8.	Dr. Deelip Govindrao Mhaisekar	Professor & HoD, Dr. Shankarrao chavan Govt. Medical College, Vazirabad, Dist. Nanded, Maharashtra
9.	Dr. (Mrs.) Rani Bhaskaran	President, Travancore-Cochin Medical Council, Thiruvanantha puram

Dr. Reena Nayyar – Joint Secretary

Dr. Kailash Sharma was absent on 21st January, 2014.

1. Chairman of Postgraduate Medical Education Committee – Election of.

At the outset, the Joint Secretary welcomed all the members of the new Postgraduate Committee which came into existence by the notification no. V.11013/5/2013-MEP-I, dated 09/01/2014 and dated 15/1/2014 of the Central Govt. and requested the members of the Committee to elect a Pro-tem Chairman. Accordingly proposed by Dr._Silvano CA Dias Sapeco and seconded by Dr. Datteswar Hota, Dr. Rani Kumar, was unanimously elected as Pro-tem Chairman of the meeting of the PG Committee. Dr. Rani Kumar, Pro-tem Chairman called for nominations to elect the Chairman of the Postgraduate Medical Education Committee. Proposed by Dr. Raja Babu Panwar and seconded by Dr. D.J. Borah and all other members, Dr. S.B. Siwach was unanimously elected as Chairman of the Postgraduate Committee as there was no other proposal.

Dr. S.B. Siwach took the Chair and extended his gratefulness to all the members of the Committee for electing him as Chairman of the Committee and for

reposing faith and confidence in him. With the blessings and guidance of all the members of the PG Committee he promised to carry out this responsibility. He then called the meeting to order to discuss the agenda items.

Thereafter, one minute silence was observed for the departed soul of Dr. Indrajit Ray, Former Chairman of the Postgraduate Committee of MCI. It was proposed by Dr. Silvano D. Sapeco and seconded by Dr. D.J. Borah.

2. Extension of time schedule from 31st January, 2014 for issuance of letter of permission for starting/ increase of seats in postgraduate courses u/s 10(A) of the IMC Act, 1956 - req.

Read: the matter with regard to extension of time schedule from 31st January, 2014 for issuance of letter of permission for starting/ increase of seats in postgraduate courses u/s 10(A) of the IMC Act, 1956.

The Postgraduate Committee considered the matter with regard to Extension of time from 31st January, 2014 for sending recommendation of Medical Council of India to Central Government for issue of Letter of Permission for starting/increase of seats in postgraduate courses u/s 10(A) of the IMC Act, 1956 as per the following time schedule prescribed in the Regulations:-

	State of Processing	Time Schedule
1.	Receipt of applications by the Central Government	1st April to 30th April
2.	Forwarding of applications by Central Government to Medical Council of India for technical scrutiny.	Up to 31st May
3.	Recommendation of Medical Council of India to Central Government for issue of Letter of Permission.	Up to 31st January
4.	Issue of Letter of Permission by Central Government.	Up to 28th February

The Committee noted that as per the Ordinance No. 2 of 2010, dated 15/05/2010 and Amended Ordinance dated 13th May, 2011 & 1st May, 2012, the Council was superseded by the Board of Governors and powers of the Central Government were delegated to the Board of Governors by clause No. 3(B) and due to the workload, the extension of time was sought in the year 2011-12, 2012-13 & 2013-14 from the Govt. of India till 31st of March. Accordingly, the Govt. of India had granted the permission for extension of time.

The Committee further noted that Council has received 1604 applications for starting/increase of seats u/s 10 (A) of IMC Act, 1956 for the academic year 2014-15. 1200 application which are in order have to be processed and recommendation have to be sent to the Central Govt. within the time schedule mentioned above. In the tenure of BOG approx 380 files have been approved for assessment and till 05.11.2013 only 6(six) assessments were planned.

The Committee also noted that Council has been reconstituted on 05.11.2013. As per the IMC, Act 1956 *"Six of the members of the Postgraduate Committee shall be nominated by the Central Government and the remaining three members shall be elected by the Council from amongst its members"*. Three members were elected by the Council on 10.12.2013. The last name for Postgraduate Committee was received from the Central Govt. on 15th January, 2014. As soon as names of the PG Committee members were notified by the Central Govt. and received by the Council, Notice for conduction of first

Postgraduate Committee Meeting was sent and 1st meeting was fixed for 20th & 21st January, 2014.

Till date approx. 500 assessment reports which were received are pending for consideration and decision by the PG committee. In addition to that a large number of assessment reports of recognition matters are to be decided and recommendations have to be sent to the Central Govt are also pending.

In view of such immense workload pending with regard to PG applications the Committee feels that it would not be possible to complete the same in such short time and the Central Govt. may be requested to extend the time schedule for sending the recommendation of the Council to Central Govt. by three months i.e. upto 30th April, 2014.

3. Increase of seats in MD (General Medicine) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December, 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (General Medicine) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, Dist., Sangli u/s 10A of the IMC Act, 1956 because of the following reasons:-.

1. Teaching complement is incomplete in all 6 units as under:
 - Unit I - Shortage of 1 Associate Professor
 - Unit II - It is headed by Asst. Professor which is against Regulations. There is no Asso. Prof. There is only 1 teacher in the Unit hence the unit is incomplete.
 - Unit III - There are only 2 teachers. Hence cannot be considered as PG Unit.
 - Unit IV - It is headed by Asst. Professor which is against Regulations. There is no Asso. Prof. There is only 1 teacher in the Unit which is inadequate.
 - Unit V & VI - There is only 1 teacher in both the Units which is inadequate.
2. Shortage of Residents is: (a) Senior Resident – 5; (b) Junior Resident – 5.
3. Clinical & investigation load is inadequate.
4. Bed occupancy is 65 % for General Medicine & 53 % for the whole hospital which is inadequate.
5. None of Professors & Associate Professors working in the department has any publication. There is no research project.
6. Computerized data of last 3 years' clinical material does not match with ground reality as physically verified on the day of assessment.
7. Average daily attendance in Casualty is only 25-30 which is inadequate.
8. Central research laboratory is not available.
9. Biochemistry investigations are outsourced.
10. Average daily consumption of blood units claimed – i.e. 235 – is highly exaggerated and does not match with figures provided by blood bank.
11. Space for Departmental Library is not available.
12. OPD space is inadequate.
13. Other deficiencies/observations as pointed out in the inspection report.

4. Increase of seats in MD (Anaesthesia) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18th December 2013) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Anaesthesia) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

5. Increase of seats in MS (General Surgery) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (17th December 2013) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (17th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (General Surgery) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, Dist., Sangli u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. This assessment carried out on 19/12/2013 shows MRI Scan as 6-7 per day while the report of assessment for General Medicine carried out 19/12/2013 shows that MR Scan is yet to be installed/functional. There is obvious discrepancy which needs to be verified.
2. Biochemistry investigations are outsourced.
3. Bed occupancy for the hospital is 53 % which is inadequate.
4. Departmental research laboratory is not available.
5. Details of Senior Resident & Junior Resident are not available.
6. Other deficiencies/observations as pointed out in the inspection report.

6. Increase of seats in MS (OBG) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18th December 2013) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (OBG) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, Dist., Sangli u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. The institute is already permitted for 2 M.D. (O.G.) seats. The number of deliveries per day is 1-2 (vaginal) & 1 (operative). Even this data does not match with the number of deliveries shown in the table on P. 24 of assessment report which shows number of daily deliveries as 0.7 normal & 1 caesarean.
2. Shortage of Residents is (a) Junior Resident: 2.
3. Menopausal clinic is not available.
4. Semen bank is not available.
5. This assessment carried out on 18/12/2013 shows MRI Scan as 6-7 per day while the report of assessment for General Medicine carried out 19/12/2013 shows that MR Scan is yet to be installed/functional. There is obvious discrepancy which needs to be verified.
6. Space for Departmental Library is not available.
7. Working ward side Laboratory is not available.
8. Other deficiencies/observations as pointed out in the inspection report.

7. **Starting of MD (Psychiatry) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli u/s 10A of the IMC Act, 1956.**

Read: the Council Assessor's report (16th December 2013) on the physical and other teaching facilities available at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli for Starting of MD (Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th December 2013) and observed that PG Degree of Dr. Samir Gupte is not recognise but still teaching complement is adequate decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Psychiatry) course at Bharati Vidyapeeth Medical College & Hospital, Sangli under Bharati Vidyapeeth Medical College & Hospital, dist., Sangli u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admission to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

8. **Increase of seats in MS (General Surgery) course at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.**

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (6th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MS(General Surgery) course at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 9(Nine) to 10 (Ten) students per year till the

first batch admitted against the increased number appears in the final examination of the said course. The committee observed that teaching complement is inadequate in unit IV & V as there are only 2 teachers against the requirement of 3. The committee further decided to advise the institution to improve the cleanliness and sanitation in the Hospital. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

9. Increase of seats in MD (Pathology) course at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (5th December 2013) on the physical and other teaching facilities available at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (5th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Pathology) course at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Teaching complement is incomplete for P.G. in Pathology. Available faculty is 2 Professors, 3 Asso. Professors & 2 Asst. Professor against requirement of 1 Professor, 4 Asso. Professors & 4 Asst. Professors. Thus there is shortage of 2 Asst. Prof.
2. Other deficiencies/observations as pointed out in the inspection report.

10. Starting of MD (Community Medicine) course at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (4th & 5th December 2013) on the physical and other teaching facilities available at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (4th & 5th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MD (Community Medicine) course at Calcutta National Medical College, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Teaching complement is inadequate even for U.G. by 2 Tutors.
2. Details of residential accommodation at R.H.T.C. are not available.
3. Other deficiencies/observations as pointed out in the inspection report.

11. Increase of seats in MD (General Medicine) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03rd December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education

(Deemed to be University) for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (03rd December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (General Medicine) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University)u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Teaching complement is inadequate in Unit III as there are only 2 teachers.
 - 2.No increase in total number of IPD patients & also in weekly clinical workload for IPD from year 2011 till date of inspection.
 - 3.Bed occupancy in ICU & ICCU is 70%.
 4. Only 2 Research publications from the department in Indexed Journals in last 3 years.
- Other deficiencies/observations as pointed out in the inspection report.

12. Increase of seats in MS (Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (02nd December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (02nd December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University)u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There are only 45 beds in 2 units which is inadequate as each Unit must have minimum 30 beds.
2. Shortage of Residents is (a) Senior Resident: 1 & (b) Junior Resident: 2.
3. There are no research publications in last 3 years.
- 4.Other deficiencies/observations as pointed out in the inspection report.

13. Increase of seats in MS (Psychiatry) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05th December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) for Increase of seats in MS (Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MS(Psychiatry) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University)u/s 10A of the I.M.C. Act, 1956

prospectively i.e. from the academic session 2014-2015 from 1 (one) to 2 (Two) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

14. Increase of seats in MD (Anaesthesia) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (2nd December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (2nd December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Anaesthesia) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University)u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is no increase in the surgical work load during last 3 years.
2. Other deficiencies/observations as pointed out in the inspection report.

15. Increase of seats in MD (Paediatrics) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03rd December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (03rd December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Paediatrics) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University)u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is mismatch in the teaching faculty shown in the summary and Standard Inspection Forms.
2. Specialized services in Paediatric Haematology, Paediatric Nephrology Paediatric Cardiology & Paediatric Neurology is not available in the institution
3. Hardly any improvement in total no. of patients in IPD and weekly clinical work load for IPD since 2011.
4. Other deficiencies/observations as pointed out in the inspection report.

16. Increase of seats in MD (Radio-Diagnosis) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under

Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09th December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Radio-Diagnosis) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University)u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2 (Two) to 4(four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

17. Starting of MS (OBG) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MS(OBG) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University)u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admission to 1(One) student per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

18. Increase of seats in MS (ENT) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03rd December 2013) on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research & Education (Deemed to be University) for Increase of seats in MS (ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (03rd December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (ENT) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy

of Research & Education (Deemed to be University) u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is 1 unit which has 45 beds.
2. Average daily total minor operative load for minor surgeries has reduced since 2011.
3. Total weekly operative work load per unit has reduced since 2011.
4. There are no publications from the department in last 3 years.
5. Other deficiencies/observations as pointed out in the inspection report.

19. Starting of MD (Paediatrics) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (25th November 2013) on the physical and other teaching facilities available at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (25th November 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Paediatrics) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admissions to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The committee decided to advise the institution to run the immunization clinic every day and purchase the storage facility for vaccines. It was also decided to advise the institution to improve the office space for teaching staff. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

20. Starting of MD (General Medicine) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28th November, 2013) on the physical and other teaching facilities available at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28th November, 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(General Medicine) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

Note: The institution is advised to reorganize the units in terms of Postgraduate Regulations.

21. Starting of MD (Anaesthesia) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (29th November 2013) on the physical and other teaching facilities available at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur for Starting of MD (Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (29th November 2013) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MD (Anaesthesia) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Dr. Dan Charien, Asso. Prof. cannot be accepted as his appointment order and joining report are not available. The promotion of Dr. Rajesh Dinesh as Asso. Professor is not as per Regulations as he has been promoted as Asso. Prof. with experience of only 3 y 9 m and he cannot be accepted as Asso. Prof. Resultantly, teaching complement is inadequate by 3 Asso. Prof.
2. Shortage of Senior Resident is 2.
3. Clinical material is inadequate as verified from OT sister's register. Pain relief services are inadequate as chronic pain management services are not available. 4. Clerical staff is inadequate. Steno typist is not posted in the department.
4. Other deficiencies/observations as pointed out in the inspection report.

22. Starting of MD (Pathology) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (27th November 2013) on the physical and other teaching facilities available at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur for Starting of MD (Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (27th November 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Pathology) course at Cochin Medical College, Kochi under Kerala University of Health & Allied Sciences, Thrissur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admissions to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

23. Increase of seats in MD (Radio Diagnostics) course at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad (Uttar Pradesh) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad (Uttar Pradesh) for Increase of seats in MD (Radio Diagnostics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to issue

Letter of Permission for increase of seats in MD(Radio-Diagnopsis) course at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad (Uttar Pradesh) u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3 (Three) to 7(Seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

24. Increase of seats in MD (Pathology) course at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad (Uttar Pradesh) u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad (Uttar Pradesh) for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Pathology) course at Era's Lucknow Medical College & Hospital, Lucknow, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad (Uttar Pradesh) u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3 (Three) to 7(seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956

25. Increase of seats in MD (DVL) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09th December 2013) on the physical and other teaching facilities available at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(DVL) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3 (Three) to 4(four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956

Note: The institution is advised to purchase PUVA chamber and purchase more journals.

26. Increase of seats in MS (OBG) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (OBG) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. The promotion of Dr. Bharati Saxena as Professor is not as per Regulations as she has been promoted as Professor with only 3 y 1 m experience as Asso. Prof. and there are no publications to her credit. Resultantly, teaching complement is incomplete in Unit B.
2. Artificial insemination facility is non-functional. Semen bank is nonfunctional.
3. Central Library: Number of journals inadequate as 65 journals are available against requirement of 100. Reading facility outside routine library hours is not available.
4. Other deficiencies/observations as pointed out in the inspection report.

27. Increase of seats in MD (Psychiatry) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05th December 2013) on the physical and other teaching facilities available at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur for Increase of seats in MD (Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Psychiatry) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3 (Three) to 4(four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956

The Committe further decided to invite the attention to the observations in the report which should be rectified and submit the compliance within 3 months.

28. Increase of seats in MD (Pathology) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Pathology) course at Government Medical College, Kota under Rajasthan University of Health Sciences, Jaipur u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4 (Three) to 5(five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

The Committee further decided to invite the attention to the observations in the report which should be rectified and submit the compliance within 3 months.

29. Starting of MD (DVL) course at Himalayan Institute of Medical Sciences, Dehradun, Uttarakhand under HIHT University, Dehradun u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Himalayan Institute of Medical Sciences, Dehradun, Uttarakhand under HIHT University, Dehradun for Starting of MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MD (DVL) course at Himalayan Institute of Medical Sciences, Dehradun, Uttarakhand under HIHT University, Dehradun u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Punch grafting & suction blaster technique are not available.
2. Contact dermatitis clinic is not available.
3. There are only 2 consultation rooms in OPD.
4. Leprosy clinic is in Dehradun managed by a private organization.
5. Other deficiencies/observations as pointed out in the inspection report.

30. Increase of seats in MS (Ophthalmology) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha under Datta Maghe Institute of Medical Sciences, Swangi, Wardha u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (10th December 2013) on the physical and other teaching facilities available at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha under Datta Maghe Institute of Medical Sciences, Swangi, Wardha for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (10th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (Ophthalmology) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha under Datta Maghe Institute of Medical Sciences, Swangi, Wardha u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Better slit lamps & ophthalmoscopes are not available.
2. Records are not well maintained or documented by residents.
3. Glaucoma surgeries, vitrectomies and repair of open globe injuries are rarely done.
4. Other deficiencies/observations as pointed out in the inspection report.

31. Increase of seats in MD (Paediatrics) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha under Datta Maghe Institute of Medical Sciences, Swangi, Wardha u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09th December 2013) on the physical and other teaching facilities available at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha under Datta Maghe Institute of Medical Sciences, Swangi, Wardha for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Paediatrics) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha under Datta Maghe Institute of Medical Sciences, Swangi, Wardha u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4 (four) to 7 (Seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

32. Starting of MD (Microbiology) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (10th December 2013) on the physical and other teaching facilities available at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Microbiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (10th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MD (Microbiology) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Equipment is inadequate. Anaerobic section is yet to be established. Molecular biology component is not yet installed. Equipment for Parasitology needs to be upgraded as detailed in the report. Complete electrophoresis unit needs to be installed.
2. Cell lines and candle box need to be procured for Virology.
3. Fungal stock has to be increased as currently there is only one fungus.
4. Test sera need to be procured.
5. Reporting registers should be maintained properly.
6. Waste management techniques may be displayed in the department.
7. The postgraduate degree of Dr. Subrata Bhattacharya, Professor & HOD is from Dr. B.C. Roy IBMS which is not recognized by MCI.
8. Other deficiencies/observations as pointed out in the inspection report.

33. Starting of MD (Physiology) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12th December 2013) on the physical and other teaching facilities available at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12th December 2013) and observed that the PG degree of Dr. Priyadarshini Ghosh is not recognise but still the teaching complement is adequate decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(Physiology) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

The Committee further decided to advise the institute authority to improve journals in the department.

34. Starting of MD (Psychiatry) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (20th December 2013) on the physical and other teaching facilities available at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (20th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MD (Psychiatry) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily OPD is only 28. Resultantly, clinical material is inadequate.
2. Other deficiencies/observations as pointed out in the inspection report.

35. Starting of MD (Pathology) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (11th December 2013) on the physical and other teaching facilities available at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (11th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MD (Pathology) course at KPC Medical College & Hospital, Kolkata under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. The number of gross and museum specimens is less.
2. Departmental research laboratory needs upgradation.
3. In the library, Indian journals are not available for 2013.
4. Autopsy section is not available in the department.
5. Experimental pathology is not available.
6. Facilities for frozen section are not available.
7. Investigations like Bone Marrow Biopsy, L.E. Cell are not done.
8. On the day of assessment, one Asst. Prof. could not be verified as he was absent. Resultantly, there is shortage of 1 Asst. Prof.
9. Other deficiencies/observations as pointed out in the inspection report.

36. Increase of seats in MS (ENT) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (10th December 2013) on the physical and other teaching facilities available at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik for Increase of seats in MS (ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (10th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MS(ENT) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 1 (One) to 2 (Two) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

37. Increase of seats in MS (Orthopaedics) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12th December 2013) on the physical and other teaching facilities available at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MS (Orthopaedics) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2 (Two) to 6 (six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

38. Increase of seats in MD (Psychiatry) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (10th December 2013) on the physical and other teaching facilities available at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik for Increase of seats in MD (Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (10th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD (Psychiatry) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 1 (One) to 2 (Two) students per year till the first batch admitted against the increased number appears in the final examination of

the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

39. Increase of seats in MD (TB & Respiratory Medicine) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (11th December 2013) on the physical and other teaching facilities available at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik for Increase of seats in MD (TB & Respiratory Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (11th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for starting of MD (TB & Respiratory Medicine) course at Mahatma Gandhi Mission Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Daily OPD is only 30-35/day. Bed occupancy is < 70 %. CT guided FNAC is only 1-2/month. Resultantly, clinical material is inadequate.
2. Postgraduate degree of Dr. C.D. Kulkarni, Asst. Prof. in Unit I is not recognized. Resultantly, teaching complement for PG is incomplete.
3. Shortage of Senior Resident: 1.
4. No separate IRCU is available.
5. Departmental museum is not available.
6. PFT with diffusion studies not available.
7. Other deficiencies/observations as pointed out in the inspection report.

40. Increase of seats in MD (Anaesthesia) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Anaesthesia) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. In blood bank, blood component separation unit is not functioning.
2. The resuscitative equipments like Ventilators, Defibrillator, Cardiac monitor, Portable x-ray, Pulseoximeter are not available inside the casualty.
3. Central laboratory is working as only a collection centre with haematology tests. No coagulation profile, frozen section, histochemistry and cytochemistry available.
4. Other deficiencies/observations as pointed out in the inspection report.

41. Increase of seats in MD (DVL) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (DVL) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Teaching complement is incomplete in unit II as it has only 3 teachers and hence can not be considered for PG unit.

42. Increase of seats in MD (Microbiology) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (16th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MD (Microbiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD (Microbiology) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3 (Three) to 5 (Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

43. Increase of seats in MS (General Surgery) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (General Surgery) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Operation theaters are poorly maintained. Total operative workload is minimal. ID of operative Surgery patient found in the ward register was not found in histopathology register.
2. There is no separate SICU.
3. Academic activities like lecture series, CME, journal club for PG students are minimal.
4. In departmental library, books are very old & journals are not available.
5. In blood bank, blood component separation unit is not functioning. Issued blood units number was not matching with the relative donor units.

6. Resuscitation equipment like ventilators, defibrillators, cardiac monitor, portable X-ray are inadequate in casualty.
7. Central laboratory is acting only as collection center.
8. Office room in the department is not available.
9. Other deficiencies/observations as pointed out in the inspection report.

44. Increase of seats in MD (Community Medicine) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (17th & 18th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MD (Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (17th & 18th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Community Medicine) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Lady Medical Officer is not available at RHTC & UHC. There is no Lecturer in Statistics.
2. Postgraduate degree of Dr. J.B. Saha, Professor is not recognized.
3. Non-teaching complement is inadequate. There is no Medical Social Worker & Health Educator at the Health Centers. (RHTC & UHC).
4. UHC is linked with Sadar Hospital and hence is not under full control of the Dean.
5. Other deficiencies/observations as pointed out in the inspection report.

45. Increase of seats in MD (Paediatrics) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (20th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (20th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Paediatrics) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Paediatric Gastroenterology is not available.
2. Central Research Laboratory is not available.
3. Other deficiencies/observations as pointed out in the inspection report.

46. Increase of seats in MD (General Medicine) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (General Medicine) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There are 4 Units with 125 beds which includes 25 vacant beds of Tb & Chest department.
2. Casualty & Intensive Care facility is not adequate for the work claimed. Serial number is not written in OPD register & 8-9 names are written on a page with wide gap in between. Average MLC is 1 / 2 days in last 3 months.
3. In OPD, seminar room for teaching is created temporarily in patient waiting area with curtains.
4. There is nothing like functional office in the department. As per statement of Head of Department, for 7 years since her arrival, there is no muster/ roll call anywhere in the department or college. Many Declaration Forms are incomplete and original certificates were not produced for verification.
5. Indoor case sheets & death slips are not filled in properly. History is not written in details. National guidelines e.g. for malaria are not followed.
6. There is no separate MICU. Only one ICCU cum ICU with 6 beds is available. Drugs used in medical emergency are either not available or very few in stock.
7. Component separation facility is not available.
8. Central Research Laboratory is not available.
9. Shortage of Senior Resident: 1.
10. Radiological investigations are not performed as claimed. E.g. only 12 special procedures were actually performed against claimed 146 as confirmed with Medical Superintendent.
11. Original certificates of Dr. Anita Dutta, Professor & Dr. S.B. Sengupta were not available for verification. Postgraduate degree of Dr. Animesh Deb, Asso. Prof. is not recognized.
12. Working ward side labs are not available.
13. Other deficiencies/observations as pointed out in the inspection report.

47. Increase of seats in MS (OBG) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (OBG) course at Mata Gujri Memorial Medical College, Kishanganj under B.N. Mandal University, Laloo Nagar, Bihar u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. In OPD, there are only 2 consulting rooms and sitting arrangements for faculty & residents is poor. There is no light arrangement for examination of patients in Gynaec. OPD. There are only 2-3 sets of instruments. Routine PAP smear testing is not done. (only 1-2 smear/day)
2. Clinical material is inadequate.

3. In OT, civil infrastructure needs improvement. Tiles are dirty. Anaesthetic trolley is very old and rusted at places. Surgical instruments are few in number. There is no proper colour coding for disposal of bio-medical waste. Monitors in recovery area are not functioning. Recovery area needs reorganization. Central Oxygen is available to only 1 out of 2 cots.
4. Artificial insemination is not available. Semen bank is not available.
5. There is no dedicated functional ICU.
6. There is a common nursing station between 3-4 wards.
7. In blood bank, blood component separation facility is not available. No data is available for blood issued to O.G. department.
8. There is no publication from senior faculty in last 3 years.
9. There is no dedicated furnished seminar room in the department. Attendance in PG seminar is only 25-30%.
10. Other deficiencies/observations as pointed out in the inspection report.

48. Increase of seats in MD (DVL) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (16th December 2013) on the physical and other teaching facilities available at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (DVL) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Contact dermatitis clinic is not available.
2. Tissue/fluid smears staining techniques are not available.
3. There is a mismatch between daily admission (1-4) and bed occupancy (86 %).
4. Other deficiencies/observations as pointed out in the inspection report.

49. Increase of seats in MD (General Medicine) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (17th December 2013) on the physical and other teaching facilities available at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (17th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (General Medicine) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Investigative facilities like nerve conduction, EMG, etc. are not available.
2. Facilities for Occupational therapy are not available in the institute.
3. Dr. S.K. Sharma, Professor & HOD and Dr. Y.B. Aggarwal have acquired M.D. from Agra University in 1971 & 1977 respectively which is not recognized.
4. Other deficiencies/observations as pointed out in the inspection report.

50. Starting of MS (Orthopaedics) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (17th December 2013) on the physical and other teaching facilities available at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (17th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (Orthopaedics) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Library needs to be updated with latest editions of books.
2. Although number of major operations has increased from 352 in 2011 to 1046 in 2013, there is no increase in daily Histopathological workload which has remained same at 0-1 during this period.
3. Specimens & charts in departmental museum are inadequate.
4. In OPD, there are only 2 rooms against the requirement of 4 rooms.
5. Facilities for Occupational therapy are not available in the institute.
6. Paediatric Orthopaedic services are not available.
7. Promotion of Dr. Arvind Kumar, Asso. Prof. in Unit I & Dr. I.K. Garg, Asso. Prof. in Unit II are not as per MCI norms.
8. Other deficiencies/observations as pointed out in the inspection report.

51. Increase of seats in MS (General Surgery) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (17th December 2013) on the physical and other teaching facilities available at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (17th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (General Surgery) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Bed occupancy is 60 %.
2. Promotion of Dr. R.M. Prajapati, Associate Prof. is not as per MCI norms. Resultantly, teaching complement in Unit-I is incomplete.
3. Other deficiencies/observations as pointed out in the inspection report.

52. Increase of seats in MS (OBG) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th December 2013) on the physical and other teaching facilities available at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (OBG) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Clinical Material: OPD workload is poor. Most of OPD patients were fake and dummy and seem to have been hired from nearby slums.
2. Out of indoor patients, very few cases were good teaching material. Rest were admitted for minor ailments like leucorrhea, headache, backache & dysmenorrhea. One young woman was found to be suffering from DUB but on personal enquiry she had normal period. One old lady was for ophthalmic check up without any Gynaecological problem.
3. In spite of 3-4 deliveries per day, in postnatal ward there were only 1-2 patients.
4. In central library, internet connections were found to be inadequate. Latest edition books were lacking. National, State or local journals were not available.
5. Promotion of Dr. Bharati Maheshwari is not as per MCI norms.
6. Other deficiencies/observations as pointed out in the inspection report.

53. Starting of MS (Ophthalmology) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (16th December 2013) on the physical and other teaching facilities available at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut for Starting of MS (Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MS (Ophthalmology) course at Muzaffarnagar Medical College, Muzaffarnagar under Chaudhary Charan Singh University, Meerut u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Promotion of Prof. & Head is not as per MCI norms.
2. Retinal repair surgeries are not performed.
3. Keratoplasty is not available.
4. Eye bank is not available.
5. Frequency of Speciality clinics is less.
6. Other deficiencies/observations as pointed out in the inspection report.

54. Starting of MD (Psychiatry) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (26th November 2013) on the physical and other teaching facilities available at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (26th November 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD (Psychiatry) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admissions to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the

qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

Note: The institution is advised to increase the number of journals.

55. Starting of MD (Biochemistry) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th November 2013) on the physical and other teaching facilities available at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata for Starting of MD (Biochemistry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th November 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Biochemistry) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Head of the department degree is not recognized. Hence, report not considered.

56. Increase of seats in MD (Community Medicine) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19th & 20th November 2013) on the physical and other teaching facilities available at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata for Increase of seats in MD (Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19th & 20th November 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Biochemistry) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Staff is not available in RHTC and UHTC.
2. Statistician cum Lecturer is not available.
3. Health educator is not available.
4. RHTC needs to be fully functional.
5. Number of Journals in the Central library is inadequate.
6. Other deficiencies/observations as pointed out in the inspection report.

57. Increase of seats in MS (General Surgery) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28th November, 2013) on the physical and other teaching facilities available at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28th November, 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MS (General Surgery) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4 (Four) to 6 (Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

Note: The Committee further decided to invite the attention to the observations in the report which should be rectified and submit the compliance within 3 months.

58. Increase of seats in MD (General Medicine) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (26th November 2013) on the physical and other teaching facilities available at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (6th December, 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Anaesthesia) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is no Associate Professor in unit I. Resultantly teaching complement is inadequate in unit i.
2. Number of journals in the central Library are inadequate.

59. Increase of seats in MD (Anaesthesia) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (6th December, 2013) and decided to recommend to the Central Govt. to disapprove the scheme for increase of seats in MD (Anaesthesia) course at North Bengal Medical College, Darjeeling, West Bengal under The West Bengal University of Health Sciences, Kolkata u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Teaching faculty is short by 1 Asso. Prof. & 4 Senior Residents.
2. There is overcrowding in wards. Sanitation & security arrangements are very poor.
3. Number of journals in the Central Library are inadequate.

4. Manifold Oxygen & Nitrous Oxide is not supervised by a qualified Anaesthetist.

5. Central Research Laboratory is not available.

60. Starting of MD (DVL) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12th December 2013) on the physical and other teaching facilities available at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai for Starting of MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12th December 2013) and decided to recommend to the Central Govt. and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MD(DVL) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 restricting the number of admissions to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

61. Starting of MS (General Surgery) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (13th December 2013) on the physical and other teaching facilities available at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (13th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS(General Surgery) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 6 (Six) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

62. Starting of MD (Radio-Diagnosis) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (16th December 2013) on the physical and other teaching facilities available at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai for Starting of MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Radio-Diagnosis) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai (subject to submission of payment order & receipt within 3 months for MRI) u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the

academic session 2014-15 restricting the number of admission to 5 (Five) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

63. Starting of MS (ENT) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (16th December 2013) on the physical and other teaching facilities available at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS(ENT) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

64. Starting of MD (Microbiology) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12th December 2013) on the physical and other teaching facilities available at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai for Starting of MD (Microbiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Microbiology) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 4 (Four) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

65. Starting of MD (Community Medicine) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (16th & 17th December 2013) on the physical and other teaching facilities available at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai for Starting of MD (Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th & 17th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Community Medicine) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha

University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is no hostel for interns in RHTC. Two rooms identified in RHTC Building are provided with 3 beds in each room which is inadequate. All the interns posted in RHTC stay there by rotation. Messing arrangements are not available.
2. Services provided through RHTC & UHC are mainly OPD services with some observation beds and some health education activities in an unplanned manner. There is no cold chain equipment. Family welfare activities are sketchy & contraceptives are not available. There is no documentary evidence of field practice activities. Family folders or information proformas are not available.
3. Field practice area for RHTC Kuthampakkam covers population of 5,391 only which is grossly inadequate.
4. There is no book on health management, sociology & pedagogy needed for postgraduate training either in central or departmental library.
5. Other deficiencies as pointed out in the assessment report.

66. Starting of MS (OBG) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (16th December 2013) on the physical and other teaching facilities available at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (16th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(OBG) course at Saveetha Medical College & Hospital, Kancheepuram, Tamilnadu under Saveetha University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily operative load is only 2 for major operations as observed by the Assessor. Average daily Histopathological workload is 2-4 as observed by the Assessor.
2. There is no recovery area in Labour O.T.
3. There are only 2 beds in OICU as observed by Assessor against 6 claimed by institute.
4. Number of ultrasonographies done are only 10 per day.
5. NICU has only 3 beds as observed by Assessor against 6 claimed by institute.
6. Functional working side laboratory in wards have not been shown to the Assessor.
7. Other deficiencies as pointed out in the assessment report.

67. Increase of seats in MS (Orthopaedics) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (13th December 2013) on the physical and other teaching facilities available at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (13th December 2013) and decided to recommend to the Central Govt. to issue

Letter of Permission for Increase of seats in MS(Orthopaedics) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 8 (Eight) to 10 (Ten) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

68. Increase of seats in MD (DVL) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (14th December 2013) on the physical and other teaching facilities available at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (14th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(DVL) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

69. Increase of seats in MD (Radio Diagnostics) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12th December 2013) on the physical and other teaching facilities available at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai for Increase of seats in MD (Radio Diagnostics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio Diagnostics) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 5(Five) to 9(Nine) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

70. Increase of seats in MS (General Surgery) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (13th December 2013) on the physical and other teaching facilities available at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (13th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(General Surgery) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Daily IPD shown as 150 is not feasible.
2. Clinica material Indoor patients had only minor ailments.
3. Other deficiencies as pointed out in the assessment report.

71. Increase of seats in MD (Paediatrics) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (13th December 2013) on the physical and other teaching facilities available at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (13th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Paediatrics) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. PICU has only 3 beds as observed by the Assessor against 5 claimed by the institute.
2. Average daily IPD is only 3-5 per day against 34 claimed by the institute.
3. Not a single unit of blood has been consumed in last 3 years in Paediatrics.
4. Other deficiencies as pointed out in the assessment report.

72. Increase of seats in MD (TB & Respiratory Medicine) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (13th December 2013) on the physical and other teaching facilities available at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai for Increase of seats in MD (TB & Respiratory Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (13th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(TB & Respiratory Medicine) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. OPD attendance as observed by Assessor in the summary is 20-30 only.
2. RICU patients were found to be wearing private clothes and not hospital dress.
3. Diffusion study & BCT are not available.
4. Integration with Tuberculosis Research Center, Chennai is not shown. DOTS Plus is not available. Statistics for RNTCP programme have not been given to the Assessor.
5. Other deficiencies as pointed out in the assessment report.

73. Increase of seats in MD (Pathology) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12th December 2013) on the physical and other teaching facilities available at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Pathology) course at Sree Balaji Medical College & Hospital Chromepet, Chennai under Bharath University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 6(Six) to 10(Ten) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

74. Increase of seats in MS (General Surgery) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (2nd December 2013) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (2nd December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(General Surgery) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 8(Eight) to 16(Sixteen) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

75. Increase of seats in MD (Padiatrics) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (27th November 2013) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai for Increase of seats in MD (Padiatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (27th November 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Padiatrics) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

Already having 13 seats commensurate with clinical material, infrastructure, no. of unts and PG teachers.

76. Increase of seats in MS (ENT) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (29th November, 2013) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai for Increase of seats in MS (ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (29th November, 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(ENT) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

Already having 7 seats commensurate with clinical material, infrastructure, no. of unts and PG teachers.

77. Increase of seats in MD (DVL) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28th November, 2013) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28th November, 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(DVL) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

Already having 8 seats commensurate with clinical material, infrastructure, no. of unts and PG teachers.

78. Increase of seats in MS (Ophthalmology) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28th November 2013) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28th November 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Ophthalmology) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri

Ramachandra University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

Already having 10 seats commensurate with clinical material, infrastructure, no. of unts and PG teachers.

79. Increase of seats in MS (Orthopaedics) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (29th November 2013) on the physical and other teaching facilities available at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (29th November 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Sri Ramachandra Medical College & Research Institute, Chennai under Sri Ramachandra University, Chennai u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Already having 22 seats commensurate with clinical material infrastructure, no. of units and available faculty.
2. The institute has claimed that minor operations per day are 50. As per the observation of Assessor, this calculation by the department has been done on the basis of all small cases done everywhere in department, i.e. OPD, ward, dressing room, etc. The cases include plaster applications, injections, skin tractions, splint applications, etc. The actual number of minor surgeries done in routine OT & emergency OT is 10-15 per day.
3. Other deficiencies as pointed out in the assessment report.

80. Increase of seats in MS (OBG) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (04th December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (04th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Patient admission is low.
2. Delivery turnout needs to be improved. Only 3 normal delivery/day and C/S 2/day
3. Number of deliveries has remained almost constant over the period of last 3 years.
4. Other deficiencies as pointed out in the assessment report.

81. Increase of seats in MS (General Surgery) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (02nd December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (02nd December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(General Surgery) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Major operations per day have declined over last 3 years from 1814 in 2011 to 1051 (2013 – 10 months). Present workload of major surgery is only 4/day.
2. Working side labs in wards not available.
3. Other deficiencies as pointed out in the assessment report.

82. Increase of seats in MD (Psychiatry) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (02nd December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MD (Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (02nd December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Psychiatry) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily OPD is 80.
2. Chronic Psychiatric care facilities for long stay are not available.
3. Other deficiencies as pointed out in the assessment report.

83. Increase of seats in MD (DVL) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (04th December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (04th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(DVL) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

84. Increase of seats in MD (Anaesthesia) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (02th December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (02th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Major operations per day in General Surgery have declined over last 3 years from 1814 in 2011 to 1051 (2013 – 10 months). Present workload of major surgery is only 4/day.
2. Total surgical workload of major operations per day is only 20 of all surgical departments combined. It has declined over last 3 years from 6075 in 2011 to 4761 in 2013 (10 months.)
3. There is mismatch between major operations and blood consumed. Total major operations are 20 and blood units consumed per day is also 20 which is inconceivable.
4. Other deficiencies as pointed out in the assessment report.

85. Increase of seats in MD (Pathology) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Total surgical workload of major operations has declined over last 3 years. Resultantly, specimens processed for surgical pathology have decreased from 4581 in year 1 to 3887 in year 2.
2. There is a mismatch between the number of major operations and the number of specimens processed in year 3 – i.e. while the number of all major operations are claimed to be 5358, the number of specimens processed are shown to be 6147 which is inconceivable.
3. Pathological autopsies are not performed.
4. In blood bank, there is mismatch between the number of blood units donated (3800) and issued (6831).
5. Other deficiencies as pointed out in the assessment report.

86. Increase of seats in MD (TB & Respiratory Medicine) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MD (TB & Respiratory Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(TB & Respiratory Medicine) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Treatment facilities for MDR tuberculosis are not available.
2. Clinical material has not shown any significant increase in last 2 years.
3. Other deficiencies as pointed out in the assessment report.

87. Increase of seats in MD (General Medicine) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03th December 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (03th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 6(Six) to 8(Eight) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

88. Starting of MD (Forensic Medicine) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (29th November 2013) on the physical and other teaching facilities available at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu for Starting of MD (Forensic Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (29th November 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Forensic Medicine) course at SRM Medical College Hospital & Research Centre, Kancheepuram under SRM University, SRM Nagar Kattankulathur, Kancheepuram District, Tamilnadu u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Permission for conducting medico-legal autopsies is not available. Resultantly, no post-mortems are performed.
2. Other deficiencies as pointed out in the assessment report.

89. Starting of MD (Pharmacology) course at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06th December 2013) on the physical and other teaching facilities available at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik for Starting of MD (Pharmacology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Pharmacology) course at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Many equipment in central research laboratory are still in the stage of procurement as detailed in the report.
2. Dr. N.G. Sewlikar, Associate Professor is on medical leave and could not be verified.
3. Other deficiencies as pointed out in the assessment report.

90. Starting of MD (Paediatrics) & DCH course at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (04th December 2013) on the physical and other teaching facilities available at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik for Starting of MD (Paediatrics) & DCH course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (04th December 2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Paediatrics) & DCH course at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Clinical material of Unit at NMMC does not show any data for indoor admissions.
2. OPD attendance at Unit I in the hospital of the college (TSSHRC) is grossly inadequate – i.e. 15-20/day. At Unit II (NMMC), it is inadequate – 70-80/day.
3. Average bed occupancy in PICU is 50 %.
4. Community Paediatric services are not available.
5. Speciality clinics like diarrhoea and Thalassemia clinics are not available.
6. Other deficiencies as pointed out in the assessment report.

91. Starting of MD (Community Medicine) course at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05th & 06th December 2013) on the physical and other teaching facilities available at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik for Starting of MD (Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05th & 06th December 2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Community Medicine) course at Terna Medical College, Navi Mumbai under Maharashtra University of Health Sciences, Nashik subject to verification of Degree of Head of the Department u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 3 (Three) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

92. Increase of seats in MD(TB & Respiratory Medicine) and starting of Diploma in TB & Respiratory Medicine course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka U/s 10(A) of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(TB & Respiratory Medicine) and starting of Diploma in TB & Respiratory Medicine course U/s 10(A) of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (TB & Respiratory Medicine) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 from 2 (Two) to 3 (Three) students per year, till the first batch admitted against increased intake appears in the final examination of the said course.

The Committee further decided to recommend to the Central Govt. to issue Letter of Permission for Starting of Diploma in TB & Respiratory Medicine course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 1 (One) student per year, till the first batch admitted appears in the

final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

93. Starting of Diploma in Child Health course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of Diploma in Child Health course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of Diploma in Child Health course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

94. Increase of seats in MD(Anaesthesia) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Anaesthesia) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 5(Five) to 8(Eight) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

95. Starting of MD(Psychiatry) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD(Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Psychiatry) course at A.J. Institute of Medical Sciences

& Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Postgraduate degrees of Dr. P.K. Kiran Kumar, professor & HOD and Dr. S. Chhabra, Asso. Prof. are not recognized.
2. Other deficiencies as pointed out in the assessment report.

96. Increase of seats in MD(General Medicine) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 8(Eight) to 12(Twelve) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

97. Increase of seats in MS(General Surgery) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(General Surgery) course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 8(Eight) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

98. Increase of seats in MD(DVL) and starting of Diploma in Dermatology course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka U/s 10(A) of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka

for Increase of seats in MD(DVL) and starting of Diploma in Dermatology course U/s 10(A) of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(DVL) and starting of Diploma in Dermatology course at A.J. Institute of Medical Sciences & Research Centre, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Number of patients in OPD on the day of assessment was 60-70. The cases comprised of common dermatoses only and variety in clinical spectrum required for teaching was lacking.
2. Bed occupancy at the time of inspection was 30 % & 75% in male & female wards respectively, but the number of admissions did not tally with admission register and majority of cases were new admissions. Majority of indoor patients could be treated on outdoor basis.
3. Side lab in the ward was non functional and technician was missing.
4. Cases of STD were not there and the department does not participate in national STI & AIDS programme.
5. No proper recording of patients on Phototherapy.
6. Not enough number of dermatological procedures as per the procedure registers.
7. Number of skin biopsies is only 2-4 / week.
8. Other deficiencies as pointed out in the assessment report.

99. Increase of seats in MD(General Medicine) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18/11/2013) on the physical and other teaching facilities available at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 6(Six) to 8(Eight) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

100. Increase of seats in MD(Radio-Diagnosis) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19/11/2013) on the physical and other teaching facilities available at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19/11/2013) and decided to recommend to the Central Govt. to disapprove the

scheme for Increase of seats in MD(Radio-Diagnosis) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. AERB certification is awaited for all machines.
2. Data of previous years is not submitted.
3. Other deficiencies as pointed out in the assessment report.

101. Increase of seats in MS(Orthopaedics) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (19/11/2013) on the physical and other teaching facilities available at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (19/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(Orthopaedics) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

102. Increase of seats in MS(Ophthalmology) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18/11/2013) on the physical and other teaching facilities available at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(Ophthalmology) course at Adichunchangiri Institute of Medical Sciences, Bellur under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

103. Increase of seats in MS(ENT) course at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05/12/2013) on the physical and other teaching facilities available at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(ENT) course at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Postgraduate degree of Dr. C.P. Das, Professor & HOD is not recognized.
2. Promotion of second Professor not as per MCI norms.
3. Other deficiencies as pointed out in the assessment report.

104. Increase of seats in MD(General Medicine) course at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05/12/2013) on the physical and other teaching facilities available at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 6(Six) to 12(Twelve) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

105. Increase of seats in MD(TB & Respiratory Medicine) course at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05/12/2013) on the physical and other teaching facilities available at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(TB & Respiratory Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(TB & Respiratory Medicine) course at Alluri Sitarama Raju Academy of Medical Sciences, Eluru under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

106. Increase of seats in MD(Forensic Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013 & 08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Forensic Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013 & 08/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Forensic Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

Attention of the college authorities is however invited to the observations of the Assessors in the assessment report.

107. Increase of seats in MS(General Surgery) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(General Surgery) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 22(Twenty Two) to 24(Twenty Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

108. Increase of seats in MS(Orthopaedics) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily workload for major operations is 0.7 at Victoria Hospital & 0.95 at B & H hospital which is grossly inadequate. It has remained almost stagnant over last 3 years.
2. There are no publications from the department in last 3 years.
3. Other deficiencies as pointed out in the assessment report.

From the details provided, it appears that there are only 2 faculty in each unit and hence no unit has complete teaching complement.

109. Increase of seats in MD(Radio-therapy) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Radio-therapy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-therapy) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is no Asso. Prof. Resultantly, there is shortage of 1 Asso. Prof.
2. Average daily OPD is 30.
3. Radio-biology laboratory is not available.
4. Intracavitary& implant services are not available in the department. Equipment for radio surgery & intra-operative radiotherapy are not available. Equipment for brachytherapy is not available. Facility for tissue compensation is not available. Facilities for radioactive isotope work is not available.
5. There are no publications from the department in last 3 years.
6. Other deficiencies as pointed out in the assessment report.

110. Increase of seats in MD(Anaesthesia) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Anaesthesia) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 9(Nine) to 16(Sixteen) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

111. Increase of seats in MD(Psychiatry) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Psychiatry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Psychiatry) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

112. Increase of seats in MD(DVL) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(DVL) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Cry therapy is not available. Dark ground microscopy is not available.
2. Other deficiencies as pointed out in the assessment report.

113. Increase of seats in MD(Paediatics) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Paediatics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Paediatics) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 8(Eight) to 11(Eleven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

114. Increase of seats in MS(OBG) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Unit II in B & LCH has only 2 faculty members; hence teaching complement is incomplete.
2. 4 Units in V.V. Hospital have 80 beds each which is against Regulations.
3. Only 1 Asst. Prof. has 2 publications. None else in the department has any publications.
4. Total number of major surgeries has remained stagnant over last 3 years.
5. Other deficiencies as pointed out in the assessment report.

115. Increase of seats in MS(ENT) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(ENT) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Audiologist & speech therapist are not available.
2. Impedence audiometer & BERA are not available.
3. There is no facility of rigid oesophageoscopy& bronchoscopy for removal of foreign bodies.
4. Space is inadequate for accommodation of faculty, office & residents.
5. Total number of major surgeries has declined from 2511 in Year 1 to 2257 in year 3.
6. Departmental museum is not available.
7. Other deficiencies as pointed out in the assessment report.

116. Increase of seats in MD(Anatomy) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute,

Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Anatomy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Anatomy) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

117. Increase of seats in MD(Community Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/11/2013 & 08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Community Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (07/11/2013 & 08/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Community Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 7(Seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

118. Increase of seats in MD(Microbiology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Microbiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Microbiology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

119. Increase of seats in MD(Pathology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Pathology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 5(Five) to 8(Eight) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

120. Increase of seats in MD(Pharmacology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Pharmacology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Pharmacology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 5(Five) to 9(Nine) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

121. Increase of seats in MD(Biochemistry) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Biochemistry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Biochemistry) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the

qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

122. Increase of seats in MD(General Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(General Medicine) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Unit VI & VIII have 2 faculty each; hence cannot be considered as PG Units.
2. Deficiency of Senior Residents is 10.
3. Total OPD & IPD patients have remained almost stagnant over the period of last 3 years.
4. ICCU is not available.
5. Working ward side lab is not available.
6. Other deficiencies as pointed out in the assessment report.

123. Increase of seats in MS(Ophthalmology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/11/2013) on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Ophthalmology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily bed occupancy is 53 %.
2. Average daily operative work load of major operations is only 4 / day.
3. Space between two beds is less than 1.5 m as required as per Regulations.
4. Though the number of faculty is 18, there are only 7 publications between them.
5. No new books on Ophthalmology have been purchased in last 3 years.
6. Casualty beds are only 16 against requirement of 20.
7. Other deficiencies as pointed out in the assessment report.

124. Starting of MS(General Surgery) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (27/11/2013) on the physical and other teaching facilities available at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (27/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(General Surgery) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Operative workload has decreased over a period of 3 years 807 in 2011 to 389 in 2013.
2. Shortage of Senior Residents is 3.
3. CT Scan is not available.
4. Working ward side laboratories are not available.
5. Casualty beds are only 16 against requirement of 20.
6. Other deficiencies as pointed out in the assessment report.

125. Starting of MD(General Medicine) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (27/11/2013) on the physical and other teaching facilities available at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (27/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(General Medicine) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There are only 2 faculty in Units B, C & D and hence cannot be considered as PG Units.
2. Shortage of Senior Residents is 2.
3. ICCU is not available.
4. CT Scan is not available.
5. Latest editions of books on General Medicine have not been procured in last 3 years.
6. Bronchoscopy & Cardiology services are not available.
7. Investigative facilities like nerve conduction, EMG are not available.
8. Casualty beds are only 16 against requirement of 20.
9. Other deficiencies as pointed out in the assessment report.

126. Starting of MS(Ophthalmology) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (25/11/2013) on the physical and other teaching facilities available at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (25/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(Ophthalmology) course at Belgaum Institute of Medical

Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Shortage of Senior Resident: 1.
2. CT Scan is not available.
3. Casualty beds are only 16 against requirement of 20.
4. Average daily OPD is only 43. It is showing a declining trend – from 56 in 2011 to 43 in 2013.
5. Average daily bed occupancy is 44 %. It is showing a declining trend from 61 % in 2011 to 44 % in 2013.
6. Departmental library has only 50 books.
7. Fundus Florescin Angiography not available.
8. Other deficiencies as pointed out in the assessment report.

127. Starting of MS(ENT) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (27/11/2013) on the physical and other teaching facilities available at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS(ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (27/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(ENT) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Equipment like BERA, Impedence Audiometer, OAE are not available.
2. Temporal Bone Dissection laboratory is inadequate and placed outside the O.T.
3. No prior data like patients treated was available in respect of audiometry.
4. CT Scan is not available.
5. Casualty beds are only 16 against requirement of 20.
6. There are only total 94 books with 19 titles pertaining to E.N.T. in Central library which is inadequate. Foreign journals are not available.
7. Shortage of Junior Resident: 1.
8. Operative workload of major surgeries is inadequate.
9. Other deficiencies as pointed out in the assessment report.

128. Starting of MD(Anaesthesia) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (25/11/2013) on the physical and other teaching facilities available at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (25/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Anaesthesia) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Shortage of teaching faculty is: (a) Asso. Prof.: 1 & (b) Asst. Prof.: 3.
2. Shortage of Senior Residents is 3.

3. Average daily major operations of all surgeries combined are only 15.86. It has decreased drastically over the period of 3 years.
4. Departmental library has only 15 books. Journals are not available.
5. CT Scan is not available.
6. Casualty beds are only 16 against requirement of 20.
7. ICCU is not available.
8. Detailed plan for training for Anaesthesia in diagnostic procedures like CT Scan, MRI, etc. not provided as these procedures are not carried out.
9. Detailed plan for training for Anaesthesia in surgeries like neurosurgery, urology, etc. not provided as these surgeries are not carried out.
10. Paediatric CPR model training model is not available.
11. Other deficiencies as pointed out in the assessment report.

129. Starting of MS(Orthopaedics) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28/11/2013) on the physical and other teaching facilities available at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(Orthopaedics) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Both the Units are incomplete. There is no Asso. Prof. in Unit I and there are only 2 faculty; hence it cannot be considered as PG Unit. Unit II has only 1 faculty; hence it cannot be considered as PG Unit.
2. Shortage of Junior Residents is 4.
3. There is no dedicated office space for faculty and departmental office.
4. Latest editions of books need to be added in central library.
5. CT Scan is not available.
6. Casualty beds are only 16 against requirement of 20.
7. ICCU is not available.
8. Joint replacement services are irregular because of lack of implants.
9. Facilities for occupational therapy are not available.
10. Investigative facilities like nerve conduction, EMG are not available.
11. Other deficiencies as pointed out in the assessment report.

130. Starting of MS(OBG) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (20/11/2013) on the physical and other teaching facilities available at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS(OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (20/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(OBG) course at Belgaum Institute of Medical Sciences, Belgaum under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 because of the following reasons:-

1. There is no Asso. Prof. in Unit I; resultantly teaching complement is incomplete as there are only 2 faculty.
2. Shortage of residents is (a) Senior: 2; (b) Junior: 3.
3. There are 100 beds per Unit which is against the Regulations.
5. CT Scan is not available.
6. Casualty beds are only 16 against requirement of 20.
7. ICCU is not available.
8. Gynaecologicalspeciality clinics like Menopausal clinic, Endocrine clinic are not available.
9. Artificial insemination is not available. Semen bank is not available.
10. Colposcopy is not available.
11. Other deficiencies as pointed out in the assessment report.

131. Starting of MD(Anatomy) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Starting of MD(Anatomy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (Anatomy) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University Rajkot u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

132. Starting of MD(Forensic Medicine) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Starting of MD(Forensic Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Forensic Medicine) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is no permission for conducting medico-legal post-mortems from the Govt. of Gujarat. The MOU available is for educational purposes of UG students.
2. AC units of mortuary are not functioning. There is no open mortuary with fly proofing.
3. Basic equipment for Histopathological examination like rotator microtome, automatic knife sharpener, paraffin embedding bath, hot plate, automatic tissue processor, etc. are not available in the department.
4. Other deficiencies as pointed out in the assessment report.

133. Increase of seats in MS(Orthopaedics) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Total number of major surgical operations has remained stagnant over the period of last 3 years. Total number of minor surgeries has decreased from 2407 in 2011 to 908 in 2012 and has increased marginally in 2013.
2. Other deficiencies as pointed out in the assessment report.

134. Starting of MD(Physiology) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Starting of MD(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Physiology) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Shortage of faculty: (a) Asso. Prof.: 1
2. Other deficiencies as pointed out in the assessment report.

135. Increase of seats in MD(General Medicine) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 8(Eight) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

136. Increase of seats in MD(Radio-diagnosis) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Increase of seats in MD(Radio-diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio-diagnosis) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

137. Increase of seats in MD(Pathology) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Pathology) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

138. Starting of MS(Ophthalmology) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Starting of MS(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(Ophthalmology) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Equipment like fundus camera & Green laser are not available.
2. No faculty has shown publications in last 3 years in their declaration Forms.

3. No minor operations were performed on the day of assessment. Previous data not submitted.
4. No separate chambers for special clinics like squint clinic, retina clinic available.
5. Total number of major surgeries has remained almost constant over the period of last 3 years.
6. Other deficiencies as pointed out in the assessment report.

139. Increase of seats in MD(DVL) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot for Increase of seats in MD(DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(DVL) course at C.U. Shah Medical College, Surendranagar, Gujarat under Saurashtra University, Rajkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. OPD register are not available. Speciality clinics are run but registers are not well maintained.
2. None of the present faculty have any publications.
3. The binocular microscope does not have facility for dark field condenser attachment.
4. Average bed occupancy is 68.23 %. It has decreased from 81 % in 2011 to 68 % in 2013. On the day of assessment, it was 61 %.
5. Other deficiencies as pointed out in the assessment report.

140. Increase of seats in MD(Radio-Diagnosis) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-Diagnosis) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following reasons:-

No documentary proof of AERB approval available.

141. Increase of seats in MD(General Medicine) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(General Medicine) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Total number of OPD patients has remained almost constant – from 83646 in 2011 to 78547 in 2013 (11 months).
2. Total number of IPD patients has decreased over period of last 3 years from 9645 in 2011 to 8484 in 2012 to 9080 in 2013 (11 months).
3. There are no publications from the department in last 3 years in indexed journals.
4. Other deficiencies as pointed out in the assessment report.

142. Increase of seats in MS(Orthopaedics) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12/12/2013) on the physical and other teaching facilities available at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(Orthopaedics) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

143. Increase of seats in MS(OBG) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(OBG) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 5(Five) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the

qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

144. Starting of MD(Microbiology) course at ESI-PGIMER, ESI Hospital, Basaidarapur, New Delhi under Guru Gobind Singh Indraprastha University, Delhi u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (30/12/2013) on the physical and other teaching facilities available at ESI-PGIMER, ESI Hospital, Basaidarapur, New Delhi under Guru Gobind Singh Indraprastha University, Delhi for Starting of MD(Microbiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (30/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Microbiology) course at ESI-PGIMER, ESI Hospital, Basaidarapur, New Delhi under Guru Gobind Singh Indraprastha University, Delhi u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

145. Starting of MS(General Surgery) course at ESI-PGIMER, ESI Hospital, Basaidarapur, New Delhi under Guru Gobind Singh Indraprastha University, Delhi u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (30/12/2013) on the physical and other teaching facilities available at ESI-PGIMER, ESI Hospital, Basaidarapur, New Delhi under Guru Gobind Singh Indraprastha University, Delhi for Starting of MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (30/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS(General Surgery) course at ESI-PGIMER, ESI Hospital, Basaidarapur, New Delhi under Guru Gobind Singh Indraprastha University, Delhi with the advice that Ethical Committee to be constituted without Dean as Chairman u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 4 (Four) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

The college authorities are advised to re-constitute their Ethical Committee since, Dean of the college cannot be the Chairman of the Committee.

146. Increase of seats in MS(OBG) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05/12/2013) on the physical and other teaching facilities available at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(OBG) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

147. Increase of seats in MS(General Surgery) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (27/11/2013) on the physical and other teaching facilities available at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (27/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(General Surgery) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

148. Increase of seats in MD(Biochemistry) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28/11/2013) on the physical and other teaching facilities available at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Biochemistry) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Biochemistry) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 4(Four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

149. Increase of seats in MD(General Medicine) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28/11/2013) on the physical and other teaching facilities available at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at ESIC Medical College & Postgraduate Institute of Medical Sciences, Rajajinagar, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

150. Increase of seats in MD(Paediatrics) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18/11/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Paediatrics) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 7(Seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

151. Starting of MD(Physiology) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05/12/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05/12/2013) and decided to recommend to the Central Govt. to issue Letter of

Permission for Starting of MD(Physiology) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

152. Increase of seats in MD(Anaesthesia) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18/11/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Anaesthesia) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

153. Increase of seats in MS(OBG) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18/11/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(OBG) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

154. Increase of seats in MS(Orthopaedics) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18/11/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Two Asso. Prof. – Dr. B. Mrinal & Dr. Latheesh Latheef, are not accepted as they have not submitted proof of residence. Resultantly teaching complement is inadequate in Units II & III.
2. Dr. K. Harshraj, Senior Resident is not accepted as he has not submitted proof of residence. Resultantly, there is shortage of Sr. Resident by .
3. Other deficiencies as pointed out in the assessment report.

155. Increase of seats in MS(General Surgery) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (18/11/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (18/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(General Surgery) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily OPD is 120.
2. Units II, III, IV, V & VI have only 2 teaching faculty each.
3. Departmental museum is not available.
4. Other deficiencies as pointed out in the assessment report.

156. Starting of MD(Forensic Medicine) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD(Forensic Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Forensic Medicine) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of

Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. There is no facility for demonstration of postmortem to undergraduate students.
2. There is no specific arrangement for conducting postmortems of infected and decomposed bodies.
3. Department office is located in open area.
4. Study material is inadequate in departmental and central libraries.
5. Except forensic pathology, no other work related to forensic medicine is done in the department.
6. Facilities in forensic toxicology, anthropology and serology are in the primitive state.
7. Equipment like SLR camera with accessories, video camera, viscerotome with attachment, spectroscope lens with adjustable slit, etc. are not available.
8. Other deficiencies as pointed out in the assessment report.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD(Anatomy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Anatomy) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

158. Increase of seats in MD(General Medicine) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (27/11/2013) on the physical and other teaching facilities available at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (27/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at Father Mullers Institute of Medical Education and Research, Mangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 8(Eight) to 11(Eleven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be

advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

159. Increase of seats in MS(General Surgery) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (11/12/2013) on the physical and other teaching facilities available at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (11/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(General Surgery) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 4(Four) to 7(Seven) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

160. Increase of seats in MS(ENT) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (11/12/2013) on the physical and other teaching facilities available at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (11/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(ENT) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

161. Increase of seats in MD(Radio-Diagnosis) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (13/12/2013) on the physical and other teaching facilities available at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (13/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio-Diagnosis) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences,

Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 3(Three) to 6(Six) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

Regarding, Radiological safety measures a letter dated 30/03/2004 from Bhabha Atomic Research Centre, Radiological Physics & Advisory Division, Mumbai is enclosed but no latest documentary proof of AERB approval is available.

162. Increase of seats in MS(Orthopaedics) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (11/12/2013) on the physical and other teaching facilities available at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (11/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Operative workload is less. (Major: 2-3, Minor: 4-6)
2. Indoor bed occupancy appears to be 50-60 %.
3. Publications from the department in indexed journals are less.
4. Other deficiencies as pointed out in the assessment report.

163. Increase of seats in MD(General Medicine) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (12/12/2013) on the physical and other teaching facilities available at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (12/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(General Medicine) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Though total number of teachers are 21, only 9 of them are working full time. Remaining teachers are employed on low consolidated salary and are in private practice.
2. Overall patient load is low and average indoor admission in a medical unit is 122 – 130 cases a month only.
3. Other deficiencies as pointed out in the assessment report.

164. Increase of seats in MD(DVL) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (11/12/2013) on the physical and other teaching facilities available at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (11/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(DVL) course at GSL Medical College, Rajahmundry (A.P.) under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

165. Starting of MS(General Surgery) course at Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (30/12/2013) on the physical and other teaching facilities available at Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot for Starting of MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (30/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS(General Surgery) course at Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

166. Starting of MD(Radio-Diagnosis) course at Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (30/12/2013) on the physical and other teaching facilities available at Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot for Starting of MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (30/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Radio-Diagnosis) course at Gian Sagar Medical College & Hospital, Patiala under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Shortage of Senior Resident: 2.
2. Conventional / DSA angiography not available.
3. Other deficiencies as pointed out in the assessment report.

167. Starting of MD(Emergency Medicine) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat for Starting of MD(Emergency Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Emergency Medicine) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2 (Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

Attention of the college authorities is however invited to the observations of the Assessors in the assessment report.

168. Increase of seats in MD(Radio-Diagnosis) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio-Diagnosis) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

169. Increase of seats in MD(Physiology) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat for Increase of seats in MD(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Physiology) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from

1(One) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

170. Increase of seats in MD(Pharmacology) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat for Increase of seats in MD(Pharmacology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Pharmacology) course at Govt. Medical College, Surat under Veer Narmad South Gujarat University, Surat u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

171. Starting of MD(Anatomy) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MD(Anatomy) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Anatomy) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 4 (Four) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

172. Starting of MD(Physiology) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (05/12/2013) on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MD(Physiology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (05/12/2013) and decided to recommend to the Central Govt. to issue Letter of

Permission for Starting of MD(Physiology) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 4 (Four) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

173. Starting of MS(OBG) course at Guru Govind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Guru Govind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot for Starting of MS(OBG) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(OBG) course at Guru Govind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily OPD is 69.
2. Only 1 journal is available at present which is inadequate.
3. Partograph is not maintained for all cases of delivery.
4. There should be bedside teaching corner in Antenatal & Gynaecological ward.
5. Other deficiencies as pointed out in the assessment report.

174. Starting of MD(Radio-Diagnosis) course at Guru Govind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/11/2013) on the physical and other teaching facilities available at Guru Govind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot for Starting of MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (08/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Radio-Diagnosis) course at Guru Govind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Shortage of faculty: (a) Asso. Prof.: 1.
2. Shortage of Senior Residents: 5.
3. Departmental museum is not available.
4. Conventional / DSA angiography is under installation and non-functional.
5. Other deficiencies as pointed out in the assessment report.

Separate data are not available and directed the Section to obtain the same and thereafter place the matter before the Committee.

192. Increase of seats in MD(General Medicine) course at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(General Medicine) course at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 6(Six) to 12(Twelve) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

193. Increase of seats in MD(Radio-Diagnosis) course at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28/11/2013) on the physical and other teaching facilities available at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio-Diagnosis) course at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 2(Two) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

194. Increase of seats in MS(General Surgery) course at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (09/12/2013) on the physical and other teaching facilities available at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (09/12/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(General Surgery) course at K.S. Hegde Medical Academy, Mangalore, Karnataka under Nitte University(Deemed to be University), Manglore, karnataka u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 6(Six) to 12(Twelve) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

195. Increase of seats in MD(Pathology) course at Kasturba Medical College, Manipal under Manipal University, Karnataka u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28/11/2013) on the physical and other teaching facilities available at Kasturba Medical College, Manipal under Manipal University, Karnataka for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28/11/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at Kasturba Medical College, Manipal under Manipal University, Karnataka u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Average daily histopathological workload decreased from 57 in 2010 to 52 in 2011 and increased marginally in 2012 to 60.
2. Pathological post-mortems are not performed on adults & children.
3. Clinical workload is low.
4. Other deficiencies as pointed out in the assessment report.

196. Increase of seats in MS(Orthopaedics) course at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (20/11/2013) on the physical and other teaching facilities available at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (20/11/2013) and decided to defer the matter for want of clarification on number of units & faculty.

197. Increase of seats in MD(Radio-Diagnosis) course at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (28/11/2013) on the physical and other teaching facilities available at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (28/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD(Radio-Diagnosis) course at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 1(One) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

198. Increase of seats in MS(General Surgery) course at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (20/11/2013) on the physical and other teaching facilities available at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (20/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MS(General Surgery) course at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-2015 from 5(Five) to 10(Ten) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for

the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

199. Increase of seats in MS(Ophthalmology) course at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/12/2013) on the physical and other teaching facilities available at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered the Council Assessor's report (06/12/2013) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Ophthalmology) course at Kurnool Medical College, Kurnool under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Total number of major surgeries has decreased consistently over the last three years.
2. Other deficiencies as pointed out in the assessment report.

200. Starting of MD(Pathology) course at L.N. Medical College & J.K. Hospital, Bhopal, Madhya Pradesh under Barkatullah University Bhopal u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (20/11/2013) on the physical and other teaching facilities available at L.N. Medical College & J.K. Hospital, Bhopal, Madhya Pradesh under Barkatullah University Bhopal for Starting of MD(Pathology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 13/06/2013 passed by the Hon'ble High Court of Madhya Pradesh along with the Council Assessor's report (20/11/2013) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Pathology) course at L.N. Medical College & J.K. Hospital, Bhopal, Madhya Pradesh under Barkatullah University Bhopal u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 5(Five) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

Attention of the college authorities is however invited to the observations of the Assessors in the assessment report.

201. Starting of MS(General Surgery) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MS(General Surgery) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (03/01/2014) and decided to recommend to the Central Govt. to issue Letter of

Permission for Starting of MS(General Surgery) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 7(Seven) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

202. Starting of MD(Paediatrics) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MD(Paediatrics) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (03/01/2014) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(Paediatrics) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 4(Four) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

203. Starting of MS(Ophthalmology) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MS(Ophthalmology) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (03/01/2014) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS(Ophthalmology) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

204. Starting of MS(ENT) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MS(ENT) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (07/01/2014) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MS(ENT) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

205. Starting of MD(General Medicine) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (07/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MD(General Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (07/01/2014) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(General Medicine) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 7(Seven) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

206. Starting of MD(TB & Respiratory Medicine) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MD(TB & Respiratory Medicine) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (06/01/2014) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(TB & Respiratory Medicine) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

207. Starting of MD(DVL) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (06/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MD(DVL) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (06/01/2014) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD(DVL) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2014-15 restricting the number of admission to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

208. Starting of MD(Radio-Diagnosis) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (03/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956.

The Postgraduate Committee considered order dated 18/10/2013 of the Hon'ble Supreme Court of India along with the Council Assessor's report (03/01/2014) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(Radio-Diagnosis) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956 because of the following reasons:-

1. Postgraduate degree of Dr. GopalDhoot, Professor & HOD is not recognized. Hence, report not processed further.
2. Other deficiencies as pointed out in the assessment report.

209. Starting of MS(OBG) course at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore u/s 10A of the IMC Act, 1956.

Read: the Council Assessor's report (08/01/2014) on the physical and other teaching facilities available at Index Medical College, Hospital & Research Centre, Indore, Madhra Pradesh under Devi Ahilya Vishwavidhyalaya, Indore for Starting of MS(OBG) course u/s 10A of the IMC Act, 1956.

217. A.P. Singh University – Recognition of M.D.(Anaesthesia) & D.A. qualifications at S.S. Medical College, Rewa.

Read: the matter with regard to recognition of M.D. (Anaesthesia) & D.A. qualifications at S.S. Medical College, Rewa under A.P. Singh University.

The Postgraduate Committee considered the matter along with the Order dated 19/08/2013 passed by the Hon'ble High Court of Madhya Pradesh. The operative part of the Order is reproduced below:

"... the petitions are disposed of with a direction to the Medical Council of India to now proceed further in the process of granting recognition to M.D. (Anesthesia) and D.A. courses conducted by the S.S. Medical College, Rewa, for which degrees are issued by the A.P.S. University, Rewa, as expeditiously as possible and while doing so it shall also consider the issue of granting retrospective recognition to the said courses/ degrees from the date of their inception from 16.5.1989. The aforesaid exercise may be completed by the respondent Medical Council of India as early as possible preferably within a period of three months in accordance with law."

In view of above, the Committee decided that for retrospective recognition, college be inspected at the earliest.

218. Eligibility qualification for admission in DM (Neurology) by the holders of MD (Psychiatry).

Read: the matter with regard to Eligibility qualification for admission in DM (Neurology) by the holders of MD (Psychiatry).

The Postgraduate Committee considered the matter and decided to refer the matter to the Academic Council for urgent consideration in view of report of

sub-committee and Order dated 04/02/2013 passed by the Hon'ble High Court of Punjab & Haryana at Chandigarh. Academic Council may consider consulting Neurologists Association in this regard.
