Apologies for absence were received from the following members of the Council:-

1. Dr.Ashok Seth
2. Dr. DilipMhaiskar
3. Dr. Moji Jini
4. Dr. Kamleshwar Agrawal
5. Dr. Muzaffar Ahmad

1. Notification of New Members

The Joint Secretary read the notification of the following new members elected/nominated as member of the Council since the last meeting of the Council held on 10.12.2013.

S.No	Name	U/s	Constituency
1.	Dr. N.S. Sengar	3(1) (b)	Bundelkhand University, Jhansi, U.P.
2.	Dr. D. Shantharam	3(1) (b)	The Tamil Nadu Dr. MGR Medical University, Chennai
3.	Dr. SudhaSeshayyan	3(1) (b)	
4.	Dr. L.P. Thangavelu	3(1) (b)	
5.	Dr. Chandra Kumar Chahar	3(1) (b)	Rajasthan University of Health Sciences, Jaipur
6.	Dr. Tao Kaki	3(1)(c)	R.M.G. Arunachal Pradesh
7.	Dr.VedPrakash Mishra	3(1)(b)	Teerthanker Mahaveer University, Moradabad(UP)

The General Body considered the opinion dated 27.03.2014 of ShriVikas Singh, Senior Advocate & Former Additional Solicitor General of India. The following queries were placed for his opinion by the Council:-

- Query: i. Whether it is valid/legal/permissible for the Medical Council of India (MCI) to continue/permit those persons to continue as members who had stood elected under the provisos to the provision of Section 3(1)(b) of the Act (which were sought to be introduced through the lapsed/expired ordinances) and when as of today it is the original section 3(1)(b) of the Act which stands as it is and remains in operation and admittedly, these persons do not fulfill the essential/mandatory conditions of Section 3(1)(b) of the Act?
- ii. Whether persons falling in this category i.e. they are not covered by the provisions of Section 3(1)(b) of the Act i.e. who do not fulfill the essential/mandatory conditions of Section 3(1)(b) of the Act – can be permitted to attend the General Body meeting of the querist scheduled to be held on 28.03.2014 and especially when a person when elected fulfills the requirement but does not continue to do so – does not remain entitled to continue as the member of the MCI under section 3(1)(b) of the Act?

Shri Singh citing various reasons opined that in terms of the various features in the ordinance which were not there in the parent Act namely that in the parent Act, to be elected as a member of the Council under section 3(1)(b) one had to be a member of the Medical Faculty of the University as against under the amended Section as provided in the ordinance of 28.09.2013 to the effect that the person to be elected from a Health University could be part of the Medical Faculty of the college. This amendment for the purpose of eligibility to become a member of the Council is annulled upon the lapse of the ordinance dt. 28.09.2013 and eligibility criteria to become a member from any university under the original Section 3 (1)(b) of Indian Medical Council Act, 1956 wherein persons to be elected will have to be a member of the Medical Faculty of the University and not a member of the Medical Faculty of the college becomes operational.

The General Body noted the opinion of the Learned Senior Advocate and decided to recommend to the Central Govt. of the same for necessary action.

2. **Minutes of the last meeting of the Council - confirmation of.**

This item was taken up along with item No. 3 pertaining to the action taken on the minutes of the last meeting of the General Body of the Council.

3. **Minutes of the last meeting of the Council – Action taken thereon.**

It was pointed out by Dr.Ajay Kumar that the minutes of the last meeting of the Council have already been confirmed in terms of the report of the returning officer of the election conducted thereat and action taken thereon resulting in Election of the President, Vice-President, Executive Committee members & three members of the Postgraduate Committee. Therefore, the question of confirmation of the minutes afresh and noting the action thereon in this meeting today i.e. 28.3.2014 does not arise& thus both these items need to be withdrawn. The other members present at the meeting endorsed the same.

Dr.R.P.Srivastav also stated that the points raised by him in his E-mail dt.20.03.2014 in this regard stand redundant since they have been addressed vide the above decision.

Accordingly, the Chair declared that the items pertaining to confirmation of the minutes of the meeting of the General Body dated 10.12.2013 and action taken thereon are withdrawn.

4. **Address by the President.**

Dr. Jayshreeben Mehta, President delivered the Presidential address and copy of the same was circulated to the members of the General Body, wherein she brought out that –

- After a gap of almost three and half years, the MCI was reconstituted by a notification dated 05.11.2013 and subsequent notification dated 09.12.2013 as a result of which the learned members present have been notified as a members of the MCI and the Council as defined at Section 2(b) of the Act has been put into place.
- It was at the 137th session of the General Body of the Council held on 10.12.2013, wherein the elections to the post of President, Vice-President, members of the Executive Committee and that of 3 members of the Postgraduate Committee came to be conducted, which were unanimous in nature which goes to bring out the consensus evolving capacity of this body created that has illustrious members like all of you.
- It was in this meeting that she was bestowed with the privilege of being first amongst the equal as unanimously elected President of MCI and 'custodian' of your trust and faith. she know it for certain that this has definitely put an added responsibility on her shoulders, but her main strength is the committed co-operation of all the members of the Council and their determination to work as an united, cohesive team untiringly and incessantly towards the fulfillment of the 'objectives' for which MCI stands constituted by the Parliamentary enactment.

- The nominations of the members to the Postgraduate Committee by the Govt. of India was notified on 09.01.2014 and 15.01.2014 respectively. Upon this the first meeting of the Postgraduate Committee constituted u/s 20 of the Indian Medical Council Act came to be held on 20.01.2014 wherein Dr. S.B. Siwach has been elected unanimously as the Chairman of the Postgraduate Committee.
- As a matter of fact the dispensation of the responsibilities by the Council pervades all throughout the year. However, in reality the reconstitution of the Council took place almost at the end of the year 2013 and the entire yearly dispensation had to be dispensed of in the remainder of less than 4 months of the financial year ending on 31st of March, 2014.

- **Postgraduate task dispensation**

The President further stated that the extent and magnitude of the task dispensed can be gauged from the depiction that in the academic session 2014-15 the number of applications received for the starting as well as increase of postgraduate courses in various specialities were about 1446. These applications were received by the Council in the month of April-May, 2013. Not a single application was decided till 10.12.2013. Since the new team took the charge all applications were processed, assessments were completed in 1097 applications and PG Committee within a period of barely two months decided each of them and the office has sent the decisions on all these applications to the Central Govt. well before time i.e. 28.02.2014. Of the remaining, 303 applications were rejected/disapproved due to non-fulfillment of the prescribed requirements and 46 applications were withdrawn by the college authorities themselves. The entire task was worked out at the postgraduate committee meetings held on 20th & 21st Jan., 2014; 28th & 29th Jan., 2014; 6th & 7th Feb., 2014; 12th & 13th Feb., 2014, 20th & 21st Feb., 2014 and 25th Feb., 2014.

- The total number of applications received pertaining to super speciality courses are 159 of which the assessment has been completed pertaining to 98 applications till date. 17 applications were disapproved due to non-fulfillment of the prescribed requirements and returned back to Govt. of India and 19 were withdrawn by the applicant colleges.
- About 600 assessment reports pertaining to recognition of postgraduate courses which were pending finalization for more than a year have been cleared by the Postgraduate Committee till date from its constitution on 20.01.2014, vide the meetings held on 10th & 11th March, 2014 and 20th & 24th March, 2014 and they are included in the agenda of the today's General Body. Here also the said task was completed by the PG Committee in just 3 weeks time. In such a short span at their disposal, the PG Committee led by Dr. S.B. Siwach as a Chairman has done a commendable job and therefore, I record my compliments to the learned Chairman and all the members of the postgraduate committee for their timely immaculate and diligent work. A word of appreciation is a must for the staff of PG section in making this task accomplished successfully in the prescribed time.

- **Undergraduate task dispensation:**

The President further stated that the status of task dispensation for the year 2014-15 as on 24.03.2014 is to the extent that of the 105 applications received for the establishment of new medical college, 36 applications have been disapproved and returned back to the Govt. of India. 8 have been sent to the Assessment Cell for the appointment of assessors and 61 are under consideration at various stages due to want of certain documents not provided by the applicants till date. Of the 79 applications received for renewal of permission, 37 assessments have been conducted and decisions have been taken with reference to 23 applications by the Executive Committee. 14 assessments reports are expected to be taken up for consideration at the ensuing meeting of the Executive Committee and 42 files are with the Assessment Cell for the appointment of assessors.

- The number of applications for recognition/approval u/s 11(2) of the Act are 13 of which assessment have been conducted for 10 applications towards which the Executive Committee has taken necessary decision thereon. The number of applications for increase of seats for the year have been 42 against which assessment have been completed for 3 and the decision by the Executive Committee has been taken pertaining to one report. 19 applications have been disapproved and 21 files are with the assessment cell for appointment of assessors and other 2 files are under consideration at various stages for want of information from the concerned applicants. 124 applications have been received for the renewal of permission against the increase of seats of which assessments have been completed for 8 and decision by the Executive Committee has been taken for 6 applications. 2 assessment reports are in the pipeline for the purposes of consideration of the Executive Committee at its ensuing meeting and 116 files are with the assessment cell for the appointment of assessors. Of the 9 applications received for recognition/approval u/s 11(2) of the Act, all have been assessed and decisions have been taken by the Executive Committee.

- **Registration task dispensation:**

The Council is required to grant provisional/permanent registration to Indian as well as foreign graduates, besides it also grants registration of additional qualification to the applicants who possess recognized postgraduate medical qualification from India and/or abroad. The number of applications for provisional registration of Indian graduates pending on 09.12.2013 were 37 of which 29 have been cleared as of now. Similarly, the number of applications for provisional registration of foreign graduates pending on the said date were 750 of which 599 have been cleared as of now. Likewise, of the 95 applications for permanent registration of Indian graduates pending on the said cut out date, 64 have been disposed of and of the 975 applications for grant of permanent registration to foreign graduates, 450 have been dealt with. Of the 300 applications for additional qualification certificates, 258 have been dealt with. The remaining applications for grant of permanent registration for foreign graduates are pending for want of verification of the relevant documents.

In terms of the legal opinion dated 23.01.2014, the matter in respect of grant of provisional/permanent registration to foreign graduates u/s 25(1), 13(3) and 13(4A) of the IMC Act, 1956 was considered by the Executive Committee and in the light of the decision thereat in the context of Section 15 of the IMC Act, 1956 a circular has been issued to the Registrar of all the State Medical Councils on 24.02.2014 for enrolment of such foreign graduates with the State Medical Councils respectively. No fresh applications from the foreign graduates for the grant of provisional/permanent registration are being entertained by the Council from 01.03.2014.

- **Issuance of Eligibility certificates:**

The status of dispensation of eligibility certificates is also significantly satisfactory in as much as that of the 21,166 applications, received from the year 2009-2010 onwards, till 09.12.2013, 7818 were disposed of which was 36.9% of the total task at hand. However, from 10.12.2013 till 26.03.2014 well over 5052 applications have been processed which speaks volumes about the efficient dispensation of the task at hand.

- **Administrative Efficacy:**

It was also ensured that the administrative efficacy is strengthened and the functioning of the employees of the Council is disciplined. Surveillance system has been tightened and all the CCTV cameras have been put to effective functioning. As a result of this, the staff attendance and punctuality has improved remarkably. The visitors entry has been restricted exclusively to visiting hours only. Security system has been substantially improved. All daily wages staff has been phased out so that fresh and efficient appointments can be effected against the same.

- **Academic tasks dispensation:**

In addition, to the targeted efficient dispensation of the tasks at hand, the academic frame towards formulation of the academic policies by the Council has been provided by constitution of the Academic Council thereunder recommendations with regard to rationalization the regulations of the MCI, update of the national faculty development programme, launching of the advance course for the up-gradation of the faculty orientation, strengthening the medical education units in various medical schools, up-gradation of the said units to full fledged departments of medical education at the nodal centres recognized by MCI and evolving an apical cell in the Council for the long term co-ordinated fulfillment of the faculty development programme have been evolved.

- The concept of accreditation of medical schools vital for ensuring incorporation of quality concerns, has been worked out. Likewise, the requirement of putting into place the competency based curriculum for undergraduate, postgraduate and super speciality courses is also underway which will give a long term fillip to the face and facets of medical education of the country in times to come. All these recommendations of the Academic Council were considered by the Executive Committee and these

recommendations are part of the agenda for today's meeting for taking final decision.

- **Participation at International Forum:**

She was happy to share with you that the MCI as a part of the South East Regional network of the various Councils in the South East Asian Region under WHO has been assigned with the responsibility of the convener of the multi country group for the purposes of registration and licensing modalities. It has also been incorporated as a member for the multi country working groups on the accreditation of medical schools in South East Asia Region as well as for evolving of competency based curriculum respectively. The inputs provided by the Council at the said forum have been widely appreciated by all the 12 member countries other than India.

- **Disciplinary tasks:**

She would like to inform the learned members of the Council that some cases in regard to procurement of fake/false and forged permanent registration certificates were detected during the period 2009 to 2013. However, the same remained unprocessed for necessary action during the impending period. As such, considering the gravity of the matter wherein it had emerged that impersonation, cheating and fraud had taken place in obtaining the registration from the MCI, the matter was handed over to the investigating agencies including the CBI so that the guilty including the employees and officials of the Council, if any, are appropriately punished as per law. I am making it loud and clear that all those who have colluded, in any wrong impermissible act in the eyes of law be it anybody high or low including the officials and employees of the Council, nobody would be spared on the consideration of fear or favour. The matters would be remitted to investigating agencies as and when needed so that the guilty are booked and the guilt is punished.

She emphasized with the active co-operation of all the members of the Council, the functioning of the Council would be accountable, transparent and to the satisfaction of all the stakeholders in times to come.

Motion of thanks to the Presidential address was moved by Dr. VedPrakash Mishra and seconded by Dr. Ajay Kumar on which several members made lauding observations and suggestions which are as under:-

- President, officials and employees of the Council need to be complemented for timely dispensation of the task in an effective manner.
- Letters of appreciation be issued to the concerned officials and employees of the Council towards their committed efforts facilitating effective dispensation of responsibilities, to be included in their respective service records.
- Non-conferment of Dr. B.C. Roy Memorial Awards during last 4 years and therefore inevitable necessity of holding the same ceremonially forthwith for all the cumulative years.

- Medical Council of India to file its intervention in respect of the matters pending consideration before the various courts in respect of challenge to the grant of permission by the concerned authorities to practice modern medicine by those who do not possess requisite and prescribed registered medical qualifications included in the appropriate schedule appended to the I.M.C. Act,1956.
- Tardy pace of the functioning of the Council as regards dispensation of its statutory obligations during the impending period till reconstitution of the MCI.
- By a suitable amendment to the Indian Medical Council Act,1956, the Council be vested with the authority of prescribing service conditions including pay scales to the medical teachers in the country on par with the authority vested with the University Grants Commission.
- Incorporation of a necessary amendment in the Indian Medical Council Act,1956 to vest in the Council the jurisdiction and authority to conduct National Entrance Examination Test and also the Exit Test.
- Elaboration of the vision document of the Council incorporating therein the ways and means to conform to the contemporary and long term concerns and challenges.
- Materializing the concept of the Medical Grants Commission for the purposes of disbursement of development grants to the medical colleges in the country.
- Evolving modalities for close and coordinated functioning between the MCI and the State Medical Councils.
- Creation of a central E- library with all desired technological incorporations in the Council on the lines of National Medical Library.
- Creation of Medical Education Tribunal for timely adjudication of the grievances of the medical colleges in the country.
- Evolving timely means and mechanisms for the up-gradation of medical education and making it quality centric to sustain Global competition.
- Placing a standing mechanism into place for effective public relations and appropriate image building of the Council amongst its stake holders.
- Appropriate improvisation of the status of one year compulsory rotating internship ensuring its effective monitoring and assessment of hands on training acquired thereat.
- Creation of a medical knowledge repository to empower the medical students with modern medical knowledge.
- Evolving paper less administration by effective use of information technology.
- Rationalisation of the minimum standard requirements ensuring its optimal use and utilization.
- Incorporation of need based Fellowships and Post-doctoral certificate courses.
- Building closer and meaningful ties with Medical Councils of English speaking countries like UK, USA, Canada, Australia and New Zealand etc.

The President assured that the various suggestions made by the members would be given effect to the feasible and permissible extent.

The motion of thanks to the presidential address was unanimously approved.

5. **Gujarat University, Ahmedabad – Recognition of M.Ch. (Urology/Genito Urinary Surgery) qualification against increased intake from 02 to 04 seats in respect of students being trained at B J Medical College, Ahmedabad.**

Read: the assessment report (July, 2013) on the standard of examination and other teaching facilities available at B J Medical College, Ahmedabad for Recognition of M.Ch.(Urology/Genito-Urinary Surgery) qualification against increased intake from 02 to 04 seats granted by the Gujarat University, Ahmedabad along with the clarification received from the college authorities.

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the clarification along with the Council Assessor’s Report (July, 2013) and decided to recommend to the Central Govt. that B.J. Medical College, Ahmedabad be approved for the award of M.Ch. (Urology/ Genito-Urinary Surgery) qualification granted by The Gujarat University, Ahmedabad in respect of increased intake restricting the number of admissions from 2 (Two) to 4 (Four) students per year.

The Council further approved the following recommendation of the Postgraduate Committee as amended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

6. **SumandeepVidyapeeth, Vadodara – Recognition of MD(DVL) qualification in respect of students being trained at Smt. B.K. Shah Medical Institute & Research Centre, Vadodara.**

Read: the assessment report (June, 2012) on the standard of examination and other teaching facilities available at Smt. B.K. Shah Medical Institute &

Research Centre, Vadodara for Recognition of MD(DVL) qualification granted by the Sumandeep Vidyapeeth, Vadodara along with the compliance received from the college authorities and Compliance Verification Assessment report.

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the compliance verification assessment report (June, 2013) and compliance along with the assessment report (June, 2012) and decided to recommend to the Central Govt. that MD (DVL/ Skin & VD) qualification granted by Sumandeep Vidyapeeth, Vadodara in respect of students being trained at Smt. B.K. Shah Medical Institute & Research Centre, Vadodara be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 1 (One) student per year on or after 2012.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

7. **A.P. Singh University – Recognition of M.D.(Anaesthesia) & D.A. qualification at S.S. Medical College, Rewa.**

Read: the assessment report (Feb., 2014) which was placed before the PG Committee at its meeting held on 20th & 21st February, 2014.

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the compliance verification assessment report (February, 2014) and compliance along with the assessment report (February, 2007) and decided to recommend to the Central Govt. that MD (Anaesthesia) & DA qualifications granted by A.P. Singh University in respect of students being trained at S.S. Medical College,

Rewa be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 on or before 2010 and 2009 respectively.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

8. **Ayush and Health University, Raipur/Pt. RavishankarShukla University – Recognition of DMRD qualification in respect of students being trained at Pt. J.N.M. Medical College, Raipur, Chattisgarh.**

Read: the assessment report (May, 2013) on standard of examination and other teaching facilities available at Pt. J N M Medical College, Raipur for purpose of Recognition of DMRD qualification granted by Ayush and Health University, Raipur/Pt. RavishankarShukla University u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the Council Assessor's report (May, 2013) and decided to recommend to the Central Govt. that DMRD qualification granted by Ayush and Health University, Raipur in respect of students being trained at Pt. JNM Medical College, Raipur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 3 (Three) students per year on or after 1999.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

9. **AryaBhatta Knowledge University, Patna - Recognition of M.D. (OBG) qualification in respect of students being trained at Nalanda Medical College, Patna – Bihar (Govt.).**

Read: the Assessment Report (May, 2013) on standard of examination and other teaching facilities available at Nalanda Medical College, Patna for purpose of Recognition of MD(OBG) qualification granted by AryaBhatta Knowledge University, Patna u/s 11(2) of the IMC Act, 1956 .

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the Council Assessor's report (May, 2013) and decided to recommend to the Central Govt. that MD(OBG) qualification granted by AryaBhatta Knowledge University, Patna, Bihar in respect of students being trained at Nalanda Medical College, Patna be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 3 (Three) students per year on or after 2013.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification“Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

10. **West Bengal University of Health Sciences, Kolkata - Recognition of M.D (Paediatrics) qualification against increased intake from 01(one) to 04(four) seats in respect of students being trained at Burdwan Medical College, Burdwan.**

Read: the assessment report (May, 2012) on the standard of examination and other teaching facilities available at Burdwan Medical College, Burdwan for Recognition of MD(Paediatrics) qualification against increased intake from 01(One) to 04(Four) seats granted by the West Bengal University of Health Sciences, Kolkata along with the Compliance Verification Assessment (21/06/2013) .

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the compliance verification assessment report (June, 2013) and compliance alongwith assessment report (May, 2012) and decided to recommend to the Central Govt. that Burdwan Medical College, Burdwan be approved for the award of MD (Paediatrics) qualification granted by the West Bengal University of Health Sciences, Kolkata in respect of increased intake restricting the number of admissions from 1 (One) to 4 (Four) students per year.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

11. **Change of University from Rajasthan University of Health Sciences, Jaipur to Mahatma Gandhi University of Medical Sciences & Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.**

Read: the matter with regard to Change of University from Rajasthan University of Health Sciences, Jaipur to Mahatma Gandhi University of Medical Sciences & Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur .

The Council approved the following recommendations of the Postgraduate Committee:-

"The Postgraduate Committee considered the matter along with the letter dated 27/12/2013 received from the Central Govt. and noted that the following qualifications granted by the Rajasthan University of Health Sciences, Jaipur in respect of Mahatma Gandhi Medical College and Hospital, Jaipur:

1. MD(Anaesthesia)
2. MD(DVL)
3. MS(ENT)
4. MD(General Medicine)
5. MS(General Surgery)
6. MD(Microbiology)
7. MD/MS(OBG)
8. MD/MS(Ophthalmology)
9. MS(Orthopaedics)
10. MD(Paediatrics)
11. MD(Pathology)
12. MD(Pharmacology)
13. MD(Psychiatry)
14. MD(Radio Diagnosis/Radiology)
15. MD(Tuberculosis & Respiratory Diseases/Pulmonary Medicine)

In view of above, the Postgraduate Committee decided that the above qualifications be recognized under Mahatma Gandhi University of Medical Sciences & Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur and included in the 1st Schedule of the IMC Act, 1956 on or after 2014."

12. **Change of University from Rajiv Gandhi University of Health Sciences, Bangalore to Yenepoya University, Mangalore, Karnataka in respect of students being trained at Yenepoya Medical College, Mangalore.**

Read: matter with regard to Change of University from Rajiv Gandhi University of Health Sciences, Bangalore to Yenepoya University, Mangalore, Karnataka in respect of students being trained at Yenepoya Medical College, Mangalore.

The Council approved the following recommendations of the Postgraduate Committee:-

"The Postgraduate Committee considered the matter along with the letter dated 27/12/2013 received from the Central Govt. and noted that the following qualifications granted by the Rajiv Gandhi University of Health Sciences, Bangalore in respect of Yenepoya Medical College, Mangalore:

1. MD-Paediatrics
2. MD-Tuberculosis & Respiratory Diseases/Pulmonary Medicine
3. MD/MS-Ophthalmology
4. MS-ENT

In view of above, the Postgraduate Committee decided that the above qualifications be recognized under Yenepoya University, Mangalore in respect of students being trained at Yenepoya Medical College, Mangalore and included in the 1st Schedule of the IMC Act, 1956 on or after 2008."

13. Recognition/approval of Indira Gandhi Government Medical College, Nagpur for award of MBBS degree against the increase intake i.e. from 60 to 100 granted by Maharashtra University of Health Sciences, Nasik – reg.

Read: the matter with regard to Recognition/approval of Indira Gandhi Government Medical College, Nagpur for award of MBBS degree against the increase intake i.e. from 60 to 100 granted by Maharashtra University of Health Sciences, Nasik.

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee considered the matter with regard to Recognition/approval of Indira Gandhi Government Medical College, Nagpur for award of MBBS degree against the increase intake i.e. from 60 to 100 granted by Maharashtra University of Health Sciences, Nasik and decided to recommend to the Central Government recognition for the increased intake from 60 to 100 from the batch of May, 2002."

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute."

14. Continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik, in respect of students being trained at SRTR Govt. Medical College, Ambojogai consideration of compliance submitted by the college authorities- Regarding.

Read: the matter with regard to continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik, in respect of students being trained at SRTR Govt. Medical College, Ambajogai.

The Council approved the following recommendations of the Executive Committee:-

“The Executive Committee considered the matter with regard to the continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik, in respect of students being trained at SRTR Govt. Medical College, Ambajogai and decided to approve the continuance of recognition restricting the number of seats to 50.”

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee considered the matter with regard to the continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at K.V.G. Medical College, Sullia and decided to approve the continuance of recognition restricting the number of seats to 100."

18. Violation of MCI's code of ethics by the Indian Academy of Paediatrics (IAP)-Reg.

Read: the matter with regard to violation of MCI's code of ethics by the Indian Academy of Paediatrics (IAP).

This item was considered together with item No.19 since both pertain to the same subject.

The Council noted the following recommendations of the Executive Committee:-

"The Executive Committee considered the matter alongwith opinion of the Law Officer and the Committee accepted the legal opinion. The Committee also considered the relevant aspect that the IMC Act, 1956 is for the constitution of the MCI and maintenance of medical register and for the matters connected therewith. The entire scheme of the Act makes it abundantly clear that it deals with the medical practitioners who get registered with the State Medical Council(s) and whose names are then entered in the Indian Medical Register. The prescription of standards of professional etiquettes and a code of ethics postulated u/s 20A of the Act is also with regard to the conduct of the medical practitioners. It is to be seen that this Act

(IMC Act, 1956) has nothing to do with regard to conduct of any association and / or society. The MCI under the Act have no jurisdiction whatsoever regarding any association / society.

The clarity in the scheme of the Act in this regard i.e. to say that the MCI has no jurisdiction whatsoever regarding the conduct of any association / society, does not require anything further in support of this legal position, however, recently, in a case where besides allegation of medical negligence having been made against the treating doctors, grievance was also raised against Max Hospital, Pitampura, Delhi. The Ethics Committee of the Council in its observations / recommendations regarding the allegations of medical negligence had also made adverse observations against the said hospital. The hospital had challenged the decision of the MCI where the Ethics Committee had made adverse observations against the hospital, by filing a writ petition being W.P.(C) 1334/2013 - **MaxHospital, Pitampura Vs. Medical Council of India**. On behalf of Max Hospital, it was, inter alia, contended before the Hon'ble Delhi High Court that the MCI regulations do not govern or have any concern with the facilities, infrastructure or running of the Hospitals and that the Ethics Committee of the MCI acting under the Regulations had no jurisdiction to pass any direction or judgment on the infrastructure of any hospital which power rests solely with the concerned State Govt.

The MCI had filed an affidavit in this writ petition filed by MaxHospital before the Hon'ble Delhi High Court. In the MCI affidavit, it had been, inter alia, submitted as under:-

“.....(iii) That the jurisdiction of MCI is limited only to take action against the registered medical professionals under the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002 (hereinafter the 'Ethics Regulations') and has no jurisdiction to pass any order affecting rights/interests of any Hospital, therefore the MCI could not have passed and has not passed, any order against the petitioner which can be assailed before this Hon'ble Court in writ jurisdiction.....”

After consideration of the legal position and the affidavit submitted on behalf of the MCI, the Hon'ble High Court in its judgment dt. 10.01.14, in the above-mentioned writ petition filed by MaxHospital – held as under:-

“.....7. It is clearly admitted by the Respondent that it has no jurisdiction to pass any order against the Petitioner hospital under the 2002 Regulations. In fact, it is stated that it has not passed any order against the Petitioner hospital. Thus, I need not go into the question whether the adequate infrastructure facilities for appropriate post-operative care were infact in existence or not in the Petitioner hospital and whether the principles of natural justice had been followed or not while passing the impugned order. Suffice it to say that the observations dated 27.10.2012 made by the Ethics Committee

do reflect upon the infrastructure facilities available in the Petitioner hospital and since it had no jurisdiction to go into the same, the observations were uncalled for and cannot be sustained.

8. Since the MCI had no jurisdiction to go into the infrastructure facilities, I need not also go into the aspect that in the year 2011, the facilities available in the hospital were inspected and were found to be in order.

9. The petition therefore has to succeed. I hereby issue a writ of certiorari quashing the adverse observations passed by the MCI against the Petitioner hospital highlighted in Para 1 above.....”

On the plain and simple reading of the provision of the Indian Medical Council Act, 1956, it is apparent that the ambit of statutory provisions relating to professional conduct of registered medical practitioners under the Indian Medical Council Act, 1956 is restricted only to persons registered as medical practitioners with the State Medical Council and whose names are entered into the Indian Medical Register maintained u/s 21 of the Act. Under the scheme of the Act, the complaint of alleged misconduct against a medical practitioner is to be entertained by the concerned State Medical Council. In the event a State Medical Council removes the name of any medical practitioner from the State Medical Register, the MCI becomes obliged to remove the name of the said medical practitioner also from the Indian Medical Register. There is no ambiguity of any kind in the scheme of the Indian Medical Council Act, 1956 that it neither deals with nor provides for any conduct of any association / society and deals only with the conduct of individual registered medical practitioners. There is no other interpretation, which is possible under the Act.

Hence, any reference to “professional association of doctors” in terms of clause 6.8 of the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002 is untenable. Further, independently and additionally the affidavit filed on behalf of the MCI before the Hon’ble Delhi High Court in the writ petition filed by Max Hospital stating the correct legal position and the acceptance thereof by the Hon’ble High Court in its judgment dt. 10.01.14 – leaves no room for any doubt whatsoever regarding the complete absence of jurisdiction of the MCI in relation to conduct of any association / society.

Hence, any action that may have been taken by the MCI opposed to the above-mentioned only possible interpretation regarding the scheme of the Act, against any Association by the MCI – the same would be non est / nullity for want of authority and jurisdiction. Accordingly, any proceedings that have been initiated by the MCI against any Association by virtue of clause 6.8, being without authority/jurisdiction shall be a nullity, non-existent. As such, any such proceedings stand annulled with immediate effect for want of authority and jurisdiction.

The Council also noted that the Executive Committee of the Council at its meeting held on 17/11/2009 (vide Item No.67) considered the report of the Sub Committee in regard to building a healthy relationship based on self regulation between doctors and pharmaceutical and allied health sector industries so as to prevent unscrupulous practices by the doctors. Amongst other things the Executive Committee proposed about the "Code of Conduct for Doctors and Professional Association of doctors in their relationship with pharmaceutical and allied health sector industry". It was proposed therein that in dealing with the pharmaceutical and allied health sector industry a doctor and professional associations of doctors, separate codes of conduct were worked out.

1. Code for doctors shall deal with the issues pertaining to the following:

- a) Gifts
- b) Travel facilities
- c) Hospitality
- d) Cash or monetary grants
- e) Medical Research
- f) Maintaining Profession autonomy
- g) Affiliation
- h) Endorsement

With reference to relation of professional medical associations/institutions and organizations, it was brought out that "relation of professional medical associations, institutions & organizations of doctors that are constituted under law with pharmaceutical and health care industries are very important as the office bearers of these are professional doctors and they have the responsibility to uphold the prestige of the profession for which a separate code of conduct needs to be worked out as under:

2. Code for professional associations shall deal with the issues pertaining to the following:

- a) Sponsorship
- b) Endorsement and
- c) Financial Grants

The said recommendation of the Executive Committee were considered by the General Body of the Council held on 18/11/2009 (vide Item No.298) wherein it was approved that the Indian Medical Council (professional conduct, etiquette and ethics) regulations 2002 be amended by incorporation of a clause 6.8 titled "Code of conduct for doctors and professional association of doctors in their relationship with pharmaceutical and allied health sector industry". However, under the said clause the proposal of the Executive Committee in regard to code of conduct for relation of professional medical associations/institutions/organizations of doctors constituted under law with pharmaceutical and allied health care industries was not approved.

In accordance with the modified recommendations of the General Body of the Council the Govt. of India approved of the said amendment which was notified on

10th December, 2009 titled as "Indian Medical Council (Professional Conduct , Etiquette & Ethics). (Amendment) Regulations 2009.

The said notified amendment to the regulation did not include code of conduct for professional associations of doctors with health care industries..

However, the inadvertent error which seems to have occurred was that the caption of clause 6.8 in the regulation talks of code of conduct for doctors and professional association of doctors. As a matter of fact the word 'professional association of doctors' included in the caption of clause 6.8 should have been correspondingly deleted.

Further in terms of the meeting of the Sub Committee held on 18.2.2010 for consideration of review/revision of the Indian Medical Council (Professional Conduct, Etiquette and ethics) Regulation 2002, a Draft of the proposed new Ethics Regulations was made. The same was considered in the meeting of the Executive Committee of the Council held on 4/3/2010 vide Item No.72 wherein it was unanimously approved that the "The title of the Section 6.8 be amended by deleting the words "and Professional Associations" whereby Section 6.8 would read as under:-

"6.8 Code of conduct for doctors in their relationship with pharmaceutical and allied health sector industry".

The said decision of the Executive Committee was approved by the General Body at its meeting held on 11/3/2010 vide Item No.98. The necessary draft of the amended regulation to the required effect titled "Indian Medical Council (Professional Conduct, Etiquette and Ethics) (Amendment) Regulations, 2010," was communicated by the Secretary Medical council of India to the Ministry of Health & Family Welfare, Govt. of India, New Delhi for their approval u/s 33 of the IMC Act 1956 vide this office letter dated 11.3.2010 and the letter of approval and authentication was received from the Government of India vide their letter dated 24/5/2010,wherebty it was to be notified in the official gazette of the Govt. of India. However, the Board of Governors(BOG) did not notify the said amendment in terms of the communication from the Govt. of India.

The BOG recommended further amendment to the penalty clause. The amended draft notification was sent to Government of India for approval by the Council on 3/5/2011, in response to which the Govt. of India by their communication dated 19/5/2011 addressed to the Chairman, BOG urged that while sending proposals for amending regulations, apart from the draft of the gazette notification, a comparison in a tabular form indicating the existing regulation in one column and the proposed amendments in the next column, even if the proposal seeks to introduce a new clause or sub clause be furnished to facilitate the examination of the proposal in the Ministry and seeking approval from the Hon'ble Health Minister.

By another communication dated 20/5/2011, the Under Sectary to the Govt. of India informed the Chairman, BOG in response to the communication dated 3/5/2011 to the effect that the proposal be modified in the mode and manner as has been sought vide their communication dated 19/5/2011. A reminder dated 13/6/2011

was sent by the Under Secretary to the Govt. of India to the Chairman BOG to expedite the said matter. However, neither any action nor any communication has been sent by the BOG to the Govt. of India till they laid down their office on 05.11.2013.

It is self evident that the Board of Governors have modified the amended regulation approved by the Government of India in respect to the penalty clauses only and the said amended proposal is pending consideration. The material reality is that the amendment to the title of 6.8 as approved by the Govt. of India by their letter dated 24/5/2010 deleting the words "and Professional Associations" wherein it has been specifically asked that it be notified in the official gazette on its receipt and has been authenticated as well has remained un-notified till date.

In view of the above, the Council unanimously decided that the amendment to title of section 6.8 of the Indian Medical Council (Professional Conduct Etiquette and Ethics) Regulations, 2002 vide notification dated 10/12/2009 and further amended by deletion of the words "and professional association of doctors" duly approved, and authenticated by the Govt. of India vide their communication dated 24/5/2010 be notified forthwith in the official gazette of the Government of India.

19. Clarification; 'Whether or not any 'Registered Society'/'Registered Society of Doctors' comes under the purview/scope/ambit of the Indian Medical Council Act, 1956 or the Indian Medical Council (Professional Conduct Etiquette and Ethics) Regulations, 2002?'

Read: the matter with regard to clarification; 'Whether or not any 'Registered Society'/'Registered Society of Doctors' comes under the purview/scope/ambit of the Indian Medical Council Act, 1956 or the Indian Medical Council (Professional Conduct Etiquette and Ethics) Regulations, 2002".

As this item was considered together with item No.18, for the detailed cogent reasons cited therein, it was clarified by the Council that a 'Registered Society'/'Registered Society of Doctors' does not come under the purview/scope/ambit of the Indian Medical Council Act, 1956 or the Indian Medical Council (Professional Conduct Etiquette and Ethics) Regulations, 2002.

20. Drugs names are changing in single letter difference, so that doctors write drug names in capital letters only – reg.

Read: the matter with regard to drugs names are changing in single letter difference, so that doctors write drug names in capital letters .

This item was considered together with item No.178 since both pertained to the same subject.

The Council approved the following recommendations of the Executive Committee:-

The Executive Committee at its meeting held on 14.03.2014, while considering the action taken on previous Executive Committee dated 18.02.2014, noted that vide letter dated 12.02.2014, Sh. Amit Biswas, Under Secretary to the Govt. of India, Ministry of Health & Family Welfare, has requested the Council to rectify the proposed amendment stating that in place of **“legible preferably in capital letters”** the following phrase may be added – **“legible and only in capital letters”**.

The Executive Committee further noted that inadvertently in earlier decision, the word **‘preferably’** had not been deleted in the proposed amendment and therefore decided to rectify the amendment as follows:-

“legible and in Capital Letters”

21. **Approval of Annual Report and Audited Statement of Accounts of the MCI for the academic year 2012-2013.**

Read: the matter with regard to approval of Annual Report and Audited Statement of Accounts of the MCI for the academic year 2012-2013.

The Council approved the following recommendations of the Executive Committee:-

“The Executive Committee of the Council noted that the item regarding approval of Annual Report of the Council for the year 2012-13 was included in the agenda for the meeting of the Executive Committee which was scheduled to be held on 18/02/2014. Meanwhile a D.O letter dated 10/02/2014 was received from the Additional Secretary, Ministry of Health & Family Welfare, Govt. of India stating that the annual report of the Council has to be placed in the Lok Sabha and therefore, requested the Council to furnish 50 copies each of Annual Report for the year 2012-13 both in English and Hindi alongwith audited annual accounts, urgently latest by 12/02/2014.

As it was not possible for the office of the Council to submit the Annual Report by 12/02/2014 as the meeting of the Executive Committee was scheduled to be held on 18/02/2014, therefore in view of the urgency of the matter, it was decided by the President to get the approval of the Annual Report from the members of the Executive Committee by circulation.

Accordingly a letter dated 11/02/2014 was sent to all the members of the Executive Committee through e-mail and also contacted telephonically and the members approved the Annual Report for the year 2012-13.

In view of above, the Executive Committee ratified the decision of the President for sending the Annual Report for the year 2012-13 to the

Ministry of Health & Family Welfare, Govt. of India, which was already approved by the members of Executive Committee by circulation."

However, the members observed that the approval of annual report and audited statement of accounts of the MCI for the academic year 2013-14 would be attributable to the reconstituted Medical Council of India and therefore they would not take the onus of the annual report/audited statement of the previous three impending years. They emphasized that there has been a definite statutory lapse in respect of timely approval and submission thereto of the annual report/audited statement to the concerned authorities and the responsibility thereto needs to be fixed on those responsible for the same.

22. Appointment of Joint Secretary in the Council Office.

Read: the matter with regard to selection of Joint Secretary in the office of the Medical Council of India was placed before the Executive committee of the Council.

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee considered the matter with regard to the appointment of Joint Secretary in the Council Office and noted as under: -

- (i) *It was way back on 26.10.1994 that the office of the Medical Council of India had been informed by the Ministry of Health & F.W., Govt. of India that if the MCI does not require Government grants for creating new posts / revise pay scales and can meet the additional expenditure for such purposes out of its own resources raised from inspection fees etc., the Council would take its own decisions in all such matters. It is a matter of record that this position has remained in existence from October 1994 itself in that, all the necessary decisions for new posts and/or for revision of pay scales etc. have been continuously and consistently taken by the MCI without there being any requirement for obtaining any approval from any other authority. Needless to state that the approvals for these purposes, where there is no additional liability for the Government of India, have always been granted by the appropriate authorities of the MCI, including the Executive Committee of the Council.*
- (ii) *It is also a matter of record that the MCI undertakes the necessary steps for appointment / promotions of various posts in the office of the Council, in accordance with the Recruitment Rules which are approved by the Govt. of India. The status of the said creation of posts as on 10.12.2013 is depicted as under:-*

Posts created with the approval of Executive Committee/General Body of the Council

S.	Post	No. of	Creation	Date of	Whether
----	------	--------	----------	---------	---------

No.		Posts	recommended/ approved by	Sanction by MCI	approval obtained from Central Govt.
1	Staff Car Driver	2	Executive Committee	02.06.2003	No

15	P.A.	1	-do-	14.04.2008	No
16	Addl. Secretary	1	General Body	13/ 14.11.2008	No
17	Computer Programmer	1	-do-	11.03.2010	No
18	System Analyst	1	Executive Committee	04.03.2010	No
19	Jr. Computer Programmer	1	-do-	04.03.2010	No

The Executive Committee further observed that the Board of Governors had also created several posts during its tenure for which it had not obtained the approval from the Central Government, details of which are as under:

Posts created by the Board of Governors

Sl. No.	Post	No. of Post	Date of Creation	Whether approval obtained from the Central
---------	------	-------------	------------------	--

				Govt.
1	Additional Secretary	1	07.10.2010	No
2	Joint Secretary	1	Aug. 2010	No
		2	07.10.2010	
3	Deputy Secretary	2	07.10.2010	No
4	Assistant Secretary	3	07.10.2010	No
5	P.S. to Chairman, BOG	1	01.06.2010	No
6	P.A. to BOG	3	01.08.2010	No
7	Driver of Chairman, BOG	1	01.06.2010	No
8	OSD	1	01.06.2010	No
9	Executive to the Member BOG	3	06.07.2010	No
10	Consultant	2	01.02.2011	No
11	Assistant to Executive to BOG	3	01.02.2011	No
12	Consultant	1	19.07.2011	No
13	Consultant (Admn.)	1	01.11.2011	No
14	Consultant	1	03.05.2012	No
15	Consultant	1	28.01.2013	No
16	Consultant (IT)	2	19.07.2013	No

Both these tables show that all these posts in the MCI which had stood created by the decision of the Executive Committee and/or General Body of the Council/Board of Governors from 1994 onwards are without there being any requirement for obtaining any approval from any other authority.

- (iii) *Insofar as the post of Joint Secretary in the MCI is concerned, that as on August 2010, there was 1 post of Joint Secretary in the MCI which was held by Dr. P. Prasannaraj. The Board of Governors had then created 1 post of Jt. Secretary in August 2010. The then Board of Governors had taken a decision to promote Dr. Devinder Kumar as Joint Secretary to the one post of Joint Secretary which was newly created by them. The promotion of Dr. Devinder Kumar was approved by the Board of Governors on 24.08.2010 and he came to be promoted as the Joint Secretary on that date. Thereafter, the Board of Governors had taken a decision on 07.10.2010 for creating one post of Additional Secretary, 2 posts of Joint Secretaries, 2 posts of Deputy Secretaries and 3 posts of Assistant Secretaries in the MCI. The entire financial burden for these additional posts is from within the resources of the MCI and no further sanction / grant has been sought from the Ministry of Health, Govt. of India. Further, no approval of Ministry of Health & Family welfare, Gov. of India, was taken by the Board of Governors either while creating all these posts or while promoting Dr. Devinder Kumar to the newly created post of Joint Secretary by the Board of Governors.*
- (iv) *In the meanwhile, Dr. P. Prasannaraj who was holding the post of Joint Secretary, had been promoted to the post of Additional Secretary. The vacancy of the post of Joint Secretary on the promotion of Dr. P.*

Prasannaraj as Additional Secretary, had been advertised. 17 applications had been received.

- (v) *The quantum and the nature of work including the critical time bound schedules which are required to be met by the office of the Council, is known to one and all. This, therefore, does not permit the Council to allow any of the posts to remain vacant as it creates shortage of hands thereby creating impediment / obstructions in the discharge of time bound functions to be carried out by the Office of the MCI. It had, therefore, become necessary that the process for selection of the Joint Secretary to the post which had been vacated by Dr. P. Prasannaraj, is completed as expeditiously as possible. The Selection Committee for this purpose was convened for 2nd January, 2014. The applicants had been interviewed by the Selection Committee and the proceedings of the Selection Committee stood concluded and they had put their recommendations to be placed before the Executive Committee of the Council in its meeting scheduled on 3rd January, 2014. The Executive Committee after detail deliberations unanimously decided to approve the recommendation of selection committee and directed the office to issue the appointment order to Dr. ReenaNayyer for the post of Jt. Secretary.*

In view of above, it may be requested to Ministry of Health & F.W. to forward the copy of the so-called complaint by one ShriAmrender Kumar, as referred to in their letter dated 02.01.2014, it may also be reiterated that the steps which have been taken by the office of the MCI for concluding the process of filling up of the vacancy of Joint Secretary is completely in accordance with the Recruitment Rules. This post of Joint Secretary is duly sanctioned. There is no requirement under the Recruitment Rules for seeking any sanction from the Government. The position in this regard in existence since 26.10.1994, as stated above, may be reiterated. The candidate who has been selected for the post of Jt. Secretary, fulfills and meets all the requirements and has been found to be the most suitable candidate for filling up of this sanctioned post of Joint Secretary of the MCI and it was neither possible nor was it open for the MCI, having regard to the time bound statutory functions to be discharged by it, to not to fill-up the vacant post of Joint Secretary and not to conclude the selection process in this behalf.

In view of above, the Executive Committee decided that the decision so taken may be made known to the Director (ME), Ministry of Health & F.W., Govt. of India and the appointment order may be issued to Dr. ReenaNayyer accordingly.

The above decision of the Executive Committee was read and confirmed in the meeting itself and the office was directed to issue the appointment order to Dr. ReenaNayyar”.

The above decision of the Executive Committee was conveyed to the Ministry of Health and Family Welfare vide Council's letter dated 06.01.2014.

23. **Revocation of suspension of Sh. A.K. Ahluwalia, Accounts Officer.**

Read: the matter with regard to revocation of suspension of Sh. A.K. Ahluwalia, Accounts officer.

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee perused the entire records of the case and approved and adopted the opinion of Law Officer. The Executive Committee holds that the suspension order passed by the then Secretary was in contravention of the provisions of MCI Regulations as the then Secretary was not authorized/competent by the provisions to pass such an Order. Accordingly, the Executive Committee in view of the legal position holds that the suspension of Shri A.K. Ahluwalia was void ab initio and stands annulled, and it be treated as it was never issued. In view of above, the Executive Committee directs to issue revocation order with effect from the date, it was made.

The above decision of the Executive Committee was read and confirmed in the meeting itself and the office was directed to issue the revocation order to Shri A.K. Ahluwalia".

24. **Appointment of a Consultants for P.G Section on contract basis.**

Read: the matter with regard to appointment of a Consultants for P.G Section on contract basis.

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee considered the matter with regard to appointment of Mrs. MadhuHanda, Retired Assistant Secretary, MCI as Consultant for Postgraduate Section and approved / ratified the decision of the President, MCI to appoint Mrs. MadhuHanda, Retired Assistant Secretary, MCI as Consultant initially for six months on consolidated remuneration of Rs.40,000/- per month without deduction of pension".

25. **Extension of services of Dr. Srikanta Barik as Consultant.**

Read: the matter with regard to Extension of services of Dr. Srikanta Barik as Consultant.

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee of the Council considered the matter with regard to Extension of Service of Dr.Srikanta Barik and decided to ratify the decision of the President, MCI for extension of engagement of Dr.Srikanta Barik for a further period of 3(three) months w.e.f. 27/01/2014 on the existing terms and conditions".

26. **Approval of Minutes of the Finance Committee held on 06.01.2014 and 07.03.2014.**

Read: the minutes of the Finance Committee meetings held on 06.01.2014 and 07.03.2014.

The Council approved the minutes of the Finance Committee meetings held on 06.01.2014 and 07.03.2014.

27. **Approval of Minutes of the Postgraduate Committee held on 20th & 21st January 2014, 28th & 29th January 2014, 06th & 07th February 2014, 12th & 13th February 2014, 20th & 21st February 2014, 25th February 2014 and 10th & 11th March 2014.**

Read: the minutes of the Postgraduate Committee meetings held on 20th & 21st January 2014, 28th & 29th January 2014, 06th & 07th February 2014, 12th & 13th February 2014, 20th & 21st February 2014, 25th February 2014 and 10th & 11th March 2014.

The Council approved the minutes of the Postgraduate Committee meetings held on 20th & 21st January 2014, 28th & 29th January 2014, 06th & 07th February 2014, 12th & 13th February 2014, 20th & 21st February 2014, 25th February 2014 and 10th & 11th March 2014.

28. **West Bengal University of Health Sciences, Kolkata - Recognition of MS(General Surgery) qualification against increased intake from 15 to 21 seats in respect of students being trained at Medical College, Kolkata - West Bengal - Govt.).**

Read: the assessment report (May, 2013) on standard of examination and other teaching facilities available at Medical College, Kolkata for purpose of Recognition of **MS(General Surgery) qualification against increased intake from 15 to 21 seats** granted by West Bengal University of Health Sciences, Kolkata.

The Council approved the following recommendations of the Postgraduate Committee:-

"The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MS(General Surgery) qualification against increased intake from 15(Fifteen) to 21(Twenty One) seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being

trained at Medical College, Kolkata be recognized for the students admitted in 2010, 2011, 2012 & 2013 batches (till these batches pass out) and included in the 1st Schedule to the I.M.C. Act, 1956.

The Committee further noted that Unit V, VI, VII & VIII have only 2 faculties each, hence, they cannot be considered as PG Units and there are some other deficiencies pointed out in the Assessment report

In view of the above, the Committee decided to direct the college authorities that from now onwards w.e.f. May, 2014, will admit only 12 PG students, which is the maximum permissible with available P.G. Teachers in the department.

The Council further approved the following recommendation of the Postgraduate Committee as amended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

29. MGM Institute of Health Sciences, Navi Mumbai - Renewal of recognition of MS(Orthopaedics) & D.Ortho. Qualifications in respect of students being trained at MGM Mission's Medical College , Navi Mumbai - Maharashtra - Trust).

Read: the assessment report (April, 2013) on standard of examination and other teaching facilities available at MGM Mission's Medical College, Navi Mumbai for purpose of Renewal of recognition of **MS(Orthopaedics) & D.Ortho. Qualifications** granted by MGM Institute of Health Sciences, Navi Mumbai .

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the assessment report (April, 2013) and decided to recommend to renew the recognition of MS(Orthopaedics) & D.Ortho. Qualifications for 2(Two) students for each course granted by MGM Institute of Health Sciences, Navi Mumbai in respect of students being trained at MGM Mission's Medical College, Navi Mumbai.

Note: In future one hospital in the campus will be counted.

The Postgraduate Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of notification upon which the institute shall have to apply for renewal of recognition."

30. Dr. NTR University of Health Sciences, Vijayawada, A.P - Recognition of MS(General Surgery) qualification against increased intake from 06 to 12 seats in respect of students being trained at Narayana Medical College, Nellore - Andhra Pradesh - Trust).

Read: the assessment report (May, 2013) on standard of examination and other teaching facilities available at Narayana Medical College, Nellore for purpose of Recognition of MS(General Surgery) qualification against increased intake from 06 to 12 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P.

The Council approved the following recommendations of the Postgraduate Committee:-

"The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MS(General Surgery) qualification against increased intake from 06(six) to 12(Twelve) seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P in respect of students being trained at Narayana Medical College, Nellore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

"The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification "Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II" dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course....."

31. Pravara Institute of Medical Sciences, Deemed University - Recognition of MS(OBG) qualification against increased intake from 02 to 04 seats in

respect of students being trained at Rural Medical College, Loni - Maharashtra - Trust).

Read: the assessment report (June, 2013) on standard of examination and other teaching facilities available at Rural Medical College, Loni for purpose of Recognition of **MS(OBG) qualification against increased intake from 02 to 04 seats** granted by Pravara Institute of Medical Sciences, Deemed University.

The Council approved the following recommendations of the Postgraduate Committee:-

"The Postgraduate Committee considered the assessment report (June, 2013) and decided to recommend that MS(OBG) qualification against increased intake from 02(Two) to 04(Four) seats granted by Pravara Institute of Medical Sciences, Deemed University in respect of students being trained at Rural Medical College, Loni be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

"The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification "Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II" dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course....."

32. Sri Siddhartha University, Tumkur - Recognition of MD(Radio Diagnosis) qualification against increased intake from 01 to 02 seats in respect of students being trained at Sri Siddhartha Medical College, Tumkur - Karnataka - Trust).

Read: the assessment report (May, 2013) on standard of examination and other teaching facilities available at Sri Siddhartha Medical College, Tumkur for purpose of Recognition of **MD(Radio Diagnosis) qualification against increased intake from 01 to 02 seats** granted by Sri Siddhartha University, Tumkur.

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MD(Radio Diagnosis) qualification against increased intake from 01(one) to 02(two) seats granted by Sri Siddhartha University, Tumkur in respect of students being trained at Sri Siddhartha Medical College, Tumkur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

33. Swami Vivekanand Subharti University, Meerut - Recognition of MD(DVL/Skin & VD) qualification in respect of students being trained at Subharti Medical College, Meerut - Uttar Pradesh - Trust).

Read: assessment report (May, 2013) on standard of examination and other teaching facilities available at Subharti Medical College, Meerut for purpose of Recognition of MD(DVL/Skin & VD) qualification granted by Swami Vivekanand Subharti University, Meerut .

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MD(DVL/Skin & VD) qualification for 1(one) seat granted by Swami Vivekanand Subharti University, Meerut in respect of students being trained at Subharti Medical College, Meerut be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

"The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification "Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II" dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course....."

34. **Swami Vivekanand Subharti University, Meerut- Recognition of MD(Psychiatry) qualification in respect of students being trained at Subharti Medical College, Meerut.**

Read: assessment report (May, 2013) on standard of examination and other teaching facilities available at Subharti Medical College, Meerut for purpose of Recognition of **MD(Psychiatry) qualification** granted by Swami Vivekanand Subharti University, Meerut .

The Council approved the following recommendations of the Postgraduate Committee:-

"The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MD(Psychiatry) qualification for 1(one) seat granted by Swami Vivekanand Subharti University, Meerut in respect of students being trained at Subharti Medical College, Meerut be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as amended:

"The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification "Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II" dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

35. Swami Vivekanand Subharti University, Meerut- Recognition of MD(General Medicine) qualification in respect of students being trained at Subharti Medical College, Meerut.

Read: assessment report (May, 2013) on standard of examination and other teaching facilities available at Subharti Medical College, Meerut for purpose of Recognition of **MD(General Medicine) qualification** granted by Swami Vivekanand Subharti University, Meerut .

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MD(General Medicine) qualification for 4(four) seats granted by Swami Vivekanand Subharti University, Meerut in respect of students being trained at Subharti Medical College, Meerut be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification “Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

36. Swami Vivekanand Subharti University, Meerut- Recognition of MS(Ophthalmology) qualification in respect of students being trained at Subharti Medical College, Meerut.

Read: assessment report (May, 2013) on standard of examination and other teaching facilities available at Subharti Medical College, Meerut for purpose of Recognition of **MS(Ophthalmology) qualification** granted by Swami Vivekanand Subharti University, Meerut .

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MS(Ophthalmology) qualification for 2(two) seats granted by Swami VivekanandSubharti University, Meerut in respect of students being trained at Subharti Medical College, Meerut be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

“The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification“Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II” dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.....”

37. Swami Vivekanand Subharti University, Meerut- Recognition of MD/MS(Anatomy) qualification in respect of students being trained at Subharti Medical College, Meerut.

Read: assessment report (May, 2013) on standard of examination and other teaching facilities available at Subharti Medical College, Meerut for purpose of Recognition of **MD/MS(Anatomy) qualification** granted by Swami Vivekanand Subharti University, Meerut .

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee considered the assessment report (May, 2013) and decided to recommend that MD/MS(Anatomy) qualification granted for 3(three) seats by Swami VivekanandSubharti University, Meerut in respect of students being trained at Subharti Medical College, Meerut be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Council further approved the following recommendation of the Postgraduate Committee as ammended:

"The Postgraduate Committee further decided that the attention of the institute be drawn to Sections 6 (4), 6 (5) & 6 (6) of Postgraduate Medical Education Regulations, 2000 as amended by amendment notification "Postgraduate Medical Education (Amendment) Regulations, 2009 Part-II" dt. 21/07/2009 and act appropriately at appropriate time which read as under:

6. ...

(4) The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(5) The procedure for Renewal of recognition shall be same as applicable for the Award of recognition.

(6) Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course....."

38. Swami Vivekanand Subharti University, Meerut- Recognition of MD(Paediatrics) qualification in respect of students being trained at Subharti Medical College, Meerut.

Read: assessment report (May, 2013) on standard of examination and other teaching facilities available at Subharti Medical College, Meerut for purpose of Recognition of **MD(Paediatrics) qualification** granted by Swami Vivekanand Subharti University, Meerut .

The Council approved the following recommendations of the Postgraduate Committee:-

- (1) Mr. Patwalia
- (2) Mr. Ranjeet Kumar
- (3) Mr. Maninder Singh
- (4) Mr. Nidhesh Gupta

The Executive Committee further authorized the President, MCI to expand the panel of Senior Advocates and appoint other Standing Counsel as and when required”.

159. Judgment of the Hon'ble High Court of Delhi dated 20.12.2013 in WP (C) No. 6261/2013 in Raipur Institute of Medical Sciences vs. Union of India

Read: the judgment of the Hon'ble High Court of Delhi dated 20.12.2013 in WP © no.6261/2013 in Raipur Institute of Medical Sciences vs. Union of India.

This item was considered together with item No.166 since both pertained to the subject of surprise inspection.

The Council approved the following recommendations of the Executive Committee:-

The Executive Committee considered the matter with regard to the judgment of the Hon'ble High Court of Delhi in WP (C) No. 6261/2013 in Raipur Institute of Medical Sciences vs. Union of India and decided that hence forth as per Hon'ble High Court direction all inspections for UG as well as PG shall be surprise inspections. Further it was decided to work out the feasibility of videography particularly when the inspections shall be surprise one. It was also decided that at the time of compliance verification inspection along with the compliance, teaching faculty and clinical material also shall be verified. The assessment cell be informed accordingly.

160. Grant of Provisional/Permanent registration certificate to the candidates graduate from various foreign medical institute u/s 25(1) and 13(3) of the IMC Act. 1956.

Read: the matter with regard to grant of Provisional/Permanent registration certificate to the candidates graduate from various foreign medical institute u/s 25(1) and 13(3) of the IMC Act, 1956 .

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee considered the matter with regard to Grant of Provisional/Permanent registration certificate to the candidates graduate from various foreign medical institute u/s 25(1) and 13(3) of the IMC Act. 1956 and concurred with the legal opinion that the State Medical Council be informed by way of circular that enrollment of persons who are covered by Section 13(4A) of the Act has to be done by the State Medical Council.

The Executive Committee further directed the concerned section to prepare the circular and place before the EC for approval so that a mechanism could be put in place and properly implemented."

Subsequently, in light of the above decision, the matter alongwith draft circular was considered by the Executive Committee at its meeting held on 18th February, 2014 and approved the draft circular as under:

“DRAFT CIRCULAR

Subject: Enrolment of Medical Practitioners holding recognized medical qualifications under the section 13 (4A) of the Indian Medical Council Act, 1956 on State Medical Registers.

Sir/Madam,

This is in continuation of this office circular dated 15/9/1981, 02/05/1985, 09/02/1987, 07/1998 and 04/06/2003 on the above subject.

2. Your kind attention is invited to section 13 (4A) and 13 (4B) of the Indian Medical Council Act, 1956 that were included in the IMC Act, 1956 by the Indian Medical Council (Amendment) Act, 2001. These provisions permit an Indian citizen/overseas citizen of India to obtain primary medical qualification (MBBS or its equivalent) from any country outside India which is recognized for enrolment as medical practitioner in that country. Such persons are required to conform to the norms for admission in MBBS course in India as laid down in the Graduate Medical Education Regulations, 1997. For the purpose of enrolment on medical register in India such person is required to qualify the Screening Test conducted by the National Board of Examination. Once such person qualifies the Screening Test, the primary medical qualification obtained by such person is deemed to be the recognized medical qualification for the purposes of the IMC Act for that person. Registration to practice medicine as a registered medical practitioner, as postulated under the scheme of the Indian Medical Council Act, 1956, is with the State Medical Council and to be made in the State Medical Register. Consequently, section 15 of the IMC Act confers on such person the right for enrolment on the State Medical Register and by the State Medical Council upon satisfaction of fulfillment of all the requirements by any applicant, for seeking such registration. Similarly, grant of provisional registration by the State Medical Council is provided under section 25 (1) of the Indian Medical Council Act, 1956.

3. Accordingly, this is to bring to the attention of all the concerned that the holders of primary medical qualifications (MBBS or its equivalent) from any country outside India, which is recognized for enrolment as medical practitioner in that country and who have qualified the Screening Test conducted by the National Board of Examination are required to be mandatorily enrolled on the State Medical Register by the State Medical Council upon satisfaction of fulfillment of all the requirements by any applicant, for seeking such registration. Therefore, State Medical Councils are requested to enroll such medical practitioners on their Registers and thereafter communicate the information of such enrolment to the Medical Council of India in accordance with the provisions of the Indian Medical Council Act, 1956. In doing so, the State Medical Councils are advised to necessarily ensure following procedural checks before granting provisional/permanent registration:

(1) That the applicant who has gone abroad from 15.03.2002 to 14.05.2013 had obtained an Eligibility Certificate from the Medical Council of India. Further, those going abroad on or after 15 May 2013 conform to / fulfill all the norms laid down in the Graduate Medical Education Regulations, 1997 for admission in MBBS course;

(2) That the foreign medical qualification obtained by the applicant is recognized for enrolment as medical practitioner in that country and confirmation from the Indian Embassy has been obtained to the effect that the degree awarded by the foreign Medical Institution is recognized for enrolment as medical practitioner in that Country;

(3) That the applicant has qualified the Screening Test conducted by the National Board of Examination;

(4) That the primary medical qualification obtained by the applicant is either apostilled in accordance with the requirements of Hague Convention of 5 October 1961 Abolishing the Requirement of Legalization for Foreign Public Documents (Apostille Convention) or are duly attested by the Indian Embassy of the foreign nation from which such qualification has been obtained;

(5) That the authenticity of 10+2 marksheet and certificate are verified from the concerned Board.

(6) That the caste certificate of Scheduled Caste/Scheduled Tribe/ Other Backward Classes is verified in case relaxation of marks, as permitted under the MCI Regulations, is sought.

(7) In so far as grant of provisional registration under section 25(1) of the Indian Medical Council Act, 1956 is concerned, provision of Regulation 65 of MCI Regulations 2000, shall also be required to be complied with and which provides as under:

“.....65. **Provisional Registration.** – The names of provisionally registered medical practitioners should be borne on a separate list maintained for the purpose and they shall not be included in the State Medical Registers. In order to have a uniform procedure by all State Medical Councils with regard to the list of provisionally registered medical practitioners under section 25, the certificate for provisional registration should be issued in the following proforma:-

Name of Person :

Address :

Qualification :

Date of year of passing examination :

Name of College and University :

4. It may also be noted that the practice of granting direct registration by the Medical Council of India to the Indian citizens who have obtained primary medical qualifications from foreign countries would be stopped with effect from 01.03.2014

and with effect from such date no fresh application would be entertained by the Medical Council of India.

5. All the persons, who have obtained primary medical qualification from foreign country, are also advised to get their names enrolled on the State Medical Register so as to ensure that they are able to avail all the rights and privileges conferred upon by the Indian Medical Council Act, 1956.

6. In case of any clarification/difficulty the Council may be approached by the concerned State Medical Council for advice in the matter.

7. This is issued with the approval of the Competent Authority of the Council.

Yours faithfully,

Sd/-
(Ashok Kumar Harit)
Deputy Secretary (Admn.)"

An observation was made to the effect that MCI should be a facilitator and take decision on such matters in consultation with State Medical Councils. The President informed that a Workshop would be organized by MCI for Presidents/Secretaries/Nominees of State Medical Councils to appraise them of the process of registration of the foreign medical graduates. The President assured that the Council would ensure a regular dialogue with State Medical Councils on matters of mutual concern and interest.

161. Change of name of Colleges/change of affiliating universities - regarding.

Read: the matter with regard to Change of name of Colleges/change of affiliating universities.

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee of this Council at its meeting held on 03/01/2014 considered the request of the colleges/institutions with regard to the change of name of colleges/change of affiliating universities and noted the change of name of the following colleges:

"1. Change of Name :-

Sr.No.	Name of the college	Proposed name
1.	NKP Salve Institute of Medical Sciences, Nagpur	NKP Salve Institute of Medical Sciences & Research Centre & Lata Mangeshkar Hospital, Nagpur

166. Judgment of the Hon'ble High Court of Delhi dated 10.03.2014 in U.P. Unaided Medical Colleges vs. Union of India &Ors {WP (C) 1562/2014}.

Read: the matter with regard to the item is addendum to Item No. 159 pertaining to the Judgment of the Hon'ble High Court of Delhi dated 20.12.2013 in WP (C) No. 6261/2013 titled Raipur Institute of Medical Sciences vs. Union of India.

This item was considered along with item No.159 since both pertained to the subject of surprise inspection.

The Council noted the following sequence of events on the decision of the Executive Committee dated 23.1.2014:-

The decision of the Executive Committee dated 23.01.2014 to conduct surprise inspections for UG and PG courses was challenged by U.P. Unaided Medical Colleges Welfare Association alleging inter alia that the MCI taking advantage of the observations made by the Hon'ble High Court in its Order dated 20.12.2013 {WP (C) No. 6261/2013} has in total disregard to the statutory provisions decided that henceforth all inspections for UG as well as PG shall be surprise inspections only.

The Hon'ble High Court of Delhi vide its Order dated 10.03.2013 in U.P. Unaided Medical Colleges vs. Union of India (Annexure 1) has held as under:-

"Moreover, as there is nothing contrary stipulated either in the Act, 1956 or in Regulations, 1999, this Court is of the view that the Executive Committee's decision dated 23rd January, 2014 is legal.

In any event, this Court is in agreement with the direction given by the Coordinate Bench of this Court in W.P.(C) 6261/2013 Raipur Institute of Medical Sciences and Ors. (supra) of conducting surprise inspection as then there would be no scope for arranging fictitious patients, employing teachers/staff and borrowing equipments.

With the aforesaid observations, present petition is dismissed."

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee considered the matter with regard to the judgment of the Hon'ble High Court of Delhi in WP (C) No. 6261/2013 in Raipur Institute of Medical Sciences vs. Union of India and decided that hence forth as per Hon'ble High Court direction all inspections for UG as well as PG shall be surprise inspections. Further it was decided to work out the feasibility of videography particularly when the inspections shall be surprise one. It was also decided that at the time of compliance verification inspection along with the compliance, teaching faculty and clinical material also shall be verified. The assessment cell be informed accordingly."

167. Extension of services of Dr. M. Rajalakshmi, Chief Consultant (Academic Cell).

Read: the matter with regard to extension of services of Dr. M. Rajalakshmi, Chief Consultant (Academic Cell) .

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee of the Council considered the matter with regard to extension of services of Dr. M. Rajalakshmi and decided to ratify the decision of the President, MCI for extension of engagement of Dr. M. Rajalakshmi for a further period of one year w.e.f. 24/03/2014, on the existing terms and conditions."

168. Removal of name of Dr. Pramila V. Tople from the Indian Medical Register.

Read: the matter with regard to the Registrar, Maharashtra Medical Council has sent a letter dated 26.12.2013 informed that their Executive Committee granted the removal of name of Dr. Pramila V. Tople against registration no. 29006 dated 03.12.1972 from Maharashtra Medical Council Register of Medical Practitioner due to sad demises as per rule 59(a) of the Maharashtra Medical Council Rule 1967.

The Council approved the following recommendations of the Executive Committee:-

"The Executive Committee of the Council noted the letter dated 26.12.2013 received from the Registrar, Maharashtra Medical Council intimating that Dr. Pramila V. Tople (Registration No. 29006 dated 03.12.1972) has expired and her name has been erased from the register of Registered Medical Practitioners. The Committee decided to remove the name of above mentioned doctors from the Indian Medical Register and also to give

intimation in this regard to all the State Medical Councils in the country.”

169. Approval of the Minutes of the Academic Council meeting held on 20th January, 2014.

Read: the matter with regard to approval of the Minutes of the Academic Council meeting held on 20th January, 2014 was placed before the Executive Committee at its meeting held on 18-02-2014.

The Council approved the following recommendations of the Executive Committee:-

The Executive Committee approved the Minutes of the Academic Council meeting held on 20th January, 2014 with the following amendment in item 2(ii). Vision 2015 document: Unitary Common Entrance & Exit tests.

- the Exit test should be made optional at the initial stage.

The General Body of the Council approved the Minutes of the Academic Council meeting held on 20th January, 2014 along with the modifications made by the Executive Committee.

Arising out of discussion it was proposed that the Academic Council which has been constituted by the President Medical Council of India as an Advisory Body for rendering advice pertaining to Academic matters falling within the ambit and jurisdiction of the Medical Council of India be named as “Academic Committee” and the members thereof who are not the members of the Council be designated as “Invitees”.

370. Recognition of the course – MD (Paediatrics) & DCH course at Academy of Medical Sciences, Pariyaram, Kannur – late conduct of practical examinations and subsequent declaration of recognition by Medical Council of India & Govt. of India – non acceptance of the recognition date by local medical Council owing to change of dates shown in certificate issued by the University and date of recognition shown by the Medical Council of India.

Read: the matter with regard to recognition of the course – MD (Paediatrics) & DCH course at Academy of Medical Sciences, Pariyaram, Kannur – late conduct of practical examinations and subsequent declaration of recognition by Medical Council of India & Govt. of India – non acceptance of the recognition date by local medical Council owing to change of dates shown in certificate issued by the University and date of recognition shown by the Medical Council of India.

The Council approved the following recommendations of the Postgraduate Committee:-

“The Postgraduate Committee noted that both the courses were already recognized from September, 2009 for DCH and from March, 2010 for MD(Paediatrics). However, as per letter dated 7/6/2012 received from the Principal, Academy of Medical Sciences, Pariyaram, Kannur, the first DCH candidate passed out in December, 2008 and MD (Paediatrics) candidate passed out in 2009. Hence, the committee decided to recommend that DCH and MD(Paediatrics) qualification be recognized from the year 2008 & 2009 respectively.”

371. Suggestions received from various Members of the Council.

Read: the matter with regard to the suggestions received from the following Members of the Medical Council of India :-

1. Dr. K. Ramesh Reddy, Hyderabad (vide letter dated 08.03.2014 and e-mail dated 19.03.2014).
2. Prof. (Dr.) Balvir S. Tomar, Jaipur (vide letters dated 05.02.2014 and 15.03.2014).
3. Dr. PraveenlalKuttichira, Kerala (vide e-mail dated 13.03.2014)
4. Dr. R.P. Srivastava, Jharkhand (vide e-mail dated 20.03.2014)
5. Dr. F.S. Mehta, Udaipur (vide e-mail dated 19.03.2014)

The General Body decided to refer the said suggestions to the Executive Committee for their primary appraisal and needful thereon.

372. Approval of Minutes of the Postgraduate Committee meetings held on 20th & 24th March, 2014.

Read the matter with regard to the approval of Minutes of the Postgraduate Committee meetings held on 20th & 24th March, 2014.

The Council approved the minutes of the Postgraduate Committee meetings held on 20th & 24th March, 2014.

373. Approval of Phase-wise targets in MSR (Minimum Standard Requirements Regulations) for 200 and 250 annual MBBS admissions.

Read: the matter with regard to the approval of Phase-wise targets in MSR (Minimum Standard Requirements Regulations) for 200 and 250 annual MBBS admissions.

The Council approved the recommendations of the Executive Committee in respect of Phase-wise targets in MSR (Minimum Standard Requirements Regulations) for 200 and 250 annual MBBS admissions which are enclosed as Annexure-I & II.

374. Alluri Sitarama Raju Academy of Medical Sciences, Eluru – recognition/approval of the college for award of MBBS degree granted by Dr.NTR University of Health Sciences, Vijayawada against increased intake i.e. from 100 to 150 u/s 11(2) of the IMC Act, 1956 – Assessment regarding.

Read : the matter with regard to AlluriSitaramaRaju Academy of Medical Sciences, Eluru – recognition/approval of the college for award of MBBS

degree granted by Dr.NTR University of Health Sciences, Vijayawada against increased intake i.e. from 100 to 150 u/s 11(2) of the IMC Act, 1956 – Assessment regarding.

The Council approved the following recommendations of the Executive Committee:-

The Executive Committee considered the matter and decided to recommend to the Central Govt. to grant recognition/approval to Alluri Sitarama Raju Academy of Medical Sciences, Eluru for the award of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada against increased intake from 100 to 150 u/s 11(2) of IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute."

The meeting ended with a vote of thanks to the Chair.

(Dr. Reena Nayyar)
Joint Secretary

APPROVED

(Dr. Jayshreeben Mehta)
President
