Lt.Col.(Dr.) A.R.N. Setalvad      -Secretary.

Apologies for absence were received from the following members of the Council:-

1. Prof. A. Rajasekaran
2. Dr. Dilip Kumar Baliga
3. Dr. K.H. Kenchappa
4. Prof.Dr. M. Ramanathan

The Secretary informed the members of the Council that the matter of continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr. Panjabrao Alias Bhausaheb Deshmukh Memorial Medical College, Amravati which was considered by the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council at its meeting held on 13<sup>th</sup> & 14<sup>th</sup> June, 2008 which was sent for approval by circulation vide letter dated 8.9.2008 reads as under:-

*“The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (15<sup>th</sup> & 16<sup>th</sup> May, 2008) along with Council Inspectors report (5<sup>th</sup> & 6<sup>th</sup> January, 2007) and noted the following:-*

1 (a) *The shortage of teaching staff is as under:-*

*Dr. D.S. Jane, Officiating Dean and Dr. V.S. Lawankar, Officiating Medical Superintendent cannot be considered as they are not full time Dean / Medical Superintendent respectively.*

(b) The following teachers cannot be considered eligible due to the reasons mentioned below:-

| S.No. | Name                       | Designation  | Department   | Remarks                                                                                                                                                                                                                                                                        |
|-------|----------------------------|--------------|--------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.    | Dr.P.N.Kulkarni            | Professor    | Comm.Med.    | He has completed the age of 65 years. Hence, cannot be considered.                                                                                                                                                                                                             |
| 2.    | Dr.A.K. Bhutay             | Professor    | Biochemistry | M.Sc. from Science faculty. Hence cannot be considered.                                                                                                                                                                                                                        |
| 3.    | Dr.S.W.Chaudhary           | Reader       | Anaesthesia  | In his declaration form he has shown his experience as Asstt. Prof. with only 4 years 3 months against the requirement of 5 years as per Regulations which is inadequate as Post partum Anaesthetist cannot be considered as teaching experience. Hence, cannot be considered. |
| 4.    | Dr.Vijaya P. Borkar        | Reader       | Anaesthesia  | In her declaration form she has shown her experience as Asstt. Prof. of only 4 years 5 months which is inadequate against the requirement of 5 years as per Regulations. Hence, cannot be considered.                                                                          |
| 5.    | Dr.Santosh Ramratan Pande  | Assoc. Prof. | Anaesthesia  | In his declaration form he has shown his experience as Asstt. Prof. of only 1 year 7 months which is inadequate against the requirement of 3 years as per Regulations. Hence, cannot be considered.                                                                            |
| 6.    | Dr.Sanjay Nathmal Agrawal  | Reader       | Dermatology  | He does not possess the prescribed academic qualification required as per Regulations. Hence not eligible.                                                                                                                                                                     |
| 7.    | Dr.Syed Rizwanuddin Qazi   | Lecturer     | Surgery      | In his declaration form he has shown his experience as Resident of only 58 days which is inadequate against the requirement of 3 years as per Regulations. Hence, cannot be considered.                                                                                        |
| 8.    | Dr.Kishor Krishnarao Bele  | Lecturer     | Surgery      | In his declaration form he has shown his experience as Resident of only 1 year which is inadequate against the requirement of 3 years as per Regulations. Hence, cannot be considered.                                                                                         |
| 9.    | Dr.Prabhakar B. Jawanjal   | Lecturer     | Surgery      | In his declaration form he has shown his experience as Resident of only 1 year which is inadequate against the requirement of 3 years as per Regulations. Hence, cannot be considered.                                                                                         |
| 10.   | Dr.Mrs.Khairunnisa K. Khan | Lecturer     | Anaesthesia  | In her declaration form she has shown her experience as Resident only 10 months which is inadequate against the requirement of 3 years as per Regulations. Hence, cannot be considered.                                                                                        |
| 11.   | Dr.Manoj Kisanlal Gupta    | Lecturer     | Anaesthesia  | In his declaration form no experience has been shown as Resident in a recognized/permitted medical college against the requirement of 3 years as per Regulations. Hence cannot be considered.                                                                                  |
| 12.   | Dr.Deepa Pankaj Ghundiya   | Lecturer     | Comm.Med.    | In her declaration form no experience has been shown as Tutor in a recognized/permitted medical college against the requirement of 3 years as per Regulations. Hence cannot be considered.                                                                                     |
| 13.   | Dr.Asha J. Bajaj           | Lecturer     | Pathology    | In her declaration form no experience has been shown as Tutor in a recognized/permitted medical college against the requirement of 3 years as per Regulations. Hence cannot be considered.                                                                                     |
| 14.   | Dr.Sangita Tehre           | Lecturer     | Pathology    | In her declaration form no experience has been shown as Tutor in a recognized/permitted medical college against the requirement of 3 years as                                                                                                                                  |

|     |                                       |                     |                          |                                                                                                                                                                                                            |

© In view of above, the shortage of teaching faculty is more than 15 % as under:-

- i) Professor - 4 (Anatomy – 1, Biochemistry – 1, Pediatrics – 1, Community Medicine – 1.)
- ii) Associate Professor - 5 (Anatomy – 1, Biochemistry – 1, Forensic Medicine - 1, Skin & VD – 1, Anesthesia – 1)
- iii) Assistant Professor: - 7 (Anatomy – 2, Physiology – 1, Community Medicine – 2, Lecturer in Epidemiology – 1, Pathology – 1)
- iv) Tutor : - 6 (Pathology – 6)

(d) The shortage of Residents is more than 10 % as under: -

- i) Sr. Resident: - 8 (TB & Chest – 1, Surgery – 1, Radiology – 1, Anaesthesia – 4, Paediatrics – 1)
- ii) Jr. Resident: - 1 ( Medicine – 1)

2. *Clinical Material - Normally with increase in OPD and bed occupancy increase in other parameters like radiological investigations and laboratory investigations are seen. With high OPD and bed occupancy parallel increase in other parameters like radiological investigations and laboratory investigations are not seen. The high OPD attendance and bed occupancy do not commensurate with other parameters.*
3. *Hostel accommodation is inadequate as it is available only for 336 students against the requirement of 500.*
4. *Interns hostel is under construction.*

5. *Accommodation for only 66 residents is available against the requirement of 114 residents; thus it is inadequate.*
6. *Accommodation for nurses is grossly inadequate as only 10 double-seated rooms for accommodating 20 nurses are available.*
7. *Only 12 quarters are available within the campus for the teaching faculty, which are inadequate as per norms. In addition 17 staff quarters have been allotted to class III staff of the college. These quarters are ½ K. M. distance away from the college which is not as per norms.*
8. *Catalogues are still not available.*
9. *MRI & CT scan are still not available.*
10. *Lecture theatre with capacity of 250 seats are not available.*
11. *In certain areas of OPD and Wards, collection and segregation of hospital biological waste is not carried out as per the guidelines of Pollution Control Board.*
12. *There is no kitchen in the hospital. No Dietician. Food is supplied to the patients by contractors on payment.*
13. *Central sterilization department has only one room provided on the 2<sup>nd</sup> floor of the operation block. It has one cylindrical and one vertical autoclave. No other equipments are available in the CSSD. There is no water connection / taps available in the room. No exhaust fans. Only 2 racks were seen in CSSD. No trays and drums were seen. On an average daily 20 – 25 drums and 20 trays are prepared. Duty register of the staff is not available. CSSD should be established as per council guidelines.*
14. *Only 2 static units of 500 MA and 2 mobile units (1 of 100 MA and 1 of 60 MA) are available which is inadequate against the requirement of 4 static & 6 mobile units.*
15. *In OPD space provided for examination of patients and for doctors is inadequate. Most of the examinations rooms are without BP Instruments, examination tray, view box, etc. Water source is also not provided in all the chambers. Most of the specialties are not provided with teaching areas in OPD. There is no minor OT and dressing room for surgical OPD.*
16. *There is overcrowding of beds in wards. Patients of tuberculosis, Skin & VD and Psychiatry are kept in the Medicine Ward which is not acceptable.*
17. *Indoor case registration is done manually. For registration of OPD cases one computer is available. Registration counters are not computerized and cross linked with MRD Section.*
18. *Central suction is not functional.*
19. *Capacity of examination hall is only 110 which is inadequate against the requirement of 250 as per regulations.*
20. *Number of books in the library Skin, Psychiatry & Medicine are still inadequate.*
21. *Other deficiencies as pointed out in the inspection report.*

*In view of above and in view of persistent and continuing gross deficiencies of teaching faculty, residents, hostels, instrumentation & equipment and other infrastructure, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to reiterate its earlier decision that the recognition for the award of MBBS degree granted by Maharashtra University of Health Sciences, Mumbai in respect of students being trained at Dr. Panjabrao Alias Bhausabeb Deshmukh Memorial Medical College, Amravati should be withdrawn u/s 19 of the IMC Act, 1956. It was further decided that the institute be directed not to make further admissions from the academic year 2008-09 onwards".*

## 1. Notification of New Members

The Secretary read the notification of the following new members elected/nominated as member of the Council since the last meeting of the Council held on 15.03.2008:-

| S.No. | Name                          | U/s      | Constituency                |
|-------|-------------------------------|----------|-----------------------------|
| 1.    | Dr. (Smt.) Shobha Chakravorty | 3(1)(a)  | Govt. of Jharkhand          |
| 2.    | Dr. Sihag Kamalveer Singh     | 3(1)( a) | Govt. of Haryana            |
| 3.    | Dr. Radha Madhab Tripathy     | 3(1)(b)  | Berhampur University        |
| 4.    | Dr. Vijay Prakash Singh       | 3(1)(b)  | Patna University            |
| 5.    | Dr. O.P. Tiwari               | 3(1)(b)  | Devi Ahilya Vishwavidyalaya |

## 2. Minutes of the last meeting of the Council – confirmation of.

The minutes of the last meeting of the Council held on 15.03.2008 were confirmed.

## 3. Minutes of the last meeting of the Council – Action taken thereon.

The Council noted the action taken by the office on various items included in the minutes of the meeting of the Council held on 15.03.2008.

| 9.  | Padamshree Dr. D.Y. Patil University                        | 11 <sup>th</sup> & 12 <sup>th</sup> October,2008 | Newer Frontiers in Medical Education                                                              |
| 10. | Patna Medical College, Patna                                | 9 <sup>th</sup> November, 2008                   | Doctor-Patient Relationship.                                                                      |

- Likewise, various medical institutions in the country were asked to hold at least one workshop/seminar/symposium on any one of the 27 themes that were circulated to them for the purposes of generating “Crystallized Inputs” on them to be sent to MCI for its further appropriate consideration.
- In accordance with the same, till date 93 “Institutional workshops/seminars/symposia” have been organized as part of the Platinum Jubilee celebrations and many more are in the pipeline. As per the recommendation of the Platinum Jubilee Celebrations Committee, at each one of these institutional workshops the Council has deputed one “Observer” for the purposes of first hand evaluation of the same, including formulation of the observations to be forwarded to the Council for its suitable consideration, as may be necessary.
- He shared with the members that as planned all the “Intellectual and Informational” inputs on these “Vital Themes” through various significant workshops, will be articulated and shall be taken up for consideration at the concluding National Workshop which has been scheduled to 13<sup>th</sup> to 15<sup>th</sup> February,2009 at New Delhi.
- He further added that he is very optimistic that the consensus and the crystallized recommendations thereto would not only be of such magnitude that they would be catering to the “Relevant Concerns”, but would go a long way in providing “Matcheable Solutions” to the “Long term problems” that medical education and the health care delivery system is put to, as of now.
- He further shared with the August House, that in accordance with the policy of the Council to avail “Computerized informational technology”, in due dispensation of its tasks ultimately reaching to the level of having “Paperless Administration”, from 14<sup>th</sup> June, 2008, “MCI Online project” has been actualized which is a significant step towards realization of this pragmatic dream that we owed to “Ourselves”. Many applicants have taken the advantage of applying online for registration of primary or additional qualification or for eligibility.
- He recalled that out of series of “Zonal Workshops” that culminated in a “National Workshop” in the year 2003 vide crystallized recommendations they were to be incorporated as “Amendments” to various Regulations namely “Regulations on Graduate Medical Education, Regulations on Postgraduate Medical Education, Regulations on Minimum Standard Requirements for Medical Colleges for 50,100,150 Admissions Annually and Minimum Qualifications for Teachers in Medical Institutions Regulations, 1998” and approval thereof by various authorities of the Council including the General Body, were sent to the Govt. of India for their consideration and notification thereof.

- He informed the members that by a notification dated 20.10.2008, those areas on which the “Consensus” was reached between the Council and the Govt. of India, the “Amended Regulations” have been notified, whereby a part of the recommendations crystallized in the year 2003 have been put into operation.
- There have been series of deliberations on “Further Areas” in this regard and therefore the exercise of working out a “Pragmatic Consensus” is on the anvil. Substantial “Areas” in which such a “Consensus” has been reached have been itemized for the consideration of this General Body. I am very optimistic that upon the approval by the General Body, notification thereof would definitely result in addressing to the “Constraints” to which the medical education has been subjected to, to a reasonable degree.
- In view of dispensation of the duties vested with the Council, during the impending period from the last General Body meeting held on 15.03.2008, the Council has carried out 44 inspections for the purposes of starting of new medical colleges, 27 inspections for increase in intake capacity, 61 inspections for renewal of permissions, 12 inspections for recognition of undergraduate qualifications, 58 inspections for continuance of recognition, 20 pre postgraduate inspections, 99 inspections for starting of postgraduate courses, 69 for increase in the intake capacity and 357 for recognition of postgraduate courses.
- All these inspections and the recommendations thereon, which are required to be processed by the Council in a “Time bound manner” in terms of the prescribed schedule binding in nature have been completed within the stipulated time frame. No doubt, the task was “Gigantic” in its magnitude, but by virtue of the “Committed will and devotion”, the administration of the Council has been able to execute it in an “Appreciable manner”.
- He further shared with the members that the Ministry of Human Resource Development, Govt. of India desired that the Medical Council of India should identify such “Emerging Areas”, which could be said to be “new and novel” in the domain of medical education and health sciences, that could be availed by the University Grants Commission for the purposes of making recommendations in regard to the starting of Deemed Universities under the “De-Novo category” to the Ministry of Human Resource Development, Govt. of India.
- The Study Group under the Chairmanship of the Hon’ble Member of the Adhoc Committee Dr. P.N. Tandon with Dr. Ved Prakash Mishra, Dr. (Mrs.) Sneh Bhargava and Dr. Indrajit Ray as members have submitted their report and the same has been approved by the Executive Committee at its meeting held on 10<sup>th</sup> November, 2008.
- The Study Group has also proposed the associated “Standardized Stipulations”, which are required to be fulfilled by the applicant institution. He was sure that this “Creative Output” worked out by the Study Group would go a long way in ensuring standardized creation of the Deemed Universities in the country, especially in the De-Novo Category and the “Concerns” brought out by the Human Resource Development Ministry for the consideration by the MCI have been squarely met with.
- He informed the August Body that the MCI has been included as a full-fledged member of the International Association of Medical Regulatory Authorities (IAMRA). Dr. B.P. Dubey, Member of the Council and also Member of the Postgraduate Committee & Executive Committee represented

MCI at the 8<sup>th</sup> Conference of the IAMRA held between 6<sup>th</sup> & 9<sup>th</sup> October, 2008 at Cape Town, South Africa and also made a presentation at the said summit on the theme "Fitness to practice investigations – A Block towards Professionalism", which was acclaimed and appreciated. The presence and participation of MCI at the IAMRA Summits over a period of time have been "Effective, creative and productive" as well.

- The Govt. of India had directed implementation of 6<sup>th</sup> Pay Commission's recommendations pertaining to "Pay and allowances" payable to the employees of the Council. The same was recommended by the Finance Committee of the Council and approved by the Executive Committee, upon which the salary payable in terms of 6<sup>th</sup> Pay Commission to all the employees of the Council has been affected from Sept., 2008 including the payment of 40% of the "Payable arrears" to each employee of the Council.
- It is in this context, he reiterated that it has been his consistent approach with this body that the "objectives" entrusted to the Council is fulfilled in a "transparent" manner with a committed sense of "accountability".
- The fair name and credibility of the Council is and has been paramount to all of us. Its growth has been our endeavor jointly and severally.
- It is by virtue of the committed support and the learned advise and counsel from the Adhoc Committee members that the Council has been able to make "Positive stride" in the "Desired direction", and so is the case in this Platinum Jubilee Year of the Council.
- He wishes and hopes that the Council shall be able to carry the mantle further in the larger interests of the medical education and public health care delivery system in this country. He also takes the pleasure of recording his sense of gratitude to all the respected members of the Council and his thankfulness to the members of the Adhoc Committee for steering him through and to the officials of the Council, but for which his task would have remained unaccomplished.

Motion of thanks to the Presidential address was moved by Dr. Pawar Vasantrao N., and seconded by Dr. Ved Prakash Mishra and the whole House.

**6. Rajiv Gandhi University of Health Sciences, Bangalore – Permitting intake in M.D.(Obst. & Gynae.) & DGO course in respect of students being trained at M.R. Medical College, Gulbarga.**

Read: The Compliance verification report (Feb, 2008) together with the Council Inspector's report (March, 2007) on physical and other teaching facilities available at M.R. Medical College, Gulbarga for purpose of permitting of intake in MD(Obst. & Gynae.) & DGO qualification granted by Rajiv Gandhi University of Health Sciences.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the compliance verification report (February, 2008) together with the Council Inspector's report (March, 2007) and observed that the clinical material is barely adequate for the existing permitted intake of 3 (three) degree and 2 (two) diploma students."*

**7. Gujarat University - Recognition of D.M.(Nephrology) qualification in respect of students being trained at Institute of Kidney Diseases and Research Center attached with B.J. Medical College, Ahmedabad.**

Read: The compliance verification report (Feb, 2008) together with the Council Inspector's report (October, 2006) on the standard of examination and other teaching facilities available at Institute of Kidney Diseases and Research Center attached with B.J. Medical College, Ahmedabad for purpose of recognition of D.M.(Nephrology) qualification granted by Gujarat University.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the compliance verification report (Feb, 2008) together with the Council Inspector's report (October, 2006) and decided to recommend that D.M.(Nephrology) qualification granted by Gujarat University in respect of students being trained at Institute of Kidney Diseases and Research Center attached with B.J. Medical College, Ahmedabad be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year".*

**8. Sri Venkateshwara University, Tirupati – Recognition of MD(Anaesthesia) qualification in respect of students being trained at S.V.Medical College, Tirupati and also approval of the college for the award of DA qualification.**

**Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of S.V. Medical College, Tirupati for the award of M.D.(Anaesthesia) & D.A. qualifications.**

Read: The compliance verification report (Jan, 2008) together with the Council Inspector's report (May, 2001) on the standard of examination and other teaching facilities available at S.V. Medical College, Tirupati for i) recognition of MD(Anaesthesia) qualification granted by Sri Venkateshwara University & also approval of the college for the award of DA qualification and ii) approval of the college for the award of M.D.(Anaesthesia) & D.A. qualifications granted by Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the compliance verification report (Jan, 2008) together with the Council Inspector's report (May, 2001) and decided to recommend that MD(Anaesthesia) & D.A. qualifications earlier granted by Sri Venkateshwara University & now by Andhra Pradesh University of Health Sciences/NTR University of Health Sciences, Vijayawada in respect of students being trained at S.V. Medical College, Tirupati be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students for degree and 4(four) students for diploma course per year".*

**9. Mahatma Gandhi University–Recognition of D.M.(Nephrology) qualification in respect of students being trained at Medical College, Kottayam.**

Read: The compliance together with the Council Inspector report (March, 2007) on the standard of examination and other teaching facilities available at Medical College, Kottayam for purpose of recognition of DM (Nephrology) qualification granted by Mahatma Gandhi University.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the compliance together with the Council Inspector report (March, 2007) and decided that D.M.(Nephrology) qualification granted by Mahatma Gandhi University in respect of students being trained at Medical College, Kottayam be recognized and included in the 1<sup>st</sup> schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (One) student per year”.*

**10. Parvara Rural University – Recognition of DMRD qualification in respect of students being trained at Rural Medical College, Loni.**

Read: The Council Inspector's report (July, 2007) on the standard of examination and other teaching facilities available at Rural Medical College, Loni for purpose of recognition of DMRD qualification granted by Parvara Rural University.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the Council Inspector report (July, 2007) and decided that D.M.R.D. qualification granted by Parvara Rural University in respect of students being trained at Rural Medical College, Loni be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 2(two) students per year”.*

**11. To consider the letter received from Dr. Maruti Sinha seeking clarification regarding Postgraduate Medical Education (amendment) Regulations, 2005.**

Read: The letter received from Dr. Maruti Sinha seeking clarification with regard to the Post Graduate Medical Education (amendment) Regulation, 2005 notified in the Gazette of India: Extraordinary, dated 15<sup>th</sup> March 2005.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee while considered the matter with respect to the definition of words “Consultant” & “Specialist” and after detailed deliberations observed as under:-*

1. *The word “Consultant” & “Specialist” are not defined in the Indian Medical Council Act, 1956 or Postgraduate Medical Education Regulations, 2000 or Minimum Qualifications for Teachers in Medical Institution Regulations, 1998.*
2. *The Oxford Dictionary defines the word “Consultant” & “Specialist” as under:-*

*“Consultant” : A senior medical specialist in a hospital;*

*“Specialist”:*

1. *A person who is trained in a particular branch of a profession, especially medicine.*
2. *A person who specially or exclusively studies a subject or a particular branch of a subject.*

*It was also observed that in the Armed Forces Medical Services, there are two categories of Specialist called “Graded specialist and classified specialist” denoting the level of expertise and experience obtained by the medical officer employed in the Armed Forces.*

*In view of the above, the members of the Postgraduate Committee after due deliberation decided that a "Specialist", would be a person who is trained and qualified in a particular branch of Medicine, particularly, with reference to the subjects notified in the Postgraduate Medical Education Regulations, 2000 and a "Consultant" would be a senior specialist having work experience of more than 10 years as a specialist."*

**12. HNB Garhwal University – Approval of Himalayan Instt. of Medical Sciences, Dehradun for the award of MD (General Medicine) qualification in respect of increased intake.**

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Himalayan Instt. of Medical Sciences, Dehradun for purpose of approval of the college for the award of MD (General Medicine) qualification granted by HNB Garhwal in respect of increase intake.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that Himalayan Instt. of Medical Sciences, Dehradun be approved for the award of MD (General Medicine) qualification granted by HNB Garhwal University restricting the number of admissions to 8 (eight) students per year".*

**13. HNB Garhwal University – Approval of Himalayan Instt. of Medical Sciences, Dehradun for the award of MS (Obst. & Gynae) qualification in respect of increased intake.**

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Himalayan Instt. of Medical Sciences, Dehradun for purpose of approval of the college for the award of MS (Obst. & Gynae) qualification granted by HNB Garhwal in respect of increase intake.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that Himalayan Instt. of Medical Sciences, Dehradun be approved for the award of MS (Obst. & Gynae) qualification granted by HNB Garhwal University restricting the number of admissions to 4 (four) students per year".*

**14. HNB Garhwal University – Approval of Himalayan Instt. of Medical Sciences, Dehradun for the award of MS (Orthopaedics) qualification in respect of increased intake.**

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Himalayan Instt. of Medical Sciences, Dehradun for purpose of approval of the college for the award of MS (Orthopaedics) qualification granted by HNB Garhwal in respect of increase intake.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that Himalayan Instt. of Medical Sciences, Dehradun be approved for the award of MS (Orthopaedics)*

*qualification granted by HNB Garhwal University restricting the number of admissions to 4 (four) students per year”.*

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Vinayaka Mission's Kurupananda Variyar Medical College, Salem for purpose of recognition of DO qualification granted by Vinayaka Mission's University, Salem.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that DO qualification granted by Vinayaka Mission's University in respect of students being trained at Vinayaka Mission's Kurupananda Variyar Medical College, Salem be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (one) student per year".*

**19. Vinayaka Mission's University Salem - Recognition of DLO qualification in respect of students being trained at Vinayaka Mission's Kurupananda Variyar Medical College, Salem.**

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Vinayaka Mission's Kurupananda Variyar Medical College, Salem for purpose of recognition of DLO qualification granted by Vinayaka Mission's University.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that DLO qualification granted by Vinayaka Mission's University in respect of students being trained at Vinayaka Mission's Kurupananda Variyar Medical College, Salem be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (one) student per year".*

**20. Vinayaka Mission's University - Recognition of D.Ortho. qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.**

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of D.Ortho. qualification granted by Vinayaka Mission's University.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that D. Ortho. qualification granted by Vinayaka Mission's University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 2 (two) students per year".*

**21. Vinayaka Mission's University - Recognition of DGO qualification in respect of students being trained at Vinayaka Mission's Medical College, Karaikal.**

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Vinayaka Mission's Medical College, Karaikal for purpose of recognition of DGO qualification granted by Vinayaka Mission's University.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that DGO qualification granted by Vinayaka Mission's University in respect of students being trained at Vinayaka Mission's Medical College, Karaikal be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 2 (two) students per year".*

**22. West Bengal University of Health Sciences, Kolkata - Recognition of MD (Microbiology) qualification in respect of students being trained at Burdwan Medical College, Burdwan.**

Read: The Council Inspector's report (April, 2008) on the standard of examination and other teaching facilities available at Burdwan Medical College, Burdwan for purpose of recognition of MD (Microbiology) qualification granted by West Bengal University of Health Sciences, Kolkata.

The Council approved the following recommendations of the Postgraduate Committee:-

*"The Postgraduate Committee considered the Council Inspector's report (April, 2008) and decided to recommend that MD (Microbiology) qualification granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Burdwan Medical College, Burdwan be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year".*

**23. Sri Ramachandra University – Recognition of M.Ch. (Plastic Surgery/Plastic and Reconstructive Surgery) qualification in respect of students being trained at Sri Ramachandra Medical College and Research Instt., Chennai.**

Read: The Compliance Verification Report (March, 2008) togetherwith the Council Inspector's report (August, 07) on the standard of examination and other teaching facilities available at Sri Ramachandra Medical College and Research Instt., Chennai for purpose of recognition of M.Ch. (Plastic Surgery/Plastic and Reconstructive Surgery) qualification granted by Sri Ramachandra University.

The Council approved the following recommendations of the Postgraduate Committee as under:-

1. "The Postgraduate Committee considered the Verification Report (March, 2008) togetherwith the Council Inspector's report (August, 07) and had observed that Dr.Satish Kumar, Assoc. Prof. in Unit-I and Dr.Syed Altaf Hussain, Assoc. Prof. in Unit-II do not possess prescribed academic qualification as per MCI norms. Dr.Kamalakar Rao is a visiting Professor and more than 65 years of age.
2. However, the teaching faculty complement other than the teachers mentioned above is adequate and complete and hence decided to recommend that M.Ch.

(Plastic Surgery/Plastic and Reconstructive Surgery) qualification granted by Sri Ramachandra University in respect of students being trained at Sri Ramachandra Medical College and Research Instt., Chennai be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 2 (two) students per year”.

**24. Rajiv Gandhi University of Health Sciences, Bangalore – Recognition of MD (DVL) qualification in respect of students being trained at Kempegowda Institute of Medical Sciences, Bangalore.**

Read: The Council Inspector’s report (May, 2008) on the standard of examination and other teaching facilities available at Kempegowda Institute of Medical Sciences, Bangalore for purpose of recognition of MD (DVL) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the Council Inspector’s report (May, 2008) and decided to recommend that MD (DVL) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Kempegowda Institute of Medical Sciences, Bangalore be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (one) student per year”.*

**25. RTM Nagpur University – Recognition of MD (Psychiatry) qualification in respect of students being trained at Mahatma Institute of Medical Sciences, Sewagram, Wardha.**

Read: The Council Inspector’s report (April, 2008) on the standard of examination and other teaching facilities available at Mahatma Institute of Medical Sciences, Sewagram, Wardha for purpose of recognition of MD (Psychiatry) qualification granted by RTM Nagpur University.

The Council approved the recommendations of the Postgraduate Committee as under:-

*“1. The Postgraduate Committee had considered the Council Inspector’s report (April, 2008) and noted that Dr. Abhay K. Chhallani, Asstt. Prof. does not possess recognized postgraduate qualification.*

*2. However, the teaching faculty complement other than the teacher mentioned above is adequate and complete and hence decided to recommend that MD (Psychiatry) qualification granted by RTM Nagpur University in respect of students being trained at Mahatma Institute of Medical Sciences, Sewagram, Wardha be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (one) student per year”.*

**26. Sri Venkateshwara University, Tirupati / Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of S.V. Medical College, Tirupati for the award of M.S.(Anatomy) qualification.**

Read: The compliance verification report (February, 2008) togetherwith the Council Inspector’s report (October, 2002) on the standard of examination and other teaching facilities available at S.V. Medical College, Tirupati for purpose of approval of the college for the award of M.S.(Anatomy) qualification granted by Sri Venkateshwara University, Tirupati, Andhra Pradesh University of Health Sciences, Vijayawada and now by N.T.R. University of Health Sciences, Vijayawada.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the compliance verification report (February, 2008) togetherwith the Council Inspector’s report (October, 2002) and decided to recommend that S.V. Medical College, Tirupati be approved for the award of M.S.(Anatomy) qualification granted by Sri Venkateshwara University, Tirupati, Andhra Pradesh University of Health Sciences, Vijayawada and now by N.T.R. University of Health Sciences, Vijayawada restricting the number of admission to 1 (one) student per year”.*

**27. Shivaji University – Approval of V.M. Medical College, Solapur for the award of MD (Paediatrics) & DCH qualification.**  
**Maharashtra University of Health Sciences, Nashik – Approval of V.M. Medical College, Solapur for the award of DCH qualification.**

Read: The compliance verification (May, 2008) togetherwith the Council Inspector’s report (Dec., 2004) on the standard of examination and other teaching facilities available at V.M. Medical Solapur for purpose of (i) approval of the college for the award of M.D.(Paediatrics) & DCH qualification granted by Shivaji University and ii) approval of V.M. Medical College, Solapur for the award of DCH qualification granted by Maharashtra University of Health sciences, Nashik.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the compliance verification (May, 2008) togetherwith the Council Inspector’s report (Dec., 2004) and decided to:-*

- i) recommend approval of V.M. Medical College, Solapur for the award of M.D.(Paediatrics) & DCH qualification granted by Shivaji University restricting the number of admissions to 2 (two) students per year in M.D.(Paediatrics) course;*
- ii) recommend approval of V.M. Medical College, Solapur for the award of DCH qualification granted by Maharashtra University of Health sciences, Nashik restricting the number of admission to 1(one) student per year prospectively in conformity with the Regulations on Postgraduate Medical Education Regulations, 2000”.*

**28. Madras University & The Tamilnadu Dr. MGR Medical University, Chennai – Recognition of M.Ch.(Neurosurgery) qualification in respect of students being trained at Stanley Medical College, Chennai.**

Read: The compliance verification report (April, 2008) together with the Council Inspector’s report (August, 2006) on the standard of examination and other teaching facilities available at Stanley Medical College, Chennai for purpose of recognition of M.Ch.(Neurosurgery) qualification granted by Madras University & The Tamilnadu Dr. MGR Medical University, Chennai.

The Council approved the recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the compliance verification report (April, 2008) together with the Council Inspector’s report (August, 2006) and decided that M.Ch.(Neuro-Surgery) qualification granted by Madras University & The Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Stanley Medical College, Chennai be*

*recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admission to 1 (one) student per year”.*

**29. Bharati Vidyapeeth University – Recognition of DCP qualification in respect of students being trained at Bharati Vidyapeeth Medical college, Pune.**

Read: The compliance verification report (April, 2008) togetherwith the Council Inspector’s report (June, 2007) on the standard of examination and other teaching facilities available at Bharati Vidyapetth Medical College, Pune for purpose of recognition of DCP qualification granted by Bharati Vidyapeeth University.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the compliance verification report (April, 2008) togetherwith the Council Inspector’s report (June, 2007) and decided to recommend that DCP qualification granted by Bharati Vidyapeeth University in respect of students being trained at Bharati Vidyapetth Medical College, Pune be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 3 (three) students per year”.*

**30. Bhavnagar University – Recognition of MD (Pathology) qualification in respect of students being trained at Govt. Medical College, Bhavnagar.**

Read: The Council inspector’s report (May, 2008) on the standard of examination and other teaching facilities available at Govt. Medical College, Bhavnagar for purpose of recognition of M.D. (Pathology) qualification granted by Bhavnagar University.

The Council approved the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the Council inspector’s report (May, 2008) and decided that M.D. (Pathology) qualification granted by Bhavnagar University in respect of students being trained at Govt. Medical College, Bhavnagar be recognized and included in the 1<sup>st</sup> Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2(two) students per year”.*

**31. Ch. Charan Singh University, Meerut – Approval of Santosh Medical College, Ghaziabad for the award of MS (Ophthalmology) qualification.**

Read: The Council inspector’s report (May, 2008) on the standard of examination and other teaching facilities available at Santosh Medical College, Ghaziabad for purpose of approval of the college for the award of MS (Ophthalmology) qualification granted by Ch. Charan Singh University, Meerut.

The Council approved the following recommendations of the Postgraduate Committee:-

Read: The compliance verification inspection report (15<sup>th</sup> & 16<sup>th</sup> May, 2008) for continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Mumbai in respect of students being trained at Dr. Panjabrao Alias Bhausabeb Deshmukh Memorial Medical College, Amravati.

The Secretary informed the members that this item was kept in the agenda which was circulated to the members of the Council alongwith notice for the meeting which was originally scheduled to be held on 30<sup>th</sup> September, 2008. However, the institute had filed a Writ Petition No. 3509/2008 before the Nagpur Bench of the Hon'ble Bombay High Court. At the hearing held on 8.9.2008, the Hon'ble Court had orally directed that the matter be decided within 7 days by circulation which was communicated by the Council Advocate at Nagpur. Accordingly, the item was circulated to all the members of the Council vide Council letter No. MCI. Mah/44(31)/2008-Med./23640, dated 8.9.2008 requesting the members to consider the matter and send the decision latest by 12.9.2008 positively otherwise it will be deemed to be treated as approved, if no communication is received from the member in the stipulated time.

In reference to the aforesaid circular, the Council had received response from 53 members of the Council by 12.9.2008 out of whom 52 members had approved the above said recommendations of the Executive Committee with regard to the withdrawal of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Mumbai in respect of students being trained at Dr. Panjabrao Alias Bhausabeb Deshmukh Memorial Medical College, Amravati. Accordingly, the decision of the General Body by circulation was communicated to the Central Government vide Council letter No. MCI.Mah.44(31)/2008-Med./24570, dated 16.9.2008 further requesting the Central Government to kindly take necessary action at the earliest.

Subsequently, three more members had also responded approving the decision of the Executive Committee. This was also placed before the Hon'ble Bombay High Court at Nagpur by Council Advocate at Nagpur at the hearing on 15.9.2008.

In view of above, this item be treated as information only as the same has already been approved by the members of the Council by circulation.

**116. Hindi Advisory Committee of Ministry of Health & Family Welfare – Suggestion/Comments of Sh. Rambhagat Paswan about the medium of instructions should be commence in Hindi in the Medical Education.**

Read: The matter with regard to medium of instructions in the Medical Education.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that the Executive Committee at its earlier meeting held on 12.05.2004 had decided as under:-*

*“The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the letter dated 22<sup>nd</sup> March, 2004 from the Govt. of India, Ministry of Health & F.W. for introduction of Hindi as a medium of instruction in medical education and decided to obtain the medical books translated in Hindi and further authorize the President (Acting) to form a Sub-Committee to go into the details and make its recommendations/report for further consideration in the matter.”*

*Accordingly, a Sub-Committee comprising of Dr. V.P. Mishra, Dr. B.P. Dubey & Dr. V.K. Jain was constituted by the President (Acting), MCI and the said Committee met on 06.06.2007 and 02.07.2007 and submitted its report to the Council office on 06.07.2007.*

*As decided by the Sub-Committee, the Director, Commission of Scientific and Technical Terminology, New Delhi vide council letter dated 06.07.2007 was requested to furnish a copy of the reading material for perusal of the Committee. A Reminder was sent on 24.10.2007.*

*In reference to this Council office letter cited above, a letter dated 30/10/2007 was received from the Govt. of India, Commission for Scientific and Technology, Ministry of Human Resource Development, Deptt. of Higher Education, New Delhi wherein some address of the authorities were given where the related books can be available.*

*The matter along with the report of the Sub-Committee and the letter dated 24.10.2007 received from the Government of India, Ministry of Health & Family Welfare, New Delhi was placed before the Executive Committee at its meeting held on 03.11.2007 and the committee decided as under:-*

*“The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the letter dated 24.10.2007 with regard to Hindi Advisory Committee of Ministry of Health & Family Welfare and observed as under:-*

- (a) *There is very little reading material on medical subject suitably for medical students available in Hindi language. Even the letters sent by the Council dated 6.7.2007 & reminder dated 24.10.2007 for supply of medical books in Hindi have evolved very little response.*
- (b) *English is now an international language accepted all over the world.*

- (c) *Because of wide-spread use of internet, English has also become a language of communication through electronic media.*

*In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided that it is not possible to provide medical education in Hindi at present as no evidence has been submitted on which the conclusion has been made that the medical education is becoming costly because it is being provided in English."*

*The aforesaid decision was communicated to the Deputy Secretary, Govt. of India, Ministry of Health & Family Welfare, New Delhi vide letter dated 16/01/2008.*

*Subsequently a meeting of the Sub-Committee was held in the Council office on 12.02.2008 and submitted its report to the Council office.*

*The report of the Sub-Committee was considered by the Executive Committee at its meeting held on 12.05.2008 and the Committee decided as under: -*

*"The Committee had submitted its interim report on 06.07.2007 upon deliberating the matter pertaining to incorporation of Hindi as a medium of instruction for medical education. In the said interim report, the Committee had brought out that the Medical Council of India had expressed difficulties in regard to this issue and had observed that as the required and desired reading material in Hindi is not available pertaining to medical education and curriculum thereto and also in view of the mobility of students, doctors and examiners from one place to another, it was difficult to adopt Hindi as a medium of instruction.*

*The Committee in its interim report had also brought out that the Ministry informed that they were in receipt of a communication from Rashtriya Hindi Sevi Mahasangh, wherein it has been brought out that the Commission for Scientific & Technical Terminology, New Delhi under the Ministry of Human Resource Development, have a compilation of good quality medical books in Hindi version. It was also advised that the MCI while examining the said issue may have desired consultation with this Commission in regard to availability of the reading material."*

*As such, the Committee in its interim report had suggested that the Council may approach Commission for Scientific & Technical Terminology, New Delhi under the Ministry of Human Resource Development for ascertaining from them the nature, the extent and the number of books pertaining to main subjects written in Hindi including their availability and procure a copy of the said reading material.*

*In accordance with the recommendations by the Committee, the Council sought the relevant details of required reading material from the Director, Commission for Scientific & Technical Terminology of Ministry of Human Resource Development, Govt. of India, New Delhi, in response to which the Asstt. Scientific Officer of the said Commission by his communication dated 30.10.2007 addressed to the Deputy Secretary, MCI has given a catalogue of the books pertaining to medical education incorporating names of the authors and publishers as well. In terms of the said communication, the main publishers are as under:-*

- |    |                                                      |   |          |
|----|------------------------------------------------------|---|----------|
| 1. | Madhya Pradesh Hindi Granth Academy, Bhopal          | - | 07 books |
| 2. | Haryana Sahitya Academy, Panchkula                   | - | 08 books |
| 3. | Rajasthan Hindi Granth Academy, Jaipur               | - | 10 books |
| 4. | Uttar Pradesh Hindi Sansthan Granth Academy, Lucknow | - | 04 books |
| 5. | Bihar Hindi Granth Academy, Patna                    | - | 22 books |

*The office has also desired to procure one copy each of these publications to be remitted to the Undergraduate Section of the Council for its critical appraisal.*

*The Committee on perusal of the title of the books taken together is of the opinion that still it cannot not be said to be minimally sufficient towards the requirement of the subject-wise curriculum of the undergraduate medical education in vogue as of now. The vast number of themes under the relevant subjects included in the curriculum still remain outside the ambit of the books that have been catalogued.*

*In view of the above, the Committee is of the considered opinion that the reading material at hand in terms of the catalogue of the books is not commensurate even with the base minimal requirements and further, the reading material in Hindi version pertaining to a vast area in the curriculum neither is available nor is handy. As such, the observation of the MCI that the situation is not ripe whereby Hindi could be availed as a medium of instruction for medical education, is not only convincing but is logical as well in view of the present situations and circumstances.*

*The Executive Committee of the Council may be apprised of the same, for necessary decision thereon."*

*The aforesaid decision of the Executive Committee has been communicated to the Under Secretary, Govt. of India, Ministry of Health & F.W., New Delhi vide letter dated 02.06.2008 for information.*

*In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided that the reading material in Hindi and reference books available in terms of catalogue of books and journals is not commensurate even with the base minimal requirements of the medical education. Further the reading material in Hindi version pertaining to the vast area in the curriculum of undergraduate and postgraduate medical education neither is available nor is handy. It was further decided that rapid advances are being made in the field of medical education and health care services of which no information is available in Hindi. Considering all these factors, it was decided that the situation is not yet ripe whereby Hindi could be made available as a medium of instruction for medical education. It was further decided that Shri Rambhagat Paswan of Hindi Advisory Committee of Ministry of Health & Family Welfare be informed accordingly.*

#### **117. Change of Present Logo of Medical Council of India.**

Read: The matter with regard to change of present Logo of Medical Council of India.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to authorize the President (Acting) to indicate the necessary modalities for new logo of Medical Council of India expeditiously as early as possible. It was further suggested to maintain the emblem of the present logo of the Council and the words ‘Platinum Jubilee’ should be inserted in it. “*

**118. Removal of name of Dr. Krishan Kumar from the Indian Medical Register.**

Read: The letter dated 26.03.2008 received from the Registrar, Rajasthan Medical Council with regard to removal of name of Dr. Krishan Kumar from the Indian Medical Register.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council noted the letter dated 04.04.2008 received from the Registrar, Rajasthan Medical Council, Jaipur intimating that Dr. Lalit Jhalani bearing Regn. No. 5328, dated 05.07.1975 had expired on 02.04.2008 and his name has been removed from the Register of Registered Medical Practitioners. The Committee decided to remove the name of above-mentioned doctor from the Indian Medical Register and also give intimation in this regard to all the State Medical Councils in the country.”*

**122. Removal of name of Dr. K.K. Agarwal from the Indian Medical Register-Regarding.**

Read: The letter dt. 13.02.2008 received from the Registrar, Rajasthan Medical Council, Jaipur with regard to removal of name of Dr. K.K. Agarwal from the Indian Medical Register.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council noted the letter dated 13.02.2008 received from the Registrar, Rajasthan Medical Council, Jaipur informing that taking cognizance of the news published in the Newspapers has decided to initiate enquiry against Dr. K.K. Agarwal, bearing Regn. No. 12681, dated 10.05.1989, alleged to have been involved, in the Kidney Transplantation racket and presently under detention in the criminal case and further that the Act of Dr. K.K. Agarwal amount prima-facie to gross in-famous conduct and misconduct and is against professional etiquette. He further informed that Dr. K.K. Agarwal is hereby suspended for a period of six months or till the enquiry is completed whichever is earlier.*

*The Committee decided to remove the name of above-mentioned doctor from the Indian Medical Register for a period of six months or till the enquiry is completed whichever is earlier and also give intimation in this regard to all the State Medical Councils in the country.”*

**123. Removal of name of Dr. Dharamveer Kochar from the Indian Medical Register.**

Read: The letter dt. 06.05.2008 received from the Registrar, Rajasthan Medical Council, Jaipur with regard to removal of name of Dr. Dharamveer Kochar from the Indian Medical Register.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council noted the letter dated 06.05.2008 received from the Registrar, Rajasthan Medical Council, Jaipur intimating that Dr. Dharamveer Kochar bearing Regn. No.1503, dated 21.02.1966 had expired on 04.05.2008 as per news published in Rajasthan Patrika dated 06.05.2008 and his name has been removed from the Register of Registered Medical Practitioners. The Committee decided to remove the name of above-mentioned doctor from the Indian Medical Register and also give intimation in this regard to all the State Medical Councils in the country.”*

**124. Removal of name of Dr. Satya Narain Indora from the Indian Medical Register.**

Read: The letter dt. 21.05.2008 received from the Civil Surgeon-cum-District Appropriate Authority (PNDT), Faridabad with regard to removal of name of Dr. Satya Narain Indora from the Indian Medical Register.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council noted the letter dated 21.05.2008 received from the Civil Surgeon-cum-District Appropriate Authority (PNDT), Faridabad informing that Dr. Satya Narain Indora bearing Registration No.MCI-7479, dated 28.11.1988) has been convicted by the Hon’ble Court of Chief Judicial Magistrate, Faridabad in the case “State Versus Dr. S.N. Indora and Other under PNDT Act, 1994.*

*He further informed that as per provision under Section 23 of PNDT Act, 1994, the name of Medical Practitioner shall be reported by the Appropriate Authority to the Medical Council concerned for taking necessary action including suspension of the registration if the charges are framed by the Court and till the case is disposed of and on conviction for removal of his name from the Register of the Council for a period of five years for the first offence and permanently for the subsequent offence.*

*In view of above, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to remove the name of above mentioned doctor for a period of five years from the Indian Medical Register and also give intimation in this regard to all the State Medical Councils in the country.”*

**125. Appointment of Chief Vigilance Officer in the Council office.**

Read: The matter with regard to appointment of Chief Vigilance Officer in the Council office.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council observed that at its earlier meeting dated 12.11.2005, it was decided as under:-*

*"The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted para 10 of the observations/recommendations of the 8<sup>th</sup> Report of the Estimate Committee on the subject of MCI which was presented to Lok Sabha on 29.4.2005 which reads as under:-*

*"It is pertinent to note that there is no vigilance section or post of Chief Vigilance Officer in an organization like MCI that is engaged in granting of approval of courses in medical colleges and monitoring of medical education in the country where there are ample opportunities of red tapism, corruption and favouritism. It is astonishing to note that even a Public Grievances Redressal Cell does not exist in MCI. A person who has a grievance has no proper channel to get it redressed. Moreover, there is no mechanism for an ongoing surveillance on the functioning of official of MCI. The Committee, therefore, recommend that a post of Chief Vigilance Officer should be created in MCI who will report directly to the President of the Council and the post be filled up expeditiously. A Public Grievances Redressal Cell should also be set up in MCI which should function under the Chief Vigilance Officer, who should be a person belonging to an organized service, like the Indian Police Service. The Committee would like to be apprised of the action taken for implementation of these recommendations."*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council also noted the letter of Central Government wherein the Council has been asked to forward the action taken report to the Central Government by 14<sup>th</sup> November, 2005.*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to create the post of Chief Vigilance Officer in the Council Office and also directed office to obtain details of Recruitment Rules/Pay Scales/any other relevant information from other Govt/Semi-Govt./Autonomous Institutions wherever such post is existing and place the same before the Executive Committee.*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council in view of the recommendations of the Estimate Committee to fill up the post expeditiously perused the Bio-Data of Lt. Gen. Kapil Vij (AVSM) who was commissioned on February 9, 1964 into the Indian Armed Forces and retired as Director General Rashtriya Rifles in the rank of Lt. Gen. and who has also held the command appointments including Command of Tank Regiment and brigade and Infantry Division and strike corps during mobilization of operation Parakram. The Committee further observed that he has been Military, Naval and Air attache at Indian Embassy in Belgrade, Yugoslavia for three years and has held important assignments from time to time.*

*In view of the recommendations of the Estimate Committee to fill up the post expeditiously, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to appoint Lt. Gen. Kapil Vij on purely adhoc basis for a period of one year or till the creation of post and the recruitment rules are approved by the Central Government and the post is filled up on regular basis, whichever is earlier, on the same terms & conditions by which the retired Central Government officers are re-employed.*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council took cognizance of the recommendations contained in the Eight Report of the Estimate Committee on the subject of MCI recommending that the post of Chief Vigilance Officer*

*be filled expeditiously and directed the Secretary of the Council to issue the appointment order to Lt. Gen. Kapil Vij (AVSM) immediately and place the matter before the General Body of the Council.*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further decided that Public Grievance Redressal Cell will work directly under the Chief Vigilance Officer."*

*The appointment order was issued to Lt. Genl. Kapil Vij vide Council letter dated 14.11.2005. However, the post could not be filled up as he did not join.*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that the provisions of Section 9(3) of the I.M.C. Act, 1956 empowers MCI to lay down the service conditions of its employees, as per its rules and carry out the appointment accordingly. The jurisdiction for appointment of employees in the MCI, through the statutory provisions in the Act and as per its rules, vests with the MCI alone.*

*It was further observed that Section 9(3) of the I.M.C. Act, 1956 reads as under:-*

**9. Officers, Committees and Servants of the Council**

*".....9(3) employ such other persons as the Council deems necessary to carry out the purposes of this Act....."*

*It was further observed that on perusal of the relevant portions of the vigilance manual, MCI is not a "select organization" for which an approval of the Central Vigilance Commission for an officer to be appointed as Chief Vigilance Officer is required.*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council perused the bio-data of Brigadier A.K. Verma (Retd.) and observed that he is a senior army officer with experience in Administration, HRM, Training and Development, Logistics, Supply Chain Management, Security Management and Strategic Planning of more than 35 years. He has also worked as Deputy Director General, Discipline & Vigilance Directorate, Army Headquarters for a period of 3 years from December, 2002 to Nov., 2005 besides holding a number of senior level positions in Armed Forces as well with Corporate Sector after retirement.*

*In view of the recommendation of the Estimate Committee of the Parliament to fill up the post of Chief Vigilance Officer in the Council office, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to appoint Brig. A.K. Verma (Retd.) as Chief Vigilance Officer in the office of the Council on purely adhoc basis for a period of one year on the same terms and conditions by which the retired army officers are re-employed. It was further decided that Public Grievance Redressal Cell will work directly under the Chief Vigilance Officer."*

**126. Cadre review for various posts in the Council office.**

Read: The matter with regard to cadre review for various posts in the Council office.

The Council observed the recommendations of the Executive Committee as under:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council observed that the matter with regard to cadre review for different posts in the Council Office at its meeting held on 28<sup>th</sup> March, 2004 and had created one additional post of Deputy Secretary (Medical) and two additional posts of Assistant Secretary on account of increasing workload of the Council in each section which are increased manifold since the previous cadre review in 1997.*

*In this context, it is submitted that the main objectives of the Council are as under:*

- a) maintain standards of the medical education both undergraduate and postgraduate.*
- b) register medical practitioner and maintain All India Medical Register*
- c) recognize medical degrees*
- d) recognize/de-recognize Indian and foreign medical qualifications*
- e) inspect and visit of medical colleges with a view to maintain proper standard of medical education*
- f) grant of permission to start postgraduate courses*
- g) negotiate with other countries for reciprocity for the recognition of medical qualification*
- h) register basic and additional qualifications and issue of good standing certificates*
- i) issue of eligibility certificates and verification of documents*
- j) lay down standards of professional conduct and etiquette and a code of ethics for the medical practitioners.*

*In order to maintain these objectives, it is further submitted that the work in the Council office is spread over several sections as under :-*

- a) Medical Education Section*
- b) Registration and Eligibility*
- c) Ethics*
- d) Monitoring*
- e) Administration (Establishment & Accounts)*
- f) Legal*
- g) IMR*
- h) Miscellaneous (Curriculum, Migration, Teachers’ Eligibility and other matters not covered under any of the above)*

*The last cadre review for different posts was done in 2004. Since then, the work load of the Council in each section has increased manifold as shown below:*

*1. Medical Education Section: The number of medical colleges coming within the purview of the Council has increased to more than 270 colleges. Every year, new medical colleges are being added. This requires continuous monitoring and possessing of applications. The number of inspections carried out by the Council have also increased over the period of 2004-2006 as under :-*

| <i>Year</i> | <i>Undergraduate</i> | <i>Postgraduate</i> |
|-------------|----------------------|---------------------|
| <i>2004</i> | <i>257</i>           | <i>346</i>          |
| <i>2005</i> | <i>202</i>           | <i>383</i>          |
| <i>2006</i> | <i>269</i>           | <i>691</i>          |

As a consequence, the office work related with these inspections, particularly preparation of the agenda, analysis of the report and the scrutiny report and presentation of the deficiencies pointed out in the inspection report have also increased proportionately.

2. **Registration & Eligibility :** The number of registration has increased over the period of 2004-2006 significantly. The work of registration certificates has also increased commensurately. Provision of Screening Test Regulations have made it mandatory, for candidates who are going abroad, for medical studies to obtain eligibility certificate from the Council. This has been introduced from 2002. This section is also entrusted with issuance of Good Standing Certificate required for the doctors who are going abroad. The section is receiving approximately 80 letters per day which are disposed off in accordance with rules and regulations. The increase in the workload of this section is as under :-

|                              | <u>2004</u> | <u>2005</u> | <u>2006</u> |
|------------------------------|-------------|-------------|-------------|
| a) Permanent Registration    | 880         | 1454        | 2528        |
| b) Good Standing Certificate | 4450        | 5131        | 2170        |
| c) Eligibility Certificate   | 3103        | 4580        | 4130        |

Parallel task undertaken by this section is verification of the documents – mainly 10+2 certificate from the respective Boards and degree/diploma certificates which have to be verified from the respective Universities and authenticated by Indian Embassies.

3. **Ethics :** The number of cases handled by the Ethics Committee over the period of 2004-2006 is increased as under :-

|        |     |
|--------|-----|
| 2004 - | 530 |
| 2005 - | 632 |
| 2006 - | 686 |

Another development which is to be noted is that as per the direction of Hon'ble Supreme Court, the General Body of the Council has already approved the modification of the Professional Conduct of Ethics and Etiquette Regulations in which para 8.7 and 8.8 are to be added to the existing provisions wherein the appellate power is being entrusted to the Council. These modifications have already been sent to the Govt. for approval. As and when these Regulations are approved by the Government, the Council will have the appellate jurisdiction over all State Medical Councils in disciplinary and ethical issues which will add to its work tremendously.

4. **Monitoring:** This is relatively a new section which has been created in 2003 when it was observed that many teachers are found to be claiming employment in more than one medical college simultaneously. Since then this section is entrusted with scrutiny of the declaration forms being brought by the inspectors at each inspection of the medical colleges. It is also entrusted with the task of finding out the cases of teachers who are employed in more than one medical college.

This section is also entrusted with monitoring the admissions of students in medical colleges in 1<sup>st</sup> MBBS for which the data are collected and compiled from all the medical colleges and any admission found to be in violation of – a) the last date of admission of 30<sup>th</sup> September; b) Admission in excess of 50% by the Management in unaided institutions; and c) Excess of the permitted intake – are being continuously monitored. The show cause notices are issued whenever and wherever violations are observed. For the academic year 2003-04 such show cause notice have been issued to 13 medical colleges for violation of prescribed last date of admission; 19 colleges for violation of prescribed Management Quota and to 13 colleges for violating the permitted intake. This work has also been expected to increase over a period of time.

## 5. Administration (Establishment & Accounts) :

*This section deals with the following:-*

- 1) Service matter of employees.
- 2) Loans and advances of employees.
- 3) Salary of employees.
- 4) Maintaining Service records of employees.
- 5) Work related to construction of Council Building.
- 6) Purchase related work.
- 7) Appointments related work.

*In consonance with the increasing workload in different sections, the workload related to the service matters, maintenance of their records, payment of salary/allowances, loans and advances, typing, data entry work etc. has also increased commensurately.*

6. *Legal: This section is entrusted with the monitoring of the cases in which the Council is a party either as a petitioner/applicant or as a defendant/ respondent. It has been observed that the number of cases pending in Hon'ble Supreme Court and other Courts is gradually increasing over a period of time. The major task to be carried out by this section is to complete the file work related with filing of the petitions or reply affidavits, to assist to the Council Advocates in preparation of the affidavits and to monitor and review the progress of the cases. The workload has shown significant increase over a period of last 3 years and at present total 1100 cases are pending in the Hon'ble Supreme Court and High Courts.*

7. *IMR : This section is entrusted with the task of maintaining Indian Medical Register. Data from all State Councils are received for compilation which is done centrally. The IMR section is also receiving 10-15 requests for issue of IMR verification certificates.*

## 8. Miscellaneous (Curriculum, Migration, Teachers' Eligibility etc.)

*This Section is entrusted with work related to Migration, Teachers' Eligibility, Curriculum Revision, Record of Meetings and Record of Members of the Council etc.*

*After the last cadre review in 2004, an Academic Cell has also been created in the Council Office and a post of Director (Academic Cell) has been created. The Cell is looking after the revision of curriculum and syllabi, introduction of new subject etc. which is a task which has to be continuously monitored. The post of Director (Academic Cell) has also been filled and the incumbent is engaged in day to day activities of the Academic Cell.*

*The Council Office also receives confidential letters marked for the President (Acting) which are handled by the PS/PA who have to indulge in confidential correspondence with the President (Acting) as he is not based in Delhi and also with outside agencies on behalf of the President (Acting).*

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that as per the Indian Medical Council Act, 1956 there are statutory posts of President, Vice-President and Chairman of the Postgraduate Committee which have been created under different provisions of the Act besides them for smooth functioning of the Council several Sub-Committees have been created like Ethics, Finance, Registration & Equivalence, Teachers' Eligibility Qualifications, Migration etc. each of which is headed by the Chairman of the respective Committees.*

*It was further observed that the present strength of Class-I Officers of the rank of Assistant Secretary and above in the Council Office is as under:-*

|    |                              |    |
|----|------------------------------|----|
| 1. | Secretary                    | -1 |
| 2. | Addl. Secretary              | -1 |
| 3. | Joint Secretary              | -1 |
| 4. | Director (Academic Cell)     | -1 |
| 5. | Whole Time Inspectors        | -4 |
| 6. | Deputy Secretary             | -4 |
| 7. | Director Project (Computers) | -1 |
| 8. | Assistant Secretary          | -3 |

*In view of above, the members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council decided to create 1(one) more post of Personal Assistant (P.A.) in the Council office.”*

It was further observed by the members of the Council that the Guest House complex of the Council is also now operational and many members are coming to the Council for attending the meetings and the inspectors who are in transit for carrying out inspections at places via Delhi are staying and using the facilities of the Guest House. This has also resulted in considerable saving for the Council, as the hotel expenditure in respect of such members or inspectors is not required to be paid to them. However, in order to provide effective services and to help the members and the inspectors during their stay, it is essential that atleast one employee of the Council is available and present throughout the day.

In view of above and after due deliberations, the members of the Council decided to create additional posts of Additional Secretary (1 post), Personal Assistant (P.A.) (1 Post) and Peons (3 Posts) on the same terms and conditions for existing respective cadre posts in the Council office.

**127. Selection for the post of Whole Time Inspector in the office of the Medical Council of India.**

Read: The recommendation of the Selection Committee for the post of Whole Time Inspector in the office of the Medical Council of India and also approve the following recommendations of the Executive Committee/Adhoc Committee:-

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council approved the recommendations of the Selection Committee which met in the Council Office on 01.05.2008 wherein the observer from the Adhoc Committee appointed by the Hon’ble Supreme Court was also present as under:-*

*“Six (6) candidates were called for interview. Out of whom, 4 (four) candidates attended the interview.*

*The Committee, after interview and discussion recommends the following as selected candidates for the post of Whole-time Inspector:-*

| Sl.No.                     | Name of candidate  | Serial No. in the list | Marks (out of 10) |
|----------------------------|--------------------|------------------------|-------------------|
| <b><u>Selected</u></b>     |                    |                        |                   |
| 1.                         | Dr. Suresh C. Shah | 6                      | 9/10              |
| <b><u>Waiting list</u></b> |                    |                        |                   |
| 1.                         | Dr. Sharad S. Vyas | 3                      | 8/10              |
| 2.                         | Dr. B.R. Leuva     | 1                      | 6/10              |

*The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that for the academic year 2008-09 still about 80 inspections have to be carried out within a period of less than 5 weeks as the last date for sending recommendations of the Council for the applications received u/s 10A of the I.M.C. Act, 1956 to the Central Govt. is 15<sup>th</sup> June as per the Regulations which being statutory Regulations are mandatory and binding in character and are required to be adhered to by the Council. In view of the heavy work load of inspection, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further directed the office to issue the appointment order to the selected candidate Dr. Suresh C. Shah, Ahmedabad for the post of Whole-time Inspector immediately."*

**128. Departmental Promotion to the post of Private Secretary in the office of the Medical Council of India.**

Read: The recommendations of the Selection Committee to the post of Private Secretary in the office of the Medical Council of India.

The Council approved the following recommendations of the Executive Committee:-

*"The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the recommendation of the Selection Committee meeting held on 12.05.2008 for the post of Private Secretary in the office of the Medical Council of India as under:-*

*"The Committee, after verifying the C.R., documents and detailed discussion recommends the following as selected candidate for the said post:-*

| <b>Sl.No.</b> | <b>Name</b>    |
|---------------|----------------|
| 1.            | Mrs. Prem Lata |

**129. Departmental Promotions to the post of Personal Assistant in the office of the Medical Council of India.**

Read: The recommendations of the Selection Committee to the post of Personal Assistant in the office of the Medical Council of India.

The Council approved the following recommendations of the Executive Committee:-

| <b>Sl.No.</b> | <b>Name</b>        |
|---------------|--------------------|
| 1.            | Mrs. Saroj Bhasin  |
| 2.            | Shri Ravi Bhargava |

**130. Departmental Promotion Committee to the post of Stenographer Grade-II in the office of the Medical Council of India.**

Read: The recommendations of the Departmental Promotion Committee with regard to promotion for the post of Stenographer Grade-II in the Council Office.

The Council approved the following recommendations of the Executive Committee:-

*"The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the recommendations of the Departmental Promotion Committee (DPC) meeting held on 12.06.2008 for the post of Stenographer Grade-II in the office of the Medical Council of India as under:-*

*"As per Recruitment Rules, 8 years regular service as Stenographer Grade-III is required for promotion to the post of Stenographer Grade-II. It has been observed that there are four posts of Stenographer Grade-II lying vacant in the Council. After perusal of the records/data of Shri Kundan Singh, Mrs. Puja Mehta, Ms. Manju Rani, Sh. Mukesh Kumar Sharma & Ms. Swati Handa, submitted before the Committee, the Committee noted that only one candidate is fulfilling the required criteria of 8 years experience viz. Shri Kundan Singh. The Annual Confidential Reports of Shri Kundan Singh do not contain any adverse remarks and no vigilance case is pending against him. The Committee recommends the name of Shri Kundan Singh for promotion to the post of Stenographer Grade-II."*

The Council approved the following recommendations of the Executive Committee:-

*"The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council noted and approved the minutes of the Finance Committee meeting held on 21<sup>st</sup> May, 2008."*

**132. Complaint against Dr. S.M. Tuli, (VIMHANS), New Delhi as alleged by Mr. Dalip Jaswani – reconsideration regarding (F.No. 292/2007).**

Read: The matter with regard to Complaint against Dr. S.M. Tuli, (VIMHANS), New Delhi as alleged by Mr. Dalip Jaswani – reconsideration regarding (F.No. 292/2007).

After due deliberations, the members of the Council decided to issue a displeasure to Dr. S.M. Tuli and also to be very careful in future while communicating with the patients and attendants.

**133. Accident Insurance cover to member's of Medical Council of India, New Delhi**

Read: The Sub-Committee report with regard to Personal Accident Insurance cover to members' of Medical Council of India, New Delhi.

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council approved the Sub-Committee’s report dated 30<sup>th</sup> April, 2008 with following modification:-*

*“The Committee after detailed deliberations on the proposal submitted by Dr. G.B. Gupta, Hon’ble member of the Council was of the opinion that the personal accident insurance may be considered for personnel who have to travel frequently on behalf of Medical Council of India like Whole-time Inspectors/Additional inspectors of the Council.”*

#### **134. Digital Approach to Medical Education (DAME).**

Read: The Sub – Committee report with regard to Digital Approach to Medical Education (DAME).

The Council approved the following recommendations of the Executive Committee:-

*“The members of the Adhoc Committee appointed by the Hon’ble Supreme Court and of the Executive Committee of the Council approved the Sub-Committee report dated 10<sup>th</sup> April, 2008 with regard to Digital Approach to Medical Education (DAME) which reads as under:-*

*“The present Committee was constituted by the Executive Committee to consider the letter of one Dr. Hariprasad Chegu, Dean, Virtual Medical University, MedRC EduTech, Hyderabad in regard to ‘Digital Approach to Medical Education’ with reference to his communication received by the Council dated 8<sup>th</sup> January, 2008. The Committee met in the Council Office on 10<sup>th</sup> April, 2008.*

*It may be noted that Dr. Hariprasad Chegu had written to the President (Acting), MCI on 1st July, 2007 with reference to his project entitled UGMED, a venture of MEdRC Edutech, Hyderabad, whereunder the entire MBBS curriculum as prescribed by the Medical Council of India is being converted into a series of digital lectures. With reference to the said communication, the Committee had given a detailed report wherein amongst other things, the Committee had recommended that notwithstanding the importance and relevance of the digital approach in medical education, the same would be a ‘complimentary’ one to be availed in an appropriate manner. The said report of the Committee was adopted by the Executive Committee of the MCI and accordingly Dr. Hariprasad Chegu was informed about it through a letter dated 31.12.2007.*

*In response to the said communication, Dr. Hariprasad Chegu in his communication dated 8<sup>th</sup> January, 2008 has complimented the Medical Council of India for piloting a revolutionary change in medical education by directing the medical colleges to adopt this mechanism and thereby bringing about a ‘blended curriculum’ in India.*

However, in the said communication, he has further sought attention in regard to

- (1) *“Encouraging short-term courses to promote computer literacy among the staff and students in medical colleges.”*

*With reference to above, it needs to be noted that the Medical Council of India as an amendment to Graduate Medical Education Regulations, 1997 have proposed that the duration of medical education be increased from 4½ to 5 years. With reference to the six months which have been added, it has been further proposed that the same would be availed for orientation of the students admitted to 1st MBBS course in the beginning itself with reference to*

*Computer Training, Ethics, Communicative & Behavioural Skills, History of Medicine, Communicative English etc. The purpose is to orient the admitted child into medical curriculum with reference to computer & information technology. Likewise, the teaching faculty is required to be oriented on the computer technology by the Medical Education Unit in each college which ought to be an integral part of the "faculty development programme".*

2. *"Addition of a digital library to the existing libraries in medical colleges".*

*It is the considered opinion of the Committee that the said observation of Dr. Hariprasad Chegu is a meritorious observation however by & large most of the college libraries have already the said facility. As such, the same could be effected as a part of the minimum requirement to be fulfilled by a medical college/institution.*

3. *"Conduct of MCI sponsored CME programmes on DAME and its utility in various medical colleges".*

*The Committee is of the opinion that this modality is welcomed specially in the context of sensitizing the end users of the CME programmes sponsored by MCI about significance, relevance of the "technology enabled learning" which is need of the day.*

*Actualization of the suggestion as proposed in the letter in the opinion of the Committee would definitely add to the desired technological update of the students, teaching faculty and would also result in transition of the pattern of medical education from "preaching" pattern to "coaching" pattern."*

**135. Complaint against Dr. Nervikkar of Paari Nursing Home, Coimbatore and Royal Diagnostic Lab as alleged by Mrs. Vasanthakumari.**

Read: The matter with regard to Complaint against Dr. Nervikkar of Paari Nursing Home, Coimbatore and Royal Diagnostic Lab as alleged by Mrs. Vasanthakumari.

The Council approved the following recommendations of the Executive Committee:-

*"The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the following recommendations of the Ethics Committee:-*

*"The Ethics Committee considered the matter with regard to complaint against Dr. Nervikkar of Paari Nursing Home, Coimbatore and Royal Diagnostic Lab as alleged by Mrs. Vasanthakumari and noted that on the perusal of the IMR data, there is no entry in the name of Dr. Nervikkar has been found. The Ethics Committee decided to write the complainant to provide the address, Telephone Nos. and details of registration particulars and other records of Dr. Nervikkar at the earliest without this information no action can be taken.*

*Further, the Ethics Committee decided to write the Medical Superintendent, Paari Nursing Home, Coimbatore to provide the address, Telephone Nos. and details of registration particulars and other records of Dr. Nervikkar within 15 days from receipt of this communication."*

*As per above decision Mrs. Vasanthakumari was requested to provide the address, telephone nos. and details of registration particulars and other records of Dr. Nervikkar vide Council letter dated 24.7.2007.*

*In response to above, Mrs. Vasanthakumari has sent a letter dated 2.8.2007.*

*The Medical Supdt., Paari Nursing Home, Coimbatore was also requested to provide address, telephone nos. & registration particulars and other records of Dr.Nervikkar within 15 days of receipt of this communication vide Council letter dated 24.7.2007.*

*In response of above, Dr. K.Viyayaraghvan, Paari Nursing Home, Coimbatore vide his letter 09.08.2007 has stated as under:-*

*“Dr. Nervikkar M.D.R.D., was a visiting consultant in Radiology in our Nursing Home. He was originally employed at K.G.Hospital, Coimbatore (Phone 042222121)*

*He has left K.G. Hospital six months back and has settled Abroad. I could not get his residential address and Telephone numbers.*

*I have herewith enclosed a copy of the Ultra Sonogram of abdomen done by him.”*

*The matter was considered by the Ethics Committee at its meeting held on 10<sup>th</sup> & 11<sup>th</sup> August, 2007 and the decision was as under:-*

*“The Ethics Committee considered the matter with regard to complaint against Dr. Nervikkar of Paari Nursing Home, Coimbatore and Royal Diagnostic Lab as alleged by Mrs. Vasanthakumari and the Ethics Committee observed that Medical Superintendent, Paari Nursing Home, Coimbatore was asked to provide address, telephone nos. & registration particulars and other records of Dr. Nervikkar within 15 days of receipt of this communication. The reply is still awaited. In the meantime, a letter has been received from Mrs. Vasanthakumari dated 02.08.2007 where she has stated that Dr. Nervikkar has got nothing to do with my grievance, instead the issued in pivoted on Dr. Vijayaragavan and his wife Smt. Santha who are managing the whole administration of the hospital and also handled the case.*

*The Ethics Committee therefore decided to write Dr. K. Vijayaraghavan, Medical Superintendent, who is managing the Paari Nursing Home, Coimbatore and also incharge of the case to provide details of their registration particulars alongwith parawise comments to the complaint, letter of complaint may be sent to them. They may be requested to send all the particulars within 15 days of receipt of this letter. Further, the Ethics Committee decided to request the District Magistrate of Coimbatore to use his good office in sending the information sought by the Medical Council of India from Dr. K. Vijayaraghavan, Medical Superintendent, Paari Nursing Home, Coimbatore. The matter may be listed for second next meeting.”*

*As per above decision, the Medical Superintendent & Incharge, Paari Nursing Home, Coimbatore was requested to provide the details of registration particulars of Dr. Nervikkar alongwith para-wiase comments within 15 days of receipt of this letter vide Council's letter dated 27.10.2007 with the copy to the District Magistrate, Coimbatore.*

*In response to above, Dr. K. Vijayaraghavan, Paari Nursing Home, Coimbatore has sent two letters dated 11.12.2007 and another without date, which was received in the Council on 04/12/2007*

*No particulars of registration of the said doctor has been provided. No information was received from District Magistrate.*

*The matter was considered by the Ethics Committee at its meeting held on 21<sup>st</sup> May, 2008 and the decision was as under:-*

*The Ethics Committee considered the complaint against Dr. Nervikkar of Paari Nursing Home, Coimbatore and Royal Diagnostic Lab as alleged by Mrs. Vasanthakumari and went through all the available records of this case. The points of allegations and the reply of the surgeon Dr. K. Vijayaraghvan of Paari Nursing Home were noted. After perusal of all these documents it appears that the operative procedure followed are according to the statute operative procedure and explanation that at the time of laprotomy the left ovary and the appendix were not found to be diseased and hence not removed are acceptable.*

*The patient has developed problems after nine months of this operation and was further operated at Kongunadu Hospital where left ovary and intestinal appendix were removed. The only point in this case is that the laboratory report of histopathological examination of the ovary after the first operation states that the specimens sent is that of left ovary while during the operation the right ovary was removed. The operating surgeons namely Dr. K. Rajendran (MD, DGO), Dr. K. Vijayaraghvan and Dr. N. Shantha do not clarify this fact at that time and even now. This is a very important point that should have been clear so as to leave no doubt in anybody's mind. In this case the surgeons Dr. K. Rajendran, Dr. K. Vijayaraghvan and Dr. N. Shantha can be called careless and they can be held responsible for such act even if the laboratory specimens was sent by subordinates.*

*Keeping all these points in view, the Ethics Committee decided to issue a warning to Dr. K. Rajendran, Dr. K. Vijayaraghvan and Dr. N. Shantha to be very careful in future and to maintain high professional status as well as compassionate communications with the patient and attendants."*

**136. Dr. NTR University of Health Sciences, Vijayawada – Recognition of DGO qualification in respect of students being trained at Narayana Medical College, Nellore.**

Act,1956 restricting the number of admission to 2 (two) students per year”.*

**Office Note:-**

The Council noted that the Postgraduate Committee at its earlier meeting dated 20<sup>th</sup> February,2007, while considering the matter of starting of MS(Orthopaedics) course at Coimbatore Medical College, Coimbatore with regard to the qualification acquired by teachers had decided as under:-

“The TEQ Sub-Committee considered the matter of Dr.P.S. Shanmugam, Professor & HOD and Dr.N. Sekar, Assoc. Prof. of Orthopaedics at Coimbatore Medical College, Coimbatore as referred by the Postgraduate Committee of the Council at its meeting held on 27.12.2006. It observed that the qualification of M.S. (Ortho) granted by Madurai Medical College, Madurai under Madurai Kamraj University is not a recognized medical qualification. However, the said qualification from Madurai Medical College, Madurai under the successor University i.e. the Tamilnadu Dr.M.G.R. Medical University, Chennai has been recognized qualification since 1990.

In view of above and in view of the fact that the qualification of M.S. (Ortho.) in respect of students being trained at Madurai Medical College, Madurai is a recognized qualification under successor University – the Tamilnadu Dr.M.G.R. Medical University, Chennai and decided that the qualification M.S. (Ortho.) be treated as a recognized qualification also.”

It was further observed that the qualification of M.D.(Pediatrics) awarded by Christian Medical College, Ludhiana is recognized by the Council under Baba Farid University, Faridkot – i.e. successor university.

- 182    i)    **Andhra University – Recognition of MD(Physiology) qualification in respect of students being trained at Andhra Medical College, Visakhapatnam.**
- ii)    **Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada – Approval of Andhra Medical College, Visakhapatnam for the award of M.D.(Physiology) qualification.**

Act, 1956 restricting the number of admissions to 2 (two) students per year”.*

**212. Proposal for recognition of postgraduate medical qualifications granted by medical institutions outside India Under Section 13 of the IMC Act, 1956 out side the scheme of reciprocity.**

Read: The report of the Sub-Committee regarding proposal for recognition of postgraduate medical qualifications granted by medical institutions outside India Under Section 13 of the IMC Act, 1956 out side the scheme of reciprocity.

The Council considered the following recommendations of the Postgraduate Committee:-

*“The Postgraduate Committee considered the report of the Sub-Committee regarding proposal for recognition of postgraduate medical qualifications granted by medical institutions outside India Under Section 13 of the IMC Act, 1956 out side the scheme of reciprocity and approved the same. The report of the Committee is as under:-*

*“The present committee came to be constituted by the Postgraduate Medical Education Committee of the Council at its meeting held on 12.06.2008 while confirming the minutes of the Postgraduate Committee held on 14.04.2008, wherein the notification dated 07.03.2008 issued by the Govt. of India,*

*Ministry of Health recognizing the postgraduate qualifications granted by medical institutions outside India u/s 13 of the I.M.C. Act, 1956 outside the scheme of reciprocity in respect of Australia, Canada, New Zealand, U.K. and USA u/s 13(4) of the I.M.C. Act, 1956 was noted.*

*The present Committee is required to look into this matter and submit its report. On perusal of the relevant records it is worthwhile to note that the Ministry of Health & F.W., Govt. of India vide their communication dated 27.06.2007 had brought out that "the medical institutions abroad with postgraduate courses where the medium of instruction is English should be considered for unilateral recognition by the MCI as well as Central Govt. so that Indian students have a choice to study there and then return to India to work in various medical fields of specialization. For this purpose, Central Govt./MCI need not physically inspect all the foreign facilities."*

*It was brought out therein that "to begin with, foreign postgraduate degrees recognized by their own respective national regulatory authorities of countries like U.S.A., U.K., Canada, Australia, New Zealand, Singapore and European Union can be considered by MCI towards recognizing these foreign postgraduate medical qualifications of these countries for inclusion in Part-II of the Third Schedule to the I.M.C. Act, 1956."*

*The Council was thereby requested to "collect requisite information and details of credible foreign postgraduate degrees from the foreign countries through their Health Ministries/our Embassies on priority basis and forward to the Govt. of India along with its recommendations under the provisions of I.M.C. Act, 1956 for recognition of foreign postgraduate medical qualifications of the countries stated above in Part-II of the Third Schedule appended to I.M.C. Act, 1956."*

*The said communication was considered by the Postgraduate Committee at its meeting dated 17.07.2007 and it decided to constitute a Committee comprising of Dr. Ved Prakash Mishra, the then Chairman, PG Committee as Chairman with Dr. C.V.Bhirmanandham, Chairman, Teachers' Eligibility Qualifications Sub-Committee and Dr. D.K. Sharma, Chairman, Registration & Equivalence Committee as its members.*

*The said Committee at its meeting held on 24.07.2007 taking stock of the entire situation formulated its detailed report wherein citing various reasons, the Committee categorically brought out that in its considered opinion "it would not be prudent to concept to concede to unilateral recognition of postgraduate qualifications granted by the foreign countries and incorporation thereof in Part-II of the Third Schedule without physical verification of the standards thereat".*

*The said report was considered by the Postgraduate Committee at its meeting held on 06.09.2007, wherein it was approved. The recommendations of the Postgraduate Committee in regard to adoption of the said report of the Sub-Committee was approved by the General Body of the Council at its meeting held on 16.11.2007. Accordingly, a communication No.MCI-23(1)/2007-Med./17005, dated 05.10.2007 was sent to the Govt. of India making it known to them the views of the Council in regard to the inclusion of postgraduate medical qualifications in Part-II of the Third Schedule appended to the I.M.C. Act, 1956.*

*It needs to be borne in mind that in terms of provisions at Section 13(4) of the Act, it is imperative for the Central Govt. to have consultation with the Council and then notify in the Official Gazette any amendment to Part-II of the Third Schedule, so as to include therein any qualification granted by a medical institution outside India which is not included in the Schedule.*

*In spite of the Council communicating to the Govt. of India the reasons as to why unilateral recognition was not called for and would not be conducive to the fair and legitimate interests of the medical education in our country, the Govt. of India have come out with notification dated 07.03.2008 in terms of Section 13(4) of the I.M.C. Act, 1956 notifying inclusion of postgraduate medical qualifications awarded in Australia, Canada, New Zealand, U.K. and U.S.A. which are recognized for enrolment as medical practitioners in the concerned specialities in those countries as recognized qualifications to be included vide an amendment in Part-II of the Third Schedule appended to the I.M.C. Act, 1956.*

*The Committee is of the considered opinion that the said notification which has been issued by the Govt. of India in consultation with MCI, obviously in operation has resulted in negation of the expert opinion rendered by the Council. The concerns that were unequivocally ventilated by the Council have remained unanswered and stand negated by the issuance of the notification by the Govt. of India.*

*It is therefore, necessary for the Council to inform the Govt. of India that the opinion rendered by it was an expert opinion. The negation of an expert opinion without assigning any reason thereto cannot be said to be a healthy practice and hence, the Council seeks to know the reasons and basis by which the expert opinion that was rendered by the Council in terms of acceptance of the Sub-Committee report by the Postgraduate Committee and the General Body of the Council was negated and the notification has been issued by the Govt. claiming that it is with due consultation with MCI.*

*During the pendency of the same i.e. the Council seeking reasons and basis from the Govt. of India and the same being made known to the Council, the notification so issued be sought to be held in abeyance, and in case the reasons and the basis which that have been availed by the Govt. of India to negate the expert opinion of the Council is found to be unsound, then the Govt. of India may be asked to "recall" the said notification."*

In view of above, after due deliberations, the Council decided as under:-

1. The Central Government be requested to know the reasons and the basis by which the expert opinion that was rendered by the Council in terms of the acceptance of the Sub-Committee report by the Postgraduate Committee and the General Body of the Council was negated and the notification has been issued by the Government claiming that it is with due consultation with MCI.
2. Till then, during the pendency of the same i.e. the reasons being communicated by the Govt. of India to the Council, the notification so issued be held in abeyance.

**213. The Tamilnadu Dr. M.G.R. Medical University, Chennai- Approval of Stanley Medical College, Chennai for the award of D.C.P. qualification.**

Read: The compliance verification report (August, 2008) togetherwith the compliance and the Council Inspector's report (August, 2005) on the standard of examination and other teaching facilities available at Stanley Medical College, Chennai for purpose of approval of the college for the award of D.C.P. qualification granted by The Tamilnadu Dr. M.G.R. Medical University, Chennai.

**224. Undertaking given by Dr. Shrikant S. Akolekar for working in more than one medical college – Action to be taken in view of Code of Medical Ethics.**

Read: The matter with regard to Undertaking given by Dr. Shrikant S. Akolekar for working in more than one medical college.

The members of the General Body of the Council observed that the following recommendations of the Ethics Committee has been approved by the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council in the matter of Dr. Shrikant S. Akolekar, medical teacher who has worked at more than one medical college simultaneously:-

*“The Ethics Committee noted that in view of the clear provision in the above Act, appeal of these cases can only be dealt with Central Govt. after consultation with the Council. The Ethics Committee also noted that possibly it is not sufficient to delete the name from Indian Medical Register alone but also it should be deleted from the State Medical Register as per the provisions of the Act.*

*The Ethics Committee further noted that in case of such an appeal against the decision of the General Body, the decision of the appeal should possibly be dealt by the Secretary as per the provisions of the above Act.*

*The Ethics Committee further feels that as per provisions of the Act and Regulation, the Ethics Committee does not have the competence to take any decision whatsoever on an appeal against the decision of General Body unless so directed by General Body/Competent Authority”.*

After due deliberations, the members of the General Body decided to reiterate its earlier decision taken at its meeting held on 16.11.2007 to erase his name from the Indian Medical Register temporarily for a period of 2 years as per Section 8.1 of the Indian Medical Council (Professional Conduct, Etiquette & Ethics) Regulations, 2002.

**225. Undertaking given by Dr. K.P. Saxena for working in more than one medical college – Action to be taken in view of Code of Medical Ethics.**

Read: The matter with regard to Undertaking given by Dr. K.P. Saxena for working in more than one medical college.

The members of the General Body of the Council observed that the following recommendations of the Ethics Committee has been approved by the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council in the matter of Dr. K.P. Saxena, medical teacher who has worked at more than one medical college simultaneously:-

*“The Ethics Committee noted that in view of the clear provision in the Section in the above Act, appeal of these cases can only be dealt with Central Govt. after consultation with the Council. The Ethics Committee also noted that possibly it is not sufficient to delete the name from Indian Medical Register alone but also it should be deleted from the State Medical Register as per the provisions of the Act.*

*The Ethics Committee further noted that in case of such an appeal against the decision of the General Body, the decision of the appeal should possibly be initiated by the Secretary as per the provisions of the above Act.*

*The Ethics Committee further feels that as per provisions of the Act and Regulation, the Ethics Committee does not have the competence to take any decision whatsoever on an appeal against the decision of General Body unless so directed by General Body/Competent Authority”.*
