The Postgraduate Medical Education Committee considered the Assessment Report (28/08/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Increase of seats in MD (Radio-Therapy) course at Guru Gobind Singh Medical College & Hospital, Faridkot under Baba Farid University of Health Sciences, Faridkot u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 from 3(Three) to 5(Five) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

4. Increase of seats in MD (Radio-Diagnosis) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Radio-Diagnosis) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. OPD/IPD and other data at Sl.No.5 on page 2 cannot be data of Radio-Diagnosis department. It has no OPD/IPD.
2. Investigative workload of department on inspection date is as below:

MRI	07
Mammography	01
DSA	01
CT Scan	15

MRI (from average of 03 years) is 4.8 per day.
This is grossly inadequate.
3. Out of 04 publications cited, 02 are case report and cannot be considered. No full reference/reprint of remaining 02 has been provided. (No authors names given)
4. For surrender of Diploma seats, College Authorities are directed to approach for Notification by Government of India deleting Diploma seats from the Schedule. Surrender of diploma by college authorities cannot be accepted. It has to be deleted from the Schedule through a Notification by the Central Government.

5. Already 05 seats commensurate with available clinical material.
6. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

5. Increase of seats in MS (Ophthalmology) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Ophthalmology) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are only 2 research publications from the department in indexed journals in last 3 years. Rest in the list are case reports. No authors name in any publication has been given.
2. Facilities for Retinal Surgery are not available. Only Medical Retina services are available.
3. Academic parameter like Theory Classes (21/year), Group Discussions (04 in no.) are inadequate.
4. For surrender of Diploma seats, College Authorities are directed to approach for Notification by Government of India deleting Diploma seats from the Schedule. Surrender of diploma by college authorities cannot be accepted. It has to be deleted from the Schedule through a Notification by the Central Government.
5. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

6. Increase of seats in MS (General Surgery) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at PES Institute of Medical Sciences & Research, Kuppam, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Promotion of Dr. K.R. Geetha, Professor in Unit V is not as per Regulations as she has been promoted as Professor with experience of only 3 years 2 months as Asso. Prof. against requirement of 4 years as per Regulations & no benefit of Research publications has been given as per details given in faculty table.
2. Resultantly, Unit V has only 2 faculty & is headed by Asst. Prof.; Hence it cannot be considered a PG teaching Unit at all.
3. Total number of patients admitted as IPD is shown as 6,813 in 2014; however total number of Major & Minor operations in 2014 is shown as 4,543 + 10,122 = 14,665 which is not feasible. There is data mismatch.
4. Only 23 deaths last year out of 6813 admissions. In a sensitive department like Surgery which deals with polytrauma, it indicates that no serious patients are admitted.
5. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

5. Details of Academic Parameter like Theory Classes are not given for PGs.
6. Stipend paid is shown as Rs. 40,000 p.m. while that actually paid is Rs. 12,000 p.m. onwards.
7. From average of 03 years data, average major operations in 2014 were 12 per day which is grossly inadequate. Minor operations 14 per day which is again grossly inadequate.
8. In the entire hospital, on inspection day, there were 06 MRI and 44 ultrasounds and no Mammography, which indicate grossly inadequate clinical material.
9. Designation of Consultant cannot be considered Professor as it is not in the Regulations.
10. Dr. Shanti Sudha and Dr. Srinath, Senior Residents are not eligible and they do not have 03 years teaching experience at the time of appointment. Consequently, there is a deficiency of 02 Senior Residents.
11. Dr. Mamie Zacharia and Dr. Ranjan R.V. promoted after the cut off date without any publications and hence, their promotion is irregular.
12. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete / without proper documents, the compliance would not be entertained / considered.

10. Increase of seats in MS (OBG) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

9. There was only 1 patient in HDU on day of assessment.
10. Occupancy in NICU on day of assessment is not given.
11. Equipment like Multipara Monitors are not available.
12. From 03 years data, average daily major operations 02 only which is grossly inadequate.
13. There was only one death last year out of 3031 admissions which indicate that no serious patients are admitted or data is non-genuine.
14. There is no record of speciality clinics, which means, they are not being run.
15. Promotion of Sneha B. Dhupadkar, Professor is not as per Regulations. She has been Associate Professor for 03 years without any publications. Consequently, there is no other Associate Professor in Unit-I.
16. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

11. Starting of MD (General Medicine) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (General Medicine) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 1.
2. Dr. Baranidharan, Senior Resident in Unit II has experience of only 2 years 10 months as Resident in a medical college; hence not eligible to be a Senior Resident.
3. Resultantly, there is no Senior resident in Unit II.
4. Unit V has only 2 faculty; hence it cannot be considered as PG Unit.
5. Central Library books are not issued; it acts as reference library only.

6. Total deaths last year only 13 out of 7325 admissions which indicate that no serious patients were ever admitted. Either non-genuine patients with minor ailments were admitted or data is non-genuine.
7. Payment of stipend is not committed. Although the college is running postgraduate courses in other departments.
8. 90% of the faculty in all departments joined within last 3 months which indicate that the staff in the college was insufficient even for UG seats prior to 03 months.
9. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

12. Starting of MD (Paediatrics) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Paediatrics) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No print journal is available for 2015.
2. Central Library books are not issued; it acts as reference library only.
3. NIL patient was admitted in PICU/NICU on day of assessment.
4. Copies of Birth records were not provided to assessor.
5. Amongst non-teaching staff, neither Child Psychologist nor Health Educator are available.
6. Unit I does not have Asso. Prof.; hence faculty complement is incomplete; resultantly it cannot be considered as PG Unit.

13. Starting of MS (OBG) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Total number of Major operations in 2014 is shown as 1,073 while total number of Histopathology specimens sent from the department is shown as 1,941 which is not feasible. There is data mismatch.
2. There were NIL major Obstetric & 2 major Gynaecological operations on day of assessment.
3. On day of assessment, OPD attendance in Obstetrics is shown as 90 & Daily average is shown as 91; however average attendance at Antenatal clinic itself is shown as 95 which is not feasible; this also implies that there is no other patient of any other Obstetric condition coming to OPD implying poor quality of teaching material. There is data mismatch.
4. Daily average Antenatal OPD is shown as 95 while average post-natal attendance is shown as only 8 and that too once a week. There is data mismatch.
5. Prenatal diagnosis services are not provided.
6. On inspection day, major operations 03 which is inadequate.
7. Average daily consumption of blood 2 -3 units which is inadequate.
8. Total births last year-240 which means less than 01 delivery per day which is inadequate.
9. SAF has been altered. Death column has been deleted from the table at Sl.No. 16 of Part I of SAF.
10. Promotion of Dr. Srilatha, Associate Professor, Unit-I is irregular. She has been Assistant Professor for 10 months only which is not as per Regulations.
11. Prof. Jai Lakshmi Bhalla is shown to have not joined in this college. Her last working college shown in faculty table is P.K. Das Medical College.
12. Dr. Shanmugam Priya is shown as Assistant Professor as well as Associate Professor in faculty table.

13. 07 out of 09 faculty joined within last 03 months prior to the inspection, which indicate that prior to this, faculty for even UG was insufficient.
14. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

14. Starting of MS (General Surgery) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Shortage of Junior Resident: 1.
2. Most of patients admitted in Casualty were for vague complaints like abdominal pain, Burning micturition, etc. There were NIL accidental injuries or major trauma patients.
3. During visit to O.T. at 11:45 a.m. on day of assessment, all 3 tables were vacant and no operation was going on. Postoperative recovery area was vacant and not a single postoperative patient was found. O.T. list provided contained 8 names – 4 for Major operations & 4 for Minor operations. Only 2 out of these 8 patients were identified.
4. No common O.T. register is maintained; it is claimed to be maintained unitwise. On verification, it was observed that on previous day – i.e. 31/08/2015, there was record of major operations like for Carcinoma Stomach, Gall bladder, Total Gastrectomy; but no such post-operative patients were found in surgical ICU or any Surgical ward. Same was true for patients claimed to have been operated on 30/08/2015.
5. Although 129 patients were found in wards, there was only 1 post-operative male & 1 post-operative female patient amongst them. No major head injuries, trauma & post-operative patients were found.
6. SICU: All the patients in SICU were without IV line or any other type of Cardio respiratory support. On verifying ICU Register, it was not maintained well and no correct entry of admitted patient. Treatment records of admitted patients were also not found.
7. There was no Histopathology register maintained by O.T. staff. On visit to Pathology department, register was available only upto 30/06/2015 – i.e. 2 months before assessment.
8. Only 1 death in the entire year suggests the department is not handling any critically ill patient, high risk patient or Burns' patient.
9. Total deaths in the entire hospital 14 out of 51196 admissions and in Surgery department, 01 out of 6939 admissions. This simply indicates that non-deserving patients with minor ailments are admitted or the data is non-genuine.

10. Without serious patients, the training of postgraduate students will be grossly inadequate.
11. Promotion of Associate Professor Dr. A.B. Chandra is not as per Regulations. He has been Assistant Professor for less than 5 years. In the experience details in faculty table, he has been shown to be working from 6.7.2009 to 30.06.2009 and this period has been counted as 11 months which is not feasible.
12. 11 Faculty members joined within 03 months prior to inspection, which indicate that prior to this, the faculty for even UG was insufficient.
13. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

15. Starting of MD (DVL) course at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (01/09/2015) on the physical and other teaching facilities available at Sri Lakshmi Narayana Institute of Medical Sciences, Puducherry under Bharath University, Chennai for Starting of MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at Sri Manakula Vinayagar Medical College and Hospital, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Dr. B.T. Saravanan is shown as "Senior Resident" in the column of "Designation" in the faculty table on P. 25; however, in the column of experience, his experience is shown as Asst. Prof. from 18/08/2015 till date. There is mismatch & he cannot be considered as Senior resident.
2. Resultantly, there is shortage of Senior Resident: 1.

3. Average attendance at some specialty clinics is only 2 which is inadequate.
4. There are 5 tables in 4 O.T.s indicating 2 tables in 1 O.T. which is not as per norms.
5. On inspection day, total MRI in the entire hospital were 08 which is inadequate and indicate inadequate clinical material.
6. Total deaths last year in Surgery department – 07 out of 6474 admissions which indicate that either non-deserving patients with minor ailments are admitted or the data is non-genuine.
7. Without serious patients, training of postgraduate students will be inadequate.
8. From faculty table, experience of Assistant Professor Dr. A. Murugan has been counted as 03 years from 21.05.2015 to 20.05.2015 which is not possible.
9. Dr. Annamalai A., Senior Resident with DNB qualification is not eligible. He has no 03 years teaching experience at the time of appointment. Consequently, there is no Senior Resident in Unit-III.
10. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

1. With regard to promotion of Dr. S. Girija as Professor, she has been promoted as Professor with experience of only 3 years. Out of 5 publications cited, 03 are case reports which cannot be considered. In one publication she is 3rd author. Consequently, only one publication is left to his credit. Consequently, Unit IV is left with 02 Assistant Professor only which cannot be counted as a PG Unit.
2. 08 faculty members joined during the last 03 months only which means prior to this, the faculty was not sufficient even for UG seats.
3. Details of beds occupied in ICCU & ICU on day of assessment are not provided.
4. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

51. Starting of MD (General Medicine) course at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/09/2015) on the physical and other teaching facilities available at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Assessment Report (10/09/2015) and decided to recommend to the Central Govt. to issue Letter of Permission for Starting of MD (General Medicine) course at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2016-2017 restricting the number of admissions to 3(Three) students per year, till the first batch admitted appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

52. Increase of seats in MS (OBG) course at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (10/09/2015) on the physical and other teaching facilities available at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (OBG) course at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Average number of women attending antenatal clinic is shown as 130 while average Obstetric OPD is shown as 132 which is not feasible. There is data mismatch.
2. As compared with antenatal attendance of 130 cases/day, postnatal attendance is only 04 which also is not feasible indicating data mismatch.

3. Total number of Major operations in 2014 is 2,983 which is more than Minor operations at 2,242 which is not feasible. There is data mismatch.
4. Total IPD in the year 2014 was 5330 and total major operations plus deliveries plus caesarian 5530 which is not feasible.
5. Rate of stipend being paid to postgraduate students is different in OBGY and Medicine which is not permissible.
6. There was no death out of 5330 admissions which indicate that no serious patients were admitted or the data is non-genuine and non-deserving patients with minor ailments might have been admitted.
7. The college got first LOP on 19.04.2005. Dr. Kothapally Kavitha has been given teaching experience from 01.08.2003. Consequently, her promotion from Assistant Professor to Associate Prof. is not as per Regulations. She was Asstt. Prof. for less than 05 years after excluding the period prior to first LOP.
8. Dr. Sathya Kumar Biswas has his experience from Army. There is no certificate of experience from the Competent Authority of the Office of the Directorate General of Armed Forces giving his places of posting and experience as Graded, Classified Specialist and Advisor without which his equated academic designation cannot be calculated.
9. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

53. Starting of MD (Anaesthesia) course at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Anaesthesia) course at Bhaskar Medical College Yenkapally Village, Andhra Pradesh under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Major operations last year 13984 i.e. 46 per day. It is not feasible that in an Institution doing 46 major operations per day, there are only 10 to 15 deaths combined together from all Surgical Departments during the last year. It simply indicates that no serious patients were admitted and operated. Either non-deserving patients with minor ailments were admitted or data is non-genuine.
2. Table 6 of the summary gives OPD and IPD which cannot be of Anaesthesia department.
3. No reference of any publication has been given.
4. The college got first LOP on 19.04.2005. Prof. Shyam Chand has been given experience from 03.08.2004, which is not permissible. Consequently, his experience from Asstt. Professor to Associate Professor is not as per Regulations. He was Asstt. Professor for less than 05 years. Consequently, there is deficiency of Assoc.Prof.-1.
5. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

Karimnagar under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (General Medicine) course at Chalmeda Anand Rao Institute Of Medical Sciences, Karimnagar under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Predominant admitted patients (60%) were having fever with thrombocytopenia as presentation indicating lack of variety of teaching material.
2. Total number of patients shown in OPD is 97,676 for 2014 which does not match with daily average OPD of 902. There is data mismatch.
3. Academic parameter like Journal Clubs (09 in no.) is inadequate.
4. Dr. A. Shashank & Dr. V. Ravinder, Senior Residents do not have any experience as 3 years as Resident in a medical college. Their experience at Yashoda Hospital & Care Hospital respectively cannot be accepted; Hence they cannot be considered as Senior Resident.
5. Central Research Laboratory needs to be strengthened further.
6. On inspection day, Radiological investigative workload of entire hospital was as follows:-

MRI	07
Mammography	Nil
IVP/Barium	Nil
DSA	Nil
CT Scan	19

This was grossly inadequate and indicates insufficient clinical material in the Hospital.

7. The college authorities have given average of 03 days daily OPD as 902 which is not feasible. From the 03 years data, average daily OPD is about 325. This is data mismatch.
8. 10 Faculty members (AP+SR) have joined within a month of inspection.
9. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Pathology) course at Sapthagiri Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of

Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Workload of CT guided FNAC & USG guided FNAC is only 01/year & 62/year which is inadequate.
2. Dr. D.C. Prabhu, Professor has been promoted as Professor without any experience as Asso. Prof. His total teaching experience from Asst. Prof. onwards is only 12 years 7 m; hence he is not eligible to be considered. The order of Hon'ble Court may be with regard to his appointment by previous employer – i.e. Govt. of Karnataka; however that is not binding on present employer (i.e. present institute) who has to appoint teachers as per prevailing TEQ Regulations.
3. Pathological post-mortems are not performed.
4. Investigations for Nutritional Anaemia are done in the department of Biochemistry and not in this department, which is not proper.
5. Total number of specimens received of Histopathology and Cytopathology during the year 2015 was 6422. Total reports issued 3828.
6. During the year 2014, total number of specimens of Histopathology and Cytopathology received was 6998. Total reports issued 5415.
It is obvious from the above that reports issued are much less than the specimens received. The data is non-genuine and cannot be relied upon.
7. The yearly academic parameters were as follows:

Seminars	07
Journal Club	12
CPC	03
Group Discussion	12

 These are grossly inadequate.
8. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

5. Surgical specialities like Urology, Neurosurgery share beds & O.T. with General Surgery department.
6. Emergency workload is only 1-2/ week which is inadequate.
7. There was only 1 patient in SICU on day of assessment.
8. Routine Laparoscopic Surgery workload is only 1-2/month. Advanced laparoscopic Surgery is not done.
9. On cross checking with other data, the following was observed:
 - (a) Blood consumption: < 1 Unit/day;
 - (b) FNAC from department: 1-2/day;
 - (c) Histopathology: 1/day;
 - (d) Death in General Surgery Wards: Only 01 in a year.
 All these point to inadequate clinical work.
10. Consumption of Blood Units is only 1-2 for the whole hospital which is inadequate.
11. Specialty clinics like Cardiovascular & Thoracic Surgery clinic, Surgical gastroenterology clinic, Paediatric Surgery clinic, Surgical oncology clinic are not run.

167. Increase of seats in MS (General Surgery) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (09/09/2015) on the physical and other teaching facilities available at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09/09/2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (General Surgery) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Dr. M. Ambikavathy of Unit IV is shown as "Professor" in the column of "Designations"; however in the column of experience, her experience is shown as "Asso. Prof." from 14/08/2014 till date. This needs to be clarified. Further, her promotion as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years 11 months as Asst. Prof. against requirement of 5 years as per Regulations. Hence she cannot be considered as faculty.
2. Promotion of Dr. A.K. Pujari, Professor in Unit VII as Asso. Prof. is not as per Regulations as he has been promoted as Asso. Prof. with experience of only 4 years 5 months as Asst. Prof.; hence he cannot be considered as faculty.
3. Resultantly, there are only 2 faculty each in Units IV & VII and they cannot be considered as PG Units. Further, Unit VII would come to be headed by Asst. Prof. & therefore cannot be considered as a teaching Unit at all.
4. Specialty clinics like Cardiovascular & Thoracic Surgery clinic, Urology clinic, Plastic Surgery clinic, Neurosurgery Clinic, Paediatric Surgery clinic, Surgical Oncology clinic are not run by the department under the plea that separate departments exist which is not permissible.
5. Academic parameter like Group Discussions (15/year) is inadequate.
6. Promotion of Dr. Sanghi Reddy, Assoc. Prof. in Unit-3 is not as per regulations. He has been Asstt. Prof. for 2 years 1 month. Consequently, Unit-3 left with 2 faculty.
7. There were only 17 deaths out of 9912 admissions (0.17%), which indicates no serious surgical emergencies are admitted without which training of PG students is inadequate. Average death rate in Surgery department in any busy tertiary care hospital is 5%-7%.
8. All Sr. Residents are those who passed from this college in June-July, 2014 and they have joined as Sr. Resident, which means prior to this there was no Sr. Resident in the department.
9. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained / considered.

1. MRI is not available. No Mammography. No DSA.
2. Workload of Mammography, DSA was NIL on day of assessment.
3. One Senior Resident has not submitted his original photo.
4. Promotion of Dr. S. Sudhakaran, Professor & HOD as Asso. Prof. is not as per Regulations as he has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations. There is no other Professor in the department.
5. Deficiency of faculty: (a) Asso. Prof.: 2.
6. Workload of USG guided FNAC is shown as 4,380 implying daily average of > 14 which does not appear to be feasible.
7. Only 3 mobile X-ray machines are available against requirement of 6 as per Regulations.
8. Other deficiencies as pointed out in the Assessment Report.

In case, any compliance is being submitted by the college authorities, the same should reach to this Office, directly within one month along with supported documentary evidence. Incomplete / without proper documents, the compliance would not be entertained / considered.

171. Starting of MS(ENT) course at Azeezia Instt of Medical Science, Meeyannoor, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (12th September 2015) on the physical and other teaching facilities available at Azeezia Instt of Medical Science, Meeyannoor, Kollam, Kerala under Kerala University of Health Sciences, Thrissur for Starting of MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12th September 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(ENT) course at Azeezia Instt of Medical Science, Meeyannoor, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Dr. N. Vishwanathan, Professor & HOD was not present on day of assessment.
2. No Senior Resident was present on day of assessment.
3. Although 8 Major & 15 Minor operations have been claimed on day of assessment, as per assessor's observation, no surgery was performed.

4. Out of 2,400 Major operations in 2014, only 07 specimens were sent for Histopathology examination reflecting poor variety of clinical material.
5. In view of above, average daily consumption of 2 blood units seems doubtful.
6. There is no MRI.
7. Surgical work in the register is not matching with the figures given by the institute.
8. BERA, OAE, Impedance Audiometry workload is NIL as they are not available.
