Present:

Dr. Ved Prakash Mishra - Chairman
Dr. Indrajit Ray
Dr. S.R. Maralihalli
Dr. V. Kanagraj
Dr. S.K. Sinha

Dr. P. Prasannaraj – Joint Secretary

Apologies for absence were received from Dr. A. Rajasekaran and Dr. (Mrs.) Usha Sharma.

At the outset, Chairman brought to the notice of the members that a communication dated 15th June, 2006 was received from Dr. A. Rajsekharan, member of the PG Committee wherein he has brought out that –

“Intimation for P.G. Medical Education Committee meeting scheduled to be held on 16th June 06 (i.e. tomorrow) reached me only yesterday evening, along with 130 inspection reports; The intention is obvious and so much so the outcome. I am unable to attend the meeting at such short notice; In future at least such actions could be avoided if you are genuinely concerned about my participation”.

The Secretary was directed by the Chairman to furnish the necessary information, wherein he informed that all the members of the Postgraduate Committee including Dr. A. Rajsekharan were sent meeting notice and Agenda by courier on 06.06.2006 itself. Communication dispatch receipts were produced by the Secretary in the meeting which testified his statement. However, the Chairman directed the Secretary to enquire from the Courier agency about delay in delivery, if any, and report back.

The Committee further observed that remarks by Dr. A. Rajsekharan in his communication were “uncalled for, and avoidable” and recorded its displeasure on the same.

The Chairman observed that it is a matter of record that the President (Acting), MCI and Chairman, PG Committee, MCI who are ex-officio members of the Governing Board of National Board of Examinations have never received any notice of any meetings of the Governing Board or agenda and much less the minutes of the same, ever since Dr. Rajsekharan took over as the Chairman of the National Board of Examinations, in spite of the several communications in writing to him about the same including personal appraisal thereto. In this backdrop, observations of Dr. Rajsekharan in his letter dated 15th June 2006 are ‘paradoxical’ and speak of ‘double standards’.

The Committee further expressed its sincere concern over the fact that the notification in respect of Dr. (Mrs.) Sneha Bhargava, a member of the Council nominated by Government of India and an eminent medical educationist, who has also been former Director of AIIMS, New Delhi, as member of PG Committee by the Ministry of Health & F.W., Govt. of India, till date, whereby Committee has been deprived of availing the benefit of her learned expertise and vast experience on matter of Postgraduate Medical Education.

The Committee, therefore, decided that a letter to the above effect be written by the Secretary, MCI to The Secretary, Ministry of Health and F.W., Govt. of India seeking notification of Dr. (Mrs.) Sneha Bhargava as member of the Postgraduate Committee.

The Secretary of the Council sought leave of absence to attend a meeting in the D.G.H.S. Office, New Delhi. Accordingly, Dr. P. Prasannaraj, Joint Secretary was directed to act as a Secretary for the meeting.
