

No. MCI-5(3)/2014-Med.Misc./

MEDICAL COUNCIL OF INDIA
NEW DELHI

EXECUTIVE COMMITTEE

Minutes of the meeting of the Executive Committee held on 16th December, 2014 at 11.00 a.m. in the Council Office at Sector 8, Pocket 14, Dwarka, New Delhi.

Present:

Dr. Jayshreeben Mehta	President Medical Council of India, Former Professor of Surgery, Govt. Medical College, Vadodara, Gujarat.
Dr. C.V. Bhirmanandham	Vice-President, Medical Council of India, Former Vice-Chancellor of Dr. M.G.R. Health University, Tamil Nadu
Dr. Baldev Singh Aulakh	Professor of Urology and Transplant Surgery, Head Transplant Unit, Dayanand Medical College, Ludhiana
Dr. G.B. Gupta	Vice-Chancellor, Ayush & Health Sciences University, Raipur, Chhattisgarh.
Dr. Radha Madhab Tripathy	Professor and Head, Department of Community Medicine, MKCG Medical College, Berhampur.
Dr. Venkatesh Kakollu	Prof. of Surgery & I/c ADME, Gandhi Medical College, Secunderabad, Andhra Pradesh
Dr. Anil Mahajan	Professor & HOD, General Medicine, Government Medical College, Jammu, J&K.
Dr. V.N. Jindal	Dean, Goa Medical College, Bombolim-403202, Goa
Dr. Ravindra H.N.	Deputy Director, Karnataka State AIDS Prevention Society, No. 4-13/1, Crescent Road, High grounds, Bangalore - 560 001
Dr. K.K. Gupta	Director General, Medical Education, 10, Gulistan Colony, Lucknow

Dr. Reena Nayyar, Secretary I/c

1. Minutes of the Executive Committee Meeting held on 20th November, 2014 – Confirmation of.

The Executive Committee of the Council confirmed the minutes of the meeting held on 20th November, 2014.

2. Minutes of the last meeting of the Executive Committee – Action taken thereon.

The Executive Committee of the Council noted the action taken on the minutes of the Executive Committee meeting held on 20th November, 2014.

3. Pending Items arising out of the decisions taken by the Executive Committee.

The Executive Committee of the Council noted the pending items arising out of the decisions taken by the Executive Committee.

4. Assessment of the physical and other teaching facilities available for renewal of permission for MBBS course for 4th batch (150 seats) of Karpagam Faculty of Medical Sciences & Research, Coimbatore, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

Read: the matter with regard to assessment of the physical and other teaching facilities available for renewal of permission for MBBS course for 4th batch (150 seats) of Karpagam Faculty of Medical Sciences & Research, Coimbatore, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

The Executive Committee of the Council considered the Council Assessors report (07th & 08th November, 2014) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch (150 seats) of Karpagam Faculty of Medical Sciences & Research, Coimbatore, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

5. Assessment of the physical and other teaching facilities available for renewal of permission for MBBS course for 3rd batch (150 seats) of Velammal Medical College Hospital & Research Institute, Madurai, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

Read: the matter with regard to assessment of the physical and other teaching facilities available for renewal of permission for MBBS course for 3rd batch (150 seats) of Velammal Medical College Hospital & Research Institute, Madurai, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

The Executive Committee of the Council considered the Council Assessors report (07th & 08th November, 2014) and decided to recommend to the Central Govt. to renew the permission for admission of 3rd batch (150 seats) of Velammal Medical College Hospital & Research Institute, Madurai, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

6. Assessment of the physical and other teaching facilities available for renewal of permission for MBBS course for 5th batch (150 seats) of Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

Read: the matter with regard to assessment of the physical and other teaching facilities available for renewal of permission for MBBS course for 5th batch (150 seats) of Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

The Executive Committee of the Council considered the Council Assessors report (07th & 08th November, 2014) and decided to recommend to the Central Govt.

to renew the permission for admission of 5th batch (150 seats) of Dhanalakshmi Srinivasan Medical College and Hospital, Perambalur, Tamilnadu under the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

7. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of Major S.D Singh Medical College and Hospital, Fatehgarh, Farrukhabad, Uttar Pradesh under Chhatrapati Shahuji Maharaj University, Kanpur u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of Major S.D Singh Medical College and Hospital, Fatehgarh, Farrukhabad, Uttar Pradesh under Chhatrapati Shahuji Maharaj University, Kanpur u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (11th & 12th November 2014) and noted the following:-

1. Deficiency of teaching faculty is 61 % as detailed in the report.
2. Shortage of Residents is 82 % as detailed in the report.
3. OPD: Separate registration counters for OPD / IPD are not available. Staff is not adequate as there are only 2 counters. Enquiry desk is not available.
4. Wards: All indoor wards except a few were closed. There were no indoor patients / doctors / staff in these wards. Hospital is nearly non-functional.
5. OPD attendance was only 208 on day of assessment. Upto 10:45 a.m. only 8 patients registered in all OPDs. Till 11:30 a.m. no patient was registered in General Surgery, Paediatrics, ENT, Ophthalmology, Skin & VD and Psychiatry OPDs. On 08/11/2014 & 10/11/2014, number of patients in General Medicine OPD was NIL.
6. Bed occupancy was 1 % on day of assessment. There were only 2 patients in male Surgery ward.
7. There were no major or minor operations on day of assessment.
8. There were no normal or Caesarean sections on day of assessment.
9. There were no radiological investigations on day of assessment. After 30/10/2014, there was no entry in the X-ray register and after 02/11/2014, no entry in USG register.
10. Laboratory investigations were grossly inadequate. No patient was registered till 10:45 a.m. in Central clinical laboratory. There were only 33 investigations of Biochemistry + haematology on day of assessment. There were no investigations of Microbiology, Serology, Histopathology, Cytopathology.
11. Casualty: Only 10 beds are available against requirement of 20 as per regulations. There only 2 admissions on day of assessment.
12. O.T.s: Only 6 O.T.s are available against requirement of 7 as per Regulations.
13. There was no patient in ICCU, MICU, SICU, NICU/PICU on day of assessment.
14. Labour room was locked and closed.
15. Nursing staff: Only 15 nurses were verified in morning shift out of 227 required.
16. In the same campus and in proximity, same management runs Ayurvedic medical college & hospital. It appears that clinical material, staff, hostels, quarters, infrastructure are shared by both institutes.
17. Teaching & Non-teaching staff quarters, nursing hostels and Resident quarters of Ayurvedic Medical college were shown to assessors as for this institute. However on random verification they were found to be of Ayurvedic medical college.
18. Dr. S.K. Sharma, Professor of Paediatrics, Dr. Atiz Rashid, SR and some other faculty members & Residents had shown their addresses in Residents' or Teaching staff quarters in their D.F.; however on physical verification, some Ayurvedic doctors were found occupying the same quarters.

19. Data of clinical material supplied by the hospital does not match with registers.
20. There is no signage board of Unit wise doctors in OPD/O.T./Wards.
21. Declaration Forms of faculty & Residents were submitted very lately and were incomplete. Signature of Dean on these D.F. does not match with signature of present Dean.
22. College Council room is not available.
23. Details of Medical Education Unit like faculty of MEU, training undergone by the faculty, workshops & programmes organized during the year are not provided.
24. The institute has organized 4 CME programmes during the year; however no credit hours have been awarded for the same.
25. Examination hall cum Auditorium is under construction.
26. Lecture Theaters: One lecture theater of 250 capacity is under construction. Another one is under repair. Facility for E class is not available.
27. Interns' Hostel is not available.
28. Residents' Hostel: Accommodation is available for 80 Residents against requirement of 85 as per Regulations.
29. Dean's office is not available in the affiliated teaching hospital.
30. Paramedical & Non-teaching staff: Only 52 staff in morning shift could be verified against requirement of 179.
31. Website: Details are not updated. Details of admitted students and results of examination have not been updated since 2012.
32. RHTC: Residential accommodation is not available. Specialists' visits are not organized.
33. Videography was not arranged by the institute.
34. Assessment Form Part I was not provided by the institute.
35. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 5th batch (100 seats) of Major S.D Singh Medical College and Hospital, Fatehgarh, Farrukhabad, Uttar Pradesh under Chhatrapati Shahuji Maharaj University, Kanpur u/s 10A of the IMC Act, 1956 for the academic year 2015-2016 and further decided to apply clause 8(3)(1)(b) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

"8(3)(1).....

(b) *Colleges in the stage upto III renewal (i.e. Admission of fourth batch) till recognition of the institute for award of MBBS degree.*

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 20% and/or bed occupancy is <70%, such an institute will not be considered for renewal of permission in that Academic Year."

8. **Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of Gold Field Institute of Medical Sciences & Research, Ballabgarh, Faridabad, Haryana under Pt. B.D Sharma University of Health Sciences, Rohtak, Haryana u/s 10A of the IMC Act, 1956 for the academic year 2015-16.**

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of Gold Field Institute of Medical Sciences & Research, Ballabgarh, Faridabad, Haryana under Pt. B.D Sharma University of Health Sciences, Rohtak, Haryana u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (11th & 12th November 2014) and noted the following:-

1. Deficiency of faculty is 38.6 % as detailed in the report.

2. Shortage of Residents is 88.35 % as detailed in the report.
3. OPD attendance was only 157 at 2:30 p.m. on day of assessment which is grossly inadequate.
4. Bed occupancy was 41.3 % (i.e. 170 out of 402) at 2:30 p.m. on day of assessment. Computation sheet has been signed by Medical Superintendent also.
5. Students' Hostels: Some of the rooms in Boys' Hostel did not have adequate furniture. Study room is without working A.C. & computer. There is no music / TV in recreation room.
6. Residents' & Nurses' hostels do not have visitors' room, A.C. study room with computer & internet and recreation room. Male staff nurses were found staying in Residents' Hostel # 3. Rooms in the Residents' Hostel were not occupied by the Residents as per list provided by the college.
7. Casualty attendance was NIL on day of assessment.
8. There were only 7 major & 5 minor operations on day of assessment. There is no proper record available in the O.T. like specimen sent for Histopathology. Badly maintained Histopathology register reflects the scenario. Records in O.T. register appear to be manipulated.
9. Histopathology workload was only 5 and Cytopathology workload was only 7 on day of assessment.
10. Data of Radiological & Laboratory investigations submitted by the institute is not matching with actual observation by assessors. Till 12 noon, in OPD very few patients were seen at registration counters, waiting area & various OPDs.
11. O.T.s: A.C. in General Surgery O.T. is not working. Equipment like Multipara monitor, Defibrillator, Infusion Pumps is not available.
12. Details of patients in ICCU, ICUs are not provided.
13. Records of reported X-rays were not kept as hard copy or in the register.
14. Laboratory investigations on first day of assessment till 1:00 p.m. was as under:
 - (a) Biochemistry: 45 OPD samples (100 tests) & 16 IPD samples (110 tests);
 - (b) Microbiology: 12 OPD & 1 IPD samples;
 - (c) Serology: 51 OPD & 10 IPD tests;
 - (d) Cytopathology: 1 repeat sample.
15. Ten faculty members & 08 Residents cannot be considered due to reasons mentioned in detail in the report.
16. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 5th batch (100 seats) of Gold Field Institute of Medical Sciences & Research, Ballabgarh, Faridabad, Haryana under Pt. B.D Sharma University of Health Sciences, Rohtak, Haryana u/s 10A of the IMC Act, 1956 for the academic year 2015-2016 and further decided to apply clause 8(3)(1)(b) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

"8(3)(1).....

(b) Colleges in the stage upto III renewal (i.e. Admission of fourth batch) till recognition of the institute for award of MBBS degree.

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 20% and/or bed occupancy is <70%, such an institute will not be considered for renewal of permission in that Academic Year."

The Executive Committee of the Council further noted that the institute has admitted students for 2014-2015 pursuant to order of Hon'ble Supreme Court after filing two undertakings dated 27.09.2014 in the name of Krishan Lal Adlakha and Shashi Adlakha which state as under:

"..1. .I say that the deficiencies recorded by the Medical Council of India appointed assessors on 23rd and 24th April, 2014 in relation to our institute have been duly rectified and there exists no deficiency as on today in the medical college run by the Sanstha of the Respondent No.1

2. I say that if the above statement is found to be incorrect at the time of next inspection, the deposit of the institution with MCI shall stand forfeited."

In view of the deficiencies listed above, it is amply evident that the institute has failed to rectify previous deficiencies which are still persisting.

The Executive Committee of the Council also perused the order of Hon'ble Apex Court dt. 18/09/2014 & 25/09/2014, the operative part of which reads as under:

"The relevant portion of the order dated 18.09.2014 passed in W.P. (C) No. 469/2014 by the Hon'ble Supreme Court is reproduced hereunder:-

" Heard the learned senior counsel appearing for both the sides.

Looking at the peculiar facts and circumstances of the case and, especially, when several seats for medical admission are likely to remain vacant for the academic year 2014-15, we are of the view that these matters require urgent consideration and we are giving these interim directions under the provisions of Article 142 of the Constitution of India.

There is one more reason for passing this interim order. We are conscious of the fact that number of physicians in our country is much less than what is required and because of non-renewal of recognition of several medical colleges, our citizens would be deprived of a good number of physicians and therefore, we are constrained to pass this order, whereby at least there would be some increase in the number of physicians after five years. We are running against time because the last date for giving admissions to MBBS Course for the academic year 2014-15 is 30th September, 2014.

We also desire to reconsider the directions given by this Court in the judgment of Priya Gupta v. State of Chhattisgarh [(2012) 7 SCC 433], but at this juncture, as we do not have sufficient time to decide all these petitions finally, we are passing this interim order and the matter with regard to reconsideration of the aforesaid judgment would be considered while finally disposing of this group of petitions.

It has been submitted on behalf of the learned senior counsel appearing for all the petitioners/ respondents, who are managing medical colleges, that the defects which had been recorded at the time of the last inspection by the representatives of the Medical Council of India have been duly rectified and at present, the defects pointed out in the reports do not exist. The said fact can be ascertained only by having a fresh Compliance Verification/Inspection. However, the stand taken by the Central Government and the Medical Council of India is to the effect that no such inspection can be undertaken in the present academic session because of paucity of time and it would violate the time schedule laid down by this Court in the case of Priya Gupta (supra).

The learned senior counsel appearing for the Medical Council of India has also submitted that the petitioners do not have any legal right for getting renewal of the recognition, especially in view of the fact that the Verification/Inspection Reports are not available for the period in question. The learned senior counsel has relied upon some of the Judgments to substantiate his case and according to him, it would not be just and proper to permit the said medical colleges to take fresh batch of students.

Looking at the peculiar facts of the case and the circumstances stated hereinabove, we direct the petitioners to file undertakings by President/Chairman and Secretary of the petitioners' institutions running medical colleges within 10 days from today, to the effect that there is no defect in the medical colleges run by them and they would also state that their deposit with the MCI, which is around Rs.10 Crores, be forfeited by way of penalty if the statement made in the undertaking is found to be incorrect at the time of the next inspection. A draft undertaking has been given to this Court. A copy of the undertaking, which might be filed by the institutions, shall be served upon the office of the Medical Council of India as well as to the Ministry of Health and Family Welfare, Govt. of India, New Delhi.

We also record the fact that in the recent past, the Medical Council of India has renewed recognition of Government Medical Colleges on the basis of undertakings and therefore, we see no reason not to permit the private colleges to admit students on the basis of undertakings given by their office bearer as a special case.

Notwithstanding any direction given in the case of Priya Gupta (supra), if undertakings as stated hereinabove are filed by the institutions managing medical colleges for the academic year 2014-15, admissions shall be given to the students from the merit list

prepared by the States and they shall be charged fees prescribed by the Government Medical Colleges of their respective States. The State Authorities, i.e., the Directorate of Medical Education & Research, of the respective States shall send students, in order of their merit, to the medical colleges run by the petitioners, which are situated within their States, within one week from the date of receipt of a copy of this order and the said students shall be admitted to the MBBS Course in accordance with the rules and regulations of the MCI and also regulations dated 16.04.2010 framed by the Medical Council of India, provided undertakings as mentioned above are filed on behalf of the concerned institutions.

It is also clarified that there would be no further counseling in respect of the students who are to be given admission, even if it might result into some heartburning among other students, but in the peculiar facts of the case, we give this direction.

In no case, the admission shall be given after 30th September, 2014. This order shall also apply to all the institutions which had filed their petitions earlier for renewal of their recognition for the academic year 2014-15, but their petitions were rejected or withdrawn for whatever reason, provided undertakings as stated hereinabove are filed by President/Chairman and the Secretary of those institutions. All those petitions shall be deemed to have been revived and this order shall be deemed to have been passed in those cases also. This order shall only be in respect of renewal of recognition and not for creation of additional seats or for new colleges.

We also record that the Union of India has supported the petitioners in the interest of students. We also direct the Union of India to give wide publicity to this order in print as well as electronic media in the interest of the concerned students.

It is directed that the list of students getting admission in pursuance of this order shall be placed on record of this Court by 1st October, 2014 by the concerned institutions and a copy thereof shall also be sent to the MCI.

These matters shall be treated as part-heard and shall be notified for further hearing in the month of December, 2014."

The Hon'ble Supreme Court thereafter vide its order dated 25.09.2014 issued certain clarification in respect to the order dated 18.09.2014 in W.P. (C) No. 469/2014, which are reproduced hereunder:-

"After hearing the learned counsel for the parties we deem it appropriate to issue following clarifications with regard to our earlier order dated 18th September, 2014. These clarifications shall be read into the said order as if they were always part thereof:-

1. The order dated 18th September, 2014 shall also apply to cases where colleges or institutions were seeking increase in intake capacity and in the current year have been denied permission to admit students after first or second or third or fourth renewal/inspection. In our view such institutions where Renewal/Inspection with respect to increase in capacity were conducted in the present academic year are also entitled to the benefit under the order dated 18th September, 2014.

2. We also clarify that fees chargeable from the students admitted pursuant to our order dated 18th September, 2014 shall be at the same rates as applicable to the students in Government medical colleges in respective States and such fees shall be at the same levels as that of the Government medical colleges till the students so admitted pass out from the private medical colleges or institutions.

3. Our order shall also apply to all similarly situated institutions irrespective of the fact whether any petitions were or are pending in this Court or in any of the High Courts or even if they had not approached any court at all. This order shall also apply even in cases where there were orders of stay in favour of the Medical Council of India restraining the colleges from admitting students for the current academic session.

4. The order shall not apply to colleges or institutions which have been disqualified by the Medical Council of India and/or the Central Government and have been prohibited from making any admissions for the current academic year 2014-15.

5. In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18th September, 2014. The Management quota shall also be filled through

the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.

6. We further clarify that private institutions taking benefit under our order dated 18th September, 2014 shall have to take students only from the State agencies and at fees chargeable for students in Government medical colleges as stated above, regardless of their status or claim as Minority Institutions or Deemed Universities.”

In view of above, the members of the Executive Committee further decided to revoke the Bank Guarantees submitted by the Institute and directed the Institute to submit fresh bank guarantees within 2 weeks.

9. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 3rd batch of 100 seats of Shaheed Hasan Khan Mewati Government Medical College, Nalhar, Mewat, Haryana under Pt. B.D Sharma University of Health Sciences, Rohtak, Haryana u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 3rd batch of 100 seats of Shaheed Hasan Khan Mewati Government Medical College, Nalhar, Mewat, Haryana under Pt. B.D Sharma University of Health Sciences, Rohtak, Haryana u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (11th & 12th November 2014) and noted the following:-

1. Deficiency of faculty is 25 % as detailed in the report.
2. Shortage of Residents is 57 % as detailed in the report.
3. The institute has conducted CME programmes during the year; however no details about credit hours awarded for the same have been provided.
4. Central Library: Reading room for Residents is not available. Deputy librarian is not available.
5. Radiological Investigations: Workload of special investigations like Ba, IVP is NIL on day of assessment as well as on 3 randomly selected days.
6. Histopathology workload is only 7 on day of assessment.
7. There is no separate ICCU. There is one single ICU shared by all the departments. There were only 7 patients on 15 beds in the common ICU.
8. ETO sterilizer is not available.
9. Teaching programme is not integrated horizontally / vertically.
10. Anatomy Department: There are only 37 mounted specimens.
11. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3rd batch (100 seats) of Shaheed Hasan Khan Mewati Government Medical College, Nalhar, Mewat, Haryana under Pt. B.D Sharma University of Health Sciences, Rohtak, Haryana u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

10. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 4th batch of 150 seats of Subbaiah Institute of Medical Sciences, Shimoga, Karnataka under the Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 4th batch of 150 seats of Subbaiah Institute of Medical Sciences, Shimoga, Karnataka under the Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (13th & 14th November 2014) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch (150 seats) of Subbaiah Institute of Medical Sciences, Shimoga, Karnataka under the Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

11. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 150 seats of Srinivas Institute of Medical Research Centre, Srinivasnagar, Mangalore, Karnataka under Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 150 seats of Srinivas Institute of Medical Research Centre, Srinivasnagar, Mangalore, Karnataka under Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (11th & 12th November 2014) and noted the following:-

1. Deficiency of faculty is 23.4 % as detailed in report.
2. Shortage of Residents is 91.25 % as detailed in the report.
3. Examination Hall cum Auditorium is not ready for use.
4. OPD: There was no injection, or resuscitation kit or registration book. In OPDs like General Medicine, General Surgery, Orthopaedics, O.G. & ENT, all staff members are sitting in one room and not in individual rooms.
5. Wards: HODs of General Medicine, General Surgery, Paediatrics & Skin & VD departments were unable to identify unitwise cot distribution in the wards. There was no signage of Unit or name of doctor. Sister in charge was unable to show past data of the ward. Demonstration rooms in wards were without teaching facility.
6. OPD attendance: Cross verification of individual OPD data with central register showed gross mismatch of data.
7. Casualty: Cross verification of Casualty attendance showed gross mismatch. Only 15 patients on first day of assessment & on next day at 12:30 p.m., casualty ward was empty though register showed 11 patients. There is no ventilator in Casualty. Consultant emergency list is not available.
8. Bed occupancy is < 60 % on day of assessment. At 5:30 p.m. on 11/11/2014, male Medicine ward was empty. In General Surgery ward there were only 6 patients, in Orthopaedics ward only 4 & in labour room only 3 patients. This suggests gross mismatch of clinical workload.
9. There was no major or minor operation performed on first day of assessment. On second day, 3 operations were performed.
10. Radiological investigations: There was no special investigation like Ba, IVP performed on day of assessment.
11. Laboratory Investigations: On verification, all data grossly mismatch with numbers & types of investigations.
12. O.T.s: Three O.T.s were under repair. Sister i/c was unable to give past data. There is no separate Emergency Theater.
13. ICUs: There was no patient in ICCU, MICU, SICU on day of assessment. Past record was not available.

The Executive Committee of the Council considered the Council Assessors report (24th & 25th November, 2014) and decided to recommend to the Central Govt. to renew the permission for admission of 4th batch of MBBS students against the increased intake i.e. from 120 to 150 u/s 10A of the IMC Act, 1956 in respect of Kempegowda Institute of Medical Sciences, Bangalore under Rajiv Gandhi University of Health Sciences, Bangalore for the academic year 2015-16.

62. Increase of seats in MBBS course from 150 to 200 at Sri Siddhartha Medical College, Tumkur u/s 10A of the IMC Act, 1956.

Read: the matter with regard to increase of seats in MBBS course from 150 to 200 at Sri Siddhartha Medical College, Tumkur u/s 10A of the IMC Act, 1956.

The Executive Committee of the Council considered the letter dated 08.10.2014 received from the Principal, Sri Siddhartha Medical College, Tumkur stating that “they are not eligible for increase of MBBS seats at present and like to withdraw application and requested not to post the assessors for inspection of the institution for increase of MBBS seats from 150 to 200.

In view of the above, the Executive Committee of the Council decided to return the application for increase in MBBS seats from 150 to 200 at Sri Siddhartha Medical College, Tumkur for the academic year 2015-16 recommending disapproval of the scheme to the Central Govt. as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the Regulations framed therein to keep the application pending in the Council office for the next academic year.

63. Increase of seats in MBBS course from 150-250 for the academic session 2015-16 at Sree Balaji Medical College & Hospital, Chennai in pursuance of Hon'ble Supreme Court order dated 17.10.2014 in CA No. 6564/2014-MCI Vs. Sree Balaji Medical College & Hospital, Chennai.

Read: the matter with regard to increase of seats in MBBS course from 150-250 for the academic session 2015-16 at Sree Balaji Medical College & Hospital, Chennai in pursuance of Hon'ble Supreme Court order dated 17.10.2014 in CA No. 6564/2014-MCI Vs. Sree Balaji Medical College & Hospital, Chennai.

The Executive Committee of the Council considered the Council Assessors report (29th & 30th October, 2014) alongwith copy of Hon'ble Supreme Court order dated 17.11.2014 in IA No.3/2014 in CA No. 6564/2014- MCI Vs. Sree Balaji Medical College & Hospital, Chennai and a letter dated 26.11.2014 received from Dean, Sree Balaji Medical College & Hospital, Chennai and decided to recommend to the Central Govt. to issue Renewal of Permission for admission of 3rd batch for increase of seats in MBBS course from 100 to 150 at Sree Balaji Medical College & Hospital, Chennai under Bharath University, Chennai for the academic year 2015-16 u/s 10A of the Indian Medical Council Act,1956.

The Executive Committee of the Council further decided that since Sree Balaji Medical College & Hospital, Chennai is not yet recognized for 150 admissions, it is not eligible for further increase from 150 to 250 as per their earlier decision dated 14.03.2014.

64. Father Muller's Medical College, Mangalore – Renewal of Permission for admission of 4th Batch of MBBS students against the increased intake i.e. from 100-150 for the academic session 2015-16.

Read: the matter with regard to Father Muller's Medical College, Mangalore – renewal of permission for admission of 4th Batch of MBBS students against the increased intake i.e. from 100-150 for the academic session 2015-16.

The Executive Committee of the Council considered the Council Assessors report (27th & 28th November, 2014) and noted the following:-

1. Shortage of Residents is 8.6 % as detailed in the report.
2. One lecture theater of capacity 200 is level type.
3. MRD is manual.

The Executive Committee of the Council deliberated upon the matter and decided to communicate to the authorities concerned that as per Clause 2 of Part-II of the 'The Opening of a New or Higher Course of Study or Training (including Post-graduate Course of Study or Training) and Increase of Admission Capacity in any Course of Study or Training (including a Postgraduate Course of Study or Training) Regulations, 2000, it is categorically mentioned that fee is non-refundable.

In view of above, the Executive Committee decided to return the application to the Central Govt. since no fee has been received with the application for the academic year 2015-16.

74. Establishment of new medical college at Renigunta, Andhra Pradesh by Sri Kanchi Kamakoti Peetam & SVIMS Health, Medical, Education and Research Foundation, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to establishment of new medical college at Renigunta, Andhra Pradesh by Sri Kanchi Kamakoti Peetam & SVIMS Health, Medical, Education and Research Foundation, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council observed that the Council vide its letter dated 28.10.2014 and subsequent reminders dated 07.11.2014, 14.11.2014 20.11.2014 has requested the applicant to submit the following documents on or before 26.11.2014, failing which the Council will recommend to the Central Govt. for disapproval of their scheme for the academic year 2015-16:

1. Clarification regarding the Essentiality Certificate has been issued by the Govt. of Andhra Pradesh in favour of the applicant college for 100 MBBS seats while the proposal of the applicant is for 150 MBBS seats, which is still awaited.
2. Year wise targeted time bound programme.

3. Duly attested copies of the title deed by the Public Notary/Gazetted Officer as these are Govt. land alienated in favour of the applicant Society. These should be duly indexed.
4. Original/fresh Certificate issued by Collector/Sub-Divisional Magistrate/Tahsildar as per the format in Annex 1
5. Due Diligence Format from an Advocate as per the format in Annex 2.

It was also observed that the applicant has not submitted all the required documents as sought by the Council till date. However, the applicant has enclosed the copy of the Court Order dated 26.07.2013 directing the Tahsildar, Renigunta Mandal, Renigunta, Chittoor District to forthwith mutate the name of the petitioner Trust in the ROR in respect of the various extents of lands in different survey numbers mentioned in the prayer of the Writ Petition and communicate the same to the petitioner trust within a period of one month from the date of receipt of this order. It was also observed that in this order, no direction has been given to the Council. Further, the college has not rectified the deficiencies of documents at # 1,2 & 5 from the above list.

In view of above, the Executive Committee of the Council decided to return the application for establishment of New Medical College at Renigunta, Andhra Pradesh by Sri Kanchi Kamakoti Peetam & SVIMS Health, Medical, Education and Research Foundation, Chennai to the Central Govt. recommending disapproval of the scheme as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office for the next academic year.

75. Application for establishment of New Medical College at Dichpally, Nizamabad, Andhra Pradesh by Church of South India Trust Association, MDES, Secunderabad, Andhra Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to establishment of New Medical College at Dichpally, Nizamabad, Andhra Pradesh by Church of South India Trust Association, MDES, Secunderabad, Andhra Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council observed that as per enclosed letter dated 27.09.2014, the Director, CSI Christian Medical College & Hospital, Dichpally, Nizamabad has stated as under:-

"We are herewith forwarding our application for permission to admit a Fresh Batch of students for the academic year 2014-2015.
...."

However, the applicant has requested the Council to process their application for conduct inspection of the college for granting permission to admit fresh batch of students with effect from academic year 2015-2016.

In this regard, it is observed that the said application of the applicant has been received in the Central Govt. on 30/09/2014 which is after the last date of 31/08/2014 and in the Council office on 24.10.2014 which is after cut-off date i.e. 30.09.2014. Further, the said application is also deficient in terms of the following:-

1. A copy of Essentiality Certificate from the State Govt. is not enclosed.
2. Processing fee of Rs. 7.00 lakhs is not enclosed.
3. Consent of affiliation dated 11.10.2002 issued by the Registrar, N.T.R. University of Health Sciences, Vijaywada is enclosed. However, the applicant has enclosed a copy of letter dated 07.08.2014 addressed to the Registrar, Dr. N.T.R. University of Health Sciences, Vijayawada for revalidation of letter of Consent of Affiliation already issued to the college.

In view of above, the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the scheme for establishment of New Medical College at Dichpally, Nizamabad, Andhra Pradesh by

Church of South India Trust Association, MDES, Secunderabad, Andhra Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

76. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 4th batch of 100 MBBS seats of Institute of Medical Sciences & Research, Vidyagiri, Satara, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 4th batch of 100 MBBS seats of Institute of Medical Sciences & Research, Vidyagiri, Satara, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (14th and 15th November, 2014) alongwith the representation dated 17.11.2014 received from the Dean of the college and noted the following:

1. Deficiency of faculty is 40.87 % as detailed in the report.
2. Shortage of Residents is 86.14 % on day of assessment.
3. No workshop on Medical Education Technology has been conducted during the year.
4. No credit hours have been awarded for CME programmes conducted by the institute.
5. Students' Hostels: Accommodation is available for 192 students against requirement of 300 as per Regulations. Visitors' room, A.C. study room with computer & internet, Recreation room are not available.
6. Daily average of major Surgeries is only 7/day which is inadequate.
7. Radiological Investigations: Workload of special investigations like Ba, IVP is grossly inadequate – 1/week.
8. Average daily Histopathology workload of 5 is inadequate. On day of assessment, it was only 2.
9. MRD: Medical Records Officer is not available.
10. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for MBBS course for 4th batch (100 seats) of Institute of Medical Sciences & Research, Vidyagiri, Satara, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2015-2016 and further decided to apply clause 8(3)(1)(b) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

“8(3)(1).....

(b) Colleges in the stage upto III renewal (i.e. Admission of fourth batch) till recognition of the institute for award of MBBS degree.

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 20% and/or bed occupancy is <70%, such an institute will not be considered for renewal of permission in that Academic Year.”

The Executive Committee of the Council further noted that the institute has admitted students for 2014-2015 pursuant to order of Hon'ble Supreme Court after filing an undertaking dated 29.09.2014 in the name of Dr. Mahadev Ramchandra Deshmukh which states as under:

“..1. The deficiencies pointed out by the Medical Council of India by its communication dated 17.05.2014 has been rectified and there exist no deficiencies in the said medical college.

2. *In the event the institution, for any reason whatsoever, does not comply with this Undertaking the Hon'ble Court may, if it so chooses, direct that the Bank Guarantee/Security furnished by the institution to the Medical Council of India be forfeited.*
3. *The admissions to the academic year 2014-15 with respect to the seats to be filled will be in accordance with the norms of the Medical Council of India. Candidates will be admitted in accordance with merit list prepared by the State Authorities.*
4. *The fees to be charged from students admitted through this process shall be as approved by the State Authorities."*

In view of the deficiencies listed above, it is amply evident that the institute has failed to rectify previous deficiencies which are still persisting.

The Executive Committee of the Council also perused the order of Hon'ble Apex Court dt. 18/09/2014 & 25/09/2014, the operative part of which reads as under:

"The relevant portion of the order dated 18.09.2014 passed in W.P. (C) No. 469/2014 by the Hon'ble Supreme Court is reproduced hereunder:-

" Heard the learned senior counsel appearing for both the sides.

Looking at the peculiar facts and circumstances of the case and, especially, when several seats for medical admission are likely to remain vacant for the academic year 2014-15, we are of the view that these matters require urgent consideration and we are giving these interim directions under the provisions of Article 142 of the Constitution of India.

There is one more reason for passing this interim order. We are conscious of the fact that number of physicians in our country is much less than what is required and because of non-renewal of recognition of several medical colleges, our citizens would be deprived of a good number of physicians and therefore, we are constrained to pass this order, whereby at least there would be some increase in the number of physicians after five years. We are running against time because the last date for giving admissions to MBBS Course for the academic year 2014-15 is 30th September, 2014.

We also desire to reconsider the directions given by this Court in the judgment of Priya Gupta v. State of Chhattisgarh [(2012) 7 SCC 433], but at this juncture, as we do not have sufficient time to decide all these petitions finally, we are passing this interim order and the matter with regard to reconsideration of the aforesaid judgment would be considered while finally disposing of this group of petitions.

It has been submitted on behalf of the learned senior counsel appearing for all the petitioners/ respondents, who are managing medical colleges, that the defects which had been recorded at the time of the last inspection by the representatives of the Medical Council of India have been duly rectified and at present, the defects pointed out in the reports do not exist. The said fact can be ascertained only by having a fresh Compliance Verification/Inspection. However, the stand taken by the Central Government and the Medical Council of India is to the effect that no such inspection can be undertaken in the present academic session because of paucity of time and it would violate the time schedule laid down by this Court in the case of Priya Gupta (supra).

The learned senior counsel appearing for the Medical Council of India has also submitted that the petitioners do not have any legal right for getting renewal of the recognition, especially in view of the fact that the Verification/Inspection Reports are not available for the period in question. The learned senior counsel has relied upon some of the Judgments to substantiate his case and according to him, it would not be just and proper to permit the said medical colleges to take fresh batch of students.

Looking at the peculiar facts of the case and the circumstances stated hereinabove, we direct the petitioners to file undertakings by President/Chairman and Secretary of the petitioners' institutions running medical colleges within 10 days from today, to the effect that there is no defect in the medical colleges run by them and they would also state that their deposit with the MCI, which is around Rs.10 Crores, be forfeited by way of penalty if the statement made in the undertaking is found to be incorrect at the time of the next inspection. A draft undertaking has been given to this Court. A copy of the undertaking, which might be filed by the institutions, shall be served upon the office of the Medical Council of India as well as to the Ministry of Health and Family Welfare, Govt. of India, New Delhi.

We also record the fact that in the recent past, the Medical Council of India has renewed recognition of Government Medical Colleges on the basis of undertakings and

therefore, we see no reason not to permit the private colleges to admit students on the basis of undertakings given by their office bearer as a special case.

Notwithstanding any direction given in the case of Priya Gupta (*supra*), if undertakings as stated hereinabove are filed by the institutions managing medical colleges for the academic year 2014-15, admissions shall be given to the students from the merit list prepared by the States and they shall be charged fees prescribed by the Government Medical Colleges of their respective States. The State Authorities, i.e., the Directorate of Medical Education & Research, of the respective States shall send students, in order of their merit, to the medical colleges run by the petitioners, which are situated within their States, within one week from the date of receipt of a copy of this order and the said students shall be admitted to the MBBS Course in accordance with the rules and regulations of the MCI and also regulations dated 16.04.2010 framed by the Medical Council of India, provided undertakings as mentioned above are filed on behalf of the concerned institutions.

It is also clarified that there would be no further counseling in respect of the students who are to be given admission, even if it might result into some heartburning among other students, but in the peculiar facts of the case, we give this direction.

In no case, the admission shall be given after 30th September, 2014. This order shall also apply to all the institutions which had filed their petitions earlier for renewal of their recognition for the academic year 2014-15, but their petitions were rejected or withdrawn for whatever reason, provided undertakings as stated hereinabove are filed by President/Chairman and the Secretary of those institutions. All those petitions shall be deemed to have been revived and this order shall be deemed to have been passed in those cases also. This order shall only be in respect of renewal of recognition and not for creation of additional seats or for new colleges.

We also record that the Union of India has supported the petitioners in the interest of students. We also direct the Union of India to give wide publicity to this order in print as well as electronic media in the interest of the concerned students.

It is directed that the list of students getting admission in pursuance of this order shall be placed on record of this Court by 1st October, 2014 by the concerned institutions and a copy thereof shall also be sent to the MCI.

These matters shall be treated as part-heard and shall be notified for further hearing in the month of December, 2014."

The Hon'ble Supreme Court thereafter vide its order dated 25.09.2014 issued certain clarification in respect to the order dated 18.09.2014 in W.P. (C) No. 469/2014, which are reproduced hereunder:-

"After hearing the learned counsel for the parties we deem it appropriate to issue following clarifications with regard to our earlier order dated 18th September, 2014. These clarifications shall be read into the said order as if they were always part thereof:-

1. The order dated 18th September, 2014 shall also apply to cases where colleges or institutions were seeking increase in intake capacity and in the current year have been denied permission to admit students after first or second or third or fourth renewal/inspection. In our view such institutions where Renewal/Inspection with respect to increase in capacity were conducted in the present academic year are also entitled to the benefit under the order dated 18th September, 2014.

2. We also clarify that fees chargeable from the students admitted pursuant to our order dated 18th September, 2014 shall be at the same rates as applicable to the students in Government medical colleges in respective States and such fees shall be at the same levels as that of the Government medical colleges till the students so admitted pass out from the private medical colleges or institutions.

3. Our order shall also apply to all similarly situated institutions irrespective of the fact whether any petitions were or are pending in this Court or in any of the High Courts or even if they had not approached any court at all. This order shall also apply even in cases where there were orders of stay in favour of the Medical Council of India restraining the colleges from admitting students for the current academic session.

4. The order shall not apply to colleges or institutions which have been disqualified by the Medical Council of India and/or the Central Government and have been prohibited from making any admissions for the current academic year 2014-15.

5. In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18th September, 2014. The Management quota shall also be filled through the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.

6. We further clarify that private institutions taking benefit under our order dated 18th September, 2014 shall have to take students only from the State agencies and at fees chargeable for students in Government medical colleges as stated above, regardless of their status or claim as Minority Institutions or Deemed Universities."

In view of above, the members of the Executive Committee further decided to revoke the Bank Guarantees submitted by the Institute and directed the Institute to submit fresh bank guarantees within 2 weeks.

77. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of ICARE Institute of Medical Sciences & Research, Haldia, West Bengal under the West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of ICARE Institute of Medical Sciences & Research, Haldia, West Bengal under the West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (20th & 21st November 2014) and noted the following:-

1. No workshop in Medical Education technology has been conducted by MEU during the year.
2. No CME programmes have been conducted by the institute during the year.
3. Examination hall cum Auditorium: Available area is 600 sq.m. against requirement of 800 sq.m.
4. Lecture Theater: capacity 250 lecture theater is not available.
5. OPD: Plaster room & Plaster cutting room are same.
6. Radiological investigations: Workload of special investigations like Ba, IVP is NIL.
7. Website: it is very sketchy. Information regarding Dean & Medical Superintendent, Faculty & nonteaching staff, CME, affiliating University, infrastructure, list of students admitted, results of examination, anti-ragging committee are not available. Citizens' charter is not uploaded.
8. Anatomy department: Mounted specimens are only 71. They are not arranged region wise. There is no catalogue. Articulated skeletons & Lockers are less. One demonstration room has area of only 20 sq.m. which is less. There is shortage of faculty offices.
9. Physiology department: One demonstration room has area of only 20 sq.m. which is less. There is shortage of faculty offices. Mammalian laboratory is not available.
10. Pathology department: Mounted specimens are only 25. There is no catalogue. Offices for Asso. Prof., Asstt. Prof. & Tutors are not available.
11. Microbiology department: Offices for Asso. Prof. & Tutors are not available. Area of museum is only 53 sq.m. Number of models (only 10) & charts (only 27) are less.
12. Pharmacology department: offices for Asso. Prof., Asst. Prof. & Tutors are not available. Museum is smaller than required (35 sq.m.)
13. RHTC: Mess is not available. Cold chain equipment is inadequate.
14. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for MBBS course for 5th batch (100 seats) of ICARE Institute of Medical Sciences & Research, Haldia, West Bengal under the West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

78. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of Indira Gandhi Institute of Medical Sciences, Sheikhpura, Patna under the Indira Gandhi Institute of Medical Sciences, Patna (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 seats of Indira Gandhi Institute of Medical Sciences, Sheikhpura, Patna under the Indira Gandhi Institute of Medical Sciences, Patna (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting.

79. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 4th batch of 100 MBBS students at Murshidabad Medical College & Hospitals, Murshidabad, West Bengal under the West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 4th batch of 100 MBBS students at Murshidabad Medical College & Hospitals, Murshidabad, West Bengal under the West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (18th & 19th November 2014) and noted the following:-

1. Lecture Theaters: They are not of gallery type. Facility for E class is not available.
2. Soundproof & Airconditioned Audiometry room is not available.
3. Teaching beds in the hospital owned by the college within the campus are only 263 against requirement of 350.
4. Wards: Distance between 2 beds is < 1.5 m. In some wards, 2 patients are kept on one bed which is not as per norms. There are no separate wards for Sin & VD and Psychiatry departments. They are placed in General Medicine.
5. Radiological investigations: Workload of special investigations like Ba studies, IVP is very less – 2/day. On day of assessment, it was only 1.
6. Histopathological workload is only 4/day which is inadequate.
7. MRD: It is manual. ICD X classification of diseases is not used for indexing.
8. Casualty: Disaster trolley is not available.
9. O.T.: Capnograph is not available.
10. Website: Citizens' charter is not provided.
11. CPC is not held.
12. Anatomy department: Mounted specimens are only 40.
13. Pathology department: Audiovisual aids are not available in demonstration room. Mounted specimens are only 52.
14. Microbiology department: Audiovisual aids are not available in demonstration room. Media preparation facility, Autoclaving, Washing & drawing room are not available. Practical laboratory is smaller in size. Service laboratories are smaller in size and without any instrument.
15. Pharmacology department: Audiovisual aids are not available in demonstration room. Experimental pharmacology laboratory, Clinical

- pharmacology laboratory, Museum are smaller in size. Number of specimens, charts, models are inadequate.
16. Forensic Medicine department: Museum is smaller in size. Specimens, charts, poisons, photographs, weapons are less.
 17. Community Medicine department: Museum is smaller in size.
 18. RHTC: Cold chain equipment is not available.
 19. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for MBBS course for 4th batch (100 seats) of Murshidabad Medical College & Hospitals, Murshidabad, West Bengal under the West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

80. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 150 MBBS seats of Sathagiri Institute of Medical Sciences & Research Centre, Bangalore, Karnataka under the Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 150 MBBS seats of Sathagiri Institute of Medical Sciences & Research Centre, Bangalore, Karnataka under the Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (21st & 22nd November, 2014) and noted the following: -

1. RICU is not available.
2. RHTC: Residential accommodation is not available. It is under construction.
3. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for MBBS course for 5th batch (150 seats) of Sathagiri Institute of Medical Sciences & Research Centre, Bangalore, Karnataka under the Rajiv Gandhi University of Health Sciences, Bangalore, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

81. Assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 MBBS seats of Mahamaya Rajkiya Allopathic Medical College, Ambedkarnagar, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to assessment of the physical and the other teaching facilities available for renewal of permission for MBBS course for 5th batch of 100 MBBS seats of Mahamaya Rajkiya Allopathic Medical College, Ambedkarnagar, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (21st and 22nd November, 2014) and noted the following:

1. Deficiency of teaching faculty is 26.95 % as detailed in report.
2. Shortage of Residents is 33.66 % as detailed in the report.
3. Bed occupancy: Daily average is 64 %. On day of assessment, it was 60 %.

4. Details of workshops on Medical Education Technology conducted by institute during the year are not provided.

6. Histopathology workload is 5/day which is inadequate.
7. Cytopathology workload is 5/day which is inadequate.
8. MRD is manual.
9. SICU is not available.
10. Website: Toll free number to report ragging is not uploaded.
11. RHTC: Mess is not available. Specialists' visits are not organized.
12. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for MBBS course for 5th batch (100 seats) of Mahamaya Rajkiya Allopathic Medical College, Ambedkarnagar, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2015-2016 .

82. Recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melvaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to Recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melvaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the compliance verification assessment report (19th November, 2014) alongwith previous assessment report (27th August, 2014) and decided to recommend recognition/approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melvaruvathur for the award of MBBS degree for 150 seats granted by the Tamilnadu Dr. MGR Medical University, Chennai and decided to recommend to the Central Government for approval u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute."

The Committee decided to place the matter before the General Body of the Council.

In view of above, the Executive Committee of the Council further decided to recommend to the Central Government to renew permission for admission of 6th batch of 150 MBBS students at Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melvaruvathur for the academic year 2015-2016.

83. Establishment of new medical college at, Vadnagar, Gujarat by Gujarat Medical Education & Research Society, Gujarat u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

Read: the matter with regard to establishment of new medical college at, Vadnagar, Gujarat by Gujarat Medical Education & Research Society, Gujarat u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive committee considered the matter with regard to establishment of New Medical College at Vadnagar, Gujarat by Gujarat Medical Education & Research Society, Gujarat u/s 10A of the IMC Act, 1956 for the academic year 2015-16 alongwith the letter dated 18.10.2014(received on 15.11.2014) from the Nodal Officer, GMERS Medical College, Vadnagar addressed to the Central Govt., Ministry of Health & F.W., intimating to defer the said application for one year.

In view of above, the Executive Committee of the Council decided to return the application for establishment of New Medical College at Vadnagar, Gujarat by Gujarat Medical Education & Research Society, Gujarat to the Central Govt. recommending disapproval of the scheme as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office for the next academic year.

24. Practical laboratories & Museums are smaller in size in all the departments.
25. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for MBBS course for 5th batch (100 seats) of Malda Medical College & Hospital, Malda, West Bengal under West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

90. Change of affiliating University/Recognition & inclusion of MBBS degree in the First Schedule of IMC Act granted by the Swami Rama Himalayan University, Dehradun in respect of students admitted at Himalayan Institute of Medical Sciences, Dehradun.

Read: the matter with regard to change of affiliating University/Recognition & inclusion of MBBS degree in the First Schedule of IMC Act granted by the Swami Rama Himalayan University, Dehradun in respect of students admitted at Himalayan Institute of Medical Sciences, Dehradun.

The Executive Committee of the Council observed that the Registrar, Swami Rama Himalayan University, Dehradun vide letter dated 18/11/2014 has submitted the Certificate from the UGC with regard to formation of Swami Rama Himalayan University and requested to grant approval for recognition & inclusion of MBBS degree in the First Schedule of IMC Act granted by the Swami Rama Himalayan University, Dehradun on or after 1st June, 2014 in respect of students being trained at Himalayan Institute of Medical Sciences, Dehradun in the First Schedule to the IMC Act, 1956.

The Executive Committee of the Council further observed that it at its meeting held in June 1988 had decided as under:-

“No inspection is required where there is change of name and change of affiliation of the University or the college whose medical qualifications are already recognized and included in the I schedule to the IMC Act, 1956 unless the Executive Committee decided otherwise”.

In view of above, the Executive Committee of the Council decided to approve change of affiliating University/Recognition & inclusion of MBBS degree in the First Schedule of IMC Act, 1956 granted by Swami Rama Himalayan University, Dehradun in respect of students admitted at Himalayan Institute of Medical Sciences, Dehradun.

The Committee further decided to place the matter before the General Body of the Council.

91. Admission of MBBS student at Kempegowda Institute of Medical Sciences, Bangalore for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Kempegowda Institute of Medical Sciences, Bangalore for the Academic Year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting.

92. Admission of MBBS student at Tagore Medical College and Hospital, Chennai, Tamil Nadu for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Tagore Medical College and Hospital, Chennai, Tamil Nadu for the Academic Year 2014-15.

The Executive Committee of the Council noted that the students are admitted by DME which is in accordance with orders of Hon'ble Supreme Court as per the clarification submitted by DME vide email dated 15.12.2014. The Executive Committee of the Council also noted that as per submission of DME that there is no entrance examination conducted by the State Govt. for the purpose of selection of MBBS/BDS courses since 2007-08 and the legal opinion on this issue that all admissions in the State of Tamilnadu are made on the basis of 10+2 marks which is as per law enacted by the State Government and has been accepted by the Council since last several years.

The Executive Committee of the Council further noted that out of 150 candidates allotted by DME, Chennai to Chennai Medical College Hospital and Research Centre, Trichy, Tamil Nadu, 98 candidates had joined and 52 candidates had not joined.

In view of above, the Executive Committee of the Council decided that no further action was required to be taken.

93. Admission of MBBS student at JSS Medical College, Mysore for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at JSS Medical College, Mysore for the Academic Year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting till the clarification regarding consensual agreement is received from the State Govt. of Karnataka.

94. Admission of MBBS student at Ruxmaniben Deepchand Gardi Medical College, Ujjain, Madhya Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Ruxmaniben Deepchand Gardi Medical College, Ujjain, Madhya Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council noted that as per the original list submitted by the institute, the following candidate did not fulfill the Regulations on Graduate Medical Education 1997 clause 5(i) and 5(ii) due to the following reasons:-

S.No	Name of Student	Date of Birth	Category	Sub-category	Marks Obtained 10+2(PCB)	Maximum Marks 10+2(PCB)	PCB Percentage	Marks Obtained 10+2(Eng)	Maximum Marks 10+2(Eng)	English Percentage	Entrance Exam Name	Marks Obtained in Entrance Exam	Maximum Marks in Entrance Exam	Entrance Exam Percentage
1	Neha Pathak	29/10/1995	Govt	Gen	149	300	49.67	59	100	59.00	AIPMT	447	720	62.08
2	Devendra Kumar Meena	03/06/1988	Govt	OBC	186	300	62.00	22	100	22.00	AIPMT	415	720	57.64
3	Swali Varna	05/06/1986	Govt	OBC	204	300	68.00	24	100	24.00	AIPMT	387	720	53.75

In this regard, Council vide letter dt. 25.11.2014 had sought clarification from the college authorities. Clarification dt. 1.12.2014 alongwith photocopy of marksheets was received in the Council Office on 8.12.2014 which is as under:-

“ ”

- 1. Regarding Neha Pathak at S.No.13 in the list sent by college her marks obtained in 10+2(PCB), CBSE, is 229 out of 300 but due to clerical mistake marks obtained was written 149, hence the percentage of PCB becomes less than 50%, but really it is 76.3%. Hence it is corrected in the list.
- 2. Regarding Devendra Kumar Meena at S.No.69 in the list he has got 22 marks in English in MP Board, out of 50 but due to clerical mistake out of marks is written 100 hence the percentage of his marks in English should be read as 44%.
- 3. Regarding Swali Verma at S.No.75, in the list she obtained 24 marks in English out of total 50 marks in MP Board. But due to clerical mistake it was shown in college list as full marks 100 instead of 50 which lead to lowering of percentage. Hence her real marks in English is 48%.

..... ”

In view of above, the Executive Committee of the Council decided that no further action is required in the matter.

95. **Admission of MBBS student at Sikkim Manipal Institute of Medical Sciences, Gangtok, Sikkim for the Academic Year 2014-15.**

Read: the matter with regard to admission of MBBS student at Sikkim Manipal Institute of Medical Sciences, Gangtok, Sikkim for the Academic Year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting.

96. **Admission of MBBS student at Sri Gokulam Medical College Trust & Research Foundation, Trivandrum for the Academic Year 2014-15.**

Read: the matter with regard to admission of MBBS student at Sri Gokulam Medical College Trust & Research Foundation, Trivandrum for the Academic Year 2014-15.

The Executive Committee of the Council observed that 99 admissions have been made under Government quota out of 150 students while as per State Government letter dated 17/10/2014, 100 admission should be under government quota, in pursuance to Hon'ble Supreme Court Order dated 18/09/2014. **Hence one excess admission is made in management quota.**

In view of above, the Executive Committee of the Council decided to direct the institute i.e. Sri Gokulam Medical College Trust & Research Foundation, Trivandrum_ to discharge one student who is lowest in merit from Management quota and who has been admitted in contravention of Order of Hon'ble Supreme Court.

97. **Admission of MBBS student at King George's Medical Univeristy, Uttar Pradesh, Lucknow for the Academic Year 2014-15.**

Read: the matter with regard to admission of MBBS student at King George's Medical University, Uttar Pradesh, Lucknow for the Academic Year 2014-15.

The Executive Committee of the Council observed that the following 02 students have been admitted below the age of 17 years:-

S.No	Name of Student	Date of Birth	Category	Sub-category	Physically Handicapped	Marks Obtained 10+2(PCB)	Maximum Marks 10+2(PCB)	PCB Percentage	Marks Obtained 10+2(Eng)	Maximum Marks 10+2(Eng)	English Percentage	Entrance Exam Name	Marks Obtained in Entrance Exam	Maximum Marks in Entrance Exam	Entrance Exam Percentage	Admission Date

In this regard, Council vide letter dt. 19.11.2014 had sought clarification from the college authorities. Clarification dt. 27.11.2014 alongwith photocopy of High School certificate was received in the Council Office on 8.12.2014 which is as under:-

“

Sl.No.	Name of student	Date of birth (as mentioned in the 612/A(UGO/2014, dt. 22.10.2014	Correct date of birth as per High School marksheet.
1.	Apurwa Gupta	7.2.2014	7.2.1995
2.	Suraksha Arya	14.4.1999	14.4.1994

.....”

In view of above, the Executive Committee of the Council decided that no further action is required in the matter.

98. Admission of MBBS student at M.G.M. Medical College, Indore, Madhya Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at M.G.M. Medical College, Indore, Madhya Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that one student has been admitted below the age of 17 years:-

S.No	Name of Student	Date of Birth	Category	Sub-category	Physically Handicapped	Marks Obtained 10+2(PCB)	Maximum Marks 10+2(PCB)	PCB Percentage	Marks Obtained 10+2(Eng)	Maximum Marks 10+2(Eng)	English Percentage	Entrance Exam Name	Marks Obtained in Entrance Exam	Maximum Marks in Entrance Exam	Entrance Exam Percentage	Admission Date
1	Dharam Kabir Panthi	09/05/2014	Govt.	SC	No	272	300	90.67	91	100	91.00	AIPMT	420	720	58.33	03/07/2014

It was further observed by the Executive Committee that one candidate does not fulfill the Regulations on Graduate Medical Education 1997 clause 5 (i) and 5(ii) due to the following reasons:-

S.No	Name of Student	Date of Birth	Category	Sub-category	Physically Handicapped	Marks Obtained 10+2(PCB)	Maximum Marks 10+2(PCB)	PCB Percentage	Marks Obtained 10+2(Eng)	Maximum Marks 10+2(Eng)	English Percentage	Entrance Exam Name	Marks Obtained in Entrance Exam	Maximum Marks in Entrance Exam	Entrance Exam Percentage	Admission Date
1	Maresh Kumar	10/07/1993	Govt.	OBC	No	336	450	74.67	72	100	72.00	G.O.I.	0	0	0.00	30/09/2014

In view above, the Executive Committee of the Council decided to direct the institute i.e. M.G.M. Medical College, Indore, Madhya Pradesh to discharge above 2 students who have been admitted contrary to provisions of Graduate Medical Education Regulation 4(1) & 5(ii) respectively and further directed to submit compliance within 2 weeks.

99. Admission of MBBS student at BGS Global Institute of Medical Sciences, Bangalore, Karnataka for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at BGS Global Institute of Medical Sciences, Bangalore, Karnataka for the Academic Year 2014-15.

The Executive Committee of the Council observed that list of admitted students is not provided by the Institute as per the format prescribed by the Council.

In view of above, the Executive Committee of the Council decided to direct the institute i.e. BGS Global Institute of Medical Sciences, Bangalore, Karnataka to provide the list of admitted students within one (1) week giving last opportunity failing which it would be directed to discharge all the admitted students.

100. Admission of MBBS student at Annapoorna Medical College & Hospital, Salem, Tamil Nadu for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Annapoorna Medical College & Hospital, Salem, Tamil Nadu for the Academic Year 2014-15.

The Executive Committee of the Council observed that as per the letter of the Institute dt. 25/11/2014, no admissions have been made by the college for the Academic Year 2014-15 in MBBS course.

In view of above, the Committee decided that no further action is required to be taken in the matter.

101. Admission of MBBS student at Rama Medical College Hospital and Research Centre, Hapur, Uttar Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Rama Medical College Hospital and Research Centre, Hapur, Uttar Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that as per the email letter dt. 14/11/2014, no admissions have been made by the college for the Academic Year 2014-15 in MBBS course.

In view of above, the Committee decided that no further action is required to be taken in the matter.

102. Admission of MBBS student at Kannur Medical College, Kannur, Kerala for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Kannur Medical College, Kannur, Kerala for the Academic Year 2014-15.

The Executive Committee of the Council observed that no admission has been made based as per Hon'ble Supreme Court Order. However, the details of consensual agreement between the Institute and the State agreement with regard to distribution of seats between Govt. quota & management quota with regard to recognized original intake has not been submitted by the Institute.

In view of above, the Executive Committee of the Council decided that the institute be directed to provide details of consensual agreement between the Institute and the State agreement with regard to distribution of seats between Govt. quota & Management quota within one (1) week giving last opportunity failing which it would be directed to discharge all the admitted students. The Executive Committee of the Council further decided to direct the office to obtain the relevant information from DME, Govt. of Kerala.

103. Admission of MBBS student at Fathima Institute of Medical Sciences, Kadapa, Andhra Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Fathima Institute of Medical Sciences, Kadapa, Andhra Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that all the admissions have been made based on the basis of Hon'ble Supreme Court Order under Govt. quota.

In view of above, the Committee decided that no further action is required to be taken in the matter of admitted students.

104. Admission of MBBS student at Great Eastern Medical School and Hospital, Srikakulam, Andhra Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Great Eastern Medical School and Hospital, Srikakulam, Andhra Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that the Principal of the said college vide email letter dated 25/11/2014 has informed that no admission made in MBBS course for the Academic Year 2014-15.

In view of above, the Committee decided that no further action is required to be taken in the matter of admitted students.

105. Admission of MBBS student at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that the authorities of said Institute i.e. Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh vide email letter dated 13/11/2014 has informed that the institute has admitted 100 admission only and no admission against increase of seats in pursuance of the Hon'ble Supreme Court of India judgment for the Academic Year 2014-15.

The Executive Committee of the Council further noted email dated 15.12.2014 received from the Director of Medical Education, Uttar Pradesh stating that there is no seat sharing between private medical colleges/deemed university (including Subharti Medical College, Meerut) and State Government.

In view of above, the Executive Committee of the Council decided that no action is required.

106. Admission of MBBS student at Institute of Medical Sciences & Research, Mayani, Satara, Maharashtra for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Institute of Medical Sciences & Research, Mayani, Satara, Maharashtra for the Academic Year 2014-15.

The Executive Committee of the Council observed that the list of students submitted by the Institute is not in the format prescribed by MCI and not the printout of the students entered through software duly signed. The Institute has not submitted the list of students provided by the DME as per Order of the Hon'ble Supreme Court and hence it appears that the students have not been admitted as per judgment of the Hon'ble Supreme Court but from the list of Pravesh Niyantaran Samiti or Association of Private Medical Colleges of Maharashtra.

The Executive Committee of the Council also perused legal opinion of the Law Officer of the Council which reads as under:

"The file of Monitoring Section in context of admission made by the applicant College for the academic year 2014-15 in MBBS on the strength of the Order dated 18.09.14 and 25.09.14 of the Hon'ble Supreme Court in WP (C) No. 469/2014 – Hind Charitable Trust vs. Union of India & Ors. has been referred for my opinion.

2. *The Institute has vide its letter dated 1.10.2014 forwarded the copy of Undertaking in which it states that it "is to be filed with Hon'ble Supreme Court alongwith list of admitted students with Government Medical College fees i.e. Rs. 53200/- in our Medical College for academic session 2014-15." Further, vide its letter dated 31.10.14 the College has submitted a list of students in which it has appended a note in which it is stated that admissions in the State of Maharashtra is made as the "Scheme for admission in Pvt. Medical and Dental Colleges in the State of Maharashtra approved amongst. State Govt., Association (AMUPMDC) and Parents' Association in the Hon'ble High Court in WP (C) No. 6332 of 2005." It is further stated that all the admissions in Medical and Dental Colleges in the state of Maharashtra are verified and regulated by Pravesh Niyantaran Samiti.*

3. *It is pertinent to mention that in terms of the Order dated 18.09.14 of the Hon'ble Supreme Court that the "State Authorities, i.e., the Directorate of Medical Education & Research of the respective States shall send students, in order of merit, to the medical colleges run by petitioners, which are situated within their States, within one week from the date of receipt of a copy of this order and the said*

students shall be admitted to the MBBS course in accordance with the rules and regulations of MCI and also regulations dated 16.04.2010 framed by the Medical Council of India, provided undertakings as mentioned above are filed on behalf of the concerned Institutions." The Order dated 25.09.14 further clarifies it wherein the Apex Court has categorically observed that:

5. In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18th September, 2014. The Management quota shall also be filled through the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.

4. In terms of the above, it is the DME, Maharashtra that had to provide the list of students to the College and admissions of only those students had to be made. On perusal of file, it is seen that Council had written on 21.10.14 to the DMER, Govt. of Maharashtra about the Apex Court Order and had sought information about the list of students that had been sent by to the colleges availing the benefit of the Apex Court Order.

5. Furthermore, Shri Gaurav Sharma, Standing Counsel of MCI in the Hon'ble Supreme Court vide his letter dated 14.10.14 had informed of the proceedings in the Hon'ble Supreme Court in the aforesaid matters. He has informed that the Hon'ble Court has directed the Council to initiate strict action, wherever the Council finds that admission have been made in violation of the above-mentioned orders dated 18.09.14 and 25.09.14. Further, he has mentioned that the Hon'ble Court was of the view that strict action be taken against the defaulting medical colleges and students admitted by them in violation of the Supreme Court orders shall be discharged.

6. The conduct of the College in admitting the students from the list of Competitive Examination held by the Association of Private Medical College in Maharashtra in my view violates the Order of the Hon'ble Apex Court, hence, the Council should proceed to issue discharge notice in respect of the students admitted by the College".

In view of above, the Executive Committee of the Council decided to direct the Institute i.e. Institute of Medical Sciences & Research, Mayani, Satara, Maharashtra to discharge all the students who have been admitted in contravention to the Order of Hon'ble Supreme Court and to submit compliance within 2 weeks.

107. Admission of MBBS student at Subharti Medical College, Meerut, Uttar Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Subharti Medical College, Meerut, Uttar Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that the Institute i.e. Subharti Medical College, Meerut, Uttar Pradesh vide letter dt. 25/11/2014 has informed that no admissions have been made by the college for the Academic Year 2014-15 in MBBS course pursuant to the Order of Hon 'ble Supreme Court. The Committee also perused the legal opinion of the Law Officer with regard to the original intake of 100 seats which reads as under:

"Both the issue center on the existence of consensual agreement for seat sharing between the State of UP and the Private Medical Colleges, and therefore it would be appropriate to seek such information from the State Govt. Hence, a letter to this effect may be sent in respect of all Private Medical Colleges of UP to the Govt. of UP to know their position/stand on the issue."

It was also observed by the Committee that as per legal opinion, a letter dated 10.12.2014 has been sent to DME, Uttar Pradesh, reply of which has been received vide email dated 15.12.2014 stating that there is no seat sharing between private medical colleges/deemed university (including Subharti Medical College, Meerut) and State Government.

In view of above, the Executive Committee of the Council decided that no action is required.

108. Admission of Ist Year MBBS students for the Academic Year 2014-15 and online filing of information relating to admission made at Gold Field Institute of Medical Sciences and Research, Faridabad, in MBBS course for the said academic session.

Read: the matter with regard to admission of Ist Year MBBS students for the Academic Year 2014-15 and online filing of information relating to admission made at Gold Field Institute of Medical Sciences and Research, Faridabad, in MBBS course for the said academic session.

The Executive Committee noted that vide Item # 8, it has already decided as under:

The Executive Committee of the Council further noted that the institute has admitted students for 2014-2015 pursuant to order of Hon'ble Supreme Court after filing two undertakings dated 27.09.2014 in the name of Krishan Lal Adlakha and Shashi Adlakha which state as under:

"..1. .I say that the deficiencies recorded by the Medical Council of India appointed assessors on 23rd and 24th April, 2014 in relation to our institute have been duly rectified and there exists no deficiency as on today in the medical college run by the Sanstha of the Respondent No.1

2. I say that if the above statement is found to be incorrect at the time of next inspection, the deposit of the institution with MCI shall stand forfeited.

In view of the above, it is amply evident that the institute has failed to rectify previous deficiencies which are still persisting.

The Executive Committee of the Council also perused the order of Hon'ble Apex Court dt. 18/09/2014 & 25/09/2014, the operative part of which reads as under:

"The relevant portion of the order dated 18.09.2014 passed in W.P. (C) No. 469/2014 by the Hon'ble Supreme Court is reproduced hereunder:-

" *Heard the learned senior counsel appearing for both the sides.*

Looking at the peculiar facts and circumstances of the case and, especially, when several seats for medical admission are likely to remain vacant for the academic year 2014-15, we are of the view that these matters require urgent consideration and we are giving these interim directions under the provisions of Article 142 of the Constitution of India.

There is one more reason for passing this interim order. We are conscious of the fact that number of physicians in our country is much less than what is required and because of non-renewal of recognition of several medical colleges, our citizens would be deprived of a good number of physicians and therefore, we are constrained to pass this order, whereby at least there would be some increase in the number of physicians after five years. We are running against time because the last date for giving admissions to MBBS Course for the academic year 2014-15 is 30th September, 2014.

We also desire to reconsider the directions given by this Court in the judgment of Priya Gupta v. State of Chhattisgarh [(2012) 7 SCC 433], but at this juncture, as we do not have sufficient time to decide all these petitions finally, we are passing this interim order and the matter with regard to reconsideration of the aforesaid judgment would be considered while finally disposing of this group of petitions.

It has been submitted on behalf of the learned senior counsel appearing for all the petitioners/ respondents, who are managing medical colleges, that the defects which had been recorded at the time of the last inspection by the representatives of the Medical Council of India have been duly rectified and at present, the defects pointed out in the reports do not exist. The said fact can be ascertained only by having a fresh Compliance Verification/Inspection. However, the stand taken by the Central Government and the Medical Council of India is to the effect that no such inspection can be undertaken in the present academic session because of paucity of time and it would violate the time schedule laid down by this Court in the case of Priya Gupta (supra).

The learned senior counsel appearing for the Medical Council of India has also submitted that the petitioners do not have any legal right for getting renewal of the recognition, especially in view of the fact that the Verification/Inspection Reports are not available for the period in question. The learned senior counsel has relied upon some of the Judgments to substantiate his case and according to him, it would not be just and proper to permit the said medical colleges to take fresh batch of students.

Looking at the peculiar facts of the case and the circumstances stated hereinabove, we direct the petitioners to file undertakings by President/Chairman and Secretary of the petitioners' institutions running medical colleges within 10 days from today, to the effect that there is no defect in the medical colleges run by them and they would also state that their deposit with the MCI, which is around Rs.10 Crores, be forfeited by way of penalty if the statement made in the undertaking is found to be incorrect at the time of the next inspection. A draft undertaking has been given to this Court. A copy of the undertaking, which might be filed by the institutions, shall be served upon the office of the Medical Council of India as well as to the Ministry of Health and Family Welfare, Govt. of India, New Delhi.

We also record the fact that in the recent past, the Medical Council of India has renewed recognition of Government Medical Colleges on the basis of undertakings and therefore, we see no reason not to permit the private colleges to admit students on the basis of undertakings given by their office bearer as a special case.

Notwithstanding any direction given in the case of Priya Gupta (supra), if undertakings as stated hereinabove are filed by the institutions managing medical colleges for the academic year 2014-15, admissions shall be given to the students from the merit list prepared by the States and they shall be charged fees prescribed by the Government Medical Colleges of their respective States. The State Authorities, i.e., the Directorate of Medical Education & Research, of the respective States shall send students, in order of their merit, to the medical colleges run by the petitioners, which are situated within their States, within one week from the date of receipt of a copy of this order and the said students shall be admitted to the MBBS Course in accordance with the rules and regulations of the MCI and also regulations dated 16.04.2010 framed by the Medical Council of India, provided undertakings as mentioned above are filed on behalf of the concerned institutions.

It is also clarified that there would be no further counseling in respect of the students who are to be given admission, even if it might result into some heartburning among other students, but in the peculiar facts of the case, we give this direction.

In no case, the admission shall be given after 30th September, 2014. This order shall also apply to all the institutions which had filed their petitions earlier for renewal of their recognition for the academic year 2014-15, but their petitions were rejected or withdrawn for whatever reason, provided undertakings as stated hereinabove are filed by President/Chairman and the Secretary of those institutions. All those petitions shall be deemed to have been revived and this order shall be deemed to have been passed in those cases also. This order shall only be in respect of renewal of recognition and not for creation of additional seats or for new colleges.

We also record that the Union of India has supported the petitioners in the interest of students. We also direct the Union of India to give wide publicity to this order in print as well as electronic media in the interest of the concerned students.

It is directed that the list of students getting admission in pursuance of this order shall be placed on record of this Court by 1st October, 2014 by the concerned institutions and a copy thereof shall also be sent to the MCI.

These matters shall be treated as part-heard and shall be notified for further hearing in the month of December, 2014."

The Hon'ble Supreme Court thereafter vide its order dated 25.09.2014 issued certain clarification in respect to the order dated 18.09.2014 in W.P. (C) No. 469/2014, which are reproduced hereunder:-

"After hearing the learned counsel for the parties we deem it appropriate to issue following clarifications with regard to our earlier order dated 18th September, 2014. These clarifications shall be read into the said order as if they were always part thereof:-

1. The order dated 18th September, 2014 shall also apply to cases where colleges or institutions were seeking increase in intake capacity and in the current year have been denied permission to admit students after first or second or third or fourth renewal/inspection. In our view such institutions where Renewal/Inspection with respect to increase in capacity were conducted in the present academic year are also entitled to the benefit under the order dated 18th September, 2014.

2. We also clarify that fees chargeable from the students admitted pursuant to our order dated 18th September, 2014 shall be at the same rates as applicable to the students in Government medical colleges in respective States and such fees shall be at the same levels as that of the Government medical colleges till the students so admitted pass out from the private medical colleges or institutions.

3. Our order shall also apply to all similarly situated institutions irrespective of the fact whether any petitions were or are pending in this Court or in any of the High Courts or even if they had not approached any court at all. This order shall also apply even in cases where there were orders of stay in favour of the Medical Council of India restraining the colleges from admitting students for the current academic session.

4. The order shall not apply to colleges or institutions which have been disqualified by the Medical Council of India and/or the Central Government and have been prohibited from making any admissions for the current academic year 2014-15.

5. In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18th September, 2014. The Management quota shall also be filled through the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.

6. We further clarify that private institutions taking benefit under our order dated 18th September, 2014 shall have to take students only from the State agencies and at fees chargeable for students in Government medical colleges as stated above, regardless of their status or claim as Minority Institutions or Deemed Universities."

In view of above, the members of the Executive Committee further decided to revoke the Bank Guarantees submitted by the Institute and directed the Institute to submit fresh bank guarantees within 2 weeks. .

In the matter of students admitted for Academic Year 2014-15, the Executive Committee of the Council observed that vide letter dt. 13/11/2014, the institute i.e. Gold Field Institute of Medical Sciences and Research, Faridabad has submitted that all the admissions have been made from the DME list (Selection List – I, Selection List – II and Common Waiting List) and the fee receipt has been submitted by the college. Rupees 60,220/- (Sixty Thousand Two Hundred Twenty Rupees) is being charged from the students.

In view of above, the Executive Committee of the Council decided that no further action is required to be taken in the matter of admitted students.

109. Admission of MBBS student at K.S. Hegde Medical Academy, Mangalore for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at K.S. Hegde Medical Academy, Mangalore for the Academic Year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting till the clarification regarding consensual agreement is received from the State Govt. of Karnataka.

110. Admission of MBBS student at Sri Aurobindo Medical College and Post Graduate Institute, Indore, Madhya Pradesh and for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Sri Aurobindo Medical College and Post Graduate Institute, Indore, Madhya Pradesh and for the Academic Year 2014-15.

The Executive Committee of the Council observed that as per the letter dt. 13/11/2014, the Institute i.e. Sri Aurobindo Medical College and Post Graduate

Institute, Indore, Madhya Pradesh has stated that 50 admissions have been made through DME List and the fee receipt, allotment letter has also been received. The fee of Rs. 38,500/- (Thirty Eight Thousand Five Hundred Rupees Only).

In view of above, the Executive Committee of the Council decided that no further action is required to be taken in the matter of admitted students.

111. Admission of MBBS student at Mahatma Gandhi Missions Medical College, Navi Mumbai, Maharashtra for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Mahatma Gandhi Missions Medical College, Navi Mumbai, Maharashtra for the Academic Year 2014-15.

The Executive Committee of the Council perused the legal opinion of the Law Officer of the Council which reads as under:

“The file of Mahatma Gandhi Missions Medical College, Mumbai of the Monitoring Cell has been referred for my opinion. The issue identified for my opinion is as to the 50 admissions made by the College on basis of Court Order.

The Order under reference in the Judgment/Order dated 18/09/2014 of the Hon’ble High Court of Bombay in WP No. 6807 of 2014. The said order is kept on file.

In pursuance of this Order, the Central Govt. had vide its letter dated 29/09/2014, annexed with letter dated 30/09/2014 of the College kept on file had admitted the 50 students in MBBS course that are in question the College on the strength of grant of LOP by the Central Government has admitted these 50 and in my view is well within its right to admit these students.”

The Executive Committee of the Council further observed that following two students did not have the required percentage in Physics Chemistry and Biology:-

S.No	Name of Student	Date of Birth	Category	Sub-category	Physically Handicapped	Marks Obtained 10+2(PCB)	Maximum Marks 10+2(PCB)	PCB Percentage	Marks Obtained 10+2(Eng)	Maximum Marks 10+2(Eng)	English Percentage	Entrance Exam Name	Marks Obtained in Entrance Exam	Maximum Marks in Entrance Exam	Entrance Exam Percentage	Admission Date
1	YADAV ADITYA RAJRSH	28/04/1997	Merit	Gen	No	149	300	49.67	61	100	61.00	MGM CET 2014	171	200	85.50	30/07/2014
2	SNEHA SUNIL	29/07/1996	Merit	Gen	No	131	300	43.67	78	100	78.00	MGM CET 2014	167	200	83.50	30/07/2014

In view above, the Executive Committee of the Council decided to direct the Institute i.e. Mahatma Gandhi Missions Medical College, Navi Mumbai, Maharashtra to discharge above two (2) students who have been admitted contrary to provisions of Graduate Medical Education Regulation 5(ii) and submit compliance within 2 weeks.

112. Admission of MBBS student at Career Institute of Medical Sciences, Sitapur, Lucknow, Uttar Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Career Institute of Medical Sciences, Sitapur, Lucknow, Uttar Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that the authorities of said Institute i.e. Career Institute of Medical Sciences, Sitapur, Lucknow, Uttar Pradesh vide email letter dated 13.11.2014 has informed that the Institute has not admitted any student in MBBS course for the Academic Year 2014-15.

In view of above, the Executive Committee of the Council decided that no further action is required to be taken in the matter.

113. Admission of MBBS student at Dr. V.R. K. Women's Medical College, Aziznagar(V), Andhra Pradesh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Dr. V.R. K. Women's Medical College, Aziznagar(V), Andhra Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council observed that the Institute i.e. Dr. V.R. K. Women's Medical College, Aziznagar(V), Andhra Pradesh vide its letter dt. 13/11/2014 has stated that admissions are not made for the Academic Year 2014-15.

In view of above, the Executive Committee of the Council decided that no further action is required to be taken in the matter.

114. Admission of MBBS student at Malabar Medical College & Research Centre, Kozhikode, Kerala for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Malabar Medical College & Research Centre, Kozhikode, Kerala for the Academic Year 2014-15.

The Executive Committee of the Council noted that 146 students had reported for admission upto 30/09/2014 7:00 p.m. and as per following clarification submitted by the college authorities vide letter dated 15.10.2014:-

....Four (4) vacant seats were filled by spot admission admitting eligible students from the merit list prepared by the State Govt. with the same tuition fees (i.e. 25000/- Rupees Twenty five thousand only)

The following supportive documents are enclosed herewith:

- (1) *Copy of the allotment list issued by Commissioner for Entrance Commissioner.*
- (2) *Copy of the Agreement between Govt. of Kerala and Malabar Medical College.*
- (3) *Copy of community certificates for SC/ST/OEC students*
- (4) *Copy of the Hon'ble Supreme Court order W.P. (C) 469/2014.*

....."

In view of above, the Executive Committee of the Council decided that confirmation on the above may be sought from the DME, Kerala and the consideration of the item be deferred till then.

115. Admission of Ist year MBBS student at Madha Medical College & Research Institute, Chennai, Tamil Nadu for the Academic Year 2014-15.

Read: the matter with regard to admission of Ist year MBBS student at Madha Medical College & Research Institute, Chennai, Tamil Nadu for the Academic Year 2014-15.

The Executive Committee of the Council observed that the Institute i.e. Madha Medical College & Research Institute, Chennai, Tamil Nadu vide its letter dt. 14/11/2014 has stated that admissions are not made for the year 2014-15.

In view of above, the Executive Committee of the Council decided that no further action is required to be taken in the matter.

116. Clarification regarding cut-off date to be considered for Recognition of Equated Teaching designation of the consultants/specialists working in VMMC & S J hospital and PGIMER Dr. RML Hospital, affiliated with GGSIP University.

119. Admission of MBBS student at MGM Medical College, Jamshedpur, Jharkhand for the Academic Year 2014-15.

Read: To consider the matter with regard to Admission of MBBS student at MGM Medical College, Jamshedpur, Jharkhand for the Academic Year 2014-15.

The Executive Committee of the Council perused the opinion of Law Officer on the file of Patliputra Medical College, Dhanbad which reads as under:

"The file of Monitoring Cell of Patliputra Medical College, Jharkhand for Academic Year 2014-15 of MBBS admissions has been placed for my opinion on the issue of admission made by the College by the said Government Medical College on the basis of order passed in WP No. 4319 of 2014 and connected matters by the Hon'ble High Court of Jharkhand.

In this regard, I recall that on the file of Undergraduate Section of the College my opinion has already been sought and a communication has been made to the Central Government on 03/12/2014 by the Council, in respect of Rajendra Institute of Medical Sciences, Ranchi, Patliputra Medical College, Jharkhand, Mahatama Gandhi Medical College, Jamshedpur. Copy of the aforesaid letter is annexed herewith.

The admissions made in these Government Medical Colleges in the State of Jharkhand are in compliance of the order dated 29/08/2014 of the Hon'ble High Court of Jharkhand. Further, the Appeal preferred by the Council against the said judgment/order has not been stayed by the Hon'ble Supreme Court. Hence, in my view these admissions in the above named three Government Medical College in the State of Jharkhand are required to be accepted."

In view of above, the Executive Committee of the Council decided that no further action is required to be taken till the SLP filed by the Council is finally disposed off by Hon'ble Supreme Court.

120. Admission of MBBS student at Rajendra Institute of Medical Sciences, Ranchi for the Academic Year 2014-15.

122. Admission of Ist year MBBS student at Indian Institute of Medical Sciences and Research, Jalna, Maharashtra for the Academic Year 2014-15.

Read: the matter with regard to admission of Ist year MBBS student at Indian Institute of Medical Sciences and Research, Jalna, Maharashtra for the Academic Year 2014-15.

The Executive Committee of the Council observed from the letter of the college dt. 13/11/2014 that the college has admitted 99 students from the list provided by DME, as per Hon'ble Supreme Court of India and one candidate has admitted on vacant seat from the State quota list namely Shaikh Reemariyaheen Abdulhafeez. No record has been submitted by the college authorities and is also not included in the DME list.

In view of above, the Executive Committee of the Council decided to direct the Institute i.e. Indian Institute of Medical Sciences and Research, Jalna, Maharashtra to discharge the candidate by the institute on its own, namely Shaikh Reemariyaheen Abdulhafeez and submit compliance within 2 weeks.

123. Admission of MBBS student at Chintpurni Medical College, Gurudaspur, Punjab for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Chintpurni Medical College, Gurudaspur, Punjab for the Academic Year 2014-15.

The Executive Committee of the Council observed that 101 admissions made under Government quota as per the list submitted by the Institute i.e. Chintpurni Medical College, Gurudaspur, Punjab. However, on perusal of the records, it was noted that the DME, Govt. of Punjab had submitted a list of 98 students for admission to MBBS course at Chintpurni Medical College, Gurudaspur, Punjab out of which the institute had admitted only 93 students. The remaining 08 students have been admitted by the Institute from the AIPMT list which is as under:-

Sl.No.	Name of student	Merit No.
1.	Bhushan Sharma	148
2.	Arun Sharma	180
3.	Pushtinder Singh	197
4.	Shivani	706
5.	Piyush Bindal	762
6.	Yashi Gupta	1162
7.	Yukta Sharma	1299
8.	Harmanpreet Singh	1366

In view of above, the Executive Committee of the Council decided to direct the institution to discharge 08 students mentioned above who have been admitted contrary to Hon'ble Supreme Court Order dated 18/09/2014 and 25.09.2014 and to submit compliance within 2 weeks.

124. Admission of MBBS student at Chennai Medical College Hospital and Research Centre, Trichy, Tamil Nadu for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Chennai Medical College Hospital and Research Centre, Trichy, Tamil Nadu for the Academic Year 2014-15.

The Executive Committee of the Council observed that 120 admissions have been made from the list provided by the DME out of 150 students. The admission slip and allotment order has also been received. The fees of Rs. 12, 290/- for OC/BC/BCM/MBC and Rs. 10,290/- for SC/SCA/ST is charged.

In view of above, the Executive Committee of the Council noted that clarification from the Director of Medical Education, Chennai has been received stating that there is no entrance examination conducted by the State Govt. for the purpose of selection of MBBS/BDS courses since 2007-08 and the legal opinion on this issue that all admissions in the State of Tamilnadu are made on the basis of 10+2 marks which is as per law enacted by the State Government and has been accepted by the Council since last several years.

The Executive Committee of the Council further noted that out of 150 candidates allotted by DME, Chennai to Chennai Medical College Hospital and Research Centre, Trichy, Tamil Nadu, 118 candidates had joined and 32 candidates had not joined.

In view of above, the Executive Committee of the Council decided that no further action was required to be taken.

125. List of Students admitted in MBBS Course for the Academic Year 2014-15 at ACS Medical College & Hospital, Chennai.

Read: the matter with regard to List of Students admitted in MBBS Course for the Academic Year 2014-15 at ACS Medical College & Hospital, Chennai.

The Executive Committee noted the communications of the institute dated 07.10.2014, 28.10.2014 and 20.11.2014. The Executive Committee of the Council also considered the orders dated 18.09.2014 and 25.09.2014 passed by the Hon'ble Supreme Court in WP (C) No. 469 / 2014 of Hind Charitable Trust Shekhar Hospital Pvt. Ltd. Vs. UOI & Ors and other connected matters. The Hon'ble Supreme Court had passed the above orders as an interim measure under Article 142 of the Constitution of India to give benefit to the meritorious students of the Government wait list as well as the medical college who had applied for renewal of permission, however had been denied renewal of permission on the ground of various deficiencies.

In the case of ACS Medical College and Hospital, the medical college had neither applied nor was considered for renewal of permission for the academic year 2014-15, therefore there is no occasion for the college to seek any benefit under the orders dated 18.09.2014 and 25.09.2014 passed by the Hon'ble Supreme Court.

In view of the above, the Executive Committee of the Council decided that no approval can be granted in the case of the medical college for the academic year 2014-15 and that too after the last date for the Council to send its recommendation to the Central Government i.e. 15.06.2014.

In any case, if the institute has made any admission in the medical college for the academic year 2014-15, they are directed to discharge the students admitted immediately.

126. Admission of MBBS student at Sri Muthukumaran Medical College, Chennai, Tamilnadu for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Sri Muthukumaran Medical College, Chennai, Tamilnadu for the Academic Year 2014-15.

The Executive Committee of the Council observed that reply to email of the Council requesting for certain information is still awaited.

In view of above, the Executive Committee of the Council decided to give last opportunity to the Institute i.e. Sri Muthukumaran Medical College, Chennai, Tamilnadu and the DME, Chennai and further directed the office to intimate the Institute to submit the requisite information within one (1) week failing which necessary action would be taken by the Council.

127. Admission of MBBS student at Lord Buddha Koshi Medical College & Hospital, Saharsa, Bihar for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Lord Buddha Koshi Medical College & Hospital, Saharsa, Bihar for the Academic Year 2014-15.

The Executive Committee of the Council perused the legal opinion of the Law officer of the Council which reads as under:

“The file of Monitoring Cell of Lord Buddha Koshi Medical College & Hospital, Saharsa, Bihar for Academic Year 2014-15 of MBBS admissions has been placed for my opinion on the issue of admission made by it for the Academic Year 2014-15 pursuant to the Order dated 18/09/2014 and 25/09/2014 in Hind Charitable Trust and connected matters. As per this order, the college was required to admit students from the list prepared by the Director Medical Education, Govt. of Bihar within the cutoff date of 30/09/2014. The college in its reply has stated that the list was furnished only on 01/10/2014 by the DME. This was because of “Lathicharge” by Police in the Counseling on 30/09/2014. Therefore the college contends that it had to admit students on the basis of merit of BCECE/AIPMT so as not to violate the order of Hon’ble Supreme Court of admitting the students within the cutoff dated of 30/09/2014. It has sought that this may be accepted and the College should not be penalized as only 19 admissions have been made by it on the basis of merit from the BCECE/AIPMT List.

The admission in the said medical college is in my view is in violation of the Apex Court order dated 18/09/2014 and 25/09/2014 as admissions have not been made from the list furnished by the DME and has been made unilaterally by the college by taking shelter under the order of Hon’ble Supreme Court relating to cutoff date of 30/09/2014. Hence, the College may be asked to discharge the 19 students admitted by it forthwith.”

In view of above, the Executive Committee of the Council decided to ask the Institute i.e. Lord Buddha Koshi Medical College & Hospital, Saharsa, Bihar to discharge the following 19 students admitted by it in contravention of the orders of Hon’ble Supreme Court and to submit compliance within 2 weeks.

Sl.No.	Student name	Father's name	Admission Date
1.	Rochak Gupta	O.P. Gupta	29.09.2014
2.	Nilu Bharti	Suresh Kr. Modi	28.09.2014
3.	Akram Jawed	Anisur Rahman	30.09.2014
4.	Ali Khursheed	Khursheed Aziz	30.09.2014
5.	Vishwas Tripathi	Naresh Chandra Tripathi	30.09.2014

Read: the matter with regard to Admission of MBBS student at Medicity Institute of Medical Sciences, Ghanpur, Andhra Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting and directed the office to club all such similar matters of the State of Andhra Pradesh.

129. Admission of MBBS student at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha, Maharashtra for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha, Maharashtra for the Academic Year 2014-15.

The Executive Committee of the Council observed that out of 65 admitted students, one student, namely Surendra Kumar has obtained less than passing marks (i.e. 25) in English which is contrary to Section 5 (ii) of Graduate Medical Education Regulations, 1997.

In view of above, the Executive Committee of the Council decided to direct the Institute i.e. Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha, Maharashtra to discharge abovementioned one (1) student, namely Surendra Kumar who is not eligible in terms of Section 5 (ii) of Graduate Medical Education Regulations, 1997 and to submit compliance within 2 weeks.

130. Admission of MBBS student at National Institute of Medical Sciences & Research, Jaipur, Rajasthan for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at National Institute of Medical Sciences & Research, Jaipur, Rajasthan for the Academic Year 2014-15.

The Executive Committee of the Council observed that the Institute has not admitted any student on the increased intake as per Hon'ble Supreme Court order. It was further observed that the marks in English of 100 students admitted under its recognized intake have not been shown in the list of admitted students.

In view of above, the Executive Committee of the Council decided to give last opportunity to the Institute i.e. National Institute of Medical Sciences & Research, Jaipur, Rajasthan and directed the office to intimate the Institute to submit the requisite information within one (1) week failing which necessary action would be taken by the Council.

131. Admission of MBBS student at Al-Ameen Medical College, Bijapur for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Al-Ameen Medical College, Bijapur for the Academic Year 2014-15.

The Executive Committee of the Council observed that 50 admissions on the increased intake have been made against increase of seats in pursuance of the Hon'ble Supreme Court of India judgment for the Academic Year 2014-15 from DME List.

It was further observed by the Committee that the marks in English of either 100 students admitted under its recognized intake or 50 students admitted from DME list have not been shown in the list of admitted students.

In view of above, the Executive Committee of the Council decided to give last opportunity to the Institute i.e. Al-Ameen Medical College, Bijapur and directed the office to intimate the Institute to submit the requisite information within one (1) week failing which necessary action would be taken by the Council.

135. Admission of MBBS student at Yenepoya Medical College, Mangalore for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Yenepoya Medical College, Mangalore for the Academic Year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting till the clarification regarding consensual agreement is received from the State Govt. of Karnataka.

However, with regard to NRI students admitted without entrance examination the Executive Committee of the Council noted the opinion of Addl. Solicitor General which reads as under:-

“The Hon’ble Supreme Court in P.A. Inamdar’s case in Para 131(2005) 6 SCC 537 has held as under:

“A limited reservation of such seats, not exceeding 15% in our opinion, may be made available to NRIs depending on the discretion of the management

subject to two conditions. First, such seats should be utilized bona fide by NRIs only and for their children or wards. Secondly, within this quota, merit should not be given a complete go-by.

A reading of the aforesaid would show that the Hon'ble Supreme Court has stressed that even within the NRI quota, merit should not be given a complete go-by.

Regulation 5(ii) of the 1997 Regulation also stipulates that in States having more than one University/Board/Examining Body, a competitive entrance examination should be held so as to achieve a uniform evaluation for the reason that there should be variation of standards at qualifying examinations conducted by different agencies.

NRI students apply to individual medical colleges in different States. These students can be from more than one country and therefore, necessarily would have taken qualifying examinations from different Boards/examining bodies. It is, therefore, essential to have a uniform evaluation of their academic ability- marks so as to make a proper merit list. I am of the opinion, therefore, that the principle embodied in Regulation 5(ii) will also be attracted to admissions being made in the NRI category.

In my opinion, the Medical Council of India would be within its right to tailor an entrance test for NRI students so as to evaluate their inter-se merit in order to enable them to exercise preference for admissions to the various medical colleges. Since NRI students are normally making applications on Statewise basis, it may even be feasible to have the test individually for each State so that there can be a common merit list for NRI students who apply to that particular State."

The Executive Committee of the Council decided to accept the above opinion of the Ld. ASG and decided that wide publicity may be given by sending the circular in this regard to all the State Govts./DMEs./Universities/Colleges and to the Govt. of India. The circular may also be placed on the website of the Council. This will be applicable from the academic year 2015-16 and all State Govts. should be instructed to strictly implement it.

136. Admission of 1st year MBBS student at Katuri Medical college & Hospital, Guntur, Andhra Pradesh for the Academic Year 2014-15.

Read: the matter with regard to Admission of 1st year MBBS student at Katuri Medical college & Hospital, Guntur, Andhra Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for the next meeting and directed the office to club all such similar matters of the State of Andhra Pradesh.

137. Admission of MBBS student at Sardar Rajas Medical College Hospital Research Centre, Jaring Kalahandi Odisha for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Sardar Rajas Medical College Hospital Research Centre, Jaring Kalahandi Odisha for the Academic Year 2014-15.

The Executive Committee of the Council observed that the fee being charged from the students admitted by DME is 4,25,000/-. It is further stated by the institute that it is as per recommendation of Fee Structure Committee and as fixed by the Govt. of Odisha.

The Executive Committee of the Council also perused the letter from DME, Govt. of Odisha dt. 09/12/2014 in which it is stated as under:

"As regards fee structure, since long Govt. have fixed a sum of Rs. 4.25 lakh for private Medical colleges of the State recommended by the Fee Structure Committee in pursuance to the judgment of Hon'ble Apex Court in case of P.A. Inamdar v/s Union of India & others. However after the orders of Hon'ble Apex Court dt. 25/09/2014 passed in I.A. No. 4 & 5 in WP © No. 469 of 2014, the matter is being moved to Govt. for a decision regarding fees of Sardar rajas MCH & RC."

The Executive Committee of the Council also perused the Order of Hon'ble Apex Court dt. 25/09/2014 in this regard which is as under:

"The Hon'ble Supreme Court thereafter vide its order dated 25.09.2014 issued certain clarification in respect to the order dated 18.09.2014 in W.P. (C) No. 469/2014, which are reproduced hereunder:-

"After hearing the learned counsel for the parties we deem it appropriate to issue following clarifications with regard to our earlier order dated 18th September, 2014. These clarifications shall be read into the said order as if they were always part thereof:-

1. The order dated 18th September, 2014 shall also apply to cases where colleges or institutions were seeking increase in intake capacity and in the current year have been denied permission to admit students after first or second or third or fourth renewal/inspection. In our view such institutions where Renewal/Inspection with respect to increase in capacity were conducted in the present academic year are also entitled to the benefit under the order dated 18th September, 2014.

2. We also clarify that fees chargeable from the students admitted pursuant to our order dated 18th September, 2014 shall be at the same rates as applicable to the students in Government medical colleges in respective States and such fees shall be at the same levels as that of the Government medical colleges till the students so admitted pass out from the private medical colleges or institutions.

3. Our order shall also apply to all similarly situated institutions irrespective of the fact whether any petitions were or are pending in this Court or in any of the High Courts or even if they had not approached any court at all. This order shall also apply even in cases where there were orders of stay in favour of the Medical Council of India restraining the colleges from admitting students for the current academic session.

4. The order shall not apply to colleges or institutions which have been disqualified by the Medical Council of India and/or the Central Government and have been prohibited from making any admissions for the current academic year 2014-15.

5. In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18th September, 2014. The Management quota shall also be filled through the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.

6. We further clarify that private institutions taking benefit under our order dated 18th September, 2014 shall have to take students only from the State agencies and at fees chargeable for students in Government medical colleges as stated above, regardless of their status or claim as Minority Institutions or Deemed Universities."

After detailed deliberations, the Executive Committee of the Council decided as under:

- (1) There is no scope for any decision for any State Govt. regarding the fees to be charged from the students who are admitted pursuant to this order of Hon'ble Supreme Court;
- (2) The DME, Govt. of Odisha be informed about this position and also be requested to inform the fee being charged by Govt. of Odisha to students admitted in Govt. colleges;

- (3) The institute be directed to refund the balance amount fees – i.e. difference the fee collected by them and the fee charged by Govt. of Odisha to students admitted in Govt. medical colleges – within 2 weeks and submit compliance;
- (4) The matter be placed before Hon'ble Supreme Court through Council Advocate.

138. NOC for undergoing Compulsory rotating internship training for 10 months in Keck School of Medicine, University of Southern California United States of America in respect of Mr. Vinay Paul Goswamy.

139. Admission of MBBS student at Mayo Institute of Medical Sciences, Gombi Nagar, Lucknow, Uttar Pradesh for the Academic Year 2014-15.

Read: the matter with regard to Admission of MBBS student at Mayo Institute of Medical Sciences, Gombi Nagar, Lucknow, Uttar Pradesh for the Academic Year 2014-15.

The Executive Committee of the Council perused the order of the Hon'ble Supreme Court dated 18.09.2014 and 25.09.2014 which read as under:-

The Hon'ble Supreme Court in the matter of W.P. (C) No. 469/2014 – Hind Charitable Trust Shekhar Hospital Pvt. Ltd. Vs. UOI & Ors. and other connected matters, while hearing the petitions of the various medical colleges for grant of permission / renewal of permission for admitting fresh batch of MBBS students for the academic year 2014-15, as an interim measure, under Article 142 of the Constitution of India, was pleased to pass the following order on 18.09.2014:-

“.....Heard the learned senior counsel appearing for both the sides.

Looking at the peculiar facts and circumstances of the case and, especially, when several seats for medical admission are likely to remain vacant for the academic year 2014-15, we are of the view that these matters require urgent consideration and we are giving these interim directions under the provisions of Article 142 of the Constitution of India.

There is one more reason for passing this interim order. We are conscious of the fact that number of physicians in our country is much less than what is required and because of non-renewal of recognition of several medical colleges, our citizens would be deprived of a good number of physicians and therefore, we are constrained to pass this order, whereby at least there would be some increase in the number of physicians after five years. We are running against time because the last date for giving admissions to MBBS Course for the academic year 2014-15 is 30th September, 2014.

We also desire to reconsider the directions given by this Court in the judgment of Priya Gupta v. State of Chhattisgarh [(2012) 7 SCC 433], but at this juncture, as we do not have sufficient time to decide all these petitions finally, we are passing this interim order and the matter with regard to reconsideration of the aforesaid judgment would be considered while finally disposing of this group of petitions.

It has been submitted on behalf of the learned senior counsel appearing for all the petitioners/ respondents, who are managing medical colleges, that the defects which had been recorded at the time of the last inspection by the representatives of the Medical Council of India have been duly rectified and at present, the defects pointed out in the reports do not exist. The said fact can be ascertained only by having a fresh Compliance Verification/Inspection. However, the stand taken by the Central Government and the Medical Council of India is to the effect that no such inspection can be undertaken in the present academic session because of paucity of time and it would violate the time schedule laid down by this Court in the case of Priya Gupta(supra).

The learned senior counsel appearing for the Medical Council of India has also submitted that the petitioners do not have any legal right for getting renewal of the recognition, especially in view of the fact that the Verification/Inspection Reports are not available for the period in question. The learned senior counsel has relied upon some of the Judgments to substantiate his case and according to him, it would not be just and proper to permit the said medical colleges to take fresh batch of students.

Looking at the peculiar facts of the case and the circumstances stated hereinabove, we direct the petitioners to file undertakings by President/Chairman and Secretary of the petitioners' institutions running medical colleges within 10 days from today, to the effect that there is no defect in the medical colleges run by them and they would also state that their deposit with the MCI, which is around Rs.10 crores, be forfeited by way of penalty if the statement made in the undertaking is found to be incorrect at the time of the next inspection. A draft undertaking has been given to this Court. A copy of the undertaking, which might be filed by the institutions, shall be served upon the office of the Medical Council of India as well as to the Ministry of Health and Family Welfare, Govt. of India, New Delhi.

We also record the fact that in the recent past, the Medical Council of India has renewed recognition of Government Medical Colleges on the basis of undertakings and therefore, we see no reason not to permit the private colleges to admit students on the basis of undertakings given by their office bearer as a special case.

Notwithstanding any direction given in the case of Priya Gupta (supra), if undertakings as stated hereinabove are filed by the institutions managing medical colleges for the academic year 2014-15, admissions shall be given to the students from the merit list prepared by the States and they shall be charged fees prescribed by the Government Medical Colleges of their respective States. The State Authorities, i.e., the Directorate of Medical Education & Research, of the respective States shall send students, in order of their merit, to the medical colleges run by the petitioners, which are situated within their States, within one week from the date of receipt of a copy of this order and the said students shall be admitted to the MBBS Course in accordance with the rules and regulations of the MCI and also regulations dated 16.04.2010 framed by the Medical Council of India, provided undertakings as mentioned above are filed on behalf of the concerned institutions.

It is also clarified that there would be no further counselling in respect of the students who are to be given admission, even if it might result into some heart burning among other students, but in the peculiar facts of the case, we give this direction.

In no case, the admission shall be given after 30th September, 2014. This order shall also apply to all the institutions which had filed their petitions earlier for renewal of their recognition for the academic year 2014-15, but their petitions were rejected or withdrawn for whatever reason, provided undertakings as stated hereinabove are filed by President/Chairman and the Secretary of those institutions. All those petitions shall be deemed to have been revived and this order shall be deemed to have been passed in those cases also. This order shall only be in respect of renewal of recognition and not for creation of additional seats or for new colleges.

We also record that the Union of India has supported the petitioners in the interest of students. We also direct the Union of India to give wide publicity to this order in print as well as electronic media in the interest of the concerned students.

It is directed that the list of students getting admission in pursuance of this order shall be placed on record of this Court by 1st October, 2014 by the concerned institutions and a copy thereof shall also be sent to the MCI.

These matters shall be treated as part-heard and shall be notified for further hearing in the month of December, 2014.....”

In the aforementioned matter, the Hon'ble Supreme Court, after hearing the parties, vide its order dated 25.09.2014, was pleased to pass the following clarifications:-

“.....After hearing the learned counsel for the parties we deem it appropriate to issue following clarifications with regard to our earlier order dated 18th September, 2014. These clarifications shall be read into the said order as if they were always part thereof : -

1. The order dated 18th September, 2014 shall also apply to cases where colleges or institutions were seeking increase in intake capacity and in the current year have been denied permission to admit students after first or second or third or forth renewal/inspection. In our view such institutions where Renewal/Inspection with respect to increase in capacity were conducted in the present academic year are also entitled to the benefit under the order dated 18th September, 2014.

2. We also clarify that fees chargeable from the students admitted pursuant to our order dated 18th September, 2014 shall be at the same rates as applicable to the students in Government medical colleges in respective States and such fees shall be at the same levels as that of the Government medical colleges till the students so admitted pass out from the private medical colleges or institutions.

3. Our order shall also apply to all similarly situated institutions irrespective of the fact whether any petitions were or are pending in this Court or in any of the High Courts or even if they had not approached any court at all. This order shall also apply even in cases where there were orders of stay in favour of the Medical Council of India restraining the colleges from admitting students for the current academic session.

4. The order shall not apply to colleges or institutions which have been disqualified by the Medical Council of India and/or the Central Government and have been prohibited from making any admissions for the current academic year 2014-15.

5. *In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18th September, 2014. The Management quota shall also be filled through the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.*

6. *We further clarify that private institutions taking benefit under our order dated 18th September, 2014 shall have to take students only from the State agencies and at fees chargeable for students in Government medical colleges as stated above, regardless of their status or claim as Minority Institutions or Deemed Universities....."*

The above orders of the Hon'ble Supreme Court were passed in order to give benefit to the meritorious students of the Govt. waitlist, as well as to the medical colleges who were denied renewal of permission on the ground of various deficiencies. The Hon'ble Supreme Court has categorically held that all the admissions have to be made in order of merit and on the basis of the lists provided by the State Authorities i.e. the Directorate of Medical Research & Education of the respective State.

The Hon'ble Supreme Court has also directed that all the medical colleges which may avail the benefit the orders dated 18.09.2014 & 25.09.2014, shall submit an undertaking to the Hon'ble Court, within 10 days and submit the lists of students admitted in the medical colleges by 01.10.2014 with a copy of the same to the MCI and the Central Govt.

The list of students admitted in the said medical college, as submitted by the institute vide letters dated 01.10.2014 and 21.10.2014, were considered by the Council and in this regard a clarification was also sought from Director General of Medical Education & Training, Lucknow, Uttar Pradesh vide communication dated 21.10.2014, 29.10.2014 and subsequent letter dated 12.11.2014 regarding the admissions made in the medical college.

The Director General of Medical Education & Training, Lucknow, Uttar Pradesh vide his fax dated 21.11.2014 with regard to the admission made by your college in MBBS course for the Academic Year 2014-15, has informed as under:-

“.

“..... a) *Counseling was not conducted for admission of the students in Mayo Institute of Medical Sciences, Lucknow, Faizabad Road, Gadia, Barabanki by DGME, UP.*

b) *The specific list of 147 students as provided by the Dean, Mayo Institute of Medical Sciences was prepared by the Institute itself and has not been prepared at this end.*

c) *The office of the D.G.M.E. has not made any admission in Mayo Institute of Medical Sciences, Barabanki....."*

The matter was considered by the Executive Committee of the Council wherein it was observed that the admission made by the medical college, in MBBS course for, the Academic Year 2014-15, is in clear violation of the orders dated 18.09.2014 & 25.09.2014 passed by the Hon'ble Supreme Court, since the admissions made by the college are neither from the lists provided by the Director General of Medical Education & Training, Lucknow, Uttar Pradesh nor are in accordance with the order

of merit from the waiting list, as has been directed by the Hon'ble Supreme Court of India.

Since the admissions in the medical college in MBBS course for the academic session 2014-15, are in clear violation of the directions of the Hon'ble Supreme Court, hence the Executive Committee has decided to direct the institute to discharge all these students who have been admitted diluting the merit, with immediate effect and send compliance within 07(Seven) days for further necessary action in the matter.

Compliance of this discharge order be submitted within a period of 07(Seven) days failing which the Council shall proceed against the Institution in accordance with the provisions of IMC Act, 1956 and the Regulations framed there under.

140. Approval of the Minutes of the meeting of Administration & Grievance Committee with regard to consideration of up-gradation of grade pay/Pay band of the officials of the Council in terms of their qualifying services as per the Office Memorandum issued by DOPT & Ministry of Finance etc.

Read: the matter with regard to approval of the Minutes of the meeting of Administration & Grievance Committee with regard to consideration of up-gradation of grade pay/Pay band of the officials of the Council in terms of their qualifying services as per the Office Memorandum issued by DOPT & Ministry of Finance etc.

The Executive Committee of the Council approved of the minutes of the meeting of Administration & Grievance Committee with regard to consideration of up-gradation of grade pay/Pay band of the officials of the Council in terms of their qualifying services as per the Office Memorandum issued by DOPT & Ministry of Finance.. However, no arrears would be given.

141. Review of suspension of Dr. Davinder Kumar, Joint Secretary, (under suspension) – Constitution of Review Committee.

Read: the matter with regard to Review of suspension of Dr. Davinder Kumar, Joint Secretary, (under suspension).

The Executive Committee of the Council noted that a Committee comprising of President, MCI, Dr. C.V. Bhirmanandham, Vice President, Dr. G.B. Gupta and Dr. Kakollu Venkatesh was constituted by the President for considering the extension of suspension of Dr. Davinder Kumar, Joint Secretary, (under suspension) w.e.f. 04.01.2015 and fixed the date of meeting of the Review Committee on 16.12.2014 at 10.30 a.m.

In view of above, the Executive Committee of the Council ratified the decision of the President for constitution of the Review Committee comprising of the above members.

142. Admission of 1st year MBBS students at Rohilkhand Medical College, Bareilly in the Academic year 2013-14.

Read: the matter with regard to admission of 1st year MBBS students at Rohilkhand Medical College, Bareilly in the Academic year 2013-14.

The Executive Committee of the Council perused the legal opinion of the Law Officer as under :-

The file of Monitoring Cell of Rohilkhand Medical College, Rohilkhand, Bareilly for Academic Year 2013-14 of MBBS admissions has been placed for my opinion. I have noted the observation made by the Monitoring Cell on pre-page note -8 on which my opinion is sought for.

The admission made by the college against the increase intake from 100 to 150 is in violation of the statutory provisions as the college was not granted Letter of Permission to make such admissions. Once the college was aware of the fact that LOP has been withdrawn by Council letter dated 13/07/2013 it had to discharge the admission made over and above 100 recognized seats. On the contrary the college has gone ahead and admitted these students and such students are continued till date.

It may also be noted that the College has by way of writ petition challenged the decision dated 13/07/2013 of the erstwhile Board of Governors in the Hon'ble Supreme Court. The Hon'ble Supreme Court vide its order dated 06/09/2013 in Writ Petition (Civil) No.585 of 2013, has upheld the decision of the Board of Governors to revoke the LOP. The college contents that it has filled curative petition in the Hon'ble Supreme Court. The pendency of the proceedings before the Hon'ble Supreme Court does not in my view prevents the Council from taking action to discharge the students who have been admitted in contravention of the mandate of Section 10(A) of the IMC Act 1956. Accordingly a discharge notice in respect of admission made over and above 100 recognized MBBS seats are required to be discharge and a notice for this purpose be issued against the college.

In view of above, the Executive Committee of the Council approved the above legal opinion and directed the office to issue discharge notice in respect of students admitted over and above 100 recognized seats.

143. Renewal of permission for admission of 6th batch of students in MBBS course against the increased intake i.e. from 130 to 150 seats at Sri Siddhartha Medical College, Tumkur, Karnataka under Sri Siddhartha University, Tumkur u/s 10A of the IMC Act, 1956 for the academic year 2015-16-reg.

Read: the matter with regard to renewal of permission for admission of 6th batch of students in MBBS course against the increased intake i.e. from 130 to 150 seats at Sri Siddhartha Medical College, Tumkur, Karnataka under Sri Siddhartha University, Tumkur u/s 10A of the IMC Act, 1956 for the academic year 2015-16.

The Executive Committee of the Council considered the Council Assessors report (9th & 10th December 2014) in pursuance of Hon'ble Supreme Court order dt.17.10.2014 in SLP No.27015/2014- MCI Vs Siddhartha Medical College & Ors. and noted the following:

1. Shortage of teaching faculty is 27.5%
2. Shortage of Resident doctors is 64.9%
3. Grossly inadequate clinical material - Bed occupancy 39% on the day of assessment, OPD attendance: 312, on random checks, some patients were found to be not genuine as evident from statement of Residents. In a few

- cases, no demographic details (name, age, Regn. No. etc.) in case sheets were found. Some patients had no medicines or accompanying relatives.
4. Same register in Pathology, Microbiology and Biochemistry.
 5. No separate data for OPD, IPD.
 6. In Microbiology laboratory, 6 blood samples available but on test tube, patient's name, Regn. No. etc. is not written.
 7. Most of the registers of manual records had the same ink and same hand writing over a period of several months.
 8. OPD number entered in Gynae. OPD were different from OPD Regn. No. For example 90771 was number on 16.10.2014 then OPD number was 450000 onwards.
 9. MRD data and manual data are mismatched. MRD data highly inflated.
 10. In many registers, date itself was not entered.
 11. No OPD timing displayed.
 12. In the same campus, management runs medical, dental and nursing college. In all UG, intern and resident hostel, medical dental and nursing students are staying together. No separate hostels for medical, dental and nursing students.
 13. Inadequate teaching and non-teaching staff quarters.
 14. Wards are not as per MCI regulations. No proper nursing station. In most of wards, no pantry, no examination/treatment room, no doctors duty room, no store room and no demo room of 25 capacity. In some wards, only 3 beds are there, in some wards, 5 beds are there and in some wards, 8 beds are there, in some wards, 10 beds are there, in some wards, 20 beds are there.
 15. Grossly inadequate nursing staff, paramedical and non-teaching staff. Most of the Sr. Residents did not stay in the campus when enquired on sample basis, the Sr. Residents were not aware of Jr. Residents in the department. Also on random enquiry, Sr. Residents said that they have never operated despite working for 2-4 years.
 16. ICU and SICU not available.
 17. Teaching area in OPD is inadequate.
 18. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 6th batch of MBBS students against the increased intake i.e. from 130 to 150 u/s 10A of the IMC Act, 1956 in respect of Sri Siddhartha Medical College, Tumkur, Karnataka under Sri Siddhartha University, Tumkur for the academic year 2015-16 and further decided to apply clauses 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

"8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

The Executive Committee of the Council further noted that the institute has admitted students for 2014-2015 pursuant to order of Hon'ble Supreme Court after filing an undertaking dated 30.09.2014 in the name of Dr. G. Shivaprasad which states as under:

" ..3. I say that there is no defect in medical college run by Petitioner institution.

4. I say that if the above statement is found to be incorrect at the time of next inspection, the deposit of the institution with MCI shall stand forfeited.

In view of the above mentioned deficiencies, it is amply evident that the institute has failed to rectify previous deficiencies which are still persisting.

The Executive Committee of the Council also perused the order of Hon'ble Apex Court dt. 18/09/2014 & 25/09/2014, the operative part of which reads as under:

"The relevant portion of the order dated 18.09.2014 passed in W.P. (C) No. 469/2014 by the Hon'ble Supreme Court is reproduced hereunder:-

" *Heard the learned senior counsel appearing for both the sides.*

Looking at the peculiar facts and circumstances of the case and, especially, when several seats for medical admission are likely to remain vacant for the academic year 2014-15, we are of the view that these matters require urgent consideration and we are giving these interim directions under the provisions of Article 142 of the Constitution of India.

There is one more reason for passing this interim order. We are conscious of the fact that number of physicians in our country is much less than what is required and because of non-renewal of recognition of several medical colleges, our citizens would be deprived of a good number of physicians and therefore, we are constrained to pass this order, whereby at least there would be some increase in the number of physicians after five years. We are running against time because the last date for giving admissions to MBBS Course for the academic year 2014-15 is 30th September, 2014.

We also desire to reconsider the directions given by this Court in the judgment of Priya Gupta v. State of Chhattisgarh [(2012) 7 SCC 433], but at this juncture, as we do not have sufficient time to decide all these petitions finally, we are passing this interim order and the matter with regard to reconsideration of the aforestated judgment would be considered while finally disposing of this group of petitions.

It has been submitted on behalf of the learned senior counsel appearing for all the petitioners/ respondents, who are managing medical colleges, that the defects which had been recorded at the time of the last inspection by the representatives of the Medical Council of India have been duly rectified and at present, the defects pointed out in the reports do not exist. The said fact can be ascertained only by having a fresh Compliance Verification/Inspection. However, the stand taken by the Central Government and the Medical Council of India is to the effect that no such inspection can be undertaken in the present academic session because of paucity of time and it would violate the time schedule laid down by this Court in the case of Priya Gupta (supra).

The learned senior counsel appearing for the Medical Council of India has also submitted that the petitioners do not have any legal right for getting renewal of the recognition, especially in view of the fact that the Verification/Inspection Reports are not available for the period in question. The learned senior counsel has relied upon some of the Judgments to substantiate his case and according to him, it would not be just and proper to permit the said medical colleges to take fresh batch of students.

Looking at the peculiar facts of the case and the circumstances stated hereinabove, we direct the petitioners to file undertakings by President/Chairman and Secretary of the petitioners' institutions running medical colleges within 10 days from today, to the effect that there is no defect in the medical colleges run by them and they would also state that their deposit with the MCI, which is around Rs.10 Crores, be forfeited by way of penalty if the statement made in the undertaking is found to be incorrect at the time of the next inspection. A draft undertaking has been given to this Court. A copy of the undertaking, which might be filed by the institutions, shall be served upon the office of the Medical Council of India as well as to the Ministry of Health and Family Welfare, Govt. of India, New Delhi.

We also record the fact that in the recent past, the Medical Council of India has renewed recognition of Government Medical Colleges on the basis of undertakings and therefore, we see no reason not to permit the private colleges to admit students on the basis of undertakings given by their office bearer as a special case.

Notwithstanding any direction given in the case of Priya Gupta (supra), if undertakings as stated hereinabove are filed by the institutions managing medical colleges for the academic year 2014-15, admissions shall be given to the students from the merit list prepared by the States and they shall be charged fees prescribed by the Government Medical Colleges of their respective States. The State Authorities, i.e., the Directorate of Medical Education & Research, of the respective States shall send students, in order of their

merit, to the medical colleges run by the petitioners, which are situated within their States, within one week from the date of receipt of a copy of this order and the said students shall be admitted to the MBBS Course in accordance with the rules and regulations of the MCI and also regulations dated 16.04.2010 framed by the Medical Council of India, provided undertakings as mentioned above are filed on behalf of the concerned institutions.

It is also clarified that there would be no further counseling in respect of the students who are to be given admission, even if it might result into some heartburning among other students, but in the peculiar facts of the case, we give this direction.

In no case, the admission shall be given after 30th September, 2014. This order shall also apply to all the institutions which had filed their petitions earlier for renewal of their recognition for the academic year 2014-15, but their petitions were rejected or withdrawn for whatever reason, provided undertakings as stated hereinabove are filed by President/Chairman and the Secretary of those institutions. All those petitions shall be deemed to have been revived and this order shall be deemed to have been passed in those cases also. This order shall only be in respect of renewal of recognition and not for creation of additional seats or for new colleges.

We also record that the Union of India has supported the petitioners in the interest of students. We also direct the Union of India to give wide publicity to this order in print as well as electronic media in the interest of the concerned students.

It is directed that the list of students getting admission in pursuance of this order shall be placed on record of this Court by 1st October, 2014 by the concerned institutions and a copy thereof shall also be sent to the MCI.

These matters shall be treated as part-heard and shall be notified for further hearing in the month of December, 2014."

The Hon'ble Supreme Court thereafter vide its order dated 25.09.2014 issued certain clarification in respect to the order dated 18.09.2014 in W.P. (C) No. 469/2014, which are reproduced hereunder:-

"After hearing the learned counsel for the parties we deem it appropriate to issue following clarifications with regard to our earlier order dated 18th September, 2014. These clarifications shall be read into the said order as if they were always part thereof:-

1. The order dated 18th September, 2014 shall also apply to cases where colleges or institutions were seeking increase in intake capacity and in the current year have been denied permission to admit students after first or second or third or fourth renewal/inspection. In our view such institutions where Renewal/Inspection with respect to increase in capacity were conducted in the present academic year are also entitled to the benefit under the order dated 18th September, 2014.

2. We also clarify that fees chargeable from the students admitted pursuant to our order dated 18th September, 2014 shall be at the same rates as applicable to the students in Government medical colleges in respective States and such fees shall be at the same levels as that of the Government medical colleges till the students so admitted pass out from the private medical colleges or institutions.

3. Our order shall also apply to all similarly situated institutions irrespective of the fact whether any petitions were or are pending in this Court or in any of the High Courts or even if they had not approached any court at all. This order shall also apply even in cases where there were orders of stay in favour of the Medical Council of India restraining the colleges from admitting students for the current academic session.

4. The order shall not apply to colleges or institutions which have been disqualified by the Medical Council of India and/or the Central Government and have been prohibited from making any admissions for the current academic year 2014-15.

5. In cases where two separate lists are prepared and sent by the State agencies one relating to State quota and the other relating to management quota in private institutions, we clarify that for the current academic year there shall be only one list and that shall be the "State quota" alone. There shall not be any management quota list to be sent to the private colleges or institutions taking the benefit under our order dated 18th September, 2014. The Management quota shall also be filled through the State list and the fees chargeable for the management quota shall also be charged at the same levels and rates as applicable to State quota list.

6. We further clarify that private institutions taking benefit under our order dated 18th September, 2014 shall have to take students only from the State agencies and at fees chargeable for students in Government medical colleges as stated above, regardless of their status or claim as Minority Institutions or Deemed Universities.”

In view of above, the members of the Executive Committee further decided to revoke the Bank Guarantees submitted by the Institute and directed the Institute to submit fresh bank guarantees within 2 weeks.

144. Approval of minutes of Finance Committee meeting held on 04.12.2014

Read: the matter with regard to approval of minutes of Finance Committee.

The Executive Committee of the Council approved the minutes of Finance Committee meeting held on 04.12.2014.

145. Approval of minutes of TEQ Committee meeting held on 09.12.2014.

Read: the matter with regard to approval of minutes of TEQ Committee.

The Executive Committee of the Council approved the minutes of TEQ Committee meeting held on 09.12.2014 pertaining to Items # 2, 4,7, 9,10,11, 12, 13 and further decided to defer items # 1,3, 5,6, 8, 14, 15, 16 for consideration at the next meeting.

146. Review of suspension of Dr. Davinder Kumar, Joint Secretary, (under suspension).

Read: the matter with regard to review of suspension of Dr. Davinder Kumar, Joint Secretary, (under suspension).

The Executive Committee of the Council approved the recommendations of the Review Committee which met in the Council office on 16/12/2014 at 10.30 a.m. recommending extension of suspension of Dr. Davinder Kumar, Joint Secretary (U/S) for a further period of 90 days w.e.f. 04/01/2015.

The minutes of the above item were read and confirmed in the meeting itself.

147. Disciplinary proceedings against Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dy. Secretary & Others – PE – 15(A)/2005-DLI registered by CBI – reg.

Read: the matter with regard to Disciplinary proceedings against Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dy. Secretary & Others – PE – 15(A)/2005-DLI registered by CBI.

The Executive Committee of the Council noted that it at its meeting dated 20.11.2014 had decided to obtain legal opinion in the matter before taking a decision to exonerate Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dr. V.P. Mishra, Dr. D.K. Sharma, Smt. Savitha and Sh. Manoj Kumar. The legal opinion has been received from the Law Officer of the Council which reads as under:-

“The file of Administration Section has been referred for my opinion. The issue is the closing of the disciplinary proceedings against certain employees and the then members of the Council by office Memorandum dated 30.10.2014 of the Central Vigilance Commission. I have perused the Office Memorandum of Central Vigilance Commission and the said Memorandum clearly brings out that as regards the case of irregularity in recruitment and the case of irregularity in building contract, the Commission is in agreement with the disciplinary authority and Central Vigilance Officer, Medical Council of India and would advise the Department to close the matter.

I am of the view, once the recommendation is made to close the matter, it is closed in entirety for all and it is not contingent upon the inclusion or exclusion of certain names. Therefore, in my considered opinion the Executive Committee should accept the recommendation of Central Vigilance Commission and exonerate all persons named in the two cases."

In view of above, the Executive Committee of the Council decided to exonerate Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dr. V.P. Mishra, Dr. D.K. Sharma, Smt. Savitha and Sh. Manoj Kumar.

148. Assessment for establishment of new medical college at Bajehra, Unnao, Uttar Pradesh by F.I. Memorial & Welfare Society, Lucknow u/s 10A of the IMC Act, 1956 in pursuance of the order dt. 13.08.2014 of Hon'ble High Court of Allahabad, Lucknow Bench in W.P. No. 7504/2014 and Hon'ble Supreme Court Order dt. 03.09.2014 in SLP © No. 23084/2014.

The Executive Committee of the Council considered the Council Assessors report (9th & 10th December, 2014) and noted the following:-

1. Shortage of teaching faculty 66.67% as detailed in the report.
2. Shortage of resident doctors is 57.78% as detailed in the report.
3. Deficiency of the infrastructure of college & Hospital: UG Hostel-Mess-space is available but without any cooking equipment. Study Room- space is available but without AC, computer & internet. Recreation room- space is available with treadmill and static (for exercise) only in Boy's hostel no Music system or indoor game.
4. Central Photography Unit: There is no staff and no equipment.
5. Deficiency of clinical material: Bed occupancy on the day of assessment is only 13.33%. Institutional statistics of average bed occupancy does not correlate with data collected by assessors on first day of assessment.
6. OPD attendance was 282 on day of assessment against requirement of 600 as per Regulations.
7. Operation Theatres – No major or minor operations were performed on 09/12/2014. There was no normal delivery or Cesarean section conducted on 9th Dec.2014. O.T. was practically closed and nonfunctional. Dust present inside the OTs suggested that OTs were not functioning since many days and the registers were fabricated.
8. Wards:: In most of the wards, fake patients were admitted on 9th Dec.2014. The case papers were without proper clinical notes. Nursing stations, examination and treatment rooms, pantries, store rooms, duty doctor rooms and demo rooms-space is available but without sufficient furniture, equipments, drug trays. Bins for sterile cotton gauze were empty. Store room-and Doctors' duty room were only empty spaces Demonstration rooms were without chairs and teaching aids. Central oxygen and suction was not working.
9. SICU is not available.
10. CSSD: Receiving and distribution points are not separate. ETO sterilizer is not available.
11. Website: Information regarding faculty & non-teaching staff is not provided.
12. Anatomy department: Number of cadavers, Cold storage facilities and Disarticulated Bone sets are inadequate as detailed in report.
13. Physiology department: In Clinical Physiology laboratory, only 4 tables are available against requirement of 10.
14. As per the statement of Dr. A.A. Faruqui, Assoc. Prof. of Pharmacology and Dr. Shivratan Joshi, Asstt. Prof. of Surgery who were absent during

attendance (till 11 am), someone signed on their behalf and they verified that those were not their signatures.

15. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to return the application for establishment of a new medical college at Bajehra, Unnao, Uttar Pradesh by F.I. Memorial & Welfare Society, Lucknow under Chhatrapati Shahuji Maharaj University, Kanpur, Uttar Pradesh to the Central Government recommending disapproval of the scheme u/s 10A of the IMC Act, 1956 for the academic year 2014-2015 and further decided to apply clause 8(3)(1)(a) & (d) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which read as under:-

“8(3)(1).....

(a) Colleges in the stage upto II renewal (i.e. Admission of third batch):

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 30% and/or bed occupancy is < 60% such an institute will not be considered for renewal of permission in that Academic Year.

(d) Colleges which are found to have employed teachers with faked/forged documents:

If it is observed during any institute is found to have employed a teacher with faked/forged documents and have submitted the declaration form of such a teacher, such an institute will not be considered for renewal of permission/recognition for award of MBBS degree/processing the applications for postgraduate courses for two academic years i.e. that academic year and the next academic year also.

It was further decided to place the matter before Ethics Committee for its consideration and also to return the new application dated 29.08.2014 of F.I. Memorial & Welfare Society, Lucknow received through the Central Govt. vide letter dated 17.09.2014 to the Central Government recommending disapproval of the scheme for establishment of a new medical college at Bajehra, Unnao, Uttar Pradesh by F.I. Memorial & Welfare Society, Lucknow under Chhatrapati Shahuji Maharaj University, Kanpur, Uttar Pradesh.

Office Note: (1) The office was directed that in future, where the colleges were found to have employed teachers with fake / forged certificates and the Executive Committee has decided to take action u/s 8(3)(1)(d), the matter should invariably be placed before Ethics Committee for its consideration.

(2) With regard to consideration of items of assessment reports, the office was directed to insert in the communication sent to colleges a note regarding submission of compliance within 1 month in respect of those colleges where it has been decided by the Executive Committee not to invoke provisions of Section 8(3)(1) of Establishment of Medical College Regulations, 1999,

The meeting ended with a vote of thanks to the Chair.
