Read : the Council Inspectors' reports on the physical and other teaching facilities available at Govt. Medical College, Chandigarh togetherwith compliance for starting of various P.G. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the matter and decided subject-wise as under :-

M.D. (Community Medicine).

The P.G. Committee considered the Council Inspector's report (August,2000) alongwith the compliance submitted by the institution wherein the

detailed evaluation of each of the teachers in the said department has been indicated giving total teaching experience after obtaining their Postgraduate qualification, as also the breakup of experience at different stages of their promotion.

The Committee also noted the recent decision of the General Body taken at its meeting held on 21st & 22nd June, 2001 regarding cadre promotion wherein the teachers who do not possess requisite teaching experience in terms of governing eligibility for promotion to higher cadres as prescribed by the Council rules; should at least possess a minimum of total teaching experience of 15 years in two or three cadres taken together, to be eligible as postgraduate teachers.

The Committee, in view of the above and noting that Dr. H.S. Swami, Prof. & Head, who has over 15 years of teaching experience after obtaining MD (Community Medicine) qualification becomes eligible as postgraduate teacher as per Council's decision; decided to recommend to Central Govt. to issue Letter of Permission for starting of MD (Community Medicine) course at Govt. Medical College, Chandigarh affiliated to Panjab University under section 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch of students admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of section 11(2) of the IMC Act, 1956

M.S.(Orthopaedics)

The P.G. Committee considered the Council Inspector's report (August, 2000) alongwith the compliance submitted by the institution wherein the detailed evaluation of each of the teachers in the said department has been indicated giving total teaching experience after obtaining their Postgraduate qualification, as also the breakup of experience at different stages of their promotion.

The Committee also noted the recent decision of the General Body taken at its meeting held on 21st & 22nd June, 2001 regarding cadre promotion wherein the teachers who do not possess requisite teaching experience in terms of governing eligibility for promotion to higher cadres as prescribed by the Council rules should at least possess a minimum of total teaching experience of 15 years in two or three cadres taken together, to be eligible as postgraduate teachers.

The Committee, in view of the above and noting that Dr. Raj Bahadur, Professor & Head, who has over 15 years of teaching experience after obtaining MS (Orthopaedics) qualification becomes eligible as postgraduate teacher as per Council's decision; decided to recommend to Central Govt. to issue Letter of Permission for starting of MS (Orthopaedics) course at Govt. Medical College, Chandigarh affiliated to Panjab University under section 10A of the IMC Act, 1956

prospectively restricting the number of admission to 1(one) student per year till the first batch of students admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of section 11(2) of the IMC Act,1956

M.D.(Obst. & Gynae.)

The P.G. Committee considered the Council Inspector's report (August,2000) alongwith the compliance submitted by the institution wherein the detailed evaluation of each of the teachers in the said department has been indicated giving total teaching experience after obtaining their Postgraduate qualification, as also the breakup of experience at different stages of their promotion.

The Committee noted that while Dr. Sarla Malhotra, Professor & Head has the recognised qualification and the requisite experience to be eligible as postgraduate teacher, the experience of Dr. Bipin K.Gupta , Reader during his stay abroad can not be accepted as teaching experience.

The Committee in view of the above decided to recommend to Central Govt. to issue Letter of Permission for starting of MD (Obst. & Gynae.) course at Govt. Medical College, Chandigarh affiliated to Panjab University under section 10A of the IMC Act,1956 prospectively restricting the number of admission to 1(one) student per year till the first batch of students admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of section 11(2) of the IMC Act,1956

M.D.(Paediatrics)

The P.G. Committee considered the Council Inspector's report (August,2000) alongwith the compliance submitted by the institution wherein the detailed evaluation of each of the teachers in the said department has been indicated giving total teaching experience after obtaining their Postgraduate qualification, as also the breakup of experience at different stages of their promotion.

The Committee noting that Dr.Veena Rani Parmar, Professor & Head has the recognised qualification and the requisite experience to be eligible as postgraduate teacher; decided to recommend to Central Govt. to issue Letter of Permission for starting of MD (Paediatrics) course at Govt. Medical College, Chandigarh affiliated to Panjab University under section 10A of the IMC Act,1956 prospectively restricting the number of admission to 1(one) student per year till the first batch of students admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at

the time of first available examination as per the provision of section 11(2) of the IMC Act, 1956

M.S.(E.N.T.)

The P.G. Committee considered the Council Inspector's report (August, 2000) alongwith the compliance submitted by the institution wherein the detailed evaluation of each of the teachers in the said department has been indicated giving total teaching experience after obtaining their Postgraduate qualification, as also the breakup of experience at different stages of their promotion.

The Committee also noted the recent decision of the General Body taken at its meeting held on 21st & 22nd June, 2001 regarding cadre promotion wherein the teachers who do not possess requisite teaching experience in term of governing eligibility for promotion to higher cadres as prescribed by the Council rules should atleast possess a minimum of total teaching experience of 15 years in two or three cadres taken together, to be as eligible postgraduate teachers.

The Committee noting that none of the teachers including Dr. Arjun Das, Professor & Head has been promoted as per MCI norms nor they possess minimum of total teaching experience of 15 years to be eligible as postgraduate teacher; decided to recommend to the Central Govt. not to issue Letter of Intent for starting of M.S.(E.N.T.) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the IMC Act, 1956.

14. Starting of M.S.(Anatomy) course at Govt. Medical College, Rajkot affiliated to Saurashtra University u/s 10A of the I.M.C. Act, 1956.

However, the authorities of the institution be directed to prospectively restrict the annual intake in M.Ch.(Urology) to 1 (one) student in view of the available teaching faculty.

88. Continuance of recognition of qualification granted by College of Physicians and Surgeons, Bombay – letter of the Central Government for reconsideration of earlier recommendations of derecognition – Central Govt. letter regarding.

Read : the Central Govt. letter dated 29th May, 2001 with regard to continuance of recognition of qualification granted by College of Physicians and Surgeons, Bombay.

The Postgraduate Committee considered the Central Govt. letter dated 29.5.2001 and observed that the list furnished by the College of Physicians and Surgeons included several non-teaching hospitals and teaching institutions within the State of Maharashtra where their courses are being run. As such it shall be

an impossible task to cause the inspection of all these institutions. Further the Postgraduate Committee observed that the Medical Council of India in terms of its authority and jurisdiction has already fixed the annual intake capacity at the various recognised teaching institutions against which no other postgraduate courses could be run. Likewise the various non-teaching hospitals where CPS courses are run are also running the postgraduate courses of DNB. No definite criteria for fixation of intake including those for admission/procedure and conduct of examinations resulting in conferment of the degrees/diplomas by CPS have been prescribed as per the knowledge of the Committee. Hence the PG Committee decided that the Registrar, College of CPS be requested to furnish a list of number of admissions made in the various institutions where the said courses are being run as included in their list from the academic session 1995-96 till date. Further the recognised medical colleges/institutions where the PG courses permitted/recognised by the Council are being run, be directed to stop the admissions to CPS courses, if any, forthwith.

89. Approval of the J.J.M.Medical College, Davangere for the award of M.S.(Orthopaedics) & D.Ortho. qualifications - affiliation with Mysore University - regarding.

The Postgraduate Committee considered the letter dated 4-7-2001 from the Principal, JJM Medical College, Davangere and noted that –

- i) the qualifications of M.S. (Ortho.) and D . Ortho. earlier granted by Kuvempu University in respect of JJM Medical College, Davangere were recognised and included in the first Schedule to the IMC Act, 1956;
- ii) prior to affiliation with Kuvempu University, the said institution was affiliated to Mysore University (1965-87) under which M.S. (Ortho.) and D. Ortho qualifications are recognised in respect of other institutions and not in respect of JJM Medical College Davangere;
- iii) the request for consideration of JJM Medical College, Davangere for approval of the institution for the award of the said qualifications under Mysore University.

The Committee, in view of the above, decided to recommend approval of JJM Medical College, Davangere for the award of M.S. (Ortho.) and D. Ortho. qualifications under Mysore University.

90. Recognition of M.D.(Radiology/Radio-Diagnosis) qualification in respect of Govt. Medical College, Amritsar - affiliation with Panjab University & Guru Nanak University - regarding.

Read : the letter dated 11.6.2001 from the Principal, Govt. Medical College, Amritsar for necessary amendments regarding recognition of M.D.(Radiology/Radio-Diagnosis) qualification in respect of Govt. Medical College, Amritsar under Panjab University & Guru Nanak University.

The Postgraduate Committee considered the letter dated 11-6-2001 from the Principal, Govt. Medical College, Amritsar and noted that –

- i) Govt. Medical College, Amritsar has been affiliated to Punjab University, Guru Nanak University, Guru Nanak Dev University and now to Baba Farid University of Health Sciences, in that order.
- ii) Qualification of M.D. (Radio-diagnosis) in respect of Govt. Medical College, Amritsar, stands notified recognised under Guru Nanak Dev University, with the proviso that “this will be a recognised medical qualification when granted on or after 1976”.

The Postgraduate Committee, noting the above, and considering the fact that the recognition of the said qualification in respect of the said institution prior to 1976 when the institution was earlier affiliated to Panjab University and then to Guru Nanak University, does not stand notified in respect of these universities, decided to recommend to the Central Govt. to amend the notification so as to mention the period of recognition of the qualification in respect of Govt. Medical College, Amritsar with the nomenclature mentioned against each as under :-

“Under Punjab University	MD (Radiology) on or before 1970
Under Guru Nanak University	MD (Radiology) from 1970 to July, 1975
Under Guru Nanak Dev Univ.	MD (Radio-diag.) from July, 1975 to Nov. 99
Under Baba Farid University of Health Sciences, Faridkot.	MD (Radio-diag.) from Nov., 99 to onwards

Office Note : The Postgraduate Committee also decided to carry out the periodical inspection of the department of Radio-diagnosis for consideration of continuation of recognition of the said qualification.

Read : the Council Inspector's report (April, 2001) on the physical and other teaching facilities available at Himalayan Institute of Medical Sciences, Dehradun together with compliance for starting of M.S.(Anatomy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2001) togetherwith additional information submitted by the institution

indicating the breakup of experience of Prof. & HOD, Dr. S.L. Jethani at different stages of his promotion.

The Committee also noted the recent decision of the General Body taken at its meeting held on 21st & 22nd June, 2001 regarding cadre promotion wherein the teachers who do not possess requisite teaching experience in terms of governing eligibility for promotion to higher cadres as prescribed by the Council rules should at least possess a minimum of total teaching experience of 15 years in two or three cadres taken together, to be eligible as postgraduate teachers.

The Committee, in view of above and noting that Dr. S.L. Jethani has not been promoted as per MCI norms nor he possesses a minimum of teaching experience of 15 years to be eligible as postgraduate teacher, decided to recommend to Central Govt. not to issue Letter of Intent for starting of M.S.(Anatomy) course at Himalayan Instt. of Medical Sciences, Dehradun u/s 10A of the IMC Act, 1956."

94. Starting of M.D.(Microbiology) course at Himalayan Institute of Medical Sciences, Dehradun affiliated to H.N.B. Garhwal University u/s 10A of the I.M.C. Act, 1956 – compliance regarding.

Read : the Council Inspector's report (April, 2001) on the physical and other teaching facilities available at Himalayan Institute of Medical Sciences, Dehradun together with compliance for starting of M.D.(Microbiology) course u/s 10A of the IMC Act, 1956.

The P.G. Committee considered the Council Inspector's report (April, 2001) alongwith the compliance submitted by the institution wherein the detailed evaluation of Prof. & Head, Dr. Ramjee Prasad in the said department has been indicated giving total teaching experience after obtaining the Postgraduate qualification, as also the breakup of experience at different stages of his promotion.

The Committee also noted the recent decision of the General Body taken at its meeting held on 21st & 22nd June, 2001 regarding cadre promotion wherein the teachers who do not possess requisite teaching experience in terms of governing eligibility for promotion to higher cadres as prescribed by the Council rules; should at least possess a minimum of total teaching experience of 15 years in two or three cadres taken together, to be eligible as postgraduate teachers.

The Committee, in view of the above and noting that Dr. Ramjee Prasad Prof. & Head, who has over 15 years of teaching experience after obtaining M.D.(Microbiology) qualification becomes eligible as postgraduate teacher as per the Council's decision; decided to recommend to Central Govt. to issue Letter of Permission for starting of M.D.(Microbiology) course at Himalayan Institute of

Medical Sciences, Dehradun affiliated to H.N.B. Garhwal University u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of section 11(2) of the IMC Act, 1956.

The Committee further decided to advise the institution to implement the observations made by the Council Inspector in his inspection report.

95. Starting of M.D.(Biochemistry) course at Himalayan Institute of Medical Sciences, Dehradun affiliated to H.N.B. Garhwal University u/s 10A of the I.M.C. Act, 1956 –compliance regarding.

Read : the Council Inspector's report (April, 2001) on the physical and other teaching facilities available at Himalayan Institute of Medical Sciences, Dehradun together with compliance for starting of M.D.(Biochemistry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2001) together with compliance and decided to reiterate its earlier decision to recommend to Central Govt. not to issue Letter of Intent for starting of M.D.(Biochemistry) at Himalayan Institute of Medical Sciences, Dehradun affiliated to H.N.B. Garhwal University u/s 10A of the I.M.C. Act, 1956 because i) the Professor and Head does not possess recognised postgraduate qualification, ii) specific biochemistry equipments and facilities for molecular diagnostic lab are not available and iii) the other observations/recommendations made by the Council Inspector in her inspection report.

96. Starting of M.D.(Pathology) & D.C.P. courses at Institute of Medical Sciences, Dehradun affiliated to H.N.B. Garhwal University u/s 10A of the I.M.C. Act, 1956 – compliance regarding.

The P.G. Committee considered the Council Inspector's report (April, 2001) alongwith the compliance submitted by the institution wherein the detailed

evaluation of Prof. & Head, Dr. V.P. Pathak in the said department has been indicated giving total teaching experience after obtaining the Postgraduate qualification, as also the breakup of experience at different stages of his promotion.

The Committee also noted the recent decision of the General Body taken at its meeting held on 21st & 22nd June, 2001 regarding cadre promotion wherein the teachers who do not possess requisite teaching experience in terms of governing eligibility for promotion to higher cadres as prescribed by the Council rules; should at least possess a minimum of total teaching experience of 15 years in two or three cadres taken together, to be eligible as postgraduate teachers.

The Committee, in view of above and noting that Dr. V.P. Pathak, Prof. & head, who has over 15 years of teaching experience after obtaining M.D.(Pathology) qualification becomes eligible as postgraduate teacher as per Council's decision; decided to recommend to Central Govt. to issue Letter of Permission for starting of M.D.(Pathology) & D.C.P. courses at Himalayan Institute of Medical Sciences, Dehradun affiliated to H.N.B. Garhwal University u/s 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 3(three) students in each course per year till the first batch admitted appears in the final examinations of the said courses. The institution be advised to apply for recognition of the qualifications at the time of first available examination as per the provisions of section 11(2) of the IMC Act, 1956.

The Postgraduate Committee while considering the Council Inspector's report (January, 2001) noted that the report is skatchy falling short of informative details; and decided to arrange for another inspection to have complete comprehensive report.

The Committee further decided to authorise the Chairman to decide in the matter upon receipt of the report.

105. University of Bombay/Mumbai – Recognition of D.M.(Nephrology) qualification in respect of students being trained at Seth G.S. Medical College, Mumbai.

Read : the Council Inspector's report (July, 2001) on the standard of examination and other teaching facilities available at Seth G.S. Medical College, Mumbai for purpose of recognition of D.M.(Nephrology) qualification granted by University of Bombay/Mumbai.

The Postgraduate Committee considered the Council Inspector's report (July, 2001) and decided not to recommend recognition of D.M. (Nephrology) qualification granted by University of Bombay/Mumbai in respect of students being trained at Seth G.S. Medical College, Mumbai because, there being only two teachers in the department, the teaching complement of minimum of 3 teachers per unit as per MCI norms, is not complete.

The Committee further decided to direct the authorities of the institution to stop admission in D.M. (Nephrology) course with immediate effect and send a compliance to that effect.

106. University of Bombay/Mumbai – Recognition of M.Ch.(Urology) qualification in respect of students being trained at Seth G.S. Medical College, Mumbai – compliance req.
