1 <u>Minutes of the last meeting of the Council - confirmation of.</u>

The minutes of the last meeting of the Council held on 28.03.2014 were confirmed.

2. <u>Minutes of the last meeting of the Council – Action taken thereon.</u>

The Council noted the action taken by the office on various items included in the minutes of the meeting of the Council held 28.03.2014.

3. <u>Address by the President.</u>

Dr. Jayshree Mehta, President delivered the Presidential address and copy of the same was circulated to the members of the General Body, wherein she brought out that –

- It is a material reality that the dispensation of the responsibilities by the Council pervades all throughout the year. However, in reality the reconstitution of the Council took place almost at the end of the year 2013 and the entire yearly dispensation had to be dispensed of in remainder of less than 4 months of the financial year ending on 31st of March,2014 which was effectively dispensed of in an exemplary and meaningful manner and was taken stock of by the General Body of the Council at its 138th Session held on 28.03.2014.

- The applications received by the Council u/s 10A of the IMC Act,1956 have to be dealt with in a time bound manner in terms of the prescribed time schedule. The task dispensation has been timely and well planned whereby in no case the stipulated time limit vide the notified schedule stands breached even by a day during the impending period from 28th March, 2014 till date.

Postgraduate Task Dispensation:

- The extent and magnitude of the task dispensation can be gauged from the material fact that for the academic session 2015-16 with reference to postgraduate applications, the magnitude of the work needs to be gauged from the depiction that 991 applications were received by the Council in the month of April, 2014-May, 2014 of which assessments have been completed in 713 cases. The Postgraduate Committee within the stipulated period decided each of them and the office has sent the decisions on all these applications to the Central Govt. well before the stipulated time limit ending on 31.01.2015.

- Of the remaining, 499 applications came to be rejected/disapproved due to non-fulfillment of the prescribed requirements and 83 applications were withdrawn by the college authorities themselves. Entire task was worked out at the postgraduate committee meetings held on 27.10.2014, 5.11.2014, 14.11.2014, 28.11.2014, 10.12.2014, 23.12.2014, 7.01.2015, 16.1.2015 and 30-31.01.2015.

- The total number of applications received pertaining to super speciality courses were 144 of which the assessment has been completed pertaining to 22 applications till date. 8 applications were disapproved due to non-fulfillment of the prescribed requirements and returned back to Govt. of India and 37 were withdrawn by the applicants.

- Assessment reports pertaining to 1587 cases for recognition of postgraduate courses which were pending finalization for more than a year have been cleared by the Postgraduate Committee till date, vide its meetings held on 13.5.2014, 10th and 11th July, 2014, 25.7.2014, 12.8.2014, 26.8.2014, 9.9.2014, 23.9.2014, 30.9.2014, 10.10.2014, 18.2.2015 and 3.3.2015, as a result of which 860 cases are included in the agenda of the General Body.

Undergraduate Task Dispensation:

- The task dispensation for the year 2014-15 as on 23.03.2015 is to the extent that of the 105 applications received for the establishment of new medical college of which 62 colleges have been inspected by the Council of which 16 colleges have been recommended to the Central Government for grant of LOI/LOP and 01 has been permitted by the Central Government against the negative recommendation of the Council.

- A total of 80 colleges had applied for renewal of permission for the Academic Year 2014-15 and were inspected out of which 61 colleges have been recommended to the Central Government. 12 colleges came to be inspected by the Council for the grant of recognition u/s 11(2) of which 06 colleges have been recommended to the Central Government for recognition and 04 have been recommended to the Central Government for renewal for the 6th batch.

- Task dispensation for the year 2015-16 as on 23.03.2015 is to the extent that of the 92 applications received for the establishment of new medical college of which 61 colleges inspected by the Council. 01 college has been recommended for grant of LOI/LOP.

- Out of 83 applicant colleges, for renewal of permission for the Academic Year 2015-16, 82 were inspected out of which 16 colleges have been recommended to the Central Government for renewal of permission.

- Out of 17 applicant colleges with regard to recognition u/s 11(2), 15 colleges were inspected by the Council. Of the same recommendations pertaining to 08 colleges has been placed before this General Body for recognition/approval.

- A total of 42 applications for increase of seats for 2014-15 were received of which 23 were inspected by the Council and 10 colleges were recommended to the Central Government for the award of LOI/LOP.
  A total of 124 applications by the colleges for renewal of permission for increased intake for the Academic Year 2014-15 were inspected by the Council and 100 were recommended to Central Government for renewal of permission and 01 college came to be permitted by the Central Government against negative recommendation of the Council.

- Of the 10 colleges with regard to recognition u/s 11(2) against increased intake 09 were inspected and 04 were recommended to the Central Government for recognition and 05 recommended for renewal of 6th batch.

- 25 applications were received for increase of seats for the Academic Year 2015-16 out of which 17 were inspected by the Council and 03 colleges recommended to the Central Government for the award of LOI/LOP.

- Of the 130 applicant colleges with regard to renewal of permission against increased intake for academic year 2015-16, 128 inspected and 36 recommended to the Central Government for renewal of permission.

- 10 colleges were inspected for recognition u/s 11(2) against increased intake out of which 02 have been placed before the General Body for recognition/approval.

- Of the **49** inspections for continuation of recognition u/s 19 of the IMC Act, 1956, in respect of **32** the compliance verification assessments have been completed and **18** of them upon the recommendations of the Executive Committee are included in the agenda for the present meeting.

- In respect to pre-postgraduate assessment brings out that of the 07 applications all the 07 have been inspected by the Council of which 04 have been approved and 03 have been disapproved by the Executive Committee.

Registration Task Dispensation:

- The task of registration having been transferred by the Council to various State Medical Councils, the onus and responsibility of issuing certificate pertaining to additional qualifications has to be borne by the Council. Towards the same of the total number of 2870 applications for additional qualification received during the impending period 2029 have been dealt with in terms of issuance of necessary certificate.

Issuance of Eligibility Certificates:

- The status of dispensation of eligibility certificates is that of the 16523 applications, received from the year 2010-2011 onwards, till 12.03.2015, 9748 have been disposed of which turns out to be nearly 60% of the total task at hand. However, from 27.02.2013 till 25.03.2015 well over 3719 applications have been completely processed which speaks volumes about the efficient dispensation of the task at hand.

Augmentation of administrative efficacy:

- It was also ensured that the administrative efficacy is strengthened and the functioning of the employees of the Council is disciplined. Surveillance system has been tightened and all the CCTV cameras have been put to effective functioning. As a result of this, the staff attendance and punctuality has improved remarkably. The visitors entry has been restricted exclusively to visiting hours only. Security system has been substantially improved. All daily wages staff has been phased out so that fresh and efficient appointments can be effected against the same.

- Through an appropriate initiative a road map has been evolved along with time bound action programme for evoking technological utilization in an all-round manner so as to evoke 'paperless administration' in due course of time in a phasic manner.

Academic Task Dispensation:

- In addition, to the targeted efficient dispensation of the tasks at hand, the academic frame towards formulation of the academic policies by the Council has been met with through constitution of the Academic Committee that has made recommendations with regard to rationalization the regulations of the MCI, update of the national faculty development programme, launching of the advance course for the up-gradation of the faculty orientation, strengthening the medical education units in various medical schools, up-gradation of the said units to full fledged departments of medical education, at the nodal centre recognized by MCI and evolving an apical cell in the Council for the long term co-ordinated fulfillment of the faculty development programme has been evolved and substantially effected.

- The concept of accreditation of medical schools vital for ensuring incorporation of quality concerns, has been worked out. Likewise, the requirement of putting into place the competency based curriculum for undergraduate, postgraduate and super speciality courses is also underway which will give a long term fillip to the face and facets of medical education of the country in times to come. All these recommendations of the Academic Committee were considered by the Executive Committee and these recommendations are part of the agenda for today's meeting.

Legal Task Dispensation:

- The dispensation of task in the legal arena is huge and substantial in as much as the Medical Council is required to defend in various courts/judicial forum all over the country in view of the geographical jurisdiction statutorily under its ambit.

- As of now during the impending period from 01.04.2014 till 25.03.2015 the new legal cases that have been added to the original pending number was 1125. As such, the total number of cases before different judicial forum

with MCI as a defendant/respondent or litigant are 8229 and the number of pending cases before various judicial forum across the country are 3265.

Ethical Cases Dispensation:

- It is imperative that the ethical issues within the domain of regulations on Indian Medical Council (Professional Conduct, Etiquette and Ethics) are to be dealt in a time bound prescribed manner in the appellate jurisdiction and also the complaints on the said count are received by the Council.

- The total number of appeals received during the impending period were 80 of which 18 have been disposed of and 60 are under the consideration of the Ethics Committee at various stages. One appeal has been referred to TEQ Section and the other one to the concerned state medical council as it did not have the character of an appeal.

- The total number of complaints received during the impending period were 202 of which 184 have been referred to the concerned state medical council and remaining 18 are under the consideration of the Ethics Committee at various stages.

- The President further mentioned that the task even of the previous year i.e prior to the reconstitution of the MCI were also pending which has to be dealt with Ethics Committee added to its existing burden. However, 56 appeals/complaints pending for the said period 52 have been disposed of and 2 are under consideration of the committee. The remaining 2 pertain to the sting operations one aired by News Nation and the other by NDTV 24X7.

Appearance before the Parliamentary Committees:

- In due dispensation of the public accountability and statutory binding, the Council was represented by the President, MCI and Chairman, Academic Committee who appeared before the Parliamentary Standing Committee on Health & F.W. at its meeting on 25th Sept.,2014 and made the necessary presentation pertaining to the working of the MCI to the satisfaction of the learned committee.

- Likewise, the Medical Council was represented by the very duo who appeared before the Parliamentary Committee on the Welfare of SC/ST on 29.09.2014 and 30.09.2014 respectively and the concerns raised thereat were taken up promptly at the meeting of the Executive Committee immediately held thereupon and a comprehensive report on the same has been formulated and approved by the Executive Committee which has been made known to the MOHFW, Govt. of India for the needful.

WHO-SEARO Participation:

- The President was happy to share with the House that the MCI as a part of the South East Regional network of the various Councils in the South East Asian Region under WHO has been assigned with the responsibility of convenor-ship of the multi country group for the purposes of registration and equivalence modalities. It has also been incorporated as a member for the multi country working groups on the accreditation of medical schools in South East Asia Region as well as for evolving of competency based curriculum. The inputs provided by the Council at the said forum have been widely appreciated by all the 12 member countries other than India.

- She also shared that the meeting of the Executive Committee of the Networking of Medical Councils of South East Asia Region Countries held on 28th & 29th April,2014 and attended along with Dr. Ved Prakash Mishra, Chairman, Academic Committee on behalf of the Medical Council of India and the views and observations on issues on concern and importance rendered thereat were appreciated.

- The General Assembly of IAMRA held between 9th -12th Sept.,2014 was attended along with Dr. Ajay Kumar, Chairman, Admn. & Grievance Committee and Dr. Ved Prakash Mishra, Chairman, Academic Committee. The observations made at the said Assembly with regard to global core competencies and incorporation thereto in Undergraduate curriculum towards universalization of medical education were taken note of by all concerned.

- Likewise, the 3rd conference of South East Asia Region Association of Medical Education held at Colombo, Sri Lanka between 12-15th Nov.,2014 was attended by the duo wherein the initiative undertaken by the Medical Council in regard to restructuring of the curriculum was widely appreciated. A meeting across the table was held with President, World Federation of Medical Education (WFME) wherein the issue of evoking internship in accordance with the guidelines postulated by the WFME was discussed.

- In continuation of the Video Conference meeting of the members of the Networking of Medical Councils of South East Asia Region held on 12th Feb.,2014 subsequent meetings have been held on 13th August, 2014 and 11th Feb.,2015 respectively. The relevant details pertaining to the status report of the various multi country groups were taken note of at the said meetings. The necessary details pertaining to the multi country group headed by MCI on Registration & Licensing were made known thereat.

Visiting delegations:

- During the impending period a delegation from United Kingdom of the representatives of the various functional agencies under the national health scheme visited MCI on 3rd Sept.,2014 and a discussion pertaining to the strengthening of conative and psychomotor component in the structuring of the curriculum was discussed in all its manifestation.

- Delegation from Mauritius including the Govt. as well as non-Govt. representatives visited MCI on 24.09.2014 and in long ranging discussion they sought help and advise of the MCI in respect of evolving a regulatory medical council for them which has been agreed upon.

- In the committed pace of timely task dispensation, so as to keep the statutory time limits intact, minor technicalities here and there might have remained unattended for which I take the onus on my head, but the things getting organized in times to come in a still more organized and efficient way with the co-operation of all the learned members of the Council and the backlog of work which has been left over once accomplished better things await in coming times I can assure of and good many of them have already taken a credible and cognizable face.

- It is in these contexts, the President reiterated with all conviction and strength at her disposal that it has been her consistent approach that with the learned and wise counsel and support from all the members of the Council, the objectives entrusted to the Council statutorily would be fulfilled in a transparent, credible, committed and accountable manner. The fair name and the credibility of the Council shall always be paramount

and its ongoing growth ending up in fulfillment of the legitimate expectations of all the stake holders shall be our endeavour jointly and severally which shall neither be open for any deviation of any type or compromise of any nature whatsoever.

- Needless to state that by virtue of your committed support, timely inputs and wise counsel we will be able to make positive strides in desired direction in a decisive manner.

- She wished and hoped that the Council shall be able to carry the mantle further in the larger interests of the medical education and public health care delivery system in this country. She also took pleasure of recording her sense of gratitude to all the respected members of the Council for steering her through but for which it would be tough and difficult.

The "motion of thanks" to the effect that the Council records its gratitude and thankfulness to the President, Medical Council of India for her Presidential Address made at 139th Session was proposed by Dr. Ved Prakash Mishra which was seconded by the whole House.

The salient issues raised and discussed by the members referring to the Presidential Address are outlined herein below:-

- Both presidential addresses of last meeting of the General Body meeting and present meeting are in continuum with each other and the interim period has been a success story.
- It was observed that a negative recommendation by MCI has been overruled by the MOHFW without assigning any reasons and making them known to the MCI. This was the only questionable spot in the Presidential Address in the public interest. It was appreciated by the whole House that dispensation of tasks has been accurate, timely, consistent with Rules & Regulations and in public interest.
- By a suitable amendment u/s 33 of the IMC Act, 1956 – powers to make Regulations on academic matters be exclusively vested with MCI wherein the requirement of prior approval of Govt. of India be waived.
- By Incorporation of an independent clause in the IMC Act, 1956, the Council be vested with the authority of prescribing pay scales and service conditions of the full time medical faculty in various medical colleges in the country on the lines whereby the University Grants Commission under the University Grants Commission Act, 1956 is entitled to prescribe pay scales and service conditions for full time teachers in the stream of higher education in the country.

905. <u>Resolution passed by the Postgraduate Medical Education Committee – approval thereof.</u>

Read: the following resolution passed by the Postgraduate Medical Education Committee at its meeting held on 03/03/2015:

- The Postgraduate Medical Education Committee noted the decision of the Executive Committee dated 14/03/2014, which states that *"No College should be considered for further increase of seats unless it is recognized for the existing number of seats."* The Postgraduate Medical Education Committee resolved that the same decision should apply to the Postgraduate seats also i.e. in a particular subject request for increase of seats should be considered only after all the seats already permitted in that subject are recognized. The resolution should be placed before the General Body, if required.
- *The Postgraduate Medical Education Committee noted that Quorum for Executive Committee meetings (which has total of 11 members) is presence of 4 members . However, for Postgraduate Medical Education Committee (which has 9 members), the Quorum is presence of 5 members. It was resolved that Quorum for Postgraduate Medical Education Committee meetings should also be reduced to "presence of 4 members".*

The Council decided that the amendment incorporated by the notification dated 12th May, 1999 in the Regulations titled "The Opening of a New or Higher Course of Study or Training) including Postgraduate Course of Study or Training and Increase of Admission Capacity in any course of study or training (including a postgraduate course of study or training) Regulations, 2000 Medical Colleges," Part II therefore under the head "Qualification Criteria", ***Section 3(1)(2) be deleted.***

The Council further decided that the second resolution would mandate an amendment to clause 6(2) of the Indian Medical Postgraduate Medical Education Rules, 1961 and accordingly decided to amend the said clause to the extent that the required quorum from existing five members would be four members.

The minutes of the above item were read and confirmed in the meeting itself.

978. <u>Disciplinary proceedings against Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dy. Secretary & Others – PE – 15(A)/2005-DLI registered by CBI – reg.</u>

Read: the recommendation of the Executive Committee meeting held on 20.11.2014 & 16.12.2014 with regard to disciplinary proceedings against Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dy. Secretary & Others – PE – 15(A)/2005-DLI registered by CBI.

The Council approved the following recommendation of the Executive Committee:-

"It is observed that the charges against Dr. ARN Setalvad, Dr. K.K. Arora, Dr. V.P. Mishra, Smt. S. Savita and Sh. Manoj Kumar were mainly related to recruitment of one LDC, who was over-age and some irregularity in awarding the contract. MCI has constituted two high level Enquiry Committee and they observed that for the said irregularity in recruitment the dealing staffs had been warned and in the case of irregularity of building contract, the Enquiry Committee had found no merit in the charge sheet and recommended for exoneration of Dr. V.P. Mishra and D.K. Sharma and Dr. K.K. Arora.

As regards building contract, the Commission in agreement with the recommendation of CVO and DA would advise exoneration of Dr. K.K. Arora, Dr. V.P. Mishra, Smt. Savita and Sh. Manoj Kumar.

In view of above, Commission in agreement with the DA and CVO would advise the Department to close the matter."

The Executive Committee of the Council further noted that the Chief Vigilance Officer of the Council vide his note dated 18.11.2014 has stated that "since the

Central Vigilance Commission has agreed with the recommendation of the CVO and disciplinary authority and advised exoneration of Dr. K.K. Arora, Dr. V.P. Mishra, Smt. Savitha and Sh. Manoj Kumar, the matter may be closed and further it is recommended that the name of Smt Savitha may be deleted from the list of doubtful integrity 2014-15."

The Executive Committee further observed that pursuant to the registration of enquiry, two enquiry committees were appointed as under:

(1) One committee comprising of Mr. Justice S.K. Mahajan, Dr. Bhanu Dubey & Dr. Manoj Singh to enquire into charges against Dr. ARN Setalvad Smt. S. Savita and Sh. Manoj Kumar were mainly related to recruitment of one LDC;
(2) One Committee comprising of Mr. Justice S.K. Mahajan, Dr. D.J. Borah & Dr. T.P. Dogra to enquire into the charges against Dr. V.P. Mishra, Dr. D.K. Sharma & Dr. K.K. Arora related to award of contract for the new building.

Both these enquiry committees have given separate reports recommending no further action and exonerating all the concerned members and employees. These reports have been accepted by the disciplinary authority at the relevant point of time and the Central Govt. has also been informed accordingly.

The Executive Committee of the Council further noted that when Central Vigilance Commission has advised the department to close the matter and therefore nothing survives in the matter, why have the names of Dr. A.R.N. Setalvad, the then Secretary & Dr. D.K. Sharma been left out in the note regarding those who have been exonerated.

It was further observed that as Central Vigilance Commission has advised that the matter be closed, nothing further survives in the matter.

In view of above, the Executive Committee of the Council decided to obtain legal opinion in the matter before taking a decision to exonerate Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dr. V.P. Mishra, Dr. D.K. Sharma, Smt. Savitha and Sh. Manoj Kumar."

The matter was further considered by the Executive Committee at its meeting held on 16th Dec., 2014 and the Committee decided as under :-

''The Executive Committee of the Council noted that it at its meeting dated 20.11.2014 had decided to obtain legal opinion in the matter before taking a decision to exonerate Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dr. V.P. Mishra, Dr. D.K. Sharma, Smt. Savitha and Sh. Manoj Kumar. The legal opinion has been received from the Law Officer of the Council which reads as under:-

"The file of Administration Section has been referred for my opinion. The issue is the closing of the disciplinary proceedings against certain employees and the then members of the Council by office Memorandum dated 30.10.2014 of the Central Vigilance Commission. I have perused the Office Memorandum of Central Vigilance Commission and the said Memorandum clearly brings out that as regards the case of irregularity in recruitment and the case of irregularity in building contract, the Commission is in agreement with the disciplinary authority and Central Vigilance Officer, Medical Council of India and would advise the Department to close the matter.

I am of the view, once the recommendation is made to close the matter, it is closed in entirety for all and it is not contingent upon the inclusion or exclusion of certain names. Therefore, in my considered opinion the Executive Committee should accept the recommendation of Central Vigilance Commission and exonerate all persons named in the two cases."

In view of above, the Executive Committee of the Council decided to exonerate Dr. A.R.N. Setalvad, the then Secretary, Dr. K.K. Arora, Dr. V.P. Mishra, Dr. D.K. Sharma, Smt. Savitha and Sh. Manoj Kumar.''

Dr.Ved Prakash Mishra joined the meeting again.

986. **Dismissal/removal of Sh. Sunder Giri, Electrician from the Services of the Council.**

Read: the order of dismissal/removal of Sh. Sunder Giri, Electrician from the Services of the Council by the Secretary (I/C) of the Council.

The Council noted the following decision taken by the President, MCI:-

A complaint was received in the Vigilance Section alleging that Sh. Sunder Giri, Electrician in MCI has submitted fake and fabricated documents with the application to the post of Electrician. An investigation was carried out by the Vigilance Section of the Council and the operative part of the investigation report is as under : -

"Sh. Sunder Giri does not hold any degree of Electrician Trade from ITI and there is no meaning of experience certificate issued by a private workshop as submitted by him alongwith his application and appears to be obtained just for the purpose of obtaining employment. It has therefore, been prima-facie established that the allegations in the complaint are correct and Shri Sunder Giri has submitted false and fake documents to the Council for obtaining wrong and illegal gains of employment as an Electrician. Such activity has been undertaken by the official purposely and with malafide intention.

In view of the recommendations of the then Chief Vigilance Officer, to initiate major penalty proceedings under Rule 14 of the CCS (CCA) Rules, 1965 immediately as the official has submitted fake and forged certificates of Electrician to the Council to obtain employment, the services of Sh. Sunder Giri were dismissed/removed by the Secretary of the Council being the disciplinary authority, with the approval of the President, vide Council's order dated 07/08/2014."

987. <u>Dismissal/removal of Ms. Bharti Chopra, Telephone Operator-cum-Receptionist, from the Services of the Council.</u>

Read: the order dismissal/removal of Ms. Bharti Chopra, Telephone Operator -cum- Receptionist, from the Services of the Council by the Secretary (I/C) of the Council.

The Council noted the following decision taken by the President, MCI:-

A complaint was received in the Vigilance Section from the Central Bureau of Investigation, New Delhi for investigation. It was alleged in the complaint that the appointment of Ms. Bharti Chopra to the post of Telephone Operator-cum-Receptionist, is illegal.

An investigation was carried out by the Vigilance Section of the Council and the operative part of the investigation report is as under : -

"It appears that Ms. Bharti Chopra does not fulfill the eligibility criteria in terms of requirement of experience as laid down in the advertisement of the MCI for the post of Telephone Operator-cum- Receptionist.

It has therefore, being prima-facie established that the allegations in the complaint are correct and Ms. Bharti Chopra is not eligible for the post of Telephone Operator -cum- Receptionist."

In view of above, the services of Ms. Bharti Chopra were dismissed/removed by the Secretary of the Council, being the disciplinary authority, with the approval of the President, vide Council's order dated 19/09/2014.
