3. Pending items arising out of the decisions taken by the Executive Committee.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the list of pending items arising out of the decisions taken by the Executive Committee.

While deliberating on this issue, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided that there should be a meeting of the Executive Committee exclusively for considering the pending items arising out of the decisions taken by the Executive Committee. As such, first meeting is proposed to be held on 21st June, 2008 at Bangalore.

4. Kalinga Institute of Medical Sciences, Bhubaneswar, Orissa - Renewal of permission for admission of 2nd batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (16th & 17th April, 2008) for renewal of permission for admission of 2nd batch of students for the academic session 2008-2009 at Kalinga Institute of Medical Sciences, Bhubaneswar, Orissa.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (16th & 17th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of 100 (Hundred) MBBS students at Kalinga Institute of Medical Sciences, Bhubaneswar, Orissa for the academic session 2008-2009.

Advisory Note: The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council while considering this matter observed that histopathology investigations are very low. It was decided to advise the institute to send the compliance with regard to histopathology investigations done at the institute.

5. Govt. Medical College, NDMC, Jagdalpur – Renewal of permission for admission of 3rd batch of students for the academic session 2008-09.

Read : The Council Inspectors report (17th & 18th April, 2008) for renewal of permission for admission of 3rd batch of students for the academic session 2008-09 at Govt. Medical College, NDMC, Jagdalpur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (17th & 18th April, 2008) for renewal of permission for admission of 3rd batch of students and observed the following:-

1. The shortage of teaching staff required at present stage is as under:-

(a) The shortage of teaching faculty is 15.66% (13 out of 83)

- i) Professor-6 (1 Physio, 1 Micro, 1 FMT., 1 Paed., 1 Ortho, 1 RDG.)
- ii) Associate Professor-5 (1 Anat., 1 Pharma, 1 Micro, 1 Paed, 1 RTG)
- iii) Assistant Professor -2 (1 Bioch., 1 OBGy)
- iv) Tutor Nil

(b) The shortage of Residents is 45% (32 out of 71) as under :-

- i) Sr. Resident-15 (2 Med., 1 Paed, 1 TB chest, 1 Derma, 1 Psy. 3 G.Surg. 1 Ortho, 1 ENT, 3 Anaest., 1 RDG)
- ii) Jr. Resident- 17 (2 Med. 2 Paed, 1 TB chest, 2 Derma, 1 Psy. 2 G. Surg., 3 Ortho, 1 ENT, 1 Ophth. & 2 OBG)

2. The following deficiencies are observed in the infrastructure of pre-clinical departments:-
 - a) There is non availability of power supply and fans in some departments
 - b) Practical work is being affected due to the non availability of power.
 - c) The faculty deficiency existing in the departments has been mentioned in the main report.
 - d) There is no gas pipe line in biochemistry department.
3. The following deficiencies are observed in the infrastructure of Para-clinical departments:-
 - a) There is non availability of power supply and fans in some departments
 - b) Practical work is being affected due to the non availability of power.
 - c) The faculty deficiency existing in the departments has been mentioned in the main report.
 - d) The histopathology & cytopathology services need to be started in the department.
4. Clinical Material is inadequate as under:-

	Daily Average	Day of Inspection
O.P.D. attendance	488	387
Operative work	14	-
Number of major surgical operations	39	-
Number of minor surgical operations	7	9
Number of normal deliveries	2	-
Number of caesarian Sections		
<u>Radiological Investigations</u>		
X-ray	47	47
Ultrasonography	15	7
Special Investigations	-	-
C.T. Scan	8	2
<u>Laboratory Investigations</u>		
Biochemistry	67	34
Microbiology	16	8
Serology	31	11
Parasitology	62	5
Haematology	131	95
Histopathology	-	-
Cytopathology	-	-
Others	-	-

5. In the hospital the space provided in the OPD is not adequate for waiting or examination or teaching purposes. In O.P.D. teaching facilities like patient couch, stools are not provided in all rooms. X-ray view box is not provided in all the rooms. No speciality is provided with teaching areas for students. Adequate space for teaching is not available in the OPDs of major departments like Medicine, Surgery, Pediatrics, Obstetrics & Gynaecology and Orthopedics.
6. The lecture theaters available in the college & hospital are of level type. No separate lecture theatres are present in the hospital. Only 2 seminar rooms are available in the hospital. Audio-visual aids facilities are not available in Hospital lecture theatres. During the last inspection, two lecture theatres had been shown with a capacity of 100 each. One of the lecture halls have been split into two halls of 50 seats each to make the number of lecture halls as three.
7. Common room for boys and girls is not available. The girls common room is labeled as being there, but it is has a seminar table placed there and is being used as a seminar room by the college council for its meetings.

8. Animal house does not have facilities for experimental work. Facilities for carrying out minor surgical procedures are not available.
9. Accommodation is available only for 87 students against the requirement of 150 at this stage, as per Regulations.
10. Residents & Nurses Hostel are not available.
11. The boys hostel does not have common room.
12. Residential quarters are not available in the campus.
13. In Wards clinical demonstration areas are not provided with audio-visual aids or other teaching facilities. Teaching facilities need to be augmented.
14. Registration and Medical Record Section is not computerized and is not cross linked with outdoor registration numbers.
15. Central oxygen supply or central suction facilities are not available in central casualty. No defibrillator, disaster trolley or crash carts are available in the casualty.
16. Clinical Laboratories: It is under the control of no specific department and has Pathology, Microbiology and Biochemistry sections. Each section is supervised by the concerned department. Each section is having required equipment but all equipments are not fully operational. The laboratory tests are not done in the college departments. Histopathological and Cytopathology services are not available in the college or the hospital.
17. Operation theatre unit: There are 5 operation theatres having total 7 tables against the requirement of 8 operation theatre at this stage. More than 1 table in an O.T. is also not as per norms. 2 of the OTs are not air conditioned. The OTs do not have central oxygen & nitrous oxide supply or central suction. Post operative ward is not available. There are no Post-operative recovery room or post operative wards within O.T complex. In OT.s TV with camera attachment is not available. Resuscitation and monitoring equipment is shared by the different OT.s. No common post-operative ward is available.
18. Central sterilization department is under renovation. Currently the auto claving is done in OT itself. One horizontal & one vertical autoclave is available.
19. Intercom facilities are not available for the college. Limited intercom facilities are available in the hospital.
20. Central laundry: Central Laundry is under renovation, the equipments for which have been purchased & procured but have not been installed due to the renovation. The equipment purchased includes three mobile tubs, one sluice machine & one steam press is lying in the store of the college.
21. Kitchen: The Kitchen is L.P.G. Type. The vegetarian food is supplied free of cost to about 150 patients /day. No dietitian is available
22. Canteen is not available.
23. Incinerator is not available. The medical based is being incinerator by Red Cross Society, Jagdalpur by MOU.

24. Nursing Staff is inadequate as under:-

Nursing Superintendent:	2
Deputy Nursing Superintendent:	Nil
Matron	2
Asstt. Nursing Superintendent	Nil
Nursing Sister	20
Staff nurses	104

25. Anatomy department has only two cadavers. No separate rooms for departmental library. The number of books in the library is 64 which is inadequate. There is a museum but with no specimens available. Band Saw is not available
26. Physiology department has no separate room for library. There is no power supply in the department hence none of the rooms have tube lights. No fans have been provided in the seminar rooms or in the laboratories. Due to lack of power supply the practical training is suffering.
27. Biochemistry Department: The ratio of non-medical staff is 100%. There is no separate demonstration room. No gas pipe line is available in the laboratory. The students are using spirit lamps for doing the practicals. The Departmental library has 86 books but no separate reading area for the library. There is no separate room for the departmental library.
28. Pharmacology Department: There is no separate reading room in the department. There is no power supply in the department hence none of the rooms have tube lights. No fans have been provided in the seminar rooms or in the laboratories. Due to lack of power supply the practical training is suffering.
29. Pathology Department: There is no separate reading room in the department. There is no power supply in the department hence none of the rooms have tube lights. No fans have been provided in the seminar rooms or in the laboratories. Due to lack of power supply the practical training is suffering.
30. Microbiology Department: Service laboratories for serology, virology, parasitology, mycology and tuberculosis are not available. Immunology work is carried out in Serology laboratory. The departmental library cum seminar room) has 80 books but no separate reading area. There no museum available in the department. There is no separate reading room in the department. There is no power supply in the department hence none of the rooms have tube lights. No fans have been provided in the seminar rooms or in the laboratories. Due to lack of power supply the practical training is suffering. Proper waste disposal methods need to be followed.
31. Forensic Medicine Department: The museum is available but has only charts. No specimens are available in the Museum. The departmental library has 80 books but no separate reading area. The mortuary is located in a separate building but is in a primitive state. No freezer or viewing gallery is available. No separate reading room is available. The department needs to add specimens to the museum.
32. Community Medicine Department: There are Two PHC's, One RHTC, & One UHTC but none of them are under the direct administrative or financial control of the college which is not as per norms.
33. Other deficiencies as pointed out in the inspection report.

In view of the above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of MBBS students for the academic year 2008-09 at Govt. Medical College, NDMC, Jagdalpur.

6. Shadan Institute of Medical Sciences, Research Centre & Teaching Hospital, Peerancheru, – Renewal of permission for admission of 4th batch of students for the academic session 2008-09.

Read: The Council Inspectors report (17th & 18th April, 2008) for renewal of permission for admission of 4th batch of students for the academic session 2008-09 at Shadan Institute of Medical Sciences, Research Centre & Teaching Hospital, Peerancheru.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (17th & 18th April, 2008) and noted the following: -

1. The shortage of teaching staff required at present stage is as under:-
 - (a) The shortage of teaching faculty is 16.37%(28 out of 171)
 - i) Professor-3 (TB & Chest-1, Ophthalmology-1, ENT-1)
 - ii) Associate Professor-11 (2-Anatomy, 2-Phy., 2-Pathology, 1- Forensic Med., 1-PSM, 1-Psychiatry, 1-Surgery and 1-Dentistry)
 - iii) Assistant Professor -14 (3-Anatomy, 2-Phy., 2-Pharmacology, 1- Pharmaceutical Chemist, 3-Pathology, 1-Microbiology, 1-PSM and 1-Statistician)
 - iv) Tutor Nil
 - (b) The shortage of Residents is 0.8% (1 out of 115) as under :-
 - i) Sr. Resident-1 (1-Anaesthesia)
 - ii) Jr. Resident- Nil
2. Clinical Material is inadequate in terms of OPD attendance (863 daily average, 891 on the day of inspection) against the requirement of 1050 at this stage.
3. At RHTC Hydershah Kote, hostel/messing facilities are not available. Audiovisual aids have not been provided. Labour room/minor O.T. is not available.

12. Shri Ram Murti Smarak Institute of Medial Sciences, Bareilly – Renewal of permission for admission of 4th batch of students or the academic session 2008-09.

Read : The Council Inspectors report (29th & 30th April, 2008) for renewal of permission for admission of 4th batch of students for the academic session 2008-2009 at Shri Ram Murti Smarak Institute of Medial Sciences, Bareilly.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (29th & 30th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 (Hundred) MBBS students at Shri Ram Murti Smarak Institute of Medial Sciences, Bareilly for the academic session 2008-2009.

13. Establishment of a new medical college at Kanpur, U.P by Rama Educational Society, Kanpur, Uttar Pradesh.

Read : The Council Inspectors report (22nd & 23rd April, 2008) for establishment of a new medical college at Kanpur, U.P by Rama Educational Society, Kanpur, Uttar Pradesh.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (22nd & 23rd April, 2008) along with the letter received from the Council Inspectors dated 12.05.2008 and noted the following: -

- 1.(a) The following faculty were not counted while computing faculty deficiency for reasons given as under:-

Sr. No.	Name of the Faculty	Designation	Department	Remarks
1.	Dr. Sanjay Kumar Sharma	Demonstrator	Microbiology	The incumbent has certified at the time of verification that the photocopy of the driving license enclosed in the Declaration Form does not belong to him, which has been counter signed by the Dean. Not counted.
2.	Dr. Salil Kumar Srivastava	Assoc. Prof.	Pharmacology	He has certified at the time of verification that he appeared for inspection in Pallakad, Kerala in the last inspection on 18 th October, 2007. Not counted.
3.	Dr. Ambrish Kumar Gupta	Asst. Prof.	Pharmacology	He is also teaching in Rama Dental College. Not counted.
4.	Ms. Nivedita Singh	Demonstrator	Biochemistry	Her signature on the Declaration Form did not tally with her own signatures at the time of verification. This statement is accepted and signed by her and counter signed by the Dean. Not counted.

5.	Dr. Ashutosh Kumar	Demonstrator	Physiology	His signature on the Declaration Form did not tally with his own signatures at the time of verification. This statement is accepted and signed by him and counter signed by the Dean. Not counted.
6.	Dr. Vinit Kumar Verma	Demonstrator	Physiology	His signature on the Declaration Form did not tally with his own signatures at the time of verification. This statement is accepted and signed by him and counter signed by the Dean. Not counted.
7.	Dr. Ashish Yadav	Demonstrator	Physiology	Apparently, he did not seem to be a doctor. As per the Declaration Form, he has done his MBBS from LLRM Medical College. On questioning, he did not know where LLRM Medical College is located. This statement is counter signed by the Dean. Not counted.
8.	Dr. Chandra Shekhar Verma	Demonstrator	Anatomy	His signature on the Declaration Form did not tally with his own signatures at the time of verification. This statement is accepted and signed by him and counter signed by the Dean. Not counted.
9.	Dr. Saurabh Agarwal	Demonstrator	Anatomy	His signature on the Declaration Form did not tally with his own signatures at the time of verification. This statement is accepted and signed by him and counter signed by the Dean. Not counted.
10.	Dr. Manoj Kumar	Demonstrator	Anatomy	His signature on the Declaration Form did not tally with his own signatures at the time of verification. This statement is accepted and signed by him and counter signed by the Dean. Not counted.

- (b) In view of above, the shortage of teaching staff are as under:-
- (i) The shortage of teaching faculty is 16.6% (i.e. 11 out of 66) as under:-
- | | | | |
|------|---------------------|---|--|
| i) | Professor | | Nil |
| ii) | Associate Professor | 3 | (Physiology -1, Biochemistry -1 & Pharmacology -1) |
| iii) | Assistant Professor | 2 | (Anatomy -1 & Gen. Surgery -1) |
| iv) | Tutor | 6 | (Anatomy -3 & Physiology -3) |
- (ii) The shortage of Residents is 13.9% (i.e. 6 out 43) as under :-
- | | | | |
|-----|--------------|---|--|
| i) | Sr. Resident | 2 | (Gen. Surgery -1 & Orthopaedics -1) |
| ii) | Jr. Resident | 4 | (General Medicine -2, Paediatrics -1 & General Surgery -1) |
2. Clinical Material is inadequate in terms of bed occupancy (83% daily average and 52% on the day of inspection)
- Though the institution has claimed 92% bed occupancy on the day of inspection, on scrutiny, it was found that only 178 patients were actually present and out of these 22 patients did not merit admission. Thus, only 156 patients were counted giving bed occupancy of 52%.
 - Some of the patients in the major departments did not merit admission. The school children were brought in the Paediatrics OPD and were also admitted in the Paediatrics ward without any ailments. The patients in surgery department were retained without any apparent reasons.
 - Some of the case sheets did not show any treatment note.
 - Wards did not have the facilities for emergency resuscitation.
 - The ward staff nurses did not appear to be trained to provide medical care and maintain records.
3. Other deficiencies/remarks are in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. to disapprove the scheme for establishment of new medical college at Kanpur, U.P by Rama Educational Society, Kanpur, Uttar Pradesh u/s 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigations in all such cases. It was observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that all those cases where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided that appropriate action be taken against these Doctors and the Principal of the college in accordance with Professional Conduct (Etiquette and Ethics) Regulations, 2002.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council also decided that including recommendation for disapproval of the scheme of the applicant college, the Central Government may consider debarring this college from any further consideration u/s 10A of the Act for a period of 2-3 years and for any further appropriate action by the Central Government to curb the menace of submitting false declaration forms.

14. Establishment of new medical college at Azamgarh, U.P. by All India Children Care & Educational Development Society.

Read : The Council Inspectors report (22nd & 23rd April, 2008) for establishment of new medical college at Azamgarh, U.P. by All India Children Care & Educational Development Society.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (22nd & 23rd April, 2008) and noted the following: -

1.(a) The shortage of teaching faculty is 60% (33 out of 55) as under:-

- | | |
|---------------------|---|
| (i) Professor-5 | (Anatomy-1, Physiology-1, Biochemistry-1, General Medicine-1, General Surgery-1) |
| (ii) Assoc.Prof.-11 | (Anatomy-2, Physiology-2, Biochem.-1, Pharmacology-1, Microbiology-1, Paediatrics-1, Orthopaedics-1, OBGY-1, Radiology-1) |
| (iii) Asstt.Prof.-9 | (Anatomy-2, Lect.Bio-Physics-1, Biochemistry-1, Forensic Medicine-1, Community Medicine-1, General Medicine-3) |
| (iv) Tutor -8 | (Anatomy-1, Physiology-3, Biochemistry-1, Pathology-1, Microbiology-1, Community Medicine-1) |

(b) The shortage of Residents is 64.28% (27 out of 42) as under:-

- | | |
|---------------------|--|
| (i) Sr. Resident-12 | (General Medicine-3, General Surgery-4, OBGY-2, Anaesthesia-1, Radio-Diagnosis-2) |
| (ii) Jr.Resident-15 | (General Medicine-6, Paediatrics-2, General Surgery-2, Orthopaedics-1, ENT-1, Ophthalmology-1, OBGY-2) |

2. Clinical material is inadequate as under:-

	Daily Average	Day of Inspection
Operative work	5	Nil
Number of major surgical operations	2	9
Number of minor surgical operations	1	Nil
Number of normal deliveries	1 in 2 days	nil
Number of caesarian Sections		
<u>Radiological Investigations</u>	OP/IP	OP/IP
X-ray	50	30
Special Investigations	5 per month	Nil
<u>Laboratory Investigations</u>		
Biochemistry	70	19
Microbiology/Serology/Parasitology	7-8	04
Haematology	40-60	30
Histopathology	1 in 6 days	Nil
Cytopathology	1 in 7 days	Nil
Others	-	-

- Clinical material is grossly inadequate in terms of casualty attendance OPD attendance, Bed occupancy.
- The operative work, number of normal deliveries and caesarian sections, radiological investigations and laboratory investigations are grossly inadequate in terms of daily average and on the day of inspection.

- 50% of the outdoor patients as well as indoor patients in the hospital were of no clinical importance.
 - Case sheets of few patients were available in the wards. Case sheets of ENT & Paediatric patients were found in the Nursing room of General Medicine wards.
 - No registration number was available on the OPD card. Signature of the doctor was not there on the admission slip.
 - No doctor/Nursing staff was available in the ward for the round. Neither the doctor nor the nurses were aware of the history of the patients in the wards. No record of the patients admitted/transferred from the ward was available. No treatment record was available in the ward.
 - Number of blood units issued per month is only 15.
3. Distribution of beds:- Some patients of ENT, Ophthalmology and Orthopaedics ward were located in the same room. 50% of the patients in General Medicine, Orthopaedics, OBGY and Paediatrics were of no clinical significance.
 4. Dr. Col. K.K. Singh shown as the Medical Superintendent, was not available during the hospital round. He came from Bihar at 3 p.m. at the time of physical verification.
 5. In OPD, each speciality is not provided teaching area. In Wards, there was no furniture, no teaching aids and no side laboratory available. No admission/discharge registers are maintained in the wards.
 6. In the Central library, no orders have been placed for the purchase of books and journals for the year 2007-08. Number of foreign journals subscribed are not as per MCI norms as only 3 foreign journals are available against the requirement of 6 at this stage as per Regulations.
 7. Hostel:-Total accommodation available is for only 46 students against the requirement of 100 at this stage. There is no hostel available for the UG girls. The rooms in the boys hostel are partially furnished. There is no mess available in the boys hostel.
 8. The nurses hostel is being shared by nursing staff as well as nursing students.
 9. Residents' hostel accommodation is not available.
 10. In Registration & Medical Record Section, one computer is functional out of four computers. Indoor registration counter is not cross linked with outdoor registration numbers.
 11. Central Casualty Service – There is no light in the minor OT. There are no monitors in the casualty.
 12. The Central laboratory is managed by the technicians under the supervision of blood bank in charge.
 13. Operation Theatre Unit: There is no CCTV available in the OT complex. There are no monitors/ventilators in the post operative wards.
 14. Intensive Care: There is no ventilator, no defibrillator, no infusion/syringe pumps and no monitors in all the ICUs.
 15. Radiological facilities: No ultrasound is given to Obst. & Gynae. department. All the static x-ray machines have placed in one room. Only 300 mA static machine is in use. There are no mobile x-ray units available in the department. Protective measures as per BARC specification are not provided.
 16. The Central Sterilization department functions in one shift only. The distribution and receiving points are not separate.
 17. There is no room available for the central laundry. The washing machine has been placed in the corridor near the animal house.

18. Kitchen is not available.
19. Para medical staff is inadequate as under:-

Laboratory Technicians	15
Laboratory Assistants	17
Laboratory Attendants	11
20. In the department of Anatomy, museum is divided in nil parts. It has nil mounted demonstration room.
21. Biochemistry department does not participates in hospital work and the staff is not posted to central clinical laboratory in rotation. Teaching aids are not available in the demonstration room including the black board.
22. Other deficiencies/remarks are in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to issue Letter of Permission for establishment of new medical college at Azamgarh, U.P. by All India Children Care & Educational Development Society u/s 10A of the I.M.C. Act, 1956.

15. Establishment of New Medical College at Panikhaiti by Down Town Charity Trust.

Read : The Council Inspectors report (29th & 30th April, 2008) for Establishment of New Medical College at Panikhaiti by Down Town Charity Trust.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (29th & 30th April, 2008) and noted the following: -

1. Shortage of Teaching staff are as under:-
 - (a) The shortage of teaching faculty is 10.90% as under:-
 - i) Professor - 1 (surgery-1)
 - ii) Associate Professor 2 (Anatomy-1, Physiology-1)
 - iii) Assistant Professor 2 (Anatomy-1, Lect.(Bio)-1)
 - iv) Tutor 1 (Anatomy)
 - (b) The shortage of Residents is Nil.
2. Clinical Material is inadequate as under:

	Daily Average		Day of Inspection 16.04.2008	
O.P.D. attendance	524		285	
Bed occupancy%	83		38.7	
<u>Radiological Investigations</u>	O.P.	I.P.	O.P.	I.P.
X-ray	49	16	21	20

3. Central Casualty Service:- No patient in casualty on the day of Inspection. Medico Legal records are not maintained.
4. Central Sterilization department:- Bowl sterilizer, Glove inspection machine, ultrasound instrument washing machine in CSSD are not available. No ETO is available.

5. Anatomy Department: There are no cadavers.
6. Other deficiencies/remarks are in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to issue Letter of Permission for establishment of new medical college at Panikhaiti by Down Town Charity Trust u/s 10A of the I.M.C. Act, 1956.

16. Establishment of new medical college at Thandalam, Tamilnadu by Saveetha University.

Read : The Council Inspectors report (17th & 18th April, 2008) for establishment of new medical college at Thandalam, Tamilnadu by Saveetha University.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (17th & 18th April, 2008) and decided to recommend to the Central Govt. to issue Letter of Permission for establishment of new medical college at Thandalam, Tamilnadu by Saveetha University u/s 10A of the IMC Act, 1956 with an annual intake of 150 (one hundred & fifty) students for the academic session 2008-09.

17. Establishment of a new medical college at Udaipur, Rajasthan by Geetanjali Foundation, Udaipur, Rajasthan.

Read : The Council Inspectors report (16th & 17th April, 2008) for establishment of a new medical college at Udaipur, Rajasthan by Geetanjali Foundation, Udaipur, Rajasthan.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (16th & 17th April, 2008) and decided to recommend to the Central Govt. to issue Letter of Permission for establishment of new medical college at Udaipur, Rajasthan by Geetanjali Foundation, Udaipur, Rajasthan u/s 10A of the IMC Act, 1956 with an annual intake of 150 (one hundred & fifty) students for the academic session 2008-09.

18. Establishment of a new medical college at Jalgaon, Maharashtra by Godavari Foundation, Jalgaon, Maharashtra.

Read : The Council Inspectors report (29th & 30th April, 2008) for establishment of a new medical college at Jalgaon, Maharashtra by Godavari Foundation, Jalgaon, Maharashtra.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (29th & 30th April, 2008) and noted the following: -

1. Shortage of Teaching staff are as under:-

- (a) The shortage of teaching faculty is 14.54%(8 out of 55)

i)	Professor -	2 (Biochem-1, Gen. Med.-1)
ii)	Associate Professor	3(Physio-1, Patho-1 & Pharma-1)
iii)	Assistant Professor	2 (Anatomy-2)
iv)	Tutor	1(Microbiology)

(b) The shortage of Residents is 59.52% as under:-

- i)

Sr. Resident

18(Gen. Med.-4, Paed.-1, Gen. Surgery-4, Orthopaedics-1, ENT-1, Ophthalmology-1, OBG-2, Radiodiagnosis-2 & Anaesthesia-2)
- ii)

Jr. Resident

07(Gen. Med.-3, Sugery-1, Ortho-2 & OBG-1)

2. Clinical Material is inadequate as under:

	Daily Average	Day of Inspection 16.04.2008
O.P.D. attendance	250-300	77
Casualty attendance	Nil	Nil
Number of admissions / discharge	No records	No records
Bed occupancy%	No records	10%
Operative work		
Number of major surgical operations	No records	Nil
Number of minor surgical operations	No records	Nil
Number of normal deliveries	Nil	Nil
Number of caesarian Sections	Nil	Nil
<u>Radiological Investigations</u>	Non Functional	
X-ray		
Ultrasonography		
Special Investigations		
C.T. Scan		
<u>Laboratory Investigations</u>		
Biochemistry		
Microbiology	2-5	2
Serology	Nil	Nil
Parasitology	Nil	Nil
Hematology	Nil	Nil
Histopathology	2	2
Cytopathology	Nil	Nil
Others (MRI)	Nil	Nil
	-	-

- There are no OPD registers maintained in the respective OPDs.
 - There is no record of admissions/discharges in the hospital.
 - Casualty is non functional with no required equipment available.
 - There is no record of bed occupancy.
 - There is no record of major and minor surgeries done in the OTs.
 - The available equipments in the OTs are yet to be put into use.
 - There is no A/C or Fans in all the OTs.
 - The Central Oxygen, central suction and Nitrous oxide facility is not available in the OTs.
 - The Labour room is non functional.
 - The Radiology department is non functional. 2 mobile X-ray units(60mA and 100mA) were being installed on the day of inspection.
 - One small room located in the male dressing room is being used as the laboratory as well as collection centre for the laboratories. Only routine biochemistry and routine haematology tests are being done daily for an average of 2-5 patients.
 - No facilities are available for microbiology investigations.
3. Common room for boys and girls:-Rooms are earmarked without any furniture and toilet facility. They are non functional.

4. Central Library:- In the central library total number of journals subscribed are only 3 against the requirement of 20 as per Regulations. Medical facilities are not available. The number of journals with back numbers are nil.
5. Hostels
 - The hostels for UG boys and Girls are not ready for occupation as the drain pipe line, wood work, toilers, electrical works, water connection and mess facility are yet to be completed.
 - The construction of mess building has started recently with only foundation civil work completed.
 - The partition between boys hostel and girls hostel has not been constructed.
6. Sports and recreation facilities are not available for indoor games.
7. Residents Quarters: One block of 12 flats is under construction for the teaching faculty.
 - The wood work and fixing of doors and windows is yet to be done.
 - The toilets are not ready.
 - Raising of walls in the stair case and corridors is yet to be done.
 - Electric connection and water supply are not available.
 - The quarters are not ready for occupation.

The number of quarters available for non-teaching staff is Nil.

8. Teaching Hospital- It has a total of 290 beds against the requirement of 300 beds as per Regulations. Thus, the qualifying criteria 2(5) of the establishment of Medical College Regulations, 1999 are not fulfilled.
9. Distribution of beds:
 - The distribution of beds in various clinical departments could not be ascertained as they were not provided by the institution.
 - There are four common wards in the hospital as detailed here under.
 Ward 1 is a common ward of 80 beds for OBG(28) and Paediatric(52) patient.
 Ward II with 70 beds has female medicine, surgery, ENT, Ophthalmology and Orthopaedics patients, without any demarcation for individual departments. In these wards, 50% of the beds were occupied by children and even 10 adult males, who were apparently normal.
 Ward III has 70 beds for surgery and orthopaedics male patients. In this ward, 20% of the beds were occupied by apparently healthy children.
 Ward IV has 70 beds for General Medicine male patients. Out of these beds, 20% were found occupied by children.
 - There are NO beds for male Ophthalmology and ENT patients.
 - There were NO cases sheets, NO treatment orders and the records of the In patients admitted in any of the wards.
 - There are no record of admissions/discharges in the admission counter as well as so called Medical Records Department.
10. Teaching and other facilities in the OPD:
 - Each speciality is provided only 1 room for examination of patients and accommodation for the doctors.
 - Teaching facilities like patient couch, stools, x-ray, view box, examination tray, etc. are not provided in each room.
 - Each speciality is also not provided teaching area. There is no injection room for male and female, no dressing room, no plaster room, no plaster cutting room, no E.C.G. room, no central clinical laboratory, no audiometry room, no immunization room, no family welfare clinic, no dark room, one refraction room, and one non functional minor O.T.

- Each ward is provided with no duty doctor room, no nurse duty room, no nursing station, no pantry, no examination/procedure room, no teaching area and no side laboratory.
 - No clinical demonstration areas have been provided in the wards.
 - There is no seminar hall in the departments.
11. Registration and Medical Record Section:- Registration and Medical Record Section is not computerized and net worked. Indoor registration counter is not available. There is no medical record department. Follow up service is not available.
 12. Central Casualty Service: Casualty is not functional. The casualty services for Obstetrics & Gynaecology are not available. Total 20 non functional beds are shown in casualty area. Facilities of central oxygen supply, central suction, defibrillator, pulse oximeter, ambu bag and disaster trolley are not available. Casualty OT is not available for minor surgery. Radiology department and clinical laboratory are not available. There is no A/A or fans in the casualty area.
 13. Central Clinical Laboratories:- Central clinical laboratory is not available. One small room located in the male dressing room is being used as the laboratory as well as collection centre for the laboratories. Only routine biochemistry and routine haematology tests are done daily for an average of 2-5 patients. No facilities are available for microbiology investigations.
 14. Operation theatre Unit:- There are four non functional operation theatres having total four tables. They are no air conditioned. The O.T. is not having central oxygen & nitrous oxide supply and central suction. The facilities for preanaesthetic and post anaesthetic care are not available. No emergency resuscitation is available.
 - There is no record of major and minor surgeries done in the OTs.
 - The available equipments are yet to be put into use.
 - There is no A/C or Fans in all the OTs.
 - The Central oxygen, central suction and Nitrous oxide facility is not available in the OTs.
 15. ICU:
 - The ICU is non functional.
 - There are no fans/A/C in the ICU area.
 - No central oxygen, central suction/oxygen cylinder and suction apparatus are available in the ICU area.
 16. Labour Room: There is one non functional labour room available. No deliveries have been conducted till to day. Facilities and equipment in labour room are not available.
 17. Radiological facilities: There is no radiology department available in the hospital at present. 2 mobile X-ray units(60mA and 100mA were being installed on the day of inspection. There is no ultrasound machine, no CT scan facility and no facilities for special investigations. Protective measures as per BARC specifications are not provided.
 18. Pharmacy: There is no pharmacy in the hospital.
 19. Central sterilization department:- There is no separate CSSD in the hospital.
 20. Intercom: No intercom is provided at present in the hospital or the college.
 21. Central laundry:- Central laundry is not available.
 22. Kitchen:- Kitchen and service of dietician are not available.
 23. Canteen:- No canteen is available.

24. Paramedical staff is grossly inadequate as under:-
- | | |
|-------------------------|----|
| Laboratory Technicians: | 04 |
| Laboratory Assistants: | 02 |
| Laboratory Attendants: | 16 |
25. Nursing staff is grossly inadequate as under:-
- | | | |
|-------------------------------|---|----|
| Nursing Superintendent Gr. I | : | 01 |
| Deputy Nursing Superintendent | : | 01 |
| Matron | : | 01 |
| Asstt. Nursing Superintendent | : | 01 |
| Nursing Sister & Staff Nurses | : | 56 |
26. Anatomy Department:- There are 2 demonstration rooms each having 50 and 35 seats against the requirement of 2 demonstration rooms of 60 seats each as per Regulations. Dissection hall has no exhaust, no water supply and drainage facilities. There are 2 storage tanks and the civil work is in progress in the dissection hall and embalming room. There are no cadaver. There is a cooling cabinet without cooling machine. There is embalming room with no required equipment. There is a Band saw which is yet to be installed. Museum which is not divided in parts. MRI, CT and X-rays are not displayed. No catalogues are available.
- The museum does not have adequate specimens.
There is no articulates human skeleton in the department.
There are no seats in the departmental library.
There is no water supply and sanitary facility in the offices for the staff.
27. Physiology Department:- Lecture theatres are not provided with adequate A.V. There is one demonstration room having 35 seats. Each laboratory has 30 workplaces. Adequate arrangements for electrical points and washing facilities are not available. Haematology laboratory has 40 microscopes and no provision for artificial light. There is a research laboratory which is not equipped. There is no water supply and sanitary facility in the offices for the staff.
28. Biochemistry Department:- There is one demonstration room with capacity of 35 seats which is not as per Regulations. The department does not participate in hospital work.
29. Other deficiencies/remarks are in the main report.

In view of above, whereby it has been found that the applicant has failed to fulfill the mandatory and statutory precondition at Sr. No. 2(5) of the qualifying criteria of owning & managing of a functional hospital of not less than 300 beds, laid down in the Establishment of Medical College Regulations, 1999, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the file to the Central Govt. recommending disapproval of the scheme received u/s 10A of the I.M.C. Act, 1956 for establishment of new medical college at Jalgaon, Maharashtra by Godavari Foundation, Jalgaon, Maharashtra u/s 10A of the I.M.C. Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to write a letter to the State Govt. of Maharashtra requesting to intimate as to how they have issued the Essentiality Certificate certifying that the applicant owned and managed a functional hospital of 300 beds having adequate clinical material when on inspection it has been found that only 290 beds are available.

19. Approval of Chalmeda Anand Rao Instt. of Medical Sciences, Karimnagar for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

Read : The Council Inspectors report (25th & 26th April 2008) for approval of Chalmeda Anand Rao Instt. of Medical Sciences, Karimnagar for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 6th batch of 150 MBBS students at Chalmeda Anand Rao Instt. of Medical Sciences, Karimnagar for the academic session 2008-09.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to recommend that Chalmeda Anand Rao Instt. of Medical Sciences, Karimnagar be approved for the award of MBBS degree granted by N.T.R. University of Health Sciences, Vijayawada with an annual intake of 150 (One Hundred Fifty) students per year.

20. Approval of Maharajah's Institute of Medical Sciences, Vizianagaram, for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijaywada.

Read : The Council Inspectors report (25th & 26th April 2008) for approval of Maharajah's Institute of Medical Sciences, Vizianagaram, for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijaywada

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 6th batch of 100 MBBS students at Maharajah Institute of Medical Sciences, Vizianagaram for the academic session 2008-09.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to recommend that Maharajah Institute of Medical Sciences, Vizianagaram be approved for the award of MBBS degree granted by N.T.R. University of Health Sciences, Vijayawada with an annual intake of 100 (Hundred) students per year.

21. Approval of NRI Medical College, Guntur for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

Read : The Council Inspectors report (25th & 26th April 2008) for approval of NRI Medical College, Guntur for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 6th batch of 150 MBBS students at NRI Medical College, Guntur for the academic session 2008-09.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to recommend that NRI Medical College, Guntur be approved for the award of MBBS degree granted by N.T.R. University of Health Sciences, Vijayawada with an annual intake of 150 (One Hundred Fifty) students per year.

22. Approval of Dr. P.S.I. of Medical Sciences & Research Foundation, Chinoutpally for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

Read : The Council Inspectors report (25th & 26th April 2008) for approval of Dr. P.S.I. of Medical Sciences & Research Foundation, Chinoutpally for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 6th batch of 150 MBBS students at Dr. P.S.I. of Medical Sciences & Research Foundation, Chinoutpally for the academic session 2008-09.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to recommend that Dr. P.S.I. of Medical Sciences & Research Foundation, Chinoutpally be approved for the award of MBBS degree granted by N.T.R. University of Health Sciences, Vijayawada with an annual intake of 150 (One Hundred Fifty) students per year.

23. Approval of GSL Medical College & Hospital, Rajahmundry for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

Read : The Council Inspectors report (25th & 26th April 2008) for Approval of GSL Medical College & Hospital, Rajahmundry for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 6th batch of 150 MBBS students at GSL Medical College & Hospital, Rajahmundry for the academic session 2008-09.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided to recommend that GSL Medical College & Hospital, Rajahmundry be approved for the award of MBBS degree granted by N.T.R. University of Health Sciences, Vijayawada with an annual intake of 150 (One Hundred Fifty) students per year.

24. Recognition of Sree Balaji Medical college & Hospital, Chennai for the award of MBBS degree granted by Bharath University.

Read : The compliance verification inspection report (23rd April, 2008) along with Council Inspectors (8th & 9th Feb.,2008) for recognition of Sree Balaji Medical College & Hospital, Chennai for the award of MBBS degree granted by Bharath University.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (23rd April,2008) along with Council Inspectors (8th & 9th Feb.,2008) and decided to recommend to the Central Govt. to renew the permission for admission of 6th batch of 100 MBBS students for the academic session 2008-09 at Sree Balaji Medical College & Hospital, Chennai.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided that MBBS degree granted by Bharath University in respect of students being trained at Sree Balaji Medical College & Hospital, Chennai be recognized and included in the 1st Schedule to the I.M.C. Act,1956 restricting the number of admission to 100 (Hundred) students per year.

25. M.K.C.G. Medical College, Berhampur - Renewal of permission for admission of 2nd batch of students against the increased intake i.e. from 107 to 150 for the academic session 2008-2009.

Read : The Council Inspectors report (18th & 19th April, 2008), along with additional information received from the Commissioner-cum-Secretary to Govt. of Orissa, Bhubaneswar vide letters dated 07.05.2008 and 12.05.2008 and letter from the Principal of the Institute along with declaration forms of 31 personnel who have joined the institute along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W., for renewal of permission for admission of 2nd batch of students against the increased intake i.e. from 107 to 150 for the academic session 2008-2009.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (18th & 19th April, 2008) along with additional information received from the Commissioner-cum-Secretary to Govt. of Orissa, Bhubaneswar vide letters dated 07.05.2008 and 12.05.2008 and letter from the Principal of the Institute along with declaration forms of 31 personnel who have joined the institute along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of students against the increased intake i.e. from 107 to 150 at M.K.C.G. Medical College, Berhampur for the academic session 2008-09.

26. S.C.B. Medical College, Cuttack - Renewal of permission for admission of 6th batch of students against the increased intake i.e. from 107 to 150 for the academic session 2008-2009.

Read : The Council Inspectors report (16th & 17th April, 2008) along with additional information received from the Commissioner-cum-Secretary to Govt. of Orissa, Bhubaneswar for renewal of permission for admission of 6th batch of students against the increased intake i.e. from 107 to 150 for the academic session 2008-2009.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that the Commissioner-cum-Secretary to Government of Orissa, Bhubaneswar vide his letter dated 07.05.2008 has given an undertaking for creation and filling up of 102 posts of Associate Professors, 192 posts of Tutor and 93 posts of Senior Residents and also for providing funds for creating infrastructure and purchasing of instruments and equipments. Vide letter dated 12.05.2008, the Commissioner-cum-Secretary to Govt. of Orissa has given another undertaking that the process of recruitment of faculty at S.C.B. Medical College, Cuttack has commenced and is likely to be completed within next two weeks.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to defer the consideration of the matter till the information regarding appointment and joining of new teaching faculty and residents along with the declaration forms is received.

27. Govt. Medical College, Surat – Renewal of permission for admission of 3rd batch of students against increased intake i.e. from 120 to 150 for the academic session 2008-09.

Read : The Council Inspectors report (17th & 18th April, 2008) for renewal of permission for admission of 3rd batch of students against increased intake i.e. from 120 to 150 for the academic session 2008-09 along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and additional information received from the Govt. of Gujarat vide letter dated 26th April, 2008, and Dean of the Institute letter dated 3rd May, 2008 along with the Declaration Forms of 31 Residents.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (17th & 18th April, 2008) along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and additional information received from the Govt. of Gujarat vide letter dated 26th April, 2008, and Dean of the Institute letter dated 3rd May, 2008 along with the Declaration Forms of 31 Residents.; decided to recommend

to the Central Govt. to renew the permission for admission of 3rd batch of students against the increased intake i.e. from 120 to 150 at Govt. Medical College, Surat for the academic session 2008-09.

28. Continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health & Sciences, Bangalore in respect of students being trained at Sri Devraj Urs Medical College, Tamaka Kolar.

Read : The compliance verification inspection report (23rd April, 2008) for continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health & Sciences, Bangalore in respect of students being trained at Sri Devraj Urs Medical College, Tamaka Kolar.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (23rd April, 2008) and noted the following: -

1. The shortage of teaching staff required at present is as under:-

(a) Faculty 8.9% (i.e. 19 out 222)

(i) Professor-2 (Biochemistry-1, TB & CD-1)

(ii) Assoc.Profs.-9 (Anatomy-1, Physiology-1, Pathology-1, Microbiology-1, Pharmacology-1, Forensic Medicine-2, TB & CD-1 & Paediatrics-1)

(iii) Asstt.Prof.-8 (Anatomy-4, Physiology-1, Medicine-1, OBGY-1, Anaesthesia-1)

2. Clinical material is inadequate as under:-

	Daily Average	Day of Inspection
Bed occupancy	60-65%	64%
<u>Radiological Investigations</u>		
X-ray	45-50	43
Ultrasound	25-30	14
	01-03	05
Special Investigations	08-10	04
CT Scan	01-02	02
MRI		

3. Other deficiencies/remarks are in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to advise the authorities of Sri Devraj Urs Medical College, Tamaka, Kolar to remove the above deficiencies and submit the compliance.

29. Continuance of recognition of MBBS degree granted by Maharashtra University of Health & Sciences, Nashik in respect of students being trained at Mahatma Gandhi Mission's Medical College, Navi Mumbai.

Read : The compliance verification inspection report (22nd April, 2008) for continuance of recognition of MBBS degree granted by Maharashtra University of Health & Sciences, Nashik in respect of students being trained at Mahatma Gandhi Mission's Medical College, Navi Mumbai.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (22nd April, 2008) and noted the following:-

1. The shortage of teaching faculty is as under:-
 - (a) The shortage of teaching faculty is 7.89%)
 - i) Associate Prof.-3 (Biochemistry-1, Pharmacology-1, Anaes.-1)
 - ii) Assistant Professor -9 (Lecturer in Biophysics-1, 1-Pharmacology, 1-Pharmaceutical Chemist, 2-Community Med., Lecturer in Epidemiology-1, Medicine-1, ANMO-1, MWO-1)
 - (b) The shortage of Residents is 21.43% as under :-
 - i) Sr. Resident-18 (Medicine-4, TB& Chest-1, Psychiatry-1, Paediatrics-1, Surgery-4, Ortho.-1, ENT-1, Ophth.-1, Obst. & Gynae.-2, Radiology-2)
 - [c] In Biochemistry department non-medical teachers are more than 50%.
 - [d] In Pharmacology department non-medical teachers are more than 30%.
2. With high OPD and Bed occupancy parallel increase in other clinical parameters like Delivery, X-ray, CT, MRI, Microbiology investigation, Serology investigation, Parasitology, Histopathology and Cytopathology is not seen. High OPD attendance and bed occupancy do not commensurate with other clinical data.

 On verifying the data of 19th April,2008, it is observed that OPD attendance was 1065 and bed occupancy was 65.29%, 2 major and 4 minor were performed. Blood bank data shows that total 13 blood units were available. On that day only one blood unit was used.
 This shows remarkable difference in clinical material available on 19th of April and 22nd April,2008 i.e. two days before.

 Clinical data available in the computer does not tally with the records available in the wards and OPDs. Deficiency remains as it is.
3. Dr. Kalyanshetti Ashok, having 4 years of administrative experience is Medical Superintendent of the hospital. He is Professor of Surgery also. As he is not having 10 years of administrative experience, he cannot be considered as Medical Superintendent.
4. There are only 9 beds in casualty against the requirement of 20 as per Regulations. Deficiency remains as it is.
5. Only one patient in TB ward & one in Psychiatry was found on the day of inspection which is grossly inadequate.
6. Other deficiencies as pointed out in the inspection report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to advise the authorities of Mahatma Gandhi Mission's Medical College, Navi Mumbai to remove the above deficiencies and submit the compliance.

30. Appeal against the order dated 31.09.2007 passed by Delhi Medical Council made by Mr. Arun Kumar Jha. (F.No. 432/2007)

Read : The matter with regard to appeal against the order dated 31.09.2007 passed by Delhi Medical Council made by Mr. Arun Kumar Jha. (F.No. 432/2007)

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council deliberated upon the matter and decided to refer the matter back to the Ethics Committee for reconsideration of the matter.

31. Request for grant of Permanent Registration – reg.

Read : The matter with regard to request for grant of Permanent Registration.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to refer the matter back to the Registration & Equivalence Committee for taking appropriate decision in the matter in accordance with the Rules & Regulations in force.

32. Request for grant of the permanent registration to erstwhile Pakistani who are now Indian nationals - regarding.

Read : The matter with regard to request for grant of the permanent registration to erstwhile Pakistani who are now Indian nationals.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that the Retainer Advocate of the Council vide his opinion has opined as under:-

“In my opinion the stand taken by the Ministry of Health & Family Welfare is contradictory to its earlier stand vide its letter dated 11.06.06 and also in violation of the Screening Test Regulations framed under IMC Act i.e. Regulation 3 which clearly states that for getting provisional and permanent registration with the MCI or any other state medical council after 15.3.2002 the candidates shall have to qualify a screening test conducted by the prescribed authority for the purpose as per the provisions of Section 13 of the Act.”

In view of the above and in view of the contrary stand taken by the Govt. of India in its letters dated 11.06.2006 and 22.11.2007, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the legal opinion of the Retainer Advocate of the Council and decided to communicate accordingly to the candidates.

33. Hi-Tech Medical College & Hospital, Bhubaneswar – Renewal of permission for admission of 4th batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (29th & 30th April, 2008) for renewal of permission for admission of 4th batch of students for the academic session 2008-2009 at Hi-Tech Medical College & Hospital, Bhubaneswar.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (29th & 30th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 (Hundred) MBBS students at Hi-Tech Medical College & Hospital, Bhubaneswar for the academic session 2008-2009.

34. Midnapore Medical College, Midnapore - Renewal of permission for admission of 5th batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (2nd & 3rd May, 2008) for renewal of permission for admission of 5th batch of students for the academic session 2008-2009 at Midnapore Medical College, Midnapore along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (2nd & 3rd May, 2008) along with letter dated 15.07.2004 from the Joint Secretary, Govt.

of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 5th batch of 100 (Hundred) MBBS students at Midnapore Medical College, Midnapore for the academic session 2008-2009.

35. Rajarajeshwari Medical College & Hospital, Bangalore – Renewal of permission for admission of 4th batch of students for the academic session 2008-09.

Read : The compliance verification inspection report (3rd May, 2008) along with Council Inspectors report (28th & 29th March, 2008) for renewal of permission for admission of 4th batch of students for the academic session 2008-09 at Rajarajeshwari Medical College & Hospital, Bangalore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (3rd May, 2008) along with Council Inspectors report (28th & 29th March, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 (Hundred) MBBS students at Rajarajeshwari Medical College & Hospital, Bangalore for the academic session 2008-2009.

36. Continuation of recognition of MBBS degree granted by Maharashtra Univeristy of Health & Sciences, Nashik in respect of students being trained Dr. Punjabrao Alias Bhausahab Deshmuk Memorial Medical College, Amravati, Maharashtra – Submission of detailed compliance report.

Read : The compliance report received through the Central Govt. vide letter dated 15.04.2008 along with inspection report (5th & 6th Jan., 2007) with regard to continuation of recognition of MBBS degree granted by Maharashtra Univeristy of Health & Sciences, Nashik in respect of students being trained Dr. Punjabrao Alias Bhausahab Deshmuk Memorial Medical College, Amravati, Maharashtra.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance report received through the Central Govt. vide letter dated 15.04.2008 along with inspection report (5th & 6th Jan., 2007) and decided to verify the same by way of an inspection.

37. Establishment of Medical College at Chennai by TMT Kannammal Educational Trust under Dr. MGR Educational and Research Institute (Dr. M.G.R. University), Chennai.

Read : The compliance verification inspection report (2nd May, 2008) along with Council Inspectors report (28th & 29th March, 2008) for grant of LOP for establishment of new medical college at TMT Kannammal Educational Trust under Dr. MGR Educational and Research Institute (Dr. M.G.R. University), Chennai u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (2nd May, 2008) along with Council Inspectors report (28th & 29th March, 2008) and decided to recommend to the Central Govt. to issue Letter of Permission for establishment of new medical college at Chennai by TMT Kannammal Educational Trust under Dr. MGR Educational and Research Institute (Dr. M.G.R. University), Chennai, Tamilnadu u/s 10A of the IMC Act, 1956 with an annual intake of 150 (One Hundred Fifty) students for the academic session 2008-09.

38. Establishment of new medical college at Sagar, M.P. by Government of Madhya Pradesh.

Read : The letter dated 25-4-2008 received from the Director of Medical Education, Madhya Pradesh with regard to extend the inspection from 2nd week of May to last week of June, 2008.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council considered the letter dated 25.04.2008 received from the Director of Medical Education, Madhya Pradesh which reads as under:-

“It is stated that Government Sagar Medical College is in progress. Government has appointed Dean and 3 Demonstrators, Process of recruitment for Professor and Associate Professors and Asstt. Professor in progress for which interviews are from 12 May.

Construction work is still in progress and it will take about one month i.e. upto 30th May and then for furnish with furniture and equipment lab will take another one month. Therefore we will be able to complete the Medical Council of India LOP criteria up to the end of month of June.

Hence, I request you to kindly extend the date of inspection from second week of May to June last week.”

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council further observed that the schedule for receipt of applications for establishment of new medical colleges as prescribed under the Establishment of Medical College Regulations, 1999 as under:-

SCHEDULE FOR RECEIPT OF APPLICATIONS FOR ESTABLISHMENT OF NEW MEDICAL COLLEGES AND PROCESSING OF THE APPLICATIONS BY THE CENTRAL GOVERNMENT AND THE MEDICAL COUNCIL OF INDIA

Stage of Processing	Last date
1. Receipt of applications by the Central Govt.	From 1st August to 31st August (both days inclusive) of any year
2. Receipt of applications by the MCI from Central Govt.	30 th September
3. Recommendations of Medical Council of India to Central Government for issue of Letter of Intent	31st December
4. Issue of Letter of Intent by the Central Government	31st January
5. Receipt of reply from the applicant by the Central Government requesting for Letter of Permission	28th February
6. Receipt of Letter from Central Government by the Medical Council of India for consideration for issue of Letter of Permission	15th March
7. Recommendations of Medical Council of India to Central Government for issue of Letter of Permission	15th June

It was further observed that the Hon’ble Supreme Court by its order dated 12.01.2005 in Writ Petition [c] No. 306/2004 – Mridul Dhar (Minor) & Anr. Vs. UOI & Ors. – (2005) 2 SCC 65, while emphasizing the need for strict enforcement of the time schedule had directed as under:-

“.....35. *We issue the following directions:-*

1-13.....

14. *Time schedule for establishment of new college or to increase intake in existing college, shall be adhered to strictly by all concerned.*
15. *Time schedule provided in Regulations shall be strictly adhered to by all concerned failing which defaulting party would be liable to be personally proceeded with.....”*

In accordance with the statutory time schedule for grant of permission in view of the directions of the Hon’ble Supreme Court, the strict adherence of each of the following stages is an absolute imperative:-

- “a. All new applications u/s 10A are necessarily required to be submitted with the Central Govt. between 1st of August to 31st of August of any year. This Hon’ble court has already held in the case of UOI Vs. All India Children Care and Educational Development Society – (2002) 3 SCC 649 (para-5 at pg.652, that it is only such applications which are complete in all respects as per the qualifying criteria laid down in the statutory regulations, deserve to be treated as applications u/s 10A of the Indian Medical Council Act, 1956 and the Dentists Act, 1948 which then become eligible for consideration u/s 10A of the respective enactments.*
- b. The 2nd stage imperative is that the complete applications which are received by the Central Govt. between the 1st of August to 31st of August are then required to be forwarded to the MCI positively before the 30th of September of that year in which the fresh applications are submitted to the Central Govt. The Central Govt. is, therefore, obliged to forward the complete applications u/s 10A of the Act to the Council by 30th of September and not thereafter.”*

In view of above and in view of the directions of the Hon’ble Supreme Court, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to return the application in original to the Central Govt. recommending disapproval of the Scheme for establishment of a new medical college at Sagar, Madhya Pradesh by Government of Madhya Pradesh received u/s10A of the I.M.C. Act, 1956 for the academic year 2008-09 as the institute had requested for inspection in the last week of June, 2008 – i.e. after the last date for sending the recommendation by the Council to the Central Govt. for issue of Letter of Permission which is 15th June, 2008 as per Regulations.

39. Establishment of new medical college at Triuchirapallai, Tamilnadu by SRM University, Chennai, Tamilnadu.

Read : The letter dated 23-4-2008 received from the Registrar, SRM University, Kanchipuram with regard to arrange for inspection of the proposed new medical college Oct-Nov, 2008 so as to enable to start the 1st year MBBS programme from the academic year 2009-2010.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council noted the letter dated 23.04.2008 received from the Registrar, SRM University, Kanchipuram with regard to arrange for inspection of the proposed new medical college in Oct-Nov, 2008 so as to enable to start the 1st year MBBS programme from the academic year 2009-2010

In view of above, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the Scheme for establishment of new medical college at Triuchirapalli, Tamilnadu as there is no

provision in the I.M.C. Act, 1956 or Regulations framed thereunder to keep the application pending with the Council for the next academic year.

40. Increase in MBBS seats from 50 to 100 at Christian Medical College at Ludhiana, Punjab.

Read : The letter dated 24-4-2008 received from the Principal, Christian Medical College, Ludhiana with regard to consider the proposal for the academic year 2009-2010, when the infrastructure is ready.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the letter dated 24.04.2008 received from the Principal, Christian Medical College, Ludhiana stating that they are not pursuing their proposal submitted last year for enhancement of seats for this academic year 2008-2009. He further stated that they would communicate to the Council regarding the proposal for the academic year 2009-2010 when the infrastructure is ready.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the Scheme for increase of seats at Christian Medical College, Ludhiana as there is no provision in the I.M.C. Act, 1956 or Regulations framed thereunder to keep the application pending with the Council for the next academic year.

41. Establishment of Undergraduate Medical College (MBBS) in NEIGRIHMS, Shillong

Read : The memorandum dated 25-3-2008 received from the Central Govt. with regard to establishment of Undergraduate Medical College (MBBS) in NEIGRIHMS, Shillong.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the memorandum dated 25-3-2008 received from the Deputy Secretary to the Government of India, Ministry of Health & F.W., which reads as under:-

"The undersigned is directed to convey the approval of appropriate authority for offering MBBS course under Section 10-A of the I.M.C. Act, 1956 from the academic year 2008-09 at NEIGRIHMS, Shillong. The first batch will have 50 students and from the second year on, 100 students will be admitted."

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that Regulation 3.1(1) of Part II "Scheme for Permission of the Central Government to increase the admission capacity in any course of study or Training) in the existing medical colleges/institutions" of The Opening of a New or Higher Course of Study or Training (including Post-graduate Course of Study or Training) and Increase of Admission Capacity in any Course of Study or Training (including a Postgraduate Course of Study or Training) Regulations, 2000 reads as under:-

"3. QUALIFYING CRITERIA

The medical college/institution shall qualify to apply for increasing the number of admission in MBBS/PG Diploma/Degree/Higher Speciality course in the existing medical college/institution if the following conditions are fulfilled:-

1.

(1) The Medical College/Institution is recognised by the Medical Council of India for running M.B.B.S./P.G. DIPLOMA/PG DEGREE/HIGHER SPECIALITY courses."

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided that the attention of the Central Government be invited to the above said provision of the Regulations as admission of increased intake of 100 students from 2nd year onwards – i.e. increase of annual intake from 50 to 100 – would not be in accordance with the scheme prescribed under the Regulations which being statutory Regulations are mandatory and binding in character and are required to be adhered to by all the authorities, in as much as the increase in annual intake would take place before the institute is recognised by the Medical Council of India for running MBBS course with intake of 50 students and thus would be violative of the Regulations.

42. Request for withdrawal of canteen facilities by the canteen contractor - M/s Kalpana's.

Read : The letter dated 01.05.2008 received from the M/s. Kalpana's with regard to request for withdrawal of canteen facilities by the canteen contractor.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the letter dated 01.05.2008 received from M/s. Kalpana's with regard to request for withdrawal of canteen facilities from the Council office by the canteen contractor and decided to invite the fresh tender for the award of Canteen Contract.

43. Selection for the post of Whole Time Inspector in the office of the Medical Council of India.

Read : The recommendation of the Selection Committee for the post of Whole Time Inspector in the office of the Medical Council of India.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the recommendations of the Selection Committee which met in the Council Office on 01.05.2008 wherein the observer from the Adhoc Committee appointed by the Hon'ble Supreme Court was also present as under:-

“Six (6) candidates were called for interview. Out of whom, 4 (four) candidates attended the interview.

The Committee, after interview and discussion recommends the following as selected candidates for the post of Whole-time Inspector:-

<i>Sl.No.</i>	<i>Name of candidate</i>	<i>Serial No. in the list</i>	<i>Marks (out of 10)</i>
<u>Selected</u>			
<i>1.</i>	<i>Dr. Suresh C. Shah</i>	<i>6</i>	<i>9/10</i>
<u>Waiting list</u>			
<i>1.</i>	<i>Dr. Sharad S. Vyas</i>	<i>3</i>	<i>8/10</i>
<i>2.</i>	<i>Dr. B.R. Leuva</i>	<i>1</i>	<i>6/10</i>

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that for the academic year 2008-09 still about 80 inspections have to be carried out within a period of less than 5 weeks as the last date for sending recommendations of the Council for the applications received u/s 10A of the I.M.C. Act,1956 to the Central Govt. is 15th June as per the

Regulations which being statutory Regulations are mandatory and binding in character and are required to be adhered to by the Council. In view of the heavy work load of inspection, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further directed the office to issue the appointment order to the selected candidate Dr. Suresh C. Shah, Ahmedabad for the post of Whole-time Inspector immediately.

44. Selection for the post of Zonal Inspector (South Zone) in the office of the Medical Council of India.

Read : The recommendation of the Selection Committee for the post of zonal Inspector (South Zone) in the office of the Medical Council of India.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the recommendation of the Selection Committee which met in the Council Office on 01.05.2008 wherein the observer from the Adhoc Committee appointed by the Hon'ble Supreme Court was also present observing that no candidate was found suitable for the post of Zonal Inspector (South Zone).

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that the post has remained vacant inspite of repeated advertisements having been issued in the past for the post. Perusal of the records revealed that the post of Zonal Inspector (South Zone) was advertised 4 times vide advertisements issued in April,2003, March,2006, February,2007 and April,2008. However, when the interviews were conducted for the post it was observed that only a few of the applicants appeared for the interview and the Selection Committee, on all these occasions, did not find a candidate suitable for the post.

It was also observed that the inspection workload has increased tremendously over the past 2 years revealed as under:-

Sl.No.	Year	Inspections
1.	2005-06	202
2.	2006-07	269

It was further observed that although the present nomenclature of the post is Zonal Inspector (South Zone) and Zonal Inspector (West Zone), the inspections carried out by the present incumbents are not restricted to the zones for which they are appointed and because of pressure of work and increase in number of inspections to be carried out within the specified Time Schedule prescribed under the Regulations, the present incumbents for the post of Zonal Inspector (South Zone) and Zonal Inspector (West Zone) are carrying out inspections all over India irrespective of the zones to which they are selected.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to pool the posts of Zonal Inspector (South Zone) and Zonal Inspector (West Zone) by redesignating them as Additional Inspector without altering any other terms and conditions of service and to readvertise the post.

45. Personal Accident Insurance cover to member's of Medical Council of India, New Delhi

Read : The Sub-Committee report with regard to Personal Accident Insurance cover to members' of Medical Council of India, New Delhi.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the Sub-Committee report dated 30th April,2008 with regard to Personal Accident Insurance cover to members' of the Council which reads as under:-

“The Committee after detailed deliberations on the proposal submitted by Dr. G.B. Gupta, Hon’ble member of the Council was of the opinion that the personal accident insurance may be considered for personnel who have to travel frequently on behalf of Medical Council of India like permanent inspectors of the Council.”

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council approved the Sub-Committee’s report dated 30th April, 2008 with following modification:-

“The Committee after detailed deliberations on the proposal submitted by Dr. G.B. Gupta, Hon’ble member of the Council was of the opinion that the personal accident insurance may be considered for personnel who have to travel frequently on behalf of Medical Council of India like Whole-time Inspectors/Zonal inspectors of the Council.”

46. Hindi Advisory Committee of Ministry of Health & Family Welfare – Suggestion/Comments of Sh. Rambhagat Paswan about the medium of instructions should be commence in Hindi in the Medical education.

Read : The Sub-Committee report with regard to Hindi Advisory Committee of Ministry of Health & Family Welfare – Suggestion/Comments of Sh. Rambhagat Paswan about the medium of instructions should be commenced in Hindi in the Medical education.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council approved the Sub-Committee report with regard to Hindi Advisory Committee of Ministry of Health & Family Welfare – Suggestion/Comments of Sh. Rambhagat Paswan about the medium of instructions should be commenced in Hindi in the Medical education which reads as under:-

“The Committee had submitted its interim report on 06.07.2007 upon deliberating the matter pertaining to incorporation of Hindi as a medium of instruction for medical education. In the said interim report, the Committee had brought out that the Medical Council of India had expressed difficulties in regard to this issue and had observed that as the required and desired reading material in Hindi is not available pertaining to medical education and curriculum thereto and also in view of the mobility of students, doctors and examiners from one place to another, it was difficult to adopt Hindi as a medium of instruction.

The Committee in its interim report had also brought out that the Ministry informed that they were in receipt of a communication from Rashtriya Hindi Sevi Mahasangh, wherein it has been brought out that the Commission for Scientific & Technical Terminology, New Delhi under the Ministry of Human Resource Development, have a compilation of good quality medical books in Hindi version. It was also advised that the MCI while examining the said issue may have desired consultation with this Commission in regard to availability of the reading material.

As such, the Committee in its interim report had suggested that the Council may approach Commission for Scientific & Technical Terminology, New Delhi under the Ministry of Human Resource Development for ascertaining from them the nature, the extent and the number of books pertaining to main subjects written in Hindi including their availability and procure a copy of the said reading material.

In accordance with the recommendations by the Committee, the Council sought the relevant details of required reading material from the Director, Commission for Scientific & Technical Terminology of Ministry of Human

Resource Development, Govt. of India, New Delhi, in response to which the Asstt. Scientific Officer of the said Commission by his communication dated 30.10.2007 addressed to the Secretary, MCI has given a catalogue of the books pertaining to medical education incorporating names of the authors and publishers as well. In terms of the said communication, the main publishers are as under:-

1. *Madhya Pradesh Hindi Granth Academy, Bhopal* - 07 books
2. *Haryana Sahitya Academy, Panchkula* - 08 books
3. *Rajasthan Hindi Granth Academy, Jaipur* - 10 books
4. *Uttar Pradesh Hindi Sansthan Granth Academy, Lucknow* - 04 books
5. *Bihar Hindi Granth Academy, Patna* - 22 books

The office has also desired to procure one copy each of these publications to be remitted to the Undergraduate Section of the Council for its critical appraisal.

The Committee on perusal of the title of the books taken together is of the opinion that still it cannot not be said to be minimally sufficient towards the requirement of the subject-wise curriculum of the undergraduate medical education in vogue as of now. The vast number of themes under the relevant subjects included in the curriculum still remain outside the ambit of the books that have been catalogued.

In view of the above, the Committee is of the considered opinion that the reading material at hand in terms of the catalogue of the books is not commensurate even with the base minimal requirements and further, the reading material in Hindi version pertaining to a vast area in the curriculum neither is available nor is handy. As such, the observation of the MCI that the situation is not ripe whereby Hindi could be availed as a medium of instruction for medical education, is not only convincing but is logical as well in view of the present situations and circumstances.

The Executive Committee of the Council may be apprised of the same, for necessary decision thereon."

47. Digital Approach to Medical Education (DAME).

Read : The Sub – Committee report with regard to Digital Approach to Medical Education (DAME).

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the Sub-Committee report dated 10th April, 2008 with regard to Digital Approach to Medical Education (DAME) which reads as under:-

"The present Committee was constituted by the Executive Committee to consider the letter of one Dr. Hariprasad Chegu, Dean, Virtual Medical University, MedRC EduTech, Hyderabad in regard to 'Digital Approach to Medical Education' with reference to his communication received by the Council dated 8th January, 2008. The Committee met in the Council Office on 10th April, 2008.

It may be noted that Dr. Hariprasad Chegu had written to the President (Acting), MCI on 1st July, 2007 with reference to his project entitled UGMED, a venture of MEdRC Edutech, Hyderabad, whereunder the entire MBBS curriculum as prescribed by the Medical Council of India is

being converted into a series of digital lectures. With reference to the said communication, the Committee had given a detailed report wherein amongst other things, the Committee had recommended that notwithstanding the importance and relevance of the digital approach in medical education, the same would be a 'complimentary' one to be availed in an appropriate manner. The said report of the Committee was adopted by the Executive Committee of the MCI and accordingly Dr. Hariprasad Chegu was informed about it through a letter dated 31.12.2007.

In response to the said communication, Dr. Hariprasad Chegu in his communication dated 8th January, 2008 has complimented the Medical Council of India for piloting a revolutionary change in medical education by directing the medical colleges to adopt this mechanism and thereby bringing about a 'blended curriculum' in India.

However, in the said communication, he has further sought attention in regard to

- (1) *"Encouraging short-term courses to promote computer literacy among the staff and students in medical colleges."*

With reference to above, it needs to be noted that the Medical Council of India as an amendment to Graduate Medical Education Regulations, 1997 have proposed that the duration of medical education be increased from 4½ to 5 years. With reference to the six months which have been added, it has been further proposed that the same would be availed for orientation of the students admitted to Ist MBBS course in the beginning itself with reference to Computer Training, Ethics, Communicative & Behavioural Skills, History of Medicine, Communicative English etc. The purpose is to orient the admitted child into medical curriculum with reference to computer & information technology. Likewise, the teaching faculty is required to be oriented on the computer technology by the Medical Education Unit in each college which ought to be an integral part of the "faculty development programme".

2. *"Addition of a digital library to the existing libraries in medical colleges"*.

It is the considered opinion of the Committee that the said observation of Dr. Hariprasad Chegu is a meritorious observation however by & large most of the college libraries have already the said facility. As such, the same could be effected as a part of the minimum requirement to be fulfilled by a medical college/institution.

3. *"Conduct of MCI sponsored CME programmes on DAME and its utility in various medical colleges"*.

The Committee is of the opinion that this modality is welcomed specially in the context of sensitizing the end users of the CME programmes sponsored by MCI about significance, relevance of the "technology enabled learning" which is need of the day.

Actualization of the suggestion as proposed in the letter in the opinion of the Committee would definitely add to the desired technological update of the students, teaching faculty and would also result in transition of the pattern of medical education from "preaching" pattern to "coaching" pattern."

48. Award of Annual Maintenance Contract of various equipments installed in the Council 's building.

Read : The matter with regard to award of Annual Maintenance Contract of various equipments installed in the Council 's building.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the recommendations of the Purchase Committee for the award of Annual Maintenance Contracts of various equipments installed in the Council building as under:-

Sl. No.	Item	Name of agency	Negotiated Rates	Date of AMC

It was further decided that the a video conference facility be developed in the Council Office with the facilities for video conferencing by the President, Chairman, Postgraduate Committee and Chairman, Ethics Committee with the Secretary of the Council.

49. Establishment of new medical college at Jadavpur by KPC Medical College & Hospital Society u/s 10A of the IM Act, 1956.

Read : The Council Inspectors report (2nd & 3rd May, 2008) and additional information received from the Dean of the Institute vide letter dated 8.5.2008 for grant of LOP for establishment of new medical college at Jadavpur by KPC Medical College & Hospital Society u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (2nd & 3rd May, 2008) and additional information received from the Dean of the Institute vide letter dated 8.5.2008 regarding appointment and joining of Dr.S. Sarkar as Medical Superintendent alongwith his Declaration Form; decided to recommend to the Central Govt. to issue Letter of Permission for establishment of new medical college at Jadavpur, Kolkata by KPC Medical College & Hospital Society u/s 10A of the I.M.C. Act, 1956 with an annual intake of 150 (One Hundred Fifty) students for the academic session 2008-09.

50. Belgaum Institute of Medical Sciences, Belgaum – Renewal of permission for admission of 3rd batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (30th April & 1st May, 2008) for renewal of permission for admission of 3rd batch of students for the academic session 2008-2009 at Belgaum Institute of Medical Sciences, Belgaum.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (30th April & 01st May, 2008) and noted the following: -

1. The shortage of teaching staff required at present stage is as under.
 - (a) The shortage of teaching faculty is 19 out of 103 [18.45%]

Professor : 3 [BioChemistry-1, Orthopaedics-1, Radiology-1]
 Associate Professor: 7 [Physiology-1, Forensic Med-1, Dentistry-1,
 Gen.Med-2, Radio-1, Anaesth-1]
 Assistanat Professor: 9 [Anatomy-3, Comm.Med-1, Psychiatry-1,
 Paedia-1, gen.Surg-1, Anaesth-1, TB&Ch-1]
 Tutor: NIL
 - (b) The shortage of Residents is 13 out of 82 [15.85%]

Senior residents: 3 [TB-Chest:2 , Psychiastry;1]
 Junior residents: 10 [Gen.Sur:2,Ortho:2,ENT:2,Anesth:2, Radiodia:2]
2. Dr. A.M. Murgod shown as Medical Superintendent is not eligible as in his Declaration Form; no administrative experience has been shown against the requirement of 10 years, as per Regulations.
3. Total hostel accommodation available is 150 students against the requirement of 350 at this stage as per Regulations.
4. Para medical staff is inadequate as only 17 Technical Assistants and 13 other categories are employed.
5. Other deficiencies/remarks are in the main report.

In view of the above, the member of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of MBBS students for the academic year 2008-09 at Belgaum Institute of Medical Sciences, Belgaum.

51. Institute of Postgraduate Medical Education & Research, Kolkata - Renewal of permission for admission of 5th batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (5th & 6th May, 2008) for renewal of permission for admission of 5th batch of students for the academic session 2008-2009 at Institute of Postgraduate Medical Education & Research, Kolkata along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (5th & 6th May,2008) along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 5th batch of 100 (Hundred) MBBS students at Institute of Postgraduate Medical Education & Research, Kolkata for the academic session 2008-2009.

52. Padmashri Dr. Vithalrao Vikhe Patil Foundation's Medical College, Ahmednagar-Renewal of permission for admission of 5th batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (6th & 7th May, 2008) for renewal of permission for admission of 5th batch of students for the academic session 2008-2009 at Padmashri Dr. Vithalrao Vikhe Patil Foundation's Medical College, Ahmednagar.

permission for admission of 5th batch of 100 (Hundred) MBBS students at Padmashri Dr. Vithalrao Vikhe Patil Foundation's Medical College, Ahmednagar for the academic session 2008-2009.

53. Sri Venkateshwar Medical College & Research Centre, Pondicherry - Renewal of permission for admission of 2nd batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (6th & 7th May, 2008) for renewal of permission for admission of 2nd batch of students for the academic session 2008-2009 at Sri Venkateshwar Medical College & Research Centre, Pondicherry.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (6th & 7th May, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of 150 (One Hundred Fifty) MBBS students at Sri Venkateshwar Medical College & Research Centre, Pondicherry for the academic session 2008-2009.

54. S.S. Institute of Medical Sciences & Research Centre, Davangere - Renewal of permission for admission of 3rd batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (5th & 6th May, 2008) for renewal of permission for admission of 3rd batch of students for the academic session 2008-2009 at S.S. Institute of Medical Sciences & Research Centre, Davangere.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (5th & 6th May, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of 150 (One Hundred Fifty) MBBS students at S.S. Institute of Medical Sciences & Research Centre, Davangere for the academic session 2008-2009.

55. Adesh Institute of Medical Sciences, Bhathinda – Renewal of permission for admission of 3rd batch of students for the academic session 2008-09.

Read : The Compliance Verification Inspection report (6th May, 2008) along with Council Inspectors report (4th & 5th April, 2008) for renewal of permission for admission of 3rd batch of students for the academic session 2008-2009 at Adesh Institute of Medical Sciences, Bhathinda.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (6th May, 2008) along with Council Inspectors report (4th & 5th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of 150 (One Hundred Fifty) MBBS students at Adesh Institute of Medical Sciences, Bhathinda for the academic session 2008-2009.

56. Establishment of new medical college at Dharmapuri, Tamilnadu by Government of Tamilnadu u/s 10A of the IMC Act, 1956.

Read : The Council Inspectors report (1st & 2nd May, 2008) for grant of LOP for establishment of new medical college at Dharmapuri, Tamilnadu by Government of Tamilnadu u/s 10A of the IMC Act, 1956 along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (1st & 2nd May, 2008) along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to issue Letter of Permission for establishment of new medical college at Dharmapuri,

Tamilnadu by Government of Tamilnadu u/s 10A of the IMC Act, 1956 with an annual intake of 100 (Hundred) students for the academic session 2008-09.

57. Establishment of new medical college at Kesavarayanpettai by Adhiparasakthi Charitable Trust, Tamilnadu.

Read : The compliance verification inspection report (6th May, 2008) along with Council Inspectors report (11th & 12th April,2008) for grant of LOP for establishment of new medical college at Kesavarayanpettai by Adhiparasakthi Charitable Trust, Tamilnadu u/s 10A of the IMC Act, 1956.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (6th May, 2008) along with Council Inspectors report (11th & 12th April,2008) and decided to recommend to the Central Govt. to issue Letter of Permission for establishment of new medical college at Kesavarayanpettai by Adhiparasakthi Charitable Trust, Tamilnadu u/s 10A of the IMC Act, 1956 with an annual intake of 150 (One Hundred Fifty) students for the academic session 2008-09.

58. Approval of Dr. S. Nijalingappa Medical College & Hospital, Bagalkot for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore.

Read : The compliance verification inspection report (3rd May, 2008) for approval of Dr. S. Nijalingappa Medical College & Hospital, Bagalkot for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 7th batch of 100 MBBS students for the academic session 2008-09 at Dr. S. Nijalingappa Medical College & Hospital, Bagalkot.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend that Dr. S. Nijalingappa Medical College & Hospital, Bagalkot be approved for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore with an annual intake of 100 (Hundred) students per year.

59. Increase of MBBS seats from 65 to 100 at Silchar Medical College, Silchar.

Read : The Council Inspectors report (23rd & 24th April, 2008) for increase of MBBS seats from 100 to 150 for the academic session 2008-09 at Silchar Medical College, Silchar along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (23rd & 24th April,2008) along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats from 100 to 150 at Silchar Medical College, Silchar for the academic session 2008-09.

60. Continuance of recognition of MBBS degree granted by Rajasthan University in respect of students being trained at Mahatma Gandhi Medical College & Hospital, Jaipur – Compliance verification inspection thereof.

Read : The compliance verification inspection report (9th May, 2008) along with Council Inspectors report (16th & 17th January,2008) for continuance of recognition of MBBS degree granted by Rajasthan University in respect of students being trained at Mahatma Gandhi Medical College & Hospital, Jaipur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (9th May,2008) along with Council Inspectors report (16th & 17th January,2008) and decided to recommend that recognition of MBBS degree granted by Rajasthan University in respect of students being trained at Mahatma Gandhi Medical College & Hospital, Jaipur be continued restricting the number of admission to 100 (Hundred) students.

61. Establishment of new medical college by the name of Fathima Institute of Medical Sciences, Kadapa, A.P. by Mohammadiya Educational Society.

Read : The letter dated 2-5-2008 received from the Central Govt. forwarding therewith a copy of revalidated essentiality certificate issued by the Govt. of A.P. on 26-4-2008 and consent of affiliation dated 30-4-2008 issued by Dr. NTR University of Health Sciences, Vijayawada and requested to conduct the inspection of the proposed medical college in the first fortnight of June, 2008.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Central Govt. letter dated 02.05.2008 forwarding therewith a copy of revalidated essentiality certificate issued by the Govt. of A.P. on 26-4-2008 and consent of affiliation dated 30-4-2008 issued by Dr. NTR University of Health Sciences, Vijayawada and requested to conduct the inspection of the proposed medical college in the first fortnight of June, 2008.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that the schedule for receipt of applications for establishment of new medical colleges as prescribed under the Establishment of Medical College Regulations, 1999 as under:-

SCHEDULE FOR RECEIPT OF APPLICATIONS FOR ESTABLISHMENT OF NEW MEDICAL COLLEGES AND PROCESSING OF THE APPLICATIONS BY THE CENTRAL GOVERNMENT AND THE MEDICAL COUNCIL OF INDIA

Stage of Processing	Last date
1. Receipt of applications by the Central Govt.	From 1st August to 31st August (both days inclusive) of any year
2. Receipt of applications by the MCI from Central Govt.	30 th September
3. Recommendations of Medical Council of India to Central Government for issue of Letter of Intent	31st December
4. Issue of Letter of Intent by the Central Government	31st January
5. Receipt of reply from the applicant by the Central Government requesting for Letter of Permission	28th February
6. Receipt of Letter from Central Government by the Medical Council of India for consideration for issue of Letter of Permission	15th March
7. Recommendations of Medical Council of India to Central Government for issue of Letter of Permission	15th June
8. Issue of Letter of Permission by the Central Government	15th July

It was further observed that the Hon'ble Supreme Court by its order dated 12.01.2005 in Writ Petition [c] No. 306/2004 – Mridul Dhar (Minor) & Anr. Vs. UOI & Ors. – (2005) 2 SCC 65, while emphasizing the need for strict enforcement of the time schedule had directed as under:-

“.....35. We issue the following directions:-

1-13.....

- 15. Time schedule for establishment of new college or to increase intake in existing college, shall be adhered to strictly by all concerned.*
- 15. Time schedule provided in Regulations shall be strictly adhered to by all concerned failing which defaulting party would be liable to be personally proceeded with.....”*

In accordance with the statutory time schedule for grant of permission in view of the directions of the Hon'ble Supreme Court, the strict adherence of each of the following stages is an absolute imperative:-

- “a. All new applications u/s 10A are necessarily required to be submitted with the Central Govt. between 1st of August to 31st of August of any year. This Hon'ble court has already held in the case of UOI Vs. All India Children Care and Educational Development Society – (2002) 3 SCC 649 (para-5 at pg.652, that it is only such applications which are complete in all respects as per the qualifying criteria laid down in the statutory regulations, deserve to be treated as applications u/s 10A of the Indian Medical Council Act, 1956 and the Dentists Act, 1948 which then become eligible for consideration u/s 10A of the respective enactments.*
- b. The 2nd stage imperative is that the complete applications which are received by the Central Govt. between the 1st of August to 31st of August are then required to be forwarded to the MCI positively before the 30th of September of that year in which the fresh applications are submitted to the Central Govt. The Central Govt. is, therefore, obliged to forward the complete applications u/s 10A of the Act to the Council by 30th of September and not thereafter.”*

It was further observed that the Central Govt. vide letter dated 15.03.2005 addressed to the Council had specifically requested the Council to bring the above directions of the Hon'ble Supreme Court to the notice of all the authorities and all the medical colleges/institutions concerned in the country for strict adherence to the time schedule prescribed in the Regulations.

The proposal for establishment of new medical college by Kadapa, Andhra Pradesh by Mohammadiya Educational Society, Kadapa, Andhra Pradesh was received in the office of the Council on 03.10.2006 forwarded by the Central Govt. vide letter dated 30.09.2006 which was not an application complete in all respects in as much as neither Essentiality Certificate required as per Qualifying Criteria No. 2 (3) nor Consent of Affiliation required as per Qualifying Criteria No. 2(4) of the Establishment of Medical College Regulations, 1999 were available. As per the facts admitted on record, the Essentiality Certificate has been issued by the State Govt. only on 26.04.2008 and the consent of affiliation has been issued by Dr. N.T.R. University of Health Sciences, Vijayawada only on 30.04.2008. Thus, admittedly on 30th September, 2007, the application of the institute was not complete as neither the Essentiality Certificate from the State Govt. of Andhra Pradesh nor the consent of affiliation from Dr. N.T.R. University of Health Sciences to which the proposed college is to be affiliated were in existence and thus the application did not fulfil two vital Qualifying Criteria of the Establishment of Medical College Regulations, 1999 pertaining to the Essentiality Certificate and Consent of Affiliation.

In view of above and where the application has not been received in the office of the Council within the time schedule prescribed under the Regulations and in view of the directions of the Hon'ble Supreme Court, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. in original recommending disapproval of the Scheme for establishment of a new medical college at Kadapa, Andhra Pradesh by Mohammadiya Education Society, Kadapa, Andhra Pradesh received u/s10A of the I.M.C. Act, 1956 for the academic year 2008-09.

62. Recognition of Vardhman Mahavir Medical College & Safdarjung Hospital, New Delhi for the award of MBBS degree granted by Guru Gobind Singh Indraprastha University.

Read : The Sub- Committee report (9th May, 2008) with regard to recognition of Vardhman Mahavir Medical College & Safdarjung Hospital, New Delhi for the award of MBBS degree granted by Guru Gobind Singh Indraprastha University.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the Sub-Committee report dated 9th May, 2008 with regard to recognition of Vardhman Mahavir Medical College & Safdarjung Hospital, New Delhi for the award of MBBS degree granted by Guru Gobind Singh Indraprastha University which reads as under:-

“The present Committee which came to be constituted by the Executive Committee of the Council to look into the details of teaching faculty for undergraduate and postgraduate (whether the same faculty is teaching) at Vardhman Mahavir Medical College and Safdarjang Hospital, New Delhi respectively had submitted its interim report on 28.02.2008 wherein amongst other things the Committee had sought information for further consideration in the matter.

The information so sought was listed as follows:-

- a. Number of postgraduate courses along with permitted annual intake under Delhi University.
- b. Number of courses recognized with annual intake by the MCI being run at Safdarjang Hospital under Delhi University.
- c. List of postgraduate teaching faculty recognized by Delhi University for the purposes of running postgraduate courses at Safdarjang Hospital under Delhi University.
- d. List of faculty at Vardhman Mahavir Medical College with reference to attached Safdarjang Hospital vide undergraduate inspection report for the purposes of recognition u/s 11(2) of the I.M.C. Act, 1956.

As desired by the Committee, the said information is ready and is enclosed as Annexure-A, B & C respectively.

As was brought out in the interim report that Vardhman Mahavir Medical College to which Safdarjang Hospital is attached has been recommended recognition by the Executive Committee and before the matter could put to the General Body of the Council, the Govt. of India for reasons best known notified recognition of the said college for MBBS degree under Indraprastha University with annual intake of 100 seats.

It is a matter of record that Safdarjang Hospital is already running postgraduate courses which have been recognized by the MCI u/s 11(2) under Delhi University.

It is a very strange situation wherein a hospital which is already recognized for certain postgraduate courses by the MCI u/s 11(2) of the I.M.C. Act,1956 has been affiliated to an undergraduate medical college in the instant case Vardhman Mahavir Medical College, New Delhi for MBBS degree under Indraprastha University.

By virtue of the said recognition to Vardhman Mahavir Medical College affiliated to Indraprastha University for MBBS course by the MCI it has acquired eligibility for starting postgraduate courses u/s 10A of the I.M.C. Act,1956. The crux of the issue is that Safdarjang Hospital which is already running postgraduate courses could not be availed simultaneously for another set of postgraduate courses and that to with its affiliation under 2 affiliating universities namely Delhi University and Indraprastha University.

It is the settled position in terms of the Regulations of the Council that a postgraduate teacher against whom a seat is allotted for the postgraduate course under one university, could not be availed for starting of the similar course under different university. This would not only result in breach of the binding ratio of 1:1 between teacher and taught recognized postgraduate teachers under 2 different universities. In order to ascertain the same, the information that has been compiled in terms of Annexures A,B,C respectively and a comparison thereof brings out that there are postgraduate teaching faculties in Safdarjang Hospital with reference to postgraduate courses recognized under Delhi University which have been included as teaching faculty for the purposes of MBBS course at Vardhman Mahavir Medical College as is reflected in the last inspection report caused by the Council.

In terms of the same, the list of the faculty members is formulated as Annexure-D.

The Committee was further informed that Safdarjung Hospital, New Delhi which was earlier affiliated to Delhi University for postgraduate courses has vide letter dated 1.1.2008 requested for affiliation with Guru Gobind Singh Indraprastha University in respect of new courses as well as postgraduate degree/diploma courses already running in Safdarjung Hospital which has been granted by Guru Gobind Singh Indraprastha University.

In view of above, it is observed that both Vardhman Mahavir Medical College which is running undergraduate courses and Safdarjung Hospital which is running postgraduate degree/diploma courses have now come to be affiliated with one University – i.e. Guru Gobind Singh Indraprastha University. Therefore, the objection with regard to affiliation under two affiliating university for separate courses now no longer survives. The Committee therefore recommends that the matter may be treated as closed.”

ANNEXURE - A

University: **Delhi**

Course Name	Name and Address of Medical College / Medical Institution	Annual Intake (Seats)	Status of MCI Recognition
Diploma in Dermatology, Venereology And Leprosy	Dr. Ram Manohar Lohia Hospital, New Delhi	1	Recognized when granted on or after 1969
Diploma in Dermatology, Venereology And Leprosy	Maulana Azad Medical College & GB Pant Hospital	-	Recognized
Diploma in Dermatology, Venereology And Leprosy	Safdarjung Hospital	1	Recognized when granted on or after 1968

63. Removal of name of Dr. K.K. Agarwal from the Indian Medical Register-Regarding.

Read : The letter dt. 13.02.2008 received from the Registrar, Rajasthan Medical Council , Jaipur with regard to removal of name of Dr. K.K. Agarwal from the Indian Medical Register.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the letter dated 13.02.2008 received from the Registrar, Rajasthan Medical Council, Jaipur informing that taking cognizance of the news published in the Newspapers has decided to initiate enquiry against Dr. K.K. Agarwal, bearing Regn. No. 12681, dated 10.05.1989, alleged to have been involved, in the Kidney Transplantation racket and presently under detention in the criminal case and further that the Act of Dr. K.K. Agarwal amount prima-facie to gross in-famous conduct and misconduct and is against professional etiquette. He further informed that Dr. K.K. Agarwal is hereby suspended for a period of six months or till the enquiry is completed whichever is earlier.

The Committee decided to remove the name of above-mentioned doctor from the Indian Medical Register for a period of six months or till the enquiry is completed whichever is earlier and also give intimation in this regard to all the State Medical Councils in the country.

64. Non submission of declaration forms by the medical college/institution regarding.

Read: The matter with regard to non submission of declaration forms by the medical college/institution regarding.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that the following medical colleges/institutions for establishment of new medical college/renewal of permission for the academic year 2008-09 have not submitted the declaration forms inspite of repeated reminders by the Council:-

1. Kesar Sal Medical College and Research Institute, Ahmedabad
2. New Medical College at Sagar by Govt. of Madhya Pradesh
3. New Medical College at Bishnupur Distt. Manipur by college of Medical Society, Bishnupur.
4. Karnataka Institute of Medical Sciences, Hubli (100-150)
5. Aarupadai Veedu Medical College & Hospital, Pondicherry (100-150)

The Secretary further informed that Aarupadai Veedu Medical College & Hospital, Pondicherry vide its letter dated 12.5.2008 has withdrawn its application for increase of seats from 100 to 150 for the academic year 2008-09 and the matter is placed at item no. 82 in the agenda of this meeting.

It was further observed that the matter regarding the establishment of new medical college at Sagar by Govt. of Madhya Pradesh has already been considered by the Executive Committee at this meeting and the decision has been recorded at item No. 38.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided in respect of the remaining 3 institutes as under:-

A. Kesar Sal Medical College and Research Institute, Ahmedabad – Renewal of permission for admission of 5th batch of students for the academic session 2008-2009 – Non submission of declaration forms of teaching faculty till date.

The members of the Adhoc Committee and the Executive Committee observed that as per Establishment of Medical College Regulations, 1999, it is the responsibility of the applicant institute to apply to the Medical Council of India for renewal of permission six months prior to the expiry of the initial permission. The regulations provide that prior permission on the recommendations of the Medical Council of India after fulfillment of all the conditions matching infrastructure and other teaching facilities is must. The permission so granted for a period of one year and is to be renewed on yearly basis subject to renewal with respect to infrastructure and other teaching facilities as per Section 8(3) of the Regulations.

The members of the Adhoc Committee and the Executive Committee observed that all the medical colleges who were issued Letter of Permission u/s 10A of the I.M.C. Act, 1956 in their earlier years were requested by the Council to submit a letter to the effect that it would be ready and willing for inspection for renewal of permission for the academic year 2008-2009, all such medical colleges were further directed that all the declaration forms of the teaching faculty must be submitted in the Council office in person at least one month prior to the proposed date for inspection to verify the documents, academic qualification, teaching experience etc. and to prevent any manipulation/malpractice. It was observed that such a letter was sent to Kesar Sal Medical College and Research Institute, Ahmedabad on 7th November, 2007 by the Council office. As no reply was received from the Institute vide reminder dated 16th January, 2008, the institute was once again requested to send its confirmation as regards readiness of inspection.

Vide its letter dated 18th January, 2008, the institute had stated that they are willing to invite inspection of Medical Council of India in the last week of April, 2008 or 1st week of May, 2008. It was further stated that the institute was preparing details of teaching staff and would submit the same to the Council office for inspection/verification. As the institute had indicated its willingness/readiness for inspection of the college for renewal of permission in the last week of April, 2008, it was required to submit the declaration forms of the teaching faculty in the last week of March, 2008 i.e. one month prior to the proposed date of inspection. However, as no declaration forms were submitted by the institute, a reminder was sent by the Council dated 2.4.2008 requesting the Principal to attend the Council office with the declaration forms of all the teachers immediately. As neither the declaration forms were received nor the Principal attended the office of the Council another reminder dated 9.4.2008 was sent to the institute was also sent by fax and E-mail requesting the Principal to attend the office with the declaration forms of all the teachers on 11.4.2008. However, Principal of the Institute did not attend the office of the Council nor sent the declaration forms by the Institute. Reminders dated 22.4.2008 and 28.4.2008 were also sent by the Council requesting the Principal to attend the office of the Council with the declaration forms of the teaching faculty latest by 5.5.2008. Thereafter, vide letter dated 30th April, 2008 the Dean of the Institute had stated that the Medical Director of the Institute would personally come to submit original declaration forms of teaching faculty on 5th May, 2008. However, vide letter dated Nil received by fax in the Council office on 5.5.2008 the Director had stated that due to unavoidable circumstances she was unable to come to MCI office on 5.5.2008 and they would submit the declaration forms very soon.

Further it is observed by the members of the Adhoc Committee and the Executive Committee that neither any explanation has been given by the institute in submitting the declaration forms nor the declaration forms have been submitted in the office of the Council till 12.5.2008 i.e. the date of meeting. Meanwhile, another fax dated Nil was received in the office of the Council on 12.5.2008 from the Director of the Institute stating that due to unavoidable circumstances they are unable to attend the Council office and they would submit the declaration forms very soon.

The members of the Adhoc Committee and of the Executive Committee observed that from the above, it is evident that the Institute has failed to submit the declaration forms of the teaching faculty inspite of repeated reminders and also inspite of promises made by the Institute's Director that they would come to the office and submit the declaration forms. In the absence of declaration forms regarding teaching faculty members required to be furnished in advance, it becomes practically impossible to carry out the inspection properly and effectively. It is, therefore, presumably evident that the institute is neither ready nor willing to pursue its application for renewal of permission for admission of 5th batch of students for the academic session 2008-2009.

The members of the Adhoc Committee and of the Executive Committee were of the opinion that such a prolonged delay in submitting the declaration forms despite repeated opportunities and reminders may give rise to malpractices in the appointment of the teaching faculty and suppression of vital facts like non-availability of the regular teaching faculty in the institute.

In view of above, the members of the Adhoc Committee and of the Executive Committee decided to recommend to the Central Govt. that as Kesal Sal Medical College and Research Institute, Ahmedabad is neither willing nor submitting the Declaration forms of teaching faculty in spite of repeated reminders, not to issue Letter of Permission for renewal of permission for admission of 5th batch of students for the academic session 2008-2009.

B. Establishment of new medical college at Bishnupur Distt. Manipur by College of Medical Sciences Society, Bishnupur – Non submission of declaration forms of teaching faculty till date.

The members of the Adhoc Committee and of the Executive Committee observed that all the medical colleges who had applied for increase of seats/establishment of new medical college were requested by the Council to submit a letter to the effect that it would be ready and willing for inspection for establishment of new medical college at Bishnupur for the academic year 2008-2009. All such medical colleges were further directed that all the declaration forms of the teaching faculty must be submitted in the Council office in person at least one month prior to the proposed date for inspection to verify the documents, academic qualification, teaching experience etc. and to prevent any manipulation/malpractice. It was observed that such a letter was sent to College of Medical Sciences Society, Bishnupur on 28.2.2008 by the Council office.

Thereafter, Central Govt. vide letter dated 21st January, 2008 had requested to kindly consider the requests of Societies/Trusts/Government/Universities for combined LOI/LOP inspections if received through the Central Government before 15th March, 2008 for the academic year 2008-2009 for starting of new medical colleges/increase in seats. The Institute vide its letter dated 18th February, 2008 had requested to take up the inspection for letter of intent even after December without giving any date for inspection for LOI. However, as no declaration forms were submitted by the institute, a reminder was sent by the Council dated 31.3.2008 requesting the Dean to attend the Council office with the declaration forms of all the teachers immediately. As neither the declaration forms were received nor the Director attended the office of the Council, another reminder dated 9.4.2008 was sent to the institute which was also sent by fax and E-mail requesting the Secretary to attend the office with the declaration forms of all the teachers on 11.4.2008. However, Dean of the Institute did not attend the office of the Council nor sent the declaration forms by the Institute. Another reminder dated 22.4.2008 requesting the Secretary to attend the office with the declaration forms of all the teachers on 25.4.2008 was also sent. Meanwhile, the Council office vide its letter dated 28th April, 2008 had requested the Secretary to remain present in the Council office alongwith declaration forms on 5.5.2008. However, neither the Secretary had attended the office of the Council nor any declaration forms have been submitted till date.

The members of the Adhoc Committee and of the Executive Committee observed that from the above, it is evident that the Institute has failed to submit the declaration forms of the teaching faculty inspite of repeated reminders. In the absence of declaration

forms regarding teaching faculty members required to be furnished in advance, it becomes practically impossible to carry out the inspection properly and effectively. It is, therefore, presumably evident that the institute is neither ready nor willing to pursue its application for establishment of new medical college at Bishnupur for the academic session 2008-2009.

The members of the Adhoc Committee and of the Executive Committee were of the opinion that such a prolonged delay in submitting the declaration forms despite repeated opportunities and reminders may give rise to malpractices in the appointment of the teaching faculty and suppression of vital facts like non-availability of the regular teaching faculty in the institute.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of scheme u/s 10A of the I.M.C. Act, 1956 for establishment of new medical college for the academic session 2008-2009 as College of Medical Sciences Society, Bishnupur is neither willing nor submitting the Declaration forms of teaching faculty in spite of repeated reminders.

C. Increase of MBBS seats from 100 to 150 at Karnataka Institute of Medical Sciences, Hubli – Non submission of declaration forms of teaching faculty till date.

The members of the Adhoc Committee and of the Executive Committee observed that all the medical colleges who had applied for increase of seats/LOP were requested by the Council to submit a letter to the effect that it would be ready and willing for inspection for Increase of MBBS seats for the academic year 2008-2009. All such medical colleges were further directed that all the declaration forms of the teaching faculty must be submitted in the Council office in person at least one month prior to the proposed date for inspection to verify the documents, academic qualification, teaching experience etc. and to prevent any manipulation/malpractice. It was observed that such a letter was sent to Karnataka Institute of Medical Sciences, Hubli on 15.11.2007 by the Council office. Thereafter, an inspection to assess the teaching and training facilities available at the institute for the proposed increase was scheduled on 19th-20th December, 2007 vide Council letter dated 14.12.2007. The Institute vide its letter dated 17.12.2007 had stated that they are not yet ready for inspection for admission of 150 students, further requesting to visit the institute as soon as they would send a request letter for inspection to assess the teaching and training facilities available at the college. This matter was placed before the Executive Committee at its meeting held on 29.12.2007 where the members of the Adhoc Committee appointed by the Hon'ble Supreme Court were also present.

In view of above, the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon'ble Supreme Court in case of Mridul Dhar Vs. UOI & Ors. directing the Council to strictly adhere to the time schedule prescribed under the regulations, and, as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Intent to the Central Govt. being 31st December, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the applications of the above-mentioned Societies/Trusts to the Central Govt. recommending disapproval of the schemes for increase of seats from 100 to 150 u/s 10A of the I.M.C. Act, 1956.

Thereafter, Central Govt. vide letter dated 21st January, 2008 had requested to kindly consider the requests of Societies/Trusts/Government/Universities for combined LOI/LOP inspections if received through the Central Government before 15th March, 2008 for the academic year 2008-2009 for starting of new medical colleges/increase in seats. The Institute vide its letter dated 29th February, 2008 had requested to take up the inspection during April-May, 2008. As the institute had indicated its willingness/readiness for inspection of the college for increase of seats during April-May, 2008, it was required to submit the declaration forms of the teaching faculty in the last week of March, 2008 i.e. one month prior to the proposed date of inspection. However, as

no declaration forms were submitted by the institute, a reminder was sent by the Council dated 2.4.2008 requesting the Director to attend the Council office with the declaration forms of all the teachers immediately. As neither the declaration forms were received nor the Director attended the office of the Council, another reminder dated 9.4.2008 was sent to the institute which was also sent by fax and E-mail requesting the Director to attend the office with the declaration forms of all the teachers on 11.4.2008. However, Director of the Institute did not attend the office of the Council nor sent the declaration forms by the Institute. Another reminder dated 23.4.2008 requesting the Director to attend the office with the declaration forms of all the teachers on 25.4.2008 was also sent. However, vide letter dated 10th April, 2008 the Director of the Institute had requested to permit him to attend the office of the Council after a fortnight's time i.e. by 25th April, 2008. However, neither the Director had attend the office of the Council nor any declaration forms has been submitted till date. Meanwhile, the Council office vide its letter dated 28th April, 2008 had requested the Director to remain present in the Council office alongwith declaration forms on 5.5.2008. The Director of the Institute vide its letter dated 30th April, 2008 has stated as under:-

"I am in receipt of the letter cited. I have already informed you the Karnataka State is going to assemble polls during May and June and as such many officials of this office are busy in various election related works. Further, on account of the elections, this institute has been asked to desist recruitment of staff until the close of the Model Code of Conduct for election. Therefore, it is immediately not possible to file all the declarations for 150 intake. It is therefore prayed to extend time to do so till the completion of polls in this state."

The members of the Adhoc Committee and of the Executive Committee observed that from the above, it is evident that the Institute has failed to submit the declaration forms of the teaching faculty inspite of repeated reminders and also inspite of promises made by the Institute's Director that they would come to the office and submit the declaration forms. In the absence of declaration forms regarding teaching faculty members required to be furnished in advance, it becomes practically impossible to carry out the inspection properly and effectively. It is, therefore, presumably evident that the institute is neither ready nor willing to pursue its application for increase of MBBS seats for the academic session 2008-2009.

The members of the Adhoc Committee and of the Executive Committee were of the opinion that such a prolonged delay in submitting the declaration forms despite repeated opportunities and reminders may give rise to malpractices in the appointment of the teaching faculty and suppression of vital facts like non-availability of the regular teaching faculty in the institute.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of scheme u/s 10A of the I.M.C. Act, 1956 for Increase of MBBS seats from 100 to 150 for the academic session 2008-2009 as Karnataka Institute of Medical Sciences, Hubli is neither willing nor submitting the Declaration forms of teaching faculty in spite of repeated reminders.

65. Award of House Keeping Services in the Council office.

Read : The matter with regard to award of Award of House Keeping Services in the Council office.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the recommendations of the Purchase Committee for awarding the House Keeping contract of various equipments installed in the Council building as under:-

Comparative Statement of Tenders Received for providing Housekeeping Services

S. No	Name of Tenderer	Monthly Rates (inclusive all)			Remarks/Rank
(1)	(2)	(3)	(4)	(5)	(6)
		House Keeper (Rs.)	Supervisor (Rs.)	Total Product (1 Yr) (in Rs.)	
Factor (as given in Tender Form)		159.1666	12.0000	8,34,139.3162	-----
1	M/s Pink House Keeping	5035.59	5610.69	8,68,826.01	I
2	M/s Sapphire House Keeping	5695.00	6355.00	9,82,714.00	III
3	M/s Gorkha Security Services	4596.90	5163.76	7,93,638.06	Not considered as all rates are lower than minimum wages prescribed
4	M/s Good Year Security	5704.42	6407.80	9,84,846.73	IV
5	M/s Rakshak Security	4082.00	4558.00	7,04,414.00	Not considered as all rates are lower than minimum wages prescribed
6	M/s Prominent Housekeeping	5594.73	6380.00	9,67,054.15	II
7	M/s ACME Enterprises	4445.53	5349.00	7,71,767.89	Not considered as all rates are lower than minimum wages prescribed
8	M/s M. S. Vigilant Security	4831.50	5052.26	8,29,640.5479	Not considered as rates for Supervisor are lower than minimum wages prescribed
9	M/s High Alert Services Enterprises	4831.50	5052.26	8,29,640.5479	Not considered as rates for Supervisor are lower than minimum wages prescribed
10	M/s Mass Management	5765.06	6098.00	9,90,780.99	V

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to award the contract for House Keeping Services in the Council office as per the terms & conditions of the tender to the lowest qualifying bidder (L-1) i.e. M/s. Pink House Keeping for a period of 6(six) months extendable by another period of 6 (six) months if the work is found satisfactory.

Office Note: Office was directed to insert the clauses for penalty/termination of the contract in case of non-fulfillment of the conditions while awarding the contract. The Office was further directed to carry out the random checking on different days to verify whether the House Keeping services are being provided as per the terms & conditions of the tender.

66. Award of Security Services in the Council office.

Read : The matter with regard to award of Security Services in the Council office.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council approved the recommendations of the Purchase Committee for awarding the Security Services contract in the Council office as under:-

Comparative Statement of Tenders Received for providing Security Services

S. No	Name of Tenderer	Monthly Rates (inclusive all)					Remarks /Rank
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)
		Security Guard	Security Supervisor	Gun Man	Skilled Worker	Total Product (1 Yr) (in Rs.)	
	Factor (as given in Tender Form)	201.333	36.5000	12.0000	61.8333	15,69,575.2007	-----
1	M/s Good Year Security Services	5704.42	6407.80	6529.58	6370.08	18,54,612.42	IV
2	M/s M.S. Vigilant Security	4831.50	5052.26	5052.26	5395.36	15,51,389.3623	Not considered as rates for Supervisor and Gunman are lower than minimum wages prescribed
3	M/s Sainik Security Service	5653.12	6356.64	6312.86	6312.86	18,36,277.95	III
4	M/s Gaurav Enterprises	5061.89	5686.09	5652.66	5652.66	16,44,023.85	I
5	M/s Gorkha Security Services	5449.81	6121.85	6085.86	6085.86	17,70,014.89	II
6	M/s Rakshak Securities Ltd.	4082.00	4558.00	4269.00	4558.00	13,21,273.00	Not considered as all rates are lower than minimum wages prescribed
7	M/s Neelam Emplacement	6045.00	6790.00	6750.00	6750.00	19,63,270.00	V

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to award the contract of Security Services in the Council office as per the terms & conditions of the tender to the lowest qualifying bidder (L-1) i.e. M/s. Gaurav Enterprises for a period of 6(six) months extendable by another period of 6 (six) months if the work is found satisfactory.

Office Note: Office was directed to insert the clauses for penalty/termination of the contract in case of non-fulfillment of the conditions while awarding the contract. The Office was further directed to carry out the random checking on different days to verify whether the Security services are being provided as per the terms & conditions of the tender.

67. Case No. 3944/2007 in the matter of Md. Shah Afzal – Vs. – Medical Council of India & Anr. in the Court of Chief Commissioner for the persons with Disabilities, New Delhi.

Read : The matter in case No. 3944/2007 in the matter of Md. Shah Afzal – Vs. – Medical Council of India & Anr. in the Court of Chief Commissioner for the persons with Disabilities, New Delhi.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council considered the matter in case No. 3944/2007 in the matter of Md. Shah Afzal – Vs. – Medical Council of India & Anr. in the Court of Chief Commissioner for the persons with Disabilities, New Delhi and decided to obtain the legal opinion from the Council Advocate.

68. Shri Guru Ram Rai Institute of Medical Sciences, Dehradun - Renewal of permission for admission of 3rd batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (2nd & 3rd May, 2008) for renewal of permission for admission of 3rd batch of students for the academic session 2008-2009 at Shri Guru Ram Rai Institute of Medical Sciences, Dehradun.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (2nd & 3rd May, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of 100 (Hundred) MBBS students at Shri Guru Ram Rai Institute of Medical Sciences, Dehradun for the academic session 2008-2009.

69. Bhaskar Medical College, Yenkapally - Renewal of permission for admission of 4th batch of students for the academic session 2008-2009.

Read: The Council Inspectors report (8th & 9th May, 2008.) for renewal of permission for admission of 4th batch of students for the academic session 2008-2009 at Bhaskar Medical College, Yenkapally.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (8th & 9th May, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 100 (Hundred) MBBS students at Bhaskar Medical College, Yenkapally for the academic session 2008-2009.

70. Index Medical College Hospital & Research Centre, Indore - Renewal of permission for admission of 2nd batch of students for the academic session 2008-2009.

Read : The Council Inspectors report (8th & 9th May, 2008.) for renewal of permission for admission of 2nd batch of students for the academic session 2008-2009 at Index Medical College Hospital & Research Centre, Indore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (08th & 09th May, 2008) and noted the following: -

- 1.(a) The following faculty members were not counted while computing faculty deficiency for reasons given as under :-

Sr. No.	Name	Designation	Department	Remarks
1	Dr Anil Kr Bidwai	Assoc. Prof	Bio Chemistry	MSc Science Faculty. PHD Medical Faculty. Not Counted.
2	Dr Shiva Prakash	Asst Prof	Bio Chemistry	MSc Science Faculty. PHD Medical Faculty. Not Counted.
3	Dr Rajni Bodade	Assoc. Prof	Pathology	Part-time. Certified in the D F. Not Counted.
4	Dr Kamayani Despandey	Assoc. Prof	Pathology	Part-time. Certified in the D F. Not Counted.
5	Dr Virendra Kumar	Asst Prof	Pharmacology	Part-time. Certified in the D F. Not Counted.
6	Dr Brijesh Pandey	Asst Prof	Pharmacology	Part-time. Certified in the D F. Not Counted.
7	Dr O P Mahatma	Prof.	Pharmacology	She is PHD from California University. Not Counted.

8	Dr Quazi Syed Nazimuddin	Prof.	Community Medicine	Part-time. Certified in the D F. Not Counted.
9	Dr Tara Chand Meshram	Asst Prof.	Community Medicine	Part-time. Certified in the D F. Not Counted.
10	Dr Ajay V Lenjewar	Assoc Prof.	TB & Chest	Does not have the prescribed qualifications. Not Counted.
11	Dr Surendra Kumar Sharma	Sr, Resident	Paediatrics	Does not have the requisite residency experience. Counted as Jr. Resident.
12	Dr Sarita Ugemuge	Professor	Micro Biology	Part-time. Certified in the D F. Not Counted.
13	Dr. Ashok Talreja	Asstt.Prof.	Microbiology	No date of relieving on the affidavit submitted.
14.	Dr.Chandra Bhushan Jha	Assoc.Prof.	Anatomy	He is on sabbatical leave from B.P. Koirala Instt. w.e.f. 24.5.2007 for one year. Not counted.
15.	Dr. Neeta Dawer	Tutor	Anatomy	There is discrepancy in date of joining in the D.F. and as certified by her. Not counted.

(b) In view of the above, the shortage of teaching staff required at present stage is as under:-

(I) The shortage of teaching faculty is 6.2 % (i.e. 8 out of 129)

- i) Professor 1 (Community Medicine - 1)
- ii) Associate Prof. 6 (Anatomy-1, Boichemistry -1, Pathlogy – 1 , Microbiology -1, Forensic Medicine -1, TB & Chest-1)
- iii) Assistant Professor Nil
- iv) Tutor : 1 (Anatomy-1)

2. Clinical material is inadequate as under:-

	Daily Average		Day of Inspection	
O.P.D. attendance	595		290	
Casualty attendance	36		22	
Bed occupancy%	70%		48%	
Operative work				
Number of major surgical operations	06		05	
Number of minor surgical operations	15		16	
Number of normal deliveries	01		01	
Number of caesarian Sections	0-1		-	
<u>Radiological Investigations</u>	O.P.	I.P.	O.P.	I.P.
X-ray	55	10	44	14
Ultrasonography	20	05	18	6
Special Investigations	3	1	1	1
C.T. Scan	-	-	-	-

<u>Laboratory Investigations</u>				
Biochemistry	133	80	147	72
Microbiology	11	7	12	2
Serology	23	13	12	15
Parasitology	5	5	4	3
Haematology	125	85	141	46
Histopathology	-	4	-	3
Cytopathology	6	0	5	-
Others	-			

- The clinical material was low in terms of OPD attendance (290) and bed occupancy (48%) on the day of inspection.
 - On scrutiny of the records in most of the wards (viz. Medicine, Pediatrics, Ophthalmology, ENT, and OBGY, it was found that the admission/discharge registers were either not available or were incomplete viz., there was either no entry of patients name or date of admission.
 - In Orthopedic and ENT wards, admission /discharge register did not have any entries after 21/04/08 and 27/04/08 respectively.
 - In female surgical ward, Orthopedics case sheets were found with the complaints of pain abdomen, general weakness, giddiness etc. Photocopies of some of the records are enclosed.
 - On the day of inspection, patients lying in the Obstetrics ward, did not have any case sheets and were found to be visitors and not actual patients which is duly certified by the Dean
 - 80 patients were admitted on 7/05/08 and 32 patients were admitted on 8/05/08 till 10.30 am.
 - The OPD attendance varied between 12-20 in various departments till 11:30 am as is duly certified by the Dean.
 - There was no separate major and minor OT register.
 - There was no Anaesthesia register available in any of the OT's.
 - There were 5-10 samples in the various sections of the Central laboratory upto 12 noon.
3. Only 8 residential quarters are available for teaching faculty within the campus against the requirement of 26 at this stage.
 4. The museum in Forensic Medicine department has inadequate facilities. Poisons specimens are not available and only 2 mounted and 7 unmounted specimens are available. Catalogues are not available.
 5. In PSM Department, museum specimens are not available. Catalogues are not available.
 6. Books in the departmental libraries of TB & Chest, Skin & VD, Psychiatry, ENT, Ophthalmology, Radio-Diagnosis and Anaesthesia are inadequate.
 7. Other deficiencies/remarks are in the main report.

In view of the above, the member of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of MBBS students for the academic year 2008-09 at Index Medical College, Hospital & Research Centre, Indore.

71. **Sree Uthradom Thirunal Academy of Medical Sciences, Trivandram-
Renewal of permission for admission of 3rd batch of students for the
academic session 2008-2009.**

Read : The Council Inspectors report (9th & 10^h May, 2008) for renewal of permission for admission of 3rd batch of students for the academic session 2008-2009 at Sree Uthradom Thirunal Academy of Medical Sciences, Trivandram.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council considered the Council inspectors report (9th & 10th May, 2008) and noted the following: -

- 1. The shortage of Residents is more than 5% (8 out of 82) as under:-

Sr. Resident-7 (Medicine-1, TB & Chest-1, Psychiatry-1, Paediatric-1, Surgery-3)

Jr. Residents-1 (Ophthalmology-1)
- 2. Clinical material is inadequate in terms of bed occupancy and number of deliveries as under:-

	Daily Average	Day of Inspection
Bed occupancy%	70-80%	70%
<u>Operative Work</u>		
Number of normal deliveries	00-01	01
Number of caesarian section	00-01	00

- 3. The RHTC, Battiurakabu is not visited by the faculty and there is no role of other departments in the teaching of students. Teaching norms needs to be developed.
- 4. In OPD, class rooms are not available for Psychiatry, Skin & VD, Ophthalmology and ENT departments.
- 5. Central kitchen is not available.
- 6. Other deficiencies/remarks are in the main report.

In view of the above, the member of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of MBBS students for the academic year 2008-09 at Sree Uthradom Thirunal Academy of Medical Sciences, Trivandrum.

72. **Establishment of new medical college at Thiruvarur, Tamilnadu by
Government of Tamilnadu.**

Read : The Council Inspectors report (08th & 09th May, 2008) for grant of LOP for establishment of new medical college at Thiruvarur, Tamilnadu by Government of Tamilnadu u/s 10A of the IMC Act, 1956.

25. The 2nd MBBS – Departments of Pharmacology, Pathology & Microbiology are not yet established.
26. Clinical departments are not yet established. There is no provision of space in make shift Agricultural Marketing complex.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to issue Letter of Permission for establishment of new medical college at Thiruvavarur, Tamilnadu by Government of Tamilnadu u/s 10A of the I.M.C. Act, 1956.

73. Govt. Medical College, Kottayam – Renewal of permission for admission of 3rd batch of students against increased intake i.e. from 100 to 150 for the academic session 2008-09.

Read: The Council Inspectors report (23rd & 24th April, 2008) for renewal of permission for admission of 3rd batch of students against increased intake i.e. from 100 to 150 for the academic session 2008-09 at Govt. Medical College, Kottayam along with additional information received from the Secretary to the Government of Kerala, Health & Family Welfare Department, Thiruvananthapuram, vide letter dated 08.05.2008 and letter of Dean of the Institute dated 08.05.2008 along with declaration forms of 27 personnel who have joined the institute along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (23rd & 24th April, 2008) along with additional information received from the Secretary to the Government of Kerala, Health & Family Welfare Department, Thiruvananthapuram vide letter dated 08.05.2008 and letter of Dean of the Institute dated 08.05.2008 along with declaration forms of 27 personnel who have joined the institute along with letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of students against increased intake i.e. from 100 to 150 at Govt. Medical College, Kottayam for the academic session 2008-2009.

74. T.D. Medical College, Alappuzha-Renewal of permission for admission of 2nd batch of students against the increased intake i.e. from 100 to 150 for the academic session 2008-2009.

Read: The Council Inspectors report (25th & 26th April, 08) for renewal of permission for admission of 2nd batch of students against the increased intake i.e. from 100 to 150 for the academic session 2008-2009 at T.D. Medical College, Alappuzha along with additional information received from the Secretary to the Government of Kerala, Health & Family Welfare Department, Thiruvananthapuram, vide letter dated 08.05.2008 and letter of Dean of the Institute dated 11.05.2008 along with declaration forms of 11 teaching faculty and 21 Residents who have joined the institute along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) along with additional information received from the Secretary to the Government of Kerala, Health & Family Welfare Department, Thiruvananthapuram vide letter dated 08.05.2008 and letter of Dean of the Institute dated 11.05.2008 along with declaration forms of 11 teaching faculty and 21 Residents who have joined the institute along with letter dated 15.07.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of students against increased intake i.e. from 100 to 150 at T.D. Medical College, Alappuzha for the academic session 2008-2009.

75. Santosh Medical College, Ghaziabad-Renewal of permission for admission of 4th batch of students against the increased intake i.e. from 50 to 100 for the academic session 2008-2009.

Read: The Council Inspectors report (25th & 26th April, 2008) for renewal of permission for admission of 4th batch of students against the increased intake i.e. from 50 to 100 for the academic session 2008-2009 at Santosh Medical College, Ghaziabad.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (25th & 26th April, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of students against increased intake i.e. from 50 to 100 at Santosh Medical College, Ghaziabad for the academic session 2008-2009.

76. Increase of MBBS seats from 100 to 150 at Vydehi Institute of Medical Sciences & Research Centre, Bangalore.

Read: The compliance verification inspection report (2nd May, 2008) along with Council Inspectors report (26th & 27th March, 2008) for Increase of MBBS seats from 100 to 150 at Vydehi Institute of Medical Sciences & Research Centre, Bangalore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (2nd May, 2008) along with Council Inspectors report (26th & 27th March, 2008) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats from 100 to 150 at Vydehi Institute of Medical Sciences & Research Centre, Bangalore for the academic session 2008-09 u/s 10A of the I.M.C. Act, 1956.

77. Increase of MBBS seats from 100 to 150 at N.K.P. Salve Instt. of Medical Sciences & Lata Mangeshkar Hospital, Nagpur.

Read: The compliance verification inspection report (10th May, 2008) along with Council Inspectors report (28th & 29th March, 2008) for increase of MBBS seats from 100 to 150 at N.K.P. Salve Instt. of Medical Sciences & Lata Mangeshkar Hospital, Nagpur.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (10th May, 2008) along with Council Inspectors report (28th & 29th March,2008) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats from 100 to 150 at N.K.P. Salve Instt. of Medical Sciences & Lata Mangeshkar Hospital, Nagpur for the academic session 2008-09 u/s 10A of the I.M.C. Act, 1956.

78. Establishment of a new medical college at Noida, U.P by Sharda Education Trust, Agra, Uttar Pradesh.

Read : The letter dated 08.05.2008 received from the Central Govt. and the letter dated 21.04.2008 received from the Special Secretary, U.P. Government with regard to establishment of new medical college at Noida, U.P. by Sharda Education Trust, Agra, Uttar Pradesh.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council observed that at its meeting held on 13th & 14th June, 2007 while considering the inspection report of the inspection carried out for recommending grant of Letter of Permission for establishment of a new medical college at Noida, U.P by Sharda Education Trust, Agra, Uttar Pradesh, it was decided as under:-

“
7. *The distribution of teaching beds is inadequate as under:-*

<i>Speciality</i>	<i>Required Beds/Units</i>	<i>Present Beds/Units</i>	<i>Deficiency (if any)</i>
<i>General Medicine</i>	80	60	20
<i>Surgery & Allied Specialities</i>			
<i>General Surgery</i>	90	70	20
<i>Ophthalmology</i>	10	06	04
<i>Obstetrics & Gynaecology</i>			
<i>Obstetrics & ANC</i>	30	30	04

Thus, there is total deficiency of 48 beds.

In view of above, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council observed that the applicant has failed to fulfil the mandatory and statutory precondition at Sr. No. 2(5) of the Qualifying Criteria of owning & managing of a functional hospital of not less than 300 beds, laid down in the Establishment of Medical College Regulations, 1999.

In view of the Govt. of India letter dated 15.03.2005 issued after the directions of the Hon’ble Supreme Court in case of Mridul Dhar Vs. UOI & Ors. directing the Council to strictly adhere to the time schedule prescribed under the regulations, and as per the Schedule prescribed in the Establishment of Medical College Regulations, 1999, the last date for sending the recommendations of the MCI for grant of Letter of Permission to the Central Govt. being 15th June, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the scheme for establishment of new medical college at Noida, Uttar Pradesh by Sharda Education Trust u/s 10A of the I.M.C. Act,1956.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council further decided to write a letter to the State Govt. of Uttar Pradesh requesting to intimate as to how the Essentiality Certificate vide letter dated 21.03.2006 certifying that the applicant owned and managed a functional hospital of 300 beds having adequate clinical material has

inform the MCI, the basis on which the certification incorporated in the essentiality certificate dated 21.3.2006, had been issued by the State Government to Sharda Education Trust, as mentioned above.

It was observed that the time schedule for different stages prescribed under Establishment of Medical College Regulations, 1999 is as under:-

SCHEDULE FOR RECEIPT OF APPLICATIONS FOR ESTABLISHMENT OF NEW MEDICAL COLLEGES AND PROCESSING OF THE APPLICATIONS BY THE CENTRAL GOVERNMENT AND THE MEDICAL COUNCIL OF INDIA

	<i>Stage of Processing</i>	<i>Last date</i>
1.	<i>Receipt of applications by the Central Govt.</i>	<i>From 1st August to 31st August (both days inclusive) of any year</i>
2.	<i>Receipt of applications by the MCI from Central Govt.</i>	<i>30th September</i>
3.	<i>Recommendations of Medical Council of India to Central Government for issue of Letter of Intent</i>	<i>31st December</i>
4.	<i>Issue of Letter of Intent by the Central Government</i>	<i>31st January</i>
5.	<i>Receipt of reply from the applicant by the Central Government requesting for Letter of Permission</i>	<i>28th February</i>
6.	<i>Receipt of Letter from Central Government by the Medical Council of India for consideration for issue of Letter of Permission</i>	<i>15th March</i>
7.	<i>Recommendations of Medical Council of India to Central Government for issue of Letter of Permission.</i>	<i>15th June</i>
8.	<i>Issue of Letter of Permission by the Central Government.</i>	<i>15th July</i>
Note: (1)	<i>The information given by the applicant in Part-I of the application for setting up a medical college that is information regarding organization, basic infrastructural facilities, managerial and financial capabilities of the applicant shall be scrutinized by the Medical Council of India through an inspection and thereafter the Council may recommend issue of Letter of intent by the Central Government.</i>	
(2)	<i>Renewal of permission shall not be granted to a medical college if the above schedule for opening a medical college is not adhered to and admissions shall not be made without prior approval of the Central Government.....</i>	

It was further observed that by its judgment dated 12.1.2005 passed by the Hon’ble Supreme Court in WP (C) No. 306/2004-Mridul Dhar (Minor) & Anr. Vs. UOI & Ors (2005) 2 SCC 65 for bringing the entire admission process in all medical courses in accordance with the time schedule, had directed as under:-

“..... 35. Having regard to the aforesaid, we issue the following directions : -

- 1-13.
14. Time schedule for establishment of new college or to increase intake in existing college, shall be adhered to strictly by all concerned.
15. Time schedule provided in Regulations shall be strictly adhered to by all concerned failing which defaulting party would be liable to be personally proceeded with.
16. Copy of the judgment shall be sent to Chief Secretaries of all States/Union Territories for compliance....."

It was further observed that with reference to the above-mentioned principles of law laid down by the Hon'ble Supreme Court in Mridul Dhar's case, inter-alia, fixing the time schedule for admission process, opening of a new medical college to that of issuance of Letter of Permission on the recommendations of the Council, by the Central Govt. etc., the Govt. of India had issued a communication dated 15.03.2005 addressed to MCI making it absolutely clear that all the recommendations of the MCI with regard to permission/ renewal of medical colleges should be sent to the Central Govt. latest by 15.6.2005 and the Central Govt. will not accept any recommendations after 15.6.2005 and whereafter it shall be the sole responsibility of the MCI.

The relevant portion of the said letter dated 15.03.2005 of the Central Govt. addressed to the MCI, is reproduced below : -

“

I am directed to invite your attention to the directions of the Hon'ble Supreme Court dated 12.1.2005 in the above mentioned case with particular reference to the following observations made therein :-

‘.....Having regard to the professional courses into consideration, it deserves to be emphasized that all concerned including Governments, State and Central both, MCI/DCI, colleges, new or old, students, Boards, universities, examining authorities etc. are required to strictly adhere to time schedule wherever provided for; there should not be mid-stream admission; admission should not be in excess of sanctioned intake capacity or in excess of quota of any one, whether State or Management. The carrying forward of any unfilled seats of one academic year to next academic year is also not permissible.....’

You are requested to kindly bring the above directions of the Hon'ble Court to the notice of all the medical colleges/institutions and the authorities concerned in the country for strict adherence to the Time schedule prescribed in the Regulations of the Council for admission of students for the Undergraduate courses, and also the Time schedule prescribed for admission in the Postgraduate/Super Specialty courses indicated in this Ministry's letter No.V-11025/1/2003-ME(P.I) dated 14th May, 2003.

The Hon'ble Court has also directed that the Time schedule prescribed in the Regulations for Establishment of new Medical colleges, increase of intake capacity and for Opening of new or higher courses of study has also to be strictly adhered to. Similarly, the process of annual renewal of permissions have also to be completed in accordance with the Time schedule so that the Time schedule prescribed for admission of students is not disrupted. Therefore, as the Council is required to forward its recommendation in this regard to the Ministry and thereafter the Government is required to issue necessary permission/renewal of permission within the time prescribed for the same, the Council is requested to advise all the concerned colleges/institutions to get the inspections done well in time.

From the above, it appears that in accordance with the Regulations in force and various pronouncements of the Hon'ble Supreme Court, the strict adherence to each of the following stages is an absolute imperative:-

- a. All new applications u/s 10A are necessarily required to be submitted with the Central Govt. between 1st of August to 31st of August of any year. This Hon'ble Court has already held in the case of UOI Vs. All India Children Care and Educational Development Society– (2002) 3 SCC 649 (para-5 at pg.652, that it is only such applications which are complete in all respects as per the qualifying criteria laid down in the statutory regulations, deserve to be treated as applications u/s 10A of the Indian Medical Council Act, 1956 and the Dentists Act, 1948 which then become eligible for consideration u/s 10A of the respective enactments.
- b. The 2nd stage imperative is that the complete applications which are received by the Central Govt. between the 1st of August to 31st of August are then required to be forwarded to the MCI positively before the 30th of September of that year in which the fresh applications are submitted to the Central Govt. The Central Govt. is, therefore, obliged to forward the complete applications u/s 10A of the Act to the Council by 30th of September and not thereafter.
 - (i) Upon receipt of the application from the Central Govt. on or before 30th of September, the Council is required to undertake the exercise of evaluate those applications and conducting inspections for the purpose of consideration of the case for recommending to the Govt. of India, for grant of Letter of Intent (LOI). This exercise has to be completed by the Council on or before 31st of December and this time stage is also an absolute imperative.
 - (ii) Thereafter, the Govt. of India is required to issue Letter of Intent (LOI) on the basis of the recommendations of the Council on or before 31st of January. This time stage is also required to be strictly adhered to and is an imperative.
 - (iii) The college then becomes due for consideration for recommendations by the Council for grant of Letter of Permission (LOP) on fulfillment of minimum infrastructural, teaching and other facilities. It is only upon the grant of Letter of Permission that the college becomes entitled to undertake the admission process and admit students.

In view of above and after due deliberation and consideration of the Regulations in force and the orders of the Hon'ble Supreme Court in various judgments, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided that it would be neither possible nor permissible for any authority to process any application, which, due to any reason is in violation of the time schedule prescribed in the Regulations. As the application for establishment of new medical college at Noida by Sharda Education Trust, admittedly, had not been received till 30th September, 2007 being the last date for receipt of the applications in the Council Office for consideration for the academic session 2008-09 and accordingly it was decided to return the application to the Central Government recommending disapproval of the scheme for establishment of new medical college at Noida, U.P. by Sharda Education Trust, Agra, Uttar Pradesh u/s 10A of the I.M.C. Act, 1956. It was further decided that the Central Government, may be informed accordingly.

79. Karpaga Vinayaga Institute of Medical Sciences and Research Centre run by Karpaga Vinayaga Educational Trust.

Read : The matter pertaining to establishment of new medical college at Kanchipuram, Tamilnadu by Karpaga Vinayaga Educational Trust, Kanchipuram, Tamilnadu alongwith the Order of Hon'ble High Court at Chennai dated 11.4.2008.

The members of the Adhoc Committee and the Executive Committee observed that at its meeting held on 14.4.2008 with regard to the matter of establishment of new medical college at Kanchipuram, Tamilnadu by Karpaga Vinayaga Educational Trust, Kanchipuram, Tamilnadu, it was decided as under:-

“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council considered the Central Govt. letter dated 14.03.2008 and observed that the Hon’ble High Court of Madras at Chennai in W.P.No.34307/2006 in its order dated 19.09.2006 had directed as under:-

“On an earlier occasion, when the similar issue came up for consideration, this Court, in W.P.M.P. Nos. 34742 and 34743 of 2005 in W.P.No. 31965 of 2005, passed an order, dated 29.09.2005, in the following terms:-

“Learned counsel appearing for the petitioner submitted that under similar circumstances, learned single Judge of this court had granted interim order restraining the Government of India from rejecting the application for want of Essentiality Certificate. The said judgement was questioned in Writ Appeal No. 1619 of 2005 and Divisional Bench by order dated 26.06.2005, has passed the following order:-

‘In paragraph 5 of the impugned order, the learned single Judge has only directed the second respondent, Dental Council of India (appellant herein) to kept the writ-petitioner’s application dated 25.01.2005 pending without rejecting the same for want of Essentiality Certificate till the same is produced. We fail to understand as to what grievance can the appellant have against this order. Obviously, until the Essentiality Certificate is produced, the appellant need not grant approval to the writ petitioner’s college. We are informed that the writ petitioner is making efforts to get the Essentiality Certificate and unless and until the writ petitioner obtains and produces the Essentiality Certificate, the appellant need not grant approval to the writ-petitioner’s college.

The writ appeal is therefore dismissed.’

In view of above, there will be an order of interim injunction. Notice.”

2. *Following the same, there will be an order of interim injunction in this case also. Notice.”*

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council further observed that the schedule for receipt of applications for establishment of new medical colleges as prescribed under the Establishment of Medical College Regulations, 1999 as under:-

SCHEDULE FOR RECEIPT OF APPLICATIONS FOR ESTABLISHMENT OF NEW MEDICAL COLLEGES AND PROCESSING OF THE APPLICATIONS BY THE CENTRAL GOVERNMENT AND THE MEDICAL COUNCIL OF INDIA

Stage of Processing	Last date
1. Receipt of applications by the Central Govt.	From 1st August to 31st August (both days inclusive) of any year
2. Receipt of applications by the MCI from Central Govt.	30 th September
3. Recommendations of Medical Council of India to Central Government for issue of Letter of Intent	31st December
4. Issue of Letter of Intent by the Central Government	31st January
5. Receipt of reply from the applicant by the Central Government requesting for Letter of Permission	28th February

- | | |
|--|------------|
| 6. Receipt of Letter from Central Government by the Medical Council of India for consideration for issue of Letter of Permission | 15th March |
| 7. Recommendations of Medical Council of India to Central Government for issue of Letter of Permission | 15th June |
| 8. Issue of Letter of Permission by the Central Government | 15th July |
-

It was further observed that the Hon'ble Supreme Court by its order dated 12.01.2005 in Writ Petition [c] No. 306/2004 – Mridul Dhar (Minor) & Anr. Vs. UOI & Ors. – (2005) 2 SCC 65, while emphasizing the need for strict enforcement of the time schedule had directed as under:-

“.....35. *We issue the following directions:-*

1-13.....

- 16. Time schedule for establishment of new college or to increase intake in existing college, shall be adhered to strictly by all concerned.*
- 15. Time schedule provided in Regulations shall be strictly adhered to by all concerned failing which defaulting party would be liable to be personally proceeded with.....”*

In accordance with the statutory time schedule for grant of permission in view of the directions of the Hon'ble Supreme Court, the strict adherence of each of the following stages is an absolute imperative:-

- “a. All new applications u/s 10A are necessarily required to be submitted with the Central Govt. between 1st of August to 31st of August of any year. This Hon'ble court has already held in the case of UOI Vs. All India Children Care and Educational Development Society – (2002) 3 SCC 649 (para-5 at pg.652, that it is only such applications which are complete in all respects as per the qualifying criteria laid down in the statutory regulations, deserve to be treated as applications u/s 10A of the Indian Medical Council Act, 1956 and the Dentists Act, 1948 which then become eligible for consideration u/s 10A of the respective enactments.*
- b. The 2nd stage imperative is that the complete applications which are received by the Central Govt. between the 1st of August to 31st of August are then required to be forwarded to the MCI positively before the 30th of September of that year in which the fresh applications are submitted to the Central Govt. The Central Govt. is, therefore, obliged to forward the complete applications u/s 10A of the Act to the Council by 30th of September and not thereafter.”*

It was further observed that the Central Govt. vide letter dated 15.03.2005 addressed to the Council had specifically requested the Council to bring the above directions of the Hon'ble Supreme Court to the notice of all the authorities and all the medical colleges/institutions concerned in the country for strict adherence to the time schedule prescribed in the Regulations.

The proposal for establishment of new medical college by Karpaga Vinayaka Educational Trust, Kanchipuram was received in the office of the Council on 19.03.2008 forwarded by the Central Govt. vide letter dated 14.03.2008. Along with the proposal, the consent of affiliation in Form-3 as required under the Qualifying Criteria 2(4) of the Establishment of Medical College Regulations, 1999 “that Consent of affiliation in Form-3 for the proposed

medical college has been obtained by the applicant from a University” has not been enclosed. Thus, the complete application has not been received in the office of the Council till 30th September as stipulated in the Regulations.

In view of above and where the applications has not been received in the office of the Council within the time schedule prescribed under the Regulations and in view of the directions of the Hon’ble Supreme Court, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to return the application in original to the Central Govt. for establishment of a new medical college at Kanchipuram, Tamil Nadu by Karpaga Vinayaga Educational Trust, Kanchipuram u/s received 10A of the I.M.C. Act, 1956 for the academic year 2008-09.”

The decision of the Executive Committee has been communicated to the Central Government vide Council Office letter No. MCI-34(41)/2008-Med./5986 dated 5.5.2008. Meanwhile, it is observed that the institute had filed a Writ Petition bearing No. 8404 of 2008 alongwith the M.P. No. 1/2008 before the Hon’ble High Court of Madras. The Hon’ble High Court vide its Order dated 11.4.2008 had directed as under:-

“..... Considering the submissions made by the learned counsel on either side, the above writ petition is disposed of with the following direction:

“.....The third respondent shall cause inspection of the petitioner’s institute and forward the inspection report to the first respondent within six weeks from the date of receipt of a copy of this Order and on receipt of such report, the first respondent shall consider the same on merits and in accordance with law and pass appropriate orders for the issuance of No Objection Certificate within three weeks, therefrom....”

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee further observed that although the Order was passed by the Hon’ble High Court on 11.4.2008, the same was not available and was not placed before the Executive Committee and the Adhoc Committee at its meeting held on 14.4.2008. Perusal of the record reveals that the Order was received in the Office of the Council on 17.4.2008.

In view of the above, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee decided that its earlier decision taken at its meeting held on 14.4.2008 be kept in abeyance and the communication sent by the Council Office vide its letter dated 5.5.2008 may be considered null and void ab initio. It was further decided to inform the Central Government accordingly.

80. Departmental Promotion to the post of Private Secretary in the office of the Medical Council of India.

Read: The recommendations of the Selection Committee to the post of Private Secretary in the office of the Medical Council of India.

The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council approved the recommendation of the Selection Committee meeting held on 12.05.2008 for the post of Private Secretary in the office of the Medical Council of India as under:-

“The Committee, after verifying the C.R., documents and detailed discussion recommends the following as selected candidate for the said post:-

<i>Sl.No.</i>	<i>Name</i>
<i>1.</i>	<i>Mrs. Prem Lata</i>

81. Departmental Promotions to the post of Personal Assistant in the office of the Medical Council of India.

Read: The recommendations of the Selection Committee to the post of Personal Assistant in the office of the Medical Council of India.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the recommendation of the Selection Committee meeting held on 12.05.2008 for the post of Personal Assistant in the office of the Medical Council of India as under:-

“The Committee, after verifying the C.R., documents and detailed discussion recommends the following as selected candidates for the said post:-

<i>Sl.No.</i>	<i>Name</i>
1.	Mrs. Saroj Bhasin
2.	Shri Ravi Bhargava

82. Increase in MBBS seats from 100 to 150 at Aarupadai Veedu Medical College and Hospital, Puducherry.

Read: The letter dated 12-5-2008 received from the Rector, Vinayaka Missions University, Salem with regard to consider the proposal for the next academic year 2009-2010 for increasing the undergraduate seats from 100 to 150 at Aarupadai Veedu Medical College & Hospital, Puducherry.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted the letter dated 12-5-2008 received from the Rector, Vinayaka Missions University, Salem with regard to consider the proposal for the next academic year 2009-2010 for increasing the undergraduate seats from 100 to 150 at Aarupadai Veedu Medical College & Hospital, Puducherry

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the Scheme for increase of seats at Aarupadai Veedu Medical College & Hospital, Puducherry as there is no provision in the I.M.C. Act, 1956 or Regulations framed thereunder to keep the application pending with the Council for the next academic year.
