

Medical2/word/PG Minutes/16th & 17th September, 2002

No.MCI-4(3)/2002-Med./

MEDICAL COUNCIL OF INDIA

POSTGRADUATE MEDICAL EDUCATION COMMITTEE

Minutes of the Postgraduate Medical Education Committee held on **16th & 17th September, 2002** at **11.00 a.m.** in the Office of the Medical Council of India, Aiwan-e-Galib Marg, Kotla Road, New Delhi – 110 002.

Present :

Dr. Ved Prakash Mishra - Chairman
 Dr. L.S. Chawla
 Dr. (Mrs.) Usha Sharma
 Dr. Indrajit Ray
 Dr. V. Kanagaraj
 Dr. S.R. Maralihalli
 Dr. S.K. Sinha
 Dr. S.B. Siwach
 Dr. N.B. Singh

Dr. (Mrs.) M. Sachdeva - Secretary

At the outset, the Secretary welcomed all the members of the new Postgraduate Committee and requested the members of the Committee to elect a Pro-tem Chairman. Accordingly proposed by Dr. Indrajit Ray and seconded by Dr. S.K. Sinha, Dr. S.R. Maralihalli was unanimously elected as Pro-tem Chairman of the meeting of the PG Committee.

Dr. Maralihalli took the Chair and called the meeting to order. He read out the following names of the new members of the Postgraduate Committee, elected by the General Body of the Council at its meeting held on 27th August, 2002 and notified by the Government:-

Dr. S.R. Maralihalli
 Dr. Indrajit Ray
 Dr. S.B. Siwach

1. Chairman of Postgraduate Medical Education Committee – Election of.

The Pro-tem Chairman called for nominations to elect the Chairman of Postgraduate Medical Education Committee.

Proposed by Dr. L.S. Chawla and seconded by Dr. Usha Sharma and Dr. S.B. Siwach, Dr. Ved Prakash Mishra was unanimously elected as Chairman of the Postgraduate Committee.

Dr. Ved .Prakash Mishra took the Chair and extended his gratefulness to all the members of the Committee for electing him as Chairman of the Committee and for having put faith and trust in him. With the blessings and guidance of all the members of the PG Committee he promised to carry out this responsibility. However, before taking

the agenda items, he pointed out that “the members are aware that the Central Government constitutes the Postgraduate Medical Education Committee under the provisions of Section 20 of the Indian Medical Council Act, 1956. As per this provision of the Act, the Committee may once again have a look at the provisions of Section 20 of the Act which is placed as under:-

20. Postgraduate Medical Education Committee for assisting Council in matters relating to postgraduate medical education –
 - 1) The Council may prescribe standards of postgraduate medical education for the guidance of Universities, and may advise Universities in the matter of securing uniform standards for postgraduate medical education throughout India, and for this purpose the Central Govt. may constitute from among the members of the Council a Postgraduate Medical Education Committee (hereinafter referred to as the Postgraduate Committee).
 - 2) The Postgraduate Committee shall consist of nine members all of whom shall be persons possessing postgraduate medical qualifications and experience of teaching or examining postgraduate students of medicine.
 - 3) Six of the members of the Postgraduate Committee shall be nominated by the Central Govt. and the remaining three members shall be elected by the Council from amongst its members.
 - 4) For the purpose of considering postgraduate studies in a subject, the Postgraduate Committee may co-opt, as and when necessary, one or more members qualified to assist it in that subject.
 - 5) The views and recommendations of the Postgraduate Committee on all matters shall be placed before the Council; and if the Council does not agree with the views expressed or the recommendations made by the Postgraduate Committee on any matter, the Council shall forward them together with its observations to the Central Govt. for decision.

As per the above-mentioned provisions of the Act, 9 members constitute a Postgraduate Medical Education Committee. 6 members are directly nominated by the Central Govt. and the remaining 3 members are required to be elected by the members of the Council from amongst themselves.

It is useful to notice here that the elected President or the Vice-President of the Council, by virtue of their said respected offices, do not get any entitlement to be a part of the Postgraduate Medical Education Committee. On the other hand, the elected President and the elected Vice-President of the Council are also the President and the Vice-President of the Executive Committee of the Council constituted under section 9 and 10 of the Act.

Another important feature which is required to be noticed once again is that whereas the recommendations of the Executive Committee of the Council are required to be placed before the General Body and the decisions of the General Body is final with regard to all those recommendations made by the Executive Committee, on the other hand, the General Body of the Council before whom the recommendations of the Postgraduate Medical Education Committee are placed, has no authority either to modify or to over-rule any recommendations made by the PG Committee.

The law provides that in such eventualities, the recommendations of the Postgraduate Medical Education Committee and the view of the General Body thereupon are both required to be referred to the Central Govt. for taking a final decision.

It may be also noticed that after the incorporation of provisions of Section 10A which are also equally applied for starting any new medical college or a new medical course or seeking increase in the annual intake capacity for any PG medical course, the timely action under Section 10A by the Central Govt. on the recommendation of the Postgraduate Committee for such application under Section 10A is the hallmark of the entire statutory scheme towards the discharge of larger public interest. The provisions of Section 10A, so as to ensure that all the actions by the Central Govt. and the Medical Council of India including Postgraduate Medical Education Committee are taken in time without any delay, also provide for a deemed permission under Section 10A(5) in all those cases where the Central Govt. fails to take the decision within a period of one year from the date of making the application under Section 10A.

When such drastic provisions have been provided in the Act, it becomes the responsibility of each concerned to do its utmost for ensuring that no such situation arises where any individual or any institution becomes entitled to claim deemed permission under Section 10A(5) of the Act much less in relation to any Postgraduate Medical Education or institution.

In view of the above, it is not only important but also a necessity that the Postgraduate Medical Education Committee not just exists throughout but it is also allowed to function continuously so as to ensure that the requirements of law are met with and there is no injury to any public interest.

The Central Govt. by a notification dated 22.11.2001 issued a notification under Section 20 of the Act constitutes the Postgraduate Medical Education Committee and nominates 6 members in accordance with the provisions of the Act. The Postgraduate Medical Education Committee came into existence with the issuance of the notification. However, 3 vacancies required to be filled up by election remained unfilled.

However, it was incumbent upon the office of the Council to fix the meetings of the Postgraduate Medical Education Committee so that they can meet and elect their chairman and also discharge their duties.

After the election of the chairman, it becomes the responsibility of the chairman to fix the further meetings of the PG Committee on the basis of the quantum of the work and the time available for discharge of responsibilities. After the notification having been issued by the Central Govt. on 22.11.2001, thereby constituting the Postgraduate Medical Education Committee, it was incumbent upon the person acting as the President of the Council to convene a General Body meeting of the Council so that the 3 vacancies can be filled up. Despite absolute requirement and compelling reasons for the discharge of responsibilities both by the Council and the Central Govt. under the Act, the General Body of the Council was not convened at all till such time the Hon'ble Supreme Court took cognizance of this alarming situation and by its order dated 22.04.2002 directed the holding of the meeting of the General Body on or before 1st of May, 2002. Thus, from 22.11.2001 till 22.04.2002 for almost five months not only that the Postgraduate Medical Education Committee was not allowed to meet but even no step was taken by the office for the holding the General Body meeting for conducting the election.

In accordance with the order of the Hon'ble Supreme Court dated 22.04.02, the agenda for holding the General Body meeting and conducting of the elections which were required to be conducted was prepared and circulated. The members noticed with great pain that the item for holding elections of the members of the Postgraduate Medical Education Committee (item 6 for the General Body to be held on 30.04.02) were

unilaterally withdrawn obviously not on the basis of the justification or rationale but for some whim, fancy or design. The General Body, still acting in a democratic manner when it was permissible and possible for them to hold the election on 30.04.02 which most of the members had desired to be held, it was decided to obtain the legal opinion from the Ld. Solicitor General of India. It was really sad and unfortunate for the members when they noticed that persons who were put at the helm of the affairs, acting not in public interest but for a design, took steps not to fill up the vacancies in accordance with law but to seek constitution of Postgraduate Medical Education Committee in an adhoc manner. In fact, all steps were taken by such persons not to allow such validly constituted Postgraduate Medical Education Committee to meet and discharge its functions and sought adhoc constitution of, already constituted PG Committee.

In the meanwhile, nearly 400 cases in relation to postgraduate courses/institutions have piled up causing almost irreversible prejudice to the institution concerned therewith.

The General Body of the Council, therefore, in a most democratic manner, decided to seek the legal opinion of the Ld. Solicitor General of India. Through his opinion in writing, the Ld. SGI in totally unambiguous words not only emphasised but made it clear that the elections for the members of the Executive Committee, Postgraduate Medical Education Committee and all other bodies where elections are required to be held from amongst members of the Council, is not only permissible but obligatory and imperative on the part of the Council to do so.

In accordance with the opinion of the Ld. SGI, the elections for the memberships of the Executive Committee and the Postgraduate Medical Education Committee etc. were scheduled for 03.06.02 by complying with the formalities under the regulations with regard to notice period etc. However, the people working with designs, unfortunately, in a so-called public interest litigation obtained orders from the Hon'ble Delhi High Court on 03.06.02 itself restraining the Council from holding their elections.

The orders of the Hon'ble Delhi High Court were challenged by the Vice-President of the Council and by Dr. Ved Prakash Mishra, member of the PG Committee by filing an appeal before Hon'ble Supreme Court. On 15.07.02, the Hon'ble Supreme Court not only stayed all the proceedings before the Hon'ble High Court, reiterated its earlier order dated 22.04.02 but also categorically directed the General Body of the Council to hold elections for the membership of the Postgraduate Committee and other statutory committees etc. The members also noticed that even the Central Govt. had gone before the Hon'ble Supreme Court with an affidavit stating that the PG Committee stood constituted in accordance with law on 22.11.2001 itself and it was only the 3 vacancies which remained to be filled up by holding elections in the General Body meeting. According to the Govt., there was no justification whatsoever for the office of the Council not to hold the meeting of the Postgraduate Medical Education Committee even before the General Body meeting in which the elections were obliged to be held for the 3 vacancies.

Thus there is a calculated and deliberate delay on the part of only one single individual whereby the PG Committee is now meeting after its constitution on 22.11.2001 for the first time after a lapse of a period of almost 10 months. This has never happened in the history of the Council since its inception. It is further clear that any prejudice or loss caused to any individual or institution on account of non-holding of the meeting of the PG Committee after 22.11.2001, automatically and clearly gets attributed only to one single person."

The Committee after noticing this painful history resulting into absolutely gross and unpardonable lapse of precious time of more than 10 months, resolves to take up all the matters in the list and leave no stone unturned for disposing the responsibility of deciding the matters which have got accumulated in this period of 11 months.

2. Minutes of the last meeting of the Postgraduate Committee - confirmation of.

The minutes of the Postgraduate Committee meeting held on 16.10.2001 were confirmed.

3. Minutes of the last meeting of the Postgraduate Committee – Action taken thereon.

The Postgraduate Committee approved the action taken on the minutes of the meeting of the Postgraduate Committee held on 16.10.2001.

4. Starting of M.D.(Psychiatry) course at Medical College, Kottayam affiliated to Mahatma Gandhi University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2001) on the physical and other teaching facilities available at Medical College, Kottayam for starting of M.D.(Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2001) and decided to recommend to the Central Government not to issue Letter of Intent for starting of M.D. (Psychiatry) course at Medical College, Kottayam affiliated to Mahatma Gandhi University u/s 10 A of the IMC Act, 1956 because – i) the HOD is without recognised postgraduate qualification, (ii) the Associate Professor is having only diploma qualification and (iii) one of the Asstt. Professor also does not possess recognised postgraduate qualification and (iv) other observations as pointed out in the inspection report.

5. Starting of D.L.O. course at L.T.M.Medical College, Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (November, 2001) on the physical and other teaching facilities available at L.T.M. Medical College, Mumbai for starting of D.L.O. course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (November 2001) and noted that the institution is already admitting students for DLO and also DNB courses, and decided to seek yearwise list of the students admitted in DLO course till date to initiate action u/s 10B of the IMC Act and also an undertaking from the institution to the effect that they would not longer be admitting DNB candidates.

The Committee further decided to defer the consideration of the matter till the time (i) yearwise list of the candidates already admitted in the DLO course is received and (ii) an undertaking to the effect that DNB candidates would not be admitted in future.

6. Starting of D.O. course at L.T.M.Medical College, Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (November, 2001) on the physical and other teaching facilities available at L.T.M.Medical College, Mumbai for starting of D.O. course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (November 2001) and noted that the institution is already admitting students for DO and also DNB courses, and decided to seek yearwise list of the students admitted in DO

course till date to initiate action u/s 10B of the IMC Act and also an undertaking from the institution to the effect that they would not longer be admitting DNB candidates.

The Committee further decided to defer the consideration of the matter till the time (i) yearwise list of the candidates already admitted in the DO course is received (ii) an undertaking to the effect that DNB candidates would not be admitted in future and (iii) the status of the HOD Dr. S.A. Motwana is received since he has reached the age of superannuation in Jan.2002.

7. Starting of M.D.(Community Medicine) course at Govt. Medical College, Rajkot affiliated to Saurashtra University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (August, 2001) on the physical and other teaching facilities available at Govt. Medical College, Rajkot for starting of M.D.(Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (August, 2001) and during discussion it was brought to the notice of the Committee that Dr.B.S. Bhavsar who is shown as Professor & Head of the Department is reportedly working as Additional Dean at BJ Medical College, Ahmedabad and therefore decided to defer the consideration of the matter and obtain the latest faculty position in the department of Community Medicine.

8. Starting of M.Ch.(Neuro-Surgery) course at J.N.Medical College, Belgaum affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (November, 2001) on the physical and other teaching facilities available at J.N.Medical College, Belgaum for starting of M.Ch.(Neuro-Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (November, 2001) and decided to recommend to the Central Government not to issue Letter of Intent for starting of MCh (Neuro Surgery) course at J.N. Medical College, Belgaum affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10 A of the IMC Act, 1956 because – i) clinical material is grossly inadequate and (ii) the other observations/deficiencies as pointed out in the inspector's report.

9. Starting of M.S(Orthopaedics)) course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act. 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (January, 2002) together with compliance and Council Inspector's report (November, 2000) on the physical and other teaching facilities available at Al-Ameen Medical College, Bijapur for starting of M.S.(Orthopaedics) course u/s 10A of the I.M.C. Act, 1956.

The Postgraduate Committee considered the compliance verification report (January, 2002) together with the compliance and the inspector's report (Nov. 2000) and decided to recommend to the Central Government to issue Letter of Permission for starting of M.S. (Orthopaedics) course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11 (2) of the Act, 1956.

10. Starting of M.S.(General Surgery) course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (October, 2001) together with compliance and Council Inspector's report (November, 2000) on the physical and other teaching facilities available at Al-Ameen Medical College, Bijapur for starting of M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (January, 2002) together with the compliance and the Inspector's report (Nov. 2000) and decided to recommend to the Central Government to issue Letter of Permission for starting of M.S. (General Surgery) course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11 (2) of the Act, 1956.

11. Starting of M.D.(General Medicine) course at M.G.M Medical College, Navi Mumbai affiliated to Mumbai University/ Maharashtra University of Health Sciences, Nasik u/s 10A of the I.M.C. Act, 1956- consideration of compliance verification regarding.

Read : the compliance verification report (November, 2001) together with compliance and Council Inspector's report (March, 2001) on the physical and other teaching facilities available at M.G.M. Medical College, Navi Mumbai for starting of M.D.(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (November 2001) together with compliance and the Council Inspector's report (March, 2001) and decided to recommend to the Central Government not to issue Letter of Intent for starting of M.D. (General Medicine) course at MGM Medical College, Navi Mumbai affiliated to Mumbai University/Maharashtra University of Health Sciences, Nasik u/s 10 A of the IMC Act 1956 because of – i) grossly inadequate clinical material in their own hospital; ii) the deficiency of equipments/instruments and iii) other deficiencies as pointed out in the inspection report.

12. Starting of M.D.(General Medicine) course at Mahatma Gandhi Mission's Medical College, Aurangabad affiliated to Mumbai University u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding issuance of LOP.

Read : the compliance verification report (November, 2001) together with compliance and Council Inspector's report (March, 2001) on the physical and other teaching facilities available at Mahatma Gandhi Mission's Medical College, Aurangabad for starting of M.D.(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (November, 2001) together with the compliance and the Inspector's report (March 2001) and decided to recommend to the Central Government to issue Letter of Permission for starting of M.D. (General Medicine) course at Mahatma Gandhi Mission's Medical College, Aurangabad affiliated to Mumbai University u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admissions to 4(four) students per year till the first batch admitted appears in the final examination of the said course. The institution be

advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11 (2) of the Act, 1956.

13. Starting of M.D.(Dermatology) course at P.S.G. Institute of Medical Sciences & Research, Coimbatore affiliated to the Tamilnadu Dr.M.G.R. Medical University, Chennai u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (November, 2001) together with compliance and Council Inspector's report (April, 2001) on the physical and other teaching facilities available at P.S.G. Institute of Medical Sciences & Research, Coimbatore for starting of M.D.(Dermatology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (November, 2001) together with the compliance and the Inspector's report (April 2001) and decided to recommend to the Central Government to issue Letter of Permission for starting of M.D. (Dermatology) course at PSG Institute of Medical Sciences & Research, Coimbatore affiliated to the Tamilnadu Dr. MGR Medical University 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11 (2) of the Act, 1956.

14. Starting of M.D.(Tuberculosis & Respiratory Diseases) course at Regional Institute of Medical Sciences, Imphal affiliated to Manipur University u/s 10A of the I.M.C. Act, 1956 – consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (September, 2001) on the physical and other teaching facilities available at Regional Institute of Medical Sciences, Imphal for starting of M.D.(Tuberculosis & Respiratory Diseases) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (September 2001) together with the compliance and decided to recommend to the Central Government to issue Letter of Permission for starting of M.D. (Tuberculosis & Respiratory Diseases) course at Regional Institute of Medical Sciences, Imphal affiliated to Manipur University u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11 (2) of the Act, 1956.

15. Starting of M.D.(Biochemistry) course at Himalayan Institute of Medical Sciences, Dehradun affiliated to H.N.B. Garhwal University u/s 10A of the I.M.C. Act, 1956 – consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (April, 2001) on the physical and other teaching facilities available at Himalayan Institute of Medical Sciences, Dehradun for starting of M.D.(Biochemistry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2001) together with the compliance and during deliberations it was brought to the notice of the Committee that Dr. V.S. Singh has joined the Govt. of Uttaranchal as Officer On Special Duty for the project report for establishment of Medical College, Haldwani. The Postgraduate Committee therefore decided to defer the matter and obtain the faculty position in the department of Biochemistry from the authorities of the institution.

16. Starting of M.D.(Forensic Medicine) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Govt. Medical College, Chandigarh for starting of M.D.(Forensic Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Forensic Medicine) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

17. Starting of M.S.(General Surgery) at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of I.M.C. Act, 1956 – consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (August, 2000) on the physical and other teaching facilities available at Govt. Medical College, Chandigarh for starting of M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance alongwith the Council Inspector's report (August, 2000) and noted the following:

- i) Dr. A.S. Bawa, who was not considered eligible as Reader in the department of Surgery because of his irregular promotion from Asstt. Prof. to Reader has now been promoted as Professor and Head of the Department.
- ii) None of the faculty can be considered eligible since promotion of each from Asstt. Prof. to Assoc. Prof. has been without the required minimum experience of five years.
- iii) Other observations as pointed out in the inspection report.

In view of above, the Committee decided to recommend to Central Government not to issue Letter of Intent for starting of MS (General Surgery) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the IMC Act, 1956.

The Committee further decided to recommend that in view of the above; the Govt may consider disapproving the proposal for starting of MS (General Surgery) course. However, the institution is free to apply afresh after rectification of the deficiencies, in accordance with the Council's Regulations on Postgraduate Medical Education, 2000.

18. Starting of M.D.(General Medicine) at Govt. Medical College, Chandigarh – affiliated to Punjab University u/s 10A of I.M.C. Act, 1956 – consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (September, 2000) on the physical and other teaching facilities available at Govt. Medical College, Chandigarh for starting of M.D.(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance alongwith the Council Inspector's report (September, 2000) and noted the following:

- i) Dr. Atul Sachdeva, who was not considered eligible as Reader because of his irregular promotion from Asstt. Prof. to Reader has been promoted as Prof. and Head of the Department.
- ii) None of the faculty can be considered eligible since promotion of each from Asstt. Prof. to Assoc. Prof. has been without the required minimum experience of five years.
- iii) Other observations as pointed out in the inspection report.

In view of above, the Committee decided to recommend to Central Government not to issue Letter of Intent for starting of MD (General Medicine) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the IMC Act, 1956.

The Committee further decided to recommend that in view of the above; the Govt may consider disapproving the proposal for starting of MD (General Medicine) course. However, the institution is free to apply afresh after rectification of the deficiencies, in accordance with the Council's Regulations on Postgraduate Medical Education, 2000.

19. Starting of M.D.(Immuno Haematology and Blood Transfusion) course at Tata Memorial Hospital, Mumbai affiliated to Mumbai University 10A of the I.M.C. Act, 1956 – consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (January, 2001) on the physical and other teaching facilities available at Tata Memorial Hospital, Mumbai for starting of M.D.(Immuno Haematology and Blood Transfusion) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance alongwith the Council Inspector's report (January, 2001) and noted the following:

- i) Head of the Department is not eligible to be Professor since his promotion from Asstt. Prof. to Assoc. Prof. and thereafter to the post of Professor has been without the required minimum experience of five and four years respectively.
- ii) None of the remaining faculty i.e. 2 Lecturers are eligible postgraduate teachers.
- iii) Other observations as pointed out in the inspection report.

In view of above, the Committee decided to recommend to Central Government not to issue Letter of Intent for starting of MD (Immuno Haematology and Blood Transfusion) course at Tata Memorial Hospital, Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956.

The Committee further decided to recommend that in view of the above; the Govt may consider disapproving the proposal for starting of MD (Immuno Haematology and Blood Transfusion) course. However, the institution is free to apply afresh after rectification of the deficiencies, in accordance with the Council's Regulations on Postgraduate Medical Education, 2000.

20. Starting of M.S.(General Surgery) course at M.G.M Medical College, Navi Mumbai affiliated to Mumbai University u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (February, 2002) together with compliance and Council Inspector's report (March, 2001) on the physical and other teaching facilities available at M.G.M. Medical College, Navi Mumbai for starting of M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (Feb.2002) alongwith compliance and the Council Inspector's report (March, 2001) and noted the following:

- i) Clinical material is grossly inadequate.
- ii) The equipment/instruments are inadequate.
- iii) The available space in the OPD is inadequate.
- iv) Other observations as pointed out in the inspection report.

In view of above, the Committee decided to recommend to Central Government not to issue Letter of Intent for starting of MS (General Surgery) course at M.G.M. Medical College, Navi Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956.

The Committee further decided to recommend that in view of the above; the Govt may consider disapproving the proposal for starting of MS (General Surgery) course. However, the institution is free to apply afresh after rectification of the deficiencies, in accordance with the Council's Regulations on Postgraduate Medical Education, 2000.

21. Starting of M.D.(Obst. & Gynae.) course at M.G.M Medical College, Navi Mumbai affiliated to Mumbai University u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (October, 2001) together with compliance and Council Inspector's report (March, 2001) on the physical and other teaching facilities available at M.G.M. Medical College, Navi Mumbai for starting of M.D.(Obst. & Gynae.) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (October,2001) alongwith compliance and the Council Inspector's report (March, 2001) and noted the following:

- i) Head of the Department of Gynae does not possess recognised qualification.
- ii) The clinical material is grossly inadequate.
- iii) Infrastructural facilities are deficient.
- iv) There is deficiency of equipment/instrument in the hospital.
- v) Other observations as pointed out in the inspection report.

In view of above, the Committee decided to recommend to Central Government not to issue Letter of Intent for starting of MD (Obst. & Gynae.) course at MGM Medical College, Navi Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956

The Committee further decided to recommend that in view of the above; the Govt may consider disapproving the proposal for starting of MD (Obst. & Gynae) course. However, the institution is free to apply afresh after rectification of the deficiencies, in accordance with the Council's Regulations on Postgraduate Medical Education,2000.

22. Starting of D.C.H. course at Al-Ameen Medical College, Bijapur under Rajiv Gandhi University of Health Scieces, Bangalore u/s 10A of the IMC Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (January, 2002) together with compliance and Council Inspector's report (November, 99) on the physical and other teaching facilities available at Al-Ameen Medical College, Bijapur for starting of D.C.H. course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (January, 2002) alongwith compliance and Council Inspector's report (November, 1999) and noted the following:

- i) Clinical material is grossly inadequate.
- ii) Infrastructural facilities are deficient.
- iii) Other observations as pointed out in the inspection report.

In view of above, the Committee decided to recommend to Central Government not to issue Letter of Intent for starting of DCH course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956

The Committee further decided to recommend that in view of the above; the Govt may consider disapproving the proposal for starting of DCH course. However, the institution is free to apply afresh after rectification of the deficiencies, in accordance with the Council's Regulations on Postgraduate Medical Education, 2000.

23. Starting of M.D.(Physical Medicine & Rehabilitation) course at Madras Medical College and Research Institute, Madras affiliated to the Tamilnadu Dr.M.G.R.Medical University, Chennai u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (February, 2002) on the physical and other teaching facilities available at Madras Medical College and Research Institute, Madras for starting of M.D.(Physical Medicine & Rehabilitation) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (February, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Physical Medicine & Rehabilitation) course at Madras Medical College and Research Institute, Madras affiliated to the Tamilnadu Dr. MGR University of Health Sciences, Chennai u/s 10A of the IMC Act, 1956 because

- (i) Head of the department does not possess required research experience after obtaining MNAMS qualification in 1980
- (ii) The other staff does not possess required qualification/experience to be eligible PG teachers.
- (iii) DNB students are being registered for the postgraduate course in the speciality which is not permissible in the institution where MD/MS courses are being undertaken because this involves sharing the same Infrastructural facilities.
- (iv) Other deficiencies as pointed out in the inspection report.

24. Starting of M.D.(T.B.& Chest Diseases) at L.T.M.Medical College, Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (November, 2001) on the physical and other teaching facilities available at L.T.M.Medical College, Mumbai for starting of M.D.(T.B. & Chest Diseases) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (Nov.2001) and noted that the institution is already admitting students for MD(TB & Chest Diseases) and also DNB courses, and decided to seek year-wise list of the students admitted in MD(TB & Chest Diseases) course till date to initiate action u/s 10B of the IMC Act and also an undertaking from the institution to the effect that they would not longer be admitting DNB candidates.

The Committee further decided to defer the consideration of the matter till the time (i) yearwise list of the candidates already admitted in the MD(TB & Chest Diseases) course is received and (ii) an undertaking to the effect that DNB candidates would not be admitted in future.

25. Letters of Intent / Permission / Disapproval of Scheme issued by Central Govt., Ministry of Health & F.W. for starting /increase of seats of postgraduate courses in various Medical Colleges u/s 10 A of the IMC Act, 1956.

Read: the letters of Intent / Permission / Disapproval of scheme issued by the Central Govt., Ministry of Health & F.W., for purpose of starting /increase of seats of postgraduate courses in various medical colleges u/s 10 A of the IMC Act, 1956.

The Postgraduate Committee noted the following letters of Intent/Permission/Disapproval of scheme issued by the Central Govt., Ministry of Health & F.W., for purpose of starting /increase of seats of postgraduate courses in various medical colleges u/s 10 A of the IMC Act, 1956.

<u>S.No.</u>	<u>University/Institute</u>	<u>Courses</u>	<u>Date of letter of Intent/ Permission/Disapproval of Scheme issued by the Govt. of India.</u>
1.	St. John's Medical College, Bangalore.	MD(Gen.Med.) – 3 to 5 seats. MD(Psychiatry) – 1 to 2 seats.	10.10.2001 Letter of Permission for increase of seats.
	- do -	MD(Anaes.) - 2 to 3 seats. D.A. – 2 to 3 seats.	11.12.2001. Letter of Intent for increase of seats.
	- do -	MD(Anaes.) - 2 to 3 seats. D.A. – 2 to 3 seats.	28.1.2002. Letter of Permission for increase of seats.
2.	Govt. Medical College, Chandigarh.	MD(Comm.Med.) – 1 seat. MS(Ortho.) - 1 seat. MD(Paed.) - 1 seat. MD(OBG) – 1 seat.	6.11.2001 Letter of Permission for starting of courses.
	- do -	MS(ENT)	1.1.2002 Disapproved the scheme for starting of course.
		M.S.(Antomy)	9.1.2002 Regarding change of nomenclature from MS(Anatomy) to M.D.(Anatomy).
3.	Instt. of Post-graduate Medical Education & Res., Kolkatta.	DM(Nephrology) – 2 seats.	6.11.2001 Letter of Permission for starting of course.

4.Himalayan Instt. of Medical Sciences, Dehradun.	MD(Anes.) - 2 seats. D.A. - 2 MS(Gen.Surg.) - 3 MD(Pathology) – 3 DCP - 3 MD(Micro.) – 2 MS(Ophth.) - 2	29.10.2001 Letter of Permission for starting of course.
- do -	MD(Com.Med.) –2 seats.	23.11.2001 Letter of Permission for starting of course.
- do -	MS(Anatomy) – 2 seats.	23.11.2001 Letter of Intent for starting of course.
- do -	MS(Anatomy) –2 seats.	8.1.2002 Letter of Permission for Starting of course.
5.Father Muller’s Medical College, Mangalore.	MD(Radio.Diag.) –1 D.M.R.D. –1	11.12.2001 Letter of Intent for starting of courses.
- do -	MD(Radio.Diag.) –1 D.M.R.D. –1	25.2.2002 Letter of Permission for starting of course.
6.M.G.M.Medical College, Mumbai.	MS(Ophth.) - 1	11.12.2001 Letter of Intent for starting of course.
7.Kempegowda Instt. of Medical Sciences, Bangalore.	MD(For.Med.) – 1	11.12.2001 Letter of Intent for starting of course.
	- do - MD(F.Med.) - 1	10.1.2002 Letter of Permission for starting of course.
8.Pramukhswami Medical College, Karamsad.	MD(Radio.Diag.) – 2 D.M.R.D. – 2	11.12.2001 Letter of Permission for starting of courses.
9.J.N.Medical College, Belgaum. scheme	MD(Skin, STD & Lep.) MS(Ortho.) MD(Paed.) MD(OBG)	7/11.12.2001. Disapproved the for increase of seats.
10.Regional Instt. of Medical Sciences, Imphal.	MD(Radio-Diag.) – 2	13.12.2001 Letter of Intent for starting of course.
- do -	MD(Radio-Diag.)-2	28.12.2001 Letter of Permission for starting of course.

11. Medical College, Davangere.	MD(Radio-Diagnosis) D.M.R.D.	20.11.2001 Disapproved the scheme for increase of seats.
- do -	MD(General Medicine) D.C.H. D.V.D. D.L.O. D.O.	December , 2001 Disapproved the scheme for increase of seats.
- do -	MS(Ortho.) – 6 to 8 MS(ENT) – 3 to 5	26.12.2001 Letter of Intent for Increase of seats.
- do -	MS(Ortho.) – 6 to 8 MS(ENT) – 3 to 5	19.2.2002 Letter of permission for Increase of seats.
12. M.R. Medical College, Gulbarga.	MS(Ortho.)-1 to 3 D.Ortho. – 2 to 3 MD(Gen.Med.) -7 to 10	26.12.2001 Letter of Intent for increase of seats.
- do -	M.S.(Ortho.) –1 to 3 D.Ortho. – 2 to 3 M.D.(Gen.Med.) – 7 to 10	19.2.2002 Letter of permission for increase of seats.
13. T.D. Medical College, Alappuzha.	MS(ENT) MS(Ortho.) MD(RD) DMRD	10.1.2002 Disapproved the scheme for starting of courses.
14. Kidwai Memorial Instt. Of Oncology, Bangalore.	M.Ch.(Gynae.Oncology)	23.1.2002 Disapproved the scheme for starting of course.
15. Seth G.S. Medical College, Mumbai	M.Ch.(Surg. Gastro.)	23.1.2002 Disapproved the scheme for starting of course.
16. Sher-I-Kashmir Instt. of Medical Sciences, Srinagar	D.M.(Endocrinology)	19.3.2002 Disapproved the scheme for starting of course.
17. Stanley Medical College, Chennai.	M.D.(Immuno-Haemagology & Blood Transfusion)	15.4.2002 Disapproved the scheme for starting of course.
18. Govt. Medical College, Kozhikode.	M.D.(Radio-Therapy)	3.5.2002 Disapproved the scheme for starting of course.
19. J.I.P.M.E.R., Pondicherry.	Diploma in Immunohaematology & Blood Transfusion.	13.8.2002 Disapproved the scheme for starting of course.

26. Starting of D.C.H. course at L.T.M.Medical College, Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (February, 2002) on the physical and other teaching facilities available at L.T.M.Medical College, Mumbai for starting of D.C.H. course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (February 2002) and noted that the institution is already admitting students for DCH and also DNB courses, and decided to seek yearwise list of the students admitted in DCH course till date to initiate action u/s 10B of the IMC Act and also an undertaking from the institution to the effect that they would not longer be admitting DNB candidates.

The Committee further decided to defer the consideration of the matter till the time (i) yearwise list of the candidates already admitted in the DCH course is received and (ii) an undertaking to the effect that DNB candidates would not be admitted in future.

27. Starting of D.M.(Nephrology) course at Sri Ramachandra Medical College and Research Institute (Deemed University), Chennai u/s 10A of the IMC Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (February, 2002) together with compliance and Council Inspector's report (April, 2001) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Porur, Chennai for starting of D.M.(Nephrology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (Feb.2002) together with compliance and Council Inspector's report (April, 2001) and decided to recommend to Central Government to issue Letter of Permission for starting of D.M (Nephrology) course at Sri Ramachandra Medical College & Research Institute, Porur, Chennai (Deemed University) u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2 (two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

28. Starting of M.D.(Radio-Diagnosis) course at Command Hospital, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (March, 2002) on the physical and other teaching facilities available at Command Hospital, Bangalore for starting of M.D.(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D. (Radio-Diagnosis) course at Command Hospital, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2 (two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

29. Starting of M.S.(Ophthalmology) course at Command Hospital, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Command Hospital, Bangalore for starting of M.S.(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.S. (Ophthalmology) course at Command Hospital, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

30. Starting of M.D.(Paediatrics) course at Burdwan Medical College, Burdwan affiliated to Burdwan University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Burdwan Medical College, Burdwan for starting of M.D.(Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D. (Paediatrics) course at Burdwan Medical College, Burdwan affiliated to Burdwan University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

31. Starting of D.D.V.L. course at Rajah Muthiah Medical College, Annamalai Nagar affiliated to Annamalai University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalai Nagar for starting of D.D.V.L. course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of DDVL course at Rajah Muthiah Medical College, Annamalai Nagar affiliated to Annamalai University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

32. Starting of M.D.(Community Medicine) course at Sher-I-Kashmir Institute of Medical Sciences, Srinagar (Deemed University) u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Sher-I-Kashmir Institute of Medical Sciences, Srinagar for starting of M.D.(Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D. (Community Medicine) course at Sher-I-Kashmir Institute of Medical Sciences, Srinagar (Deemed University) u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

33. Increase of seats in M.D.(General Medicine) course at Father Muller's Medical College, Mangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2001) on the physical and other teaching facilities available at Father Muller's Medical College, Mangalore for increase of seats in M.D.(General Medicine) u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2001) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.D. (General Medicine) course at Fr. Muller's Medical College, Mangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 2 (two) to 4(four) in M.D.(General Medicine) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course. The attention of the authorities concerned be drawn towards the implementation of the observations made by the Council Inspector in his inspection report.

34. Increase of seats in M.S.(General Surgery) course at Father Muller's Medical College, Mangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (October, 2001) on the physical and other teaching facilities available at Father Muller's Medical College, Mangalore for increase of seats in M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (October, 2001) and decided to seek clarification from the institution as to whether they have any super-speciality departments/units like Paediatric Surgery, Urology, Neurology and Surgical Oncology and if so the details of faculty members working in these super-specialities and further that a copy of appointment letters of each of the faculty member working in the department of General Surgery be obtained and further decided to defer the consideration of the matter.

35. Increase of seats in M.S.(General Surgery) course at M.R. Medical College, Gulbarga affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (September, 2001) together with compliance and Council Inspector's report (March, 2001) on the physical and other teaching facilities available at M. R. Medical College, Gulbarga for increase of seats in M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (September, 2001) together with compliance and Council Inspector's report (March, 2001) and decided to recommend to Central Government to issue Letter of Permission for

increase of seats in M.S. (General Surgery) course at M.R. Medical College, Gulbarga affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 6 (six) to 8(eight) in M.S.(General Surgery) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

36. Increase of seats in M.D.(Skin & V.D.) course at M.R. Medical College, Gulbarga affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (October, 2001) together with compliance and Council Inspector's report (April, 2001) on the physical and other teaching facilities available at M. R. Medical College, Gulbarga for increase of seats in M.D.(Skin & V.D.) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (October, 2001) together with compliance and Council Inspector's report (April, 2001) and decided to recommend to Central Government not to issue Letter of Intent for increase of seats in M.D.(Skin & V.D.) course at M.R. Medical College, Gulbarga affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 because (i) Head of Department does not possess the requisite recognised postgraduate qualification (ii) clinical material is inadequate and (iii) other deficiencies as pointed out in the inspection report.

In view of above, the Committee decided to recommend to Central Government not to issue Letter of Intent for starting of MD (Skin & VD) course at M.R. Medical College, Gulbarga affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

The Committee further decided to recommend that in view of the above; the Govt may consider disapproving the proposal for starting of MD (Skin & VD) course. However, the institution is free to apply afresh after rectification of the deficiencies, in accordance with the Council's Regulations on Postgraduate Medical Education, 2000.

37. Increase of seats in M.D.(Physiology) course at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 – consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (December, 2000) on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore for increase of seats in M.D.(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance together with Council Inspector's report (December, 2000) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.D. (Physiology) course at M.S. Ramaiah Medical College, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 1 (one) to 3(three) in M.D.(Physiology) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

38. Increase of seats in M.S.(General Surgery) course at St.John's National Academy of Health Sciences, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore – consideration of compliance verification regarding.

Read : the compliance verification report (October, 2001) together with compliance and Council Inspector's report (April, 2001) on the physical and other teaching facilities available at St.John's National Academy of Health Sciences, Bangalore for increase of seats in M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (October, 2001) together with compliance and Council Inspector's report (April, 2001) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.S. (General Surgery)) course at St.John's National Academy of Health Sciences, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 3 (three) to 5(five) in M.S.(General Surgery) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

39. The Tamilnadu Dr. M.G.R. Medical Univerisity, Chennai- Approval of Cancer Institute Adyar, Chennai for the award of M.D.(Radio-therapy) qualification.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Cancer Institute Adyar, Chennai for purpose of approval of the college for the award of M.D.(Radio-therapy) qualification granted by The Tamilnadu Dr. M.G.R. University, Chennai.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Cancer Institute Adyar, Chennai be approved for the award of M.D. (Radio-therapy) qualification granted by the Tamilnadu Dr. MGR Medical University, Chennai restricting the number of admission to 1(one) student per year.

40. Andhra Pradesh University, Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of Rangaraya Medical College, Kakinada for the award of M.D.(Obst. & Gynae.) and D.G.O. qualification- consideration of re-inspection regarding.

Read : the Council Inspector report (April, 2002) together with the previous inspection report (May, 2001) on the standard of examination and other teaching facilities available at Rangaraya Medical College, Kakinada for approval of the college for the award of M.D.(Obst. & Gyane.) & DGO qualifications earlier granted by Andhra University, Andhra Pradesh University of Health Sciences, Vijayawada & now by the NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector report (April,2002) together with previous inspection report (May,2001) and decided to recommend that Rangaraya Medical College, Kakinada be approved for the award of M.D.(Obst. & Gynae) and D.G.O. qualifications earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada and now by the N.T.R. University of Health Sciences, Vijayawada. However, the Committee directed the institution to prospectively restrict the annual intake to 3 (three) students per year in each course in consonance with the provisions of the Postgraduate Medical Education Regulations, 2000.

41. Rajiv Gandhi University of Health Sciences, Bangalore -

- (i) **Approval of Al-Ameen Medical College, Bijapur for the award of M.D. (General Medicine) qualification.**
- (ii) **increase of seats in M.D.(General Medicine) course u/s 10A of the IMC Act, 1956 – consideration of compliance verification regarding.**

Read : the compliance verification report (April, 2002) together with compliance and Council Inspectors reports (February, 2001 & March, 2001) for increase of seats u/s 10A of the IMC Act, 1956 and approval of Al-Ameen Medical College, Bijapur for the award of M.D.(General Medicine) qualification.

The Postgraduate Committee considered the compliance verification report (April, 2002) together with compliance and Council Inspectors reports (February, 2001 & March, 2001) and decided to recommend that :-

- (i) Al-Ameen Medical College, Bijapur be approved for the award of M.D.(General Medicine) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission 1(one) student per year.
- (ii) The Committee further decided to recommend to Central Govt. not to issue Letter of Intent for increase of seats in M.D(General Medicine) at Al-Ameen Medical College, Bijapur u/s 10A of the I.M.C.Act,1956 because:-
 - i) The clinical material in the department of General Medicine is not sufficient enough to permit increase of seat.
 - ii) Other deficiencies/observations as pointed out in the inspection report.

42. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Adichunchanagiri Institute of Medical Sciences, Mandya Distt. for the award of M.D.(Biochemistry) qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Adichunchanagiri Institute of Medical Sciences, Mandya Distt, for approval of the college for the award of M.D.(Biochemistry) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September, 2001) and decided to recommend that Adichunchanagiri Institute of Medical Sciences, Mandya Distt, be approved for the award of M.D(Biochemistry) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission to 1(one) student per year.

43. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of St. John's Medical College, Bangalore for the award of M.D.(Microbiology) qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at St.John's Medical College, Bangalore for approval of the college for the award of M.D.(Microbiology) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September, 2001) and decided to recommend that St. John's Medical College, Bangalore be approved for the award of M.D(Microbiology) qualification granted by

Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Fr. Muller's Medical College, Mangalore for approval of the college for the award of M.D.(Anaesthesia) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Fr. Muller's Medical College, Mangalore be approved for the award of M.D.(Anaesthesia) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

50. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Fr. Muller's Medical College, Mangalore for the award of M.S.(General Surgery) qualification.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Fr. Muller's Medical College, Mangalore for approval of the college for the award of M.S.(General Surgery) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Fr. Muller's Medical College, Mangalore be approved for the award of M.S.(General Surgery) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

51. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Al-Ameen Medical College, Bijapur for the award of D.O. qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Al-Ameen Medical College, Bijapur for approval of the college for the award of D.O. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September, 2001) and decided to recommend that Al-Ameen Medical College, Bijapur be approved for the award of D.O. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission to 1(one) student per year.

The attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.

52. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Al-Ameen Medical College, Bijapur for the award of M.D.(Pathology) qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Al-Ameen Medical College, Bijapur for approval of the college for the award of M.D.(Pathology) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September, 2001) and decided to recommend that Al-Ameen Medical College, Bijapur be approved for the award of M.D.(Pathology) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission to 1(one) student per year.

53. Bangalore University and Rajiv Gandhi University of Health Sciences, Bangalore – Approval of M.S. Ramaiah Medical College, Bangalore for the award of M.S.(Anatomy) qualification - consideration of compliance regarding.

Read : the compliance together with Council Inspector report (September, 2001) on the standard of examination and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore for approval of the college for the award of M.S.(Anatomy) qualification granted by Bangalore University and Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September, 2001) together with compliance and decided to recommend that M.S. Ramaiah Medical College, Bangalore be approved for the award of M.S.(Anatomy) qualification granted by Bangalore University & Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2 (two) students per year.

54. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of M.S. Ramaiah Medical College, Bangalore for the award of D.O. qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore for approval of the college for the award of D.O. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September, 2001) and decided to recommend that M.S. Ramaiah Medical College, Bangalore be approved for the award of D.O. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission to 1(one) student per year.

55. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Kempegowda Institute of Medical Sciences, Bangalore for the award of M.D.(Psychiatry) qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Kempegowda Institute of Medical Sciences, Bangalore for purpose of approval of the college for the award of M.D.(Psychiatry) qualification granted by the Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September,2001) and decided to recommend that Kempegowda Institute of Medical Sciences, Bangalore be approved for the award of M.D.(Psychiatry) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission to 1(one) student per year.

The attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.

56. i) Gulbarga University – Recognition of M.D.(S.P.M./Community Medicine) qualification in respect of students being trained at M.R. Medical College, Gulbarga.

ii) Rajiv Gandhi University of Health Sciences, Bangalore – Approval of M.R. Medical College, Gulbarga for the award of M.D.(S.P.M./Community Medicine) qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at M.R. Medical College, Gulbarga for purpose of i) recognition of M.D.(S.P.M./Community Medicine) qualification granted by Gulbarga University and ii) for approval of the college for the award of M.D.(S.P.M./Community Medicine) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September,2001) and decided to recommend that –

- i) M.D.(S.P.M./Community Medicine) qualification granted by Gulbarga University in respect of students trained at M.R. Medical College, Gulbarga be recognised and included in the first schedule to the IMC Act,1956.
- ii) M.R.Medical College, Gulbarga be also approved for the award of M.D.(SPM/Community Medicine) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore, restricting the number of admissions to 2(two) students per year.

The attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.

57. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Sri Devraj Urs Medical College, Kolar for the award of M.D.(Skin & V.D.) qualification- consideration of compliance regarding.

Read : the compliance togetherwith Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Sri Devraj Urs

Medical College, Kolar for approval of the college for the award of M.D.(Skin & V.D.) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September,2001) and decided to recommend that Sri Devraj Urs Medical College, Kolar be approved for the award of M.D.(Skin & V.D.) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission to 1(one) student per year.

58. Baba Farid University of Health Sciences, Faridkot- Approval of Guru Gobind Singh Medical College, Faridkot for the award of M.S.(General Surgery) qualification.

Read : the Council Inspector's report (October, 2001) on the standard of examination and other teaching facilities available at Guru Gobind Singh Medical College, Faridkot for approval of the college for the award of M.S.(General Surgery) qualification granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (October,2001) and decided to recommend that Guru Gobind Singh Medical College, Faridkot be approved for the award of M.S. (General Surgery) qualification granted by Baba Farid University of Health Sciences, Faridkot restricting the number of admissions to 3(three) students per year.

The attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.

59. Baba Farid University of Health Sciences, Faridkot- Approval of Guru Gobind Singh Medical College, Faridkot for the award of M.S.(Ophthalmology) qualification.

Read : the Council Inspector's report (October, 2001) on the standard of examination and other teaching facilities available at Guru Gobind Singh Medical College, Faridkot for approval of the college for the award of M.S.(Ophthalmology) qualification granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (October,2001) and decided not to recommend approval of Guru Gobind Singh Medical College, Faridkot for the award of M.S. (Ophthalmology) qualification granted by Baba Farid University of Health Sciences, Faridkot because the department of Ophthalmology is not headed by a Professor.

The Committee further decided to direct the institution authorities to henceforth stop admissions in MS (Ophthalmology) course from the ensuing academic session.

60. Baba Farid University of Health Sciences, Faridkot- Approval of Guru Gobind Singh Medical College, Faridkot for the award of M.D.(Dermatology & Venereology) qualification.

Read : the Council Inspector's report (October, 2001) on the standard of examination and other teaching facilities available at Guru Gobind Singh Medical College, Faridkot for approval of the college for the award of M.D.(Dermatology & Venereology) qualification granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (October, 2001) and decided to recommend that Guru Gobind Singh Medical College, Faridkot be approved for the award of M.D.(Dermatology & Venereology) qualification granted by Baba Farid University of Health Sciences, Faridkot restricting the number of admissions to 2(two) students per year.

61. i) **Punjabi University -Recognition of M.D.(T.B. & Respiratory Dise.) qualification in respect of students being trained at Govt. Medical College, Patiala.**
- ii) **Baba Farid University of Health Sciences, Faridkot- Approval of Govt. Medical College, Patiala for the award of M.D.(T.B. & Respiratory Dise.) qualification.**

Read : the Council Inspector's report (October, 2001) on the standard of examination and other teaching facilities available at Govt. Medical College, Patiala for purpose of i) recognition of M.D.(T.B. & Respiratory Dise.) qualification granted by Punjabi University and ii) approval of Govt. Medical College, Patiala for the award of M.D.(T.B. & Respiratory Dise.) qualification granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (October,2001) and decided not to recommend recognition of MD (TB & Respiratory Diseases) qualification earlier granted by Punjabi University and now by the Baba Farid University of Health Sciences, Faridkot because (i) none of the units in the department, in terms of bed strength, are as per MCI norms of 30-50 beds per unit (ii) Unit-II, in addition, is also not as per MCI norms in terms of the teaching complement i.e. minimum of 3 teachers per unit and (iii) other deficiencies as pointed out in the inspection report.

62. i) **Punjabi University -Recognition of M.D.(Biochemistry) qualification in respect of students being trained at Govt. Medical College, Patiala.**
- ii) **Baba Farid University of Health Sciences, Faridkot- Approval of Govt. Medical College, Patiala for the award of M.D.(Biochemistry) qualification.**

Read : the Council Inspector's report (October, 2001) on the standard of examination and other teaching facilities available at Govt. Medical College, Patiala for purpose of i) recognition of M.D.(Biochemistry) qualification granted by Punjabi University and ii) approval of Govt. Medical College, Patiala for the award of M.D.(Biochemistry) qualification granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (October,2001) and decided to recommend that :-

- i) M.D. (Biochemistry) qualification granted by Punjabi University in respect of students trained at Govt. Medical College, Patiala be recognised & included in the first schedule to the I.M.C.Act,1956.
- ii) Govt. Medical College, Patiala be also approved for the award of M.D.(Biochemistry) qualification granted by Baba Farid University of Health Sciences, Faridkot restricting the number of admissions to 3(three) students per year.

The attention of the authorities be drawn towards the implementation of observations made by the Council Inspector in the inspection report.

63. Baba Farid University of Health Sciences, Faridkot – Continuance of recognition of M.D.(Radio-Diagnosis) qualification in respect of Govt. Medical College, Amritsar .

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Govt. Medical College, Amritsar for purpose of continuance of recognition of M.D.(Radio-Diagnosis) qualification granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (September,2001) and noted that the teaching faculty as available in the department of Radio-Diagnosis is not adequate and there are other deficiencies pointed out in the inspection report, and decided to seek compliance from the authorities of the institution as regard rectification of the deficiencies and further decided to defer the consideration of the matter.

64. Punjab University and Baba Farid University of Health Sciences, Faridkot – Recognition of M.D.(Radio-therapy) qualification in respect of students being trained at Christian Medical College, Ludhiana.

Read : the Council Inspector's report (January, 2002) on the standard of examination and other teaching facilities available at Christian Medical College, Ludhiana for purpose of recognition of M.D.(Radio-therapy) qualification earlier granted by Punjab University and now by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (January,2002) and decided to recommend that M.D.(Radio-therapy) qualification granted earlier by Punjab University and now by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Christian Medical College, Ludhiana be recognised and included in the first schedule to the I.M.C.Act,1956 restricting the number of admission to 1(one) student per year.

65. Punjab University and Baba Farid University of Health Sciences, Faridkot – Approval of Christian Medical College, Ludhiana for the award of M.D.(Obst. & Gynae.) qualification.

Read : the Council Inspector's report (December, 2001) on the standard of examination and other teaching facilities available at Christian Medical College, Ludhiana for purpose of approval of the college for the award of M.D.(Obst. & Gynae.) qualification earlier granted by Punjab University and now by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (December,2001) and decided not to approve the Christian Medical College, Ludhiana for the award of M.D.(Obst. & Gynae.) qualification earlier granted by Punjab University and now by Baba Farid University of Health Sciences, Faridkot because of the following:-

- i) Composition of Unit-I in terms of teaching faculty is not as per MCI norms i.e. a Professor, a Reader and Asstt. Professor in the Unit-I.
- ii) Head of the Unit-II does not possess recognised PG qualification.
- iii) Postgraduate students are not put to MTP training, so important a national programme.
- iv) Other deficiencies as pointed out in the inspection report.

66. i) **Punjab University -Recognition of M.D.(S.P.M.) qualification in respect of students being trained at Dayanand Medical College, Ludhiana.**
- ii) **Baba Farid University of Health Sciences, Faridkot- Approval of Dayanand Medical College, Ludhiana for the award of M.D.(S.P.M.) qualification.**

Read : the Council Inspector's report (October, 2001) on the standard of examination and other teaching facilities available at Dayanand Medical College, Ludhiana for purpose of i) recognition of M.D.(S.P.M.) qualification granted by Punjab University and ii) approval of Dayanand Medical College, Ludhiana for the award of M.D.(S.P.M.) qualification granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (October,2001) and decided to recommend that :-

- i) M.D. (SPM) qualification granted by Punjab University in respect of students trained at Dayanand Medical College, Ludhiana be recognised & included in the first schedule to the I.M.C.Act,1956.
- ii) Dayanand Medical College, Ludhiana be also approved for the award of MD(SPM) qualification granted by Baba Farid University of Health Sciences, Faridkot restricting the number of admissions to 1(one) student per year.

67. **Punjab University and Baba Farid University of Health Sciences, Faridkot – Approval of Dayanand Medical College, Ludhiana for the award of M.S.(General Surgery) qualification.**

Read : the Council Inspector's report(January, 2002) on the standard of examination and other teaching facilities available at Dayanand Medical College, Ludhiana for approval of the college for the award of M.S.(General Surgery) qualification earlier granted by Punjab University and now Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (January,2002) and decided not to approve Dayanand Medical College, Ludhiana for the award of M.S.(General Surgery) qualification earlier granted by Punjab University and now Baba Farid University of Health Sciences, Faridkot because of the following deficiencies:-

- i) Clinical material is inadequate.
- ii) The composition of unit III & IV is incomplete as regard teaching faculty is not as per MCI norms i.e. minimum of 3 faculty members per unit.
- iii) The present teaching faculty in the department of Surgery is not sufficient even for the annual intake of undergraduate students for which the institution is recognised.

The Committee further decided to direct the authorities of the institution to henceforth stop admissions in MS (General Surgery) course from the ensuing academic session.

68. Punjab University & Baba Farid University of Health Sciences, Faridkot – Approval of Dayanand Medical College, Ludhiana for the award of M.S.(Ophthalmology).

Read : the Council Inspector's report (January, 2002) on the standard of examination and other teaching facilities available at Dayanand Medical College, Ludhiana for purpose of approval of the college for the award of M.S.(Ophthalmology) qualification earlier granted by Punjab University & now by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (January, 2002) and decided to recommend that the Dayanand Medical College, Ludhiana be approved for the award of M.S.(Ophthalmology) qualification earlier granted by Punjab University & now by Baba Farid University of Health Sciences, Faridkot. However, the authorities of the institution are directed to prospectively restrict the number of admission to 1(one) student per year.

69. i) Punjab University & Baba Farid University of Health Sciences, Faridkot – Recognition of D.L.O. qualification in respect of students being trained at Dayanand Medical College, Ludhiana.

ii) Punjab University & Baba Farid University of Health Sciences, Faridkot – Approval Dayanand Medical College, Ludhiana for the award of M.S.(E.N.T.) qualification.

Read : the Council Inspector's report (January, 2002) on the standard of examination and other teaching facilities available at Dayanand Medical College, Ludhiana for purpose of i) recognition of D.L.O. qualification and ii) also approval of the college for the award of M.S.(E.N.T.) qualification earlier granted by Punjab University & now by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (January, 2002) and decided to recommend that :-

- i) D.L.O qualification earlier granted by Punjab University & now by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Dayanand Medical College, Ludhiana be recognised & included in the first schedule to the I.M.C.Act, 1956.
- ii) Dayanand Medical College, Ludhiana be also approved for the award of MS(ENT) qualification earlier granted by Punjab University & now by Baba Farid University of Health Sciences, Faridkot. However, the authorities are directed to prospectively restrict the annual intake to one student each for MS (ENT) and DLO courses in consonance with the available clinical material.

70. Rajasthan University – Recognition of M.Ch.(Plastic Surgery) qualification in respect of students being trained at S.M.S. Medical College, Jaipur.

Read : the Council Inspector's report (October, 2001) on the standard of examination and other teaching facilities available at S.M.S. Medical College, Jaipur for purpose of recognition of M.Ch.(Plastic Surgery) qualification granted by Rajasthan University.

The Postgraduate Committee considered the Council Inspector's report (October, 2001) and decided to recommend M.Ch.(Plastic Surgery) qualification granted by Rajasthan university in respect of students being trained at S.M.S. Medical College,

Jaipur be recognised and included in the first schedule to the IMC Act, 1956. restricting the number of admissions to 2(two) students per year.

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at Grant Medical College, Mumbai for purpose of recognition of M.D.(Forensic Medicine) qualification granted by University of Bombay/Mumbai.

The Postgraduate Committee considered the Council Inspector's report (March, 2002) and decided to recommend that M.D.(Forensic Medicine) qualification granted by University of Bombay/Mumbai in respect of students being trained at Grant Medical College, Mumbai be recognised and included in the first schedule to the IMC Act, 1956 restricting the number of admissions to 2(two) students per year.

79. Bharti Vidhyapeeth (Deemed University) – Recognition of M.S. (General Surgery) qualification in respect of students being trained at Bharti Vidhyapeeth Medical College, Pune – consideration of representation regarding the fixation of intake capacity.

Read : Representation/compliance by the authorities of Bharti Vidhyapeeth Medical College, Pune to the decision of the PG Committee to recommend recognition of MS (General Surgery) qualification and fixing the intake in MS (General Surgery) course to 2(two) students per year.

The Postgraduate Committee considered the representation/compliance submitted by the authorities of Bharti Vidhyapeeth Medical College, Pune and decided to verify the compliance by way of an inspection.

- 80. i) Nagpur University – Approval of Mahatma Gandhi Institute of Medical Sciences, Sewagram, Wardha for the award of M.D.(Anaesthesia) & D.A. qualifications.**
- ii) Maharashtra University of Health Sciences, Nasik – Approval of the college for the award of D.A. qualification.**

Read : the Council Inspector's report (November, 2001) on the standard of examination and other teaching facilities available at Mahatma Gandhi Institute of Medical Sciences, Sewagram, Wardha for i) approval of the college for the award of M.D.(Anaesthesia) & D.A. qualifications granted by Nagpur University and ii) also for approval of the college for the award of D.A. qualification granted by Maharashtra University of Health Sciences, Nasik.

The Postgraduate Committee considered the Council Inspector's report (Nov. 2001) and decided not to recommend approval of Mahatma Gandhi Institute of Medical Sciences, Sewagram, Wardha for the award of MD (Anaesthesia) and DA qualifications because the staff complement in the department of Anaesthesia is sufficient enough only for the intake at the undergraduate level for which the institution is recognised and an additional teacher is required for the institution to be eligible to start the PG course.

81. Nagpur University – Approval of Mahatma Gandhi Instt. of Medical Sciences, Sewagram, Wardha for the award of M.S.(General Surgery) qualification – consideration of compliance verification regarding.

Read : the compliance verification report (September, 2001) together with compliance and Council Inspector's report (April, 98) on the standard of examination and other teaching facilities available at Mahatma Gandhi Instt. of Medical Sciences, Sewagram, Wardha for purpose of approval of the college for the award of M.S.(General Surgery) qualification granted by Nagpur University.

The Postgraduate Committee considered the compliance verification report (Sept. 2001) together with compliance and the Council Inspector's report (April, 1998) and decided to recommend that Mahatma Gandhi Instt. of Medical Sciences, Sewagram, Wardha be approved for the award of M.S.(General Surgery) qualification granted by Nagpur University restricting the number of admissions to 3(three) students per year. The attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.

82. University of Poona – Recognition of M.D.(Biochemistry) qualification in respect of students being trained at Armed Forces Medical College, Pune - consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (Jan., 2001) on the standard of examination and other teaching facilities available at Armed Forces Medical College, Pune for purpose of recognition of M.D.(Biochemistry) qualification granted by University of Poona.

The Postgraduate Committee considered the Council Inspector's report (Jan. 2001) together with the compliance and the observations of T.E.Q. Sub-Committee wherein Dr. M.M. Arora has been considered as eligible for the post of Professor in the department of Biochemistry from April, 2002, and decided to carry out inspection.

83. University of Poona – Approval of Rural Medical College, Loni for the award of M.D.(General Medicine) qualification.

Read : the Council Inspector's report (January, 2002) on the standard of examination and other teaching facilities available at Rural Medical College, Loni for approval of the college for the award of M.D.(General Medicine) qualification granted by University of Poona.

The Postgraduate Committee considered the Council Inspector's report (Jan. 2002) and decided to recommend that Rural Medical College, Loni be approved for the award of M.D.(General Medicine) qualification granted by University of Poona restricting the number of admissions to 2(two) students per year.

84. University of Poona - Approval of Rural Medical College, Loni for the award of M.S.(General Surgery) qualification .

Read : the Council Inspector's report (January, 2002) on the standard of examination and other teaching facilities available at Rural Medical College, Poona for purpose of approval of the college for the award of M.S.(General Surgery) qualification granted by University of Poona was carried out on behalf of the Council during Jan., 2002.

The Postgraduate Committee considered the Council Inspector's report (Jan. 2002) and decided to recommend that Rural Medical College, Loni be approved for the award of M.S.(General Surgery) qualification granted by University of Poona restricting the number of admissions to 2(two) students per year.

85. South Gujarat University – Recognition of M.S.(Ortho.) qualification in respect of students being trained at Govt. Medical College, Surat – consideration of compliance regarding.

Read : the compliance together with Council Inspector's report (June, 2001) on the standard of examination and other teaching facilities available at Govt. Medical College, Surat for purposes of recognition of M.S.(Ortho.) qualification granted by South Gujarat University.

The Postgraduate Committee considered the Council Inspector's report (June, 2001) together with the compliance and decided to recommend that M.S. (Orthopaedics) qualification granted by South Gujarat University in respect of students being trained at Govt. Medical College, Surat be recognised and included in the first schedule to the IMC Act, 1956 restricting the number of admissions to 2(two) students per year.

86. Sardar Patel University – Recognition of M.D.(Anaesthesia) qualification in respect of students being trained at Pramukhswami Medical College, Karamsad-consideration of compliance verification regarding.

Read : the compliance verification report (October, 2001) together with compliance and Council Inspector's report (March, 2001) on the standard of examination and other teaching facilities available at Pramukhswami Medical College, Karamsad for purpose of recognition of M.D.(Anaesthesia) qualification granted by Sardar Patel University.

The Postgraduate Committee considered the compliance verification report (Oct. 2001) together with the compliance and the Council Inspector's report (March, 2001) and decided to recommend that M.D. (Anaesthesia) qualification granted by Sardar Patel University in respect of students being trained at Pramukhswami Medical College, Karamsad be recognised and included in the first schedule to the IMC Act, 1956. However, the authorities of the institution are directed to prospectively restrict the annual intake in MD (Anaesthesia) course to 3(three) students per year in consonance with the available teaching faculty.

87. The Tamilnadu Dr. M.G.R. Medical University, Chennai — Approval of Kilpauk Medical College, Chennai for the award of D.M.(Gastroenterology) qualification.

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at Kilpauk Medical College, Chennai for approval of the college for the award of D.M.(Gastroenterology) qualification granted by The Tamilnadu Dr. M.G.R. Medical University, Chennai.

The Postgraduate Committee considered the Council Inspector's report (March 2002) and decided to recommend that Kilpauk Medical College, Chennai be approved for the award of D.M. (Gastroenterology) qualification granted by The Tamilnadu Dr. MGR Medical University restricting the number of admissions to 2(two) students per year.

88. Madras University and The Tamilnadu Dr. M.G.R. Medical University, Chennai — Approval of Kilpauk Medical College, Chennai for the award of M.Ch.(Plastic Surgery) qualification.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Kilpauk Medical College, Chennai for approval of the college for the award of M.Ch.(Plastic Surgery) qualification earlier granted by Madras University and now by The Tamilnadu Dr. M.G.R. Medical University, Chennai.

The Postgraduate Committee considered the Council Inspector's report (Sept. 2001) and noting that unit composition in the department of Plastic Surgery as regards bed strength is not as per MCI norms, decided to advise the institution to re-organise the units in terms of bed strength as per MCI norms i.e. 25-50 beds per unit and further decided to defer the consideration of the matter..

89. Madras University and The Tamilnadu Dr. M.G.R. Medical University, Chennai - Approval of Christian Medical College, Vellore for the award of M.S.(Ophthalmology) & D.O.qualifications- consideration of compliance verification regarding.

Read : the compliance verification report (January, 2002) together with compliance and Council Inspector's report (April, 2001) on the standard of examination and other teaching facilities available at Christian Medical College, Vellore for purpose of approval of the college for the award of M.S.(Ophthalmology) & D.O. qualifications granted earlier by Madras University & now by The Tamilnadu Dr. M.G.R. Medical University, Chennai.

The Postgraduate Committee considered the compliance verification report (Jan. 2002) together with compliance and the Council Inspector's report (April, 2001) and decided to recommend that Christian Medical College, Vellore be approved for the award of M.S.(Ophthalmology) and D.O. qualifications granted earlier by Madras University and now by The Tamil Nadu Dr. MGR Medical University, Chennai. However, the authorities of the institution are directed to prospectively restrict the annual intake in MS (Ophthalmology) and D.O. courses to 2(two) students in each course in consonance with the provisions of Postgraduate Medical Education Regulations,2000.

90. i) Madras University and The Tamilnadu Dr. M.G.R. Medical University, Chennai – Recognition of M.D.(Community Medicine) qualification in respect of students being trained at Christian Medical College, Vellore.

ii) Madras University – Approval of Christian Medical College, Vellore for the award of M.D.(S.P.M.) qualification.

Read : the Council Inspector's report (March, 2001) on the standard of examination and other teaching facilities available at Christian Medical College, Vellore for purpose of i) recognition of M.D.(Community Medicine) qualification and also ii) approval of the college for the award of M.D.(S.P.M.) qualification earlier granted by Madras University and now by The Tamilnadu Dr. M.G.R. Medical University, Chennai.

The Postgraduate Committee considered the Council Inspector's report (March 2001) and decided to recommend that –

- i) M.D. (Community Medicine) qualification granted earlier by Madras University and now by The Tamil Nadu Dr. MGR Medical University in respect of students being trained at Christian Medical College, Vellore be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admissions to 3(three) students per year.
- ii) Christian Medical College, Vellore be approved for the award of M.D. (SPM) qualification earlier granted by Madras University.

91. The Tamilnadu Dr. M.G.R. Medical Univerisity, Chennai - Approval of Coimbatore Medical College, Coimbatore for the award of M.Ch.(Paediatric Surgery) qualification .

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at Coimbatore Medical College, Coimbatore for purpose of approval of the college for the award of M.Ch.(Paediatrics Surgery) qualification granted by the Tamilnadu Dr. M.G.R. University, Chennai.

The Postgraduate Committee considered the Council Inspector's report (March, 2002) and decided to recommend that Coimbatore Medical College, Coimbatore be approved for the award of M.Ch. (Paediatric Surgery) qualification granted by The Tamil Nadu Dr. MGR Medical University, Chennai restricting the number of admissions to 2(two) students per year.

92. Madras University and The Tamilnadu Dr. M.G.R. Medical Univerisity, Chennai- Approval of Madras Medical College, Chennai for the award of D.M.(Nephrology) qualification .

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at Madras Medical College, Chennai for purpose of approval of the college for the award of D.M.(Nephrology) qualification earlier granted by Madras University and now by The Tamilnadu Dr. M.G.R. University, Chennai.

The Postgraduate Committee considered the Council Inspector's report (March, 2002) and decided to recommend that Madras Medical College, Chennai be approved for the award of D.M. (Nephrology) qualification earlier granted by Madras University and now by The Tamil Nadu Dr. MGR Medical University restricting the number of admissions to 2(two) students per year.

93. Nizam's Institute of Medical Science, Hyderabad(Deemed University) – Recognition of M.Ch.(Genito-Urinary Surgery) qualification in respect of students being trained at Nizam's Institute of Medical Sciences, Hydrabad.

Read : the Council Inspector's report (December, 2001) on the standard of examination and other teaching facilities available at Nizam's Institute of Medical Science, Hyderabad for purpose of recognition of M.Ch.(Genito-Urinary Surgery) qualifications granted by the Institute.

The Postgraduate Committee considered the Council Inspector's report (December 2001) and decided to recommend that MCh. (Genito Urinary Surgery) qualification granted by Nizam's Institute of Medical Sciences, Hyderabad (Deemed University) in respect of students being trained at Nizam's Institute of Medical Sciences, Hyderabad be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admissions to 1(one) student per year.

94. Nizam's Institute of Medical Science, Hyderabad(Deemed University) – Recognition of D.M.(Clinical Pharmacology & Therapeutics) qualification in respect of students being trained at Nizam's Institute of Medical Sciences, Hyderabad.

Read the Council Inspector's report (December, 2001) on the standard of examination and other teaching facilities available at Nizam's Institute of Medical Science, Hyderabad for purpose of recognition of D.M.(Clinical Pharmacology & Therapeutics) qualification granted by the Institute.

The Postgraduate Committee considered the Council Inspector's report (Dec. 2001) and decided to recommend that D.M. (Clinical Pharmacology & Therapeutics) qualification granted by Nizam's Institute of Medical Science, Hyderabad (Deemed University) in respect of students being trained at Nizam's Instt. Of Medical Sciences, Hyderabad be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admission to 1(one) student per year.

95. Nizam's Institute of Medical Science, Hyderabad(Deemed University) – Recognition of M.Ch.(Plastic-Surgery) qualification in respect of students being trained at Nizam's Institute of Medical Sciences, Hyderabad.

Read : the Council Inspector's report (December, 2001) on the standard of examination and other teaching facilities available at Nizam's Institute of Medical Science, Hyderabad for purpose of recognition of M.Ch.(Plastic-Surgery) qualification granted by the Institute.

The Postgraduate Committee considered the Council Inspector's report (Dec. 2001) and decided to recommend that MCh. (Plastic Surgery) qualification granted by Nizam's Institute of Medical Science, Hyderabad (Deemed University) in respect of students being trained at Nizam's Instt. Of Medical Sciences, Hyderabad be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admission to 2(two) students per year.

96. Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada – Recognition of M.D.(Psychiatry) & D.P.M. qualifications in respect of students being trained at Osmania Medical College, Hyderabad.

Read : the Council Inspector's report (May, 2001) on the standard of examination and other teaching facilities available at Osmania Medical College, Hyderabad for purpose of recognition of M.D.(Psychiatry) & D.P.M. qualifications earlier granted by Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada & now by NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (May 2001) and noting that the units in the department of Psychiatry in terms of bed strength are not as per MCI norms, decided to direct the authorities to re-organise the units in terms of bed strength as per MCI norms i.e. 30-50 beds per unit and further decided to defer the consideration of the matter.

97. Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada – Approval of Gandhi Medical College, Hyderabad for the award of M.D. (Physiology) qualification.

Read : the Council Inspector's report (November, 2001) on the standard of examination and other teaching facilities available at Gandhi Medical College,

Hyderabad for purpose of approval of the college for the award of M.D. (Physiology) qualification earlier granted by Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada & now by NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (November 2001) and decided not to recommend approval of Gandhi Medical College, Hyderabad for the award of M.D. (Physiology) qualification earlier granted by Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada and now by the NTR University of Health Sciences, Vijayawada because – i) Head of the department and the other Professors in the deptt. do not possess recognised postgraduate qualification, ii) space for lab. and central library is inadequate and iii) other deficiencies pointed out in the inspection report.

98. i) **Andhra University and Nagarjuna University – Recognition of M.D.(Microbiology) qualification in respect of students being trained Guntur Medical College, Guntur.**
- ii) **Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of Guntur Medical College, Guntur for the award of M.D.(Microbiology) qualification.**

Read : the Council Inspector's report (May, 2001) on the standard of examination and other teaching facilities available at Guntur Medical College, Guntur for i) recognition of M.D.(Microbiology) qualification granted by Andhra University and Nagarjuna University and also ii) approval of the college for the award of M.D.(Microbiology) qualification earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada & now by NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (May, 2001) and decided that -

- i) M.D. (Microbiology) qualification granted by Andhra University and Nagarjuna University in respect of students trained at Guntur Medical College, Guntur be recognised and included in the first schedule to the IMC Act 1956.
 - ii) Guntur Medical College, Guntur be approved for the award of M.D. (Microbiology) qualification earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada and now by NTR University of Health Sciences, Vijayawada restricting the number of admissions to 2(two) students per year. The attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.
99. i) **Andhra University and Nagarjuna University – Recognition of M.D.(Forensic Medicine) qualification in respect of Guntur Medical College, Guntur.**
 - ii) **Andhra Pradesh University of Health Sciences, Vijayawada & N.T.R. University of Health Sciences, Vijayawada – Approval of Guntur Medical College, Guntur for the award of M.D.(Forensic Medicine) qualification.**

Read : the Council Inspector's report (November, 2001) on the standard of examination and other teaching facilities available at Guntur Medical College, Guntur

for purpose of i) recognition of M.D.(Forensic Medicine) qualification granted by Andhra University and Nagarjuna University and ii) approval of the college for the award of M.D.(Forensic Medicine) qualification earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada & now by NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (November, 2001) and decided to recommend that -

- i) M.D. (Forensic Medicine) qualification granted by Andhra University/Nagarjuna University in respect of students trained at Guntur Medical College, Guntur be recognised and included in the first schedule to the IMC Act 1956.
 - ii) Guntur Medical College, Guntur be approved for the award of M.D. (Forensic Medicine) qualification earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada and now by NTR University of Health Sciences, Vijayawada restricting the number of admissions to 1(one) student per year. The attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.
100. i) **Andhra University, Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada – Recognition of M.D.(Tuberculosis/Tuberculosis & Chest Diseases/ Tuberculosis & Resp. Diseases) in respect of students being trained at Rangaraya Medical College, Kakinada.**
- ii) **Andhra University, Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada – Approval of Rangaraya Medical College, Kakinada for the award of D.T.C.D. qualification.**

Read : the Council Inspector's report (May, 2001) on the standard of examination and other teaching facilities available at Rangaraya Medical College, Kakinada for i) recognition of M.D.(Tuberculosis/Tuberculosis & Chest Diseases/ Tuberculosis & Resp. Diseases) qualification earlier granted by Andhra University, Andhra Pradesh University of Health Sciences, Vijayawada and now by N.T.R. University of Health Sciences, Vijayawada and ii) approval of the college for the award of D.T.C.D. qualification earlier granted by Andhra University, Andhra Pradesh University of Health Sciences, Vijayawada and now by N.T.R. University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (May, 2001) and decided not to recommend approval/recognition of M.D. (Tuberculosis/Tuberculosis & Chest Diseases/Tuberculosis & Respiratory Diseases) and DTCD qualifications granted by Andhra University / Andhra Pradesh University of Health Sciences, Vinayawada/NTR University of Health Sciences, Vijayawada in respect of students being trained at Rangaraya Medical College, Kakinada because of the following:-

- i) The Professor & HOD does not possess requisite recognised postgraduate qualification .
- ii) The units in the department of TB & Chest Diseases in terms of bed strength are not as per the MCI norms i.e. 30-50 beds per unit;
- iii) Other deficiencies pointed out in the inspection report.

101. **Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada – Approval of Gandhi Medical College, Hyderabad for the award of M.S. (E.N.T.) & D.L.O. qualifications.**

Read : the Council Inspector's report (November, 2001) on the standard of examination and other teaching facilities available at Gandhi Medical College, Hyderabad for purpose of approval of the college for the award of M.S. (E.N.T.) & D.L.O. qualifications earlier granted by Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada & now by NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (November 2001) and decided not to recommend approval of Gandhi Medical College, Hyderabad for the award of M.S.(ENT) & DLO qualifications earlier granted by Osmania University, Andhra Pradesh University of Health Sciences, Vijayawada and now by the NTR University of Health Sciences, Vijayawada because of the following :-

- i) The OPD of ENT is not conducted daily and
- ii) Other remarks/observations as pointed out in the Council Inspection report.

102. **i) Andhra University – Recognition of M.Ch.(Neuro-Surgery) qualification in respect of students being trained at Andhra Medical College, Visakhapatnam.**

ii) Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of Andhra Medical College, Visakhapatnam for the award of M.Ch.(Neuro-Surgery) qualification.

Read : the Council Inspector's report (June, 2001) on the standard of examination and other teaching facilities available at Andhra Medical College, Visakhapatnam for i) recognition of M.Ch.(Neuro-Surgery) qualification granted by Andhra University and ii) approval of the college for the award of M.Ch.(Neuro-Surgery) qualification earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada & now by NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (June, 2001) and decided to recommend that-

- i) MCh. (Neuro Surgery) qualification granted by Andhra University in respect of students trained at Andhra Medical College, Visakhapatnam be recognised and included in the first schedule to the IMC Act 1956.
- ii) Andhra Medical College, Visakhapatnam be approved for the award of MCh. (Neuro Surgery) qualification earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada and now by NTR University of Health Sciences, Vijayawada restricting the number of admissions to 1(one) student per year.

103. **i) Sri Venkateshwara University, Tirupati – Recognition of M.D.(S.P.M. and D.P.H. qualifications in respect of students being trained at S.V.Medical College, Tirupati.**

- ii) **Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of S.V. Medical College, Tirupati for the award of M.D.(S.P.M.) & D.P.H. qualifications.**

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at S.V. Medical College, Tirupati for i) recognition of M.D.(S.P.M.) & D.P.H. qualifications granted by Sri Venkateshwara University and ii) approval of the college for the award of M.D.(S.P.M.) & D.P.H. qualifications granted by Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (March, 2002) and decided not to recommend approval/recognition of M.D. (SPM) & DPH qualifications granted by Sri Venkateshwara University/Andhra Pradesh University of Health Sciences, Vijayawada and NTR University of Health Sciences, Vijayawada in respect of students being trained at S.V. Medical College, Tirupati because the present available teaching faculty in the department of SPM is not adequate even for the annual intake of the undergraduate students for which the institution is recognised.

The Committee further decided to direct the authorities of the institution to henceforth stop admissions in MD (SPM) and DPH courses from the ensuing academic session.

104. i) **Sri Venkateswara University – Recognition of M.D.(Radiology/Radio-Diagnosis) & D.M.R.D. qualifications in respect of students being trained at Kurnool Medical College, Kurnool.**

- ii) **Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of Kurnool Medical College, Kurnool for the award of M.D. (Radiology/Radio-Diagnosis) and also recognition of D.M.R.D. qualification.**

Read : the Council Inspector's report (May, 2001) on the standard of examination and other teaching facilities available at Kurnool Medical College, Kurnool for i) recognition of M.D.(Radiology/Radio-Diagnosis) & D.M.R.D. qualifications granted by Sri Venkateswara University and ii) approval of the college for the award of M.D. (Radiology/Radio-Diagnosis) qualification and also recognition of D.M.R.D. qualification granted by Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (March, 2001) and decided not to recommend approval/recognition of M.D. (Radio-diagnosis) & DMRD qualifications granted by Sri Venkateshwara University/Andhra Pradesh University of Health Sciences, Vijayawada and NTR University of Health Sciences, Vijayawada in respect of students being trained at Kurnool. Medical College, Kurnool because the present available teaching faculty in the department of Radio-Diagnosis is not adequate even for the annual intake of the undergraduate students for which the institution is recognised.

The Committee further decided to direct the authorities of the institution to henceforth stop admissions in MD (Radio-Diagnosis) and DMRD courses from the ensuing academic session.

105. Calicut University – Recognition of M.D.(Tuberculosis & Respiratory Diseases) and D.T.C.D. qualifications in respect of students being trained at Medical College, Calicut – consideration of compliance verification regarding.

Read : the compliance verification report (October, 2001) together with compliance and Council Inspector's report (August, 94) on the standard of examination and other teaching facilities available at Medical College, Calicut for purpose of recognition of M.D.(Tuberculosis & Respiratory Diseases) & D.T.C.D. qualifications granted by Calicut University.

The Postgraduate Committee considered the compliance verification report (October, 2001) together with compliance and the Council Inspector's report (August 1994) and decided to recommend that M.D.(Tuberculosis & Respiratory Diseases) and DTCD qualifications granted by Calicut University in respect of students being trained at Medical College, Calicut be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admissions in MD (Tuberculosis & Respiratory Diseases) and DTCD courses to 3(three) students each per year.

106. Calicut University – Recognition of D.M.(Cardiology) qualification in respect of students being trained at Calicut Medical College, Calicut.

Read : the Council Inspector's report (February, 2002) on the standard of examination and other teaching facilities available at Calicut Medical College, Calicut for purpose of recognition of D.M.(Cardiology) qualification granted by Calicut University.

The Postgraduate Committee considered the Council Inspector's report (February 2002) and decided to recommend that D.M. (Cardiology) qualification granted by Calicut University in respect of students being trained at Calicut Medical College, Calicut be recognised and included in the first schedule to the IMC Act 1956, restricting the number of admissions to 1(one) student per year.

107. Annamalai University – Recognition of M.D.(Pharmacology) qualification in respect of students being trained at Rajah Muthiah Medical College, Annamalainagar.

Read : the Council Inspector's report (August, 2001) on the standard of examination and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for purpose of recognition of M.D.(Pharmacology) qualifications granted by Annamalai University.

The Postgraduate Committee considered the Council Inspector's report (August, 2001) and decided to recommend that M.D. (Pharmacology) qualification granted by Annamalai University in respect of students being trained at Rajah Muthiah Medical College, Annamalainagar be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admissions to 3(three) students per year.

108. Himachal Pradesh University – Recognition of M.S.(E.N.T.) qualification in respect of students being trained at Indira Gandhi Medical College, Shimla.

Read : the Council Inspector's report (December, 2001) on the standard of examination and other teaching facilities available at Indira Gandhi Medical College, Shimla for purpose of recognition of M.S.(E.N.T.) qualification granted by Himachal Pradesh University.

The Postgraduate Committee considered the Council Inspector's report (December 2001) and decided to recommend that M.S. (ENT) qualification granted by Himachal Pradesh University in respect of students being trained at Indira Gandhi Medical College, Shimla be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admissions to 2(two) students per year.

109. Himachal Pradesh University – Recognition of M.D.(Paediatrics) qualification in respect of students being trained at Indira Gandhi Medical College, Shimla.

Read : the Council Inspector's report (December, 2001) on the standard of examination and other teaching facilities available at Indira Gandhi Medical College, Shimla for purpose of recognition of M.D.(Paediatrics) qualification granted by Himachal Pradesh University.

The Postgraduate Committee considered the Council Inspector's report (December 2001) and decided to recommend that M.D. (Paediatrics) qualification granted by Himachal Pradesh University in respect of students being trained at Indira Gandhi Medical College, Shimla be recognised and included in the first schedule to the IMC Act 1956 restricting the number of students to 2(two) students per year.

110. Maharishi Dayanand University – Continuance of recognition of M.D.(Paediatrics) & D.C.H. qualifications in respect of students being trained at Pt.B.D.Sharma PGIMS, Rohtak – consideration of compliance verification regarding.

Read : the compliance verification report (February, 2002) together with compliance and Council Inspector's report (Feb.99, Dec.99 and May, 2000) on the physical and other teaching facilities available at Pt.B.D.Sharma PGIMS, Rohtak for purpose of continuance of recognition of M.D.(Paediatrics) & D.C.H. qualifications granted by Maharishi Dayanand University.

The Postgraduate Committee considered the compliance verification report (February, 2002) alongwith the letter dt. 16.9.2002 from the Director of the Institution conveying therein the latest status of the composition of the units in the department of Pediatrics and decided to verify the same by way of inspection.

The Committee while deliberating in the matter also discussed the letter DO No. MCI-23(1)/2000-Med./9999, dt. 6.7.2000 addressed to Dr. S.B. Siwach, then Director, Pt. B.D.Sharma PG Instt. of Medical Sciences, Rohtak by Dr. L.S. Chawla then Chairman, PG Committee vide which displeasure of the Postgraduate Committee was conveyed to him, and decided that in view of the facts of the case explained by Dr. Siwach, the said letter be withdrawn.

111. Starting of M.D.(Physiology) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Govt. Medical College, Chandigarh for starting of M.D.(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Physiology) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the IMC Act, 1956 because (i) promotion of Prof. & Head

from the post of Asstt. Prof. to Reader has not been made as per MCI's norms of minimum of 5 years experience and (ii) other deficiencies pointed out by the Council Inspector in the inspection report.

112. Starting of M.D.(T.B. & Chest Diseases) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Govt. Medical College, Chandigarh for starting of M.D.(T.B. & Chest Diseases) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(T.B.& Chest Diseases) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

113. Starting of M.D.(Psychiatry) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Govt. Medical College, Chandigarh for starting of M.D.(Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Psychiatry) course at Govt. Medical College, Chandigarh affiliated to Punjab University u/s 10A of the IMC Act, 1956 because of the following:

- (i) Promotion of HOD Dr. B.S. Chavan from Asstt.Prof. to Assoc.Prof. and thereafter to post of Professor has not been as per MCI's norms of minimum of 5 and 4 years respectively.
- (ii) The Medical College Hospital has a strength of only 20 beds which is not as per MCI norms of minimum of 30 beds per unit.
- (iii) Additional equipments and instruments are required for the department.
- (iv) Other deficiencies pointed out in the inspection report.

114. Starting of M.D.(Radio-Therapy) course at Indira Gandhi Medical College, Shimla affiliated to Himachal Pradesh University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Indira Gandhi Medical College, Shimla for starting of M.D.(Radio-Therapy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Radio-Therapy) course at Indira Gandhi. Medical College, Shimla affiliated to Himachal Pradesh University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

115. Starting of M.Ch.(Endocrine Surgery) course at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow (Deemed University) u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (February, 2002) on the physical and other teaching facilities available at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow (Deemed University) for starting of M.Ch.(Endocrine Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee noted that Prof. Vittal is an Emeritus Professor in Endocrine Surgery in Tamil Nadu and decided that the inspection of Sanjay Gandhi Postgraduate Instt. of Medical Sciences, Lucknow (Deemed University) for consideration of starting of M.Ch. (Endocrine Surgery) be got done through him.

116. Starting of M.D.(Paediatrics) course at Medical College, Kota affiliated to Rajasthan University u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification for Letter of Permission regarding.

Read : the compliance verification report (April, 2002) together with compliance and Council Inspector's report (September, 2000) on the physical and other teaching facilities available at Medical College, Kota for starting of M.D.(Paediatric) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (April, 2002) together with compliance and Council Inspector's report (September, 2000) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Paediatric) course at Medical College, Kota affiliated to Rajasthan University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

117. Starting of M.D.(Biochemistry) course at Govt. Medical College, Kota affiliated to Rajasthan University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Govt. Medical College, Kota for starting of M.D.(Biochemistry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Biochemistry) course at Govt. Medical College, Kota affiliated to Rajasthan University u/s 10A of the IMC Act, 1956 because of inadequate teaching faculty which is not sufficient even for the permitted intake capacity of the institution for undergraduate admissions.

118. Starting of M.D.(Psychiatry) course at Govt. Medical College, Kota affiliated to Rajasthan University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Govt. Medical College, Kota for starting of M.D.(Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Psychiatry) course at Govt. Medical College, Kota affiliated to

Rajasthan University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

119. Starting of M.D.(T.B. & Resp. Diseases) course at Govt. Medical College, Kota affiliated to Rajasthan University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Govt. Medical College, Kota for starting of M.D.(T.B. & Resp. Diseases) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(T.B. & Resp. Diseases) course at Govt. Medical College, Kota affiliated to Rajasthan University u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

120. Starting of M.D.(Pathology) course at Kempegowda Institute of Medical Sciences, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C. Act, 1956 – consideration of compliance verification regarding.

Read : the compliance verification report (May, 2002) together with compliance and Council Inspector's report (August, 2001) on the physical and other teaching facilities available at Kempegowda Institute of Medical Sciences, Bangalore for starting of M.D.(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the compliance verification report (May,2002) together with compliance and Council Inspector's report (August, 2001) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Pathology) course at Kempegowda Instt. of Medical Sciences, Bangalore affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

121. Starting of M.D.(Biochemistry) course at Siddhartha Medical College, Vijayawada affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Siddhartha Medical College, Vijayawada for starting of M.D.(Biochemistry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Biochemistry) course at Siddhartha Medical College, Vijayawada affiliated to NTR University of Health Sciences, Vijayawada u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The

institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

The Committee further decided that the attention of authorities of the institution be drawn towards the observations made by the Council Inspector in the inspection report.

122. Starting of D.M.(Gastroenterology) course at Andhra Medical College, Visakhapatnam affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Andhra Medical College, Visakhapatnam for starting of D.M.(Gastroenterology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of D.M. (Gastroenterology) course at Andhra Medical College, Visakhapatnam affiliated to NTR University of Health Sciences, Vijayawada u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act, 1956.

The Committee further decided that the attention of authorities of the institution be drawn towards the observations made by the Council Inspector in the inspection report.

123. Starting of D.M.(Nephrology) course at Sri Venkateswara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateswara Institute of Medical Sciences (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Sri Venkateswara Institute of Medical Sciences, Tirupati for starting of D.M.(Nephrology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Permission for starting of D.M. (Nephrology) course at Sri Venkateswara Instt. of Medical Sciences, Tirupati affiliated to Sri Venkateswara Instt. of Medical Sciences (Deemed University) u/s 10A of the I.M.C. Act, 1956 because (i) Head of Department does not possess the requisite recognised postgraduate qualification and (ii) other deficiencies as pointed out in the inspection report.

124. Starting of M.D.(Anatomy) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Anatomy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Anatomy) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of (i) grossly inadequate teaching faculty which is not sufficient even for

the permitted intake capacity of the institution for the undergraduate admissions (ii) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution.(iii) other deficiencies pointed out in the inspection report.

125. Starting of M.D.(Pharmacology) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Pharmacology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Pharmacology) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) of the 3 Professors, 2 being over 65 years of age, are not eligible to be considered as Postgraduate teacher (ii) the third professor, working on adhoc basis has got MD qualification which is not recognised. (iii) fourth professor selected is yet to join the duty (iv) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution. (v) appointment of the remaining staff is on adhoc basis and (vi) other deficiencies pointed out in the inspection report.

126. Starting of M.D(Pathology) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Pathology) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) the Histopathological work load at both the hospitals together is inadequate. (ii) the department of Pathology needs to procure equipment like cryostat, microtone, Electrophoresis (iii) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution. (iv) most of the teaching staff is appointed on adhoc basis and (v) other deficiencies pointed out in the inspection report.

127. Starting of M.D.(Paediatrics) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Paediatrics) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) Dean of the institution is over the age of superannuation and hostel

facilities are not available for the students in the institution and (ii) the available clinical material in the department is inadequate and (iii) other deficiencies pointed out in the inspection report.

128. Starting of M.S.(Ophthalmology) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.S.(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Ophthalmology) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) the available clinical material, in OPD and Inpatient department is inadequate in their own hospital. (ii) Equipments/Instruments are deficient (iii) Operative work is inadequate in their own campus hospital. (iv) The staff in the department is deficient (v) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution and (vi) other deficiencies pointed out in the inspection report.

129. Starting of M.S.(E.N.T.) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.S.(E.N.T.) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.S.(ENT) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution (ii) The clinical material in the department of ENT is grossly inadequate and (iii) other deficiencies pointed out in the inspection report.

130. Starting of M.S.(General Surgery) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.S.(General Surgery) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) Clinical material in the department of Surgery is inadequate (ii) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution (iii) Books available in the library are inadequate and (iv) other deficiencies pointed out in the inspection report.

131. Starting of M.S.(Orthopaedics) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.S.(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.S.(Orthopaedics) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) Head of the department does not possess requisite recognised postgraduate qualification (ii) Unit incharges also do not have recognised qualification (iii) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution and (iii) Other deficiencies pointed out in the inspection report.

132. Starting of M.D.(General Medicine) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May,2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(General Medicine) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) The promotion of Prof. & Head of department of Medicine to the post of Professor has not been as per MCI norms (ii) The composition of Unit-II in terms of teaching faculty, is not as per MCI norms i.e. minimum of 3 teachers per unit (iii) The space for OPD and the teaching faculty is not adequate (iv) Blood Bank at PEH is non-functional (v) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution and (vi) other deficiencies pointed out in the inspection report..

133. Starting of M.D.(Anaesthesiology) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Anaesthesiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Anaesthesiology) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) the space and the equipments/instruments in the department of Anaesthesia at Esra Hospital are not inadequate (ii) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution and (iii) Other deficiencies pointed out in the inspection report.

134. Starting of M.D.(Radio-Diagnosis) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College, Pune for starting of M.D.(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Radio-Diagnosis) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956 because (i) the space available in the department is inadequate. (ii) There is no Physicist as required as per BARC recommendations (iii) the CT Scan has not been installed and (iv) Other deficiencies pointed out in the inspection report.

135. Starting of M.D.(Anaesthesia) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College, Pune for starting of M.D.(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Anaesthesia) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

136. Starting of M.D.(Paediatrics) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College, Pune for starting of M.D.(Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D.(Paediatrics) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s. 10A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

137. Starting of M.D.(Anatomy) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College, Pune for starting of M.D.(Anatomy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Anatomy) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956 because (i) grossly inadequate teaching faculty which is not sufficient even for the permitted intake capacity of the institution for the undergraduate admissions and (ii) other deficiencies pointed out in the inspection report.

138. Starting of M.D.(Physiology) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College, Pune for starting of M.D.(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Physiology) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956 because (i) inadequate teaching faculty which is not sufficient even for the permitted intake capacity of the institution for the undergraduate admissions and (ii) other deficiencies pointed out in the inspection report.

139. Starting of M.S.(Orthopaedics) & D.Ortho. courses at Mahatma Gandhi Mission's Medical College, Aurangabad affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad u/s 10A of the I.M.C.Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Mahatma Gandhi Mission's Medical College, Aurangabad for starting of M.S.(Orthopaedics) & D.Ortho. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.S.(Orthopaedics) & D.Ortho. courses at Mahatma Gandhi Mission's Medical College, Aurangabad affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad u/s 10A of the IMC Act, 1956 because (i) the Head of the department does not possess the requisite recognised postgraduate qualification and other Professor in the department are honorary and (ii) other deficiencies pointed out in the inspection report.

140. Starting of M.D.(Pathology) course at M.G.M. Medical College, Navi Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at M.G.M.Medical College, Navi Mumbai for starting of M.D.(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Pathology) course at M.G.M. Medical College, Navi Mumbai affiliated to Mumbai University u/s 10A of the IMC Act, 1956 because (i) the Head of the department does not possess the requisite recognised postgraduate qualification (ii) the other Professor, also Dean of the institution, is over the age of 65 years (iii)

Equipments/instruments are inadequate (iv) inadequate teaching material in surgical pathology and haematology and (v) other deficiencies pointed out in the inspection report.

141. Starting of M.D.(Anaesthesia) & D.A. courses at Dr.D.Y.Patil Pratishtan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Dr.D.Y. Patil Pratishtan's Medical College for Women, Pune for starting of M.D.(Anaesthesia) & D.A. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Anaesthesia) & DA courses at Dr. D.Y.Patil Pratishtan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the IMC Act, 1956 because (i) HOD has been promoted to the post of Professor after 4 years of his obtaining the PG qualification, not counting his experience from abroad, and similarly the promotion of other Professors in the department has not been as per MCI norms (ii) the institution need to have extra staff since the available teaching faculty is just sufficient for the permitted intake capacity of the institution for the undergraduate admissions and (iii) other deficiencies pointed out in the inspection report.

142. Starting of M.D.(Paediatrics) & D.C.H. courses at Dr.D.Y.Patil Pratishtan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Dr.D.Y.Patil Pratishtan's Medical College for Women, Pune for starting of M.D.(Paediatrics) & D.C.H. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Paediatrics) & DCH courses at Dr. D.Y.Patil Pratishtan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the IMC Act, 1956 because (i) the Unit-I in terms of the teaching faculty is not complete as per MCI norms i.e. minimum of 3 teachers per year. (ii) the space available in the department is inadequate and (iii) other deficiencies pointed out in the inspection report.

143. Starting of M.D.(Radio-Diagnosis) & D.M.R.D. courses at Dr.D.Y.Patil Pratishtan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Dr.D.Y.Patil Pratishtan's Medical College for Women, Pune for starting of M.D.(Radio-Diagnosis) & D.M.R.D. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Radio-Diagnosis) & DMRD courses at Dr.D.Y.Patil Pratishtan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the IMC Act, 1956 because (i) Head of Department is over the age of 65 years (ii) there is no Physicist as required as per BARC recommendation (iii) Equipments/Instruments are inadequate (iv) the books in the library are inadequate and (v) other deficiencies pointed out in the inspection report.

144. Starting of M.D.(General Medicine) course at Dr.D.Y.Patil Pratishthan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Dr.D.Y.Patil Pratishthan's Medical College for Women, Pune for starting of M.D.(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(General Medicine) course at Dr.D.Y.Patil Pratishthan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the IMC Act, 1956 because (i) the Head of the department does not possess the requisite recognised postgraduate qualification and (ii) other deficiencies pointed out in the inspection report.

145. Increase of seats in M.D.(Anaesthesia) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspectors report (April, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for increase of seats in M.D.(Anaesthesia) course 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.D. (Anaesthesia) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University from 3 (three) to 6(six) in M.D.(Anaesthesia) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

146. Increase of seats in M.D.(Paediatrics) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for increase of seats in M.D.(Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government not to issue Letter of Permission for increase of seats in M.D. (Paediatrics) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University because of (i) the clinical material is not sufficient enough to permit increase of seats in MD (Pediatrics) course (ii) Equipments/instruments are inadequate and (iii) other deficiencies pointed out in the inspection report.

147. Increase of seats in M.D.(Radio-Diagnosis) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for increase of seats in M.D.(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.'

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for

increase of seats in M.D. (Radio-Diagnosis) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University from 2 (two) to 4(four) in M.D.(Radio-Diagnosis) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

148. Increase of seats in M.S.(E.N.T) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for increase of seats in M.S.(E.N.T.) course was u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.S. (ENT) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 1 (one) to 2(two) in M.S.(ENT) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

149. Increase of seats in M.D.(General Medicine) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for increase of seats in M.D.(General Medicine) course u/s 10a of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.D. (General Medicine) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 3 (three) to 6(six) in M.D.(General Medicine) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

150. Increase of seats in M.D.(Obst. & Gynae.) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (March, 2002) on the physical and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for increase of seats in M.D.(Obst. & Gynae.) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March, 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.D. (Obst.& Gynae.) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore from 2 (two) to 3(three) in M.D.(Obst.& Gynae) per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

151. Starting of M.D.(Psychiatry) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D (Psychiatry) course at Deccan College of Medical Sciences, Hyderabad, affiliated to NTR University of Health Sciences, Vijayawada u/s 10 A of the IMC Act, 1956 because of the following :-

- i) Clinical material available in the deptt. is grossly inadequate.
- ii) Occupational therapist so essential in the department is not available.
- iii) Investigative facilities like EEG are not available
- iv) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution
- v) Other deficiencies pointed out in the inspection report.

152. Starting of D.M.(Cardio-Thoracic Surgery) course at Sri Venkateswara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateswara Institute of Medical Sciences (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Sri Venkateswara Institute of Medical Sciences, Tirupati for starting of D.M.(Cardio-Thoracic Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of D.M. (Cardio Thoracic Surgery) course at Sri Venkateshwara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateshwara Institute of Medical Sciences, (Deemed University) u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

153. Starting of D.M.(Endocrinology) course at Andhra Medical College, Visakhapatnam affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Andhra Medical College, Visakhapatnam for starting of D.M.(Endocrinology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of D.M. (Endocrinology) course at Andhra Medical College, Visakhapatnam, affiliated to NTR University of Health Sciences, Vijayawada u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

154. Starting of D.M.(Endocrinology) course at Osmania Medical College, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act, 1956.

Read : the Council Inspector's (May, 2002) on the physical and other teaching facilities available at Osmania Medical College, Hyderabad for starting of D.M.(Endocrinology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of D.M. (Endocrinology) course at Osmania Medical College, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada, u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

155. Increase of seats in M.S.(Orthopaedics) course at Nizam's Institute of Medical Sciences, Hyderabad affiliated to Nizam's Institute of Medical Sciences, Hyderabad (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Nizam's Institute of Medical Sciences, Hyderabad for increase of seats in M.S.(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and having noted that the essentiality certificate do not reflect the extent of increase of seats sought, hence decided to seek clarification for the same. The Committee further decided to defer the consideration of the matter.

156. Starting of M.S.(Orthopaedics) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College, Pune for starting of M.S.(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.S. (Orthopaedics) course at Bharati Vidyapeeth Medical College, Pune affiliated to Bharati Vidyapeeth (Deemed University) u/s 10 A of the IMC Act, 1956 because of the following :-

- i) The clinical material is grossly inadequate
- ii) Other deficiencies pointed out in the inspection report.

157. Starting of M.D.(Obst. & Gynae.) & D.G.O. courses at Dr.D.Y.Patil Pratishthan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Dr.D.Y.Patil Pratishthan's Medical College for Women, Pune for starting of M.D.(Obst. & Gynae.) & D.G.O. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April,2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D. (Obst. & Gynae.) and DGO courses at Dr. D.Y. Patil Pratishthan's Medical College for Women, Pune affiliated to Pune University u/s 10 A of the IMC Act, 1956 because of the following :-

- i) Professor & HOD does not possess requisite recognised postgraduate medical qualification and
- ii) Other deficiencies pointed out in the inspection report.

158. Starting of D.M.(Cardiology) course at Sri Venkateswara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateswara Institute of Medical Sciences, Tirupati(Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Sri Venkateswara Institute of Medical Sciences, Tirupati for starting of D.M.(Cardiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of D.M. (Cardiology) course at Sri Venkateshwara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateshwara Institute of Medical Sciences, (Deemed University) u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

159. Increase of seats in M.S.(Orthopaedics) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for increase of seats in M.S.(Orthopaedics) course u/s10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.S. (Orthopaedics) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10 A of the IMC Act, 1956 from 3(three) to 6(six) students per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

160. Increase of seats in M.S.(General Surgery) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (March, 2002) on the physical and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for increase of seats in M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March,2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.S. (General Surgery) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences,

Bangalore u/s 10 A of the IMC Act, 1956 from 2(two) to 4(four) students per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course. However, the attention of the authorities be drawn towards the implementation of the observations made by the inspector in the inspection report.

161. Increase of seats in M.S.(Ophthalmology) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (March, 2002) on the physical and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for increase of seats in M.S.(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (March 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.S. (Ophthalmology) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10 A of the IMC Act, 1956 from 1(one) to 2(two) students per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

162. Starting of D.M.(Neurology) course at Andhra Medical College, Visakhapatnam affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Andhra Medical College, Visakhapatnam for starting of D.M.(Neurology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of D.M. (Neurology) course at Andhra Medical College, Visakhapatnam affiliated to NTR University of Medical Sciences, Vijayawada u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

163. Increase of seats in D.M.(Neurology) course at Nizam's Institute of Medical Sciences, Hyderabad affiliated to Nizam's Institute of Medical Sciences(Deemed University), Hyderabad u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Nizam's Institute of Medical Sciences, Hyderabad for increase of seats in D.M.(Neurology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and having noted that the essentiality certificate do not reflect the extent of increase of seats sought, hence decided to seek clarification for the same. The Committee further decided to defer the consideration of the matter.

164. Increase of seats in M.D.(General Medicine) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for increase of seats in M.D.(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.D. (General Medicine) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University from 7(seven) to 12(twelve) students per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

165. Increase of seats in M.S.(General Surgery) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (April, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for increase of seats in M.S.(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (April 2002) and decided to recommend to Central Government to issue Letter of Permission for increase of seats in M.S. (General Surgery) course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University from 7(seven) to 12(twelve) students per year prospectively u/s. 10A of the IMC Act, 1956 till the first batch admitted against the increased number appears for the final examination of the said course.

166. Starting of M.D.(Dermatology, Venereology & Leprosy) course at Indira Gandhi Medical College, Shimla affiliated to Himachal Pradesh University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Indira Gandhi Medical College, Shimla for starting of M.D.(Dermatology, Venereology & Leprosy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June,2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D. (Dermatology, Venereology & Leprosy) course at Indira Gandhi Medical College, Shimla affiliated to Himachal Pradesh University u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

167. Starting of M.D.(Physiology) course at Siddhartha Medical College, Vijayawada affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Siddhartha Medical College, Vijayawada for starting of M.D.(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D. (Physiology) course at Siddhartha Medical College, Vijayawada affiliated to NTR University of Health Sciences, Vijayawada u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

The Committee further decided that the attention of the authorities be drawn towards the implementation of the observations made by the inspector in the inspection report.

168. Starting of M.D.(Obst. & Gynae.) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Obst. & Gynae.) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided to obtain information as to whether Muslim Maternity Hospital is owned by the institution and also an undertaking to the effect that the institution would not be admitting DNB students in the courses where MD/MS are intended to be started; and further decided to defer the consideration of the matter.

169. Starting of M.D.(Radio-Diagnosis) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D. (Radio-diagnosis) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10 A of the IMC Act, 1956 because of the following :-

- i) The Professor & HOD is not possessing requisite recognised postgraduate qualification
- vi) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution
- ii) Other deficiencies pointed out in the inspection report.

170. Starting of M.Ch.(Urology) course at Sri Venkateswara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateswara Institute of Medical Sciences, Tirupati(Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Sri Venkateswara Institute of Medical Sciences, Tirupati for starting of M.Ch.(Urology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of MCh. (Urology) course at Sri Venkateshwara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateshwara Institute of Medical Sciences (Deemed University) u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

171. Starting of M.D.(Microbiology) course at Coimbatore Medical College, Coimbatore affiliated to The Tamilnadu Dr.M.G.R.Medical University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Coimbatore Medical College, Coimbatore for starting of M.D. (Microbiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D. (Microbiology) course at Coimbatore Medical College, Coimbatore affiliated to The Tamil Nadu FDr. MGR Medical University u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

172. Starting of M.S.(Ophthalmology) & D.O. courses at Dr.D.Y.Patil Pratishthan's Medical College for Women, Pune affiliated to Pune University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Dr.D.Y.Patil Pratishthan's Medical College for Women, Pune for starting of M.S.(Ophthalmology) & D.O. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and noted that the units in the department of Ophthalmology, in terms of bed strength are not as per MCI norms i.e. 30-50 per unit, and therefore decided to direct the authorities to re-organise the units accordingly, and further decided to defer the consideration of the matter.

173. Starting of D.C.P. course at Rajah Muthiah Medical College, AnnamalaiInagar affiliated to Annamalai University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for starting of D.C.P. course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of DCP course at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admission to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for

recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

174. Increase of seats in D.M.R.D. course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Al-Ameen Medical College, Bijapur for increase of seats in D.M.R.D. course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Intent for increase of seats in D.M.R.D. course at Al-Ameen Medical College, Bijapur affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10 A of the IMC Act, 1956 from 1(one) to 2(two) students per year prospectively. However, the attention of the authorities be drawn towards the implementation of the deficiencies pointed out in the inspection report.

175. Starting of M.D.(Anaesthesia) course at Siddhartha Medical College, Vijayawada affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Siddhartha Medical College, Vijayawada for starting of M.D.(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Government to issue Letter of Permission for starting of M.D. (Anaesthesia) course at Siddhartha Medical College, Vijayawada affiliated to NTR University of Health Sciences, Vijayawada u/s 10 A of the IMC Act, 1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

176. Recognition of various P.G. qualifications (MD/MS) granted by Panjab University in respect of P.G.I., Chandigarh- letter from Director, PGI, Chandigarh.

Read : the letter dated 24.11.2001 from the Director, P.G.I., Chandigarh regarding recognition of various P.G. qualifications (MD/MS) granted by Panjab University in respect of P.G.I., Chandigarh.

The Postgraduate Committee deliberated the matter at length with regard to recognition of various postgraduate qualifications (MD/MS) granted by Panjab University in respect of the PGI trained students and the decision of the PG Committee dated July 1997 was also referred.

The Committee decided not to agree to recommend recognition of various postgraduate qualifications (MD/MS) granted by Panjab University in respect of students trained at PGI, Chandigarh.

177. Recognition of M.D.(Psychiatry) and D.P.M. qualifications granted by Mangalore University in respect of students trained at Kasturba Medical College, Manipal – letter regarding.

Read : the letter dated 8.2.2002 from Registrar, MAHE regarding necessary amendments in the dates of recognition of M.D.(Psychiatry) & D.P.M. qualifications granted by Mangalore University and Manipal Academy of Higher Education in respect of Kasturba Medical College, Manipal.

The Postgraduate Committee considered the letter dated 8-2-2002 from the Registrar, MAHE and decided to recommend the necessary amendments so as to mention the period of recognition of the qualifications in respect of Kasturba Medical College, Manipal with the universities mentioned as under:

Under Mangalore University: from June, 1987 to June, 1994 and
Under MAHE, Manipal : from December, 1994 onwards

178. University of Bombay/Mumbai – Approval of Tata Memorial Hospital, Mumbai for the award of M.S.(General Surgery) qualification.

Read : the letter dated 9.4.2002 from the Director, Tata Memorial Hospital, Mumbai regarding recognition of M.S.(General Surgery) course; conducted in the institution from 1967 – 99.

The Postgraduate Committee considered the matter and decided to seek information from the authorities of the institution as to whether any candidate would be available for appearing in MS (General Surgery) examination so as to enable the Council to arrange for inspection during examination, and therefore decided to defer the consideration of the matter.

179. M.D.(Radiology) qualification granted by Patna University in respect of students being trained at Patna Medical College, Patna - request for change of nomenclature to M.D.(Radio-Diagnosis) regarding.

Read : the letter dated 15.3.2002 from Registrar, Patna University regarding recognition of the M.D.(Radio-Diagnosis) qualification being changed nomenclature from already recognised degree of M.D.(Radiology).

The Postgraduate Committee considered the letter dated 15-3-02 of the Registrar, Patna University conveying therein that though the qualification in the subject is recognised by nomenclature of MD (Radiology), the qualification awarded to the students since June, 1975 is by nomenclature of MD (Radio-Diagnosis) and requested that the nomenclature of recognised qualification in the Schedule be changed to MD (Radio-Diagnosis).

The Committee decided to recommend that nomenclature of the recognised qualification in the Schedule be changed to MD (Radio-Diagnosis).

180. DNB courses in Anaesthesiology at Maulana Azad Medical College, New Delhi.

Read : the letter dated 18.4.2002 from the Registrar(Academic), Maulana Azad Medical College, New Delhi regarding permission to admit DNB students in the department of Anaesthesiology since there is more than enough resource material and teaching faculty in the department for additional students to do DNB course provided the students teacher ratio for DNB plus MD candidates is not beyond 1:1.

The Postgraduate Committee considered the letter dated 18-04-02 of the Registrar (Academic), Maulana Azad Medical College, New Delhi and decided not to agree for admission of DNB candidates in any department imparting MD/MS course since this involves sharing the same Infrastructural facilities.

181. Eligibility of teachers in newly established superspeciality courses – letter regarding.

Read : the letter dated 25.10.2001 from Dr. S.K. Mittal, Director Professor & Head, Department of Paediatrics, Maulana Azad Medical College, New Delhi and member of Council regarding requirement of 2 years training in a superspeciality department to become eligible as teachers/faculty member in the department.

The Postgraduate Committee considered the letter dated 25-10-01 from Dr. S.K. Mittal, Director Professor & Head of the Department of Paediatrics, MAMC, New Delhi and decided not to agree for the proposition thereunder.

182. Criteria for recognition of postgraduate teachers in non-teaching institutions where specialists do not hold teaching designations – letter regarding.

Read : the letter dated 8.5.2002 from the Deputy Registrar, Delhi University with regarding the criteria for recognition of postgraduate teachers in non-teaching institution where the specialist do not hold teaching designation.

The Postgraduate Committee considered the letter dated 8-5-02 from the Deputy Registrar, Delhi University requesting for criteria for recognition of postgraduate teachers in non-teaching institutions where the specialists do not hold teaching designation and decided not to agree for the recognition of the specialists working in non-teaching institutions as postgraduate teachers.

183. Provision of Maternity Leave for postgraduate students – letter regarding.

Read : the letter dated 10.1.2002 from the Director, Pt.B.D.Sharma PGIMS, Rohtak regarding provision of Maternity Leave for postgraduate students.

The Postgraduate Committee reviewed its earlier decision taken at its meeting held on 12.6.2001 and decided that the 80% attendance contemplated under Postgraduate Medical Education Regulations 2000 shall be evaluated year-wise. The grant of maternity leave during the period of postgraduate training shall be as per the prescribed rules of Govt. of India.

184. Relaxation in period of training including the period of examination for MD/MS course for students having a recognised two year post-graduate diploma course in the same subject – letter regarding.

Read : the letter dated 9/12.11.2001 from Sh. P.S. Sandhu, Baba Farid University of Health Sciences, Faridkot regarding relaxation in period of training including the period of examination for MD/MS course for students having a recognised two year post-graduate diploma course in the same subject.

The Postgraduate Committee considered the letter dated 9/12-11-2002 from Shri P.S. Sandhu, Baba Farid University of Health Sciences, Faridkot requesting for clarification regarding exemption of one year in the 3-year duration course of MS (Ophthalmology) by a candidate possessing one year diploma in Ophthalmology, and decided not to agree for any relaxation in the duration of the postgraduate degree course for such diploma holders.

185. Clarification regarding status of teaching faculty in the departments having super-speciality units – representation regarding

Read : the letter dated 30.10.2001 from the Dean, J.N.Medical College, Aligarh for clarification regarding status of teaching faculty in the department having super-speciality units.

The Postgraduate Committee considered the letter dated 30-10-2001 from the Dean, J.N. Medical College, Aligarh seeking clarification regarding status of the teaching faculty in the departments having super-speciality units and decided to reiterate its earlier decision taken at its meeting held on 5-02-2001 and as communicated to the authorities vide MCI letter dated 27-02-2001.

186. Exemption from entrance examination for In-service candidates for doing postgraduation.

Read : the letter dated 2.3.2002 from the Director Medical Education, Bhopal regarding Exemption from entrance examination for In-service candidates for doing postgraduation.

The Postgraduate Committee considered the letter dated 2-3-2002 from the Director of Medical Education, Govt. of MP, Bhopal requesting therein exemption from entrance examination for In-service candidates for admission in postgraduate courses, and decided not to agree for any exemption prayed for and decided to convey that as per the Postgraduate Medical Education Regulations, 2000, admissions to PG course should be exclusively merit based.

187. Facilities for Postgraduate studies to the Military Medical Officers at certain recognised Military Hospitals.

Read : the letter dated 11.3.2002 from the Director, DGAFMS, Ministry of Defence, New Delhi regarding necessary amendments to change of the name of Army hospitals.

The Postgraduate Committee considered the letter dated 11-3-2002 from the Director, DGAFMS, New Delhi, conveying therein that the names of some of the Army Hospitals which find mentioned vide Council circular dated 2.7.1978 have been changed in the last few years and requested the Council for necessary amendments for changeover to the new names with regard to the following hospitals:

- | | | |
|----|--------------|--|
| 1. | Replace with | Command Hospital, Poona(Ser. No.2)
Command Hospital(Southern Command), Pune. |
| 2. | Replace with | Military Hospital(Aundh) Poona (Ser.No.4)
Military Hospital(Cardiothoracic Centre), Pune. |
| 3. | Replace with | Army Hospital, Delhi Cantt.(Ser.No.6)
Army Hospital(Research & Referral) Delhi Cantt. |
| 4. | Replace with | Military Hospital, Lucknow(Ser.No.8)
Command Hospital(Central Commaand), Luccknow. |
| 5. | Replace with | Military Hospital, Kolkata(Ser.No.16)
Command Hospital(Eastern Command), Kolkata. |
| 6. | Replace with | Air Force Hospital, Bangalore(Ser.No.17)
Command Hospital(Air Force) Bangalore. |

7. Replace Base Hospital Udampur(Ser.No.19)
with Command Hospital(Northern Command) Udampur.
8. Replace Military Hospital, Srinagar(Ser.No.24)
with 92, Base Hospital, Srinagar.

The Committee agreed for change of names as requested.

The Committee further noted that the Director, DGAFMS, Ministry of Defence, New Delhi has requested that the Command Hospital, Western Command, Chandimandir should be added as Sl.No.25 to the available list and decided not to recommend inclusion of the Command Hospital, Western Command, Chandimandir in the said list.

188. Change of Nomenclature from M.D.(Aviation Medicine) to M.D.(Aerospace Medicine)- letter regarding.

Read : the letter dated 29.5.2002 from the Principal & Commandant, Institute of Aerospace Medicine, Indian Air Force, Airport Road, Bangalore regarding change of nomenclature of the course of M.D.(Aviation Medicine) to M.D.(Aerospace Medicine).

The Postgraduate Committee considered the letter dated 29-05-02 from the Principal & Commandant, Institute of Aerospace Medicine, Indian Air Force, Bangalore requesting to change the nomenclature of M.D.(Aviation Medicine) to M.D.(Aerospace Medicine) and decided to seek opinion from the institutions running the similar courses, if any preferably recognised by MCI and also from the Association of Specialists of Aviation Medicine to consider the matter further.

189. Postgraduate Medical Education Regulations, 2000 – Determination of prior requirement qualifications for D.M.(Rheumatology).

Read : the matter with regard to prior requisite qualification(s) for admission to D.M.(Rheumatology) course.

The Postgraduate Committee considered the matter as regard the prior requirement qualification for admissions in DM (Rheumatology) course and decided to recommend that the prior requirement qualification in respect of the admissions in the said course be M.D. (General Medicine).

190. Punjab University and Baba Farid University of Health Sciences, Faridkot – Approval of Dayanand Medical College, Ludhiana for the award of M.D.(Obst. & Gynae.) & D.G.O. qualifications.

Read : the Council Inspector's report (February, 2002) on the standard of examination and other teaching facilities available at Dayanand Medical College, Ludhiana for purpose of approval of the college for the award of M.D.(Obst. & Gynae.) & D.G.O. qualifications earlier granted by Punjab University and now by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Committee considered the Council Inspector's report (February 2002) and decided to recommend that Dayanand Medical College, Ludhiana be approved for the award of MD (Obst. & Gynae) qualification earlier granted by Punjab University and now by Baba Farid University of Health Sciences, Faridkot. However, the authorities are directed to prospectively restrict the admissions in MD (Obst. & Gynae) course to 2(two) students per year.

The Committee while considering the report noted that the practical examination of DGO course had been conducted with only two examiners i.e. one internal and one external which is not in consonance with the provisions of the Postgraduate Medical Education Regulations, 2000. The institution may get reinspection done at the time of next DGO examination.

191. Sanjay Gandhi Postgraduate Institute of Medical Sciences (Deemed University), Lucknow -Recognition of M.D.(Microbiology) qualification in respect of students being trained at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow.

Read: the Council Inspector's report (May, 2002) on the standard of examination and other teaching facilities available at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow for purpose of recognition of M.D.(Microbiology) qualification granted by Sanjay Gandhi Postgraduate Institute of Medical Sciences(Deemed University), Lucknow.

The Postgraduate Committee considered the Council Inspector's report (May 2002) and decided to recommend that M.D. (Microbiology) qualification granted by Sanjay Gandhi Postgraduate Institute of Medical Sciences (Deemed University) in respect of students being trained at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow be recognised and included in the first schedule to the IMC Act 1956 restricting the number of students to 2(two) students per year.

192. Goa University – Recognition of M.D.(Psychiatry) & D.P.M. qualifications in respect of students being trained at Goa Medical College, Panaji and Instt. of Psychiatry & Human Behaviour – consideration of compliance verification regarding.

Read : the compliance verification report (April, 2002) and compliance together with Council Inspector's report(March, 98) on the standard of examination and other teaching facilities available at Goa Medical College, Panaji and Instt., of Psychiatry & Human Behavior for purpose of recognition of M.D.(Psychiatry) & D.P.M. qualifications granted by Goa University.

The Postgraduate Committee considered the Council Inspector's report (March 1998) together with compliance and compliance verification report (April 2002) and decided to recommend that M.D. (Psychiatry) & DPM qualifications granted by Goa University in respect of students being trained at Goa Medical College, Panaji and Instt. Of Psychiatry & Human Behaviour be recognised and included in the first schedule to the IMC Act 1956 restricting the number of student to 1(one) student in M.D. and 2(two) students in DPM per year.

193. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Fr. Muller's Medical College, Mangalore for the award of D.C.H. qualificaiton.

Read : the Council Inspector's report (September, 2001) on the standard of examination and other teaching facilities available at Fr. Muller's Medical College, Mangalore for approval of the college for the award of D.C.H. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (September 2001) and decided to recommend that Fr. Muller's Medical College, Mangalore be approved for the award of D.C.H. qualification granted by Rajiv Gandhi

University of Health Sciences. However, the authorities are directed to prospectively restrict the number of admissions in DCH course to 2(two) students per year.

194. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Kempegowda Institute of Medical Sciences, Bangalore for the award of M.D.(Biochemistry) qualification.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Kempegowda Institute of Medical Sciences, Bangalore for approval of the college for the award of M.D.(Biochemistry) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (April 2002) and decided to recommend that Kempegowda Institute of Medical Sciences, Bangalore be approved for the award of M.D. (Biochemistry) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

195. Rajiv Gandhi University of Health Sciences, Bangalore – Approval of J.S.S. Medical College, Mysore for the award of D.L.O. qualification.

Read : the Council Inspector's report (May, 2002) on the standard of examination and other teaching facilities available at J.S.S. Medical College, Mysore for approval of the college for the award of D.L.O. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (May 2002) and decided to recommend that J.S.S. Medical College, Mysore be approved for the award of D.L.O. qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

196. Osmania University, Hyderabad, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada – Recognition of M.D.(Radio-Diagnosis) & D.M.R.D. qualifications in respect of students being trained at Osmania Medical College, Hyderabad.

Read : the Council Inspector's report (May, 2001) on the standard of examination and other teaching facilities available at Osmania Medical College, Hyderabad for purpose of recognition of M.D.(Radio-Diagnosis) & D.M.R.D. qualifications granted by Osmania University, Hyderabad, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (May, 2001) and decided to recommend that M.D. (Radio-diagnosis) and D.M.R.D. qualifications granted by Osmania University / Andhra Pradesh University of Health Sciences / NTR University of Health Sciences in respect of students being trained at Osmania Medical College, Hyderabad be recognised and included in the first schedule to the IMC Act 1956 restricting the number of students to 2(two) students each per year.

The Committee further decided that an undertaking to the effect that candidates would not be registered for the DNB course be obtained from the authorities of the institution.

197. Calcutta University – Recognition of M.D.(Tuberculosis & Respiratory Diseases) qualification in respect of students being trained at the Institute of Postgraduate Medical Education & Research, Calcutta.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at the Institute of Postgraduate Medical Education & Research, Calcutta for purpose of recognition of M.D.(Tuberculosis & Respiratory Diseases) qualification granted by Calcutta University.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that M.D. (Tuberculosis & Respiratory Diseases) qualification granted by Calcutta University in respect of students being trained at Institute of Postgraduate Medical Education & Research, Calcutta be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admission to 1(one) student per year.

198. Criteria/Guidelines prepared for starting postgraduate courses in non-teaching institutions or specialized institutions/autonomous body owned and managed by the Central Government/State Government – Central Govt. letter regarding.

Read : the matter together with Central Govt. letter dated 19.12.2001 with regard to Criteria/Guidelines prepared for starting postgraduate courses in private non-teaching institutions and specialized institutions/autonomous body owned and managed by the Central Government/ State Government.

The Postgraduate Committee considered the Central Government letter dt. 19.12.2001 for consideration of the private non-teaching institutions for conduct of the PG courses and decided not to agree with the proposal made thereunder.

199. Suggestion for deletion of MD Medical Genetics from the Schedule to the Postgraduate Medical Education Regulation.

Read : the recommendations of the Committee for syllabus of D.M. & M.D. in Medical Genetics regarding suggestion for deletion of MD(Medical Genetics) from the Schedule to the Postgraduate Medical Education Regulations.

The Postgraduate Committee decided to defer the consideration of the matter to its next meeting.

200. D.M.(Medical Oncology) – representations regarding requirement for admission in the course.

Read : deletion of prior required qualification of M.D.(Radio-Therapy) for admission to D.M.(Medical Oncology).

The Postgraduate Committee considered the matter as regard the request to delete MD (Radio-therapy) from amongst the eligibility qualifications for admissions in DM (Medical Oncology) course and decided to seek the opinion of Association of Medical Oncologist and further decided to defer the matter.

201. Starting of D.M.(Nephrology) course at Gandhi Medical College, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Gandhi Medical College, Hyderabad for starting of D.M.(Nephrology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Govt. to issue Letter of Permission for

starting of D.M.(Nephrology) course at Gandhi Medical College, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act,1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

202. Starting of M.Ch.(Paediatric Surgery) course at Gandhi Medical College, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Gandhi Medical College, Hyderabad for starting of M.Ch.(Paediatric Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Govt. to issue Letter of Permission for starting of M.Ch.(Paediatric Surgery) course at Gandhi Medical College, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act,1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

203. Starting of D.M.(Gastroenterology) course at Gandhi Medical College, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Gandhi Medical College, Hyderabad for starting of D.M.(Gastroenterology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided to recommend to Central Govt. to issue Letter of Permission for starting of D.M.(Gastroenterology) course at Gandhi Medical College, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act,1956 prospectively restricting the number of admission to 1(one) student per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

The attention of the authorities concerned be drawn towards the implementation of the observations made by the Council Inspector in his inspection report.

204. Starting of D.M.(Nephrology) course at Andhra Medical College, Visakhapatnam affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the I.M.C.Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Andhra Medical College, Visakhapatnam for starting of D.M.(Nephrology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Govt. not to issue Letter of Intent for starting of D.M.(Nephrology) course at Andhra Medical College, Visakhpatanam affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) the teaching complement of minimum of 3 teachers with requisite

required qualification and experience is not available and (ii) other deficiencies pointed out in the inspection report.

205. Starting of M.D.(Obst. & Gynae.) course at Siddhartha Medical College, Vijayawada affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Siddhartha Medical College, Vijayawada for starting of M.D.(Obst. & Gynae.) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided to recommend to Central Govt. not to issue Letter of Intent for starting of M.D.(Obst. & Gynae.) course at Siddhartha Medical College, Vijayawada affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) clinical material is grossly inadequate and (ii) other deficiencies pointed out in the inspection report.

206. Starting of M.D.(General Medicine) course at Siddhartha Medical College, Vijayawada affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Siddhartha Medical College, Vijayawada for starting of M.D.(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided to recommend to Central Govt. not to issue Letter of Intent for starting of M.D.(General Medicine) course at Siddhartha Medical College, Vijayawada affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of (i) grossly inadequate clinical material (ii) an attempt to mislead the Council Inspector regarding the staff strength and the bed occupancy in the ward and (iii) other deficiencies pointed out in the inspection report.

207. Starting of M.Ch.(Neuro-Surgery) course at Sri Venkateswara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateswara Institute of Medical Sciences (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Sri Venkateswara Institute of Medical Sciences, Tirupati for starting of M.Ch.(Neuro-Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Govt. not to issue Letter of Intent for starting of M.Ch.(Neuro-Surgery) course at Sri Venkateswara Institute of Medical Sciences, Tirupati affiliated to Sri Venkateswara Institute of Medical Sciences (Deemed University) u/s 10A of the IMC Act, 1956 because the HOD is not qualified in terms of his teaching experience since his experience gained abroad cannot counted towards teaching experience.

208. Increase of seats in M.D.(Anaesthesia) course at Nizam's Institute of Medical Sciences, Hyderabad affiliated to Nizam's Institute of Medical Sciences, Hyderabad (Deemed University) u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Nizam's Institute of Medical Sciences, Hyderabad for increase of seats in M.D.(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and having noted that the essentiality certificate do not reflect the extent of increase of seats sought, hence decided to seek clarification for the same. The Committee further decided to defer the consideration of the matter.

209. Starting of M.D.(Pharmacology) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for starting of M.D.(Pharmacology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Govt. to issue Letter of Permission for starting of M.D.(Pharmacology) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C.Act,1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

210. Starting of M.D.(Physical Medicine & Rehabilitation) & D.P.M.R. courses at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the I.M.C. Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Rajah Muthiah Medical College, Annamalainagar for starting of M.D.(Physical Medicine & Rehabilitation) & D.P.M.R. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Govt. not to issue Letter of Intent for starting of M.D.(Physical Medicine & Rehabilitation) & D.P.M.R. courses at Rajah Muthiah Medical College, Annamalainagar affiliated to Annamalai University u/s 10A of the IMC Act, 1956 because (i) the bed strength in the department is not as per MCI norms i.e. minimum of 30 beds per unit and (ii) other deficiencies pointed out in the inspection report.

211. Starting of M.S.(Ophthalmology) & D.O. courses at Coimbatore Medical College, Coimbatore affiliated to The Tamilnadu Dr.M.G.R.Medical University u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (May, 2002) on the physical and other teaching facilities available at Coimbatore Medical College, Coimbatore for starting of M.S.(Ophthalmology) & D.O. courses u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend to Central Govt. not to issue Letter of Intent for starting of M.S.(Ophthalmology) & D.O. courses at Coimbatore Medical College, Coimbatore affiliated to The Tamilnadu Dr.M.G.R.Medical University, Chennai u/s 10A of the IMC Act, 1956 because (i) the HOD does not possess requisite recognised postgraduate qualification and (ii) other deficiencies pointed out in the inspection report..

212. Starting of M.D.(Pathology) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Sri Devraj Urs Medical College, Kolar for starting of M.D.(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided to recommend to Central Govt. to issue Letter of Permission for starting of M.D.(Pathology) course at Sri Devraj Urs Medical College, Kolar affiliated to Rajiv Gandhi University of Health Sciences, Bangalore u/s 10A of the I.M.C.Act,1956 prospectively restricting the number of admissions to 2(two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provisions of Section 11(2) of the IMC Act,1956.

213. Starting of M.D.(Physiology) course at Deccan College of Medical Sciences, Hyderabad affiliated to N.T.R. University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read : the Council Inspector's report (June, 2002) on the physical and other teaching facilities available at Deccan College of Medical Sciences, Hyderabad for starting of M.D.(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided to recommend to Central Government not to issue Letter of Intent for starting of M.D.(Physiology) course at Deccan College of Medical Sciences, Hyderabad affiliated to NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because (i) Dean of the institution is over the age of superannuation and hostel facilities are not available for the students in the institution and (ii) other deficiencies pointed out in the inspection report.

214. Starting of M.D.(Obst. & Gynae.) course at Medical College, Kota affiliated to Rajasthan University u/s 10A of the I.M.C. Act, 1956 – information regarding disapproval of the scheme by Central Govt.

Read : Central Govt. letter dated 4.6.2002 disapproving the scheme for starting of M.D.(Obst. & Gynae.) course at Medical College, Kota u/s 10A of the IMC Act, 1956 alongwith the compliance verification report (June,2002).

The Postgraduate Committee noted the letter dated 4.6.2002 from the Central Government disapproving the scheme for starting of MD (Obst. & Gynae) course at Medical College, Kota.

215. NBE - Equivalence of Board's qualifications with MD/MS/DM/MCh. of other Indian Universities, conduct of All India Entrance Examinations- regarding.

Read : the Central Govt. letter dated 7.2.2002 regarding equivalency of Board's qualifications with MD/MS/DM/MCh. of other Indian Universities, conduct of All India Entrance Examinations.

The Postgraduate Committee considered the Central Govt. letter dated 7.2.2002 with regard to consideration of equivalence of Board's qualifications with MD/MS/DM/MCh. qualifications of other Indian Universities and decided to constitute a Sub-Committee of three members namely (i) Dr. B.Ray Choudhari, Chairman, (ii)

Dr. Shyam Sunder and (iii) Dr. Subash Penkar to consider the matter in all its aspects and report back to the Postgraduate Committee.

216. **Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Father Muller’s Medical College, Mangalore for the award of M.S.(Orthopaedics) qualification.**

Read : the Council Inspector’s report (April, 2002) on the standard of examination and other teaching facilities available at Father Muller’s Medical College, Mangalore for approval of the college for the award of M.S.(Orthopaedics) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Father Muller’s Medical College, Mangalore be approved for the award of M.S.(Orthopaedics) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

217. **Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Father Muller’s Medical College, Mangalore for the award of M.D.(Paediatrics) qualification.**

Read : the Council Inspector’s report (April, 2002) on the standard of examination and other teaching facilities available at Father Muller’s Medical College, Mangalore for approval of the college for the award of M.D.(Paediatrics) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Father Muller’s Medical College, Mangalore be approved for the award of M.D.(Paediatrics) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

218. **Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Father Muller’s Medical College, Mangalore for the award of M.D.(Obst. & Gynae.) qualification.**

Read : the Council Inspector’s report (April, 2002) on the standard of examination and other teaching facilities available at Father Muller’s Medical College, Mangalore for approval of the college for the award of M.D.(Obst. & Gynae.) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Father Muller’s Medical College, Mangalore be approved for the award of M.D.(Obst. & Gynae.) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admission to 1(one) student per year.

219. **Rajiv Gandhi University of Health Sciences, Bangalore – Approval of Father Muller’s Medical College, Mangalore for the award of M.D.(Psychiatry) qualification.**

Read : the Council Inspector’s report (April, 2002) on the standard of examination and other teaching facilities available at Father Muller’s Medical College, Mangalore for approval of the college for the award of M.D.(Psychiatry) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Father Muller's Medical College, Mangalore be approved for the award of M.D.(Psychiatry) qualification granted by Rajiv Gandhi University of Health Sciences, Bangalore restricting the number of admissions to 2(two) students per year.

220. Gujarat University – Approval of Smt. N.H.L. Municipal Medical College, Ahmedabad for the award of M.S.(E.N.T.) & D.L.O. qualifications.

Read : the Council Inspector's report (May, 2002) on the standard of examination and other teaching facilities available at Smt. N.H.L. Municipal Medical College, Ahmedabad for approval of the college for the award of M.S.(E.N.T.) & D.L.O. qualifications granted by Gujarat University.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided not to approve Smt.N.H.L. Municipal Medical College, Ahmedabad for the award of M.S.(E.N.T.) & D.L.O. qualifications granted by Gujarat University because (i) HOD does not possess requisite recognised postgraduate qualification (ii) Units are not as per MCI norms and (iii) other deficiencies pointed out in the inspection report.

221. Gujarat University – Approval of Smt. N.H.L. Municipal Medical College, Ahmedabad for the award of M.Ch.(Neuro-Surgery) qualification.

Read : the Council Inspector's report (June, 2002) on the standard of examination and other teaching facilities available at Smt. N.H.L. Municipal Medical College, Ahmedabad for approval of the college for the award of M.Ch(Neuro-Surgery) qualification granted by Gujarat University.

The Postgraduate Committee considered the Council Inspector's report (June, 2002) and decided not to approve Smt.N.H.L. Municipal Medical College, Ahmedabad for the award of M.Ch.(Neuro-Surgery) qualification granted by Gujarat University because (i) units are not as per MCI norms in terms of the requisite number of full time teachers and (ii) other deficiencies pointed out in the inspection report.

222. Gujarat University – Approval of Smt.N.H.L. Municipal Medical College, Ahmedabad for the award of M.D.(Paediatrics) and recognition of D.C.H. qualifications.

Read : the Council Inspector's report (May, 2002) on the standard of examination and other teaching facilities available at Smt. N.H.L. Municipal Medical College, Ahmedabad for approval of the college for the award of M.D.(Paediatrics) and recognition of D.C.H.. qualifications granted by Gujarat University.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to obtain the unit-wise details of the bed strength and the teaching faculty from the authorities of the institution and further decided to defer the consideration of the matter.

223. Gujarat University – Approval of Smt. N.H.L. Municipal Medical College, Ahmedabad for the award of M.D.(S.P.M.) qualification.

Read : the Council Inspector's report (May, 2002) on the standard of examination and other teaching facilities available at Smt. N.H.L. Municipal Medical College, Ahmedabad for approval of the college for the award of M.D.(S.P.M.) qualification granted by Gujarat University.

The Postgraduate Committee considered the Council Inspector's report (May, 2002) and decided to recommend that Smt.N.H.L.Municipal Medical College, Ahmedabad be approved for the award of M.D.(S.P.M.) qualification granted by Gujarat University restricting the number of admissions to 4(four) students per year.

224. University of Delhi- Approval of Lady Hardinge Medical College, New Delhi for the award of M.D.(Dermatology, Venereology & Leprosy) qualification.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Lady Hardinge Medical College, New Delhi for approval of the college for the award of M.D.(Dermatology, Venereology & Leprosy) qualification granted by University of Delhi.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that Lady Hardinge Medical College, New Delhi be approved for the award of M.D.(Dermatology, Venereology & Leprosy) qualification granted by Delhi University restricting the number of admissions to 2(two) students per year.

225. University of Delhi – Approval of University College of Medical Sciences, Delhi for the award of M.S.(Anatomy) qualification.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at University College of Medical Sciences, Delhi for approval of the college for the award of M.S.(Anatomy) qualification granted by University of Delhi.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that University College of Medical Sciences, Delhi be approved for the award of M.S.(Anatomy) qualification granted by Delhi University restricting the number of admissions to 2(two) students per year.

226. Goa University – Recognition of D.G.O. qualification in respect of students being trained at at Goa Medical College, Bambolim, Goa.

Read : the Council Inspector's report (May, 2002) on the standard of examination and other teaching facilities available at Goa Medical College, Bambolim, Goa for purpose of recognition of D.G.O. qualification granted by Goa University.

The Postgraduate Committee considered the Council Inspector's report (May 2002) and decided not to recommend recognition of D.G.O. qualification granted by Goa University in respect of students being trained at Goa Medical College, Bambolim, Goa because:-

- i) The composition of unit in the department in terms of the teaching faculty is not as per MCI norms i.e. a minimum of 3 faculty members per unit.
- ii) Other deficiencies pointed out in the inspection report.

227. Goa University – Recognition of M.D.(Radio-Diagnosis) & D.M.R.D. qualifications in respect of students being trained at at Goa Medical College, Bombolim, Goa.

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Goa Medical College, Bombolim,

Goa for purpose of recognition of M.D.(Radio-Diagnosis) &D.M.R.D. qualifications granted by Goa University.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided not to recommend recognition of M.D. (Radio-diagnosis) and D.M.R.D. qualifications granted by Goa University in respect of students being trained at Goa Medical College, Bambolim, Goa because (i) the teaching faculty in the department is sufficient enough only for the permitted intake capacity for the undergraduate admissions and the institution need to have an additional faculty member in the deptt. of Radio-Diagnosis and (iii) other deficiencies pointed out in the inspection report.

228. **Rajasthan University – Recognition of M.D.(Forensic Medicine) qualification in respect of students being trained at S.M.S. Medical College, Jaipur.**

Read : the Council Inspector's report (February, 2002) on the standard of examination and other teaching facilities available at S.M.S. Medical College, Jaipur for purpose of recognition of M.D.(Forensic Medicine) qualification granted by Rajasthan University.

The Postgraduate Committee considered the Council Inspector's report (February 2002) and decided to recommend that M.D. (Forensic Medicine) qualification granted by Rajasthan University in respect of students being trained at S.M.S. Medical College, Jaipur be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admission to 1(one) student per year.

229. **Rajasthan University – Approval of R.N.T. Medical College, Udaipur for the award of M.S.(E.N.T.) qualification.**

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at R.N.T. Medical College, Udaipur for approval of the college for the award of M.S.(E.N.T.) qualification granted by Rajastha University.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that R.N.T. Medical College, Udaipur be approved for the award of M.S.(ENT) qualification granted by Rajasthan University restricting the number of admissions to 2(two) students per year.

230. **Rajasthan University – Approval of R.N.T. Medical College, Udaipur for the award of M.D.(Paediatrics) qualification and also recognition of D.C.H qualification.**

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at R.N.T. Medical College, Udaipur for approval of the college for the award of M.D.(Paediatrics) qualification and also recognition of D.C.H. qualification granted by Rajastha University.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to direct the authorities to re-organise the units in the department of Pediatrics in terms of bed strength as per MCI norms i.e. 30-50 beds per unit and further decided to defer the consideration of the matter.

231. **Calicut University – Recognition of D.M.(Nephrology) qualification in respect of students being trained at Calicut Medical College, Calicut.**

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Calicut Medical College, Calicut for purpose of recognition of D.M.(Nephrology) qualification granted by Calicut University.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided not to recommend recognition of D.M. (Nephrology) qualification granted by Calicut University in respect of students being trained at Calicut Medical College, Calicut because:-

- i) Teaching complement is inadequate and
- ii) Other deficiencies pointed out in the inspection report.

232. **Kerala University – Recognition of M.Ch.(Urology) qualification in respect of students being trained at Medical College, Thiruvananthapuram.**

Read : the Council Inspector's report (April, 2002) on the standard of examination and other teaching facilities available at Medical College, Thiruvananthapuram for purpose of recognition of M.Ch.(Urology) qualification granted by Kerala University.

The Postgraduate Committee considered the Council Inspector's report (April, 2002) and decided to recommend that MCh. (Urology) qualification granted by Kerala University in respect of students being trained at Medical College, Thiruvananthapuram, be recognised and included in the first schedule to the IMC Act 1956 restricting the number of admissions to 2(two) students per year. However, the attention of the authorities be drawn towards the implementation of the observations made by the Council Inspector in the inspection report.

233. **The Tamilnadu Dr. M.G.R. Medical University, Chennai – Recognition of D.M.(Clinical Haematology) qualification in respect of students being trained at Christian Medical College, Vellore.**

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at Christian Medical College, Vellore for purpose of recognition of D.M.(Clinical Haematology) qualification granted by The Tamilnadu Dr. M.G.R Medical University, Chennai.

The Postgraduate Committee considered the Council Inspector's report (March, 2002) and decided not to recommend recognition of D.M. (Clinical Haematology) qualification granted by The Tamil Nadu Dr. MGR Medical University in respect of students being trained at Christian Medical College, Vellore because:-

- i) There being only 2 faculty members in the department of Clinical Haematology, the teaching complement is not complete as per MCI norms of minimum of 3 faculty members in a super-speciality department.
- ii) Other deficiencies pointed out in the inspection report.

234. i) **Sri Venkateswara University – Recognition of M.S(E.N.T.) qualification in respect of students being trained at Kurnool Medical College, Kurnool.**

ii) **Andhra Pradesh University of Health Sciences, Vijayawada and N.T.R. University of Health Sciences, Vijayawada - Approval of Kurnool Medical College, Kurnool for the award of M.S. (E.N.T.) qualification.**

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at Kurnool Medical College, Kurnool for i) recognition of M.S.(E.N.T.) qualification granted by Sri Venkateswara University and also ii) approval of the college for the award of M.S.(E.N.T.) qualification earlier granted by Andhra Pradesh University of Health Sciences, Vijayawada & now by the NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (March 2002) and decided not to recommend approval/recognition of M.S. (ENT) qualification earlier granted by Sri Venkateshwara University / Andhra Pradesh University of Health Sciences, Vijayawada and now by the NTR University of Health Sciences, Vijayawada in respect of students being trained at Kurnool Medical College, Kurnool because:-

- i) Units are not organised as per MCI norms i.e. 30-50 beds per unit.
- ii) There being only 2 faculty members, the teaching complement in Unit-II is not complete as per MCI norms i.e. a minimum of 3 faculty members per unit and moreover this unit is headed by an Asstt. Professor only
- iii) Other deficiencies pointed out in the inspection report.

235. **Osmania University, Kakatiya University, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada – Recognition of M.D.(Tuberculosis) qualification in respect of students being trained at Kakatiya Medical College, Warangal.**

Read : the Council Inspector's report (March, 2002) on the standard of examination and other teaching facilities available at Kakatiya Medical College, Warangal for purpose of recognition of M.D.(Tuberculosis) qualification granted by Osmania University, Kakatiya University, Andhra Pradesh University of Health Sciences, Vijayawada & NTR University of Health Sciences, Vijayawada.

The Postgraduate Committee considered the Council Inspector's report (March 2002) and decided not to recommend approval/recognition of M.D. (Tuberculosis) qualification granted by Osmania University/ Andhra Pradesh University of Health Sciences, Vijayawada /NTR University of Health Sciences, Vijayawada in respect of students being trained at Kakatiya Medical College, Warangal, because:-

- i) The composition of unit/department, in terms of bed strength, is not as per MCI norms i.e. only 30-50 beds per unit.
- ii) Other deficiencies pointed out in the inspection report.

The Committee further decided to direct the authorities to henceforth stop admission in MD (Tuberculosis) course from the ensuing session.

236. **Mysore University - Approval of Govt. Medical College, Mysore for the award of M.D.(Radio-Diagnosis) and Recognition of D.M.R.D. qualification – consideration of reinspection regarding.**

Read : the inspection report (April, 2002) together with previous Council Inspector's report (Sept., 97) on the standard of examination and other teaching facilities available at Govt. Medical College, Mysore for the award of M.D.(Radio-Diagnosis) and recognition of D.M.R.D. qualifications granted by Mysore University.

The Postgraduate Committee considered the Council Inspector’s report (April,2002) together with the previous inspection report (Sept.1997) and noted that the Court has not commented on inspection having not been carried out within the stipulated period as directed by the court, and (ii) there is a communication on record whereby the inspection report is sent to the lawyer of the Council indicating therein that the matter has been placed before the Postgraduate Committee.

The Postgraduate Committee, upon evaluation of the report (April,2002), decided not to approve Govt. Medical College, Mysore for the award of M.D. (Radio-diagnosis) qualification and recognition of D.M.R.D. qualification granted by Mysore University because of the following:

- i) The faculty in the department of Radio-Diagnosis is not adequate even for the intake for the undergraduate admissions for which the institution is recognised.
- ii) The instrumentation in the deptt. is inadequate and
- iii) Other deficiencies pointed out in the inspection report.

The Committee further noted that the admissions in MD (Radio-Diagnosis) and DMRD courses had been stopped in 1998 after the previous MCI inspection and further decided to direct the authorities of the institution to continue stop admissions in these courses.

237. **Parvara Medical Trust Vs.State of Maharashtra and Ors., WP No.376/2001 in the High Court of Bombay, Bench at Aurangabad.**

Read : the letter dated 4.12.2001 from the Ministry of Health & F.W, together with the judgement of the Hon’ble High Court of Judicature at Bombay regarding comments of MCI on the directions of Hon’ble High Court.

The Postgraduate Committee considered the letter dated 4-12-2001 from the Central Govt. Ministry of Health & F.W. and decided to constitute a Sub Committee with the following members to decide in the matter :-

- i) Dr. L.S. Chawla - Chairman
- ii) Dr. Indrajit Ray - Member
- iii) Dr. S.B.Siwach - Member

238. **Calcutta University – Recognition of various postgraduate qualifications being changed of nomenclature in already recognised concerned subject.**

Read : the letter dated 27.11.2001 from the Registrar, University of Calcutta with regard to inclusion of the qualifications in the Schedule to the IMC Act, 1956 with the changed nomenclature of already recognised PG qualifications.

The Postgraduate Committee noted the letter dated 27.11.2001 from the Registrar of University of Calcutta with regard to inclusion of qualifications in the 1st Schedule to IMC Act,1956 with the changed nomenclature of already recognised PG qualifications and decided to recommend inclusion of the following qualifications, already recognised and included in the Ist Schedule, with the changed nomenclature in consonance with the MCI regulations.

<u>Changed nomenclature as required</u>	<u>Presently recog. as</u>
1. M.D.(Dermatology, Venereology & Leprosy)	M.D.(Dermatology)
2. Diploma in Dermatology, Venereology & Leprosy	D.D.

3.	M.Ch.(Cardio-Vascular & Thoracic Surgery)	C.T.S.
4.	M.Ch.(Plastic & Reconstructive Surgery)	Plastic Surgery
5.	M.D.(Community Medicine)	M.D.(S.P.M.)
6.	M.D.(Anatomy)	MS(Anatomy)

239. **Non-teaching Hospital – Continuance of recognition of Batra Hospital & Medical Research Centre, Tughlakabad, New Delhi in the already recognised subjects and also recognition in new subjects for housemanship.**

Read : the Council Inspector’s report (May, 2002) on the physical facilities available at Batra Hospital & Medical Research Centre, Tughlakabad, New Delhi for purpose of continuance of recognition of the hospital for housemanship.

The Postgraduate Committee considered the Council Inspector’s report (May, 2002) and decided that recognition of Batra Hospital & Research Centre, Tughlakabad, New Delhi be continued for housemanship in the following subjects with the number of intake mentioned against each:-

1.	Medicine	- 4(four)
2.	Surgery	- 4(four)
3.	Obst. & Gynae.	- 2(two)
4.	Anaesthesia	- 2(two)
5.	Radio-Diagnosis	- 2(two)

The Committee further decided to recognise Batra Hospital & Research Centre, Tughlakabad, New Delhi for housemanship in the following subjects with the number of intake mentioned against each:-

1.	Orthopaedics	- 2(two)
