Read: the assessment report (May, 2013) on the standard of examination and other teaching facilities for Recognition of MD(Biochemistry) qualification at Dr Vaishampayan Memorial Medical College, Solapur granted by Maharashtra University of Health Sciences, Nashik

The Postgraduate Committee considered the Council assessor's report (May, 2013) and decided to recommend not to recognize MD(Biochemistry) qualification granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr Vaishampayan Memorial Medical College, Solapur because of the followings:-

1. Central research laboratory is not available.
2. Deficiency of faculty: (a) Tutor: 1.
3. Blood component separation facility is under process.
4. Blood gas analysis facility is not available.
5. No hormone sis (Thyroid Hormones etc.) is being done
6. More than 50% faculty is non-medical.
7. Other deficiencies pointed out in the assessment report.

111. Maharashtra University of Health Sciences, Nashik - Recognition of MD(Social & Preventive Medicine / Community Medicine) qualification against increased intake from 03(Three) to 04(Four) seats at Dr Vaishampayan Memorial Medical College, Solapur.

The Postgraduate Committee considered the Council assessor's report (May, 2013) and decided to recommend not to recognize MD(Social & Preventive Medicine / Community Medicine) qualification against increased intake from 03(Three) to 04(Four) seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr Vaishampayan Memorial Medical College, Solapur because of the followings:-

1. RHTC is not as per norms. It is a single storey structure, poorly maintained, having 4 small rooms of total area 90 Sq.m. Nothing else is there in terms of interns' hostels, mess facility, seminar room, residences, etc.
2. No transport facility is provided. Current logbook of the vehicle showed only 3 visits to RHTC in last 4 months; rest of the times the vehicle was in use at college HQ only.
3. Personnel shown as staff at RHTC as claimed by the college is not correct. In reality, it is manned by 3 persons only - 1 M.O., 1 Technician & 1 Sweeper as evident from the attendance register. Authorities vainly tried to cheat the assessor by pasting original pages of attendance of May 2013 up to 22nd May 2013 and marking new attendance on next page for the whole month with 11 persons working there. Names of students (non-resident) going there thrice weekly were also changed.
4. Service component at UHC is very poor as it provides service to about only 15 - 20 patients daily and service facilities are in very rudimentary stage. There was no evidence of any test being done at the so called "laboratory". The building is old, waiting demolition.
5. Central research laboratory is not available.
6. Blood component separation facility is under process.
7. Other deficiencies pointed out in the assessment report.
