii) Associate Professor: 17 (2 Anatomy, 1 Physiology, 1 Microbiology, 1 FMT, 1 Psychiatry, 1 Gen. Medicine, 1 Paediatrics, 3 Gen. Surgery, 3 Orthopaedics, 1 Obst. Gynaec., 1 Radio - Diagnosis, 1 Anaesthesia)
 - iii) Assistant Professor: 10 (6 Gen. Medicine, 2 Gen. Surgery, 1 Radiodiagnosis, 1 Anaesthesia)
 - iv) Tutor: 1 (1 Dentistry)
 - (b) Resident 15.6%
 - i) Sr. Resident: 9 (2 Medicine, 1 TB Chest, 1 Psychiatry, 3 Surgery, 1 Orthopaedics, 1 Ophthalmology)
 - ii) Jr. Resident: 3 (3 TB & Chest)

2. Dr. M.K. Vadel, designated as Medical Superintendent, is not qualified to hold the post as he has only 2 years of administrative experience against 10 years' administrative experience as required under the norms.
3. Resuscitation and monitoring equipment is shared by the different O.T.s.
4. There is no lecture theater in the hospital.
5. No veterinary officer is available.
6. Indoor beds are not provided at R.H.T.C.
7. Outdoor and indoor registration is done manually and is not cross linked with medical records section.
8. Paramedical laboratory staff is inadequate as under:
 - (a) Laboratory Technician 7
 - (b) Laboratory Assistant 5
 - (c) Laboratory Attendant 3
9. Capacity of demonstration rooms in Anatomy and Physiology is smaller than required as per norms.
10. Number of books in the departmental library of Tb & Chest department is inadequate.
11. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government to disapprove the scheme for increase of MBBS seats from 120 to 150 at Govt. Medical College, Surat received under Section 10A of the IMC Act, 1956.

8. Establishment of new medical college at Panikhaiti Kamrup by Down Charity Trust, Guwahati, Assam-Grant of letter of permission.

Read : The Council Inspectors report (13th & 14th May, 2005) for grant of letter of permission for establishment of new medical college at Panikhaiti Kamrup by Down Charity Trust, Guwahati, Assam u/s 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 13th – 14th May, 2005 and the letter of the Central Govt. at 07.06.2005 requesting the Council to make its recommendations for the colleges in North East in relaxation of the existing provision of the regulations in this regard to the extent, as would not amount to dilution of the prescribed standard of education is necessary and noted the following:-

1. The shortage of teaching staff is as under:
 - (a) Faculty: (33.89 %):
 - (I) Professor: 1 (Surgery 1)
 - (II) Asso. Prof. 8 (Anatomy 2, Physiology 2, Biochemistry 1, Microbiology 1, Radiology 1, Paediatrics 1)
 - (III) Asst. Professor 2 (Physiology 1, Lecturer in Biophysics 1)
 - (IV) Tutor 9 (Anatomy 4, Physiology 3, PSM 1, Radiodiagnosis 1)
 - (b) Residents: (65.78 %)
 - (I) Sr. Resident: 5 (Paediatrics 1, Surgery 2, Ophthalmology 1, Obst. & Gynaec. 1)
 - (II) Jr. Resident 20 (Medicine 7, Paediatrics 2, Surgery 7, Orthopaedics 2, Ophthalmology 1,, Obst. & Gynaec. 1)

- (c) The following faculty cannot be considered as they have presented themselves for inspection at the medical colleges during academic year 2005-2006:-

#	Name	Department	Designation	Remarks
1.	Dr. U. Das	Physiology	Professor	She has presented for inspection at Raja Rajeshwari Medical College on 15.04.2005.

2. Sankar Madhab Hospital, teaching hospital, has only 190 teaching beds against the requirement of 300. Deficiency of 110 teaching beds is as under:

Department	Required Beds	Available Beds	Deficiency
Medicine	80	48	32
Paediatrics	30	10	20
Orthopaedics	30	03	27
Ophthalmology	10	08	02
ENT	10	09	01
Obst. & Gynaec.	50	22	28

3. Clinical material is grossly inadequate in terms of O.P.D. attendance, operative work, number of deliveries, X-ray and laboratory investigations as under:

	Daily Average		Day of Inspection	
O.P.D. attendance	105		250	
Bed occupancy	38 %		50 %	
Number of operations (Total)	5		10	
Number of deliveries	-		-	
Radiological Investigations	O.P.	I.P.	O.P.	I.P.
X-ray	14	4	19	12
Ultrasonography	7	2	15	13
Laboratory Investigations				
Biochemistry	21	19	40	26
Microbiology	6	4	7	4
Serology	2	4	6	7
Parasitology	11	8	20	13
Haematology	30	24	52	27

Most of the patients are having vague complaints.

4. College building is under construction. Preclinical departments of Anatomy, Physiology & Biochemistry are yet to be furnished, established and made functional. Only space is available for laboratories of Physiology and Biochemistry departments. Only space is earmarked for paraclinical departments.
5. Only space is available for lecture theaters. Construction is not yet completed.
6. Common rooms for boys and girls are not available.
7. In central library, only a delivery challan for 337 books is available. Other relevant papers of purchase and payment are not available. No documents are available regarding Indian & foreign journals. Apart from these 337 books, the rest of the books and journals are old and have been shifted from Downtown hospital library. No librarian is available. A person with B.Sc. (Biochemistry) qualification is looking after the library. No other staff is available.
8. Hostels for students, residents and nurses are not available.
9. Residential quarters are not available.

10. Teaching areas are not available in many O.P.D.s. Beds in wards are not properly spaced. Separate bathing facilities are not available. Nursing stations are outside the wards. Doctors' duty rooms, nurses duty rooms, side laboratories, procedure room, pantry and teaching areas are not available.
11. Intensive care areas, labour rooms, CSSD and central laundry are not available.
12. Protective measures under BARC are not provided.
13. Intercom & EPAQBX are not available.
14. Paramedical staff is grossly inadequate as under:

Laboratory Technician	8
Laboratory Assistant	2
Laboratory Attendant	2
15. Nursing staff is grossly inadequate as under:

Nursing Superintendent / Matron	1
Dy. Nursing Superintendent	1
Asst. Nursing Superintendent	1
Nursing Sisters	2
Staff Nurses	10
16. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and since, the applicant has failed to fulfill the mandatory and statutory pre-conditions of owning and managing of a functional hospital of 300 beds as laid down in the Establishment of Medical College Regulations, 1999, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Panikhaiti Kamrup by Down Charity Trust, Guwahati, Assam received u/s 10A of the IMC Act, 1956.

9. Approval of Indira Gandhi Government Medical College, Nagpur for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik for the increased number of seats i.e. 60-100.

Read : The Council Inspectors report (16th & 17th May, 2005) for approval of Indira Gandhi Government Medical College, Nagpur for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik for the increased number of seats i.e. 60-100.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 16th and 17th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of fresh batch of MBBS students against the increased intake i.e. 60 to 100 for the academic session 2005-06 at Indira Gandhi Medical College, Nagpur.

10. Govt. Medical College, Latur-Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (16th & 17th May, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at Govt. Medical College, Latur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 16th & 17th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of 100 MBBS students for the academic session 2005-06 at Govt. Medical College, Latur.

11. Co-operative Medical College, Kochi-Renewal of permission for admission of 4th batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (16th & 17th May, 2005) for renewal of permission for admission of 4th batch of MBBS students for the academic session 2005-2006 at Co-operative Medical College, Kochi.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 16th & 17th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 MBBS students for the academic session 2005-06 at Co-operative Medical College, Kochi.

12. Establishment of new medical college(Arogyavaram Medical College, Arogyavaram at Arogyavaram, A.P. -Grant of letter of permission.

Read : The compliance verification inspection report (16th & 17th May, 2005) for grant of letter of permission for establishment of new medical college at Arogyavaram Medical College, Arogyavaram, A.P. by C.S.I. u/s. 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 16th – 17th May, 2005 and noted the following:-

1. The shortage of teaching faculty is as under:
 - (a) The following teaching staff are not available:
 - (I) Asso. Professor: 1 (ENT 1)
 - (b) The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that in relation to certain Declaration Forms submitted on behalf of the Medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the experience certificates submitted by them are forged as shown below:

#	Name	Designation	Department	Remarks
1	Dr. R. Ramdass	Professor	Physiology	In declaration form, he has shown experience at Sri Ramachandra Medical College from February 1990 – July 1995. Sri Ramachandra College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be

				considered. He is not eligible to be considered as Professor.
2	Dr. R. Selva Kumar	Asso. Prof.	Paediatrics	In declaration form, he has shown experience at Sri Ramachandra Medical College from September 2003 – November 2004. Sri Ramachandra College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Associate Professor.
3	Dr. P. Sreenivasulu Reddy	Asso. Prof.	Microbiology	He has also presented at Narayana Medical College at the inspection on 20.04.2005 for the inspection for academic year 2005-2006 as Assoc. Prof. of Medicine. He cannot be considered as a teacher at this college. He has submitted degree certificate for Microbiology which seems to be forged.

Dr. P. Sreenivasulu Reddy, Associate Professor, possesses the Postgraduate Medical qualification in the subject of Microbiology. He has interpolated in collusion with the Management of the college, subject mentioned in the Degree Certificate as Medicine so as to fulfil the minimum prescribed requirement for the teaching staff in the college. It appears very clearly from the documents which bear endorsement from the Principal of the college that this gross misconduct and illegality has been committed by Dr. Sreenivasulu Reddy in collusion with the management of the college.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that submission of absolutely fabricated and false documents to the MCI appears to be an attempt to mislead the Council in discharge of its statutory responsibilities.

(c) The following faculty cannot be considered as per the reasons shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. B. Chandra Mohan	Asstt. Prof.	Dentistry	He possesses teaching experience of 1 m only as shown in the declaration form. He is not eligible to be considered as Asstt. Professor as he does not possess 3 years teaching experience as Resident/ Tutor as required under the Regulations.
2.	Dr. V.S. Reddy	Tutor / Reg.	Radiodiagnosis	He possesses only 2 years experience in the department as shown in the declaration form. He is not eligible as Sr. Resident as he does not possess 3 years experience in the department.

- (d) The following faculty cannot be considered as they have presented at other medical colleges at the time of inspection for the academic year 2005-2006 as shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. R. Sanjeeva Rayudu	Professor	Surgery	He has also presented at Christian Medical College, Dichpally at the inspection on 24.05.2005 for the inspection for academic year 2005-2006. He cannot be considered as a teacher at this college.

- (e) In view of above, the deficiency of teaching faculty is more than 10 %.
- Dr. T.N. Krishna Reddy, designated as Medical Superintendent, is not qualified to hold the post as he has only nil administrative experience.
 - Veterinary officer is only part time.
 - Clinical material in terms of laboratory investigations is not commensurate with the number of outdoor and indoor patients as claimed by the college and inadequate as under:-

	Daily Average		Day of Inspection	
Laboratory Investigations				
Biochemistry	71	25	73	22
Microbiology	38	13	29	11
Serology	8	2	5	1
Parasitology	1	1	1	0
Haematology	1	1	1	1
Histopathology	1	1	0	1
Cytopathology	1	0	0	0

- Indoor registration is done manually. The computers in the registration section are not cross linked with those in medical records section.
- Other deficiencies / remarks in the report.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, were clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigation in all such cases and for taking appropriate action both against the individual Doctors and also against the management of the Council. It was also observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided to take appropriate action be taken against these Doctors in accordance with Professional Conduct (Etiquette and Ethics) Regulations 2002.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at (Arogyavaram) Medical College, Arogyavaram at Arogyavaram, A.P. received u/s 10A of the IMC Act, 1956.

13. Jubilee Mission Medical College & Research Institute, Thrissur-Renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (16th & 17th May, 2005) for renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-2006 at Jubilee Mission Medical College & Research Institute, Thrissur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 16th & 17th May, 2005 and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of 100 MBBS students for the academic session 2005-06 at Jubilee Mission Medical College & Research Institute, Thrissur.

14. Sri Vasant Rao Naik Govt. Medical College, Yavatmal-Renewal of permission for admission of 7th batch of MBBS students against the increased intake i.e. 50 to 100 for the academic session 2005-2006.

Read : The Council Inspectors report (18th & 19th May, 2005) for renewal of permission for admission of 7th batch of MBBS students against the increased intake (50-100) for the academic session 2005-2006 at Sri Vasant Rao Naik Govt. Medical College, Yavatmal.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 18th & 19th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 7th batch of MBBS students against the increased intake i.e. 50 to 100 for the academic session 2005-06 at Sri Vasant Rao Naik Govt. Medical College, Yavatmal.

15. Approval of Govt. Medical College, Aurangabad for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik for the increased number of seats i.e. 100-150.

Read : The Council Inspectors report (18th & 19th May, 2005) for approval of Govt. Medical College, Aurangabad for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik for the increased number of seats i.e. 100-150.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 18th & 19th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend that Govt. Medical College, Aurangabad be approved for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik for the increased number of seats i.e. 100 to 150.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to recommend to the Central Govt. to renew the permission for admission of fresh batch of MBBS students against the increased intake i.e. 100 to 150 for the academic session 2005-06 at Govt. Medical College, Aurangabad.

16. M.E.S. Medical College, Malapuramba Calicut-Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (18th & 19th May, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at M.E.S. Medical College, Malapuramba, Calicut.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 18th – 19th May, 2005 and noted the following:-

1. The shortage of teaching faculty is as under:

(a) The following teaching staff is not available:

(I) Asst. Professor: 2 (Radiodiagnosis 1, Anaesthesia 1)

(II) Tutor: 2 (Radiodiagnosis 1, Anaesthesia 1)

(b) The following faculty cannot be considered as per the reasons shown below:

#	Name	Designation	Dept.	Remarks
1	Dr. A.H. Ansari	Professor	Anatomy	His appointment as Professor is irregular. He possesses experience of 6 m only as Asso. Prof. and of 2 y 11 m as Professor. He is not eligible to be considered as Professor as he does not possess 4 yrs. experience as Asso. Prof. as required under the Regulations.
2	Dr. Padmaja Hari	Asso. Prof.	Physiology	She possesses experience of 3 y only as Asst. Prof. as shown in the declaration form. She is not eligible to be considered as Asso. Professor as she does not possess 5 yrs. experience as Asst. Prof. as required under the Regulations.
3	Ms. Geeta Pinto	Asst. Prof.	Anatomy	She possesses experience of 6 m only as Tutor in a recognized medical college as shown in the declaration form. Her experience in M.V. Shetty College, Mangalore & Universal Empire College cannot be considered as they are not recognized / permitted medical colleges. She is not eligible to be considered as Asst. Professor as she does not possess 3 yrs. experience as Tutor as required under the Regulations.
4	Dr. Neena Mampilly	Asst. Prof.	Pathology	She possesses nil experience as Tutor as shown in the declaration form. She is not eligible to be considered as Asst. Professor as she does not possess 3 yrs. experience as Tutor as required under the Regulations.
5	Dr. B. Ajay	Asst. Prof.	Forensic Medicine	He possesses nil experience as Tutor as shown in the declaration form. He is not eligible to be considered as Asst. Professor as he does not possess 3 yrs. experience as Tutor as required under

				the Regulations.
6	Dr. A.C. Sakhahari	Asst. Prof.	Microbiology	He possesses nil experience as Tutor as shown in the declaration form. He is not eligible to be considered as Asst. Professor as he does not possess 3 yrs. experience as Tutor as required under the Regulations.

(c) The following faculty cannot be considered as they have presented at other medical colleges at the time of inspection for the academic year 2005-2006 as shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. S.S. Rao	Professor	Anatomy	He has also presented at Chalmeda Ananda Rao Medical College at the inspection on 19/01/2005 for the inspection for academic year 2005-2006. He cannot be considered as a teacher at this college.

(d) In view of above, the deficiency of teaching faculty is more than 5 %.

2. Only 1 lecture theater in Preclinical block is available which is inadequate. Construction of 3 lecture theaters in paraclinical block is still in progress.
3. Examination hall is not available.
4. Common rooms for boys and girls are unfurnished.
5. Except O.T., no facilities are available for animal experiments.
6. In O.P.D., the chambers are very small and not conducive for teaching. No water supply is available in the clinical examination room. The waiting area provided to each specialty is grossly inadequate in size and without sitting arrangement and fans. Psychiatry OPD is in casualty area. It should be shifted to OPD.
7. Side laboratories in wards are not functional. Teaching facilities are not adequate in the wards. The wards for Tb & Chest, Psychiatry and Skin & V.D. are combined. Patients of each specialty should be kept in separate wards.
8. Air-conditioning in ICUs is not sufficient. No special equipment is available in Paediatric ICU.
9. There is no provision to supply special diet as recommended by the Physician.
10. In paraclinical block, most of the toilets are not functional.
11. In the infrastructure of Pathology department, the following deficiencies are observed:
 - a. Preparation room is not equipped.
 - b. Cytopathology laboratory does not have any electricity connection.
 - c. Service laboratory of Haematology is non-functional.
 - d. Workplaces in students' laboratories (50) are less than required as per norms (60).
 - e. Number of books in the departmental library is inadequate.
12. In the infrastructure of Microbiology department, the following deficiencies are observed:
 - a. Only space is provided for demonstration room.
 - b. Practical laboratory is under construction.
 - c. Service laboratories for serology, virology, Parasitology, mycology, etc. are not functional in the college.
 - d. Museum does not have any specimen.
13. In the infrastructure of Forensic Medicine department, the following deficiencies are observed:
 - a. Practical laboratory is under construction.
 - b. Research laboratory has no water supply.

- c. Mortuary is under construction. There is no water supply and drainage facility. Windows are not fitted with glass. Postmortems are not performed at present.
14. In the infrastructure of Community Medicine department, the following deficiencies are observed:
- a. Practical laboratory has no water supply.
 - b. Museum is under construction. Racks are not available to display specimens.
 - c. Only space is available for research laboratory which is not functional.
 - d. Number of books in the departmental library is inadequate.
15. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 2nd batch of MBBS students for the academic session 2005-06 at M.E.S. Medical College, Malapuramba, Calicut.

17. Pushpagiri Institute of Medical Sciences & Research Centre, Tiruvalla-Renewal of permission for admission of 4th batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (18th & 19th May, 2005) for renewal of permission for admission of 4th batch of MBBS students for the academic session 2005-2006 at Pushpagiri Institute of Medical Sciences & Research Centre, Tiruvalla.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 18th & 19th May, 2005 and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 MBBS students for the academic session 2005-06 at Pushpagiri Institute of Medical Sciences & Research Centre, Tiruvalla.

18. Establishment of new medical college at Davangere by Bapuji Educational Association, Davangere.

Read : The Council Inspectors report (19th & 20th May, 2005) for grant of letter of permission for establishment of new medical college at Davangere by Bapuji Educational Association, Davangere u/s. 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 19th – 20th May, 2005 and noted the following:-

1. The shortage of teaching faculty is as under:
 - (a) The following teaching staff is not available:
 - (I) Professor: 1 (Biochemistry 1)
 - (II) Asso. Professor: 1 (Microbiology 1)
 - (III) Asst. Professor: 3 (Lecturer in BioPhysics 1, Radiodiagnosis 1, Dentistry 1)
 - (IV) Tutor: 3 (Community Medicine 1, Radiodiagnosis 2)
 - (b) The following faculty cannot be considered as per the reasons shown below:

#	Name of the Teacher	Designation	Department	Remarks
1	Dr. Naveen G Nadig	Asst. Professor	Paediatrics	He possesses teaching experience of only 1 year as shown in the declaration form. He is not eligible as Asst. Professor as he does not

				possess the teaching experience of 3 years as Tutor / Resident / Registrar as required under the norms.
2.	Dr. Pradip V Desai	Asst. Professor	Surgery	He possesses teaching experience of only 1 year as shown in the declaration form. He is not eligible as Asst. Professor as he does not possess the teaching experience of 3 years as Tutor / Resident / Registrar as required under the norms.
3	Dr. Praveen D S	Asst. Professor	ENT	He possesses teaching experience of only 2 year as shown in the declaration form. He is not eligible as Asst. Professor as he does not possess the teaching experience of 3 years as Tutor / Resident / Registrar as required under the norms.
4	Dr. Deepti Pruthvi	Asst. Professor	Pathology	She is not eligible as Asst. Professor as she does not possess the teaching experience of 3 years as Tutor / Resident / Registrar as required under the norms.
5	Dr. Manjunath P	Asst. Professor	Medicine	He is not eligible as Asst. Professor as he does not possess the teaching experience of 3 years as Tutor / Resident / Registrar as required under the norms.
6	Dr. Arun Kumar K B	Asst. Professor	Medicine	He is not eligible as Asst. Professor as he does not possess the teaching experience of 3 years as Tutor / Resident / Registrar as required under the norms.

8	Dr. C Raghuveer	Tutor/ Registrar	Anaesthesia	He does not possess any experience in the dept. as shown in the declaration form. He cannot be considered as

				Tutor/ Registrar as Tutor / Resident / Registrar as he does not possess the experience of 3 years in the dept.
9.	Dr. Belludi Jayaprakash	Tutor/ Registrar	Anaesthesia	He does not possess any experience in the dept. as shown in the declaration form. He cannot be considered as Tutor/ Registrar as he does not possess the experience of 3 years as Resident in the dept.
10	Dr. Krishna Murthy K H	Sr. Resident	ENT	He does not possess any experience in the dept. as shown in the declaration form. He cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
11	Dr. Jitendra Sharma	Sr. Resident	ENT	He does not possess any experience in the dept. as shown in the declaration form. He cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
13	Dr. M Sarada	Sr. Resident	OBG	She does not possess any experience in the dept. as shown in the declaration form. She cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
14	Dr. Madhushree Hiremath	Sr. Resident	OBG	She does not possess any experience in the dept. as shown in the declaration form. She cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
15	Dr. Anitha O R	Sr. Resident	Surgery	She does not possess any experience in the dept. as shown in the declaration form. She cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
16	Dr. Santhosh Kumar M	Sr. Resident	Surgery	He does not possess any experience in the dept. as shown in the

				declaration form. He cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
17	Dr. Jaitra P G	Sr. Resident	Surgery	He does not possess any experience in the dept. as shown in the declaration form. He cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
18	Dr. Nagaraja N P	Sr. Resident	Surgery	He does not possess any experience in the dept. as shown in the declaration form. He cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.

- (d) In view of above, the deficiency of teaching faculty is more than 10 %.
- (e) The deficiency of Residents is more than 25 % as under:
- (I) Jr. Resident: 11 (Medicine 6, Surgery 5)
- (f) 19 teachers have been transferred from J.J.M. Medical College, Davangere –another medical college managed by the same trust - within last 6 mths. to this college.
2. Dr. V.J. Kumar, designated as Medical Superintendent, is not qualified to hold the post as he possesses administrative experience of only 3 m which is not as per norms.
3. S.S. Hospital, has only 280 teaching beds against the requirement of 300. Deficiency of teaching beds is as under:

Department	Required Beds	Available Beds	Deficiency
Medicine	80	60	20

4. Clinical material is grossly inadequate in terms of bed occupancy, operative work, number of deliveries, X-ray and laboratory investigations as under:

	Daily Average	Day of Inspection	
Bed occupancy	45 %	64 %	
Number of major operations	2-3	6	
Number of minor operations	2-3	3	
Number of deliveries	0-1	-	
Number of caesarean sections	0-1	-	
Radiological Investigations	O.P.	O.P.	I.P.
X-ray	2-3	31	11
Ultrasonography	0-1	2	3
Laboratory Investigations			
Biochemistry	40-50	38	66
Microbiology	10-15	02	06
Serology	10-25	27	08
Parasitology	4-6	00	01
Haematology	36-50	59	32

Number of investigations is not commensurate with the number of indoor and outdoor cases as claimed by the college.

5. Approach road to the college is in the process of being laid.
6. Hostel for girls is under construction.
7. Staff quarters are under construction.
8. Medicine and Surgery OPDs have no X-ray view box. Audiometry room is neither air-conditioned nor sound proof. Dental O.P.D. is not available.
9. Teaching areas are not available in wards.
10. Only 3 O.T.s are available against the requirement of 4 O.T.s. at this stage. CCTV facility is not available.
11. In paramedical staff, laboratory assistants are not available.
12. In Nursing staff, Dy. Nursing Superintendent and Matron are not available.
13. Pharmacy is not running for 24 hrs. After 5 p.m. casualty nurses distribute drugs. Free drug dispensary in OPD is managed by nurses.
14. Dean's office is understaffed.
15. Common rooms for boys and girls are not available.
16. Veterinary officer is part time.
17. There is no dark room facility in central photographic unit.
18. Central workshop is not yet functional.
19. Registration is not computerized and ICD X classification is not followed.
20. Ventilators and infusion pumps are not available in central casualty. There is no facility for minor Surgery in casualty.
21. Protective measures as per BARC specifications are not available.
22. EPABX is yet to be made functional.
23. Hospital kitchen is not available.
24. Nursing staff is inadequate.
25. In Anatomy museum, catalogues are not available.
26. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, and whereby it has been found that the applicant has failed to fulfill the mandatory and statutory pre-conditions of owning and managing of a functional hospital of 300 beds as laid down in the Establishment of Medical College Regulations, 1999, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Davangere by Bapuji Educational Association, Davangere received u/s 10A of the IMC Act, 1956.

19. Govt. Medical College, Akola-Renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (20th & 21st May, 2005) for renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-2006 at Govt. Medical College, Akola.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 20th & 21th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of 100 MBBS students for the academic session 2005-06 at Govt Medical College, Akola.

20. Kesar Sal Medical College, and Research Institute. Ahmedabad-Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (20th & 21st May, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at Kesar Sal Medical College, and Research Institute, Ahmedabad.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 20th – 21st May, 2005 and noted the following:-

1. (a) The following teaching faculty is not available:
 - (i) Asst. Professor: 1 (Lecturer in Biophysics 1)
- (b) The following Residents are not available:
 - (i) Sr. Resident: 3 (Anaesthesia 1, Radiodiagnosis 2)
- (c) The Following faculty member cannot be considered as teaching staff due to reasons shown against her name.

#	Name	Designation	Department	Remarks
1	Dr. Manseta Ila N.	Professor	O.G.	She has no experience of Associate Professor. Not eligible as Professor as she does not possess the requisite experience of 4 years as Asso. Professor.
2	Dr. Nisarg Parikh	Professor	Pathology	He has experience of only 3 y 4 m as Asso. Professor as shown in the declaration form. Not eligible as Professor as he does not possess the requisite experience of 4 years as Asso. Professor.
3	Dr. Bela Yagnik	Asst. Prof.	Dentistry	She has experience of only 1 y as Tutor as shown in the declaration form. Not eligible as Asstt. Professor as she does not possess the requisite experience of 3 years as Tutor.
4	Dr. Ajay Jain	Sr. Resident	Medicine	He has no experience in the department of Medicine as shown in the declaration form. Not eligible as Sr. Resident as he does not possess the requisite experience of 3 years in the department of Medicine.

(d) The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that in relation to certain Declaration Forms submitted on behalf of the Medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the experience certificates submitted by them are forged as shown below:

#	Name	Designation	Department	Remarks
1	Dr. N. Sivarajappa	Professor	Forensic Medicine	In declaration form, he has shown experience at M.S. Ramaiah Medical College from March 1995 – September 2003. Ramaiah Medical College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Professor.
2	Dr. P. Vishwanathan	Asso. Prof.	Pathology	In declaration form, he has shown experience at Mahatma

				Gandhi Medical College from November 2003 – November 2004. M.G. Medical College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He possesses experience as Asso. Professor for 1 y only against 4 yrs as required under the norms. He is not eligible to be considered as Professor.
3	Dr. P. Jaya Prakash	Asst. Prof.	Anatomy	In declaration form, he has shown experience at Mamata Medical College from January 2001 – October 2004. Mamata Medical College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Asst. Professor.
4	Dr. Ramesh Eswaran	Asso. Prof.	Anatomy	In declaration form, he has shown experience at Christian Medical College, Vellore from October 1997 – January 2003. Christian Medical College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Asso. Professor.
5	Dr. R. Arun Kumar	Asso. Prof.	Anatomy	In declaration form, he has shown experience at Vinayaka Mission Medical College from June 1997 – December 2003. Vinayaka Mission Medical College has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. His experience in Dental college cannot be considered. He is not eligible to be considered as Asso. Professor.
6	Dr. Shafi Ahmed	Asso. Prof.	Biochemistry	In declaration form, he has shown experience at Devraj Urs Medical College from August 1992 – March 2002. Devraj Urs Medical College has stated that he has never

				worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Asso. Professor.
--	--	--	--	---

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that submission of absolutely fabricated and false documents to the MCI appears to be an attempt to mislead the Council in discharge of its statutory responsibilities.

(e) In view of above, the shortage of faculty is more than 10 %. The deficiency of residents is more than 5%

(f) The gap analysis of the teaching faculty (upto the level of Assistant Professor) in Pre & Para-Clinical Departments reflects a very high attrition rate since the last inspection as given below:-

#	Department	Faculty required	Faculty appointed	Faculty left	Attrition rate
1.	Anatomy	6	6	4	4/6 = 66%
2.	Physiology	6	6	5	5/6 = 83%
3.	Bio-chemistry	3	3	2	2/3 = 66%

(g) Most faculty members did not submit the relieving orders and TDS Certificates. The salary statements of the faculty were not provided by the institution, despite repeated requests for the same.

2. Clinical material is inadequate in terms of operative work, number of normal deliveries, cesarean section and X-ray and laboratory investigations as under:

	Daily Average	Day of Inspection
Number of major operations	7	4
Number of minor operations	9	1
Number of deliveries	0.5	0
Number of caesarean sections	0.3	0
Radiological Investigations		
X-ray	110	11
Ultrasonography	95	25
Laboratory Investigations		
Biochemistry	150	149
Microbiology	51	35
Serology	35	-
Parasitology	32	-
Haematology	175	208
Histopathology	6	-
Cytopathology	8	-
Others	41	27

Number of investigations is not commensurate with the number of indoor and outdoor cases as claimed by the college.

- Histopathology laboratory is currently nonfunctional. Service laboratories for Serology, Virology, Parasitology, Mycology and Tuberculosis are not fully equipped and nonfunctional.
- Paediatric ICU is not available.
- On the day of inspection, only one horizontal autoclave was operational which is not adequate.
- On the day of inspection, only one washing machine was operational in central laundry which is not adequate.
- Blood bank is not functional.
- Veterinary officer is part time.
- Dark room is not available in central photography section.

10. Audiovisual aids are not provided at R.H.T.C.
11. No separate hostel is available for girls. In the boys' hostel building, ground floor is earmarked for girls with capacity of 105. Only 6 girls are staying. Rest of the rooms have been given to staff nurses. In the first floor of the boys' hostel, only 20 boys are staying. Rest of the rooms have been given to male nurses. No separate hostel is available for nurses.
12. In OPD teaching areas, each specialty is provided with a small teaching area with capacity of 10-15. Only wooden stools have been kept in these rooms. Audiovisual aids need to be provided in these areas. Teaching areas need upgradation. There is no separate injection room for male and female patients. Separate plaster cutting room is not available. Air-conditioner in Audiometry room was not working on the day of inspection.
13. Teaching areas and side laboratories in many wards are not well developed. There are no seminar rooms in the wards. Teaching areas provided in wards are small and need upgradation. Audiovisual aids need to be provided in all teaching areas.
14. There is overcrowding of beds in all the units due to less distance between the beds.
15. In Anatomy museum, MRI, CT & X-rays are not displayed.
16. In Pharmacology museum, medicinal plants and graphs are not available. Catalogues are not provided.
17. Pathology museum needs upgradation.
18. In Forensic Medicine museum, unmounted specimens are not available. Students' gallery is not provided in the mortuary. Postmortems are not being conducted at present. Autopsy room does not have proper ventilation.
19. No books are provided in the departmental libraries of Tb & Chest, Skin & V.D., Psychiatry, ENT, Ophthalmology, Radiodiagnosis and Anaesthesia.
20. Other deficiencies / remarks in the report.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, were clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigation in all such cases. It was also observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided to take appropriate action be taken against these Doctors in accordance with Professional Conduct (Etiquette and Ethics) Regulations 2002.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of students for the academic year 2005-06 at Kesar Sal Medical College and Research Institute, Ahmedabad received u/s 10A of the IMC Act, 1956.

21. Establishment of new medical college at Vellore by Govt. of Tamil Nadu-Grant of letter of permission.

Read : The Council Inspectors report (20th & 21st May, 2005) for grant of letter of permission for establishment of new medical college at Vellore by Govt. of Tamilnadu u/s. 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 20th & 21th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Minsitry of Health & F.W. and decided to recommend to the Central Govt. to issue letter of permission for establishment of Government Vellore Medical College, Vellore with an annual intake of 100 students for the academic session 2005-06 u/s 10A of IMC Act, 1956.

22. Increase of MBBS seats from 50 to 100 at Pandit Deen Dayal Upadhyay Medical College, Rajkot.

Read : The Council Inspectors report (23rd & 24th May, 2005) for increase of MBBS seats from 50 to 100 at Pandit DeenDayal Upadhyay Medical College, Rajkot.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's Report 23-24 May 2005 and noted the following:-

1. The shortage of teaching staff is as under:
 - (a) Faculty: 13.6%
 - i) Professor: 2 (1 Pharmacology, 1 Orthopaedics)
 - (ii) Associate Professor: 4 (1 Anatomy, 1 Physiology, 1 Gen. Medicine, 1 Bio Chemistry)
 - iii) Assistant Professor: 7 (1 Anatomy, 1 Physiology, 1 Forensic Medicine, 2 PSM, 1 Anesthesia, 1 Bio Chem.)
 - iv) Tutor: 4 (2 Anatomy, 2 Physiology)
 - (b) Residents: 36.8%:
 - i) Sr. Resident : 7 (2 Gen. Medicine, 1 Dermatology, 1 Psychiatry, 3 Anaesthesia)
 - ii) Jr. Resident : 21 (6 Paediatrics, 2 Psychiatry, 6 Orthopaedics, 3 E.N.T., 4 Obst. Gynaec.)
 - (c) 42 faculty have been transferred on 20.5.05 from B.J. Medical College, Ahmedabad, M. P. Shah Medical College, Jamnagar & Govt. Medical College, Baroda, of which 37 faculty have joined on 21.5.05.
2. Dr. J.G. Buch, Professor of Pharmacology, is holding additional charge of Dean. He has administrative experience of only 4 ½ yrs. Full time Dean is not available.
3. Examination hall is not as per norms.
- 4.. Common rooms for boys and girls do not have attached toilets.
5. Veterinary officer is only part time.
- 6.. Number of journals in the central library is inadequate.
7. No lecturer cum M.O. is available at R.H.T.C. or U.H.C. L.M.O. is not available at R.H.T.C. or U.H.C. No facilities for diagnostic investigations and minor Surgery are available at U.H.C. Staff as prescribed under norms needs to be appointed at R.H.T.C. & U.H.C. Audiovisual aids are not available at R.H.T.C. / U.H.C. Both R.H.T.C. & U.H.C. need to be upgraded.
8. Separate hostel for interns and residents are available. They are provided accommodation in staff quarters.
9. No separate hostel for nurses is available.
10. Teaching areas in wards need to be equipped with audiovisual aids and other teaching facilities. There are no seminar rooms in the departments.
11. Registration section in O.P.D. in 3 hospitals is not computerized. Medical records section is not computerized.
12. Number of static and mobile X-ray units is not as per norms.
13. Resuscitation and monitoring equipment is shared by different O.T.s. TV with camera attachment is not available.
14. Laboratory investigations are not commensurate with the clinical workload.
15. Nursing Superintendent and Dy. Nursing Superintendent are not available.
16. Paramedical staff is grossly inadequate as under:
 - (a) Laboratory Technicians: 15
 - (b) Laboratory Assistants: 13
 - (c) Laboratory Attendants: 11
17. Number of books in the departmental libraries of Tb & Chest, Skin & V.D., Psychiatry, Radiodiagnosis and Anaesthesia are inadequate.
18. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the

Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government to disapprove the scheme for increase of MBBS seats from 50 to 100 at Pandit Deen Dayal Upadhyay Medical College, Rajkot received under Section 10A of the IMC Act, 1956.

23. Increase of MBBS seats from 50 to 100 at Govt. Medical College, Bhavnagar.

Read : The Council Inspectors report (25th & 26th May, 2005) for increase of MBBS seats from 50 to 100 at Govt. Medical College, Bhavnagar.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's Report 25-26 May 2005 and noted the following:-

1. The shortage of teaching staff required at present stage is as under:-
 - (a) Faculty: More than 10 %.
 - i) Professor: 2 (1 O.G., 1 Anaesthesia)
 - ii) Associate Professor: 6 (1 Anatomy, 1 Physiology, 1 Gen. Medicine, 1 Paed., 1 Gen. Surgery, 1 Obst. & Gynaec.)
 - iii) Assistant Professor: 3 (1 Anatomy, 1 Lecturer in Statistics, 1 Dentistry)
 - iv) Tutor: 2 (1 Biochemistry, 1 Physiology)
 - (b) Residents: 56.5%.
 - i) Sr. Resident: 13 (2 Gen. Medicine, 1 Skin & V.D., 1 Psychiatry, 3 Anaesthesia, 1 Paediatrics, 2 Gen. Surgery, 1 Ophthalmology, 1 Radio Diagnosis, 1 TB & Chest)
 - ii) Jr. Resident: 30 (6 Gen. Med., 3 TB & Chest, 3 Skin & V.D., 4 Gen. Surgery, 5 Ortho., 3 E.N.T., 6 Obst. & Gynaec.)
 - (c) 39 teaching staff members have been transferred on 20/05/2005 for the purpose of MCI inspection from other medical colleges in Gujarat (i.e. Ahmedabad, Vadodara, Jamnagar & Surat).
2. Dr. S.V. Patel, Professor of Anatomy, is holding additional charge of Dean. Full time Dean is not available.
3. Dr. M.P. Singh, designated as Medical Superintendent, is not qualified to hold the post as he has only 6 years' administrative experience.
4. Clinical material is inadequate in terms of bed occupancy and laboratory investigations as under:

	Daily Average	Day of Inspection	
Bed occupancy	73 %	68 %	
Laboratory Investigations			
Biochemistry	89	49	
Microbiology	05	01	
Serology	08	09	
Parasitology	10	10	
Haematology	229	108	
Histopathology	04	05	
Cytopathology	03	02	
Others	-	-	

Number of investigations is not commensurate with the number of indoor and outdoor cases as claimed by the college. Records of investigations is not maintained properly in the departments.

5. Auditorium is not available.
6. Common rooms for boys and girls do not have attached toilets.

7. Veterinary officer is not available. Animal house is not being used because of lack of staff. All facilities for minor surgical work are not available.
8. Number of journals in the central library is not as per norms. No foreign journals are available.
9. RHTC building has been demolished and it is functioning from an alternate site where only basic health care services are provided. Students and interns are not posted at this center. Lecturer cum M.O. is not posted at U.H.C. No antenatal care, diagnostic investigations or minor Surgery are provided at U.H.C. No family welfare activities are carried out at U.H.C.
10. Hostel accommodation for students is inadequate as it is available for only 200 against 300 required at this stage.
11. Separate hostel for residents & interns is not available.
12. Rooms and teaching areas in new hospital building are inadequately furnished. Lifts are not provided. Seminar rooms are not provided in wards. All these areas need to be equipped with audiovisual aids and other teaching facilities.
13. Medical Records department is not computerized. ICD X classification is not followed.
14. Medical, Surgical & Paediatric ICUs are not available.
15. Resuscitation and monitoring equipment is shared by different O.T.s. TV with camera attachment is not available.
16. Number of static and mobile X-ray units is not as per norms. Protective measures as per BARC specifications are not provided. Colour Doppler is not available.
17. There is no CSSD. Sterilization services work only in 1 shift. Bowl sterilizer, glove inspection machines, racks and trays are not available. Receiving and distributing points are not separated.
18. Paramedical laboratory staff is grossly inadequate as under:
 - (a) Laboratory Technician: 16
 - (b) Laboratory Assistant: 06
 - (c) Laboratory Attendant: 06
19. Service laboratories for serology, virology, Parasitology, mycology and tuberculosis are not available.
20. Number of books in the departmental libraries of Tb & Chest, Skin & V.D., Psychiatry, Radiodiagnosis & Anaesthesia are not available.
21. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government to disapprove the scheme for increase of MBBS seats from 50 to 100 at Govt. Medical College, Bhavnagar received under Section 10A of the IMC Act, 1956.

24. Bankura Medical College, Bankura-Renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (25th & 26th May, 2005) for renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006 at Bankura Medical College, Bankura.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 25th & 26th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 5th batch of MBBS students against the increased intake i.e. 50 to 100 for the academic session 2005-06 at Bankura Medical College, Bankura.

25. Dr. Somervell Memorial C.S.I. Medical College, & Hospital, Karakonam-Renewal of permission for admission of 4th batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (25th & 26th May, 2005) for renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006 at Dr. Somervell Memorial C.S.I. Medical College, & Hospital, Karakonam.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 25th & 26th May, 2005 and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 MBBS students for the academic session 2005-06 at Dr. Somervell Memorial C.S.I. Medical College, & Hospital, Karakonam.

26. Christian Medical College, & Hospital Dichpally-Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (24th & 25th May, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at Christian Medical College, & Hospital Dichpally.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 24th - 25th May, 2005 and noted the following:-

1. The shortage of teaching staff is as under:

(a) Faculty: 56.7%

i) Professor: 9 (Biochemistry 1, Pathology 1, Micro biology 1, Pharmacology 1, Forensic Medicine 1, Community Medicine 1, Orthopedics 1, Radiology 1, Anesthesia 1)

ii) Associate Professor: 15 (Anatomy 1, Physiology 1, Pathology 3, Pharmacology 1, Forensic Medicine 1, Paediatrics 1, Medicine 1, Surgery 1, Orthopedics 1, Obst. & Gynaec. 1, Radiodiagnosis 1, Anesthesia 1)

iii) Assistant Professor: 14 (Lecturer in Biophysics 1, Pathology 1, Pharmacology 2, Forensic Medicine 1, TB& Chest 1, Skin & VD 1, Psychiatry 1, ANMO 1, MWO 1, Radiology 1, Anesthesia 1, Community Medicine 1, ENT 1)

iv) Tutor : 21 (Anatomy 3, Physiology 3, Biochemistry 1, Pathology 5, Microbiology 1, Pharmacology 4, Forensic Medicine 1 Radiology 2, Anesthesia 1)

(b) Residents: 33.3%:

i) Sr. Resident: 10 (Pediatrics 3, Orthopaedics 1, ENT 1, Ophthalmology 1, Medicine 2)

ii) Jr. Resident: 7 (Tb& Chest 1, Skin & V.D 1, Psychiatry 1, ENT 2, Medicine 2)

2. Dr. G. Kantha Devi, designated as Medical Superintendent, is not qualified to hold the post as she has only 1 ½ yrs. of administrative experience.

3. Unit wise distribution of beds is on paper only. All the specialities are having only one unit. In the wards, beds are not distributed unit wise. Composition of units is not as per norms. Patients of Tb & Chest, Psychiatry and Skin & V.D. are not admitted usually. If at all they are admitted, they are admitted in Medicine wards.

4. Clinical material is grossly inadequate in terms of O.P.D. attendance and number of deliveries as under:

	Daily Average	Day of Inspection
O.P.D. attendance	453	747
Bed occupancy	75 %	78 %
Number of major operations	7	4
Number of minor operations	11	9
Number of deliveries	1	1
Number of Caesarean Sections	0	0

5. University affiliation for 2004-05 or 2005-06 is not available.

6. Teaching facilities like examination couch, X-ray view box, examination tray, etc. are not provided in some of the teaching OPDs. Teaching areas are inadequate. The OPDs of Tb & Chest, Skin & V.D. and Psychiatry do not have any facilities and they are nonfunctional. There is no immunization room in Paediatric OPD. Audiometry room is not air-conditioned. Injection room for male and females is common.
7. There is no seminar hall in the hospital.
8. There is no proper method for segregation and disposal of biological hospital waste.
9. Duty roster or muster roll of doctors and nurses in the casualty are not available. There is no examination room / treatment room in the casualty.
10. In Pharmacy, no record of the quantity of drugs given to the patients is available.
11. In CSSD, no other equipment except 1 horizontal and 2 vertical autoclaves are available.
12. Most of the areas of the college and hospital are not provided with phone connections.
13. There is no provision to supply special diet as recommended by the physician.
14. Nursing staff is grossly inadequate as under:

Nursing Superintendent:	1
Dy. Nursing Superintendent:	1
Matron:	3
Asstt. Nursing Superintendent:	3
Nursing Sisters:	50
Staff Nurses:	30
15. Non teaching staff should be appointed in various departments as per norms.
16. Veterinary officer is not available.
17. Teaching area is not available at RHTC. Staff of the medical college is not involved in the activities of RHTC. Except daily OPD, no other activity is carried out at UHC.
18. Accommodation available for students is 102 which is inadequate against the requirement of 200 at this stage.
19. Residents' hostel is not available. They are staying in students' hostels.
20. Nurses hostel has only dormitory type accommodation for 48 nurses in 6 big halls. On the day of inspection, it was locked. Not a single nurse is staying in the hostel at present.
21. Preparation room in Pathology students' laboratory does not have provision for artificial light. Service laboratories for histopathology, cytopathology and haematology are not yet functional.
22. Blood bank is not functional.
23. Practical laboratory in Microbiology does not have provision for artificial light. Service laboratories for serology, virology, Parasitology, mycology and tuberculosis are not yet functional.
24. In Forensic Medicine museum, fire arms are not available. Mortuary is not yet functional. Postmortems are not yet being conducted.
25. Departmental libraries in clinical departments are not available.
26. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 2nd batch of MBBS students for the academic session 2005-06 at Christian Medical College, & Hospital, Dichpally.

27. Govt. Medical College, Anantapur-Renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (26th & 27th May, 2005) for renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006 at Govt. Medical College, Anantapur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 26th & 27th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 5th batch of 100 MBBS students for the academic session 2005-06 at Govt. Medical College, Anantapur.

28. Institute of Postgraduate Medical Education & Research(IGPMER), Kolkata-Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (27th & 28th May, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at Institute of Postgraduate Medical Education & Research (IGPMER), Kolkata.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 27th & 28th May, 2005 alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of 100 MBBS students for the academic session 2005-06 at Institute of Postgraduate Medical Education & Research(IGPMER), Kolkata.

29. Establishment of new medical college at Thiruvananthapuram by Dr. K.N. Pai Heart Foundation, Trivandrum - Grant of letter of permission.

Read : The Council Inspectors report (25th & 26th May, 2005) for grant of letter of permission for establishment of new medical college at Thiruvananthapuram by Dr. K.N. Pai Heart Foundation, Trivandrum u/s. 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 25th – 26th May, 2005 and noted the following:-

1. The shortage of teaching staff is as under:

(a) Faculty: 34.70%

- i) Professor: 1 (Anatomy 1)
- v) Associate Professor: 9(1 Anatomy, 2 Physiology, 1 Biochemistry, 1, Pathology, 1 Microbiology, 1 Paediatrics, 1 Orthopaedics, 1 Radiodiagnosis)
- vi) Assistant Professor: 5 (1 Anatomy, 1 Lecturer Biophysics, 1 Surgery, 1 Radiodiagnosis, 1 Dentistry)
- vii) Tutor : 4 (2 Anatomy, 2 Anaesthesia)

(b) Resident: 52.63%

- i) Sr. Resident: 8(2 Gen. Medicine, 1 Paediatrics, 1 Gen. Surgery, 1 Ophthalmology, 1 ENT, 2 Obst. & Gynaec.)
- ii) Jr. Resident: 12 (3 Medicine, 2 Paediatrics, 2 Surgery, 2 Orthopaedics, 1 Ophthalmology, 1 ENT, 1 Obst. & Gynaec.)

2. Land use conversion certificate to N.A. is not provided.

3. Medical college is under construction. Only RCC pillars of the ground floor have been erected.

4. No lecture theaters are available in the college. In hospital basement, two temporary flat type lecture halls with furniture for 80 students are available which is not as per norms.
5. In central library, Internet and Medlar facilities are not available.
6. Hostels for undergraduate boys and girls are not yet constructed.
7. Hostels for Residents is not yet constructed.
8. Residential quarters are not yet constructed.
9. In OPD, teaching facilities like X-ray view box, examination tray, etc. are not available. Teaching areas not available in any O.P.D. Injection room is common for male and female patients. Audiometry room (soundproof and air-conditioned) is not available. Dark room and refraction room are not available.
10. Pantry, examination / procedure room, teaching area and side laboratory are not available in the wards. No clinical demonstration areas or seminar halls are available. Audiovisual aids are not provided.
11. Clinical material is grossly inadequate as under:

	Daily Average		Day of Inspection	
O.P.D. attendance	103		170	
Bed occupancy	24 %		23 %	
Number of major operations	3		12	
Number of minor operations	12		18	
Number of deliveries	-		-	
Number of caesarean sections	1		-	
Radiological Investigations	O.P.	I.P.	O.P.	I.P.
X-ray	27	4	-	-

Serology	14	4	27	5
Parasitology	-	-	-	-
Haematology	9	2	8	2

12. Registration and medical records section are not available. Only manual records are available.
13. In central laboratory, only basic investigations are done and for the remaining investigations, the sample are sent outside.
14. ICUs arte not yet functional.
15. In Radiology department, static units are not functional. Only mobile units of 40 MA are functional which is not adequate. Protective measures as per BARC provisions are not provided.
16. CSSD is not functional.
17. Central laundry and kitchen are not available.
18. Paramedical laboratory staff is grossly inadequate as under:
 - (a) Laboratory Technician: 4
 - (b) Laboratory Assistant: NIL
 - (c) Laboratory Attendant: 3
19. Nursing staff is grossly inadequate as under:

Nursing Superintendent: 1
 Asst. Nursing Superintendent: 1
 Nursing Staff: 50

20. Preclinical departments of Anatomy, Physiology and Biochemistry are not yet functional.
21. Only a single room each has been provided for paraclinical departments of Pharmacology, Microbiology, Pathology and Forensic Medicine.
22. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Thiruvananthapuram by Dr. K.N. Pai Heart Foundation, Trivandrum received u/s 10A of the IMC Act, 1956.

30. Establishment of new medical college at Pandara, Bhubaneswar by Vigyan Bharati Chairtable Trust, Bhubaneswar, Orissa-Grant of letter of permission.

Read : The Council Inspectors report (27th & 28th May, 2005) for grant of letter of permission for establishment of new medical college at Pandara Bhubaneswar by Vigyan Bharati Charitable Trust, Bhubaneswar, Orissa u/s. 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report 27th & 28th May, 2005 and decided to recommend to the Central Govt. to issue letter of permission for establishment of new medical college at Pandara, Bhubaneswar by Vigyan Bharati Charitable Trust, Bhubaneswar u/s. 10(A) of the IMC Act, 1956 with an annual intake of 100 students for the academic session 2005-06.

31. Establishment of new medical college at Bhubaneswar by Sikshya "O" Anusandhan Charitable Educational Society, Bhubaneswar – Grant of Letter of permission.

Read : The Council Inspectors report (30th & 31st May, 2005) for Grant of Letter of permission for establishment of new medical college at Bhubaneswar by Sikshya "O" Anusandhan Charitable Educational Society, Bhubaneswar.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 30th – 31st May, 2005 and noted the following:-

1. The deficiency of teaching staff is 100 %. No declaration forms have been submitted as the Dean refused to sign the forms saying that the necessary documents are not submitted by them. No staff could be verified.
2. SUM hospital which is the teaching hospital is not fully functional. 300 beds have been put in different wards. Distribution of beds into different specialities is not available.
3. Clinical material is not available as the hospital is not fully functional except a few patients in OPD and wards.
4. Clinical laboratories are not available as per norms.
5. O.T. unit, ICUs, CSSD, central laundry and central kitchen are not available.

6. Radiological facilities are not available.
7. Intercom is not yet installed.
8. Registration section and medical records department are not available.
9. Incinerator is not available.
10. Only a few laboratory and nursing staff are available. They are grossly inadequate.
11. No information is provided regarding grouping of subjects, minimum attendance, etc.
12. Audiovisual aids are not provided in the lecture theaters.
13. Central library is not available.
14. Hostels are not available. Makeshift rooms to accommodate 50 boys and 50 girls are available in the hospital till hostels are constructed.
15. Preclinical departments of Anatomy, Physiology and Biochemistry are not functional.
16. Only space is earmarked for paraclinical departments of Pathology, Microbiology, Pharmacology and Forensic Medicine.
17. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, and whereby it has been found that the applicant has failed to fulfill the mandatory and statutory pre-conditions of owning and managing of a functional hospital of 300 beds as laid down in the Establishment of Medical College Regulations, 1999, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Bhubaneshwar by Sikshya "O" Anusandhan Charitable Educational Society, Bhubaneshwar received u/s 10A of the IMC Act, 1956.

32. Pt. Bhagwat Dayal Sharma Postgraduate Instt. of Medical Sciences, Rohtak - Renewal of permission for admission of 6th batch of MBBS students against the increased intake i.e. 115 to 150 for the academic session 2005-2006.

Read : The Council Inspectors report (30th & 31st May, 2005) for renewal of permission for admission of 6th batch of MBBS students against the increased intake i.e. 115 to 150 for the academic session 2005-2006 at Pt. Bhagwat Dayal Sharma Postgraduate Instt. of Medical Sciences, Rohtak.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 30th – 31st May, 2005 and noted the following:-

1. The shortage of teaching staff is as under:
 - (a) Faculty: 8 %
 - (i) Professor: 3 (Microbiology 1, Forensic Medicine 1, Psychiatry 1)
 - (ii) Associate Professor: 3 (Anatomy 1, Microbiology 1, Radiodiagnosis 1)

- (iii) Asst. Professor: 11 (Anatomy 4, Physiology 1, Pharmacology 1, Forensic Medicine 1, Psychiatry 1, Paediatrics 3)
2. Dr. N.C. Wadhwa, IAS is holding the additional charge as Director of the institute. He is the administrative and financial head of the institution. This arrangement is not as per Council norms.
 3. Dr. R.K. Yadav, holding additional charge of Medical Superintendent, is not qualified to hold the post as he has only 1 y 3 m of administrative experience. Full time Medical Superintendent is not available which is not as per norms.
 4. Medical and Surgical ICUs are not available.
 5. Veterinary officer is part time.
 6. Pharmacology museum does not have medicinal plants or graphs.
 7. Number of books in the departmental libraries of Tb & Chest, Skin & V.D., Psychiatry, Orthopaedics, ENT and Radiodiagnosis are inadequate.
 8. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 6th batch of MBBS students against the increased intake from 115 to 150 for the academic session 2005-06 at Pt. Bhagwat Dayal Sharma Postgraduate Instt. of Medical Sciences, Rohtak.

33. Recognition of Haria Lakhamshi Govindji Rotary Hospital, Vapi for Compulsory Rotating Internship Training.

Read : The Council Inspector's report (01st August, 2004) for recognition of Haria Lakhamshi Govindji Rotary Hospital, Vapi for Compulsory Rotating Internship Training.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's report (01.08.2004) and decided to recommend that Haria Lakhamshi Govindji Rotary Hospital, Vapi be recognized for Compulsory Rotating Internship Training in the following subjects with number of interns mentioned against each:-

Medicine	-	2(two)
Surgery	-	2(two)
Obst. & Gynae.		2(Two)

34. Recognition of S.D. Mahabir Dal Hospital, Karnal for Compulsory Rotating Internship Training.

Read : The Council Inspector's report (23/04/2005) for recognition of S.D. Mahabir Dal Hospital, Karnal for Compulsory Rotating Internship Training.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's report (23.04.2005) and decided to recommend that S.D. Mahabir Dal Hospital, Karnal be recognized for Compulsory Rotating Internship Training in the following subjects with number of interns mentioned against each:-

Medicine	-	2(two)
Obst. & Gynae.		2(Two)

35. Approval of Minutes of the meeting of the Teacher's Eligibility Qualification Committee held on 07/04/2005.

Read : The minutes of the meeting of the Teacher's Eligibility Qualification Committee held on 07/04/2005.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted and approved the minutes of the meeting of the Teachers' Eligibility Qualifications Sub-Committee dated 07.04.2005.

36. Approval of Minutes of the Building Committee meeting held on 26/05/2005.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the minutes of the Building Committee meeting held on 26/05/2005.

37. Removal of name of Dr. Wazir Chand Chandhok.

Read : The letter dt. 11/05/2005, received from the Registrar, Rajasthan Medical Council intimating that Dr. Wazir Chand Chandhok, Regn. No. 1198, dt. 02/07/1964 has expired on 23/04/2005 and his name has been erased from the register of Registered Medical Practitioners.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the letter dated 11.05.2005 received from the Registrar, Rajasthan Medical Council intimating that Dr. Wazir Chand Chandhok (Registration No.1198) has expired on 23.04.2005 and his name has been removed from the Register of Registered Medical Practitioners. The Committee decided to remove the name of above-mentioned doctor from the Indian Medical Register and also give intimation in this regard to all the State Medical Councils in the country.

38. Consideration of grant of permanent registration to Sh. Remalayan Bhavith after having obtained MBBS qualification from college of Medical Sciences, Bharatpur, Nepal – Matter of internship training – Regarding.

Read : The matter with regard to grant of permanent registration to Sh. Remalayan Bhavith after having obtained MBBS qualification from college of Medical Sciences, Bharatpur, Nepal.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the matter with regard to grant of permanent registration to Sh. Remalayan Bhavith after having obtained MBBS qualification from college of Medical Sciences, Bharatpur, Nepal and after due deliberations decided to reiterate the decision taken earlier at its meeting held on 31.01.2005 which reads as under:-

“The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted that the candidate started internship from 16.1.2003 at College of Medical Sciences, Bharatpur, Nepal. He further started internship from 1.9.2003 to 29.3.2004 at Medical College, Calicut (India). The Committee further noted that the candidate carried out 6 months internship in Nepal and 6 months in India.

After due deliberations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided that the candidate may be asked to do six months internship in India as per Regulations of the Council.”

39. Probation period of Dr. A.S. Nayyer, Deputy Secretary.

Read : The matter with regard to Probation period of Dr. A.S. Nayyer, Deputy Secretary.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were informed that Dr.A.S. Nayyer, Deputy Secretary was on leave from 28.01.2005. He resumed his duty w.e.f. 13.06.2005.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council after due consideration decided to extend the probation period for 136 days (i.e. from 25.4.2005 to 07.09.2005) of the period of leave from 28.01.2005 to 12.06.2005 and further decided to review after this period.

40. Basaveshwara Medical College & Hospital, Chitradurga, Renewal of permission for admission of fresh batch of students for the academic session 2005-06.

Read: The Council Inspectors report (1st & 2nd June, 2005) for renewal of permission for admission of fresh batch of students for the academic session 2005-06 at Basaveshwara Medical College & Hospital, Chitradurga.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 1st & 2nd June, 2005 and the request of the college dt. 14/06/2005 received through Central Govt. for considering the renewal for reduced intake and noted the following:-

1. The shortage of teaching staff is as under:

(I) For 100 students

(a) Faculty: 33 %

(i) Professor: 7 (Pharmacology 1, Forensic Medicine 1, Paediatrics 1, Ophthalmology 1, ENT 1, Anaesthesia 1, Radiodiagnosis 1)

(ii) Associate Professor: 16 (Anatomy 2, Physiology 1, Pathology 2, Microbiology 1, Forensic Medicine 1, PSM 1, Gen. Medicine 1, Tb & Chest 1, Psychiatry 1, Gen. Surgery 1, Orthopaedics 1, Anaesthesia 1, Radiodiagnosis 1)

(iii) Asst. Professor: 13 (Anaesthesia 2, PSM 5, Paediatrics 1, Tb & Chest 1, Psychiatry 1, Orthopaedics 1, Obst. & Gynaec. 1, Radiodiagnosis 1)

(iv) Tutor: 3 (Physiology 1, Pharmacology 2)

(II) For 50 students

(a) Faculty 26% (24 out of 60)

(i) Prof. - 7 (1 Pharmacology, 1 Forensic Medicine, 1 Paediatrics, 1 ENT, 1 Eye, 1 OBGY, 1 Radiodiagnosis, 1 Anaesthesiology)

(ii) Assoc. Prof. - 7 (1 Anatomy, 1 Community Medicine, 1 General Medicine, 1 TB, 1 Psychiatry, 1 Orthopaedics, 1 Radio diagnosis).

(iii) Asst. Prof. - 7 (1 Anatomy, 3 Community Medicine, 1 TB, 1 Psychiatry, 1 Radio diagnosis)

(iv) Tutor - Nil

2. Dr. K.G. Jaydevappa, designated as Medical Superintendent, is not qualified to hold the post as he has only 5 yrs. administrative experience.

3. The teaching hospital has claimed to have 449 beds. However, 120 beds of Orthopaedics, Paediatrics, Medicine and Surgery wards are put in II floor of the hospital which is still under construction. Flooring is incomplete and windows are not fixed. Toilets are not available. There is no nursing station and no class rooms. Beds are not numbered and units are not displayed. Thus only 329 teaching beds are functional against the requirement of 450 beds. Further, no beds have been provided for Tb & Chest department against the requirement of 15 beds and 52 beds have been provided for Obst. & Gynaec. department against the requirement of 59 beds at this stage. Thus, there is a deficiency of 143 teaching beds.

4. Unit distribution is not as per norms. Only 2 units are available in Medicine and 3 units are available in Surgery against 4 units required in each. Only 1 functional unit is available in Orthopaedics against 2 required at this stage.

5. Clinical material is grossly inadequate as under:

	Daily Average	Day of Inspection
O.P.D. attendance	270-350	579
Bed occupancy	70-80 %	40 %
Number of major operations	7-8	1
Number of minor operations	5-7	0
Number of deliveries	1-2	0

Number of caesarean sections	0-1	0
Radiological Investigations		
X-ray	8-10	8
Ultrasonography	3-5	0
Special Investigations	-	-
Laboratory Investigations		
Biochemistry	45-50	45
Microbiology	7-10	12
Serology	20-30	26
Parasitology	0-1	0
Haematology	35-40	25
Histopathology	0-1	0
Cytopathology	0-1	0

Number of X-ray and laboratory investigations are not commensurate with the number of outdoor and indoor patients claimed by the hospital.

6. OPD registration is not computerized. Some OPDs do not have teaching facilities like class rooms, examination tray, X-ray view box, black board, etc. Paediatrics OPD does not have immunization unit. Audiometry technician and speech therapist are not available.
7. Some wards are not equipped with nursing station, class rooms and toilets. Side laboratories are not available for any ward except Obst. & Gynaec.
8. Indoor registration is manual.
9. No lecture theater is available in the hospital.
10. Examination hall has a capacity of 200 which is not as per norms.
11. No facilities for experimental work are available in the animal house.
12. Although 100 journals are claimed to have been subscribed, only 22 journals are received.
13. Labour room at RHTC is nonfunctional. Teaching programme and field visits at UHC are yet to be organized. No lecturer cum M.O. having MD (PSM) qualification is posted at UHC. Roster of students' posting at UHC is not available. Family welfare activities are not carried out at UHC. No other national programme except pulse polio are organized at UHC. Duty rosters and records of various activities are not investigations not maintained. Sign boards and display boards of various rooms are not provided.
14. Hostels are located outside the campus. Accommodation is available for 144 students only which is inadequate. Boys' hostel accommodates Dental college students also. One hostel for girls accommodates students for Engineering and Pharmacy colleges also. Girls' hostel has no visitor's room.
15. Accommodation is available for 40 residents only which is grossly inadequate. It is located outside the campus in the premises of Engineering college.
16. Residential quarters are not available within the campus.
17. Resuscitation equipment in the casualty is inadequate.
18. Blood bank is not functional.
19. Postoperative recovery room is not available. CCTV is not available.
20. Surgical, Paediatric and Obstetric ICUs are not available.
21. CSSD and laundry equipment are not provided as per norms.
22. Incinerator is not functional.
23. Seating arrangements are not provided in the departmental libraries of Anatomy, Physiology, Biochemistry and Pharmacology departments.
24. Photographs and graphs are not available in Pharmacology museum. Catalogues are not available.
25. Separate histopathology laboratory for students is not available. Service laboratories are not available in pathology department. Clinical Pathology work of Urine examination is not being done.
26. In Microbiology department, service laboratories for serology, virology, Parasitology & mycology are nonfunctional.
27. Catalogues are not available in Forensic Medicine museum. Students' gallery is not provided in the mortuary. Cooling cabinet is not available. Postmortems are not being conducted.
28. Research laboratory is not available in P.S.M. department.

29. No books are available in the departmental libraries of Tb & Chest, Skin & V.D., Psychiatry and Anaesthesia. Number of books are less than norms in the departmental libraries of Paediatrics, Surgery and Radiodiagnosis.
30. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 4th batch of MBBS students for the academic session 2005-06 at Basaveshwara Medical College & Hospital, Chitradurga.

41. Establishment of new medical college at Dhamtari, Chhatisgarh by Mennonite Medical Board Trust, Dhamtari, Chhatisgarh - Grant of letter of permission.

Read : The compliance verification inspection report (09th & 10th May, 2005) for establishment of new medical college at Dhamtari, Chhatisgarh by Mennonite Medical Board Trust, Dhamtari, Chhatisgarh u/s. 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 9th – 10th May, 2005 and the request of the college dt. 13/06/2005 received through Central Govt. for considering the application for reduced intake and noted the following:-

1. (a) The following teaching staff is not available:-
 - i) Professor: 3 (Anatomy-1, Physiology-1, Biochemistry -1)
 - ii) Associate Professor: 6 (Anatomy-1, Physiology-1, Biochemistry-1, Pharmacology.-1, Microbiology-1, Paediatrics -1)
- (b) Four staff members have reported in the evening of the first day of inspection i.e. – 09.05.2005.
- (c) The following staff members cannot be considered due to the reasons shown against their names in the table shown below :-

#	Name of the Teacher	Designation	Department	Remarks
1	Dr. Asim Kumar Basak	Asso. Professor	Physiology	He possesses teaching experience in Dental College as shown in the declaration form which cannot be considered. Therefore, he is not eligible as Asso. Professor as he does not possess the teaching experience as Asst. Prof. for 5 yrs. in a recognized medical college as required as per Regulations.
2	Dr. Suresh Kumar	Asst. Professor	Anatomy	He possesses teaching experience of only 2 year as shown in the declaration form. He is not eligible as Asst. Professor as he does not possess the teaching experience of 3 years as Tutor / Resident as required under the norms.
3	Dr. Jayant Narang	Asst. Professor	Radiology	He possesses teaching experience of only 2 ½ years as shown in the declaration form. He is not eligible as Asst. Professor as he does not possess the teaching

				experience of 3 years as Tutor / Resident as required under the norms.
4	Dr. Chhaya Rathi	Asst. Professor	Microbiology	She does not possess any teaching experience in the dept. She is not eligible as Asst. Professor as she does not possess the teaching experience of 3 years as Tutor / Resident as required under the norms.
5	Dr. Mumtaz Ali	Sr. Resident	Orthopaedics	He possesses only 6 months experience in the dept. as shown in the declaration form. He cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
6	Dr. Rajesh Mittal	Sr. Resident	Paediatrics	He does not possess any experience in the dept. as shown in the declaration form. He cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
7	Dr. Deepti Prakash	Tutor/ Registrar/	Anaesthesia	She does not possess any experience in the dept. as shown in the declaration form. She cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.
8	Dr. Chitra M Shambharkar	Sr. Resident	OBG	She possesses only 2 years experience in the dept. as shown in the declaration form. She cannot be considered as Sr. Resident as he does not possess the experience of 3 years as Resident in the dept.

(d) In view of above, the deficiency of teaching faculty is more than 20% and of Resident is more than 5%.

(e) The members of the Executive Committee and the Adhoc Committee noted that the shortage of teaching staff as required for 50 students is as under:-

(i) Professor - 3 (Anatomy -1, Physiology -1, Biochemistry -1)

(ii) Associate Professor - 4 (Biochemistry -1, Pharmacology -1, Microbiology -1, Paediatrics -1)

The deficiency of teaching faculty is more than 15% even for reduced intake of 50 students.

2. Number of laboratory investigations is not commensurate with the number of indoor and outdoor patients claimed by the Hospital. Laboratory investigations is inadequate as under:-

	Daily Average		Day of Inspection	
<u>Laboratory Investigations</u>				
Biochemistry	61	81	70	114
Microbiology	4	8	3	9
Serology	18	27	25	15
Parasitology	6	7	6	8
Haematology	80	94	75	147
Blood Bank	-	8	-	3

Histopathology	5	3	-	2
Cytopathology	-	4	-	5

3. Veterinary Officer is available on call.
4. Microbiology investigations like culture sensitivity, serology etc. are not carried out. Each section needs to procure some required modern equipment.
5. There is no ultrasound available in Obst. & Gynaec. Department.
6. Sterilization facilities are not available in operation block.
7. In Anatomy Department, there is no reading table provided in the departmental library. No cadavers are available.
8. Adequate arrangements for electrical points and washing facilities need to be provided in the laboratories of Physiology department.
9. More electric points need to be provided for the equipments in the practical laboratory of Biochemistry department. Gas connection is to be provided. There is no reading room in the departmental library.
10. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Dhamtari, Chhatisgarh by Mennonite Medical Board Trust, Dhamtari, Chhatisgarh received u/s 10A of the IMC Act, 1956.

42. Khaja Bandanawaz Institute of Medical Sciences, Gulbarga - Renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006.

Read : The compliance verification inspection report (13th & 14th May, 2005) for renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006 at Khaja Bandanawaz Institute of Medical Sciences, Gulbarga.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report 13th & 14th May, 2005 and decided to recommend to the Central Govt. to renew the permission for admission of 5th batch of 100 MBBS students for the academic session 2005-06 at Khaja Bandanawaz Institute of Medical Sciences, Gulbarga.

43. Establishment of new medical college at Theni (Tamilnadu), by Govt. of Tamilnadu - Grant of letter of Permission.

Read : The Council inspection report (23rd & 24th May, 2005) for grant of letter of permission for establishment of new medical college at Theni (Tamilnadu), by Govt. of Tamilnadu u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 23rd – 24th May, 2005 and noted the following:-

1. The number of x-ray investigations is not commensurate with the number of indoor and outdoor patients claimed by the college and is inadequate as under:-

	Daily Average		Day of Inspection	
<u>Radiological Investigations</u>	O.P	I.P	O.P	I.P
X-ray	8	9	30	15

2. Only two level type Lecture Theatres are available, which is not as per norms.

3. In the Central Library, total number of journals subscribed are 10 (only order has been placed) against the requirement of 20.
4. Hostels for undergraduate boys and girls are not available.
5. There are no residential quarters available for teaching and non-teaching staff.
6. In OPD, the size of rooms is very small and is not as per norms. Teaching facilities like patient couch, stools, x-ray, view box, examination tray, etc. are not available in each room. Each specialty is not provided with proper teaching area with capacity of 20 students. The chairs in number 4 to 5 are kept in very small rooms which are labeled as demonstrations rooms. The facilities like black board and over head projectors are not provided in any of the teaching areas. There is no separate injection room for male and female. Plaster room is present but no plaster cutting equipments are available. The room is very small that is not possible for the patient to be brought into room. Audiometry room does not have soundproof & Air-conditioning. Refraction room is outside the dark room and the chart is pasted on the back of the cupboard, equipments like perimeter or Tonometer are not available. Minor O.T. is not available.
7. In Wards, there is only one nursing station is available between two wards and one ward side lab is available between four wards. There is one duty doctor room is available amongst two wards. Facility like oxygen cylinder is absent. One suction machine is available between four wards i.e. 70 patients not having adequate extension electrical board. There is no preparation room or treatment room especially in Gynaec. Ward. The Obst. & Gynaec. ward contains beds, which are floor beds on a mattress and not having cots. Pantry, examination, procedure room, teaching area and side laboratory are grossly inadequate. Demonstration areas with a capacity of 7 to 10 have been provided in only few wards. None of these areas have been provided with audiovisual aids or any teaching facilities.
8. There is a separate registration counter for O.P.D. cases outside the hospital in a shade.
9. In the central casualty are only 6 beds (2 for female & 4 for male) are available against the requirement of 20 and there is no nursing station. Central oxygen supply, central suction, defibrillator, pulse oxymeter, Ambu bag, and disaster trolley etc. are not available.
10. None of the O.T. is having central oxygen, nitrous oxide supply and central suction. There is no central ceiling light in any of the O.T. There are more than one table in each O.T. which is not as per the MCI recommendations. The casualty O.T. is not well equipped and used only for minor surgery. One operation theatre which is located opposite to labour room is having three tables and all types of surgeries from all departments are carried out. The operation table available in Orthopaedics O.T. is not as per specifications. Changing rooms for staff are present but there are no room for nurses and Anaesthesia department.
11. There is only one labour room, which is not as per Norms.
12. In the Radiological facilities, only one static units of 100 mA is available. No mobile unit is available. Facilities for special investigations are not available.
13. Central sterilization department is not available.
14. EPABX is not installed.
15. Mechanized laundry is not available.
16. There is no provision to supply special diet as recommended by Physician.

17. In the Anatomy department, lecture theatres are of gallery type and there are no cadavers. Museum is small and only 2 articulated skeletons are available.
18. In the Physiology department, equipments like polygraph, physiograph, Brodies kymograph, BMR operators and Bicycle ergometer are not available.
19. Other deficiencies/remarks are in the report.

In view of above and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Theni (Tamilnadu), by Govt. of Tamilnadu u/s 10A of the IMC Act, 1956.

44. Swami Vivekanand Instt. of Medical Sciences & Research, Valia, Gujarat - Renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (11th & 12th May, 2005) for renewal of permission for admission of 3rd batch of MBBS students for the academic session 2005-2006 at Swami Vivekanand Instt. of Medical Sciences & Research, Valia, Gujarat.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 11th & 12th May, 2005 and the request of the college dt. 13/06/2005 received through Central Govt. for considering the renewal for reduced intake and noted the following:-

1. The shortage of teaching staff is as under:-

- (a) The following teaching staff is not available:

- i) Professor: 1 (Paediatrics-1)
- ii) Associate Professor : 2 (Anatomy-1, Forensic Medicine-1)
- iii) Assistant Professor : 1 (Anatomy-1)
- iv) Tutor: 1 (Pharmacology-1)

- (b) The following faculty cannot be considered as per the reasons shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. Rekha Vimal	Asst. Prof.	O.G.	She possesses no teaching experience as shown in the declaration form. She is not eligible to be considered as Asstt. Professor as she does not possess 3 years teaching experience as Resident/Tutor as required under the Regulations.
2	Dr. A.A. Ansari	Asst. Prof.	Psychiatry	He possesses no teaching experience as shown in the declaration form. He is not eligible to be considered as Asstt. Professor as he does not possess 3 years teaching experience as Resident/Tutor as required under the Regulations.
3	Dr. Hitesh Gandhi	Asst. Prof.	ENT	She possesses teaching experience of only 1 y as shown in the declaration form. He is not eligible to be

				considered as Asstt. Professor as he does not possess 3 years teaching experience as Resident/Tutor as required under the Regulations.
4	Dr. Savita Chauhan	Asst. Prof.	Pathology	She possesses no teaching experience in a recognized medical college as shown in the declaration form. Her experience in Dental College cannot be considered. She is not eligible to be considered as Asstt. Professor as she does not possess 3 years teaching experience in a Medical College as Resident/Tutor as required under the Regulations.
5	Dr. Anant Gaitonde	Professor	Microbiology	He possesses only M.Sc. He is not eligible as Asso. Prof. As he does not possess requisite academic qualification of Ph.D.
6	Dr. Ramesh	Professor	Medicine	His age is 66 yrs. He cannot be considered as a teacher as he is overage.
7	Dr. D.B. Gheewala	Asso. Prof.	Medicine	His experience as Asst. Prof. Is in Infectious Diseases Dept. He is not eligible as Asso. Prof. As he does not possess requisite experience of 5 yrs. As Asst. Prof. in medicine Dept.
8	Dr. M.M. Acharya	Asst. Prof.	Pharmacology	He possesses nil teaching experience as shown in the declaration form. He is not eligible to be considered as Asstt. Professor as he does not possess 3 years teaching experience in a Medical College as Tutor as required under the Regulations.
9	Dr. S.G. Gokani	Asst. Prof.	Biochemistry	He possesses nil teaching experience as shown in the declaration form. He is not eligible to be considered as Asstt. Professor as he does not possess 3 years teaching experience in a Medical College as Tutor as required under the Regulations.

(c) In view of the above, the shortage of teaching faculty is more than 10 %.

2. Clinical material is inadequate in terms of OPD attendances, bed occupancy, operative work & x-ray investigation.

	Daily Average	Day of Inspection
O.P.D. attendance	470-710	680
Bed occupancy	60%-65%	65%
Operative work		
Number of major surgical operations	3 to 6	4
Number of minor surgical operations.	4 to 6	4
Radiological Investigations		
X-ray	40 to 50	46

3. Three P.H.Cs are available, which are under the control of the Govt. of Gujarat and the college, is allowed to use its facilities for teaching purposes. No lecturer cum medical officer having M.D. (P.S.M.) is available. The senior faculty from the department is posted in rotation once in a week.
4. Urban Health Centre is under the financial and administrative control of Private Trust. There is no lecturer cum medical officer having MD (P.S.M.) is posted.
5. Boys hostel with the capacity of 144 is available. Girls Hostel with the capacity of 72 is available. The total accommodation available is for 216 students only, which is grossly inadequate as compared with the requirement of 400.
6. Nurses hostel is not available within the campus. They have all been accommodated outside the campus in rented houses in Nilkanthnagar about 1 km. from hospital.
7. Hostel for residents is not available.
8. Central laundry is partly mechanical and partly manual, which is not as per norms.
9. In the Forensic Medicine Department, there is a space provided for laboratory which is to be furnished and equipped. The institution has not been provided the permission for performing medico legal autopsies hence, this facility remains non-functional to carry out post mortem in the institution for teaching and training of the students.
10. The number of books in the departmental libraries of TB & Chest, Skin & V.D., Psychiatry, Orthopaedics, Radio-diagnosis are inadequate.
11. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 4th batch of MBBS students for the academic session 2005-06 at Swami Vivekananda Instt. of Medical Sciences & Research, Valia, Gujarat.

45. Mahatma Gandhi National Institute of Medical Sciences, Jaipur-Renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (27th & 28th May, 2005) for renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006 at Mahatma Gandhi National Institute of Medical Sciences, Jaipur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 27th & 28th May, 2005 and decided to recommend to the Central Govt. to renew the permission for admission of 5th batch of 100 MBBS students for the academic session 2005-06 at Mahatma Gandhi National Institute of Medical Sciences, Jaipur.

46. Establishment of new medical college at Belgaum, by Govt. of Karnataka - Grant of letter of permission.

Read : The Council Inspectors report (01st & 02nd June, 2005) for grant of letter of permission for establishment of new medical college at Belgaum by Govt. of Karnataka u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 1st – 2nd June, 2005 and noted the following:-

1. The shortage of teaching staff is as under:-
 - (a) The shortage of teaching Faculty is 84.74% as under:-
 - i) Professor : 6 (Anatomy-1, Physiology-1, Biochemistry -1, Pathology- 1, Gen. Medicine-1, Gen. Surgery-1)
 - ii) Associate Professor: 12 (Anatomy-2, Physiology-2, Biochemistry-1, Pharmacology.-1, Microbiology-1, Paediatrics -1, Orthopaedics-1, Obst. & Gynae.-1, Anesthesia-1, Radiodiagnosis-1)
 - iii) Assistant Professor : 15 (Anatomy-3, Physiology-2, Biophysics-1, Biochemistry-1, Pathology-1, Forensic Medicine-1, PSM -1, Gen. Medicine-2, General Surgery-1, Radiodiagnosis-1, Dentistry-1)
 - iv) Tutor: 17(Anatomy-4, Physiology-4, Biochemistry-2, Pharmacology-1, Pathology-1, Microbiology-1, F.M.-1, PSM-1, Anaesthesia-1, Radiodiagnosis-1)
 - (b) The shortage of resident is 81.57% as under:-
 - i) Sr. Resident: 14(General Medicine -4, Paediatrics-1, General Surgery-4, Orthopaedics-1, ENT-1, Ophthalmology-1, O.G. -2)
 - ii) Jr. Resident: 17(General Medicine-6, Paediatrics. -1, General Surgery-8, ENT-1, Ophthalmology-1)

2. Number of laboratory investigations is not commensurate with the number of patients attending outdoor and indoor and is inadequate as under:

	Daily Average		Day of Inspection	
<u>Laboratory Investigations</u>				
Biochemistry	40	86	30	20
Microbiology	03	07	04	03
Serology	02	03	04	03

3. A pathologist with MD Pathology qualification is available from only 9.00 to 11.30 a.m. daily for histopathology work which is not as per MCI norms.
4. The construction of proposed new college building is yet to start.
5. Two flat type lecture theatres are available in a IMA house building located in front of the casualty, which is not as per norms.
6. Common room for boys and girls yet to be formed.
7. Hostels: Hostels accommodation for students is available only for 84 boys which is inadequate. Girls' hostel is not available.
8. Accommodation for residents and nurses is not available within the campus.
9. Teaching areas are not available in all main OPDs.
10. Registration and Medical Record Section is computerized but not linked with outdoor registration numbers.
11. Medical, Surgical, Burns and Obstetrics intensive care is not available.
12. EPBAX facilities are not available.
13. Central Library is not available.
14. Pre clinical departments of Anatomy, Physiology & Biochemistry are non-existent.
15. Para clinical departments are non-existent.
16. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. disapprove the scheme for Establishment of new medical college at Belgaum, by Govt. of Karnataka u/s 10A of the IMC Act, 1956.

47. Establishment of new medical college at Bidar, by Govt. of Karnataka - Grant of letter of permission.

Read : The Council Inspectors report (30th & 31st May, 2005) for grant of letter of permission for establishment of new medical college at Bidar, by Govt. of Karnataka u/s. 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 30th – 31st May, 2005 and noted the following:-

1. No teaching staff in pre and para clinical departments has been appointed. No regular, fulltime teaching faculty in any of the clinical department has been posted. Hence, the shortage of teaching faculty is 100%.
2. The number of x-ray investigations is not commensurate with the number of indoor and outdoor patients claimed by the college and is inadequate as under:-

	Daily Average	Day of Inspection
<u>Radiological Investigations</u>		
X-ray	25	40

3. The construction of proposed college has yet not commenced.
4. The Dean's name plate was seen outside a small room with minimal furniture and apparently no administrative staff of Dean's office was available.
5. Pre-clinical and Para-clinical departments do not exist.
6. Three large halls have been shown to be developed as level type lecture theatres in hospital building which is not as per norms. They are not furnished. There is no black board. Fans and no AV aids are available. There are no lecture theaters available at any other locations.
7. No facility exists for Boys' and Girls' Common room.
8. Boys', Girls' and Residents' hostels have not been constructed so far.
9. In OPD, there is registration counter but not computerized. No teaching areas have been provided in all major clinical specialties. No Audiometry room (soundproof & air-conditioned) is available.
10. In some wards, nursing stations are not proper and need to be brought in the center of the ward for better patient care. Examination/procedure room, teaching area and side laboratories are not available with any ward. No clinical demonstration areas are available.
11. In the Registration and Medical Record Section, indoor registration counter is not computerized and not cross linked with outdoor registration numbers. There is a medical record department, which is not computerized.
12. In the Central Casualty Service, central suction is not available. No emergency theatre is available in casualty area. Spacious causality block has been constructed and is near completion but it is not functional at this stage.
13. Clinical Laboratories supervised by non post graduate medical officers who carry out basic investigations of clinical pathology and biochemistry. No separately designated sub laboratories of pathology, microbiology and biochemistry are existing. This facility has to be augmented in all its wings with reference to equipments, man power and diagnostic material.
14. Central sterilization department works in one shift. There are no receiving and distribution stations in the unit and no permanent staff has been posted.
15. Intercom facility is not available and is yet to be installed.

16. Central laundry is manual.
17. Teaching facilities do not exist in the departments of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology, Microbiology, Community Medicine and Forensic Medicine. All the pre-clinical and para-clinical departments are not available.
18. Mortuary room, in very primitive state of organization, infrastructure, equipments and up keeping, has been provided in one corner of hospital. It has only one room with one concrete table without adequate light, water and ventilation. No cooling cabinets for dead bodies preservation have been provided.
19. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. disapprove the scheme for Establishment of new medical college at Bidar, by Govt. of Karnataka u/s 10A of the IMC Act, 1956.

48. Establishment of new medical college at Raichur, by Govt. of Karnataka-Grant of letter of permission.

Read : The Council Inspectors report (01st & 02nd June, 2005) for grant of letter of permission for establishment of new medical college at Raichur by Govt. of Karnataka u/s. 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 1st – 2nd June, 2005 and noted the following:-

1. Only two declaration forms of the Principal (appointed and joined 30th April, 2005) and the District Hospital Surgeon has been provided and physically verified. No other teaching faculty from pre-clinical, para-clinical and clinical departments were available on the days of inspection. The shortage of teaching faculty is 95%.
2. Dr. P. Susheela is the District Hospital Surgeon and has 2 years of administrative experience as a District Surgeon of the existing District Hospital. She has not received any Government order regarding her appointment as medical superintendent of the teaching hospital. However, her qualifications are MBBS and DGO. She is not qualified to hold the post of the Medical Superintendent.
3. The number of x-ray investigations is not commensurate with the number of indoor and outdoor patients claimed by the college and is inadequate as under:-

	Daily Average	Day of Inspection
<u>Radiological Investigations</u>		
X-ray	30 to 40	15

4. The Medical College building is yet to be constructed
5. Lecture theatres are not available and yet to be constructed.
6. Common room for boys and girls are not available.
7. Central Library is not available and yet to be constructed.
8. Hostels are not available and yet to be constructed.
9. In OPD, teaching facilities like patient couch, stools x-ray, view box, examination tray etc. are not provided in each room. No teaching/clinical demonstration area is available in any of the OPDs. There is no E.C.G. room and no Audiometry room (soundproof & Air-conditioned).
10. In Wards, the nursing stations in most of the wards are not proper and are away and secluded from the ward area, no pantry area is available, no examination/procedure rooms are available. The indoor wards have no teaching areas and side laboratories. There are no seminar halls in the major departments.

All these areas have not been provided with audiovisual aids and other teaching facilities.

11. There are only 3 operation theatres against the requirement of 4 at this stage. The O.Ts are not having central oxygen, nitrous oxide supply and central suction. The facilities for pre anaesthetic and post anaesthetic care are not available. Post-operative recovery room is yet to be made functional.
12. Beds for Medical, Surgical, Burns, Paediatrics and Obstetrics in the intensive care is not available. Facilities and equipment in ICUs are not available.
13. There is one labour room available as under:-
 - (a) clean & septic cases - 2 tables.
 - (b) eclampsia - 2 beds.
 Facilities and equipment in labour room are adequate.
14. EPABX is not available and is yet to be installed.
15. There is no provision to supply special diet as recommended by Physician.
16. There is no incinerator. The bio medical waste disposal is done by deep burial and dumping with lime treatment and is located near mortuary area.
17. Para Medical Staff is grossly inadequate as under:

Laboratory Technicians : Nine
 Laboratory Assistants : Nil
 Laboratory Attendants : Five
18. Nursing staff is grossly inadequate as under:

Nursing Superintendent Gr. I : Nil
 Nursing Superintendent Gr. II : 3
 Nursing Superintendent Gr. III : 5
 Nursing sisters: Nil
 Staff nurses: 48
 ANMs: 2
19. Departments of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology, Microbiology, Forensic Medicine and Community Medicine are not available and the construction is yet to start.
20. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Raichur, by Govt. of Karnataka u/s 10A of the IMC Act, 1956.

49. Chhattisgarh Institute of Medical Sciences, Bilaspur – Renewal of permission for admission of 5th batch of students for the academic session 2005-06.

Read : The Council Inspectors (02nd & 03rd June, 2005) for renewal of permission for admission of 5th batch of students for the academic session 2005-06 at Chhattisgarh Institute of Medical Sciences, Bilaspur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 2nd & 3rd June, 2005 and noted the following:-

1. The shortage of teaching staff required at present stage is as under:-
 - (a) Faculty 14.28 %
 - i) Professor: 3 (1 Microbiology, 1 ENT, 1 Eye)
 - ii) Associate Professor: 12 (2 Anatomy, 2 Physiology, 1 Pharmacology, 2 Pathology, 1 Forensic Medicine, 1 Pediatrics, 1 TB, 1 Psychiatry, 1 Radio Diagnosis)
 - iii) Assistant Professor: 2 (Anatomy)

- (b) The following faculty has joined on the date of inspection:
- (i) Professor: 8 (Surgery – 2, Medicine – 2, Pharmacology – 1, Orthopaedics – 1, Pathology – 1, Radiodiagnosis – 1)
 - (ii) Assoc. Prof: 1 (Obst. & Gynaec.)
 - (iii) Asstt. Prof. 2 (Community Medicine – 1, Paediatrics–1)
2. Clinical Material in terms of OPD attendance and X-ray investigations is inadequate as under :-

	Daily Average		Day of Inspection	
O.P.D. attendance	762		495	
Radiological Investigations	O.P.	I.P.	O.P.	I.P.
X-ray	50	21	24	10
Ultrasonography	14	6	16	8

3. Common rooms for Boys & Girls at the moment are not furnished and not being used.
4. A statistician cum lecturer is posted from the University to oversee the work of Statistical unit. He is not on the pay rolls of the college.
5. Central Library has 8 Indian and 24 foreign journals, which is inadequate against the requirement of 100 journals at this stage.
6. Residential Quarters: Total 40 quarters are available outside the campus at a distance of 2 kms for the teaching faculty.
7. Central oxygen supply and central suction are not available in the Central Casualty. The names of senior doctors on call as well as resident doctors on duty should be displayed.
8. Central suction and oxygen line is not available in any of the intensive care units. ICCU should have central monitoring system.
9. No ultrasound is given to Obstetrics & Gynecology department.
10. In the Physiology department, there is no museum, no research laboratory and no mammalian laboratory. The amphibian Physiology is not functional.
11. No graphs are available in the Pharmacology museum.
12. The museum in Forensic Medicine has nil unmounted specimens.
13. In the Community Medicine Department, there is a research laboratory, which is non functional..
14. The number of books in the departmental libraries of Skin & V.D., Psychiatry, Orthopaedics, Oto-Rhino-Laryngology, Ophthalmology, Radio-diagnosis and Anaesthesia are inadequate.
15. Residents' accommodation is available only for 48 Residents which is inadequate.
16. R.H.T.C :_Other clinical departments like Medicine, Paediatrics, Obstetrics & Gynaecology do not participate in the outreach teaching programmes, as there is no vehicle in the department. The programme of visits was made but could not be executed. No lecturer cum medical officer having M.D. {P.S.M.} is available. L.M.O. is not available. There is no hostel facility. There are no messing facilities. Staff as prescribed under norms needs to be appointed. Currently the RHTC is not under the administrative & financial control of the college.
17. U.H.C.: It is under financial and administrative control of State Govt.. No lecturer cum medical officer having M.D. {P.S.M.} is posted. Delivery services are not available.
18. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 5th batch of MBBS students for the academic session 2005-06 at Chhattisgarh Institute of Medical Sciences, Bilaspur.

50. Inclusion of Training Module on disability issues in the Curriculum of undergraduate medical courses.

Read : The letter dt. 30/05/2005 from the office of the Chief Commissioner for Persons with Disabilities, Ministry of Social Justice & Empowerment, Govt. of India with regard to inclusion of Training Module on disability issues in the Curriculum of undergraduate medical courses.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the letter dated 30.05.2005 from the office of the Chief Commissioner for Persons with Disabilities, Ministry of Social Justice & Empowerment, Govt. of India with regard to inclusion of Training Module on disability issues in the Curriculum of undergraduate medical courses and decided to refer the matter to the Curriculum Committee of the Council.

51. Establishment of New Medical College at Azamgarh by All India Children Care and Educational Development Society, Azamgarh.

Read : The application for establishment of New Medical College at Azamgarh by All India Children Care and Educational Development Society, Azamgarh along with the legal opinion on the land documents.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the matter with regard to Establishment of medical college at Azamgarh by All India Children Care and Educational Development Society, Azamgarh along with the opinion of the council advocate on the land documents. The operative part of the legal opinion reads as under:-

".....A perusal of order dated 14.05.1997 indicates that the Ld. Additional District Judge has returned a clear finding that lease deed dated 29.03.1996 is void. Some of the points that the Ld. Additional District Judge has taken into account are as under:-

- a) That there was a clear admission on the part of the respondents therein that the lease deed dated 29.03.1996 is null and void ab initio, even though it was the respondent's contention that the appellant Sh. Ram Patel Chaturvedi could not have challenged the same.*
- b) That the lease deed dated 29.03.1996 was in violation of the Zamindari Abolition and Land Reforms Act.*
- c) That the lease dated 29.03.1996 is void for want of prior permission to the Directorate of Education in terms of the relevant laws applicable to the State of U.P. in this respect.*
- d) That the facts clearly indicate that there was insufficient consideration for the transfer/execution of lease deed dated 29.03.1996 and the transfer has not taken place for the purpose of establishment of a medical college.*

Against the said order an appeal is stated to have been preferred to the Hon'ble High Court of Allahabad in terms whereof an interim order dated 24.05.1997 is stated to have been passed. As per the communication of the District Collector admittedly there is no stay granted by the Hon'ble High Court of the operation of order dated 14.05.1997 passed by the Ld. Additional District Judge.

Notwithstanding the ultimate result in the appeal pending in the Hon'ble High Court and any subsequent proceedings thereto, it is clear that as of today, the title of the land to which lease deed dated 29.03.1996 pertains to, is a disputed land in as much as the lease deed stands declared to be void by a court of competent jurisdiction. It is pertinent to mention that lease deed dated 29.03.1996 had been submitted by the applicant for the purpose of proving ownership and possession of a substantial chunk of land of 22 acres for the purpose of satisfaction of requirement under the regulations of the ownership of more than 25 acres of contiguous piece of land. With the aforesaid piece of land being itself in dispute as the facts and circumstances mentioned above clearly indicate, the Council would not be in a position to consider the applicant's application under section 10-A on the basis of the present land documents.

I am, therefore, of the opinion that the Council may return the application to the Central Government with its recommendations for disapproval of the application for the year 2005-06.....”.

Thus, it is to be seen that there is no change in the factual position existing today. The fact that the lease deed dated 29.3.1996 pertaining to 22 acres of land for satisfying the statutory requirement of ownership and possession of 25 acres of land for establishing a medical college, had been declared null and void by the judgement of the Id. Civil Judge dated 14.5.1997. The conditional permission to construct by the interim order dated 24.5.1997 passed by the Hon'ble High Court would not satisfy the requirement of the clear ownership and possession of 25 acres of land as required by the statutory regulations of the council. Further, in the event of failure of the college management to obtain the renewals u/s 10A of the IMC Act would also, as per the conditional order of the Hon'ble High Court, render the constructions liable for demolition.

It is further to be seen that even earlier, this college had applied for permission u/s 10A of the Act. It admitted students without obtaining the permission of the Central Govt. u/s 10A of the Act, on the recommendations of the MCI. It claimed the benefit of deemed permission. Students were admitted. Subsequently, the Hon'ble Supreme Court. (UOI & Ors. Vs. All India Children Care & Educational Development Society, Azamgarh & Anr.-(2002) 3 SCC 649). The students who were admitted pursuant to the orders of the Hon'ble Supreme Court were then required to be adjusted in other medical colleges (Asheesh Pratap Singh & Ors. Vs. UOI & Ors.-(2002)4 SCC 216).

As such, in my opinion, with such disputed documents on ownership of the land in question, it would not be advisable for the Council to entertain this application u/s 10A of the Act till documents establishing clear title/ownership and possession with regard to 25 acres of contiguous piece of land are furnished by the applicant, as required by the statutory regulations of the Council.”

In view of above, and Govt. of India letter dt. 15.3.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and since, the applicant has failed to fulfill the mandatory and statutory requirement of the clear ownership and possession of 25 acres of land as laid down in the Establishment of Medical College Regulations, 1999, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the

Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Azamgarh by All India Children Care and Educational Development Society, Azamgarh received u/s 10A of the IMC Act, 1956.

52. Establishment of new medical college at Delhi Cantt. by Army Welfare Educational Society, New Delhi.

Read : The application for establishment of new medical college at Delhi Cantt. by Army Welfare Educational Society, New Delhi along with the compliance received through the Central Govt. vide letter dt. 20th April, 2005.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the application for establishment of new medical college at Delhi Cantt, by Army Welfare Educational Society, New Delhi alongwith the compliance submitted by the applicant Society and noted the following:-

- A. Land : Vide letter dt. 13/05/2004, Ministry of Defence has allotted land of 25.559 acres to the Society for establishment of medical college. The lease is for a period of 30 years. In the letter it is stated that the renewal of lease after a period of 30 years upto 99 years shall be considered on appropriate terms and conditions with the approval of competent authority. Thus clear cut approval has not been given for renewal of lease for 99 years.
- B. Affiliated Hospital : In this regard a MoU has been submitted wherein it is stated that AWES will have all academic and administrative control related to teaching in both Army Hospital and Base Hospital of Delhi Cantt. Under the overall administrative control of the Chief of Army Staff. Clause 4 of the MoU permits alteration or modification on mutual discussions. This MoU does not meet with the Qualifying Criteria No. 5 prescribed in the Regulations for Establishment of New Medical College in which the ownership and the management of the hospital affiliated to the medical college has to be with the applicant.

It has been submitted that the Commandant Base Hospital and the Medical College are under the Indian Army and the Commandant of the Base Hospital will also be the Dean of the Medical College. The DGAFMS will be overall responsible for the proposed undergraduate MBBS curriculum and be a member of the Governing Body of the medical college. The Adjutant General will have total operational control of all Army Hospitals including Army Base and R & R Hospital as well as the proposed medical college. Since both DGAFMS and Adjutant General are signatories to this application, this may be considered as a total and unified control of teaching college over the hospital. It is further submitted tha the AWES is fully owned, controlled and funded by the Adjutant General of the Indian Army.

- C. Consent of Affiliation : - Guru Gobind Singh University has issued consent of affiliation in Form – 3 vide its letter dt. 12/04/2005. It may be noted that this univeristy does not have its own medical faculty and the orders dated 12/04/2005 issued by Guru Gobind Singh University do not indicate constitution/creation of medical faculty of the university itself.”

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the application for Establishment of new medical college at Delhi Cantt. by Army Welfare Educational Society, New Delhi. to the Central Govt.

53. Establishment of new medical college at Bhubaneswar by Kalinga Institute of Industrial Technology, Bhubaneswar.

Read : The application for establishment of new medical college at Bhubaneswar by Kalinga Institute of Industrial Technology, Bhubaneswar.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee considered the application for Establishment of new medical college at Bhubaneswar by Kalinga Institute of Industrial Technology, Bhubaneswar and noted that no reply has been received from the Dist. Magistrate and Orissa Industrial Infrastructural Corporation with regard to the lease deeds of the land as required to process the application. Thus, the applicant trust has failed to establish that it owns and possesses a unitary plot of land of 25 Acres. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and further, as the applicant trust has failed to fulfill the mandatory and statutory pre-conditions of owning and possessing unitary plot of 25 Acres as laid down in the Establishment of Medical College Regulations, 1999, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to return the application to the Central Govt. recommending disapproval of the Scheme for establishment of a medical college at Bhubaneswar by Kalinga Instt. of Industrial Technology, Bhubaneswar.

54. Establishment of New Medical College at Palakkad, Kerala state by Safe Development Alms Trust.

Read : The request of the medical college at Palakkad to conduct the inspection in the end of June, 2005 after the last date i.e. 15th June prescribed in the regulations for sending the recommendations of the MCI to the Central Govt. for grant of LOP.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the applicant trust has requested to postpone the inspections to the end of 15th June. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to return the application to the Central Govt. recommending disapproval of the Scheme for establishment of a medical college at Palakad, Kerala state by Safe Development Alms Trust received u/s 10A of the IMC Act.

55. Mahatama Gandhi Mission's Medical College, Navi Mumbai – Increase of seats in 1st MBBS course from 100 to 150.

Read : The request of the Dean, Mahatama Gandhi Mission's Medical College, Navi Mumbai to postpone the inspection by few months for increase of seats at the college.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the applicant trust has requested to postpone the inspections to the end of 15th June. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to return the application to the Central Govt. recommending to disapprove the increase of seats in 1st MBBS course from 100 to 150 at Mahatma Gandhi Mission's Medical college, Navi Mumbai received u/s 10A of the IMC Act.

56. Mahatama Gandhi Mission's Medical College, Aurangabad – Increase of seats in 1st MBBS course from 100 to 150.

Read : The request of the Dean, Mahatama Gandhi Mission's Medical College, Aurangabad to postpone the inspection for increase of seats at the college.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the applicant trust has requested to postpone the inspections to the end of 15th June. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to return the application to the Central Govt. recommending to disapprove the increase of seats in 1st MBBS course from 100 to 150 at Mahatma Gandhi Mission's Medical college, Aurangabad received u/s 10A of the IMC Act.

57. Govt. Mohan Kumaramangalam Medical College, Salem – Increase of seats in 1st MBBS course from 75 to 150.

Read : The request of the Govt. Mohan Kumaramangalam Medical College, Salem to conduct the inspection in the end of June, 2005 after the last date i.e. 15th June prescribed in the regulations for sending the recommendations of the MCI to the Central Govt. for grant of LOP.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the applicant trust has requested to postpone the inspections to the end of 15th June. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to return the application to the Central Govt. recommending to disapprove the increase of seats in 1st MBBS course from 75 to 150 at Govt. Mohan Kumaramangalam Medical college, Salem received u/s 10A of the IMC Act.

58. Kilpauk Medical College, Chennai – Increase of seats in 1st MBBS course from 100 to 150.

Read : The request of the Kilpauk Medical College, Chennai to conduct the inspection in the end of June, 2005 after the last date i.e. 15th June prescribed in the regulations for sending the recommendations of the MCI to the Central Govt. for grant of LOP.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the applicant trust has requested to postpone the inspections to the end of 15th June. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to return the application to the Central Govt. recommending to disapprove the scheme for increase of MBBS seats from 75 to 150 at Kilpauk Medical college, Chennai received u/s 10A of the IMC Act.

59. Establishment of new medical college at Kalitheerthalkuppam, Pondicherry by Sri Manakula Vinayagar Educational Trust, Madagadipet, Pondicherry – Grant of Letter of Permission.

Read : The Council Inspectors report (01st & 02nd June, 2005) for grant of letter of permission for establishment of new medical college at Kalitheerthalkuppam, Pondicherry by Sri Manakula Vinayagar Educational Trust, Madagadipet, Pondicherry.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 1st – 2nd June, 2005 and noted the following:-

1. The shortage of teaching staff is as under:-
 - (a) The following teaching staff members are not available:
 - i) Assistant Professor - 2 (Anatomy 1, Lecturer in Biophysics 1)
 - ii) Tutor – 4 (Radiology – 1, Anaesthesia –3)
 - (b) The following residents are not available:
 - i) Sr. Resident: 10 (Medicine 2, Paediatrics 1, ENT 1, OBG 2, Surgery 2)
 - (c) The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that in relation to certain Declaration Forms submitted on behalf of the Medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the experience certificates submitted by them are forged as shown below:

#	Name	Designation	Department	Remarks
1	Dr. K. Venkaiah	Asso. Prof.	Pathology	In declaration form, he has shown experience at Devraj Urs Medical College, Kollar as Asst. Prof. from 05/08/1996-18/11/2001 and at Narayana Medical College, Nellore as Asso. Prof. from 22/11/2001 – 10/02/2003. Both Devraj Urs Medical College and Narayana Medical College have stated that he has never worked in their colleges. Thus the experience certificates submitted by him are forged and that experience cannot be considered. He is not eligible to be considered as Assoc. Prof.
2.	Dr. R. Gopal	Professor	Micro-biology	In declaration form, he has shown experience at Vinayaka Mission's Medical College at Salem as Asstt. Professor from 1989 to 1993. Vinayaka Mission's Medical College has stated that the college has started only in the year 1995-96. Therefore the question of Dr. R. Gopal working as Asstt. Professor in Microbiology during the period of 1989-93 does not arise. Thus, the experience certificates submitted by him are forged and that experience cannot be considered. He is not eligible to be considered as Assoc. Prof.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that submission of

absolutely fabricated and false documents to the MCI appears to be an attempt to mislead the Council in discharge of its statutory responsibilities.

(d) The following faculty cannot be considered as per the reasons shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. Naveen Nair	Orthopaedics	Asso. Prof.	He possesses experience of 3 years 11 months only as Asst. Prof. as shown in the declaration form. He is not eligible to be considered as Asso. Professor as he does not possess 5 yrs. experience as Asst. Prof. as required under the Regulations.
2	Dr. S.B. Ahmed	Dentistry	Asst. Prof.	He possesses experience of 1 y 6 m only as Tutor as shown in the declaration form. He is not eligible to be considered as Asst. Professor as he does not possess 3 yrs. experience as Tutor as required under the Regulations.
3	Dr. M. Jayshree	Obst. & Gynaec.	Asst. Prof.	She does not possess requisite academic qualification for the post as required as per regulations. She possesses experience of 1 yr. 4 m only as Tutor as shown in the declaration form. She is not eligible to be considered as Asst. Professor as per Regulations.
4	Dr. R.K. Kaushal	Anatomy	Asst. Prof.	He possesses experience of 1 y only as Tutor as shown in the declaration form. He is not eligible to be considered as Asst. Professor as he does not possess 3 yrs. experience as Tutor as required under the Regulations.
5	Dr. P. Swaminathan	Orthopaedics	Tutor / Sr. Resident	He possesses nil experience in the department as shown in the declaration form. He is not eligible to be considered as Sr. Resident as he does not possess 3 yrs as Resident experience in the department as required under the Regulations.
6	Dr. V.R. Kumar	Surgery	Tutor / Sr. Resident	He possesses nil experience in the department as shown in the declaration form. He is not eligible to be considered as Sr. Resident as he does not possess 3 yrs experience in the department as Resident as required under the Regulations.
7	Dr. Sudha K.	Surgery	Tutor / Sr. Resident	She possesses nil experience in the department as shown in the declaration form. She is not eligible to be considered as Sr. Resident as she does not possess 3 yrs. experience in the department Sr. Resident as required under the Regulations.

8	Dr. S. Senthil Kumar	Surgery	Tutor / Sr. Resident	He possesses nil experience in the department as shown in the declaration form. He is not eligible to be considered as Sr. Resident as he does not possess 3 yrs. experience in the department Sr. Resident as required under the Regulations.
9	Dr. N. Parankousham	Ophthalmology	Tutor / Sr. Resident	He possesses nil experience in the department as shown in the declaration form. He is not eligible to be considered as Sr. Resident as he does not possess 3 y experience in the department Sr. Resident as required under the Regulations.
10	Dr. Gulshan Ara	Obst. & Gynaec.	Tutor / Sr. Resident	She possesses nil experience in the department as shown in the declaration form. She is not eligible to be considered as Sr. Resident as she does not possess 3 yrs. experience in the department Sr. Resident as required under the Regulations.
11	Dr. Anwar Deen M	ENT	Tutor / Sr. Resident	He possesses nil experience in the department as shown in the declaration form. He is not eligible to be considered as Sr. Resident as he does not possess 3 yrs. experience in the department Sr. Resident as required under the Regulations.
12	Dr. R. Saravana Raja	Paediatrics	Tutor / Sr. Resident	He possesses nil experience in the department as shown in the declaration form. He is not eligible to be considered as Sr. Resident as he does not possess 3 yr. experience in the department Sr. Resident as required under the Regulations.

(e) The following faculty cannot be considered for the reason shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. S.C. Purushothaman	Professor	Anatomy	Debarred by MCI for being considered as a teacher till 2007.

(f) In view of above, the deficiency of teaching faculty is more than 10 % and of Residents is more than 20 %.

- The number of operations performed & of Radiological investigations is not commensurate with the number of indoor and outdoor patients claimed by the

college. The clinical material is inadequate in terms of operative workload, number of deliveries and X-ray investigations as under:-

	Daily Average		Day of Inspection	
Operative work				
Number of major surgical operations	6		5	
Number of minor surgical operations	9		8	
Number of normal deliveries	-		1	
Number of caesarian Sections	-		-	
<u>Radiological Investigations</u>	O.P.	I.P.	O.P.	I.P.
X-ray	32	9	50	7
Ultrasonography	-	-	-	-
Special Investigations	-	-	-	-
C.T. Scan	-	-	-	-

- (i) Number of investigations done by the various laboratories and the radiological work load do not correspond with the OPD registers.
 - (ii) Anesthesia register shows approximately two patients being operated, which is not agreement with the operative data given by the Dean. The Superintendent of the Hospital was asked to supply the Xerox copies of Anaesthesia Register which were not supplied till the inspection team left.
 - (iii) Many patients admitted in the wards were of not much clinical importance. This is also be substantiated by lower number of inpatient laboratory investigations seen and noted.
 - (iv) The labour room services have stated one month back and in this duration of month, only 5 deliveries were conducted.
3. Common room for boys and girls are non functional. Only space is available for girls' common room. Common room for boys is also not yet furnished. It does not have toilet facility.
 4. In Library, Medlar facilities are not available.
 5. In Central Photography cum-audio-visual unit, only a digital camera is available.
 6. Central workshop is non-functional. Only space is available.
 7. Total accommodation available for students is only 57 which is grossly inadequate. In boys' hostel, which is under construction, only the ground floor is ready. It has five rooms of double seated capacity. Total number of students can be accommodated on the ground floor is 10. These rooms are only partially furnished. The rooms have cots and tables. Some of the rooms do not have required tables. There are no chairs and cupboards. The first floor has 5 double seated rooms (Capacity 10) and other five rooms are triple seated rooms (Capacity 15). Total capacity of the first floor is 25. The rooms are not yet furnished. The construction of the rooms on the second floor is in progress. In girls' hostel, the ground floor rooms are ready. There are 11 double seated rooms. They are only partially furnished. Only cots and 1-2 tables are provided. Chairs are not provided. There are no mattresses and cupboards in the room first floor where there are 14 double seated rooms. The toilets are not ready. There is no electric supply. These rooms are non-functional.
 8. There is no separate hostel for Residents. Male Residents are accommodated on the fourth floor of the hospital twelve double seated rooms are available. Total accommodation is for 24. Female Residents are accommodated on the third floor of the hospital where 15 double seated rooms are available. Total accommodation is for 30. They are only partially furnished as only cots and mattress are provided. There are no wardens' room, visitors' room, recreation room, etc.
 9. There is no separate Nurses' hostel. They are accommodated on the second floor of the hospital there are 15 double seated rooms. Total accommodation is for 30. They are only partially furnished. Only cots and mattress are provided. There is no warden's room, visitors' room or recreation room etc.
 10. In OPD teaching areas, teaching facilities like blackboard, X-ray View box, patient couch, etc. are not provided. Only chairs are provided. In Audiometry room, air-conditioning is not provided in patients chamber.

11. In Surgery ward, patients of other specialities are also kept as per convenience. There is no Speciality wise distribution of beds in surgery. Patients of TB & Chest, Skin & VD and Psychiatry are usually are not admitted, but if admitted at all, there are admitted in medicine ward.
12. Clinical laboratories: Duty roster of doctor was not available.
13. ICCU & ICU (Medical and Surgical) are not operational.
14. In Radio diagnosis department, doctors work without the TLC badges which is not as per norms.
15. RHTC is in a rented building. Only the facilities for daily OPD, injection room, dressing room and laboratory for routine investigation are available. There are no training or teaching facilities available.
16. UHC – It is in a rented building.
17. Other deficiencies/remarks are in the report.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, were clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigation in all such cases. It was also observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided to take appropriate action be taken against these Doctors in accordance with Professional Conduct (Etiquette and Ethics) Regulations 2002.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Kalitheerthalkuppam, Pondicherry by Sri Manakula Vinayagar Educational Trust, Madagadipet, Pondicherry received u/s 10A of the IMC Act, 1956.

60. Establishment of new medical college at Bhanpur, Bhopal by Sarvajanik Jankalyan Parmarthik Nyas – Grant of Letter of Permission.

Read : The compliance verification inspection report (06th June, 2005) for grant of letter of permission for establishment of new medical college at Bhanpur, Bhopal by Sarvajanik Jankalyan Parmarthik Nyas.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 06th June, 2005 and decided to recommend to the Central Govt. to issue letter of permission for establishment of new medical college at Bhopal by Sarvajanik Jankalyan Parmarthik Nyas u/s. 10(A) of the IMC Act, 1956 with an annual intake of 150 MBBS students for the academic session 2005-06.

61. Sri Aurobindo Institute of Medical Sciences, Indore – Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006.

Read : The Council Inspectors report (09th & 10th May, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at Sri Aurobindo Institute of Medical Sciences, Indore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 9th – 10th May, 2005 and noted the following:-

1. The shortage of teaching staff required at present stage is as under:-

(a) The following faculty are not available:

(i) Professor : 2 (1 Forensic Medicine, 1 Anaesthesia)

(ii) Associate Professor : 03 (1 Pathology, 1 Microbiology, 1 Paediatrics)

(b) The Following faculty member cannot be considered as teaching staff due to reasons shown against their names.

#	Name	Designation	Department	Remarks
1	Dr. Manjula Sharma	Professor	Anatomy	She has applied for voluntary retirement from M.P. Govt. service. Relieving order not provided. She has also presented for inspection at M.G.M. Medical College, Indore during academic year 2005-06 on 05/03/2005.
2	Dr. R.K. Jha	Asso. Prof.	Forensic Medicine	In declaration form, he has shown experience at Katihar Medical College from 08.08.1996 – 10.02.2002 as Asst. Professor & from 11.02.2002 onwards as Asso. Professor. Katihar Medical College has stated that he is still on the payroll of that college and he has applied for 6 mths.' study leave to go abroad. He cannot be considered as staff of this college.
3	Dr. Ratna Thakur	Professor	Obst. & Gynaec.	She has applied for voluntary retirement from M.P. Govt. service. Relieving order not provided. She has also presented for inspection at M.G.M. Medical College, Indore during academic year 2005-06 on 05/03/2005.
4	Dr. K.S. Saluja	Asso. Prof.	Community Medicine	Details of experience in Army not given in declaration form. He does not possess 5 yrs.' experience as Asst. Prof. as shown in the declaration form. He is not eligible as Asso. Prof.
5	Dr. Shirish N.	Professor	Pathology	He possesses experience of only 3 y 2 m as Asso. Prof. He is not eligible as Professor as he does not have 4 yrs. experience as Asso. Professor as required under the norms.
6	Dr. Ravi Sauhta	Asso. Prof.	Orthopaedics	He has experience of only 3 y 4 m as Asst. professor in recognized medical college. His experience as Asst. Prof. in this college can only be considered from the date of LOP – i.e. July 2004. Thus he has total experience as Asst. Prof. of only 4 y 2 m. He is not eligible to be considered as Asso. Prof. as he

				does not have requisite experience of 5 y as Asst. Prof..
7	Dr. Pravir Bodkha	Professor	Forensic Medicine	His promotion as Asso. Prof. is irregular as he has only 2 yrs. experience as Asst. Prof. His experience in BPKIHS, Dharan before the date of recognition – i.e. 14/06/2000 cannot be considered. His total teaching experience after P.G. degree in recognized / permitted college is only 7 y 5 m. He is not eligible to be considered as Professor.
8	Dr. M.M. Belani	Asso. Prof.	Radiodiagnosis	His experience is part time / honorary capacity which cannot be considered. He is not eligible to be considered as Asso. Prof.
9	Dr. Satish Motiwale	Asst. Prof.	Medicine	He has M.D. in Tb & Chest. He cannot be considered eligible in Medicine as he does not possess requisite P.G. qualification as required under norms.
10	Dr. Mamta Jajoo	Sr. Resident	Paediatrics	She possesses experience of only 1 y 6 m in the department as shown in declaration form. She is not eligible as she does not have 3 yrs.' experience in the department.
11	Dr. P. S. Raghunath	Sr. Resident	Orthopaedics	He possesses experience of only 2 y 3 m in the department as shown in declaration form. He is not eligible as he does not have 3 yrs.' experience in the department.
12	Dr. Manish Agarwal	Sr. Resident	Orthopaedics	He possesses experience of only 1 y 10 m in the department as shown in declaration form. He is not eligible as he does not have 3 yrs.' experience in the department.
13	Dr. Kamlesh Mittal	Sr. Resident	Anaesthesia	He possesses experience of only 2 y in the department as shown in declaration form. He is not eligible as he does not have 3 yrs.' experience in the department.

(c) The following faculty cannot be considered as they have presented themselves for inspection at the medical colleges during academic year 2005-2006:-

#	Name	Department	Designation	Remarks
1.	Dr. A. K. Singh	Forensic Medicine	Asstt. Prof.	He has presented for inspection at Shri Ram Murti Smarak Instt. of Med. Sciences, Bareilly on 15.04.2005.
2.	Dr. Jyoti Sinha	OBG	Asso. Prof.	She has presented for inspection at Santosh Medical College, Gaziabad on 21.03.2005.
3.	Dr. V. J. Rajput	Paediatrics	Professor	He has presented for inspection

				at MGM Medical College, Indore on 04.03.2005.
4.	Dr. Nandkishor Singh	Psychiatry	Professor	He has presented for inspection at Santosh Medical College, Gaziabad on 21.03.2005.

(d) In view of above, the shortage of faculty is more than 10 %. The deficiency of residents is more than 5%.

2. Only dormitory type accommodation is available for 50 nurses which is inadequate.
3. Separate accommodation for Residents is not available.
4. No diagnosis is written in OPD register of various departments.
5. Clinical Material is inadequate in terms of operative work, X-ray investigations as under:

	Daily Average	Day of Inspection 09/05/05
OPD attendance	575	521
Operative work		
Number of major surgical operations	10	5
Number of minor surgical operations	8	6
Number of normal deliveries	2	1
Number of caesarian sections	2	2
Radiological Investigations		
X-ray	55	10
Ultrasonography	60	8
Special Investigations	2	1
CT Scan	0	1

6. Only 4 operation theatres are available against the requirement of 5 O.T.s at this stage.
7. In Pharmacology department, medicinal plants and laminated charts are not available in the museum.
8. In Microbiology department, the museum has nil specimens.
9. In Forensic Medicine department, the museum has nil unmounted specimens. Currently, no post mortems are conducted in the mortuary.
10. Departmental libraries of TB & Chest, Skin & V.D., Psychiatry, Oto-Rhino-Laryngology and Anaesthesia departments do not have adequate number of books.
11. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 2nd batch of MBBS students for the academic session 2005-06 at Sri Aurobindo Institute of Medical Sciences, Indore.

62. Vydehi Instt. Medical Sciences & Research Centre, Bangalore – Renewal of permission for admission of 4th batch of students for the academic session 2005-06.

Read : The compliance verification inspection report (18th & 19th May, 2005) for renewal of permission for admission of 4th batch of MBBS students for the academic session 2005-2006 at Vydehi Instt. Medical Sciences & Research Centre, Bangalore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report 18th & 19th May, 2005 and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 MBBS students for the academic session 2005-06 at Vydehi Instt. of Medical Sciences & Research Centre, Bangalore.

63. Govt. Medical College, Kota – Increase of seats in 1st MBBS course from 50 to 100.

Read : The compliance verification inspection report (06th & 07th June, 2005) for increase of MBBS seats from 50 to 100 at Govt. Medical College, Kota.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's Report 25-26 May 2005 and noted the following:-

1. The shortage of teaching staff is as under:-
 - (a) Faculty: 19.16 %
 - i) Professor : 3(1-Forensic Medicine, 1-PSM, 1-Tb & Chest)
 - ii) Associate Professor: 4 (1 Physiology, 1 Paediatrics, 1 Orthopaedics, 1 Eye)
 - iii) Assistant Professor: 8 (2 Anatomy, 2 Physiology, 1 Pharmacology, 2 PSM, 1 Ophthalmology)
 - iv) Tutor: 8 (1 Physiology, 2 Pharmacology, 5 PSM)
 - (b) Resident: 17.33%
 - i) Jr. Resident: 13 (Skin & V.D. –3, General Surgery-4, Obst. & Gynaec. –6)
2. Number of laboratory investigations is not commensurate with the number of outdoor and indoor patients attending the hospital. Laboratory investigations are inadequate as under:

	Daily Average		Day of Inspection	
Laboratory Investigation				
Biochemistry	154	69	160	88
Microbiology	04	10	10	21
Serology	21	10	25	20
Parasitology	52	36	65	20
Haematology	59	34	70	60
Histopathology	13	05	25	21
Cytopathology	07	06	17	02
Others	29	40	21	42

3. In the hospital, each ward is not provided with doctor's and nurse's duty room.
4. There is a combined ICU with 8 beds only.
5. Teaching areas are not available in all the wards for each department.
6. Central Oxygen and central suction is not available in O.T.s.
7. Only 75 Journals are available against the requirement of 100.
8. PSM museum still needs to be upgraded.
9. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government to disapprove the scheme for increase of seats in 1st MBBS course from 50 to 100 at Govt. Medical College, Kota received under Section 10A of the IMC Act, 1956.

64. S.V. Medical College, Tirupati – Renewal of permission for admission of 5th batch against the increased intake i.e. 100 to 150 for the academic year 2005-06.

Read : The Council Inspectors report (07th & 08th June, 2005) for renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006 against the increased intake i.e. 100-150 at S.V. Medical College, Tirupati.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's Report dated 7-8 June 2005 alongwith letter dt. 15.07.2004 from Joint Secretary, Govt. of India and decided to recommend to the Central Government to renew the permission for admission of 5th batch of MBBS students against the increased intake i.e. 100 to 150 students for the academic session 2005-06 at S.V. Medical College, Tirupati.

65. Recognition of MBBS and Post Graduate courses awarded by King George's Medical University, Lucknow in the first schedule of IMC Act, 1956.

Read : The request of the Registrar, King George's Medical University, Lucknow received through the Central Govt. u/s. 11(2) of the IMC Act, 1956 for recognition of MBBS and Post Graduate courses awarded by the University, being change of name of the University.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Central Govt.'s letter dated 18th May, 2005 forwarding the request of Registrar, King George's Medical University, Lucknow u/s 11(2) of the I.M.C. Act, 1956 for recognition of MBBS and Postgraduate courses under King George's Medical University, Lucknow being change of name of University from Chhatrapati Shahuji Maharaj Medical University, Lucknow.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council in view of the decision taken by the Executive Committee at its meeting held in June, 1988 viz "No inspection is required where there is change of name and change of affiliation of the University or the college whose medical qualifications are already recognised and included in the 1st Schedule to the I.M.C. Act, 1956 unless the Executive Committee decides otherwise" decided to recommend that M.B.B.S. and following postgraduate courses be recognised and included in the first schedule to the I.M.C. Act, 1956 under King George's Medical University, Lucknow being change of name of University from Chhatrapati Shahuji Maharaj Medical University, Lucknow:-

1.	Bachelor of Medicine and Bachelor of Surgery	M.B.B.S.

28.	Doctor of Medicine (Radiology)	M.D.(Radio.)
29.	Doctor of Medicine (Anaesthesiology)	M.D.(Anaes.)
30.	Master of Surgery (Plastic Surgery)	M.S.(Pl.Surg.)
31.	Master of Surgery (Plastic Surgery)	M.Ch.(Pl.Surg.)
32.	Doctor of Medicine (Paediatrics)	M.D.(Paed.)
33.	Doctor of Medicine (Psychiatry)	M.D.(Psy.)
34.	Master of Surgery (Neuro-Surgery)	M.Ch.(Neuro-Surg.)
35.	Doctor of Medicine (Cardiology)	D.M.(Cardio.)
36.	Doctor of Medicine (Radio-therapy)	M.D.(Rad. Therapy)
37.	Doctor of Medicine (Neurology)	D.M.(Neuro.)

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to place the matter before the General Body of the Council.

66. Excess admissions made by the Deccan College of Medical Sciences, Hyderabad for the academic session 2004-05.

Read : The matter with regard to excess admissions made by the Deccan College of Medical Sciences, Hyderabad for the academic session 2004-05 and letter of Govt. of Andhra Pradesh dated 06.05.2005.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the matter and decided to approve the neutralisation formula as decided by the State Govt. vide its order GO No. Ms. 150, HM & FW (E1) Dept., dated 06.05.2005 and approved the admission list of students submitted by the college for the academic year 2004-05.

It was further decided that the State Govt. and the admitting authority i.e. NTR University of Medical Sciences, Vijayawada be requested for strict implementation of neutralisation formula for the academic year 2005-06 so that the number of admissions at this institute be reduced by 13 excess seats.

67. Clarification as requested by Mr. Yadav (F.No. 91/2005).

Read : The queries of Mr. S.K. Yadav, D.G.C. (Criminal) Kanpur along with recommendations of the Ethics Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council perused the queries of Mr. S.K. Yadav, D.G.C. (Criminal) Kanpur and decided to approve the following decision of the Ethics Committee dated 19th & 20th May, 2005:-

"The Ethics Committee considered the queries forwarded by Mr. S.K. Yadav, DGC (Criminal), Kanpur Nagar and decided to reply as follows:-

Q.No.1:What is meant by a qualified Psychiatrist – A Doctor holding a MCI recognized Post Graduate degree or diploma in psychiatry or any other Doctor.

Ans: A Doctor holding a recognized Post Graduate degree or diploma in psychiatry should be a qualified Psychiatrist.

Q.No.2:Can a Doctor seeing psychiatric patients for long times be called as psychiatrist who does not have any degree or diploma in psychiatric postgraduate.

Ans: No.

Q.No.3:Can a medical officer not holding a qualification in psychiatry can run psychiatric OPD in a medical college recognized by MCI.

Ans: No.”

68. Clarification as requested by Dr. A.K. Sinha.

Read : The queries of Dr. A.K. Sinha, Sir Ganga Ram Hospital, New Delhi along with the recommendations of the Ethics Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council after due deliberations in the matter decided to form a Sub-Committee consisting of following members to go through the matter and submitting the report to the Executive Committee:-

1. Dr. D.K. Sharma
2. Dr. Indrajit Ray

69. Undertaking given by a medical teacher for working in more than one medical college – Action to be taken in view of Code of Medical Ethics.

Read : The matter with regard to undertaking given by a medical teacher for working in more than one medical college along with the recommendations of the Ethics Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the matter and decided to approve the following decision of the Ethics Committee dated 1st & 2nd April,2005:-

“Statement of Dr. R. Rahim Ahmed

I, Dr. R. Rahim Ahmed did my MBBS from Govt. Stanley Medical College, Chennai, in the year 1967, I did my MS (Anatomy) in the year 1990 from Madras Medical College, Madras. My registration No. 19483 of Tamil Nadu Medical Council, Chennai. My date of birth is 25.10.1945.

I was physically present at Balaji Medical College, Chennai on 15.09.2003 where I have submitted Declaration Form and signed the same and I was not working at time of first MCI inspection Balaji Medical College, Chennai. In Balaji Medical College, Chennai I was present only for MCI inspection.

I joined Balaji Medical College, Chennai on 24.01.2004 before 24 July, 2004 I am working in Balaji Medical College, Chennai and I am taking monthly salary.

On 17.09.2003 I was physically present in the MCI inspection in Alluri Sitaram Raju Medical College, Elluru and have given my signed declaration form during the MCI inspection. I have never worked at Alluri Sitaram Raju Medical College, Elluru A.P.

Though, I was physically present during the MCI inspection on 15.9.2003 and 17.09.2003 at Balaji Medical College, Chennai and Alluri Sitaram Raju Medical College, Elluru

respectively neither of the places I was working and I never got any remuneration. They gave me assurance for job at that point of time, I did not decide where to join Balaji Medical College, Chennai or Alluri Sitaram Raju Medical College, Elluru. Later on I joined, Balaji Medical College, Chennai on 24.01.2004 due to family circumstances.

I have unknowingly done this mistake inadvertently. It will not be repeated again and there was no financial transaction involved in this. I request I may be forgiven for my presence at Alluri Sitaram Raju Medical College, Elluru the only college where I went only with interest to join there. Rest of the thing I have explained in my explanation letter, which I have submitted to the Ethics Committee on 01.04.2005.
Thanking you

(Dr. R. Rahim Ahmed)

After deliberation on the Oral Statement as well as scrutiny of the relevant papers and documents, it was found that Dr. R. Rahim Ahmed has committed professional misconduct as per Sections 1.1.1, 1.1.2 and 8.1 of the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations 2002 as amended from time to time so far as the following sections are concerned :-

- Section 1.1.1. A Physician shall uphold the dignity and honour of his profession.*
- Section 1.1.2. The prime object of the medical profession is to render service to humanity; reward or financial gain is a subordinate consideration. Who- so-ever chooses his profession, assumes the obligation to conduct himself in accordance with its ideals. A physician should be an upright man, instructed in the art of healings. He shall keep himself pure in character and be diligent in caring for the sick; he should be modest, sober, patient, prompt in discharging his duty without anxiety; conducting himself with propriety in his profession and in all the actions of his life.*

“Section 8.1 - PUNISHMENT AND DISCIPLINARY ACTION

“It must be clearly understood that the instances of offences and of Professional misconduct which are given above do not constitute and are not intended to constitute a complete list of the infamous acts which calls for disciplinary action, and that by issuing this notice the Medical Council of India and or State Medical Councils are in no way precluded from considering and dealing with any other form of professional misconduct on the part of a registered practitioner. Circumstances may and do arise from time to time in relation to which there may occur questions of professional misconduct which do not come within any of these categories. Every care should be taken that the code is not violated in letter or spirit. In such instances as in all others, the Medical Council of India and/or State Medical Councils has to consider and decide upon the facts brought before the Medical Council of India and/or State Medical Councils.”

In view of above, the Ethics Committee unanimously recommends that his name may be erased for a period of 2 years from the Indian Medical Register.”

The Committee decided to place the above recommendation of the Ethic Committee before the General Body of the Council for approval.”

70. Modalities of the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulation, 2002 approved by the General Body of the Council.

Read : The matter with regard to modalities of the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulation, 2002 approved by the General Body of the Council along with the recommendations of the Ethics Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council deliberated upon the matter and decided to form a Sub-Committee consisting of the following members to look into the matter and the recommendations thus made be placed before the Executive Committee and the General Body of the Council:-

1. Dr. Indrajit Ray
2. Dr. K.P. Mathur
3. Dr. G.B. Gupta

71. Complaint against Dr. Sheetal K. Bandhi and other doctors as alleged by Mr. Raj Kumar Sugandhi.

Read : The complaint against Dr. Sheetal K. Bandhi and other doctors as alleged by Mr. Raj Kumar Sugandhi along with the recommendations of the Ethics Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the following :-

“The Ethics Committee perused the records of the case and disposition of all the three doctors – 1. Dr.S.K. Bandi-Surgeon, 2.Dr.Ashok Kasat-Anaesthetist, and 3. Dr. M.Jain, who looks after the surgical administration of the hospital.

The Ethics Committee also noted that the Hon'ble High Court of Madhya Pradesh has directed MCI to take necessary action for misconduct of the above doctors.

The Ethics Committee noted that the charges of medical negligence has been upheld by Hon'ble High Court in case of Dr. S.K. Bandi.

The Ethics Committee noted that Dr. Sheetal Bandi is a Paediatric Surgeon and at the relevant time was employed in Government M. Y. Hospital, Indore. Dr. Ashok Kasath is a Private Anaesthetist. Dr. Mukesh Jain was the Incharge of a private hospital namely, Noble Hospital, situated at Indore. On 8/10/1993, around 9.00 O'Clock in the morning, a child Sumit Jain aged about two years was to be operated by Dr. Sheetal Bandi for Hernia in the said Noble Hospital. However, by mistake another child Rishi Tinku of the same age, who had come to the Hospital along with his father Rajkumar Sugandhi in connection with the DNC operation of his mother, was taken by the Hospital Staff to the Operation Theatre. He was administered Anaesthesia by Dr. Ashok Kasath. Dr. Sheetal Bandi started surgical procedure on the child when it was reported that he is not the child to be operated upon by Dr. Bandi. On realising the mistake, the cut given to child Rishi was stitched and he was discharged after necessary treatment.

The operating Doctor was under a bounden duty to first ascertain and be hundred per cent sure about the identity of his patient before using knife on him. Operating a wrong person in the opinion of the Ethics Committee was an act of negligence per se and a clear proof of breach of duty on his part. Needless to say that a little care before embarking on surgical procedure would have avoided the incident. Obviously, no such care was

taken either by Dr. Kasath, Anaesthetist or by the operating Doctor which thus led to that unfortunate incident.

After detailed deliberation and examination of the relevant documents the Ethics Committee was of the unanimous opinion that Dr.S.K. Bandi, Surgeon has started operation on a wrong patient namely the s/o Mr.Raj Kumar Sugandhi and therefore he can be held guilty of misconduct which is clear from the records and judgement of Hon'ble High Court. Therefore the Ethics Committee unanimously recommends that his name may be removed from IMR for a period of one year.

The Ethics Committee was of the unanimous opinion that Dr.A. Kasath-Anaesthetists, cannot be exonerated from the charge of medical misconduct for his failure to identify a patient to whom he had administered Anaesthesia. Hence it recommends that his name may be removed from IMR for a period of one year.

The Ethics Committee is of the unanimous opinion that charge of medical misconduct could not be substantiated against Dr.M.Jain though there is grounds to believe that there is gross administrative failure on part of Dr.M.Jain who looks after the surgical side of administration of the hospital. Hence it has decided to administer a caution to Dr.M.Jain to be vigilant against each administrative lapses resulting in unfortunate and avoidable suffering of patients and public."

The members of the Adhoc Committee appointed by the Hon'be Supreme Court and of the Executive Committee of the Council decided to approve the above recommendations of the Ethics Committee dated 1-2 April 2005.

72. Pre – natal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994. (F.No. 80/2004).

Read : The matter with regard to Pre – natal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994. (F.No. 80/2004) along with the recommendations of the Ethics Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the decision of the Ethics Committee dated 19th & 20th May,2005 which reads as under:-

"The Ethics Committee considered the letter from Dr. Rattan Chand, Director (PNDT/Stats.) Govt. of India, Ministry of Health & F.W., New Delhi and decided to draw attention of clause 7.6 of Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations,2002 as amended from time to time which is reproduced below:-

Sex Determination Tests: On no account sex determination test shall be undertaken with the intent to terminate the life of a female foetus developing in her mother's womb, unless there are other absolute indications for termination of pregnancy as specified in the Medical Termination of Pregnancy Act,1971. Any act of termination of pregnancy of normal female foetus amounting to female foeticide shall be regarded as professional misconduct on the part of the physician leading to penal erasure besides rendering him liable to criminal proceedings as per the provisions of this Act."

It was further decided that this decision be given wider publicity and it should be put on the MCI Website and it should also be circulated to the National and State Branches of IMA and all the State Medical Councils, Directors of Health Services of all the States with a request to circulate amongst all the doctors.

73. Rajshree Chhatrapati Shahu Maharaj Govt. Medical College, Kolhapur – Renewal of permission for admission of 5th batch of students for the academic session 2005-06.

Read : The Council Inspectors report (07th & 08th June, 2005) for renewal of permission for admission of 5th batch of students for the academic session 2005-06 at Rajshree Chhatrapati Shahu Maharaj Govt. Medical College, Kolhapur.

The Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspector's Report dated 7-8 June 2005 and decided to recommend to the Central Government to renew the permission for admission of 5th batch of MBBS students for the academic year 2005-06 at Rajshree Chhatrapati Shahu Maharaj Govt. Medical College, Kolhapur

74. Establishment of new medical college at Agartala by Govt. of Tripura – Grant of Letter of Permission.

Read : The Council inspectors report (06th & 07th June, 2005) for grant of letter of permission for establishment of new medical college at Agartala by Govt. of Tripura u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 06th & 07th June, 2005, letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and also letter dated 7.6.2005 from the Govt. of India requesting the Council to make its recommendations, if necessary in relaxation of the existing provision of the regulations in this regard to the extent as would not amount to delution of the prescribed standard of education and decided to recommend to the Central Govt. to issue letter of permission for establishment of Govt. Medical College, Agartala by Govt. of Tripura u/s. 10(A) of the IMC Act, 1956 with an annual intake of 100 MBBS students for the academic session 2005-06.

75. Establishment of new medical college at Sangli (Maharashtra) by Bharati Vidyapeeth Deemed University, Pune – Grant of letter of permission.

Read : The Council inspectors report (09th & 10th June, 2005) for grant of letter of permission for establishment of new medical college at Sangli (Maharashtra) by Bharati Vidyapeeth Deemed University, Pune u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 9th & 10th June, 2005 and 13th June, 2005 and decided to recommend to the Central Govt. to issue letter of permission for establishment of Bharati Vidyapeeth Deemed University medical college at Sangli with an annual intake of 100 students for the academic session 2005-06 u/s 10A of IMC Act, 1956.

76. Establishment of new medical college at Agartala by Global Educational Net, Ambalapuzha, Alleppy – Grant of letter of permission.

Read : The Council inspectors report (08th & 09th June, 2005) for grant of letter of permission for establishment of new medical college at Agartala by Global Educational Net, Ambalapuzha, Alleppy u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 8th – 9th June, 2005 and noted the following:-

1. The shortage of teaching staff required for Letter of permission is as under:-

(a) Faculty: More than 25 %

i) Professor : 1 (1 –Gen. Medicine)

ii) Associate Professor : 8 (2- Anatomy, 1-Microbiology, 1- Paediatrics,

- 1-Orthopaedics, 1- Obst. Gynaec., 1-Radiodiagnosis
&
1-Pathology)
- iii) Assistant Professor : 2 (1-Physiology, 1- Gen. Medicine)
iv) Tutor : 4 (1- Pharmacology, 2- Radiodiagnosis, 1- Forensic Medicine)
- (b) Resident: More than 30 %
i) Sr. Resident : 8 (3-Gen.Medicine, 4-Gen.Surgery, 1- Obst.& Gynaec.)
ii) Jr. Resident : 5 (4-Gen.Surgery, 1- Ophthalmology)

2. Clinical Material is inadequate as under:

	Daily Average	Day of Inspection
Operative work		
Number of major surgical operations	Yet to start	
Number of minor surgical operations	4-5 per day	
Number of normal deliveries	yet to start	
Number of caesarian Sections	yet to start	
Radiological Investigations	.	
X-ray	Not operational	
Ultrasonography	Not Available	
Special Investigations	-	
C.T. Scan	-	
Laboratory Investigations		
Biochemistry	20-25 per day	26
Microbiology	nil	
Serology	1-2 per day	3
Parasitology	1-2 per day	1
Haematology	10 per day	21
Histopathology	nil	nil
Cytopathology	nil	nil
Others	-	-

3. Common rooms for boys and girls are not available.
4. Central photography cum audio-visual units are not available.
5. Hostels : Two of the buildings within the campus of capacity of 27 rooms (54 seats), proposed to be used as Boys' hostel are under renovation and not yet furnished. A new three storied boys' hostel building with 56 rooms capacity is under construction. Two of the buildings within the campus of capacity of 36 rooms (72 seats), proposed to be used as girls' hostels are also under renovation and not yet furnished.
6. Sports and recreation facilities are not available.
7. Registration Counters for indoor and outdoor patients are not computerized.
8. Teaching facilities like patient couch, stools, x-ray, view box, examination tray, etc. are provided in each room but not adequate in most of them. There is only one room provided in the OPD complex as teaching area is common for all subjects and that too is not well organised and furnished. There is a common plaster room and plaster cutting room. There is neither any facility for audiometry, nor any speech therapist.
9. Laboratory, pantry and teaching areas attached to wards are yet to develop. Total 5 clinical demonstration areas with a capacity of 10-15 have been earmarked in the wards but not properly furnished till date. Audiovisual aids and other teaching facilities are not available.
10. Casualty OT has not started functioning. Defibrillator, pulse oximeter, ambu bag, and disaster trolley etc. are not available.
11. In Central Laboratory, investigations related to parasitology, histopathology, cytology are not available.

12. In OTs, Central oxygen & nitrous oxide supply and central suction are yet to be established. Resuscitation equipment is non operational.
13. The Intensive Care areas are yet to be made functional, organised and equipped. No facility for pipeline oxygen suction or infusion pumps are available.
14. Central sterilization department has not started functioning.
15. Intercom is not available.
16. Incinerator is not available.
17. Para medical staff is inadequate as under:
Laboratory Technicians: 17
Laboratory Assistants: 12
18. Nursing Staff is grossly inadequate as under:
Nursing Superintendent : nil
Deputy Nursing Superintendent : nil
Matron : nil
Asstt. Nursing Superintendent : nil
Nursing Sisters : 9
Staff nurses : 53
19. In Anatomy Deptt., one of the demonstration hall is yet to be furnished. There is a research laboratory which is not properly equipped. No wet mounted specimens are available in the museum.
20. In Physiology Deptt., Demonstration hall is yet to be furnished. Adequate arrangements for electrical points and washing facilities are yet to be made available in the laboratories. There is a research laboratory which is not equipped.
21. In Biochemistry Deptt., library cum seminar room is shared with demonstration room and has only 50 books, which are inadequate.
22. Blood Bank is not available and non functional.
23. Other deficiencies are in the main report

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Agartala by Global Educational Net, Ambalapuzha, Alleppy u/s 10A of the IMC Act, 1956.

77. S.D.M. Medical College, Dharwad – Renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-06.

Read : The compliance verification inspection report (03rd & 04th June, 2005) for renewal of permission for admission of 2nd batch of MBBS students for the academic session 2005-2006 at S.D.M. Medical College, Dharwad.

2. Dr. V.M. Gupta designated as Medical Superintendent is not qualify to hold this post as he has only 7 years of administrative experience.
3. Clinical Material is grossly inadequate as under:-

(A) Main Hospital:

	Daily Average	Day of Inspection
OPD Attendance	350	293
Casualty attendance	13	14
Number of admissions / discharge	24/23	28/27
Bed occupancy%	33%	35.43%
Operative work		
Number of major surgical operations	5	5
Number of minor surgical operations	6	4
Number of normal deliveries	1	1
Number of caesarian Sections	1	1
Laboratory Investigations		
Biochemistry	117	134
Microbiology	16	21
Serology	-	-
Parasitology	-	-
Hematology	84	132
Histopathology	9	13
Cytopathology	9	16
Others	6	12

- Clinical material is low in terms of OPD attendance and bed occupancy.

(II) Base Hospital and Female Hospital associated with UFHT Medical College.

	Daily Average		Day of Inspection	
	Base Hospital	Female Hospital	Base Hospital	Female Hospital
OPD Attendance	434	102	521	120
Casualty attendance	36	-	40	-
Number of admissions / discharge	37/35	22/20	49/46	10/8
Bed occupancy%	38%	8%	37.14%	3.14%
Operative work				
Number of major surgical operations	3	2	3	2
Number of minor surgical operations	1	12	1	7
Number of normal deliveries	NA	4	NA	5
Number of caesarian Sections	NA	1	NA	1
Radiological Investigations				
X-ray	35	-	33	-
Ultrasonography	11	-	12	-
Special Investigations	-	-	-	-
C.T. Scan	-	-	-	-
Laboratory Investigations				
Biochemistry	35	-	35	-
Microbiology	-	-	-	-
Serology	4	-	6	-
Parasitology	-	-	-	-
Hematology	130	-	114	-
Histopathology	-	-	-	-
Cytopathology	-	-	-	-
Others	-	-	-	-

4. Accommodation is available only for 156 students against the requirement of 200 at this stage.
5. Accommodation is available only for 24 residents, which is inadequate against the requirement of 59 residents.
6. Accommodation is available only for 48 nurses, which is inadequate.
7. All the OPDs are in main hospital have one examination room and only 3 major departments have small teaching area with 10-15 seats, which is inadequate.
8. Audiometry room is air-conditioned but not soundproof.
9. Medical Record Section is not computerized. ICD X Classification is not available.
10. There is no provision for central oxygen and suction in the casualty area
11. In the nursing staff, Nursing Superintendent and Deputy Nursing Superintendent are not available.
12. In the Anatomy department, at present there are no cadavers.
13. In the Pharmacology department, there is one demonstration room with seating arrangement for 50 students. The room was too crowded with such an arrangement. In the museum there are no medicinal plants specimens.
14. Permission to conduct autopsy is not yet obtained.
15. Number of books in the departmental libraries of TB & Chest, skin & V.D., Psychiatry, Orthopaedics & Ophthalmology are inadequate and no books are available in the departmental libraries of ENT, Radio-diagnosis and Anaesthesia.
16. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 2nd batch of MBBS students for the academic session 2005-06 at Uttranchal Forest Hospital Trust Medical College, Haldwani.

80. Establishment of new medical college at Hassan, by Govt. of Karnataka – Grant of letter of permission.

Read : The Council inspectors report (08th & 09th June, 2005) for grant of letter of permission for establishment of new medical college at Hassan by Govt. of Karnataka u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 8th – 9th June, 2005 and noted the following:-

1. a) The shortage of teaching faculty is 83.05% as under :-
 - (i) Professor : 5 (Anatomy 1, Physiology 1, Biochemistry 1, Gen. Medicine 1, General Surgery 1)
 - (ii) Associate Professor : 13 (Anatomy 2, Physiology 2, Biochemistry 1, Pharmacology 1, Pathology 1, Microbiology 1, Paediatrics 1, Orthopaedics 1, Obst. & Gynae 1, Anaesthesiology 1, Radiology 1)
 - (iii) Assistant Professor : 14 (Anatomy 3, Physiology 3, Lecturer Biophysics 1, Biochemistry 1, Forensic Medicine 1, Community Medicine 1, General Medicine 2, Ophthalmology 1, ENT 1, Anaesthesiology 1)
 - (iv) Tutor : 17 (Anatomy 4, Physiology 4, Biochemistry 2, Pharmacology 1, Pathology 1, Microbiology 1, Forensic Medicine 1, Community Medicine 1, Radiology 2)
- b) The shortage of Residents is 84.2% as under:
 - (i) Sr. Residents : 14 (4 General Medicine, 1 Paediatrics, 4 General Surgery, 1 Orthopaedics, 1 Ophthalmology, 1 ENT, 2 Obst. & Gynae)
 - (ii) Jr. Residents : 18 (8 Gen. Medicine, 8 Gen. Surgery, 1 ENT, 1 Obst. & Gynae.)
2. Dr. H. G. Devamani, designated as Medical Superintendent, is not qualified to hold the post as she does not possess the postgraduate degree and 10 years of administrative experience as required under the Regulations.
3. The teaching departments of Anatomy, Physiology, Biochemistry, Community Medicine are yet to be established.

15. ICCU is not available.
16. Separate surgical, burns, Paediatrics and Obst. & Gynae. ICU is not available. There is no central oxygen and central suction.
17. Protective measures as per BARC specification are not available in Radiology.
18. CSSD is not available.
19. In the Central Laundry, only manual dhobi ghat is available.
20. Incinerator is not available.
21. Para medical staff is grossly inadequate as under:-

Laboratory Technicians:	06
Laboratory Assistants:	Nil
Laboratory Attendants:	02
22. Nursing staff is grossly inadequate as under:-

Nursing Superintendent	:	1
Deputy Nursing Superintendent:		Nil
Matron	:	Nil
Asst.. Nursing Superintendent :		Nil
Sr. Staff Nurse	:	01
Staff nurses	:	46
23. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Mandya, by Govt. of Karnataka u/s 10A of the IMC Act, 1956.

82. Establishment of Shri Guru Ram Rai Instt. of Medical & Health Sciences, Dehradun by Shri Guru Ram Rai Education Mission, Dehradun – Grant of letter of permission.

Read : The compliance verification inspectors report (10th & 11th June, 2005) for grant of letter of permission for establishment of new medical college at Dehradun by Shri Guru Ram Rai Education Mission, Dehradun u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 10-11 June, 2005 and noted the following:-

- 1.(a) The following teachers have presented for inspection at more than one medical college during academic year 2005-06 as under :-

S. No	Name	Designation	Department	Remarks
1	Dr. N. S. Ujjwal	Asst. Profesor	Anatomy	He has presented for inspection at Mahatama

				Gandhi Mission's Med., Navi Mumbai on 09.12.2004.
2.	Dr. Md. Balal Hasan	Asst. Profesor	Anatomy	He has presented for inspection at Sri Ram Murthy Medical College, Bareilly on 15.04.2005 and at CMC & Hospital, Dhamtari on 09.05.2005.
3.	Dr. Uma Gupta	Assoc. Prof.	OBG	She has presented for inspection at Sri Ram Murthy Medical College, Berally on 25.11.2004.

(b) The following teachers cannot be considered for the faculty due to reasons shown below:-

S. No	Name	Designation	Department	Remarks
1.	Prof. Basanti Gupta	Prof. & HOD	Microbiology	Her experience as Associate Professor in Maharaja Agrasen Medical College, Agroha cannot be considered as the experience is before the Grant of Permission to the college. She has worked from 1996 to 2000 in Maharaja Agrasen Medical College, Agroha, while the college was granted permission in July 2002. She does not possess 4 years teaching experience as Associate Professor as required under the Norms. She is not eligible to be considered as Professor.
2.	Dr. (Mrs.) Rani Shaili Saxena	Prof. & HOD	Pharmacology	Her experience in Subharati Medical College, Meerut can only be considered from the date of Grant of Permission at Subharati Medical College, Meerut i.e. January 2001. She possesses teaching experience of Associate Professor of only 1 year and 3 months. Therefore, she is not eligible to be considered as Professor as she does not possess 4 years teaching experience as Associate Professor as required under the Norms.
3.	Dr. S. K. Rana	Prof. & HOD	Paediatrics	He does not possess teaching experience of 4 years in a medical college as Associate Professor as required under the Regulations. He is not eligible to be considered as Professor.

4.	Lt. Col. (Dr.) B.B. Kalia	Associate Professor	Radiology	He possesses teaching experience of only 4 months as Assistant Professor in a medical college. He is not eligible to be considered as Associate Professor as he does not fulfill the requisite teaching experience of 5 years as Assistant Professor in a medical college.
5.	Dr. Dushyant Nijhawan	Associate Professor	Anaesthesiology	He does not possess the requisite teaching experience of 5 years as Assistant Professor in a medical college. He is not eligible as Associate Professor.
6.	Dr. Rashmi Singla	Assistant Professor	Pharmacology	She has teaching experience of only 1 year as Tutor as shown in the Declaration Form. She is not eligible to be considered as Assistant Professor as she does not possess the requisite teaching experience of 3 years as Tutor as required under the Norms.
7.	Dr. Pradeep Bokariya	Assistant Professor	Anatomy	He possesses MSc degree and possesses only 2 years teaching experience in a recognised medical college. He cannot be considered as Assistant Professor as he does not possess 3 years experience as Tutor as required under the Norms.
8.	Dr. Shalini B. Bhatia	Senior Resident	Pathology	She possesses experience of only 2 years in the Department. She is not eligible to be considered as Senior Resident as she does not possess the experience of 3 years in the Department as per MCI Norms.
9.	Dr. Alpesh Shukla	Sr. Resident	Orthopaedics	He possesses the experience of only 2 years in the Department in a medical college. Therefore, he cannot be considered as Senior Resident as he does not possess the experience of 3 years in the Department as per MCI Norms.

(c) 25 Doctors have not mentioned their salary in the respective column of Declaration Forms.

3. In view of above, the deficiency of teaching faculty is more than 5%. The deficiency of Residents is more than 5%.
4. The Nurses Hostel and the staff complex are outside the unitary hospital college complex. The new nurses' hostel within the campus is still under construction.
5. Internet and Madler facilities are not available in the Central Library.
6. Residents' Hostel had accommodation for 28 students only which is inadequate as per Norms.
7. Other deficiencies are in the main report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for establishment of Shri Guru Ram Rai Instt. of Medical & Health Sciences, Dehradun by Shri Guru Ram Rai Education Mission, Dehradun u/s 10A of the IMC Act, 1956.

83. Dr. Nijalingappa Medical College, Bagalkot – Renewal of permission for admission of 4th batch of students for the academic session 2005-06.

Read : The compliance verification inspection report (03rd & 04th June, 2005) for renewal of permission for admission of 4th batch of students for the academic session 2005-06.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report on 3rd – 4th June, 2005 and noted the following:-

1. The shortage of teaching staff is as under:-
 - (a) The following teachers are not available:
 - i) Associate Professor: 03 (1 Biochemistry, 2 Pathology)
 - ii) Assistant Professor: 02 (1 Anatomy, 1 Lect. (Bio))
 - (b) The following teachers cannot be considered as per reasons shown below:

#	Name of Teacher	Designation	Department	Remarks
1	Dr. R.M. Kulkarni	Asst. Prof.	Surgery	He possesses only one month's teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be considered as Asst. Prof as he does not have the requisite 3 years teaching experience as Tutor/ Resident as required under the norms.
2	Dr. M.M. Anantreddi	Asst. Prof.	Surgery	He possesses only one month's teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be

				considered as Asst. Prof as he does not have the requisite 3 years teaching experience as Tutor/Resident as required under the norms.
3	Dr. S.B. Kerudi	Asst. Prof.	Surgery	He possesses only 25 days' teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be considered as Asst. Prof as he does not have the requisite 3 years teaching experience as Tutor/Resident as required under the norms.
4	Dr. M.A. Badkali	Asst. Prof.	O.G.	He possesses only 1 y 7 m teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be considered as Asst. Prof as he does not have the requisite 3 years teaching experience as Tutor/Resident as required under the norms.
5	Dr. N.T. Pawaskar	Asst. Prof.	O.G.	He possesses only 1 y 11 m teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be considered as Asst. Prof as he does not have the requisite 3 years teaching experience as Tutor/Resident as required under the norms.
6	Dr. G.M. Kotageri	Asst. Prof.	O.G.	She possesses only 14 days' teaching experience as shown in previous declaration form. Her experience shown in the present declaration form is at variance with that shown earlier. Thus she has submitted and verified two different declaration forms on two inspections. Thus she cannot be considered as Asst. Prof as she does not have the requisite 3 years teaching experience as Tutor/Resident as required under the norms.
7	Dr. D.R. Kale	Professor	Orthopaedics	He possesses only 9 y teaching experience and no experience as

				Asso. Prof. as shown in the declaration form. Thus he cannot be considered as Professor as he does not have requisite experience of 4 y as Asso. Prof. as required under MCI Regulations. Govt. of Karnataka notification has no bearing as it is at variance with the MCI Regulations.
8	Dr. D.J. Malagi	Asst. Prof.	Medicine	He possesses only 4 m teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be considered as Asst. Prof as he does not have the requisite 3 years teaching experience as required under the norms.
9	Dr. Prabhaswami N.R.	Asst. Prof.	Medicine	He possesses only 1 y 4 m teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be considered as Asst. Prof as he does not have the requisite 3 years teaching experience as required under the norms.
10	Dr. T.H. Pagad	Asst. Prof.	Medicine	He possesses only 1 y 4 m teaching experience as shown in previous declaration form. His experience shown in the present declaration form is at variance with that shown earlier. Thus he has submitted and verified two different declaration forms on two inspections. Thus he cannot be considered as Asst. Prof as he does not have the requisite 3 years teaching experience as required under the norms.
11	Dr. G.M. Nijagunappa	Asso. Prof.	Anatomy	He was found to be working in two institutions – i.e. this college and JJM Medical College, Davangere - between 09/05/21005 to 11/05/2005. He cannot be considered as a teacher in this institution.
12	Dr. K.K. Vani	Sr. Resident	Tb & Chest	She has not completed 3 years of Residency in the department. She cannot be considered as Sr. Resident.
13.	Dr. Sanjeev Ratna	Professor & HOD	Biochemistry	He is Ph.D. from Central Drug Research Institute, Lucknow which is not recognized by MCI. Hence he is not eligible for the post of Prof. & HOD Biochemistry.
14.	Dr. Anand R.	Prof. &	Physiology	He possesses teaching experience of

	Dharwadkar	HOD		5 years as Asstt. Prof. in PMNM Dental College, Bhagalkot. His experience in the Dental College cannot be counted. His promotion is irregular as he does not possess the requisite 5 years experience as Assistant Professor in a recognized medical college. Hence he is not eligible for the post of Professor/Associate Professor.
15.	Dr.Asha A. Dharawadkar	Professor	Physiology	She possesses teaching experience of 5 years as Asstt. Prof. in PMNM Dental College, Bhagalkot. Her experience in the Dental College cannot be counted. Her promotion is irregular as she does not possess the requisite 5 years experience as Assistant Professor in a recognized medical college. Hence, she is not eligible for the post of Assoc. Prof./Professor.
16.	Dr.S.S.Shetty	Asstt. Prof.	Anatomy	He is M.Sc. from Science faculty. Hence not eligible to be Asstt. Prof. of Anatomy.
17.	Dr.Murigendra Mahantayya Gandhad	Lecturer	Pharmacology	He is M.Sc. from Science faculty. Hence not eligible to be Prof. in Pharmacology.

- (c) The following faculty cannot be considered as they have presented themselves for inspection at the medical colleges during academic year 2005-2006:-

#	Name	Department	Remarks
1.	Oswal Kewalchand Hirachand	Anatomy	He has presented for inspection at Krishna Instt. of Medical sciences, Karad on 25.04.2005.
2	Dr. M. Baswan Gowda	Surgery	He has presented for inspection at Navodaya Medical College, Raichur on 11.02.2005.

In view of above, the deficiency of teaching faculty is more than 10 %.

- (d) Since last inspection on 26th & 27th April 2005, 22 staff members have joined and 16 staff members has left the Job.

2. Clinical material in terms of operative workload, x-ray investigations and laboratory investigations is inadequate as under :-

Operative work					
Number of major surgical operations	7.10			8	
Number of minor surgical operations	21.54			6	
Number of normal deliveries	1			1	
Number of caesarian Sections	1			0	
Radiological Investigations	O.P.	I.P.	O.P.	I.P.	
X-ray	68.41	27.76	18	12	
Ultrasonography	27.18	22.17	16	08	
Special Investigations	00	04.2	0	03	
C.T. Scan	00	2.86	0	02	
Laboratory Investigations					
Biochemistry	126.45	31.74	90	21	
Microbiology	2.94	4.92	02	04	
Serology	60.35	27.51	33	14	
Parasitology	3.81	1.84	02	04	
Haematology	266.36	99.63	248	148	

Histopathology	00	1.71	0	0
Cytopathology	00	1.37	0	0
Others	55	23.05	45	32

3. X-ray investigations, laboratory investigations and operative workload are not commensurate with the number of outdoor & indoor patients claimed by the college.
2. Books in the Departmental Libraries of TB & Chest, Skin & V.D., Anaesthesia, Ophthalmology, Psychiatry and Obst. & Gynaec. are still inadequate.
3. The following deficiencies pointed out in the inspection report of 26th & 27th April 2005 have been rectified partially to the extent indicated hereunder:
 - a. Residential quarters: 22 Two bedroom and 6 one bedroom independent staff quarters are available inside the campus. Earlier these quarters in the campus was used by Engineering College staff of the same trust. 45 new residential quarters for teaching staff are under construction.
 - b. RHTC: The house bearing no. 615 is given on rent basis i.e. Rs. 1500/- per month to Rural Health Training Centre, under the Dept. of Community Medicine for Interns residence purpose. The building is single storied and consists of 2 bedrooms, one hall, one kitchen with attached bathroom. The quarter can accommodate 6 students/interns. As per Principal's version AV aids has been provided to RHTC.
6. Other deficiencies are in the main report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of MBBS students for the academic session 2005-06 at Dr. Nijalingappa Medical College, Bagalkot.

84. Kempegowda Instt. of Medical Sciences, Bangalore – Restoration of MBBS for the academic session 2005-06.

Read : The compliance verification inspectors report (30 & 31st May, 2005) for restoration of MBBS for the academic session 2005-06 at Kempegowda Instt. of Medical Sciences, Bangalore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification Inspectors report (30th– 31st May, 2005) and noted the following:-

1. The shortage of teaching staff is as under:-
 - (a) The shortage of teaching faculty is more than 5 %:
 - i) Professor 1 (1 TB)
 - ii) Associate Professor 2 (1 Anatomy, 1 Biochemistry)
 - iii) Assistant Professor 8 (1 Pathology, 1 Forensic Medicine, 2 Community Medicine, 1 Gen. Medicine, 3 Anasthesia)
 - (b) The shortage of Residents is more than 5 %:
 - i)Sr. Resident: 6 (2 Medicine, 1 Paediatrics, 1 Tb & Chest, 1 Radiodiagnosis, 1 Orthopaedics)
 - ii) Jr. Resident: 1 (1 Psychiatry)
2. The clinical material is inadequate in terms of X-ray and Laboratory investigations as under:

	Daily Average		Day of Inspection	
	O.P.	I.P.	O.P.	I.P.
Radiological Investigations				
X-ray	62	31	37	55
Ultrasonography	39	27	25	37

Special Investigations	3	2	3	5
C.T. Scan	6	4	5	6
Laboratory Investigations				
Biochemistry	140	254	138	269
Microbiology	7	13	7	9
Serology	35	78	28	69
Parasitology	13	17	9	3
Haematology	163	192	142	166
Histopathology	1	11	6	2
Cytopathology	3	7	6	5
Others	-	-	-	-

X-ray and laboratory investigations are not commensurate with the number of outdoor and indoor patients claimed by the hospital.

3. Buildings: (a) Pre Clinical Block: is located at a distance of 4 ½ kms from the Hospital. At present it is occupying preclinical departments & Pharmacology department. The central library is located at the ground floor of this building.
- (b) New College Building : Work is in progress for the construction of new college building behind the Non-clinical teaching block Banashankari.
- © Para clinical and Auditorium : There is a combined. Engineering, Pharmacy, and para clinical departments building in the KIMS Campus occupying the various departments and colleges as follows:
 - A. Basement – Engineering College
 - B. Ground floor – KIMS Principal's college office & Management
 - C. First floor – Microbiology department
 - D. Second floor – Pharmacy college
 - E. Third floor – Community Medicine
 - F. Fourth floor – Pathology
 - G. Fifth floor – Forensic Medicine
 - H. Sixth floor – Examination hall.
4. The following deficiencies pointed out in the inspection report of 21st-22nd March, 2005 have not been rectified :-
 - a) OPD : Main OPDs are crowded.
 - b) Hostel accommodation not increased.
 - c) No Nursing accommodation.
 - d) No staff quarters.
 - e) College building – The construction just started. The details are in the report.
 - f) Central library – Reading room for staff & P.G are situated in the passage.
 - g) Rural Health centre & Urban Health centre – status quo.
 - h) Out door sports: Status quo.
5. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to reiterate its earlier decision to permit Kempegowda Instt. of Medical Sciences, Bangalore to admit 50 students for the academic session 2005-06

85. Establishment of new medical college at Bishnipur Distt., (Manipur) by college of Medical Sciences & Society, Bishnipur – Grant of letter of permission.

Read : The Council inspectors report (09th & 10th June, 2005) for grant of letter of permission for establishment of new medical college at Bishnipur, Distt., (Manipur) by college of Medical Sciences & Society Bishnipur u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 9th – 10th June, 2005 and the letter of the Central Govt. dt. 07/06/2005 requesting the Council to make its recommendations, if necessary, in relaxation of the existing

provisions of the Regulations in this regard to the extent, as would not amount to dilution of the prescribed standard of education, and noted the following:-

1. The shortage of teaching faculty is more than 90% and of Residents is 100%. Only the Dean, two Professors (Surgery - 1, Community Medicine-1) and Assistant Professor - 1 (Surgery) were available.
2. The Hospital, which is affiliated to the proposed college is not fully functional. It is only 50-bedded hospital.
3. The para medical Departments like Anatomy, Physiology, Biochemistry, Community Medicine are not established, furnished and equipped as per Council Norms.
4. Lecture theatres are not available.
5. Common rooms for boys and girls are not available.
6. In the Central Library, there are only 500 books against 1400 required at this stage.
7. There is only one clerk available in the Laboratory which is grossly inadequate.
8. Central Photography unit is not available.
9. Hostels for boys and girls are not available.
10. Hostels for Residents are not available.
11. Residential quarters are not available.
12. Only some part of the building is ready. This portion has been made temporarily functional as OPD. Casualty is not available. Only 3 wards are available for Medicine, Surgery and OBG where 10 beds each for male and female patient each have been provided.
13. Medical Superintendent is not available.
14. Distribution of beds into different beds is not available.
15. 50 beds have been randomly put into 3 different rooms, labelled as Medicine, Surgery and OBG.
16. Teaching and other facilities are not available.
17. Central Casualty is not available.
18. Clinical laboratories are not available.
19. OT Units are not available.
20. Intensive Care areas are not available.
21. CSSD is not available.
22. Intercom is not available.
23. Central Library is not available.
24. Incinerator is not available.
25. Para medical staff - only a few persons are available, which is grossly inadequate.
26. Few nurses are available, not as per Norms of the Council.
27. Other deficiencies are in the main report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June and whereby it has been found that the

applicant has failed to fulfill the mandatory and statutory pre-conditions of owning and managing of a functional hospital of 300 beds as laid down in the Establishment of Medical College Regulations, 1999, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for Establishment of new medical college at Bishnipur Distt., (Manipur) by College of Medical Sciences & Society, Bishnupur u/s 10A of the IMC Act, 1956.

86. Establishment of new medical college at Trivandrum by Non-Resident Indian Foundation u/s 10A of the IMC Act, 1956.

Read : The compliance verification inspection report (10th & 11th June, 2005) for establishment of new medical college at Trivandrum by Non-Resident Indian Foundation u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report 10th & 11th June, 2005 alongwith the letter dt.14.6.2005 from the Trustee, Foundation of Non-Resident Indian received through the Central Govt. vide letter dt. 15.6.2005 and decided to recommend to the Central Govt. to issue letter of permission for establishment of medical college at Trivandrum with an annual intake of 50 students for the academic session 2005-06 u/s 10A of IMC Act, 1956.

87. Increase of MBBS seats from 100 to 150 at Padmashree Dr. D.Y. Patil Medical College, Navi Mumbai.

Read : The letter dated 17.5.2005 received from the Govt. of India, Health & F.W. seeking clarification with regard to shortage of teaching staff pointed out in the inspection reports March, 2005 carried out for increase of MBBS seats from 100 to 150 at Padmashree Dr. D.Y. Patil Medical College, Navi Mumbai and the decision taken by the Executive Committee/Adhoc Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council deliberated upon the matter and decided as under:-

Pursuant to the TV channel report with regard to the medical colleges, namely, Santosh Medical College, Ghaziabad and Dr. D.Y. Patil Medical College, Navi Mumbai, the President (Acting) on 27.05.2005 had held discussions with the members of the Executive Committee and the Adhoc Committee on telephone when it was decided to conduct an immediate inspection of both these colleges.

The inspection of both the colleges had been conducted on 29.3.2005 as surprise inspections. Insofar as the Santosh Medical College, Ghaziabad is concerned, inspection report of 21st and 22nd March, 2005, the recommendations thereon of the Executive Committee of the Council, the inspection report of 29.3.2005 have been forwarded to the Govt. of India in accordance with the directions of the Hon'ble Allahabad Court. The Council advocate at Allahabad High Court has already been requested to file an appeal against the judgement of the Id. Single Judge of the Allahabad High Court with reference to the case filed by the Santosh Medical College.

Insofar as the inspection of Dr. D.Y. Patil Medical College, Navi Mumbai is concerned, it was observed that it is a matter of general practice in the Council that in regular inspections where the institutions are having the advance notice of the dates of the scheduled inspections, the physical presence of each of the faculty members and other teaching staff is insisted upon. All such medical teachers whose employment is claimed but they are not physically present on the day of scheduled inspections, they are not counted towards the claim of the college for inclusion of their names as medical teachers in the said college.

However, when there is any surprise inspection where the college authorities are not aware of the dates of the inspection in advance, in addition to the medical teachers, residents who are found to be physically present, the medical teachers, residents whose leave applications are available with the college authorities and those medical teachers, residents were present in the earlier scheduled inspections conducted by the Council, the names of such medical teachers, residents are included in the list of medical teachers for that college.

In other words, for the regular inspections of the Council where the college authorities are informed of the scheduled dates, it is necessary that all medical teachers should remain physically present at the time of inspection and leave applications are not accepted by the inspection team of the Council. On the other hand, if the inspections are without advance notice leave applications of medical teachers who were physically present in the earlier regular inspections, their names are added in the list of medical teachers for that college.

In this view of the matter, the teaching faculty residents, of Dr. D.Y.Patil Medical College, Navi Mumbai who were not physically present on the day of surprise inspection on 29.3.2005 and their leave applications have been submitted by the college authorities, their employment as a medical teachers, residents with this college had been accepted since these members of the teaching faculty, residents were physically present in the earlier regular inspection of this college at Navi Mumbai which was held on 21st and 22nd March,2005.

Insofar as the other issue relating to Krishna Institute of Medical Sciences, Karad is concerned, it is observed that the shortage of teaching faculty is taken into account after considering the requirement of teaching faculty in Undergraduate courses and Postgraduate courses being conducted in the institutions. The faculty required for Undergraduate courses remains fixed in accordance with the requirements for intake capacity permitted i.e. 50/100/150 as required in the Regulations and would remain same for all the colleges having the prescribed number of seats. Further, the teaching faculty required for Postgraduate courses would vary from institution to institution as it is linked with Postgraduate courses being conducted by the institution and would thus be a direct function specific to that institution.

In this connection, it may please be noted that the Krishna Instt. of Medical Sciences, Karad is conducting the following Postgraduate courses:-

Anatomy	Degree
Pharmacology	Degree
Pathology	Degree & Diploma
General Surgery	Degree
Paediatrics	Degree & Diploma
Radio-Diagnosis	Degree & Diploma
PSM	Degree & Diploma
Microbiology	Degree
Gen.Medicine	Degree
Obst. & Gynae.	Degree & Diploma
Orthopaedics	Degree & Diploma
Anaesthesiology	Degree & Diploma

Dr. D.Y. Patil Medical College, Navi Mumbai is conducting the following Postgraduate courses:-

Pharmacology	Degree
Paediatrics	Degree & Diploma
Dermatology & Veneral Diseases	Degree & Diploma
TB & Respiratory Diseases	Degree & Diploma
Orthopaedics	Degree & Diploma
ENT	Degree & Diploma

It can thus be seen that the requirement for Krishna Institute of Medical Sciences, Karad would be higher because it is conducting more Postgraduate Courses in different disciplines than Dr. D.Y. Patil Medical College, Navi Mumbai. The staff strength chart computed for each college have already been attached with the inspection report submitted to you earlier along with the recommendations of Executive Committee where the members of the Adhoc Committee appointed by the Hon'ble Supreme Court were also present.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to reiterate its earlier decision recommending to the Central Govt. to issue letter of permission for increase of MBBS seats from 100 to 150 at Padmashree Dr. D.Y. Patil Medical College, Navi Mumbai u/s 10A of the IMC Act, 1956.

88. Request for restoration of MBBS and PG seats at Dr. B.R. Ambedkar Medical College, Bangalore.

Read : The request of the Chairman, Governing Council Dr. B.R. Ambedkar Medical College, Bangalore received from the Central Govt. to release UG and PG seats withheld by the MCI.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the request of the Chairman, Governing Council Dr. B.R. Ambedkar Medical College, Bangalore received from the Central Govt. to release UG and PG seats withheld by the MCI and noted that a SLP has already been filed in the Hon'ble Supreme Court in this matter and further decided to obtain legal opinion of the Council Advocate and authorised the President (Acting) to act in accordance with the legal opinion so received.

89. Sikkim Manipal Institute of Medical Sciences, Gangtok – Renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-06.

Read : The Council Inspectors report (11th & 12th May, 2005) for renewal of permission for admission of 5th batch of MBBS students for the academic session 2005-2006 at Sikkim Manipal Institute of Medical Sciences, Gangtok.

The Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report dated 11th & 12th May, 2005 and noted the following:-

1. The shortage of teaching staff is as under:

(I) The following staff members (Total 33) are not available:

- | | | |
|--------------------|---|--|
| a) Professor | : | 1 (Paediatrics) |
| b) Assoc. Prof. | : | 12 (Anatomy-2, Pathology – 1, FMT-1, Medicine-2, Paediatrics-1, Surgery-2, Orthopaedics-1, Radiology-1 and Dental-1) |
| c) Asst. Professor | : | 9 (Anatomy – 1, Physiology-1, Pathology-1, PSM – 1, TB & Chest – 1, Surgery –2, Anaesthesia-1, Dental – 1) |
| d) Tutors | : | 11 (Anatomy-1, Physiology-1, Pharmacology-1, Pathology 2, FMT – 1, PSM – 5) |

(II) The following Residents (Total 37) are not available:

- (a) Senior Residents: 11 (Medicine-4, TB & Chest-1, Psychiatry-1, Surgery-3, Ortho-1, Anaesthesia-1)
- (b) Junior Residents: 26 (Medicine-5, Paediatrics-1, TB & Chest-1, Skin & VD-1, Psychiatry-2, Surgery-6, Ortho – 3, Ophthalmology-2, ENT-1, OBG – 4)

(III) The following staff members cannot be considered as teaching staff members due to reasons shown against each:

#	Name	Designation	Department	Remarks
1	Dr. Shyamoli Raje	Asso. Professor	Pathology	Possesses experience as Asst. professor of only 2 y 1 m in a recognized / permitted college. Her experience in Dhamtari college cannot be counted. Hence can only be considered as Asst. Professor as she does not possess requisite teaching experience of 5 yrs. required as per norms.
2	Dr. Mahuva Pal	Asst. Professor	Ophthalmology	No teaching experience shown in the Declaration Form. Hence not eligible as Asst. Professor as he does not possess requisite teaching experience of 3 yrs. required as per norms.
3	Dr. S.T. Rao	Asst. Professor	Anaesthesia	Only 1 month's teaching experience shown in the Declaration Form. Hence not eligible as Asst. Professor as he does not possess requisite teaching experience of 3 yrs. required as per norms.
4	Dr. Kumar Ratnesh	Asst. Professor	Surgery	No teaching experience shown in the Declaration Form. Hence not eligible as Asst. Professor as he does not possess requisite teaching experience of 3 yrs. required as per norms.
5	Dr. Raghvendra Narayanan	Sr. Resident	Paediatrics	Only 6 months' experience shown in the Declaration Form. Hence not eligible as Sr. Resident as he does not possess requisite experience of 3 yrs. required as per norms.
6	Dr. P.R. Sinha	Sr. Resident	Orthopaedics	Only 3 months' experience shown in the Declaration Form. Hence not eligible as Sr. Resident as he does not possess requisite experience of 3 yrs. required as per norms.
7	Dr. Indranil Pal	Sr. Resident	E.N.T.	No experience shown in the Declaration Form. Hence not eligible as Sr. Resident as he does not possess requisite experience of 3 yrs. required as per norms.

(IV) In view of the above, the shortage of teaching staff is more than 30 % and of Residents is more than 40%.

(V) 30 staff members have joined in the last three months and 17 have left the institution in the last 6 months.

2. Dr. A.K. Das, designated as Medical Superintendent, is not qualified to hold the post as he has got only 4 years of administrative experience.
3. The deficiency of teaching beds and units in the teaching hospital is as under:

Speciality	Required Beds/Units	Present Beds/Units	Deficiency if any
General Medicine	120/4	111/2	9 beds and 2 units
Paediatrics	60/2	49/2	11 beds
General Surgery	120/4	106/2	14 beds and 2 units
Total			34 beds & 4 units

4. Paediatrics OPD has does not have x-ray view box, child guidance clinic and counseling room available.
5. Only one classroom is available in the wards; individual classroom for the clinical departments is not available. There is no clear demarcation of various medical and surgical units displayed. There is over crowding of cots with less space available of movement of personnel and trolley. Number of toilets available in all the wards is inadequate. Nursing Station is common for wards having 100 beds located in separate enclosures.
6. Clinical material is grossly inadequate as under:

	Daily Average		Day of Inspection
O.P.D. attendance	306		392
Bed occupancy	34%		47%
Operative work			
Number of major surgical operations	05		02
Number of minor surgical operations	06		05
Number of normal deliveries	01-02		02
Number of caesarian Sections	00-01		00
<u>Radiological Investigations</u>	OP	IP	
<u>X-ray</u>	42	18	41
Ultrasonography	15	06	14
Special Investigations	00-01		00
C.T. Scan	00-02		02
<u>Laboratory Investigations</u>	OP	IP	
<u>Biochemistry</u>			
Microbiology	154	115	242
Serology	03	05	27
Parasitology	12	10	12
Hematology	08	05	06
Histopathology	78	77	222
Cytopathology	03-05		01
Others	00-02		01

Govt. of India, Ministry of Health & FW, vide circular letter No. U. 12012/12/94-ME(P) Dt. 4th May 2000 addressed to Health / Medical Education Secretaries of all State Govts./ U.T. Administrations states the following:

“It may be noted that the arrangement to utilize the facilities of other Govt./ District Hospitals on the conditions stipulated in the Govt. of India letter shall be for only a specified period of 3 years from the date of grant of permission by the Central Govt. for establishment of a new Medical College. These facilities shall be in addition to the mandatory requirement of the applicant owning and managing a hospital of not less than 300 beds with necessary infrastructural facilities and with a view to mitigate the problem of non-availability of required clinical material for teaching and training of students. It may please be noted the above permission is in no way relaxation of the provision of the Establishment of Medical college Regulations, 1999 which are to be followed scrupulously by all applicants of new Medical colleges. ...”

SMIMS was granted the Letter of Permission for the Academic Year 2001-02. Thereafter already three batches have been admitted. The STNM Hospital is under the administrative and financial control of the District Health Authorities of the Govt. of Sikkim and not under the financial and administrative control of the Dean of the College. It is not owned and managed by the applicant. The staff of the Medical College does not

participate in any teaching activities in the STNM Hospital. No separately demarcated teaching beds are available in the STNM Hospital for the faculty of SMIMS. STNM Hospital doctors do not contribute to the patient care management at CR Hospital owned and managed by the applicant. The requirement of having a separate teaching unit in STNM Hospital is not fulfilled.

The three mandatory conditions prescribed in the above letter of Govt. of India have not been adhered to by the college as under:-

- a) The clinical material utilized as per the said letter shall be over and above the minimum beds stipulated under the Regulations of the Council. As per the Regulations 1999, for the minimum requirement of 100 admissions annually for the 3rd renewal i.e. admission of 4th batch, 450 beds are required against which the institute has only 239 beds in its own teaching hospital. Thus, there is a deficiency of 211 beds for the present stage.
- b) As per the said letter, such an arrangement of training of students can be permitted for a period of 3 years for grant of permission by the Central Government for establishment of new medical college and during this period the concerned medical college is expected to take necessary steps to make the clinical material available in the hospital. 3 batches in this college have already been admitted and therefore the institute is not eligible for the said benefit of the arrangement.
- c) The authorities of the new medical college are permitted to utilize the facilities of the District hospital for the purpose of clinical material for teaching where beds of these hospitals should be under the total administrative control of the authorities of concerned college. The STNM hospital, which the institute has proposed to utilize the facilities for the purpose of clinical material is under the administrative and financial control of District Health Authorities of the Govt. of Sikkim and not under the Administrative and financial control of the Dean of the Sikkim Manipal Institute of Medical Sciences. It was also further noted that the staff of the college does not participate in any teaching activities for the STNM Govt. Hospital. It may be noted that no separately demarcated teaching beds are available in the STNM Hospital for the faculty of SMIMS. The entire patients care in this hospital is done by the staff of STNM Hospital only. It is also noted that the STNM Hospital doctors do not contribute to the patient care management in the CR Hospital of SMIMS.

Considering all the above issues, the staff of STNM Hospital as well as the clinical material at that hospital cannot be considered as on the teaching faculty of the Medical College and therefore has not been considered.

7. In central casualty, resuscitation equipment is inadequate as central Oxygen is available only for six beds. Only one cardiac monitor one Defibrillator are available; there is no ventilators in the casualty.
8. Only five major OT available against the requirement of 8 at this stage. There is no CCTV facility available.
9. ICCU is not available. Burns', Paediatric and Obstetric ICUs are not available.
10. There is only one Labour room available with two table for clean cases. No separate labour room is available for septic labour which is not as per norms.
11. CSSD functions only in 1 shift. Staff is inadequate. No nurses are posted in CSSD.
12. Food cart is not available in the central kitchen.
13. The budget, as provided by the institute reveals that the expenditure for the college is reduced by 40% for the academic year 2005-06 over 2004-05.
14. The capacity of one lecture theater is 100 and another is 75 which are not as per Council norms. There is no lecture theater in the hospital.
15. Veterinary surgeon is part time.

16. No technician is posted in the dark room.
17. PHCs Sang, Rangpo and Pakyong and UHC Singtam as are owned by the Government of Sikkim. The college does not have any administrative or financial control. None of these health centers are being used by the college for training and teaching purpose. There is no list of students being posted in the centers available. There are no facilities available for training programme and no accommodation is available. The college does not take active participation in teaching and training the students in UHC/PHC/RHC.
18. Accommodation for Resident Doctors is grossly inadequate as it is available only for 15 against the requirement of 114 at this stage.
19. Accommodation for Nurses is grossly inadequate as it is available for 34 Nurses only. There are no mess facilities though there is a kitchen and dining hall available.
20. Paramedical Staff is inadequate as under:
 - (a) Laboratory Technician: 17
 - (b) Laboratory Assistants: 12
 - © Laboratory Attendants: 26
21. Nursing Staff grossly inadequate as only 71 Nurses are available as under against the requirement of 205 Nurses required at this stage.

Nursing Superintendent	01
Dy. Nursing Superintendent.	01
Staff Nurses	69
22. Demonstration rooms of Anatomy, Physiology, Pathology departments are not as per norms.
23. No clinical Biochemical work is being done in the OPD.
24. Clinical Pathology work is being carried out in the student practical hall.
25. There is no separate cooling cabinet available.
26. Number of books in the departmental libraries of Community Medicine, Psychiatry, Skin & V.D., Radiodiagnosis are inadequate. Some departmental libraries are located in the OPD/Professor's room.
27. There is no separate faculty room provided for any of the clinical departments.
28. Other deficiencies / remarks in the report.

The members of the Executive Committee and of the Adhoc Committee appointed by the Hon'ble Supreme Court also noted that:-

On 4.10.2004, the office of the Council had received a copy of the representation dated 17.9.2004 of approximately 43 doctors of the STNM Hospital Gangtok, made to the Dean of the SMIMS Gangtok - annexing therewith some record of discussion dated 22.9.2004 and a representation dated 28.9.2004 by Sikkim Govt. Doctors Welfare Association made to the Hon'ble the Chief Minister, Govt. of Sikkim. A representation from STNM Hospital, Gangtok pertains to unacceptability of the designations given to doctors of STNM Hospital as faculty members of SMIMS reads as under :-

"1. It has been found that the designations given to many senior doctors as Tutors, Junior Residents, etc. are unacceptable to us. We have filled up all the details as per the format provided by SMIMS and have furnished items like date of award of our degrees, etc.

2. When we had an understanding with SMIMS a year ago, we had agreed to cooperate with the organization as faculty members and we were given the designation of Assistant Professors and Tutors. We take it now that this understanding is broken from your side.

3. We now understand that our positions as faculties will be reviewed every month by the Dean and only then will it be decided whether one can be considered for one's continuation as faculty member. Proposals of monthly monitoring of a faculty and pay per lecture/class is equating us to daily wage workers.

4. The allegation of barring of entry of SMIMS Professor to STNM Hospital is totally false. Such an incident had never occurred in our hospital.

5. So far all the moves are done to suit only one side, that is SMIMS. There have been repeated changes instance by Manipal like proposing to reduce honorariums, changing designations, repeatedly asking to fill up so many forms, calling us down to meet the MCI team.”

The members of the Executive Committee and of the Adhoc Committee appointed by the Hon'ble Supreme Court also noted that with reference to the claim that this institution is having Joint Sector Character with the Govt. of Sikkim, as has been found time and again, does not exist in reality. The STNM Govt. Hospital, on the basis of the actual facts found during the inspection, cannot be treated as a teaching hospital and the consultants employed by the Govt. of Sikkim cannot be treated as a medical teachers towards the fulfillment of minimum requirement by Sikkim Manipal University.

Similarly, nursing staff of the Govt. Hospital cannot be treated as a staff for the medical college of the Sikkim Manipal University as explained hereinabove. It is also to be appreciated that the MCI has not taken any rigid stand as alleged by the college authorities but has insisted for the fulfillment for the required minimum infrastructure, teaching and other facilities in each medical college either run by the Govt. or by any private enterprise. The disregard of the recommendations of the MCI had been a subject matter of debate before the Hon'ble Supreme Court where an order dated 23.9.2003 was passed by the Hon'ble Supreme Court and therefore no further comment is required from the Medical Council of India. There is further no constant recommendations by the Council for discontinuation of this college as alleged and on the contrary despite the stipulation made by the Govt. of India from time to time towards the fulfillment of minimum requirement, the college authorities have failed to do so.

This is also to be seen that recently the Hon'ble Sikkim High Court has passed certain orders directing the MCI to look into the admissions made in this college and submit a report. During that process it had been found that the college authorities are making admissions in the NRI quota to the extent of 33% of the total admissions made by it. This is contrary to the directions of the Hon'ble Supreme Court which do not permit any medical college to make more than 15% of its admissions in the NRI quota. It is to be pointed out that very recently the Hon'ble Supreme Court had declined to approve the action of the State of West Bengal in making 104 admissions in 2 of its Govt. Medical Colleges in the NRI quota on the premise that it has 7 Govt. medical colleges in the State and by applying fixation of 15% the NRI quota, it could 105 students in the NRI quota and therefore it did so by making 104 admissions in 2 medical colleges. These admissions in the NRI quota made by the State authorities of West Bengal had been cancelled by the Hon'ble Kolkata High Court and the Hon'ble Supreme Court permitted only 30 students being 15% of the admissions capacity of 2 medical colleges to continue in the NRI quota. The relevant portion of the order of the Hon'ble Supreme Court dated 29.10.2004 passed in the case of State of West Bengal & Ors. Vs. Mr. Chayan Kumar Roy & Ors. bearing SLP21532-215354/2004 is as under:-

“..... By the impugned judgement, the High Court has quashed the NRI/NRI sponsored quota. In that quota, in two colleges where the total intake of students is 200, 104 students have been admitted under NRI quota which means more than fifty per cent admissions have been granted to students under that quota. Insofar as the merits of the petitioners are concerned, we are of the view that the petitions require deeper examination. Accordingly, we grant leave and direct these matters to be tagged on the matters referred to larger Bench.

Regarding the interim arrangement to be made, we are of the view that no case has been made out to grant complete stay of the impugned judgement of the High Court. However, having

regard to the facts and circumstances of the case, we permit admission to NRI students in these two colleges to the extent of fifteen per cent of the seats, that is, fifteen students in each of the two colleges, out of the 104 candidates who have been granted admission. To this extent, on merits, the admission of 30 students in all can continue subject to further orders that may be passed while disposing of the matter. Those 30 students who are higher in merit would be continued with the admission in two colleges.....”

The Executive Committee of the Council and the Members of the Adhoc Committee appointed by the Hon’ble Supreme Court also noted the contents of the letter dated 07.06.2005 which reads as under:-

No. U. 12012/18/94-ME (P-II)
Government of India
Ministry of Health & F.W.,
Deptt. Of Health

Nirman Bhavan, New Delhi,
Dated 7th June, 2005

The Secretary,
Medical Council of India,
New Delhi.

Subject : Proposal for opening of new medical colleges/renewal of permission for existing medical colleges in the North Eastern region – regarding.

Sir,

I am directed to say that this Ministry has forwarded four proposals for opening of new medical colleges in the North-Eastern region. In addition, there is also the case of grant of renewal of permission to the medical colleges already established at Sikkim. It is expected that the Council would be in the process of considering these proposals at present and that it would be sending its recommendations shortly to the Ministry.

In this connection, the Council may kindly keep in view the fact that the present policy of the Govt. is to promote establishment of higher infrastructure for providing the health care facilities to the people of North-Eastern region, which is at present having only two medical colleges, barring Assam. It may be stated here that promoting establishment of new medical colleges in this region would help in augmenting the medical professionals available in this region for providing the much needed health care to the people of this region which is also the policy of the Govt. presently being emphasized through the National Rural Health Mission. However, it may be appreciated that due to the difficult conditions and the peculiar geographical situation emerging in the region, it has been difficult to attract qualified teaching personnel to this region from other regions of the country. Similarly, the patient load factor also varies from place to place in the region due to varying density of population. In view of this situation, it is felt that the stringent application of the Regulations of the Council while processing the proposals from the N.E. region would stand in the way of the policy of the Govt. for promoting better health care in the region. Therefore, with regard to the proposals from the North Eastern region while assessing the infrastructure facilities, patient load, strength of the teaching and non-teaching staff etc. the council may kindly take into account the ground realities emerging in the region and make its recommendations, if necessary, in relaxation of the existing provisions of the Regulations.

In this regard to the extent, as would not amount to dilution of the prescribed standard of education. For this purpose, the Council may consider

permitting the colleges coming up in the region to share the facilities both infrastructure and the teaching strength in the existing hospitals situated nearby.

Yours faithfully,
Sd/-
(Rajesh Bhushan)
Director

In view of above request, the members of the Executive Committee and of the Adhoc Committee appointed by the Hon'ble Supreme Court, observed that, even after considering the staff of STNM hospital, the deficiency of teaching faculty remains as under:

- (I) The following teaching faculty is still not available, even after considering the staff at STNM Hospital:
- | | | |
|--------------------|---|--|
| a) Professor | : | 1 (Paediatrics) |
| b) Assoc. Prof. | : | 8 (Anatomy-2, Pathology – 1, FMT-1, Medicine-1, Surgery-1, Radiology-1 and Dental-1) |
| c) Asst. Professor | : | 4 (Anatomy – 1, Physiology-1, Pathology-1 PSM – 1) |
| d) Tutors | : | 9 (Anatomy-1, Physiology-1, Pharmacology-1, FMT – 1, PSM – 5) |
- (II) The deficiency pertaining to staff members who cannot be considered as teaching staff of which details are shown in Para 1(iii) remains as it is.
- (III) In view of above, the shortage of teaching staff is more than 20%.

The members of the Executive Committee and of the Adhoc Committee appointed by the Hon'ble Supreme Court, further observed that the deficiency of teaching faculty remains as under for 50 admissions:-

- (A) Teaching Faculty: More than 15 %.
- | | |
|----------------------|---|
| i) Professor: | 1 (Paediatrics 1) |
| ii) Asso. Professor: | 8 Anatomy 1, Forensic Medicine 1, Gen. Medicine 1, Paediatrics 1, iii) Gen. Surgery 1, Orthopaedics 1, Radiodiagnosis 1, Dentistry 1) |
| Asst. Professor | 5 (Epidemiologist 1, Tb & Chest 1, Skin & V.D. 1, Gen. Surgery 1, Dentistry 1) |
| iv) Tutor: | 3 (PSM 3) |
- (B) Residents: More than 30 %.
- | | |
|---------------|--|
| Sr. Resident: | 7 (Gen. Medicine 2, Tb & Chest 1, Skin & V.D. 1, Psychiatry 1, Gen. Surgery 2) |
| Jr. Resident: | 18 (Gen. Medicine 1, Tb & Chest 1, Skin & V.D. 1, Psychiatry 2, Gen. Surgery 3, Orthopaedics 3, Ophthalmology 2, ENT 1, Obst. & Gynaec. 4) |

The members of the Ad-hoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that the matter of the admissions done by this institute for the year 2004-05 is in the Hon'ble High Court of Sikkim and further observed that the institute has admitted 17 students i.e. 33% of the permitted intake of 50 students under the NRI category. They further observed that such a high rate of admission under the NRI and other such similar categories would not promote expectations of Govt. of India, as stated in letter dated 07.06.2005, that in promoting the medical colleges in the NE region would help in augmenting the medical professionals available in this region for providing much needed health care to the people of NE region as it is almost certain that the students being admitted under these categories would be outsiders not having any interest in this region and they would be leaving the region after completing the studies.

However, in view of above request of the Govt. of India and keeping in view of the peculiar requirements of the region, and noting that the Govt. of India had granted renewal of permission for 50 seats for the academic year 2004-05, the members of the Executive Committee and of the Adhoc committee appointed by the Hon'ble Supreme

Court decided to recommend to Govt. of India to grant renewal of permission for 50 (fifty) students for the academic year 2005-06, further requesting the Govt. of India to direct the institute to admit more students from the merit category from Sikkim and NE region and to curtail admissions under the NRI category as per the pronouncement of the Hon'ble Supreme Court in various judgements in the year 2004-05.

90. M.V.J. Medical College & Research Hospital, Bangalore – Renewal of permission for admission of fresh batch of students for the academic session 2005-06.

Read : The Council Inspectors report (12th & 13th May, 2005) for renewal of permission for admission of fresh batch of students for the academic session 2005-06 at M.V.J. Medical College & Research Hospital, Bangalore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 11th - 12th May, 2005 and noted the following:-

1. The shortage of teaching staff required at present stage is as under:-

(a) The following staff members cannot be considered as teaching staff members due to reasons shown against each:

#	Name	Designation	Department	Remarks
1	Dr. Vasanth Samaga	Lecturer (BioPhysics)	Physiology	The teaching experience shown is as guest faculty for 1 year each in GM College Goa and PESIMS Kuppam. Not eligible as lecturer as he does not possess the requisite experience of 3 years as Tutor.
2.	Dr. Sudhir Hebbar	Assistant Professor	Psychiatry	Not eligible as Assistant Prof. as he does not possess the requisite academic qualifications.
3.	Dr. Radha Krishnan A.P.	Assoc. Prof.	Anaesthesia	Not eligible as Associate Professor as he does not possess 5 yrs. Teaching experience as Asstt. Prof. as required as per regulations.

(b) The following faculty cannot be considered as they have presented at other medical colleges at the time of inspection for the academic year 2005-2006 as shown below:

#	Name	Designation	Dept.	Remarks
1.	Dr. B S Rathana	Professor	Anatomy	He has also presented at MVJ Medical College, Bangalore at the inspection on 12.05.2005 for the inspection for academic year 2005-2006. He cannot be considered as a teacher at this college.

(c) The shortage of faculty is 7% as under:-

(i) Professor : 1 (1- ENT)

(ii) Associate Professor: 3 (1 TB & Chest, 1 Psychiatry & 1 Anaesthesia)

(iii) Assistant Professor: 4 (1 Anatomy, 1 Physiology, 1 Forensic Medicine, 1 Psychiatry)

2. Land: The total area of college and hospital is 26.5 acres divided into 3 separate parts viz. 12, 8 and 6.5 acres respectively. The 12 acres sub-plot of land in which college is located is behind another 8 acre sub-plot where hospital is located. These two sub plots are separated by a village road. The 3rd plot of land of 6.5 acre is across NH 4 Highway where presently there is no construction. The Medical College occupies a 3 storied building in the sub-plot of 12 acres. The hospital is located in a 5-storied building in another subplot of 8 acres.

3. Teaching hospital: There is a deficiency of 100 teaching beds as under:

Speciality	Required Beds	Present Beds	Deficiency
Medicine & Allied Specialities	120	93	27
General Medicine	60	50	10
Paediatrics	20	12	08
TB & Chest	10	07	03
Skin & VD	10	07	03
Psychiatry			
Surgery & Allied Specialities			
<u>General Surgery</u>	120	93	27
Orthopaedics	60	50	10
Ophthalmology	20	16	04
ENT	20	16	04
Obstetrics & Gynaecology	36	32	04
Obstetrics & ANC	24	24	
Gynaecology			
Grand Total	500	400	100

Composition of clinical units is not as per Council requirement.

4. Clinical Material is inadequate in terms of O.P.D. attendance, surgical operations, deliveries and X-rays investigations as under:-

	Daily Average	Day of Inspection (12/05/05)
O.P.D. attendance	615	756
Operative work		
Number of major surgical operations	4	6
Number of minor surgical operations	5	12
Number of normal deliveries	1	-
Number of caesarian Sections	*	-
<u>Radiological Investigations</u>	O.P. + I.P.	O.P. + I.P.
X-ray	29	20
Ultrasonography	10	6
Special Investigations	2	2
C.T. Scan	-	-

Only 10 deliveries conducted from 1st May, 2005 to 12th of May 2005 and were duly verified from birth register.

Number of operations and X-ray investigations are not commensurate with the attendance of outdoor and indoor patients as claimed by the college and are grossly inadequate.

- O.P.D. and indoor registration counters are not computerized and not cross linked with outdoor registration numbers. A computer is available in medical records section but it is not functional.
- Only 8 operation theatres having total of 8 tables against the requirement of 10 at this stage. Even out of these available O.T.s, only 4 OTs are functional at present which is inadequate as per norms. TV with camera attachment is not available. Resuscitation and monitoring equipment is shared by the different O.T.s. which is not as per norms.
- Only space is earmarked for medical and surgical ICU. They are not equipped and non-functional at present.
- Only 1 labour room is available which is not adequate as per norms. Eclampsia room and septic labour room are not available.
- In Radiology department, there is deficiency of 4 mobile units and of CT Scan.
- Glove inspection machine and instrument washing machine are not available in CSSD.
- EPABX is yet to be installed.
- Accommodation for Residents is inadequate as it is available only for 61 against for 114 required at this stage.
- Nurses' hostel is inadequate.

14. Nursing staff is inadequate as under:
 Nursing Superintendent: 01
 Deputy Nursing Superintendent: 01
 Matron: 01
 Asstt. Nursing Superintendent: 01
 Nursing Sisters: 04
 Staff nurses: 134
15. No post mortems are conducted in the mortuary.
16. Number of books in the departmental library of Tb & Chest, Skin & V.D., Psychiatry, Oto-Rhino-Laryngology and Radio-Diagnosis are inadequate.
17. Blood Bank is presently not functional.
18. Other deficiencies / remarks in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of fresh batch of MBBS students for the academic session 2005-06 at MVJ Medical College & Research Hospital, Bangalore.

91. Subharati Medical College, Meerut – Renewal of permission for admission of 6th batch of MBBS students for the academic session 2005-06.

Read : The Council Inspectors report (3rd & 4th May, 2005) for renewal of permission for admission of 6th batch of MBBS students for the academic session 2005-2006 at Subharati Medical College, Meerut.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report on 3rd - 4th June, 2005 and noted the following:-

1. (a) The shortage of teaching faculty is 13.6%
 - i) Professor 01 (Forensic Medicine)
 - ii) Associate Professor 13 (02 Anatomy, 02 Physiology, 01 Biochemistry, 01 Pharmacology, 02 Pathology, 01 Microbiology, 01 Community Medicine, 02 General Medicine, 01 Paediatrics)
 - iii) Assistant Professor 01 (Radio-diagnosis)
 - iv) Tutor 01 (Pharmacology)
- (b) No TDS forms, relieving orders and proof of residence have been submitted with the declaration forms for most faculties. Salary statement submitted with sub declaration forms is unsigned.
- (c) Most of the clinical faculty was working only upto 2 p.m in the medical college and is allowed private practice thereafter.
2. B.R. Ambedkar university had earlier affiliated the college for the academic year's 2003-04. It was valid upto 1st July, 2004. Ch. Charan Singh University, Meerut has granted No Objection Certificate for university affiliation to the college for the year 2005-06. Affiliation for 2004-05 has not been granted till date by either B.R. Ambedkar University or by Ch. Charan Singh University.
3. Available Clinical material is inadequate in terms of operative work load, number of deliveries and laboratory investigations on the day of inspection as under:-

	Day of Inspection
O.P.D. attendance	510

Operative work	
Number of major surgical operations	02
Number of minor surgical operations	03
Number of normal deliveries	1
Number of caesarian Sections	-
<u>Radiological Investigations</u>	O.P. +I.P.
X-ray	63
Ultrasonography	28
Special Investigations	9
C.T. Scan	1
<u>Laboratory Investigations</u>	
Biochemistry	178
Microbiology	11
Serology	09
Parasitology	07
Haematology	242
Histopathology	1
Cytopathology	2
Others	-

The OPD figures could not be verified as the account record for the same was not made available.

4. Only 5 operation theatres are available against the requirement of 10 O.Ts at this stage. Resuscitation and monitoring equipment is shared by different O.Ts.
5. There is no separate Medical, Surgical, Paediatrics & Obst. & Gynaec. ICU as required as per Norms.
6. Space and equipment for blood bank is available. The college has applied for a blood bank license and the license is awaited. It is functional under the department of Pathology. The Institute is running the blood bank without any valid license.
7. Boys and Girls hostels are used both by Medical college and Dental college students.
8. Presently there is no drug store in the hospital. The earlier drug store was found to be locked and inspection team was informed that it has been closed down since license of drug store was not available.
9. No training courses were held by the medical college during the year 2004-05. Thus the Medical education unit is not functional.
10. Other clinical departments like Medicine, Paediatrics, and Obstetrics & Gynaecology do not participate in the outreach teaching programmes organized by the PSM department. No audiovisual aids have been provided in RHTC. On the day of inspection there was no indoor patient. Only one delivery per week is conducted in the center.
11. Indoor registration counter is not cross linked with outdoor registration numbers. The staff of medical record section needs to be drawn in ICD X classification.
12. The Museum in the Pharmacology department has nil photographs and nil laminated charts.
13. No medico-legal post mortems are conducted.
14. Surgical laboratory in the department of Community Medicine is non-functional.
15. The number of books in the departmental library of Medicine, TB & Chest, Skin & V.D., Psychiatry and ENT are inadequate as per Council norms.
16. Other deficiencies/remarks are in the report.

In view of above, and Govt. of India letter dt. 15/3/2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s. UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the regulations, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Government not to renew the permission for admission of 6th batch of MBBS students for the academic session 2005-06 at Subharati Medical College, Meerut.

92. Increase of MBBS seats from 65 to 100 at Mahatama Gandhi Instt. of Medical Sciences, Sevagram, Wardha.

Read : The letter received from the Dean, Mahatama Gandhi Instt. of Medical Sciences, Sevagram, Wardha requesting that the inspection by the MCI for increase of MBBS seats from 65-100 at the college may be kept in abeyance.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the Central Government vide letter dated 2nd March 2005 had forwarded compliance submitted by the authorities of Mahatama Gandhi Institute of Medical Sciences, Sevagram, Wardha vide letter dated 23rd February 2005 for consideration. Inspection of the college to assess the infrastructure and other teaching and training facilities available at the college for the proposed increase of seats was to be carried out on 13.06.2005 and 14.06.2005. However, a letter dated 10th June 2005 was received from the Dean of the College stating that vide Letter No. C/Gen/7363, dt. 23rd February 2005 they had brought down staff shortage from 8.44% to 5.19%.. However, since then some of the college staff particularly in the first MBBS departments, and in TB & Chest Diseases, have left and therefore they are not able to meet the 5% target fixed by the Council. It was requested that this inspection may be kept in abeyance.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the applicant trust has requested to postpone the inspections to be kept in abeyance beyond 15th June. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to return the application to the Central Govt. recommending to disapprove the scheme for increase of MBBS seats from 65 to 100 at Mahatama Gandhi Institute of Medical Sciences, Sevagram, Wardha received u/s 10A of the IMC Act.

93. K.J. Somaiya Medical College, Mumbai- Renewal of permission for admission of 4th batch of MBBS students against the increased intake i.e. from 50 to 100 for the academic session 2005-06.

Read: The compliance submitted by the authorities of K.J. Somaiya Medical College, Mumbai through the Central Govt. on the deficiencies pointed out in the inspection report (April, 2005) and requested to postpone the compliance verification inspection till middle of July, 2005.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the Central Government vide letter dated 13th June, 2005 had forwarded compliance submitted by the authorities of K.J. Somaiya Medical College, Mumbai vide letter dated 8th June, 2005 for consideration. Inspection of the college to assess the infrastructure and other teaching and training facilities available at the college for the proposed increase of seats was to be carried out on 14.06.2005 and 15.06.2005. However, a letter dated 13th June 2005 was received from the Dean of the College requesting that inspection may be postponed to middle of July, 2005.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee noted that the college has requested to postpone the inspections to be postponed beyond 15th June. In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar V/s UOI & Ors. requesting the Council to strictly adhere to the time schedule prescribed under the Regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of

the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the Members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of students against increased intake from 50 to 100 for year 2004-05.

(Lt Col (Retd) Dr. A.R.N. Setalvad)
Secretary

New Delhi, dated the
14th & 15th June, 2005

A P P R O V E D

(Dr. P.C.Kesavankutty Nayar)
President (Acting)
