Dr. Anil Mahajan	Professor & HOD, General Medicine, Government Medical College, Jammu, J&K.
Dr. V.N. Jindal	Vice Chancellor, S.R.K. University, Bhopal, Madhya Pradesh
Dr. Baldev Singh Aulakh	Professor of Urology and Transplant Surgery, Head Transplant Unit, Dayanand Medical College, Ludhiana
Dr. G.B. Gupta	Vice-Chancellor, Ayush & Health Sciences University, Raipur, Chhattisgarh.
Dr. Vijay Prakash Singh	Professor & Head, Department Of Gastroenterology, Patna Medical College, Patna, Bihar
Dr. Radha Madhab Tripathy	Professor and Head, Department of Community Medicine, MKCG Medical College, Berhampur.

Dr. Reena Nayyar, Secretary I/c

Apology for absence was received from Dr. Ravindra H.N.

1. Minutes of the Executive Committee Meeting held on 04th June, 2015
- Confirmation of.

The Executive Committee of the Council noted the action taken on the minutes of the Executive Committee meeting held on 04th June, 2015.

2. **Minutes of the last meeting of the Executive Committee – Action taken thereon.**

The Executive Committee of the Council noted the action taken on the minutes of the Executive Committee Meeting held on 04th June, 2015.

3. **Pending Items arising out of the decisions taken by the Executive Committee.**

The Executive Committee of the Council noted the pending items arising out of the decisions taken by the Executive Committee.

4. **Approval of the Minutes of the Registration & Equivalence committee meeting held on 07th May, 2015.**

Read: the matter with regard to approval of the minutes of the Registration & Equivalence Committee meeting held on 07th May, 2015.

The Executive Committee of the Council approved the minutes of the Registration & Equivalence Committee meeting held on 07th May, 2015 except the following items and decided to refer back the same to Registration & Equivalence Committee:-

Item No. 3. It be verified whether Dr. S.K. Bajoria has obtained Diploma of Fellowship of Royal College of Physicians & Surgeons, Glasgow after passing an examination or by any other method. This be specifically mention by the Committee in future in all similar cases.

Item No. 8. It be verified whether Dr. Sajid F. Mohmad has obtained certificate of the Membership of the Royal College of Physicians of the United Kingdom after passing an examination or not and decision be taken accordingly.

Item No. 9. Approved. However, It also be verified whether Endocrinology, Diabetes and Metabolism is an approved nomenclature by MCI.

Item No. 12. Not approved. Although Mr. Mashooq Ali Sofi may have been discharged from criminal proceedings in the matter of fake & forged 10+2 marksheet, underlying fact remains that the verification report of 10+2 marksheet from the Jammu & Kashmir State Board of School Education, Srinagar vide their letter dated 22-08-2001 communicating therein that it has been detected by the boards that the certificate in question is absolutely fake and forged is on record. In view of fake & forged marksheet of 10+2 examination report by J & K Board, registration cannot be granted and no recommendation can be made in this regard.

Item No. 15. Not Approved. REC itself has observed that “*The Registration & Equivalence Committee further observed that although the Diplomat American Board of Family Medicine is not included in the Part-II of Third Schedule of the IMC Act, 1956 but a number of Certificates/Diplomas of the American Board in various specialties are included in the said Schedule.*” No registration can be granted in respect of any qualification which is not included in the Schedule.

Item No. 16. It be verified whether Dr. Anirudda Deshpande has obtained certificate of the Membership of the Royal College of Physicians of the United Kingdom after passing an examination or by any other method. This be specifically mention by the Committee in future in all similar cases not and decision be taken accordingly.

Item No. 18. It be verified whether Dr. Bindu M. has obtained Certificate of the Membership of the Royal College of Pediatrics and Child Health after passing an examination or not and decision be taken accordingly.

The Executive Committee further decided to advise Registration & Equivalence Committee to recommend additional registration to any candidate having foreign qualification only after verifying that such a qualification is obtained after passing examination and also to incorporate this fact in its decision.

5. Election of a Member of MCI under section 3(1)(c) of IMC Act, 1956 i.e. Registered Medical Graduate Constituency Proposal Submitted by Dr. Sudipta Roy, Member, MCI.

Read: the matter with regard to election of a Member of MCI under section 3(1)(c) of IMC Act, 1956 i.e. Registered Medical Graduate Constituency Proposal Submitted by Dr. Sudipta Roy, Member, MCI.

The Executive Committee of the Council considered the letter dated 25.06.2015 of Dr. Sudipta Roy, Member, MCI and approved the following proposal with regard to election of a Member u/s 3(1)(c) of IMC Act 1956 as per Rules framed for this purpose i.e. Indian Medical Council Rules 1957:-

Existing	Proposed
2(d) 'Returning Officer' means nay officer appointed as such by the Central Government for the purposes of these rules;	2(d) 'Returning Officer' means any officer appointed as such by the Central Government from a panel of such officers maintained by MCI.

Before proceeding further, the Executive Committee of the Council decided to take legal opinion from whether MCI is competent to make such a suggestion since Section 32 refers to power of Central Govt. to make Rules which does not require reference to or recommendation from MCI.

6. Continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Madurai Medical College, Madurai.

Read: the matter with regard to continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Madurai Medical College, Madurai - consideration of Assessment report.

The Executive Committee of the Council considered compliance verification assessment report (11th June, 2015) along with the previous assessment report (13th & 14th October, 2014) and noted the following:-

1. Deficiency of faculty is 11.36 % as detailed in the report.
2. MEU performance is not satisfactory.
3. Lecture Theater: Lecture Theater of 500 capacity is not of gallery type.
4. Although more chairs have been placed in Central Library to fulfill seating capacity norms, it has led to more congestion. Journal room is far from satisfactory. Office room is only a small cubicle. Deficiency remains as such.
5. Common Room for Girls: Only makeshift arrangements have not been made in a guest house. Deficiency remains as such.
6. Forensic Medicine Department: Autopsy & Cold Storage are not as per norms. Deficiency remains as it is.
7. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by the Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Madurai Medical College, Madurai and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

7. Continuance of recognition of MBBS degree granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at KanyaKumari Government Medical College, Asaripallam.

Read: the matter with regard to continuance of recognition of MBBS degree granted by The Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at KanyaKumari Government Medical College, Asaripallam.

The Executive Committee of the Council considered assessment report (11th June, 2015) and noted the following:-

1. Deficiency of faculty is 16.39 % as detailed in the report. There is no faculty in Radiodiagnosis department.
2. Shortage of Residents is 18.09 % as detailed in the report.
3. MEU: Only 1 basic course workshop – sensitization workshop - has been conducted during the year.
4. Lecture Theaters: E class facility is not available in 350 capacity lecture theater & in hospital lecture theater.
5. Central Library: There are no recent journals.
6. ICUs: Details of patients in NICU/PICU admitted on day of assessment are not provided.
7. Only 5 mobile X-ray machines are available against requirement of 6 as per Regulations.
8. Paramedical Staff: Only 101 staff are available against requirement of 179.
9. RHTC: It is under control of Director of Public Health & not under Dean which is not as per Regulations. Messing facilities are not available. No accommodation is available for girls.
10. UHC: It is under control of Municipality Health officer & not under the control of Dean which is not as per Regulations.
11. Toll free number to report ragging is not available.
12. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by the Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at KanyaKumari Government Medical College, Asaripallam and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

8. Continuance of recognition of MBBS degree granted by Tripura University, Agartala in respect of students being trained at Agartala Government Medical College, Agartala.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Tripura University, Agartala in respect of students being trained at Agartala Government Medical College, Agartala.

The Executive Committee of the Council considered assessment report (10th June, 2015) and noted the following:-

1. Deficiency of faculty is 13.2 % as detailed in the report.

2. Lecture Theaters: Facility for E class is not available in 3 lecture theaters in the college & lecture theater in the hospital.
3. Central Library: Area available is only 1,190 sq.m. against requirement of 1,600 sq.m. Total journals available are 93 against requirement of 100.
4. Central photography Section is not available.
5. Students' Hostels: A.C. study room is not available.
6. Interns' Hostel: A.C. study room is not available.
7. Residents' Hostels: A.C. study room is not available.
8. OPD: Minor O.T. is not available.
9. ICUs: RICU has only 4 beds.
10. Only 2 static X-ray machines are available against requirement of 5.
11. CSSD: ETO sterilizer is not available.
12. Website: Citizens' charter is not available.
13. Anatomy department: Only 56 mounted specimens are available.
14. There is overcrowding in wards. Many patients are lying on floor beds & are being managed there.
15. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Tripura University, Agartala in respect of students being trained at Agartala Government Medical College, Agartala and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

9. Consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at North Bengal Medical College, Darjeeling.

Read: the matter with regard to consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at North Bengal Medical College, Darjeeling.

The Executive Committee of the Council considered the compliance verification assessment report (10th June, 2015) alongwith previous assessment report (Sept.,2014) and noted the following:-

1. Deficiency of faculty is 12.3 % as detailed in the report.
2. Shortage of Residents is 15.3 % as detailed in the report.
3. Lecture Theater in the hospital is not available. Deficiency remains as it is.
4. Paediatrics OPD has only 2 rooms against requirement of 4. Teaching area is not available. Deficiency remains as it is.
5. Audiometry room is not soundproof & not airconditioned. Deficiency remains as it is.

8. Intercom is not available. There is network problem & communication is not proper. Deficiency remains as it is.
9. RHTC: Messing facilities are not available. Deficiency remains as it is.
10. Casualty: Central Suction, Crash Cart, Monitors, Ventilator, Defibrillator are not available. Patients are kept on floor beds.
11. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by West Bengal

University of Health Sciences, Kolkatta in respect of students being trained at North Bengal Medical College, Darjeeling and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

10. Consideration of Compliance Verification Assessment with regard to continuance of recognition of MBBS degree granted by Gauhati University (now affiliated to Srimanta Sankaradeva University of Health Sciences, Guwahati in respect of students being trained at Gauhati Medical College, Guwahati.

Read: the matter with regard to consideration of Compliance Verification Assessment with regard to continuance of recognition of MBBS degree granted by Gauhati University (now affiliated to Srimanta Sankaradeva University of Health Sciences, Guwahati in respect of students being trained at Gauhati Medical College, Guwahati.

The Executive Committee of the Council considered the compliance verification inspection report (9th June, 2015) along with previous assessment report (Sept.,2014) and decided to recommend that recognition of MBBS degree granted by Gauhati University (now affiliated to Srimanta Sankaradeva University of Health Sciences, Guwahati) in respect of students being trained at Gauhati Medical College, Guwahati be continued restricting the number of admission to 156 (One Hundred fifty six) students.

11. Continuance of recognition of MBBS degree granted by Manipur University in respect of students being trained at Regional Institute of Medical Sciences, Imphal.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Manipur University in respect of students being trained at Regional Institute of Medical Sciences, Imphal.

The Executive Committee of the Council considered the compliance verification inspection report (12th June, 2015) along with previous assessment report (Sept.,2014) and decided to recommend that recognition of MBBS degree granted by Manipur University in respect of students being trained at Regional Institute of Medical Sciences, Imphal be continued restricting the number of admission to 100 (One Hundred) students.

The matter may be placed before General Body for consideration.

12. Continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. MGR Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore for 150 MBBS seats.

Read: the matter with regard to continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. MGR Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore for 150 MBBS seats.

The Executive Committee of the Council considered the compliance verification inspection report (11th June, 2015) along with previous assessment report (9th & 10th Jan.,2015) and noted the following :-

1. Lecture Theaters: 650 capacity lecture theater is not available. Capacity of 6 lecture theaters is 250 each against the requirement of 300 each as per Regulations. Deficiency remains as it is.

2. Residents' Hostel: New hostel is not yet furnished. Accommodation remains inadequate.
3. RHTC: Residential accommodation is available for only 5 interns which is inadequate.
4. Students' Hostel: New girls' hostel is not yet furnished.
5. Interns' Hostel: Accommodation is available for only 96 interns against requirement of 150 as per Regulations.
6. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. MGR Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

13. Continuance of recognition of MBBS degree granted by SRM University, Kancheepuram in respect of students being trained at SRM Medical College, Hospital & Research Centre, Kancheepuram.

Read: the matter with regard to continuance of recognition of MBBS degree granted by SRM University, Kancheepuram in respect of students being trained at SRM Medical College, Hospital & Research Centre, Kancheepuram.

The Executive Committee of the Council considered the compliance verification inspection report ((2nd & 3rd July, 2015) and noted the following :-

1. Bed occupancy on day of assessment is 499 out of 790 beds required – i.e. 63.14 % which is inadequate.
2. MEU: No faculty has undergone advanced course workshop in medical education technology during last year.
3. Details of RICU are not provided.
4. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by SRM University, Kancheepuram in respect of students being trained at SRM Medical College, Hospital & Research Centre, Kancheepuram and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 months. The Committee further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by the institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the

IMC Act,1956 alongwith direction of stoppage of admissions in permitted postgraduate courses.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

14. Consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Tirunelveli Medical College, Tirunelveli.

Read: the matter with regard to consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Tirunelveli Medical College, Tirunelveli.

The Executive Committee of the Council considered the compliance verification assessment report (2nd July, 2015) alongwith previous assessment report (Sept.,2014) and noted the following:-

1. Deficiency of faculty is 14.2 % as detailed in the report.
2. Residential Quarters: Only 20 quarters are available for non-teaching staff against requirement of 36. Deficiency remains as it is.
3. O.T.: Each O.T. has 2 or more tables which is not as per norms. Deficiency remains as it is.
4. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Tirunelveli Medical College, Tirunelveli and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

15. Continuance of recognition of MBBS degree granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Midnapore Medical College, Midnapore.

Read: the matter with regard to continuance of recognition of MBBS degree granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Midnapore Medical College, Midnapore.

The Executive Committee of the Council considered the compliance verification assessment report (3rd July, 2015) alongwith previous assessment report (2nd & 3rd Sept., 2014) and noted the following:-

1. Shortage of Residents is 25.71 % as detailed in the report.
2. Radiological investigation workload is inadequate for plain X-rays (70/day). Departmental upkeep & level of cleanliness are poor.
3. Histopathological & Cytopathological workload is still in adequate. Only 1 sample was entered in Histopathology register on day of assessment upto 2:30 p.m. Average of 3 random days is only 4.2. Total Histopathological slides in 2015 till date of assessment were only 1,582 – i.e. ~ 263/month. Cytopathological samples were only 854 during the same period – i.e. ~ 142/month.
4. RICU is not available.
5. Only 3 functional mobile X-ray machines, out of which 1 is a portable Dental unit, are available against requirement of 6.

6. Lecture Theater in hospital : There is no provision for Audiovisual aids & E classes.
7. Central Library: It is not air-conditioned. Additional area is still under construction. In faculty reading area, there were only 6 plastic chairs & 3 plastic tables which are inadequate. Computer nodes are only 18 against requirement of 25.
8. Students' Hostels: Condition is pathetic – inadequate lighting, unhygienic kitchen, no gas connection in girls' hostels. There are no proper visitors' room, common room, reading room or gymnasium facilities. In Boys' hostel common room, bikes & cycles were parked. Surrounding areas were full of heaps of garbage.
9. In spite of repeated requests, most of the faculty reported for signature after 12 p.m. & some reported after 2-3 p.m.
10. The campus was littered with filth & garbage.
11. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by the West Bengal University of Health Sciences, Kolkata in respect of students being trained at Midnapore Medical College, Midnapore and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

16. Admission of MBBS student at Belgaum Institute of Medical Sciences, Belgaum, Karnataka for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Belgaum Institute of Medical Sciences, Belgaum, Karnataka for the Academic Year 2014-15.

The Executive Committee of the Council deliberated upon the matter and decided to obtain legal opinion on "whether a physically handicapped candidate who has been admitted under PH quota is also entitled for benefit of relaxation in marks as prescribed for OBC candidates also or not if he belongs to OBC category". The Committee further directed the office to resubmit the matter on receipt of the legal opinion.

17. Admission of 1st year MBBS students at Darbhanga Medical College, Leherisarai, Bihar for the academic year 2014-15.

Read: the matter with regard to admission of 1st year MBBS students at Darbhanga Medical College, Leherisarai, Bihar for the academic year 2014-15.

The Executive Committee of the Council perused the letter dated 18.06.2015 received from the Principal, Darbhanga Medical College, Leheriasarai, Bihar stating that Kranti Gandhi, CBSE selected under OBC category has obtained marks in PCB – 42.66% and in Entrance Examination 41.50% (532 out of 720).

The Principal further stated that Mr. Arvind Kumar Bahardar, BSQ selected under EBS (OBC) category has obtained marks in PCB-44% and in Entrance Examination 51.5% (661 out of 720)

In view of above, The Executive Committee of the Council decided that discharge notice be revoked in respect of above two candidates.

With regard to other 02 candidates – viz., Mr. Chandan Pathak & Ms. Shreya Kayastha, the decision to issue discharge notice is reiterated due to reasons as under:

- (1) Chandan Pathak be discharged as he is of General category & secured < 50 % marks in PCB;
- (2) Shreya Kayastha (nominee of the Government of India through Ministry of External Affairs)be discharged as she is of General category & secured < 50 % marks and the same was confirmed by the Central Government, Ministry of Health & F.W., vide letter dated 2nd June, 2015 (received in Council Office on 05.06.2015) .

The Executive Committee of the Council directed the Office to send communication to the affiliating University as well. The Principal, Darbhanga Medical College, Leheriasarai, Bihar be directed for submission of compliance within 02 weeks.

18. Admission of MBBS student at Vardhman Institute of Medical Sciences, Pawapuri Nalanda, Bihar for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Vardhman Institute of Medical Sciences, Pawapuri Nalanda, Bihar for the Academic Year 2014-15.

The Executive Committee of the Council approved the report of Monitoring Sub-Committee which reads as under:

"The Monitoring Sub-Committee of the Council observed that the following 14 candidates were admitted with less than 40% marks in Common Entrance Examination:-

Sl. No.	Name of Candidate	Merit No.	Entrance Exam		Entrance Exam %age
			Obtained Marks	Maximum Marks	
1.	Supriya	ST- 8	436	1176	37.07
2.	Kanhaiyajee Chaudhary	SC – 122	449	1176	38.18
3.	Suman Kumari Paswan	SC – 104	460	1176	39.11
4.	Nikhil Ranjan	DQ-26/EBC	407	1176	34.6
5.	Danish Ahmad	DQ-25/BC	410	1176	34.86
6.	Ashish Kumar Anuj	SC- 127	447	1176	38.01
7.	Preety Barkha	S C - 118	451	1176	38.35
8.	Sanjeet Kumar Manjhi	SC – 113	453	1176	38.52
9.	Ashish Ranjan	SC – 126	447	1176	38.01
10.	Himanshu Raj	SC – 116	452	1176	38.43
11.	Abhipray Chaudhary	SC- 131	444	1176	37.75
12.	Anit Kumar	SC- 128	446	1176	37.92
13.	Sourabh Mallick	SC – 129	445	1176	37.84
14.	Soni Kumari	SC – 125	447	1176	38.01

The Committee also perused the proceedings of Meeting held in the light of order passed by Hon'ble Patna High Court in CWJC 14652 of 2014, Preeti Bharkha & ors Vs. State of Bihar & ors, 17022 of 2014, Patanjali Rishi Vs. State of Bihar & ors and letter no. 1/Court-64/2014-01(Camp – SHS) dated 28/09/2014 of Department of Health, Govt. of Bihar for deciding procedure of third counseling and process of seat allotment. This document has been furnished by the Principal, VIMS, Nalanda with his letter dated 22/05/2015.

Further, the Committee noted that the Executive Committee of the Council on 13/01/2015 had directed for discharge of similarly situated students in respect of 8 government medical colleges of Bihar. This case has also same facts and circumstances. Accordingly the Monitoring Sub-Committee of the Council recommends to the Executive Committee to consider to discharge the aforesaid 14 candidates as these do not have minimum required percentage of marks in Common Entrance Examination as laid down in Graduate Medical Education Regulation, 1997."

The Executive Committee of the Council directed the Office to send communication to the affiliating University as well. The Principal, Vardhman Institute of Medical Sciences, Pawapuri Nalanda, Bihar be directed to discharge the above stated 14 students & submit compliance within 02 weeks.

19. Admission of MBBS student at Government Medical College, Thrissur, Kerala for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Government Medical College, Thrissur, Kerala for the Academic Year 2014-15.

The Executive Committee of the Council perused the letter of Principal dated 12/05/2015 which reads as under:

“The mark obtained by Haneena P. in entrance exam was wrongly entered at the time of online college admission entry. The original mark is as given below. Copy of marksheet is enclosed herewith for your perusal:

Sl.No.	Name of candidate	Category	DOB	Marks obtained in entrance exam	Maximum marks in entrance exam	Entrance exam percentage	Date of Admission
1.	Mohammed Rakheeb C.G.	GIN (Lakshadweep)	03.01.1996	-	-	-	22.9.2014
2.	Unaisa K	GIN (Lakshadweep)	22.01.1995	-	-	-	22.09.2014
3.	Haneena P.	State Quota Admission	26.07.1994	878.4043	960	91.5	31.07.2014

The Executive Committee of the Council also perused and approved the report of Monitoring Sub-Committee which reads as under:

“The Council vide its letter dated 17/02/2015 had sought clarification regarding the admission of following two candidates with admission less than 50% marks.

S.No	Name of Student	Date Birth of	Marks Obtained in Entrance Exam	Maximum Marks in Entrance Exam	Entrance Exam Percentage	Admission Date
1	MOHAMMED RAKHEEB C. G.	03/01/1996	559	1200	46.58	22/09/2014
2	UNAISA K.	22/01/1995	574	1200	47.83	22/09/2014

The Monitoring Sub-Committee of the Council observed that the College in its explanation dated 12/05/2015 has stated that these candidates are under Central Pool allocation (GOI nominee) which is reserved category. These candidates are from GIN (Lakshadweep). The Committee also took note of the Central Govt. letter dated 28/05/2015 wherein it is inter alia stated :-

“In this regard you are informed that for the Academic Year 2014-15 relaxation in prescribed qualifying marks in Entrance Examination have not been granted for any category of students including Central Pool Quota students (except for foreign national students nominated by Ministry of External Affairs against Central Pool seats as per their bilateral agreements with the friendly foreign countries. Therefore the eligibility of the above students may be decided by Council as per prevailing Regulations”.

In view of above, the Monitoring Sub-Committee of the Council decided to recommend to the Executive Committee to consider to discharge the aforesaid 2 candidates as these students do not fulfill the criteria of obtaining minimum required percentage of marks in Common Entrance Examination as laid down in Graduate Medical Education Regulation, 1997.”

In view of above, the Executive Committee of the Council decided as under:

- (1) To direct the Institute to discharge two students, viz. Mohammed Rakheeb C.G. & Unaisa K. who have obtained marks less than minimum required as per Regulations; &
- (2) To revoke discharge notice issued to Haneena P. as she has obtained 91.5 % marks in the entrance examination.

20. Admission of MBBS student at Mount Zion Medical College, Chayalode, Ezhamkulam Adoor, Pathanamthitta, Kerala for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Mount Zion Medical College, Chayalode, Ezhamkulam Adoor, Pathanamthitta, Kerala for the Academic Year 2014-15.

The Executive Committee of the Council deliberated upon the matter and decided to obtain legal opinion and resubmit the matter in the next executive committee meeting.

21. Admission of MBBS student at Pt. JNM Medical College, Raipur, Chattisgarh for the Academic Year 2014-15.

Read: the matter with regard to admission of MBBS student at Pt. JNM Medical College, Raipur, Chattisgarh for the Academic Year 2014-15.

The Executive Committee of the Council perused and approved the report of Monitoring Sub-Committee which reads as under:

"The Monitoring Sub-Committee of the Council observed that the Central Govt. was sought by Council letter dated 13/05/2015 and explanation regarding the admission of Mr. Pringniatchi S Momin. As per record this candidate has obtained only 28.61% marks in entrance examination.

The Committee also took note of the Central Govt. letter dated 28/05/2015 wherein it is inter alia stated:-

"In this regard you are informed that for the Academic Year 2014-15 relaxation in prescribed qualifying marks in Entrance Examination have not been granted for any category of students including Central Pool Quota students (except for foreign national students nominated by Ministry of External Affairs against Central Pool seats as per their bilateral agreements with the friendly foreign countries. Therefore the eligibility of the above students may be decided by Council as per prevailing Regulations".

In view of above, the Monitoring Sub-Committee of the Council decided to recommend to the Executive Committee to consider to discharge the aforesaid candidate as he does not fulfill the criteria of obtaining minimum required percentage of marks in Common Entrance Examination as laid down in Graduate Medical Education Regulation, 1997"

In view of above, the Executive Committee of the Council decided that the admissions of the above mentioned student be cancelled and the Institute be directed to discharge Mr. Pringniatchi S Momin who has obtained less than minimum marks required for admission.

22. Approval of the minutes of the Finance Committee meeting held on 29th June, 2015.

Read: the matter with regard to approval of the minutes of the Finance Committee meeting held on 29th June, 2015.

The Executive Committee of the Council perused the minutes of Finance Committee meeting held on 29th June, 2015 and approved Item Nos. 1, 2 & 4.

Further, under Item No. 3 the Executive Committee decided to approve the revised fees as under:

- a. ASG and Senior Advocates - Rs. 1,00,000/- for all hearings
- b. Other Advocates - Rs. 25000/- for all hearings

Under Item No. 5, the Executive Committee decided to defer the matter in order to seek details of proposal submitted by Syndicate Bank to open a branch in premises of MCI.

23. To consider the matter for exemption to Mr. L.J.E. Perera, Sri Lanka National from doing the balance 10 months internship in India and for authorizing Rajiv Gandhi University of Health Sciences, Bangalore to issue his MBBS Degree Certificate.

Read: the matter with regard to exemption to Mr. L.J.E. Perera, Sri Lanka National from doing the balance 10 months internship in India and for authorizing Rajiv Gandhi University of Health Sciences, Bangalore to issue his MBBS Degree Certificate.

The Executive Committee of the Council considered the matter and noted that the candidate has not taken prior permission for doing internship in Sri Lanka. Hence, the Executive Committee decided not to grant exemption to Mr. L.J.E. Perera, Sri Lanka National for doing balance 10 months internship in India.

24. Association of Medical Faculty in Dental College v. Medical Council of India (WP(C) No. 6005 of 2012) in the Hon'ble High Court of Delhi.

Read: the matter with regard to Association of Medical Faculty in Dental College v. Medical Council of India (WP(C) No. 6005 of 2012) in the Hon'ble High Court of Delhi.

The Executive Committee of the Council perused the comparative analysis charts with regard to the teaching hours and syllabus of common medical subjects taught in both medical and dental colleges and observed that as shown in these two charts, the teaching experience gained by the faculty in Dental colleges cannot be counted as equivalent to that of teaching in a Medical College.

After detailed deliberations, the Executive Committee of the Council approved these comparative charts and directed the office to inform the Council Advocate to place these facts before Hon'ble High Court of Delhi by way of reply affidavit.

The above minutes were read and confirmed in the meeting itself.

25. Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats at KMCT Medical College, Kozhikode, Kerala under Kerala University of Health Sciences, Thrissur.

Read: the matter with regard to compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats at KMCT Medical College, Kozhikode, Kerala under Kerala University of Health Sciences, Thrissur.

The Executive Committee of the Council considered the compliance verification assessment report (01.07.2015) for 100 MBBS seats along with assessment report (12th & 13th January, 2015 and 18th April, 2015) and noted the following:-

1. Shortage of Residents is 32 % as detailed in the report.
2. Deficiency of faculty is 25.64 % as detailed in report.
3. Bed occupancy was 49.4 % on day of assessment which is grossly inadequate.

4. Casualty admissions are shown as 177. However it was observed that most of the patients were screened at Casualty & then sent to respective departments which defeats purpose of having Casualty.
5. Number of Major & Minor operations were only 6 & NIL on day of assessment.
6. Dr. Mohandas, appointed as Medical Superintendent in place of Dr. K.M. Navas who was found ineligible neither produced any original certificate for verification nor showed any administrative experience.
7. Data given by the institute in respect of clinical parameters like OPD attendance are inflated. In the morning, very few patients were seen in OPD.
8. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

26. Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur.

Read: the matter with regard to compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur.

The Executive Committee of the Council considered the compliance verification assessment report (01.07.2015) for 100 seats along with assessment report (10th & 11th March, 2015 and 8th May, 2015) and noted the following:-

1. Deficiency of faculty is 30.93 % as detailed in the report.
2. Shortage of Residents is 50 % as detailed in the report.
3. Bed occupancy is 48.9 % - i.e. 259 beds occupied out of 570 required - on day of assessment which is grossly inadequate. Data given by institute are inflated.
4. There was only 1 Normal Delivery & NIL Caesarean Section on day of assessment.
5. Special investigations like Ba, IVP were NIL on day of assessment. Data given by the institute are inflated.
6. In Orthopaedics female ward, emergency drugs are not available.
7. In Ophthalmology, male patients were admitted in female ward which is not as per norms.
8. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

27. Compliance Verification Assessment of the physical and the other teaching facilities available for 150 MBBS seats at NRI Medical College & General Hospital, Guntur under Dr. NTR University of Health Sciences, Vijayawada.

Read: the matter with regard to compliance Verification Assessment of the physical and the other teaching facilities available for 150 MBBS seats at NRI Medical College & General Hospital, Guntur under Dr. NTR University of Health Sciences, Vijayawada.

The Executive Committee of the Council considered the compliance verification assessment report (02.07.2015) for 150 seats along with assessment report (19th & 20th January, 2015 and 16th April, 2015) and noted the following:-

1. Shortage of Residents is 24.3 % as detailed in the report.
2. Bed occupancy on day of assessment is 65 % on day of assessment. In wards, there are less number of patients than requirements.
3. Nurses' Hostel: Rooms are 4 seater which is not as per norms. Deficiency remains as it is.
4. MRD is not yet fully computerized. Deficiency remains as it is.
5. Casualty: Past records are not available. There is no monthly record in Casualty O.T. In record, 1 LSCS was observed without any date.
6. Central Registry was unable to show record of Unitwise & datewise OPD patients of 14th & 15th January.
7. Data provided by the institute for Casualty attendance appear to be inflated. On verification at 11:30 a.m., only 3 patients were seen in casualty ward & total admissions were 7 only.
8. Birth record of Panchayat was available upto 26/06/2015 while assessment was carried out on 02/07/2015.
9. On verification in X-ray department, it was observed that there were number of entries missing and there was no mention of name, Unit & other relevant information.
10. Data provided by institute in respect of laboratory investigations appear to be inflated. There were only 130 samples of indoor patients received in the laboratory upto 12:45 p.m.
11. Pharmacy did not have any record of free drugs dispensed and it was unable to show total dispensing of drugs & injections monthwise in the hospital.
12. Resuscitation measures were not available in Radiodiagnosis department for MRI/CT patients.
13. Hostel possession letter & bank account details were not available for 33 Senior Residents. In respect of one Senior Resident, Dr. K. Lata, appointment letter is dated 01/01/2014 but quarter allotment letter is dated 01/09/2014. In respect of one Senior Resident, Dr. M. Madhavi, appointment letter is dated 06/08/2011 but quarter allotment letter is dated 01/09/2014. Contention of the institute that they were unable to provide bank account details as it was a surprise assessment cannot be accepted as the institute could have provided details of payment into respective bank accounts. Contention of the institute that Bank account details & Resident Quarter Occupancy Letter do not form part of Assessors' Guidelines & MCI Regulations also cannot be accepted as the Assessors have full authority to verify any information submitted by the institute and these details form part of normal verification.
14. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

28. Recognition/approval of Subharti Medical College, Meerut for awarded of MBBS degree granted by Swami Vivekanand Subharti University, Meerut against increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to recognition/approval of Subharti Medical College, Meerut for awarded of MBBS degree granted by Swami Vivekanand Subharti University, Meerut against increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council perused the opinion from the Law Officer which reads as under:-

"...2. In this regard, it may be noted that the recommendation made by the Council to the Central Government for denial of permission for increase in intake from 100 to 150 MBBS seats annually was subject matter of challenge before the Hon'ble High Court of Allahabad in Writ-C No. 37292 of 2014. The Hon'ble High Court was pleased to set quash the order dated 15.07.14 of the Central Government (Flag S-1) Aggrieved by this the Council had preferred SLP in the matter and the Hon'ble Supreme Court was pleased to stay the operation and implementation of the impugned judgment. (Flat S-2). The case as on date is pending in the Hon'ble Supreme Court.

3. As far as academic session 2015-16 is concerned the Council Office is not in receipt of any Petition/Order of any Hon'ble High Court/Supreme Court. Neither is there any reference to any Court Order in the letter dated 09.06.2015 of the Principal and Dean of the Subharti Medical College."

The Committee also perused the letter from the Dean dt. 09/06/2015 which reads as under:

"1. Recommendation to the Central Government not to recognize/approve Subharti Medical College, Meerut for the award of MBBS degree against increased intake from 100 to 150:-

The above mentioned recommendation is based on the reason that the College Authorities did not allow the team of Assessors to carry out the Compliance verification inspection on 30.04.2015.

It is correct that we declined the inspection vide our letter no. SMC/G/M-60/481 dated 30.04.2015 on the advice of our advocate. We had to take the advice of the advocate because we had complained to the MCI and the Central Government, against the attitude of the Assessors of MCI, who conducted assessment on 16th & 17th March 2015. We had not received any reply from either of the authorities and therefore we were apprehensive that the new team of Assessors may also have the same attitude.

However, a meeting of the higher authorities including the Hon'ble President of the promoter Trust, the Hon'ble Vice Chancellor and the undersigned took place in which it was resolved that just because of the attitude of any Assessor we should not lose faith in MCI. It was further resolved that we do not challenge the right of the MCI to conduct inspection any time.

In view of the above mentioned resolutions the undersigned regrets to have refused inspection of the College on 30.04.2015 and request the MCI to conduct the inspection to verify the Compliance dated 29.04.2015 whenever it wishes.

2. Not to consider the Institute for processing applications for postgraduate courses in the current academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by the Institute should not be made.

Your honor has given the reference of clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which provides that, 'if it is observed during any regular inspection of the institute that the deficiency of the teaching faculty and/or residents is more than 10 percent and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the academic year and will be issued show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized.

In this reference we state that It has been made clear in our Compliance letter that the deficiency of teaching faculty and residents was much less than 10% and the bed occupancy was more than 80% on the day of inspection i.e. on 16th-17th March 2015, therefore the provisions of the said regulation are not applicable on us.

We once again reiterate that we are requesting the MCI to conduct Compliance verification inspection to verify our submissions any time it wishes."

It was also observed by the Executive Committee that last date prescribed under the Regulations for sending recommendation to the Central Govt. for Academic Year 2015-2016 is already over on 15/05/2015.

It was further observed that the Regulations being Statutory Regulations are mandatory and binding in character and are required to be strictly adhered to by all the authorities. The operative part of the order of Hon'ble Supreme Court in Mridul Dhar's case is as under:

"1-13.

14. Time schedule for establishment of new college or to increase intake in existing college, shall be adhered to strictly by all concerned.

15. Time schedule provided in Regulations shall be strictly adhered to by all concerned failing which defaulting party would be liable to be personally proceeded with."

The relevant operative part of the order of Hon'ble Supreme court in Priya Gupta's case is as under:

30. Thus, the need of the hour is that binding dicta be prescribed and statutory regulations be enforced, so that all concerned are mandatorily required to implement the time schedule in its true spirit and substance. It is difficult and not even advisable to keep some windows open to meet a particular situation of exception, as it may pose impediments to the smooth implementation of laws and defeat the very object of the scheme. These schedules have been prescribed upon serious consideration by all concerned. They are to be applied *stricto sensu* and cannot be moulded to suit the convenience of some economic or other interest of any institution, especially, in a manner that is bound to result in compromise of the above- stated principles. Keeping in view the contemptuous conduct of the relevant stakeholders, their cannonade on the rule of merit compels us to state, with precision and *esemplastically*, the action that is necessary to ameliorate the process of selection. Thus, we issue the following directions in rem for their strict compliance, without demur and default, by all concerned.

i) The commencement of new courses or increases in seats of existing courses of MBBS/BDS are to be approved/recognised by the Government of India by 15th July of each calendar year for the relevant academic sessions of that year.

ii) The Medical Council of India shall, immediately thereafter, issue appropriate directions and ensure the implementation and commencement of admission process within one week thereafter.

iii) After 15th July of each year, neither the Union of India nor the Medical or Dental Council of India shall issue any recognition or approval for the current academic year. If any such approval is granted after 15th July of any year, it shall only be operative for the next academic year and not in the current academic year. Once the sanction/approval is granted on or before 15th July of the relevant year, the name of that college and all seats shall be included in both the first and the second counseling, in accordance with the Rules.

iv) Any medical or dental college, or seats thereof, to which the recognition/approval is issued subsequent to 15th July of the respective year shall not be included in the counseling to be

conducted by the concerned authority and that college would have no right to make admissions in the current academic year against such seats.

v) The admission to the medical or dental colleges shall be granted only through the respective entrance tests conducted by the competitive authority in the State or the body of the private colleges. These two are the methods of selection and grant of admission to these courses. However, where there is a single Board conducting the state examination and there is a single medical college, then in terms of clause 5.1 of the Medical Council of India Eligibility Certificate Regulations, 2002 the admission can be given on the basis of 10+2 exam marks, strictly in order of merit.

vi) All admissions through any of the stated selection processes have to be effected only after due publicity and in consonance with the directions issued by this Court. We vehemently deprecate the practice of giving admissions on 30th September of the academic year. In fact, that is the date by which, in exceptional circumstances, a candidate duly selected as per the prescribed selection process is to join the academic course of MBBS/BDS. Under the directions of this Court, second counseling should be the final counseling, as this Court has already held in the case of Ms. Neelu Arora & Anr. v. UOI & Ors. [(2003) 3 SCC 366] and third counseling is not contemplated or permitted under the entire process of selection/grant of admission to these professional courses.

vii) If any seats remain vacant or are surrendered from All India Quota, they should positively be allotted and admission granted strictly as per the merit by 15th September of the relevant year and not by holding an extended counseling. The remaining time will be limited to the filling up of the vacant seats resulting from exceptional circumstances or surrender of seats. All candidates should join the academic courses by 30th September of the academic year.

viii) No college may grant admissions without duly advertising the vacancies available and by publicizing the same through the internet, newspaper, on the notice board of the respective feeder schools and colleges, etc. Every effort has to be made by all concerned to ensure that the admissions are given on merit and after due publicity and not in a manner which is ex-facie arbitrary and casts the shadow of favouritism.

ix) The admissions to all government colleges have to be on merit obtained in the entrance examination conducted by the nominated authority, while in the case of private colleges, the colleges should choose their option by 30th April of the relevant year, as to whether they wish to grant admission on the basis of the merit obtained in the test conducted by the nominated State authority or they wish to follow the merit list/rank obtained by the candidates in the competitive examination collectively held by the nominated agency for the private colleges. The option exercised by 30th April shall not be subject to change. This choice should also be given by the colleges which are anticipating grant of recognition, in compliance with the date specified in these directions.

31. All these directions shall be complied with by all concerned, including Union of India, Medical Council of India, Dental Council of India, State Governments, Universities and medical and dental colleges and the management of the respective universities or dental and medical colleges. Any default in compliance with these conditions or attempt to overreach these directions shall, without fail, invite the following consequences and penal actions:-

a) Every body, officer or authority who disobeys or avoids or fails to strictly comply with these directions stricto sensu shall be liable for action under the provisions of the Contempt of Courts Act. Liberty is granted to any interested party to take out the contempt proceedings before the High Court having jurisdiction over such Institution/State, etc.

b) The person, member or authority found responsible for any violation shall be departmentally proceeded against and punished in accordance with the Rules. We make it clear that violation of these directions or overreaching them by any process shall tantamount to indiscipline, insubordination, misconduct and being unworthy of becoming a public servant.

c) Such defaulting authority, member or body shall also be liable for action by and personal liability to third parties who might have suffered losses as a result of such default.

d) There shall be due channelization of selection and admission process with full cooperation and coordination between the Government of India, State Government, Universities, Medical Council of India or Dental Council of India and the colleges concerned. They shall act in tandem and strictly as per the prescribed schedule. In other words, there should be complete harmonisation with a view to form a uniform pattern for concerted action, according to the framed scheme, schedule for admission and regulations framed in this behalf.

e) The college which grants admission for the current academic year, where its recognition/approval is granted subsequent to 15th July of the current academic year, shall be liable for withdrawal of recognition/approval on this ground, in addition to being liable to indemnify such students who are denied admission or who are wrongfully given admission in the college.

f) Upon the expiry of one week after holding of the second counseling, the unfilled seats from all quotas shall be deemed to have been surrendered in favour of the respective States and shall be filled thereafter strictly on the basis of merit obtained in the competitive entrance test.

g) It shall be mandatory on the part of each college and University to inform the State and the Central Government/competent authority of the seats which are lying vacant after each counseling and they shall furnish the complete details, list of seats filled and vacant in the respective states, immediately after each counseling.

h) No college shall fill up its seats in any other manner."

In view of above, the Executive Committee of the Council decided to verify compliance by compliance verification assessment only for the purpose of notice u/s 8(3)(1)(c).

29. Recognition/Approval of Sikkim Manipal Institute of Medical Sciences, Sikkim for the award of MBBS degree granted by Sikkim Manipal University, Gangtok, Sikkim against the increased intake i.e. from 50-100 seats u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to recognition/approval of Sikkim Manipal Institute of Medical Sciences, Sikkim for the award of MBBS degree granted by Sikkim Manipal University, Gangtok, Sikkim against the increased intake i.e. from 50-100 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee decided to defer the consideration of the matter as the matter is subjudice and listed for final hearing on 18th August, 2015.

30. Change of University Affiliation from Utkal University to Siksha 'O' Anusandhan University in respect of students being trained at Institute of Medical Sciences and SUM Hospital, Bhubaneswar, Odisha.

Read: the matter with regard to change of University Affiliation from Utkal University to Siksha 'O' Anusandhan University in respect of students being trained at Institute of Medical Sciences and SUM Hospital, Bhubaneswar, Odisha.

The Executive Committee of the Council considered the letter dated 27/05/2015 from the Central Govt., Ministry of Health & F.W. enclosing therewith letter dated 09/03/2015 received from Vice-Chancellor, Siksha 'O' Anusandhan University and observed that the Executive Committee at its meeting held on June 1988 had decided as under:-

"No inspection is required where there is change of name and change of affiliation of the University or the college whose medical qualifications are already recognized and included in the 1st schedule to the IMC Act, 1956 unless the Executive Committee decided otherwise".

The Executive Committee observed that the first batch under Shiksha "O" Anusandhan University was admitted in 2009-2010 which appeared for III M.B;B.S. Part II examination in 2013 & completed the internship in 2014-2015. It is an admitted fact by the institute that no formal application was made by the institute in 2013 when this batch appeared in III M.B;B.S. Part II examination. Now the institute has made the request.

The Committee further noted that Institute of Medical Sciences & SUM Hospital, Bhubaneswar is recognized medical college for the award of MBBS degree granted by Utkal University.

In view of above, the Executive Committee of the Council decided that the institute be asked to submit the certificate / approval from University Grants

Commission with regard to formation of Siksha 'O' Anusandhan University, Odisha for further consideration of the matter.

31. Re-joining of Mr. Amin Ahmad Zourequi, Yemini National in MBBS course at M.G.M. Medical College, Indore.

Read: the matter with regard to re-joining of Mr. Amin Ahmad Zourequi, Yemini National in MBBS course at M.G.M. Medical College, Indore.

The Executive Committee of the Council observed that in similar cases in the past, it has been decided as under:

"In this connection, it is stated that the matter with regard to re-joining/re-admission was considered by the Executive Committee of the Council at its meeting held on 2/3/2015 and the Committee decided as under:-

"The Executive Committee of the Council observed that the matter with regard to re-admission of Ms. George Nisha TK George, Jubilee Mission Medical College & Research Institute, Thrissur after long leave was placed before the Executive Committee of this Council at its meeting held on 1/10/2014 and the Committee decided as under:-

"The Executive Committee of the Council considered the letter dated 7/6/2014 of the Registrar, University of Calicut with regard to re-admission of Ms. George Nisha TK George, Jubilee Mission Medical College & Research Institute, Thrissur and decided to allow Ms. George Nisha TK in the MBBS course since she was admitted to final MBBS course during 2013 after availing long leave on medical grounds.

Further, the Executive Committee decided that a policy needs to be formulated regarding joining/re-admission of candidates to MBBS course and to obtain legal opinion on what should be the duration of the leave allowed."

The Executive Committee of the Council also perused the opinion of Law Officer, the operative part of which reads as under:

"Clause 12 (1) of the Graduate Medical Education Regulations, 1997 provides as under:-

"ATTENDANCE: 75% attendance in a subject for appearing in the examination is compulsory inclusive of attendance in non-lecture teaching i.e. seminars, group discussions, tutorials, demonstrations, practicals, hospital (Tertiary Secondary, Primary) posting and bed side clinics etc."

As such the concept of leave of any kind whatsoever was not envisaged in the MBBS course. Further, the Regulations do not provide for any time-limit in which the MBBS course is required to be completed. Hence, for an MBBS student, who owing to an exigency/exceptional circumstances has left the course in between, can be permitted to resume his studies from the point from where he had left the course. The course can be completed by him after meeting the attendance requirement. In this regard, no duration for the gap period is required to be provided for, as the Regulations do not prescribe the time duration in which the MBBS course of four and a half years with an additional internship of one year is required to be completed."

In view of above, the Executive Committee of the Council decided to allow the application of these three (3) candidates and permit them to resume their studies."

In view of above, the Executive Committee of the Council decided to allow Mr. Amin Ahmed Zourequi to rejoin M.B;B.S. course and to resume his study.

32. Change of name of Veer Surendra Sai Medical College & Hospital, Burla to Veer Surendra Sai Institute of Medical Sciences and Research, Burla.

Read: the matter with regard to change of name of Veer Surendra Sai Medical College & Hospital, Burla to Veer Surendra Sai Institute of Medical Sciences and Research, Burla.

The Executive Committee of the Council considered the letter dated 24.04.2015 from the Director, VSS Institute of Medical Sciences and Research, Burla enclosing Notification No. 31961/h Dt. 23.12.2014 of Commissioner-cum-Secretary to Govt. health & F.W. Deptt. Published in Odisha Gazette on Dt. 18.12.2013 stating that henceforth "Veer Surendra Sai Medical College & Hospital, Burla has been declared as "Veer Surendra Sai Institute of Medical Sciences and Research, Burla". The Committee observed that the Executive Committee at its meeting held on June 1988 had decided as under:-

"No inspection is required where there is change of name and change of affiliation of the University or the college whose medical qualifications are already recognized and included in the 1st schedule to the IMC Act, 1956 unless the Executive Committee decided otherwise".

The Executive Committee of the Council further noted that Veer Surendra Sai Medical College & Hospital, Burla is recognized medical college for the award of MBBS degree.

In view of above, the Executive Committee of the Council decided to approve the request of the Director, VSS Institute of Medical Sciences and Research, Burla with regard to change of name of the college from "Veer Surendra Sai Medical College & Hospital, Burla" to "Veer Surendra Sai Institute of Medical Sciences and Research, Burla".

The Committee further decided to place the matter before the General Body of the Council.

33. Re-joining/Re-admission of 1st year MBBS student Mast. Rishabh Kumar Singh, of Goa Medical College, Goa.

Read: the matter with regard to re-joining/re-admission of 1st year MBBS student Mast. Rishabh Kumar Singh, of Goa Medical College, Goa.

The Executive Committee of the Council observed that in similar cases in the past, it has been decided as under:

"In this connection, it is stated that the matter with regard to re-joining/re-admission was considered by the Executive Committee of the Council at its meeting held on 2/3/2015 and the Committee decided as under:-

"The Executive Committee of the Council observed that the matter with regard to re-admission of Ms. George Nisha TK George, Jubilee Mission Medical College & Research Institute, Thrissur after long leave was placed before the Executive Committee of this Council at its meeting held on 1/10/2014 and the Committee decided as under:-

"The Executive Committee of the Council considered the letter dated 7/6/2014 of the Registrar, University of Calicut with regard to re-admission of Ms. George Nisha TK George, Jubilee Mission Medical College & Research Institute, Thrissur and decided to allow Ms. George Nisha TK in the MBBS course since she was admitted to final MBBS course during 2013 after availing long leave on medical grounds.

Further, the Executive Committee decided that a policy needs to be formulated regarding joining/re-admission of candidates to MBBS course and to obtain legal opinion on what should be the duration of the leave allowed."

The Executive Committee of the Council also perused the opinion of Law Officer, the operative part of which reads as under:

"Clause 12 (1) of the Graduate Medical Education Regulations, 1997 provides as under:-

"ATTENDANCE: 75% attendance in a subject for appearing in the examination is compulsory inclusive of attendance in non-lecture teaching i.e. seminars, group discussions, tutorials, demonstrations, practicals, hospital (Tertiary Secondary, Primary) posting and bed side clinics etc."

As such the concept of leave of any kind whatsoever was not envisaged in the MBBS course. Further, the Regulations do not provide for any time-limit in which the MBBS course is required to be completed. Hence, for an MBBS student, who owing to an exigency/exceptional circumstances has left the course in between, can be permitted to resume his studies from the point from where he had left the course. The course can be completed by him after meeting the attendance requirement. In this regard, no duration for the gap period is required to be provided for, as the Regulations do not prescribe the time duration in which the MBBS course of four and a half years with an additional internship of one year is required to be completed."

In view of above, the Executive Committee of the Council decided to allow the application of these three (3) candidates and permit them to resume their studies."

In view of above, the Executive Committee of the Council decided to allow Mr. Rishabh Kumar Singh to rejoin M.B.B.S. course and to resume his study.

34. Approval of the proceedings of the Ethics Committee meetings.

Read: the matter with regard to approval of the proceedings of the Ethics Committee meetings.

The Executive Committee of the Council perused the proceedings of the Ethics Committee meetings and observed the following:-

1. Case No. 3 of 6th & 7th April 2015: Investigation of case – Shri Guru Ram Rai Institute, Dehradun

The Executive Committee noted that 23 teachers who were shown as full time faculty at Shri Guru Ram Rai Institute, Dehradun but were actually part time teachers and have admitted so in their statements before Ethics Committee have been given the penalty of "Warning" only while 4 teachers have been awarded punishment of debarring from taking any teaching/administrative assignment for 5 years.

The Executive Committee after due deliberations decided that punishment of "Warning" in such a case where the teacher who is actually coming only part time but shows himself as full time faculty in a medical college is not enough as such practice undermines standards of medical education set by Medical Council of India.

The matter is referred back for reconsideration with the above observation.

2. Case No. 13 of 6th & 7th April 2015: Appeal filed by Smt. Sumitra Murmu (Hembram) against order of West Bengal Medical Council.

Approved.

3. Case No. 20 of 6th & 7th April 2015: Appeal filed by Shri Voggu Balaprasad against order of A.P. Medical Council.

Approved.

4. Case No. 22 of 6th & 7th April 2015: Dr. C. Venkatesh, Senior Resident, JSS Medical College, Mysore.

Approved

5. Case No. 10 of 21st & 22nd April 2015: Compliant filed by Mr. M. Rudra against Dr. Amitava Sengupta.

Approved.

6. Case No. 5(1) of 29th & 30th April 2015: Working of Dr. H.V. Prasad, Professor of General Medicine, Oxford Medical College, Bangalore at more than 1 medical college simultaneously.

From the facts narrated, it is not clear whether they have been verified from Declaration Form submitted by Dr. H.V. Prasad at the time of assessment of Oxford Medical College or not. They be verified with the respective D.F., particularly with regard to relieving order from MVJ Medical College, Bangalore & whether the fact of his appearance during assessment at MVJ Medical College was mentioned in the D.F. submitted by him during assessment at Oxford Medical College.

Matter be reexamined in view of above observation & resubmitted.

7. Case No. 5(2) of 29th & 30th April 2015: Working of Dr. H.S. Somasekar, Vice principal & Professor of Pharmacology, Oxford Medical College, Bangalore at more than 1 medical college simultaneously.

From the facts narrated, it is not clear whether they have been verified from Declaration Form submitted by Dr. H.S. Somasekar at the time of assessment of Oxford Medical College or not. They be verified with the respective D.F., particularly with regard to relieving order from JJM Medical College, Davangere & whether the fact of his appearance during assessment at JJM Medical College was mentioned in the D.F. submitted by him during assessment at Oxford Medical College.

Matter be reexamined in view of above observation & resubmitted.

8. Case No. 5(2) of 29th & 30th April 2015: Working of Dr. B.M. Ramyathulasi, Asst. Professor of Obstetrics & Gynaecology, Oxford Medical College, Bangalore at more than 1 medical college simultaneously.

From the facts narrated, it is not clear whether they have been verified from Declaration Form submitted by Dr. B.M. Ramyathulasi at the time of assessment of Oxford Medical College or not. They be verified with the respective D.F., particularly with regard to relieving order from Vydehi Institute, Bangalore & whether the fact of his appearance during assessment at Vydehi Institute was mentioned in the D.F. submitted by him during assessment at Oxford medical College.

Matter be reexamined in view of above observation & resubmitted.

9. Case No. 6(12) of 29th & 30th April 2015: Report of Sub-Committee on fake Declaration Form of Dr. S.C. Gupta, Asso. Prof. of Community Medicine at more than 1 medical college.

Approved.

10. Case No. 6(19) of 29th & 30th April 2015: Report of Sub-Committee on fake Declaration Form of Dr. R.P Agarwal, Professor of Paediatrics at more than 1 medical college.

Not approved. The fact remains that Dr. Ravi Prakash Aggarwal has not disclosed true fact of his appearance during assessment of Rama Medical College in the D.F. submitted by him during assessment of Rohilkhand Medical College. Being unaware about Rule that he has not to appear at more than one college for assessment cannot be a justifiable excuse for giving misleading & false information in D.F. That he was a surplus faculty at Rohilkhand College is also immaterial in this regard.

Matter is referred back for reconsideration.

11. Case No. 6(24) of 29th & 30th April 2015: Report of Sub-Committee on fake Declaration Form of Dr. Parveen Doddamani, Asst. Prof. of Biochemistry at more than 1 medical college.

Decision taken at meeting of 16th & 17th June of debarring Dr. M. Nandeesh from taking up any teaching assignment for 3 years approved.

Further it appears from the submission of Dr. R.J. Korula, Dean, Waynad Medical College that he was relieved on 31/03/2014. In that case he could not have joined at JSS Medical College on 01/02/2014 as stated by Dr. B.M. Balraj, Dean, JSS Medical College, Mysore.

Discrepancy in the date of relief from Waynad Medical College and joining at JSS Medical College, Mysore be verified.

Matter is referred back with above observation for reconsideration.

12. Case No. 6(26) of 29th & 30th April 2015: Report of Sub-Committee on fake Declaration Form of Dr. Anitha T.K., Asst. Professor of Microbiology at more than 1 medical college.

Decision taken at meeting of 16th & 17th June of debarring Dr. Parveen Doddamani from taking up any teaching assignment for 3 years approved.

13. Case No. 6(27) of 29th & 30th April 2015:

Decision taken at meeting of 16th & 17th June of debarring Dr. T.K. Aneetha from taking up any teaching assignment for 3 years approved.

Further it appears from the submission of Dr. R.J. Korula, Dean, Waynad Medical College that she was relieved on 31/03/2014. In that case she could not have joined at JSS Medical College on 11/02/2014 as stated by Dr. B.M. Balraj, Dean, JSS medical College, Mysore.

Discrepancy in the date of relief from Waynad Medical College and joining at JSS Medical College, Mysore be verified.

Matter is referred back with above observation for reconsideration

14. Case No. 6(29) of 29th & 30th April 2015: Report of Sub-Committee on fake Declaration Form of Dr. Mohammed Shahid, Asstt. Professor of Anaesthesia at more than 1 medical college.

Not approved. Dr. Mohammed Shahid has committed the same alleged offence of not disclosing in the Declaration Form submitted during assessment of Devraj Urs Medical College the fact of his appearance at Srinivas Medical College during the same assessment year.

Matter is referred back with above observation for reconsideration

15. Case No. 7(2) of 29th & 30th April 2015: Demand for taking concrete measures to eliminate corruption from private health care sector in the country.

The Executive Committee perused the decision and observed that nothing is incorporated in the decision of Ethics Committee with regard to matter of Capitation fees being charged by private colleges and redesigning of publicly financed health insurance programmes.

Further, the Members of the Executive Committee also observed that Hon'ble Supreme Court has passed various orders banning capitation fees being charged by Medical Colleges. Advisory should also include the extracts from these orders. The provisions of Ethics Code banning kickbacks, etc. should be included in detail in such advisory.

It was further decided to advise Ethics Committee that in 2009, the then EC had constituted a Sub-Committee of 3 members to enquire into an episode of sting operation "Seats for sale scam in two medical colleges" telecast on TV channel "Times Now" on 03.06.2009 showing demand for capitation fee being made on behalf of (1) Sri Ramachandra Medical College & Research Instt., Chennai and (ii) Sri Balaji Medical College & Hospital, Chennai

The report submitted by the above Sub-Committee was fully endorsed by the Executive Committee and the following recommendations in the report were accepted by the Executive Committee at its meeting held on 26.06.2009:-

- i) Let there be a mechanism in place, as early as possible, for one solitary common entrance test to be held for all the medical colleges/institutions/deemed universities be held by one agency designated by the Govt. of India for selection of most meritorious candidates for admission to MBBS seats. It would be relevant to state here that the Executive Committee of the Council in its meeting held on 10th and 11th June, 09 had already made this recommendation and which has also been forwarded to the Govt. of India on 23.06.2009 and decided to reiterate the same.
- ii) Pending that exercise for putting in place an effective and efficient mechanism of holding one solitary common entrance test for selection of students on the basis of their merit for admission in the MBBS course in all the medical institutions all over the country, it is recommended that no medical college/institution/deemed university including these two institutions at Tamil Nadu are allowed to make admissions in the MBBS course on the basis of their own common entrance test and they are compelled to secure the names of the meritorious candidates from the merit list prepared by the respective State Govt. on the basis of the common entrance test conducted by the respective State Govt. authorities.
- iii) It is not possible to accept the version of these two institutions regarding the contents of the TV visuals and it does not appear to be a folly of only one or two individuals and others in the university or in the deemed university as such, has no role to play in this. The local authorities may consider and decide for further inquiry regarding the contents of the TV visuals."

The above exercise may be completed after considering the above observations in the matter as expeditiously as possible and the matter be resubmitted thereafter.

16. Case No. 7(3) of 29th & 30th April 2015: Pharmacist can prescribe medicines in absence of doctors.

The Executive Committee further advised to Ethics Committee to incorporate the following in the letter to be sent to Uttarakhand administration provisions of Indian Degrees Act, relevant portion of which is reproduced below:-

Indian Medical Degrees Act, 1916:

".....Penalty for falsely issuing or using medical titles

6. Whoever voluntarily and falsely assume or uses any title or description or any addition to his name implying that he holds a degree, diploma, license or certificate conferred granted for issued by any authority referred to in section 3 or recognized the General Councils of Medical Education of the United Kingdom or that he is qualified to practice western medical science, shall be punishable with fine which may extend to two hundred and fifty rupees, or if the subsequently commits and is convicted of an offence punishable under this section with fine which may extend to five hundred rupees....."

As well as the judgment of Hon'ble Supreme Court dated 10.05.1996 in the matter of Poonam Verma Vs. Ashwin Patel's relevant portion of which is also reproduced as under:-

"..... 41. A person who does not have knowledge of a particular system of Medicine but practices in that System is a Quack and a mere pretender to medical knowledge or skill, or to put it differently a Charlatan....."

The above exercise may be completed after considering the above observations in the matter as expeditiously as possible and the matter be resubmitted thereafter.

Matter be resubmitted thereafter.

17. Case No. 6 of 13th & 14th May 2015: Appeal filed by Mr. Manish Arya against order of Delhi Medical Council.

Decision of Ethics Committee that affirming decision of Delhi medical Council that *prima facie* no case of be attributed to Dr. K.P. Ganguly approved.

In view of above decision, further decision to issue her "Warning" not approved as "Warning" cannot be given when no case of negligence is made out. Instead Advisory be issued to her to be more conversant and have better communication with the patients & their attendants.

18. Case No. 13 of 13th & 14th May 2015: Fake documents/signature submitted by various medical teachers at the time of assessment of Malla Reddy College for Women, Hyderabad.

Not approved.

Ethics Committee should compare the signatures on attendance sheet & Declaration Forms before coming to any conclusion. Assessors' report should also be seen. It also needs to examine the fact that if the teachers had time to give short signature when attendance sheet was given to them, they certainly could have signed in full at that time which was not done. The excuse that they were busy doing emergency surgery / Anaesthesia cannot be accepted due to this reason. It appears to be clearly an afterthought. Further, it is recorded in the decision of E.C. that Dr. S. Lakshaman was absent in morning upto 11:30 a.m. If so, he could not be administering Anaesthesia to an emergency case. In case of Dr. G. Ashok Kumar, the clerical mistake of typing cannot be accepted as he could not have been appointed as Senior Resident on the facts on record. Further, even when this D.F. was sent to MCI, no such claim was made.

Matter is referred back to reexamine and take appropriate decision in view of above observation.

19. Case No. 19 of 13th & 14th May 2015: W.P. # 95 of 2015 in Hon'ble Supreme Court of India which is a PIL on issue of surrogacy.

Parawise remarks prepared by Ministry of Health & family Welfare be perused by Law Officer and his remarks be obtained.

A Sub-Committee comprising of Chairman, Academic Committee, Law Officer, (2 Members of MCI from the field of O.G.) & Professor & Head of O.G. at AIIMS, JIPMER & 2 more colleges be formed to discuss the issue of surrogacy and to frame guidelines in this regard.

35. **Consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (previously affiliated to Mahatma Gandhi University, Kottayam) in respect of students being trained at Pushpagiri Institute of Medical Sciences & Research Centre, Tiruvalla, Kerala.**

Read: the matter with regard to consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree

granted by Kerala University of Health & Allied Sciences, Thrissur (previously affiliated to Mahatama Gandhi University, Kottayam) in respect of students being trained at Pushpagiri Institute of Medical Sciences & Research Centre, Tiruvalla, Kerala.

The Executive Committee of the Council considered the compliance verification assessment report along with previous report (9th Sept.,2014) and decided to recommend that recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (previously affiliated to Mahatama Gandhi University, Kottayam) in respect of students being trained at Pushpagiri Institute of Medical Sciences & Research Centre, Tiruvalla, Kerala be continued restricting the number of admission to 100 (One Hundred) students.

36. Continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Jubilee Mission Medical College & Research Institute, Thrissur.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Jubilee Mission Medical College & Research Institute, Thrissur.

The Executive Committee of the Council considered compliance verification assessment report (July, 2015) along with previous report (3rd & 4th September, 2014) and noted the following:-

1. Deficiency of Residents is 25 % as detailed in the report.
2. Facility for E class is available only in 1 Lecture Theater. Remaining 3 are without E class facility.
3. Cytopathology workload is only 4 on day of assessment.
4. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Jubilee Mission Medical College & Research Institute, Thrissur and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month. The Committee further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment),2010(Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act,1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by the institute should not be made for

undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

37. Continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Amala Institute of Medical Sciences, Thrissur, Kerala.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Amala Institute of Medical Sciences, Thrissur, Kerala.

The Executive Committee of the Council considered the compliance verification assessment report (6th July, 2015) along with previous report (2nd & 3rd September, 2014) and noted the following :-

1. Shortage of residents is 8.57 % as detailed in the report.
2. Workload of Special investigations like Ba, IVP is NIL on day of assessment.
3. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Amala Institute of Medical Sciences, Thrissur, Kerala and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

38. Continuance of Recognition of MBBS degree granted by Vinobha Bhave University in respect of students being trained at Patliputra Medical College, Dhanbad- Consideration of compliance submitted by the college authorities.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Vinobha Bhave University in respect of students being trained at Patliputra Medical College, Dhanbad.

The Executive Committee of the Council considered the compliance verification assessment report (1st July, 2015) along with the previous assessment report (21st & 22nd March, 2014) and noted the following:-

1. Deficiency of faculty is very high as detailed in report as under:
 - (a) Professor: 33.33 %;
 - (b) Asso. Prof.: 17.4 %;
 - (c) Asst. Prof.: 70 % &
 - (d) Tutors: 34.48 %.
2. Shortage of Residents is as under as detailed in the report:
 - (a) Senior Resident: 43.18 %;
 - (b) Junior Resident: 87.5 %.
3. Lecture Theaters: One lecture theater does not have any A.V. connection.

4. Central Library: Librarian & Deputy Librarian are not available. Deficiency remains as it is. E library is not functioning properly. No Indian & foreign journals are available. Deficiency remains as it is.
5. Residents' Hostel: Accommodation is available only for 15 Residents against requirement of 71 as per Regulations. Deficiency remains as it is.
6. OPD: Staff at registration counter is inadequate. Sterility clinic & Cancer Detection clinic are not available.
7. There is no psychiatry department or faculty. There are only 4 beds against requirement of 8.
8. Bed occupancy is only 50 % which is inadequate.
9. Radiodiagnosis department: There is no faculty. C.T. scan is not available. Special investigations are not performed. Deficiency remains as it is.
10. Serology & Cytology investigations are not performed. Deficiency remains as it is.
11. ICD X classification is not followed for indexing. Deficiency remains as it is.
12. ICUs: SICU & PICU are not available. NICU is inadequate. Deficiency remains as it is.
13. CSSD: It is partially functional. Deficiency remains as it is.
14. RHTC: RHTC is not working. Residential accommodation is non-functional. Deficiency remains as it is.
15. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Vinobha Bhawe University in respect of students being trained at Patliputra Medical College, Dhanbad and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

39. Continuance of recognition of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot, in respect of students being trained at Dayanand Medical College, Ludhiana.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot, in respect of students being trained at Dayanand Medical College, Ludhiana.

The Executive Committee of the Council considered the compliance verification assessment report (7th July, 2015) along with previous assessment reports (9th & 10th May, 2013 and 3rd & 4th June, 2014) and noted the following:-

1. Shortage of Residents is 8.57 % as detailed in the report.
2. Pathology department: It does not have any students' laboratory of its own. One laboratory is shared with Anatomy & another one with Physiology. Deficiency remains as it is.
3. Forensic Medicine department: Autopsy room is shared with pathology department. Deficiency remains as it is.
4. There are NIL normal deliveries on day of assessment.
5. Workload of special investigations like Ba, IVP is NIL on day of assessment.
6. Workload of Histopathology & Cytopathology is not provided.
7. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot, in respect of students being trained at Dayanand Medical College, Ludhiana and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

40. Continuance of recognition of MBBS degree granted by Pravara Institute of Medical Sciences (Deemed University), Loni in respect of students being trained at Rural Medical College, Loni.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Pravara Institute of Medical Sciences (Deemed University), Loni in respect of students being trained at Rural Medical College, Loni.

The Executive Committee of the Council considered the assessment report (9th and 10th July, 2015) and noted the following:-

1. Shortage of Residents is 17.98 % as detailed in the report.
2. Central Library: It is not air-conditioned. Outside reading room has capacity of only 40 against requirement of 200. Number of available Internet nodes is not provided.
3. Interns' Hostel: Available accommodation is for 85 interns only against requirement of 125.
4. Wards: Teaching cubicles are inadequate & underequipped.
5. Number of Minor operations on day of assessment is only 4. Daily average is only 7.
6. Average daily workload of Histopathology & Cytology is only 10 & 7 respectively which is inadequate.
7. ICUs: ICCU & SICU have only 4 beds each against requirement of 5 beds each.
8. Paramedical Staff: Available paramedical & Non-teaching staff is only 61 against requirement of 179 as per Regulations.
9. Physiology department: Only 1 Demonstration room is available against requirement of 2. Preparation rooms for laboratories are not available.
10. Pathology department: Only 1 Demonstration room is available against requirement of 2.
11. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Pravara Institute of Medical Sciences (Deemed University), Loni in respect of students being trained at Rural Medical College, Loni and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month. The Committee further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by the institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

41. Continuance of recognition of MBBS degree granted by Kumaon University, Nainital in respect of students being trained at Government Medical College (Prev.Uttarakhand Forest Hospital Trust Med.Col.), Haldwani.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Kumaon University, Nainital in respect of students being trained at Government Medical College (Prev.Uttarakhand Forest Hospital Trust Med.Col.), Haldwani.

The Executive Committee of the Council considered the assessment report (6th and 7th July, 2015) and noted the following:-

1. Deficiency of faculty is 11.94 % as detailed in the report.
2. Shortage of residents is 31.4 % as detailed in the report.
3. MEU: No workshop in Medical Education Technology has been organized during the year.
4. Lecture Theaters: Facility for E class is not available.
5. Central Library: Area is only 1,125 sq.m. against requirement of 1,600 sq.m. Available seating capacity is only 113 against requirement of 200. Internet nodes available are only 09 which are inadequate. Dy. Librarian is not available.
6. Common Rooms for Boys & Girls are not available.
7. Hostels: There is no A.C. study room with internet & computer in any hostel.
8. OPD: Injection room is common for male & female patients.
9. Number of Major Operations on day of assessment as well as daily average is only 20.
10. MRD: Statistician is not available.
11. Casualty: Separate casualty for O.G. is not available. Ventilator is not available.
12. Only 5 mobile X-ray machines are available against requirement of 6 as per Regulations.
13. Only 2 static X-ray machines are available against requirement of 5 as per Regulations.
14. ETO Sterilizer is not available.
15. Nursing staff: 224 Nursing staff are available against requirement of 247.
16. Physiology department: There is no wash basin in Haematology laboratory. There is deficiency of 5 examination tables in Clinical Physiology laboratory.
17. RHTC: Messing facilities are non-functional.
18. UHC: No other specialist except O.G. is visiting.
19. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Kumaon University, Nainital in respect of students being trained at Government Medical College (Prev.Uttarakhand Forest Hospital Trust Med.Col.), Haldwani and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

42. Amendment in the phase-wise distribution for Requirement to be fulfilled by the Applicant Colleges for obtaining Letter of Intent and Letter of Permission for Establishment of the new Medical Colleges and Yearly Renewal for 200 and 250 seats under Section 10A of the IMC Act, 1956.

Read: the matter with regard to amendment in the phase-wise distribution for Requirement to be fulfilled by the Applicant Colleges for obtaining Letter of Intent and Letter of Permission for Establishment of the new Medical Colleges and Yearly Renewal for 200 and 250 seats under Section 10A of the IMC Act, 1956.

The Executive Committee of the Council noted that the Council Office has prepared the phase-wise for 200 and 250 admissions. On perusal of the said documents, the Committee approved the revised amendment in the phase-wise distribution for requirement to be fulfilled by the applicant college for obtaining LOI & LOP except under Sl.No.10 wherein "Bed occupancy%" should be read as 75% instead of 60%.

43. Report of the Sub Committee constituted to consider the matter with regard to medical colleges which have been investigated by CBI/CVO.

Read: the matter with regard to report of the Sub Committee constituted to consider the matter with regard to medical colleges which have been investigated by CBI/CVO.

The Executive Committee of the Council deferred the consideration of the matter for the next meeting.

44. Report of the Sub Committee regarding Fake Faculty declaration forms for the academic year 2014-15 where name of doctors appeared in more than one medical college.

Read: the matter with regard to report of the Sub Committee regarding Fake Faculty declaration forms for the academic year 2014-15 where name of doctors appeared in more than one medical college.

The Executive Committee of the Council accepted the report of Sub-Committee certifying that no further declaration forms of fake faculty for the academic year 2014-15 are pending for scrutiny as well as no further action is required in the matter of Dr. S. Bilquees.

The Committee further decided that the matter of Dr. L.K. Mishra be placed before Ethics Committee for further necessary action.

45. Letter from Sh. Amit Biswas-regarding VIP references.

Read: the matter with regard to letter from Sh. Amit Biswas-regarding VIP references.

The Executive Committee of the Council perused the Item No. (iv) of the said letter from Dr. Boora Narsaiah Goud, Hon'ble Member of Parliament, (Lok Sabha) requesting to initiate the progress of establishing "All India Medical Administrative Services" on lines of IAS and IPS. The Executive Committee further noted that the matter had been referred to the Academic Cell.

The Chairman, Academic Cell scrutinized various reports including Dr. S. Radhakrishnan report of the University Education Commission published by

Ministry of Education, Govt. of India, 1962 and Bajaj Committee report, 1986 and noted that no references could be seen on the above matter in these reports and therefore decided to refer the matter to the Executive Committee for its consideration.

The Executive Committee noted that a letter dated 12.06.2015 received from the Central Govt. forwarding 4 VIP references pertaining to following issues:-

1.A letter dated 30.12.2014 received from Dr. V.K. Singh, Hon'ble Minister of State for External Affairs & Overseas Indian Affairs requesting to examine a representation from Indo-Nepal Doctors Association as enclosed with the letter. The Association has requested to recognize all the UG and PG medical degrees of Nepal in the line of 5 English Speaking countries already exempted from Screening Test.

2.A letter dated 19.2.2015 received from Shri Syed Shahnawaz Hussain, Ex-Member of Parliament requesting to consider a representation from Integral University, Lucknow which has submitted that MCI has issued a discharge notice against admission of 72 students in the academic year 2013-14 on the grounds that these students have been admitted with less than 50% marks in PMT.

3.A letter dated 21.03.2015 received from Sh. Nitin Gadkari, Hon'ble Minister of Road Transport, Highways and Shipping requesting to consider a proposal of permitting new private medical colleges to use District Govt. Hospitals also enclosing therewith a representation from Sh. Anandrao Adsul on the same issue.

4.A letter dated 16.03.2015 received from Dr. Boora Narsaiah Goud, Hon'ble Member of Parliament (Lok Sabha) requesting to initiate process of establishing 'All India Medical Administrative Services' on lines of IAS and IPS.

The Executive Committee noted that issues from (i) to (iii) have been dealt with by different sections of the Council and replies have been accordingly sent.

The Executive Committee of the Council further noted that the academic committee has not completed the task assigned to it with regard to establishing "All India Medical Administrative Services" on lines of IAS and IPS and therefore decided to advise it to complete the task and submit the report at the earliest.

46. Minutes of the Academic Committee meeting held on July 14, 2015-approval of.

Read: the matter with regard to Minutes of the Academic Committee meeting held on July 14, 2015.

The Executive Committee of the Council approved the minutes of the Academic Committee meeting held on July 14, 2015 except item no. 7 and modified the same as under:-

- (a) **Indexing agencies:** Scopus, PubMed, Medline, Embase/Excerpta Medica, Index medicaus and Index copernicus
- (b) **Types of articles to be considered:** Original research articles and original research papers.

- (c) **Criteria for National/International journal:** Published by a National/ International- Speciality Journal/ Journal of a National/ International Society provided it included in one of the Indexes mentioned above.
- (d) **Authorship:** First author, second author.
- (e) **e-journals:** e-journals not included

The above would also be applicable for “accepted for publication” papers/articles.

47. Amendment in the “Minimum Qualifications for Teachers in Medical Institutions Regulations, 1998 regarding grant of Equated Teaching Designation to Specialists and Medical Officers for North Delhi Municipal Corporation Hospital.

Read: the matter with regard to amendment in the “Minimum Qualifications for Teachers in Medical Institutions Regulations, 1998 regarding grant of Equated Teaching Designation to Specialists and Medical Officers for North Delhi Municipal Corporation Hospital.

The Executive Committee of the Council perused the report of the Sub-Committee and decided not to accept the same and reiterated its earlier decision taken at its meeting held on 04.06.2015 which reads as under:-

“The Executive Committee of the Council observed that 16 March 2005 amendment of PG Regulations was for granting teaching designations only in respect of those institutions where PG courses affiliated to Universities were already running. It neither contemplated nor envisaged granting of teaching designations to those institutions where PG courses were not running or to new institutes being established de novo. This amendment is still in vogue and its benefit can only be granted to such institutes which were affiliated to Universities and where PG courses were running. Therefore merely making 2012 amendment generic would not serve any purpose if the conditions laid down in 2005 amendment are not met.

Further, this amendment of 2005 was further amended on 17/11/2009 which prescribed that “such conferment of the nomenclature of the designation/status of postgraduate medical teachers shall be awarded only to those many number of consultants in the concerned hospital/institution so as to fulfill the minimum requirement for imparting Postgraduate Medical Education to the sanctioned annual intake of the respective Govt. Hospital/Institute. “This amendment is also in vogue.”

48. Minutes of TEQ Sub-Committee at its meeting held on-17.06.2015.

Read: the matter with regard to Minutes of TEQ Sub-Committee at its meeting held on-17.06.2015.

The Executive Committee of the Council approved the minutes of TEQ Sub-Committee held on 17.06.2015 with regard to item Nos. 4,5,8 & 12. For the remaining items, the Executive Committee observed as under pointwise:-

- Item No. 3. It was decided that as this criteria are applied on uniform basis for all persons having working abroad anywhere; hence the question of discrimination to Indian doctors working in Nepal does not arise and does not require any reconsideration.
- Item No. 6. Facts are not clear. Is it that Dr. Nitin Joshi wants eligibility for post of Asso. Prof./Asst. Prof. in Paediatric Oncology even though he possesses qualification in Medical Oncology ? Further whether Paediatric Oncology is included in the schedule may also be verified and the entire matter be reexamined & resubmitted accordingly.
- Item No. 7. It was observed that the TEQ committee has not given any detail reasons and justification for withdrawing communication dt.

13.03.2015. The item be placed again with all the facts, including decision dt. 13/03/2015 & agenda material considered for taking the decision and detail reasons and justification for withdrawing the same.

- Item No. 9. It was observed that matter is seized with the administration and grievance committee.
- Item No.10. Not approved. Provisions of TEQ Regulations are very clear & uniform & are applicable throughout India. Hence there is no necessity of repeating the exercise.
- Item No.11. Title of item mentions about Dr. Vyshak & Dr. Pramod only. The name of Dr. Narendra does not appear in the title. The eligibility has to be determined with reference to eligibility at the time of appointment & not what happens afterwards. accordingly Dr. Narendra is not eligible to be appointed as sr. Resident. The decision in reference to Dr. Vyshak & Dr. Pramod is approved
- Item No.13. It was observed that matter is seized with the administration and grievance committee.
- Item No. 14. Full facts including PG degree and there teaching experience are not incorporated in the decision. Matter be resubmitted along with these facts. It may also be clarified how matter of eligibility of a teacher was placed before Academic Committee when it is TEQ sub-committee who has to decide.

49. Non-Compliance with regard to discharge notice of MBBS students admitted at A.N. Magadh Medical College, Patna for the academic year 2014-15.

Read: the matter with regard to non-compliance with regard to discharge notice of MBBS students admitted at A.N. Magadh Medical College, Patna for the academic year 2014-15.

The Executive Committee of the Council decided to defer the consideration of the matter for want of details regarding eligibility/discharge of Ms. R.R. Marak and further decided to take the matter in the next meeting.

50. Consultants engaged by the Council may be construed as the officials of the Council.

Read: the matter with regard to consultants engaged by the Council may be construed as the officials of the Council.

The Executive Committee of the Council observed that presently following Consultants have been engaged by the Council on the consolidated monthly payment: -

1. Dr. Rajalakshmi (Academic Cell)
2. Dr. S. Barik (Assessment Cell)
3. Dr. Chandana Das (Assessment Cell)
4. Dr. Seema Madan (PG Section)

The Committee further noted that due to the shortage of manpower the above Consultants are working in the respective sections full time and various files are dealt with by them.

In view of above, the Executive Committee of the Council decided that they may be construed as Officials of the Council as long as they are engaged so that they may be able to sign the official documents as per requirement of the Council.

51. Approval of the Minutes of the Administration and Grievance Committee Meetings held on 24/04/2015 & 29/06/2015.

Read: the matter with regard to approval of the minutes of the Administration and Grievance Committee meetings held on 24/04/2015 & 29/06/2015.

The Executive Committee of the Council perused the minutes of Administration and Grievance Committee meetings held on 24/04/2015 & 29/06/2015 and observed as under pointwise:-

A. Meeting dated 24.04.2015

Item No. 1 Approved.

Item No.2 Approved.

Item No.3 Approved.

Item No.4 Approved; however when the matter is of University examination, award of grace marks is a function of University & not of college. Grace marks have to be awarded as per Regulations & Ordinances of University, subject to fulfillment of GME Regulations of MCI. Even if a student has committed suicide because she failed by 5 marks in Medicine at University examination, it is difficult to comprehend how college authorities can be held responsible. This aspect be examined by sub-committee.

Item No.5 It is felt that colleges are taking too long a time in replying to queries of MCI with regard to complaints of ragging. A last opportunity be given to all such colleges with a clear stipulation that if they fail to respond, the complaint will be decided ex-parte on basis of available record after giving one reminder after initial communication.

Item No.6 Approved.

B: Meeting Dt. 29/06/2015:

Item No.1 Approved.

Item No.2 Approved.
See item # 5 in the meeting dt. 24/04/2015 above.

Item No.3 Approved; however when the matter is of University examination, its conduct is a function of University & not of college. In case of alleged misconduct at University examination, it is difficult to comprehend how college authorities can be held responsible. This aspect be examined by sub-committee.

Item No. 4 Approved.

Item No.5 Deferred.

52. Approval of the minutes of the Monitoring Sub-Committee meeting held on 17/06/2015.

Read: the matter with regard to approval of the minutes of the Monitoring Sub-Committee meeting held on 17/06/2015.

The Executive Committee of the Council perused the minutes of Monitoring Sub-Committee meeting held on 17/06/2015 and observed as under pointwise:-

Item No. 1. Approved.

Item No. 2. Not Approved in view of Mridul Dhar Vs. Union of India judgement dated 12.01.2005, relevant portion of which is quoted below:

....."11. If any private medical college in a given academic year for any reason grants admission in its management quota in excess of its prescribed quota, the management quota for the next academic year shall stand reduced so as to set off the effect of excess admission in the management quota in the previous academic year".....

However, eligibility of the candidates may be reviewed in terms of their qualifying marks in the common entrance exam and matter be resubmitted.

Item No. 3. Approved.

Item No. 4. The qualifying marks of candidate no. 6 & 7 be obtained and decision be taken accordingly.

Item No. 5. Approved.

Item No. 6. Approved.

Item No. 7. Approved.

Item No. 8. Approved. Also, marks obtained at Qualifying Examination & CET be obtained.

Item No. 9. Approved.

Item No. 10. Approved.

Item No. 11. Approved.

Item No. 12. Approved.

Item No.13. Not approved in view of Mridul Dhar Vs. Union of India judgement dated 12.01.2005, relevant portion of which is quoted below:

....."11. If any private medical college in a given academic year for any reason grants admission in its management quota in excess of its prescribed quota, the management quota for the next academic year shall stand reduced so as to set off the effect of excess admission in the management quota in the previous academic year".....

Therefore, even if candidates from management quota are admitted on vacant seats of State quota, neutralization formula has to be adopted. Accordingly, State Quota for next year has to be increased by corresponding number of seats. DMER has to be

informed accordingly and college be directed to submit compliance of the same.

Item No. 14. Approved.

Item No.15. Not approved in view of Mridul Dhar Vs. Union of India judgement dated 12.01.2005, relevant portion of which is quoted below:

....."11. If any private medical college in a given academic year for any reason grants admission in its management quota in excess of its prescribed quota, the management quota for the next academic year shall stand reduced so as to set off the effect of excess admission in the management quota in the previous academic year".....

Therefore, even if candidates from management quota are admitted on vacant seats of State quota, neutralization formula has to be adopted. Accordingly, State Quota for next year has to be increased by corresponding number of seats. DMER has to be informed accordingly and college be directed to submit compliance of the same.

Item No. 16. Approved.

Item No. 17. Approved.

53. Continuance of recognition of MBBS degree granted by Bharati Vidyapeeth University, Pune in respect of students being trained at Bharati Vidyapeeth's Medical College, Pune for 150 MBBS seats.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Bharati Vidyapeeth University, Pune in respect of students being trained at Bharati Vidyapeeth's Medical College, Pune for 150 MBBS seats.

The Executive Committee of the Council considered the compliance verification assessment report (6th July, 2015) along with previous assessment report (Sept., 2014) and decided to revoke the decision of application of clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 taken at its meeting held on 13.05.2015.

The Executive Committee further recommended that recognition of MBBS degree granted by Bharati Vidyapeeth University, Pune in respect of students being trained at Bharati Vidyapeeth's Medical College, Pune be continued restricting the number of admission to 150 (One Hundred Fifty) students.

54. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at School of Medical Sciences, Greater Noida under Sharda University.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at School of Medical Sciences, Greater Noida under Sharda University.

The Executive Committee of the Council considered the assessment report (15th and 16th July, 2015) and noted the following:-

1. Deficiency of faculty is 7.2 % as detailed in the report.
2. Shortage of Residents is 17.8 % as detailed in the report.
3. OPD: During the round of assessors, patients were less in number & few doctors were available.

4. Bed occupancy was 24 % -i.e. 145 out of 600 beds- on day of assessment.
5. There were only 06 Major operations on day of assessment which is inadequate.
6. There was only 1 Normal Delivery & NIL Caesarean Section on day of assessment.
7. Radiodiagnosis department: There were total 97 plain X-rays only on day of assessment. In the register, details of Unit / department/ ward were not available. In USG, on random checking it was observed that there was entry of 1 patient by name of Mukesh in USG register but no patient by that name could be found in Medicine wards. In USG register, columns of doctor's name & diagnosis were blank. Workload of special investigations like Ba, IVP was NIL on day of assessment.
8. Histopathological workload was only 6 on day of assessment.
9. There was NIL patient in ICCU & SICU on day of assessment.
10. Only 5 mobile X-ray machines are available against requirement of 6 as per Regulations.
11. ETO Sterilizer is not available.
12. Students' Hostels: Boys' & Girls' hostels are common for all students of all faculties like Medical, Engineering, Dental, Law, management, etc.
13. Interns' Hostel: There is no hostel for girl interns who are staying in Girls' hostel.
14. Residents' Hostel: It is partially furnished.
15. Residential Quarters: There are no separate quarters for teaching & non-teaching staff. There is 1 building with 72 one & two bed room quarters in which Senior Residents, Nursing Staff, Administrative Staff, faculty are staying together.
16. Nursing Staff: Only 90 Nurses were present during head count against requirement of 247 as per Regulations.
17. Paramedical Staff: Only 58 paramedical staff were present during head count against requirement of 179 as per Regulations.
18. There is no separate website for medical college. It is a part of Sharda University.
19. No separate earmarked campus for medical college is available within the whole campus of Sharda University. There is no signage / identification board on any building.
20. Other deficiencies as pointed out in the assessment report.

The Executive Committee further observed that Regulation 8(3)(1)(c) of Establishment of Medical College Regulations, 1999 as inserted by amendment dt. 16/04/2010 reads as under:

"8 (3)(1)....

(c) Colleges which are already recognized for award of M.B.B.S. degree and/or running Postgraduate Courses:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is < 80 %, such an institute will not be considered for processing applications for postgraduate courses in that Academic Year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for Undergraduate and Postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted Postgraduate courses."

In view of above Regulations which being Statutory Regulations are mandatory and binding in character, the Executive Committee of the Council decided not to process the applications and return the applications recommending disapproval of the scheme received from the Institute u/s 10A for starting/increase of various postgraduate courses for the academic year 2016-17 and decided to issue a show cause notice as to why the recommendation for withdrawal of recognition of MBBS degree granted by Sharda University in respect of students being trained at School of Medical Sciences, Greater Noida should not be made.

55. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam under the Tamilnadu Dr. MGR Medical University, Chennai.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam under the Tamilnadu Dr. MGR Medical University, Chennai.

The Executive Committee of the Council considered the Assessment report (15th & 16th July, 2015) and decided that the Council should process the applications for starting of postgraduate courses for further necessary action.

56. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Travancore Medical College, Kollam under the Kerala University of Health Sciences, Thrissur.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Travancore Medical College, Kollam under the Kerala University of Health Sciences, Thrissur.

The Executive Committee of the Council considered the Assessment report (15th & 16th July, 2015) and noted the following :-

1. Deficiency of faculty is 5 % as detailed in the report.
2. Capacity of Examination hall cum Auditorium is only 250 against requirement of 500.
3. Average Histopathology workload is 8/day.
4. Citizens' charter is not uploaded on website.
5. RHTC: Messing facility is non-functional. Cold chain equipment is not available. Audiovisual aids are not available. Attendance for immunization is less.
6. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 15(Fifteen) days time to the institute to submit the compliance on rectification of deficiencies to the Council.

The above minutes were read and confirmed in the meeting itself.

57. Recognition/approval of Fathima Institute of Medical Sciences, Kadapa, Andhra Pradesh for the award of MBBS degree (100 seats) granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to recognition/approval of Fathima Institute of Medical Sciences, Kadapa, Andhra Pradesh for the award of MBBS degree (100 seats) granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the compliance verification assessment report (09th July, 2015) alongwith previous assessment report (6th May, 2015) and noted the following :-

1. Shortage of Residents is 7.92 % as detailed in the report.
2. Case sheets of some patients showed admission dates which did not match with the actual details provided by the patients regarding dates of admissions. Treatment records also did not match with the actual treatment given to some patients.
3. Only 3 Minor Surgeries, 1 Cataract surgery, 1 ENT operation & 2 LSCS were in progress at time of verification. No Major Surgery was in progress at time of verification.
4. Histopathology workload is NIL on day of assessment.
5. MRD is partly computerized. Deficiency remains as it is.
6. Many Residents were not familiar with the details of patients admitted in the wards or in OPD and emergency days / duties assigned to them.
7. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend not to recognise/approve Fathima Institute of Medical Sciences, Kadapa, Andhra Pradesh for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh u/s 11(2) of the IMC Act, 1956 and further decided that the Institute be asked to submit the compliance for rectification of the above deficiencies within 01 month for further consideration of the matter.

58. Ex-post facto approval to Ms. Saipriya Natrajan for undergoing 56 days internship training at St. John's Medical College, Bangalore.

Read: the matter with regard to ex-post facto approval to Ms. Saipriya Natrajan for undergoing 56 days internship training at St. John's Medical College, Bangalore.

The Executive Committee of the Council noted that the MCI has already issued NOC for doing internship of 10 months at Vydehi Institute of Medical Sciences, Bangalore vide letter dt. 19/06/2015. This was done in reference to her request dt. 09/06/2015.

However, the Committee further noted that Ms. S. Natarajan has done total 56 days of internship at St. John's Medical College, Bangalore from 01/11/2014 to 26/12/2014 for which no permission of the Council has been obtained as under:

#	Department	Period	
		From	To
1	Dermatology	01/11/2014	15/11/2014
2	Anaesthesia	16/11/2014	30/11/2014
3	General Surgery	01/12/2014	26/12/2014

It was observed that the Council in its regulations on Graduate Medical Education, 1997 under 'Internship' has prescribed as under:-

- i) All parts of the internship shall be done as far as possible in institutions of India. In case of any difficulties, the matter may be referred to the Medical Council of India to be considered on individual merit.*

....

In view of above, the Executive Committee of the Council decided not to grant post-facto approval to Ms. Saipriya Natrajan for split of internship for the period of internship undergone at St. John's Medical College, Bangalore.

59. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Gujarat Adani Institute of Medical Sciences, Bhuj under the KSKV Kachchh University, Bhuj.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Gujarat Adani Institute of Medical Sciences, Bhuj under the KSKV Kachchh University, Bhuj.

The Executive Committee of the Council considered the assessment report (14th and 15th July, 2015) alongwith representation dt. 18.7.2015 and 25.07.2015 from the Dean, Gujarat Adani Institute of Medical Sciences, Bhuj and noted the following:-

1. Blood Component Separation Facility: permission to use is not available.
2. Deficiency of teaching faculty is 14.86 % as detailed in report.
3. Shortage of Residents is 14.08 % as detailed in report.
4. Other deficiencies as pointed out in the assessment report.

The Executive Committee further observed that Regulation 8(3)(1)(c) of Establishment of Medical College Regulations, 1999 as inserted by amendment dt. 16/04/2010 reads as under:

“8 (3)(1)....

(c) Colleges which are already recognized for award of M.B.B.S. degree and/or running Postgraduate Courses:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is < 80 %, such an institute will not be considered for processing applications for postgraduate courses in that Academic Year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for Undergraduate and Postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted Postgraduate courses.”

In view of above Regulations which being Statutory Regulations are mandatory and binding in character, the Executive Committee of the Council decided not to process the applications and return the applications recommending disapproval of the scheme received from the Institute u/s 10A for starting/increase of various postgraduate courses for the academic year 2016-17 and decided to issue a show cause notice as to why the recommendation for withdrawal of recognition of MBBS degree granted by KSKV Kachchh University, Bhuj in respect of students being trained at Gujarat Adani Institute of Medical Sciences, Bhuj should not be made.

The Executive Committee of the Council further noted that Section 6(8) of the Postgraduate Medical Education Regulation, 2000 has not been fulfilled which reads as under:-

- 6(8) *“The existing/new medical colleges should mandatorily have the department of Blood Bank with component of blood separation unit and Transfusion Medicine”.*

60. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Dr. Ulhas Patil Medical College & Hospital, Jalgaon under the Maharashtra University of Health Sciences, Nashik.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Dr. Ulhas Patil Medical College & Hospital, Jalgaon under the Maharashtra University of Health Sciences, Nashik.

The Executive Committee of the Council considered the assessment report (15th and 16th July, 2015) and noted the following:-

1. Deficiency of faculty is 17.5 % as detailed in the report.
2. Shortage of Residents is 46.6 % as detailed in the report.
3. Bed occupancy is 16 % on day of assessment. Most of the patients were admitted without any proper indication for admission on day of assessment.
4. O.T. had not started upto 1 p.m. on day of assessment though several surgeries were posted.
5. There were NIL Normal Delivery & NIL Caesarean Section on day of assessment. Daily average of total deliveries is only 1 (Normal & Caesarean combined) which is inadequate.
6. Workload of CT scan was only 08 on day of assessment.
7. Special investigations like Ba, IVP were not performed on day of assessment.
8. Histopathological workload on day of assessment was only 6 which is inadequate.
9. O.T. register records & ward records are poorly maintained.
10. No CME programmes have been held in the last year.
11. No meeting of Pharmacovigilance Committee has taken place during the year.
12. Examination Hall cum Auditorium has only 240 chairs.
13. OPD: Registration counters for OPD/IPD are not separate. Most of the examination rooms were vacant. Doctors were not found on duty. Minor O.T. is not available. O.T. register is not maintained. Registers are not maintained in Paediatrics OPD for services.
14. Soundproof & Air-conditioned Audiometry room is not available. Speech Therapy is not available.
15. Wards: Pantry is not available in any ward.
16. MRD: Medical records Officer & Statistician were not available.
17. ICUs: There were only 2 patients in ICCU on day of assessment. Details of patients in NICU/PICU on day of assessment are not provided.
18. RHTC: Survey registers are not maintained.
19. Other deficiencies as pointed out in the assessment report.

The Executive Committee further observed that Regulation 8(3)(1)(c) of Establishment of Medical College Regulations, 1999 as inserted by amendment dt. 16/04/2010 reads as under:

"8 (3)(1)....

(c) Colleges which are already recognized for award of M.B.B.S. degree and/or running Postgraduate Courses:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is < 80 %, such an institute will not be considered for processing applications for postgraduate courses in that Academic Year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for Undergraduate and Postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted Postgraduate courses."

In view of above Regulations which being Statutory Regulations are mandatory and binding in character, the Executive Committee of the Council decided not to process the applications and return the applications recommending disapproval of the scheme received from the Institute u/s 10A for starting/increase of various postgraduate courses for the academic year 2016-17 and decided to issue a show cause notice as to why the recommendation for withdrawal of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr. Ulhas Patil Medical College & Hospital, Jalgaon should not be made.

61. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Shri Sathya Sai Medical College and Research Institute, Kancheepuram under the Sri Balaji Vidyapeeth, Pondicherry (Deemed Univ.).

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Shri Sathya Sai Medical College and Research Institute, Kancheepuram under the Sri Balaji Vidyapeeth, Pondicherry (Deemed Univ.).

The Executive Committee of the Council considered the Assessment report (15th & 16th July, 2015) and decided that the Council should process the applications for starting of postgraduate courses for further necessary action.

62. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at L.N. Medical College and Research Centre, Bhopal under the Barkatullah University.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at L.N. Medical College and Research Centre, Bhopal under the Barkatullah University.

The Executive Committee of the Council considered the assessment report (15th and 16th July, 2015) and noted the following:-

1. Deficiency of teaching faculty is 15.1 % as detailed in report.
2. Shortage of Residents is 43.17 % as detailed in the report.
3. Citizens' charter is not uploaded on website.
4. Anatomy department: Embryological specimens need to be increased.
5. Other deficiencies as pointed out in the assessment report.

The Executive Committee further observed that Regulation 8(3)(1)(c) of Establishment of Medical College Regulations, 1999 as inserted by amendment dt. 16/04/2010 reads as under:

"8 (3)(1)....

(c) Colleges which are already recognized for award of M.B.B.S. degree and/or running Postgraduate Courses:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is < 80 %, such an institute will not be considered for processing applications for postgraduate courses in that Academic Year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for Undergraduate and Postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted Postgraduate courses."

In view of above Regulations which being Statutory Regulations are mandatory and binding in character, the Executive Committee of the Council decided not to process the applications and return the applications recommending disapproval of the scheme received from the Institute u/s 10A for starting/increase of various postgraduate courses for the academic year 2016-17 and decided to issue a show cause notice as to why the recommendation for withdrawal of recognition of MBBS degree granted by Barkatullah University in respect of students being trained at L.N. Medical College and Research Centre, Bhopal should not be made.

63. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Shree Guru Gobind Singh Tricentenary Medical College, Hospital & Research Institute, Gurgaon under the Pt. B.D. Sharma University of Health Sciences, Rohtak.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Shree Guru Gobind Singh Tricentenary Medical College, Hospital & Research Institute, Gurgaon under the Pt. B.D. Sharma University of Health Sciences, Rohtak.

The Executive Committee of the Council considered the assessment report (15th and 16th July, 2015) and noted the following:-

1. Deficiency of faculty is 11.2 % as detailed in the report.
2. Shortage of Residents is 30.7 % as detailed in the report.
3. OPD: Dressing room is common for males & females. Injection room does not seem to be used & it is in poor shape.
4. Wards: There were plenty of empty beds. Quite a lot of patients were admitted on day of assessment. The patients were also having minor symptoms and did not warrant admission.
5. Bed occupancy in the hospital on physical verification in morning of day of assessment (15/07/2015) was only 33.5 % as under:

#	Department	Beds	
		Available	Occupied
1	General Medicine	120	30
2	Tb & Chest	30	13
3	Skin & VD	30	05
4	Psychiatry	30	00
5	Paediatrics	60	09
6	General Surgery	120	37
7	Orthopaedics	60	30
8	Ophthalmology	30	13
9	ENT	30	14
10	Obstetrics & Gynaecology	60	40
	TOTAL	570	191

6. There were only 12 Major Operations in the whole hospital on the day of assessment.
7. There was NIL Caesarean Section on day of assessment.
8. The clinical data submitted by the institute does not appear to be commensurate with the number of patients seen on physical verification.
9. There were only 3 patients in casualty at time of verification.
10. There are only 6 Major O.T.s available against requirement of 7 as per Regulations.
11. ICUs: There was NIL patient in SICU, only 1 in MICU & 2 in ICCU on day of assessment.
12. CSSD: There was NIL pack sterilized on day of assessment.
13. RHTC: No records are maintained of specialists' visits. Cold chain equipment is not available. Family folders are not available. Interns are not staying in the hostel.
14. UHC: No records are maintained of specialists' visits.
15. Other deficiencies as pointed out in the assessment report.

The Executive Committee further observed that Regulation 8(3)(1)(c) of Establishment of Medical College Regulations, 1999 as inserted by amendment dt. 16/04/2010 reads as under:

“8 (3)(1)....

(c) Colleges which are already recognized for award of M.B.B.S. degree and/or running Postgraduate Courses:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is < 80 %, such an institute will not be considered for processing applications for postgraduate courses in that Academic Year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for Undergraduate and Postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted Postgraduate courses."

In view of above Regulations which being Statutory Regulations are mandatory and binding in character, the Executive Committee of the Council decided not to process the applications and return the applications recommending disapproval of the scheme received from the Institute u/s 10A for starting/increase of various postgraduate courses for the academic year 2016-17 and decided to issue a show cause notice as to why the recommendation for withdrawal of recognition of MBBS degree granted by Pt. B.D. Sharma University of Health Sciences, Rohtak in respect of students being trained at Shree Guru Gobind Singh Tricentenary Medical College, Hospital & Research Institute, Gurgaon should not be made.

64. Continuance of Recognition of MBBS degree granted by Vinayaka Mission's University, Salem in respect of students being trained at Aarupadai Veedu Medical College and Hospital, Puducherry.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Vinayaka Mission's University, Salem in respect of students being trained at Aarupadai Veedu Medical College and Hospital, Puducherry.

The Executive Committee of the Council considered compliance verification assessment report (14th July, 2015), previous assessment report (Aug., 2014) along with the representation dated 20.7.2015 received from the college authorities and noted the following:-

1. Minor procedure room is not available in Ophthalmology OPD. Deficiency remains as it is.
2. Shortage of Residents is 9.7 % as detailed in the report.
3. Attendance sheet schedule as per MCI norms was not maintained in spite of repeated requests. Attendance sheet of Psychiatry & Orthopaedics departments were given only at 5 p.m. In Psychiatry, none of the teachers could show any original documents. They signed and went out.
4. Other deficiencies as pointed out in the inspection report.

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Vinayaka Mission's University, Salem in respect of students being trained at Aarupadai Veedu Medical College and Hospital, Puducherry and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 01 month.

65. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Jawaharlal Nehru Institute of Medical Sciences, Imphal under Manipur University.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Jawaharlal Nehru Institute of Medical Sciences, Imphal under Manipur University.

The Executive Committee of the Council considered the assessment report (23rd July, 2015) and noted the following:-

1. Deficiency of teaching faculty is 21.01 % as detailed in the report.
2. Shortage of Residents is 31.42 % as detailed in the report.
3. MEU: Details of programmes conducted by MEU during the last year are not provided.
4. College Council: Details of meetings are not provided.
5. Central Library: Deputy Librarian is not available.
6. Central Photography Section: Equipment & Staff are not available.
7. Wards: Many wards of Paediatrics, Psychiatry, Skin & VD, Tb & Chest are not as per Minimum Standard Requirement Regulations.
8. MRD: It is partly computerized.
9. ETO Sterilizer is not available.
10. Website: Toll free number to report ragging is not available.
11. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 15(fifteen) days time to the institute to submit the compliance on rectification of deficiencies to the Council.

The above minutes were read and confirmed in the meeting itself.

66. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at KPC Medical College, Jadavpur under West Bengal University of Health Sciences, Kolkata.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at KPC Medical College, Jadavpur under West Bengal University of Health Sciences, Kolkata.

The Executive Committee of the Council considered the assessment report (15th and 16th July, 2015) and noted the following:-

1. Deficiency of teaching faculty is 16.66 % as detailed in the report.
2. Shortage of Residents is 42.10 % as detailed in the report.
3. OPD: Teaching areas are inadequate in all the OPDs with 10-15 plastic chairs in cramped teaching area. Sterility Clinic & Cancer Detection Clinic are not available in O.G. OPD.
4. Teaching Beds: They are deficient as under:

#	Department	Teaching Beds		
		Required	Available	Shortage
1	Paediatrics	90	55	35
2	Tb & Chest	30	28	02
3	General Surgery	150	137	13
4	Orthopaedics	90	74	16
5	Ophthalmology	30	0	30
5	ENT	30	14	16
	TOTAL			112

5. Wards: Distance between 2 beds is < 1.5 as required under the Regulations. Demonstration Room in all the wards is a small cubicle made out in the ward with one bed & a chair. There is no seating area for the students.

6. Bed occupancy: It was 265 out of 631 beds – i.e. 41.99 % at the time of taking round on day of assessment. It would be still lower at 38 % if full requirement of 700 beds is taken as denominator. There was no woman in the labour room at the time of round.
7. Data of clinical material given by the institute appear to be over exaggerated.
8. MRD: It is manual.
9. Casualty: Separate Casualty for O.G. is not available. Disaster Trolley is not available. Area is grossly inadequate. Triage is inadequate. 12 beds were wooden beds placed alongside which would be unfit for management of emergency patients.
10. ICUs: There was NIL patient in PICU/NICU on day of assessment.
11. Labour Room: Eclampsia room is out of Labour Complex.
12. Radiodiagnosis Department: Only 5 portable X-ray machines are available against requirement of 6 as per Regulations. 1 IITV is deficient. AERB approval is not available.
13. Lecture Theaters: There is no facility for E class. Lecture Theater in the hospital is cramped with primitive desk & benches and is not ideal for a lecture theater.
14. Central Library: Only 5 Internet Nodes are working & available. Computers are procured but non-functional.
15. Residents' Hostel: It is under renovation.
16. Playground is not available.
17. Details of Paramedical staff are not provided.
18. Website: Details of infrastructure are only partially provided. Citizens' Charter, details of members of Anti Ragging Committee, Toll free number to report ragging are not uploaded.
19. RHTC: It is under the control of Govt. of West Bengal & not under Dean.
20. UHC: It is run in collaboration with a NGO.
21. Other deficiencies as pointed out in the assessment report.

The Executive Committee further observed that Regulation 8(3)(1)(c) of Establishment of Medical College Regulations, 1999 as inserted by amendment dt. 16/04/2010 reads as under:

"8 (3)(1)....

(c) Colleges which are already recognized for award of M.B.B.S. degree and/or running Postgraduate Courses:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is < 80 %, such an institute will not be considered for processing applications for postgraduate courses in that Academic Year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for Undergraduate and Postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted Postgraduate courses."

In view of above Regulations which being Statutory Regulations are mandatory and binding in character, the Executive Committee of the Council decided not to process the applications and return the applications recommending disapproval of the scheme received from the Institute u/s 10A for starting/increase of various postgraduate courses for the academic year 2016-17 and decided to issue a show cause notice as to why the recommendation for withdrawal of recognition of MBBS degree granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at KPC Medical College, Jadavpur should not be made.

67. **Permission to publish an expanded AT-COM module as Handbook and copyright taken in the name of Secretary, MCI: Recommendation of the Orientation meeting held on June 12-13 and June 26-27, 2015, approved at the Academic Committee meeting held on July 14, 2015.**

Read: the matter with regard to permission to publish an expanded AT-COM module as Handbook and copyright taken in the name of Secretary, MCI: Recommendation of the Orientation meeting held on June 12-13 and June 26-27, 2015, approved at the Academic Committee meeting held on July 14, 2015.

The Executive Committee of the Council defer the consideration of the matter for the next meeting.

68. **Time schedule for the purposes of Starting/Renewal/Increase of admission capacity in the Undergraduate & Postgraduate broad-speciality and Super-speciality courses and the linkage of admission schedule from the academic year 2016-2017 and onwards.**

Read: the matter with regard to time schedule for the purposes of Starting/Renewal/Increase of admission capacity in the Undergraduate & Postgraduate broad-speciality and Super-speciality courses and the linkage of admission schedule from the academic year 2016-2017 and onwards.

The Executive Committee of the Council approved the following revised Time Schedule proposed by the Ministry of Health & Family Welfare for the purposes of Starting/Renewal/Increase of admission capacity in the Undergraduate & Postgraduate broad-speciality and Super-speciality courses and the linkage of admission schedule from the academic year 2016-2017 and onwards:-

SCHEDULE

TIME SCHEDULE FOR RECEIPT OF APPLICATIONS FOR ESTABLISHMENT OF NEW MEDICAL COLLEGES/RENEWAL OF PERMISSION / INCREASE OF ADMISSION CAPACITY AND PROCESSING OF THE APPLICATIONS BY THE CENTRAL GOVERNMENT AND THE MEDICAL COUNCIL OF INDIA.

S. No.	Stage of processing	Last Date

2.	Declaration of result of the qualifying Examination/ Entrance Examination	By 15 th of January	By 15 th of February
3.	1 st round of counseling/admission	Between 12 th March to 24 th March	Between 4 th April to 15 th April
4.	Last date for joining/ reporting the allotted college and the course	By 3 rd April	By 22 nd April
5.	2 nd round of counseling / admission for Vacancies	Between 23 rd April to 30 th April	Between 11 th May to 20 th May
6.	Last date of joining/ reporting for the 2 nd round of counseling / admission.	By 10 th May	By 27 th May
7.	Commencement of the academic session / term	1 st May	1 st May
8.	Last date upto which students can be admitted/ joined against vacancies arising due to any reason.	-	By 31 st May

Note:

1. All India Quota Seats remaining vacant after last date for joining, i.e. 10th May will be deemed to be converted into state quota.
2. Institute / college / courses permitted after 28th February will not be considered for admission/allotment of seats for current academic year.
3. In any circumstances, last date for admission / joining will not be extended after 31st May.

TIME SCHEDULE FOR RECEIPT OF APPLICATIONS FOR OPENING OF POSTGRADUATE (SUPERSPECIALITY) COURSES / INCREASE OF ADMISSION CAPACITY AND PROCESSING OF THE APPLICATIONS BY THE CENTRAL GOVERNMENT AND MEDICAL COUNCIL OF INDIA.

Sr. No.	Stage of processing	Last Date
1.	Receipt of applications by the Central Govt.	From 1st August to 21st August (both days inclusive) of any year
2.	Forwarding the application by the Central Govt. to Medical Council of India.	By 31 st August
3.	Technical Scrutiny, assessment and Recommendations for Letter of Permission by the Medical Council of India.	By 31 st December
4.	Receipt of reply/compliance from the applicant by the Central Government and for personal hearing thereto, if any and forwarding of compliance by the Central Govt. to the Medical Council of India.	by 31 st January
5.	Final recommendations for the Letter of Permission by the Medical Council of India.	by 30 th April
6.	Issue of Letter of Permission by the Central Government.	by 31 st May

TIME SCHEDULE FOR COMPLETION OF THE ADMISSION PROCESS FOR POSTGRADUATE (SUPERSPECIALITY) (D.M./M.Ch) COURSES

Sr. No.	Schedule for admission	Post graduate courses
1.	Conduct of Entrance Examination	By 10 th July
2.	Declaration of result of the qualifying Examination/ Entrance Examination	By 15 th July
3.	1 st round of counseling/admission	By 31 st July
4.	Last date for joining the allotted college and the course	Between 1 st to 7 th August
5.	2 nd round of counseling / Admission.	By 20 th August
6.	Last date of joining for the 2 nd round of counseling / admission.	By 27 th August
7.	Commencement of the academic session / term	1 st August
8.	Last date upto which students can be admitted/ joined against vacancies arising due to any reason.	31 st August

Note:

1. Institute / college / courses permitted after 31st May will not be considered for admission/allotment of seats for current academic year.
2. In any circumstances, last date for admission / joining will not be extended after 31st August.

69. Time Schedule for completion of the Admission process for first MBBS course for the academic year 2015-16.

Read: the matter with regard to time schedule for completion of the Admission process for first MBBS course for the academic year 2015-16.

The Executive Committee of the Council accepted the following legal opinion of the Council Advocate on the letter of the Central Government, Ministry of Health & F.W., dated 10th July, 2015 with regard to revised time schedule as suggested by the Ministry of Health & Family Welfare for completion of the Admission process for first MBBS course for the academic year 2015-16:-

"The querist has sought my opinion on the Govt. of India Office Memorandum dated 30.06.2015, requesting the querist to move an application in the case of Tanvi Sarwal Vs. CBSE & Ors.- W.P (C) No.298/2015, for modification of time schedule for counseling for All India Quota Seats in MBBS & BDS course.

The above mentioned writ petition has been filed by the petitioner- Tanvi Sarwal, inter alia, challenging the All India Pre Medical and Pre Dental Test- 2015 held on 05.04.2015 on the ground that mass copying had taken place in the test and thus the process of examination had been vitiated. It was contended that Haryana Police had registered a FIR which revealed that mass copying had taken place with the help of blue tooth vests and sim cards in various parts of the country and had led to various doubts regarding the result of the examination and the merit lists.

The above writ petition was heard alongwith three other similar petitions, wherein the State of Haryana had submitted status reports which revealed that the contents of the writ petitions is having certain merit. The Hon'ble Supreme Court after hearing the parties including CBSE, Govt. of India as well as the querist, vide its judgement dated 15.06.2015 had quashed the AIPMT-2015 conducted on 05.04.2015 and directed the CBSE to conduct a fresh examination within a period 4 weeks. The relevant portion of the judgement dated 15.06.2015 is reproduced hereunder:-

“

19.....It would take the necessary follow up steps in the coordination with all other institutions involved in the admission process and space the intermediate phases in the same pattern (understandably with dates changed) of the time schedule as mandated by this court in *Mridul Dhar (supra)* *Priya Gupta (supra)*. Endeavours should be made to minimize the delay after the examination is held afresh as directed. We part with the expectation that the CBSE and the other stakeholder institutions would act in the right spirit in complying with this order for the paramountcy and trustworthiness of the system as well as the sustenance of the confidence that it enjoys. We all owe this, in the minimum, to the society in general and the student community in particular.

20. These petitions are thus allowed to the extent indicated herein above. The investigating agency would, in accordance with law, complete its drill with all alacrity and earnestness. We reiterate, that the references to the status reports and the contents thereof so far relatable to the cases in hand have been only in the context of the adjudication of the issues involved herein and have to be construed accordingly.....”

In the above writ petition, CBSE had moved an application seeking modification of the judgement dated 15.06.2015 showing their inability to conduct the examination within a period of 4 weeks and had sought 4 months of time to conduct the fresh entrance examination for admission to MBBS & BDS courses. The above application being IA. No.1 in W.P (C) No.298/2015, came up for hearing before the Hon'ble Apex Court on 19.06.2015, wherein the Ld. Attorney General of India as well as Ld. Solicitor General Of India appeared for CBSE. It is relevant to mention that Ld. Attorney General of India had also appeared for Ministry of Health & family Welfare. The Hon'ble Supreme Court after hearing submission made on behalf of CBSE, Ministry of Health & family Welfare as well as the querist, vide order 19.06.2015 was pleased to dispose of the application filed by the CBSE, by permitting the CBSE to conduct the entrance test and declare the result on or before 17.08.2015. It is relevant to point out that the Hon'ble Apex Court while considering the application filed by CBSE, once again reiterated the importance of the Statutory time schedule and after hearing the parties, had fixed specific dates for the 1st, 2nd & 3^d round of counselling in order to ensure that the admission process did not breach the last date of 30th of September and that the academic session 2015-16 commences from the date fixed by the Hon'ble Supreme Court. The relevant portion of the order dated 19.06.2015 is reproduced hereunder:-

“

Heard learned counsel for the parties.

Vide order dated 15th June, 2015, this Court had directed the Central Board of Secondary Education (CBSE) to hold re-examination of AIPMT Test 2015 within four weeks.

An application has been filed by CBSE expressing difficulty in holding the examination within the stipulated time as directed by this Court. They seek minimum four months and 9 days' time to complete the examination.

However, looking to the fact that the semester for MBBS First Year would start very soon, we deem it fit and proper to permit the applicant - CBSE to complete the examination and declare the results on or before 17th August, 2015. The first counselling shall be held on or before 28th August, 2015, the second counselling on or before 4th September, 2015 and the third counselling on or before 11th September, 2015.

It is mentioned here that this examination will not have any effect on the grant of affiliation/recognition/permission by the appropriate authority under Section 10A of the Indian Medical Council Act, 1956.

Application is accordingly disposed of.....”

In pursuance of the order dated 19.06.2015, the CBSE had issued a notification dated 23.06.2015 fixing the fresh date for re-conduct of AIPMT- 2015 on 25.07.2015.

It is to be seen that with great difficulty the querist has prepared and implemented the statutory time schedule for processing of applications under Section 10A (for establishment of new medical college, renewal of permission as well increase of capacity in MBBS and postgraduate courses) as well as the admission and counseling for MBBS and postgraduate courses. The Hon'ble Supreme Court in a catena of cases including in the case of Mridul Dhar & Anr. Vs. UOI & Ors.- (2005) 2 SCC 65 and Medical Council of India Vs. Manas Ranjan Behera - (2010) 1 SCC 173 as well as in the case of Priya Gupta Vs. State of Chhattisgarh - (2012) 7 SCC 433, has categorically held that the statutory time schedule prescribed in the MCI Regulations must be strictly adhered to by all the parties. It is relevant to point out that the Hon'ble Apex Court in the case of Priya Gupta Vs. State of Chhattisgarh - (2012) 7 SCC 433, while considering the importance of the statutory time schedule, has further held that, any defaulting party shall be personally prosecuted under the Contempt of Court Act, 1971.

It is understood that since the re-conduct of AIPMT-2015 may lead to some difficulty to the examining and admitting authorities but on the other hand, it is also to be seen that the number of all India quota MBBS seats are around 2500 seats and the scope of surrendering & vacating seats is less as compared to postgraduate seats where candidates surrender their seats once they get a better speciality in another college. It is also relevant to state that there has been no occasion when the cut off date of 30th of September has even been extended.

The Hon'ble Apex Court while hearing the application for modification moved by CBSE on 19.06.2015, after considering all the above facts including the importance of the cutoff date of 30th of September and after hearing the submission made by the Ld. Attorney General of India & Ld. Solicitor General Of India as well as other counsels for the parties, had vide its order dated 19.06.2015 fixed the said time schedule for counseling for All India quota seats for MBBS & BDS courses for the academic year 2015-16 only.

In view of the above, I am of the considered view that, it is for the querist to up hold the statutory time schedule for admission and counseling to MBBS course including the cut off / last date for admission in MBBS course being 30th of September. Any extension of the cut off / last date for admission in MBBS course being 30th of September, shall adversely effect the academic calendar of the MBBS course across the country but also set a bad precedent for all times to come.

Therefore, in my opinion, there is no occasion for the querist to approach the Hon'ble Supreme Court seeking any modification of the admission / counseling schedule for the academic session 2015-16.

I have nothing further to add at this point of time."

The above minutes were read and confirmed in the meeting itself.

70. Proposal of the Department of Pharmaceutical for amendment in Clause 6.8.1 of the Indian Medical Council (Professional Conduct Etiquette and Ethics) Regulations, 2002.

Read: the matter with regard to proposal of the Department of Pharmaceutical for amendment in Clause 6.8.1 of the Indian Medical Council (Professional Conduct Etiquette and Ethics) Regulations, 2002.

The Executive Committee of the Council ratified the action taken by the MCI vide its letter dated 08.06.2015 of reiterating its earlier decision.

71. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Hind Institute of Medical Sciences, Barabanki under the Dr. Ram Manohar Lohia Avadh University, Faizabad.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Hind Institute of Medical Sciences, Barabanki under the Dr. Ram Manohar Lohia Avadh University, Faizabad.

The Executive Committee of the Council considered the Assessment report (22nd and 23rd July, 2015) alongwith a letter dated 23.07.2015 from the Principal, Hind Institute of Medical Sciences, Barabanki and comments of the Assessors vide e-mail dated 29.7.2015 & 30.7.2015 and noted the following :-

1. No faculty has undergone advance workshop in Medical Education Technology during the year.
2. Lecture Theaters: Facility for E class is not available in Hospital lecture Theater.
3. OPD: Injection room is common for males & females. There is no dressing room in Surgery OPD. In Orthopaedics OPD, plaster room & plaster cutting room are not separate.
4. Audiometry room & Speech Therapy are combined.
5. Histopathology workload is only 04 on day of assessment.
6. Casualty: Ventilator is not available.
7. O.T.: Equipment like Infusion Pumps, Defibrillator are not available in any O.T. except General Surgery.
8. ICUs: There was NIL patient in SICU & only 1 patient each in ICCU & MICU on day of assessment.
9. Only 5 mobile X-ray machines are available against requirement of 6 as per Regulations.
10. Anatomy Department: Mounted specimens available are only 60.
11. RHTC: Cold chain equipment is not available.
12. Shortage of Residents is 6.7 % as detailed in the report.

In view of above, the Executive Committee of the Council decided to grant 15(fifteen) days time to the institute to submit the compliance on rectification of deficiencies to the Council.

The above minutes were read and confirmed in the meeting itself.

72. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Shimoga Institute of Medical Sciences, Shimoga under Rajiv Gandhi University of Health Sciences, Bangalore.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Shimoga Institute of Medical Sciences, Shimoga under Rajiv Gandhi University of Health Sciences, Bangalore.

The Executive Committee of the Council considered the assessment report (30th and 31st July, 2015) and noted the following:-

1. Deficiency of teaching faculty is 10.4 % as detailed in the report.
2. Shortage of Residents is 40 % as detailed in the report.
3. No faculty has undergone advance workshop in Medical Education Technology during the year.
4. Examination Hall cum Auditorium: Available area is 400 sq.m. against requirement of 800 sq.m. Available capacity is 350 against requirement of 500-700.
5. Central Library: It is not air-conditioned.
6. Central Photography Section: No staff is available.
7. Number of Major operations for the whole hospital is only 16 on day of assessment.
8. Workload of Special investigations like Ba, IVP is NIL on day of assessment.

9. Histopathological workload is only 7 & Cytology workload only 2 on day of assessment.
10. Casualty: Ventilator is not available.
11. O.T.: Pre-operative beds are not available.
12. ICUs: There is no Central Monitoring facility in ICCU / MICU. There were only 2 patients in ICCU on day of assessment.
13. Radiodiagnosis Department: Only 3 mobile X-ray machines are available against requirement of 6 as per Regulations. Only 4 static X-ray machines are available against requirement of 5 as per Regulations. CT is under PPP mode.
14. CSSD: Equipment is inadequate.
15. Intercom is not available in the hospital.
16. Nursing Staff: 242 Nursing Staff are available against requirement of 247.
17. Paramedical & Non-teaching Staff: 158 Paramedical & Non-teaching staff are available against requirement of 179.

19. RHTC: It is under control of Health & Family Welfare department & not under Dean. Hostel facilities are in rented accommodation.
20. UHC: It is not under control of Dean. Specialists' visits are not there.
21. Dietician is not available.
22. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 15(fifteen) days time to the institute to submit the compliance on rectification of deficiencies to the Council.

The above minutes were read and confirmed in the meeting itself.

73. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Govt. Medical College, Akola under Maharashtra University of Health Sciences, Nashik.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Govt. Medical College, Akola under Maharashtra University of Health Sciences, Nashik.

The Executive Committee of the Council considered the assessment report (30th and 31st July, 2015) and noted the following:-

1. Deficiency of teaching faculty is 17.48 % as detailed in the report.
2. Shortage of Residents is 53.95 % as detailed in the report.
3. Central Library: Available area is 1,600 sq.m. against requirement of 2,400 sq.m. Outside reading room is not available. Staff reading room has capacity of 20 only.
4. OPD: Most of major departments have 3 examination rooms against 4 required. Some rooms in teaching area are also used as consultant's room. Injection room is common for males & females. Plaster room & Plaster Cutting room are common. Child Welfare clinic & Child Guidance clinic are not available in Paediatrics OPD.
5. Speech Therapy is not available.
6. Wards: Space between beds is < 1.5 m in majority of wards. Demonstration rooms are smaller than required in several wards.
7. Histopathology workload is only 5 & Cytopathology workload is only 4 on day of assessment.
8. MRD: Statistician is not available.
9. Casualty: Separate Casualty for O.G. is not available. Ventilator is not available.
10. ICUs: There were only 2 patients each in ICCU & SICU on day of assessment.
11. Radiodiagnosis Department: Only 3 mobile X-ray machines are available against requirement of 6 as per Regulations. Out of available machines, 1 is

non-functional. Only 3 static X-ray machines are available against requirement of 5 as per Regulations. Two static machines are non-functional.

12. CSSD: ETO Sterilizer is not available.
13. Website: Toll free number to report ragging is not provided.
14. Biochemistry Department: Capacity of 1 Demonstration Room is less than required.
15. RHTC: It is under control of Health & Family Welfare department & not under Dean.
16. UHC: It is under control of Akola Municipal Corporation & not under Dean.

Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 15(fifteen) days time to the institute to submit the compliance on rectification of deficiencies to the Council.

The above minutes were read and confirmed in the meeting itself.

74. Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Jorhat Medical College, Jorhat under Srimanta Shankardeva University of Health Sciences, Guwahati.

Read: the matter with regard to Pre-PG Assessment – Assessment of the physical and other teaching facilities available for starting of PG course at Jorhat Medical College, Jorhat under Srimanta Shankardeva University of Health Sciences, Guwahati.

The Executive Committee of the Council considered the assessment report (30th and 31st July, 2015) and noted the following:-

1. Shortage of Residents is 22.12 % as detailed in the report.
2. Boys' hostel needs improvement.
3. OPD: Child Rehabilitation Clinic is not available in Paediatrics OPD.
4. OPD attendance is 701 on day of assessment against requirement of 800.
5. Number of Major operations for the whole hospital is only 16 on day of assessment.
6. Radiological investigation in terms of Plain X-rays is inadequate (91 on day of assessment).
7. Histopathological workload is only 8 & Cytopathological workload is only 3 on day of assessment.
8. ICUs: There were only 2 patients in ICCU on day of assessment.
9. Microbiology department: Mycology & Virology laboratories need to be developed.
10. Pharmacology department: Experimental Pharmacology laboratory needs to be made functional.
11. RHTC: Specialists' visits are not organized.
12. UHC: It is under the control of JDHS, Jorhat & not under Dean.
13. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee of the Council decided to grant 15(days) time to the institute to submit the compliance on rectification of deficiencies to the Council.

The above minutes were read and confirmed in the meeting itself.

75. Nomination of member as Chairman of Ethics Committee – reg.

Read: the matter with regard to nomination of member as Chairman of Ethics Committee.

The Executive Committee of the Council decided to accept the resignation of Dr. Muzaffar Ahmad, Chairman, Ethics Committee and decided to appoint Dr. D J Borah, Director of Medical Education, Research & Training, Govt. of Assam, Guwahati as a member and Chairman of Ethics Committee. The Committee further decided to reconstitute the Ethics Committee as under:-

1.	Prof.(Dr.) Dhruba Jyoti Borah, Guwahati	2.	Dr. D. Santharam, Chennai
3.	Dr. Nanandkar Sudhir Digambar, Mumbai	4.	Dr. S.N. Chaudhary, Ranchi
5.	Dr. Nileshbhai V. Parekh, Bhavnagar (Gujarat)	6.	Dr. K.P. Kushwaha, Gorakhpur (U.P.)
7.	Dr. Rajiva Ranjan, Patna	8.	Dr. Sudipto Roy, MLA Kolkata
9.	Dr. Satya Prakash Yadav, Gurgaon, Haryana	10.	Dr. John Zohmingthanga, Mizoram
11.	Dr. Vinay Kumar Aggarwal, Delhi	12.	Dr. N. S. Sengar, Jhansi, Uttar Pradesh

76. Imposition of disciplinary proceedings against Dr. Davinder Kumar, Joint Secretary (U/s.) as per rule 18(4) of CCS Conduct Rule, 1964 due to non-submission of a Proforma about the movable and immovable property and other financial investment and cash possessed by him and his dependents – reg.

Read: the matter with regard to imposition of disciplinary proceedings against Dr. Davinder Kumar, Joint Secretary (U/s.) as per rule 18(4) of CCS Conduct Rule, 1964 due to non-submission of a Proforma about the movable and immovable property and other financial investment and cash possessed by him and his dependents.

The Executive Committee of the Council noted that the Vigilance Division of the Council had received a case No. RC-09(A)/2014/AC-III, New Delhi in connection with the investigation of the said case and CBI vide their letter dated 12/08/2014 sought the statement about the movable and immovable property and other financial investment and cash possessed by him and his dependents.

The Committee also noted the chronology of events in the matter as under:-

- 1) CBI vide its letter No. 144 dated 01/12-08-2014 sent a format to be filled by Dr. Davinder Kumar, without divulging him, that the information is required by CBI.
- 2) The said format containing 10 pages was sent to Dr. Davinder Kumar vide Council's letter dated 21/08/2014 for filling up and to send the same to Council urgently.

- 3) Dr. Davinder Kumar vide his email dated 22/08/2014 sought time to fill up the said format.
- 4) Since, no information was received from Dr. Davinder Kumar, a reminder dated 26/08/2014 was issued to him to submit the required information by 27/08/2014.
- 5) Dr. Davinder Kumar again vide his email dated 29/08/2014, stated that most of his documents are with CBI, therefore it requires time of at least one month to give the reply of exhaustive information.
- 6) The then CVO vide letter dated 16/09/2014 informed the CBI that Dr. Davinder Kumar has not submitted the required information and therefore, the information could not be forwarded to CBI due to non co-operation of Dr. Davinder Kumar, despite of sufficient opportunity.
- 7) On 27/05/2015, a phone call was received from Sh. Surya Kant Prasad, Inspector of Police, CBI, New Delhi asking for whether the format which was sent by CBI in August 2014, which was to be filled up by Dr. Davinder Kumar has been received from him or not.
- 8) In reply to the aforesaid query, again a reminder dated 28/05/2015 has been sent to Dr. Davinder Kumar to submit the information immediately. A copy of the said communication was also endorsed to CBI along with all the concerned documents.
- 9) No reply was received from Dr. Davinder Kumar, so far.
- 10) The CBI vide its letter dated 28/05/2015 has brought to the notice of the Council that as per rule 18(4) of CCS Conduct Rule 1964, the competent authority can direct the public servant to submit the statement of his assets and liabilities within a period specified in the order.
- 11) It has further mentioned in the letter that since, Dr. Davinder Kumar has not submitted the required information till date despite the fact that sufficient opportunity was given to him, disciplinary proceedings against Dr. Davinder Kumar may be initiated for violation of the aforesaid conduct rule.
- 12) Before initiation of disciplinary proceedings it was decided to seek legal opinion and the same was provided by Law Officer on 18/06/2015.
- 13) Accordingly, a show cause notice dated 19/06/2015 was issued to Dr. Davinder Kumar directing him to show cause as to why disciplinary action should not be taken against him in terms of clause 18(4) of CCS (Conduct) Rules, 1964.
- 14) In response to the said show cause notice dated 19/06/2015, Dr. Davinder Kumar sent an email dated 27/06/2015, stating as under:

".....3. Right at the outset, I bring to your kind notice, that during course of search of my residence etc., in connection with a DA case against me, CBI has seized all records touching upon income, expenditure and assets in respect of myself and that of my wife etc, hence, after applying my mind in respect of proforma, which I was supposed to fill in, I realized that, due non availability of required documents, it will not be feasible for me to fill in statements I-VI of the proforma."

Dr. Davinder Kumar has further mentioned the following:

"5. From the above facts it would appear that unauthorized person of MCI, with a view to humiliate and torture me, have been making avoidable correspondences and as mentioned above, last one, viz. Show Cause Notice dated 19/06/2015 is one of such communications, which, too, as mentioned above, ought to have been issued by "prescribed authority" but the same has been done by an authority much inferior to the "prescribed authority".

6. I, therefore, most respectfully submit that -

- 1). Show cause notice dated 19/06/2015 may please be withdrawn.*
- 2). Necessary instructions may please be issued so that I may not be unnecessarily humiliated in future."*

- 15) Thereafter, it was decided to seek legal opinion and to give a final opportunity of one week for submission of satisfactory reply by Dr. Davinder Kumar and thereafter, to place the matter before the Executive Committee.

The Executive Committee also noted that the status of the case had been apprised to the CBI vide Council letter dated 17/07/2015 informing that Dr. Davinder Kumar has not submitted the required duly filled in proforma and instead alleged that un-necessary harassment and continuation of suspension may be stopped and he should be reinstated back into service.

The Committee also noted the legal opinion of the Law Officer of the Council in the matter.

In view of above and after detailed deliberations, the Executive Committee decided to obtain the opinion/recommendation of the CVC also in the matter since inspite of repeated requests Dr. Davinder Kumar has failed to furnish the desired information even after a year.

77. Revocation of suspension of Dr. A.R.N. Setalvad, former Secretary, MCI – Report of Sub-Committee.

Read: the matter with regard to revocation of suspension of Dr. A.R.N. Setalvad, former Secretary, MCI – Report of Sub-Committee.

The Executive Committee of the Council considered the matter and decided to accept the report dated 26.06.2015 of the Sub-Committee and directed the office to take action as recommended by the Sub-Committee.

78. Recognition/Approval of Chennai Medical College Hospital & Research Centre, Irungalur, Trichy for the award of MBBS degree (150 seats) granted by the Tamilnadu Dr. M.G.R Medical University, Chennai u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to recognition/Approval of Chennai Medical College Hospital & Research Centre, Irungalur, Trichy for the award of MBBS degree (150 seats) granted by the Tamilnadu Dr. M.G.R Medical University, Chennai u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council noted that the Hon'ble High Court of Madras vide its interim order dated 04.08.2015 in WP No. 20234/2015 and other connected petitions has passed an order directing the MCI to consider the compliance verification submitted by Chennai Medical College & Hospital, Trichy in the Executive Committee meeting to be held on 05.08.2015 and decision should be communicated in a sealed cover by 19.08.2015 to the Hon'ble Court.

In view of above, the Executive Committee of the Council considered the matter and decided to verify the compliance by way of assessment.

The above minutes were read and confirmed in the meeting itself.

79. Recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree(150 seats) granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956.

Read: the matter with regard to recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree(150 seats) granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956.

The Executive Committee of the Council considered the compliance verification assessment report (3rd August, 2015) along with previous compliance verification assessment report (30th April, 2015) and noted the following :-

1. Deficiency of faculty is 45.21 % as detailed in the report.
2. No faculty is available in Radiodiagnosis and Tb & Chest departments. Deficiency remains as it is.
3. Shortage of Residents is 75.14 % as detailed in the report.
4. Bed occupancy in general wards was 28 % (i.e. 194 out of 700) on day of assessment.
5. ICUs: There is no separate PICU. Occupancy was 10 % on day of assessment.
6. OPD attendance was 1,150 on day of assessment against requirement of 1,200 as per Regulations.
7. Casualty attendance was only 35 on day of assessment.
8. There were only 8 Major operations for the whole hospital on day of assessment.
9. There was NIL Normal Delivery & 2 Caesarean Sections on day of assessment.
10. Radiodiagnosis department: In spite of non-availability of faculty, investigations like USG, CT are reportedly done. Radiological investigation workload is inadequate. Deficiency remains as it is.

11. Laboratory workload is less. Data provided are inflated. Deficiency remains as it is.
12. Wards: Most of the wards were empty. No Nurses were posted in these wards.
13. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend not to recognise/approve Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 and further decided that the Institute be asked to submit the compliance for rectification of the above deficiencies within 01 month for further consideration of the matter.

The above minutes were read and confirmed in the meeting itself.

80. **Establishment of new medical college at Manamai, Nellur, Tamilnadu by Poonaiyah Ramajayam Institute of Medical Sciences & Technology Trust, Tamilnadu with an annual intake of 150 MBBS students under the Tamilnadu Dr. MGR Medical University, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.**

Read: the matter with regard to establishment of new medical college at Manamai, Nellur, Tamilnadu by Poonaiyah Ramajayam Institute of Medical Sciences & Technology Trust, Tamilnadu with an annual intake of 150 MBBS students under the Tamilnadu Dr. MGR Medical University, Tamilnadu u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

The Executive Committee of the Council considered the Council Assessment Report (24th & 25th July 2015) carried out in pursuance of Hon'ble Supreme Court Order dated 15/07/2015 in SLP(c) No.14838/2015-Ponnaiyah Ramajayam Institute of Medical Sciences & Technology Trust – Vs. – Medical Council of India & Anr. alongwith letter dated 27/07/2015 of the college authorities and noted the following:-

1. Deficiency of teaching faculty is 83 % as detailed in the report.
2. Shortage of residents is 100 % as detailed in the report.
3. Dean, Medical Superintendent and as many as 41 teaching faculty as detailed in the report have provided wrong information in the Declaration Form regarding address proof as during round it was found that no staff member/faculty/resident doctor is staying/residing in the staff quarters / residents' hostel in the campus:
4. As many as 42 Senior / Junior Residents as detailed in the report have provided wrong information in the Declaration Form regarding address proof as during round it was found that no staff member/faculty/resident doctor is staying/residing in the staff quarters / residents' hostel in the campus:
5. Wards: They are not as per regulations. Examination cum treatment Room, Pantry, Store Room, Duty Room, Demonstration Room are not available. Nursing station is not proper.
6. OPD: Attendance was 150-175 on day of assessment which is grossly inadequate. Institute has given figure of 707 which is inflated. When the assessors arrived in the morning, few patients were found. After some time, during rounds, around 150 people were found sitting in front of registration counters, with only 3-4 patients actually registering at counters. When visited again in the afternoon, the same people were found sitting there without any intention of registering at OPD counter. Many patients in the

OPD were having very minor/fake complaints for which normally no person will come to the hospital. In departmental OPD registers, no information regarding admitted patients was given. In Medical OPD, at 1 p.m., 61 patients were claimed to have been seen but there was not a single patient was admitted. There was no display board of OPD timings, doctor's name, Unit information.

7. There was NIL patient in Casualty on day of assessment.
8. Bed occupancy was 135 out of 300 beds – i.e. 45 % on day of assessment which is inadequate. Out of these 135 patients, most were not genuine patients. The beds were occupied by dummy, fake patients with insignificant problems which did not require hospitalization. Such patients were admitted very recently, most on day of assessment. They were not carrying any personal belongings or medicines. When assessors entered the hospital, few people, wandering there removed their shirt and laid down on bed. Many poor people were brought for purpose of head count for assessment. No relatives were present with any patient including ICU, NICU, PICU patients. Beds were not segregated Unit wise. In big wards, male & female patients were kept in the same ward, with only a partial screen as partition.
9. During the round of wards, the following fake patients who were shown to be admitted in the wards were actually not found on the bed or having been admitted in the ward and ward Nurses have also given statement to this effect:

#	Name of Patient	Age / Sex	Department	IP No.	Bed No.
1	Philomina	50 / F	Medicine	150724032	FM 017
2	Seetha	35 / F	Orthopaedics	150724016	FO 02

10. One patient by name John David, IP No. 150712010 was shown to be admitted in ENT ward on 12/07/2015. But Senior Resident said that he was admitted on 17/07/2015 and the patient himself said that he was admitted on 23/07/2015; however treatment chart showed treatment from 12/07/2015.
11. One patient by name of Kannammal, IP No. 150722014 was shown to be admitted in Female Surgical ward on 22/07/2015 but daily notes in the case sheet are from 18/07/2015. She did not have any medication with her.
12. There were NIL Major & Minor operations in the hospital on day of assessment.
13. There were NIL Normal Delivery & Caesarean Section on day of assessment.
14. Radiological investigative workload is inadequate on day of assessment. (only 23 plain X-ray, NIL special investigations)
15. Histopathology & Cytopathology workload was NIL on day of assessment.
16. MEU: It is not furnished.
17. Lecture Theaters: Facility for E class is not available.
18. Central Library: Area available is 1,887 sq.ft. against requirement of 2,400 sq.m. as per Regulations. Capacity of Students' Reading Room (Inside) is NIL against requirement of 150 as per Regulations. Only 8 journals are available against requirement of 20 as per Regulations.
19. Students' Hostels: They are not furnished. Toilet facilities are inadequate. Mess is not available. Visitors' room, A.C. study room with Internet & Computer are not available.
20. Residents' Hostels: All rooms are not furnished & equipped. They are not ready for occupancy. Nobody is staying in Residents' quarters.
21. Nurses' Hostel: They are not furnished. Toilet facilities are inadequate. Mess is not available.
22. Residential Quarters: All quarters are not furnished & equipped. They are not ready for occupancy.
23. MRD: It is manual. Only file storing facility is available.
24. ICUs: There was NIL patient in ICCU & SICU and only 1 patient in NICU/PICU on day of assessment.
25. CSSD: It is not functional. Equipment is not functional.

26. Central laundry is not functional.
27. Nursing Staff: Only 132 Nurses are available against requirement of 175 as per Regulations.
28. Paramedical & Non teaching Staff: only 53 are available against requirement of 100 as per Regulations.
29. Anatomy Department: Cadavers are not available. Only 85 specimens are available.
30. Physiology Department: haematology & Amphibian laboratory sizes are inadequate.
31. There is Engineering college in the same campus. Engineering books & instruments were found in some rooms of medical college hostel/quarters. It appears as if the hostels & quarters shown for Medical college are actually used by Engineering college.
32. Dean has refused to sign the report after reading it for 1 hour due to instruction from the management .
33. Other deficiencies as pointed out in the assessment report.

In view of above, the Executive Committee decided to apply clause 8(3)(1)(d) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which read as under:-

“(d) Colleges which are found to have employed teachers with faked/forged documents:

If it is observed during any institute is found to have employed a teacher with faked/forged documents and have submitted the declaration form of such a teacher, such an institute will not be considered for renewal of permission/recognition for award of MBBS degree/processing the applications for postgraduate courses for two academic years i.e. that academic year and the next academic year also.

The Executive Committee of the Council further decided to return the application for establishment of a new medical college at Manamai, Nellur, Tamilnadu by Poonaiyah Ramajayam Institute of Medical Sciences & Technology Trust, Tamilnadu under the Tamilnadu Dr. MGR Medical University, Tamilnadu to the Central Government recommending disapproval of the scheme u/s 10A of the IMC Act, 1956 for the academic year 2015-2016 & 2016-2017.

The Executive Committee also decided to refer the matter to the Ethics Committee to take action against the above mentioned faculty/residents as well as the Dean of the college.

The above minutes were read and confirmed in the meeting itself.

81. Parliamentary Standing Committee on the welfare of the Schedule Caste and Schedule Tribe – role of MCI in ensuring reservation for SC/ST.

Read: the matter with regard to Parliamentary Standing Committee on the welfare of the Schedule Caste and Schedule Tribe – role of MCI in ensuring reservation for SC/ST.

The Executive Committee perused the report submitted by Secretary I/c dated 04.08.2015 and also the earlier report dated 24.07.2015 submitted by Dr. Ved Prakash Mishra, Chairman, Academic Committee with regard to hearing before the Parliamentary Standing Committee on the Welfare of the Schedule Caste and Schedule Tribe – role of MCI in ensuring reservation for SC/ST.

The Executive Committee noted that the concerns raised by the Committee and the direction given to Medical Council of India at the last meeting on 23.07.2015 were to relax the eligibility criteria for reserved category candidates in common entrance examination for admission to MBBS course to 35% instead of the prescribed 40%.

The Executive Committee further noted that in the hearing on 04.08.2015 it was proposed to introduce the percentile system rather than percentage in the merit list prepared for the competitive entrance examinations as was done in case of NEET when it was proposed in 2012. Although NEET was subjudiced, however the percentile system could be adopted without a cut off percentile so that all available seats could be filled and there was no wastage of seats.

The Executive Committee was of the opinion that the matter required further deliberations in the context of application of percentile system for preparing merit list for competitive entrance examinations and therefore, decided to constitute a Sub-Committee in the matter as under:

- 1, Dr. C. V. Bhirmanandham, Vice-President, MCI
2. Dr. Ved Prakash Mishra, Chairman, Academic Committee, MCI
3. Dr. C.B. Mhaske, Prof. & Head, Deptt. of Skin & VD, B.J. Medical College, Pune

The Committee further directed the office to obtain the information about the marks obtained by candidates of reserved categories in competitive entrance test of every state from the concerned DMEs for the academic year 2014-15 and 2015-16 and also as to how many seats had gone unfilled in the reserved categories.

82. Presentation by National Institute for Smart Governance regarding e-Governance in order to create Digital MCI.

The Executive Committee of the Council saw the presentation made by National Institute for Smart Government (NISG), presently providing consultancy services for MCI Digital Mission Mode Project (DMMP), on the Detailed Project Report (DPR) and the outcome of the work done by them so far.

The Committee further noted that the presentation was made on the following points-

1.
 - a. Current state of various processes, procedures, issues etc.
 - b. Findings of As-Is study
 - c. Proposed improvements with benefits
 - d. Highlights of the including project financials
 - e. Policy level decisions pending
 - f. Next step after DPR approval
2. Some of the important issues in the present system and processes highlighted by NISG were-
 - a. Currently there is no unique ID for doctors across State Medical councils
 - b. Additional qualification is not updated/available in IMR, hence there is no MIS, like speciality available with MCI
 - c. No system for online real time monitoring of faculty across medical colleges.
 - d. Provision for e-receipt of payment is currently not available
 - e. Current IT solution in place requires integration and has scope for augmentation
 - f. Applications for availing some services can be currently made online, while the others require an applicant to apply offline

NISG also highlighted that, during As-Is study 93% of the various sections of MCI marked the shortage of staff and requirement of augmentation of existing IT system as the major issues being faced by them. This was followed by the issues of archival of old records (80%) and data entry efforts (27%).

3. NISG proposed an online biometric based Online Faculty Attendance Monitoring System (OFAMOS) to address the issue of fake faculties. This system shall have provision for authentication of biometric details of faculty i.e. fingerprints and iris scans from UIDAI AADHAR database. The OFAMOS solution will have a three stage validation check built in it.
4. NISG also proposed introduction of AADHAR based Unique Permanent Registration Number (UPRN) for all the doctors across the country.

5. The other improvement presented by NISG included those for UG/PG applications, IMR update, PG/Super Specialization registration, legal cases, internal functions of MCI – including HR, Finance and accounts, store etc. The details of the same are available in the DPR already included in the agenda.

6. NISG presented the cost benefit analysis of the proposed e-Library solution and demonstrated that it is a net cash positive proposition.
7. NISG highlighted the following policy related issues, on which decision is pending from MCI-
 - a. **Document archival policy-** MCI has a huge repository of past records, documents, files etc. in hard copies. An archival policy is required to decide retention of relevant records. The policy is also important from the perspective that the volume for digitization of old records can be spelt out in the request for proposal document (tender document).
 - b. **Involvement of State Medical Councils (SMCs)-** SMCs are required to be taken on board for the components of MCI DMMP requiring active involvement and actions from their side.
 - c. **Updation/ revalidation of IMR-** IMR is required to be kept updated, so that, it can provide actual status of medical professionals in the country. In order to keep IMR updated, a decision is required to be taken on the periodicity of renewal / revalidation of registration of doctors.

In view of above, the Executive Committee of the Council after detailed deliberations decided as under:-

- i. The DPR submitted by NISG has been accepted 'in principle'.
- ii. The estimated all-inclusive project cost of Rs. 37,73,64,000/- (excluding e.library) including operations and maintenance by System Integrator (SI) for 3 years post implementation was accepted.
- iii. A meeting of all the State Medical Councils (SMCs) shall be called to take them on board for the aspects of the projects where involvements and actions from their side is required e.g. conversion of existing registration numbers to Unique Permanent Registration Number (UPRN), updation of IMR etc.
- iv. Although it was proposed that renewal of registration of doctors shall be mandatory at the periodicity of 5 years. However, an amendment will be required in the relevant clause of IMC Act, 1956 and therefore cannot be accepted as of now.
- v. The Committee felt that the proposal of e-library should be considered separately at a later date therefore it is not accepted as of now.
- vi. NISG shall go ahead with preparation of the Request For Proposal (RFP) for selection of System Integrator for implementation of MCI DMMP.

83. Departmental Promotions to the post of Section Officer in the office of the Medical Council of India.

Read: The recommendations of the Selection Committee to the post of Section Officer in the office of the Medical Council of India.

The Executive Committee of the Council approved the recommendation of the Selection Committee meeting held on 05.08.2015 for the post of Section Officer in the office of the Medical Council of India as under:-

“The Committee, after verifying the C.R., documents and detailed discussion recommends the following as selected candidates for the said post:-

Sl. No.	Name	Category
1.	Sh. Raj Kumar Jain	General
2.	Sh. Anil Kumar	General
3.	Sh. V.K. Prasad	ST

The above minutes were read and confirmed in the meeting itself.

The meeting ended with a vote of thanks to the Chair.

New Delhi, dated
05th August, 2015

(Dr. Reena Nayyar)
Secretary I/c
