1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.

The minutes of the Postgraduate Medical Education Committee meeting held on 28/08/2015 were confirmed in the meeting itself.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

3. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Paediatrics) qualification against increased intake from 02 to 03 seats in respect of students being trained at A. J. Institute of Medical Sciences, Mangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 02 to 03 seats at A. J. Institute of Medical Sciences, Mangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Paediatrics) qualification against increased intake from 02 to 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at A. J. Institute of Medical Sciences, Mangalore because of the following facts:-

1. Data of clinical material on day of assessment as well as on randomly selected days are not provided.
2. Knowledge of students is less than average.
3. Data of beds occupied in NICU/PICU on day of assessment are not provided.
4. 3 out of 4 Publications cited are in non-indexed journals (one is in Journal of Evolution of Medical and Dental Sciences)
5. IPD yearly: 21875, which means 73 admissions per day against 90 beds, which is not feasible or non-genuine patients admitted, which are discharged (80%) on same day.
6. 213000 IPD of entire Hospital in 1 year means 710 admissions per day, which is not feasible.
7. Promotion of Dr. Prasad Nayak, Assoc. Professor, Unit-I is not as per Regulations. He has been Asst. Professor for 4 years 1 month against the requirement of 5 years. Out of 4 publications cited 3 are in non-indexed Journal (one is in Institutional Journal, 2 in Karnataka Paediatrics Journal). Consequently, there is no Assoc. Professor in Unit-I.
8. Promotion of Dr. Amitha Rao Aroor, Professor is irregular. She has been Asst. Professor for 3 years 1 month. Consequently, there are 2 faculty in Unit-II.
9. Dr. B.S. Chandrasekhar, Senior Resident not eligible. He has DNB qualification without 3 years experience at the time of appointment.
10. Dr. Jaishree Hegde, Senior Resident is not eligible. She has DNB qualification without 3 years experience at the time of appointment. Consequently, there are no Senior Residents in Unit-III.
11. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely,

prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

4. Rajiv Gandhi University of Health Sciences, Bangalore - Renewal of recognition of MS(OBG) qualification for 01 seat in respect of students being trained at Al-Ameen Medical College, Bijapur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MS(OBG) qualification for 01 seat at Al-Ameen Medical College, Bijapur granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that recognition of MS(OBG) qualification for 01 seat granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Al-Ameen Medical College, Bijapur be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

5. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 04 seats and renewal of recognition of MS(Ophthalmology) and DO qualifications for 01 seat each in respect of students being trained at Alluri Sitarama Raju Academy of Medical Sciences, Eluru.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 04 seats and renewal of recognition of MS(Ophthalmology) and DO qualifications for 01 seat each at Alluri Sitarama Raju Academy of Medical Sciences, Eluru granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MS(Ophthalmology) qualification against increased intake from 02 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Alluri Sitarama Raju Academy of Medical Sciences, Eluru be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Committee also decided to recommend to the Central Government that recognition of MS(Ophthalmology) and DO qualifications for 01 seat each granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Alluri Sitarama Raju Academy of Medical Sciences, Eluru be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition.

Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

6. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(ENT) qualification against increased intake from 01 to 02 seats and Renewal of recognition of MS(ENT) & DLO qualifications for 01 seat each in respect of students being trained at Alluri Sitarama Raju Academy of Medical Sciences, Eluru.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MS(ENT) qualification against increased intake from 01 to 02 seats and not to renew the recognition of MS(ENT) & DLO qualifications for 01 seat each granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Alluri Sitarama Raju Academy of Medical Sciences, Eluru because of the following facts:-

1. BERA workload is only 2-3 / week.
2. Speech Therapy workload is < 1/ day.
3. Workload of Laryngectomy is NIL in last 3 years & that of Laryngo/Tracheoplasty is only 09/year & Maxillectomy is 06/year.
4. Academic parameters like Theory Classes are shown at 212/year & Case presentations are shown as 182/year which appear to be not feasible.
5. The department does not participate in National Programme for Prevention & Control of Deafness.
6. There are only 2 faculty in Unit II; hence it cannot be considered as PG Unit.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these number of seats i.e. against increased intake from 1 to 2 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

Admissions done (if any) against these seats i.e. 1 seat each for degree and diploma till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

“...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

7. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Renewal of recognition of MD(Paediatrics) qualification for 02 seats in respect of students being trained at Alluri Sitarama Raju Academy of Medical Sciences, Eluru.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Paediatrics) qualification for 02 seats at Alluri Sitarama Raju Academy of Medical Sciences, Eluru granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that recognition of MD(Paediatrics) qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Alluri Sitarama Raju Academy of Medical Sciences, Eluru be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

8. Delhi University, Delhi - Recognition of MS(OBG) qualification for 02 seats in respect of students being trained at Army Hospital Research & Referral, New Delhi.

Read: the Council Assessor's Report (April, 2015) on the standard of examination and other teaching facilities for Recognition of MS(OBG) qualification for 02 seats at Army Hospital Research & Referral, New Delhi granted by Delhi University, Delhi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2015) and decided to recommend not to recognize MS(OBG) qualification for 02 seats granted by Delhi University, Delhi in respect of students being trained at Army Hospital Research & Referral, New Delhi because of the following facts:-

1. Shortage of Resident: (a) Senior Resident: 1; (b) Junior Resident: 1.
2. Total number of patients in OPD has decreased from 91, 279 in 2012 to 89, 858 in 2014.
3. Total number of Minor operations has decreased from 1, 935 in 2012 to 1, 902 in 2014.

4. Workload of Operative Vaginal Deliveries is only 43/year which is inadequate. There was NIL Operative Vaginal delivery on day of assessment as well as on randomly selected days.
5. Academic parameters like Theory Classes (18/year), Clinical Seminars (19/year), Journal Clubs (10 in no.), Group Discussions (12/year) are inadequate.
6. There were 300 to 400 deliveries in a year, which means 1 per day, which is grossly inadequate. Average daily deliveries quoted in report are 3, which does not match with the above yearly data.
7. Professor & Head, Brig. Surender Mohan passed M.S. in 1998. He could not be considered Asst. Professor from 1986. His period after qualifying date is 2 year 6 months as Asst. Professor against the requirement of 5 years. Thus, his promotion is not as per Regulations and he cannot be considered as Professor & Head.
8. The year of passing of all other Faculty members has not been mentioned in the Faculty Table, without which, their eligibility to the designation they are holding cannot be decided.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. 17. KIIT University, Bhubaneswar - Recognition of MD(Forensic Medicine) qualification for 03 seats in respect of students being trained at Kalinga Institute of Medical Sciences, Bhubaneswar, Odisha.

Read: the Council Assessor's Report (April, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Forensic Medicine) qualification for 03 seats at Kalinga Institute of Medical Sciences, Bhubaneswar, Odisha granted by KIIT University, Bhubaneswar.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2015) and decided to recommend not to recognize MD(Forensic Medicine) qualification for 03 seats granted by KIIT University, Bhubaneswar in respect of students being trained at Kalinga Institute of Medical Sciences, Bhubaneswar, Odisha because of the following facts:-

1. Permission for performing medico-legal post-mortems is not yet available. If the college has no permission for postmortem and medico-legal work, how the data given in table at Sl. No. 5 and page 2 of Summary and page 11 of SAF has been provided?

2. Other medico-legal work like examination of sexual assault victims & accused, etc. is not done by the faculty & PG students of the department.
3. Open Mortuary with fly proofing arrangement is not available.
4. Academic parameters like Journal Clubs (06 in no.) is inadequate.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

18. Manipal University, Manipal - Recognition of MD(Paediatrics) qualification against increased intake from 05 to 08 seats in respect of students being trained at Kasturba Medical College, Mangalore.

8. Promotion of Dr. Sushetha S. Rao, Assoc. Professor, Unit-I is not as per Regulations. He has been Asst. Professor for 4 years against the requirement of 4 years.
9. The Institute is running DNB courses in various Super-Specialities.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 5 to 8 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

19. Manipal University, Manipal - Recognition of MD(Biochemistry) qualification against increased intake from 02 to 04 seats in respect of students being trained at Kasturba Medical College, Manipal.

As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

35. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Pathology) qualification against increased intake from 02 to 04 seats in respect of students being trained at P.E.S. Institute of Medical Sciences & Research, Kuppam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification against increased intake from 02 to 04 seats at P.E.S. Institute of Medical Sciences & Research, Kuppam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Pathology) qualification against increased intake from 02 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at P.E.S. Institute of Medical Sciences & Research, Kuppam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

36. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Anaesthesia) qualification against increased intake from 02 to 06 seats in respect of students being trained at P.E.S. Institute of Medical Sciences & Research, Kuppam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesia) qualification against increased intake from 02 to 06 seats at P.E.S. Institute of Medical Sciences & Research, Kuppam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Anaesthesia) qualification against increased intake from 02 to 06 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at P.E.S. Institute of Medical Sciences & Research, Kuppam because of the following facts:-

1. From 3 years data, average daily major operations come to 45.3. However, on the day of Assessment, there were 24 major operations. This is a data mismatch.
2. Average no. of operations both Major & Minor figure is highly inflated. On an average 15 major & 12 minor cases per day could be counted.
3. Anaesthesia records register was not maintained properly.
4. Monthly/ yearly serial numbers were missing, pages were not in order and few were left blank and missing.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek

timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

37. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Emergency Medicine) qualification for 02 seats in respect of students being trained at P.E.S. Institute of Medical Sciences & Research, Kuppam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Emergency Medicine) qualification for 02 seats at P.E.S. Institute of Medical Sciences & Research, Kuppam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Emergency Medicine) qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at P.E.S. Institute of Medical Sciences & Research, Kuppam because of the following facts:-

1. There are 2 Units in the department. Out of these 2 Units, 1 Unit does not have any bed in Emergency Medicine ward as all its beds are in Casualty (25 beds) & ICUs (15 beds). Second Unit has only 15 beds in Emergency Medicine ward & the rest are in HDU & ERICU. Resultantly, no Unit has full fledged 30 bedded Emergency Medicine ward.
2. Although none of the faculty is having PG qualification in General Medicine & Paediatrics, 3 beds each in MICU & NICU and 2 beds in PICU are allocated to the department of Emergency Medicine which is highly irregular.
3. There are only 2 publications from the department in indexed journals in last 3 years, which are both case reports and cannot be considered.
4. The faculty table does not specify the experience details (subject in which faculty members have experience in different ranks). No Certificate of experience from place of work has been provided.
5. No faculty has PG Degree in Emergency Medicine or 2 years special training in Emergency Medicine, without which, they cannot be considered eligible for the designations they are holding.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the

concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

38. Pondicherry University, Puducherry - Recognition of MD(Physiology) qualification against increased intake from 2 to 4 seats in respect of students being trained at Pondicherry Institute of Medical Sciences, Pondicherry.

Read: the Council Assessor's Report (April, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Physiology) qualification against increased intake from 2 to 4 seats at Pondicherry Institute of Medical Sciences, Pondicherry granted by Pondicherry University, Puducherry.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2015) and decided to recommend not to recognize MD(Physiology) qualification against increased intake from 2 to 4 seats granted by Pondicherry University, Puducherry in respect of students being trained at Pondicherry Institute of Medical Sciences, Pondicherry because of the following facts:-

1. Stipend paid by the institute to I/II/III year Residents is only Rs. 5,000; Rs. 6,000 & Rs. 7,000 p.m. respectively which is much less than paid by the Central Govt. institute in Pondicherry to I/II/III year residents and is contrary to PG Medical Regulations.
2. Yoga laboratory is not available.
3. Academic parameters like Journal Clubs (05 in no.), Group Discussions (12/year) are inadequate.
4. Postgraduate Degree of Dr. Sushila Veliath, Professor & HoD is not recognized.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 4 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2015) and decided to recommend not to recognize MD(Anaesthesiology) qualification against increased intake from 3 to 4 seats granted by Pondicherry University, Puducherry in respect of students being trained at Pondicherry Institute of Medical Sciences, Pondicherry because of the following facts:-

1. There is NIL Senior Resident in the department.
2. Total number of Major operations has decreased from 4, 715 in 2012 to 3, 757 in 2014.
3. Total number of Minor operations has decreased from 5, 765 in 2012 to 4, 231 in 2014.
4. Consumption of Blood components like Fresh frozen, Platelets has also decreased in 3 year period from 2012 to 2014 reflecting upon the quality of Major operations.
5. Stipend paid by the institute to I/II/III year Residents is only Rs. 10,000; Rs. 11,000 & Rs. 12,000 p.m. respectively which is much less than paid by the Central Govt. institute in Pondicherry to I/II/III year residents and is contrary to PG Medical Regulations.
6. No equipment is available in RICU. No Theory Classes are held for PG students.
7. On the day of Assessment, Major Operations were 14 in the entire Hospital, which is grossly inadequate.
8. Promotion of Dr. R.V. Ranjan, Assoc. Professor is not as per Regulations. He has been Asst. Professor for 4 years against the requirement of 5 years. Consequently, faculty deficiencies: Assoc. Professor: 1; Asst. Professor: 1 and Senior Residents: 4.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. Read: the Compliance Verification Assessment Report (10/07/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 17/04/2015 submitted by the College Authorities on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification against increased intake from 04 to 06 seats at Government Medical College, Nagpur granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (10/07/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 17/04/2015 submitted by the College Authorities and decided to recommend not to recognize MD(Pathology) qualification against increased intake from 04 to 06 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Government Medical College, Nagpur because of the following facts:-

1. Immunohistochemistry is not functional & not in use as it is yet to be installed & operationalized. Deficiency remains as it is.
2. No rooms are available for Tutors / Junior Residents. Deficiency remains as it is.
3. Only 1 Demonstration Room is available against requirement of 3 as per Regulations. Deficiency remains as it is.
4. Semen & C.S.F. examinations are continuing to be performed by the departments of Physiology & Microbiology respectively which is not as per norms. Deficiency remains as such.
5. There is no power backup. Functional status and proof of purchase of Generator not shown.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 6 seats after the first batch appeared in Examination till their recognition will be irregular /

illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

2. Workload of CT/USG guided FNAC/Biopsy is inadequate. (71/year & 96/year respectively).
3. There were only 09 CT Scans & 09 MRIs done on day of assessment.
4. Workload of plain X-rays on day of assessment (98) is inadequate.
5. Academic parameters like Journal Clubs (13/year), Group Discussions (13/year) continue to remain inadequate. Deficiency remains as it is.
6. Faculty table left blank. No experience details of Senior Residents provided. Deficiency remains as such.
7. No full reference or reprints of publications provided.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (10/07/2015) along with the Council Assessor’s Report (April, 2014) and compliance dated 16/04/2015 submitted by the College Authorities and decided to recommend not to recognize MS(Ophthalmology) qualification against increased intake from 07 to 11 seats granted by University of Delhi, Delhi in respect of students being trained at Maulana Azad Medical College, New Delhi because of the following facts:-

- 1. Bed occupancy is 30% on day of assessment.
- 2. Total number of operations has decreased by 45 % from 15, 766 to 8, 601 during 3 year period.
- 3. Total number of patients in IPD has decreased by 40 % from 14, 251 to 8, 535 during 3 year period.
- 4. Deficiency of promotion not being as per MCI Regulations in respect of the following 4 Professors remains as it is:
 - (1) Dr. MinakshiThakker;
 - (2) Dr. Ruchi Goel;
 - (3) Dr. Punita Kumar;
 - (4) Dr. Subhash Dadeya.Explanation given by the institute that these promotions are as per Govt. of India guidelines is not acceptable as TEQ Regulations are Statutory and thereby mandatory and binding in character and are required to be followed by all authorities.
- 5. Resultantly, there are only 2 faculty in Unit I & IV; hence they cannot be accepted as PG Units.
- 6. There is discrepancy in data of clinical material of last 3 years given in two tables as under:

#	Parameter	Data Provided in Table at					
		Item 7, P. 3			Item 10, P. 28

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (02/07/2015) along with the Council Assessor's Report (April, 2012) and compliance dated 04/05/2015 submitted by the College Authorities and decided to recommend not to recognize MD(Biochemistry) qualification for 02 seats granted by Sri Balaji Vidyapeeth University, Puducherry in respect of students being trained at Mahatama Gandhi Medical College & Research Institute, Pondicherry because of the following facts:-

1. Dr. A.R. Srinivasan, Professor has acquired his Ph.D. from CFTRI, Mysore & not from a medical institute. Deficiency remains as it is.
2. Deficiency of the promotion of Dr. R. Ramesh is not as per Regulations as he has been promoted as Asso. Prof. with experience of only 4 y 4 m as Asst. Prof. remains as it is. The copy of MCI letter attached with D.F. shows that "the experience gained as Senior Resident can be considered towards teaching experience for the post of Assistant Professor". Thus MCI letter does not allow consideration of experience as Senior Resident as Assistant Professor for promotion to Asso. Prof.
3. Deficiency of Faculty: Asst. Professor: 2
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 147. Bharath University, Chennai - Recognition of MD(Paediatrics) qualification against increased intake from 05 to 06 seats in respect of students being trained at Sree Balaji Medical College & Hospital, Chennai.

Read: the Compliance Verification Assessment Report (07/07/2015) along with the Council Assessor's Report (17.04.2014 & Jan., 2015) and compliance dated 30/03/2015 submitted by the College Authorities on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 05 to 06 seats at Sree Balaji Medical College & Hospital, Chennai granted by Bharath University, Chennai.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (07/07/2015) along with the Council Assessor's Report (17.04.2014 & Jan., 2015) and compliance dated 30/03/2015 submitted by the College Authorities and decided to recommend not to recognize MD(Paediatrics) qualification against increased intake from 05 to 06 seats granted by Bharath University, Chennai in respect of students being trained at Sree Balaji Medical College & Hospital, Chennai because of the following facts:-

1. NICU: None of the babies was properly investigated. There was no baby receiving Ventilator or CPAP care. From the register it appears that majority of admissions were of Term babies. There was very little record of Preterm, Low Birth Weight babies, & Birth Asphyxia admissions. Hand wash area was very unhygienic. It lacked proper feeding room, feed preparation room, Kangaroo mother care facilities.
2. PICU: None of 4 children admitted was on Ventilator care. Average occupancy was 2-3.
3. Ward: Almost all cases admitted were for very trivial complaints not needing admission. On random checking of 10-12 cases, none of them had any investigations or X-rays attached to case papers. Majority of patients did not have parents accompanying them. Nurses' Daily handover Book was not provided in spite of several requests. Total admission & occupancy claims appear to be highly exaggerated.
4. Diarrhoea Unit: None of 8 patients admitted had any sign of dehydration & there was not any investigation. There were no facilities for ORS preparation.
5. In OPD, children without parent attenders were in the waiting area. Upon returning to OPD after 45 minutes, the same set of children was in the waiting area without being examined. Therefore claim of Daily OPD of > 400 appears to be highly exaggerated.
6. As indoor case papers of many patients did not have reports of laboratory investigations attached, it appears that the number of investigations from the department appears to be fabricated & highly exaggerated.
7. Salary of all cadres appears to be too low and showed decrease over the financial year.
8. HIV related services are not provided.

9. Academic parameters like Clinical Seminars (11/year), Journal Clubs (10 in no.), Group Discussions 912/year) are inadequate.
10. Quality of patients were not suitable for PG training.
11. There are no Resuscitation facility in OBG.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 5 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/07/2015) along with the Council Assessor's Report (June, 2014) and compliance dated 11/05/2015 submitted by the College Authorities and decided to recommend not to recognize MD(Social & Preventive Medicine/Community Medicine) qualification against increased intake from 03 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at M S Ramaiah Medical College, Bangalore because of the following facts:-

1. UHC is in a rented building. Facilities for teaching & demonstration are not available.
2. RHTC is not in a dedicated building. There is no kitchen & Mess facility in the hostel. There is no teaching & demonstration area.
3. Clinical material at UHC & RHTC is inadequate.
4. There is no posting of UGs to UHC & RHTC. Hostel at RHTC Aradehanahalli is inadequate for PGs & Interns. It is not furnished – there is only 1 floor mattress with no manpower available.
5. Rural training component of UG & PG students needs improvement as per MCI guidelines.
6. Deficiency of promotion of Dr. Shalini C. Nooyi not being as per Regulations remains as it is.
7. Hostel facility at RHTC is inadequate.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

162. Maharashtra University of Health Sciences, Nashik - Recognition of MD(Paediatrics) qualification against increased intake from 02(Two) to 03(Three) seats in respect of students being trained at Indira Gandhi Medical College & Hospital, Nagpur.

Read: the Compliance Verification Assessment Report (14/07/2015) along with the Council Assessor's Report (May, 2013) and compliance dated 08/04/2015 submitted by the College Authorities on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 02(Two)

to 03(Three) seats at Indira Gandhi Medical College & Hospital, Nagpur granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/07/2015) along with the Council Assessor's Report (May, 2013) and compliance dated 08/04/2015 submitted by the College Authorities and decided to recommend not to recognize MD(Paediatrics) qualification against increased intake from 02(Two) to 03(Three) seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Indira Gandhi Medical College & Hospital, Nagpur because of the following facts:-

1. Blood Component Separation Facility is not available.
2. Deficiency of Asst. Professor: 3. There are only one Professor and 2 Assoc. Professor against the requirement of minimum 6 faculty members.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 3 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (17/07/2015) along with the Council Assessor's Report (November, 2014) and compliance dated 08/04/2015 submitted by the College Authorities and decided to recommend not to renew the recognition of DCH qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at Deccan College of Medical Sciences, Hyderabad because of the following facts:-

1. None of the PG students are getting any stipend as of now. Even the orders of payment of stipend of Rs. 18,000; Rs. 19,000 & Rs. 20,000 p.m. to

I/II/III year Residents respectively from Academic Year 2015-2016 fall short of paying stipend at the rates of Govt. of Telanagana but even in these orders, noting is mentioned about payment of stipend to existing 2nd & 3rd year Residents.

2. Bed occupancy was 61 % on day of assessment.
3. Patient proforma & necessary equipment are not available in the specialty clinics.
4. HIV services are available only as diagnostic services and patients are referred to Govt. Nilofur Hospital for treatment which is not as per norms.
5. Promotion of Dr. Swati Chacham, Asso. Prof. is not as per Regulations as she has been promoted with experience of only 3 y as Asst. Prof. against requirement of 5 y required as per Regulations. Even this experience is in department of Neonatology & not in Paediatrics. Resultantly, there are only 2 faculty in Unit II & it cannot be considered as PG Unit.
6. Bed occupancy- PICU 67%; NICU in OHRC: 13%, in PEH: 67%, which is inadequate.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. The Postgraduate Medical Education Committee considered the matter with regard to Recognition of DPH qualification against increased intake from 08 to 10 seats in respect of students being trained at All India Institute of Hygiene and Public Health, Kolkata granted by West Bengal University of Health Sciences, Kolkata.

The matter was discussed in detail. The Institution has 16 Medical Teachers of the following ranks:

Professor	16
Associate Professor	1
Assistant Professor	2

However, they are admitting 164 students per year. As per MCI Regulations, notified with the prior approval of the Central Government, 2 students can be admitted against one Professor and one for other ranks.

The Postgraduate Medical Education Committee also perused the Central Government decision dated 11/08/2015 regarding M.Ch. (Surgical Oncology) course at Institute of Medical Sciences, Banaras Hindu University, which reads as under:

“...
And whereas, the Institute of Medical Sciences, BHU, Varanasi (U.P.) being a Central Government institution is exempted from the application of provisions of section 10A of the IMC Act, 1956 and Regulations framed thereunder in respect of grant of approval for starting a new course of study under the provision of Explanation 1 under sub-section (1) of section 10A of the IMC Act, 1956.
...”

The Committee decided that since, this Institution i.e. All India Institute of Hygiene and Public Health, Kolkata is also a Central Government Institute, the Central Government, Ministry of Health & Family Welfare, New Delhi may take a considered decision in the matter.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (02/07/2015) along with the Council Assessor's Report (April, 2014) and compliance dated 15/05/2015 submitted by the College Authorities and decided to recommend not to recognize MD(Immuno Haematology & Blood Transfusion) qualification for 02 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Medical College, Kolkata because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 1.
2. It was pointed out in last assessment that Dr. Prasun Bhattacharya was appointed as an examiner in spite of not having experience as prescribed under Regulations. However, he has again been appointed examiner in May 2015 although he has post PG degree experience of only 5 y 4 m against requirement of 8 y as per Regulations.
3. No Faculty Member has 2 years special training in Immuno Haematology and Blood Transfusion.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is

found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Note: Compliance Verification, if any, will be carried out at the time of next examination.
