(a) The college also utilizes 295 bed of the District Hospital, Udupi of which 90 beds are located in Govt. Maternity & Child Hospital, Udupi as per the GO No 805 GM 2004 Bangalore dated 17.05.05. This Hospital is located 4 kms away from the Medical College. This Distt. Hospital was not utilized by the college before May,2005. The terms of MoU are as under:-

“As mentioned in reasons cited above, Kasturba Medical College is permitted clinical training facilities for its students in Govt. Distt. Hospital, Udupi on condition that the said college provides 25% seats for the Govt. C.E.T.

- 1. Permission for clinical training facilities granted is for duration of 3 years.
- 2. For the present year clinical fees payable as per total number of seats may be paid in advance.
- 3. If the clinical facilities thus permitted are not utilized within 3 months, this order would stand cancelled.”

(b) There is no financial or administrative control of the college over the hospital. There is no patient care control of the college in this hospital.

(c) In view of above, the beds at District Hospital, Udupi cannot be considered as teaching beds as no permission has been taken for utilization of District Hospital, Udupi either u/s 10A at the time of utilization or u/s 11(2) at the time of recognition of award of MBBS degree.

- (d) There is no clear cut demarcation of units in the Govt. Dt. Udupi Hospital.
- (e) 60 OB&G and 30 Paediatric beds are located in the Govt. Maternity and Child Hospital located at a distance of more than 1 KM from the Govt. Dt. Udupi Hospital.
- (f) Govt. Distt. Hospital, Udupi has bed occupancy of only 34% while that of Maternity and Child Hospital, Udupi is 30%.
- (g) In the Govt. Dt. Hospital at Udupi, there is overcrowding of cots with no teaching facilities. There is no MRD. No records are available for the students posting. No faculty was available. No Residents take rounds or write case sheets. Only Basic investigations are being done and no records are available for verification. No teaching activity seem to be taking place as per the Council requirements.
3. Number of teaching units is 32 against the requirement of 43. There is a deficiency of 90 beds and 3 Units in Medicine, 52 beds and 2 Units in Paediatrics, 25 beds and 1 Unit in TB & Chest, 90 beds and 3 Units in General Surgery and 69 beds and 2 Units in OBGY. Thus, there is a total deficiency of 326 beds and 11 beds at the Kasturba Medical College Hospital.
4. Melakka Manipal Medical College, Malaysia is a constituent institute of Manipal Academy of Higher Education admitting 125 students every six months. The students study pre and para clinical subjects at Manipal and clinical subjects in the Melakka campus. The students admitted in that college are provided training and teaching in this college for which the college claims to have separate faculty and infrastructure facilities which have not been shown to the Council Inspectors. It appears that the college has not taken permission u/s 10A for the same and no such permission was shown to the Inspectors.
5. Hostels: There is no separate hostels for interns, residents and postgraduates. They are all accommodated within the girls and boys hostels respectively. Hostels space is not course specific. Sharing of hostel rooms between MBBS/BDS/PG's/Residents/Interns/Paramedical courses etc. is done depending on the ability of the students to pay the designated fee.
6. Accommodation for nurses is inadequate as only 98 nurses are accommodated in rooms in the Nursing Hostel for nursing students and 80 nurses are staying in Type C and D quarters while 357 nurses have made their own arrangements in the city.
7. Paramedical staff is inadequate as under:
- | | |
|------------------------|-----|
| Laboratory Technicians | 39 |
| Laboratory Assistants | Nil |
| Laboratory Attendants | Nil |
8. The following deficiencies are observed in the infrastructure of pre and para clinical departments:-
1. PG cum Tutors have been appointed in all the departments and their salary varies from Rs. 2,500 to 4,000.
 2. Laboratories and demonstration rooms are under renovation; civil work and flooring is completed but remains to be furnished.

3. UHTC is not under the administrative and financial control of the deptt. of Community Medicine.
4. In Anatomy department, there is space for 2 demonstration rooms each having a capacity of 30 seats which are inadequate as per norms.
5. In Physiology department, each laboratory has 40 workplaces which are inadequate as per norms.
6. In Pathology department, there are 2 demonstration rooms with capacity of 50 seats which are inadequate as per norms. Considering the number of specimens, the museum is over-crowded and need to be expanded.
7. In Microbiology department, there are 2 demonstration rooms with capacity of 65 seats each which are inadequate as per norms.
8. The following deficiencies are observed in the infrastructure of clinical departments:-
 9. There is deficiency of 326 beds and 11 units in Kasturba Medical College Hospital.
 10. There is inadequacy of teaching facilities and clinical material in the Govt. Distt. Hospital, Udupi.
 11. In the Govt. Dt. Hospital at Udupi, there is overcrowding of cots with no teaching facilities. There is no MRD. No records are available for the students posting. No faculty was available. No Residents take rounds or write case sheets. Only Basic investigations are being done and no records are available for verification. No teaching activity seem to be taking place as per the Council requirements.
 12. The departmental libraries of Skin & VD and Pediatrics need to be upgraded.
 13. No CCTV facility is available in any of the OTs.
 14. There is no separate cadre of casualty medical officers. Faculty from departments are posted on casualty duties.
 15. Books in the departmental libraries of TB & Chest, Skin & VD & Paediatrics are inadequate.
 16. U.H.C. is not owned and managed by the college. One medical officer and 4 ANM's all employed by the State Government run the center. There is no laboratory or delivery services available in the center. There is no class room available and no lecturer from the department of PSM visit the center. Students are reported to visit the center only once in their rotation for which no records are available.
 17. In the animal house, Guinea pigs and large animals are not available. Veterinary Officer is not available.
 18. OPD registration is not computerized.
 19. 800 mA x-ray machine is not available.
 20. Bowl sterilizer, Glove washing, drying and powdering machine and instrument washing machine are not available in CSSD.
 21. Books in the departmental libraries of TB & Chest, Skin & VD & Radio-Diagnosis are inadequate.

In view of above, the Postgraduate Committee decided to recommend to the Council for withdrawal of recognition of M.D.(Physiology) qualification at Kasturba Medical College, Manipal granted by Manipal Academy of Higher Education (Deemed University) u/s 19 of the I.M.C. Act, 1956.

The Committee further decided to direct the institution authorities to henceforth stop admissions in M.D.(Physiology) qualification from the ensuing academic session.

267. Bharati Vidyapeeth University-Recognition of M.D. (Pathology) qualification in respect of students being trained at Bharati Vidyapeeth Medical College, Pune.

Read: The Council Inspector report (February,2007) on the standard of examination and other teaching facilities available at Bharati Vidyapeeth Medical College, Pune for purpose of recognition of M.D(Pathology) qualification granted by Bharati Vidyapeeth University.

The Postgraduate Committee considered the Council Inspector report (February,2007) and decided to recommend that M.D(Pathology) qualification granted by Bharati Vidyapeeth University in respect of students being trained at Bharati Vidyapeeth Medical College, Pune be recognized and included in the 1st Schedule to the I.M.C. 268. Maharashtra University of Health Sciences-Recognition of MD (General Medicine) qualification in respect of students being trained at K.J. Somaiya Medical College, Mumbai.

Read: The compliance verification inspection report (February, 2007) on the standard of examination and other teaching facilities available at K.J. Somaiya Medical College, Mumbai for purpose of recognition of M.D.(General Medicine) qualification granted by Maharashtra University of Health Sciences.

The Postgraduate Committee considered the Council Inspector report (February, 2007) and observed that the Letter of Permission for starting of MD (General Medicine) course was issued by the Central Government on 7.6.2001. A request for the recognition of the said qualification u/s 11(2) of the IMC Act was received from the institute through the Central Government vide letter dated 23.1.2006. An inspection for recognition of the course u/s 11(2) was carried out by the Council Inspector on 25th July,2006 which was considered by the Postgraduate Committee at its meeting held on 18th September, 2006 wherein it was decided as under:-

“The Postgraduate Committee considered the Council Inspector’s report (July, 2006) and noted that appointment letters are not enclosed in some of the declaration forms or have been issued blank by the authorities or are not specifically clear and decided to seek the clarification from the college authorities in this regard.

The Postgraduate Committee further decided to defer the consideration till the information is received”.

The Committee further observed that a clarification was received from the college vide its letter dated 23.11.2006.

The Postgraduate Committee considered the compliance verification inspection (February, 2007) and noted the following:-

1. Dr. N.H. Gill, Prof. & HOD was absent on the day of inspection. Promotion of Dr. S. Chanderkar, Assoc. Professor is not as per Regulations. Resultantly, teaching complement is incomplete in Unit-I.
2. Promotion of Dr. V. Panikar is not as per Regulations.
3. CT Scan is not available. It has gone out of the order in July, 2005 which has neither been repaired or replaced.
4. Bed occupancy at the time of inspection and preceding 2 days was only 33% in the hospital and 40 to 45% in medical wards as against the requirement of 80%..
5. Medical wards still does not have central oxygen supply or central suction. No separate duty room is available.
6. Foreign journals are inadequate. The books are old and recent editions are not available.
7. Office space which are small and inadequate for a faculty of 15.

8. As per attendance register, only 2 to 3 postgraduate activities are held per month against the scheduled 4 per week as per teaching programme presented by the department.
9. There is no research lab. to carry out investigation for research or thesis. There is gross lack of research activities in the department.
10. Endocrine and special investigations are not available in the hospital for patients.
11. Other deficiencies pointed out in the inspection report.

As such, the deficiencies brought out in the Council Inspector report of July, 2006 have remained uncomplied, the Postgraduate Committee decided not to recommend recognition of M.D.(General Medicine) qualification granted by Maharashtra University of Health Sciences in respect of students being trained at K.J. Somaiya Medical College, Mumbai..

In view of above, the Committee further decided to direct the institution authorities to henceforth stop admissions in M.D.(General Medicine) qualification from the ensuing academic session.

The Postgraduate after detailed deliberations decided that suitable communication be sent to concerned State Governments for the respective medical colleges/institutions where the admissions have been made by them in excess of their management quota for the academic year 2006-07 by calling upon them to correspondingly reduce the admissions in the management quota for those medical colleges for the academic year 2007-08 and for corresponding increased allocation of the free seat candidates by the concerned State Govt., for the academic year 2007-08 in those medical colleges/institutions so as to set-off the undue advantage gained by those medical colleges/institutions by making excess admissions in the management quota in the academic year 2006-07.

274. Admission made in various postgraduate medical courses after the last date i.e. 30th June, 2006 for the academic session 2006-07.

Read: The matter with regard to admission made in various postgraduate medical courses after the last date i.e. 30th June, 2006 for the academic session 2006-07

The Postgraduate Committee noted that the following institutions have made the admissions in various postgraduate medical courses for the academic session 2006-07 after the cut off date i.e. 30.06.2006 as per the order of the Hon’ble Supreme Court in W.P.[C] No. 157 of 2005 Amit Gupta & Ors. The Postgraduate Committee after detailed deliberations decided to advise the institutions to discharge the students admitted beyond the permissible intake capacity as per the provision of Section 10B of the I.M.C. Act, 1956 and to send the compliance in this regard immediately to the Council.

275. Starting of M.D.(Physiology) course at Katihar Medical College, Katihar under B.N. Mandal University, Madhepura, Bihar u/s 10A of the IMC Act,1956.

Read : The letter dated 19.01.2007 received from the Govt. of India, Ministry of Health & F.W. asking the Council to cause inspection afresh along with the decision of the Postgraduate Committee dated 18.09.2006 for consideration of the matter of starting of M.D.(Physiology) course at Katihar Medical College, Katihar under B.N. Mandal University, Madhepura, Bihar u/s 10A of the IMC Act,1956.

The Postgraduate Committee considered the letter dated 19.01.2007 asking the Council to cause inspection afresh along with the decision of the Committee taken at its meeting held on 18.09.2006 and decided to reiterate its decision recommending to the Central Govt. to issue Letter of Permission for starting of M.D.(Physiology) course at Katihar Medical College, Katihar under B.N. Mandal University, Madhepura u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2007-2008 restricting the number of admissions to 2 (two) students per year till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act,1956.

- The Minutes of items pertaining to Section 10A were read out and confirmed in the meeting itself and the Office was directed to send the communications to the Central Government immediately within the time limit prescribed under the Regulations.
