4. Address by the President.

Dr. Jayshree Mehta, President delivered the Presidential address and copy of the same was circulated to the members of the General Body, wherein she brought out that –

- the applications received by the Council u/s 10A of the IMC Act, 1956 have been successfully dealt with in a **time bound** manner in terms of the **prescribed time schedule** in spite of all the constraints and impediments.

Postgraduate Task Dispensation:

The extent and magnitude of the task dispensation can be gauged from the material fact that for the academic session 2016-17, a total of 760 applications were received u/s 10A of the IMC Act, 1956 upto 31st May, 2015 out of which 461 assessments have been carried out.

With regards to the recognition of the courses, 986 assessments have been carried out and a total of 311 compliance verification assessments have been carried out.

The total number of applications received pertaining to super speciality courses for the academic year 2015-16 were 144 of which the assessment has been completed pertaining to 91 applications till date. 119 applications were disapproved due to non-fulfillment of the prescribed requirements and returned back to Govt. of India and 25 were recommended for approval to Central Govt.

Assessment for recognition of postgraduate courses which have been cleared by the Postgraduate Committee till date vide its meetings held on 16.04.2015, 30.04.2015, 14.05.2015, 27.05.2015, 23.06.2015, 14.07.2015, 28.07.2015, 11.08.2015, 28.08.2015, 15.09.2015 and 24.09.2015, as a result of which approx. 600 cases are included in the agenda of the General Body.

Undergraduate Task Dispensation:

The task dispensation for the academic year 2015-16 as on 1st October, 2015 is to the extent that of the 93 applications received for the establishment of new medical college. 18 colleges have been permitted by the Central Govt. for Establishment of New Medical Colleges. 75 applications have been disapproved and returned back to the Government of India.

83 out of which 82 medical colleges assessed by the Council for renewal of permission for the academic year 2015-16 out of which 60 medical colleges granted permission for admission of MBBS students and 23 medical colleges were not granted renewal of permission for the academic year 2015-16 due to various reasons.

The number of applications for recognition/approval u/s 11(2) of the Indian Medical Council Act, 1956 are 28 and all have been assessed by the Council. Out of which 09 medical colleges were

recognized/approved by the Central Government and 04 medical colleges are in the today's agenda of the General Body. 15 medical colleges are under consideration at various stages.

The Council has received 25 applications since the last General Body meeting till date for increase of seats for the academic year 2015-16, 17 of which disapproved and returned back to the Government of India while 01 new application is sub-judice in the Hon'ble Court. Further, 130 medical colleges have been assessed by the Council for renewal of permission for admissions of MBBS students against the increased intake for the academic year 2015-16 out of which 117 were granted renewal of permission against the increased intake and 13 medical colleges were not granted renewal of permission.

This by itself would depict the gigantic magnitude of the task that is required to be dispensed in a timely manner and within the stipulated notified schedule. I am happy to share with you that with the active involvement and cooperation of all concerned including dedicated staff of the Council the task has been accomplished successfully and the trend needs to be continued in an ongoing manner.

Registration Task Dispensation:

Since the last meeting of the General Body held on 26/27th March, 2015, 1506 number of applications for grant of registration of additional qualification were pending/under process and from 26.03.2015 till 21.09.2015, 1907 fresh applications for the said registration were also received. During the period i.e. March, 2015 till September, 2015, the Council has issued 2116 registration of additional qualification under 26 of the Indian Medical Council Act, 1956.

Issuance of Eligibility Certificates:

During the period i.e. March, 2015 till September, 2015, the Council has issued 1763 eligibility certificate.

Augmentation of administrative efficacy:

The President shared with the members that promotions which were long over due have been awarded to the various officials: -

- 1) One Administrative Officer and four Section Officers have been promoted to the post of Assistant Secretary.
- 2) Three Assistants have been promoted to the post of Section Officer.
- 3) Four U.D.C.'s have been promoted to the post of Assistant.
- 4) Two Section Officers are also being promoted to the post of Assistant Secretary.

Further, the President shared that MCI has engaged National Institute for Smart Government (NISG), a reliable advisory and consulting body to the Central Government, State Governments and PSUs for consultancy of e-Governance system through paperless administration in order to create a "Digital MCI" mission mode project on the vision propounded by the Hon'ble Prime Minister to create a portal "Digital India". In this regard, a Notice Inviting Tender (NIT) in all major news papers across the country has been published for selection of a suitable System Integrator in order to implement MCI Digital Mission Mode Project (DMMP). The Request for Proposal (RFP) detail submitted by NISG in line with Department of Electronics and Information Technology (DEITY), GOI and CVC guidelines has been made available on the website of the Council. Almost 25 major IT Companies including TCS, L&T Infotech, Wipro, HP, Oracle, Rolta, HCL, NIIT etc participated in the pre-bid meeting held on 24.09.2015 in order to establish themselves as a suitable System Integrator for the said DMMP Project which will be finalized in accordance with General Financial Rule (GFR).

In order to deal with innumerable queries pertaining to registration, various policy initiatives and measures relating to boosting of quality of Medical education, extension of health care service delivery at grass-root levels, simplification of the norms relating to rules & regulations a NICSI empanelled Call Centre Agency has agreed to start their services at MCI for efficient and systematic handling of information sharing through toll free number 1800111154. The said Call Centre Agency will also cope with the present difficulties in improving digitalization of information content of certain divisions, in terms of reorganization and training of our staff to work little differently so as to have better output from their respective desks.

Academic Task Dispensation:

During the period i.e. March, 2015 till date, Academic Cell of the Council dispensed:-

1. Updating and Conversion of UG syllabus to Competency based UG curricula

2. Implementation of Attitude and communication module and Ethics and Professionalism module.
3. Competency based curricula in broad and super-speciality PG courses.
4. Faculty Development Programme (FDP) which consists of (a) Basic Course Workshop in MET (b) Updated Basic Course workshop (c) Fellowship in Medical Education

Legal Task Dispensation:

The dispensation of task in the legal arena is huge and substantial in as much as the Medical Council is required to defend in various courts/judicial forum all over the country in view of the geographical jurisdiction statutorily under its ambit.

As of now during the impending period from 26th March, 2015 to 21.09.2015, the Council has defended 709 court cases in various courts of the country.

Ethical Cases Dispensation:

It is imperative that the ethical issues within the domain of regulations on Indian Medical Council (Professional Conduct, Etiquette and Ethics) are to be dealt in a time bound prescribed manner in the appellate jurisdiction and also the complaints on the said count are received by the Council.

The total number of appeals and cases disposed of by the Ethics Committee from April 2015 till date is 46.

Appearance before the Parliamentary Committees:

In due dispensation of the public accountability and statutory binding, the Council was represented by the President, MCI and Chairman, Academic Committee who appeared before the Parliamentary Standing Committee on Health & F.W. at its meeting on 12th May, 2015 and 12.08.2015 and made the necessary presentation pertaining to the working of the MCI to the satisfaction of the learned committee.

Likewise, the Medical Council was represented before the Parliamentary Committee on the Welfare of SC/ST on 23.07.2015, 04.08.2015 and 12.08.2015 respectively and the **concerns** raised thereat were taken up promptly at the meeting of the Executive Committee immediately held thereupon and a comprehensive report on the same has been formulated and approved by the Executive Committee which has been made known to the MOHFW, Govt. of India for the needful.

In continuation of the Video Conference meeting of the members of the Networking of Medical Councils of South East Asia Region held on 16th June, 2015 subsequent meeting has been held on 22nd September, 2015. The relevant details pertaining to the status report of the various multi country groups were taken note of at the said meetings. The necessary details pertaining to the multi country group headed by MCI on Registration & Licensing were made known thereat.

Visiting delegations:

- Delegation from Ireland visited MCI on 13th July, 2015 to discuss the matter related to recognition of FRCP(I) qualification by the MCI. The Council also deliberated on the issue of Internship certified by Indian Medical Schools which is not recognized by Medical Council of Ireland as a result of which Indian medical graduates are not permitted into the training programme in medical schools in Ireland.
- Delegation from Latvia consisting of its Ambassador and First Secretary visited the Council Office on 07.09.2015 to discuss the issue of exchange of faculty and students.
- Through a communication from the Central Government, Ministry of Health & F.W., on 9th September, 2015, a 5 members delegation represented by the President of Guangzhou Medical University at China visited the Council Office on 10th September, 2015. The key points for discussion was (1) to compare the levels of education between Indian medical colleges/universities and Guangzhou Medical University such that Guangzhou Medical University students are able to get license/registration to practice in India after clearing Screening Test. (2) To allow Visiting faculty from Indian Universities to go to Guangzhou Medical University for teaching/training their students in China. And (3) Student exchange programme between Indian students and students from Guangzhou Medical University.
- With regards to the exchange of students and visiting faculty, it was informed to the delegation that the matter was outside the jurisdiction of the Council and they should approach/interact with the respective universities in this regard.
- In the committed pace of timely task dispensation, so as to keep the statutory time limits intact, minor technicalities here and there might have remained unattended for which I take the onus on my head, but the things getting organized in times to come in a still

more organized and efficient way with the co-operation of all the learned members of the Council and the backlog of work which has been left over once accomplished better things await in coming times I can assure of and good many of them have already taken a credible and cognizable face.

The President further emphasized that with all conviction and strength at her disposal that it has been her consistent approach that with the learned and wise counsel and support from all the members of the Council, the objectives entrusted to the Council statutorily would be fulfilled in a transparent, credible, committed and accountable manner. The fair name and the credibility of the Council shall always be paramount and its ongoing growth ending up in fulfillment of the legitimate expectations of all the stake holders shall be our endeavour jointly and severally which shall neither be open for any deviation of any type or compromise of any nature whatsoever.

Needless to state that by virtue of your committed support, timely inputs and wise counsel we will be able to make positive strides in desired direction in a decisive manner.

The President wish and hope that the Council shall be able to carry the mantle further in the larger interests of the medical education and public health care delivery system in this country. She also takes the pleasure of recording her sense of gratitude to all the respected members of the Council for steering her through but for which it would be tough and difficult.

The “motion of thanks” to the effect that the Council records its gratitude and thankfulness to the President, Medical Council of India for her Presidential Address made at 140th Session was proposed by Dr. Ved Prakash Mishra which was seconded by the whole House.

The salient issues raised and discussed by the members referring to the Presidential Address are outlined herein below:-

- Gratitude was expressed and thanked the President for holding second GB meeting in the same year.
- Matter of pride and privilege to know that at State/National/International level Council has progressed very well.
 - Sense of reverence and as part of statutory protocol to move motion of thanks to the Presidential Address on behalf of Council.
 - None of recommendations being negated by Govt. of India under your leadership.
 - Certain observations had been made by members in the motion of thanks of the last meeting of the General Body and wherever required they had been converted to resolutions and action has been taken on them.
 - Resolution should be made that this process of conversion of observations of the members of the General Body into resolution be consistently followed.
 - During the meeting of the President, MCI with officials of the Ministry of Health & F.W., the President had suggested that instead of Exit Exam, a Common Entrance Exam for MBBS and Postgraduate courses should be conducted. Approving this, the Ministry of Health & F.W., had proposed an amendment to IMC Act for entry exam for UG/PG U/s 32. However a proportionate entry in section 33 will have to be made.
 - Notification with regard to recognition of undergraduate and postgraduate degrees of 05 countries exempting them from screening test needs to be annulled as it is contradictory to section 13A+13B of IMC Act.
 - Gazette Notification dt.2012-ESIC needs to be annulled/reviewed.
 - Only institutions/universities u/s 11(1), 11(2), 10A & 19 can be entered into Schedule I therefore DNB qualification cannot be included.
 - Publication should have the name of the student as first author who is doing the research and in addition he/she should also be the corresponding author.
 - Independent of date of assessment, the date of examination of first batch be considered for recognition
 - Anti-Ragging Regulation – create awareness against ragging amongst faculty/students of all medical colleges.

- Members were informed that the Call Centre had started today i.e. 1.10.15 with 30 toll free lines. It was further informed that the wi-fi connectivity had been provided in the Guest House and infrastructural repair work was also being successfully done.
- Legal cases – analysis on how many won/lost be done.
- In the last General Body, the resolution regarding an appropriate representation pertaining to the accruable pay scales to full time medical teachers in the country and also a separate higher scale for teachers of the super speciality courses before the 7th pay commission constituted by the Govt. of India was made. An appropriate plan of action shall be worked out expeditiously.
- Early implementation of the RFID system
- Concentration of medical colleges in certain areas/States of country. MCI should create a criteria for issuance of Essentiality Certificate. However it was informed that a decision has already been taken in this regard in last GB. Amendment needs to be proposed U/s 10(B).
- Congratulated & appreciated the President for achieving a lot during the last 1½ year. PR should be improved – press briefings/spokesperson be appointed for MCI.
- Colleges do not have funds for research work.
- Final recognition assessment in PG courses – takes 8 months time to be recognized.
- Identify standard journals for publication – further clarification required.
- Write to NBE to clarify the institute from which the candidate has obtained degree (whether they fulfill the requirement as mentioned in notification or not)
- Reduction in faculty in the department of Forensic Medicine needs to be looked into and restored to earlier requirements. Had raised the same issue in last GB minutes but it was not included.
- E-Journals should be considered.
- Digitalization of MCI - Should form a Committee for studying the process/requirements.
- DNB is not institute/university (affidavit submitted by MCI in Court to this effect). Therefore cannot be compared to MD/MS/DM/M.Ch. qualification.
- Dr. B.C.Roy Award should be started.
- Recognition of students admitted by colleges even if they are continuously in compliance stage.
- Sitting allowance to members be considered.
- An amendment be made in the Regulations “Opening of a New or Higher Course of Study or Training (including Postgraduate Course of Study or Training) and increase of Admission Capacity in any Course of Study or Training (including a Postgraduate Course of Study or Training (Amendment) Regulations 2015” such that only those medical colleges/institutions which are recognized u/s 11(2) of the IMC Act, 1956 for a particular intake capacity/increase intake capacity for which the Letter of Permission was granted by the Central Govt are eligible to apply for further increase in their intake capacity. However, the medical college/institute which is not yet recognized by the Medical Council of India for the award of MBBS degree may apply for increase of intake in Postgraduate Courses in pre-clinical and para-clinical subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology, Microbiology, Forensic Medicine & Community Medicine at the time of 4th renewal i.e. along with the admission of 5th Batch for the MBBS Course.

5. **Kerala University of Health Sciences - Recognition of M.Ch.(Paediatrics Surgery)qualification against increased intake from 02(Two) to 06(Six) seats in respect of students being trained at Government Medical College, Thiruvananthapuram.**

630. Recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 for the students admitted in the academic year 2008-2009 and 2009-2010 - Regarding.

Read: the matter with regard to recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 for the students admitted in the academic year 2008-2009 and 2009-2010.

The Council approved the following recommendations of the Executive Committee:

"The Executive Committee of the Council considered the matter with regard to recognition/approval of Melmaruvathur Adhiparasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 for the students admitted in the academic year 2008-2009 and 2009-2010 along with the legal opinion received from the Council Advocate which reads as under:-

"I am of the opinion that the students admitted after formal permission by Central Govt. u/s 10A for ac academic year 2008-09 and 2009-10 have already suffered for 2 academic session on the ground of failure of the institute to provide complete infrastructure.

Therefore in the best interest of the students it is advisable for the Council to recognize the MBBS degree of the students who were admitted in academic year 2008-09 and 2009-10.

However, the observation of the Hon'ble High Court to consider all similarly placed medical colleges is contrary to the IMC Act,1956 and the Regulations made thereunder, hence it is appropriate to file an appeal in this regard."

The Committee decided to accept the opinion of the Council Advocate and decided to recognize the MBBS degree of the students who were admitted in academic year 2008-09 and 2009-10 only in accordance with the permissions issued by the Central Govt...."

634. Note from PG Section regarding Inclusion of Master in Hospital Administration degree as essential qualification for faculty of Hospital Administration/Health Administration recognized by the Medical Council of India, in the schedule of MCI.

Read: the matter with regard to note from PG Section regarding inclusion of Master in Hospital Administration degree as essential qualification for faculty of Hospital Administration/Health Administration recognized by the Medical Council of India, in the schedule of MCI.

The Council noted the following:-

"PG Section has sent a note stating that the Dean, SGPGIMS has stated that the qualifications included for the above subject in the MCI schedule are : (1). MD Hospital Administration, (2). MD health Administration and (3) MD Community Health Administration. Since "Master of Hospital Administration" from AIIMS, New Delhi is also a recognized PG degree of MCI, the same may also be included as essential qualification for eligibility for faculty of Hospital Administration in the MCI Schedule.

The above matter was placed for discussion at the meeting of the Academic Committee held on 18th September, 2015 which recommended as under:

The Academic Committee approved the recommendation on Inclusion of "Master of Hospital Administration" from AIIMS, New Delhi as essential qualification for eligibility for faculty of Hospital Administration in the MCI Schedule and in the said Teachers Eligibility Qualifications, to be incorporated by an appropriate amendment to the Teachers Eligibility Qualification Regulations.

The Executive Committee meeting held on September 21, 2015 approved the above recommendation of the Academic Committee.

After detailed deliberation, the Council decided not to approve the recommendations of the Executive Committee as degree from a particular institute cannot be made an essential qualification.

Read: the matter with regard to report of the Sub Committee regarding working out the various modalities in the Gazette Notification dated 28.10.2013 in respect of utilization of the hospital owned by the State Government.

The Council approved the recommendations of the Executive Committee with the following changes:

"The Executive Committee of the Council perused the report of the Sub Committee regarding working out the various modalities in the Gazette Notification dated 28.10.2013 in respect of utilization of the hospital owned by the State Government and decided that the following recommendations of the sub-committee for utilization of the hospital owned by the State Government under PPP mode, as amended be approved:

- (1) *That the hospital owned and managed by the appropriate Government should be minimum 300 bedded hospital with necessary infrastructural facilities capable of being developed into a teaching institution situated on a plot land having area not less than prescribed under the Regulations. The medical college shall provide free transportation facilities for students and staff. The said hospital would be on one piece of the land and the building of the college including library and hostel for the students/inters, PGs/Residents, nurses may be housed on any of the two pieces of land.*
- (2) *The minimum 300 bedded hospital has to be transferred by the Government to the applicant trust/society/company through an appropriate Memorandum of Understanding of minimum 33 years or by way of lease of 99 years preferably but in any case not less than 33 years.*
- (3) *The hospital must be suitably altered through appropriate modifications into a teaching hospital specially with reference to the break up of the 300 beds into 120 beds allocable for Surgical Specialities, 120 for Medical Specialities and 60 for Obst. & Gynae. and also capable of forming clinical units of 30 beds each with required ward size, teaching and training space and other prescribed requirements as per the governing regulations before the application is made by the applicant for starting the new medical college.*
- (4) *The hospital should have all the feasibility for it being periodically upgraded including the augmentation of the number of beds and commensurate teaching units and teaching compliment as prescribed by the Governing Regulations with respect to the permitted annual intake for the college of 50/100/150/200/250 as the case may be.*
- (5) *The personnel working in the said hospital, technicians, para clinical staff including nurses and the menial staff, if transferred to medical college, upon their transfer shall be under the administrative control of the Dean of the Medical College ensuring that there is no "duality" of administrative control of any type.*
- (6) *The administrative control so envisaged would include "Academic", "Clinical" and "Financial" aspect as well.*
- (7) *The clinical staff working at the said hospital other than those who conform to the prescribed eligibility for being designated as Assistant Professor, Associate Professor, Professor of the concerned subject, as the case may be prescribed by the Teachers' Eligibility Qualification Regulations will have to be replaced by the full time appointment of the requisite number of duly qualified full time medical teachers in accordance with the prescribed requirements under the governing Regulations. In order to ensure that the binding operational dictum that "teaching physician has to be the treating physician" meaning thereby that the "treating" personnel would be the one who would be the "teaching" personnel.*

The General Body of the Council further noted that Clause 2(5) of the existing "Establishment of Medical College Regulations, 1999" under the heading "Qualifying Criteria" reads as under:

"That the person owns and manages a hospital of not less than 300 beds with necessary infrastructural facilities capable of being developed into teaching institution in the campus of the proposed medical college.

Provided that in North Eastern States and Hill States, the beds strength required at the time of inception shall be 200 beds, which shall be increased to 400 beds at the time of recognition for a medical college having annual intake of 50 students and it shall be 250 beds at the time of inception which shall be increased to 500 beds at the time of recognition for a medical college having annual intake of 100 students.

Provided that an appropriate Government shall be permitted to allow the utilization of the facilities of a hospital owned and managed by it for establishing a Medical College by a person/agency by entering into a Memorandum of Understanding for this purpose.

Provided further that the clinical material, human resources and physical infrastructure including beds are as per the relevant Minimum Standards Requirement Regulations.

In view of above, it was decided to add the following after the last para of Clause 2(5) under the heading "Qualifying Criteria" of "Establishment of Medical College Regulations, 1999":-

"Further provided that the following conditions as set out below are fulfilled and form part and parcel of the Memorandum of Understanding:

- (1) That the hospital owned and managed by the appropriate Government should be minimum 300 bedded hospital with necessary infrastructural facilities capable of being developed into a teaching institution situated on a plot land having area not less than prescribed under the Regulations. The medical college shall provide free transportation facilities for students and staff. The said hospital would be on one piece of the land and the building of the college including library and hostel for the students/inters, PGs/Residents, nurses may be housed on any of the two pieces of land.*
- (2) The minimum 300 bedded hospital has to be transferred by the Government to the applicant trust/society/company through an appropriate Memorandum of Understanding of minimum 33 years or by way of lease of 99 years preferably but in any case not less than 33 years.*
- (3) The hospital must be suitably altered through appropriate modifications into a teaching hospital specially with reference to the break up of the 300 beds into 120 beds allocable for Surgical Specialities, 120 for Medical Specialities and 60 for Obst. & Gynae. and also capable of forming clinical units of 30 beds each with required ward size, teaching and training space and other prescribed requirements as per the governing regulations before the application is made by the applicant for starting the new medical college.*
- (4) The hospital should have all the feasibility for it being periodically upgraded including the augmentation of the number of beds and commensurate teaching units and teaching compliment as prescribed by the Governing Regulations with respect to the permitted annual intake for the college of 50/100/150/200/250 as the case may be.*

645. Order dated 20.06.14 in Case No. 1/1032/13-14 – Guru Dayal Kumar Sinha Vs. The Chairman, Medical Council of India by the Hon’ble Court of Chief Commissioner for Personal with Disabilities.

Read: the matter with regard to Order dated 20.06.14 in Case No. 1/1032/13-14 – Guru Dayal Kumar Sinha Vs. The Chairman, Medical Council of India by the Hon’ble Court of Chief Commissioner for Personal with disabilities.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council noted that a Sub-Committee had been constituted by it with the experts in the field of ENT, Ophthalmology, Orthopaedics and Locomotor Specialist to go through the order dated 20.06.14 in case No. 1/1032/13-14 – Guru Dayal Kumar Sinha Vs. The Executive Committee of the Council after detail deliberations approved the report of the above Sub-Committee, the operative part of which reads as under:-

“.....
49. *Taking into consideration the relevant details, analogy and observations that have been brought out by the Learned Expert Members on the issue at end the Committee is pleased to recommend as under:-*

A. Upper Limb Disability

50. *In view of the listed competencies that can be either not completely acquired or partially acquired by a person with upper limb disability a provision be incorporated in the Graduate Medical Education Regulations 1997 that persons with upper limb disability are not entitled to pursue Graduate Medical Education.*

B. Lower Limb Disability

51. *Although a person with lower limb disability cannot acquire 4 out of 6 specific objectives of internship, however, as he is able to acquire discipline-wise competencies, hence a person with disability of lower limb can pursue medical education. However, the existing provision in Graduate Medical Education Regulation, 1997 is appropriate and does not require any revision. As such, as the determination of disability under the PWD Act is organic hence the reduction of disability with prosthetics cannot be considered to be a*

ground for persons with disability above 70% to be eligible to pursue Graduate Medical Education.

C. Auditory Disability

52. In view of the competencies that cannot be completely or partially acquired by a person with auditory disability a provision be incorporated in the Graduate Medical Education Regulations 1997 that persons with auditory disability are not entitled to pursue Graduate Medical Education.

D. Visual Disability

53. By a suitable provision, it be incorporated in the Graduate Medical Education to the effect that a person with category I visual disability shall not be eligible to pursue Graduate Medical Education.

CONCLUSION

54. The issue at hand that has been looked at hand by the Committee is limited to entry into the Graduate Medical Course as against the permissible disability with reference three main categories only. The legal aspects associated thereat although have been looked by the Committee in consultation with the Law Officer of the Council yet the possibility some areas some remaining beyond the consideration of the Committee is not ruled out which is a palpable limitation that the Committee is aware of."

The above minutes were read and confirmed in the meeting itself.

The meeting ended with a vote of thanks to the Chair.
