1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.

The minutes of the Postgraduate Medical Education Committee meeting held on 06/11/2015 were read out and confirmed in the meeting itself.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

The Postgraduate Medical Education Committee considered the adjourned item nos. 36 – 66, 68, 77 – 81, 96 – 111, 114 – 118 & 120 of the Postgraduate Medical Education Committee meeting held on 06/11/2015.

36. Chhatrapati Shahuji Maharaj Medical University, Lucknow - Recognition of MS(ENT) qualification for 01 seat in respect of students being trained at Command Hospital, Lucknow.

Read: the Compliance Verification Assessment Report (24/07/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 07/05/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification for 01 seat at Command Hospital, Lucknow granted by Chhatrapati Shahuji Maharaj Medical University, Lucknow.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (24/07/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 07/05/2015 submitted by the college authorities and decided to recommend not to recognize MS(ENT) qualification for 01 seat granted by Chhatrapati Shahuji Maharaj Medical University, Lucknow in respect of students being trained at Command Hospital, Lucknow because of the following facts:-

1. As per certificate issued by the Competent Authority of the office of Director General, Armed Forces Medical Services, Dr. A.V. Ramesh was graded specialist for 4 months and classified specialist for 2 years 7 months and advisor for 5 years and 9 months. Hence, his promotion from Assistant Professor to Associate Professor and from Assoc. Professor to Professor is not as per Regulations and he cannot be accepted as Professor & Head of department.
2. As per the old report, Dr. A.V. Ramesh was shown as Assistant Professor from July 2008 to June 2011 at Army Hospital, Delhi. In the compliance report, he has been shown as Assistant Professor from July 2008 to Sept. 2011. In the old report, he was shown Assoc. Professor from July, 2013 to April, 2014 at Command Hospital Central Command. In the compliance verification, he has been shown as Assoc. Professor from July, 2013 to August, 2014. Retrospective change of dates cannot be accepted.
3. Out of the four publications cited to his credit no full reference or reprint of any of them has been provided. There are no author names given. Out of the four, two are case reports (Sr. No. 1, 4) and one is in Brazilian Journal, which cannot be accepted. Resultantly, only 1 publication is left to his credit. He was promoted as Prof. in Sept. 2014 after the cut-off date without 4 publications, which is again not as per regulations.
4. Both, Senior Residents (Dr. Mahipal Singh and Dr. Archana) with DLO qualification are not eligible. They have no three years experience in ENT at the time of appointment as Senior Residents.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

37. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Renewal of recognition of DLO qualification for 02 seat in respect of students being trained at Deccan College of Medical Sciences, Hyderabad.

Read: the Compliance Verification Assessment Report (20/08/2015) along with the Council Assessor's Report (May, 2014 & March, 2015) and compliance dated 20/06/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Renewal of recognition of DLO qualification for 02 seat at Deccan College of Medical Sciences, Hyderabad granted by Dr. NTR University of Health Sciences, Vijayawada, A.P..

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (20/08/2015) along with the Council Assessor's Report (May, 2014 & March, 2015) and compliance dated 20/06/2015 submitted by the college authorities and decided to recommend not to renew the recognition of DLO qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P in respect of students being trained at Deccan College of Medical Sciences, Hyderabad because of the following facts:-

1. Dr. Keerthi Kumar Patgaya, Prof. & HOD was never Assistant or Associate Professor. Resultantly, his promotion to the post of Professor is not as per the regulations. Hence he cannot be accepted as Professor & HOD.
2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

38. Maharashtra University of Health Sciences, Nashik - Recognition of MS(ENT) qualification against increased intake from 01 to 02 seats in respect of students being trained at Govt. Medical College Aurangabad.

Read: the Compliance Verification Assessment Report (20/07/2015) along with the Council Assessor's Report (May, 2013 & February, 2015) and compliance dated 05/05/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification against increased intake from 01 to 02 seats at Govt. Medical College Aurangabad granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (20/07/2015) along with the Council Assessor's Report (May, 2013 & February, 2015) and compliance dated 05/05/2015 submitted by the college authorities and decided to recommend not to recognize MS(ENT) qualification against increased intake from 01 to 02 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Govt. Medical College Aurangabad because of the following facts:-

1. Dr. Sunil Deshmukh is working in Cancer Hospital and not in the Deptt. of ENT. Hence, he cannot be considered.
2. One Senior Resident has been demoted from Asstt. Prof but no orders of his demotion or joining report as Senior Resident is attached.
3. There were only 476 Major operations in 2014 implying daily average of 1.6 which is inadequate. It does not correlate with 4 Major operations being performed daily as claimed.
4. Professor & HOD was absent during assessment.
5. Faculty was totally unprepared for assessment. There was no help from clerical staff in preparation of SAF.
6. There is no Speech Therapist.
7. Hearing aid trials are not undertaken.
8. Neonatal screening programme is not provided.
9. Investigation facilities like Nerve Conduction are not available.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 2 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Read: the Compliance Verification Assessment Report (20/07/2015) along with the Council Assessor's Report (June, 2014) and compliance dated 08/05/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD/MS(OBG) qualification for 2 seats at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla, Kerala granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (20/07/2015) along with the Council Assessor's Report (June, 2014) and compliance dated 08/05/2015 submitted by the college authorities and decided to recommend not to recognise MD/MS(OBG) qualification for 02 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla, Kerala because of the following facts:-

1. With regard to payment of stipend, no pay slip issued to individual Resident was provided by the institute.
2. Dr. Anjana & Dr. Athira cannot be accepted as Senior Residents due to reasons mentioned in report.; Resultantly, there is shortage of Senior Resident: 1.
3. Normal abortions are only 59 & MTP workload is NIL. College claims to have a tie up with local private hospital which is not permissible.
4. Specialty clinic like Gynaec Endocrine clinic is not run. Neither the name of Endocrinologist nor any details regarding him were provided to assessor. Deficiency remains as it is.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. 51. MGM Institute of Health Sciences, Navi Mumbai - Renewal of recognition of MD/MS(OBG) qualification for 2 seats and recognition against increased intake from 02 to 06 seats in respect of students being trained at MGM Mission's Medical College, Navi Mumbai.

Read: the Compliance Verification Assessment Report (03/08/2015) along with the Council Assessor's Report (April, 2014) and compliance dated 04/05/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Renewal of recognition of MD/MS(OBG) qualification for 2 seats and recognition against increased intake from 02 to 06 seats at MGM Mission's Medical College, Navi Mumbai granted by MGM Institute of Health Sciences, Navi Mumbai.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (03/08/2015) along with the Council Assessor's Report (April, 2014) and compliance dated 04/05/2015 submitted by the college authorities and decided to recommend not to renew the recognition of MD/MS(OBG) qualification for 2 seats and not to recognize against increased intake from 02 to 06 seats granted by MGM Institute of Health Sciences, Navi Mumbai in respect of students being trained at MGM Mission's Medical College, Navi Mumbai because of the following facts:-

1. Gynaecological OPD attendance is still less at 40 on day of assessment. Average of randomly selected days is 45.
2. Major Gynaecological operations on day of assessment were only 3 which are just adequate to start PG course.
3. Deficiency regarding Kalamboli hospital regarding CT Scan & MRI being not available remains as it is.
4. There was only one death in the department out of 4123 admissions which indicate no really sick patient were admitted or IPD data is non-genuine.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 6 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

Admissions done (if any) against these increased number of seats i.e. 2 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

52. KLE University (Deemed Univ.), Belgaum - Recognition of DM(Cardiac Anaesthesiology) qualification for 01 seat in respect of students being trained at Jawaharlal Nehru Medical College, Belgaum.

Read: the Compliance Verification Assessment Report (13/07/2015) along with the Council Assessor's Report (August, 2014) and compliance dated 16/05/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of DM(Cardiac Anaesthesiology) qualification for 01 seat at Jawaharlal Nehru Medical College, Belgaum granted by KLE University (Deemed Univ.), Belgaum.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (13/07/2015) along with the Council Assessor's Report (August, 2014) and compliance dated 16/05/2015 submitted by the college authorities and decided to recommend not to recognize DM (Cardiac Anaesthesiology) qualification for 01 seat granted by KLE University (Deemed Univ.), Belgaum in respect of students being trained at Jawaharlal Nehru Medical College, Belgaum because of the following facts:-

1. Deficiency with regard to training in Cardiac Anaesthesia of the faculty remains as such. Dr. Divya Mhahladar who was claimed to have joined in April 2015 was absent during assessment.
2. Dr. A.S. Vagarali, Professor & HOD has attended postdoctoral course in Cardiac Anaesthesiology at Institute of Cardiovascular Diseases, Chennai in 2001. However, he is also shown as Registrar at this institute from 30/11/1999 to 28/10/2001 and as Lecturer at this institute from 29/10/2001 to 31/03/2005. This is not feasible as he could not be at both places during the same period. Further, the period of his training in Cardiac Anaesthesia (whether it was for 2 years or not) is not shown separately.
3. Deficiency with regard to training of Dr. Abhijit B. Shitole remains as such. Narayan Hrudayalaya is not a recognized teaching institute by MCI.
4. Period of training of Dr. N.S. Mahantshetty in Cardiac Anaesthesia is not shown in faculty table. Hence it cannot be verified whether he has received 2 years' training in Cardiac Anaesthesia.
5. It is not clearly shown whether any of 2 Senior Residents has worked for 3 years as Resident in this department (i.e. Cardiac Anaesthesia) or not.
6. With regard to Dr. S.S. Patil, his period of service at Sri Ramchandra Institute is 1 year 9 months only which being < 2 years cannot be considered.
7. Resultantly, faculty complement is incomplete.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. Read: the Compliance Verification Assessment Report (04/08/2015) along with the Council Assessor's Report (July, 2014) and compliance dated 09/04/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of DM(Geriatric Mental Health) qualification for 01 seat at King George's Medical University, U.P. Lucknow granted by King George's Medical University, U.P. Lucknow (Deemed University).

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (04/08/2015) along with the Council Assessor's Report (July, 2014) and compliance dated 09/04/2015 submitted by the college authorities and decided to recommend not to recognize DM(Geriatric Mental Health) qualification for 01 seat granted by King George's Medical University, U.P. Lucknow (Deemed University) in respect of students being trained at King George's Medical University, U.P. Lucknow because of the following facts:-

1. Dr. Shrikant Shrivastava was Assistant Professor for 4 years 3 months against the requirement of 5 years. He was promoted on 24.03.2015 (after the cut-off date) without any publication which is not as per the regulations. Hence, he cannot be accepted as Assoc. Professor.
2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (11/08/2015) along with the Council Assessor's Report (May, 2013) and compliance dated 15/05/2015 submitted by the college authorities and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 10(Ten) to 17(Seventeen) seats at Gauhati Medical College, Guwahati granted by Srimanta Shankardeva University of Health Sciences be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

56. Sumandeep Vidyapeeth, Vadodara - Recognition of MS(OBG) qualification against increased intake from 04 to 06 seats in respect of students being trained at Smt. B.K. Shah Medical Institute & Research Centre, Vadodara.

Read: the Compliance Verification Assessment Report (18/09/2015) along with the Council Assessor's Report (March, 2015) and compliance dated 04/08/2015

submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(OBG) qualification against increased intake from 04 to 06 seats at Smt. B.K. Shah Medical Institute & Research Centre, Vadodara granted by Sumandeep Vidyapeeth, Vadodara.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (18/09/2015) along with the Council Assessor's Report (March, 2015) and compliance dated 04/08/2015 submitted by the college authorities and decided to recommend not to recognize MS(OBG) qualification against increased intake from 04 to 06 seats granted by Sumandeep Vidyapeeth, Vadodara in respect of students being trained at Smt. B.K. Shah Medical Institute & Research Centre, Vadodara because of the following facts:-

1. Daycare Surgeries are negligible and Minor surgeries are being done in Main OG O.T. (although, the college claims that they encourage day care procedures).
2. Several of admitted patients did not require admission. Genuine patients were 66 on 150 beds giving a bed occupancy of 44%.
3. There was only 1 Normal Delivery & 1 Caesarean Section on day of assessment.
4. Two Asst. Prof. (Dr. J.B. Rathod & Dr. V. Nakum) and 2 Senior Residents (Dr. Sejal Mehta & Dr. Jigar Mehta) were appointed for 5-6 months in 2013, again appointed in 2014 and relieved and now reemployed in 2015 for current assessment.
5. Appointment order of Dr. Snehlata bears date of 01/09/2015; however in her joining report, the date is given as 05/08/2015.
6. Dr. Sejal Mehta, Senior Resident, does not possess experience of 3 years in a medical college; hence not eligible to hold the post.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (28/05/2015) along with the Council Assessor's Report (June, 2014 & February, 2015) and compliance dated 28/05/2015 submitted by the college authorities and decided to recommend not to recognize MD/MS(Anatomy) qualification for 02 seat granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at Government Medical College, Kota, Rajasthan because of the following facts:-

1. There is no Professor. Two professors were posted and joined this institute but were subsequently allowed to work at their previous place of posting which is not permissible.
2. Resultantly department is headed by Asso. Prof. which is not permissible.
3. Central Library: There is no Librarian. Deficiency remains as it is.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in

accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (21/09/2015) along with the Council Assessor's Report (July, 2013) and compliance dated 30/05/2015 submitted by the college authorities and decided to recommend not to recognise MS(Orthopaedics) qualification against increased intake from 02 to 03 seats granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at Dr SP Medical College, Bikaner because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1; (b) Asst. Prof.: 1.
2. Shortage of Senior resident: 1. There is no Senior Resident in Unit-I.
3. Unit III has only 1 faculty & is headed by Asstt. Prof.; hence it cannot be considered as a teaching Unit at all; resultantly deficiency of 1 Unit remains as it is.
4. MRD: It is still under process of computerization. Deficiency remains as it is.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 3 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. The Postgraduate Medical Education Committee considered the Assessment Report (03/08/2015) along with the Council Assessor's Report (May, 2013) and compliance dated 12/05/2015 submitted by the college authorities and decided to recommend not to recognize MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification for 02 seat granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at Katuri Medical College, Guntur because of the following facts:-

1. Bed occupancy is 70% on day of assessment.
2. Unit-II has only 2 Faculty. Hence, it cannot be considered as a Teaching Unit.
3. Total number of OPD patients has decreased from 32,216 in 2000 to 30,000 in 2014.
4. Total number of IPD patients has decreased from 2,953 in 2000 to 2,400 in 2014.
5. Data provided by Central laboratories as per entries in registers appear to be too high. Average daily investigative workload of the department is shown very high.
6. OPD attendance on day of assessment was 112; most of the patients are entered with diagnosis of Cough only.
7. PFT machine does not have DLCO.
8. There is no separate MDR ward facility for treatment of MDR Tuberculosis.
9. Bronchoscopy workload is 2-3/month which is too low.
10. Documents of stipend paid to PG students are not provided.
11. Except Asthma & Allergy clinic, no other specialty clinic is run.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek

timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. 12. Details of books purchased in last 3 years in Departmental Library are not provided.
13. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 4 seats for MS (OBG) and 02 seats for DGO after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

102. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Recognition of MS (Ophthalmology) qualification for 02 (Two) seats in respect of students being trained at Katuri Medical College, Guntur.

106. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Recognition of MD(Radio Diagnosis) qualification for 03(Three) seats and DMRD qualification for 01 seat in respect of students being trained at Katuri Medical College, Guntur.

Read: the Assessment Report (03/08/2015) along with the Council Assessor's Report (May, 2012 and June, 2013) and compliance dated 12/05/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification for 03(Three) seats and DMRD qualification for 01 seat at Katuri Medical College, Guntur granted by Dr. NTR University of Health Sciences, Vijayawada, A.P..

The Postgraduate Medical Education Committee considered the Assessment Report (03/08/2015) along with the Council Assessor's Report (May, 2012 and June, 2013) and compliance dated 12/05/2015 submitted by the college authorities and decided to recommend not to recognize MD(Radio Diagnosis) qualification for 03(Three) seats and DMRD qualification for 01 seat granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at Katuri Medical College, Guntur because of the following facts:-

1. Prescribed SAF for 2016-17 has not been used.
2. The number of following investigations was NIL on day of assessment:
 - (a) Special investigations like Ba, IVP;
 - (b) Mammography;
 - (c) CT/USG guided procedure like FNAC;
 - (d) DSA.
3. On checking the records, the number of such cases as shown in data provided could not be corroborated. Further, not a single DSA investigation has been performed in last 3 months.
4. MRI workload of the entire hospital was 11 on day of assessment which is inadequate. It is only of 0.2 Tesla.

5. Number of annexures like PNDT data, Ethics Committee minutes, CPC meetings have not been submitted.
6. Departmental archiving of teaching material like X-rays, MRI CT films is not satisfactory.
7. Details of books & journals in Departmental Library are not provided.
8. Other deficiencies as pointed out in the Assessment Report.

Seats were permitted in 2009, which have not been recognized.

In view of the above, the Postgraduate Medical Education Committee is of the considered opinion that the failure on the part of your Institution to timely rectify the deficiencies show that the standard of Postgraduate medical education is not maintained in your Institute and therefore, you are called upon to submit the reply as to why directions for stoppage of admissions in Postgraduate Courses MD (Radio-Diagnosis) and DMRD be not issued from academic year 2015-2016.

The reply to this Show-Cause must reach to the office of the Council within a period of 15 days from the issue of the Notice failing which the Council may decide the matter on the basis of available material.

Act, 1956 prospectively i.e. from the academic session 2016-2017 from 02 (two) to 04(four) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The Teaching Institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

3. Starting of MS(OBG) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (04th November 2015) on the physical and other teaching facilities available at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr.

MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Obstetric OPD is only 49 on day of assessment.
2. Obstetric Major operations are NIL on day of assessment as well as on randomly selected days.
3. Number of Caesarean Sections is only 169 in 2014 indicating daily average of < 0.5 which is inadequate.
4. Average bed occupancy in HDU is 3-4/week implying poor quality of teaching material.
5. Total deaths last year (entire hospital – 6 out of 16037 admissions and in OBGY-Nil out of 2291 admissions). This simply indicates that no serious patients were admitted or the data provided is non-genuine.
6. Total blood units used on inspection day in the entire hospital – 4 units, average daily 6 to 8 units. This is sufficient indication that no serious emergencies are admitted in the hospital and without this the training of postgraduate students is inadequate.
7. Radiological workload on inspection day is grossly inadequate (MRI-7, Barium / IVP-6, Ultrasound-56)
8. Total IPD of 2014 was 2291. However, total Major Operations+Minor Operations+Deliveries and Caesarian sections (excluding day care surgeries) were 2976 which is more than total IPD and it is not feasible. Obviously the data is non-genuine.
9. Senior Resident Dr. Parvatha Verthini with DNB qualification is not eligible. She has no 03 years experience at the time of appointment.
10. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this Office, directly within one month along with supporting documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained/ considered.

4. Starting of MD(General Medicine) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (General Medicine) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. OPD attendance on day of assessment is 93 which is inadequate. Daily average is 80-90.
2. On inspection day, bed occupancy in ICU was 60% and ICCU 60%. There were only 03 patients in Casualty till 2 pm.
3. Blood Units consumed 1 to 2 units per day.
4. Total deaths in 2014 – 2 out 3550 admissions in Medicine department and 06 out of 16037 admissions in entire hospital. This obviously indicates that

there were no serious patients admitted or the data provided is non-genuine.

5. Radiological workload was grossly insufficient for the entire hospital which was as follows:

MRI	5
CT Scan	11
IVP/Barium	Nil
Mammography	Nil
Plain X-ray	124
Ultrasound	54
FNAC	1
DSA	Nil

6. Promotion of Dr. S. Krishna Murthy, Associate Professor, Unit-II is not as per Regulations. He was promoted on 1.9.2015 after the cut off date of the transitory period without any publications and this is not as per Regulations. No reference of his two publications cited has been given.
7. Promotion of Dr. V. Sakthivadivel, Associate Prof., Unit IV is not as per Regulations. He was promoted on 23.09.2014 after the cut off date of the transitory period without any publications which is not as per Regulations. No reference of his two publications cited has been given.
8. Resultantly, Unit II and Unit IV are left with 02 faculty each and hence, they cannot be considered as PG Units.
9. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this Office, directly within one month along with supporting documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained/ considered.

5. Starting of MS(Orthopaedics) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Orthopaedics) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. OPD attendance is 95 on day of assessment which is inadequate. Average is only 84/day.
2. There was only 1 Major & 2 Minor operations on day of assessment which is inadequate.
3. Total number of patients admitted in 2014 are 1,330; however number of Major operations in 2014 are 1597 which is not feasible. There is data mismatch.

4. HOD's office seemed to be non-functional on day of assessment. There are no proper cubicles for other staff. There is no adequate area for staff offices.
5. There is no dedicated trauma center. No trauma patient was seen on day of assessment.
6. Many patients admitted were not worthy of admission; e.g. one month old operated clavicle with full range of movements admitted for Physiotherapy.
7. Previous week's record showed daily one elbow dislocation & 1 shoulder dislocation which does not appear to be convincing.
8. Promotion of Dr. Sankarlal, Asso. Prof. is not as per Regulations as he has been promoted with experience of only 2 years as Asst. Prof. against requirement of 5 y; hence he cannot be considered as faculty; resultantly there is no Asso. Prof. in Unit I & faculty complement is incomplete.
9. Total deaths in the department last year – 02 out of 1330 admissions and total deaths in the hospital – 06 out of 16037 admissions. This obviously indicates that there were no serious patients admitted or the data provided is non-genuine.
10. Radiological workload on inspection day in the entire hospital was grossly inadequate, which was as follows:

MRI	07
CT Scan	13
Ultrasound	56
Plain x-ray	129

11. Office accommodation for HOD & other faculty members is inadequate.
12. Clinical record of patients appears non-genuine.
13. No Polytrauma patients admitted despite hospital being on National Highway.
14. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this Office, directly within one month along with supporting documentary evidence. Incomplete/ without proper documents, the compliance would not be entertained/ considered.

6. Starting of MD(Community Medicine) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (05/10/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 05/06/2015 submitted by the college authorities and

decided to recommend not to recognize of MD(Paediatrics) qualification against increased intake from 01 to 02 seats granted by Sri Siddhartha University, Tumkur in respect of students being trained at Sri Siddhartha Medical College, Tumkur because of the following facts:-

1. Dr. T.S. Anand was promoted as Professor on 01.08.2015 after the cut-off date without 4 publications which is not as per the regulations. Resultantly, there is no Associate Professor in Unit 1 and it cannot be considered as PG Unit.
2. Dr. G.V. Kumar, Associate Professor was promoted on 04.04.2015 after the cut-off date without requisite publications which is not as per the regulations.
3. Dr. Ananth Narayan Gowda has been shown as Associate Professor and in the column of experience he has been shown as Assistant Professor till date, which is not feasible.
4. There is only one ventilator for PICU as well as NICU which is inadequate.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 2 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

136. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Recognition of MS(ENT) qualification for 01 seat in respect of students being trained at Deccan College of Medical Sciences, Hyderabad.

Read: the Compliance Verification Assessment Report (12-13/10/2015) along with the Council Assessor's Report (May, 2013 & August, 2014) and compliance dated 18/06/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification for 01 seat at Deccan College of Medical Sciences, Hyderabad granted by Dr. NTR University of Health Sciences, Vijayawada, A.P.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (12-13/10/2015) along with the Council Assessor's Report (May, 2013 & August, 2014) and compliance dated 18/06/2015 submitted by the college authorities and decided to recommend not to recognize MS(ENT) qualification for 01 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in

respect of students being trained at Deccan College of Medical Sciences, Hyderabad because of the following facts:-

1. There are only two major operations on the day of assessment which are inadequate. Prior to this only one Major operation was done on 7th & 8th October, 2015. These are grossly inadequate.
2. Available instruments in the department are inadequate.
3. No BERA / ABR machines available in the department.
4. Temporal Bone laboratory is inadequate.
5. Indoor patient records are poorly maintained.
6. Most of the patients (13 out of 15) were admitted in inspection day and most of them did not require admission or were wrongly diagnosed for admission.
7. The clinical material (variety of patients) including indoor and operative are inadequate.
8. The inspection site seen by me was not located in Kanchanbagh area as indicated by MCI letter. I was shown the infrastructure of process esra hospital located in Saha ali banda and was told that this is the main hospital of Deccan College. The facilities in Kanchanbagh comprised of only OPD rooms without any technical infrastructure.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Read: the minutes of the meeting of the Monitoring Sub-Committee held on 30/09/2015.

The Postgraduate Medical Education Committee considered the minutes of the meeting of the Monitoring Sub-Committee held on 30/09/2015 and decided to adjourn the matter.

138. Consideration of applications for starting of/ increase of seats in various postgraduate courses u/s 10A of the IMC Act, 1956.

Read: the matter with regard to submission of Time Bound Programme for applications for starting of/ increase of seats in various postgraduate courses u/s 10A of the IMC act, 1956.

The Postgraduate Medical Education Committee considered the matter with regard to submission of Time Bound Programme for applications for starting of/increase of seats in various postgraduate courses u/s 10A of the IMC act, 1956 and decided that the time bound programme requirement is not applicable for starting of Postgraduate courses because permission is granted only after the college fulfills all requirements at the time of starting of the course. Hence, agenda item be prepared for General Body for deletion of this requirement for PG (Broad & Super Speciality) courses.

In the meantime, applications received by now should be processed without any delay and without waiting for any time bound programme.

139. Increase of seats in MD (Psychiatry) course at Osmania Medical College, Hyderabad under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10/09/2015) and compliance dated 13/11/2015 submitted by the college authorities and noted that as per compliance submitted, there are average of 4 major and less than 2 minor operations per day, which is barely adequate for 2 seats which the college is already having.

The Postgraduate Committee further decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Ophthalmology) course at Institute of Medical Sciences & SUM Hospital, Bhubaneswar under Siksha "O" Anusandhan University Bhubaneswar u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

143. Increase of seats in MD (TB & Chest) course at Institute of Medical Sciences & SUM Hospital, Bhubaneswar under Siksha "O" Anusandhan University Bhubaneswar u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

1. On an average, there were 1.4 deliveries and 2 caesarian sections per day, which are barely adequate for two seats which the college is already having.
2. The explanation given for no death out of 5698 admission is not convincing. The department admits not only delivery cases but also patients with other diseases like Gynecological malignancies in which the death rate is significant.
3. Postgraduate Medical Education Committee noted that there are already two seats commensurate with available clinical material.
4. Other deficiencies as pointed out in the Assessment Report.

146. Increase of seats in MD (General Medicine) course at Sri Manakula Vinayagar Medical College and Hospital, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

1. Deficiency of research publications remains as it is.
2. Deficiency of faculty remains at (a) Asso. Prof.: 1. Contention of the institute that extra Professor will compensate for deficiency of Asso. Prof. is not correct as totally 4 Asso. Prof. (3 for UG + 1 for PG) are required & if Dr. Dinesh Babu is not considered because of ineligibility of publications, there would be deficiency of 1 Asso. Prof. as only 2 Professors & 2 Asso. Prof. are available against total requirement of 5 (1 Professor + 4 Asso. Prof.)
3. Other deficiencies as pointed out in the Assessment Report.

160. NIMS University, Jaipur, Rajasthan - Recognition of MD(Microbiology) qualification for 2 seats in respect of students being trained at National Institute of Medical Science & Research, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Microbiology) qualification for 2 seats at National Institute of Medical Science & Research, Jaipur granted by NIMS University, Jaipur, Rajasthan.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MD(Microbiology) qualification for 02 seats granted by NIMS University, Jaipur, Rajasthan in respect of students being trained at National Institute of Medical Science & Research, Jaipur because of the following facts:-

1. Salary of 2 Professors is less than that of AP's. They may not be coming full time.
2. Number of publications are shown higher than they are actually and some of the journals are not indexed.
3. Number of samples received per day is shown much higher than actually seen on the day of inspection. Number of plates did not match with patient's number. Records of cultures are inadequate (non-existent).
4. Autoclave are very small. Number of media available was less and there is no record of media made per day.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per

provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

163. NIMS University (Deemed University), Jaipur - Recognition of MD(Paediatrics) qualification for 04 seats in respect of students being trained at National Institute of Medical Science & Research, Jaipur.

Read: the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 23/04/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification for 04 seats at National Institute of Medical Science & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 23/04/2015 submitted by the college authorities and decided to recommend not to recognize MD (Paediatrics) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 11(2) of the IMC Act, 1956, because of the following facts:-

1. OPD on day of assessment is only 28 which is grossly inadequate.
2. Bed occupancy on day of assessment is 13% on day of assessment which is grossly inadequate.
3. Average bed occupancy is 15-20% which is grossly inadequate.
4. There is no Paediatric admission on last 2 days through Emergency.
5. Record of Specialty services in OPD was not available.
6. Space for Specialty services is inadequate.
7. Paediatric Bronchoscope & PFT are not available.
8. Child Psychologist & Health Educator are not available. Report does not match.
9. Data of investigative workload provided by institute does not match with number of patients observed in OPD & wards. There is data mismatch.
10. Details of beds occupied in PICU / NICU are not provided.
11. Specialty clinic like Paediatric Endocrinology clinic is not run.
12. Patient load (Bed occupancy) is 20% & quantity as well as quality are lacking.
13. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 164. NIMS University (Deemed University), Jaipur - Recognition of MS(Orthopaedics) qualification for 02 seats in respect of students being trained at National Institute of Medical Science & Research, Jaipur.

Read: the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (June, 2014) and compliance dated 23/04/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MS(Orthopaedics) qualification for 02 seats at National Institute of Medical Science & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (June, 2014) and compliance dated 23/04/2015 submitted by the college authorities and decided to recommend not to recognize MS(Orthopaedics) qualification for 02 seats at National Institute of Medical Science & Research, Jaipur granted by NIMS University (Deemed University), Jaipur, because of the following facts:-

1. OPD on day of assessment is 74 which is grossly inadequate.
2. Bed occupancy is 40 – 45% (i.e. 38 out of 90) on day of assessment.
3. There were only 2 Major & 2 Minor operations on day of assessment.
4. There was only 1 Blood Unit consumed till 2 p.m. on day of assessment while the institute reported 14 at 5:40 p.m. Data of Blood Bank provided by institute seem inflated.
5. There was NIL Histopathology / FNAC workload from the department on day of assessment.
6. Both Central & Departmental Libraries need to be updated. There is only 1 latest edition of standard text-book in both the libraries.
7. Data of Clinical Material provided by institute appear to be highly inflated.
8. Office staff is shared with Department of Surgery.
9. Indoor patients admitted in wards who actually required admission were 38 out of 90 beds – i.e. 45%. Rest of admitted patients were dummy patients not meriting admission.
10. OPD attendance on day of assessment at 4 p.m. was 74. At 11 a.m., it was 23 & at 12:50 p.m. it was 45.
11. One remark was that figures of Surgical load seem to be grossly inflated. Records of none of patients operated for a period of 2 weeks from 15/05/2014 to 28/05/2014 were found neither in ICU nor in wards. Explanation provided by the institute that assessor had seen Medical ICU & not Surgical ICU is not true. Both the ICUs were seen & records were checked at that time.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 1. OPD attendance was only 50 - 60 on day of assessment which is grossly inadequate.
2. Bed occupancy was only 50% on day of assessment. Many of patients were admitted for minor complaints without any justification (dummy patients).
3. There was only 1 Caesarean Section & 2 Minor operations on day of assessment. There was no other Major operation. There was nil vaginal delivery upto 4:00 P.M. on inspection day.

4. Data of clinical material provided by institute do not match with that observed by the assessor on day of assessment.
5. Dr. Vijayshree, Professor was absent on day of assessment.
6. Birth Registration details were not provided in spite of repeated requests.
7. Institute has claimed that it has started giving stipend as per rates of Govt. of Rajasthan since April 2015; the same could not be verified.
8. Records of Major surgeries of previous years were not shown in spite of repeated requests.
9. Quantity & quality of clinical material is inadequate.
10. Investigation workload did not match with OPD & IPD load on day of assessment.
11. Major Surgeries appear to be 1-2/day against claim of 20 Major & 20 Minor operations/day.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

177. Joint Surprise Check conducted at Index Medical College, Indore on 22/07/2015 – regarding.

Read: the letter dated 05/11/2015 received from the Dean, Index Medical College Hospital & Research Centre, Indore forwarding therewith a copy of Joint Surprise Check report dated 28/10/2015 received from the Superintendent, CBI/ ACB/ Bhopal.

The Postgraduate Medical Education Committee considered the letter dated 05/11/2015 received from the Dean, Index Medical College Hospital & Research Centre, Indore forwarding therewith a copy of Joint Surprise Check report dated 28/10/2015 received from the Superintendent, CBI/ ACB/ Bhopal and noted the following:-

"It is to inform that during joint surprise check certain irregularities were observed in the college as per the Joint Surprise Check (JSC) Memo dated 22.07.2014. But sufficient evidence could not be found against the officials of MCI who had recommend to

start/enhance seats in PG(MD/MS) courses for academic session 2014-15 in your college. Therefore, the matter was closed as per orders of the competent authority."

178. NIMS University (Deemed University), Jaipur - Recognition of MD (Radio-Diagnosis/ Radiology) qualification for 01 seat in respect of students being trained at National Institute of Medical Science & Research, Jaipur.

Read: the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (June, 2014) and compliance dated 23/04/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD (Radio-Diagnosis/ Radiology) qualification for 01 seat at National Institute of Medical Science & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (June, 2014) and compliance dated 23/04/2015 submitted by the college authorities and decided to recommend not to recognize MD (Radio-Diagnosis/ Radiology) for 01 seat at National Institute of Medical Science & Research, Jaipur granted by NIMS University (Deemed University), Jaipur because of the following facts:-

1. Patient entry register is not maintained. Only online data was shown to the Assessor and online workload data given by college authorities was not convincing.
2. Further, with inadequate OPD, IPD as reported in Paediatrics, Orthopaedics and OBGY reports, the radiological workload data as provided by the college authorities (mentioned below) is not feasible:

Barium study	-	48-50 per day.
IVP	-	28-32 per day
MRI	-	34-38 per day
CT Scan	-	50-56 per day
Mammography	-	22-25 per day
Daily Ultrasound	-	230-240
3. No compliance is submitted by the college authorities with regard to remarks observed in reports of Anaesthesia and Orthopaedics.
4. Promotion of Dr.Dinesh Gupta is not as per regulations. He was Asstt. Prof. for 4 years 6 months against the requirement of 5 years and he has no publications to his credit.
5. Dr. Reena Gupta, Sr.Resident with DNB qualification is not eligible. She does not have 3 years experience at the time of appointment as Sr. Resident.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 179. NIMS University (Deemed University), Jaipur - Recognition of MD (Pathology) qualification for 02 seats in respect of students being trained at National Institute of Medical Science & Research, Jaipur.

Read: the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 23/04/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD (Pathology) qualification for 02 seats at National Institute of Medical Science & Research, Jaipur granted by NIMS University (Deemed University), Jaipur.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (18/11/2015) along with the Council Assessor's Report (May, 2014) and compliance dated 23/04/2015 submitted by the college authorities and decided to recommend not to recognize MD (Pathology) qualification for 02 seats at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 11(2) of the IMC Act, 1956, because of the following facts:-

1. Pathological postmortems are not performed.
2. No compliance is submitted with regard to remarks observed in reports of Anaesthesia and Orthopaedics.
3. Deficiency of Tutors: 2.
4. Four publications cited are all case reports and they cannot be accepted as Research publications. Resultantly, there are no publications from the department in last 3 years.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 180. Increase of seats in MD (Radio-Diagnosis) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (18th November 2015) on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Radio-Diagnosis) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Patient entry register is not maintained in the department. Only online data was shown to the Assessor, which is not convincing.
2. As per information provided by college authorities (page 26 of SAF) daily investigative workload was as follows:

Barium study	-	48-50 per day.
IVP	-	28-32 per day
MRI	-	34-38 per day
CT Scan	-	50-56 per day
Mammography	-	22-25 per day
Daily Ultrasound	-	230-240

50 – 56 CT scans daily on one machine and 34-38 MRI on one machine are not feasible (2nd machines are yet not installed and functional). Similarly, daily 48-50 Barium studies and 28-32 IVP are not feasible. Even otherwise Ba studies & IVP are sparingly done these days.

3. Further, with inadequate OPD / IPD as reported in Paediatrics, OBGY and Orthopaedic reports, the above mentioned Radiological investigative data is all the more not feasible.
4. Promotion of Dr.Dinesh Gupta is not as per regulations. He was Asstt. Prof. for 4 years 6 months against the requirement of 5 years and he has no publications to his credit.
5. Dr.Reena Gupta, Sr.Resident with DNB qualification is not eligible. She has not 3 years experience at the time of appointment as Sr. Resident.
6. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this office, directly within one month along with supporting documentary evidence. Incomplete/without proper documents, the compliance would not be entertained /considered.

181. Increase of seats in MD (Pathology) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the Council Assessor's Report (18th November 2015) on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Pathology) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Workload of US guided FNAC and CT guided FNAC in 2015 is shown as 2610 and 144 in this report while in report of Radio-diagnosis, it is shown as 2845 and 150, respectively. This is data mismatch.
2. While Gynae OT showed 8 TAH surgeries, only 4 specimens could be located in Histopathology. Further, the Assessor for OBGY noted Nil surgery on the same day.
3. There was Nil CT guided FNAC and Nil USG guided FNAC on the day of Assessment. This does not match with average of more than nine US guided FNAC claimed by the Institute.
4. Specimens reported as Thyroid Callord Goiter were actually those of prostatic benign Hyperplasia. This kind of error is not acceptable in a teaching institution.
5. Many samples were reported as serious otitis media – a questionable tissue.
6. No routine IHC for diagnostic purpose is being done.
7. Academic parameters like group discussion (18/ year) are inadequate.
8. There is a mismatch in number of Histopathology specimens received and reports issued as detailed below:

Nature of Specimens.	2013	2014	2015 Jan. to Sept.)
1. Total specimens received for Histopathological examination.			
Organ / Part of organ / Tissue removed after surgery	6777	12966	10084
Excision Biopsies	924	1680	1332
Endometrial Biopsies	3441	3081	2609
FNAC(Direct)	7872	9152	6998
FNAC (CT guided)	150	177	144
FNAC (USG guided)	2850	3368	2610
TOTAL	22014	30424	23777
2. Total Reports (Nature of Diseases including normal tissue reported).			
Malignancies	118	194	148
Tuberculosis	24	18	30
Other Infections / inflammations	4062	5860	3801
Normal Tissue	4928	6530	7168
Other (specify) Benign and other non-specific lesions	2010	5362	2878
TOTAL	11142	17964	14025
It is evident from above that Reports issued are 45-50% of total specimens received where the remaining specimens have gone and why reports were not issued on them. Obviously the Data supplied is non-genuine.			

9. Four publications cited are all case reports cannot be accepted since they are not research publications.
10. Other deficiencies as pointed out in the Assessment Report.

In case, the college authorities wish to submit any compliance, the same should reach this office, directly within one month along with supporting documentary evidence. Incomplete/without proper documents, the compliance would not be entertained/considered.

182. Application for recognition of teaching experience at MAMC, Agroha for promotion to the post of Associate Professor in a Medical College – regarding.

Read: the letter dated 08/10/2015 received from Dr. Rameshwari Thakur, Assistant Professor, Microbiology, Muzaffarnagar Medical College & Hospital, Muzaffarnagar with regard to recognition of teaching experience at MAMC, Agroha for promotion to the post of Associate Professor in a Medical College.

The Postgraduate Medical Education Committee considered the letter dated 08/10/2015 received from Dr. Rameshwari Thakur, Assistant Professor, Microbiology, Muzaffarnagar Medical College & Hospital, Muzaffarnagar with regard to recognition of teaching experience at MAMC, Agroha for promotion to the post of Associate Professor in a Medical College and noted that Maharaja Agrasen Institute of Medical Sciences, Agroha (Hissar) was started by Government of Haryana in 1988 (Before 10A came in to existence). The students admitted, studied at Government Medical College, Rohtak (now named Pt. B.D. Sharma PGIMS, Rohtak) as guest students. They were shifted to Agroha in 1996. In 1999, the management of Agroha Medical College decided to close the college and the students studying there (3 batches) were shifted to Pt. B.D. Sharma PGIMS, Rohtak by Medical Council of India. Pt. B.D. Sharma PGIMS, Rohtak applied for increase in their admission capacity from 115 to 150 and for 3 years no extra students were admitted so as to adjust the 3 batches transferred from Agroha. The institute has now been restarted in the year 2000 with prior LOP under section 10A from MCI.

Postgraduate Medical Education Committee has been counting the experience gained at Agroha during the period under reference, while scrutinizing their reports under 10A for starting of P.G. courses in various subjects this year.

Dr. Rameshwari Thakur worked at Agroha (as per certificate of Dean) from 26/02/1997 to 21/09/1998. This period is countable as teaching experience. She may be intimated accordingly.

Meeting ended with a vote of thanks to the Chair.
