18. Dr. N.T.R. University of Health Sciences, Vijaywada. A.P - Recognition of MD(Pathology) qualification for 02 seats in respect of students being trained at Medicity Institute of Medical Sciences, Ghanpur.

Read: the Council Assessor's Report (November, 2014) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification for 02 seats at Medicity Institute of Medical Sciences, Ghanpur granted by Dr. N.T.R. University of Health Sciences, Vijaywada. A.P.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (November, 2014) and decided to recommend not to recognize MD(Pathology) qualification for 02 seats granted by Dr. N.T.R. University of Health Sciences, Vijaywada. A.P in respect of students being trained at Medicity Institute of Medical Sciences, Ghanpur because of the following facts:-

1. There is no attendance Register maintained in the department for any staff. Assessor was told that there is a common Register in Principal's office, which was not shown to him even on repeated requests.
2. Pathology staff list for posting to different sections is not maintained.
3. Museum has only 131 specimens, which are haphazardly arranged with lot of dust. Many specimens did not have label. They are not arranged systemwise. E.g. specimen of Spleen is kept in male genital system,

Hydatid cyst in soft tissue tumour, Thyroid in female genital system, Hydronephrosis in female genital system, etc. There are no catalogues. No Faculty is given charge of museum.

4. Histopathology: For 2014, 3969 specimens are recorded; but on checking Registers, it was observed that many in between numbers were missing throughout. E.g. the order of request is 2494 -> 2505, 2506, 2507, 2508->2518 -> 2520 ->2542-> 2544, 2545 -> 2554 -> 2556 -> 2558 -> 2560, 2561 -> 2566 -> 2568 -> 2590, 2591, 2592, 2593 -> 2601. Many of these requests had similar handwriting. When slides and blocks were checked randomly for reports, many were missing.
5. Cytology: Cytology Register had entries but no clinicians' requests were found. All PAP reports entered in a single line without any description. When asked for slides, very few were available.
6. Haematology: Workload is not what is shown. There are no requests from clinicians, even for Haemograms, No reports maintained in the department except for a common Register where there is no detailed report, only abbreviations are written like N/N. Almost all the reports were N/N.
7. No Pathological Autopsy, including Perinatal, are performed. No Register is maintained.
8. Blood bank is not under Pathology. 93 blood Units are discarded, which is a big number. Only 580 Units – i.e. 1.5/day – were issued in a year.
9. PG Teaching programme: No PG posting list was shown. No separate Register for different teaching programmes is maintained. Most of the entries are freshly done without signature of HoD. Most of the entries are done by a single person at a stretch. Most of teaching programmes were attended by 1-2 Faculty; however, when Xerox copy was asked for, many staff signatures were added on the pages. List of discussion slides was not shown. There is no Seminar Register.
10. Facilities for Frozen Section & Immunohistochemistry are not available.
11. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

Assessor's Report (27-28/05/2014) and compliance dated 26/08/2014 submitted by the College Authorities and decided to recommend not to recognize MD(Social & Preventive Medicine/Community Medicine) qualification for 01 seat granted by C.S.J.M. University, Kanpur in respect of students being trained at U.P. Rural Institute of Medical Sciences & Research, Etawah because of the following facts:-

1. The contract of Dr. D.A. Dev, Professor & HoD, was going to expire on 06/12/2014 – i.e. only 2 days after assessment but no Professor was designated in the department to succeed him. He reported on day of assessment at 03:30 p.m. and therefore cannot be considered as Faculty.
2. Dr. N.P. Singh, Asst. Prof., Dr. Kuldeep Gupta, Demonstrator & Dr. Ruchi Yadav, 1 year PG reported only on second day of assessment and therefore cannot be considered as teachers / Resident.
3. Dr. Priyanka Rai, presented as LMO at UHC is actually a Senior Resident in O.B.G. but was presented as LMO in the department with no evidence, of any signature or her activity in the department.
4. Dr. Mamta Singh, presented as LMO is actually on strength of Saifai Hospital.
5. Resultantly, there is no LMO in the department. Deficiency remains as not corrected.
6. Dr. Aarati Yadav & Dr. Avanti Verma were 2 Residents who were signing in the Register but were transferred on 10/10/2014. Since then only 2 Residents were available. Two others, Dr. Saurabh Tiwari & Dr. Varun Agarwal joined the department as Demonstrator on 03/12/2014 (i.e. on the day of Assessment) at 3 p.m.; hence, they cannot be considered as teachers.
7. Resultantly, there is deficiency of Faculty: (a) Tutor: 3.
8. Public Health Nurse, Health Educator & Health Inspector are not available.
9. Hardly any Resident stays at RHTC.
10. No data or statistics pertaining to RHTC/UHC are available in the department. There is no record of posting of Residents to these centers.

Medical University, Chennai.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (Council Assessor's Report (24/11/2014)) along with the Council Assessor's Report (August, 2013) and decided to recommend not to recognize M.Ch.(Plastic Surgery) qualification against increased intake from 03 to 08 seats granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of

students being trained at Madras Medical College, Chennai because of the following facts:-

1. There are 2 Units but Faculty complement is incomplete.
2. There are no publications from the department in preceding 3 years.
3. Column of experience, has not been filled in SAF; hence, it is not possible to verify it and determine the eligibility of the Faculty.
4. No Resident was presented before assessor. Their D.F. were also not submitted.
5. Biomedical waste management system in the department as well as in the Hospital was in disarray. Yellow coloured bags were not available in the hospital. Staff was ignorant of the procedure of waste management.
6. Resuscitation equipment or crash cart were not available either in the wards or at Nursing station on any floor.
7. Bed occupancy was 50% on the day of Assessment.
8. Laboratory investigation workload is inadequate.
9. Dr. K. Gopalkrishnan, Professor in Unit 2 retired on 30/10/2014, i.e. before day of assessment – i.e. 24/11/2014. No replacement was presented to the Assessor.; resultantly Unit 2 has only 2 Faculty and is headed by Asst. Prof. and therefore cannot be considered as a teaching Unit at all.
10. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (01/12/2014) along with the Council Assessor's Report (August, 2013) and compliance dated 06/08/2014 submitted by the College Authorities and decided to recommend not to recognize M.Ch.(Plastic Surgery) qualification in respect of increased intake from 01 to 03 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Armed Forces Medical College, Pune because of the following facts:-

1. Average bed occupancy is 64%.
2. Details of Senior Residents are not given.
3. There is only 1 Unit with 64 beds, which is not as per the norms.
4. Promotion of Brig. Brijesh Chakraborty, Professor is not as per the Regulations. He has been Asst. Professor for 1 year 11 months and Assoc. Professor for 3 years 6 months, which is not as per the Regulations.
5. Promotion of Col. Alok Sharma, Professor & HoD is not as per the Regulations. He has been Asst. Professor for 11 months 13 days and Assoc. Professor for 2 years against the requirement of 2 years and 4 years respectively, which is not as per the Regulations. Hence, he cannot be considered as Professor.
6. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course. The seats were increased from 1 to 3 in 2010 and still not recognized.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (03/01/2015) along with the Council Assessor's Report (17/05/2014) and compliance dated 10/10/2014 submitted by the College Authorities and decided to recommend not to recognize MS(General Surgery) qualification granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of

students being trained at Shadan Institute of Medical Sciences, Research Centre and Teaching Hospital, Peerancheru, Hyderabad because of the following facts:-

1. Deficiency of Faculty: (a) Asso. Prof.: 1.
2. Shortage of Senior Residents: 9. Excess of Asst. Prof. cannot be considered against Senior Residents.
3. No stipend is paid to Residents. The plea of the Teaching Institute that it is as per G.O. of Andhra Pradesh cannot be accepted because no executive order of State Govt. can prevail over a statutory Regulation Notified in the Gazette of India by a Regulatory body created by an Act of Parliament.
4. Unit 5 & 6 have only 2 Faculty each; hence, they cannot be considered as PG Units.
5. Speciality clinics like Cardiovascular & Thoracic clinic & Surgical Oncology clinic are not existent.
6. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (27/11/2014) along with the Council Assessor's Report (May, 2011) and compliance dated 10/10/2014 submitted by the College Authorities and decided to recommend not to recognize MD(Forensic Medicine) qualification granted by Santosh University in respect of students being trained at Santosh Medical College, Ghaziabad because of the following facts:-

1. Medico legal work is not under the control of Professor & HoD.
2. New Mortuary building is under construction and yet to be made functional.
3. Stipend paid by the Teaching Institute to I/II/III year Residents is Rs. 14, 000 p.m.; Rs. 15, 000 p.m. & Rs. 16, 000 p.m. respectively, which is less than that paid by Govt. of U.P. to Residents and contrary to Section 1393) of PG Medical Education Regulations, 2000, as amended.
4. Workload of various medico legal activities like examination for sexual offence,s, age estimation is NIL.
5. It is not clear where the postmortems are conducted and by whom they are conducted.
6. Academic parameters like Journal Club (12 in number), Group Discussions (12 in number) are inadequate.
7. College got LoP on 15/07/2005. However, Dr. V.K. Chokar, Professor has been given experience, from March, 2004, which is not permissible. After deducting period of experience, prior to first LoP, his promotion from Asst. Professor to Assoc. Professor is not as per the Regulations. He has

been Asst. Professor for 3 years 10 months as against the requirement of 5 years. His promotion from Assoc. Professor to Professor is not as per the Regulations. He has been Assoc. Professor for 3 years 10 months against the requirement of 4 years.

8. Other deficiencies as pointed out in the Assessment Report.

The seats were permitted in the year 2007 and still not recognized. However, admission has been continued beyond the permitted period of 3 years.

In view of the above, the Postgraduate Medical Education Committee is of the considered opinion that the failure on the part of your Institution to timely rectify the deficiencies show that the standard of Postgraduate medical education is not maintained in your Institute and therefore, you are called upon to submit the reply as to why directions for stoppage of admissions in Postgraduate Courses (MD Forensic Medicine & Diploma in Forensic Medicine) be not issued from academic year 2015-2016.

The reply to this Show-Cause must reach to the office of the Council within a period of 15 days from the issue of the Notice failing which the Council may decide the matter on the basis of available material.

110. Rajasthan University of Health Sciences, Jaipur - Recognition of DM(Nephrology) qualification against increased intake from 02 to 04 seats in respect of students being trained at SMS Medical College, Jaipur.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (05/12/2014) along with the Council Assessor's Report (September, 2013) and compliance dated 19/04/2014 submitted by the College Authorities and decided to recommend to the Central Government that DM(Nephrology) qualification against increased intake from 02(Two) to 04(Four) seats granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at SMS Medical College, Jaipur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon, which the Teaching Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Courses.

111. Santosh University - Recognition of MD(Pathology) & DCP qualification in respect of students being trained at Santosh Medical College, Ghaziabad.

Read: the Compliance Verification Assessment Report (27/11/2014) along with the Council Assessor's Report (May, 2011) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) & DCP qualification at Santosh Medical College, Ghaziabad granted by Santosh University.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (27/11/2014) along with the Council Assessor's Report

(May, 2011) and decided to recommend not to recognize MD(Pathology) & DCP qualification granted by Santosh University in respect of students being trained at Santosh Medical College, Ghaziabad because of the following facts:-

1. Stipend paid by the Teaching Institute to I/II/III year Residents is Rs. 14, 000 p.m.; Rs. 15, 000 p.m. & Rs. 16, 000 p.m. respectively, which is less than that paid by Govt. of U.P. to Residents and contrary to Section 13(3) of PG Medical Education Regulations, 2000 as amended.
2. Investigation workload continues to remain inadequate. Deficiency remains as not corrected.
3. Average daily consumption of blood Units for the whole hospital is only 6 Units, which is inadequate. Data of blood Units consumed given on Page 9 (3-5) and on Page 18 (6) do not match. Deficiency remains as not corrected.
4. No Pathological postmortems are performed.
5. Academic parameters like Journal Club (11 in number), Case presentation (only 6) are inadequate.
6. College got first LoP on 15/07/2005. Professor & HoD Dr. Jyotsna U. Madan has been given experience, from November, 1999, which is not permissible. After deducting the period prior to LoP, her promotion is not as per the Regulations. She has not been Asst. Professor at all.
7. Promotion of Dr. Prachi Kumar, Assoc. Professor is not as per Regulations. She has been Asst. Professor for 4 years 8 months against the requirement of 5 years. Hence, she cannot be considered as Assoc. Professor.
8. Other deficiencies as pointed out in the Assessment Report.

The seats were permitted in the year 2004 and they are still not recognized. However, admission has been continued beyond permissible limit of 3 years.

In view of the above, the Postgraduate Medical Education Committee is of the considered opinion that the failure on the part of your Institution to timely rectify the deficiencies show that the standard of Postgraduate medical education is not maintained in your Institute and therefore, you are called upon to submit the reply as to why directions for stoppage of admissions in Postgraduate Courses (MD Pathology & DCP) be not issued from academic year 2015-2016.

The reply to this Show-Cause must reach to the office of the Council within a period of 15 days from the issue of the Notice failing which the Council may decide the matter on the basis of available material.

The Postgraduate Medical Education Committee also decided to summon the Dean and Heads of Departments of Anaesthesia, Forensic Medicine and Pathology to hear their view point on the irregular experience given prior to the start of College.

112. The Tamil Nadu Dr. M.G.R. Medical University, Chennai - Recognition of M.Ch.(Surgical Gastroenterology/G.I. Surgery) qualification against increased intake from 02 to 06 seats in respect of students being trained at Madras Medical College, Chennai.

Read: the Compliance Verification Assessment Report (04/12/2014) along with the Council Assessor's Report (August, 2013) and compliance dated 31/05/2014 submitted by the College Authorities on the standard of examination and other teaching facilities for Recognition of M.Ch.(Surgical Gastroenterology/G.I. Surgery) qualification against increased intake from 02 to 06 seats at Madras Medical College, Chennai granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (04/12/2014) along with the Council Assessor's Report (August, 2013) and compliance dated 31/05/2014 submitted by the College Authorities and decided to recommend to the Central Government that M.Ch.(Surgical Gastroenterology / G.I. Surgery) qualification against increased intake from 02(Two) to 06(Six) seats granted by The Tamil Nadu Dr. M.G.R. Medical University, Chennai in respect of students being trained at Madras Medical College, Chennai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon, which the Teaching Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Courses.

113. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Social & Preventive Medicine / Community Medicine) qualification for 02 seats in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere.

Read: the Compliance Verification Assessment Report (2nd & 3rd January, 2015) along with the Council Assessor's Report (June, 2014) and compliance dated 27/10/2014 submitted by the College Authorities on the standard of examination and other teaching facilities for Recognition of MD(Social & Preventive Medicine / Community Medicine) qualification for 02 seats at S S Institute of Medical Sciences& Research Centre, Davangere granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (2nd & 3rd January, 2015) along with the Council Assessor's Report (June, 2014) and compliance dated 27/10/2014 submitted by the College Authorities and decided to recommend not to recognize MD(Social & Preventive Medicine / Community Medicine) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere because of the following facts:-

1. With regard to Dr. B. Varada Raja Rao, Professor, there is discrepancy in the experience, shown by him in D.F. and that shown on MCI website.
2. With regard to Dr. P.V. Chavan, Professor, experience, shown as Tutor/Senior resident, it is nothing else but as PG student. The publications are in unIndexed Journals and cannot be considered. Hence, she cannot be considered as Professor.
3. Dr. A.R. Rachna joined on 01/01/2015, one day before assessment as Asst. Prof. but she presented herself as LMO. There was no evidence, or letter produced showing her as LMO. Even she herself was not aware whether she is Asst. Prof. or LMO.
4. Mr. Kengal P.R. was appointed as Statistician on 27/12/2014. His joining report is as "Senior Resident/Statistician". His D.F. also shows his designation as "Senior Resident/Statistician". So he cannot be considered as Lecturer cum Statistician.
5. A few OPDs like Psychiatry, Skin & VD, superspeciality OPDs were deserted. Casualty was deserted. Some wards were locked. Deficiency remains as not corrected.
6. First level OPD has commenced but as it is at the end of OPD complex, real purpose of first level OPD is not being served. Deficiency is partially rectified.

7. None of the Interns / Residents stays at RHTC.
8. So called "International" journals are actually Indian journals and most of them are not indexed.
9. There was discrepancy in the information provided by the institution in SAF regarding Central laboratory data and actual data verified in Radiodiagnosis, Microbiology, Pathology & Biochemistry.
10. Paramedical staff mentioned in RHTC & UHC in SAF were not available at respective places.
11. Details of Academic parameters like Theory classes are not given. Clinical Seminars (17 in number), Group Discussions (09 in number) are inadequate.
12. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course. Qualification against increased intake from 01 to 02 seats granted by Sri Siddhartha University, Tumkur in respect of students being trained at Sri Siddhartha Medical College, Tumkur because of the following facts:-

1. Bed occupancy is only 50% on the day of Assessment, which is inadequate.
2. There was only 1 Major & 2 Minor operations on the day of Assessment, which is grossly inadequate. OPD was 50 only on the day of Assessment.
3. Average daily consumption of blood in the department is shown as 13, which is not feasible. There is data mismatch.
4. As per Faculty Table, promotion of Assoc. Professor, Unit-I, Dr. Prasad M. is not as per the Regulations. He has been Asst. Professor for 2 years only against the requirement of 5 years.
5. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage

of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course. The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (17/10/2014) along with the Council Assessor's Report (April, 2013 and February, 2014) and compliance dated 17/04/2014 submitted by the College Authorities and decided to recommend not to recognize MS(Orthopaedics) qualifications against increased intake from 2(Two) to 3(Three) seats granted by Vinayaka Mission's University, Salem in respect of students being trained at Aarupadai Veedu Medical College & Hospital, Puducherry because of the following facts:-

1. Deficiency of Faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 1.
2. OPD Register entry on 25/02/2014 shows more than 50% patients having fractures without any correlating entry in Radiology Register, Admission Register, MLC & Casualty entries. It seems only 5% were actually having fractures.
3. Out of 48 admitted patients, only 6 patients were genuinely required to be kept in the wards.
4. Equipment for Arthroplasty not purchased. It is procured on loan basis at the time of operation, which is not as per the norms. Deficiency remains as not corrected.
5. Plaster room has only 1 set of plaster cutter with some readymade plaster bandages while the Register is showing average number of plasters as 7. Deficiency remains as not corrected.
6. There is no publication from the department. Deficiency remains as not corrected.
7. Professor & HoD's office is not as per the norms. Deficiency remains as not corrected.

8. With regard to museum, only 5 wet mounted specimens were found on a table. Deficiency remains as not corrected.
9. Unit II has only 2 Faculty & is headed by Asst. Prof.; hence, it cannot be considered as a teaching Unit at all.
10. Shortage of Senior Resident: 1.
11. Daily average of Major operations is only 3, which is just adequate to start the PG course.
12. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee is of the considered opinion that the failure on the part of your Institution to timely rectify the deficiencies show that the standard of Postgraduate medical education is not maintained in your Institute and therefore, you are called upon to submit the reply as to why directions for stoppage of admissions in Postgraduate Courses (MS Orthopaedics) be not issued from academic year 2015-2016.

The reply to this Show-Cause must reach to the office of the Council within a period of 15 days from the issue of the Notice failing which the Council may decide the matter on the basis of available material.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2014) and decided to recommend not to recognize MS(Ophthalmology) qualification against increased intake from 07 to 11 seats granted by University of Delhi, Delhi in respect of students being trained at Maulana Azad Medical College, New Delhi because of the following facts:-

1. No new books have been added in departmental library in preceding 3 years.
2. Majority of D.F. were incomplete. No original documents were shown by any Faculty despite being asked to do so. Hence, details could not be verified.
3. Details of Examiners were not provided.
4. Books & Journals at Central Library were not shown.
5. Hostel facilities were not shown.
6. No log books are maintained by PGs.
7. At least 1 External Examiner was from the same State – i.e. Delhi, which is contrary to Regulations.

8. MRD was semi computerized - not fully computerized.
9. Promotion of the following Professors is not as per the Regulations:
 - a. Dr. Minakshi Thakker - Asst. Professor for 2 years 6 months, as against the requirement of 5 years.
 - b. Dr. Ruchi Goel – Asst. Professor for 2 years, as against the requirement of 5 years.
 - c. Dr. Punita Kumar – Asst. Professor for 2 years against the requirement of 5 years.
 - d. Dr. Subhash Dadeja – Asst. Professor for 2 years, as against the requirement of 5 years.
10. Consequently, there are 10 Faculty left in 4 Units for, which there is a requirement of 12 Faculty.
11. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. Read: the Council Assessor's Report (April, 2014) on the standard of examination and other teaching facilities for Recognition of MD(Pharmacology) qualification against increased intake from 02 to 03 seats at Maulana Azad Medical College, New Delhi granted by University of Delhi, Delhi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2014) and decided to recommend not to recognize MD(Pharmacology) qualification against increased intake from 02 to 03 seats granted by University of Delhi, Delhi in respect of students being trained at Maulana Azad Medical College, New Delhi because of the following facts:-

1. Deficiency of Faculty: (a) Asso. Prof.: 3.
2. Academic parameters like Journal Club (18 in number), Group Discussions (17 in number) are inadequate.
3. One external examiner is from the same State – i.e. Delhi, which is contrary to Regulations.
4. Promotion of Dr. Vandana Rai, Professor is not as per the Regulations. She has been Asst. Professor for 3 years 9 months, as against the requirement of 5 years.
5. Promotion of Dr. Shalini Chawla, Professor is not as per the Regulations. She has been Asst. Professor for 2 years, as against the requirement of 5 years.
6. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

140. University of Delhi, Delhi - Recognition of MD(Paediatrics) qualification against increased intake from 09 to 15 seats in respect of students being trained at Maulana Azad Medical College, New Delhi.

Read: the Council Assessor's Report (April, 2014) on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 09 to 15 seats at Maulana Azad Medical College, New Delhi granted by University of Delhi, Delhi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2014) and decided to recommend not to recognize MD(Paediatrics) qualification against increased intake from 09 to 15 seats granted by University of Delhi, Delhi in respect of students being trained at Maulana Azad Medical College, New Delhi because of the following facts:-

1. Promotion of Dr. M. Manmohan, Assoc. Professor, Unit-II is not as per the Regulations. He has been Asst. Professor for 3 year 4 months, as against the requirement of 5 years. Consequently, there are only 2 Faculty in Unit-II, which cannot be considered as a P.G Teaching Unit.
2. Promotion of Dr. Rajeshwari, Professor is not as per the Regulations. She has been Asst. Professor for 2 years, as against the requirement of 5 years.

3. Promotion of Dr. D. Mishra, Assoc. Professor is not as per the Regulations. He has been Asst. Professor for 4 years 5 months, as against the requirement of 5 years. Consequently, Faculty complement is not complete in Unit-I.
4. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

141. University of Delhi, Delhi - Recognition of MD(Anaesthesiology) qualification against increased intake from 06 to 10 seats in respect of students being trained at Maulana Azad Medical College, New Delhi.

Read: the Council Assessor's Report (April, 2014) on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesiology) qualification against increased intake from 06 to 10 seats at Maulana Azad Medical College, New Delhi granted by University of Delhi, Delhi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2014) and decided to recommend not to recognize MD(Anaesthesiology) qualification against increased intake from 06 to 10 seats granted by University of Delhi, Delhi in respect of students being trained at Maulana Azad Medical College, New Delhi because of the following facts:-

1. Only the names of External Examiners are given. Further details like experience, place of working, etc. are not available.
2. Details of Senior Residents are not provided in faculty table.
3. There is a deficiency of Senior Residents: 15
4. The Faculty table mentions designations as below:
 - a. Professor / Reader
 - b. Assoc. Professor / Lecturer
 There cannot be any such designation because Professor is higher than Reader and Assoc. Professor is higher than Lecturer.
5. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

The Postgraduate Medical Education Committee further decided to write to the Assessor for giving Report contrary to the facts.

142. Recognition of Post Graduate Medical degree/diploma of Father Muller Institute of Medical Education and Research (FMIMER) under Mangalore University by Medical Council of India in the first schedule of IMC Act, 1956 – Reg.

Read: the letter dated 17/12/2014 received from the Central Government, Ministry of Health & Family Welfare, New Delhi forwarding therewith the representation of the Registrar, Mangalore University, Mangalore with regard to recognition of PG Medical Degree/ Diploma of Father Muller Medical College, Mangalore under Mangalore University by the Medical Council of India in the 1st Schedule of the IMC Act, 1956.

The Postgraduate Medical Education Committee considered the letter dated 17/12/2014 received from the Central Government, Ministry of Health & Family Welfare, New Delhi forwarding therewith the representation of the Registrar, Mangalore University, Mangalore with regard to recognition of PG Medical Degree/ Diploma of Father Muller Medical College, Mangalore under Mangalore University by the Medical Council of India in the 1st Schedule of the IMC Act, 1956 and a Sub-Committee of the following members was constituted, which should go into the details and submit their recommendations:

1. Dr. Datteswar Hota
2. Dr. Putta Srinivas
3. Dr. Silvano CA Dias Sapeco
4. Law Officer to be co-opted as Member

143. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of DLO qualification for 01 seat in respect of students being trained at Narayana Medical College, Nellore.

Read: the Council Assessor's Report (May, 2011) on the standard of examination and other teaching facilities for Recognition of DLO qualification for 01 seat at Narayana Medical College, Nellore granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2011) and decided that the College Authorities may be asked:

1. Why Recognition assessment was not done when first batch of Diploma appeared in 2008-09.
2. How could Students of 3 years attend practical Viva-Voce examination in 2011.
3. There are 2 SAF attached but none of them have Part-III of SAF.

The Committee further decided to summon the Dean to clarify the details along with supporting documents.

144. University of Delhi, Delhi - Recognition of MD(Bio Chemistry) qualification against increased intake from 01 to 02 seats in respect of students being trained at University College of Medical Sciences & GTB Hospital, Delhi.

Read: the Council Assessor's Report (April, 2014) on the standard of examination and other teaching facilities for Recognition of MD(Bio Chemistry) qualification against increased intake from 01 to 02 seats at University College of Medical Sciences & GTB Hospital, Delhi granted by University of Delhi, Delhi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2014) and decided to recommend to the Central Government that MD(Bio Chemistry) qualification against increased intake from 01(One) to 02(Two) seats granted by University of Delhi, Delhi in respect of students being trained at University College of Medical Sciences & GTB Hospital, Delhi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon, which the Teaching Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Courses.

145. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Anaesthesia) qualification against increased intake from 04 to 06 seats in respect of students being trained at Vydehi Institute Of Medical Sciences & Research Centre, Bangalore.

Read: the Council Assessor's Report (June, 2014) on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesia) qualification against increased intake from 04 to 06 seats at Vydehi Institute Of Medical Sciences & Research Centre, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28/08/2014) for Increase of seats from 7 to 10 at its meeting held on 27/10/2014 and decided not to recommend for increase of seats because of the following deficiencies:

1. There are no Senior Residents by designation. 5 persons are working as Sr. Tutors. 13 names shown at Sr. No. 14, 19 and 21 to 32 in the attendance sheet as Sr. tutors were absent in morning at the time of head count but 4 out of them reported at around 4 p.m. Form 16 for Tutors was not given; rather denied. No TDS or PF deduction details were available. Whether they are paid salary or the Income Tax was deducted could not be verified.
2. Books in the library are limited on the pretext that online books are available, which is not as per the norms.
3. No ICU is independently available with Anaesthesia department.
4. Labour room was empty at time of assessment.
5. No technician was seen in the department.
6. There is only 1 publications from the department in Indexed Journals in preceding 5 years.
7. Shortage of Senior Residents: 10.

Since, Recognition of 4 to 6 seats was also considered in the same meeting, the above deficiencies will apply to Recognition as well. Hence, they cannot be recognized.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014) and decided to recommend not to recognize MD(Anaesthesiology) qualification against increased intake from 04 to 06 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Vydehi Institute of Medical Sciences & Research Centre, Bangalore because of the above mentioned facts and the following facts observed in the Council Assessor's Report (June, 2014):

1. Out of 20 Senior Residents, 5 are getting their stipend through bank account while the rest 15 did not produce the bank statement showing the deposit of their stipend.
2. No information provided about the stipend paid to PG students.
3. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

146. NIMS University (Deemed University), Jaipur - Recognition of MS(Ophthalmology in respect of students being trained at National Institute of Medical Science, & Research, Jaipur.

Read: the Council Assessor's Report (May, 2014) on the standard of examination and other teaching facilities for Recognition of MS(Ophthalmology at National Institute of Medical Science, & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2014) and decided to recommend not to recognize MS(Ophthalmology granted by NIMS University (Deemed University), Jaipur in respect of students being trained at National Institute of Medical Science, & Research, Jaipur because of the following facts:-

1. As per Postgraduate Medical Education Regulations, 2000; sub-clause 13.3; Amendment dated 20/10/2008, Postgraduate Degree/ Diploma/ Super-Speciality course students will be paid stipend at par with the stipend being paid to the Postgraduate students of State Government Medical Institutions/ Central Government Medical Institutions in the State/ Union Territory, where the Teaching Institution be located. However, the Institution has not supplied information about stipend despite asking for the same.
2. Total number of major surgeries has decreased from 6, 767 in 2012 to 4, 357 in 2013.
3. Total number of minor surgeries has decreased from 5, 034 in 2012 to 3, 600 in 2013.
4. The College is running DNB course simultaneously, which is not permissible.

With regard to NBE trainees, the explanation of the Teaching Institute that NBE allotted seats on the basis of surplus Faculty, infrastructure and clinical material in the subjects for, which MCI did not grant appropriate number of seats as per their own MCI norms and Gazette notification is not acceptable as NBE could not have allotted the seats/candidates unless the Teaching Institute would have informed NBE about the same. Further this is in contravention to the Proviso to Section 12 of PG Medical Education Regulations, 2000, which being a Statutory Regulation is mandatory and binding upon all authorities, including Government of India and, which reads as under:

“12 ...

Provided that against the very same Units, teaching personnel and infrastructure, no other postgraduate courses under any other streams like National Board of Examinations, College of Physicians & Surgeons etc. are permitted.

.... “

It also cannot be accepted that the Teaching Institute is training students for DNB and still claims that it is not accredited for DNB course by National Board of Examinations. It also cannot be accepted that the Teaching Institute is just a training center for giving training to DNB students.

It is also pertinent to note that the very letter dt. 30/06/2014 issued by Govt. of India states that “Minutes of EC and GB of the Council cannot overrule the provisions of Regulations, which are Notified in the Gazette of India with prior approval of the Government of India” is squarely applicable in the instant case also, as the Regulation 12 is a Statutory Regulation Notified in the Gazette of India after prior approval of the Government of India and therefore is binding upon all.

5. Following are the remarks in Orthopaedics report about the Institution:

- a) There are 8 D.N.B. (Orthopaedics) students Registered under this Teaching Institute, including 6 shown as Residents. This information was totally hidden and even on specifically asking, the Principal refused to provide any information & told that there was none.
- b) 20 – 30% in male ward (of 45 beds) & more than 60% of the patients in female ward were dummy patients of knee pain, back pain, which did not merit admission.
- c) OPD attendance shown in their reports & Registers seem inflated. On the day of Assessment, there were about 100 patients in OPD against claimed attendance of 280 - 300.
- d) O.T. & Surgical load: Figures of Surgical load seem to be grossly inflated. In the O.T., which was supposed to be for spine and replacement Surgery, the O.T. Register records showed 28 patients operated in 2 weeks from 15/05/2014 to 28/05/2014. On specifically asked where are these patients kept postoperatively, it was told “in ICU”. But none of the records of these patients were found in ICU & even none of these patients were found admitted in Orthopaedics wards. The O.T. was not functioning on the day of Assessment. This indicates total cooking up of data provided to the Assessor.

All the above indicates, grossly inadequate clinical material and many dummy patients.

6. Following are the remarks in Anaesthesia report about the Institution:

- a) Daily operative workload cannot be commented upon as the Register is fabricated.
- b) Entry of the equipment is not shown in Indent or any other Register. There was no marking or no. of NIMS on any of the equipment.
- c) Workload of ancillary facilities like Radiology, Biochemistry, Pathology Microbiology cannot be commented as the Registers appear fabricated as compared to the physical verification of IPD & OPD load on the day of Assessment.
- d) Blood bank Register appears fabricated.
- e) The following Faculty members cannot be considered because based on enquiry of whereabouts of the different areas of the hospital, it appears that they are not working in this Hospital:

#	Name	Designation
1	Dr. Vijendra Sharma	Professor
2	Dr. Salma Mashraqui	Professor
3	Dr. P.C. Sharma	Asst. Professor
4	Dr. Girish Chandra	Asst. Professor
5	Dr. Neena Tewari	Asst. Professor
6	Dr. Nitin Busar	Senior Resident
7	Dr. Vishnu Gupta	Senior Resident
8	Dr. Ajay Singh	Senior Resident
9	Dr. Dharmendra Carpenter	Senior Resident

- f) Emergency Ward / Casualty: It was empty on Surgical side. On Medical side, 3 patients were there, which were not emergency cases. Anaesthesia delivery system was not functioning. Crash cart was in pathetic condition.
- g) Medical ICU is managed by the Physician. There is no dedicated ICU team from the department of Anaesthesia.
- h) Occupancy in different wards on the day of Assessment was as under:

#	Ward	Beds		Remarks
		Total	Occupied	
1	Male Surgical	100	85	Majority had only minor ailment.
2	Orthopaedics	60	11	
3	Chest & Tb	30	10	
4	Psychiatry	30	3	
5	Paediatrics	90	10	
6	Medical	60	30	
7	Male Skin	40	0	
8	Male Medical	120	30	
9	Female	60	30	
	Total	590	209	i.e. 35.42%

- i) Occupancy in Labour Room was Zero on the day of Assessment.

All the above indicate grossly inadequate Clinical Material and non-genuine faculty.

7. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

147. NIMS University (Deemed University), Jaipur - Recognition of MS(Orthopaedics) in respect of students being trained at National Institute of Medical Science, & Research, Jaipur.

Read: the Council Assessor’s Report (June, 2014) on the standard of examination and other teaching facilities for Recognition of MS(Orthopaedics) at National Institute

of Medical Science, & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014) and noted that the Postgraduate Medical Education Committee has already considered this item on 12/08/2014 and the decision has already been communicated to the College Authorities vide letter dated 06/09/2014. No further action is required.

148. NIMS University (Deemed University), Jaipur - Recognition of MS(ENT) in respect of students being trained at National Institute of Medical Science, & Research, Jaipur.

Read: the Council Assessor's Report (May, 2014) on the standard of examination and other teaching facilities for Recognition of MS(ENT) at National Institute of Medical Science, & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2014) and decided to recommend not to recognize MS(ENT) granted by NIMS University (Deemed University), Jaipur in respect of students being trained at National Institute of Medical Science, & Research, Jaipur because of the following facts:-

1. However, the Institution has not supplied information about stipend despite asking for the same.
2. Total number of major Surgeries has decreased from 2, 762 in 2012 to 1, 715 in 2013.
3. Total number of minor Surgeries has decreased from 2, 408 in 2012 to 1, 725 in 2013.
4. The College is running DNB course simultaneously, which is not permissible.

- f) Emergency Ward / Casualty: It was empty on Surgical side. On Medical side, 3 patients were there, which were not emergency cases. Anaesthesia delivery system was not functioning. Crash cart was in pathetic condition.
- g) Medical ICU is managed by the Physician. There is no dedicated ICU team from the department of Anaesthesia.
- h) Occupancy in different wards on the day of Assessment was as under:

#	Ward	Beds		Remarks
		Total	Occupied	
1	Male Surgical	100	85	Majority had only minor ailment.
2	Orthopaedics	60	11	
3	Chest & Tb	30	10	
4	Psychiatry	30	3	
5	Paediatrics	90	10	
6	Medical	60	30	
7	Male Skin	40	0	
8	Male Medical	120	30	
9	Female	60	30	
	Total	590	209	i.e. 35.42%

- i) Occupancy in Labour Room was Zero on the day of Assessment.

All the above indicate grossly inadequate Clinical Material and non-genuine faculty.

7. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

149. NIMS University (Deemed University), Jaipur - Recognition of MS(OBG) in respect of students being trained at National Institute of Medical Science, & Research, Jaipur.

Read: the Council Assessor's Report (June, 2014) on the standard of examination and other teaching facilities for Recognition of MS(OBG) at National Institute of Medical Science, & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014) and decided to recommend not to recognize MS(OBG) granted by NIMS University (Deemed University), Jaipur in respect of students being

trained at National Institute of Medical Science, & Research, Jaipur because of the following facts:-

1. As per Postgraduate Medical Education Regulations, 2000; sub-clause 13.3; Amendment dated 20/10/2008, Postgraduate Degree/ Diploma/ Super-Speciality course students will be paid stipend at par with the stipend being paid to the Postgraduate students of State Government Medical Institutions/ Central Government Medical Institutions in the State/ Union Territory, where the Teaching Institution be located. However, the Institution has not supplied information about stipend despite asking for the same.
2. Total number of major Surgeries has decreased from 4, 957 in 2012 to 3, 884 in 2013.
3. Total number of minor Surgeries has decreased from 3, 648 in 2012 to 3, 199 in 2013.
4. College got first LoP on 13/02/2004. Experience, given to Dr. Sudha Mathur, Professor is from 01/09/2001, which is not permissible.
5. Promotion of Dr. Neeru Sharma, Professor is not as per the Regulations. She has been Asst. Professor for 4 years 2 months against the requirement of 5 years.
6. The College is running DNB course simultaneously, which is not permissible.

With regard to NBE trainees, the explanation of the Teaching Institute that NBE allotted seats on the basis of surplus Faculty, infrastructure and clinical material in the subjects for, which MCI did not grant appropriate number of seats as per their own MCI norms and Gazette notification is not acceptable as NBE could not have allotted the seats/candidates unless the Teaching Institute would have informed NBE about the same. Further this is in contravention to the Proviso to Section 12 of PG Medical Education Regulations, 2000, which being a Statutory Regulation is mandatory and binding upon all authorities, including Government of India and, which reads as under:

“12 ...

Provided that against the very same Units, teaching personnel and infrastructure, no other postgraduate courses under any other streams like National Board of Examinations, College of Physicians & Surgeons etc. are permitted.

.... “

It also cannot be accepted that the Teaching Institute is training students for DNB and still claims that it is not accredited for DNB course by National Board of Examinations. It also cannot be accepted that the Teaching Institute is just a training center for giving training to DNB students.

It is also pertinent to note that the very letter dt. 30/06/2014 issued by Govt. of India states that “Minutes of EC and GB of the Council cannot overrule the provisions of Regulations, which are Notified in the Gazette of India with prior approval of the Government of India” is squarely applicable in the instant case also, as the Regulation 12 is a Statutory Regulation Notified in the Gazette of India after prior approval of the Government of India and therefore is binding upon all.

7. Following are the remarks in Orthopaedics report about the Institution:
 - a) There are 8 D.N.B. (Orthopaedics) students Registered under this Teaching Institute, including 6 shown as Residents. This information was

totally suppressed and even on specifically asking, the Principal refused to provide any information & told that there was none.

- b) 20 – 30% in male ward (of 45 beds) & more than 60% of the patients in female ward were dummy patients of knee pain, back pain, which did not merit admission.
- c) OPD attendance shown in their reports & Registers seem inflated. On the day of Assessment, there were about 100 patients in OPD against claimed attendance of 280 - 300.
- d) O.T. & Surgical load: Figures of Surgical load seem to be grossly inflated. In the O.T., which was supposed to be for spine and replacement Surgery, the O.T. Register records showed 28 patients operated in 2 weeks from 15/05/2014 to 28/05/2014. On specifically asked where are these patients kept postoperatively, it was told “in ICU”. But none of the records of these patients were found in ICU & even none of these patients were found admitted in Orthopaedics wards. The O.T. was not functioning on the day of Assessment. This indicates total cooking up of data provided to the Assessor.

The above indicates grossly inadequate clinical material and many dummy patients.

8. Following are the remarks in Anaesthesia report about the Institution:
- a) Daily operative workload cannot be commented upon as the Register is fabricated.
 - b) Entry of the equipment is not shown in Indent or any other Register. There was no marking or no. of NIMS on any of the equipment.
 - c) Workload of ancillary facilities like Radiology, Biochemistry, Pathology Microbiology cannot be commented as the Registers appear fabricated as compared to the physical verification of IPD & OPD load on the day of Assessment.
 - d) Blood bank Register appears fabricated.
 - e) The following Faculty members cannot be considered because based on enquiry of whereabouts of the different areas of the hospital, it appears that they are not working in this Hospital:

#	Name	Designation
1	Dr. Vijendra Sharma	Professor
2	Dr. Salma Mashraqui	Professor
3	Dr. P.C. Sharma	Asst. Professor

6. Blood bank Register appears fabricated.
7. The following Faculty members cannot be considered due to reasons mentioned in detail in the assessment report (based on enquiry of whereabouts of the different areas of the hospital, it appears that they are not working in this Hospital):

#	Name	Designation
1	Dr. Vijendra Sharma	Professor
2	Dr. Salma Mashraqui	Professor
3	Dr. P.C. Sharma	Asst. Professor
4	Dr. Girish Chandra	Asst. Professor
5	Dr. Neena Tewari	Asst. Professor

8. Resultantly, there is deficiency of Faculty: (a) Asso. Prof.: 2
9. The following Senior Residents cannot be considered due to reasons mentioned in detail in the assessment report (based on enquiry of whereabouts of the different areas of the hospital, it appears that they are not working in this Hospital):

#	Name of Senior Resident
1	Dr. Nitin Busar

14. Occupancy in Labour Room was Zero on the day of Assessment.
15. Average PAC per week cannot be commented upon as the Register appears fabricated.
16. Occupancy was 40% in NICU and NIL in PICU on the day of Assessment.

17. There are no publications from any Faculty or Resident during their period at this Institute.
18. One of the external examiners, Dr. Ajai Jain is not working as a Faculty presently as he has left UCMS, Delhi long time back.
19. One of the internal examiners, Dr. Salma Mashraqui cannot be considered as she is not considered as a Faculty as shown in Para 5 above.
20. The College is running DNB course simultaneously, which is not permissible.

With regard to NBE trainees, the explanation of the Teaching Institute that NBE allotted seats on the basis of surplus Faculty, infrastructure and clinical material in the subjects for, which MCI did not grant appropriate number of seats as per their own MCI norms and Gazette notification is not acceptable as NBE could not have allotted the seats/candidates unless the Teaching Institute would have informed NBE about the same. 2. Dr. Shyam Bihari Sharma, a retired Professor of Paediatric Surgery has been shown as Asst. Professor in General Surgery, which is not expected.
3. Dr. Jitendra Kumar Jain, Asst. Professor passed MS in 1982 from SMS Medical College, Jaipur. How could he work as Tutor/ Junior Resident in NIMS, Jaipur from 1980 to 1982 as given in Faculty Table?
4. Dr. Vipin Kumar Barala, Senior Resident with DNB qualification is not eligible. He has no 3 years Teaching Experience, prior to appoint as Senior Resident. Consequently, there is no Senior Resident in Unit-III.
5. There is no Senior Residents in Unit-V & Unit-VI.
6. The College got first LoP on 13/02/2004. Professor & HoD, Dr. Dev Kumar Kasliwal has been given experience, from 01/12/2003, which is not permissible.

If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

153. NIMS University (Deemed University), Jaipur - Recognition of MD(Radio Diagnosis/Radiology) in respect of students being trained at National Institute of Medical Science, & Research, Jaipur.

Read: the Council Assessor’s Report (June, 2014) on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis/Radiology) at

National Institute of Medical Science, & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014) and decided to recommend not to recognize MD(Radio Diagnosis/Radiology) granted by NIMS University (Deemed University), Jaipur in respect of students being trained at National Institute of Medical Science, & Research, Jaipur because of the following facts:-

1. As per Postgraduate Medical Education Regulations, 2000; sub-clause 13.3; Amendment dated 20/10/2008, Postgraduate Degree/ Diploma/ Super-Speciality course students will be paid stipend at par with the stipend being paid to the Postgraduate students of State Government Medical Institutions/ Central Government Medical Institutions in the State/ Union Territory, where the Teaching Institution be located. However, the Institution has not supplied information about stipend despite asking for the same.
2. Dr. Reena Gupta, Senior Resident with DNB Qualification is not eligible. She has no 3 years teaching experience, prior to appointment as Senior Resident.
3. There is only 1 Senior Resident in the department against the requirement of 5.
4. The College is running DNB course simultaneously, which is not permissible.

With regard to NBE trainees, the explanation of the Teaching Institute that NBE allotted seats on the basis of surplus Faculty, infrastructure and clinical material in the subjects for, which MCI did not grant appropriate number of seats as per their own MCI norms and Gazette notification is not acceptable as NBE could not have allotted the seats/candidates unless the Teaching Institute would have informed NBE about the same. Further this is in contravention to the Proviso to Section 12 of PG Medical Education Regulations, 2000, which being a Statutory Regulation is mandatory and binding upon all authorities, including Government of India and, which reads as under:

"12 ...

Provided that against the very same Units, teaching personnel and infrastructure, no other postgraduate courses under any other streams like National Board of Examinations, College of Physicians & Surgeons etc. are permitted.

.... "

It also cannot be accepted that the Teaching Institute is training students for DNB and still claims that it is not accredited for DNB course by National Board of Examinations. It also cannot be accepted that the Teaching Institute is just a training center for giving training to DNB students.

It is also pertinent to note that the very letter dt. 30/06/2014 issued by Govt. of India states that "Minutes of EC and GB of the Council cannot overrule the provisions of Regulations, which are Notified in the Gazette of India with prior approval of the Government of India" is squarely applicable in the instant case also, as the Regulation 12 is a Statutory Regulation Notified in the Gazette of India after prior approval of the Government of India and therefore is binding upon all.

5. Following are the remarks in Orthopaedics report about the Institution:

- a) There are 8 D.N.B. (Orthopaedics) students Registered under this Teaching Institute, including 6 shown as Residents. This information was totally suppressed and even on specifically asking, the Principal refused to provide any information & told that there was none.
- b) 20 – 30% in male ward (of 45 beds) & more than 60% of the patients in female ward were dummy patients of knee pain, back pain, which did not merit admission.
- c) OPD attendance shown in their reports & Registers seem inflated. On the day of Assessment, there were about 100 patients in OPD against claimed attendance of 280 - 300.
- d) O.T. & Surgical load: Figures of Surgical load seem to be grossly inflated. In the O.T., which was supposed to be for spine and replacement Surgery, the O.T. Register records showed 28 patients operated in 2 weeks from 15/05/2014 to 28/05/2014. On specifically asked where are these patients kept postoperatively, it was told “in ICU”. But none of the records of these patients were found in ICU & even none of these patients were found admitted in Orthopaedics wards. The O.T. was not functioning on the day of Assessment. This indicates total cooking up of data provided to the Assessor.

The above indicates grossly inadequate clinical material and many dummy patients.

6. Following are the remarks in Anaesthesia report about the Institution:
- a) Daily operative workload cannot be commented upon as the Register is fabricated.
 - b) Entry of the equipment is not shown in Indent or any other Register. There was no marking or no. of NIMS on any of the equipment.
 - c) Workload of ancillary facilities like Radiology, Biochemistry, Pathology Microbiology cannot be commented as the Registers appear fabricated as compared to the physical verification of IPD & OPD load on the day of Assessment.
 - d) Blood bank Register appears fabricated.
 - e) The following Faculty members cannot be considered because based on enquiry of whereabouts of the different areas of the hospital, it appears that they are not working in this Hospital:

#	Name	Designation
1	Dr. Vijendra Sharma	Professor
2	Dr. Salma Mashraqui	Professor
3	Dr. P.C. Sharma	Asst. Professor
4	Dr. Girish Chandra	Asst. Professor
5	Dr. Neena Tewari	Asst. Professor
6	Dr. Nitin Busar	Senior Resident
7	Dr. Vishnu Gupta	Senior Resident
8	Dr. Ajay Singh	Senior Resident
9	Dr. Dharmendra Carpenter	Senior Resident

- f) Emergency Ward / Casualty: It was empty on Surgical side. On Medical side, 3 patients were there, which were not emergency cases. Anaesthesia delivery system was not functioning. Crash cart was in pathetic condition.
- g) Medical ICU is managed by the Physician. There is no dedicated ICU team from the department of Anaesthesia.
- h) Occupancy in different wards on the day of Assessment was as under:

#	Ward	Beds	Remarks
---	------	------	---------

		Total	Occupied	
1	Male Surgical	100	85	Majority had only minor ailment.
2	Orthopaedics	60	11	
3	Chest & Tb	30	10	
4	Psychiatry	30	3	
5	Paediatrics	90	10	
6	Medical	60	30	
7	Male Skin	40	0	
8	Male Medical	120	30	
9	Female	60	30	
	Total	590	209	i.e. 35.42%

i) Occupancy in Labour Room was Zero on the day of Assessment.

All the above indicate grossly inadequate Clinical Material and non-genuine faculty.

7. Other deficiencies as pointed out in the Assessment Report.

In case, the College Authorities desire to submit compliance, the same should be received in this office within 6 weeks. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the Postgraduate Course against the above mentioned As per provisions of section 11(2) of the IMC Act, 1956 (and stipulated in LoP) failure to seek timely recognition/ renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.
