16. Sh. Guru Ram Das Institute of Medical Sciences & Research, Amritsar - Renewal of permission for admission of 3rd batch of students against the increased intake i.e. from 50 to 100 for the academic session 2009-2010.

Read: The Council Inspectors report (27th & 28th March, 2009) for renewal of permission for admission of 3rd batch of students against the increased intake i.e. from 50 to 100 the academic session 2009-2010 at Sh. Guru Ram Das Institute of Medical Sciences & Research, Amritsar.

The Executive Committee of the Council considered the Council Inspectors report (27th & 28th March, 2009) and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch of MBBS students against the increased intake i.e. from 50 to 100 at Sh. Guru Ram Das Institute of Medical Sciences & Research, Amritsar for the academic session 2009-10.

17. Pd. Deen Dayal Upadhyay Medical College, Rajkot - Renewal of permission for admission of 4th batch of students against the increased intake i.e. from 50 to 100 for the academic session 2009-2010.

Read: The Council Inspectors report (27th & 28th March, 2009) for renewal of permission for admission of 4th batch of students against the increased intake i.e. from 50 to 100 the academic session 2009-2010 at Pd. Deen Dayal Upadhyay Medical College, Rajkot.

The Executive Committee of the Council considered the Council Inspectors report (27th & 28th March, 2009) alongwith letter dated 15.7.2004 from the Joint Secretary, Govt. of India, Ministry of Health & F.W. and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of MBBS students against the increased intake i.e. from 50 to 100 at Pd. Deen Dayal Upadhyay Medical College, Rajkot for the academic session 2009-10.

18. The Tamil Nadu Dr. M.G.R. Medical University, Chennai – Continuation of recognition of MBBS qualification in respect of students being trained at Stanley Medical College, Chennai.

Read: The Council Inspectors report (23rd & 24th January, 2008) for continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Stanley Medical College, Chennai.

The Executive Committee of the Council considered the Council Inspectors report (23rd & 24th January, 2008) and noted that no compliance/observations on the deficiencies pointed out in the Council's inspection report have been received inspite of Council's letter dated 21.4.2008 and subsequent reminders dated 16.10.2008, 5.1.2009 & 25.2.2009 to the concerned authorities.

In view of above, the Executive Committee decided to write a D.O. letter to the Secretary, Medical Education, Govt. of Tamil Nadu requesting him to take up the matter with the Dean of the institution to ensure that a proper compliance/observations, at an early date for further consideration of the Council, be sent.

19. Vinayaka Missions University, Salem – Consideration of inclusion of Vinayaka Missions Kirupananda Variyar Medical College & Hospital, Salem for award of MBBS qualification.

Read: The matter with regard to inclusion of Vinayaka Missions University, Salem for the award of MBBS degree in respect of Vinayaka Missions Kirupananda Variyar Medical College & Hospital, Salem in the first schedule of IMC Act, 1956.

The Executive Committee of the Council considered the Central Govt. letter dated 20th March, 2009 enclosing therewith a copy of letter dated 31.12.2008 received from the Dean, Vinayaka Mission University, Salem and observed that the Executive Committee at its meeting held on June 1988 had decided as under:-

“No inspection is required where there is change of name and change of affiliation of the University or the college whose medical qualifications are already recognized and included in the I schedule to the IMC Act, 1956 unless the Executive Committee decided otherwise”.

The Executive Committee of the Council further noted that Vinayaka Missions Kirupananda Variyar Medical College & Hospital, Salem is recognized medical college for the award of MBBS qualification granted by the Tamil Nadu Dr. MGR Medical University.

In view of above, the Executive Committee of the Council decided that Vinayaka Missions Kirupananda Variyar Medical College & Hospital, Salem be recognized and included in the Ist Schedule to IMC Act, 1956 for award of MBBS qualification under Vinayaka Mission University, Salem being the change of affiliation of University; and further decided to recommend to the Govt. of India for appropriate notification in this regard.

The Committee also decided to place the matter before the General Body of the Council.

20. Consideration of the Experience Certificate issued by the Principal, Adichunchanagiri Institute of Medical Sciences, Bellur in respect of Dr. G.S. Malipatil against whom as FIR was recommended by the Executive Committee at its meeting on 13th & 14th June, 2007.

Read: The matter with regard to consideration of the Experience Certificate issued by the Principal, Adichunchanagiri Institute of Medical Sciences, Bellur in respect of Dr. G.S. Malipatil against whom an FIR was recommended by the Executive Committee at its meeting on 13th & 14th June, 2007.

The Executive Committee of the Council noted that at its meeting held on 13th and 14th June, 2007, the Police authorities were requested to lodge an FIR against Dr. G.S. Malipatil for further investigation in the matter.

The Committee further noted the letter dated 13.11.2008 from the Asstt. Commissioner of Police, Crime Detachment, Kozhikode wherein it was informed as under:-

“An experience certificate issued by the Principal, Adichunchanagiri Institute of Medical Sciences, BG Nagara, Nagamangala Taluk, Mandya – Dist. Kanatakaa – State, stated that Dr. G.S. Malipatil has worked in Department of Anatomy as Associate Professor from 30.04.1999 to 16.02.2000. As per the confirmation letter of Medical Council of India, the Principal mentioned that Dr. G.S. Malipatil worked 16.07.1999 to 16.02.2000. Again the above institution had also be sent another rectification as per vide letter No. AIMS/ESTB/922/2007-08 dated 19.07.2007 stated that the period of Dr. G.S. Malipatil may be made from 30.04.1999 to 16.02.2000 instead of 16.07.1999 to 16.02.2000.”

The Committee also perused the letter dated 19.2.2009 received from the Principal, Adichunchanagiri Instt. of Medical Sciences, Bellur which states as under:-

“.....

Dr. G.S. Mali Patil upon scrutiny of attendance scroll and the office records it is found that he has reported for duty as Assistant Professor of Anatomy at this institution on F/N. of 30.04.1999.

The earlier office letter issue to Dr. G.S. Mali Patil showing 6.7.1999 as his date of reporting for duties was based upon the fact that the official record was not traceable by the record keeper and since date of reporting happened to be the last day of April, 1999, that remind unnoticed and based upon the salary disbursed to the teacher.

The teacher resumed his duties on 6.7.1999 with a period of abstinence for duties from 1.5.1999 to 5.7.1999 and continued to attend his work till 16.02.2000. This period of absence from 1.05.1999 to 05.07.1999 was considered as leave with out pay as there was an acute shortage of qualified teachers in Anatomy at that time and keeping in view of the welfare of the students' community.

Therefore while issuing the second service certificate, upon scrutiny of the official records, his date of reporting for duty was found to be on 30.04.1999 instead of 06.07.1999.

Subsequently, the teacher with out giving any intimation and seeking prior permission remained absent for duties from 16.02.2000. After waiting for some time, the administration was left with no option except to relive the teacher from his duties with effect from 16.02.2000.”

In view of position explained above, the Executive Committee of the Council decided that its earlier recommendation of FIR against Dr. G.S. Malipatil be withdrawn and the Police authorities be informed accordingly.

21. Mahatma Gandhi National Institute of Medical Sciences, Jaipur - Renewal of permission for admission of 2nd batch of students against the increased intake i.e. from 100 to 150 for the academic session 2009-2010.

Read: The Council Inspectors report (26th & 27th March, 2009) for renewal of permission for admission of 2nd batch of students against the increased intake i.e. from 100 to 150 for the academic session 2009-2010 at Mahatma Gandhi National Institute of Medical Sciences, Jaipur.

The Executive Committee of the Council considered the Council Inspectors report (26th & 27th March, 2009) and decided to recommend to the Central Govt. to renew the permission for admission of 2nd batch of MBBS students against the increased intake i.e. from 100 to 150 at Mahatma Gandhi National Institute of Medical Sciences, Jaipur for the academic session 2009-10.

22. Continuance of recognition of MBBS degree granted by Sri Ramachandra Medical College and Research Institute (Deemed University) in respect of students being trained at Sri Ramchandra Medical College and Research Institute, Porur.

Read: The Council Inspectors report (19th & 20th March, 2009) for continuance of recognition of MBBS degree granted by Sri Ramachandra Medical College and Research Institute (Deemed University) in respect of students being trained at Sri Ramchandra Medical College and Research Institute, Porur.

The Executive Committee of the Council considered the Council Inspectors report (19th & 20th March, 2009) and observed as under:-

1. Teaching beds are adequate. However, the beds in all the wards are crowded. i.e. the space between two beds is too less and need to be increased as per norms. Beds of Ophthalmology, Orthopedics and Dermatology are scattered in different wards. Distribution of teaching beds in different specialties / wards requires to be reorganized as per Council Requirements.
2. Lecture Theatres: The seating capacity of 3 Lecture halls requires to be increased to 180 and for one Lecture hall requires to be increased to 375. There is no separate central lecture hall with capacity of 200 in the hospital.
3. Hostels: The number of students accommodated is 496. There is a common blocks for Gents & Ladies where all the students of Medical Faculty, Dental Faculty, AHS and Interns are accommodated.
4. Residential Quarters: The number of quarters available for non-teaching staff is Nil.
5. Central library: There is no medlar facility available.
6. The facilities in the Para clinical departments required to be increased as under:-
 - (i) Pathology : The capacity of Demonstration rooms need to be increased as per MCI norms.
 - (ii) Microbiology: The seating capacity of Departmental library requires to be increased.
7. Other deficiencies/remarks are in the main report.

In view of above, the Executive Committee of the Council decided to give 1 (one) month time to the authorities of Sri Ramchandra Medical College and Research Institute, Porur to rectify the above deficiencies and submit the compliance within the stipulated period. Copy of the letter be also marked to Secretary (Medical Education), DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

23. Army College of Medical Sciences, Delhi Cantt. - Renewal of permission for admission of 2nd batch of students for the academic session 2009-2010.

Read: The Council Inspectors report (27th & 28th March, 2009) for renewal of permission for admission of 2nd batch of students for the academic session 2009-2010 at Army College of Medical Sciences, Delhi Cantt.

The Executive Committee of the Council considered the Council Inspectors report (27th & 28th March, 2009) and noted the following:-

- 1.(a) The shortage of teaching faculty is 13.4% as under:-
 - i) Professor 03 (Forensic Medicine-01, Radiology-01 & Medicine-01)
 - ii) Associate Prof.- 04 (Pathology-01, Pharmacology-01, Forensic Medicine-01 & Radiology-01)
 - iii) Assistant Prof. 04 (Pathology-01, Anatomy-01, MWO-01, Dentistry-01)
 - iv) Tutor 02 (Anatomy-01 & Pathology-01)
- (b) The shortage of Residents is 47.3% as under :-
 - i) Sr. Resident 21 (Paediatric-02, Surgery-04, Orthopaedic-02, ENT-01, Ophthalmology-01, Obst & Gynae-02, Radiology-02, Anesthesia-03 & Medicine-04)
 - ii) Jr. Resident 06 (TB & Chest-01, Surgery-02, Ophthalmology-01, Dentistry-01 & Medicine-01)
2. Teaching areas are not provided in the OPD of Polyclinic complex for different specialties.
3. In Wards, institution is planning to use seminar hall as demonstration room. Side Laboratories are not available in any ward.
4. In many wards, beds are not numbered. Unit wise distribution of bed is not seen. Patients are put on the beds as per the availability of the beds/as per convenience. The Deputy Dean has given a letter stating that the exact details of clinical units are not available at present.
5. Radiological facilities: IITV not available.
6. Common room for boys and girls are not available.
7. Facilities for experimental work are not available.
8. Other deficiencies/remarks are in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of MBBS students for the academic year 2009-10 at Army College of Medical Sciences, Delhi Cantt.

24. Index Medical College Hospital & Research Centre, Indore - Renewal of permission for admission of 3rd batch of students for the academic session 2009-2010.

Read: The Council Inspectors report (31st March & 1st April, 2009) for renewal of permission for admission of 3rd batch of students for the academic session 2009-2010 at Index Medical College Hospital & Research Centre, Indore.

The Executive Committee of the Council considered the Council Inspectors report (31st March & 1st April, 2009) and noted the following:-

- 1(a). The following teaching faculty has not been considered because of the following reasons mentioned below:-

Sl.No.	Name	Department	Designation	Reasons for not considering.
1.	Amrita Bannerji	Physiology	Asstt.Prof.	Does not possess prescribed qualification.
2.	Dr. S.P.Sing	Biochemistry	Professor	Do not possess prescribed qualification.
3.	Dr. Anil Bidwai		Assoc.Prof.	
4.	Dr. M.G. Sarodekar	Radiology	Professor	Does not possess prescribed qualification.

(b) The shortage of teaching staff required at present stage is as under:-

- a Teaching Faculty 34 out of 166 20.48 %
- I Professor : 6 Pharam-1, Ped-1, Derma-1, Ortho-1, OBG-1, Radiology-1
- Ii Associate Professor : 8 Med-2, Ped-3, Orhto-2, OBG-1
- Iii Assistant Professor : 17 Med-4 , Ped-2, Derma-1, Psych-1, Surg-3, Orhto-3, ENT-1, OPh-1, Anaesthesia-1
- Iv Tutor : 3 Patho-3
- c Residents 73 out of 113 64.6 %
- I Sr. Residents 25 Med-6, Ped-3, TB-1, Derma-1, Psych-1, Surg-5, Ortho-2, ENT-1, Oph-1, Anaesthesia-3, Radiology-1
- Ii Jr. Residents 48 Med-11, Ped-5, Psych-2, Surg-10, Ortho-6, ENT-3, Oph-3, OBG-8
- Central oxygen and suction is not functional.
 - Casualty OT is used for minor surgery and is also used as Septic OT which is not adequate.
 - There is no lecture theatre in the hospital.
 - The wards requires to be upgraded with equipments and facilities as per MCI norms.
 - Incinerator is not available.
 - Intensive care:
 - All types of Intensive care areas are not available.
 - Clean and Septic beds are kept together in NICU in One room. These beds are required to be kept separate.
 - No Central AC in all ICUs.
 - There is no central monitoring available.
 - Anatomy Department :
 - The mounted specimen in Museum requires to be increased.
 - Number of skeleton requires to be increased.
 - MRI, CT, USG and X-rays require to be displayed.
 - Number of charts requires to be increased.
 - Number of Cadavers are required to be increased.
 - Pharmacology Department:
 - The seating capacity in .both the Labs requires to be increased
 - The number of Medicinal Plants are required to be increased.
 - Pathology Department:
 - The number of mounted specimen requires to be increased.
 - The departmental library requires to be strengthen to in terms of seating capacity and number of books.
 - Catalogues are not available.
 - Forensic Medicine:
 - The mortuary is available, but it is not functional. There is no permission to carry out Medico legal Postmortem.
 - Other deficiencies/remarks are in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch of MBBS students for the academic year 2009-10 at Index Medical College Hospital & Research Centre, Indore.

Office Note: In the light of letter dated 08.04.2009 from the Council inspector, the name of the college mentioned as “Geetanjali Medical College” under ‘General Remarks’ vide Sl.No. 22 (B) on page 19 of the inspection report may be read as ‘Index Medical College Hospital & Research Centre, Indore’. The report accordingly may be read corrected.

25. Inspection report of Melmaruvathur Adhiparasakthi Institute of Medical Sciences and Research, Melmaruvathur for renewal of permission for admission of 2nd batch of students for the academic session 2009-2010.

Read: The Council Inspectors report (31st Mar, 2009 & 01st April, 2009) for renewal of permission for admission of 2nd batch of students for the academic session 2009-2010 at Melmaruvathur Adhiparasakthi Institute of Medical Sciences and Research, Melmaruvathur.

The Executive Committee of the Council considered the Council Inspectors report (31st March & 1st April, 2009) and noted the following:-

1. (a) The shortage of teaching faculty is 28.12% as under:
 - i) Professor -1 (Radiology)
 - ii) Associate Professor -7 (Anatomy 1, Pathology 1, Forensic Medicine 1, Medicine 1, Tb & chest 1, Radiology 1 and Anesthesia 1)
 - iii) Assistant Professor -8 (Skin & VD 1, Psychiatry 1, Paediatric 1, MWO 1, Radiology 2, Anesthesia 2)
- (b) The shortage of Residents is 27.9% as under :-
 - i) Sr. Resident -12 (Surgery 3, Orthopedic 2, Radiology 2, Anesthesia 5)

2. Clinical material is inadequate as under:-

<u>Radiological Investigations</u>	O.P.	I.P.	O.P.	I.P.
Special Investigations	1	1	2	-
C.T. Scan	3	1	1	3
<u>Laboratory Investigations</u>				
Histopathology	1	3	2	3
Cytopathology	3	2	3	1

3. There is over crowding of the beds in certain wards.
4. Other deficiencies/remarks are in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of MBBS students for the academic year 2009-10 at Melmaruvathur Adhiparasakthi Institute of Medical Sciences and Research, Melmaruvathur.

26. Narayan Medical College and Hospital Sasaram- Renewal of permission for admission of 2nd batch of students for the academic session 2009-2010.

Read: The Council Inspectors report (1st & 2nd April, 2009) for renewal of permission for admission of 2nd batch of students for the academic session 2009-2010 at Narayan Medical College and Hospital Sasaram.

The Executive Committee of the Council considered the Council Inspectors report (1st & 2nd April, 2009) and noted the following:-

- 1(a) The shortage of teaching staff required at present stage is as under:-
- (b) The shortage of teaching faculty is 98.96% (96 out of 97)
Only one assistant professor (ophthalmology) was present
- (c) The shortage of Residents is 96.49% (i.e. 55 out of 57) as under :-

Only two junior resident (General medicine) were present.
- (d) 10 resident doctors and 3 faculty member were presented for head count at 6 p.m. on the 1st day of inspection and hence not counted.
2. The following faculty was not accepted.

Sl.No.	Name	Designation	Department	Remarks
1.	Dr. Zamiruddin Ansari	Asst. Profs.	Biochemistry	M.Sc. from science faculty.
2.	Dr. Ashutosh pandey	Asst. Prof.	General Surgery	Signature forged.
3.	Dr. Syed. Md. Javed	Asst.Prof.	Pharmacology	Resident of Patna, visits the institution twice a week. (given in writing)
4.	Mr. Jamaluddin	Tutor	Community Medicine	Was taking tutorial in Anatomy, no relieving order.

3. As per the statement of the principal the entire teaching and non-teaching staff was on leave because of some festival. However it was not a Gazetted Holiday and no leave applications for the same were available with the principal.
4. Clinical Material is grossly inadequate as under:-

	Daily Average	Day of Inspection
O.P.D. attendance	30-40	140
Casualty attendance	02-03	0
Number of admissions / discharge	Records not available	0/0
Bed occupancy%	Not provided	0
Operative work		
Number of major surgical operations	6 to 7/month	Nil
Number of minor surgical operations	8 to 9/month	Nil
Number of normal deliveries	Not provided	Nil
Number of caesarian Sections	Not provided	Nil
Radiological Investigations		
X-ray	18	18
Ultrasonography	18	Nil
Special Investigations	Nil	Nil
C.T. Scan	N.A.	N.A.
Laboratory Investigations		
Biochemistry	40	39
Microbiology	Not provided	04
Serology	-	-
Parasitology	10	Nil
Haematology	40	07
Histopathology	Nil	Nil
Cytopathology	Nil	Nil
Others	N.A.	N.A.

- Clinical material is grossly inadequate in terms of OPD attendance, Casualty attendance, no. of admission/discharges, bed occupancy, operative work, radiological and laboratory investigations.

- There was no record available for number of normal deliveries and caesarian section. There was no record of birth registration.
 - The MRD section was locked, which was not opened inspite of repeated requests. There was no record of indoor patients including bed occupancy; hence appropriate information regarding daily average could not be ascertained for admission/discharges/bed occupancy/no. of deliveries.
 - There is no facility for Histopathology investigation.
 - The OPD was being managed by 2 Jr. Resident in General Medicine and 1 Assistant Professor in Ophthalmology.
5. The following deficiencies are observed in the infrastructure of pre-clinical departments:-
- A. Anatomy Department
- No teaching staff is available in the department of anatomy.
 - No required equipment is available in the embalming room.
 - MRI, CT and X-rays are not displayed.
 - Tutor of Community Medicine was taking tutorial class in Anatomy.
- B. Physiology Department.
- No teaching staff is available in the department of Physiology.
- C. Biochemistry Department:
- No teaching staff is available in the department of biochemistry.
 - A non-medical teacher (M.Sc. from science faculty) was teaching a group of 40 students on the 1st day of inspection.
 - Assistant Professor of Pharmacology was taking tutorial class in Biochemistry on the 2nd day of inspection.
6. The following deficiencies are observed in the infrastructure of para-clinical departments:-
- a) Pharmacology dept. is under construction. It is not functional at the present stage.
- b) Pathology dept. is under construction. It is not functional at the present stage. Blood bank is not available.
- c) Microbiology dept. is under construction. It is not functional at the present stage.
- d) The Forensic Medicine dept. has been constructed. There are no designated rooms for teaching/non-teaching staff / lab / demonstration room / seminar room. There is no equipment / furniture available in any room / lab. No teaching staff is available in the department.
Mortuary : Not available.
- e) i) The Community Medicine dept. has been constructed. There are no designated rooms for teaching/non-teaching staff /lab /demonstration room / seminar room.
ii) There is no equipment / furniture available in any room/lab.
iii) The teaching in community medicine dept. has not yet started.
7. Approach roads within the campus are Kutchha and uneven.
8. A list of the hospital records which were not provided by the institution as well as the facilities which are not available in the hospital have been submitted by the Medical Superintendent of the hospital.
9. Form A and Form B were handed over to the inspection team at the time of departure, hence could not be verified.
10. There are 277 teaching beds. Distribution of teaching beds in different specialties is not as per Council Requirements.

11. Number of teaching units could not be ascertained as there was no senior faculty available in any clinical department. Distribution of clinical units in different specialities is not as per Council recommendations. Composition of clinical units is not as per council requirement.
12. (a) OPD runs daily between 9 am to 1 pm daily except Sundays. There is a common registration counter for male and female patients one each in Outdoor and IPD and waiting area is available near these counters. Each speciality is not provided teaching area. There is no separate injection room for male and female, no E.C.G. room, no audiometry room (soundproof & Air-conditioned), no immunization room, no family welfare clinic, no dark room refraction room. Three rooms have been labeled as demonstration room for medicine, surgery and orthopaedics but all these rooms have no teaching facilities. There is no records of patients attending various OPDs.

(b) In Wards : There is no seminar hall in the major departments. Teaching facilities are inadequate. No record of patients admission/discharges/treatment order was available in any ward. There is no audiometry room available.
13. Central Library: Staff & space are inadequate in the central library. Number of journals (Indian & Foreign) are inadequate and are not as per MCI norms. There are no journals with back numbers. No internet and Medlar facility is available. The total budget allocation for buying books and journals was not provided.
14. Residential Quarters: The number of quarters available for non-teaching staff is nil. The residential accommodation for teaching faculty as well as non-teaching staff is inadequate and is not as per MCI norms. Few flats of teaching faculty were allotted to Jr. Residents.
15. Hostel: The hostel accommodation of UG students is inadequate for both boys and girls. The girl's hostel and nurses hostel is located on the IIIrd floor of the hospital block. The mess is common for girl's hostel and nurse's hostel, which measures 400 sq. ft. with a seating capacity of 15 students. There is no recreation room in the girl's hostel. The hostel accommodation is inadequate for nursing staff. There is no hostel accommodation for the Resident doctors.
16. Examination hall is not available.
17. Para-medical staff is grossly inadequate as under:-
Laboratory Technicians:
Laboratory Assistants: 10
Laboratory Attendants: _
18. Nursing staff is grossly inadequate as under:-

Nursing Superintendent:	Nil
Deputy Nursing Superintendent:	Nil
Matron	Nil
Asstt. Nursing Superintendent	8
Nursing Sisters	2
Staff nurses	Nil.
19. Incinerator is not available. Hospital waste is buried underground in a farm at outskirts of hospital boundary. There is no segregation of hospital waste as per the guidelines of hospital waste management disposal.
20. C.S.S.D., mechanized laundry, EPABX, and central kitchen are not available.
21. Radiological facilities: One Ultrasound, nil Color Doppler are available. Nil ultrasound is given to Obstetrics & Gynaecology department. Facilities for special investigations are not available. The plain X-rays and USG were performed by para-medical staff in the absence of medical staff. Hence no medical staff was available for reporting. There is no facility for doing special investigations.

22. Intensive care area is grossly inadequate as under:-

Area	Beds	Specialised equipment
ICCU	Not available	Nil
MICU	7	Nil
SICU	6	Nil
PICU	Not available	Nil
NICU	Not available	Nil
Burn's ICU	Not available	Nil
G ICU	Not available	Nil

Facilities and equipment in ICUs are not available.

- ICCU/PICU/NICU/Burn's ICU/GICU are not available in the hospital.
 - No specialized equipment was available in MICU/SICU.
 - No central oxygen/suction facility available in any of the ICU.
 - No medical and para-medical staff was available.
 - No registers were maintained in the ICU.
23. Labour Room: The labor room table in both the rooms were coated with layers of dust indicating thereby the non-utilisation of the same for a long time. There was no NICU is available. No equipment was available in the labor room. No medical and para-medical staff was available. There were no registers maintained in the labor room.
24. Operation Theatre: There are three operation theatres having total three tables. No O.T. is having central oxygen & nitrous oxide supply and central suction. OTs were locked on both the days of inspection. There was no Anaesthesia Register available in the OTs. Number of major OTs are 3 as against the MCI requirement of 5 OTs.
25. Other deficiencies/remarks are in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of MBBS students for the academic year 2009-10 at Narayan Medical College and Hospital Sasaram.

27. **Sri Manakula Vinayagar Medical College & Hospital, Pondicherry - Renewal of permission for admission of 4th batch of students for the academic session 2009-2010.**

Read: the Council Inspectors report (1st & 2nd April, 2009) for renewal of permission for admission of 4th batch of students for the academic session 2009-2010 at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry.

The Executive Committee of the Council considered the Council Inspectors report (1st & 2nd April, 2009) and noted the following:-

1. The shortage of teaching faculty is 7% (shortage of 12 out of 171) as under:-

Professor-4	(1 TB & Chest, 1 ENT, 1 Ophthalmology, 1 Radiology)
Assoc.Prof.-4	(1 Forensic Medicine, 1 Paediatrics & 2 Surgery)
Asstt.Prof.-4	(1 Anatomy, 1 Pharma Chemist, 2 PSM)
2. Intensive Care for Obstetrics patients is not available.
3. Health Centers: At RHTC, no indoor beds have been provided. Delivery services are not available at the center. At UHC, no lecturer cum medical officer having MD (PSM) is posted.
4. Auditorium is not available.
5. Other deficiencies/remarks in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of MBBS students for the academic year 2009-10 at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry.

28. Recognition of Uttranchal Forest Hospital Trust Medical College, Haldwani for the award of MBBS degree granted by Kumoun University, Nainital.

Read: the Council Inspectors report (23rd, 24th & 25th March, 2009) for recognition of Uttranchal Forest Hospital Trust Medical College, Haldwani for the award of MBBS degree granted by Kumoun University, Nainital.

The Executive Committee of the Council considered the Council Inspectors report (23rd, 24th & 25th March, 2009) and noted the following:-

1.(a) The shortage of teaching faculty is 11.57 % (Shortage of 14 out of 121) as under:-

- i) Professor 02 (1 Physiology, 1 Pharmacology)
- ii) Associate Prof. 06 (1 Anatomy, 1 Physiology, 1 Biochemistry, 1 Skin & V.D., 1 Anesthesia, 1 Dentistry)
- iii) Assistant Prof. 06 (1 Anatomy, 1 Physiology, 1 Pharam. Chemist, 1 Forensic Medicine, 1 Epidem. Cum Lecturer, 1 Orthopeadics)

(b) The shortage of Residents is 12.94 % (Shortage of 12 out of 85)

- i) Sr. Resident -11 (1 Medicine, 1 Psychiatry, 1 Orthopeadics, 5 Anesthesia, 2 Radio Diagnosis, 1 Skin & V.D.)
- ii) Jr. Resident -01 (1 Medicine)

2. Clinical material is inadequate as under:-

	Daily Average		Day of Inspection	
O.P.D. attendance	571		968	
Bed occupancy%	47		71	
<u>Operative work</u>				
Number of major surgical operations	11		2	
Number of normal deliveries	1		2	
Number of caesarian Sections	1		1	
<u>Radiological Investigations</u>	O.P.	I.P.	O.P.	I.P.
Special Investigations	-	-	1	-
C.T. Scan	33	5	27	-
<u>Laboratory Investigations</u>				
Histopathology	7		2	

- 2. Radiological facilities were inadequate. 1000mA X-ray machine was not functional on the day of inspection. There was no Image Intensifier.
- 3. Other deficiencies/remarks are in the main report.

In view of above, the Executive Committee of the Council decided not to recognize Uttranchal Forest Hospital Trust Medical College, Haldwani for the award of MBBS degree granted by Kumoun University, Nainital.

29. Krishna Institute of Medical Sciences, Karad – Renewal of permission for admission of 5th batch of students against the increased intake i.e. from 100 to 150 for the academic session 2009-2010.

Read: The Council Inspectors report (1st & 2nd April, 2009) for renewal of permission for admission of 5th batch of students against the increased intake i.e., from 100 to 150 for the academic session 2009-2010 at Krishna Institute of Medical Sciences, Karad.

The Executive Committee of the Council considered the Council Inspectors report (1st & 2nd April, 2009) and decided to recommend to the Central Govt. to renew the permission for admission of 5th batch of MBBS students against the increased intake i.e. from 100 to 150 at Krishna Institute of Medical Sciences, Karad for the academic session 2009-10.

30. Consideration of draft regulations framed by the Sub-Committee with regard to curbing the menace of ragging in medical institutions in the country – Approval regarding.

Read: The draft Regulations framed by the Sub-Committee with regard to curbing the menace of ragging in medical institutions in the country.

The Executive Committee decided to defer the consideration of the matter for its next meeting.

31. Inspection of the medical colleges for permission/renewal of permission for establishment of new medical colleges/increase of seats – utilization of services of Retd. Inspectors of the Council/Senior Professors as members of Inspection team.

Read: the matter with regard to the utilization of services of Retd. Inspectors of the Council /Senior Professors as members of Inspection team.

The Executive Committee of the Council observed that as per the present statutory scheme prescribed under the Establishment of Medical College Regulations, the application for establishment of a new medical college has to be submitted by the applicant to the Central Govt. between 1st August to 31st August and the last date of recommendation of the Medical Council of India to the Central Govt. for issue of letter of permission, has been prescribed as 15th June. The letter of permission/renewal for MBBS course is to be granted by the Govt. of India on the recommendation of the MCI latest by 15th July. Similar schedule has been prescribed for the applications for increase of intake in MBBS course in the existing medical colleges.

As per the directions passed by the Hon'ble Supreme Court in its order dated 12.01.2005 in Mridul Dhar's case all the authorities are required to strictly adhere to the time schedule prescribed in the regulations. This has also been reiterated by the Central Govt. vide letter dated 15.03.2005.

The Executive Committee noted that for the current academic session 2009-2010, approximately 110 inspections are pending for LOP/Renewal of Permission for establishment of new medical college and for increase of seats since the colleges have requested for inspection during April-June, 2009. The Council has also to carry out approx. 30 to 40 inspections to verify the compliances submitted by the Institutions where grant of LOP/Renewal of Permission were not recommended in view of the deficiencies pointed out in the inspection report. Approximately 10-15 inspections u/s 11(2) of IMC Act, 1956 are also to be conducted.

In view of above, the Executive Committee of the Council decided that the following senior teachers of Govt. Medical Colleges who have wide experience of conducting the inspections on behalf of the Council may be appointed as Council Inspectors for the purpose of carrying out the inspections to cater to such a situation:-

1. Dr. Sanjay Bijwe, Officer on Special Duty, Govt. of Maharashtra.
2. Dr. Anup Raj, Professor & Head of ENT, Maulana Azad Medical College, New Delhi.
3. Dr. J.V. Hardikar, Professor & Head, Department of Surgery, Seth G.S. Medical College, Mumbai.
4. Dr. Achal Gulati, Professor of ENT, Maulana Azad Medical College, New Delhi.
5. Dr. Shyam Lal Singla, Professor of Surgery, Pt. B.D. Sharma PGIMS, Rohtak.
6. Dr. Pankaj Patel, Director, PG Studies, Smt. N.H.L. Municipal Medical College & Sheth K.M. PG School of Medicine, Ahmedabad-380 006.
7. Dr. R.C. Siwach, Sr. Prof & HOD of Orthopaedics, Pt. B D Sharma PG Instt of Med Sciences, Rohtak, Haryana – 124001.

32. KPC Medical College & Hospital, Jadavpur - Renewal of permission for admission of 2nd batch of students for the academic session 2009-2010.

Read: The Council Inspectors report (31st March, 2009 & 1st April, 2009) for renewal of permission for admission of 2nd batch of students for the academic session 2009-2010 at KPC Medical College & Hospital, Jadavpur.

The Executive Committee of the Council considered the Council Inspectors report (31st March, 2009 & 1st April, 2009) and noted the following:-

1. The shortage of teaching faculty is 6.2% (i.e. 8 out of 129) as under:-

Assoc. Professor-5 (Physiology-2, Pathology-1, Forensic Medicine-1, Medicine-1)
Asstt.Prof.-2 (Forensic Medicine-1, Obst. & Gynae.-1)

2. The following faculty members have not been considered for the reasons given as under:

Name	Designation	Department	Reasons
Dr. Ramanjan Sinha	Assoc.Prof.	Physiology	M.Sc. Human Physiology from University & Ph.D. from AIIMS
Dr. Minakshi Sharma	Assoc.Prof.	Physiology	M.Sc. Human Physiology from University & Ph.D. from AIIMS
Dr. Rita Chattopadhyaya	Professor	Pathology	She has neither resigned nor provided resignation acceptance letter from the previous institution served.
Dr. Sugata Bandhopadaya	Professor	Surgery	Not possessing requisite period of teaching experience
Dr. Ujjawal Patnaik	Asstt.Prof.	Comm. Medicine	He is not possessing requisite 3 years pre-PG residency experience

The Executive Committee also noted that on scrutiny of document in office, it was found that one Assoc.Prof. of Medicine cannot be considered as he does not fulfill the requisite experience of 5 years as Asstt.Prof.. Therefore, deficiency of faculty would be 8 out of 129 i.e. 6.2%.

3. Some of the indoor wards are not properly organized. The unit wise distribution of beds is not made, no proper nursing station have been provided. The teaching areas in the indoor ward also needs to be properly organized and provided with required furniture and audiovisual aids.
4. The RTTC and UHTC facilities are not properly organized and needs to be upgraded to make them fully functional.
5. Other deficiencies/remarks in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of MBBS students for the academic year 2009-10 at KPC Medical College & Hospital, Jadavpur.

33. Admission of excess students under NRI quota at KLE Society's Jawaharlal Nehru Medical College, Belgaum for the academic year 2008-09 –Reconsideration of.

Read: The matter with regard to admission of excess students under NRI quota at KLE Society's Jawaharlal Nehru Medical College, Belgaum for the academic year 2008-09.

The Executive Committee considered the matter of admission of excess students under NRI quota at KLE Society's Jawaharlal Nehru Medical College, Belgaum during the academic year 2008-09 and decided that the authorities of Institution should be requested to send the necessary document/commutation received by the Institution authorities from the State Govt. with regards to the policy for permitted intake of NRI quota students in the Institution.

34. Minutes of the Registration and the Equivalence Committee meetings held on 17.02.2009 and 25.03.2009 – Approval regarding.

Read: The minutes of the Registration and the Equivalence Committee meetings held on 17.02.2009 and 25.03.2009.

The Executive Committee of the Council decided to approve the minutes of the Registration and the Equivalence Committee meetings held on 17.02.2009 and 25.03.2009.

35. Medical student killed in ragging – Consideration of the investigation report regarding.

Read: The matter along with investigation report with regard to medical student killed in ragging at Dr. Rajendra Prasad Medical College Tanda in District Kangra (H.P.).

The Executive Committee of the Council noted that at its meeting held on 13.03.2009 the Committee had constituted a Sub-Committee to visit and investigate the incidence of ragging at Dr. Rajendra Prasad Medical College, Tanda in District Kangra (H.P.) and further noted that the Sub-Committee had submitted the report and the same was placed before the Hon'ble Supreme Court and was also communicated to the Central Govt.

36. Report of the meeting of the National Committee on Foreign Medical Education and Accreditation (NCFMEA), USA held on 30th & 31st March, 2009 at Washington DC, USA.

Read: The report of the meeting of the National Committee on Foreign Medical Education and Accreditation (NCFMEA), USA held on 30th & 31st March, 2009 at Washington DC, USA.

The Executive Committee of the Council approved the report in respect of meeting of the National Committee on Foreign Medical Education and Accreditation of U.S. Department of Education held on 30th and 31st March, 2009 at Washington (DC), USA and decided that the office shall take up the task of obtaining the information pertaining to the outcome analysis of graduates, as desired by National Committee on Foreign Medical Education and Accreditation (NCFMEA) by end of August, 2009 and submit the data to Dr. Ved Prakash Mishra, member, Executive Committee for further necessary action.

37. Information with regard to the action taken against the 1st year MBBS students of various Medical College by the Council office as per Graduate Medical Education Regulations, 1997.

Read: The action taken against the 1st year MBBS students of various Medical College by the Council office as per Graduate Medical Education Regulations, 1997.

The Executive Committee of the Council considered the matter and noted :-

- (I) The discharge notice issued by the office with regards to the students admitted in violation of Section 5.5 (ii) of the Graduate Medical Education Regulations, 1997 admitted in R.N.T. Medical College, Udaipur and Kalinga Institute of Medical Sciences, Bhuvaneswar,

- (II) One student (M. Manju Nath Dalawai) at Belgaum Institute of Medical Sciences, Belgaum had obtained the required minimum of 50% marks in entrance examination and therefore, decided that the discharge notice issued in respect of the said student be withdrawn, and
- (III) The discharge notice already issued as per section 6(B) to the Graduate Medical Education Regulations, 1997 to Mr. Joyimon J. of Govt. Medical College, Kottayam may subsequently be dealt with as per the Orders of the Hon'ble Court in this regard.

38. Extension of services of Brig. A.K. Verma (Retd.) as C.V.O.

Read: The matter with regard to extension of services of Brig. A.K. Verma (Retd.) as C.V.O in the Council office.

The Executive Committee of the Council considered the matter with regard to request for extension of services of Brig. A.K. Verma (Retd.) and decided to grant extension in services to Brig. A.K. Verma (Retd.) as C.V.O. in the Council office for a period of three months w.e.f. 12/05/2009.

39. Nomination of Selection Committee members for the post of Assistant Secretary.

Read: The matter with regard to nomination of Selection Committee members for the post of Assistant Secretary.

The Executive Committee of the Council noted that as per the Recruitment Rules, the Selection Committee for the post of Asstt. Secretary comprises of President - Chairman, Vice-President – member and two other members to be nominated by the Executive Committee of the Council besides the Secretary as Member Secretary. The Committee therefore decided to nominate the following as members of Selection Committee for the post of Assistant Secretary in the Council Office:-

1. Dr. K.P. Mathur, Member, Executive Committee, MCI
2. Dr. Ashwani Kumar, Chairman, Regn. & Equivalence Committee, MCI

40. Award of Annual Maintenance Contract of various equipments installed in the Council's building (2009-2010).

Read: The matter with regard to award of Annual Maintenance Contract of various equipments installed in the Council's building (2009-2010).

The Executive Committee considered the matter with regard to award of Annual Maintenance Contract of various equipments installed in the Council Building (2009-2010) and decided to extend the contract for a period of one year from the dates as mentioned against each as per the following table:-

Sl. No.	Item	Name of agency	Date of expiry
01.	Air Handling units/ FCUs/Air washers	M/s Voltas Limited	30/04/09
02.	A.M.C. – A/C Plant	M/s Voltas Limited	30/04/09
03.	3 Lifts of Main Building	M/s Kone Elevator India Private Limited	12/05/09
04.	2 Lifts of Guest House Complex	M/s Kone Elevator India Private Limited	30/04/09
05.	Siemens Telephone Systems (EPABX)	M/s Gurusons Communications Pvt. Ltd.	30/04/09
06.	Fire Fighting Equipments	M/s Am-Tech Fire Systems	31/03/09
07.	Horticulture	M/s Garden Paradise	31/03/09
08.	Fountain	M/s Garden Paradise	31/03/09
09.	Indoor Plants	M/s Garden Paradise	31/03/09
10.	CCTV & other equipments installed in Conference Hall & Auditorium	M/s R.D. Enterprises	31/03/09
11.	DG Set 380 KVA	M/s O.V.N. Trading Co.	30/04/09
12.	Copier No.5308 B	M/s Ricoh India Ltd.	31/03/09
13.	Fax Machines (4)	M/s R.S. Corporation	31/03/09
14.	Copiers IR-1600 (1)	M/s R.S. Corporation	31/03/09
15.	Attendance Punching Machine	M/s Time Tech Enterprises	31/03/09
16.	DG Set 500 KVA	Purchased on May, 2008	May, 09

41. Approval of Sri Aurobindo Institute of Medical Sciences, Indore for the award of MBBS degree granted by Devi Ahilya Vishwa Vidhyalaya University, Indore.

Read: The Council Inspectors report (22nd, 23rd & 24th March, 2009) for Approval of Sri Aurobindo Institute of Medical Sciences, Indore for the award of MBBS degree granted by Devi Ahilya Vishwa Vidhyalaya University, Indore.

The Executive Committee of the Council considered the Council Inspectors report (22nd, 23rd & 24th March, 2009) and noted the following:-

1(a). The following faculty have not been accepted:-

Sl no	Name	Designation	Department	Remarks
1.	Dr. Shabbir Hussain	Assoc. Prof.	Physiology	M.Sc. from Science faculty.
2.	Dr. (Mrs.) Kiran Saxena	Professor	Biochemistry	M.Sc. from Science faculty.
3.	Dr. Avanish Mishra	Asst. Prof.	Biochemistry	M.Sc. from Science faculty.
4.	Mrs. Rooma H Dondge	Pharmaceutical Chemist	Pharmacology	M.Pharma.
5.	Dr. Anita S Datey	Professor	General Medicine	Does not possess 5 years of teaching experience as Asst. Prof.
6.	Dr. Subhodh Banzal	Assoc.Prof.	General Medicine	Does not possess 5 years of teaching experience as Asst. Prof. in General Medicine.
7.	Dr. Kuldeep Singh	Professor	Paediatrics	Does not possess 5 years of teaching experience as Asst. Prof.
8.	Dr. Surendra Bapat	Assoc. Prof.	General Surgery	Does not possess 5 years of teaching experience as Asst. Prof.
9.	Dr. Dhamendra Mehta	Assoc.Prof.	General Surgery	Does not possess 5 years of teaching experience as Asst. Prof.
10.	Dr. Sangram Singh	Assoc. Prof.	General Surgery	Does not possess 5 years of teaching experience as Asst. Prof. in General Surgery.
11.	Dr. Rajesh Sharma	Assoc. Prof.	General Surgery	Does not possess 5 years of teaching experience as Asst. Prof.
12.	Dr. Janki Singh	Assoc. Prof.	Anaesthesia	Does not possess 5 years of teaching experience as Asst. Prof.
13.	Dr. Atul Dixit	Assoc. Prof.	Anaesthesia	Does not possess 5 years of teaching experience as Asst. Prof.
14.	Dr. Kailash Bhatia	Assoc. Prof.	Dermatology	Does not possess 5 years of teaching experience as Asst. Prof.
15.	Dr. Ravi Kant Jain	Assoc. Prof.	Orthopaedics	Does not possess 5 years of teaching experience as Asst. Prof.
16.	Dr. Pratibha Singh	Assoc. Prof.	Obst. & Gynae.	Does not possess 5 years of teaching experience as Asst. Prof.
17.	Dr. Vishal Ratan Munjal	Assoc. Prof.	ENT	Does not possess 5 years of teaching experience as Asst. Prof.
18.	Dr. Kavita Munjal	Assoc. Prof.	Pathology	Does not possess 5 years of teaching experience as Asst. Prof.

(b) In relation to certain Declaration Forms submitted on behalf of the medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the experience certificates submitted by them are forged as shown below:

Sl. No.	Name	Designation	Department	Remarks
1.	Dr. Seema Khandelwal	Assoc.Prof.	Obst. & Gynae.	In her declaration form, she has claimed that she has worked at Sri Rammurthi Instt. of Medical Sciences, Bareilly as Asstt.Prof. from 1.5.2003 to 10.3.2008. While on confirmation the Dean, Sri Rammurthi Smarak Instt. of Medical Sciences, Bareilly vide his letter dt. 2.3.2009 has confirmed that she has worked as Consultant from 1.5.2003 to 30.6.2005 and as Asstt. Prof. from 1.7.2005 to 10.3.2008 and therefore she cannot be accepted as a teacher.

The Executive Committee of the Council were, therefore, clearly of the view that the Council should take steps for referring this case to the Police authorities for registration of FIRs and conducting investigations. It was observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that in this case where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided that appropriate action be taken against the Doctor and the Principal of the college in accordance with Professional Conduct (Etiquette and Ethics) Regulations, 2002.

(c). In view of above, the shortage of teaching faculty is 8.4% (i.e. 10 out of 119) as under:-

- (i) Professor : 02 (Paediatrics -1 & ENT -1)
- (ii) Associate Professor : 06 (Physiology -1, Biochemistry -1, General Medicine -1, Dermatology -1 & Anaesthesia -1, Obst. & Gynae.-1)
- (iii) Assistant Professor : 02 (Lect. Biophysic -1 & Pharma. Chemist -1)

2. Clinical material is inadequate as under :-

	Daily Average		Day of Inspection	
O.P.D. attendance	1173		700	
Casualty attendance	101		2	
Number of admissions / discharge	78/65		66/66	
Bed occupancy%	79 %		55 %	
Operative work				
Number of major surgical operations	14		23	
Number of minor surgical operations	38		43	
Number of normal deliveries	05		nil	
Number of caesarian Sections	02		01	
<u>Radiological Investigations</u>	OP	IP	OP	IP
X-ray	86	40	94	44
Ultrasonography	66	38	69	25
Special Investigations	08	04	09	07
C.T. Scan	05	02	12	05

<u>Laboratory Investigations</u>	OP	IP	OP	IP
Biochemistry	683	130	632	100
Microbiology	36	8	35	9
Serology	199	88	170	61
Parasitology	34	11	29	16
Haematology	1207	200	1201	203
Histopathology	04	02	03	6
Cytopathology	05	02	4	3
Others	125	58	70	68

- a) The OPD attendance in the registration counter did not tally with the OPD attendance available in the respective OPDs. The daily average OPD attendance has been escalated by 40%.
Huge crowd had gathered in the OPD during the time of inspection. Most of the patients did not require any consultation.
 - b) Bed occupancy in the wards was escalated by 35 % by admitting the patients who did not require admission. Patients of lipoma, sebaceous cyst, Acid peptic disease, mild anemia, bodyaches, headaches, arthralgia, pelvic inflammatory disease, DUB were admitted for last one week. Bed occupancy was escalated by 25% as observed from the Hospital records for daily average.
 - c) The Gynae. patients were admitted in the antenatal and post-natal ward.
 - d) There were no post-natal mothers with neonates in the post-natal ward, although 9 LSCS were done from 17th March to 22nd March and 26 normal deliveries were done during this period as stated by the HOD and shown in the labour room records.
 - e) The registration no. of the ANC and PNC patients in common register in the OBG OPD does not tally with the registration no of the patient in the individual OPD register (ANC & PNC). Xerox copy is attached.
 - f) There were only 2 patients admitted in the Medical ICU and one patient in NICU. All the beds in other ICUs were vacant.
3. Ward: There is no isolation ward in the hospital. One open case of TB was lying in the General Medicine ward and one open case of Leprosy was lying in the Dermatology ward.
 4. Intensive care:
 - There were only 2 patients admitted in the Medical ICU and one patient in NICU. All the beds in other ICUs were vacant on the first day of inspection.
 - Only one patient was admitted in the casualty on the first day of inspection.
 5. There is no incinerator.
 6. Hostel : - There is no recreation room available in the boy's hostel. Hostel facilities are inadequate for the resident doctors. The residential accommodation is inadequate for the non-teaching staff.
 7. At RHTC:- ECG facilities are not available. Audiovisual aid is also not available.
 8. At UHC:- Delivery services are not available. LMO was not available. No beds have been provided at the Centre.
 9. In Pharmacology Department: The clinical pharmacology laboratory and Pharmacy lab are combined into one laboratory. There is shortage of one lab in the department.
 10. Other deficiencies/remarks in the main report.

In view of the above, the Executive Committee of the Council decided not to approve Sri Aurobindo Institute of Medical Sciences, Indore for the award of MBBS degree granted by Devi Ahilya Vishwa Vidhyalaya University, Indore.

42. Adesh Instt. of Medical Sciences, & Research, Bhatinda - Renewal of permission for admission of 4th batch of students for the academic session 2009-2010.

Read: The compliance verification inspection report (6th April, 2009) for renewal of permission for admission of 4th batch of students for the academic session 2009-2010 at Adesh Instt. of Medical Sciences, & Research, Bhatinda.

The Executive Committee of the Council considered the compliance verification inspection report (6th April, 2009) alongwith the Council Inspector report (21st & 22nd Jan.,2009) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of 150 (One Hundred and fifty) MBBS students at Adesh Instt. of Medical Sciences, & Research, Bhatinda for the academic session 2009-10.

However, the Executive Committee noted the following:-

1. (a) In relation to certain Declaration Forms submitted on behalf of the medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the experience certificates submitted by them are forged as shown below:

Sl. No.	Name	Designation	Department	Remarks
1.	Dr. Anupama Gupta	Assoc.Prof.	Anatomy	In her declaration form, she has claimed that she has worked at M.M. Instt. of Medical Sciences, Mullana, Ambala as Asstt.Prof. in the department of Anatomy from 13.8.2003 to 7.10.2008. While on confirmation, the Principal, M.M. Instt. of Medical Sciences, Mullana, Ambala vide his letter dt. 22.1.2009 has confirmed that she has worked as Asstt. Prof. in the department of Anatomy of M.M. College of Dental Sciences & Research, Ambala from 1.10.2003 to 31.3.2007 and therefore she cannot be accepted as a teacher.

The Executive Committee of the Council were, therefore, clearly of the view that the Council should take steps for referring this case to the Police authorities for registration of FIRs and conducting investigations. It was observed that in the complaint to be sent to the Police authorities, it should also be clearly requested that in this case where there is a collusion and conspiracy of such persons with the management of the colleges, the necessary action should also be taken against the management of those colleges. It was further decided that appropriate action be taken against the Doctor and the Principal of the college in accordance with Professional Conduct (Etiquette and Ethics) Regulations, 2002.

(b) In view of above, the shortage of teaching staff comes out to be 3.5% (i.e. 6 out of 171) as under:-

Professor-1	ENT-1
Assoc.Prof.-5	Forensic Medicine-1, Microbiology-1, TB & Chest-1, Surgery-1, Anatomy-1
Asstt.Prof.	Nil
Tutor	Nil

43. Request of Sh. Ashok Kumar Harit, Deputy Secretary, (Admn.) for grant of higher scale – Constitution of D.P.C.

Read: The request of Sh. Ashok Kumar Harit, Deputy Secretary, (Admn.) for grant of higher scale – Constitution of D.P.C.

The Executive Committee of the Council considered the request of Shri Ashok Kumar Harit, Deputy Secretary, (Admn.) for grant of higher scale of pay; and noting that that as per the Recruitment Rules, the Departmental Promotion Committee comprises of President - Chairman, Vice- President – member and two other members to be nominated by the Executive Committee of the Council besides the Secretary as Member Secretary. The Committee therefore decided to nominate the following as members of the Departmental Promotion Committee:-

1. Dr. K.P. Mathur, Member, Executive Committee, MCI
2. Dr. Ashwani Kumar, Chairman, Regn. & Equivalence Committee, MCI

44. Establishment of a new medical college at Barabanki, Uttar Pradesh by Hind Charitable Trust, Lucknow, Uttar Pradesh.

Read: The matter with regard to Establishment of a new medical college at Barabanki, Uttar Pradesh by Hind Charitable Trust, Lucknow, Uttar Pradesh.

The Executive Committee of the Council considered the letter dated 16.1.2009 received from the Chairman, Hind Institute of Medical Sciences, Barabanki, U.P. alongwith the legal opinion of the Retainer Advocate of the Council and decided that this matter for establishment of a new medical college at Barabanki, Uttar Pradesh by Hind Charitable Trust, Lucknow, UP. be processed for consideration of the request u/s 10A of the IMC Act, 1956 for the academic year 2009-10.

45. Sree Uthradom Thiurnal Academy of Medical Sciences, Thiruvanthapuram - Renewal of permission for admission of 4th batch of students for the academic session 2009-2010.

Read: The Council Inspectors report (6th & 7th April, 2009) for renewal of permission for admission of 4th batch of students for the academic session 2009-2010 at Sree Uthradom Thiurnal Academy of Medical Sciences, Thiruvanthapuram.

The Executive Committee of the Council considered the Council Inspectors report (6th & 7th April, 2009) and noted the following:-

1. (a) The shortage of teaching faculty is 5.78% (Shortage of 7 out of 121) as under:-

- i) Professor- 2 (1 Anatomy, 1 Forensic Medicine)
- ii) Associate Professor- 2 (1 Radiology, 1 Dentistry)
- iii) Assistant Professor- 3 (1 Pharm. Chem., 1 TB&Chest, 1, Skin&VD)

(b) The shortage of Residents is 11.76% (Shortage of 10 out of 85)

- i) Sr. Resident - 4 (1 Medicine, 1 Skin&VD, 2 Surgery)
- ii) Jr. Resident - 6 (2 Medicine, 2 Skin&VD, 1 Surgery, 1 Orthopaedics)

2. Clinical material is inadequate in terms of bed occupancy, deliveries and radiological investigations as under:-

	Daily Average		Day of Inspection	
Bed occupancy%	84		72	
<u>Operative work</u>				
Number of normal deliveries	1		1	
Number of caesarian Sections	1		1	
<u>Radiological Investigations</u>	O.P.	I.P.	O.P.	I.P.
Special Investigations	26	8	20	9
C.T. Scan	-	4	2	1

3. OPD : Waiting area is too small which is not as per MCI norms.
4. Health Centers: No hostel accommodation are not available.
5. In the Central Casualty Services, there is no pulse oxymeter.
6. In the Anatomy department, there are no cadavers.
7. Other deficiencies/remarks in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of MBBS students for the academic year 2009-10 at Sree Uthradom Thiurnal Academy of Medical Sciences, Thiruvanthapuram.

46. Santosh Medical College, Ghaziabad – Renewal of permission for admission of 5th batch of students against the increased intake i.e. from 50 to 100 for the academic session 2009-2010.

Read: The Council Inspectors report (6th & 7th April, 2009) for renewal of permission for admission of 5th batch of students against the increased intake i.e. from 50 to 100 the academic session 2009-2010 at Santosh Medical College, Ghaziabad.

The Executive Committee of the Council considered the Council Inspectors report (6th & 7th April, 2009) and noted the following:-

1. The clinical material is grossly inadequate as under:-

	Day of Inspection
Casualty attendance	12
Bed occupancy%	60%
<u>Operative work</u>	
Number of major surgical operations	3
Number of minor surgical operations	4
Number of normal deliveries	1
Number of caesarian Sections	nil
<u>Radiological Investigations</u>	
Special Investigations	3
C.T. Scan	4
Mammography	2
<u>Laboratory Investigations</u>	
Histopathology	4

- * The clinical material in terms of bed occupancy (60%), number of major surgeries, number of minor surgeries, casualty attendance, normal deliveries, caesarians, CT Scan, Special investigation in Radiology and Laboratory investigations specifically Histopathology were all inadequate for the present stage.
- 2. The resuscitation equipments in casualty areas are inadequate, not as per MCI norms and needs to be upgraded.
- 3. Operation Theatre Unit: Though the hospital authorities have shown 10 operation theatres as major and two minor operation theatres. On detailed verification of the required resuscitation equipments and all other complements essential for a major operation theatre, a total of 7 major operation theatres and 4 minor operation theatres with 7 & 4 operative tables respectively were observed .
 - * Defibrillators is not available in O.T.
 - * There is no Post operative Ward outside OT complex. CCTV with camera facility for students needs to be provided.
- 4. Intensive care for Obstetrics is not available.
- 5. Radiological machines are not as per MCI norms.
- 6. Separate messing facilities are not available in the hostels.
- 7. OT register should be maintained by each department separately with names of operating surgeon, details of surgery, complications, histopathology reports etc.
- 8. A proper labour room register should be maintained with names of persons conducting the delivery, time of interventions, ARM, complications PPH, baby notes-time of birth, weight, apgar score, etc. be mentioned.
- 9. The institution though has been provided with the permission for conducting Medico legal autopsies, but for some administrative reasons the Medico legal autopsies are not conducted either in college or hospital. The students are attending postmortem demonstrations conducted in the Govt. District Hospital of Ghaziabad.
- 10. The institution needs to increase research activities and publications as most departments are having postgraduate courses. Annual number of publications and conferences attended by the staff needs to be augmented.
- 11. As the distance between the college and the hospital is approx. 4 to 5 kms. the mortuary facilities needs to be developed in hospital presently, there is one small room labeled as mortuary having only one cooling cabinet for 3 dead bodies. No space and other facilities existing.
- 12. The RHTC facility utilized by the college is under the central control of medical and health department, Govt. of UP and the college has been permitted to utilize and develop Pilkhua PHC as RHTC for teaching and training of students.
- 13. Other deficiencies/remarks in the main report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 5th batch of MBBS students against the increased intake i.e. from 50 to 100 for the academic year 2009-10 at Santosh Medical College, Ghaziabad.

47. Consideration of the representations made by various medical colleges in the State of Kerala in respect of students who were recommended by the Medical Council of India for discharge from their colleges as per regulation 5(5)(ii) on Graduate Medical Education Regulations, 1997 - in pursuant to the Order dated 3.4.2009 passed by the Hon'ble High Court of Kerala at Ernakulam.

Read: The matter with regard to the representations made in pursuant to the Order dated 3.4.2009 passed by the Hon'ble High Court of Kerala at Ernakulam by various medical colleges in the State of Kerala in respect of students who were recommended by the Medical Council of India for discharge from their colleges as per regulation 5(5)(ii) on Graduate Medical Education Regulations, 1997.

The Executive Committee of the Council considered the representation made in pursuant to the Order dated 3.4.2009 passed by the Hon'ble High Court of Kerala at Ernakulam by various medical colleges of Kerala in respect of the students who were not eligible as per Regulations 5.5(ii) on Graduate Medical Education, 1997 and were recommended for discharge

by the Medical Council of India; and observed that none of the student possesses the minimum percentage of marks in the Entrance conducted by the Kerala Private Medical College Association as required as per Regulations 5.5(ii) on Graduate Medical Education, 1997 which being Statutory Regulation are mandatory and binding in character and such students are not eligible for admission into Ist year MBBS course.

In view of above, the members of the Executive Committee after due deliberation decided that the action taken by the Council office in respect of students who were not eligible as per Regulations 5.5(ii) on Graduate Medical Education, 1997 and were admitted at various medical colleges in the State of Kerala may be reiterated and suitable communication may be issued to all the concerned authorities as well as the Council Advocate at Kochi to apprise the Hon'ble High Court.
