72.	Dr.Vinay Kumar Aggarwal	A-14/15, Pushpanjali, Opp. Anand Vihar, Delhi - 110092.
73.	Prof. Yumnam Iboton Singh	Wangkhei Keithel Ashangbi, Imphal
74.	Dr.Mohanan K (By order dt.27.11.2013 & 09.12.2013 of Honble High Court of Kerala.	Professor of Radio-diagnosis, Govt. Medical College, Thrissur, Kerala.

Dr. Reena Nayyar, Secretary I/c

Apologies for absence were received from the following members of the Council:-

1. Dr.H.S.Ballal
2. Dr.Moji Jini
3. Dr.K.Ramesh Reddy
4. Dr.V.K.Jain
5. Dr.Ravindra H.N
6. Dr.Kishor Taori
7. Dr. A.K. Mahajan

1. **Notification of New Members**

The Secretary, MCI, welcomed the members newly elected/nominated to the MCI and congratulated them for their election/nominations. The Secretary read the notification of the following new members elected/nominated as member of the Council since the last meeting of the Council held on 01.10.2015:-

Sl. No.	Name	U/S	Constituency
1.	Dr. (Smt.) Mukti Bhatnagar	3(1)(b)	Swami Vivekanand Subharti University, Meerut.
2.	Dr. Girish Kamlakarrao	3(1)(c)	R.M.G. Maharashtra

The House recorded its sense of gratitude and compliments to Prof. Ravi Kant, Vice Chancellor of King George Medical University Lucknow who was conferred with the 2016 Padma Shri Award. The House also recorded its sense of gratitude and compliments to Dr. D.G. Mhaisekar who has been appointed Vice Chancellor of Maharashtra University of Health Sciences, Nashik.

2. Minutes of the last meeting of the Council - Confirmation of.

The minutes of the last meeting of the Council held on 01.10.2015 were confirmed.

3. Minutes of the last meeting of the Council – Action taken thereon.

The Council noted the action taken by the office on various items included in the minutes of the meeting of the Council held on 01.10.2015.

4. Address by the President.

Dr. Jayshree Mehta, President delivered the presidential address and copy of the same was circulated to the members of the General Body, wherein she brought out that

- the applications received by the Council u/s 10A of the IMC Act, 1956 have been successfully dealt with in a time bound manner in terms of the prescribed time schedule in spite of all the constraints and impediments.

Postgraduate Task Dispensation:

The extent and magnitude of the task dispensation can be gauged from the material fact that for the academic session 2016-17, a total of 938 applications (760 for Broad Speciality and 178 for Super Speciality) were received u/s 10A of the IMC Act, 1956.

Of the 760 applications for Broad Speciality, 214 positive recommendations and 546 negative recommendations have been sent to the Ministry of Health & Family Welfare, New Delhi and of the 178 applications for Super Speciality, 33 were returned back to the Ministry of Health & Family Welfare, New Delhi; 124 applications were placed before the PG Committee of which 21 applications are under consideration for decision, since the last General Body.

With regard to the recognition of the Courses, approx. 300 items are itemized in the General Body agenda.

Undergraduate Task Dispensation:

The task dispensation for the academic year 2016-17 as on 15th March, 2016 is to the extent that total number of 109 applications were received for the establishment of new medical colleges. 40 applications were disapproved due to non-fulfilment of eligibility criteria and returned back to the Govt. of India. Remaining 69 applications which were fulfilled the eligibility criteria, assessments were carried out and 27 applications have been recommended for disapproval and returned back to the Government of India. Remaining 42 cases are under process on various stages.

80 medical colleges were due for assessment for renewal of permission for the academic year 2016-17 out of which 76 assessments have been carried out (13 medical colleges granted permission for admission of MBBS students, 30 compliance verifications have been done and 33 are under process) and 4 assessments are pending due to application of clause 8(3)(1)(d) of Establishment of Medical College Regulations, 1999 as amended vide notification dated 16.04.2010.

The total number of applications for recognition/approval u/s 11(2) of the Indian Medical Council Act, 1956 received were 27 (20 applications due for 2016-17 and 7 old cases). Out of which, 19 colleges have been assessed by the Council and 07 applications are under process and assessment is pending for one application as per its examination schedule. 6 cases have been itemised for this General Body meeting.

The Council has received 30 applications since the last General Body meeting till date for increase of seats for the academic year 2016-17. 18 assessments have been carried out and assessment for 1 application is pending due to application of clause 8(3)(1)(c) {15 colleges were recommended for disapproval, compliance verification -3, recommended for increase -1}. Further, 107 medical colleges have been assessed by the Council for renewal of permission for admissions of MBBS students against the increased intake for the academic year 2016-17. 104 assessments have been carried out (recommended for renewal of permission -35, compliance verified -27 and 42 are under process). Assessments are pending for 03 applications due to application of clause 8(3)(1)(d) of Establishment of Medical College Regulations, 1999 as amended vide notification dated 16.04.2010.

The total number of applications for recognition/approval u/s 11(2) of the Indian Medical Council Act, 1956 against increase intake received were 41 (35 applications due for 2016-17 and 5 old cases and 01 as per Court Order). Out of which, 30 colleges have been assessed by the Council and 11 applications are under process. 20 cases for recognition against increase of seats have been itemised for this General Body meeting.

This by itself would depict the gigantic magnitude of the task that is required to be dispensed in a timely manner and within the stipulated notified schedule. She was happy to share with the House that with the active involvement and cooperation of all concerned including dedicated staff of the Council the task has been accomplished successfully and the trend needs to be continued in an ongoing manner.

Registration Task Dispensation:

Since the last meeting of the General Body held on 01.10.2015, 360 number of applications for grant of registration of additional qualification were pending/under process and from 01.10.2015 till 15.03.2016, 1193 fresh applications for the said registration were also received. During the period i.e. 01.10.2015 to 15.03.2016, the Council has issued 1461 registration of additional qualification u/s 26 of the Indian Medical Council Act, 1956. Similarly, Council has issued 653 Certificates of Good Standing till 15.03.2016 since the last General Body meeting.

Issuance of Eligibility Certificates:

Since the last meeting of the General Body held on 01.10.2015, approx. 4117 number of applications for grant of eligibility certificates were pending/under process and from 01.10.2015 to 15.03.2016, 167 fresh applications for the said certificate were also received. During the period i.e. October, 2015 to 15th March, 2016 the Council has issued 1553 eligibility certificates.

Augmentation of administrative efficacy:

The President shared that 5 LDCs have been promoted to the post of UDC which were long over due.

The blessings of Information Technology (IT) can help in reducing the work load and in increasing the work efficiency so as to ensure speedy delivery of services in time bound manner. The Council is actively working on the MCI Digital Mission mode project (DMMP) through technological intervention in order to create a "digital MCI". This

includes the Online application process for grant of permission of establishment of new medical college/increase/recognition of various courses including online submission of payment of fees and supporting documents, online faculty monitoring through biometry system in all Medical Colleges/Institutions, Unique Registration Number for each Medical Practitioner with individual's speciality, digital library etc as a part of e-Governance .

Due to large disparity between the estimated Budget given by consultants from National Institute for Smart Government (NISG) and actual price submitted by the lowest bidder through open tender procedure, the work order for MCI-DMMP could not be executed in time. A High level committee has been constituted under the Chairmanship of Dr. Ajay Kumar, with two professors from reputed Technical Institutions and one expert from the office of Comptroller and Auditor General to review and analyze in detail the reason behind the huge discrepancy in budgetary estimate and price submitted by lowest bidder and possible modalities to go forward towards the goal.

Academic Task Dispensation:

During the period i.e. October, 2015 to 29.02.2016, Academic Cell of the Council dispensed:-

1. The Advance Course in Medical Education was renamed as Fellowship in Medical Education (FIME). First batch has completed the FIME course. Out of 275 faculty members who have registered as participants, 210 have become eligible to receive the first MCI Fellowship in Medical Education. The fourth batch of FIME will start in March-April, 2016 in the 10 approved Nodal Centres.
2. PG curricula, Teacher Eligibility Qualifications and Minimum Standards Requirements were prepared for DM in Critical Care Medicine, DM Neuroanesthesia, DM Neuroradiology, DM Virology, DM Paediatric Oncology, DM Reproductive Medicine, MCH in Hepato Pancreato Biliary Surgery, MCH in Vascular Surgery, MCH in Gynaecologic Oncology, and MS Traumatology & Surgery. TEQ and MSR for MD in Laboratory Medicine were readied.
3. MCI appointed Reconciliation Board and Expert Group for Revision of Basic Course Workshop revised the Attitude and Communication (AT-COM) module and brought it in alignment with Basic Course Workshop. The basic Course Workshop programme has been revised taking into consideration the feedback from stakeholders (medical college faculty) and Resource faculty.
4. JIPMER, Puducherry has been recognized as 20th MCI Regional Centre, colleges were allocated and training programmes started.
5. The MCI Nodal/Regional Centres in Medical Education Technologies conducted a total of 98 AT-COM and revised Basic Course Workshops in the centres and trained 2440 full-fledged teachers from medical colleges during the reporting period.
6. Total number of teachers trained by Nodal and Regional Centres are: 23704 in pre-revised Basic Course workshop and 2440 in revised programme + ATCOM making a total of ~26144 medical college teachers as of now.

Legal Task Dispensation:

The dispensation of task in the legal arena is huge and substantial in as much as the Medical Council is required to defend in various courts/judicial forum all over the country in view of the geographical jurisdiction statutorily under its ambit.

As of now during the impending period from 01.10.2015 to 03.03.2016 the new legal cases that have been added to the original pending number was 737. As such, the total number of cases before different judicial forum with MCI as a defendant/respondent or litigant are 9759 and the number of pending cases before various judicial forum across the country are 3369.

Ethics Cases Dispensation:

It is imperative that the ethical issues within the domain of regulations on Indian Medical Council (Professional Conduct, Etiquette and Ethics) are to be dealt in a time bound prescribed manner in the appellate jurisdiction and also the complaints on the said count are received by the Council.

The total number of appeals received during the impending period i.e. since last General Body meeting held on 1st October, 2015 till date were 39.

Appearance before the Parliamentary Committees:

In due dispensation of the public accountability and statutory binding, the Council was represented by the President, MCI and Secretary I/c who appeared before the Parliamentary Standing Committee on Health & F.W. at its meeting on 1st February, 2016 and made the necessary presentation pertaining to the working of the MCI to the satisfaction of the learned committee.

WHO- Networking of Medical Councils of South East Asia Region:

A Video Conference meeting of the members of the Networking of Medical Councils of South East Asia Region was held on 10th Feb., 2016 which was attended by the President, Medical Council of India and Chairman, Academic Committee, Dr. Ved Prakash Mishra. All the relevant details pertaining to the status report of the various multi country groups were taken note of at the said meetings. The necessary details pertaining to the multi country group headed by MCI on Registration & Licensing were made known thereat and were well received.

Visiting delegations:

Delegation from Mozambican Medical Council visited MCI on 5th October, 2015 to understand the working of MCI and explore the possibilities of signing an agreement for mutually recognizing medical qualifications of India and Mozambique.

Chinese delegation from Xi'an Jiaotong University China visited the Council office on 16.11.2015 and delegation from Chongqing Medical University, Chongqing visited the Council office on 23.11.2015. As they have many Indian students, they desired that the MCI may visit and interact with Indian students.

Dr. Himangi Bhardwaj, Senior Health Adviser, British High Commission, New Delhi met with the President and Secretary I/c and visited the Council office on 16.02.2016 and discussed various issues of mutual concern. She desired that there should be collaboration between General Medical Council and Medical Council of India for which the Council requested them to send a detailed proposal.

Russian Delegation from Kazan State Medical University visited MCI on 17.03.2016 and briefed about their curriculum, training programme, duration of the course etc. Their aim was to establish contacts with Indian universities and leading hospitals for the purpose of providing practical training for students and to initiate faculty and student exchange as well joint research programmes.

The Hon^{ble} Mr. A.K. Gayan, Minister of Health and Quality of Life of Republic of Mauritius along with H.E. Mr. J. Goburdhun, High Commissioner, Mauritius High Commission and Dr. K. Pauvaday, Director-General, Health Services of the Republic of Mauritius visited the Council office on 18.03.2016. They wanted MCI to guide the Medical Council in Mauritius on various matters.

In the committed pace of timely task dispensation, so as to keep the statutory time limits intact, minor technicalities here and there might have remained unattended for which she took the onus on her head, but the things getting organized in times to come in a still more organized and efficient way with the co-operation of all the learned members of the Council and the backlog of work which has been left over once accomplished better things await in coming times.

It is in these contexts that she reiterated with all conviction and strength at her disposal that it has been her consistent approach that with the learned and wise counsel

and support from all the members of the Council, the objectives entrusted to the Council statutorily would be fulfilled in a transparent, credible, committed and accountable manner. The fair name and the credibility of the Council shall always be paramount and its ongoing growth ending up in fulfillment of the legitimate expectations of all the stakeholders shall be our endeavour jointly and severally which shall neither be open for any deviation of any type or compromise of any nature whatsoever.

Needless to state that by virtue of committed support, timely inputs and wise counsel, the Council will be able to make positive strides in desired direction in a decisive manner.

She wished and hopes that the Council shall be able to carry the mantle further in the larger interests of the medical education and public health care delivery system in this country. She also takes the pleasure of recording her sense of gratitude to all the respected members of the Council for steering her through but for which it would be tough and difficult.

Efforts of co operation with GOI:

Several meetings dated 01.12.2015, 08.12.2015, 09.02.2016 have been held between MCI and MOHFW in order to discuss important issues of policy that had been pending since long and it is a matter of record that many of the issues have been finalised and even amendments have been notified and published in the Gazette of India.

In addition, it was decided by the Ministry to hold monthly meetings with MCI to review the position/status of all pending matters. Two meetings have been held in this regard till date and many issues have been resolved. These meetings will continue on regular basis.

A meeting was also held on 09.02.2016 with Director General of Health Services to discuss the revised regulations on Graduate Medical Education Regulations, 2012 and the matter is under consideration.

The motion of thanks to the effect that the Council records its gratitude and thankfulness to the President, Medical Council of India for her Presidential Address made at 141st Session was proposed by Dr. Ved Prakash Mishra and was seconded by Dr. Ajay Kumar as well as the whole House.

The salient issues raised and discussed by the members referring to the Presidential Address are outlined herein below:-

- Gratitude was expressed and thanked the President towards incorporation of the task dispensation by the Chairmen of various committees.
- Members get an opportunity to bring out various resolutions. Action should be taken on all such resolution.

The Council Members condemned the report of Parliamentary Standing Committee and resolved that an appropriate reply be given at the earliest by the office. It was informed by the members that IMA is also ready to support the Medical Council of India. It was also proposed to either hire a PR agency for MCI or create a PR Cell in the Council Office so that activities/achievements of MCI could be publicized.

The amendment notification dated 29th December, 2015 under "Establishment of Medical College Regulations (Amendment), 2015 was also discussed. It was noted that in clause 2(5) under the heading "Qualifying Criteria, after the last para the following paragraphs were added i.e. (1) to (7). Para (2) i.e. *"The minimum 300 bedded hospital has to be transferred by the Government..... in affiliated hospital(s) of the medical college"*. The General Body, therefore, recommended that clause (2) of the conditions of the Memorandum of Understanding should be amended to make it read as under :

“The appropriate Govt. (Central Govt./State Govt.) as the case may be may permit an applicant Trust/Society/Company to manage and run a hospital of not less than 300 beds and all its facilities for a period of minimum 33 years through invocation of an appropriate Memorandum of Understanding for Undergraduate / Postgraduate / Super speciality medical education”

This amendment ensures that the concerned hospital owned by the appropriate Government is not transferred to a Trust / Society or a Company. The recommendation so made by the General Body of the Council would be forwarded to the Ministry of Health and Family Welfare, Government of India, for approval and notification thereto.

In spite of the said amendment the present proposition makes Public Private Partnership Model restrictive in as much as it is limited to grant of permission by the appropriate Govt. to an applicant Trust / Society / Company to utilize the facilities of the minimum 300 bedded hospital for Under Graduate / Post Graduate / Super Speciality Medical Education.

It may therefore, be broadened, so that a semi-Government Undertaking may also be construed as eligible to make an application for starting of a medical college and be construed at par with an applicant Trust / Society / Company for the purposes of being permitted by the appropriate Govt. to manage and run a hospital of not less than 300 beds and all its facilities for a period of minimum 33 years for the purposes of Under Graduate / Post Graduate / Super Speciality Medical Education.

- The House noted that there is notification on record dt. 15th March, 2005 whereunder the teachers who were teaching postgraduate students for the postgraduate courses but not being medical colleges - it was provided therein that they be equated with the corresponding teaching grades namely that of Lecturer/Assistant Professor, Associate Professor and Professor respectively as incorporated in the Governing Regulations on Teachers Eligibility Qualification on the basis of corresponding experience and associated requirements as stipulated in the said Notification whereas the notification of 2012 speaks about the equity on the issue of recognition of teachers for the ESIC run/sponsored medical colleges. In addition, notification dated 29.12.2015 in clause 7 states *“the clinical staff working at the said hospital other than those who conform to the prescribed eligibility for being designated as Asstt.Prof., Assoc.Prof., Professor of the concerned subject, as the case may be prescribed by the Teachers’ Eligibility Qualification Regulations will have to be replaced by the full time appointment of the requisite number of duly qualified full time medical teachers, such replacement will not apply to non-teaching position like Casualty Medical Officer, Hospital Administrators etc. in accordance with the prescribed requirements under the governing Regulations. In order to ensure that the binding operational dictum that teaching physician has to be the treating physician meaning thereby that the ‘treating’ personnel would be the one who would be the ‘teaching’ personnel”*. In view of this, the House resolved that the Notification of 2012 was specifically for ESIC run medical colleges and could not be applied for any other colleges being established on PPP mode.
- The House also noted the 2009 Notification on Screening Test Regulation which states that *“No person shall be allowed to appear in the screening test unless: he/she is a citizen of India or has been granted overseas citizenship of India and possess any primary medical qualification, which is confirmed by the Indian embassy concerned, to be a recognized qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated”*. This amendment was made by amending clause 13A and 13B of the IMC Act, 1956 whereas the 2011 Notification states

provided further that a person seeking provisional or permanent registration shall not have to qualify the screening test if he/she holds an undergraduate medical qualification from Australia/Canada/New Zealand/United Kingdom/United States of America and the holder thereof also been awarded a PG medical qualification in Australia/Canada/New Zealand/United Kingdom/United States of America and has been recognized for enrolment as medical practitioner in that country The House resolved that it is violative of the parent provision of the Act and resolved that legal opinion be sought on the validity of 2011 notification and action taken thereon.

- The House noted the letter of the Government of India, Ministry of Health & F.W., dt. 28th January and 14th March, 2016 regarding the public fund lying outside Govt. accounts and reply of the Council dated 14.03.2016 wherein it was informed to Govt. that during coming time the retained fund will be utilized towards the welfare initiatives for its employees and relevant stake holders. The House resolved that the Finance Committee should prepare a Financial outlay plan for the proper utilization of the corpus fund of the Council.
- The House resolved that the Council has no authority to award Fellowship in Medical Education (FIME) and the same is outside the purview of the Council.
- The office was complimented for Directory containing the names of employees of the Council, Members names and phone numbers of the various Sub-Committees including Postgraduate Committee and Executive Committee.
- The members strongly felt that e-journals should be accepted in addition to hard copies of journals since with advancement of technology it was much easier to access and take advantage of online books and journals.
- The House noted the letter of the Central Government dt. 14.3.2016 in response to the draft amendment on regulations on *Minimum Qualifications for Teachers in Medical Institution Regulations, 1998* sent by MCI wherein it was decided by Govt. that in the case of super-specialities, a student doing DM/M.Ch. may be treated as Senior Resident for the post of Assistant Professor since he has already done PG. The House agreed with the proposal of the Central Government and resolved that revised amendment be sent to the Ministry.
- The attention of the House was drawn to the judgement of the Hon^{ble} Supreme Court in Pt. Parmanand Katara Vs. Union of India (AIR 1989 SC 2039) and Jacob Mathew Vs. State of Punjab. In the first case, the judgment of Hon^{ble} Supreme Court records the submissions of the Council regarding amendment of Indian Evidence Act so as to provide that the Doctors Diary maintained in regular course by him in respect of the accident cases be accepted by the Court in evidence without insisting the doctor being present to prove the same or subject himself to cross examination/harassment for long period of time. It was proposed that the Indian Medical Council (Professional Conduct, Etiquette & Ethics) Regulations, 2002 be amended and a format be suggested for medico legal cases. It was also placed before the House the suggested format for medico legal cases which could be included as Appendix -5 to the Code of Medical Ethics. The attention was also drawn of the House that in the Jacob Mathew's case, the Hon^{ble} Supreme Court had laid down certain guidelines which govern the prosecution of doctors for offences on which criminal rashness or negligence is an ingredient. The Hon^{ble} Supreme Court has observed that such guidelines will remain in force until statutory rules or executive instructions incorporating guidelines framed and issued by the Government of India and / or the State Governments in consultation with the Medical Council of India are not formulated. It was placed before the House a set of guidelines that ought

to be observed by the prosecuting agencies for protecting doctors against frivolous complaints/prosecution and this should be notified by the Union Government under the Code of Criminal Procedure. It was proposed that both these suggestions by the House be approved and its communication to the Central Government be sent for appropriate action at their end.

5. Rajasthan University of Health Sciences, Jaipur - Recognition of DM(Gastroenterology) qualification for 01 seat in respect of students being trained at Dr SN Medical College, Jodhpur.

Read: the Compliance Verification Assessment Report (19/08/2015) along with the Council Assessor's Report (September, 2014) on standard of examination and other teaching facilities available at Dr SN Medical College, Jodhpur for purpose of Recognition of DM(Gastroenterology) qualification for 01 seat granted by Rajasthan University of Health Sciences, Jaipur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (19/08/2015) along with the Council Assessor's Report (September, 2014) and compliance dated 16/05/2015 submitted by the college authorities and decided to recommend to the Central Government that DM(Gastroenterology) qualification for 01 seat granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at Dr S N Medical College, Jodhpur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

ñThe Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 04 to 06 seats granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

80. Amrita Vishwa Vidyapeetham University , Coimbatore, Kochi - Recognition of DM(Cardiac Anesthesiology) qualification for 02 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at Amrita School of Medicine, AIMS, Kochi for purpose of Recognition of DM(Cardiac Anesthesiology) qualification for 02 seats granted by Amrita Vishwa Vidyapeetham University , Coimbatore, Kochi.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Cardiac Anesthesiology) qualification for 02 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

81. West Bengal University of Health Sciences, Kolkata - Recognition of DM(Cardiology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Medical College, Kolkata.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at Medical College, Kolkata for purpose of Recognition of DM(Cardiology) qualification against increased intake from 02 to 03 seats granted by West Bengal University of Health Sciences, Kolkata.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Cardiology) qualification against increased intake from 02 to 03 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Medical College, Kolkata be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

82. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of M.Ch. (Neurosurgery) qualification against increased intake from 01 to 02 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at Amrita School of Medicine, AIMS, Kochi for purpose of Recognition of M.Ch. (Neurosurgery) qualification against increased intake from 01 to 02 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that M.Ch. (Neurosurgery) qualification against increased intake from 01 to 02 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

83. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of DM(Nephrology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at Amrita School of Medicine, AIMS, Kochi for purpose of Recognition of DM(Nephrology) qualification against increased intake from 02 to 03 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Nephrology) qualification against increased intake from 02 to 03 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

84. West Bengal University of Health Sciences, Kolkata - Recognition of DM(Endocrinology) qualification for 2 seats in respect of students being trained at Medical College, Kolkata.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at Medical College, Kolkata for purpose of Recognition of DM(Endocrinology) qualification for 2 seats granted by West Bengal University of Health Sciences, Kolkata.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (July, 2015)* and decided to recommend to the Central Government that DM(Endocrinology) qualification for 2 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Medical College, Kolkata be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

85. West Bengal University of Health Sciences, Kolkata - Recognition of DM(Neurology) for 2 seats in respect of students being trained at Burdwan Medical College, Burdwan.

Read: the Council Assessor's Report (August, 2015) on standard of examination and other teaching facilities available at Burdwan Medical College, Burdwan for purpose of Recognition of DM(Neurology) for 2 seats granted by West Bengal University of Health Sciences, Kolkata.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (August, 2015)* and decided to recommend to the Central Government that DM(Neurology) for 2 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Burdwan Medical College, Burdwan be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

86. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of DM(Cardiology) qualification against increased intake from 04 to 05 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at Amrita School of Medicine, AIMS, Kochi for purpose of Recognition of DM(Cardiology) qualification against increased intake from 04 to 05 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (July, 2015)* and decided to recommend to the Central Government that DM(Cardiology) qualification against increased intake from 04 to 05 seats granted by Amrita Vishwa Vidyapeetham University,

Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

87. Kerala University of Health Sciences, Thrissur - Renewal of recognition of MS(Ophthalmology) qualification for 2 seats and recognition against increased intake from 03 to 06 seats in respect of students being trained at Government Medical College, Thrissur.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at Government Medical College, Thrissur for purpose of Renewal of recognition of MS(Ophthalmology) qualification for 2 seats and recognition against increased intake from 03 to 06 seats granted by Kerala University of Health Sciences, Thrissur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that recognition of MS(Ophthalmology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thrissur be renewed.

The Committee further decided to recommend to the Central Government that MS(Ophthalmology) qualification against increased intake from 03 to 06 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thrissur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

88. MJP Rohilkhand University, Bareilly, U.P. - Recognition of MD(Skin & VD) qualification for 2 seats in respect of students being trained at Rohilkhand Medical College & Hospital, Barielly.

Read: the Council Assessor's Report (29th & 30th April, 2015) on standard of examination and other teaching facilities available at Rohilkhand Medical College & Hospital, Barielly for purpose of Recognition of MD(Skin & VD) qualification for 2 seats granted by MJP Rohilkhand University, Bareilly, U.P.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (29th & 30th April, 2015)* and decided to recommend to the Central Government that MD(Skin & VD) qualification for 2 seats granted by MJP Rohilkhand University, Bareilly, U.P. in respect of students being trained at Rohilkhand Medical College & Hospital, Bareilly be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

89. Sanjay Gandhi Post Graduate Instt. of Medical Sciences (Deemed University), Lucknow - Recognition of MD(Nuclear Medicine) qualification against increased intake from 01 to 02 seats in respect of students being trained at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow for purpose of Recognition of MD(Nuclear Medicine) qualification against increased intake from 01 to 02 seats granted by Sanjay Gandhi Post Graduate Instt. of Medical Sciences (Deemed University), Lucknow.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (May, 2015)* and decided to recommend to the Central Government that MD(Nuclear Medicine) qualification against increased intake from 01 to 02 seats granted by Sanjay Gandhi Post Graduate Instt. of Medical Sciences (Deemed University), Lucknow in respect of students being trained at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

90. Srimanta Shankardeva University of Health Sciences - Recognition of MD(Microbiology) qualification for 4 seats in respect of students being trained at Silchar Medical College, Silchar.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Silchar Medical College, Silchar for purpose of Recognition of MD(Microbiology) qualification for 4 seats granted by Srimanta Shankardeva University of Health Sciences.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (May, 2015)* and decided to recommend to the Central Government that MD(Microbiology) qualification for 4 seats granted by Srimanta Shankardeva University of Health Sciences in respect of students being trained at Silchar Medical College, Silchar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

91. North-Eastern Hill University, Meghalaya - Recognition of DM(Cardiology) qualification for 2 seats in respect of students being trained at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong for purpose of Recognition of DM(Cardiology) qualification for 2 seats granted by North-Eastern Hill University, Meghalaya.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (July, 2015)* and decided to recommend to the Central Government that DM(Cardiology) qualification for 2 seats granted by North-Eastern Hill University, Meghalaya in respect of students being trained at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

92. Rajasthan University of Health Sciences, Jaipur - Recognition of MD(Paediatrics) qualification against increased intake from 6 to 8 seats in respect of students being trained at SP Medical College, Bikaner.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at SP Medical College, Bikaner for purpose of Recognition of MD(Paediatrics) qualification against increased intake from 6 to 8 seats granted by Rajasthan University of Health Sciences, Jaipur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (July, 2015)* and decided to recommend to the Central

Government that MD(Paediatrics) qualification against increased intake from 6 to 8 seats granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at SP Medical College, Bikaner be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

93. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Psychiatry) qualification against increased intake from 01 to 07 seats in respect of students being trained at Andhra Medical College, Visakhapatnam.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Andhra Medical College, Visakhapatnam for purpose of Recognition of MD(Psychiatry) qualification against increased intake from 01 to 07 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Psychiatry) qualification against increased intake from 01 to 07 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Andhra Medical College, Visakhapatnam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

94. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(General Medicine) qualification against increased intake from 12 to 16 seats in respect of students being trained at Andhra Medical College, Visakhapatnam.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Andhra Medical College, Visakhapatnam for purpose of Recognition of MD(General Medicine) qualification against increased intake from 12 to 16 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased

intake from 12 to 16 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Andhra Medical College, Visakhapatnam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

95. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Physiology) qualification for 02 seats in respect of students being trained at Bidar Institute of Medical Sciences, Bidar.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Bidar Institute of Medical Sciences, Bidar for purpose of Recognition of MD(Physiology) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Physiology) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Bidar Institute of Medical Sciences, Bidar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

96. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Radio Diagnosis) qualification 04 seats in respect of students being trained at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli for purpose of Recognition of MD(Radio Diagnosis) qualification 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Radio Diagnosis) qualification 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Dr. Pinnammaneni Siddhartha

Institute of Medical Sciences & Research Foundation, Chinnaoutpalli be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

97. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(Ophthalmology) qualification for 02 seats and DO qualification for 01 seat in respect of students being trained at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli for purpose of Recognition of MS(Ophthalmology) qualification for 02 seats and DO qualification for 01 seat granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MS(Ophthalmology) qualification for 02 seats and DO qualification for 01 seat granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

98. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Microbiology) qualification against increased intake from 02 to 04 seats in respect of students being trained at ESI-PGIMSR, ESI-Hospital, Rajajinnagar, Bangalore.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at ESI-PGIMSR, ESI-Hospital, Rajajinnagar, Bangalore for purpose of Recognition of MD(Microbiology) qualification against increased intake from 02 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central

Government that MD(Microbiology) qualification against increased intake from 02 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at ESI-PGIMSR, ESI-Hospital, Rajajinnagar, Bangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

99. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Renewal of recognition of MD(Pharmacology) qualification for 04 seats in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Kamineni Institute of Medical Sciences, Narketpally for purpose of Renewal of recognition of MD(Pharmacology) qualification for 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that recognition of MD(Pharmacology) qualification for 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

100. Rajiv Gandhi University of Health Sciences, Bangalore - Renewal of recognition of MD(Radio Diagnosis) & DMRD qualifications for 01 seat each in respect of students being trained at Kempegowda Institute of Medical Sciences, Bangalore.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Kempegowda Institute of Medical Sciences, Bangalore for purpose of Renewal of recognition of MD(Radio Diagnosis) & DMRD qualifications for 01 seat each granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that recognition of MD(Radio Diagnosis) & DMRD

qualifications for 01 seat each granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Kempegowda Institute of Medical Sciences, Bangalore be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

101. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Tuberculosis & Respiratory Diseases/ Pulmonary Medicine) qualification for 02 seats in respect of students being trained at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram for purpose of Recognition of MD(Tuberculosis & Respiratory Diseases/ Pulmonary Medicine) qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Tuberculosis & Respiratory Diseases/ Pulmonary Medicine) qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

102. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Recognition of MD(Pharmacology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Kurnool Medical College, Kurnool.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Kurnool Medical College, Kurnool for purpose of Recognition of MD(Pharmacology) qualification against increased intake from 02 to 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Pharmacology) qualification against increased intake from 02 to 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at Kurnool Medical College, Kurnool be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

103. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Pharmacology) against increased intake from 02 to 06 seats in respect of students being trained at Mahadevappa Rampure Medical College, Gulbarga.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Mahadevappa Rampure Medical College, Gulbarga for purpose of Recognition of MD(Pharmacology) against increased intake from 02 to 06 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Pharmacology) against increased intake from 02 to 06 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Mahadevappa Rampure Medical College, Gulbarga be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

104. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Mamata Medical College, Khammam.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Mamata Medical College, Khammam for purpose of Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MS(Ophthalmology) qualification against increased intake from 02 to 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Mamata Medical College, Khammam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

105. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Forensic Medicine) qualification for 02 seats in respect of students being trained at Raichur Institute of Medical Sciences, Raichur.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Raichur Institute of Medical Sciences, Raichur for purpose of Recognition of MD(Forensic Medicine) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Forensic Medicine) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Raichur Institute of Medical Sciences, Raichur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

106. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Biochemistry) qualification against increased intake from 02 to 04 seats in respect of students being trained at Rangaraya Medical College, Kakinada.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at Rangaraya Medical College, Kakinada for purpose of Recognition of MD(Biochemistry) qualification against increased intake from 02 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (May, 2015)* and decided to recommend to the Central Government that MD(Biochemistry) qualification against increased intake from 02 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Rangaraya Medical College, Kakinada be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

107. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Biochemistry) qualification for 03 seats in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at S S Institute of Medical Sciences& Research Centre, Davangere for purpose of Recognition of MD(Biochemistry) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (May, 2015)* and decided to recommend to the Central Government that MD(Biochemistry) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

108. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(DVL) qualification for 03 seats in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at S S Institute of Medical Sciences& Research Centre, Davangere for purpose of Recognition of MD(DVL) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (May, 2015)* and decided to recommend to the Central

Government that MD(DVL) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S S Institute of Medical Sciences & Research Centre, Davangere be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

109. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(General Medicine) qualification against increased intake from 09 to 12 seats in respect of students being trained at S V Medical College, Tirupati.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at S V Medical College, Tirupati for purpose of Recognition of MD(General Medicine) qualification against increased intake from 09 to 12 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 09 to 12 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at S V Medical College, Tirupati be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

110. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(Ophthalmology) qualification against increased intake from 03 to 06 seats in respect of students being trained at S V Medical College, Tirupati.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at S V Medical College, Tirupati for purpose of Recognition of MS(Ophthalmology) qualification against increased intake from 03 to 06 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central

Government that MS(Ophthalmology) qualification against increased intake from 03 to 06 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at S V Medical College, Tirupati be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

111. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Community Medicine) qualification against increased intake from 01 to 04 seats in respect of students being trained at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot.

Read: the Council Assessor's Report (May, 2015) on standard of examination and other teaching facilities available at S. The above minutes were read and confirmed in the meeting itself.

206. Pravara Institute of Medical Sciences (Deemed University), Loni, Maharashtra - Renewal of recognition of DMRD qualification for 2 seats in respect of students being trained at Rural Medical College, Loni.

Read: the Council Assessor's Report (4th December, 2015) on standard of examination and other teaching facilities available at Rural Medical College, Loni for purpose of Renewal of recognition of DMRD qualification for 2 seats granted by Pravara Institute of Medical Sciences (Deemed University), Loni, Maharashtra.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

ñThe Postgraduate Medical Education Committee considered the *Council Assessor's Report (4th December, 2015)* and decided to recommend to

the Central Government that recognition of DMRD qualification for 2 seats granted by Pravara Institute of Medical Sciences (Deemed University), Loni, Maharashtra in respect of students being trained at Rural Medical College, Loni be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

207. Kerala University of Health Sciences, Thrissur - Recognition of MD(Physiology) qualification for 2 seats in respect of students being trained at T.D. Medical College, Alappuzha.

Read: the Council Assessor's Report (16th & 17th December, 2015) on standard of examination and other teaching facilities available at T.D. Medical College, Alappuzha for purpose of Recognition of MD(Physiology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th & 17th December, 2015) and decided to recommend to the Central Government that MD(Physiology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at T.D. Medical College, Alappuzha be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

208. Kerala University of Health Sciences, Thrissur - Recognition of MD(Pathology) qualification for 2 seats in respect of students being trained at M E S Medical College, Perintalmanna Malappuram Distt.Kerala.

Read: the Council Assessor's Report (15th & 16th December, 2015) on standard of examination and other teaching facilities available at M E S Medical College, Perintalmanna Malappuram Distt.Kerala for purpose of Recognition of MD(Pathology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th & 16th December, 2015) and decided to recommend to the Central Government that MD(Pathology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at M E S Medical College, Perintalmanna Malappuram Distt.Kerala be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

209. Pravara Institute of Medical Sciences (Deemed University), Loni - Renewal of recognition of DA qualification for 2 seats in respect of students being trained at Rural Medical College, Loni.

Read: the Council Assessor's Report (5th December, 2015) on standard of examination and other teaching facilities available at Rural Medical College, Loni for purpose of Renewal of recognition of DA qualification for 2 seats granted by Pravara Institute of Medical Sciences (Deemed University), Loni.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (5th December, 2015) and decided to recommend to the Central Government that recognition of DA qualification for 2 seats granted by Pravara Institute of Medical Sciences (Deemed University), Loni in respect of students being trained at Rural Medical College, Loni be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

210. MGM Institute of Health Sciences, Navi Mumbai - Recognition of MCh (Cardio Thoracic & Vascular surgery) Qualification for 1 seat in respect of students being trained at MGM Mission's Medical College, Navi Mumbai.

Read: the Council Assessor's Report (12.12.2015) on standard of examination and other teaching facilities available at MGM Mission's Medical College, Navi Mumbai for purpose of Recognition of MCh (Cardio Thoracic & Vascular surgery) Qualification for 1 seat granted by MGM Institute of Health Sciences, Navi Mumbai.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12.12.2015) and decided to recommend to the Central Government that MCh (Cardio Thoracic & Vascular surgery) Qualification for 1 seat granted by MGM Institute of Health Sciences, Navi Mumbai in respect of students being trained at MGM Mission's Medical College, Navi Mumbai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the

date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

211. Maharashtra University of Health Sciences, Nashik - Recognition of DM(Neurology) qualification against increased intake from 01 to 02 seats in respect of students being trained at Bombay Hospital Institute of Medical Sciences, Mumbai Bombay Hospital.

Read: the Council Assessor's Report (15.12.2015) on standard of examination and other teaching facilities available at Bombay Hospital Institute of Medical Sciences, Mumbai Bombay Hospital for purpose of Recognition of DM(Neurology) qualification against increased intake from 01 to 02 seats granted by Maharashtra University of Health Sciences, Nashik.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15.12.2015) and decided to recommend to the Central Government that DM(Neurology) qualification against increased intake from 01 to 02 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Bombay Hospital Institute of Medical Sciences, Mumbai Bombay Hospital be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

212. Maharashtra University of Health Sciences, Nashik - Recognition of MD(General Medicine) qualification for 2 seats in respect of students being trained at Maharashtra Institute of Medical Sciences & Research, Latur.

Read: the Council Assessor's Report (11.12.2015) on standard of examination and other teaching facilities available at Maharashtra Institute of Medical Sciences & Research, Latur for purpose of Recognition of MD(General Medicine) qualification for 2 seats granted by Maharashtra University of Health Sciences, Nashik.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11.12.2015) and decided to recommend to the Central Government that MD(General Medicine) qualification for 2 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Maharashtra Institute of Medical Sciences & Research, Latur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal

of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

213. Kerala University of Health Sciences, Thrissur - Recognition of MD/MS (OBG) qualification for 1 seat in respect of students being trained at M E S Medical College , Perintalmanna Malappuram Distt.Kerala.

Read: the Council Assessor's Report (16th December, 2015) on standard of examination and other teaching facilities available at M E S Medical College , Perintalmanna Malappuram Distt.Kerala for purpose of Recognition of MD/MS (OBG) qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

"The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th December, 2015) and decided to recommend to the Central Government that MD/MS (OBG) qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at M E S Medical College, Perintalmanna Malappuram Distt.Kerala be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

214. Kerala University of Health Sciences, Thrissur - Recognition of MD(Microbiology) qualification for 2 seats in respect of students being trained at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla.

Read: the Council Assessor's Report (15th, 16th & 17th December, 2015) on standard of examination and other teaching facilities available at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla for purpose of Recognition of MD(Microbiology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

"The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th, 16th & 17th December, 2015) and decided to recommend to the Central Government that MD(Microbiology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required

shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

215. Kerala University of Health Sciences, Thrissur - Recognition of MD(Transfusion Medicine) qualification for 1 seat in respect of students being trained at T.D. Medical College, Alappuzha.

Read: the Council Assessor's Report (16th & 17th December, 2015) on standard of examination and other teaching facilities available at T.D. Medical College, Alappuzha for purpose of Recognition of MD(Transfusion Medicine) qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th & 17th December, 2015) and decided to recommend to the Central Government that MD(Transfusion Medicine) qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at T.D. Medical College, Alappuzha be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

216. Pravara Institute of Medical Sciences (Deemed University), Loni - Renewal of recognition of DCH qualification for 4 seats in respect of students being trained at Rural Medical College, Loni.

Read: the Council Assessor's Report (4th December, 2015) on standard of examination and other teaching facilities available at Rural Medical College, Loni for purpose of Renewal of recognition of DCH qualification for 4 seats granted by Pravara Institute of Medical Sciences (Deemed University), Loni.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (4th December, 2015) and decided to recommend to the Central Government that recognition of DCH qualification for 4 seats granted by Pravara Institute of Medical Sciences (Deemed University), Loni in respect of students being trained at Rural Medical College, Loni be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

217. Kerala University of Health Sciences, Thrissur - Recognition of MS(Orthopaedics) qualification for 2 seats in respect of students being trained at M E S Medical College , Perintalmanna Malappuram Distt.Kerala.

Read: the Council Assessor's Report (July, 2015) on standard of examination and other teaching facilities available at M E S Medical College , Perintalmanna Malappuram Distt.Kerala for purpose of Recognition of MS(Orthopaedics) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that MS(Orthopaedics) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at M E S Medical College, Perintalmanna Malappuram Distt.Kerala be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

218. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of DM(Neurology) qualification against increased intake from 01 to 02 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (August, 2015) on standard of examination and other teaching facilities available at Amrita School of Medicine, AIMS, Kochi for purpose of Recognition of DM(Neurology) qualification against increased intake from 01 to 02 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (August, 2015) and decided to recommend to the Central Government that DM(Neurology) qualification against increased intake from 01 to 02 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

219. MJP Rohilkhand University - Recognition of MD(Anatomy) qualification against increased intake from 01 to 05 seats in respect of students being trained at Shri Ram Murti Smarak Instt. of Medical Sciences, Bareilly.

Read: the Council Assessor's Report (January, 2016) on standard of examination and other teaching facilities available at Shri Ram Murti Smarak Instt. of Medical Sciences, Bareilly for purpose of Recognition of MD(Anatomy) qualification against increased intake from 01 to 05 seats granted by MJP Rohilkhand University.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (January, 2016) and decided to recommend to the Central Government that MD(Anatomy) qualification against increased intake from 01 to 05 seats granted by MJP Rohilkhand University in respect of students being trained at Shri Ram Murti Smarak Instt. of Medical Sciences, Bareilly be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

220. Homi Bhabha National Institute, Mumbai - Recognition of DM (Gastroenterology) qualification for 02 seats in respect of students being trained at Tata Memorial Hospital, Mumbai.

Read: the Council Assessor's Report (June, 2015) on standard of examination and other teaching facilities available at Tata Memorial Hospital, Mumbai for purpose of Recognition of DM (Gastroenterology) qualification for 02 seats granted by Homi Bhabha National Institute, Mumbai.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

221. Election of a Member of MCI under section 3(1)(c) of IMC Act, 1956 i.e. Registered Medical Graduate Constituency Proposal Submitted by Dr. Sudipto Roy, Member, MCI.

Read: the matter with regard to election of a Member of MCI under section 3(1)(c) of IMC Act, 1956 i.e. Registered Medical Graduate Constituency Proposal Submitted by Dr. Sudipto Roy, Member, MCI.

The Council approved the following recommendations of the Executive Committee meeting dated 05.08.2015 & 28.10.2015 :-

“The Executive Committee decided to approve the following proposal submitted by Dr. Sudipto Roy, Member, MCI:-

<i>Existing</i>	<i>Proposed</i>
<i>2(d) ‘Returning Officer’ means any officer appointed as such by the Central Government for the purposes of these rules;</i>	<i>2(d) ‘Returning Officer’ means any officer appointed as such by the Central Government from a panel of such officers maintained by MCI.</i>

222. Submission of Time Bound Programme for applications for starting of/ increase of seats in various postgraduate courses u/s 10A of the IMC act, 1956 – Deletion of qualifying criteria – regarding.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to deletion of qualifying criteria for submission of Time Bound Programme for applications for starting of/ increase of seats in various postgraduate courses u/s 10A of the IMC act, 1956.

The Council approved the recommendations of the Postgraduate Medical Education Committee as under:

“The Postgraduate Medical Education Committee considered the matter with regard to submission of Time Bound Programme for applications for starting/increase of seats in various postgraduate courses u/s 10A of the IMC act, 1956 and decided that the time bound programme requirement is not applicable for starting/increase of seats in Postgraduate courses because permission is granted only after the college fulfils all requirements at the time of starting of the course.”

In the meantime, applications received by now should be processed without any delay and without waiting for any time bound programme.”

The above minutes were read and confirmed in the meeting itself.

223. DM in Interventional Radiology: Decision of the Executive Committee meeting held on 04.06.2015 on the recommendations of Academic Committee meeting held on 15.05.2015.

Read: the recommendations of the joint meeting of the Postgraduate Medical Education Committee and Academic Committee for approval with regard to incorporation of DM (Interventional Radiology) course.

The Council approved the recommendations of the Joint meeting of the Postgraduate Medical Education Committee and Academic Committee :

“The matter was discussed in detail especially on the issue that courses like interventional Neuro-Radiology, Cardiac Radiology are already approved and there is likely to be lot of overlapping. After

detailed discussions it was decided to approve the proposal subject to the four basic conditions that it will be an independent department with full time faculty and infrastructure of their own and permission for DM course will be granted only after the department has been established for some time and a minimum specified number of procedures (to the satisfaction of Postgraduate Committee) have been successfully done in the department. The faculty should have at-least two years special training in Interventional Radiology at the time of their appointment”

Further the council decided that the eligibility criteria for admission in Interventional Neuro-Radiology and Interventional Cardiac – Radiology shall be M.D (Radiology).

The above minutes were read and confirmed in the meeting itself.

224. Inspection for recognition of increased seats need not be held on the day of examination- req.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to inspection of Postgraduate courses for recognition of increased seats u/s 11(2) of the IMC Act, 1956.

The General Body of the Council considered the said item along with Item No. 337 noted that the Postgraduate Committee at its meeting held on 09/02/2016 considered the resolution of the General Body of the Council dated 26th & 27th March, 2015 and resolved that in case of Universities whose PG degree of that subject is already recognized, 11(2) inspection for recognition of increased seats need not be held on the day of examination. However, assessment of the concerned college for infrastructure and other teaching facilities in the institution concerned should be carried out two months before or after the examination and recommendations for recognition of increased seats should be based on the outcome of that report.

In view of above, the General Body of the Council after detailed deliberations decided that the recommendation of the Postgraduate Committee is well reasoned out. Further, the edifice on which the entry of the recognized qualification in the appropriate schedule appended to the Indian Medical Council Act, 1956, is made *university based* and accordingly adopted the same.

Further the General Body of the Council unanimously decided that the standards for examination would be evaluated exclusively for the maiden incorporation of the qualification in the appropriate schedule appended to the Indian Medical Council Act, 1956 in accordance with Section 11(2) of the said Act.

However, the additional criteria for evaluating the standards for conduct of university examination wherever needed as approved by the General Body at its meeting 26-27 march, 2015 would continue to be applicable.

The above item be read along with item no. 337.

225. No Uniformity in the duration of Practical Exams amongst the colleges for the disciplines.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to uniformity in the duration of practical exams amongst the colleges for various disciplines.

The Council approved the following recommendations of the Postgraduate Medical Education Committee:

- (1) Microbiology practical examination be kept for 3 days as interpretation of culture growth would require minimum 48 hours.
- (2) Pathology practical examination be kept for 2 days in view of preparation of slides, specimens, etc.
- (3) Community Medicine practical examination be kept for 2 days as examination of long case involves family visit to home which consumes a lot of time on 1st day of examination

The above minutes were read and confirmed in the meeting itself.

226. Continuance of recognition of MBBS degree granted by Tripura University, Agartala in respect of students being trained at Agartala Government Medical College, Agartala.

Read: the recommendations of the Executive Committee for approval with regard to Continuance of recognition of MBBS degree granted by Tripura University, Agartala in respect of students being trained at Agartala Government Medical College, Agartala.

The Council approved the following recommendations of the Executive Committee:

"The Executive Committee of the Council considered the compliance verification inspection report (5th November, 2015) along with previous assessment report (10th June, 2015) and decided to recommend that recognition of MBBS degree granted by Tripura University, Agartala in respect of students being trained at Agartala Government Medical College, Agartala be continued restricting the number of admission to 100 (One Hundred) students."

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for Renewal of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute é ò

227. Consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Jawahar Medical Foundation' Annasaheb Chudaman Patil Memorial Medical College, Dhule.

Read: the recommendations of the Executive Committee for approval with regard to Consideration of Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at

Jawahar Medical Foundationô Annasaheb Chudaman Patil Memorial Medical College, Dhule.

The General Body of the Council noted that an assessment for continuance of recognition of Jawahar Medical Foundationô Annasaheb Chudaman Patil Memorial Medical College, Dhule was carried out on 24th & 25th August, 2011. The assessment report was placed before the Board of Governors at their meeting held on 03.01.2012 and it was decided as under:-

The Board of Governors considered the assessment report (24th & 25th August, 2011) alongwith recommendations of the Undergraduate Committee and observed that deficiencies are still persisting as under:-

Infrastructure

1. Examination hall have seating capacity of 350 against the requirement of 500.
2. LT are 01 less
3. Animal House is not available .
4. Library has seating capacity of 140 against the requirement of 200 and Journals are 74 against the requirement of 100.
5. RHTC has no accommodation, mess nor teaching facilities.

Equipment

1. 01 300 mA and 01 500 mA X-ray units are less.
2. No IITV
3. 01 USG is less.

Clinical Materials

1. OT – 01 major OT and 01 minor OT are less.
2. No RICU.

Staff

1. Teaching faculty – Shortage 27%
2. Residents shortage 42.6%
3. Nursing Staff 74 against the requirement of 247.

Other deficiencies/remarks pointed out in the assessment report

In view of gross deficiencies, the Board of Governors decided to issue a show cause notice to the authorities of Jawahar Medical Foundationô Annasaheb Chudaman Patil Memorial Medical College, Dhule as to why the recognition for the award of MBBS degree should not be withdrawn u/s 19 of the IMC Act, 1956 and further decided that the institute be asked to submit its compliance within a period of 3 months from dispatch of the letter.

As per the above decision of the Board of Governors, a show cause was issued to the college authorities on 27/01/2012 as to why the recognition for the award of MBBS degree should not be withdrawn u/s 19 of the IMC Act, 1956.

The Principal, Annasaheb Chudaman Patil Memorial Medical College, Dhule, vide letter dated 13.04.2012 submitted the compliance against the show cause notice. The same was verified by the Council assessorsôand the compliance verification assessment of Jawahar Medical FoundationôAnnasaheb Chudaman Patil Memorial Medical College, Dhule was carried out on 13th October, 2012.

The compliance verification assessment report was considered by the Board of Governors at its meeting held on 28.01.2013 and decided as under:-

1. Inadequate seating capacity of Examination Hall, short by 100. No writing desk in the examination hall.
2. Animal House is not functional.
3. Equipment: Shortage of one static unit of 300 mA and 500 mA x-ray each (Photographs show old machines).
4. IITV available but not in the department of Radiology.

5. Shortage of 01 USG machine.
6. Teaching faculty shortage is 14%.
7. Resident shortage is 40%.
8. Shortage of Nursing staff (201 against the requirement of 247).

In view of above deficiencies, the Board of Governors decided that the college authorities may be asked to submit compliance for rectification of deficiencies as pointed out above as well as in the assessment report, indicating timeline.

In addition to above, the college authorities were requested to submit the list of faculty members, TDS details and bank statement for last one year."

The above decision was communicated to the college authorities on 19.02.2013. The Principal, Annasaheb Chudaman Patil Memorial Medical College, Dhule, vide letter dated 24.04.2013 had again submitted the compliance. The second compliance was verified by the Council Assessors on 18th July, 2013. The second compliance verification assessment report (18th July, 2013) was considered by the Board of Governors at their meeting held on 27.08.2013. The Board of Governors decided to re-submit the compliance within 03 months. The above decision was communicated to the concerned authority vide MCI letter dated 12.09.2013.

The Principal, Annasaheb Chudaman Patil Memorial Medical College, Dhule, vide letter dated 28.09.2013 had submitted the third compliance and the same was placed before the Executive Committee of the Council at its meeting held on 03.01.2014 and the Committee decided to verify the compliance by way of assessment.

The third compliance verification assessment with regard to continuance of recognition carried out on 26th & 27th March, 2014 was considered by the Executive Committee at its meeting held on 16.4.2014 and it was decided as under:

"The Executive Committee of the Council considered the Council Assessor report (26th & 27th March, 2014) and noted the following:-

1. Deficiency of faculty is 25 % (i.e. 30 out of 115) as under:
 - (a) Professor: 1 (Pharmacology: 1)
 - (b) Asso. Prof.: 7 (Biochemistry: 1, Community Medicine: 2, Psychiatry: 1, Skin & VD: 1, Radiodiagnosis: 1, Gen. Medicine: 1)
 - (c) Asst. Prof.: 12 (Community Medicine: 2, Epidemiologist: 1, Radiodiagnosis: 2, Anaesthesiology: 1, Gen. Medicine: 3, Gen. Surgery: 3)
 - (d) Tutors: 10 (Anatomy: 1, Physiology: 2, Biochemistry: 3, Pharmacology: 1, Community Medicine: 3)
2. Shortage of Residents is 16.3 % (i.e. 17 out of 104) as under:
 - (a) Senior Resident: 8 (Psychiatry: 1, Tb & Chest: 2, Radiodiagnosis: 1, , Gen. Surgery: 4)
 - (b) Junior Resident: 9 (Psychiatry: 2, Skin & VD: 1, Tb & Chest: 3, ENT: 2, Gen. Medicine: 1)
3. Majority of senior faculty staff including Professors & HODs especially in clinical departments seem to be part time / contractual as they are paid very low salary (Rs. 8,000 p.m.)
4. Attendance taken till 11:45 a.m. on 26/03/2014 showed significantly less faculty presence (especially in clinical subjects).
5. Other deficiencies as pointed out in the inspection report.

The Executive Committee decided not to recommend continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Jawahar Medical Foundation' Annasaheb Chudaman Patil Memorial Medical College, Dhule and further decided that the

institute be asked to submit the compliance for rectification of the above deficiencies within 3 months."

The decision was communicated to the college authorities vide Council's letter dated 29.04.2014.

The Principal, Jawahar Medical Foundation's Annasaheb Chudaman Patil Memorial Medical College, Dhule vide its letter dated 14.07.2014 had submitted the fourth compliance. The compliance was verified by the Council on 24th September, 2014.

The fourth compliance verification assessment was considered by the Executive Committee at its meeting held on 20.11.2014 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (24th September, 2014) and noted the following:-

1. *Principal / Dean was absent on medical leave on day of assessment.*
2. *Shortage of Residents is 32.6 % as detailed in report.*
3. *OPD: In Ophthalmology OPD, dark room & Dressing room are not available. In paediatrics OPD, Immunization room is not available. In O.G. OPD, family Welfare clinic is not available.*
4. *Daily average of number of major Surgical operations is only 16-18. Radiological investigative workload is inadequate.*
5. *Daily average of Cytopathology workload is 10.*
6. *Details of patients in ICCU / ICUs on day of assessment are not provided.*
7. *Details of area & sitting capacity of Central library and books and journals available in the library are not provided.*
8. *Details of residential quarters for faculty and non-teaching staff are not provided.*
9. *Details of Gender Harassment Committee as required by order of Hon'ble Supreme Court are not provided. .*
10. *Dr. A.M. Chitale, shown as Medical Superintendent has only 2 years' experience as Medical Superintendent and hence not qualified to hold the post as per Regulations.*
11. *Details of Labour room are not provided.*
12. *Details of Static & Mobile X-ray machines and other equipment in Radiodiagnosis department are not provided.*
13. *Other deficiencies as pointed out in the inspection report.*

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik • in respect of students being trained at jawahar Medical Foundation' Annasaheb Chudaman Patil Memorial Medical College, Dhule and further decided that the institute be asked to submit the compliance of rectification of the above deficiencies within 3 months."

The decision was communicated to the college authorities vide Council's letter dated 12.12.2014.

The Principal, Jawahar Medical Foundation' Annasaheb Chudaman Patil Memorial Medical College, Dhule vide its letter dated 24.02.2015 had submitted the fifth compliance. The same was verified on 14th July, 2015.

The fifth compliance verification assessment was placed before the Executive Committee at its meeting held on 17.08.2015 and the committee decided as under:-

“The Executive Committee of the Council considered the compliance verification assessment report (14th July, 2015) along with previous assessment reports (24th September, 2014) and noted the following:-

1. *Deficiency of teaching faculty is 22.05 % as detailed in the report.*
2. *Shortage of Resident Doctors is 23.80% as per regulation*
3. *OPD: In Ophthalmology OPD, same room is shown as dark room as well as dressing room and also as keratometry room. One room in O.G. OPD is shown as Family Welfare clinic but there is nothing to show that it is functional. There is no proper furniture and no record is available. Deficiency remains as it is.*
4. *Total number of Major operations for the whole hospital on day of assessment is 10 – 4 for Orthopaedics & 6 for Ophthalmology. There is no list for General Surgery & O.G. put up on day of assessment. Deficiency remains as it is.*
5. *Average daily Cytopathological workload is 5-6/day. Workload on day of assessment is NIL. Register for Cytopathology is not maintained date wise. Deficiency remains as it is.*
6. *Central Library: Capacity of reading rooms for students is 178 against requirement of 200. Capacity of Reading Room for PG/Residents is only 16 which is inadequate.*
7. *Residential Quarters: NIL quarters are available for non-teaching staff in the campus.*
8. *NIL Normal Delivery or Caesarean Section is recorded on day of assessment.*
9. *Radiodiagnosis Department: Only 4 static X-ray machines are available against requirement of 5 as per Regulations. Only 3 mobile X-ray machines are available against requirement of 6.*
10. *Bed occupancy in major disciplines of Surgery, O.G., Paediatrics & Orthopaedics is 35 %.*
11. *Radiological investigative workload on the day prior to day of assessment was (a) Plain X-rays: 57 which is inadequate.*
12. *Other deficiencies as pointed out in the inspection report.*

In view of the above, the Executive Committee of the Council decided not to recommend continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Jawahar Medical Foundation' Annasaheb Chudaman Patil Memorial Medical College, Dhule and further decided that the institute be asked to submit the compliance after rectification of the above deficiencies within one month. The Committee further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses.”

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by the institute should not be made for undergraduate and postgraduate courses which are recognized

u/s 11(2) of the IMC Act,1956 alongwith direction of stoppage of admissions in permitted postgraduate courses.....”.

The Show Cause notice dated 19.8.2015 was issued to the College authorities.

The sixth compliance submitted by the Principal, Jawahar Medical Foundation& Annasaheb Chudaman Patil Memorial Medical College, Dhule vide its letter dated 11.9.2015 was verified by way of assessment on 17th Dec.,2015.

The sixth compliance verification assessment along with previous report (14th July,2015) of continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Jawahar Medical Foundation& Annasaheb Chudaman Patil Memorial Medical College, Dhule for 100 seats was placed before the Executive Committee at its meeting held on 28.12.2015 and the Committee decided as under:-

“The Executive Committee of the Council considered the compliance verification assessment report (17th December, 2015) along with previous assessment reports (14th July, 2015) and noted the following:-

1. *Deficiency of faculty is 43 % as detailed in report.*
2. *Shortage of Residents is 82 % as detailed in report.*
3. *In Ophthalmology OPD, same room is shown as Dark Room & Keratometry room. In O.G. OPD there are only 2 Examination rooms against 4 required. Proper registers are not maintained. Deficiency remains as it is.*
4. *There were only 1 Major & 1 Minor operation for the whole hospital on 5. day of assessment.*
5. *Register for Cytopathology is not maintained. Daily workload of Cytopathology is only 6-7. Deficiency remains as it is.*
6. *NIL quarters are available for non-teaching staff in the campus. Deficiency remains as it is.*
7. *There was NIL Normal Delivery & NIL Caesarean Section on day of assessment upto 4 p.m.*
8. *Overall bed occupancy was 26 % on day of assessment. Bed occupancy in various departments was very low as under:*

#	Department	Bed Occupancy
1	General Medicine	17.5 %
2	General Surgery	26 %
3	Paediatrics	20 %
4	O.G.	33 %
5	Orthopaedics	48 %

9. *Radiological investigation workload is inadequate. Deficiency remains as it is.*
10. *OPD attendance was only 616 against 800 required.*
11. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment),2010(Part II), dated 16th April, 2010 and to return the postgraduate applications of Jawahar Medical Foundation' Annasaheb Chudaman Patil Memorial Medical College, Dhule recommending disapproval of the scheme.

The Executive Committee of the Council further decided that since the gross deficiencies of teaching faculty, residents, & infrastructure are still persisting inspite of repeated opportunities being given to the institute to rectify the same over a period of time, why the recognition for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students

being trained at Jawahar Medical Foundation' Annasaheb Chudaman Patil Memorial Medical College, Dhule be not withdrawn u/s 19 of the IMC Act, 1956. It was further decided that the institute be directed not to make further admissions from the academic year 2016-17 onwards.

The Committee further decided to place the matter before the General Body of the Council.

The Council also noted that in spite of repeated opportunities being given to Jawahar Medical Foundation Annasaheb Chudaman Patil Memorial Medical College, Dhule, it has not rectified the gross deficiencies of teaching faculty, residents, & infrastructure facilities for removal of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16.04.2010. The Council further noted that in the latest compliance verification assessment report (17.12.2015), the deficiencies are still persisting.

In view of above, the General Body of the Council decided to recommend to the Central Govt. for withdrawal of recognition for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Jawahar Medical Foundation Annasaheb Chudaman Patil Memorial Medical College, Dhule u/s 19 of the IMC Act, 1956 and further to request the Central Govt. to ask the institution to stop admissions with immediate effect for the academic year 2016-17.

228. Continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Madurai Medical College, Madurai.

Read: the recommendations of the Executive Committee for approval with regard to Continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Madurai Medical College, Madurai.

The Council approved the following recommendations of the Executive Committee:

"The Executive Committee of the Council considered the compliance verification assessment report along with the previous assessment report (11th June, 2015) and decided to recommend that recognition of MBBS degree granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Madurai Medical College, Madurai be continued restricting the number of admission to 150 (One Hundred Fifty) students."

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for Renewal of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute é ò

229. Continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. MGR Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore for 150 MBBS seats.

Read: the recommendations of the Executive Committee for approval with regard to Continuance of recognition of MBBS degree granted by The Tamil Nadu Dr. MGR Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore for 150 MBBS seats.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council considered the compliance verification assessment report (29th December, 2015) alongwith previous assessment report (9th & 10th Jan., 2015) and decided to recommend that recognition of MBBS degree granted by The Tamil Nadu Dr. MGR Medical University, Chennai in respect of students being trained at Coimbatore Medical College, Coimbatore be continued restricting the number of admission to 150 (One Hundred Fifty) students.”

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for Renewal of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute é ò

230. Continuance of recognition of MBBS degree granted by Dr. Rajiv Gandhi University of Health Sciences, Bangalore in respect of Students being trained at Al-Ameen Medical College, Bijapur (100 seats).

Read: the recommendations of the Executive Committee for approval with regard to Continuance of recognition of MBBS degree granted by Dr. Rajiv Gandhi University of Health Sciences, Bangalore in respect of Students being trained at Al-Ameen Medical College, Bijapur (100 seats).

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council considered the compliance verification assessment report (20.01.2016) along with assessment report (21.08.2015, 20th May, 2015 & 8th & 9th December, 2014) and decided to revoke notice issued under clause 8(3)(1)(c) to revoke notice issued under clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010.

The Executive Committee also noted that in the meeting of the General Body of the Council held on 01.10.2015, the General Body had withheld the recommendation of the continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Al Ameen Medical College, Bijapur for 100 admissions due to the application of Clause 8(3)(1)(c) of

Establishment of Medical College Regulations, 1999 on the renewal application for increase of seats for the academic year 2015-16.

Therefore, in view of the above decision of the Committee of revoking the Clause 8(3)(1)(c), the Executive Committee of the Council decided that the continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Al Ameen Medical College, Bijapur for 100 admissions be continued restricting the number of admissions to 100 (One hundred) students per year."

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for Renewal of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute é ò

231. Consideration of Pre-PG & Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by Guru Ghasidas University in respect of students being trained at Chhattisgarh Institute of Medical Sciences, Bilaspur –Reg.

Read: the recommendations of the Executive Committee for approval with regard to Consideration of Pre-PG & Compliance Verification Assessment report with regard to continuance of recognition of MBBS degree granted by Guru Ghasidas University in respect of students being trained at Chhattisgarh Institute of Medical Sciences, Bilaspur.

The General Body of the Council noted that the compliance verification assessment report (15th January, 2016) along with previous compliance verification assessment report (2nd November, 2015) and assessment report (10th & 11th September, 2014) was circulated to the members of the Executive Committee for consideration on 16.01.2016 & 18.01.2016 and unanimously the members of the Executive Committee decided to recommend that recognition of MBBS degree granted by Guru Ghasidas University in respect of students being trained at Chhattisgarh Institute of Medical Sciences, Bilaspur be continued restricting the number of admission to 100 (One Hundred) students.

In view of above, the Council approved the above decision of the Executive Committee recommending the recognition of MBBS degree granted by Guru Ghasidas University in respect of students being trained at Chhattisgarh Institute of Medical Sciences, Bilaspur be continued restricting the number of admission to 100 (One Hundred) students.

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for ~~Renewal~~of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said instituteé ò

232. Continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Amala Institute of Medical Sciences, Thrissur, Kerala – consideration of Compliance Verification Assessment report.

Read: the recommendations of the Executive Committee for approval with regard to Continuance of recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Amala Institute of Medical Sciences, Thrissur, Kerala.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council considered the compliance verification assessment report (10th February, 2016) along with the previous compliance verification report (6th July, 2015) and the previous assessment report (2nd & 3rd September, 2014) and decided to recommend that recognition of MBBS degree granted by Kerala University of Health & Allied Sciences, Thrissur (Previously University of Calicut) in respect of students being trained at Amala Institute of Medical Sciences, Thrissur, Kerala be continued restricting the number of admission to 100 (One Hundred) students.”

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for ~~Renewal~~of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said instituteé ò

233. Continuance of recognition of MBBS degree granted by Barkatullah University, Bhopal in respect of students being trained at Gandhi Medical College, Bhopal.

Read: the recommendations of the Executive Committee for approval with regard to Continuance of recognition of MBBS degree granted by Barkatullah University, Bhopal in respect of students being trained at Gandhi Medical College, Bhopal.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council considered the compliance verification assessment report (11th February, 2016) alongwith the previous assessment report (18th & 19th Sept.,2015) and decided to recommend that recognition of MBBS degree granted by Barkatullah University, Bhopal in respect of students being trained at Gandhi Medical College, Bhopal be continued restricting the number of admission to 140 (One Hundred Forty) students.”

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for Renewal of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute é ò

234. Continuance of recognition of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Tirunelveli Medical College, Tirunelveli.

Read: the recommendations of the Executive Committee for approval with regard to Continuance of recognition of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Tirunelveli Medical College, Tirunelveli.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council considered the compliance verification assessment report (17th Feb.,2016) alongwith previous assessment reports (2nd July, 2015 & 10th Sept.,2014) and decided to recommend that recognition of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai in respect of students being trained at Tirunelveli Medical College, Tirunelveli be continued restricting the number of admission to 150 (One Hundred Fifty) students.”

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

235. Parliamentary Standing Committee on the welfare of the Schedule Caste and Schedule Tribe – role of MCI in ensuring reservation for SC/ST.

Read: the recommendations of the Executive Committee for approval with regard to Parliamentary Standing Committee on the welfare of the Schedule Caste and Schedule Tribe – role of MCI in ensuring reservation for SC/ST.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council accepted the report of the Sub-Committee dated 30th September, 2015.”

Report of the committee

The present committee came to be constituted by the Executive Committee of the Medical Council of India at its meeting held on 05.08.2015, while considering the report submitted by the Secretary Incharge, Medical Council of India dated 04.08.2015 and also an earlier report dated 24.07.2015 submitted by Dr. Vedprakash Mishra, Chairman, Academic Committee with respect to deposition made on behalf of the Medical Council of India, before the parliamentary Standing Committee on the welfare of the scheduled caste and scheduled tribes on the theme ‘Role of Medical Council of India in ensuring reservation for SC and ST in admission to the educational courses run by the various medical colleges in the country. The decision taken by the Executive Committee at the said meeting reads as under :

“The Executive Committee noted that the concerns raised by the Committee and the direction given to Medical Council of India at the last meeting on 23.07.2015 were to relax the eligibility criteria for reserved category candidates in common entrance examination for admission to MBBS course to 35% instead of the prescribed 40%.

The Executive Committee further noted that in the hearing on 04.08.2015 it was proposed to introduce the percentile system rather than percentage in the merit list prepared for the competitive entrance examinations as was done in case of NEET when it was proposed in 2012. Although NEET was subjudiced, however the percentile system could be adopted without a cut off percentile so that all available seats could be filled and there was no wastage of seats.

The Executive Committee was of the opinion that the matter required further deliberations in the context of application of percentile system for preparing merit list for competitive entrance examinations and therefore, decided to constitute a Sub-Committee in the matter as under:

1. Dr. C. V. Bhirmanandham, Vice-President, MCI
2. Dr. Ved Prakash Mishra, Chairman, Academic Committee, MCI
3. Dr. C.B. Mhaske, Prof. & Head, Deptt. of Skin & VD, B.J. Medical College, Pune”

The sub-committee at its meeting held on 30th September, 2015 in the office of the Medical Council of India, New Delhi taking note of the relevant records as were brought out before it observed as under:

- a) That the Parliamentary committee for the welfare of Scheduled Caste and Scheduled Tribes at their meeting held on 30th September, 2014 amongst other things raised under mentioned concerns for their appropriate consideration by the Medical Council of India :
- b) **Relaxation or modification of the minimum marks to be obtained by a SC/ST/OBC category candidate in common entrance**

examination for admission to MBBS course beyond the prescribed limits in the Graduate Medical Education Regulations, 1997 so as to ensure that the seats reserved for the concerned category of the students do not remain unfilled for want of eligibility.

- c) **The unfilled seats reserved for the specified category of students for want of eligibility not filled up in the concerned academic year be “carried forward” to the next academic year.**
 - d) **Work out the relaxation in the prescribed eligibility in regard to qualifying marks applicable to the applicants belonging to SC/ST/OBC category at the qualifying entrance examination in the light of the judgement delivered by the Hon’ble Supreme Court in the case of Rohtas Bhankar Vs. Union of India & Ors. In Civil Appeal No. 6046-6047 of 2014 dated 15.07.2014.**
 - e) **Issuance of direction to the Medical Colleges under the ambit of MCI by the Council to the effect that the seats reserved for the applicants belonging to SC/ST/OBC category remaining unfilled for want of eligible students in the current academic year (2014-2015) should not be filled up and kept vacant until further orders beyond 30.09.2014.**
2. That the said concerns were considered by the Executive Committee of the Medical Council of India at its meeting held on 1st December, 2014, whereat a decisions to constitute a committee with Dr. C. V. Bhirmanandham, Vice President, Medical Council of India as its convener, Dr. S. B. Siwach, Chairman of the Postgraduate Committee and Dr. Vedprakash Mishra, Chairman of the Academic Committee of the council as members was taken.
 3. The ‘concerns’ were crystallized in the form of specific queries by the President for legal opinion thereon by the learned Additional Solicitor General of India, who furnished his opinion in a communication dated ‘8th October, 2014’. The sub-committee so constituted was briefed about the legal opinion furnished by the learned Additional Solicitor General by the President on ‘20th October, 2014’ upon which the committee formulated its report and submitted to the President Medical Council of India on ‘21st October, 2014’.
 4. The report of the committee was considered by the ‘Executive Committee’ of the council held on ‘20th November, 2014’ and was adopted. By a communication dated ‘1st December, 2014’ the decision of the Executive Committee along with the copy of the report of the sub-committee was forwarded by the Secretary Incharge, Medical Council of India to the Secretary, to the Govt. of India in the Ministry of Health and Family Welfare, for its onward transmission for the information of the Parliamentary Committee.
 5. The said position in its chronological order was deposed before the Parliamentary Committee at its meeting held on ‘23rd July, 2015’, whereat amongst other things the Parliamentary Committee directed that it was necessary to amend the Graduate Medical Education Regulation of the Medical Council of India, so as to bring the passing percentage for candidates belonging to backward communities to 35% from existing 40% in the context of the material fact that the seats earmarked for them remain unfilled and are neither carried forward nor the backlog computation is added to the subsequent year.
 6. It was also directed by the committee to bring out the statistical details State wise pertaining to the number of seats earmarked for SC and ST applicants for admission to the MBBS course in the academic year 2014-15 and how many

were actually filled up from amongst the applicants belonging to the said category and what remained unfilled? The same is enclosed as Annexure-A.

7. It was deposed thereat that the same would be taken up for its consideration at the meeting of the Executive Committee of the council scheduled on 29th July, 2015 and the decision thereon would be made known to the Parliamentary committee at its meeting scheduled to be held on 4th August, 2015.
8. In this context, it is pertinent to note that the eligibility as contemplated at Rule 5 of the Graduate Medical Education Regulations contemplates prescribed percentage of marks at the qualifying examinations as well as the entrance test. This operationally means that for a candidate to be eligible for admission to the MBBS course in general category has to obtain minimum 50% marks at the entrance examination and 50% marks in physics, chemistry and biology taken together with pass marks in English. Likewise, for a candidate to be eligible for admission to MBBS course in reserved category has to obtain minimum 40% marks at the entrance examination and 40% marks in Physics, Chemistry and Biology taken together with pass marks in English.
9. The intermediate examination which is the qualifying examination for admission to MBBS course is conducted by various statutory secondary boards constituted under the respective States. It is for them to prescribe the minimum percentage for being declared as passed at their concerned examinations. In the eligibility prescribed as brought out in the preceding paragraph requirement with reference to English as a subject for both the categories of students (General as well as reserved) is bare passing the subject means obtaining such percentage of marks in the subject as have been prescribed by the concerned State Board on the said count. So is the situation with reference to computation of 40% marks in the subjects of Physics, Chemistry and Biology taken together with a rider that in each of the subject the examinee has to have minimum prescribed marks by the Board for passing the subject individually.
10. It is also worthwhile to note that in the 'National Eligibility Entrance Test', the basis for evaluation of merit was notified to be 'percentile' basis. Although the said notification with reference to conduct of the National Eligibility Entrance Test as a single unitary examination for admission to the undergraduate MBBS course has been struck down by the Hon'ble Supreme Court, yet the 'percentile mechanism' which was incorporated there is open for consideration to be availed in the present count for the purposes of computation of inter-se merit for the purposes of admissions to the MBBS course both in the 'general category' as well as the 'reserved category'. The said approach would turn out to be a genuine modality towards ensuring that the seats earmarked for the reserved category do not remain unfilled in the context of the material fact that there is no carry forward for the unfilled seats and there is no computation of backlog of the same as of now.
11. The Notification dated 15th February, 2012 in the Gazette of India as brought out amendment to the Regulation Graduate Medical Education, 1997, which reads as under :

"In Chapter II, Clause 5, Sub-clause II, under the heading "Procedure for selection to MBBS course shall be as follows" as amended vide Notification No. MCI-31(1)/2010-Med/49068, dated 21st December, 2010 shall be substituted as under :

"II. In order to be eligible for admission to MBBS course for a particular year it shall be necessary for a candidate to obtain minimum of marks at 50th percentile in 'National Eligibility-cum-Entrance Test to MBBS course held for the said academic year. However, in respect of candidates belonging to Scheduled Castes, Scheduled Tribes, other backward classes the minimum mark shall be at the 40th percentile. In respect of candidates with locomotory disability of lower limbs in terms of clause 4(3) above, the minimum marks shall be at 45th percentile. The percentile shall be determined on the basis of highest marks

secured in the all India common merit list in National Eligibility-cum-Entrance Test for admission to MBBS Course”.

Provided when sufficient number of candidates in the respective categories fail to secure minimum marks as prescribed in National Eligibility-cum-Entrance Test held for any academic year for admission to MBBS course, the Central Government in consultation with the Medical Council of India may at its discretion lower the minimum marks required for admission to MBBS Course for candidates belonging to respective categories and marks so lowered by the Central Govt. shall be applicable for the said academic year only”.

In chapter II, clause 5, sub-clause II, under the heading procedure for selection to MBBS course shall be as follows : as amended vide Notification No. MCI-31(1)/2010-Med/49068, dated 21st December, 2010 shall be as under :

“VI. To be eligible for admission to MBBS course, a candidate must have pass in the subjects of Physics, Chemistry, Biology/Biotechnology and English individually and must have obtained a minimum of 50% marks taken together in physics, chemistry and biology /biotechnology at the qualifying examination as mentioned in clause (2) of Regulation 4 and in addition must have come in the merit list of National Eligibility-cum-Entrance Test’ for admission to MBBS course. In respect of candidates belonging to Scheduled Castes, Scheduled Tribes and other backward classes, the minimum marks obtained in Physics, Chemistry and Biology / Biotechnology taken together in qualifying examination shall be 40% instead of 50%. In respect of candidates with locomotory disability of lower limbs in terms of clause 4(3) above, the minimum marks in qualifying examination in physics, chemistry, biology/biotechnology taken together in qualifying examination shall be 45% instead of 50%.

Provided that a candidate who has appeared in the qualifying examination the result of which has not been declared, he / she may be provisionally permitted to take up the National Eligibility-cum-Entrance Test’ and in case of selection for admission to the MBBS course, he / she shall not be admitted to that course until he fulfills the eligibility criteria under regulation 4.

12. That, the said amended provision operationally speaking has been struck down by the Hon'ble Supreme Court by a speaking pronouncement by a majority verdict. The review petition on the said count is pending consideration by the Hon'ble Supreme Court.
13. That, the core issue at hand is to ensure that as there is no carry forward of the unfilled seats for want of eligible candidates belonging to backward communities there is a need for evolving a modality to ensure that the seats reserved for the said communities are filled in by the eligible applicants belonging to the said category and they do not remain unfilled in any given academic year.

RECOMMENDATIONS:

It is therefore proposed that, the amendment incorporated in the Graduate Medical Education Regulation providing for National Eligibility Entrance Test and the percentile for the purposes of eligibility, which has been struck down by the Hon'ble Supreme Court be restored for the computation of merit based cut out on the basis of prescribed percentile as 40th percentile for applicants belonging to the Scheduled Caste and Scheduled Tribes category and other backward classes and 45th percentile for the applicants in the disabled category of the merit generated by the concerned entrance tests for the concerned year conducted by the competent authority.

It may be further provided that when sufficient number of candidates in the respective categories fail to secure minimum marks as prescribed in National Eligibility-cum-Entrance Tests held for any academic year for admission to MBBS course, the Central Government in consultation with the Medical Council of India may at its discretion lower the minimum marks required for admission to

MBBS Course for candidates belonging to respective categories and marks so lowered by the Central Govt. shall be applicable for the said academic year only".

It may also be provided further that **a candidate who has appeared in the qualifying examination the result of which has not been declared, he / she may be provisionally permitted to take up the concerned Entrance Tests' and in case of selection for admission to the MBBS course, he / she shall not be admitted to that course until he fulfills the eligibility criteria under regulation 4**

The aforesaid provision will cater to the concern of seats reserved for Scheduled Caste and Scheduled Tribes do not get filled up for want of eligible applicants and that the unfilled seats are not carried forward to the next academic year....."

The above minutes were read and confirmed in the meeting itself.

236. Recognition/Approval of Karnataka Institute of Medical Sciences, Hubli for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100-150 seats u/s 11(2) of the IMC Act, 1956.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/Approval of Karnataka Institute of Medical Sciences, Hubli for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100-150 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

The Executive Committee of the Council considered the compliance verification assessment report (21.09.2015) along with assessment reports (05.05.2015, 04.03.2015 and 11th & 12th January, 2014) and decided to recommend recognition/approval of Karnataka Institute of Medical Sciences, Hubli against increased intake i.e. from 100 to 150 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore to the Central Government for approval u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute....."

The above minutes were read and confirmed in the meeting itself.

237. Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur.

Read: the recommendations of the Executive Committee for approval with regard to Compliance Verification Assessment of the physical and the other teaching facilities

available for 100 MBBS seats at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur.

The General Body of the Council noted that an assessment to assess the physical and other teaching facilities available for grant of LOP for the proposed increase seats in 1st MBBS course from 100 to 150 at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram for the academic session 2015-16 was carried out by the appointed assessors on 10th & 11th March, 2015. The Assessment report was considered by the Executive Committee at its meeting held on 16.03.2015 and it was decided as under:-

“The Executive Committee of the Council considered the Council Assessors report (10th & 11th March, 2015) and noted the following:-

1. Deficiency of teaching faculty is 42.75 % as detailed in the report.
2. Shortage of Residents is 72.38 % as detailed in the report.
3. Common Room for Boys & Girls: Available area s 102 sq.m. each against requirement of 150 sq.m. required as per Regulations.
4. OPD: Registration counters for males/females are not separate. Injection room for males/females is not separate. Plaster room & Plaster cutting room are common.
5. Wards: Most of the wards are not as per MCI norms. One Paediatric ward of 29 beds was closed. Tb & Chest and Skin & VD wards were totally empty. Psychiatry ward was common for males & females. Space between 2 beds is < 1.5 m. as required as per Regulations. Even for 60 bed ward there is only one Nursing station at one corner of ward. Two beds share Nursing station. Pantry is outside ward and is only an eating area. During assessment, no faculty / Residents were available in the wards.
6. Clinical material: data given by the institute of OPD attendance & Casualty attendance are inflated. At the time of round, there were a few patients in OPD. Later on many healthy persons were brought.
7. Bed occupancy is 33 % on day of assessment.
8. Number of Major & Minor operations on day of assessment was only 3 & NIL on day of assessment which is grossly inadequate.
9. Casualty: Disaster Trolley, Crash cart, Ventilator are not available.
10. O.T.s: Number of Defibrillators & Infusion Pumps are inadequate.
11. ICUs: Patients in SICU were normal post-operative patients not requiring ICU care. There is no Ventilator in PICU.
12. Studentsô Hostel: Study room is not air-conditioned. It does not have computer with internet.
13. Residentsô Hostel: Study room is not air-conditioned. It does not have computer with internet.
14. Anatomy department: There is shortage of Embalming machine.
15. Pathology department: There is shortage of 10 microscopes.
16. Microbiology department: Only 1 Demonstration room is available against requirement of 2 as per Regulations.
17. Forensic Medicine department: Only 1 Demonstration room is available against requirement of 2 as per Regulations.
18. RHTC: Commuting time to RHTC Kazhakottam is 1 h 30 m which is more than that prescribed under Regulations.
19. UHC: It is almost non-functional. Students & Interns are not posted. No record of visit of students was available. Survey/Immunization/MCH/Family Welfare registers are not available.
20. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to issue Letter of Permission for increase of seats from 100 to 150 u/s 10A of the IMC Act 1956 in respect of Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram for academic year 2015-16 and further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate

courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses.

The Executive Committee of the Council further decided to intimate the Postgraduate Section of application of clause 8(3)(1)(c) for this Institute for information and further necessary action.

The above decision had been communicated to the Central Govt. as well as to the college authorities vide Council letter dated 19.03.2015.

The Principal, Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram submitted the compliance *vide letter dated 15.04.2015* through the Central Govt. The matter was considered by the Executive Committee at its meeting held on 29.04.2015 and it was decided to verify the compliance by way of assessment.

Accordingly, an assessment to verify the compliance submitted by the college authorities on the deficiencies pointed out in the assessment report (10^h & 11th March, 2015) with regard to grant of LOP for the proposed increase of seats in 1st MBBS course from 100 to 150 at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram for the academic session 2015-16 was carried out by the Council assessors on 08.05.2015. The compliance verification assessment report (08.05.2015) alongwith previous assessment report (10^h & 11th March, 2015) was considered by the Executive Committee at its meeting held on 13.05.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (08.05.2015) along with assessment report (10th & 11th March, 2015) and noted the following:-

1. *Deficiency of faculty is 15.94 % as detailed in report.*
2. *Shortage of Residents is 39.88 % as detailed in the report.*
3. *Bed occupancy is 50.26 % on day of assessment.*
4. *Other deficiencies as pointed out in the assessment report.*

In view of above, the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of scheme for increase of seats from 100 to 150 u/s 10A of the IMC Act, 1956 at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram for academic year 2015-16 as there is no provision u/s 10A of the Indian Medical Council Act, 1956 or the regulations framed therein to keep the application pending in the Council office for the next academic year and further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

The above decision was communicated to the Central Govt. vide Council letter dated 14.05.2015.

The Principal, Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram had again submitted the second compliance which was verified by the Council assessors by way of compliance verification assessment on 01.07.2015. The second compliance verification assessment report (01.07.2015) alongwith previous assessment report

(10th & 11th March, 2015 & 08.05.2015) was considered by the Executive Committee at its meeting held on 05.08.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (01.07.2015) for 100 seats along with assessment report (10th & 11th March, 2015 and 8th May, 2015) and noted the following:-

1. *Deficiency of faculty is 30.93 % as detailed in the report.*
2. *Shortage of Residents is 50 % as detailed in the report.*
3. *Bed occupancy is 48.9 % - i.e. 259 beds occupied out of 570 required - on day of assessment which is grossly inadequate. Data given by institute are inflated.*
4. *There was only 1 Normal Delivery & NIL Caesarean Section on day of assessment.*
5. *Special investigations like Ba, IVP were NIL on day of assessment. Data given by the institute are inflated.*
6. *In Orthopaedics female ward, emergency drugs are not available.*
7. *In Ophthalmology, male patients were admitted in female ward which is not as per norms.*
8. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter."

The above decision was communicated to the Central Govt. vide Council letter dated 17.08.2015 with copy to college authority with the request to submit the detailed point wise compliance with the documentary evidence in respect of rectification of deficiencies pointed out as above to the Council on or before 16th September, 2015 positively.

The Principal, Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram had again submitted the detailed third compliance which was verified by the Council assessors by way of compliance verification assessment on 16.12.2015. The third compliance Verification Assessment report (16.12.2015) alongwith previous assessment reports (01.07.2015, 8th May, 2015 and 10th & 11th March, 2015) was considered by the Executive Committee at its meeting held on 28.12.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (16.12.2015) along with previous assessment reports (01.07.2015, 8th May, 2015 and 10th & 11th March, 2015) and noted the following:-

1. *Deficiency of faculty is 30.93 % as detailed in report.*
2. *Shortage of Residents is 46.83 % as detailed in the report.*
3. *Bed occupancy is 38.30 % on day of assessment.*
4. *Number of patients in OPD is 400 – 500 on day of assessment against requirement of 800.*
5. *Workload of Special investigations like Ba, IVP was NIL on day of assessment.*
6. *In Skin & VD ward, one male patient was without any case paper.*
7. *In USG register of Radiodiagnosis department, no entry of indoor patient was recorded.*
8. *In Histopathology register, there was no column/entry of patients, department, ward.*
9. *On enquiry, Registration counter clerks were not able to give clinical data.*
10. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to return the postgraduate applications of Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram recommending disapproval of the scheme.

The Executive Committee of the Council further decided that since the gross deficiencies of teaching faculty, residents, & infrastructure are still persisting inspite of repeated opportunities being given to the institute to rectify the same over a period of time, why the recognition for the award of MBBS degree granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Dr. Somervell Memorial CSI

Medical College & Hospital, Thiruvananthapuram be not withdrawn u/s 19 of the IMC Act, 1956. It was further decided that the institute be directed not to make further admissions from the academic year 2016-17 onwards.

The Committee further decided to place the matter before the General Body of the Council."

The Council also noted that in spite of repeated opportunities being given to Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram under Kerala University of Health Sciences, Thrissur, it has not rectified the gross deficiencies of teaching faculty, residents, & infrastructure facilities for removal of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16.04.2010. The Council further noted that in the latest compliance verification assessment report (16.12.2015), the deficiencies are still persisting.

In view of above, the General Body of the Council decided to recommend to the Central Govt. for withdrawal of recognition for the award of MBBS degree granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Dr. Somervell Memorial CSI Medical College & Hospital, Thiruvananthapuram u/s 19 of the IMC Act, 1956 and further to request the Central Govt. to ask the institution to stop admissions with immediate effect for the academic year 2016-17.

238. Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats KMCT Medical College, Kozhikode, Kerala under Kerala University of Health Sciences, Thrissur.

Read: the recommendations of the Executive Committee for approval with regard to Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats KMCT Medical College, Kozhikode, Kerala under Kerala University of Health Sciences, Thrissur.

The General Body of the Council noted that an assessment to assess the physical and other teaching facilities available for grant of LOP for the proposed increase seats in 1st MBBS course from 100 to 150 at KMCT Medical College, Kozhikode, Kerala under Kerala University of Health Sciences, Thrissur for the academic session 2015-16 was carried out by the appointed assessors on 12^h & 13th January, 2015. The Assessment report was considered by the Executive Committee at its meeting held on 31.01.2015 and it was decided as under:-

"The Executive Committee of the Council considered the assessment report (12^h & 13th January, 2015) and noted the following:-

1. *Teaching beds in all the departments have not been increased for LOP for increase to 150 intake.*
2. *There are only total 9 Major operations in the whole hospital on day of assessment.*
3. *RICU is not available.*
4. *MEU: No workshop in Medical Education technology was conducted by MEU during the year.*
5. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to issue Letter of Permission for increase of seats from 100 to 150 u/s 10A of the IMC Act 1956 in respect of KMCT Medical College, Kozhikode, Kerala under Calicut University for the academic year 2015-16."

The above decision had been communicated to the Central Govt. vide Council letter dated 26.02.2015 and copy marked to the College authorities with the request to submit the detailed point wise compliance.

The Principal, KMCT Medical College, Kozhikode had submitted the detailed compliance which was verified by the Council assessors by way of compliance verification assessment on 18.04.2015.

The compliance verification assessment report (18.04.2015) alongwith previous assessment report (12th & 13th January, 2015) was considered by the Executive Committee at its meeting held on 29.04.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (18.04.2015) along with assessment report (12th & 13th January, 2015) and noted the following:-

1. *Shortage of Residents is 26.92% as detailed in report.*
2. *Deficiency of faculty is 6.66% as detailed in report.*
3. *Bed occupancy was only 40.8% on the day of assessment. A large number of admitted patients did not merit admission.*
4. *Only 2 patients were admitted in Casualty on the day of assessment.*
5. *Number of Major operations was only 11 & of Minor operations only 13 on day of assessment.*
6. *Dr.K.M. Navas, shown as Medical Superintendent does not have administrative experience of 10 years; hence cannot be considered.*
7. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to return the application to the Central Govt. recommending disapproval of the scheme for increase of seats from 100 to 150 u/s 10A of the IMC Act 1956 in respect of KMCT Medical College, Kozhikode, Kerala under Calicut University for the academic year 2015-16.

The Executive Committee further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

- (c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses*

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

The above decision was communicated to the Central Govt. as well as to the college authorities vide Council letter dated 12.05.2015.

In reference to above, the Principal, KMCT Medical College, Kozhikode had again submitted the detailed compliance which was verified by the Council assessors by way of a second compliance verification assessment on 01.07.2015 for 100 seats. The second compliance verification assessment report (01.07.2015) alongwith previous assessment report (12th & 13th January, 2015 & 18.04.2015) was considered by the Executive Committee at its meeting held on 05.08.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (01.07.2015) for 100 MBBS seats along with assessment report (12th & 13th January, 2015 and 18th April, 2015) and noted the following:-

1. *Shortage of Residents is 32 % as detailed in the report.*
2. *Deficiency of faculty is 25.64 % as detailed in report.*
3. *Bed occupancy was 49.4 % on day of assessment which is grossly inadequate.*
4. *Casualty admissions are shown as 177. However it was observed that most of the patients were screened at Casualty & then sent to respective departments which defeats purpose of having Casualty.*
5. *Number of Major & Minor operations were only 6 & NIL on day of assessment.*
6. *Dr. Mohandas, appointed as Medical Superintendent in place of Dr. K.M. Navas who was found ineligible neither produced any original certificate for verification nor showed any administrative experience.*
7. *Data given by the institute in respect of clinical parameters like OPD attendance are inflated. In the morning, very few patients were seen in OPD.*
8. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010(Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter."

The above decision was again communicated to the Central Govt. vide Council letter dated 17.08.2015 with copy to college authority with the request to submit another detailed point wise compliance with the documentary evidence in respect of rectification of deficiencies pointed out as above to the Council on or before 16th September, 2015 positively.

In reference to above, the Principal, KMCT Medical College, Kozhikode had once again submitted the third compliance which was verified by the Council assessors by way of compliance verification assessment on 16.12.2015. The third compliance Verification Assessment report (16.12.2015) alongwith previous assessment report (01.07.2015, 18th April, 2015 and 12th & 13th January, 2015) was considered by the Executive Committee at its meeting held on 28.12.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (16.12.2015) along with previous assessment reports (01.07.2015, 18th April, 2015 and 12th & 13th January, 2015) and noted the following:-

1. *Deficiency of faculty is 11.6 % as detailed in report.*
2. *Shortage of Residents is 29.4 % as detailed in report.*
3. *Bed occupancy is 59.5 % on day of assessment.*
4. *There were only 4 Minor operations for the whole hospital on day of assessment.*
5. *Institute is maintaining double registers. Register in General Medicine OPD did not match with one of registers having inflated data.*
6. *OPD attendance was only 413 on day of assessment against 800 required.*
7. *Radiological investigation workload is inadequate.*
8. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010(Part II), dated 16th April, 2010 and to return the postgraduate applications of KMCT Medical College, Kozhikode, Kerala recommending disapproval of the scheme.

The Executive Committee of the Council further decided that since the gross deficiencies of teaching faculty, residents, & infrastructure are still persisting inspite of repeated opportunities being given to the institute to rectify the same over a period of time, why the recognition for the award of MBBS degree granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at KMCT Medical College, Kozhikode, Kerala be not withdrawn u/s 19 of the IMC Act, 1956. It was further decided that the institute be directed not to make further admissions from the academic year 2016-17 onwards.

The Committee further decided to place the matter before the General Body of the Council."

The Council also noted that in spite of repeated opportunities being given to KMCT Medical College, Kozhikode, Kerala under Kerala University of Health Sciences, Thrissur, it has not rectified the gross deficiencies of teaching faculty, residents, & infrastructure facilities for removal of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16.04.2010. The Council further noted that in the latest compliance verification assessment report (16.12.2015), the deficiencies are still persisting.

In view of above, the General Body of the Council decided to recommend to the Central Govt. for withdrawal of recognition for the award of MBBS degree granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at KMCT Medical College, Kozhikode, Kerala u/s 19 of the IMC Act, 1956 and further to request the Central Govt. to ask the institution to stop admissions with immediate effect for the academic year 2016-17.

239. Recognition/approval of Christian Medical College, Ludhiana for the award of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot against the increased intake i.e. from 50 to 75 seats u/s 11(2) of the IMC Act, 1956 - regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/approval of Christian Medical College, Ludhiana for the award of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot against the increased intake i.e. from 50 to 75 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

"The Executive Committee of the Council considered the assessment report (09.12.2015) and (12.01.2016 & 13.01.2016) and decided to recommend to the Central Government for recognition/approval of Christian Medical College, Ludhiana for the award of MBBS degree granted by Baba Farid University of Health Sciences, Faridkot against the increased intake i.e. from 50 to 75 seats u/s 11(2) of the IMC Act, 1956.

"The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute....”

The above minutes were read and confirmed in the meeting itself.

240. Recognition/approval of J.N. Medical College, Swangi (Meghe) Wardha for the award of MBBS degree granted by Datta Meghe Institute of Medical Sciences, (Deemed University) Wardha against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956 - regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/approval of J.N. Medical College, Swangi (Meghe) Wardha for the award of MBBS degree granted by Datta Meghe Institute of Medical Sciences, (Deemed University) Wardha against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

The Executive Committee of the Council considered the assessment report (08.12.2015) and (11.01.2016 & 12.01.2016) and decided to recommend to the Central Government for recognition/approval of J.N. Medical College, Sawangi (Meghe) Wardha for the award of MBBS degree granted by Datta Meghe Institute of Medical Sciences, (Deemed University) Wardha against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.....”

The above minutes were read and confirmed in the meeting itself.

241. Recognition/approval of Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak for the award of MBBS degree granted by Pt. B.D. Sharma University of Health Sciences, Rohtak against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956 - regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/approval of Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak for the award of MBBS degree granted by Pt. B.D. Sharma University of Health Sciences, Rohtak against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

"The Executive Committee of the Council considered the assessment report (02.12.2015) and (06.01.2016 & 07.01.2016) and decided to recommend to the Central Government for recognition/approval of Pt. B.D. Sharma Postgraduate Institute of Medical Sciences, Rohtak for the award of MBBS degree granted by Pt. B.D. Sharma University of Health Sciences, Rohtak against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute...."

The above minutes were read and confirmed in the meeting itself.

242. Recognition/approval of Raja Rajeshwari Medical College & Hospital, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956 and Continuance of Recognition for 100 seats- regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/approval of Raja Rajeshwari Medical College & Hospital, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956 and Continuance of Recognition for 100 seats.

The Council approved the following recommendations of the Executive Committee:

"The Executive Committee of the Council considered the assessment reports (6th January, 2016 and 22nd / 23rd February, 2016) and decided to recommend to the Central Government for recognition/approval of Raja Rajeshwari Medical College & Hospital, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a)

supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The Committee further decided to recommend continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Raja Rajeshwari Medical College & Hospital, Bangalore for 100 (One Hundred) seats.”

The above minutes were read and confirmed in the meeting itself.

243. Recognition/approval of A.J. Institute of Medical Sciences & Research Centre, Mangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956 - regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/approval of A.J. Institute of Medical Sciences & Research Centre, Mangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council considered the assessment reports (6th Jan. 2015 and 15/16 February, 2016) and decided to recommend to the Central Government for recognition/approval of A.J. Institute of Medical Sciences & Research Centre, Mangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for ‘Renewal’ of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.”

The above minutes were read and confirmed in the meeting itself.

244. Recognition/approval of K.S. Hegde Medical Academic, Mangalore for the award of MBBS degree granted by Nitte University, Mangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956 - regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/approval of K.S. Hegde Medical Academic, Mangalore for the award of MBBS degree granted by Nitte University, Mangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

“The Executive Committee of the Council considered the assessment reports (16th December, 2015 and 2nd and 3rd February, 2016) and decided to recommend to the Central Government for recognition/approval of K.S. Hegde Medical Academic, Mangalore for the award of MBBS degree granted by Nitte University, Mangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for ‘Renewal’ of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.”

The above minutes were read and confirmed in the meeting itself.

245. Recognition/approval of Bangalore Medical College and Research Institute, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956 - regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/approval of Bangalore Medical College and Research Institute, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

ñThe Executive Committee of the Council considered the assessment reports (6th January, 2016 and 10th/11th February, 2016) and decided to recommend to the Central Government for recognition/approval of Bangalore Medical College and Research Institute, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 150 to 250 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for ‘Renewal’ of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.”

The above minutes were read and confirmed in the meeting itself.

246. Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats at Maharajah's Institute of Medical Sciences, Vizianagaram under NTR University of Health Sciences, Vijayawada – regarding.

Read: the recommendations of the Executive Committee for approval with regard to Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats at Maharajah's Institute of Medical Sciences, Vizianagaram under NTR University of Health Sciences, Vijayawada.

The General Body of the Council noted that an assessment to assess the physical and other teaching facilities available for renewal of permission for admission of 4th Batch of MBBS students against the increased intake i.e. from 100-150 u/s 10 A of the IMC Act, 1956 at Maharajah's Institute of Medical Sciences, Vizianagaram under NTR University of Health Sciences, Vijayawada for the academic session 2015-16 was carried out by the appointed assessors on 5th & 6th December, 2014. The Assessment report was considered by the Executive Committee at its meeting held on 13.01.2015 and it was decided as under:-

"The Executive Committee of the Council considered the Council Assessors report (5th & 6th December, 2014) and noted the following:-

1. Most of the faculty have not shown their residence proof in Vizianagaram district where the college is located and they have shown proof of residence in Vishakhapatnam which is at a distance of 65 KM. The faculty attendance from none of the departments could be produced by the authorities by 11 am on the first day of assessment. Deficiency of Faculty is 65.49%,
2. Deficiency of Residents is 22.3%.
3. Areas of Dean's office, Staff room & College Council room are smaller than required.
4. Students' Hostels: Accommodation is available for 480 students against requirement of 527. Mess is not available in Boys' hostel.
5. There is no hostel designated as Interns' hostel.
6. Wards: Duty rooms for doctors, Pantry, Treatment rooms are not available in all the wards.
7. Radiodiagnosis department: Only 5 mobile X-ray machines are available against requirement of 6 as per Regulations.
8. Intercom: It is not available.
9. RHTC: Survey registers are not available. National health programmes are not carried out. Cold chain equipment is not available.
8. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 4th Batch of MBBS students against the increased intake i.e. from 100-150 u/s 10A of the IMC Act, 1956 for the academic year 2015-2016 and further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

- (c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (i.e. 2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses..”.

The above decision had been communicated to the Central Govt. as well as to the College authorities vide Council letter dated 21.01.2015.

The Principal, Maharajah's Institute of Medical Sciences, Vizianagaram vide letter dated 18.02.2015 had submitted the reply of the show cause notice and also through the Central Government.

In this regard, the Council Office had obtained a legal opinion dated 14/03/2015 from Ld. Addl. Solicitor General of India which reads as under:-

“The querist MCI as sought my opinion on the interpretation of Regulation 8(3)(1)(a), 8(2)(1)(b) and 8(3)(1)(c) of the Establishment of Medical College Regulations, 1999 . My opinion has been sought on the following issues:-

- “1. Whether the Council should process the applications of the medical college for renewal of permission for admitting fresh batch of MBBS students for the academic session 2015-16 wherein the Council has invoked Regulations 8(3)(1)(a), 8(3)(1)(b) and 8(3)(1)(c) of Establishment of Medical College Regulation, 1999.*
- 2. Whether the Council while applying Regulation 8(3)(1)(b) of Establishment of Medical College Regulation, 1999 can deny recognition of the MBBS degree granted by medical colleges for the students who have already completed their MBBS course or whether the same will be applicable while considering the case of a medical college for grant of renewal of permission for 5th batch of MBBS students.”*

I have gone through the Note for Opinion forwarded by the querist and have also discussed the matter with Mr. Gaurav Sharma and Mr. T. Singhdev, Advocates for the querist.

The amendment notification dated 16.04.2010 inserting Clause 8(3)1 made it amply clear that the Central Govt. may at any stage convey the deficiencies found during the inspection of the applicant – medical college and provide them an opportunity to rectify the same. However, in case of renewal of permission at different stages, in case the deficiencies with regard to teaching faculty and bed occupancy are found in the medical college above the percentage provided in Regulation 8(3)1(a), 8(3)(1)(b) and 8(3)(1)(c) respectively of the Establishment of Medical College Regulation, 1999, the application of the medical colleges cannot be processed further since, considering the fundamental nature of the deficiencies in clause 8 the rectification is not statutorily contemplated. In such cases there is no provision to grant any time to the medical college for rectification of the deficiencies as the same cannot be rectified within a short span of time.

The relevant portion of the above Regulation are reproduced as under:-

“.....

(3)(1). The permission to establish a medical college and admit students may be granted initially for a period of one year and may be renewed on yearly basis subject to verification of the achievements of annual targets. It shall be the responsibility of the person to apply to the Medical Council of India for purpose of renewal six months prior to the expiry of the initial permission. This process of renewal of permission will continue till such time the establishment of the medical college and expansion of the hospital facilities are completed and a formal recognition of the medical college is granted.

Further admissions shall not be made at any stage unless the requirements of the Council are fulfilled. The Central Government may at any stage convey the deficiencies to the applicant and provide him an opportunity and time to rectify the deficiencies.

PROVIDED that in respect of

(a) Colleges in the stage upto II renewal (i.e. Admission of third batch):

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 30% and/or bed occupancy is < 60 %, such an institute will not be considered for renewal of permission in that Academic Year.

(b) Colleges in the stage from III renewal (i.e. Admission of fourth batch) till recognition of the institute for award of M.B.B.S. degree:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 20% and/or bed occupancy is < 70 %, such an institute will not be considered for renewal of permission in that Academic Year.

(c) Colleges which are already recognized for award of M.B.B.S. degree and/or running Postgraduate Courses:

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is < 80 %, such an institute will not be considered for processing applications for postgraduate courses in that Academic Year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for Undergraduate and Postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 along with direction of stoppage of admissions in permitted Postgraduate courses.....”

I am informed that the assessment of MCI is carried out by the assessors who are Professors of eminence and high integrity belonging to various Govt. Medical Colleges of the Country and the assessment report is also acknowledged by the Dean/Principal of the concerned medical college. The truthfulness and veracity of the contents of the report which incorporates factual findings, therefore, cannot be doubted, since, it is done by independent persons in the presence of the Dean/Principal of the concerned medical college. The medical college is statutorily required to maintain minimum academic standards for the benefits of the medical education and the students so as to ensure that the MBBS students get best of teaching and training. The above Regulations are required to be and were notified with the prior approval of the Central Govt. to ensure that each medical college maintains atleast a minimum teaching faculty, infrastructure, clinical material and other physical facilities in their medical colleges.

The Regulations framed by the querist are statutory in nature and hence the Council as well as the Central Govt. is bound to follow the same in letter and spirit.

I am of the considered opinion that in cases of the medical colleges wherein the Council has invoked Regulation 8(3)(1)(a), 8(3)(1)(b) and 8(1)(c) of the Establishment of Medical College Regulation, 1999, after an inspection by the MCI assessors, there is no statutory provision either under the Acts or under the Regulations authorizing the querist to process the same further.

As far as the second question is concerned, I am of the opinion that the applicability of Regulation 8(3)(1)(b) of the Establishment of Medical College Regulation, 1999 while considering the case of a medical college for grant of recognition of MBBS degree will directly affect the MBBS students who have already completed their MBBS course/studies. The language in Regulation 8(3)(1)(b) of the Establishment of Medical College Regulations, 1999, clearly provides that in case the institute fails to provide minimum teaching faculty and bed occupancy, the institute shall not be considered for renewal of permission. The statutory scheme does not however bar an institute to be considered for the purpose of recognition of MBBS degree of the students who have successfully completed the course. Any such action on part of the querist will be too harsh on such students who have already completed their studies and had/have no control over either the college, the querist or the Central Govt.....”

The above matter was considered by the Executive Committee at its meeting held on 27.03.2015 and it was decided as under:-

“The Executive Committee of the Council considered the Council Assessors report (5th & 6th December, 2014) and noted the following:-

- 1 *Most of the faculty have not shown their residence proof in Vizianagram district where the college is located and they have shown proof of residence in Vishakhapatnam which is at a distance of 65 KM. The faculty attendance from none of the departments could be produced by the authorities by 11 am on the first day of assessment. Deficiency of Faculty – 65.49%,*
- 2 *Deficiency of Residents – 22.3%.*
- 3 *Areas of Dean’s office, Staff room & College Council room are smaller than required.*
- 4 *Students’ Hostels: Accommodation is available for 480 students against requirement of 527. Mess is not available in Boys’ hostel.*
- 5 *There is no hostel designated as Interns’ hostel.*
- 6 *Wards: Duty rooms for doctors, Pantry, Treatment rooms are not available in all the wards.*
- 7 *Radiodiagnosis department: Only 5 mobile X-ray machines are available against requirement of 6 as per Regulations.*
- 8 *Intercom: It is not available.*
- 9 *RHTC: Survey registers are not available. National health programmes are not carried out. Cold chain equipment is not available.*
10. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 4th Batch of MBBS students against the increased intake i.e. from 100-150 u/s 10A of the IMC Act, 1956 for the academic year 2015-2016 and further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010(Part II), dated 16th April, 2010.

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (i.e. 2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses.....”

The above decision was communicated to the Central Govt. vide Council letter dated 01.04.2015.

The compliance verification assessment for 100 MBBS seats was carried out by the Council assessor on 20.05.2015 for 100 seats.

The compliance verification assessment report (20.05.2015) alongwith previous assessment report (5th & 6th December, 2014) was considered by the Executive Committee at its meeting held on 04.06.2015 and it was decided as under:-

“The Executive Committee of the Council considered the compliance verification assessment report (20.05.2015) along with assessment report (5th & 6th December, 2014) and noted the following:-

1. *Deficiency of faculty is 32 % as detailed in the report.*
2. *Shortage of Residents is 37.50 % as detailed in the report.*
3. *Area of Dean’s office & Medical Superintendent’s office are smaller than required. Deficiency remains as it is.*
4. *Duty room for doctors, Pantry, treatment rooms are not available in wards of General Surgery & Psychiatry.*
5. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter."

The above decision was communicated to Central Govt. vide Council letter dated 11.06.2015 and copy to the college authorities with the request to submit the compliance.

The Principal, Maharajah's Institute of Medical Sciences, Vizianagaram had again submitted the second compliance which was verified by the Council assessors by way of compliance verification assessment on 20.08.2015 for 100 seats. The second compliance verification assessment report (20.08.2015) along with previous assessment report (20th May, 2015 & 5th & 6th December, 2014) was considered by the Executive Committee at its meeting held on 21.09.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (20.08.2015) conducted for verification of available facilities of faculty, Residents, infrastructure and other requirements for recognized intake of 100 students and noted the following:-

1. *Deficiency of faculty is 9.2 % as detailed in the report.*
2. *Shortage of Residents is 37.9 % as detailed in the report. Many Residents are not staying in the campus.*
3. *No Declaration Forms were submitted by any of faculty & Residents. Form 16 was not available for any employee. Appointment order, Joining Letter, Relieving order, were not available and could not be verified.*
4. *Bed occupancy was 25.9 % on day of assessment.*
5. *OPD attendance was only 620 at end of OPD timing on day of assessment.*
6. *There was only 1 Normal Delivery & NIL Caesarean Section on day of assessment.*
7. *Workload of Plain X-rays was only 58 on day of assessment. NIL Ba & IVP investigations were carried out on day of assessment.*
8. *Laboratory investigations workload was inadequate on day of assessment.*
9. *Records of admission in various wards are not properly maintained. Large number of patients admitted in wards appeared healthy normal adults and did not require admission. In General Surgery wards, there was not a single patient on I.V. fluids. Some of the wards which had a few patients in the morning were deserted by afternoon.*
10. *There was not a single delivered lady in Obstetric ward. No newborn was seen. There was no operated lady in O.G. wards.*
11. *In most of the wards, there were no I.V. stands, side lockers, dust bins, suction machine & B.P. instruments.*
12. *Area of Dean's office & Medical Superintendent's office are smaller than required. Deficiency remains as it is.*
13. *Duty room for Doctors, Pantry, Treatment room are not available in wards of General Surgery & Psychiatry. Deficiency remains as it is.*
14. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter."

The above decision was communicated to the Central Govt. vide Council letter dated 05.10.2015 and copy marked to the college authorities with the request to submit the detailed point wise compliance.

The Principal, Maharajah's Institute of Medical Sciences, Vizianagaram had again submitted the third detailed compliance which was verified by the Council

assessors by way of compliance verification assessment on 20.01.2016 for 100 seats. The third compliance verification assessment report (20.01.2016) along with previous assessment report (20.08.2015, 20th May, 2015 & 5th & 6th December, 2014) was considered by the Executive Committee at its meeting held on 30.01.2016 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (20.01.2016) along with assessment report (20.08.2015, 20th May, 2015 & 5th & 6th December, 2014) conducted for verification of available facilities of faculty, Residents, infrastructure and other requirements for recognized intake of 100 students and noted the following:-

1. *Deficiency of faculty is 16.03 % as detailed in the report.*
2. *Shortage of Residents is 13.43 % as detailed in the report.*
3. *Bed occupancy is 33 % on day of assessment.*
4. *There were NIL patient in SICU & only 2 patients in ICCU on day of assessment.*
5. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010(Part II), dated 16th April, 2010..

The Executive Committee of the Council further decided that since the gross deficiencies of teaching faculty, residents, & infrastructure are still persisting inspite of repeated opportunities being given to the institute to rectify the same over a period of time, why the recognition for the award of MBBS degree granted by under NTR University of Health Sciences, Vijayawada in respect of students being trained at Maharajah's Institute of Medical Sciences, Vizianagaram be not withdrawn u/s 19 of the IMC Act, 1956. It was further decided that the institute be directed not to make further admissions from the academic year 2016-17 onwards.

The Committee further decided to place the matter before the General Body of the Council."

The Council also noted that in spite of repeated opportunities being given to Maharajah's Institute of Medical Sciences, Vizianagaram under NTR University of Health Sciences, Vijayawada, it has not rectified the gross deficiencies of teaching faculty, residents, & infrastructure facilities for removal of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16.04.2010. The Council further noted that in the latest compliance verification assessment report (20.01.2016), the deficiencies are still persisting.

In view of above, the General Body of the Council decided to recommend to the Central Govt. for withdrawal of recognition for the award of MBBS degree granted by NTR University of Health Sciences, Vijayawada in respect of students being trained at Maharajah's Institute of Medical Sciences, Vizianagaram u/s 19 of the IMC Act, 1956 and further to request the Central Govt. to ask the institution to stop admissions with immediate effect for the academic year 2016-17.

247. Recognition/Approval of GCS Medical College, Ahmedabad for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/Approval of GCS Medical College, Ahmedabad for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendations of the Executive Committee:

"The Executive Committee of the Council considered the assessment reports (22nd January, 2016 & 16/17th February, 2016) and decided to recommend to the Central Government for recognition/approval of GCS Medical College, Ahmedabad for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute....."

The above minutes were read and confirmed in the meeting itself.

248. Recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 for the students admitted in the academic year 2010-2011 - Regarding.

Read: the recommendations of the Executive Committee for approval with regard to Recognition/ approval of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 for the students admitted in the academic year 2010-2011.

The Council approved the following recommendation of the Executive Committee:

ñThe Executive Committee of the Council considered the compliance verification assessment report (29th December, 2015) alongwith the previous compliance verification assessment report (3rd August, 2015) and noted the following :-

1. Deficiency of faculty is 54.55 % as detailed in the report.
2. No faculty is available in Radiodiagnosis and Tb & Chest departments.
3. Shortage of Residents is 82.5 % as detailed in the report.
4. Bed occupancy is 29.38 % on day of assessment.
5. OPD attendance as given by institute at 1,354 appears to be inflated. It seemed to be less than 1000.
6. Casualty attendance was only 6 on day of assessment.
7. Radiodiagnosis department: In spite of non-availability of faculty, USG, CT are reportedly being done. Workload of Plain X-rays is only 44 which is grossly inadequate.
8. Laboratory workload is grossly inadequate. Data provided by institute are highly inflated.
9. Wards: Most of the wards were empty. No Nurses, Residents are posted.
10. There are only 4 Minor operations for the whole hospital on day of assessment.
11. Other deficiencies as pointed out in the assessment report.

In view of the above, the Executive Committee of the Council decided to recommend not to recognise/approve Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur for the award of MBBS degree granted by the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the IMC Act, 1956 and further decided to apply clause 8(3)(1)(b) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

8(3)(1)é ..

(b) Colleges in the stage from III renewal (i.e. Admission of fourth batch) till recognition of the institute for award of MBBS degree

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 20% and/or bed occupancy is <70%, such an institute will not be considered for renewal of permission in that Academic year.

The Committee also decided that the Institute be asked to submit the compliance for rectification of the above deficiencies within 01 month for further consideration to recognize Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur under the Tamilnadu Dr. MGR Medical University, Chennai u/s 11(2) of the Indian Medical Council Act, 1956

The Executive Committee further considered the representation dated nil (received in the Council Office on 14/12/2015 & 19.01.2016) from the students of 2010-2011 batch of Melmaruvathur Adhiprasakthi Institute of Medical Sciences & Research, Melmaruvathur alongwith copy of order dated 07.01.2016 passed by Hon^{ble} High Court of Madras in W.M.P. No. 334 of 2016 in W.P. No. 12686/2015, legal opinion of the Law Officer and decided to recognize the MBBS degree of the students who were admitted in academic year 2010-2011 batch only in accordance with the permissions issued by the Central Govt.

The above minutes were read and confirmed in the meeting itself.

249. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of M.Ch.(Plastic Surgery) qualification for 01 seat in respect of students being trained at A. J. Institute of Medical Sciences, Mangalore.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of M.Ch.(Plastic Surgery) qualification for 01 seat in respect of students being trained at A. J. Institute of Medical Sciences, Mangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that M.Ch.(Plastic Surgery) qualification for 01 seat granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at A. J. Institute of Medical Sciences, Mangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

250. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of M.Ch.(Plastic Surgery) qualification for 02 seats in respect of students being trained at Andhra Medical College, Visakhapatnam.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of M.Ch.(Plastic Surgery) qualification for 02 seats in respect of students being trained at Andhra Medical College, Visakhapatnam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that M.Ch.(Plastic Surgery) qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Andhra Medical College, Visakhapatnam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

251. Baba Farid University of Health Sciences, Faridkot - Recognition of DM(Gastroenterology) qualification against increased intake from 01 to 02 seats in respect of students being trained at Dayanand Medical College, Ludhiana.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of DM(Gastroenterology) qualification against increased intake from 01 to 02 seats in respect of students being trained at Dayanand Medical College, Ludhiana granted by Baba Farid University of Health Sciences, Faridkot.

The Council approved the following recommendation of the Postgraduate Medical Education Committee:

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Gastroenterology) qualification against increased intake from 01 to 02 seats granted by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Dayanand Medical College, Ludhiana be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Request for correction of the year of examination of the first batch of MD Pharmacology students at Mahatma Gandhi Medical College and Research Institute, Pondicherry.

The Council approved the following recommendation of the Postgraduate Committee:

“The Postgraduate Medical Education Committee considered the letter dated 27/01/2016 received from the Dean, Mahatma Gandhi Medical College and Research Institute, Pondicherry with regard to correction of the year of examination of the first batch of MD Pharmacology students at Mahatma Gandhi Medical College and Research Institute, Pondicherry and decided to recommend the Central Government, Ministry of Health & Family Welfare to make necessary correction in the notification recognizing MD (Pharmacology) qualification granted by Sri Balaji Vidyapeeth (Deemed University), Pondicherry in respect of students being trained at Mahatma Gandhi Medical College and Research Institute, Pondicherry with effect from 2011 for 3 seats and 2014 for increased number of seats i.e. 3 to 4 seats instead of 2013.”

343. Re-consideration of notification dated: 08.12.2010 with regard to inclusion of PDCC Courses in Postgraduate Medical Education Regulation, 2000-reg.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Re-consideration of notification dated: 08.12.2010 with regard to inclusion of PDCC Courses in Postgraduate Medical Education Regulation, 2000-reg..

The Council approved the following recommendation of the Postgraduate Committee:

“The Postgraduate Medical Education Committee considered the matter regarding Starting of various PDCC Courses at Amrita School of Medicine, Elamkara, Kochi under Amrita Vishwa Vidyapeetham University (Deemed) and Institute of Medical Sciences, BHU, Varanasi, Banaras, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2016-17 and decided that these PDCC courses were notified in 2010. The Academic Committee of the Council at its meeting held on 4.3.2016 while considering the issue of Post Doctoral Certificate Courses (PDCC) had authorized its Chairman to seek opinion from the Law Officer. According, the queries posed to the Law Officer for his opinion were as under:-

1. As to whether Post Doctoral Certificate Courses including the Notification issued by the Govt. of India are “Scheduled Qualifications”, meaning thereby that they are included in the appropriate schedule appended to the IMC Act, 1956?
2. As to whether the starting of the said Post Doctoral Certificate Course is covered within the ambit and jurisdiction of

provisions included at Section 10(A) of the said Act and commensurate Regulations thereunder.

3. As to whether the said courses would be covered within the ambit and jurisdiction of provision included at Section 11(2) of the said Act.

The Law Officer has given his opinion and citing various reasons therein he has opined to the said queries as under:-

As to query No.1

“The PDCC cannot be characterized as a New Or Higher Course of Study or Training (including a Postgraduate Course of Study or Training)” u/s 10A of the I.M.C. Act, 1956 read with Postgraduate Medical Education Regulations, 2000 as the latter does not contemplate starting of a Certificate Course. The question of inclusion of such a course in the first Schedule of the IMC Act would arise only if such a course is permissible in terms of Section 10A of the IMC Act, 1956 and Postgraduate Medical Education Regulations, 2000. As the conclusion on an analysis of legislative provision is that it is not a new or higher course of study or training (including a postgraduate course of study or training), hence such a certificate course cannot be subsequently included in the First Schedule in the IMC Act, 1956 that includes the recognized medical qualifications granted by the Universities or Medical Institutions in India. Hence, once the PDCC cannot be brought within the ambit of Section 10A, then the question of its inclusion in the first schedule of the IMC Act does not arise.”

As to query No.2

Once the analysis of the legal provisions yields the results that it is impermissible in the existing legislative scheme to have PDCC, then the inevitable conclusion is that the course is not a new or higher course of study or training (including a postgraduate course of study or training), hence it cannot be called as a course in Medicine. Thus, it is not covered within the ambit and jurisdiction of Section 10A of the IMC Act, 1956 and commensurate Regulations thereto.

As to query No.3

Once the analysis of the legal provisions yields the results that it is impermissible in the existing legislative scheme to have PDCC, then the inevitable conclusion is that the course is not a new or higher course of study or training (including a postgraduate course of study or training), then the question of its following within the ambit and jurisdiction of Section 11(2) of the IMC Act, 1956 does not arise.

In view of the legal opinion, it is evident that the notification issued in respect of PDCC courses is untenable in the context of binding statutory scheme and hence needs to be annulled.

The Postgraduate Medical Education Committee recommended that in the light of the Legal Opinion, these PDCC courses may be dispensed with.”

The above minutes were read and confirmed in the meeting itself.

344. Request for change in the name of affiliating University from Barkatulla University to People’s University, Bhopal.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Request for change in the name of affiliating University from Barkatulla University to People’s University, Bhopal.

The Council approved the following recommendation of the Postgraduate Committee:

“The Postgraduate Medical Education Committee considered the letter dated 31/12/2015 received from the Under Secretary to the Government of India, Ministry of Health & Family Welfare, New Delhi forwarding therewith the letter dated 30/11/2015 received from the Registrar, People’s University, Bhopal requesting therein for change in the name of affiliating University from Barkatullah University to People’s University, Bhopal and decided that the University change is permitted only for those seats/ subjects, which are already recognized under Barkatullah University, Bhopal (not for Sl. No. 4, 5, 15, 16, which are not recognized under Barkatullah University).”

345. The Tamil Nadu Dr. MGR Medical University, Chennai- Evaluation of dissertation- Clarification

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to clarification on evaluation of dissertation received from the Tamil Nadu Dr. MGR Medical University, Chennai.

The Council approved the following recommendation of the Postgraduate Committee:

“The Postgraduate Medical Education Committee considered the letter dated 22/09/2015 received from the Registrar, the Tamil Nadu Dr. MGR Medical University, Chennai with regard to clarification on evaluation of dissertation in detail and decided that thesis should be accepted by majority out of the 3 Examiners i.e. atleast 2 out of 3. As per regulations, there should be minimum of 3 Examiners (2 External and 1 Internal) and there is no bar if some University wants to appoint more than 3 Examiners for evaluation of the Thesis.”

The above minutes were read and confirmed in the meeting itself.

346. D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh - Renewal of recognition of M.D.(Pathology) qualification for 02 seats in respect of students being trained at BRD Medical College, Gorakhpur.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Renewal of recognition of M.D.(Pathology) qualification for 02 seats in respect of students being trained at BRD Medical College, Gorakhpur granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh.

The Council approved the following recommendation of the Postgraduate Committee:

“The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (29/02/2016) along with the Council Assessor’s Report (July, 2015) and compliance dated 10/11/2015 submitted by the college authorities and decided to recommend to the Central Government that the recognition of M.D.(Pathology) qualification for 02 seats granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh in respect of students being trained at BRD Medical College, Gorakhpur be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.”

The above minutes were read and confirmed in the meeting itself.

347. Annamalai University, Annamalainagar - Recognition of MD(Community Medicine) qualification against increased intake from 03 to 08 seats in respect of students being trained at Rajah Muthiah Medical College, Annamalainagar.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of MD(Community Medicine) qualification against increased intake from 03 to 08 seats in respect of students being trained at Rajah Muthiah Medical College, Annamalainagar granted by Annamalai University, Annamalainagar.

The Council approved the following recommendation of the Postgraduate Committee:

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (26/02/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 15/09/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(Community Medicine) qualification against increased intake from 03 to 08 seats granted by Annamalai University, Annamalainagar in respect of students being trained at Rajah Muthiah Medical College, Annamalainagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

Note: Maximum permissible seats as per available faculty are 6. The institution is advised to admit 6 students from the next academic year.

348. Chettinad Academy of Research and Education (Deemed University) - Recognition of MD(DVL) qualification for 2 seats in respect of students being trained at Chettinad Hospital & Research Institute, Kanchipuram.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of MD(DVL) qualification for 2 seats in respect of students being trained at Chettinad Hospital & Research Institute, Kanchipuram granted by Chettinad Academy of Research and Education (Deemed University).

The Council approved the following recommendation of the Postgraduate Committee:

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (01/03/2016) along with the Council Assessor's Report (May, 2015) and compliance dated 07/09/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(DVL) qualification for 2 seats granted by Chettinad Academy of Research and Education (Deemed University) in respect of students being trained at Chettinad Hospital & Research Institute, Kanchipuram be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

349. Manipal University, Manipal - Recognition of MD(Radio Diagnosis) qualification against increased intake from 04 to 05 seats in respect of students being trained at Kasturba Medical College, Manipal.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of MD(Radio Diagnosis) qualification against increased intake from 04 to 05 seats in respect of students being trained at Kasturba Medical College, Manipal granted by Manipal University, Manipal.

The Council approved the following recommendation of the Postgraduate Committee:

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment (26/02/2016) along with the Council Assessor's Report (April, 2015) and compliance dated 08/09/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(Radio Diagnosis) qualification against increased intake from 04 to 05 seats granted by Manipal University, Manipal in respect of students being trained at Kasturba Medical College, Manipal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

The above minutes were read and confirmed in the meeting itself.

350. Amrita Vishwa Vidyapeetham University - Recognition of MS(ENT) qualification against increased intake from 01 to 03 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of MS(ENT) qualification against increased intake from 01 to 03 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi granted by Amrita Vishwa Vidyapeetham University.

The Council approved the following recommendation of the Postgraduate Committee:

in the notification recognizing MD (Biochemistry) qualification for 2 seats granted by Dr. NTR University of Health Sciences, Vijayawada in respect of students being trained at GSL Medical College & General Hospital, Rajahmundry with effect from 2014 instead of 2015.”

The above minutes were read and confirmed in the meeting itself.

410. Dr. NTR University of Health Sciences, Vijayawada, AP – Recognition of MD (Paediatrics) and Diploma in Child Health (D.C.H.) qualification for 2 seats each in respect of students trained at GSL Medical College & General Hospital, Rajahmundry.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of MD (Paediatrics) and Diploma in Child Health (D.C.H.) qualification for 2 seats each in respect of students trained at GSL Medical College & General Hospital, Rajahmundry granted by Dr. NTR University of Health Sciences, Vijayawada, AP.

The Council approved the following recommendation of the Postgraduate Committee:

“The Postgraduate Medical Education Committee considered the letter dated 25/02/2016 received from Principal, GSL Medical College & GSL General Hospital, Lakshmipuram, Rajahmundry with regard to Recognition of MD (Paediatrics) and Diploma in Child Health (D.C.H.) qualifications for 2 seats each in respect of students trained at GSL Medical College & General Hospital, Rajahmundry granted by Dr. NTR University of Health Sciences, Vijayawada and decided to recommend the Central Government, Ministry of Health & Family Welfare to make necessary correction in the notification recognizing Diploma in Child Health qualification for 2 seats granted by Dr. NTR University of Health Sciences, Vijayawada in respect of students being trained at GSL Medical College & General Hospital, Rajahmundry with effect from 2013 instead of 2014.”

The above minutes were read and confirmed in the meeting itself.

411. Dr. NTR University of Health Sciences, Vijayawada, AP – Recognition of MD (DVL) qualification for 2 seats in respect of students trained at GSL Medical College & General Hospital, Rajahmundry.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Recognition of MD (DVL) qualification for 2 seats in respect of students trained at GSL Medical College & General Hospital, Rajahmundry granted by Dr. NTR University of Health Sciences, Vijayawada, AP.

The Council approved the following recommendation of the Postgraduate Committee:

“The Postgraduate Medical Education Committee considered the letter dated 25/02/2016 received from Principal, GSL Medical College & GSL General Hospital, Lakshmipuram, Rajahmundry with regard to Recognition of MD (DVL) qualification for 2 seats in respect of students trained at GSL Medical College & General Hospital, Rajahmundry granted by Dr. NTR University of Health Sciences, Vijayawada and decided to recommend the Central Government, Ministry of Health & Family Welfare to make necessary correction in the notification recognizing MD (DVL) qualification for 2 seats granted by Dr. NTR University of Health Sciences, Vijayawada in respect of students being trained at GSL Medical College & General Hospital, Rajahmundry with effect from 2014 instead of 2015.”

The above minutes were read and confirmed in the meeting itself.

412. Amendment in Clause 12(1),12(2),12(4) and 13.2 of Postgraduate Medical Education Regulations, 2000 – Regarding.

Read: the recommendations of the Postgraduate Medical Education Committee for approval with regard to Amendment in Clause 12(1),12(2),12(4) and 13.2 of Postgraduate Medical Education Regulations, 2000.

The Council approved the recommendations of the Postgraduate Committee with regard to Amendment in Clause 12(1),12(2),12(4) and 13.2 of Postgraduate Medical Education Regulations, 2000 and also approved the modifications proposed by the Council in clause 9.3 of Postgraduate Medical Education Regulations, 2000 as given as under:

S.No	Regulation	Existing Regulation	To be substituted
1	9.(3)	(i) The universities and other authorities concerned shall organize admission process in such a way that teaching in postgraduate courses starts by 2nd may and by 1st August for super speciality courses each year. For this purpose, they shall follow the time schedule indicated in appendix-III (ii) There shall be no admission of students in respect of any academic session beyond 31st may for postgraduate courses and 30th September for super speciality courses under any circumstances. They universities shall not register any student admitted beyond the said date.	(i) The universities and other authorities concerned shall organize admission process in such a way that teaching in postgraduate courses starts by 1st May and by 1st August for super speciality courses each year. For this purpose, they shall follow the time schedule indicated in appendix-III (ii) There shall be no admission of students in respect of any academic session beyond 31st may for postgraduate courses and 31st August for super speciality courses under any circumstances. They universities shall not register any student admitted beyond the said date. For this purpose, they shall follow the time schedule indicated in appendix-III
1	12 (1)	<i>"..... Further in case of Anesthesiology, Forensic Medicine and Radiotherapy where the ratio of recognized postgraduate teacher to the number of students to be admitted for the degree course where diploma is not prescribed shall be 1:3 for a Professor and 1:1 for other cadre covered by the general note following this rule subject to a maximum of 6 PG seats for the degree per academic year."</i>	<i>The existing clause be substituted as under:- "Further in case of Anaesthesiology, Forensic Medicine, Radiotherapy and Psychiatry where the ratio of recognized postgraduate teacher to the number of students to be admitted for the degree course where diploma is not prescribed shall be 1:3 for a Professor and 1:1 for other cadres covered by the general note following this rule."</i>
2	12 (2)	<i>"In clause 12(2) of the Postgraduate Medical Education Regulations, 2000 under the heading "Number of</i>	<i>The existing clause be substituted as under:-</i>

		Post Graduate Students to be admitted" in 2 nd Paragraph after the subject Radiotherapy "Psychiatry" shall also be added".	Further in case of Anaesthesiology, Forensic Medicine, Radiotherapy and Psychiatry where the ratio of recognized postgraduate teacher to the number of students to be admitted for the degree course where diploma is prescribed shall be 1:3 for a Professor and 1:1 for other cadres covered by the general note following this rule.
3	12(4)	 "For Assistant Professor:- If an Assistant Professor fulfills all the eligibility criteria for the post of Associate Professor as laid down in the Medical Council of India Regulations namely "Minimum Qualification for Teachers in medical Institutions Regulations 1998", and fulfills all the requirement of Postgraduate teacher as per the Postgraduate Medical Education Regulations, (Amendment) , but has not been promoted to the higher post due to administrative non availability of post or delay in filling up of post in the Govt. organization, if he/she continues to work at the same government organization then such postgraduate teacher shall be all allotted 1 (one) postgraduate students."	The existing clause be substituted as under:- If an Assistant Professor fulfils all the requirements of Postgraduate Teacher as per Postgraduate Medical Education Regulations, 2000 as amended, he shall be considered a Postgraduate teacher and shall be allotted 1 (one) Postgraduate student.
4	13.2	"All the candidates joining the Post Graduate training programme shall work as 'Full Time Residents' during the period of training and shall attend not less than 80% (Eighty percent) of the imparted training during each academic year including assignments, assessed full time responsibilities and participation in all facets of the educational process."	The existing clause be substituted as under:- All the candidates joining the Post Graduate training programme shall work as 'Full Time Residents' during the period of training and shall attend not less than 80% (Eighty percent) of the imparted training during each Academic Term of 6 month including assignments, assessed full time responsibilities and participation in all facets of the educational process.

The above minutes were read and confirmed in the meeting itself.

413. Compliance of the order dated 11/09/2015 by the Central Administrative Tribunal, Principal Bench, New Delhi, in OA No. 1373/2012, Vidhya Bhusan Vs. U.O.I & MCI – Reg.

Read: the matter with regard to compliance of the order dated 11/09/2015 by the Central Administrative Tribunal, Principal Bench, New Delhi, in OA No. 1373/2012, Vidhya Bhusan Vs. U.O.I & MCI ĩ Reg.

The Council after deliberating on the issue in detail decided that the appeal is without merit and the punishment of dismissal imposed on the delinquent employee is proportionate to the allegations brought against him.

The delinquent employee has earlier been inflicted with major penalty and despite several memos his conduct did not improve. The use of abusive language and leaving the work without prior permission amounts to gross misconduct and therefore, lesser punishment on the delinquent would not be in the interest of justice nor would be in the interest of maintaining discipline in the office. Therefore, the punishment of dismissal imposed on the delinquent employee vide Order dated 19.04.2002 is maintained and the appeal filed by the delinquent employee is dismissed as the same is without merit.

The above minutes were read and confirmed in the meeting itself and the decision be expeditiously communicated to the Appellant as directed by the Hon'ble Central Administrative Tribunal under the seal and signature of Secretary (Incharge).

414. Continuance of recognition of MBBS degree granted by Banaras Hindu University in respect of students being trained at Institute of Medical Sciences, Varanasi.

Read: the recommendations of the Executive Committee for approval with regard to continuance of recognition of MBBS degree granted by Banaras Hindu University in respect of students being trained at Institute of Medical Sciences, Varanasi.

The Council approved the following recommendation of the Executive Committee:

“The Executive Committee of the Council considered the compliance verification assessment report (11th March, 2016) along with the previous assessment report (26th & 27th June, 2014) and decided to recommend that recognition of MBBS degree granted by Banaras Hindu University in respect of students being trained at Institute of Medical Sciences, Varanasi be continued restricting the number of admission to 84 (Eighty four) students.”

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for Renewal of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute é ò

415. Continuance of recognition of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada in respect of students being trained at Bhaskar Medical College, Hyderabad.

Read: the recommendations of the Executive Committee for approval with regard to continuance of recognition of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada in respect of students being trained at Bhaskar Medical College, Hyderabad.

The Council approved the following recommendation of the Executive Committee:

“The Executive Committee of the Council considered the assessment report (3rd and 4th March, 2016) and decided to recommend that recognition of MBBS degree granted by Dr. NTR University of Health Sciences, Vijayawada in respect of students being trained at Bhaskar Medical College, Hyderabad be continued restricting the number of admission to 150 (One Hundred Fifty) students.”

The Council further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) é

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

417. Change of affiliation of University from Guru Ghasidas University, Bilaspur to Ayush & Health Sciences University of Chhattisgarh, Raipur in respect of students being trained at Chattishgarh Institute of Medical Sciences, Bilaspur, Chattishgarh.

Read: the recommendations of the Executive Committee for approval with regard to change of affiliation of University from Guru Ghasidas University, Bilaspur to Ayush & Health Sciences University of Chhattisgarh, Raipur in respect of students being trained at Chattishgarh Institute of Medical Sciences, Bilaspur, Chattishgarh.

The Council approved the following recommendation of the Executive Committee:

The Executive Committee of the Council observed as under:

- The compliance verification assessment report on (15th January, 2016) along with previous compliance verification assessment report (2nd November, 2015) and assessment report (10th & 11th September, 2014), the matter with regard to Pre-PG & COR of MBBS degree granted by Guru Ghasidas University in respect of students being trained at Chhattisgarh Institute of Medical Sciences, Bilaspur for 100 seats was circulated to the Members of the Executive Committee for consideration on 16.01.2016 & 18.01.2016.
- The comments/observations has been received on 18th & 19th Jan., 2016 from the Executive Committee:-

“After verifying the documents regarding appointments of Senior Residents submitted by the college, it is observed that five SRs are eligible. After considering these, now the deficiency of SR comes to 5.88%.

In view of above, we may approve the college.”

In view of above, the Executive Committee of the Council decided to recommend to the Central Govt. for change of affiliation of university from Guru Ghasidas University, Bilaspur to Ayush & Health Sciences University of Chhattisgarh, Raipur in respect of students being trained at Chhattisgarh Institute of Medical Sciences, Bilaspur, Chhattisgarh for students admitted in the year 2009-2010 onwards.

The Committee further decided to place the matter before the General Body of the Council and also to inform Delhi Medical Council accordingly.

The above minutes were read and confirmed in the meeting itself.

418. Recognition/Approval of GMERS Medical College, Sola, Ahmedabad, Gujarat for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

Read: the recommendations of the Executive Committee for approval with regard to recognition/approval of GMERS Medical College, Sola, Ahmedabad, Gujarat for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

"The Executive Committee of the Council considered the assessment report (01.02.2016 & 16th-17th March, 2016) and decided to recommend to the Central Government for recognition/approval of GMERS Medical College, Sola, Ahmedabad, Gujarat for the award of MBBS degree (150 seats) granted by Gujarat University u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.

The above minutes were read and confirmed in the meeting itself.

419. Recognition/Approval of GMERS Medical College, Gotri, Vadodara, Gujarat for the award of MBBS degree (150 seats) granted by the Maharaja Sayajirao University, Baroda, Gujarat u/s 11(2) of the IMC Act, 1956.

Read: the recommendations of the Executive Committee for approval with regard to recognition/approval of GMERS Medical College, Gotri, Vadodara, Gujarat for the award of MBBS degree (150 seats) granted by the Maharaja Sayajirao University, Baroda, Gujarat u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

"The Executive Committee of the Council considered the assessment report (03.02.2016 & 18th-19th March, 2016) and decided to recommend to the Central Government for recognition/approval of GMERS Medical College, Gotri, Vadodara, Gujarat for the award of MBBS degree (150 seats) granted by the Maharaja Sayajirao University, Baroda, Gujarat u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

..."

The above minutes were read and confirmed in the meeting itself.

422. Amendment in the Regulations on Graduate Medical Education, 1997 – Eligibility criteria based upon the physical disability of a person – Regarding.

Read: the recommendations of the Executive Committee for approval with regard to amendment in the Regulations on Graduate Medical Education, 1997 i Eligibility criteria based upon the physical disability of a person i Regarding.

The Council approved the following recommendation of the Executive Committee:

The Executive Committee considered the letter dated 26.02.2016 received from the Under Secretary, MOHFW stating that the addition of sub-clause 3(a) to clause 4 of GMER, 1997 be finalized such that unfilled seats are filled by respective category candidates.

The Committee further noted that the Council had revised the amendment accordingly and now, the proposed amendment would be as under:-

- 4 (3). 3% seats of the annual sanctioned intake capacity shall be filled up by candidates with locomotory disability of lower limbs between 50% to 70%.

Provided that in case any seat in this 3% quota remains unfilled on account of unavailability of candidates with locomotory disability of lower limbs between 50% to 70% then any such unfilled seat in this 3% quota shall be filled up by persons with locomotory disability of lower limbs between 40% to less than 50% - before they are included in the annual sanctioned seats for Respective Category candidates.

Provided further that this entire exercise shall be completed by each medical college / institution as per the statutory time schedule for admissions and in no case any admission will be made in the MBBS course after 30th of September."

“3.a. Persons with upper limb disability, auditory disability, and visual disability of category I and above shall not be eligible to pursue MBBS course as such persons cannot completely or partially acquire the skills recommended as desirable for the Bachelor of Medicine and Bachelor of Surgery contained in Appendix B to these Regulations.”

The above minutes were read and confirmed in the meeting itself.

423. Amendment in the MSR(Minimum Standard Requirements Regulations for 50/100/150/200/250 annual MBBS admissions and Phasewise Requirements for LOP and Renewals – Regarding.

Read: the recommendations of the Executive Committee for approval with regard to amendment in the MSR(Minimum Standard Requirements Regulations for 50/100/150/200/250 annual MBBS admissions and Phasewise Requirements for LOP and Renewals.

The Council approved the following recommendations of the Executive Committee with certain modifications:

“The Executive Committee of the Council approved the amendment in the MSR (Minimum Standard Requirements Regulations for 50/100/150/200/250 annual MBBS admissions) and Phase-wise Requirements for LOP and Renewals as well as Opening of new & Higher course and Establishment of new medical college Regulations.”

The Council further noted that in the MSR for 200 and 250 the following clauses are to be included as they are missed out in the MSR :-

- A.1.20. Day Care Centre
- A.2.1 Anatomy Department ĩ D. Histology Lab
- A.2.3 Bio Chemistry Department ĩ C. Practical Lab
- A.2.4 Pathology Department ĩ C. Practical Lab and D. Service Lab
- A.2.5 Microbiology Department ĩ C. Practical Lab and D. Service Lab
- A.2.8. Community Medicine Department ĩ C. Practical Lab.

The Council also noted that all the required departments (mandatory as well as optional) for a medical college have not been included in all the MSRs and therefore decided that all the names of departments may be included in the respective MSRs.

The Council further approved the phase-wise bed distribution for increase of seats for various number of UG admissions for circulation to all the medical colleges.

The above minutes were read and confirmed in the meeting itself.

424. Recognition/Approval of Nalanda Medical College, Patna for the award of MBBS degree granted by Aryabhatta Knowledge University, Patna, Bihar against the increased intake i.e. from 50-100 seats u/s 11(2) of the IMC Act, 1956 -Regarding.

Read: the recommendations of the Executive Committee for approval with regard to recognition/Approval of Nalanda Medical College, Patna for the award of MBBS degree granted by Aryabhatta Knowledge University, Patna, Bihar against the increased intake i.e. from 50-100 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

“The Executive Committee of the Council considered the compliance verification assessment report (22.02.2016) along with assessment reports (06.05.2015, 26.02.2015 and 14th & 15th January, 2014) and decided to recommend to the Central Government for recognition/approval of Nalanda Medical College, Patna for the award of MBBS degree granted by Aryabhatta Knowledge University, Patna, Bihar against the increased intake i.e. from 50-100 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for ‘Renewal’ of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.....”

The above minutes were read and confirmed in the meeting itself.

425. Recognition/approval of MVJ Medical College & Research Hospital, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956-reg.

Read: the recommendations of the Executive Committee for approval with regard to recognition/approval of MVJ Medical College & Research Hospital, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

“The Executive Committee of the Council considered the assessment report (22.01.2016 & 24-25 Feb. 2016) and decided to recommend to the Central Government for recognition/approval of MVJ Medical College & Research Hospital, Bangalore for the award of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) *The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.*

(3) *The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.*

(4) *Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute....."*

The above minutes were read and confirmed in the meeting itself.

426. Recognition/approval of Jawaharlal Nehru Medical College, Belgaum for the award of MBBS degree granted by KLE University, Belgaum against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956-reg.

Read: the recommendations of the Executive Committee for approval with regard to recognition/approval of Jawaharlal Nehru Medical College, Belgaum for the award of MBBS degree granted by KLE University, Belgaum against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

"The Executive Committee of the Council considered the assessment report (19.01.2016 & 24-25 Feb. 2016) and decided to recommend to the Central Government for recognition/approval of Jawaharlal Nehru Medical College, Belgaum for the award of MBBS degree granted by KLE University, Belgaum against the increased intake i.e. from 150 to 200 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) *The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.*

(3) *The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.*

(4) *Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute....."*

The above minutes were read and confirmed in the meeting itself.

427. Recognition/approval of Mahatma Gandhi Mission's Medical College, Aurangabad for the award of MBBS degree granted by MGM Institute of Health Sciences, Navi Mumbai against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956-reg.q.

Read: the recommendations of the Executive Committee for approval with regard to recognition/approval of Mahatma Gandhi Mission's Medical College, Aurangabad for the award of MBBS degree granted by MGM Institute of Health Sciences, Navi Mumbai against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

"The Executive Committee of the Council considered the assessment report (19.01.2016 & 24-25 Feb. 2016) and decided to recommend to the Central Government for recognition/approval of Mahatma Gandhi Mission's Medical College, Aurangabad for the award of MBBS degree granted by MGM Institute of Health Sciences, Navi Mumbai against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute....."

The above minutes were read and confirmed in the meeting itself.

428. Recognition/approval of Yenepoya Medical College, Mangalore for the award of MBBS degree granted by Yenepoya University against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956-reg.

The above minutes were read and confirmed in the meeting itself.

433. Compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune – regarding.

Read: the recommendations of the Executive Committee for approval with regard to compliance Verification Assessment of the physical and the other teaching facilities available for 100 MBBS seats Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune.

The General Body of the Council noted that an assessment to assess the physical and other teaching facilities available for renewal of permission for admission of 2nd Batch of MBBS students against the increased intake i.e. from 100-150 u/s 10 A of the IMC Act, 1956 at Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune under Maharashtra University of Health Sciences, Nashik for the academic session 2015-16 was carried out by the appointed assessors on 6th & 7th January, 2015. The Assessment report was considered by the Executive Committee at its meeting held on 10.02.2015 and it was decided as under:-

“The Executive Committee of the Council considered the Council Assessors report (6th & 7th January, 2015) and noted the following:-

1. *Dean's office is not available in teaching hospital.*
2. *Though this is I renewal for increase from 100 to 150, the beds in General Medicine, Paediatrics, General Surgery, Orthopaedics have not been increased proportionately from those required for college with 100 intake.*
3. *There was no patient in ICCU & RICU and only 1 patient in SICU on day of assessment.*
4. *Shortage of residents is 8.2 % as detailed in report.*
5. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd Batch of MBBS students against the increased intake i.e. from 100-150 of Maharashtra Institute of Medical Sciences & Research, Pune under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.”

The above decision had been communicated to the Central Govt. as well as to the college authorities vide Council letter dated 10.02.2015.

The Principal, Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune had submitted the detailed compliance which was verified by the Council assessors by way of compliance verification assessment on 15.04.2015.

The compliance verification assessment report (15.04.2015) along with previous assessment report (6th & 7th January, 2015) was considered by the Executive Committee at its meeting held on 29.04.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (15.04.2015) along with assessment report (6th & 7th January, 2015) and representation dated 18.04.2015 received from the college and noted the following:-

1. *Deficiency of faculty is 14% as detailed in report.*
2. *Shortage of Residents is 17.6% as detailed in the report.*
3. *Bed occupancy is 43.4% on the day of assessment.*
4. *Wards are congested as there are too many beds in small area.*
5. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2nd batch of MBBS students against the increased intake i.e. from 100-150 of Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2015-2016.

The Executive Committee further decided to apply clause 8(3)(1)(c) of Establishment of Medical College Regulation (Amendment), 2010 (Part II), dated 16th April, 2010 which reads as under:-

8(3)(1).....

(c) Colleges which are already recognized for award of MBBS degree and/or running postgraduate courses

If it is observed during any regular inspection of the institute that the deficiency of teaching faculty and/or Residents is more than 10% and/or bed occupancy is <80%, such an institute will not be considered for processing applications for postgraduate courses in the Academic year and will be issued show cause notices as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

In view of above, it was decided not to consider the Institute for processing applications for postgraduate courses in the current Academic year (2015-16) and to issue show cause notice as to why the recommendation for withdrawal of recognition of the courses run by that institute should not be made for undergraduate and postgraduate courses which are recognized u/s 11(2) of the IMC Act, 1956 alongwith direction of stoppage of admissions in permitted postgraduate courses."

The above decision was communicated to the Central Govt. as well as to the college authorities vide Council letter dated 12.05.2015.

The Principal, Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune had submitted the second compliance which was verified by the Council assessors by way of compliance verification assessment on 20.08.2015 for 100 seats. The second compliance verification assessment report (20.08.2015) alongwith previous assessment report (15th April, 2015 & 6th & 7th January, 2015) was considered by the Executive Committee at its meeting held on 21.09.2015 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (20.08.2015) conducted for verification of available facilities of faculty, Residents, infrastructure and other requirements for recognized intake of 100 students and noted the following:-

1. *Deficiency of faculty is 10.65 % (i.e. 13 out of 122) as detailed in the report.*
2. *Shortage of Residents is 8.95 % (i.e. 6 out of 67)*

3. *Bed occupancy is 62.9 % (i.e. 321 out of 510) as actually observed on day of assessment is as under:*

#	Department	Beds Occupied
1	General Medicine	57
2	Paediatrics	30
3	Tb & Chest	23
4	Skin & VD	8
5	Psychiatry	0
6	General Surgery	69
7	Orthopaedics	27
8	E.N.T.	8
9	Ophthalmology	24
10	Obst. & Gynaec.	75
	TOTAL	321

The data given by the institute are exaggerated. 10-20 % of the patients had been admitted in the wards but did not merit admission. E.g. abdominal pain patients in General Surgery wards & Backache in Orthopaedics wards.

4. *Wards: Some wards are still congested. Distance between 2 beds is less than required.*
5. *O.T.: Preoperative ward has 4 beds & Postoperative ward has 6 beds which are acutely congested. There were 15 patients in pre & postoperative wards at the time of taking round. There is no Central Nitrous supply. There are 2 tables in Ophthalmology O.T. which is not as per norms.*
6. *Number of C.T. Scan on day of assessment is only 09 which is inadequate.*
7. *The following faculty were found not to be staying in accommodation claimed to have been provided by the college:*
 - (a) *Dr. Mihir Chaudhary, Tutor in Forensic Medicine;*
 - (b) *Dr. Swapnil Thorat, Tutor in Forensic Medicine.*
8. *ICUs: ICU & RICU are amalgamated which has 10 beds; occupancy was only 3 on day of assessment. There was only 1 patient in Surgical ICU.*
9. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16th April, 2010 and to give final opportunity to the college authorities for submission of compliance for rectification of the above deficiencies within 01 month for further consideration of the matter."

The above decision was communicated to the Central Govt. as well as to the College authorities vide Council letter dated 05.10.2015.

The Principal, Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune had submitted the third detailed compliance which was verified by the Council assessors by way of compliance verification assessment on 22.01.2016 for 100 seats. The Council also received two letters dated 22.01.2016 from the Principal, Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune with regard to compliance

verification assessment. The third Compliance verification report (20.01.2016) of the physical and the other teaching facilities available for 100 MBBS seats Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune was considered by the Executive Committee at its meeting held on 31.01.2016 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (22.01.2015) along with assessment report (20.08.2015, 15th April, 2015 & 6th & 7th January, 2015) and perusal of the report of Assessors, the operative part reads as under:

"As the Class III & IV employees are on strike from 12/01/2016 till date, the college and the hospital were closed and locked. As no water is available, all faculty & residents went out. Only Principal & Medical Superintendent are available. So for verification, nothing is available and compliance couldn't be verified...

...

All the patients were shifted out of the hospital. So clinical data is NIL."

In view of above, the Executive Committee of the Council decided to direct the Dean of Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune to submit when the strike would be called off and the office is directed to arrange for another assessment."

As per the above decision the Council vide letter dated 31.01.2016 requested the college authorities to intimate the Council when the Strike would be called off for taking further necessary action in the matter.

Upon receipt of the letter from the college authorities, the Compliance Verification Assessment was carried out by the Council Assessors on 11.03.2016 for 100 seats. The compliance Verification Assessment report (11.03.2016) alongwith previous assessment report (22nd January, 2016, 20.08.2015 & 15th April, 2015 & 6th & 7th January, 2015) was considered by the Executive Committee at its meeting held on 22.03.2016 and it was decided as under:-

"The Executive Committee of the Council considered the compliance verification assessment report (11.03.2016) along with assessment report (20.08.2015 & 15th April, 2015 & 6th & 7th January, 2015) and noted the following:-

1. *Deficiency of teaching faculty is 6.68 % as detailed in the report.*
2. *Bed occupancy is 68.30 % on day of assessment.*
3. *In Orthopaedics ward, many patients were admitted who did not merit admission.*
4. *ICUs: In ICCU there was only 1 patient on day of assessment. Not all patients in MICU & MICU needed intensive care.*
5. *OPD: At 09: 30 a.m., very few patients were found at the registration counters. During round of OPDs between 10 & 11 a.m., not many patients were found in various OPDs.*
6. *In O.G. OPD, no separate Cancer Detection clinic & Family Planning clinic was available. In Paediatrics OPD, Dietician's room is used as Child Rehabilitation clinic.*
7. *In Endoscopy room of ENT OPD, Inj. Lignocaine with expiry date of December 2012 was kept. Audiometry room is not soundproof. No Speech therapy room, machines, staff are available.*
8. *Out of 6 Major operations mentioned in Orthopaedics OT register in last 3 days, only 1 was present in the ward. Others could not be traced.*
9. *Other deficiencies as pointed out in the assessment report.*

In view of the above, the Executive Committee of the Council decided to reiterate its earlier decision with regard to application of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010(Part II), dated 16th April, 2010 and to return the postgraduate applications of Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune recommending disapproval of the scheme.

The Executive Committee of the Council further decided that since the gross deficiencies of teaching faculty, residents, & infrastructure are still persisting inspite of repeated

opportunities being given to the institute to rectify the same over a period of time, why the recognition for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune be not withdrawn u/s 19 of the IMC Act, 1956. It was further decided that the institute be directed not to make further admissions from the academic year 2016-17 onwards.

The Committee further decided to place the matter before the General Body of the Council."

The Council also noted that in spite of repeated opportunities being given to Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune, it has not rectified the gross deficiencies of teaching faculty, residents, & infrastructure facilities for removal of clause 8(3)(1)(c) of Establishment of Medical College Regulations (Amendment), 2010 (Part II), dated 16.04.2010. The Council further noted that in the latest compliance verification assessment report (11.03.2016), the deficiencies are still persisting.

In view of above, the General Body of the Council decided to recommend to the Central Govt. for withdrawal of recognition for the award of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Maharashtra Institute of Medical Sciences & Research, Talegaon, Pune u/s 19 of the IMC Act, 1956 and further to request the Central Govt. to ask the institution to stop admissions with immediate effect for the academic year 2016-17.

434. Recognition/approval of King George's Medical University, Lucknow for the award of MBBS degree granted by King George's Medical University, Lucknow against the increased intake i.e. from 185 to 250 seats u/s 11(2) of the IMC Act, 1956-reg.

Read: the recommendations of the Executive Committee for approval with regard to recognition/approval of King George's Medical University, Lucknow for the award of MBBS degree granted by King George's Medical University, Lucknow against the increased intake i.e. from 185 to 250 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

"The Executive Committee of the Council considered the assessment report (08.02.2016 & 16th-17th March, 2016) and decided to recommend to the Central Government for recognition/approval of King George's Medical University, Lucknow for the award of MBBS degree granted by King George's Medical University, Lucknow against the increased intake i.e. from 185 to 250 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) *The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.*

(4) *Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.....”*

The above minutes were read and confirmed in the meeting itself.

435. Recognition/approval of Dr. S. N. Medical College & Associate Group of Hospital, Jodhpur for the award of MBBS degree granted by Rajasthan University of Health Sciences, Jaipur against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956-reg.

Read: the recommendations of the Executive Committee for approval with regard to recognition/approval of Dr. S. N. Medical College & Associate Group of Hospital, Jodhpur for the award of MBBS degree granted by Rajasthan University of Health Sciences, Jaipur against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

“The Executive Committee of the Council considered the assessment reports (19.02.2016 & 18th -19th March, 2016) and decided to recommend to the Central Government for recognition/approval of Dr. S. N. Medical College & Associate Group of Hospital, Jodhpur for the award of MBBS degree granted by Rajasthan University of Health Sciences, Jaipur against the increased intake i.e. from 100 to 150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.

(3) The procedure for 'Renewal' of recognition shall be same as applicable for the award of recognition.

(4) Failure to seek timely renewal of recognition as required in sub-clause (a) supra shall invariably result in stoppage of admissions to the concerned Undergraduate Course of MBBS at the said institute.....”

The above minutes were read and confirmed in the meeting itself.

436. Recognition/Approval of Sardar Patel Medical College, Bikaner for the award of MBBS degree granted by Rajasthan University of Health Sciences, Jaipur against the increased intake i.e. from 100-150 seats u/s 11(2) of the IMC Act, 1956..

Read: the recommendations of the Executive Committee for approval with regard to recognition/Approval of Sardar Patel Medical College, Bikaner for the

award of MBBS degree granted by Rajasthan University of Health Sciences, Jaipur against the increased intake i.e. from 100-150 seats u/s 11(2) of the IMC Act, 1956.

The Council approved the following recommendation of the Executive Committee:

“The Executive Committee of the Council considered the assessment report (06.02.2016) and assessment report (16th/17th March, 2016) and decided to recommend to the Central Government for recognition/approval of Sardar Patel Medical College, Bikaner for the award of MBBS degree granted by Rajasthan University of Health Sciences, Jaipur against the increased intake i.e. from 100-150 seats u/s 11(2) of the IMC Act, 1956.

The Executive Committee further decided that the attention of the institute be drawn to Sections 8(3)(2), 8(3)(3) & 8(3)(4) of the Establishment of Medical Colleges Regulations (Amendment), 2010 (Part II) dated 16th April 2010 and act accordingly at appropriate time, which reads as under:-

8 (3) ...

(2) The recognition so granted to an Undergraduate Course for award of MBBS degree shall be for a maximum period of 5 years, upon which it shall have to be renewed.
