The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigation in all such cases. It was also observed that in the complaint to be sent

to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided to take appropriate action be taken against these Doctors in accordance with Professional Conduct (Etiquette and Ethics) Regulations, 2002.

- (b) Dr. Suresh Kumar T, Assoc. Prof., Pathology has worked at more than one medical college during the inspection carried out by the MCI for the academic year 2006-2007 as under:-

Name of the college	Date of joining	Date of inspection

- 7. In the clinical departments, the CCTV deficiency in operation theatre area which was pointed out in the last inspection continues to persist. The Ophthalmology O.T. is not air-conditioned.
- 8. Other deficiencies/remarks in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to issue Letter of Permission for establishment of new medical college at Davangere by Bapuji Educational Association, Davangere, Karnataka u/s 10A of the I.M.C. Act,1956.

22. Establishment of new medical college at Thiruvananthapuram by Dr. K.N. Pai Heart Foundation, Trivandrum.

Read : The Council Inspectors report (3rd & 4th March, 2006) for Establishment of new medical college at Thiruvananthapuram by Dr. K.N. Pai Heart Foundation, Trivandrum u/s 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (3rd & 4th March,2006) and noted the following:-

- 1.(a) In relation to certain Declaration Forms submitted on behalf of the Medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars

regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the degree/experience certificates submitted by them are forged as shown below:

#	Name	Designation	Department	Remarks
1.	Dr. Ananth Desikacharlu	Assoc.Prof.	Anatomy	In his declaration form, he has claimed that he has worked at M.S. Ramaiah Medical College, Bangalore as Astd.Prof. for 5 years 11 months, and as Assoc.Prof. for 1 year 2 months. M.S. Ramaiah Medical College & Hospital, Bangalore in its letter has stated that he has not worked at all in the institution. Thus, he has submitted a false and forged experience certificate and therefore cannot be accepted as a teacher.
2.	Dr. Adimoorthy Manickam	Assoc.Prof.	Physiology	In his declaration form, he has claimed that he has worked at Sri Devraj Urs Medical College, Kolar as Astd.Prof. from 3.2.1992 to 6.6.1997 and as Assoc.Prof. from 20.7.1997 to 8.12.2001 at Perundurai Medical College & Research Centre. Both Devraj Urs Medical College, Kolar and Perundurai Medical College & Hospital, Tamilnadu in their letter have stated that he has not worked at all in the institutions. Thus, he has submitted false and forged experience certificates and therefore cannot be accepted as a teacher.
3.	Dr. Amirthakatesan S.	Professor	Anatomy	In his declaration form, he has claimed that he has worked at Christian Medical College, Vellore as Astd.Prof. from 10.6.1991 to 15.12.1996. Christian Medical College, Vellore in its letter has stated that he has not worked at all in the institution. Thus, he has submitted a false and forged experience certificate and therefore cannot be accepted as a teacher.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigation in all such cases. It was also observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided to take appropriate action be taken against these Doctors in accordance with Professional Conduct (Etiquette and Ethics) Regulations, 2002.

(b) 20 to 30% of the patients in Medicine, Orthopaedic and Obst. & Gynae. were of little clinical importance.

3 Audiologist is not available in the audiometry room.

4 Location of the nursing station in some wards is not proper, as a result of which the nurses are not in a position to look after the patients.

5 Side laboratories in the wards are not functional.

6. Two halls in girls hostel are currently not furnished.

7. Total accommodation available is only for 40 nurses.

8. ICD X classification of diseases is not followed for indexing. Follow up service is not available.

9. There is no central laundry.
10. In the OT, TV with camera attachment is not available. C. Arm is not available.
11. Computers in OPD are not cross linked with medical-record department and casualty.
12. Other deficiencies/remarks in the report.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that even for the previous academic year 2005-06 in respect of this institution it was observed that the following teachers had submitted forged degree/experience certificates as under:-

#	Name	Designation	Department	Remarks
1	Dr. T. Rajeshwar	Asso. Prof.	Physiology	In declaration form, he has shown experience at Vinayaka Mission College, Salem from February 1998 - October 2003 as Asst. Prof. Vinayaka Mission's College, Salem has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Associate Professor.
2	Dr. Rama Devi	Asso. Prof.	Pathology	In declaration form, she has shown experience at Christian Medical College, Vellore from June 1995 - February 2002 as Asst. Prof. Christian Medical College, Vellore has stated that she has never worked in their college. Thus the experience certificate submitted by her is forged and that experience cannot be considered. She is not eligible to be considered as Associate Professor.
3	Dr. S. Ramesh Sounder Rajan	Asso. Prof.	Microbiology	In declaration form, he has shown experience at Vinayaka Mission Medical College, Salem from May 1996 - March 2002 as Asst. Prof. Vinayaka Mission Medical College, Salem has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Associate Professor.
4	Dr. V. Karthikeyan	Professor	Biochemistry	In declaration form, he has shown experience at Sri Ramachandra Medical College, Chennai from June 1992 - June 1997 as Asst. Prof. & from June 1997 - June 2001 as Asso. Prof. Sri Ramachandra College has stated that he has never worked in their college. Thus the experience

				certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Professor.
5.	Dr. K. Rajsekharan	Professor	Anatomy	He possesses only 2 years 10 months experience as Associate Professor. His experience in the University of Seychelles cannot be considered. Also, in the declaration form, he has shown experience at Christian Medical College, Vellore from June 1993 - December 1995 as Asst. Prof. Christian Medical College, Vellore has stated that he has never worked in their college. Thus the experience certificate submitted by him is forged and that experience cannot be considered. He is not eligible to be considered as Professor as he does not possess 4 years experience as Assoc. Prof. as required as per regulations and also as experience certificate submitted by him is forged.

It was observed that the authorities of this College have been found to be continuously indulging in misleading the Council on the basis of the fabricated and false documents. The college authorities had indulged in such impermissible activities even in the previous year, i.e. 2005-06. Whereas in the last inspection in the year 2005-06, as stated above, declaration forms with reference to 5 claimed medical teachers had been found to be false and misleading, in the present inspection insofar as 15 claimed medical teachers are concerned, the declaration forms are false and misleading and with reference to 4 other claimed medical teachers, they have not been found to be eligible either on the ground that they are not working on full-time basis or they do not possess the requisite teaching experience.

It is to be observed that the Council had framed a declaration form to be signed by each of the medical teacher claimed to be employed by the applicant college. Such declaration forms are required to be filled-in by the candidates concerned giving their full particulars of educational qualification, teaching experience etc. and to be duly signed by them with the clear understanding that each statement made by them in the declaration form is honest and true and for any incorrect or untrue statement, they shall be held responsible. When it had been observed by the Council that this condition of filling-up of the declaration forms was also not deterring the false claims to be lodged with the inspection team with regard to employment of requisite number of medical teachers, it was then stipulated that the Principal/Dean of the College should be required to endorse the declarations made by each of the medical teacher claiming to be in the employment of the applicant college and in the event the declaration forms are found to be false and incorrect, apart from the teacher concerned submitting the declaration form, the Principal/Dean of the College and the college authorities would also be held responsible for such false declaration forms.

It also deserves to be appreciated that the inspection team of the Council comprising of 3 medical professionals (one being the permanent inspector of the Council and two eminent medical professionals drawn from Govt. Medical Institutions) visit the applicant colleges only for a duration of 1-2 days for conducting the inspection. They cannot perform their job efficiently if they are faced with false declaration forms and presence of persons at the time of inspection who are not even medical teachers. Thereafter, the inspection reports are required to be considered by the Executive Committee of the Council. It becomes almost impossible either for the inspection team or for the Executive Committee of the Council to investigate the correctness of each of the declaration forms like an investigating agency when each of the medical teacher claiming to be in the employment of the applicant college is expected and

obliged to submit a true declaration enabling the Council to discharge its statutory responsibilities without any deception or deceit.

In the last couple of years, it has been observed that despite all bonafide efforts being continuously taken by the Council to curb such temptations on the part of the applicant colleges to submit false declaration forms and present persons who are neither eligible nor genuine for fulfilling the minimum requirements of requisite number of medical teachers, the job of the Council is becoming difficult and difficult day by day.

The situation, therefore, deserves to be handled deftly and with strong and meaningful action. The Council is considering for having appropriate regulations whereunder if an applicant college is found to be indulging in such malpractice year after year, i.e., in successive inspections it has been found to be submitting false declaration forms with the endorsement of Principal/Dean of the applicant college, the college should stand debarred from consideration for a period of 2-3 years from seeking any permission u/s 10A of the Indian Medical Council Act, 1956.

In the present case, this college has been found to be submitting and placing reliance on false declaration forms even in the year 2005-06. The Council had recommended disapproval to the Central Govt. and also lodged complaints with the Police authorities for appropriate action. However, Central Govt. had sent it back the same application to the Council for consideration for the academic year 2006-2007.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were further of the opinion that submission of declaration forms without any proper verification by the management with respect to the experience certificates submitted by the teachers is a recurring feature in this institute and which should be discouraged by awarding an exemplary punishment.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, were clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigations in all such cases. It was observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided that appropriate action be taken against these Doctors in accordance with Professional Conduct (Etiquette and Ethics) Regulations, 2002. Thus it can be seen that the Council has taken every possible action to deal with such situation.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the scheme for establishment of new medical college at Vikarabad by Bhagwan Mahavir Memorial Trust, Hyderabad u/s 10A of the I.M.C. Act, 1956 for the academic session 2006-07.

In addition to the above including recommendation for disapproval of the scheme of the applicant college, it is also recommended that the Central Govt. may consider debarring this college from any further consideration u/s 10A of the Act for a period of 2-3 years and for any further appropriate action by the Central Govt. to curb this menace.
