MEDICAL COUNCIL OF INDIA

POSTGRADUATE MEDICAL EDUCATION COMMITTEE

Minutes of the Postgraduate Medical Education Committee meeting held on 22nd December, 2015 at 11.00 A.M. in the Office of the Medical Council of India, Pocket-14, Sector-8, Dwarka, New Delhi.

Present:

1.	Dr. S.B. Siwach	Chairman, Former Director, Pandit B D Sharma PGI, Rohtak, Haryana
2.	Dr. Datteswar Hota	Professor & HoD, SCB Medical College & Hospital, Cuttack, Orissa
3.	Dr. Deelip Govindrao Mhaisekar	Professor & HoD, Dr. Shankarrao Chavan Govt. Medical College, Vazirabad, Dist. Nanded, Maharashtra
4.	Dr. K S Sharma	Director Academics, Director, Edu. (TMC) & Prof. & HoD, Deptt. of Anaesthesia, Tata Memorial Centre, Mumbai
5.	Dr. Silvano CA Dias Sapeco	Professor & HoD, Deptt. Of Forensic Medicine, Goa Medical College, Bambolim, Goa
6.	Dr. Vora Nitin Sumanchandra	Dean, GMERS Medical College Sola, Near New Gujarat High Court, Sola, S.G. Highway, Ahmedabad, Gujarat-380061
7.	Dr. (Mrs.)Rani Bhaskaran	President, Travancore-Cochin Medical Council, Thiruvanantha puram

Dr. Reena Nayyar, Secretary I/c

The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Prof. (Dr.) Dhruba Jyoti Borah, Member, Dr. Raja Babu Panwar, Member.

1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.

The minutes of the Postgraduate Medical Education Committee meeting held on 11/12/2015 were read out and confirmed in the meeting itself.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

3. Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - Recognition of MS(General Surgery) qualification against increased intake from 04 to 05 seats in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MS(General Surgery) qualification against increased intake from 04 to 05 seats at Mahatma Gandhi Medical College and Hospital, Jaipur granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend to the Central Government that MS(General Surgery) qualification against increased intake from 04 to 05 seats granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

4. Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - Recognition of MD(Psychiatry) qualification against increased intake from 01 to 02 seats in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Psychiatry) qualification against increased intake from 01 to 02 seats at Mahatma Gandhi Medical College and Hospital, Jaipur granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MD(Psychiatry) qualification against increased intake from 01 to 02 seats granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur because of the following facts:-

1. Prescribed SAF has not been used.
2. Although 15 publications are mentioned in indexed journals not a single one of it is in Zonal / National or International Psychiatry Journals.
3. On random checking, most cases of female psychiatry ward were admissions done in last few days only.
4. On random checking of indoor case sheet of a female patient, she was recorded to be admitted on 17/06/2015 and was prescribed antidep and artise medicines, there was no note on 18/06/2015 and on 19/06/2015 day of inspection she was prescribed completely different medicines without any rational explanation noted for the change.
5. Similarly on random checking of a male patient, his case file showed him to be a chronic bipola mood disorder patient but on clinical examination, it could not be corroborated.
6. No record was available of interdepartmental psychiatric references.
7. All the above deficiencies indicate that clinical material is not-genuine.

8. Disability certification is not done at this institute so students (PGs) exposure to medico-legal psychiatry or Forensic Psychiatry is lacking.
9. There is no community psychiatry help line.
10. No participation in National Mental Health Programme.
11. No faculty table in SAF - left blank.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 2 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

5. Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - Recognition of MS(ENT) qualification against increased intake from 01 to 02 seats in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification against increased intake from 01 to 02 seats at Mahatma Gandhi Medical College and Hospital, Jaipur granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MS(ENT) qualification against increased intake from 01 to 02 seats granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur because of the following facts:-

1. Prescribed SAF has not been used.
2. Workload of operations like Laryngectomy, Laryngo/Tracheoplasty, Rhinoplasty is NIL during last 3 years & that of Angiofibroma, Maxillectomy is only 1 during the same period.
3. Academic parameter like Group Discussions (13/year) is inadequate.
4. Total IPD: 2393, Total major operations 1924, minor 4205. Some of the minor operations also need admissions. It means no other patients (non-surgical) are admitted, which is not feasible.
5. Promotion of Dr. Navneet Gangwar, Associate Professor is not as per regulations. He has been Asst. Professor for 4 years. Out of his 3 publications cited, one is a case report, one review article in 2014 and 3rd publication is in 2014. (Both outside his promotion period)
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 2 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

6. Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - Recognition of MD(Biochemistry) qualification for 1 seat in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Biochemistry) qualification for 1 seat at Mahatma Gandhi Medical College and Hospital, Jaipur granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MD(Biochemistry) qualification for 1 seat granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur because of the following facts:-

1. There is only one medical faculty and four non-medical, which is not permissible. (More than 50% non-medical)
2. Academic Parameters – Group Discussions: 5 only, which is inadequate.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 1 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely,

prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

7. Kerala University of Health Sciences, Thrissur - Recognition of MD(Pharmacology) qualification for 4 seats in respect of students being trained at Government Medical College, Thrissur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pharmacology) qualification for 4 seats at Government Medical College, Thrissur granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MD(Pharmacology) qualification for 4 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thrissur because of the following facts:-

1. Research Laboratory / PG Laboratory is not well developed.
2. Equipment like HPLC is not available independently in the department. HPLC is shared with Biochemistry.
3. Clerical staff is not available.
4. There are NIL publications from the department in indexed journals in last 3 years.
5. Details of Academic parameters are not given.
6. There are no details about examination and part-III of SAF is left blank.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 4 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

8. Maharashtra University of Health Sciences, Nashik - Recognition of MS(Orthopaedics) qualification for 2 seats in respect of students being trained at Govt. Medical College, Latur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MS(Orthopaedics) qualification for 2

seats at Govt. Medical College, Latur granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MS(Orthopaedics) qualification for 2 seats granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Govt. Medical College, Latur because of the following facts:-

1. Prescribed SAF has not been used.
2. Deficiency of faculty: (a) Asso. Prof.: 1.
3. The date of joining of PGs was delayed beyond 31/05 in the respective year of admission; however M.S. examination is held before completion of the requisite time period.
4. Unit I has no Asso. Prof.; Also, it has only 2 faculty; hence faculty complement is incomplete & it cannot be considered as PG Unit.
5. Experience details of Dr. S.K. Gawali, DNB, Asso. Prof. in Unit II have not been provided; hence it cannot be verified whether he is eligible to hold the post or not.
6. Specialty clinics like CTEV clinic, Hand clinic are not run.
7. Knee Replacement services are not available.
8. Major operations are more than IPD in the year 2012-13, which is not feasible.
9. No Senior Resident is eligible. None had 3 years experience at the time of appointment as Senior Resident.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

9. West Bengal University of Health Sciences, Kolkata - Recognition of MD(Physiology) qualification against increased intake from 03 to 04 seats in respect of students being trained at North Bengal Medical College, Darjeeling.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Physiology) qualification against increased intake from 03 to 04 seats at North Bengal Medical College, Darjeeling granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MD(Physiology) qualification against increased intake from 03 to 04 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at North Bengal Medical College, Darjeeling because of the following facts:-

1. Deficiency of faculty: (a) Tutor: 3.
2. Clerical staff is not available.
3. In Central Library, there is NIL Indian & only 1 foreign journal of Physiology.
4. Central Research Laboratory is not available.
5. Yoga Laboratory is not available.
6. Animal House is not available.
7. No Museum.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

10. Kerala University of Health Sciences, Thrissur - Recognition of DGO qualification for 2 seats in respect of students being trained at Academy of Medical Sciences, Pariyaram, Kannur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of DGO qualification for 2 seats at Academy of Medical Sciences, Pariyaram, Kannur granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize DGO qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Academy of Medical Sciences, Pariyaram, Kannur because of the following facts:-

1. OPD on day of assessment is 98 which is inadequate.
2. There were only 2 Major Gynaecological operations and one normal delivery on day of assessment.
3. There were only 166 Minor operations in 2014 implying daily average of < 0.5 which is inadequate.
4. Gynaecological OPD is only 28/ day.

5. Details of beds occupied in HDU on day of assessment are not provided.
6. Details of Specialty clinic like High Risk Pregnancy clinic are not provided.
7. Prenatal diagnostic services are not available.
8. Equipment like Hysteroscope, Laparoscope, Infusion Pumps are not available.
9. Academic parameter like Journal Club (12/year), Group Discussions (12/year) are not available.
10. Total IPD (2014) – 3944; Major operations+Deliveries – 4342. This is not feasible. Data is non genuine.
11. Publications nil. 9 publications quoted are all case reports, which cannot be considered.
12. Death nil out of 4121 admissions, which indicate no complicated deliveries are handled.
13. No senior resident in unit I. Senior resident in unit II is not eligible. He has no 3 years experience. Senior resident in unit 3 with DGO qualification is not eligible.
14. SAF part III left blank. No details of exam provided.
15. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

11. Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - Recognition of MD(Paediatrics) qualification against increased intake from 02 to 04 seats in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 02 to 04 seats at Mahatma Gandhi Medical College and Hospital, Jaipur granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend to the Central Government that MD(Paediatrics) qualification against increased intake from 02 to 04 seats granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

12. The Tamil Nadu Dr. M.G.R. Medical College University, Chennai - Renewal of recognition of Diploma in Ophthalmology qualification against the increased intake from 3 to 4 seats in respect of students being trained at Institute of Ophthalmology Joseph Eye Hospital, Tiruchirapalli.

Read: the Council Assessor's Report (April, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of Diploma in Ophthalmology qualification against the increased intake from 3 to 4 seats at Institute of Ophthalmology Joseph Eye Hospital, Tiruchirapalli granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2015) and decided to recommend to the Central Government that recognition of Diploma in Ophthalmology qualification against the increased intake from 3 to 4 seats granted by The Tamil Nadu Dr. M.G.R. Medical College University, Chennai in respect of students being trained at Institute of Ophthalmology Joseph Eye Hospital, Tiruchirapalli be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

13. Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - Recognition of MD(General Medicine) qualification against increased intake from 04 to 06 seats in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification against increased intake from 04 to 06 seats at Mahatma Gandhi Medical College and Hospital, Jaipur granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 04 to 06 seats granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

14. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of DM(Cardiac Anesthesiology) qualification for 02 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Cardiac Anesthesiology) qualification for 02 seats at Amrita School of Medicine, AIMS, Kochi granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Cardiac Anesthesiology) qualification for 02 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

15. Maharashtra University of Health Sciences, Nashik - Recognition of MD(Radiodiagnosis) qualification and DMRD Qualification for 2 seats each in respect of students being trained at Dr Vaishampayan Memorial Medical College, Solapur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radiodiagnosis) qualification and DMRD Qualification for 2 seats each at Dr Vaishampayan Memorial Medical College, Solapur granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Radiodiagnosis) qualification and DMRD Qualification for 2 seats each granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Dr Vaishampayan Memorial Medical College, Solapur because of the following facts:-

1. Prescribed SAF has not been used.
2. Out of 5 Senior Residents, 3 are with MBBS qualification only and they do not possess 3 years experience in the department of medical college. Dr. Jeevan Jadhav is DMRD but does not possess additional 1 year experience as Resident. Dr. Sachin Pore is DMRE from CPS, Mumbai which is not a recognized qualification and therefore can be considered as MBBS only but does not have 3 years experience in the department in a medical college.
3. Resultantly, none of the Senior Residents is eligible to hold the post.
4. Out of 3 publications given in the list, 2 are case reports; hence there is only 1 publication from the department in indexed journals in last 3 years.
5. Investigative workload of inspection day not given.
6. Static X-ray machine – 5, required 6
7. Deficiency of Faculty: Assoc. Professor-1 and Senior Resident – 4
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats each for Degree and Diploma after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior

permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

16. Maharashtra University of Health Sciences, Nashik - Renewal of recognition of MD(Pharmacology) qualification for 2 seat in respect of students being trained at Govt. Medical College, Miraj.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Pharmacology) qualification for 2 seat at Govt. Medical College, Miraj granted by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to renew the recognition of MD(Pharmacology) qualification for 2 seat granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Govt. Medical College, Miraj because of the following facts:-

1. Blood Component Separation facility is not available.
2. Clinical Pharmacology laboratory is not available.
3. Dr. Pore Shradha Milind: Shown as demonstration 1999 to 2001 and 2012 till date. At the same time shown Asstt. Prof. For 1998 to 2004 & Associate Prof. 2004 to 2012. How she can be Demonstrator & Asstt. Professor during the same period. She was examiner also. How can she be Demonstrator after she was Assoc. Professor.
4. There are no tutors.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

“...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

17. West Bengal University of Health Sciences, Kolkata - Recognition of DM(Cardiology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Medical College, Kolkata.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Cardiology) qualification against increased intake from 02 to 03 seats at Medical College, Kolkata granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Cardiology) qualification against increased intake from 02 to 03 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Medical College, Kolkata be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

18. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of M.Ch. (Neurosurgery) qualification against increased intake from 01 to 02 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of M.Ch. (Neurosurgery) qualification against increased intake from 01 to 02 seats at Amrita School of Medicine, AIMS, Kochi granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that M.Ch. (Neurosurgery) qualification against increased intake from 01 to 02 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

19. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of DM(Nephrology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Nephrology) qualification against increased intake from 02 to 03 seats at Amrita School of Medicine, AIMS, Kochi granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Nephrology) qualification against increased intake from 02 to 03 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

20. West Bengal University of Health Sciences, Kolkata - Recognition of DM(Endocrinology) qualification for 2 seats in respect of students being trained at Medical College, Kolkata.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Endocrinology) qualification for 2 seats at Medical College, Kolkata granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Endocrinology) qualification for 2 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Medical College, Kolkata be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

21. West Bengal University of Health Sciences, Kolkata - Recognition of DM(Neurology) for 2 seats in respect of students being trained at Burdwan Medical College, Burdwan.

Read: the Council Assessor's Report (August, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Neurology) for 2 seats at Burdwan Medical College, Burdwan granted by West Bengal University of Health Sciences, Kolkata.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (August, 2015) and decided to recommend to the Central Government that DM(Neurology) for 2 seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at Burdwan Medical

College, Burdwan be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

22. Kerala University of Health Sciences, Thrissur - Recognition of MD(DVL) qualification against increased intake from 01 to 02 seats in respect of students being trained at Academy of Medical Sciences, Pariyaram, Kannur.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(DVL) qualification against increased intake from 01 to 02 seats at Academy of Medical Sciences, Pariyaram, Kannur granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MD(DVL) qualification against increased intake from 01 to 02 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Academy of Medical Sciences, Pariyaram, Kannur because of the following facts:-

1. There are only 2 research publications from the department in indexed journals in last 3 years. Rest in the list are review article or case reports.
2. Workload of LASER procedures is NIL over a period of last 3 years.
3. LASER procedures for Hair reduction, Scar revision, pigment removal are not provided.
4. Details of Theory Classes for PGs are not provided.
5. Academic parameter like Journal Clubs (20/year) is inadequate.
6. IPD for last 3 Year:

I	II	III
269	220	265

Which means less than one admission per day.

7. Inspection Day occupancy - $22/37 = 59\%$
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 2 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely,

prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

23. H. N. B Garhwal University, Uttarakhand - Recognition of MD (Anaesthesia) qualification for 1 seat in respect of students being trained at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD (Anaesthesia) qualification for 1 seat at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun granted by H. N. B Garhwal University, Uttarakhand.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD (Anaesthesia) qualification for 1 seat granted by H. N. B Garhwal University, Uttarakhand in respect of students being trained at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun because of the following facts:-

1. Dr. Neha Mehra, Senior Resident has been appointed straightaway as Senior Resident after DNB without showing any experience of 3 years as Resident in Medical College.
2. Dr. Puneet Banga, Senior Resident has been appointed straightaway as Senior Resident after DA without showing any additional experience of 1 year as Resident in Medical College.
3. Dr. N.K. Kothiyal, Senior Resident has been appointed straightaway as Senior Resident after DA without showing any additional experience of 1 year as Resident in Medical College.
4. Dr. Jyoti Shukla, Senior Resident has been appointed straightaway as Senior Resident after DA without showing any additional experience of 1 year as Resident in Medical College.
5. Dr. A.S. Negi, Senior Resident has been appointed straightaway as Senior Resident after DA without showing any additional experience of 1 year as Resident in Medical College.
6. Details of beds occupied in ICUs on day of assessment are not provided.
7. Average number of major operations are shown as 29/day; however average attendance at Pre-Anaesthesia clinic is shown as 24/day. No explanation is provided for this dichotomy.
8. MRI workload on day of assessment is only 12.
9. Academic parameters like Journal Clubs (18/year), Case presentations (18/year), Group Discussions (20/year) are inadequate.
10. Dr. Dhananjay Kumar was Asstt. Professor for 02 months only.
11. Experience details of Brig. Vinay Rai have not been provided. There is no certificate from the Competent Authority of the office of DGAFMS about his places of posting as Graded Specialist, Classified Specialists and Advisor without which his equated academic rank cannot be calculated.
12. Experience details of Dr. Gurdeep Singh have not been provided. There is no certificate from the Competent Authority of the office of DGAFMS about his places of posting as Graded Specialist, Classified Specialists and Advisor without which his equated academic rank cannot be calculated.
13. Faculty deficiency: Associate Professor - 2.
14. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central

Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

24. Kerala University of Health Sciences, Thrissur - Recognition of MS(General Surgery) qualification for 2 seats in respect of students being trained at Dr. Somervel Memorial CSI Hospital & Medical College, Karakonam, Thiruvananthapuram.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MS(General Surgery) qualification for 2 seats at Dr. Somervel Memorial CSI Hospital & Medical College, Karakonam, Thiruvananthapuram granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MS(General Surgery) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Dr. Somervel Memorial CSI Hospital & Medical College, Karakonam, Thiruvananthapuram because of the following facts:-

1. Average daily workload of Pathology has decreased from 96 in 2012-2013 to 40 in 2014-2015.
2. Total OPD attendance has decreased from 58,500 in 2012-2013 to 56,654 in 2014-2015.
3. MRI workload for the whole hospital is only 13 on day of assessment.
4. CSSD is not available.
5. No experience as Resident in Medical College is shown in respect of Dr. A.D. Mangaldass shown as Senior Resident who possesses MBBS qualification.
6. Dr. E.J. Dev shown in Unit IV is Asso. Prof. of Neurosurgery and hence cannot be considered as faculty of General Surgery; Resultantly, there are only 2 faculty in Unit IV and it cannot be considered as PG Unit.
7. Dr. A.D. Ashok, MBBS, Senior Resident possesses only 2 years experience as Resident in Medical College; hence not eligible to hold the post.
8. Details of beds occupied in SICU on day of assessment are not provided.
9. There are only 2 publications from the department in indexed journals in last 3 years.
10. Academic parameter like Clinical Seminar (12/year) is inadequate.
11. IPD last year (2014) = 34992, which means 117 Admissions per day on 120 Beds which is not feasible.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in

accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

25. Kerala University of Health Sciences, Thrissur - Recognition of MD(Pathology) qualification for 1 seat in respect of students being trained at Dr. Somervel Memorial CSI Hospital & Medical College, Karakonam, Thiruvananthapuram.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification for 1 seat at Dr. Somervel Memorial CSI Hospital & Medical College, Karakonam, Thiruvananthapuram granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MD(Pathology) qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Dr. Somervel Memorial CSI Hospital & Medical College, Karakonam, Thiruvananthapuram because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 1; (2) Tutor: 2.
2. Details of investigations done on day of assessment are not provided in the workload of Central laboratory at § 6 of Part I.
3. Although Annual specimens processed for Surgical Pathology has increased from 4,011 in 2012-2013 to 4,506 in 2014-2015, daily average of Histopathological workload has remained constant at 14 during the same period. There is data mismatch.
4. Pathological post-mortems are not performed.
5. Workload of investigation like TT, Serum Folate, Vit B 12 is not shown. That of Bone Marrow Biopsy is only 07/year which is inadequate.
6. In Blood bank, the number of units collected is only 1,252 while the number of units issued is 1,764. It is not shown how such a wide gap has been met with.
7. Academic parameters like Clinical seminars (10 in no.), Journal Clubs (13/year) are inadequate.
8. Candidates appearing at M.D. examination have not sent any paper for publication.
9. Only one publication during last 3 years. Out of 3 quoted, one is ophthalmology publication, which is not related to Pathology.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in

accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

26. Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi - Recognition of DM(Cardiology) qualification against increased intake from 04 to 05 seats in respect of students being trained at Amrita School of Medicine, AIMS, Kochi.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Cardiology) qualification against increased intake from 04 to 05 seats at Amrita School of Medicine, AIMS, Kochi granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Cardiology) qualification against increased intake from 04 to 05 seats granted by Amrita Vishwa Vidyapeetham University, Coimbatore, Kochi in respect of students being trained at Amrita School of Medicine, AIMS, Kochi be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

27. Kerala University of Health Sciences, Thrissur - Renewal of recognition of MS(Ophthalmology) qualification for 2 seats and recognition against increased intake from 03 to 06 seats in respect of students being trained at Government Medical College, Thrissur.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MS(Ophthalmology) qualification for 2 seats and recognition against increased intake from 03 to 06 seats at Government Medical College, Thrissur granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that recognition of MS(Ophthalmology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thrissur be renewed.

The Committee further decided to recommend to the Central Government that MS(Ophthalmology) qualification against increased intake from 03 to 06 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thrissur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

28. Kerala University of Health Sciences, Thrissur - Recognition of DM(Cardiology) qualification for 2 seats in respect of students being trained at T.D. Medical College, Alappuzha.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Cardiology) qualification for 2 seats at T.D. Medical College, Alappuzha granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize DM(Cardiology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at T.D. Medical College, Alappuzha because of the following facts:-

1. There is only 1 Unit with 45 beds which is not as per Regulations.
2. At item 6 of Departmentwise bed strength in Part I on P. 4, department of Cardiology is shown to be having 36 beds + 9 ICU beds; In Part II on P. 11, it is shown as having 45 beds in ward & 18 in ICU. No explanation is given for this dichotomy.
3. Dr. Shaji Alex, Senior Resident does not have 3 years experience as Resident in a medical college; hence he cannot be considered as Senior resident; resultantly there is shortage of (a) Senior Resident: 1.
4. Subair Kunju is only MBBS. He cannot be appointed lecturer.
5. Details of only two examiners provided.
6. Following not available:
 - a. Laundry
 - b. Incinerator
 - c. Medical record section not computerized.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

29. Kerala University of Health Sciences, Thrissur - Recognition of MD(Social & Preventive Medicine / Community Medicine) qualification for 2 seats in respect of students being trained at T.D. Medical College, Alappuzha.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Social & Preventive Medicine / Community Medicine) qualification for 2 seats at T.D. Medical College, Alappuzha granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MD(Social & Preventive Medicine / Community Medicine) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at T.D. Medical College, Alappuzha because of the following facts:-

1. The following faculty cannot be considered due to reasons mentioned thereat:

#	Name	Designation	Reason for Not Considering
1	Dr. R.S. Nisha	Asso. Prof.	Period from 30/07/1992 to 16/07/2001 shown as Lecturer is actually non-teaching experience. Promoted as Asso. Prof. with experience of only 10 months as Asst. Prof. against 5 years required. Passed MD in 2001, hence, cannot be Lecturer from 1992.
2	Dr. Sajith Kumar	Asso. Prof.	Completed M.D. in June 2003 but 8 years' teaching experience of Lecturer before this date without any proof. Promoted as Asso. Prof. with experience of only 4 years 5 months as Asst. Prof. against 5 years required.
3	Dr. Rathesh	Asst. Prof.	Present on 1 st day of assessment; Absent on 2 nd day without informing any one; He has not signed & not got verified any document in D.F.
4	Dr. V.S. Viswakhal	Asst. Prof.	Appeared for UG assessment at Manjeri on 05/01/2015 & again on 20/04/2015.
5	Dr. Lakshmi Mohan	LMO	Actually an Asst. Surgeon under DHS & not on payroll of college under Dean
6	Dr. Cheryl B.K.	LMO	Actually an Asst. Surgeon under DHS & not on payroll of college under Dean
7	Dr. Sulekha Rani	PG	Completing tenure on day of assessment
8	Dr. S. Krishnan	PG	Completing tenure on day of assessment

2. PG Research laboratory is not adequately equipped.

3. There are NIL journals related with department both in Central & Departmental libraries. List of books pertaining to department purchased in last 3 years was not provided to assessor in spite of repeated requests.
4. RHTC: Mess is not available. No Biomedical Waste Disposal principles are followed for waste disposal.
5. UHC: After routine hours, interns are managing OPD & other emergencies unsupervised which is not permissible. No Biomedical Waste Disposal principles are followed for waste disposal.
6. Central research Laboratory does not exist.
7. There is no Statistician.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

30. Kerala University of Health Sciences, Thrissur - Recognition of DDVL qualification for 1 seat in respect of students being trained at Amala Institute of Medical Sciences, Thrissur.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DDVL qualification for 1 seat at Amala Institute of Medical Sciences, Thrissur granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize DDVL qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Amala Institute of Medical Sciences, Thrissur because of the following facts:-

1. Specialty clinics are run with regular OPD & not separately.
2. Academic parameter like Group Discussions (15/year) is inadequate.
3. Yearly IPD:

2012	2013	2014
308	319	509

Which means, 1 to 1.5 admissions per day, which is inadequate.

4. 4 Publications quoted are all case report and cannot be considered.

5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

31. Padamshree Dr. D.Y. Patil University, Navi Mumbai - Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 03 seats at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MS(Ophthalmology) qualification against increased intake from 02 to 03 seats granted by Padamshree Dr. D.Y. Patil University, Navi Mumbai in respect of students being trained at Padamshree Dr. D.Y. Patil Medical College, Navi Mumbai because of the following facts:-

1. Total number of patients in OPD has decreased from 61,910 in 2012 to 58,091 in 2014.
2. Total number of Major operations has decreased from 3,169 in 2012 to 2,548 in 2014.
3. Departmental Statistics are not properly maintained.
4. Academic schedule is not prepared.
5. Academic parameters like Clinical Seminars (11/year), Journal Clubs (07 in no.), Case Presentations (16/year), Group Discussions (11/year) are inadequate.
6. No details are given for any Senior Resident.
7. No details are given regarding payment of stipend to Residents at rates prescribed by Govt. of Maharashtra.
8. Dr. A.J. Khakhani was absent on the day of Assessment.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 3 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of

Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

32. Dr. D. Y. Patil Vidyapeeth (Deemed University) Pimpri, Pune - Renewal of recognition of Diploma in Ophthalmology qualification for 2 seats in respect of students being trained at Padmashree Dr. D. Y. Patil Medical College & Research Centre, Pimpri, Pune.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of Diploma in Ophthalmology qualification for 2 seats at Padmashree Dr. D. Y. Patil Medical College & Research Centre, Pimpri, Pune granted by Dr. D. Y. Patil Vidyapeeth (Deemed University) Pimpri, Pune.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to renew the recognition of Diploma in Ophthalmology qualification for 2 seats granted by Dr. D. Y. Patil Vidyapeeth (Deemed University) Pimpri, Pune in respect of students being trained at Padmashree Dr. D. Y. Patil Medical College & Research Centre, Pimpri, Pune because of the following facts:-

1. Publications quoted: 61 (SAF page 3) and 33 on page 18 Sl. No. 20. This is data mismatch. No full reference/ reprints of any of them provided.
2. No mention about stipend.
3. Promotion of Mahesh Gauri Rupali, Associate Professor is not as per regulations. She was Asst. Professor for 4 years 2 months against the requirement of 5 years. She has no publications. Resultantly, no Associate in Unit I
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

“...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

33. MJP Rohilkhand University, Bareilly, U.P. - Recognition of MD(Pathology) qualification and DCP qualification for 1 seat each in respect of students being trained at Rohilkhand Medical College & Hospital, Barielly.

Read: the Council Assessor's Report (April, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification and DCP qualification for 1 seat each at Rohilkhand Medical College & Hospital, Barielly granted by MJP Rohilkhand University, Bareilly, U.P..

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2015) and decided to recommend not to recognize MD(Pathology) qualification and DCP qualification for 1 seat each granted by MJP Rohilkhand University, Bareilly, U.P. in respect of students being trained at Rohilkhand Medical College & Hospital, Barielly because of the following facts:-

1. Promotion of Dr. Ranjan Agrawal, Professor is not as per Regulations as he has been promoted as Asso. Prof. with experience of only 2 years 6 months as Asst. Prof. in recognized medical colleges in India. His experience at Manipal Institute of Medical Sciences, Pokhara, Nepal cannot be considered.
2. Resultantly there is deficiency of faculty: (a) Asso. Prof.: 1.
3. Workload of investigation like TT is NIL.
4. Workload of CT guided FNAC is only 21 in a year.
5. Pathological post-mortems are not performed.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat each for degree and diploma after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

34. MJP Rohilkhand University, Bareilly, U.P. - Recognition of MD(Skin & VD) qualification for 2 seats in respect of students being trained at Rohilkhand Medical College & Hospital, Barielly.

Read: the Council Assessor's Report (29th & 30th April, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Skin & VD) qualification for 2 seats at Rohilkhand Medical College & Hospital, Barielly granted by MJP Rohilkhand University, Bareilly, U.P..

The Postgraduate Medical Education Committee considered the Council Assessor's Report (29th & 30th April, 2015) and decided to recommend to the Central Government that MD(Skin & VD) qualification for 2 seats granted by MJP Rohilkhand University, Bareilly, U.P. in respect of students being trained at Rohilkhand Medical College & Hospital, Barielly be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

35. Sanjay Gandhi Post Graduate Instt. of Medical Sciences (Deemed University), Lucknow - Recognition of MD(Nuclear Medicine) qualification against increased intake from 01 to 02 seats in respect of students being trained at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Nuclear Medicine) qualification against increased intake from 01 to 02 seats at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow granted by Sanjay Gandhi Post Graduate Instt. of Medical Sciences (Deemed University), Lucknow.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Nuclear Medicine) qualification against increased intake from 01 to 02 seats granted by Sanjay Gandhi Post Graduate Instt. of Medical Sciences (Deemed University), Lucknow in respect of students being trained at Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

36. Srimanta Shankardeva University of Health Sciences - Recognition of MD(Microbiology) qualification for 4 seats in respect of students being trained at Silchar Medical College, Silchar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Microbiology) qualification for 4 seats at Silchar Medical College, Silchar granted by Srimanta Shankardeva University of Health Sciences.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Microbiology) qualification for 4 seats granted by Srimanta Shankardeva University of Health Sciences in respect of students being trained at Silchar Medical College, Silchar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

37. Kerala University of Health Sciences, Thrissur - Recognition of MD(Radio Diagnosis) qualification against increased intake from 1 to 2 seats and DMRD qualification for 1 seat in respect of students being trained at Sri Gokulam Medical College Trust & Research Foundation, Trivandrum.

Read: the Council Assessor's Report (6th & 7th July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification against increased intake from 1 to 2 seats and DMRD qualification for 1 seat at Sri Gokulam Medical College Trust & Research Foundation, Trivandrum granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (6th & 7th July, 2015) and decided to recommend not to recognize MD(Radio Diagnosis) qualification against increased intake from 1 to 2 seats and DMRD qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Sri Gokulam Medical College Trust & Research Foundation, Trivandrum because of the following facts:-

1. MRI workload is only 09 on day of assessment.
2. Workload of DSA is only 51 in 2014.
3. 5 Static X-ray machines are available against requirement of 6.
4. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 2 degree seats and 1 diploma seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

38. North-Eastern Hill University, Meghalaya - Recognition of DM(Cardiology) qualification for 2 seats in respect of students being trained at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DM(Cardiology) qualification for 2 seats at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong granted by North-Eastern Hill University, Meghalaya.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that DM(Cardiology) qualification for 2 seats granted by North-Eastern Hill University, Meghalaya in respect of students being trained at North Eastern Indira Gandhi Regional Institute of Health & Medical Sciences, Shillong be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

39. Kerala University of Health Sciences, Thrissur - Recognition of M.Ch(Urology) qualification for 2 seats in respect of students being trained at T.D. Medical College, Alappuzha.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of M.Ch(Urology) qualification for 2 seats at T.D. Medical College, Alappuzha granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize M.Ch(Urology) qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at T.D. Medical College, Alappuzha because of the following facts:-

1. Professor & HoD is transferred to Alapuzza only on 20.07.2015 (It seems for inspection only). His year of passing M.Ch. not given.
2. Year of passing M. Ch. Qualification of Associate Professor Dr. M. Nazar is not given.
3. No list of available equipment provided Page 23, Sr. No.15
4. Publications Column left blank (Page 23, Sr. No.11). Hence, publications nil.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

40. Kerala University of Health Sciences, Thrissur - Recognition of MD(Radiodiagnosis) qualification for 1 seat in respect of students being trained at Amala Institute of Medical Sciences, Thrissur.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radiodiagnosis) qualification for 1 seat at Amala Institute of Medical Sciences, Thrissur granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MD(Radiodiagnosis) qualification for 1 seat granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Amala Institute of Medical Sciences, Thrissur because of the following facts:-

1. MRI workload is only 05 on day of assessment. Daily average is 08 which is inadequate. DSA 32 in 2014, which is very inadequate.
2. Dr. Jijoe John, DMRD has been appointed straightaway after DMRD without any additional experience of 1 year as Resident in a medical college.
3. Dr. T.P. Lekshmi, DMRD has been appointed straightaway after DMRD without any additional experience of 1 year as Resident in a medical college.
4. Dr. M. Subramaniam, DNB has been appointed as Senior Resident straightaway after DNB.
5. Dr. P.S. Prashanth, MBBS has experience of only 1 year 7 months as Resident but he has been shown as Senior Resident in the faculty table which is contrary to Regulations.
6. Only 6 books have been purchased during last 3 years. (P. 20)
7. Publications – except one all others are case reports, which cannot be considered.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

41. Kerala University of Health Sciences, Thrissur - Recognition of MD(Pharmacology) qualification against increased intake from 04 to 06 seats in respect of students being trained at Government Medical College, Thiruvananthapuram.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pharmacology) qualification against increased intake from 04 to 06 seats at Government Medical College, Thiruvananthapuram granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MD(Pharmacology) qualification against increased intake from 04 to 06 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thiruvananthapuram because of the following facts:-

1. In Museum, crude drugs samples are not available.
2. Departmental Research Laboratory is not properly equipped.
3. There is only 1 publication from the department in indexed journals in last 3 years.
4. Clinical Pharmacology Laboratory is not available.
5. Audiovisual aids are inadequate.
6. Preparation room is not available for Experimental Pharmacology laboratory.
7. Museum has no specimens of drugs.
8. Academic parameters- Seminars- Nil, J. Club- Nil, Group discussion- Nil, which means no academic activity in the department.
9. SAF Part III – Left blank, which means no exam was held.
10. Library has no recent books and journals.
11. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

42. Kerala University of Health Sciences, Thrissur - Recognition of MD(Paediatrics) qualification and DCH qualification for 2 seats each in respect of students being trained at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification and DCH qualification for 2 seats each at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MD(Paediatrics) qualification and DCH qualification for 2 seats each granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Pushpagiri Institute of Medical Sciences and Research Centre, Tiruvalla because of the following facts:-

1. Workload of MRI is only 12 on day of assessment.
2. Nutritional Rehabilitation center is not available.
3. Department does not participate in any National Programme.
4. IPD of year 3 – 16805 which means 56 admissions per day against 61 bed which is not feasible, Data is non-genuine.
5. Out of 13 publications cited, 10 are in their own institution journals, which are not indexed.
6. On the day of assessment, total MRI in Hospital were 12, which indicate inadequate clinical material.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats each for degree and diploma after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

43. Rajasthan University of Health Sciences, Jaipur - Recognition of MD(Paediatrics) qualification against increased intake from 6 to 8 seats in respect of students being trained at SP Medical College,Bikaner.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Paediatrics) qualification against increased intake from 6 to 8 seats at SP Medical College,Bikaner granted by Rajasthan University of Health Sciences, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend to the Central Government that MD(Paediatrics) qualification against increased intake from 6 to 8 seats granted by Rajasthan University of Health Sciences, Jaipur in respect of students being trained at SP Medical College, Bikaner be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

44. Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - Recognition of MD(Dermatology) qualification against increased intake from 01 to 02 seats in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Dermatology) qualification against increased intake from 01 to 02 seats at Mahatma Gandhi Medical College and Hospital, Jaipur granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to recognize MD(Dermatology) qualification against increased intake from 01 to 02 seats granted by Mahatma Gandhi University of Medical Sciences and Technology, Jaipur in respect of students being trained at Mahatma Gandhi Medical College and Hospital, Jaipur because of the following facts:-

1. There is no Faculty Table in the SAF. No Annexure – 12 is attached (which has been stated by the college authorities). Without this Faculty requirement cannot be decided.
2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 1 to 2 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

45. Kerala University of Health Sciences, Thrissur - Recognition of DCH qualification for 2 seats in respect of students being trained at Amala Institute of Medical Sciences, Thrissur.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of DCH qualification for 2 seats at Amala Institute of Medical Sciences, Thrissur granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize DCH qualification for 2 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Amala Institute of Medical Sciences, Thrissur because of the following facts:-

1. Total number of IPD patients has decreased marginally from 4,390 in 2012 to 4,357 in 2014.
2. MRI workload on day of assessment is only 06.
3. Out of 6 publications from the department in the list, as many as 5 are case reports; resultantly there is only 1 research publication from the department in indexed journals in last 3 years.
4. Appointment orders have been issued without any dispatch numbers and joining letters have not been signed by HOD or Principal.
5. There is discrepancy in the quantum of stipend. In the appointment orders, it is shown as Rs. 24,000; Rs. 25,000 etc. but in the pay slips, it is shown as Rs. 32,000; Rs. 33,000 & Rs. 34,000. However, Form 16 & Bank statements have not been provided by the institute.
6. Both PG examinations of Degree & Diploma were conducted with the same set of Internal & External examiners which is not as per Regulations.
7. Transport Incubator is not available.
8. Academic parameter like Journal Clubs (12/year) is inadequate.
9. Promotion of Dr. Menon N.K. Sunil Kumar, Assoc. Professor is not as per Regulations. He was Asst. Professor for 4 years against the requirement of 5 years without any publication. However, faculty complement is complete without him.
10. Promotion of Dr. Thomas John, Professor is not as per Regulations. He was Asst. Professor for 3 years (as per experience certification from Amala Institute of Medical Sciences dated 02/07/2015) against the requirement of 5 years. However, faculty component is complete without him.
11. Out of 6 publications cited, 5 are case reports and cannot be considered.
12. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no

compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

46. D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh - Renewal of recognition of MD(Paediatric) qualification for 1 seat in respect of students being trained at BRD Medical College, Gorakhpur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Paediatric) qualification for 1 seat at BRD Medical College, Gorakhpur granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to renew the recognition of MD(Paediatric) qualification for 1 seat granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh in respect of students being trained at BRD Medical College, Gorakhpur because of the following facts:-

1. Unit D is headed by Asst. Prof.; hence it cannot be considered as a teaching Unit at all.
2. There is no Senior Resident in Unit D.
3. Both the external examiners are from the same State – U.P. which is not as per Regulations.
4. MRI workload on day of assessment for the whole hospital is only 03.
5. Promotion of Dr. Rachna Bhatnagar, Assoc. Professor is not as per Regulations. She never worked as Asstt. Professor. Resultantly, Unit-C has only 2 faculty and it cannot be considered P.G. Unit.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

47. D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh - Renewal of recognition of DCH qualification for 1 seat in respect of students being trained at BRD Medical College, Gorakhpur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of DCH qualifications for 1 seat

at BRD Medical College, Gorakhpur granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to renew the recognition of DCH qualification for 1 seat granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh in respect of students being trained at BRD Medical College, Gorakhpur because of the following facts:-

1. Unit D is headed by Asst. Prof.; hence it cannot be considered as a P.G. teaching Unit at all.
2. There is no Senior Resident in Unit D.
3. Details of beds occupied in PICU/NICU on day of assessment are not given.
4. One of the External Examiners was from the same State – i.e. U.P.
5. MRI workload on day of assessment for the whole hospital is only 08.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

48. D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh - Renewal of recognition of MD/MS(OBG) qualification for 3 seats in respect of students being trained at BRD Medical College, Gorakhpur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD/MS(OBG) qualification for 3 seats at BRD Medical College, Gorakhpur granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to renew the recognition of MD/MS(OBG) qualification for 3 seats granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh in respect of students being trained at BRD Medical College, Gorakhpur because of the following facts:-

1. Number of Major operations has decreased from 670 in 2013 to 583 in 2014.

2. There is no separate MWO. Dr. Geeta Gupta, Asso. Prof. in Unit I is also functioning as MWO.
3. Obstetric OPD on day of assessment is only 29 which is inadequate.
4. There were only 1 Obstetric & 2 Gynaecological major operations on day of assessment.
5. Specialty clinic like Gynaecological Endocrine clinic is not run.
6. Prenatal diagnosis services are not available.
7. Out of 5 USG machines, as many as 4 are non-functional.
8. Infusion Pumps are not available.
9. MRI workload on day of assessment for the whole hospital is only 01. There was not mammography on inspection day.
10. Academic parameters like Journal Clubs (12/year), Group Discussions (12/year) are inadequate.
11. Total IPD – 5756; Total Major operation + deliveries + Caesarean Sections - 5612. No scope for patients not requiring surgery or delivery. Some minor surgery patients also need admission. The data is non-genuine.
12. Dr. Nazma Malik – Date of joining in Deptt. not mentioned.
13. On inspection day OPD – 111. Average 3 days-350. This is a data mismatch.
14. There is no infusion pumps in the deptt.
15. One External Examiner from same state, which is not permissible.
16. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

“...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

49. D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh - Renewal of recognition of DGO qualification for 2 seats in respect of students being trained at BRD Medical College, Gorakhpur.

Read: the Council Assessor's Report (June, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of DGO qualification for 2 seats at BRD Medical College, Gorakhpur granted by D.D.U. Gorakhpur University, Gorakhpur, Uttar Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2015) and decided to recommend not to renew the recognition of DGO qualification for 2 seats granted by D.D.U. Gorakhpur University, Gorakhpur,

Uttar Pradesh in respect of students being trained at BRD Medical College, Gorakhpur because of the following facts:-

1. Number of Major operations has decreased from 670 in 2013 to 583 in 2014.
2. There is no separate MWO. Dr. Geeta Gupta, Asso. Prof. in Unit I is also functioning as MWO.
3. Obstetric OPD on day of assessment is only 29 which is inadequate.
4. There were only 1 Obstetric & 2 Gynaecological major operations on day of assessment.
5. Specialty clinic like Gynaecological Endocrine clinic is not run.
6. Prenatal diagnosis services are not available.
7. Out of 5 USG machines, as many as 4 are non-functional.
8. Infusion Pumps are not available.
9. MRI workload on day of assessment for the whole hospital is only 01.
10. Academic parameters like Journal Clubs (12/year), Group Discussions (12/year) are inadequate.
11. Total IPD – 5756; Total Major operation + deliveries + Caesarean Sections - 5612. No scope for patients not requiring surgery or delivery. Some minor surgery patients also need admission. The above data is non-genuine.
12. Dr. Nazma Malik – Date of joining in Deptt. not mentioned.
13. On inspection day OPD – 85, which is inadequate.
14. There is no infusion pumps in the deptt.
15. Both the External Examiners are from the same state, which is not permissible.
16. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

“...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

50. Kerala University of Health Sciences, Thrissur - Recognition of MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification against increased intake from 03 to 04 seats in respect of students being trained at Government Medical College, Thiruvananthapuram.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification against increased intake from 03 to 04 seats at

Government Medical College, Thiruvananthapuram granted by Kerala University of Health Sciences, Thrissur.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification against increased intake from 03 to 04 seats granted by Kerala University of Health Sciences, Thrissur in respect of students being trained at Government Medical College, Thiruvananthapuram because of the following facts:-

1. OPD on day of assessment is only 22.
2. There are 2 Units & both the Units have 52 beds which is not as per Regulations.
3. There are NIL Senior Residents. Deficiency of Senior Resident - 2.
4. Bed occupancy is 71.42% on day of assessment.
5. Only 1 bed was occupied in RICU on day of assessment. (Bed occupancy 20%)
6. Academic parameter like Journal Club (10 in no.) is inadequate.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

51. Rajiv Gandhi University of Health Sciences, Bangalore - Renewal of recognition of DA qualification for 01 seat in respect of students being trained at Al-Ameen Medical College, Bijapur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of DA qualification for 01 seat at Al-Ameen Medical College, Bijapur granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to renew the recognition of DA qualification for 01 seat granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Al-Ameen Medical College, Bijapur because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 2; (b) Asst. Prof.: 1.
2. Average bed occupancy in ICU/RICU is not provided.

3. Three Anaesthesia apparatus were non-functional on day of assessment.
4. Academic parameters like Theory Classes (20/year), Group Discussions (12/year) are inadequate.
5. Out of 4 publications cited, one is in State Journal, one is a case report, only two publications left.
6. No details of examiners (Except names) given. Their eligibility cannot be checked.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

52. Rajiv Gandhi University of Health Sciences, Bangalore - Renewal of recognition of MD(General Medicine) qualification for 04 seats in respect of students being trained at Al-Ameen Medical College, Bijapur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD(General Medicine) qualification for 04 seats at Al-Ameen Medical College, Bijapur granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to renew the recognition of MD(General Medicine) qualification for 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Al-Ameen Medical College, Bijapur because of the following facts:-

1. There is no Senior Residents in Unit A, D & E.
2. Units E & F have only 2 faculty each; hence they cannot be considered as PG Units.
3. Resultantly, there is deficiency of 1 Unit for PG course.
4. Inspection day- MRI – 10, entire hospital, which is very inadequate and OPD data not given.
5. No details of Examiners given without which, their eligibility cannot be checked.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 04 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations

(notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

“...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

53. Rajiv Gandhi University of Health Sciences, Bangalore - Renewal of recognition of DOMS qualification for 01 seat in respect of students being trained at Al-Ameen Medical College, Bijapur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of DOMS qualification for 01 seat at Al-Ameen Medical College, Bijapur granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to renew the recognition of DOMS qualification for 01 seat granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Al-Ameen Medical College, Bijapur because of the following facts:-

1. Dr. B.L. Prabhugouda, shown as Professor is doing private practice & drawing much less salary; hence it is doubtful whether he would be a full time teacher or not.
2. Both Senior Residents are doing private practice which is not permissible.
3. Out of 3 Junior Residents, 2 are doing private practice which is not permissible.
4. Both Senior Residents & 2 Junior Residents are staying outside the campus.
5. Academic parameter like Group Discussions (20/year) is inadequate.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 01 seat till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

“...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition.

Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

54. Rajiv Gandhi University of Health Sciences, Bangalore - Renewal of recognition of MD(Forensic Medicine/ Forensic Medicine & Toxicology) qualification for 02 seats in respect of students being trained at Al-Ameen Medical College, Bijapur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Forensic Medicine/ Forensic Medicine & Toxicology) qualification for 02 seats at Al-Ameen Medical College, Bijapur granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to renew the recognition of MD(Forensic Medicine/ Forensic Medicine & Toxicology) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Al-Ameen Medical College, Bijapur because of the following facts:-

1. Number of post-mortems conducted by department has decreased from 165 in 2012 to 120 in 2014.
2. Only 120 post-mortems have been performed in 2014 implying daily average of 0.33/ day.
3. Workload of other medico-legal work like Examination of Sexual offences (Victim & Accused), Age estimation, etc. is NIL during last 3 years.
4. Space of Practical laboratory for UG/PG students & Departmental Library is not adequate.
5. No autopsy was performed on day of assessment.
6. One PG student appearing for examination has not presented any poster or research paper during tenure of PG study.
7. Data provided by institute regarding autopsies / clinical material in SAF Part II are not factually correct as verified from record by the assessor.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely,

prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

55. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Psychiatry) qualification against increased intake from 01 to 07 seats in respect of students being trained at Andhra Medical College, Visakhapatnam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Psychiatry) qualification against increased intake from 01 to 07 seats at Andhra Medical College, Visakhapatnam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Psychiatry) qualification against increased intake from 01 to 07 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Andhra Medical College, Visakhapatnam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

56. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(General Medicine) qualification against increased intake from 12 to 16 seats in respect of students being trained at Andhra Medical College, Visakhapatnam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification against increased intake from 12 to 16 seats at Andhra Medical College, Visakhapatnam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 12 to 16 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Andhra Medical College, Visakhapatnam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

57. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Biochemistry) qualification for 02 seats in respect of students being trained at Belgaum Institute of Medical Sciences, Belgaum.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Biochemistry) qualification for 02 seats at Belgaum Institute of Medical Sciences, Belgaum granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Biochemistry) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Belgaum Institute of Medical Sciences, Belgaum because of the following facts:-

1. Both Professor & Asso. Professor are M.Sc., Ph.D. Non-medical persons cannot be Head of the department. No prior permission taken from MCI.
2. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

58. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Social & Preventive Medicine/ Community Medicine) qualification for 02 seats in respect of students being trained at Belgaum Institute of Medical Sciences, Belgaum.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Social & Preventive Medicine/ Community Medicine) qualification for 02 seats at Belgaum Institute of Medical Sciences, Belgaum granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Social & Preventive Medicine/ Community Medicine) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Belgaum Institute of Medical Sciences, Belgaum because of the following facts:-

1. Deficiency of faculty: (a) Asst. Prof.: 2.

2. Only 2 Tutors have been appointed on contract basis; 4 PG students are shown as Tutors without any orders; resultantly there is deficiency of 2 Tutors.
3. NIL books have been purchased during last 3 years in the department.
4. Both Dr. M.S. Patil & Dr. M.M. Shindhe shown as Asst. Prof. in the department are also shown as Lecturer cum M.O. at RHTC/UHC which is not permissible.
5. Academic parameter like Group Discussion (NIL during year) is inadequate.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

59. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Physiology) qualification for 02 seats in respect of students being trained at Bidar Institute of Medical Sciences, Bidar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Physiology) qualification for 02 seats at Bidar Institute of Medical Sciences, Bidar granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Physiology) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Bidar Institute of Medical Sciences, Bidar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

60. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Renewal of recognition of DO qualification for 02 seats in respect of students being trained at Deccan College of Medical Sciences, Hyderabad.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of DO qualification for 02 seats at Deccan College of Medical Sciences, Hyderabad granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to renew the recognition of DO qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Deccan College of Medical Sciences, Hyderabad because of the following facts:-

1. In Central Library, E journals listed online could not be opened fully to see text.
2. There were NIL Major operations on day of assessment.
3. Facilities for Retinal Surgery are not available.
4. Stipend not paid till last year, all residents non-stipending, which is against regulations.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

61. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(General Medicine) qualification against increased intake from 04 to 06 seats in respect of students being trained at Dr BR Ambedkar Medical College, Bangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification against increased intake from 04 to 06 seats at Dr BR Ambedkar Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(General Medicine) qualification against increased intake from 04 to 06 seats granted by Rajiv

Gandhi University of Health Sciences, Bangalore in respect of students being trained at Dr BR Ambedkar Medical College, Bangalore because of the following facts:-

1. MRI workload for the whole hospital is only 07 on day of assessment.
2. Deficiency of faculty: (a) Asst. Prof.: 1.
3. All sections in Central Clinical Laboratory are under control of respective HODs and not under a particular department.
4. Specialty clinics like Endocrine clinic, Haematology clinic, Gastroenterology clinic are not run.
5. No details are given regarding publications from the department in indexed journals in last 3 years.
6. Equipment like Holter is not available.
7. Academic parameter like Group Discussions (09 in no.) is inadequate.
8. Dr. S.T. Padmanabha, Professor in Unit II has been appointed straightaway as Asso. prof. without any experience as Asst. Prof. as shown in faculty table; hence he cannot be considered. Resultantly, there are only 2 faculty in Unit II & it cannot be considered as PG Unit.
9. Unit III has only 2 faculty; hence it cannot be considered as PG Unit. Place of posting of Dr. Vishnu N.H., Professor after 2010 not given.
10. No details of examiners provided.
11. Whether the students appearing in examination have written/presented paper/poster- No information provided.
12. Promotion of Dr. K.N. Ramesh, Professor, Unit-I is not as per Regulations. He was Asstt. Professor for 4 years 2 months, Assoc. Professor for 3 years.
13. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

62. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Radio Diagnosis) qualification 04 seats in respect of students being trained at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification 04 seats at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Radio Diagnosis) qualification 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

63. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(Ophthalmology) qualification for 02 seats and DO qualification for 01 seat in respect of students being trained at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(Ophthalmology) qualification for 02 seats and DO qualification for 01 seat at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MS(Ophthalmology) qualification for 02 seats and DO qualification for 01 seat granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Dr. Pinnammaneni Siddhartha Institute of Medical Sciences & Research Foundation, Chinnaoutpalli be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

64. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Microbiology) qualification against increased intake from 02 to 04 seats in respect of students being trained at ESI-PGIMSR,ESI-Hospital, Rajajinnagar, Bangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Microbiology) qualification against increased intake from 02 to 04 seats at ESI-PGIMSR,ESI-Hospital, Rajajinnagar, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Microbiology) qualification against increased intake from 02 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at ESI-PGIMSR,ESI-Hospital, Rajajinnagar, Bangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

65. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(OBG) qualification for 03 seats and DGO qualification for 02 seats in respect of students being trained at GSL Medical College, Rajahmundry.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(OBG) qualification for 03 seats and DGO qualification for 02 seats at GSL Medical College, Rajahmundry granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MS(OBG) qualification for 03 seats and DGO qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at GSL Medical College, Rajahmundry because of the following facts:-

1. There are NIL Major Obstetrics operations on day of assessment as well as on randomly selected days.
2. There are NIL Minor Obstetrics operations on day of assessment as well as on randomly selected days.
3. Specialty clinic like Gynaec Endocrine clinic is not run.
4. Academic parameter like Group Discussions (10 in no.) is inadequate.
5. Average Major operations last 3 years- 3 per day, which is inadequate.
6. Publications 21 – 13 out of 21 related to cardiology and only 6 publications related to OBGY.
7. Only 2 Foreign Journals pertaining to OBGY in Central Lab.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 degree seats and 02 diploma seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

66. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Anaesthesia) qualification for 03 seats and DA qualification for 02 seats in respect of students being trained at GSL Medical College, Rajahmundry.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesia) qualification for 03 seats and DA qualification for 02 seats at GSL Medical College, Rajahmundry granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Anaesthesia) qualification for 03 seats and DA qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at GSL Medical College, Rajahmundry because of the following facts:-

1. Details of beds occupied in RICU and also in Post-operative care area on day of assessment are not provided.
2. Average number of Major operations are claimed to be > 40; however, average number of cases attending Pre Anaesthetic check-up are shown as only 32. There is data mismatch.
3. Academic parameter like Group Discussions (20/year) is inadequate.
4. Five Senior Residents who are only M.B;B.S. failed to produce certificate of having worked for 3 years as Resident in medical college. They produce no proof of payment of salary during period of JR ship.
5. Junior Residents undergoing MD/DA training were not presented for physical verification.
6. There is no separate ICU for the department of Anaesthesiology.
7. Examinations of M.D. & D.A. were held simultaneously on the same day with the same set of examiners resulting in overlapping.
8. Out of 5 publications cited, all are case reports, none is a research article. 3 out of 6 are unrelated to Anaesthesia.
9. Dr. Persuraman, Asstt. Professor with DNB qualification is not eligible. No 3 years teaching experience. One Asstt. Professor was absent on inspection day.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 degrees and 02 diploma seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

67. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification for 03 seats in respect of students being trained at JJM Medical College, Davangere.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification for 03 seats at JJM Medical College, Davangere granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Tuberculosis & Respiratory Diseases / Pulmonary Medicine) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at JJM Medical College, Davangere because of the following facts:-

1. There is only 1 Unit which has 50 beds which is not as per Regulations.
2. Details of attendance at Specialty clinics are not provided.
3. Treatment for MDR Tuberculosis is linked with District Tb Center.
4. Departmental Library has only 50 books.
5. Academic parameter like Group Discussions (12/year) is inadequate.
6. On inspection day, MRI in entire hospital was 8, which is inadequate.
7. Postgraduate degree of Dr. Belgundi Vidyasagar, Professor & HoD is not recognized.
8. Promotion of Dr. Rajesh B.P., Assoc. Professor is not as per Regulations. He has been Asst. Professor for 4 years and 5 months against the requirement of 5 years. There is no publication to his credit.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

68. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Renewal of recognition of MD(Pharmacology) qualification for 04 seats in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Pharmacology)

qualification for 04 seats at Kamineni Institute of Medical Sciences, Narketpally granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that recognition of MD(Pharmacology) qualification for 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Kamineni Institute of Medical Sciences, Narketpally be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

69. Rajiv Gandhi University of Health Sciences, Bangalore - Renewal of recognition of MD(Radio Diagnosis) & DMRD qualifications for 01 seat each in respect of students being trained at Kempegowda Institute of Medical Sciences, Bangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MD(Radio Diagnosis) & DMRD qualifications for 01 seat each at Kempegowda Institute of Medical Sciences, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that recognition of MD(Radio Diagnosis) & DMRD qualifications for 01 seat each granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Kempegowda Institute of Medical Sciences, Bangalore be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

70. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Tuberculosis & Respiratory Diseases/ Pulmonary Medicine) qualification for 02 seats in respect of students being trained at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Tuberculosis & Respiratory Diseases/ Pulmonary Medicine) qualification for 02 seats at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Tuberculosis & Respiratory Diseases/ Pulmonary Medicine) qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Konaseema Institute of Medical Sciences & Research Foundation, Amalapuram be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

71. Dr. NTR University of Health Sciences, Vijayawada, A.P. - Recognition of MD(Pharmacology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Kurnool Medical College, Kurnool.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pharmacology) qualification against increased intake from 02 to 03 seats at Kurnool Medical College, Kurnool granted by Dr. NTR University of Health Sciences, Vijayawada, A.P..

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Pharmacology) qualification against increased intake from 02 to 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, A.P. in respect of students being trained at Kurnool Medical College, Kurnool be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

72. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Pharmacology) against increased intake from 02 to 06 seats in respect of students being trained at Mahadevappa Rampure Medical College, Gulbarga.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pharmacology) against increased intake from 02 to 06 seats at Mahadevappa Rampure Medical College, Gulbarga granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Pharmacology) against increased intake from 02 to 06 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Mahadevappa Rampure Medical College, Gulbarga be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

73. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(General Surgery) qualification against increased intake from 06 to 08 seats in respect of students being trained at Mamata Medical College, Khammam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(General Surgery) qualification against increased intake from 06 to 08 seats at Mamata Medical College, Khammam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MS(General Surgery) qualification against increased intake from 06 to 08 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Mamata Medical College, Khammam because of the following facts:-

1. Promotion of Dr. P.K. Hota as Assoc. Professor is not as per Regulations as he has been promoted as Asso. Prof. with experience of only 3 years 2 months as Asst. prof. against requirement of 5 years as per Regulations.
2. Resultantly, Unit III has only 2 faculty & is headed by Asst. Prof. & it cannot be considered as PG Unit.
3. Details of attendance at Specialty clinics like Cardiovascular & Thoracic Surgery clinic, Urology clinic, Neuro Surgery clinic are not provided.
4. Academic parameters like Group Discussions (12/year) is inadequate.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 6 to 8 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

74. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 03 seats in respect of students being trained at Mamata Medical College, Khammam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(Ophthalmology) qualification against increased intake from 02 to 03 seats at Mamata Medical College, Khammam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MS(Ophthalmology) qualification against increased intake from 02 to 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Mamata Medical College, Khammam be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

75. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Radio Diagnosis) qualification against increased intake from 02 to 05 seats in respect of students being trained at Mamata Medical College, Khammam.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification against increased intake from 02 to 05 seats at Mamata Medical College, Khammam granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Radio Diagnosis) qualification against increased intake from 02 to 05 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Mamata Medical College, Khammam because of the following facts:-

1. CT Scan is dual slice against 16 slice required.
2. MRI workload is 14 on day of assessment.
3. Workload of USG guided FNAC/Biopsy is only 14 in 2014 which is inadequate.
4. Workload of CT guided FNAC/Biopsy is only 15 in 2014 which is inadequate.
5. Workload of DSA is only 74 in 2014 implying daily average of 0.25 which is inadequate.
6. Out of 14 publications in the list, none is related with subject of Radiodiagnosis; hence there are NIL publications from the department in indexed journals during last 3 years.
7. Daily investigative workload of 08 Special investigations, 03 USG guided procedures, 02 CT guided procedures does not match with figures of 602, 14 & 15 in 2014. There is data mismatch.
8. Academic parameter like Theory Classes (10 in no.) is inadequate.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 2 to 5 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

76. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(General Surgery) qualification against increased intake from 04 to 06 seats in respect of students being trained at MNR Medical College, Sangareddy.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(General Surgery) qualification against increased intake from 04 to 06 seats at MNR Medical College, Sangareddy granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MS(General Surgery) qualification against increased intake from 04 to 06 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at MNR Medical College, Sangareddy because of the following facts:-

1. Out of 10 publications in the list, 9 are case reports; hence there is only 1 research publication from the department in indexed journals in last 3 years.
2. Super specialists Urologists, Neuro-surgeon, Plastic surgeon perform operations under cover of general surgery which is not permissible.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increase intake from 4 to 6 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

77. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(OBG) qualification against increased intake from 03 to 04 seats in respect of students being trained at N.R.I. Medical College and Hospital, Guntur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(OBG) qualification against increased intake from 03 to 04 seats at N.R.I. Medical College and Hospital, Guntur granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MS(OBG) qualification against increased intake from 03 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at N.R.I. Medical College and Hospital, Guntur because of the following facts:-

1. Data of operations (2014) provided by HoD from O.T. Register (1063) did not match with that given by college authorities (3831). There was NIL Major & 1 Minor operation on day of assessment.
2. Total number of IPD patients has decreased from 5,208 in 2012 to 4,239 in 2014.
3. Total number of deliveries has decreased from 3,038 in 2012 to 2,450 in 2014. Total number of Caesarean Sections has decreased from 1,298 in 2012 to 1,117 in 2014.
4. Space in OPD & O.T. is inadequate. There are only 3 Examination rooms.
5. Specialty clinic like Gynaec Endocrine clinic is not functional.
6. Overall clinical material appears to be less.
7. There is no dedicated Obstetric ICU.
8. Prenatal diagnosis services are not available.
9. Names of Laboratory technicians were not provided to assessor.
10. Out of 4 publications in the list, 3 are case reports; hence there is only 1 research publications from the department in indexed journals in last 3 years.
11. Academic parameters like Clinical Seminars (17/year), Journal Clubs (11/year) are inadequate.
12. Stipend paid in cash. No register entries or bank transfer could be obtained.
13. Deductions for mess, telephone internal, electricity bill and maintenance fee are made from stipend. No adjustments out of stipend can be made.
14. Histopathology specimens data does not match with the data submitted by Department.
15. Bed occupancy 65% on inspection day. Many of the patients were admitted only same day after 9.30 a.m. for frivolous reasons.
16. Form-16 issued by college, it's authenticity could not be verified from traces.
17. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

78. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Radio Diagnosis) qualification against increased intake from 03 to 04 seats in respect of students being trained at N.R.I. Medical College and Hospital, Guntur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radio Diagnosis) qualification against increased intake from 03 to 04 seats at N.R.I. Medical College and Hospital, Guntur granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Radio Diagnosis) qualification against increased intake from 03 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at N.R.I. Medical College and Hospital, Guntur because of the following facts:-

1. Workload of DSA is only 32 in 2014 which is inadequate.
2. Workload of MRI is only 10 & of CT Scan is only 11 on day of assessment.
3. Stipend paid in cash. No register entries of bank transfer could be obtained.
4. Deductions for mess, telephone internal, electricity bill and maintenance fee are made from stipend. No adjustments out of stipend can be made.
5. All the 4 publications in the list are case reports; hence there is NIL publications from the department in indexed journals in last 3 years.
6. Space for Departmental Museum is inadequate.
7. Standard of examination was not good.
8. Academic outcome parameters could not be verified.
9. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 3 to 4 seats after the first batch appeared in Examination till their recognition will be irregular / illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no

compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

79. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(General Medicine) qualification against increased intake from 08 to 10 seats in respect of students being trained at N.R.I. Medical College and Hospital, Guntur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification against increased intake from 08 to 10 seats at N.R.I. Medical College and Hospital, Guntur granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(General Medicine) qualification against increased intake from 08 to 10 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at N.R.I. Medical College and Hospital, Guntur because of the following facts:-

1. Bed occupancy is 65 – 72% which is inadequate.
2. MRI workload on day of assessment is only 11.
3. Stipend paid in cash. No register entries of bank transfer could be obtained.
4. Deductions for mess, telephone internal, electricity bill and maintenance fee are made from stipend. No adjustments out of stipend can be made.
5. MICU is run by Critical Care Physician. Posting of General Medicine PGs in MICU is doubtful.
6. Admissions through Casualty is very less (Average 2-3 only).
7. Academic parameter like Journal Club (12/year) is inadequate.
8. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 8 to 10 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

80. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Forensic Medicine) qualification for 02 seats in respect of students being trained at Raichur Institute of Medical Sciences, Raichur.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Forensic Medicine) qualification for 02 seats at Raichur Institute of Medical Sciences, Raichur granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Forensic Medicine) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Raichur Institute of Medical Sciences, Raichur be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

81. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Social & Preventive Medicine / Community Medicine) qualification for 06 seats in respect of students being trained at Rajarajeswari Medical College & Hospital, Bangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Social & Preventive Medicine / Community Medicine) qualification for 06 seats at Rajarajeswari Medical College & Hospital, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Social & Preventive Medicine / Community Medicine) qualification for 06 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Rajarajeswari Medical College & Hospital, Bangalore because of the following facts:-

1. Payment of stipend to Residents is made in cash. No evidence of payment was shown. Students denied that they were paid any stipend.
2. On enquiry, it was found that no stipend is being paid to PG students who are also shown as Tutors.
3. Deficiency of faculty: (a) Tutors: 4.
4. UHC is run in a Rotary club building. Cold Chain equipment is not available. Infrastructure is inadequate. No other National programme except immunization & Antenatal checkup is carried out. Paramedical staff is inadequate. Public Health Nurse & Health educator are not available. A GNM was shown as Health Educator & when detected, it was changed.
5. RHTC: Even Normal Delivery is not conducted. No other National programme except immunization & Antenatal checkup is carried out. Specialists' visits are not organized. Infrastructure is inadequate. Paramedical staff is inadequate. Public Health Nurse & Health educator are not available. A GNM was shown as Health Educator & when detected, it was changed. Interns, PGs do not stay there. Except for M.O., no other staff quarter is available.
6. Academic parameter like Group Discussions (14 / year) is inadequate.

7. No specialists from college visit RHTC/UHTC.
8. Hostel inadequate- No girl interns stay there.
9. No residential accommodation except for one Medical Officer.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 06 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

“This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject.”

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

82. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Biochemistry) qualification against increased intake from 02 to 04 seats in respect of students being trained at Rangaraya Medical College, Kakinada.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Biochemistry) qualification against increased intake from 02 to 04 seats at Rangaraya Medical College, Kakinada granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Biochemistry) qualification against increased intake from 02 to 04 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Rangaraya Medical College, Kakinada be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

83. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Biochemistry) qualification for 03 seats in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Biochemistry) qualification for 03 seats at S S Institute of Medical Sciences& Research Centre, Davangere granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Biochemistry) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

84. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Emergency Medicine) qualification for 03 seats in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Emergency Medicine) qualification for 03 seats at S S Institute of Medical Sciences& Research Centre, Davangere granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(Emergency Medicine) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere because of the following facts:-

1. Space for wards is inadequate.
2. Offices for faculty & ancillary facilities are inadequate. Office of HOD is only 9.5 sq.m. which is inadequate.
3. Male & Female wards are not as per MSR Regulations.
4. Bed occupancy is 50% on day of assessment.
5. Patients have been admitted since 4-5 days which is not correct.
6. Xeroxcopies of cases were not provided to the assessor.
7. All Laboratory & Radiological investigations data are inflated.
8. OPD on day of assessment was only 34. Average OPD is only 37.
9. Total number of OPD patients has decreased from 11,116 to 10,569 during 3 year period.
10. Total number of IPD patients has decreased from 2,712 to 1,908 during 3 year period.
11. There are NIL publications from the department in indexed journals in last 3 years.
12. It is not clear from the faculty table when the faculty has been transferred to Emergency Medicine department from the parent department and whether they have received any special training in Emergency Medicine.
13. Academic parameter like Theory Classes (20/year), Case Presentations (12/year), Group Discussions (12/year) are inadequate.
14. It is not mentioned in faculty table that when these faculty members joined deptt. of Emergency Medicine and prior to that they were working in which department.
15. Casualty beds and Casualty OPD cannot be counted as Emergency Medicine Beds and its OPD.
16. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

85. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(DVL) qualification for 03 seats in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(DVL) qualification for 03 seats at S S Institute of Medical Sciences& Research Centre, Davangere granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(DVL) qualification for 03 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S S Institute of Medical Sciences& Research Centre, Davangere be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

86. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(General Medicine) qualification against increased intake from 09 to 12 seats in respect of students being trained at S V Medical College, Tirupati.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification against increased intake from 09 to 12 seats at S V Medical College, Tirupati granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 09 to 12 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in

respect of students being trained at S V Medical College, Tirupati be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

87. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(Ophthalmology) qualification against increased intake from 03 to 06 seats in respect of students being trained at S V Medical College, Tirupati.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(Ophthalmology) qualification against increased intake from 03 to 06 seats at S V Medical College, Tirupati granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MS(Ophthalmology) qualification against increased intake from 03 to 06 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at S V Medical College, Tirupati be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

88. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Community Medicine) qualification against increased intake from 01 to 04 seats in respect of students being trained at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Community Medicine) qualification against increased intake from 01 to 04 seats at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Community Medicine) qualification against increased intake from 01 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

89. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Pathology) qualification against increased intake from 04 to 06 seats and DCP qualification for 02 seats in respect of students being trained at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification against increased intake from 04 to 06 seats and DCP qualification for 02 seats at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Pathology) qualification against increased intake from 04 to 06 seats and DCP qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

90. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(Microbiology) qualification for 02 seats in respect of students being trained at Santhiram Medical College, Nandyal.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Microbiology) qualification for 02 seats at Santhiram Medical College, Nandyal granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Microbiology) qualification for 02 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Santhiram Medical College, Nandyal be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

91. SherEKashmir Institute of Medical Sciences, Srinagar (Deemed University) - Recognition of MD(Radiotherapy) qualification against increased intake from 04 to 05 seats in respect of students being trained at Sher-I-Kashmir Institute of Medical Sciences, Soura, Srinagar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radiotherapy) qualification against increased intake from 04 to 05 seats at Sher-I-Kashmir Institute of Medical Sciences,

Soura, Srinagar granted by SherEKashmir Institute of Medical Sciences, Srinagar (Deemed University).

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Radiotherapy) qualification against increased intake from 04 to 05 seats granted by SherEKashmir Institute of Medical Sciences, Srinagar (Deemed University) in respect of students being trained at Sher-I-Kashmir Institute of Medical Sciences, Soura, Srinagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

92. Baba Farid University of Health Sciences, Faridkot - Renewal of recognition of MS(Ophthalmology) qualification for 01 seat in respect of students being trained at Sri Guru Ram Das Institute of Medical Sciences and Research, Sri Amritsar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Renewal of recognition of MS(Ophthalmology) qualification for 01 seat at Sri Guru Ram Das Institute of Medical Sciences and Research, Sri Amritsar granted by Baba Farid University of Health Sciences, Faridkot.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that recognition of MS(Ophthalmology) qualification for 01 seat granted by Baba Farid University of Health Sciences, Faridkot in respect of students being trained at Sri Guru Ram Das Institute of Medical Sciences and Research, Sri Amritsar be renewed.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

93. Pondicherry University, Puducherry - Recognition of MD(Anaesthesiology) qualification for 03 seats in respect of students being trained at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry.

Read: the Council Assessor's Report (April, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Anaesthesiology) qualification for 03 seats at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry granted by Pondicherry University, Puducherry.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (April, 2015) and decided to recommend not to recognize MD(Anaesthesiology) qualification for 03 seats granted by Pondicherry University, Puducherry in respect of students being trained at Sri Manakula Vinayagar Medical College & Hospital, Pondicherry because of the following facts:-

1. MRI workload for the whole hospital is only 07 on day of assessment.

2. Out of 6 publications in the list, 3 are case reports & 1 is a review article; resultantly, there are only 2 research publications from the department in indexed journals in last 3 years.
3. Stipend paid by institute to its Residents is only Rs. 12,000 p.m. which is much less than that paid by Central / State Govt. to Residents in the State.
4. ICU/RICU is not under control of Anaesthesiology department. What is under its control is Post Anaesthesia Care Unit (8 beds) which is not same as ICU/RICU.
5. There are NIL Group Discussions during last year.
6. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

94. Sri Venkateswara Institute of Medical Sciences (Deemed University), Tirupati - Recognition of MD(Radiotherapy) qualification for 02 seats in respect of students being trained at Sri Venkateswara Institute of Medical Sciences, Tirupati.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Radiotherapy) qualification for 02 seats at Sri Venkateswara Institute of Medical Sciences, Tirupati granted by Sri Venkateswara Institute of Medical Sciences (Deemed University), Tirupati.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Radiotherapy) qualification for 02 seats granted by Sri Venkateswara Institute of Medical Sciences (Deemed University), Tirupati in respect of students being trained at Sri Venkateswara Institute of Medical Sciences, Tirupati be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

95. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Physiology) qualification against increased intake from 02 to 04 seats in respect of students being trained at St. Johns Medical College, Bangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Physiology) qualification against increased intake from 02 to 04 seats at St. Johns Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(Physiology) qualification against increased intake from 02 to 04 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at St. Johns Medical College, Bangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

96. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(General Medicine) qualification against increased intake from 05 to 09 seats in respect of students being trained at St. Johns Medical College, Bangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine) qualification against increased intake from 05 to 09 seats at St. Johns Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(General Medicine) qualification against increased intake from 05 to 09 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at St. Johns Medical College, Bangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

97. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD(Pathology) qualification against increased intake from 02 to 06 seats in respect of students being trained at St. Johns Medical College, Bangalore.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(Pathology) qualification against increased intake from 02 to 06 seats at St. Johns Medical College, Bangalore granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government

that MD(Pathology) qualification against increased intake from 02 to 06 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at St. Johns Medical College, Bangalore be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

98. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MS(ENT) qualification against increased intake from 1 to 2 seats in respect of students being trained at SVS Medical College, Mahabubnagar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MS(ENT) qualification against increased intake from 1 to 2 seats at SVS Medical College, Mahabubnagar granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MS(ENT) qualification against increased intake from 1 to 2 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at SVS Medical College, Mahabubnagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

99. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(DVL) qualification against increased intake from 01 to 03 seats in respect of students being trained at SVS Medical College, Mahabubnagar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(DVL) qualification against increased intake from 01 to 03 seats at SVS Medical College, Mahabubnagar granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(DVL) qualification against increased intake from 01 to 03 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at SVS Medical College, Mahabubnagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

100. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(TB & Respiratory Diseases) qualification against increased intake from 1 to 2 seats in respect of students being trained at SVS Medical College, Mahabubnagar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD(TB & Respiratory Diseases) qualification against increased intake from 1 to 2 seats at SVS Medical College, Mahabubnagar granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend to the Central Government that MD(TB & Respiratory Diseases) qualification against increased intake from 1 to 2 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at SVS Medical College, Mahabubnagar be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

101. Increase of seats in MD (Paediatrics) course at Mediciti Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities on the physical and other teaching facilities available at Mediciti Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

102. Increase of seats in MS (OBG) course at Mediciti Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities on the physical and other teaching facilities available at Mediciti Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

103. Increase of seats in MS (ENT) course at Medicity Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities on the physical and other teaching facilities available at Medicity Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (ENT) course at Medicity Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. In earlier SAF, number of Major operations has been shown as 815 in 2014. In the compliance it is shown as 1,059 in 2014 which includes day care surgeries which cannot be considered as Major surgeries. Hence deficiency remains as such.
2. Explanation given by institute regarding operations like Laryngectomy, etc. is not tenable. The excuse that that these operations are covered under Rajeev Arogyasree scheme and therefore patients are going elsewhere cannot be accepted for a teaching institute imparting tertiary care. Further, posting of PGs to non-teaching institutes is not permissible. There are too many typographical errors as stated by the institute in compliance. Even after corrections made by institute, workload of these operations remains low.
3. The explanation of institute that there was only 1 Major operation & NIL BERA because it was Saturday cannot be considered as clinical material would spread uniformly over all working days, including Saturday.
4. Already 1 seat commensurate with available clinical material.
5. Other deficiencies as pointed out in the Assessment Report.

104. Increase of seats in MD (Pathology) course at Medicity Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities on the physical and other teaching facilities available at Medicity Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/09/2015) and compliance dated 25/11/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Pathology) course at Medicity Institute of Medical Sciences, Ghanpur, Telangana under Dr. NTR University of Health Sciences, Vijayawada u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Mismatch between specimens received (5227) and reports issued / nature of disease report (3992) stays. Explanation given by college authorities is not tenable because cytology also reports nature of disease and is included in the data supplied by college authorities. Even after adding 1135 FNAC reports, it does not tally with the number of specimens received.
2. Deficiency of inadequate workload of CT guided & USG guided FNAC/Biopsy remains as such.
3. Workload of Histopathology remains low.
4. Pathological post-mortems are not performed.
5. Mismatch between specimen received (5227) and reports issued / nature of diseases reported including normal tissue were 3992, stays as such. Explanation given by college authorities cannot be relied because Cytology also reports nature of disease and is included in the data supplied by college authorities. Even after adding 1135 FNAC reports, it does not tally with the number of specimens received.
6. Other deficiencies as pointed out in the Assessment Report.

105. Starting of MS (OBG) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (21/08/2015) and compliance dated 05/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and compliance dated 05/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Operation days remain twice a week. Institute has only stated that "It will increase to 3 per week" implying it has not been done so far. Deficiency remains as such.
2. MRI is not available.
3. Compliance is signed by Associate Professor who is i/c HOD which is not permissible. HOD has to be of rank of professor.
4. Other deficiencies as pointed out in the Assessment Report.

106. Increase of seats in MD (Psychiatry) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (01/09/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Pondicherry Institute of Medical Sciences & Research, Pondicherry

under Pondicherry University, Puducherry for Increase of seats in MD (Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Psychiatry) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Institute has stated it would be paying stipend @ Rs. 40,000 p.m. from Academic Year 2016-2017. No commitment is made with regard to PGs already admitted or for the current year.
2. Nothing is stated about acceptance of 2 papers submitted for publications. Till they are accepted, they cannot be considered. Hence deficiency remains as such.
3. Average workload of 08-10 MRI for the whole hospital as stated by institute is inadequate.
4. Other deficiencies as pointed out in the Assessment Report.

107. Increase of seats in MD (Anaesthesia) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (01/09/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Anaesthesia) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Institute has stated it would be paying stipend @ Rs. 40,000 p.m. from Academic Year 2016-2017. No commitment is made with regard to PGs already admitted or for the current year.
2. Average workload of 08-10 MRI for the whole hospital as stated by institute is inadequate and 55-60 Ultrasound is also inadequate.
3. Deficiency regarding promotion of Dr. Ranjan as Asso. Prof. remains as such. No person can be promoted after 09/07/2014 as Asso. Prof. without 2 publications as specified in Regulations even if he has completed requisite period.
4. Explanation regarding projected Major operations for 2015 is not tenable. It may be so that it shows an increase over 2014, the fact remains that it is lower than 2012. Hence the deficiency remains as such.

5. Institute has stated it would be paying stipend @ Rs. 40,000 p.m. from Academic Year 2016-2017. No commitment is made with regard to PGs already admitted or for the current year. No adjustment of any type of bills out of stipend can be permitted.
6. Other deficiencies as pointed out in the Assessment Report.

108. Increase of seats in MS (OBG) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (01/09/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (OBG) course at Pondicherry Institute of Medical Sciences & Research, Pondicherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Institute has stated it would be paying stipend @ Rs. 40,000 p.m. from Academic Year 2016-2017. No commitment is made with regard to PGs already admitted or for the current year. No adjustment of any type of bills out of stipend can be permitted.
2. Deficiency of inadequate number of Major Gynaecological operations remains as such. Even the projected figure of 692 operations in 2015 implies daily average of 2.3 which is inadequate.
3. It is wrong to say that reply to 16 deficiencies have been given in compliance dated 17/11/2015. The compliance dated 17/11/2015 has only reply to 9 deficiencies and all other remain unanswered.
4. Other deficiencies as pointed out in the Assessment Report.

109. Increase of seats in MD (Anaesthesia) course at Sri Guru Ram Das Institute of Medical Sciences & Research, Sri Amritsar under Baba Farid University of Health Sciences, Faridkot u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (16/09/2015) and compliance dated 15/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Sri Guru Ram Das Institute of Medical Sciences & Research, Sri Amritsar under Baba Farid University of Health Sciences, Faridkot for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16/09/2015) and compliance dated 15/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

110. Increase of seats in MS (ENT) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities on the physical and other teaching facilities available at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

111. Increase of seats in MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities on the physical and other teaching facilities available at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

112. Increase of seats in MD (Anaesthesia) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities on the physical and other teaching facilities available at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

113. Increase of seats in MD (Pathology) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities on the physical and other teaching

facilities available at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Pathology) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Institute has itself asked for time of 6-8 weeks for IHC markers which cannot be considered in view of time bound schedule prescribed in Regulations which being Statutory are required to be followed by all in which last date of sending recommendations to Central Govt. has been prescribed as 31st January.
2. Deficiency of PCR based study remains as it is. The institute has stated in compliance that it will be improved in a couple of months.
3. Deficiency of Genetic studies remains as it is. The institute has stated that it will be set up within 3-4 months.
4. Explanation given by institute for outside work for CT & USG guided FNAC is not tenable. Deficiency remains as such.
5. Pathological post-mortems are not performed.
6. Other deficiencies as pointed out in the Assessment Report.

114. Starting of MD (Emergency Medicine) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities on the physical and other teaching facilities available at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Emergency Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 14/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Emergency Medicine) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Deficiency of no special training in Emergency Medicine by any faculty remains as such.
2. Other deficiencies as pointed out in the Assessment Report.

115. Increase of seats in MS (OBG) course at Sri Manakula Vinayagar Medical College and Hospital, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (02/09/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Sri Manakula Vinayagar Medical College and Hospital, Puducherry under Pondicherry University, Puducherry for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02/09/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

116. Increase of seats in MD(Anaesthesia) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No deduction from stipend paid to Residents towards accommodation is permissible. Further, explanation given by college that is more than some Govt. Colleges in U.P. is not acceptable. AMU is not under State Govt. of U.P. Stipend paid at BRD Medical College, Gorakhpur is Rs. 54638; Rs. 56269; Rs. 57950 to Ist, IInd & IIIrd year students, respectively (as stated in their SAF) and not what has been stated in this compliance.
2. Experience certificate furnished by DGAFMS shows that Dr. Kang has been promoted as Senior Advisor when he had experience of only 1 year 5 months as Graded Specialist & NIL as Classified Specialist in teaching hospitals; his experience as PG Resident cannot be considered as teaching experience for higher posts. Hence deficiency of his appointment as Professor being irregular remains as it is.
3. Other deficiencies as pointed out in the Assessment Report.

Note: Matter may be referred to the Ethics Committee for supplying wrong information about the amount of stipend paid at B.R.D. Medical College, Gorakhpur.

117. Increase of seats in MD(Radio-Diagnosis) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-Diagnosis) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No deduction from stipend paid to Residents towards accommodation is permissible. Further, explanation given by college that is more than some Govt. Colleges in U.P. is not acceptable. AMU is not under State Govt. of U.P. Stipend paid at BRD Medical College, Gorakhpur is Rs. 54638; Rs. 56269; Rs. 57950 to Ist, IInd & IIIrd year students, respectively (as stated in their SAF) and not what has been stated in this compliance.
2. Deficiency of inadequate workload of CT guided & USG guided FNAC remains as it is.
3. Workload of MRI continues to remain low. Deficiency is not fully rectified. Monthly average of 335 means 10-11 MRI per day in entire hospital, which is also inadequate.
4. Deficiency of inadequate number of publications from the department remains as it is.
5. It is not specified in faculty table as well as in compliance whether Dr. Paridhi Singhal, SR, has done her DNB from a teaching institute or not and if from a medical college, whether she was employed as a Resident in that institute during her period of training for DNB. In absence of such details, she cannot be considered as Senior Resident.
6. Other deficiencies as pointed out in the Assessment Report.

118. Increase of seats in MS(OBG) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (14th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at Rohilkhand Medical

College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No deduction from stipend paid to Residents towards accommodation is permissible. Further, explanation given by college that is more than some Govt. Colleges in U.P. is not acceptable. AMU is not under State Govt. of U.P. Stipend paid at BRD Medical College, Gorakhpur is Rs. 54638; Rs. 56269; Rs. 57950 to Ist, IInd & IIIrd year students, respectively (as stated in their SAF) and not what has been stated in this compliance.
2. With regard to Bed Occupancy, explanation of the institute is not tenable. It is to be computed as per beds occupied at 10:00 a.m. on day of assessment.
3. It is not specified in faculty table whether Dr. Sunita Jindal, SR, has done her DNB from a teaching institute or not and if from a medical college, whether she was employed as a Resident in that institute during her period of training for DNB. In absence of such details, she cannot be considered as Senior Resident.
4. Reply to deficiency 4 is not tenable. For operations done on outpatient basis in minor operation theater of outpatient department, there are separate "Day Care Surgeries", which were 1397 in 2014. Hence, the submission made about minor surgeries is not tenable. The deficiency pointed out stays as such.
5. Dr. Kiran Agarwal, Professor in Unit 3 is promoted from Assoc. Professor to Professor with benefit of publications; however, 1 out of 4 publications is a case report; hence, it cannot be considered. Resultantly, her promotion is not as per Regulations & she cannot be considered as Faculty. Report of 3 cases is a case report and not research article and cannot be considered.
6. Other deficiencies as pointed out in the Assessment Report.

119. Increase of seats in MS(General Surgery) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MS(General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(General Surgery) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No deduction from stipend paid to Residents towards accommodation is permissible. Further, explanation given by college that is more than some Govt. Colleges in U.P. is not acceptable. AMU is not under State Govt. of U.P. Stipend paid at BRD Medical College, Gorakhpur is Rs. 54638; Rs.

- 56269; Rs. 57950 to Ist, IInd & IIIrd year students, respectively (as stated in their SAF) and not what has been stated in this compliance.
2. Workload of MRI continues to remain low. Deficiency is not fully rectified. Monthly average of 335 means 10-11 MRI per day in entire hospital, which is also inadequate.
 3. It is not specified in faculty table whether Dr. Rishi Jindal, SR, has done her DNB from a teaching institute or not and if from a medical college, whether she was employed as a Resident in that institute during her period of training for DNB. In absence of such details, she cannot be considered as Senior Resident.
 4. Reply to deficiency 4 is not tenable. For operations done on outpatient basis in minor operation theater of outpatient department, there are separate "Day Care Surgeries", which were 615 in 2014. Hence, the submission made about minor surgeries is not tenable. The deficiency pointed out stays as such.
 5. Other deficiencies as pointed out in the Assessment Report.

120. Increase of seats in MD(Pathology) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (14th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No deduction from stipend paid to Residents towards accommodation is permissible. Further, explanation given by college that is more than some Govt. Colleges in U.P. is not acceptable. AMU is not under State Govt. of U.P. Stipend paid at BRD Medical College, Gorakhpur is Rs. 54638; Rs. 56269; Rs. 57950 to Ist, IInd & IIIrd year students, respectively (as stated in their SAF) and not what has been stated in this compliance.
2. Deficiency of inadequate workload of CT guided & USG guided FNAC remains as it is.
3. Pathological post-mortems for adults are not performed. Deficiency remains as it is.
4. How could such a large number of Surgical specimens – i.e. 6,841 – be received from OPD is a mystery. This implies that they were not in fact operations but minor procedures which have wrongly been classified as Minor operations. It is also wrong to say that the figure of 14077 does not include cytopathology from Gynaecology specimens. Table on page 2 of SAF signed by the Dean and Assessor included endometrial Biopsies (1600) and FNAC (468).
5. Other deficiencies as pointed out in the Assessment Report.

121. Increase of seats in MS(Orthopaedics) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Rohilkhand Medical College & Hospital, Bareilly, Uttar Pradesh under M J P Rohilkhand University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No deduction from stipend paid to Residents towards accommodation is permissible. Further, explanation given by college that is more than some Govt. Colleges in U.P. is not acceptable. AMU is not under State Govt. of U.P. Stipend paid at BRD Medical College, Gorakhpur is Rs. 54638; Rs. 56269; Rs. 57950 to Ist, IInd & IIIrd year students, respectively (as stated in their SAF) and not what has been stated in this compliance.
2. With regard to data mismatch in number of Major & Minor operations & number of admitted patients, explanation given by institute is not tenable. Even taking figures of 1,170 Major operations & 465 Minor operations, total comes to 1,635 which is more than number of admitted patients shown as 1,549. No tangible explanation has been given for this mismatch. For operations done on outpatient basis in minor operation theater of outpatient department, there are separate "Day Care Surgeries", which were 1397 in 2014. Hence, the submission made about minor surgeries is not tenable. The deficiency pointed out stays as such.
3. Workload of MRI continues to remain low. Deficiency is not fully rectified.
4. Other deficiencies as pointed out in the Assessment Report.

122. Starting of MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (10th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University for Starting of MD(TB & Respiratory Medicine/ Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Shri Guru Ram Rai Institute of Medical & Health Sciences,

Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Equipment like DLCO is not yet available. As stated in compliance, it will be installed only by 22nd January 2016. Deficiency remains as it is.
2. If average daily OPD is 82 for period June – November 2015 & if for the whole period from January – November it is 54, it implies for the period January – May, it would be around 30 which is inadequate.
3. Other deficiencies as pointed out in the Assessment Report.

123. Increase of seats in MD(Pathology) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Equipment like Immunofluorescent Microscope, Flow Cytometer are not yet installed & functional. Flow Cytometer would be installed by 19th December 2015 & Immunofluorescent Microscope by 31st January 2016 as stated in compliance.
2. Pathological post-mortems are not performed.
3. Deficiency of Immunohistochemistry markers persists. 40 more antibodies would be available only after 15th January 2016 as stated in compliance.
4. Other deficiencies as pointed out in the Assessment Report.

124. Increase of seats in MD(Radio-Diagnosis) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (10th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-Diagnosis) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Out of the publications cited, one is from Rohtak, other from Manipal and 4 are case reports, which cannot be considered. Hence, publications during last 3 years are inadequate.
2. Existing seats commensurate with available clinical material.
3. Other deficiencies as pointed out in the Assessment Report.

125. Increase of seats in MS(Ophthalmology) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University for Increase of seats in MS(Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

126. Increase of seats in MD(Radio-Diagnosis) course at N. K. P. Salve Instt. of Medical Sciences and Research Centre and Lata Mangeshkar Hospital, Nagpur, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (01st September 2015) and compliance dated 04th December 2015 submitted by the college authorities on the physical and other teaching facilities available at N. K. P. Salve Instt. of Medical Sciences and Research Centre and Lata Mangeshkar Hospital, Nagpur, Maharashtra under Maharashtra University of Health Sciences, Nashik for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01st September 2015) and compliance dated 04th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-Diagnosis) course at N. K. P. Salve Instt. of Medical Sciences and Research Centre and Lata Mangeshkar Hospital, Nagpur, Maharashtra under Maharashtra University of Health Sciences, Nashik u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Explanation of institute with regard to low MRI workload is not tenable. It still remains low @ 12/day. Deficiency remains as it is.

2. Other deficiencies as pointed out in the Assessment Report.

127. Increase of seats in MS(Orthopaedics) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Daily average OPD @ 115 & Major operations @ 3/day are just adequate to start PG course. There is no appreciable increase in clinical material to justify increase of seats as clinical material has remained static over the period of 3 years.
2. Other deficiencies as pointed out in the Assessment Report.

128. Increase of seats in MD(Paediatrics) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (09th September 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Paediatrics) course at Shri Guru Ram Rai Institute of Medical & Health Sciences, Dehradun, Uttarakhand under H. N. B Garhwal University u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. 3 years data submitted by the college authorities (page 2 of SAF) is reproduced below:

	2012	2013	2014
Total number of patients in OPD	20836 (69 per day)	32195 (107 per day)	35953 (120 per day)

This OPD number is just sufficient to start the course and does not justify any increase in PG seats. The reply given by college authorities is not tenable.

2. OPD on the day of Assessment was 128 (page 2, Sl. No. 6 of SAF). Hence, deficiency of average OPD 125 just sufficient to start the course, stays as such.
3. There are already 2 seats permitted last year (when average daily OPD was 120 per day) are commensurate with available clinical material.
4. Other deficiencies as pointed out in the Assessment Report.

129. Starting of MD(General Medicine) course at Hind Institute of Medical Sciences, Barabanki, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30th September 2015) and compliance dated 16th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Hind Institute of Medical Sciences, Barabanki, Uttar Pradesh under Dr. Ram Manohar Lohia Avadh University, Faizabad for Starting of MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30th September 2015) and compliance dated 16th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

130. Starting of MD(General Medicine) course at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur for Starting of MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

131. Starting of MS(General Surgery) course at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur for Starting of MS(General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

132. Starting of MS(OBG) course at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur for Starting of MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

133. Starting of MD(Paediatrics) course at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur for Starting of MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

134. Starting of MD(Anaesthesia) course at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur for Starting of MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31st October 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

135. Increase of seats in MD(Anaesthesia) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (24th August 2015) and compliance dated 14th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and compliance dated 14th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No reply has been given in compliance for 50% decrease in Major Operations from year 2 to year 3. If there is 50% decrease, there is no justification for increase in seats.
2. Already 4 seats commensurate with available clinical material.
3. Other deficiencies as pointed out in the Assessment Report.

136. Increase of seats in MD(General Medicine) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (24th August 2015) and compliance dated 14th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and compliance dated 14th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

137. Increase of seats in MS(ENT) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (24th August 2015) and compliance dated 14th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (24th August 2015) and compliance dated 14th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(ENT) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Explanation given by institute regarding Major + Minor operations being more than IPD is not tenable. No Major operation could have been carried out on OPD basis; hence explanation of institute that a few Major operations have been done on outpatient basis is not tenable. This implies that these would be only procedures & not operations. This would reduce number of Major operations, which was low to begin with, to still lower, making deficiency of inadequate Major operations even starter. Moreover, day care operations are listed separately and they are 1648, 2170 and 972, respectively in year 1, 2 & 3. Hence, the contention that some Major / Minor operations were done on Day Care basis cannot be accepted.
2. Other deficiencies as pointed out in the Assessment Report.

138. Increase of seats in MS(Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (26th August 2015) and compliance dated 14th December 2015 submitted by the college authorities on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) for Increase of seats in MS(Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26th August 2015) and compliance dated 14th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. No reply to deficiencies pointed out by the Postgraduate Committee has been submitted vide letter dated 14/12/2015. Only forwarding letter and faculty table has been submitted.
2. Other deficiencies as pointed out in the Assessment Report.

139. Starting of MD (Anaesthesia) course at Maharaja Agrasen Medical College, Agroha, Hisar under PT. B.D. Sharma University of Health Sciences, Rohtak u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (15/09/2015) and compliance dated 17/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Maharaja Agrasen Medical College, Agroha, Hisar under PT. B.D.

Sharma University of Health Sciences, Rohtak for Starting of MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15/09/2015) and compliance dated 17/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

140. Starting of MD (Paediatrics) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Paediatrics) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.
2. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
3. Other deficiencies as pointed out in the Assessment Report.

141. Starting of MS (OBG) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (OBG) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No compliance is submitted regarding inadequate Gynaecological OPD which is only 27 & is grossly inadequate. Explanation of institute of total 137 patients is not tenable.
2. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.

3. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
4. Other deficiencies as pointed out in the Assessment Report.

142. Starting of MD (General Medicine) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (General Medicine) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.
2. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
3. With regard to Dr. Kashyap Buch, the institute says he is considered as Asst. Prof. in Unit III but his fresh D.F., appointment order as Asst. Prof. & joining report as Asst. Prof. have not been attached.
4. Other deficiencies as pointed out in the Assessment Report.

143. Starting of MD (Anaesthesia) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Anaesthesia) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. With regard to Dr. Navubha Soda, the institute says he is considered as Asst. Prof. but his fresh D.F., appointment order as Asst. Prof. & joining report as Asst. Prof. have not been attached.
2. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.
3. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
4. Other deficiencies as pointed out in the Assessment Report.

144. Starting of MS (Orthopaedics) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Orthopaedics) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.
2. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
3. Other deficiencies as pointed out in the Assessment Report.

145. Starting of MS (ENT) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (ENT) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.
2. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
3. Other deficiencies as pointed out in the Assessment Report.

146. Starting of MS (General Surgery) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (General Surgery) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.
2. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
3. Promotion of Dr. Gyaneswar Rao and Dr. Yogesh Valani is not as per Regulations. One article of Gyaneswar Rao at Sl. No. 4 is a review article, which cannot be considered. One article (Sl. No. 2) of Dr. Yogesh Valani is a review article, which cannot be considered.
4. Other deficiencies as pointed out in the Assessment Report.

147. Starting of MS (Ophthalmology) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj for Starting of MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/10/2015) and compliance dated 16/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Ophthalmology) course at Gujarat Adani Institute of Medical Sciences, Bhuj under Krantiguru Shyamji Krishna Verma Kachchh University, Bhuj u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. MRI is still outsourced. It will be operational only after 10 weeks. Deficiency remains as it is.
2. 16 slice CT Scan is not available. As stated by institute, it will be operational in 45 days.
3. With regard to Dr. Jayantilal Shah, it is for the institute to downgrade him & submit fresh appointment orders, D.F. & joining reports. His irregular promotion cannot be considered by the Council. Deficiency remains as such.
4. Other deficiencies as pointed out in the Assessment Report.

148. Increase of seats in MD (Paediatrics) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Paediatrics) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Explanation given by institute regarding NIL Ba/IVP is neither tenable nor acceptable. Deficiency remains as such.
2. Deficiency regarding payment of stipend remains as such. Institute has not stated anything about payment of stipend at Govt. rates to PGs already admitted except a bland statement that "PG stipend as per Karnataka Govt. order is being paid." Without giving any further evidence or details.
3. Other deficiencies as pointed out in the Assessment Report.

149. Increase of seats in MS (Ophthalmology) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Ophthalmology) course at M.S. Ramaiah Medical

College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Institute has not given any figures to show that attendance at Specialty clinics has increased. Deficiency remains as such.
2. Deficiency regarding payment of stipend remains as such. Institute has not stated anything about payment of stipend at Govt. rates to PGs already admitted except a bland statement that "PG stipend as per Karnataka Govt. order is being paid." Without giving any further evidence or details.
3. Other deficiencies as pointed out in the Assessment Report.

150. Increase of seats in MS (OBG) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (OBG) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Institute has not given any figures to show how number of Major operations has increased. Deficiency remains as such.
2. Deficiency regarding payment of stipend remains as such. Institute has not stated anything about payment of stipend at Govt. rates to PGs already admitted except a bland statement that "PG stipend as per Karnataka Govt. order is being paid." Without giving any further evidence or details.
3. Other deficiencies as pointed out in the Assessment Report.

151. Increase of seats in MD (Community Medicine) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (5th & 6th October, 2015) and compliance dated 17/12/2015 submitted by the college authorities on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (5th & 6th October, 2015) and compliance dated 17/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Community Medicine) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Clarification regarding RHTC is incomplete. Compliance states that "Training is under direct administrative control of Principal & Dean" which clearly implies that it is not under full control of Dean. Deficiency remains as such.
2. Accommodation at RHTC remains inadequate. Deficiency remains as it is.
3. The explanation regarding Dr. C.N. Shalini cannot be accepted. A teacher, who is otherwise eligible, but has provided false information for obtaining a certificate cannot be considered as faculty at all as that is equivalent to supplying fake documents.
4. Deficiency regarding payment of stipend remains as such. Institute has not stated anything about payment of stipend at Govt. rates to PGs already admitted except a bland statement that "PG stipend as per Karnataka Govt. order is being paid." Without giving any further evidence or details.
5. Other deficiencies as pointed out in the Assessment Report.

152. Increase of seats in MD (DVL) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities on the physical and other teaching facilities available at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (05/10/2015) and compliance dated 17/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (DVL) course at M.S. Ramaiah Medical College, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. LASER for Pigment removal is not available. Deficiency remains as such.
2. Deficiency of inadequate parameters remains as such. No figures have been given to show how they have increased.
3. Deficiency regarding payment of stipend remains as such. Institute has not stated anything about payment of stipend at Govt. rates to PGs already admitted except a bland statement that "PG stipend as per Karnataka Govt. order is being paid." Without giving any further evidence or details.
4. Other deficiencies as pointed out in the Assessment Report.

153. Starting of MD (Emergency Medicine) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra under Datta Meghe Instt. Of Medical Sciences (Univ.), Nagpur u/s 10A of the IMC Act, 1956 – Withdraw of course.

Read: the letter dated 05/12/2015 received from the Dean/ Principal, Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra with regard to withdrawal of application for Starting of MD (Emergency Medicine) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra under Datta Meghe Instt. Of Medical Sciences (Univ.), Nagpur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the letter dated 05/12/2015 received from the Dean/ Principal, Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra with regard to withdrawal of application for Starting of MD (Emergency Medicine) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra under Datta Meghe Instt. Of Medical Sciences (Univ.), Nagpur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 and the and decided to return the application to the Central Government recommending disapproval of the scheme for starting of MD (Emergency Medicine) course at Jawaharlal Nehru Medical College, Sawangi (Meghe), Wardha, Maharashtra under Datta Meghe Instt. Of Medical Sciences (Univ.), Nagpur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

154. Approval of minutes of the Monitoring Sub-Committee held on 30/09/2015 – Reg.

Read: the minutes of the Monitoring Sub-Committee meeting held on 30/09/2015.

The Postgraduate Medical Education Committee perused the minutes of the Monitoring Sub-Committee meetings held on 30/09/2015 and observed as under point-wise:

1. The Monitoring committee should bring the item after seeking the following information from the college:
 - a. Whether all these candidates are nominees of foreign governments or not.
 - b. Whether these are within the sanctioned strength of the college or over and above the permitted seats.
2. Approved.
3. Approved.
4. Approved.
5. See Note below.

Note: Institute has stated that it has been given letter by MCI of LOP for M.D. (Nuclear Medicine) for Academic Year 2015-2016 without mentioning number of seats. This does not seem to be feasible for 2 reasons, firstly for A.Y. 2015-2016, MCI is only recommending authority and LOP has to be issued by Central Govt. & secondly, No LOP would be issued without mentioning number of seats. Authenticity of such a letter be verified. Monitoring sub-committee to resubmit the item after taking appropriate

decision. Agenda Item not clear, Monitoring Committee to go into the details, especially on the issues mentioned above and bring the Item again.

6. Approved.
7. Approved.
8. The P.G. Section in consultation with the college authorities should update the website and arrange for early renewal of recognition assessment.
9. Approved.

36. Approved.
37. Approved.
38. Approved.
39. Not approved. The institute has cited judgment of Hon'ble Supreme Court stating that in Minority unaided institutions, the right to admit students into different courses could not be interfered with. Opinion of law Officer of MCI be taken on this matter whether a Minority institution can make all admissions under the umbrella of this judgment of Hon'ble Supreme Court or not and matter be resubmitted thereafter. Referred for clarification to the Law Officer.
40. Approved.
41. The Postgraduate Medical Education Committee made the following observations:
 1. The Increase has been given to the tune of 53%, whereas, the recommendation from Government of India was for 27% increase (existing seats 88 increased 46). In some subjects, the increase is 100%, whereas, in other there is no increase.
 2. The Institute has not attached Letter of Permission from Ministry of Health & Family Welfare, which they were supposed to obtain.
 3. In the letter it is said that increase will be in MBBS as well as in PG seats but the Institution has not increased the MBBS seats.

4. One of the conditions in HRD Ministry's letter was phasing of expansion capacity in order to ensure that seats available in the unreserved category are not reduced. Have the institution expanded their capacity to accommodate the increased seats (whether necessary increase in faculty and infrastructure has been done) by now since, seven years have passed.

In view of above, the Committee decided that the institute be directed to provide clarification on the above issues and provide copy of LoP for increased seats issued by the Government of India, Ministry of Health & Family Welfare, New Delhi. Till then, the item is deferred.

42. Not approved. Dean be called to office of MCI with all relevant records in possession of institute and section should straighten out the discrepancy in record in the meeting and matter be resubmitted thereafter. Dr. Seema Madan and Dr. Reena Nayyar to co-ordinate.
43. Approved.
44. Not approved. Dean be called to office of MCI with all relevant records in possession of institute and section should straighten out the discrepancy in record in the meeting and matter be resubmitted thereafter. Dr. Seema Madan and Dr. Reena Nayyar to co-ordinate.
45. Approved.
46. Approved.
47. Approved.
48. Approved.
49. Approved.
50. Approved.
51. The Institution be asked to supply documentary evidence that Government did not allot any more candidates and only seats left vacant were filled out of management quota. This decision was taken in the earlier meeting of the Postgraduate Medical Education Committee that seats remaining vacant can be filled out of management quota.
52. Approved.
53. This decision has already been taken in the Postgraduate Medical Education Committee and decision taken in the Committee earlier is reiterated, which is reproduced below:

"The Postgraduate Medical Education Committee considered the matter with regard to vacant seats in pre and para clinical courses at all over India along with the order dated 10/11/2015 passed by the Hon'ble High Court of Orissa and discussed the matter in detail and arrived at the conclusion that there is no other way to fill up these seats except by making the service conditions in these departments more lucrative. E.g. they may be provided extra facilities like rent free accommodation on priority, etc. Similarly, the number of post in basic departments may be increased and a system of time bound promotion may be adopted so as to avoid stagnation at junior ranks. During period of postgraduation, stipend paid to them may be more than other departments and they may be given fee concession."

155. Approval of the minutes of the Monitoring Sub-Committee meeting held on 02/11/2015 – Reg.

Read: the minutes of the Monitoring Sub-Committee meeting held on 02/11/2015.

The Postgraduate Medical Education Committee perused the minutes of the Monitoring Sub-Committee meetings held on 02/11/2015 and observed as under point-wise:

1. The P.G. Committee decided that the Monitoring Sub-Committee to seek the following information from all the colleges of Bihar:
 - a. Date of joining of PG Students.
 - b. Number of seats (Subject-wise)

Decision should be taken in the light of earlier decision of the P.G. Committee on last year's admissions and item should be brought again.

2. The P.G. Committee decided that the Monitoring Sub-Committee to seek the following information:
 - a. Whether the 19 doctors were also nominees of foreign countries.
 - b. Whether these admissions were within sanctioned intake or are they beyond sanctioned intake.

Item be brought again after obtaining the above information.

3. Approved.
4. Approved.
5. The institute has stated that decision of BOG was to recognize DCH qualification upto students admitted for Academic Year 2009-2010. It is implied that no student can be admitted after Academic Year 2009-2010 under this order. The explanation of the institute that as the recognition is valid for 5 years, i.e. upto 2015-2016, they have admitted 7 students in DCH is not consonant with the decision of BOG and therefore null & void *ab initio*. In this view of matter, admissions made in DCH course are without any valid permission and therefore these 7 students have to be discharged. Dean be directed to discharge these 7 students of DCH and submit compliance within 2 weeks. Copy of letter be also sent to affiliating University, State Medical Council & representative of Govt. of Maharashtra on MCI.
With regard to admission of 2 candidates with < 50 % marks in entrance examination, decision of sub-committee to accept explanation of college approved.
6. Approved.
7. Approved.
8. Approved.
9. Approved.
10. The Dean be requested to clarify before the P.G. Committee along with all related documents including proof of payment of fee and date of admission of both the candidates.
11. Approved.
12. The Dean be requested to appear before the P.G. Committee along with all related documents including proof of payment of fee and date of admission of all the candidates.
13. Item is referred back to the Monitoring Committee to seek clarification how HCMS reservation has been given in Defence Institute and whether the admissions have been done within the cut-off date or beyond that. Copy of order of High Court be supplied.
14. Approved.
15. The Dean, B.J. Medical College be requested to supply the required information within a week, failing which, discharge notice will be issued for the students admitted under reference. The matter be brought back on 06/01/2016.
16. Earlier decision taken by the P.G. Committee on this issue be reiterated.
Note: Sher-i-Kashmir has admitted increased intake under the plea of Centrally Sponsored Scheme for upgrading the departments & increase of PG seats. It has not come to MCI for LOP or for recognition of increased intake (as > 3 y have elapsed). Central Govt, in its letter dt. 20/07/2015 has categorically stated that number of seats have to be evaluated by MCI. Mere

- enhancement at your end without being inspected by MCI is not permitted. Therefore immediate inspection by PG Section in the said subjects." Sub-committee has also decided to call for immediate inspection for recognition. Institute be asked to explain within 10 days, failing which, discharge notice shall be issued.
17. Item deferred.
 18. Approved.
 19. Approved.
 20. Approved.
 21. Approved.
 22. The observations of the Committee are unrelated to the Item. Referred back to the Monitoring Committee.
 23. Approved.
 24. Approved.
 25. The Monitoring Committee should obtain copy of order of the High Court dated 15/06/2015 and re-examine the item in the light of admission made after the cut-off date fixed by Hon'ble Supreme Court.
 26. Referred back to the Monitoring Committee.
 27. As per order of the Hon'ble Supreme Court vide order dated 14/03/2014 in WP(C) No. 433 of 2013, the time schedule for admission in Postgraduate courses has been laid down. The last date for admission was 10th July, 2014. Any admission done after the cut-off date is irregular. There is no authority in the Country (including BCECEB) who can override the order of the Hon'ble Supreme Court. Hence, for the admissions made through BCECEB it is not clear under whose authority last date of admissions and reporting was extended to 08/08/2014. In this view of matter, institute be directed to discharge all students admitted after prescribed last date and submit compliance within 2 weeks. A copy of letter be also sent to DME, State Medical Council & affiliating University.
 28. The Dean, Government Medical College, Nagpur be given last opportunity to supply the required information otherwise proceedings be initiated as per rules.
 29. Approved.
 30. Approved.
 31. The Dean, Jhalawar Medical College, Jhalawar be given last opportunity to provide the required information within 7 days other-wise discharge notice will be issued.
 32. Approved.
 33. Approved. The issue of payment of stipend is already pending with the Ethics Committee on reference by the P.G. Committee. This should also be referred to the Ethics Committee.
 34. Approved if the relevant information is not provided within a week, discharge notice be issued.
 35. Send reminder to all the colleges for renewal of recognition due in the subjects in which they are running PG courses.

156. Issue pertaining to the admission of M.Ch. (Plastic and Reconstructive Surgery) Course 2015-16 at J.N. Medical College, AMU, Aligarh.

Read: the letter dated 10/10/2015 received from Prof. Javiad Akhter, Controller of Examination with regard to Issue pertaining to the admission of M.Ch. (Plastic and Reconstructive Surgery) Course 2015-16 at J.N. Medical College, AMU, Aligarh.

The Postgraduate Medical Education Committee considered the letter dated 10/10/2015 received from Prof. Javiad Akhter, Controller of Examination with regard to Issue pertaining to the admission of M.Ch. (Plastic and Reconstructive Surgery)

Course 2015-16 at J.N. Medical College, AMU, Aligarh and decided that Legal opinion be obtained, especially to ascertain whether MCI was a party in the fresh petition or not. It may also be ascertained what was the order of the Hon'ble High Court or only undertaking was given by the University.

157. Need for revision of clinical material already prescribed. Should it be different at start of PG course, increase of seats and Recognition.

Read: the matter with regard to Need for revision of clinical material already prescribed. Should it be different at start of PG course, increase of seats and Recognition.

The Postgraduate Medical Education Committee considered the matter with regard to Need for revision of clinical material already prescribed. Should it be different at start of PG course, increase of seats and Recognition and decided to refer the matter to Sub-Committee consisting of Dr. Deelip Govindrao Mhaisekar and Dr. K.S. Sharma, which will give recommendations on the above issue for consideration of Postgraduate Medical Education Committee.

158. Starting of MS (Orthopaedics) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (01/09/2015) and compliance dated 19/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 19/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (Orthopaedics) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No data have been provided to show how OPD has increased from 26 shown in report.
2. No data have been provided to show how Bed Occupancy has increased from 15% shown in report.
3. No proper explanation has been given for the remark "*2 units of blood were given to those patients who were not available at all.*"
4. Other deficiencies as pointed out in the Assessment Report.

159. Starting of MD (Anaesthesia) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (01/09/2015) and compliance dated 19/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda for Starting of MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 19/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Anaesthesia) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No proper explanation has been given for remark "*No patient as per OT list was available in respective wards. No admission or discharge papers were available in wards. All names in OT list seemed to be bogus & fraudulent documents were made.*"
2. No proper explanation has been given for the remark with regard to Histopathology samples that "*On cross checking all were found to be bogus as no specimen was available.*"
3. No proper explanation has been given for remark on Blood bank that "*On cross checking this was also found to be false claim as no such patients were admitted in the ward.*"
4. Other deficiencies as pointed out in the Assessment Report.

160. Starting of MD (Radio-Diagnosis) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (02/09/2015) and compliance dated 19/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda for Starting of MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02/09/2015) and compliance dated 19/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Radio-Diagnosis) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. DSA is not available. Deficiency remains as such.
2. No data have been provided to substantiate the claim that adequate workload is available.
3. Other deficiencies as pointed out in the Assessment Report.

161. Starting of MS (ENT) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (01/09/2015) and compliance dated 19/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (01/09/2015) and compliance dated 19/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS (ENT) course at Adesh Institute of Medical Sciences & Research, Bathinda under Adesh University, Bathinda u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No data have been provided to show increased Bed Occupancy which was 10% in the earlier report.
2. No explanation is submitted regarding 2 Asst. Prof. not knowing who is HOD.
3. PG Unit should have 30 beds; even in compliance it is stated that "*ENT ward has 15 beds which is as per norms of MCI*" which is not correct.
4. Other deficiencies as pointed out in the Assessment Report.

162. Increase of seats in MS (Ophthalmology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (11/08/2015) and compliance dated 18/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11/08/2015) and compliance dated 18/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Ophthalmology) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The institute has requested for conversion of 07 Diploma seats into Degree seats, which is beyond the scope of MCI. They are advised to approach Central Govt., Ministry of Health & Family Welfare, New Delhi in this regard.
2. Other deficiencies as pointed out in the Assessment Report.

163. Increase of seats in MS (OBG) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (13/08/2015) and compliance dated 18/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (13/08/2015) and compliance dated 18/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the

scheme for Increase of seats in MS (OBG) course at Bangalore Medical College and Research Institute, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Deficiency of faculty remains as such.
2. Unit III at Bowring Hospital has only 2 faculty & it cannot be considered as PG Unit. Deficiency remains as such.
3. Other deficiencies as pointed out in the Assessment Report.

164. Increase of seats in MD (Pulmonary Medicine) course at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (15/09/2015) and compliance dated 18/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal for Increase of seats in MD (Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15/09/2015) and compliance dated 18/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Pulmonary Medicine) course at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Deficiency of NIL publications remains as such. Ongoing projects cannot be considered in lieu of research publications.
2. DLCO is not available.
3. No data have been provided to show any increase in Specialty clinics.
4. Facilities for treatment of MDR Tuberculosis are not available.
5. Other deficiencies as pointed out in the Assessment Report.

165. Increase of seats in MS (Orthopaedics) course at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (14/09/2015) and compliance dated 18/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal for Increase of seats in MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (14/09/2015) and compliance dated 18/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS (Orthopaedics) course at Peoples College of Medical

Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No proper explanation has been given for decrease of OPD patients during 3 year period. Even the figure of 2015 falls far short of figure of 2012 by almost 40%.
2. No proper explanation has been given for decrease in Histopathological workload from 2012 to 2014.
3. No proper explanation has been given for low MRI workload.
4. With regard to remark "*Knee Arthroplasty set is not available*", the compliance of the institute that "*Knee Arthroplasty sets are being made available for patients*" is ambiguous & itself indicates that it is not available on permanent basis.
5. Other deficiencies as pointed out in the Assessment Report.

166. Increase of seats in MD (Pathology) course at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (15/09/2015) and compliance dated 18/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal for Increase of seats in MD (Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15/09/2015) and compliance dated 18/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD (Pathology) course at Peoples College of Medical Sciences & Research Centre, Bhanpur, Bhopal under People's University, Bhanpur, Bhopal u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Deficiency of inadequate number of mounted specimens remains as such. Histopathological specimens cannot be a substitute for mounted specimens.
2. Pathological post-mortems are not performed.
3. No proper explanation has been given for remark "*Immunohistochemistry services are provided with collaboration of an external institute.*"
4. No data have been provided to show the number of Bone Marrow Biopsy & TT investigations. While the remark pertained to NIL investigations, institute has stated about availability of equipment which is not compliance.
5. Other deficiencies as pointed out in the Assessment Report.

167. Increase of seats in MD (Anaesthesia) course at Sri Manakula Vinayagar Medical College and Hospital, Puducherry under Pondicherry University, Puducherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (02/09/2015) and compliance dated 17/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Sri Manakula Vinayagar Medical College and Hospital, Puducherry under Pondicherry University, Puducherry for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (02/09/2015) and compliance dated 17/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

168. Increase of seats in MD (General Medicine) course at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (21/08/2015) and compliance dated 21/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Command Hospital Air Force, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (21/08/2015) and compliance dated 21/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

169. Starting of MD (Radio-Diagnosis) course at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (28/09/2015) and compliance dated 15/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad for Starting of MD (Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28/09/2015) and compliance dated 15/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

170. Starting of MS (Orthopaedics) course at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (30/09/2015) and compliance dated 15/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/09/2015) and compliance dated 15/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

171. Starting of MS (ENT) course at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (29/09/2015) and compliance dated 15/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (29/09/2015) and compliance dated 15/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

172. Starting of MD (Paediatrics) course at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (29/09/2015) and compliance dated 15/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (29/09/2015) and compliance dated 15/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

173. Starting of MD (TB & Chest) course at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad u/s 10A of the IMC Act, 1956 for the academic year 2016-17- consideration of compliance.

Read: the Council Assessor's Report (29/09/2015) and compliance dated 15/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Ahmedabad Municipal Corporation Medical Education Trust Medical College, Ahmedabad under Gujarat University, Ahmedabad for Starting of MD (TB & Chest) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (29/09/2015) and compliance dated 15/12/2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

174. Starting of MD (Paediatrics) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17-consideration of compliance.

Read: the Council Assessor's Report (19/08/2015) and compliance dated 21/12/2015 submitted by the college authorities on the physical and other teaching facilities available at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19/08/2015) and compliance dated 21/12/2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD (Paediatrics) course at Mandya Institute of Medical Sciences, Mandya, Karnataka under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Deficiency of NIL Professor remains as such.
2. MRI is not available. It is reiterated that MOU with a private party cannot be accepted.
3. Paediatric Endoscopy & Dialysis facilities are not available.
4. Specialty clinics like Paediatric nephrology, Paediatric Endocrinology, Paediatric Gastroenterology, Paediatric Neurology clinics are not run.
5. Other deficiencies as pointed out in the Assessment Report.

175. Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at Amala Institute of Medical Sciences, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – Withdraw of course.

Read: the Council Assessor's Report (10th September 2015) on the physical and other teaching facilities available at Amala Institute of Medical Sciences, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur for Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the letter dated 17/12/2015 received from the Dean/ Principal, Amala Institute of Medical Sciences, Thrissur, Kerala.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (10th September 2015) along with the letter dated 17/12/2015 received from the Dean/ Principal, Amala Institute of Medical Sciences, Thrissur, Kerala withdrawing the application and decided to return the application to the Central Government recommending disapproval of the scheme for increase of seats in MD (TB & Respirator Medicine/ Pulmonary Medicine) course at Amala Institute of Medical Sciences, Thrissur, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

176. Starting of MD(General Medicine) course at Bhabha Atomic Research Centre, Mumbai, Maharashtra under Homi Bhabha National Institute (Univ.) u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (11th September 2015) and compliance dated 18th December 2015 submitted by the college authorities on the physical and

other teaching facilities available at Bhabha Atomic Research Centre, Mumbai, Maharashtra under Homi Bhabha National Institute (Univ.) for Starting of MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (11th September 2015) and compliance dated 18th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(General Medicine) course at Bhabha Atomic Research Centre, Mumbai, Maharashtra under Homi Bhabha National Institute (Univ.) u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. There are only 2 Units instead of 3 Units required. These Units have 53 & 52 beds against requirement of 30 beds/Unit. Deficiency remains as such.
2. CT Scan & MRI are not available. Deficiency remains as such.
3. Other deficiencies as pointed out in the Assessment Report.

177. Starting of MS(OBG) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities on the physical and other teaching facilities available at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(OBG) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No data have been provided to show how Obstetric OPD has improved.
2. No data have been provided to show how workload of Major Obstetric operations has increased. It is reiterated that LSCS cannot be considered as Major Obstetric operations.
3. Deficiency of ineligibility of Dr. Parvathi for appointment to post of Senior resident remains as such. No person can be appointed as Senior Resident unless he/she has 3 years experience as Resident in a Medical College.
4. Other deficiencies as pointed out in the Assessment Report.

178. Starting of MD(General Medicine) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities on the physical and

other teaching facilities available at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MD(General Medicine) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. Promotion of Dr. S. Krishna Murthy, Associate Professor, Unit-II is not as per Regulations. He was promoted on 01/09/2015 after the cut-off date of the transitory period without any publications and this is not as per Regulations.
2. Other deficiencies as pointed out in the Assessment Report.

179. Starting of MS(Orthopaedics) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities on the physical and other teaching facilities available at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Starting of MS(Orthopaedics) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Institute has stated in compliance that there were 2 Major operations on day of assessment which is inadequate.
2. No satisfactory explanation has been given for remark "Many admitted patients were not worthy of admission."
3. Other deficiencies as pointed out in the Assessment Report.

180. Starting of MS(Ophthalmology) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities on the physical and other teaching facilities available at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University,

Chennai for Starting of MS(Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

181. Starting of MD(DVL) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities on the physical and other teaching facilities available at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MD(DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

182. Starting of MS(ENT) course at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities on the physical and other teaching facilities available at Karpaga Vinayaga Institute of Medical Sciences, Maduranthagam, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Starting of MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (04th November 2015) and compliance dated 21st December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

183. Increase of seats in MD(DVL) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD(DVL) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to

disapprove the scheme for Increase of seats in MD(DVL) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Bed occupancy has to be computed on basis of beds occupied at 10:00 a.m. on day of assessment. It was only 50% at that time & no proper explanation has been given for the same.
2. No proper explanation has been given for NIL Skin Biopsy on date of assessment.
3. No proper explanation has been given for NIL workload of Skin Tests, Staining & Wet Mount.
4. Data of departmental clinical material is maintained only in computerized format. No physical registers are available.
5. Academic parameter Group teaching is inadequate. Deficiency remains as such.
6. Other deficiencies as pointed out in the Assessment Report.

184. Increase of seats in MD(Paediatrics) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Paediatrics) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Bed occupancy has to be computed on basis of beds occupied at 10:00 a.m. on day of assessment. It was only 13% at that time & no proper explanation has been given for the same.
2. No proper explanation has been given for mismatch of data except stating 'There is no mismatch of data.'
3. Other deficiencies as pointed out in the Assessment Report.

185. Increase of seats in MS(Ophthalmology) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in

MS(Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Ophthalmology) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. Contention of institute that assessor himself has stated Bed Occupancy as 99% is not correct as it is categorically stated at Item 6 of Summary (Internal P. 2 of Report) that Bed Occupancy is " $\leq 50\%$ ". It has also been repeated on at Item 9, Part II Departmental information. No proper explanation has been given for the same.
2. No proper explanation has been given non-feasibility of 48 admissions on 60 beds with bed occupancy of around 50%.
3. Other deficiencies as pointed out in the Assessment Report.

186. Increase of seats in MS(Orthopaedics) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MS(Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(Orthopaedics) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No proper explanation has been given for inadequate Bed Occupancy of 40-45%. The contention of the institute that admission of patients is being done at per Doctor's discretion and as such no Regulation in this concern cannot be accepted.
2. No explanation has been given for 2 Major & 2 Minor operations on day of assessment which is inadequate.
3. Explanation about NIL Histopathology/FNAC workload is not convincing. Deficiency remains as such.
4. No proper explanation has been given by institute regarding the remarks of inflated clinical material & blood utilization.
5. Other deficiencies as pointed out in the Assessment Report.

187. Increase of seats in MS(OBG) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MS(OBG) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No proper explanation has been given for inadequate Bed Occupancy at only 50% on day of assessment which has to be computed at 10:00 a.m. on day of assessment. Contention of institute that patients have to be admitted on the discretion of doctor cannot be accepted as patients admitted for minor complaints without justification cannot be considered & accepted as good teaching material.
2. No proper explanation has been given for mismatch in data of 56 admissions/day with 50% bed occupancy.
3. No proper explanation is given for remark "Data of clinical material provided by institute do not match with that observed by assessor on day of assessment" except bland statement that "As per record data was not mismatched."
4. No proper explanation is given for remark "Birth Registration details were not provided in spite of repeated requests" except bland statement "Birth Registration record was available". Such evasive compliance itself indicates that Birth registration record was not provided to assessor for verification.
5. Other deficiencies as pointed out in the Assessment Report.

188. Increase of seats in MD(Psychiatry) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (16th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD(Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (16th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

189. Increase of seats in MD(General Medicine) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD(General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(General Medicine) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. It has been pointed out that Units I, II, III, IV & VI are deficient. No proper explanation has been given for the same. It is only stated that concerned faculty/Residents were on sanctioned leave. However it is noted that no such leave letters were given to assessor at time of assessment.
2. The contention of the institute that deficiency of staff/residents related to extra staff cannot be accepted as the faculty/Resident position of each Unit was arrived at only after not considering absent faculty/Resident of that particular Unit.
3. With regard to MRD, assessor has pointed out at remark # 12 of Final Remarks at item # 28 of Summary that "Medical Record Section is both computerized and manual." No proper explanation has been given for this.
4. Other deficiencies as pointed out in the Assessment Report.

190. Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD(TB & Respiratory Medicine/ Pulmonary Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

191. Increase of seats in MD(Radio-Diagnosis) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD(Radio-Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Radio-Diagnosis) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No proper explanation is given for disproportionately high reported 50-60 CT scans & 34-38 MRI on only 1 machine each which is not feasible.
2. No proper explanation has been given for non-feasibility of data of radiological investigations in relation with inadequate OPD/IPD in Paediatrics, O.G. & Orthopaedics.
3. Promotion of Dr. Dinesh Gupta is not as per Regulations. Deficiency is not rectified.
4. Experience of 3 years as Resident in medical college is not shown for Dr. Reena Gupta; hence she is not eligible for appointment as Senior Resident. No compliance is submitted in this regard.
5. Other deficiencies as pointed out in the Assessment Report.

192. Increase of seats in MD(Pathology) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities on the physical and other teaching facilities available at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (18th November 2015) and compliance dated 17th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Pathology) course at National Institute of Medical Science & Research, Jaipur, Rajasthan under NIMS University, Jaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

Compliance is not satisfactory.

1. No explanation is given for the remark "While Gynaec OT showed 8 TAH surgeries, only 4 specimens could be located in Histopathology. Further, assessor of O.G. noted NIL surgery on the same day".

2. There was NIL CT guided & NIL USG guided FNAC on the day of assessment. Explanation of institute that they were available in Central Diagnostics Division is not acceptable as the report was made after considering available material in all sections. Deficiency remains as such.
3. Deficiency of IHC for diagnostic purpose not being done routinely remains as such.
4. No explanation has been given regarding mismatch in samples received & reports issued. The explanation speaks about preservation of samples and not about mismatch between samples received & reports issued.
5. Deficiency of 4 publications being case reports remains as such.
6. Other deficiencies as pointed out in the Assessment Report.

193. Increase of seats in MD(Paediatrics) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (20th August 2015) and compliance dated 19th December 2015 submitted by the college authorities on the physical and other teaching facilities available at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences for Increase of seats in MD(Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (20th August 2015) and compliance dated 19th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Paediatrics) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. There are already 21 Degree & 06 Diploma seats – i.e. total 27 seats. One remark was there are 484 beds in 10 Units. Compliance states that the Units have been reorganized into 240 teaching beds under 6 Units & rest being non-teaching beds which are under Asst. Prof. & Medical Officers under supervision of Senior faculty. As there are 11 Professors, 5 Units have 2 Professors each & 6th Unit will have only 2 Professor with 2 Asst. Prof. which implies maximum 22 seats can be permitted which is less than existing 27 seats. Institute is under the impression that no PG teacher is required for Diploma which is wrong. Hence although compliance is satisfactory, reorganization of Units will have the effect of reducing number of seats.
2. Other deficiencies as pointed out in the Assessment Report.

194. Starting of MS(ENT) course at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – Withdraw of course.

Read: the Council Assessor's Report (31st October 2015) on the physical and other teaching facilities available at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur for Starting of MS(ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the letter dated 21/12/2015 received from the Dean/ Principal, Travancore Medical College, Kollam.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (31st October 2015) along with the letter dated 21/12/2015 received from the Dean/ Principal, Travancore Medical College, Kollam withdrawing the application and decided to return the application to the Central Government

recommending disapproval of the scheme for starting of MS (ENT) course at Travancore Medical College, Kollam, Kerala under Kerala University of Health Sciences, Thrissur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

195. Starting of MD(Emergency Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (27th August 2015) and compliance dated 21st December 2015 submitted by the college authorities on the physical and other teaching facilities available at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow for Starting of MD(Emergency Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (27th August 2015) and compliance dated 21st December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

196. Increase of seats in MD(Pathology) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (17th August 2015) and compliance dated 19th December 2015 submitted by the college authorities on the physical and other teaching facilities available at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences for Increase of seats in MD(Pathology) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (17th August 2015) and compliance dated 19th December 2015 submitted by the college authorities and decided to verify compliance by way of Assessment.

197. Increase of seats in MD(Anaesthesia) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – consideration of compliance.

Read: the Council Assessor's Report (19th August 2015) and compliance dated 19th December 2015 submitted by the college authorities on the physical and other teaching facilities available at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences for Increase of seats in MD(Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (19th August 2015) and compliance dated 19th December 2015 submitted by the college authorities and decided to recommend to the Central Govt. to disapprove the scheme for Increase of seats in MD(Anaesthesia) course at SMS Medical College, Jaipur, Rajasthan under Rajasthan University of Health Sciences u/s 10A of the IMC Act, 1956 for the academic year 2016-17, because of the following facts:-

1. The college is already having 40 seats and at present there are 156 doctors working in the department of Anaesthesia. Looking into the available

infrastructure, clinical material, academic and research activity, the Committee felt that no further increase is justifiable.

2. Other deficiencies as pointed out in the Assessment Report.

198. Starting of MS(OBG) course at Shri Satya Sai Medical College and Research Institute, Kancheepuram, Tamilnadu under Sri Balaji Vidyapeeth, Pondicherry (Deemed Univ.) u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – Withdraw of Course.

Read: the Council Assessor's Report (25th August 2015) on the physical and other teaching facilities available at Shri Satya Sai Medical College and Research Institute, Kancheepuram, Tamilnadu under Sri Balaji Vidyapeeth, Pondicherry (Deemed Univ.) for Starting of MS(OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the letter dated 17/12/2015 received from the Dean/ Principal, Shri Satya Sai Medical College and Research Institute, Kancheepuram.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (25th August 2015) along with the letter dated 17/12/2015 received from the Dean/ Principal, Shri Satya Sai Medical College and Research Institute, Kancheepuram withdrawing the application and decided to return the application to the Central Government recommending disapproval of the scheme for starting of MS (OBG) course at Shri Satya Sai Medical College and Research Institute, Kancheepuram, Tamilnadu under Sri Balaji Vidyapeeth, Pondicherry u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

199. Syllabus (Guidelines), MSR and TEQ for the proposed M.Ch. in Vascular Surgery prepared by Expert Group. Minutes of the Academic Committee meeting held on 18/09/2015 – approval of.

Read: the matter with regard to syllabus (Guidelines), MSR and TEQ for the proposed M.Ch. in Vascular Surgery prepared by Expert Group along with the minutes of the Academic Committee meeting held on 18/09/2015.

The Postgraduate Medical Education Committee considered the matter with regard to syllabus (Guidelines), MSR and TEQ for the proposed M.Ch. in Vascular Surgery prepared by Expert Group along with the minutes of the Academic Committee meeting held on 18/09/2015 and decided to defer the matter.

200. Starting of/ Increase of seats in various Postgraduate Courses u/s 10A of the IMC Act, 1956 for the academic year 2016-17 – Non-receipt of Compliance – regarding.

Read: the matter with regard to non-receipt of compliance for starting of/ increase of seats in various postgraduate courses u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

The Postgraduate Medical Education Committee considered the matter with regard to non-receipt of compliance for starting of/ increase of seats in various postgraduate courses u/s 10A of the IMC Act, 1956 for the academic year 2016-17 and decided that all those cases in which compliance has not been received within the stipulated time, the scheme may be disapproved and be sent back to the Central Government, Ministry of Health & Family Welfare, New Delhi as per the provisions of the section 10A of the IMC Act, 1956.

201. Increase of seats in MS (Orthopaedics) course at Geetanjali Medical College & Hospital, Udaipur under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17.

Read: the matter with regard to increase of seats in MS (Orthopaedics) course at Geetanjali Medical College & Hospital, Udaipur under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the letter dated 19/12/2015 received from the Dean, Geetanjali Medical College & Hospital, Udaipur.

The Postgraduate Medical Education Committee considered the matter with regard to increase of seats in MS (Orthopaedics) course at Geetanjali Medical College & Hospital, Udaipur under Geetanjali University, Udaipur u/s 10A of the IMC Act, 1956 for the academic year 2016-17 along with the letter dated 19/12/2015 received from the Dean, Geetanjali Medical College & Hospital, Udaipur and decided that since, the disapproval of the scheme has already been communicated to the Central Government upon withdrawal request of the application by the college, no further action is required in the matter.

202. Maharishi Markandeshwar University, Mullana-Ambala, Haryana - Recognition of Post Graduate Diploma in Anaesthesia in respect of students being trained at M.M. Institute of Medical Sciences & Research, Ambala - consideration of representation.

Read: the letter dated 24/11/2015 received from the Principal, MM Institute of Medical Sciences & Research, Ambala addressed to the Central Govt., Ministry of Health & Family Welfare, New Delhi with a copy to this Council with regard to Recognition of Post Graduate Diploma in Anaesthesia in respect of students being trained at M.M. Institute of Medical Sciences & Research, Ambala granted by Maharishi Markandeshwar University, Mullana, Ambala.

The Postgraduate Medical Education Committee considered the letter dated 24/11/2015 received from the Principal, M.M. Institute of Medical Sciences & Research, Ambala addressed to the Central Govt., Ministry of Health & Family Welfare, New Delhi with a copy to this Council with regard to recognition of DA qualification at M.M. Institute of Medical Sciences & Research, Ambala granted by Maharishi Markandeshwar University, Mullana and decided to recommend the Central Government, Ministry of Health & Family Welfare to make necessary correction in the notification recognizing DA qualification granted by Maharishi Markandeshwar University, Mullana in respect of students being trained at M.M. Institute of Medical Sciences & Research, Ambala with effect from 2011 instead of 2012.

203. Maharishi Markandeshwar University, Mullana-Ambala, Haryana - Recognition of Post Graduate Degree MD (Paediatrics) in respect of students being trained at M.M. Institute of Medical Sciences & Research, Ambala - consideration of representation.

Read: the letter dated 24/11/2015 received from the Principal, MM Institute of Medical Sciences & Research, Ambala addressed to the Central Govt., Ministry of Health & Family Welfare, New Delhi with a copy to this Council with regard to Recognition of Post Graduate Degree MD (Paediatrics) in respect of students being trained at M.M.
