

MEDICAL COUNCIL OF INDIA
POSTGRADUATE MEDICAL EDUCATION COMMITTEE

Minutes of the meeting of the Postgraduate Medical Education Committee held on Wednesday, the 19th May, 1999 at 11:00 a.m. in the Council Office, Aiwan-E-Galib Marg, Kotla Road, New Delhi-2.

** ** *

Present :

Dr. J. Rajappa	Chairman
Dr. Ketan Desai	
Dr. Ved Prakash Mishra	
Dr. B.P. Dubey	
Dr. K.R. Shetty	
Dr. C.R. Maity	
Dr. U.S. Sinha	
Dr. S.R. Maralihal	

Dr. (Mrs.) M. Sachdeva – Secretary.

1. Minutes of the meeting of the Postgraduate Committee – Confirmation of.

The Minutes of the meeting of the Postgraduate Committee held on 12th March, 1999 were confirmed.

2. Minutes of the last meeting of the Postgraduate Committee – Action taken thereon.

The Postgraduate Committee noted and approved the action taken by the office on the various items included in the minutes of the last meeting of the P.G. Committee held on 12.3.99 with the modification under item No. 18 & 32 as under:-

Item No. 18

Deferred item No. 26 of the last P.G. meeting – Regarding conduct of FRCS examination in India by the Royal Colleges.

The Postgraduate Committee perused the legal opinion obtained by the Office in the matter as a part of action taken on this item and noted that per the legal opinion the medical qualifications which are granted after conduct of such examination shall remain unrecognized medical qualifications in so far as the MCI is concerned. The Committee further noted that the I.N.M.C. Act, 1956 does not empower the MCI to prohibit the conduct of any medical examination and from providing facilities of

examinations center in India for a medical qualification to be conferred by a foreign university.

Item No. 32,

Increase of seats in various P.G. degree courses at Rajah Muthiah Medical College, Annamalainagar under Annamalai University u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee noted that the following Gazette of India : Extraordinary Medical Council of India notification dated 12.05.99 which is reproduced as under:-

In exercise of the powers conferred by Section 10A, read with Section 33 of the Indian Medical Council Act, 1956 (102 of 1956), the Medical Council of India with the previous approval of the Central Government, hereby makes the following regulations to amend the Establishment of new Medical College, opening of higher courses of study and increase of admission capacity in medical Colleges Regulations, 1933, namely:-

1. (1) These Regulations may be called the Establishment of New Medical Colleges, opening of higher courses of study and increase of admission capacity in Medical colleges (Amendment) Regulations, 1999.

(2) They shall come into force on the date of the publication in the Official Gazette.
2. In the establishment of new Medical Colleges, opening of higher courses of study and increase of admission capacity in medical colleges Regulations, 1993, in the Scheme under the heading “Application for permission of the Central Government to increase the admission capacity in MBBS/Higher Courses (Including Diploma/Degree/higher specialties) in the existing Medical Colleges/Institutions”, under the sub-heading qualifying Criteria”, after Clause 1, the following shall be inserted, namely:-

“ 1A. Medical College / Institution has received the formal permission of the Central Government under section 10A of the Indian Medical Council Act, 1956 (102 of 1956) and has started the postgraduate course in which the increase in admission capacity is sought.”

In this context, the Postgraduate Committee noted that the recommendations of the Committee regarding the increase of seats have already been communicated to the Central Govt. However, since clear cut recommendations regarding issue of LOP for the desired increase were not communicated, decided to authorize the Chairman, PG Committee to decide in the matter in case the matter is referred back to the Council for consideration of the Postgraduate Committee for sending recommendations for issue of LOP for the said increase.

3. **Starting of M.d. (Anaesthesiology) & D.a. courses at T.d. Medical College, Alappuzha affiliating to Kerala University u/s 10A of the I.M.C. Act, 1956.**

Read: Council Inspector's report (March, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University for starting of M.D. (Anaesthesiology) & D.A. courses u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (march, 1999) and decided to recommend to the M.D. (Anaesthesiology) and D.A. courses at T.D. Medical College, Allappuzha, affiliated to Kerala University under section 10A of the I.M.C Act, 1956 prospectively for one year restricting the number of admissions to 1 (One(student for M.D. (Anaes.) and 2 (two) students for D.a. courses per year.

The Committee further decided to advise the institution to comply with the observations made by the Council Inspector.

4. **Starting of M.D. (Obst. & Gynae.) & D.G.O. courses at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10A of the I.M.C. Act, 1956)**

Read: Council Inspector's report (March, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University for starting of M.d. (Obst. & Gynae.) & D.G.O. courses u/s 10A of the I.M.C. Act, 1956.

The P.G. Committee considered the Council Inspector's report (March, 1999) and decided to recommend to the Central Government to issue Letter of Permission for starting M.D. (Obstetrics & Gynae.) and D.G.O. courses at T.d. Medical College, Alappuzha, affiliated to Kerala University under section 10 A of the I.M.C. Act, 1956 prospectively restricting the number of admissions to 1 (One) student for M.D. (Obst. & Gynae.) and 2 (two) students for D.G.O. courses per year till the first batch admitted appears in the final examination of the said courses. The Institution be advised to apply for recognition of the qualifications at the time of first available examination as per the provisions of Section 11(2) of the I.M.C. Act, 1956.

5. **Starting of M.D. (Pathology) course at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10a of the I.M.C. Act, 1956.**

Read : Council Inspector's report (march, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University for starting of M.D. (Pathology) course u/s 10a of the I.M.C. Act, 1956.

The P.G. Committee considered the Council Inspector's report (March, 1999) and decided to recommend to the Central Govt. to issue Letter of Permission for starting M.D. (Pathology) course at T.D. Medical College, Alappuzha, affiliated to Kerala University under section 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 1 (one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of section 11(2) of the I.M.C. Act, 1956.

6. **Starting of M.D. (Dermatology, Venereology & Leprosy) course at R.N.T. Medical College, Udaipur affiliated to Rajasthan University u/s 10A of the I.M.C. Act 1956.**

Read: Council Inspector's report (March, 99) on the physical and other teaching facilities available at R.N.T. Medical College, Udaipur affiliated to Rajasthan University for starting of M.d. (Dermatology, Venereology & Leprosy) course u/s 10A of the I.M.C. Act, 1956.

The P.G. Committee considered the Council Inspector's report (March, 1999) and decided to obtain date-wise appointment and experience of Dr. N.K. Bansal, Professor in the department of Skin & V.D.

The Chairman is authorized to decide in the matter on receipt of the information from the authorities.

7. **Starting of M. D. (Radio- Diagnosis) & D. M. R. D. courses at Govt. Medical College, Surat affiliated to South Gujarat University u/s 10A of the I.M.C. Act, 1956.**

Read; Council Inspector's report (December, 98) on the physical and other teaching facilities available at Govt. Medical College, surat affiliated to South Gujarat University for starting of M.D. (Radio-Diagnosis) & D.M.R.D. courses u/s 10A of the I.M.C Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Dec., 1998) and decided to recommend to the Central Govt. not to issue letter of intent for starting M.D. (Radio-diagnosis) and D.M.R.D. courses at Govt. Medical College, Surat, affiliated to south Gujarat University under section 10A of the I.M.C. Act, 1956 since the HOD does not possess recognized qualification and the equipments in the department, as per the inspection report, are insufficient.

8. **Starting of D.M. (Nephrology) course at Nizam's Institute of Medical sciences, Hyderabad u/s 10A of the I.M.C Act, 1956).**

Read : Council Inspector's report (April, 99) on the physical and

other teaching facilities available at Nizam's Institute of Medical Sciences, Hyderabad for starting of D.M. (Nephrology) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) and decided to recommend to the Central Govt. to issue Letter of Intent for starting D.M. (Nephrology) COURSE AT Nizam's Institute of Medical Sciences Hyderabad u/s 10A of the I.M.C. Act, 1956 prospectively restricting the number of admission to 1 (one) student per year

The Committee further decided to advise the institution to rectify the defects and deficiencies as pointed out in the defects and deficiencies as pointed out in the inspection report and submit a compliance to this effect for issuing L.O.P.

9. Starting of M.Ch. (Urology) course at K.G. Medical College, Lucknow affiliated to Lucknow University u/s 10A of the I.M.C. Act, 1956 – Compliance verification regarding.

Read: Council Inspector's report (March, 96) on the physical and other teaching facilities available at K.G. Medical College, Lucknow affiliated to Lucknow University together with compliance and compliance verification report (March, 99) for starting of M.Ch. (Urology) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March, 1996) along with compliance and compliance verification report (March, 1999) and decided to recommend to the Central Govt. not to issue letter of intent for starting of M.Ch. (Urology) course at K.g. Medical College, Lucknow, affiliated to Lucknow University u/s 10 A of the I.M.C. Act 1956 because of the three available teachers only one – Assoc. Professor - Possesses M.Ch. qualification and the remaining two staff members do not possess requisite recognized postgraduate qualification and required teaching experience.

10. Starting of M.Ch. (Plastic Surgery) course at Christian Medical College, Vellore affiliated to the Tamil Nadu Dr. M.G.R. Medical University u/s 10A of the I.M.C. Act, 1956.

Read: Council Inspector's report (March, 99) on the physical and other teaching facilities available at Christian Medical College, Vellore affiliated to Tamil Nadu Dr. M.G.R. Medical University for starting of M.Ch. (Plastic Surgery) Course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate committee considered the Council Inspector's report (March, 1999) and decided to recommend to the Central Govt. not to

issue letter of intent for starting M.Ch. (Plastic Surgery) course at Christian Medical College, Vellore u/s 10A of the I.M.C. Act, 1956 since the Professor & HOD does not possess requisite recognized qualification and the clinical material is not adequate to permit starting of the course.

11. Starting of M.S. (Ophthalmology) & D.O. courses at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 – Compliance verification report regarding Letter of Permission.

Read: Compliance verification report (October, 98) on the physical and other teaching facilities available at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore together with compliance and compliance verification report (April, 99) for starting of M.S. (Ophthalmology) & D.O. courses u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's through the Central Govt. and decided to recommend to the Central Government to issue letter of permission for starting M.S. (Ophthalmology) and D.O. courses at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 prospectively restricting the number of admissions to 1 (One) student in M.S. (Ophthalmology) and 2 (two) students in D.O. courses per year till the first batch admitted appear in the final examination of the said courses. The Institution be advised to apply for recognition of the qualifications at the time of first available examination as per the provisions of section 11(2) of the I.M.C. Act, 1956.

12. Starting of Diploma in Neuro-Pathology course at National Institute of Mental Health & Neuro Sciences u/s 10a of the I.M.C. Act, 1956 – Inclusion of qualification in the Council's regulations on Postgraduate Medical Education regarding.

Read: Letter dated 26.3.99 from the General Body meeting of Indian Association of Pathologists and Microbiologists with regard to starting of Diploma in Neuro-Pathology course at National Institute of Mental Health & Neuro Sciences, Bangalore u/s 10a of the I.M.C. Act, 1956.

The Postgraduate Committee considered the opinion of the General Body of the Indian Association of Pathologists & Microbiologists and decided to recommend to the Council for inclusion of Diploma in Neuro-Pathology qualification in the Council's Regulations on Postgraduate Medical Education and further decided to refer the matter to T.E.Q. Sub-Committee for identification of requirement and qualification of the teaching staff for the said course.

13. Starting of M.Ch. (Gynaecological Oncology) Super-Specialty course at Kidwai Memorial Institute of Oncology, Bangalore under Bangalore University – Request received u/s 1-A of the I.M.C Act, 1956 – Inclusion of qualification in the Council's regulations on Postgraduate Medical Education regarding.

Read: Letter dated 26.03.99 from FOGSI with regard to starting of M.Ch. (Gynaecological Oncology) super specialty course at Kidwai Memorial Institute of Oncology, Bangalore under Bangalore University u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the opinion of FOGSI (Federation of Obstetric & Gynaecological Society of India) and decided to recommend to the Council for inclusion of M.Ch. (Gynaecological Oncology) qualification in the council's regulations on Postgraduate Medical Education and further decided to refer the matter to the T.E.Q. Sub-Committee for identification of requirement and qualification of the teaching staff for the said course.

The Postgraduate Committee further decided that the candidate with either of the following qualifications may be made eligible for admission to the said course: -

- 1/ M.D. (Obst. & Gynae.)
- 2/ M.s. (General Surgery)

14. Starting of D.M. (Clinical Haematology) course at Chennai Medical College, Chennai affiliated to the Tamil Nadu Dr. M.G.R. Medical University, Chennai u/s 10a of the I.M.C. Act, 1956 – Letter of Central Government regarding.

Read: Letter dated 12.04.99 received from Central Government, Ministry of Health & Family Welfare, New Delhi.

The Postgraduate Committee, in light of the letter dated 12.4.99 received from the Central Govt., considered the Council Inspector's report (Sept., 98) along with other information and decided to recommend to the Central Govt. to issue letter of permission for starting of D.M. (Clinical Haematology) course at Chennai Medical College, Chennai affiliated to the Tamil Nadu Dr. M.G.R. Medical University, Chennai u/s 10 A of the I.M.C Act, 1956 prospectively restricting the number of admissions to 2 (two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of section 11(2) of the I.M.C. Act, 1956.

15. Starting of M.Ch. (Paediatric Syrgery) course at Coimbatore Medical College, Coimbatore affiliated to the Tamil Nadu Dr. M.G. R. Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 – Letter of Central Government regarding.

Read : Letter dated 28.4.99 received from Central Government, Ministry of Health & Family Welfare, New Delhi.

The Postgraduate committee, in light of the letter dated 28.4.99 received from the Central Govt., considered the Council Inspector's report (dec., 1998) carried out on the compliance submitted by the institution through the Central Govt. alongwith other information received subsequently and decided to recommend to the Central Govt. to issue letter of permission for starting of M.Ch. (Paediatric Surgery) course at Coimbatore Medical College, Coimbatore affiliated to the Tamil Nadu Dr. M.G.R. Medical University, Chennai u/s 10 A of the I.M.C Act, 1956 prospectively restricting the number of admissions to 2 (two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of section 11(2) of the I.M.C. Act, 1956.

16. (i) Bangalore University – (i) Recognition of M.S. (Ophthalmology) qualification in respect of students being trained at Kempegowda Institute of Medical Sciences, Bangalore.

(ii) Increase of seats in M.S. (Ophthalmology) course u/s 10A of the I.M.C. Act, 1956.

Read: Council Inspector's report (November , 98 on the standard of examination and other teaching facilities available at Kempegowda Institute of medical Sciences, Bangalore for recognition of M.S. (Ophthalmology) qualification granted by Bangalore University also increase of seats u/s 120A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Nov. 1998) and decided to obtain from the authorities of the institution, the following information:

- i) year and month of starting the course
- ii) yearwise details of the students admitted
- iii) yearwise details of the students having appeared in the examinations and their subsequent results
- iv) details of the clinical material.

Chairman is authorized to decide in the matter on receipt of the required information.

The Postgraduate Committee considered the Council Inspector's report (Nov. 1998) and decided to recommend to the Central Govt. not to issue letter of intent for increase of seats in M.S. (Ophthalmology) course at Kempegowda Institute of Medical Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 because of inadequate clinical material and equipments in the department.

17. Starting of M.S. (ENT) course at Govt. Medical College, Nanded affiliated to Swami Ramanand Teerth Marathwada University u/s 10a of the I.M.C. Act, 1956 – the compliance regarding.

Read: The Council Inspector's report (Jan. 1998) on the physical and other teaching facilities available at Govt. Medical college, Nanded affiliated to Swami Ramanand Teerth Marathwada University, along with the compliance with regard to starting of M.S. (ENT) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Jan. 1998) along with the compliance forwarded by the Central Govt. and decided to recommend to the M.S. (ENT) course at Govt. Medical College, Nanded affiliated to Swami Ramanand Teerth Marathwada University u/s 10 A of the I.M.C. Act, 1956 prospectively restricting the number of admission to 1 (one) student in M.s. (ENT) course per year till the first batch admitted appear in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision at the time of first available examination as per the provisions of section 11(2) of the I.M.C. Act, 1956. The Committee further decided to advice the institution to comply with the observations made by the Council Inspector.

18. Inclusion of M.Ch. (Cardio-Vascular & Thoracic Surgery) & D.M. (Neonatology) qualifications in the Schedule to the I.M.C. Act, 1956.

Read: Letters dated 11.12.98 and 23.12.98 from the Officer Incharge, PGIMER, Chandigarh with regard to inclusion of M.Ch. (Cardio-Vascular & Thoracic Surgery) & D.M. (Neonatology) qualifications in the schedule to the I.M.C. Act, 1956.

The Postgraduate Committee agreed to include the qualifications of M.Ch. (Cardio-Vascular & Thoracic Surgery) & D.M. (Neonatology) granted by P.G.I.M.E.R., Chandigarh in the first Schedule to the I.M.C. Act, 1956.

19. Migration of Dr. Anil Kumar, Junior Resident, 2nd Pathology and Dr. Dinesh Singh, Junior Resident 2nd Ophthalmology from G.s.V.M. Medical College, Kanpur to L.L.R.M. Medical College, Meerut.

Read: The matter with regard to migration of Dr. Anil Kumar, Junior Resident, 2nd Pathology and Dr. Dinesh Singh, Junior Resident 2nd

Ophthalmology from G.S.V.M. Medical college, Kanpur to L.L.R.M. Medical College, Meerut.

The Postgraduate Committee perused the Court order dated 24/2/1999 passed in Civil Misc. Writ Petition No. 7187 of 1999 Dr. Dinesh Singh & Another – Vs – Director General of Medical Education & Training, Govt. of U.P. & Others.

The Committee noted that migration of a candidate from medical college to another medical college is governed by regulations framed by the Medical Council of India & that migration is permissible only in exceptional cases on extreme compassionate grounds in respect of students studying in undergraduate course, only, after following the criteria laid down for the same in the Regulations of the Council on Graduate Medical Education, 1997. However, the Committee further noted that there is no provision in the regulations prescribed for the Postgraduate Medical Education for migration of students at Postgraduate level.

Members of the Postgraduate Committee expressed their sympathy with the students but at the same time they expressed their inability to accede to their request for migration as the law does not permit for the same.

20. Karnatak University – recognition of M.S. (Ophthalmology) and DOMS qualifications in respect of students being trained at Karnatak Institute of Medical Sciences, Hubli.

Read: Council Inspector's report (Feb., 99) on the standard of examination and other teaching facilities available at Karnatak Institute of medical Sciences, Hubli for recognition of M.S. (Ophthalmology) & DOMS qualifications granted by Karnatak University.

The Postgraduate Committee considered the Council Inspector's report (Feb. 1999) and decided to recommend that M.S. (Ophthalmology), and DOMS qualifications granted by Karnatak University, in respect of students being trained at Karnatak University, in respect of students being trained at Karnatak Institute of medical Sciences, Hubli be recognized and included in the first Schedule to the Indian Medical Council Act, 1956 restricting the number of admissions to 3 (three) students in M.S. (Ophthalmology) and (six) students in DOMS per year.

The Committee further decided to advise the institution to take appropriate steps to increase the clinical workload.

21. Mysore University – (i) Recognition of M.D. (Biochemistry) qualification in respect of students being trained at J.S.S. Medical College, Mysore.

(ii) Increase of seats u/s 10A of the I.M.C. Act,

Read: Council Inspector's report (March 99) on the standard of examination and other teaching facilities available at J.S. S. Medical College, Mysore for recognition of M.D. (Biochemistry) qualification granted by Mysore University & for increase of seats u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided not to recommend recognition of M.D. (Biochemistry) qualification granted by Mysore University in respect of students being trained at J.S. S. Medical College, Mysore because of inadequate teaching staff and equipments and also the other deficiencies as pointed out in the inspection report.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided to recommend to the Central Govt. not to issue letter of intent for increase of seats in M.D. (Biochemistry) course u/s 10A of the I.M.C Act, 1956 because of inadequate teaching staff & equipments and also the other deficiencies as pointed out in the inspection report.

22. Nagpur University – Recognition of M.D. (Microbiology) qualification in respect of students being trained at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha.

Read: Council Inspector's report (April, 99) on the standard of examination and other teaching facilities available at Mahatma Gandhi Institute of medical Sciences, Sevagram, Wardha for recognition of M.D. (Microbiology) qualification granted by Nagpur University.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) and decided to recommend that M.D. (Microbiology) qualification granted by Nagpur University in respect of students being trained at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha, be recognized and included in the first schedule to the Indian Medical Council Act, 1956 restricting the number of admissions to 2 (two) students per year.

23. Nagpur University – Recognition of M.D. (Microbiology) qualification in respect of students being trained at Indira Gandhi Medical College, Nagpur.

Read: Council Inspector's report (May, 99) on the standard of examination and other teaching facilities available at Indira Gandhi Medical College, Nagpur for recognition of M.D. (Microbiology) qualification granted by Nagpur University.

The Postgraduate Committee considered the council Inspector's report (May, 1999) and decided to recommend that M.D. (Microbiology) qualification granted by Nagpur University, in respect of students being trained at Indira Gandhi Medical College, Nagpur be recognized and included in the first

Schedule to the Indian Medical Council Act, 1956 restricting the number of admissions to 3 (three) students per year.

The Committee further decided to advise the University authorities to ensure in future to appoint external examiners from outside the State.

24. Madurai Kamraj University & the tamil Nadu Dr. MGR Medical University – Recognition of M.S. (Ophthalmology) & D.O. qualifications in respect of students being trained at Arvind Eye Hospital & P.G. Institute of Ophthalmology, Madurai.

Read: Council Inspector's report (April, 99) on the standard of examination and other teaching facilities available at Arvind Eye Hospital & P.G. Institute of Ophthalmology, Madurai for recognition of M.S. (Ophthalmology) & D.O. qualifications granted by Madurai Kamraj University & the Tamilnadu Dr. M.G.R. Medical University.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) and decided to recommend that M.S. (Ophthalmology) and D.O. qualification granted by the Tamil Nadu Dr. M.G.R. Medical University in respect of students being trained at Arvind Eye Hospital & P.G. Institute of Ophthalmology, Madurai be recognized and included in the first Schedule to the Indian Medical Council Act, 1956 restricting the number of admissions to 4 (four) students in M.S. (Ophthalmology) and 8 (eight) students in D.O. course per year.

25. Letters of Intent/Permission/Disapproval of Scheme issued by the Central Govt., Ministry of Health and F.W. for starting/increase of seats of postgraduate courses in various medical colleges u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee noted the following Letters of Intent/Permission/Disapproval of Scheme issued by the Central Govt., Ministry of Health and F.W. for starting/increase of seats of postgraduate courses in various medical colleges u/s 10A of the I.M.C. Act, 1956 as mentioned against each:-

<u>Unicversity/ Instt.</u>	<u>Courses</u>	<u>Date of Letters Of Intent/ Permission/Disapproval of Scheme issued by the Central Govt.</u>
1. Sri Ramachandra Medical College & Research Instt., Chennai	D.M. (Neurology)- 2	18.3.99 Letter of Permission for start Of course.

26. **Rajiv Gandhi University of Health Sciences – Recognition of DCH qualification in respect of students being trained at Sri Devraj Urs Medical College, Kolar**

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for recognition of DCH qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and noted the following deficiencies: -

- (i) The teaching faculty in the department is not as per MCI norms,
- (ii) The Professor & Head of the department is above 65 years & the second Professor does not possess recognized qualification.
- (iii) Unit II has only two teaching faculty members-thus making it ineligible for intake of PG students, and
- (iv) Inadequate clinical material.

The institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person with the compliance before the Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

27. Rajiv Gnadhi University of Health Sciences – Recognition of D. Ortho. Qulification in respect of students being trained at Sri Devraj Urs Medical College, Kolar.

Read: Council Inspector's report (March, 99) on the standard of examinatio and other teaching facilities available at Sri Devraj Urs Medical Collge, Kolar for recognition of D.Ortho. qualification granted qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided not to recommend the recognition of D.Ortho qualification granted by Rajiv Gandhi University in respect of students being trained at Sri Devraj Urs Medical College, Kolar because the unit composition as regards bed strength and teaching faculty is not as per MCI norms.

The institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person with the compliance before the Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

28. Rajiv Gandhi University of Health Sciences – Recognition of D.L.O. qualification in respect of students being trained at Sri Devraj Urs Medical College, Kolar.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for recognition of D.Ortho. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided not to recommend the recognition of D.L.O. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Sri Devraj Urs Medical College, Kolar since both the Professors in the department are over 65 years of age and the details of the clinical material are not available.

The institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person with the compliance before the Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

29. Rajiv Gandhi University of Health Sciences – Recognition of D.G.O. qualification in respect of students being trained at Sri Devraj Urs Medical College, Kolar.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for recognition of D.G.O. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided to recommend that D.G.O. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Sri Devraj Urs Medical College, Kolar be recognized and included in the first Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 4 (four) students per year.

30. Rajiv Gandhi University of Health Sciences – Recognition of D.A. qualification in respect of students being trained at Sri Devraj Urs Medical College, Kolar.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for recognition of D.A. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the council Inspector's report (March, 1999) and decided to recommend that D.A. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Sri Devraj Urs Medical College, Kolar be recognized and included in the first Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 4 (four) students per year.

31. Rajiv Gandhi University of Health Sciences – Recognition of DCH qualification in respect of students being trained at Adichunchanagiri Institute of Medical Sciences, Nangamangala Tq. Mandya.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Adichunchanagiri Institute of Medical Sciences, nangamangala Tq. Mandya for recognition of DCH qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (march, 1999) and decided not to recommend recognition of D.C.H. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Adichunchanagiri Institute of Medical Sciences, Mandya because of the following deficiencies:-

- (i) inadequate clinical material in the OPD as also in inpatient department and
- (ii) lack of equipments and the space.

The institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person with the compliance before the Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

32. Rajiv Gandhi University of Health Sciences – Recognition of DGO qualification in respect of students being trained at Adichunchangiri Institute of Medical Sciences, Nangamangala Tq. Mandya.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Adichunchangiri Institute of Medical Sciences, Nangamangala Tq. Mandya for recognition of DGO qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (march, 1999) and decided not to recommend recognition of D.g.O. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Adichunchangiri Institute of Medical Sciences, Mandya due to the following deficiencies :-

- 1. The Professor & HOD is above 65 years.
- 2. Units are not as per MCI norms.

The institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person with the compliance before the

Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

33. Rajiv Gandhi University of Health Sciences – Recognition of D.M.R.D. qualification in respect of students being trained at Adichunchanagiri Institute of Medical Sciences, Nangamangala Tq. Mandya.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Adichunchanagiri Institute of Medical Sciences, Nangamangala Tq. Mandya for recognition of D.M.R.D. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided not to recommend recognition of D.G.O. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Adichunchanagiri Institute of Medical Sciences, Mandy due to the following deficiencies :-

1. The Professor & HOD is above 65 years.
2. Units are not as per MCI norms.

The Institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person with the compliance before the Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

34. Rajiv Gandhi University of Health Sciences – Recognition of D.M.R.D. qualification in respect of Medical Sciences, Nangamangala Tq. Mandya.

Read: Council Inspector's report (march, 99) on the standard of examination and other teaching facilities available at Adichunchanagiri Institute of Medical Sciences, Nangamangala Tq. Mandya for recognition of D.M.R.D. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided not to recommend recognition of D.M.R.D. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Adichunchanagiri Institute of Medical Sciences, Mandya as both the Professors and one Associate Professor are over 65 years of age and none of the remaining teaching faculty is having requisite recognized postgraduate qualification and adequate experience.

The institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal haring be provided for which the college authorities may appear in person with the compliance before the

Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

35. Rajiv Gandhi University of Health Sciences – Recognition of DA qualification respect of students being trained at Shri B.M. Patil Medical College, Bijapur.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Shri B.M.Patil Medical College, Bijapur for recognition of DA qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided to recommend that D.A. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Shri B.M. Patil Medical College, Bijapur be recognized and included in the first Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 2 (two) students per year.

36. Rajiv Gandhi University of Health Sciences – Recognition of DCH qualification in respect of students being trained at Shri B.M. Patil Medical College, Bijapur.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Shri B.M. Patil Medical College, Bijapur for recognition of DCH qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided not to recommend recognition of DCH qualification granted by Rajiv Gandhi University of Health Sciences, in respect of students being trained at Shri B.M. Patil Medical College, Bijapur since the unit complement in terms of teaching faculty is not as per MCI norms.

The Institution authorities may be informed about the above recorded deficiencies with a view to obtain the compliance on the same and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person with the compliance before the Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration.

37. Mangalore University & Rajiv Gandhi University of Health Sciences – Recognition of DA qualification in respect of students being trained at Father Muller's Institute of Medical Education and Research, Mangalore.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Father Muller's Institute of Medical

Education and Research, Mangalore of recognition of DA qualification granted by Mangalore University and Rajiv Gandhi University of Health Sciences.

Item withdrawn.

38. Mangalore University & Rajiv Gandhi University of Health Sciences – Recognition of DGO qualification in respect of students being trained at Father Muller’s Institute of Medical Education and Research, Mangalore.

Read: Council Inspector’s report (March, 99) on the standard of examination and other teaching facilities available at Father Muller’s Institute of Medical Education and Research, Mangalore for recognition of DGO qualification granted by Mangalore University and Rajiv Gandhi University of Health Sciences.

Item withdrawn.

39. Mangalore University & Rajiv Gandhi University of Health Sciences – Recognition of DCH qualification in respect of students being trained at Father Muller’s Institute of medical Education and Research, Mangalore.

Read: Council Inspector’s report (March, 99) on the standard of examination and other teaching facilities available at Father Muller’s Institute of Medical Education and Research, Mangalore for recognition of DCH qualification granted by Mangalore University and Rajiv Gandhi University of Health Sciences.

Item withdrawn.

40. Rajiv Gandhi University of Health Sciences – Recognition of D.Ortho qualification in respect of students being trained at J.S.S. Medical College, Mysore.

Read: Council Inspector’s report (March, 99) on the standard of examination and other teaching facilities available at J.S.S. Medical College, Mysore for recognition of D.Ortho. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector’s report (March, 1999) and decided to recommend that D. Ortho qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector’s report (March, 1999) and decided to recommend that D.Ortho. qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at J.S.S. Medical College, Mysore be recognized and included in the

first Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 6 (six) students per year.

41. Rajiv Gandhi University of Health Sciences – Recognition of DGO qualification in respect of students being trained at Shri B.M. Patil Medical College, Bijapur.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Shri B.M. Patil Medical College, Bijapur for purpose of recognition of DGO qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided to recommend that DGO qualification granted by Rajiv Gandhi University of Health Sciences in respect of students being trained at Shri B.M. Medical College, Bijapur be recognized and included in the first Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 4 (four) students per year.

42. Rajiv Gandhi University of Health Sciences – Recognition of D.Ortho. qualification in respect of students being trained at adichunchangiri Institute of Medical Sciences, Bellur.

Read: Council Inspector's report (March, 99) on the standard of examination and other teaching facilities available at Adichunchanagiri Institute of Medical Sciences, Bellur for purpose of recognition of D.Ortho. qualification granted by Rajiv Gandhi University of Health Sciences.

The Postgraduate Committee considered the Council Inspector's report (March, 1999) and decided to defer the item for want of information regarding indoor and outdoor patients' strength, and details of major and minor operative work etc.

43. Starting of M.D. (Radio-Diagnosis) & DMRD courses at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10A of the I.M.C. Act, 1956.

Read: Council Inspector's report (May, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University for purpose of starting of M.D. (Radio-Diagnosis) & DMRD courses u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 1999) and decided to recommend to the Central Govt. not to issue letter of intent for starting of M.D. (Radio-Diagnosis) and D.M.R.D. courses at T.D. Medical College, Alappuzha u/s 10A of the I.M.C. Act, 1956 because of inadequate teaching staff (even not meeting the requirement of Deptt. For

Undergraduate level) and the other deficiencies as pointed out in the inspection report.

44. Starting of M.S. (Orthopaedics) course at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10A of the I.M.C. Act, 1956.

Read: Council Inspector's report (May,99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University for purpose of starting of M.S. (Orthopaedic) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 1999) and decided to recommend to the Central Govt. not to issue letter of intent for starting of M.S. (Orthopaedics) course at T.D. Medical College, Alappuzha u/s 10A of the IMC Act, 1956 because of the following reasons:-

- i) Composition of unit not as per MCI norms (both units have 21 beds only)
- ii) One of the units is headed by an Asstt. Prof. (Not by Assoc. Prof./Prof.)

45. Starting of M.D. (Derm. & Ven.) course at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10A of the I.M.C. Act, 1956.

Read: Council Inspector's report (May, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University for purpose of starting of M.D. (Derm. & Ven.) course u/s 10A of the I.M.C. Act, 1956

The Postgraduate Committee considered the Council Inspector's report (May, 1999) and decided to recommend to the Central Govt. to issue letter of intent for starting M.D. (Derm. & Ven.) course at T.D.

46. Starting of M.S. (ENT) course at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10A of the I.M.C. Act, 1956

Read: Council Inspector's report (May, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha affiliated to Kerala University for purpose of starting of M.S. (ENT) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 1999) and decided to recommend to the Central Govt. not to issue letter of intent for starting of M.S. (ENT) course at T.D. Medical College, Alappuzha because of M.S. (ENT) course at T.D. Medical College, Alappuzha because the Professor & HOD does not possess requisite recognized postgraduate qualification and the composition of the units with regard to bed strength and teaching faculty is not as per MCI norms.

47. Starting of M.S. (General Surgery) course at Sri Siddhartha Medical College, Tumkur u/s 10A of the I.M.C. Act, 1956 – Central Government letter regarding.

Read: Letter dated 22.3.99 received from the Central Government, Ministry of Health & F.w. with regard to starting of M.S. (General Surgery) course at Sri Siddhartha Medical College, Tumkur u/s 10A of the IMC Act, 1956.

The Postgraduate Committee, in the light of the letter dated 22.04.99 received from the Central Govt., considered the Council Inspector's report (F3eb.99) carried out on the compliance received through the Central Govt. and decided to recommend to the Central Govt. to issue letter of permission for starting of M.S. (General Surgery) course at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences u/s 10a of the I.M.C. Act, 1956 prospectively restricting the number of admissions to 3 (three) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per provisions of section 11(2) of the I.M.C. Act, 1956.

48. Starting of M.D. (Paediatric) & DCH courses at Sri Siddhartha Medical College, Tumkur u/s 10A of the I.M.C. Act, 1956 – Compliance verification regarding issuance of Letter of Permission.

Read: Compliance verification report (Oct., 98) on the physical and other teaching facilities available at Sri Siddhartha Medical College, Tumkur alongwith compliance & further compliance verification (April, 99) for purpose of starting of M.D. (Paediatric) & DCH courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April 1999) carried out on the compliance received through the Central Govt. and decided to recommend to the Central Govt. to issue letter of permission for starting of M.d. (Paediatrics) and D.C.H. courses at Sri Siddhartha Medical College, Tumkur, Affiliated to Rajiv Gandhi University of Health Sciences, u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 1 (one) student in M.d. and 2 (two) in DCH per year till the first batch admitted appears in the final examination of the said courses. The institution bge advised to apply for recognition of the qualifications at the time of first available examination as per provisions of section 11(2) of the I.M.C. Act, 1956

49. Starting of M.D. (General medicine) course at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the I.M.C. Act, 1956 – compliance verification for Letter of Permission regarding.

Read: Compliance verification report (Sept., 98) on the physical and other teaching facilities available at Sri Siddhartha Medical College, Tumkur together with compliance & compliance verification (April, 99) for purpose of starting of M.d. (General Medicine) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) carried out on the compliance received through the Central Govt. and decided to recommend to the Central Govt. to issue letter of permission for starting of M.D. (General medicine) course at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences u/s 10 A of the I.M.C Act, 1956 prospectively restricting the number of admissions to 2 (two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per provisions of section 11 (2) of the I.M.C. Act, 1956.

50. Starting of M.D. (Radio-Diagnosis) & DMRD courses at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the I.M.C. Act, 1956 – Compliance verification regarding Letter of Permission.

Read: Compliance verification report (Oct., 98) on the physical and other teaching facilities available at Sri Siddhartha Medical College, Tumkur together with compliance & compliance verification (April, 99) for purpose of starting of M.D. (Radio-Diagnosis) & DMRD courses u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) carried out on the compliance received through the Central Govt. and decided to recommend to the Central Govt. to issue letter of permission for starting the M.D. (Radio-diagnosis) and D.M.R.D. courses at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the I.M.C. Act, 1956 prospectively restricting the number of admissions to 1 (one) student in M.D. (Radio-Diagnosis) and 2 (two) students in D.M.R.D. per year till the first batch admitted appears in the final examination of the said courses. The institution be advised to apply for recognition of the qualifications at the time of first available examination as per provisions of section 11(2) of the I.M.C. Act, 1956.

51. Starting of M.S. (ENT) & DLC courses at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the IMC Act, 1956 – Compliance verification regarding Letter of Permission.

Read: Compliance verification report (Oct. 98) on the physical and other teaching facilities available at Sri Siddhartha Medical College, Tumkur together with compliance & compliance verification (April, 99) for purpose of starting of M.S. (ENT) & DLO courses u/s 10A of the I.M.C Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) carried out on the compliance received through the Central Govt. and decided to recommend to the Central Govt. to issue letter of permission for starting of M.S. (ENT) and D.L.O. courses at Sri Siddhartha Medical College, Tumkur affiliated to Rajiv Gandhi University of Health Sciences u/s 10A of the I.M.C Act, 1956 prospectively restricting the number of admissions to 1 (one) student in M.S. (ENT) and 2 (two) students in D.L.O. per year till the first batch admitted appears in the final examination of the said courses. The institution be advised to apply for recognition of the qualifications at the time of first available examination as per provisions of section 11(2) of the I.M.C. Act, 1956.

52. Starting of PG courses at Dr. B.R. Ambedkar Medical College, bangalore u/s 10A of the I.M.C. Act, 1956 – compliance regarding.

Read: The inspection reports (Feb./March, 1997) on the physical and other facilities available at Dr. B.R. Ambedkar Medical College, Bangalore together with compliance for starting of certain P.G. Courses u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered inspection reports (Feb./March, 1997) alongwith the compliance with regard to starting of the following postgraduate courses at Dr. B.R.Ambedkar Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences :-

1. M.D. (Skin & V.D.) & D.V.D.
2. M.D. (Anaesthesia) & D.A.
3. M.D. (Forensic Medicine)

The Committee observed that while some of the members of the faculty have been replaced, the recognition status of many of the teachers has undergone change and therefore decided to verify the same by way of inspections in the respective departments.

The Committee decided to authorize the Chairman to decide in the matter upon receipt of the reports.

53. Bombay University – Continuance of recognition of M.S. (Ophthalmology) qualification in respect of students being trained at (i) Seth G.S. Medical College, Mumbai ; (ii) Grant Medical College, Mumbai and (iii) T.N. Medical College, Mumbai.

Read: Council Inspector's report (Feb., 99) on the standard of examination and other teaching facilities available at (i) Seth G.S. Medical College, Mumbai; (ii) Grant Medical College, Mumbai and (iii) T.N. Medical College, Mumbai for purpose of continuance of recognition of M.S. (Ophthalmology) qualification granted by Bombay University.

The Postgraduate Committee considered the Council Inspector's report (Feb. 1999) and decided to defer the item for want of detailed report from the Council Inspector.

54. Mangalore University/Manipal Academy of Higher Education – Recognition of D.Ortho. and continuance of recognition of M.S. (Ortho.) qualification in respect of Kasturba Medical College, Manipal.

Read: Council Inspector's report (July, 97) on the standard of examination and other teaching facilities available at Kasturba Medical College, Manipal for purpose of recognition of D.Ortho. & Continuance of recognition of M.S. (Ortho.) qualifications granted by Mangalore University/Manipal Academy of Higher Education.

The Postgraduate Committee considered the Council Inspector's report (July, 1997) and decided to arrange for re-inspection since the report does not provide complete information relating to facilities available in the department.

55. Maharshi Dayanand University – Continuance of recognition of M.D. (Paediatric) and DCH qualifications in respect of Medical College, Rohtak.

Read: Council Inspector's report (Feb., 99) on the physical and other teaching facilities available at Medical College, Rohtak for purpose of continuance of recognition of M.D. (Paediatric) & DCH qualification granted by Maharshi Dayanand University, Rohtak.

The Postgraduate Committee considered the Council Inspector's report (Feb., 1999) and noted the following:-

1. That the constitution of units in the department of Paediatrics staff and bed-wise is not as per MCI norms:-
 - a) Unit I consists of 30 beds and the staff available for this unit is Dr. A.D. Tiwari, Professor & Head of the department of Paediatrics.
 - b) Unit II consists of 14 beds and the staff available for this unit is Dr. Anit Sharma and Dr. Sanjeev Nanda (both are Associate Professors).
 - c) Unit II consists of 6 beds and the staff available for this unit is Dr. Geeta Gathwala, Reader and Dr. Rakesh Seth, Lecturer.
2. That the 6 bedded unit of Neonatology is not functioning under the overall control of the head of the department of Paediatrics, thus making it unsuitable for training of undergraduate and postgraduate students.
3. Number of annual admissions to postgraduate course have been varying and the institution admitted 5 students in M.d. (Paediatric) during the year 1997 which exceeded the sanctioned strength of 4.
4. That the postgraduate students are not being rotated in all the units and hence do not get adequate exposure to all types of clinical material.

5. In addition to this, the other deficiencies as reported in the inspection report.

The Committee decided that the institution authorities may be informed about the above recorded deficiencies with a view to obtain their comments and further decided that an opportunity of personal hearing be provided for which the college authorities may appear in person before the Secretary of the Council and the matter be brought back to the Committee alongwith the compliance if submitted for further consideration in the matter.

56. Non-teaching Hospital – Divisional Railway Hospital, Trichirapally (Tamilnadu) (i) Recognition for housemanship, (ii) Increase of seats in the subjects already recognized.

Read: Council Inspector's report (March, 99) on the physical facilities available at Divisional Railway Hospital, Trichirapally (Tamilnadu) for purpose of its recognition for housemanship and also increase of seats in the subjects already recognized.

The Postgraduate Committee considered the Council Inspector's report (March, 99) on the facilities available at Divisional Railway Hospital, Trichirapally (Tamilnadu) for housemanship and decided;

- (i) Not to recommend recognition of housejob in the following subjects:-

Orthopaedics
Ophthalmology
Paediatrics

- (ii) Not to permit increase of seats in the subjects already recognized with intake mentioned against each:

Medicine – 1 (One)
Surgery – 1 (One)
Obst. & Gynae. – 1 (One)

57. Non-teaching Hospital – Continuance of recognition of South Eastern Railway Hospital, Garden Reach, Calcutta for housemanship.

Read: council Inspector's report (April, 99) on the physical facilities available at South Eastern Railway Hospital, Garden Reach, Calcutta for purpose of continuance of recognition of the hospital for housemanship.

The Postgraduate Committee considered the Council Inspector's report (April, 1999) on the facilities available at South Eastern Railway Hospital, Garden Reach, Calcutta and decided:

- (i) Recognition of housejob in the following subjects be continued with the number mentioned against each:-

Medicine – 6 (six)
Surgery – 6 (six)
Obst. & Gynae. – 3 (three)

- (ii) Recognition of the housejob in the following subjects with the previous intake mentioned against each be withdrawn because of inadequate facilities, staff and bed-wise, in these departments:-

59. Recognition of M.Sc. in Bacteriology and Virology/Molecular Microbiology awarded by University of Manchester, U.K.

Read: The matter with regard to recognition of M.Sc. in Bacteriology and Virology/Molecular Microbiology awarded by University of Manchester, U.K.

The Postgraduate Committee decided to defer the consideration of the matter.

60. Rajasthan University – Recognition of M.D. (Physical Medicine & Rehabilitation) qualification in respect of students being trained at S.M.S. Medical College, Jaipur – Compliance regarding.

Read: Council Inspector's report (April, 96) on the standard of examination and other teaching facilities available at S.M.S. Medical College, Jaipur together with compliance for purpose of recognition of M.D. (Physical Medicine & Rehabilitation) qualification granted by Rajasthan University.

The Postgraduate Committee decided to defer the consideration of the matter.

61. Bangalore University – Recognition of M.D. (Pharmacology) qualification in respect of Kempegowda Institute of Medical Sciences, Bangalore – Compliance verification regarding.

Read: Council Inspector's report (January, 97) on the standard of examination and other teaching facilities available at Kempegowda Institute of Medical Sciences, Bangalore together with Compliance & compliance verification (March, 99) for purpose of recognition of M.D. (Pharmacology) qualification granted by Bangalore University.

The Postgraduate Committee decided to defer the consideration.

62. Increase of seats in M.Ch. (Urology) course at Sanjay Gandhi Postgraduate Instt. of Medical Sciences, Lucknow (Deemed University) u/s 10A of the I.M.C. Act, 1956 – Compliance regarding.

Read: Council Inspector's report (Oct., 98) on the physical and other teaching facilities available at Sanjay Gandhi Postgraduate Instt. of Medical Sciences, Lucknow (Deemed University) together with compliance for purpose of increase of seats in M.Ch. (Urology) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Oct., 1998) along with the compliance and decided to recommend to the Central Govt. to issue letter of permission for increase of seats in M.Ch. (Urology) course at Sanjay Gandhi Postgraduate Instt. of Medical Sciences, Lucknow (Deemed University) from 2 (two) to 4 (four) per year prospectively u/s 10A of the IMC Act, 1956 till the first batch admitted against the increase number appears for the final examination of the said course.

63. Reconsideration of fixation of seats in postgraduate degree course in Dr. B.R. Ambedkar Medical College, Bangalore – Compliance regarding.

Read: The matter with regard to fixation of seats in M.D. (Microbiology) course at Dr. B.R. Ambedkar Medical College, Bangalore together with compliance submitted by the institution.

The Postgraduate Committee considered the matter with regard to fixation of seats in M.D. (Microbiology) course at Dr. B.R. Ambedkar Medical College, Bangalore alongwith the additional information received and decided to reiterate the earlier decision to fix the number of intake to 2 (two) students per year.

64. Starting of M.D. (Physical Medicine & Rehabilitation) course at Christan Medical College, Vellore, affiliated to the Tamilnadu Dr. M.G.R. Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 – Compliance regarding.

Read: Council Inspector's report (November, 98) on the physical and other teaching facilities available at Christian Medical College, Vellore together with compliance for purpose of starting of M.D. (Physical Medicine & Rehabilitation) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report November, 1998) alongwith the compliance and decided to obtain from the institution clarification regarding the duration-wise experience gained by Prof. Bhattacharya, Prof. and Head of the Department.

The Chairman is authorized to decide in the matter on receipt of the information.

65. Starting of M.D. (Tuberculosis & Respiratory Diseases) course at Govt. Medical College, nanded under Swami Ramanand Teerth Marathwada University u/s 10A of the I.M.C Act, 1956 – Compliance verification regarding.

Read: Council Inspector's report (Feb., 98) on the physical and other teaching facilities available at Govt. Medical College, Nanded together with compliance, compliance verification report (December, 98) subsequent informations for purpose of starting of M.D. (Tuberculosis & Respiratory Diseases) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Feb.98) together with compliance and compliance verification report (Dec., 1998) and subsequent information and decided to recommend to the Central Govt. to issue letter of permission for starting of M.D. (Tuberculosis & Respiratory Diseases) course at Govt. Medical College, Nanded affiliated to Swami Ramanand Teerth Marathwada University u/s 10A of the I.M.C. Act, 1956 prospectively restricting the number of admission to 1 (One) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per provisions of section 11(2) of the I.M.C. Act, 1956.

66. Nagpur University – Recognition of M.S. (General Surgery) qualification in respect of Mahatma Gandhi Institute of Medical Sciences, Wardha – Compliance regarding.

Read: Council Inspector's report (April, 98) on the standard of examination and other teaching facilities available at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha together with compliance for purpose of recognition of M.S. (General Surgery) qualification granted by Nagpur University.

The Postgraduate Committee considered the Council Inspector's report (April, 1998) and decided to defer consideration of the matter.

67. Starting of M.D. (Biochemistry) course at Sri Jayadeva Institute of Cardiology, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 – Compliance verification regarding.

Read: Council Inspector's report (Sept., 98) on the physical and other teaching facilities available at Sri Jayadeva Institute of Cardiology, Bangalore together with compliance and compliance verification report (March, 1999) for the purpose of starting of M.D. (Biochemistry) course u/s 10A of the I.M.C Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Sept., 1998) alongwith the compliance and compliance verification report (March, 1999) and noted that Sri Jayadeva Institute of Cardiology, Bangalore is purely a Cardiology Institute hence, all kinds of biochemical investigations and reporting of various ailments which is essential component for training of postgraduate students shall not be available for the department of Biochemistry at their institute.

In view of this observation, the Committee decided to recommend to the Central Govt. not to issue Letter of Intent for starting of M.D. (Biochemistry) course at Sri Jayadeva Institute of Cardiology, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956.

68. Starting of M.Ch. (Surgical Oncology) course at K.G. Medical College, Lucknow affiliated to Lucknow University u/s 10A of the I.M.C. Act, 1956 – Compliance verification regarding.

Read: Council Inspector's report (January, 96) on the physical and other teaching facilities available at K.G. Medical College, Lucknow together with

compliance and compliance verification (April, 1999) for purpose of starting of M.Ch. (Surgical Oncology) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Jan. 1999) alongwith the compliance and compliance verification report (April, 1999), and decided to recommend to the Central Govt. not to issue letter of intent for starting of M.Ch. (Surgical Oncology) course at K.G. Medical College, Lucknow, affiliated to Lucknow University, u/s 10A of the IMC Act, 1956, due to inadequate qualified teaching staff and poor clinical material.

69. Increase of seats in M.D. (Obst. & Gynae.) course at Sri Ramachandra Medical College & Research Institute, Chennai u/s 10A of the I.M.C. Act, 1956.

Read: Council Inspector's report (May, 99) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai for purpose of increase of seats in M.D. (Obst. & Gynae.) course u/s 10a of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 1999) and decided to recommend to the Central Govt. to issue letter of permission for increase of seats in M.D. (Obst. & Gynae.) course at Sri Ramachandra Medical College & Research Centre, Chennai (Deemed University) from 7(seven) to 12(twelve) per year prospectively u/s 10A of the IMC Act, 1956 till the first batch admitted against the increase number appears for the final examination of the said course.

70. Starting of M.D. (Paediatrics) & DCH courses at T.D. Medical College, Alappuzha affiliated to Kerala University u/s 10a of the IMC Act, 1956.

Read: Council Inspector's report (May, 99) on the physical and other teaching facilities available at T.D. Medical College, Alappuzha for purpose of starting of M.D. (Paediatrics) & DCH courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 1999) and decided to recommend to the Central Govt. to issue letter of intent for starting of M.D. (Paediatrics) and DCH courses at T.D. Medical College, Alappuzha, affiliated to Kerala University u/s 10a of the IMC Act, 1956 prospectively restricting the number of admissions to 2 (two) students each for M.D. (Paediatrics) and DCH courses per year. The institution is advised to rectify the deficiencies pointed out in the inspection report.

71. Decision of the Postgraduate Committee taken on inspection reports – Regarding continuation of recognition etc.

Read: Secretary's note with regard to decision of the Postgraduate Committee taken on inspection reports for continuation of recognition etc.

1. The Committee perused the note and agreed that henceforth wherever decisions are to be taken not to allow continuation of recognition of a qualification, the following procedure will follow:-
 - a) The deficiencies pointed out in the inspection report be intimated to the institution concerned for their observations/immediate compliance.
 - b) If the deficiencies are of great extent, an opportunity of personal hearing be provided to the concerned authorities.
 - c) If a satisfactory compliance is received, the same be brought back to the P.G. Committee for its consideration (if required after verification of the compliance).
 - d) If within a stipulated period, the institution fails to respond, show cause notice be issued, giving one month's time to the authorities to respond to show cause notice, failing which de-recognition of the qualifications as per the provisions of the section 19 of the IMC Act, 1956 may be recommended to the Central Govt.
2. As regards the reduction of seats or stopping of admission of the courses, similar procedure as mentioned above be followed before taking a final decision.

72. Recognition of D.M. (Nephrology) qualification in respect of students being trained at Christian Medical College, Vellore – affiliation with University of Madras regarding.

Read: The letter dated 18/5/99 from the Principal, Christian Medical College, Vellore in respect of Govt's. notification No. V. 11015/2/98 – ME (UG), dated 23.02.99 of D.M. (Nephrology) qualification in respect of Christian Medical College, Vellore.

The Postgraduate Committee considered the letter dated 18.05.99 from the Principal, Christian Medical college, Vellore and decided to recommend to the Central Govt. to amend the Govt's. notification dated 23.02.99 so as to mention the period of recognition of D.M. (Nephrology) qualification as under:-

Under Madras University: from April, 1977 – March, 1990.

Under the Tamilnadu Dr. MGR Medical University, : w.e.f. March, 1990

73. Starting of PG courses at Rajah Muthiah Medical College, Annamalainagar under Annamalai University – Proposal regarding.

Read: The matter with regard to starting of certain PG degree/diploma courses at Rajah Muthiah Medical College, annamalainagar affiliated to Annamalai University u/s 10a of the IMC Act, 1956.

The Postgraduate Committee noted that a request has been received through the Central Govt. u/s 10A for starting the following postgraduate degree/diploma courses at Rajah Muthiah Medical College, Annamalainagar:-

1. M.D. (Radio-Diagnosis)
2. D.M.R.D.
3. D.O.
4. D.L.O.
5. D.A.
6. D.G.O
7. D.C.H.
8. D. Ortho.

The Committee decided to carry out inspection for M.D. (Radio-Diagnosis), DMRD, D.O. and D.L.O courses and authorized the Chairman, PG Committee to decide in the matter on receipt of the inspection reports.

However, in the subjects of DA, DGO, DCH & D. Ortho. Since the inspections had already been carried out by the council in Feb./March, 1999 for starting postgraduate degree courses in respective subjects, the same inspection reports be taken into account for deciding the matter for starting of diploma courses and the Chairman is authorized to decide in the matter.

74. Starting of M.Ch. (Paediatric Surgery) course at K.G. Medical College, Lucknow affiliated to Lucknow University u/s 10A of the IMC Act, 1956 – Compliance verification regarding.

Read: Council Inspector's report (February, 96) on the physical and other teaching facilities available at K.G. Medical College, Lucknow together with compliance & compliance verification (March, 99) for purpose of starting of M.Ch. (Paediatric Surgery) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Feb., 1996) alongwith the compliance and compliance verification report (March, 1999) and decided to obtain the following information for further consideration in the matter:-

The details of the faculty of the department of Paediatric Surgery with regard to :-

- a) Designations held by the teaching staff from time to time;
- b) Total experience gained with the break-up of experience in the department of Surgery/Paediatric Surgery unit functioning in the department of surgery and/or department of Paediatric Surgery.

75. Reservation of 5% seats in the P.G. courses for admission of University toppers of MBBS examination.

Read: Letter dated 30.04.99 from the Additional Secretary to Govt. of Orissa, Health & Family Welfare Department, requesting for reservation of 5% seats in the P.G. courses for admission of University toppers of MBBS examination.

The Committee read the letter of the Additional secretary of Government of Orissa alongwith the order dated 15.05.98 pronounced by Hon'ble High Court in Orissa in OJC No. 3867 of 1997.

The Committee also perused the existing Regulations of Postgraduate Medical Education and the recommendations made to the Central Govt. in the revised document for approval as Regulations u/s 33 of I.M.C. Act, 1956 and noted that where admissions in the P.G. Courses are made after conduct of entrance examination, there is no provision for having reservation of seats, whatsoever percentage, for the students on the basis of their academic performance at medical graduation level as requested by the additional Secretary of Govt. of Orissa, except for the reservations as prescribed in the Constitution.

In view of this, the State govt. may be advised to bring the Regulations prescribed in the matter to the notice of the Hon'ble High Court.

76. Starting of M.Ch. (Cardio Thoracic Surgery) course at Sri Ramachandra Medical College and Research Institute, (Deemed University), Chennai u/s 10a of the IMC Act, 1956.

Read: Letter dated 11th May, 1999 from the Central Govt. Ministry of Health & Family Welfare, requesting to send the comments of MCI in the matter of starting of M.Ch. (Cardio Thoracic Surgery) course at Sri Ramachandra Medical College and Research Institute, (Deemed University), Chennai.

The Postgraduate Committee decided to authorize the Chairman to decide in the matter.

77. Starting of M.D. (Oncology) and M.Ch. (Surgical Oncology) courses at Tata Memorial Hospita, Bombay u/s 10A of the IMC Act, 1956.

Read: the inspection report (Sept./Oct., 98) on the physical and other teaching facilities available at Tata Memorial Hospital, Bombay alongwith the other information/clarification from the authorities of the Institution for starting of D.M. (Oncology) and M.Ch. (Surgical Oncology) courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the matter and decided to ratify the decision of the Chairman, P.G. Committee as authorized by the P.G. Committee at its meeting held on 3.1.99 to recommend to the Central Govt. to issue Letter of Permission for starting of D.M. (Medical Oncology) and M.Ch. (Surgical Oncology) courses at Tata memorial Hospital, Bombay u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2 (two) students each for D.M. (Medical Oncology) and M.Ch. (Surgical Oncology) courses per year till the first batch admitted appears in the final examination of the said courses. The institution be advised to apply for recognition of the qualification at the time of first available examination as per

provision of section 11 (2) of the I.M.C. Act, 1956 and also to stop admissions in M.s. (Gen. Surgery) henceforth.

(Dr. M.SACHDEVA)
SECRETARY.

New Delhi, dated the
31st May, 1999

A P P R O V E D

(Dr. J. Rajappa)
Chairman
