Dr. Arti Sharma – Deputy Secretary

The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Dr. K S Sharma, Dr. Deelip Govindrao Mhaisekar, Dr. Dhruva Jyoti Borah, Dr. (Mrs.) Rani Bhaskaran, and Dr. Raja Babu Panwar, Member(s), Postgraduate Medical Education Committee.

**1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.**

The minutes of the meeting of the Postgraduate Medical Education Committee held on 15.12.2016 confirmed.

**2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.**

Minutes of the meetings dated 30/11/2016 and 15/12/2016 are still not received from the Oversight Committee. Action will be taken on receipt of the Minutes from the Oversight Committee.

There has been some confusion about the definition/composition of a Unit. The Post Graduate Committee after detailed deliberations resolved as under:-

A Clinical Unit in Broad specialties should have:-

- i) Minimum 30 teaching beds excluding ICU / HDU and Private ward / room beds  
In super-specialties: Minimum 20 beds excluding ICU / HDU and Private Ward / Room beds,
- ii) Minimum staff required (Both Broad and Super-Specialities):  
(First Unit)  
1-Professor  
1-Assoc.Prof.  
1- Asst.Prof.  
1-Sr.Resident  
2-Jr.Resident

Remaining units of the department (in multi unit departments) can be headed by Professor or Assoc. Professor and remaining two faculties can be Asst. Professor in addition to one Sr. Resident and two Junior Resident.

The Matter may be placed before the General Body of the Council for approval.

**3. Agenda of the March 4th, 2016 Academic Committee meeting Item 8 referred back by Executive Committee to Academic Committee. E-mail Letter from Dr. Nisar Chowdri, Member, Expert panel for M.Ch in Colorectal Surgery - recommendation of Academic Committee meeting held 30th June, 2016 and decision of the Executive Committee meeting held on 23rd August, 2016.**

Read: the E-mail Letter from Dr. Nisar Chowdri, Member, Expert panel for M.Ch in Colorectal Surgery along with the recommendations of the Academic Committee and Executive Committee with regard to inclusion of M.Ch in Colorectal Surgery.

The Postgraduate Medical Education Committee considered the E-mail Letter from Dr. Nisar Chowdri, Member, Expert panel for M.Ch in Colorectal Surgery along with the recommendations of the Academic Committee as well as Executive Committee with regard to inclusion of M.Ch in Colorectal Surgery and noted that the agenda has neither MSR nor TEQ nor decision of General Body dated 28.03.2016 along with the item. It is only a letter from Dr. Nisar Chowdri. The office is advised to prepare a comprehensive agenda note giving all enclosers which have been mentioned in this agenda note including earlier decision of Academic Committee to consider this as a PDCC course. In the meantime discussion be held with experts from surgical gastroenterology that with colorectal surgery and Hepato-pacreato-biliary surgery becoming separate super-speciality departments, what will be left for them to do. Dr. Hota may convene a meeting of three experts from surgical gastroenterology and bring out their opinion.

**4. Guidelines, MSR & TEQ in (a) DM (Virology) resubmitted (b) M.Ch. Gynecological Oncology resubmitted and (c) DM in Paediatric Hepatology (new) - recommendation of Academic Committee meeting held 30th June, 2016 and decision of the Executive Committee meeting held on 23rd August, 2016.**

Read: the matter with regard to guidelines, MSR & TEQ in (a) DM (Virology) resubmitted (b) M.Ch. Gynecological Oncology (resubmitted and (c) DM in Paediatric Hepatology (new) - recommendation of Academic Committee meeting held 30th June, 2016 and decision of the Executive Committee meeting held on 23rd August, 2016.

The Postgraduate Medical Education Committee considered the recommendations of the Academic Committee and Executive Committee with regard to Guidelines, MSR & TEQ in (a) DM Virology (resubmitted), (b) MCh Gynecological

Oncology (resubmitted) and (c) DM in Paediatric Hepatology (new) along with the recommendations of the Academic Committee as well as Executive Committee with regard to inclusion of Guidelines, MSR & TEQ in (a) DM Virology (resubmitted), (b) MCh Gynecological Oncology (resubmitted) and (c) DM in Paediatric Hepatology (new) and decided to convene a Sub-Committee meeting under the chairmanship of Dr. Dattesar Hota to deliberate the matter in detail and submit the report on this issue.

## **5. Proposal to establish Emergency Medicine Academia in India – reg.**

Read: the letter dated 19/08/2016 received from Sh. Sunil KS Bhadoria, Section Officer, Ministry of Health and Family Welfare, Nirman Bhawan, New Delhi forwardin therewith the proposal alongwith CD received from Association Members, Department of Emergency Medicine, Jubilee Mission Medical College and Research Institute, Kozhikode, Kerala.

The Postgraduate Medical Education Committee considered the letter dated 19/08/2016 received from Sh. Sunil KS Bhadoria, Section Officer, Ministry of Health and Family Welfare, Nirman Bhawan, New Delhi forwardin therewith the proposal alongwith CD received from Association Members, Department of Emergency Medicine, Jubilee Mission Medical College and Research Institute, Kozhikode, Kerala and perused the proposal and after due and detailed deliberations it was decided that it be placed before Academic Committee with a request to grant personal hearing and resubmit the matter before PG Committee thereafter. However, the academic must keep in mind that:

As per TEQ regulations the qualifications requirement in super-speciality subjects is super-speciality degree or PG degree in board speciality with 2 years special training in the subject concerned in a recognized medical institution at the time of appointment. However in most of the super-speciality departments started in the recent past people were transferred from broad speciality to the newly created super specialty under the plea that the person concerned was doing super-specialty work while working in board specialty which is not according to TEQ regulations. All these departments are now facing problems at the time of recognition inspection under section 11(2) of the IMC Act. Now they are taking the plea that LOP was given with the same faculty and there should be no objection now in recognition. However, one mistake committed cannot form the basis for its perpetuation. Hence, it must be clarified that 2 years special training in the super-speciality concerned should be before joining the department of super-speciality as faculty in an institution having LOP for DM/M.Ch. course and subsequent promotions should be after spending required period (and publications) in the super-speciality itself.

If the academic committee agrees with the above provisions, the same must be laid down in each new super-specialty proposed to be started. If it does not agree, they may suggest alternative with reasons.

## **6. Request from Vice-Chancellor, KGMU, Lucknow for approval of course of M.Ch in Paediatric Orthopaedics - recommendation of Academic Committee meeting held 30th June, 2016 and decision of the Executive Committee meeting held on 23rd August, 2016-reg.**

Read: the request received from Vice-Chancellor, KGMU, Lucknow for approval of course of M.Ch in Paediatric Orthopaedics along with the recommendations of the Academic Committee and Executive Committee.

The Postgraduate Medical Education Committee considered the request letter dated 13.05.2016 received from Vice-Chancellor, KGMU, Lucknow for inclusion of

course of M.Ch. in Paediatric Orthopaedics along with the recommendations of the Academic Committee as well as Executive Committee along with the recommendations of the Academic Committee as approved by Executive Committee and decided to convene a Sub-Committee meeting under the chairmanship of Dr. Datteswar Hota to deliberate the matter in detail and submit the report on this issue.

**7. Minutes of the meeting of the Expert Group to examine the need for ban of animal Experimentation in PG courses held on June 1, 2016- recommendation of Academic Committee meeting held 30th June, 2016 and decision of the Executive Committee meeting held on 23rd August, 2016.**

Read: the Minutes of the meeting of the Expert Group to examine the need for ban of animal Experimentation in PG courses held on June 1, 2016 along with the recommendations of the Academic Committee and Executive Committee.

The Postgraduate Medical Education Committee approved the Minutes of meeting of Expert Group to examine the need for ban of animal experimentation in PG courses as approved by Academic Committee at its meeting dt. 30/06/2016 and by Executive Committee at its meeting dt. 23/08/2016 as under:

“An Expert Group meeting was convened to discuss the letter from Deputy Secretary (AW), Member Secretary, CPCSEA, Ministry of Environment, Forests and Climate Change, Indira Paryavaran Bhawan, New Delhi in which it has been stated that vide notification of UGC dated 14th August, 2014, UGC has banned animal dissection in UG as well as PG curriculum and has advised the use of digital alternatives, models and charts in place of animal dissection. The letter further stated that MCI has published a Gazette Notification dated 18th March, 2014 according to which, for teaching physiology and pharmacology in UG curriculum, the required knowledge and skills should be imparted by using computer assisted modules. The letter also stated that as per MCI Notification, the animal hold area shall be as per CPCSEA guidelines. Further, even after MCI Notification, CPCSEA has been continuously getting proposals from establishments involved in imparting education and in animal experimentation at the undergraduate level, and many establishments imparting education at UG level and registered earlier by CPCSEA to continue their registration even after the MCI Notification regarding prohibition of animal experimentation in UG curriculum. In view of this, the Deputy Secretary (AW) has requested MCI to clearly mention the degree programmes under the purview of MCI wherein animal experimentation is completely banned along with the degree programmes wherein animal experimentation is allowed so that unnecessary registration may be stopped.

The Council constituted an Expert Group of the following members to give their recommendations on the said subject:

1. Dr. Ved Prakash Mishra, Chairman, Academic Committee
2. Dr. S.K. Maulik, Professor, Department of Pharmacology, AIIMS, New Delhi - Convener, Expert Group
3. Dr. A. Ray, Director-Professor, Department of Pharmacology, VP Chest Institute, Delhi University, Delhi - Member, Expert Group
4. Dr. A. K. Jain, Director-Professor, Department of Physiology, MAMC, New Delhi - Member, Expert Group

The Expert Group strongly recommended that animal experimentation should continue to be included as an integral part of the competency based curriculum of PG courses in Physiology and Pharmacology in medical colleges/institutes.

The Minutes of the said meeting is given as Annexure 9:

The Academic Committee approved the recommendations of the Expert Group that animal experimentation should continue to be included as an integral part of the competency based curriculum of PG courses in Physiology and Pharmacology in medical colleges/institutes.

The Academic Committee further emphasized that the concerned medical colleges should ensure that all governing statutory regulations on the use of animals in teaching and training of the said PG courses are strictly adhered to.”

Matter be placed before the General body.

**8. Agenda of the March 4th, 2016 Academic Committee meeting Item 28 referred back by Executive Committee to Academic Committee. Office Note from PG Section regarding Grievances made by the interns and Post Graduate students for work pattern-Order of Hon’ble High Court of Madras-Clarification-recommendation of Academic Committee meeting held 30th June, 2016 and decision of the Executive Committee meeting held on 23rd August, 2016.**

Read: the matter with regard to Grievances made by the interns and Post Graduate students for work pattern along with the recommendations of the Academic Committee and Executive Committee.

The Postgraduate Medical Education Committee considered the matter with regard to Grievances made by the interns and Post Graduate students for work pattern along with the recommendations of the Academic Committee as well as Executive Committee along with order of Hon’ble High Court at Madras and approved the following:

“The Registrar, The Tamil Nadu Dr. MGR Medical University had written to MCI that PGs and Medical Interns undergoing internship in Tamil Nadu have requested for a weekly off, to avail all Govt. holidays, and to provide for 8 hour duty pattern during the study/training period. The matter was referred to the Academic Committee which opined that existing policy decisions in regard to permissible leave to interns and residents, as in vogue, are adequate. Further, providing an embargo of 8 hour duty pattern for interns and residents would not be in academic interest.”

**9. Inclusion of qualification of Leiden University in Part-II of Third Schedule of Indian Medical Council Act, 1956 - regarding.**

Read: the letter dated 10.06.2016 received from Ms. Poonam Chaudhary, Under Secretary to the Govt. of India, Ministry of Health and Family Welfare, New Delhi along with copy of letter received from Sh. Narendra Singh Tomar, Hon’ble Minister of Steel & Mines regarding inclusion of M.D. degree awarded by Leiden University, Netherland in the Part-II of Third Schedule of IMC Act, 1956.

The Postgraduate Medical Education Committee considered the letter dated 10.06.2016 received from Ms. Poonam Chaudhary, Under Secretary to the Govt. of India, Ministry of Health and Family Welfare, New Delhi along with copy of letter received from Sh. Narendra Singh Tomar, Hon’ble Minister of Steel & Mines regarding inclusion of M.D. degree awarded by Leiden University, Netherland in the Part-II of Third Schedule of IMC Act, 1956 and noted the following Section 13 of IMC Act 1956:-

**13. RECOGNITION OF MEDICAL QUALIFICATION GRANTED BY CERTAIN MEDICAL INSTITUTIONS WHOSE QUALIFICATIONS ARE NOT INCLUDED IN THE FIRST OR SECOND SCHEDULE**

“ ...

4. The Central Government, after consulting the Council, may, by notification in the Official Gazette, amend Part II of the Third Schedule so as to include therein any qualification granted by a medical institution outside India, which is not included in the Second Schedule..”

Postgraduate Committee further observed that the request for Recognition of M.D. degree awarded by Leiden University of the Netherlands is made by Dr. Argya Ray and not by either Leiden University or the Government of Netherlands.

In view of above stated statutory provision, it was decided to communicate to that the request for Recognition of MD be made by Leiden University, Netherland to Govt. of India. Upon the receipt of the same from Govt. of India, the Council will arrange for verification of available facilities, syllabus, etc. for further action in the matter.

**10. The requirement of Electron Microscopy in JSS Medical College, Hospital.**

Read: the letter dated 23.09.2015 received from the Principal, JSS Medical College, Mysore with regard to requirement of Electron Microscopy in JSS Medical College, Hospital, Mysore.

The Postgraduate Medical Education Committee considered the letter dated 23.09.2015 received from the Principal, JSS Medical College, Mysore with regard to requirement of Electron Microscopy in JSS Medical College, Hospital, Mysore and approved the following recommendations of the Academic Committee: -

*“The Academic Committee recommended that if the requirement of Electron Microscopy is not a part of MSR, the same need not be insisted upon.”*

**11. Rural posting in pre and para clinical subject- regarding.**

Read: the letter dated 14.08.2014 and D.O. letter dated 12.09.2014 received from Dr. Vishwas Mehta regarding amendment to the PG Medical Education Regulations, 2000 for making mandatory rural posting in PHC/ Sub centre as an integral part of Postgraduate course curriculum along with the letters dated 26.03.2015 received from Sh. Amit Biswas, Under Secretary to the Govt. of India, Ministry of Health & Family Welfare, Nirman Bhawan, New Delhi; dated 19.05.2016 received from Mr. Ali R. Rizvi, Joint Secretary, Ministry of Health and Family Welfare, Nirman Bhawan, New Delhi and letter dated 26/10/2016 received from Sh. Amit Biswas, Under Secretary to the Govt. of India, Ministry of Health & Family Welfare, Nirman Bhawan, New Delhi.

The Postgraduate Medical Education Committee considered the letter dated 14.08.2014 and D.O. letter dated 12.09.2014 received from Dr. Vishwas Mehta regarding amendment to the PG Medical Education Regulations, 2000 for making mandatory rural posting in PHC/ Sub centre as an integral part of Postgraduate course curriculum along with the letters dated 26.03.2015 received from Sh. Amit Biswas, Under Secretary to the Govt. of India, Ministry of Health & Family Welfare, Nirman Bhawan, New Delhi; dated 19.05.2016 received from Mr. Ali R. Rizvi, Joint Secretary, Ministry of Health and Family Welfare, Nirman Bhawan, New Delhi and letter dated 26/10/2016 received from Sh. Amit Biswas, Under Secretary to the Govt. of India, Ministry of

Health & Family Welfare, Nirman Bhawan, New Delhi and noted the Central Govt. letter dt. 26/10/2016 has, inter alia, stated as under:-

- (1) It is not desirable to extend PG curriculum to include 1 year rural posting as a part of it;
- (2) It is better to incentivize rural posting instead of mandatory regime;
- (3) MCI is requested to consider some proposed incentives for Doctors serving in Remote and/or Difficult areas.

The Postgraduate Committee observed that presently as per Section 9 (b) of PG Medical Education Regulations, incentives are provided for Doctors serving in remote/difficult areas as under:

“9(b) 50 %of the seats in Post Graduate Diploma Courses shall be reserved for Medical Officers in the Government service, who have served for at least three years in remote and difficult areas .After acquiring the PG Diploma, the Medical Officers shall serve for two more years in remote and/or difficult areas”.

Further, as per Proviso to Section 9(2)(d), incentive for determining merit is provided as under:

9(2)(d) *“Further provided that in determining the merit and the entrance test for postgraduate admission weightage in the marks may be given as an incentive at the rate of 10 %of the marks obtained for each year in service in remote or difficult areas upto the maximum of 30 %of the marks obtained”.*

After due and detailed deliberations, the Postgraduate Committee decided that 50% reservation in PG Diploma seats as stipulated in Section 9(b) may further be increased to 75%. Limit of maximum prescribed incentive at 30% for determining merit be increased to 40% in case of Doctors who have served in remote/difficult areas for more than 5 years.

Matter be placed before General Body for approval.

## **12. Recognition of postgraduate training from Hamad Medical Corporation, Qatar – regarding.**

Read: the letter dated 10.06.2016 received from Sh. Amit Biswas, Under Secretary to the Govt. of India, Ministry of Health and Family Welfare, New Delhi along with copy of letter dated 11.12.2015 of Dr. Biju Gafoor and Dr. Ramshad Ibrahim Mossa with regard to recognition of postgraduate training from Hamad Medical Corporation, Qatar.

The Postgraduate Medical Education Committee considered the letter dated 10.06.2016 received from Sh. Amit Biswas, Under Secretary to the Govt. of India, Ministry of Health and Family Welfare, New Delhi along with copy of letter dated 11.12.2015 of Dr. Biju Gafoor and Dr. Ramshad Ibrahim Mossa with regard to recognition of postgraduate training from Hamad Medical Corporation, Qatar and noted Section 13 of IMC Act regarding recognition of qualifications reads as under:

**13 .RECOGNITION OF MEDICAL QUALIFICATION GRANTED BY CERTAIN MEDICAL INSTITUTIONS WHOSE QUALIFICATIONS ARE NOT INCLUDED IN THE FIRST OR SECOND SCHEDULE**

...”

4 .The Central Government, after consulting the Council, may, by notification in the Official Gazette, amend Part II of the Third Schedule so as to include therein any

*qualification granted by a medical institution outside India, which is not included in the Second Schedule“... .*

Postgraduate Committee further observed that the request for recognition of Residency training programmes conducted by Hamad Medical Corporation of Qatar is made by Dr. Biju Gafoor on behalf of Hamad Medical Corporation, Qatar and not by either any University or the Government of Qatar. It is also not clear whether these Residency training programmes lead to award of any degree or not & if so, by which Authority .

In view of above stated statutory provision, it was decided to communicate that the request for Recognition of Residency training programmes be made by Hamad Medical Corporation to Govt. of India. Upon the receipt of the same from Govt. of India, the Council will arrange for verification of available facilities, syllabus, etc. for further action in the matter.

The Teaching Institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

**17. Increase of seats in MD (Community Medicine) course at Gajra Raja Medical College, Gwalior under MP Medical Science University, Jabalpur u/s 10A of the IMC Act, 1956 for the academic year 2017-18- consideration of Compliance Verification Assessment Report.**

Read: the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 11/11/2016 submitted by the college authorities on the physical and other teaching facilities available at Gajra Raja Medical College, Gwalior under MP Medical Science University, Jabalpur for Increase of seats in MD (Community Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 11/11/2016 submitted by the college authorities and noted the following:

1. Dr. A.K. Bhagwat, Professor & HOD was on Earned Leave on day of assessment. As per the faculty table, he was promoted on 01.07.2014 after

the cut-off date without any publications and hence his promotion is not as per regulations.

2. There is no Statistician. Deficiency remains as it is.
3. Both RHTC & UHC are not owned by the Institute. Full administrative & financial control is not with the Dean. PHC Barai is attached to the Institute only for the purposes of teaching & training. Mess is not available at RHTC. Deficiency remains as it is.
4. No Medical or Paramedical from the department is posted at RHTC & UHC. An Assistant Professor visits the center once in a while.
5. Nil new books have been purchased for the Departmental Library in the last 3 years.
6. Medical Social worker section is not available in the department.
7. Equipment available is inadequate as per MCI requirement as detailed in the report.
8. There is no mess facility at RHTC.
9. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MD (Community Medicine) course at Gajra Raja Medical College, Gwalior under MP Medical Science University, Jabalpur u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**18. Increase of seats in MS (OBG) course at Gajra Raja Medical College, Gwalior under MP Medical Science University, Jabalpur u/s 10A of the IMC Act, 1956 for the academic year 2017-18- consideration of Compliance Verification Assessment Report.**

Read: the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 11/11/2016 submitted by the college authorities on the physical and other teaching facilities available at Gajra Raja Medical College, Gwalior under MP Medical Science University, Jabalpur for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 11/11/2016 submitted by the college authorities and noted the following:

1. One remark was that Dr. Achala Sahai was shown as "Asso. Prof." in the column of "Designation" while she was shown as "Asst. Prof." in the column of "Designation" in the column of "Experience" w.e.f 22/02/2006 till date. In compliance the Institute has stated that she is appointed as Asso. Prof. w.e.f 11/02/2016 & working as Asso. Prof. from that date. However this promotion is after cut-off date and there is no mention of research publications against requirement of 2 research publication.
2. Units IV & V have only 2 faculty each; hence they cannot be considered as PG Units.
3. Dr. Reecha Mishra, Senior Resident has experience of only 2 years as Resident before appointment as Senior Resident; hence not qualified to hold the post. As she is not qualified to be appointed as Senior Resident, her experience as Senior Resident from 27/04/2015 cannot be accepted & cannot be considered. There is no other Senior Resident in Unit II. Deficiency remains as it is.
4. Dr. Arpana Agrawal, Senior Resident has experience of only 2 years as Resident before appointment as Senior Resident; hence not qualified to hold the post. As she is not qualified to be appointed as Senior Resident, her experience as Senior

Resident from 10/07/2014 cannot be accepted & cannot be considered. There is no other Senior Resident in Unit V. Deficiency remains as it is.

5. With regard to the remark regarding Dr. Akriti Agrawal being not eligible as Senior Resident, in the compliance it is stated that it is rectified by shifting Dr. Arpana Agrawal to Unit 5; however as shown above in Remark § 2, Dr. Arpana Agrawal is not eligible to be considered as Senior Resident. Resultantly the deficiency remains as it is.
6. MRI is outsourced. Deficiency remains as it is.
7. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS (OBG) course at Gajra Raja Medical College, Gwalior under MP Medical Science University, Jabalpur u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 21/11/2016 submitted by the college authorities and noted the following:

1. Dr .Archana Dandin is promoted as Assoc .Prof .after cut-off date; however in the column of "Benefit of publications", it is stated "No "implying NIL publications against requirement of 2; hence her promotion is not as per Regulations & she cannot be considered .
2. Genetic studies are not available .Deficiency remains as it is .
3. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MD (Pathology) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Committee noted that factual matrix in respect of Dr .Raju Akkimaradi, Assistant Professor and Dr .N.B .Sanakal, Senior Resident, as per the assessment report of MS(Orthopaedics) brings out that the College has submitted fake and forged documents for the purpose of obtaining permission. Further, the Committee decided that it may be brought to the notice of the Dean/Principal that the Declaration Forms in respect of the said faculty member have been duly signed by the Principal/Dean of the college that were submitted for the purpose of obtaining permission for increase of seats in postgraduate course in MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka U/s 10A (of the IMC Act, 1956 and the clear presumption is that the college authorities have connived and submitted fake and forged documents with the purpose of obtaining positive recommendation from the Council for MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot U/s 10A (of the IMC Act, 1956."

The Postgraduate Medical Education Committee in its meeting held on 30/12/2016 viewed the above misdemeanor on the part of the college seriously and it is presumed that such act/ omission on the part of college authorities amounts to playing fraud upon the Council. Therefore, it has been decided to invoke regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 that provides as under: -

"...  
8(3)(1)

(d) Colleges which are found to have employed teachers with faked / forged document:

*If it is observed that any institute is found to have employed a teacher with faked / forged documents and have submitted the Declaration Form of such a teacher, such an institute will not be considered for renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.”*

Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

The Postgraduate Medical Education Committee considered it pertinent to mention here that in an identical case of supplying fake and forged documents by Hind Institute of Medical Sciences, & Research, Barabanki, the Council invoked section 8(3)(1)(d) of MCI Regulations and debarred the college from processing its applications for postgraduate courses for two academic years. On directions from Hon'ble High Court of Judicature at Allahabad, Lucknow Bench, the college authorities were granted a personal hearing in the matter on 17/06/2016. After considering their submissions, the Postgraduate Medical Education Committee reiterated its earlier decision as mentioned above. The decision of the Postgraduate Medical Education Committee was approved by Central Government (Ministry of Health & Family Welfare, New Delhi) on 29/08/2016 and by the Oversight Committee on 15/09/2016. The present case is similar in nature.

The matter be placed before the Ethics Committee.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 21/11/2016 submitted by the college authorities and noted the following:

"The Committee noted that factual matrix in respect of Dr. Raju Akkimaradi, Assistant Professor and Dr. N.B. Sanakal, Senior Resident, as per the assessment report of MS(Orthopaedics), brings out that the College has submitted fake and forged documents for the purpose of obtaining permission. Further, the Committee decided that it may be brought to the notice of the Dean/Principal

that the Declaration Forms in respect of the said faculty member has been duly signed by the Principal / Dean of the college that were submitted for the purpose of obtaining permission for increase of seats in postgraduate course in MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka U/s 10(A) of the IMC Act, 1956 and the clear presumption is that the college authorities have connived and submitted fake and forged documents with the purpose of obtaining positive recommendation from the Council for MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot U/s 10(A) of the IMC Act, 1956.”

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS(ENT) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee in its meeting held on 30/12/2016 viewed the above misdemeanor on the part of the college seriously and it is presumed that such act/ omission on the part of college authorities amounts to playing fraud upon the Council. Therefore, it has been decided to invoke regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 that provides as under: -

“...  
8(3)(1)

*(d) Colleges which are found to have employed teachers with faked / forged document:*

*If it is observed that any institute is found to have employed a teacher with faked / forged documents and have submitted the Declaration Form of such a teacher, such an institute will not be considered for renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.”*

Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

The Postgraduate Medical Education Committee considered it pertinent to mention here that in an identical case of supplying fake and forged documents by Hind Institute of Medical Sciences, & Research, Barabanki, the Council invoked section 8(3)(1)(d) of MCI Regulations and debarred the college from processing its applications for postgraduate courses for two academic years. On directions from Hon'ble High Court of Judicature at Allahabad, Lucknow Bench, the college authorities were granted a personal hearing in the matter on 17/06/2016. After considering their submissions, the Postgraduate Medical Education Committee reiterated its earlier decision as mentioned above. The decision of the Postgraduate Medical Education Committee was approved by Central Government (Ministry of Health & Family Welfare, New Delhi) on 29/08/2016 and by the Oversight Committee on 15/09/2016. The present case is similar in nature.

The matter be placed before Ethics Committee.

Such retrospective changes made by the Principal to make the Senior Resident appear as eligible are not permissible .Hence he cannot be considered.

3. Bed Occupancy is 45 %on day of assessment .
4. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

Read: the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 21/11/2016 submitted by the college authorities on the physical and other teaching facilities available at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (OBG) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (11/08/2016) and compliance dated 21/11/2016 submitted by the college authorities and noted the following:

1. Promotion of Dr .Meenakshi Badakali as Professor was found to be not as per Regulations due to inadequacy of publications. Presently it is stated that she is re-designated as Assoc .Prof .However in the present assessment, while she is shown as Assoc .Prof. in the column of "Designation "in the faculty table, in the column of Experience, it is still shown as Professor w.e.f .01/08/2015 till date which implies that in reality she is not downgraded .Hence the deficiency continues .Further this dichotomy needs to be clarified .
2. ART services are not yet available .
3. Other deficiencies as pointed out in the Assessment Report.

The Committee noted that factual matrix in respect of Dr. Raju Akkimaradi, Assistant Professor and Dr. N.B. Sanakal, Senior Resident, as per the assessment report of MS(Orthopaedics), brings out that the College has submitted fake and forged documents for the purpose of obtaining permission. Further, the Committee decided that it may be brought to the notice of the Dean/Principal that the Declaration Forms in respect of the said faculty member has been duly signed by the Principal/Dean of the college that were submitted for the purpose of obtaining permission for increase of seats in postgraduate course in MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka U/s 10(A) of the IMC Act, 1956 and the clear presumption is that the college authorities have connived and submitted fake and forged documents with the purpose of obtaining positive recommendation from the Council for MS (Orthopaedics) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot U/s 10(A) of the IMC Act, 1956.

The Postgraduate Medical Education Committee in its meeting held on 30/12/2016 viewed the above misdemeanor on the part of the college seriously and it is presumed that such act/ omission on the part of college authorities amounts to playing fraud upon the Council. Therefore, it has been decided to invoke regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 that provides as under: -

" ...  
8(3)(1)

*(d) Colleges which are found to have employed teachers with faked / forged document:*

*If it is observed that any institute is found to have employed a teacher with faked / forged documents and have submitted the Declaration Form of such a teacher, such an institute will not be considered for renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also."*

Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

The Postgraduate Medical Education Committee considered it pertinent to mention here that in an identical case of supplying fake and forged documents by Hind Institute of Medical Sciences, & Research, Barabanki, the Council invoked section 8(3)(1)(d) of MCI Regulations and debarred the college from processing its applications for postgraduate courses for two academic years. On directions from Hon'ble High Court of Judicature at Allahabad, Lucknow Bench, the college authorities were granted a personal hearing in the matter on 17/06/2016. After considering their submissions, the Postgraduate Medical Education Committee reiterated its earlier decision as mentioned above. The decision of the Postgraduate Medical Education Committee was approved by Central Government (Ministry of Health & Family Welfare, New Delhi) on 29/08/2016 and by the Oversight Committee on 15/09/2016. The present case is similar in nature.

The matter be placed before Ethics Committee.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS(OBG) course at S. Nijalingappa Medical College & HSK Hospital & Research Centre, Bagalkot under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

Increase of seats in MS (General Surgery) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2017-18- consideration of Compliance Verification Assessment Report.**

Read: the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (19/08/2016) and compliance dated 28/11/2016 submitted by the college authorities on the physical and other teaching facilities available at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka for Increase of seats in MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (19/08/2016) and compliance dated 28/11/2016 submitted by the college authorities and noted the following:

1. Dr. Sriharsha Kurabalakota is shown as Senior Resident" in the column of Designation in the faculty table; however in the column of experience, it is shown as Junior Resident w.e.f. 10/06/2013 till date as well as Senior resident w.e.f. 10/08/2016 till date which is not feasible. This dichotomy needs to be clarified.
2. Bed Occupancy at 10 a.m. was  $128/240 = 53.33\%$ .
3. There was only 1 patient in SICU on day of assessment. Register of SICU is not well maintained.

4. Assessor visited OPD twice – at 11 a.m. & 2 p.m. Number of patients in OPD were 25 & 15 respectively; however computerized register showed 172 patients.
5. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS (General Surgery) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (14/12/2016) along with the Council Assessor's Report (19/08/2016) and compliance dated 28/11/2016 submitted by the college authorities and noted the following:

1. Promotion of Dr. Lakshmi Devi, Assoc.Prof. Unit-I, is not as per regulations. She was promoted on 07.10.2014 after the cut-off date. 2 of her 4 publications are in 2016 and in one she is 3<sup>rd</sup> Author which cannot be considered. Resultantly, there was only one publication against the requirement of 2.
2. There was no Assoc.Prof. in Unit-I.
3. Faculty table has not been signed by any of the faculty members.
4. Although, the college has stated that experience dates of Dr. Shreedhar Venkatesh, Professor & HOD, have been revised in the light of deficiency pointed out in the earlier assessment but there is no revised order and fresh joining report attached. Revised order of Dr. Sheela H.S., in the light of deficiency pointed out at Sr.No.6 are also not enclosed. Hence deficiency remains as such.
5. Full-fledged Artificial Reproductive Techniques services are not still available .IUI alone cannot be a substitute for full-fledged ART services.
6. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS (OBG) course at Vydehi Institute of Medical Sciences & Research Centre, Bangalore under Rajiv Gandhi University of Health Sciences, Karnataka u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

Read: the Council Assessor's Report (12/08/2016) and compliance dated 28/11/2016 submitted by the college authorities on the physical and other teaching facilities available at Dr. Rajendra Prasad Government Medical College, Tanda, H.P under Himachal Pradesh University, Shimla for Increase of seats in MD (Microbiology) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (12/08/2016) and compliance dated 28/11/2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Outsourcing of total laboratory services is not permissible; resultantly deficiency regarding decrease in laboratory workload remains as it is.
2. Dr. Savita Mahajan, Asst. Prof. is M.Sc. Zoology from HP University & M.Sc. Clinical Microbiology from Punjab Technical University, both of which are non-medical faculties; hence as her basic qualification is not from a medical college, her subsequent Ph.D. cannot be considered; hence she is not eligible to hold the post. Deficiency remains as it is.
3. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (Microbiology) course at Dr. Rajendra Prasad Government Medical College, Tanda, H.P under Himachal Pradesh University, Shimla u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

facilities available at Nizam's Institute of Medical Sciences, Hyderabad under NIMS Deemed University, Telangana for Starting of MD (Emergency Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (30/08/2016) and compliance dated 12/12/2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. With regard to deficiency that None of the faculty have 2 years special training in Emergency Medicine, the Institute has submitted that The faculty have acquired training of 2 years in Emergency Medicine department. EMD was started in 2012 and teaching faculty were assigned to EMD from their respective parent departments in 2013. This implies that training is purportedly taken while on job in the department itself which cannot be equated with 2 year training.
2. Dr. C. Rohan Reddy, Senior Resident has NIL experience as Resident in a medical college affiliated hospital before appointment as Senior Resident; hence not qualified to hold the post.
3. Dr. Md. Fawad Ali; Dr. Niharika Reddy; Dr. Mansa B. Navya & Dr. Avinash Yaramati, all Senior Residents do not have 3 years experience in the department before appointment as Senior Resident; hence not qualified to hold the post.
4. Resultantly there is no eligible Senior Resident in the Unit.
5. Departmental Library has only 19 books. Deficiency remains as it is.
6. With regard to deficiency that it is not from their parent department and their experience in lower ranks is not shown, the college authorities has stated that the same is given in Enclosures 1 B & C attached with compliance. However, no such enclosures attached with the compliance report.
7. MICU and SICU are in the emergency department as stated by the college authorities in compliance, then there will be a deficiency of MICU and SICU in departments of Medicine & Surgery.
8. Other deficiencies as pointed out in the Assessment Report.

Such retrospective changes made by the Principal to make him appear as eligible are not permissible .Hence he cannot be considered.

- 2. Resultantly, there are only 2 faculty in Unit 2 & it cannot be considered as PG Unit.
- 3. Dr. Prem Chander, Sr. Resident, Unit-II was absent on the day of assessment. There is no other Sr. Resident in the Unit-II.
- 4. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS (Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research

and Education (Deemed University), Chettinad u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Committee noted that factual matrix in respect of Dr. Siddharam S. Janti, Assistant Professor, as noted above brings out that the College has submitted fake and forged documents for the purpose of obtaining permission. Further, the Committee decided that it may be brought to the notice of the Dean/Principal that the Declaration Forms in respect of the said faculty member has been duly signed by the Principal/Dean of the college that were submitted for the purpose of obtaining permission for increase of seats in MS (Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University), Chettinad U/s 10(A) of the IMC Act, 1956 and the clear presumption is that the college authorities have connived and submitted fake and forged documents with the purpose of obtaining positive recommendation from the Council for Increase of seats in MS (Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu U/s 10(A) of the IMC Act, 1956.

The Postgraduate Medical Education Committee in its meeting held on 30/12/2016 viewed the above misdemeanor on the part of the college seriously and it is presumed that such act/ omission on the part of college authorities amounts to playing fraud upon the Council. Therefore, it has been decided to invoke regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 that provides as under: -

“...  
8(3)(1)

(d) Colleges which are found to have employed teachers with faked / forged document:

Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

The Postgraduate Medical Education Committee considered it pertinent to mention here that in an identical case of supplying fake and forged documents by Hind Institute of Medical Sciences, & Research, Barabanki, the Council invoked section 8(3)(1)(d) of MCI Regulations and debarred the college from processing its applications for postgraduate courses for two academic years. Read: the Compliance Verification Assessment Report (15th December 2016) along with the Council Assessor's Report (22th August 2016) and compliance dated 29th November 2016 submitted by the college authorities on the physical and other teaching facilities available at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University), Chettinad for Increase of seats in MD (Dermatology, Venereology & Leprosy) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Compliance Verification Assessment Report (15th December 2016) along with the Council Assessor's Report (22th August 2016) and compliance dated 29th November 2016 submitted by the college authorities and noted the following:

1. As per Assessor, Dr. M.S. Srinivasan, Prof. & HoD was not available on the day of assessment, he has also written copy of leave attached. However, in the faculty table he has signed the faculty table, which is not feasible. Faculty table supposed to be signed in the presence of the Assessor.
2. Dr. Dolly Singh was absent at time of last assessment. In compliance it was claimed that she was on leave due to personal reasons. However in the present assessment also she was absent; hence she cannot be considered.
3. Dr. Preethi K., Senior Resident was absent on inspection day.
4. Bed Occupancy was 20% at 10 a.m. on day of assessment.
5. Demonstration room in male ward had only 3 chairs and that in female ward was empty.
6. Cryo can is available but without liquid N<sub>2</sub>. Only 1 LASER is present instead of 3 LASERs required.
7. Other deficiencies as pointed out in the Assessment Report.

The Committee noted that factual matrix in respect of Dr. Siddharam S. Janti, Assistant Professor, as per assessment report of MS(Ophthalmology) brings out that the College has submitted fake and forged documents for the purpose of obtaining permission. Further, the Committee decided that it may be brought to the notice of the Dean/Principal that the Declaration Forms in respect of the said faculty member has been duly signed by the Principal/Dean of the college that were submitted for the purpose of obtaining permission for increase of seats in MS (Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University), Chettinad U/s 10(A) of the IMC Act, 1956 and the clear presumption is that the college authorities have connived and submitted fake and forged documents with the purpose of obtaining positive recommendation from the Council for Increase of seats in MS (Ophthalmology) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu U/s 10(A) of the IMC Act, 1956.

The Postgraduate Medical Education Committee in its meeting held on 30/12/2016 viewed the above misdemeanor on the part of the college seriously and it is presumed that such act/ omission on the part of college authorities amounts to playing fraud upon the Council. Therefore, it has been decided to invoke regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 that provides as under: -

“ ...

8(3)(1)

(d) Colleges which are found to have employed teachers with faked / forged document:

If it is observed that any institute is found to have employed a teacher with faked / forged documents and have submitted the Declaration Form of such a teacher, such an institute will not be considered for renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.”

Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MD (Dermatology, Venereology & Leprosy) course at Chettinad Hospital & Research Institute, Kanchipuram, Tamilnadu under Chettinad Academy of Research and Education (Deemed University), Chettinad u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered it pertinent to mention here that in an identical case of supplying fake and forged documents by Hind Institute of Medical Sciences, & Research, Barabanki, the Council invoked section 8(3)(1)(d) of MCI Regulations and debarred the college from processing its applications for postgraduate courses for two academic years. On directions from Hon'ble High Court of Judicature at Allahabad, Lucknow Bench, the college authorities were granted a personal hearing in the matter on 17/06/2016. After considering their submissions, the Postgraduate Medical Education Committee reiterated its earlier decision as mentioned above. The decision of the Postgraduate Medical Education Committee was approved by Central Government (Ministry of Health & Family Welfare, New Delhi) on 29/08/2016 and by the Oversight Committee on 15/09/2016. The present case is similar in nature.

The matter be placed before the Ethics Committee.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (26th September 2016) and compliance dated 10th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Dr. T. Balamugesh was promoted as Asso. Prof. with 2 years experience as Asst. Prof. Institute has cited the TEQ Regulation for D.M. course for his promotion with 2 years experience as Asst. Prof.; however the said provision is not applicable in the instant case for 2 reasons: (a) He was Asst. prof. for 2 years from 28/07/2003 to 27/07/2005 while he acquired DM in 2007 – i.e. after he was promoted as Asso. Prof. in 2005; &(b) Application is for increase in seats in M.D. Course and not for D.M. course for which the relevant TEQ Regulations applicable would be those pertaining to M.D. course and not those pertaining to D.M. course &(c) He is Professor of Respiratory Medicine for which also the relevant TEQ Regulations applicable would be those pertaining to M.D. course and not those pertaining to D.M. course.
2. With regard to promotion of Dr. Richa Gupta, professor not being as per Regulations, the Institute in compliance has stated that she be considered as Asso. Prof. which is not correct. It is for the Institute to downgrade her and submit fresh orders & joining report.
3. Dr. Christopher D.J., Professor & Head, is DNB, it is not given from which hospital he passed DNB without which his eligibility cannot be decided.

4. Dr. Prince James, Professor was promoted on 21.01.2015 after the cut-off date and Dr. B.Isaac T, Assoc.Prof. was promoted on 01.06.2015 after the cut-off date. No details of their publications have been provided.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (07th September 2016) and compliance dated 30th November 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Deficiency of promotion of Dr. Reena Vare, Professor and Head remains as it is. Contention of the Institute that 2 papers are required is not correct as 4 papers are required for promotion to Assoc. Prof. Further the contention that she may be considered as Assoc. Prof. is not correct as it is for the institute to downgrade her and submit fresh order & joining report.
2. There is a decline in IPD from 9164 in 2014 to 9029 in 2015. Deficiency remains as it is.
3. Other deficiencies as pointed out in the Assessment Report.

The Committee noted that factual matrix in respect of Dr .Vikram Lokhande, Assoc.Prof. and Dr. Vishal Vishnu Chaudhari, Senior Resident of Obst. & Gynae.; Dr. Supriya Deshpande, Senior Resident of Ophthalmology, Dr. Dinesh P. Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999

should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS (ENT) course at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra under MGM Institute of Health Sciences (Deemed University), Navi Mumbai u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered it pertinent to mention here that in an identical case of supplying fake and forged docuemtns by Hind Institute of Medical Sciences, & Research, Barabanki, the Council invoked section 8(3)(1)(d) of MCI Regulations and debarred the college from processing its applications for postgraduate courses for two academic years. On directions from Hon'ble High Court of Judicature at Allahabad, Lucknow Bench, the college authorities were granted a personal hearing in the matter on 17/06/2016. After considering their submissions, the Postgraduate Medical Education Committee reiterated its earlier decision as mentioned above. The decision of the Postgraduate Medical Education Committee was approved by Central Government (Ministry of Health & Family Welfare, New Delhi) on 29/08/2016 and by the Oversight Committee on 15/09/2016. The present case is similar in nature.

The matter be placed before the Ethics Committee.

Read: the Council Assessor's Report (08th September 2016) and compliance dated 30th November 2016 submitted by the college authorities on the physical and other teaching facilities available at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra under MGM Institute of Health Sciences (Deemed University), Navi Mumbai for Increase of seats in MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (08th September 2016) and compliance dated 30th November 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. In respect of Dr. Supriya Deshpande, Senior Resident, her experience shown in Assessment Report dt. 08/09/2016 & in the compliance submitted are at variance as under:

| Designation     | Experience shown in Assessment Dated |           |                      |            |

|                 | 08/09/2016                           |           | Compliance Submitted |            |
|                 | From                                 | To        | From                 | To         |
| Resident        | Not Shown                            | Not Shown | 02/07/2009           | 31/12/2010 |
| Senior Resident | 02/07/2009                           | Till date | 01/01/2011           | Till Date  |

Such retrospective changes made by the Principal to make her appear as eligible are not permissible .Hence she cannot be considered.

2. There is no other Senior Resident in the Unit.
3. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for Increase of seats in MS (Ophthalmology) course at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra under MGM Institute of Health Sciences (Deemed University), Navi Mumbai u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Committee noted that factual matrix in respect of Dr. Supriya Deshpande, Senior Resident of Ophthalmology and also Dr. Vikram Lokhande, Assoc.Prof. and Dr. Vishal Vishnu Chaudhari, Senior Resident of Obst. & Gynae., Dr. Dinesh P. Vibhute, Senior Resident of Orthopaedics, Dr. P.P. Latkar and Dr. Pritee B. Purnaye, Senior Residents of Radio-Diagnosis, as per respective assessment reports, brings out that the College has submitted fake and forged documents for the purpose of obtaining permission. Further, the Committee decided that it may be brought to the notice of the Dean/Principal that the Declaration Forms in respect of the said faculty member has been duly signed by the Principal/Dean of the college that were submitted for the purpose of obtaining permission for increase of seats in MD/MS Obstetrics & Gynaecology, Ophthalmology, Orthopaedics and Radio-Diagnosis courses at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra under MGM Institute of Health Sciences (Deemed University), Navi Mumbai U/s 10(A) of the IMC Act, 1956 and the clear presumption is that the college authorities have connived and submitted fake and forged documents with the purpose of obtaining positive recommendation from the Council for increase of seats in MD/MS Obstetrics & Gynaecology, Ophthalmology, Orthopaedics and Radio-Diagnosis courses at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra U/s 10(A) of the IMC Act, 1956 for the academic year 2017-18."

The Postgraduate Medical Education Committee in its meeting held on 30/12/2016 viewed the above misdemeanor on the part of the college seriously and it is presumed that such act/ omission on the part of college authorities amounts to playing fraud upon the Council. Therefore, it has been decided to invoke regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 that provides as under: -

"...  
8(3)(1)

(d) Colleges which are found to have employed teachers with faked / forged document:

If it is observed that any institute is found to have employed a teacher with faked / forged documents and have submitted the Declaration Form of such a teacher, such an institute will not be considered for renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also."

Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

3. Such retrospective changes made by the Principal to make them appear as eligible are not permissible. Hence, he cannot be considered.
4. As per table-8 in report dated 08/09/2016, signed by the Dean and the Assessor total number of minor operations were 706 and not 1820 as stated in the compliance. Such retrospective change by Principal/Dean to make up the deficiency cannot be allowed.
5. Bed occupancy in HDU was 40%, which is inadequate.
6. Specialty clinic like Gynaec Endocrine clinic is still not run separately.
7. It is submitted that department USG machine is hardly used because of PCPNDT constraints .This submission cannot be accepted as it itself speaks of low volume of clinical material due to non-existent reason.
8. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to return the application to the Central Government recommending disapproval of the scheme for increase of seats in MS (Obstetrics & Gynaecology) course at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra under MGM Institute of Health Sciences (Deemed University), Navi Mumbai u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Committee noted that factual matrix in respect of Dr .Vikram Lokhande, Assoc.Prof. & Dr. Vishal Vishnu Chaudhari, Senior Resident of Obst. & Gynae. and also Dr. Supriya Deshpande, Senior Resident of Ophthalmology, Dr. Dinesh P. Vibhute, Senior Resident of Orthopaedics, Dr .P.P .Latkar and Dr .Pritee B .Purnaye, Senior Residents of Radio-Diagnosis, as per the respective assessment reports, brings out that the College has submitted fake and forged documents for the purpose of obtaining permission. Further, the Committee decided that it may be brought to the notice of the

Dean/Principal that the Declaration Forms in respect of the said faculty member has been duly signed by the Principal/Dean of the college that were submitted for the purpose of obtaining permission for increase of seats in MD/MS Obstetrics & Gynaecology, Ophthalmology, Orthopaedics and Radio-Diagnosis courses at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra under MGM Institute of Health Sciences (Deemed University), Navi Mumbai U/s 10(A) of the IMC Act, 1956 and the clear presumption is that the college authorities have connived and submitted fake and forged documents with the purpose of obtaining positive recommendation from the Council for increase of seats in MD/MS Obstetrics & Gynaecology, Ophthalmology, Orthopaedics and Radio-Diagnosis courses at Mahatma Gandhi Missions Medical College, Aurangabad, Maharashtra U/s 10(A) of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee in its meeting held on 30/12/2016 viewed the above misdemeanor on the part of the college seriously and it is presumed that such act/ omission on the part of college authorities amounts to playing fraud upon the Council. Therefore, it has been decided to invoke regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 that provides as under: -

“...  
8(3)(1)

(d) Colleges which are found to have employed teachers with faked / forged document:

If it is observed that any institute is found to have employed a teacher with faked / forged documents and have submitted the Declaration Form of such a teacher, such an institute will not be considered for renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.”

Accordingly, the Postgraduate Medical Education Committee decided that a Show Cause Notice be issued to the College and an explanation be sought within 07 days as to why regulation 8(3)(1)(d) of the Establishment of Medical College Regulations, 1999 should not be invoked against their institution and why their college should not be debarred from renewal of permission / recognition for award of M.B.B.S. degree / processing the applications for postgraduate courses for two Academic Years – i.e. this Academic Year and the next Academic Year also.

The Postgraduate Medical Education Committee considered it pertinent to mention here that in an identical case of supplying fake and forged documents by Hind Institute of Medical Sciences, & Research, Barabanki, the Council invoked section 8(3)(1)(d) of MCI Regulations and debarred the college from processing its applications for postgraduate courses for two academic years. On directions from Hon'ble High Court of Judicature at Allahabad, Lucknow Bench, the college authorities were granted a personal hearing in the matter on 17/06/2016. After considering their submissions, the Postgraduate Medical Education Committee reiterated its earlier decision as mentioned above. The decision of the Postgraduate Medical Education Committee was approved by Central Government (Ministry of Health & Family Welfare, New Delhi) on 29/08/2016 and by the Oversight Committee on 15/09/2016. The present case is similar in nature.

The matter be placed before the Ethics Committee.

Read: the Council Assessor's Report (3rd September 2016) and compliance dated 9th December 2016 submitted by the college authorities on the physical and other teaching facilities available at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai for Increase of seats in MD (Bio-Chemistry) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (3rd September 2016) and compliance dated 9th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Dr. R. Mahalakshmi, Professor & HOD is promoted as Professor after cut-off date with only 2 publications against requirement of 4 as per Regulations. Deficiency remains as it is.
2. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD(Bio-Chemistry) course at Stanley Medical College, Chennai, Tamilnadu under The Tamilnadu Dr. MGR Medical University, Chennai u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**73. Starting of MD (Emergency Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2017-18- consideration of compliance.**

Read: the Council Assessor's Report (15th September 2016) and compliance dated 12th December 2016 submitted by the college authorities on the physical and other teaching facilities available at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow for Starting of MD (Emergency Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2016) and compliance dated 12th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. All the faculty have been appointed in Emergency Medicine straightaway from their respective departments on the same posts without any experience in Emergency Medicine as such. Deficiency remains as such.
2. None of the faculty have any special training in Emergency Medicine against requirement of 2 y. Working in Emergency cannot be a substitute for 2 years special training which is required Statutorily.
3. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (Emergency Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

Read: the Council Assessor's Report (15th September 2016) and compliance dated 12th December 2016 submitted by the college authorities on the physical and other teaching facilities available at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow for Starting of MD (Nuclear Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2016) and compliance dated 12th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. There is no Assoc. Prof. in the only Unit; resultantly faculty complement is incomplete & it cannot be considered as PG Unit.
2. Deficiency of promotion of Dr. Satyawati Deswal, Professor as Assoc. Prof. being not as per Regulations remains as it is. Contention of the Institute that publications are required for promotions after July 2014 only is not wholly correct. During transitional period, requirement was 4 years with 2 research publications or 5 years as Asst. Prof. As she is promoted with experience of 4 y, requirement of 2 research publications is a must which is not fulfilled. She was promoted as Assoc. Prof. on 18/02/2013 while all her publications after 2015. Further, she is promoted as Professor on 18/02/2016 but only 3 publications are cited in the list of publications in the faculty table against requirement of 4; hence her promotion as Professor is also not as per Regulations.
3. There is no Senior Resident.
4. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (Nuclear Medicine) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (15th September 2016) and compliance dated 12th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Deficiency of promotion of Dr. Pravin K. Das, Professor as Assoc. Prof. being not as per Regulations remains as it is. Contention of the Institute that his promotion is as per University bye-laws is not acceptable as TEQ Regulations of MCI are Statutory Regulations which are mandatorily required to be followed by operations.
2. Deficiency of promotion of Dr. Mamta Harjai as Assoc. Prof. being not as per Regulations remains as it is. Contention of the Institute that his promotion is as per University bye-laws is not acceptable as TEQ Regulations of MCI are Statutory Regulations which are mandatorily required to be followed by operations.
3. Deficiency of Dr. Amit Tyagi, Senior Resident not having 3 years experience as Resident in a medical college affiliated hospital before appointment as Senior resident remains as it is. He is not qualified to hold the post of Senior Resident.
4. Deficiency of Dr. Prateek Bais, Senior Resident having only 2 years experience as Resident in a medical college affiliated hospital before appointment as Senior resident against requirement of 3 years remains as it is. He is not qualified to hold the post of Senior Resident.
5. Dr. Shivani Rastogi is promoted as Assoc. Prof. with experience of only 3 years as Asst. Prof. against requirement of 5 years as per Regulations; hence her promotion is not as per Regulations and she cannot be considered.
6. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (Anaesthesia) course at Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (7th September 2016) and compliance dated 8th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Deficiency of faculty complement in the Unit being inadequate for PG Unit remains as it is there are only 2 faculty in the only Unit against requirement of 3 for a PG Unit.
2. Dr. Samir Mishra is promoted as Assoc. Prof. after cut-off date; however in the column of "Benefit of publications" in the faculty table, it is stated "No" implying NIL publications against requirement of 2 as per Regulations; hence his promotion is not as per Regulations & he cannot be considered.
3. Equipment like Upper GI Endoscope, Bronchoscope are not available in the department.
4. Promotion of Dr. S. Tiwari, is not as per regulations. He was Asst.Prof. for 4 years and 5 months against the requirements of 5 years and he was promoted Professor on 07.03.2015 after the cut-off date and he has no publications.

5. Other deficiencies as pointed out in the Assessment Report.

Read: the Council Assessor's Report (07th September 2016) and compliance dated 9th December 2016 submitted by the college authorities on the physical and other teaching facilities available at King George Medical University, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow for Increase of seats in MD (Anaesthesia) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (07th September 2016) and compliance dated 9th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Dr. Ahasan K. Siddiqui is promoted as Assoc. Prof. with experience of only 4 months as Asst. Prof. against requirement of 5 years as per Regulations. His experience in Saudi Arabia medical college cannot be considered. Further if he is to be considered as Asst. Prof., it is for the University to downgrade him and a fresh D.F. with order and new joining report has to be submitted. Deficiency remains as it is.
2. Dr. Vinita Singh, Professor is promoted as Assoc. Prof. with experience of only 4 years 3 months as Asst. Prof. against requirement of 5 years as per Regulations; hence her promotion is not as per Regulations & she cannot be considered. Deficiency remains as it is.
3. Dr. M.P. Khan, Professor is promoted as Assoc. Prof. with experience of only 4 years 2 months as Asst. Prof. against requirement of 5 years as per Regulations; hence his promotion is not as per Regulations & he cannot be considered. Deficiency remains as it is.

6. Dr. Dinesh Kaushal, Professor is promoted as Assoc. Prof. with experience of only 4 year as Asst. Prof. against requirement of 5 years as per Regulations; hence his promotion is not as per Regulations & he cannot be considered. Deficiency remains as it is.
7. Although 1 seat was recognized for DA course, as many as 19 candidates in previous year and 10 in the present year were admitted. Explanation offered by the Institute that DA candidates are deputed by DGHS, UP is neither tenable nor acceptable as it was incumbent on the part of the

University to intimate to DGHS that presently only 1 seat is recognized and the only authority to increase the seats is Govt. of India upon the recommendation of MCI.

8. There is no Sr.Resient in the faculty table.
9. Promotion of Dr. B.B. Kushwaha is not as per regulations. He was promoted after the cut-off date. However, in 2 of the publications quoted, he is 3rd & 4th Author, one is internet journal, and 2 are case reports, which cannot be considered.
10. Promotion of Dr. Reetu Verma, Assoc.Prof. is not as per regulations. She was promoted after the cut off date. In one of the publications she was 3rd Author and one in Korean journal which cannot be accepted.
11. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (Anaesthesia) course at King George Medical University, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (07th September 2016) and compliance dated 9th December 2016 submitted by the college authorities and noted the following:

Compliance is not satisfactory.

1. Deficiency of faculty: (a) Asst. Prof.: 3.
2. Units 5 & 8 have only 2 faculty each; hence faculty complement is incomplete & they cannot be considered as PG Units.
3. Dr. Abhishek Singh is promoted as Assoc. Prof. after cut-off date; however out of 5 publications cited in the list, he is 1st or 2nd author in only 1; in the remaining publication s, he is 3rd or 4th or 5th author which cannot be considered; resultantly there is only 1 research publication to his credit against requirement of 2 and his promotion is not as per Regulations and he cannot be considered.
4. Bronchoscopy is not done in the department.
5. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Increase of seats in MD (General Medicine) course at King George Medical University, Lucknow, Uttar Pradesh under King Georges Medical University, Lucknow u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**82. Starting of MS (Orthopaedics) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MS (Orthopaedics) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Promotion of Dr. R.L. Sahu, Professor is not as per Regulations. He was promoted on 01/07/2014 after the cut-off date. Out of the 4 publications quoted one is in Nigerian Journal, 2 in Internet Journal, which cannot be considered. Hence, he has only 1 publication against the required 4.
2. Promotion of Dr. Rajni Ranjan, Assoc. Professor is not as per Regulations. She was Asst. Professor for 4 years 1 month and promoted on 05/01/2015 after the cut-off date. Out of the 3 publications quoted one is in Chinese Journal and the second is a case report, which cannot be considered. She left with only 1 publications against the requirement of 4.
3. There were only 4 deaths last year out of 1551 admission giving a death rate of 0.25%. This simply indicates that no really sick patients of poly trauma were admitted. Average death rate in Orthopaedics in a busy tertiary care hospital is 5-6%.
4. Faculty table has been altered. The column of publication and signatures have been deleted, which is not permissible.
5. Unit 1 which is the Unit of Dr. Sudhir Kumar, Professor & HOD does not have Asso. Prof.; resultantly faculty complement is incomplete & it cannot be considered as PG Unit.
6. Unit 3 has only 2 faculty & 18 beds; hence it cannot be considered as PG Unit.
7. There was only 1 Major Operation on day of assessment. Average of randomly selected days is 2/day which is inadequate. There was nil Day Care Operation on the day of Assessment as well as Average Daily from last 3 years data.
8. Average of Minor Operations on randomly selected days is 2.33/ day which is inadequate.
9. Specialty clinics like Hand clinic, Arthroscopy clinic are not run.
10. Details of beds occupied in ICU on day of assessment are not provided.
11. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MS (Orthopaedics) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**83. Starting of MD (General Medicine) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MD (General Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Dr. A.K. Agarwal, Professor has been shown Asst. Professor from 1983 to 1992 and Assoc. Professor from 1992 to 2005 at Dr. R.M.L. Hospital, New Delhi. However, Faculty of DR. RML Hospital, New Delhi was given equated teaching designations only in 2005 after Notification dated 16/03/2005.
2. Promotion of Dr. B.D. Sharma, Professor is not as per Regulations. He has been shown Professor from 20/11/2015 after the cut-off date. He has only 2 publications against the required 4.
3. Promotion of Dr. Ajay Deshmukh, Professor is not as per Regulations. He was Asst. Professor for 4 years 6 months against the requirement of 5 years and Assoc. Professor for 3 years 4 months and promoted Professor on 26/12/2014 after the cut-off date. He has only 2 publications against the requirement of 4 and the 3rd one is a case report, which cannot be considered.
4. Promotion of Dr. Anurag Prasad, Professor is not as per Regulations. He was Asst. Professor for 4 years 6 months and promoted Professor on 28/12/2013 after the cut-off date without any publications.
5. Promotion of Dr. Saurabh Srivastava, Professor is not as per Regulations. He was Asst. Professor for 4 years 7 months, Assoc. Professor for 3 years and promoted Professor on 01/10/2014 after the cut-off date. In most of the publications quoted, he is 3rd Author, which is not acceptable.
6. Dr. G.D. Sharma has experience from defence services. However, no certificate from DGAFMS about his period and places of posting as Graded/ Classified Specialist and Advisor has been attached without which, his equated teaching designation cannot be decided.
7. Faculty Table is not signed by any of the Faculty Member.
8. Unit III is combined with Unit V to have total 48 beds which is not as per Regulations.
9. There is no independent existence of Unit V.
10. Details of available equipment & Beds occupied on day of assessment in ICCU, MICU are not provided.
11. Specialty clinics like Haematology clinic, Neurology clinic are not run. Details of attendance at other special clinics are not provided.
12. Variety of clinical cases required for PG training seems to be less.
13. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (General Medicine) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**The minutes of this item is read and confirmed in this meeting itself.**

**84. Starting of MD (Respiratory Medicine) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MD (Respiratory Medicine) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Promotion of Dr. H.M. Kansal, Assoc. Professor is not as per Regulations. He was Asst. Professor for 4 years 4 months. All the publications quoted are after his promotion on 26/11/2013 and hence, they cannot be considered.
2. Dr. Virender Singh, Senior Resident is shown as having DNB qualification obtained in 2012 and result not yet declared. It cannot be accepted that the result has not been declared for 4 years. There is no Certificate of 3 years Junior Residency in a Medical College at the time of appointment as Senior Resident. Hence, he is not eligible to be Senior Resident.
3. There is no Medical Officer for RNTCP.
4. OPD on 3 randomly selected days was 44, 49, 51 implying average of 48 which is inadequate.
5. Paramedical staff like PFT Technician is not available.
6. Equipment like DLCO is not available.
7. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (Respiratory Medicine) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**The minutes of this item is read and confirmed in this meeting itself.**

**85. Starting of MD (Psychiatry) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MD (Psychiatry) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Faculty table is not signed by any faculty Member.
2. Dr. Ashutosh Tripathi, Professor & HOD is shown as "Professor" in the column of "Designation"; however in the column of experience, it is shown at SGT University Medical College from 01/08/2015 to 29/07/2016. No posting is shown thereafter. No date of joining at this institute is shown. Further, he is shown practicing at Max Hospital, Gurgaon from 6 p.m. to 8 p.m. Hospital timings of this Institute are 8:30

a.m. to 4:30 p.m. Distance from the Institute to Max Hospital, Gurgaon is 68 km. It is not likely that such distance can be covered in short time slot available during peak evening traffic; this raises doubts about his working full time in this institute. He has experience from defense services. However, no certificate from DGAFMS about his period and places of posting as Graded/ Classified Specialist and Advisor has been attached without which, his equated teaching designation cannot be decided.

3. With regard to Dr. Mohd. Khaliquzzaman, Senior Resident, entry into DPM course is shown as 25/05/2007; however his exit is shown as May 2009 which does not clearly reflect period of 2 years.
4. Dr. Mohd. Khaliquzzaman and Dr. Abhay Tomar both Sr. Residents are not eligible. They have no 3 years experience as Junior Resident at the time of appointment as Senior Resident.
5. Average OPD of randomly selected days is only 33 which is inadequate.
6. Attendance at Specialty clinics is on an average 1-2 only which is inadequate.
7. Investigation like Serum Lithium are not available.
8. Non-teaching staff was not available on day of assessment.
9. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (Psychiatry) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**The minutes of this item is read and confirmed in this meeting itself.**

**86. Starting of MD (Radio Diagnosis) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MD (Radio Diagnosis) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Dr. Satish Pathak is shown as "Professor" in the column of "Designation"; however in the column of "Experience", he is shown at Mamta Medical College, Khammam from 13/05/2013 to 19/08/2015; no posting is shown thereafter. His date of joining at this institute is not shown in the faculty table. Further his date of birth is shown as 05/09/2016 which is not feasible.
2. Dr. Rakhee Kr. Is promoted as Asso. Prof. after cut-off date; however the column "Benefit of publications" in the faculty table is left blank implying NIL publications against requirement of 2; hence her promotion is not as per Regulations & she cannot be considered.
3. Dr. Amit Kr. Gupta, Senior Resident does not have any experience as Resident in Radiodiagnosis before appointment as Senior Resident; hence not qualified to hold the post.
4. Dr. Owais Ahmad, Senior Resident does not have any experience as Resident in Radiodiagnosis before appointment as Senior Resident; hence not qualified to hold the post.

5. Dr. Ashish K. Satpathy, Senior Resident does not have any experience as Resident in Radiodiagnosis in a medical college affiliated hospital before appointment as Senior Resident; hence not qualified to hold the post.
6. Dr. Tushar Gupta, Senior Resident does not have any experience as Resident in Radiodiagnosis in a medical college affiliated hospital before appointment as Senior Resident; hence not qualified to hold the post.
7. Promotion of Dr. B.P. Barua, Professor is not as per Regulations. He is shown to have been promoted Professor in 31/12/1993 in Dr. R.M.L. Hospital, New Delhi. However, the faculty of Dr. R.M.L. Hospital was given teaching designations in 2005 after notification dated 16/03/2005. Prior to that there was no teaching designation in Dr. R.M.L. Hospital, New Delhi. Hence, he cannot be considered.
8. Dr. Satish Pathak is last shown to be working at MMC, Khammam upto 19/08/2015. There are no Relieving Orders and acceptance of Resignation Order has been attached. There is no experience beyond this shown in Faculty Table. Hence, he cannot be considered.
9. Resultantly there is NIL Senior Resident who is eligible as per Regulations.
10. DSA is not available in this department.
11. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (Radio Diagnosis) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**The minutes of this item is read and confirmed in this meeting itself.**

**87. Starting of MS (Ophthalmology) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MS (Ophthalmology) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Promotion of Dr. Rahul Bhargava, Professor is not as per Regulations. He was promoted on 09/06/2015. In the publications quoted, no name of the Journal is given without which, they cannot be accepted. 2 of them seem to be in Internet Journal, 1 in Nepalese Journal and 1 in Middle East African Journal, which cannot be considered.
2. Faculty Table is not signed by any Faculty Member.
3. Dr. Divya Singh, Senior Resident is DNB from non-teaching. She has no 3 years experience as Junior Resident in a Medical College. Hence, not eligible to be appointed as Senior Resident.
4. Equipment like Slit Lamp Biomicroscope is without teaching aid; hence it cannot be used for teaching purposes.
5. Equipment like ND YAG LASER, Operating Microscope, Perkins Tonometer are not available.
6. Eye O.T. has 2 tables which is not as per Regulations.

7. It is not clear whether facilities for Retinal Surgery are available or not. In the equipment list, there is no OCT Machine and A-Scan, B-Scan, which again raises doubt about the availability of Retinal Surgery Facilities.
8. Eye bank is not available.
9. Non-teaching staff is not available.
10. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MS (Ophthalmology) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**88. Starting of MS (ENT) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MS (ENT) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Dr. Sanjeev Kumar Awasthi has experience from Defence services. However, no certificate from DGAFMS about his period and places of posting as Graded/ Classified Specialist and Advisor has been attached without which, his equated teaching designation cannot be decided.
2. Average Bed Occupancy of randomly selected days is 65% on day of assessment.
3. There were only 2 Major Operations and 3 Minor Operations on day of assessment. Average number of Major Operations of randomly selected days is 2/day which is inadequate. Average daily major operations (from last 3 years data) were 0.5, 0.6 and 0.8 per day in the year 1, 2 & 3 respectively, which is very inadequate.
4. Only routine operations are carried out. Operations like Stapedectomy, Rhinoplasty, Laryngectomy, Maxillectomy are not carried out.
5. Instruments for Stapes Surgery, Rhinoplasty, complete set for FESS surgery are not available in the O.T. No Ventilating Bronchoscope and Videolaryngoscope available.
6. Temporal Bone Laboratory is not properly equipped.
7. Specialty clinics are not properly maintained.
8. Paramedical staff like Laboratory Technician is not available.
9. Details of participation in National programme for Prevention & Control of Deafness are not provided.
10. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MS (ENT) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**89. Starting of MD (Paediatrics) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MD (Paediatrics) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. Dr. V.K. Gupta, Professor, Unit-II has been shown Asst. Professor in Dr. R.M.L. Hospital, New Delhi upto 2005. However, faculty of Dr. R.M.L. Hospital has been given teaching designations only in 2005 after notification dated 16/03/2005. Hence, he could not be Asst. Professor prior to that.
2. Dr. Shashi Bhushan, Professor, Unit-III has experience from defence institutes. However, no certificate from DGAFMS about his period and places of posting as Graded / Classified Specialist and Advisor has been attached without which, his equated teaching designation cannot be decided. At AIIMS, he was a PG student and cannot be considered Assoc. Professor.
3. Equipment like Upper GI Endoscope, Doppler, Dialysis machines, Bronchoscope, Computerized PFT equipment, ABG machine, USG are not available in the department.
4. Other deficiencies as pointed out in the Assessment Report.

In view of the above, the Postgraduate Medical Education Committee decided to recommend to the Central Government not to grant letter of permission for Starting of MD (Paediatrics) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

**90. Starting of MS (General Surgery) course at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh u/s 10A of the IMC Act, 1956 for the academic year 2017-18.**

Read: the Council Assessor's Report (28th December 2016) on the physical and other teaching facilities available at School of Medical Sciences & Research, Greater Noida, Uttar Pradesh under Sharda University, Greater Noida, Uttar Pradesh for Starting of MS (General Surgery) course u/s 10A of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (28th December 2016) and noted the following:

1. The College got first LoP to start MBBS course in 2009. However, Dr. Satender Kumar, Professor has been given teaching experience from 17/11/2005 when the college was not in existence and it is not permissible. This amounts to providing misleading information. He is shown Assoc. Professor in the column of designation and Professor in the column of experience, which is not feasible.

The Postgraduate Committee decided to summon the Dean and Dr. Satender Kumar, Professor to clarify the above issue.

2. Dr. Ravi Kale, Professor has experience from defence services. However, no certificate from DGAFMS about his period and places of posting as Graded / Classified Specialist and Advisor has been attached without which, his equated teaching designation cannot be decided.

**94. Increase of seats in various postgraduate courses at Maulana Azad Medical College, New Delhi under University of Delhi u/s 10(A) of the IMC Act, 1956 for the academic year 2017-18.**

Read: the matter with regard to increase of seats in various postgraduate courses at Maulana Azad Medical College, New Delhi under University of Delhi u/s 10(A) of the IMC Act, 1956 for the academic year 2017-18.

The Postgraduate Medical Education Committee considered the matter and noted that as per office records of the Council, no permission (on any undertaking by the college) for increase of seats in degree course u/s 10A of the IMC Act, 1956 in lieu of surrendering the Diploma courses at UCMS&GTB Hospital, Delhi as claimed by the authorities of the Maulana Azad Medical College, New Delhi was ever granted. The Committee also noted that the Council considers the request for increase of seats in degree course in lieu of surrender of diploma seats only after the diploma is surrendered by a notification through the Central Govt. and the applications is/are received for increase of seats in degree course as per provisions u/s 10A of the said Act.

The Postgraduate Committee recommends that the proposals be returned to the Central Govt. to disapprove the scheme u/s 10(A) of the IMC Act, 1956 for the academic year 2017-18.

**95. Allow the Private Institutes owning a hospital and fulfilling the bed requirements to start PG courses without UG courses.**

Read: the letter dated 28/06/2016 received from Sh. Ali R. Rizvi, Joint Secretary, Govt. of India, Ministry of Health & Family Welfare, New Delhi with regard to allowing the Private Institutes owning a hospital and fulfilling the bed requirement to start PG courses without UG Courses along with the letter dated 17/11/2016 received from the Under Secretary to the Govt. of India, MOHFW forwarding therewith the Minutes of meeting with PG Committee of MCI held on 09/11/2016 under the chairmanship of Secretary (Health).

The Postgraduate Medical Education Committee considered the letter dated 28/06/2016 received from Sh. Ali R. Rizvi, Joint Secretary, Govt. of India, Ministry of Health & Family Welfare, New Delhi with regard to allowing the Private Institutes owning a hospital and fulfilling the bed requirement to start PG courses without UG Courses along with the letter dated 17/11/2016 received from the Under Secretary to the Govt. of India, MOHFW forwarding therewith the Minutes of meeting with PG Committee of MCI held on 09/11/2016 under the chairmanship of Secretary (Health) and noted that on the issue of granting teaching designation to specialists working in district hospitals/private hospitals, it was of the view that such doctors do not have any kind of teaching experience. They can only be given the designation of Assistant Professor if teaching is proposed to be started. They can subsequently be designated as Associate Professor and Professor as per TEQ after putting in the required number of years and publishing required number of papers.

**97. Recognition of MS(OBG) in respect of students being trained at ESI-PGIMSR, ESI Hospital, Joka, Kolkata in pursuance of the court order dated 26.07.2016 passed by the Hon'ble Kolkata High Court in W.P No 7055(W) of Year 2016 (titled as Dr. Shikha Agarwal & Ors. V/S Medical Council of India & Ors).**

Read: the matter with regard to recognition of MS(OBG) in respect of students being trained at ESI-PGIMSR, ESI Hospital, Joka, Kolkata in pursuance of the court order dated 26.07.2016 passed by the Hon'ble Kolkata High Court in W.P No 7055(W) of Year 2016 (titled as Dr. Shikha Agarwal & Ors. V/S Medical Council of India & Ors).

The Postgraduate Medical Education Committee considered the Compliance verification assessment reports (June 2015, Jan., 2015 & April, 2014) alongwith compliance submitted by the college authorities (December, 2016) as well as Court order dated 26.07.2016 passed by the Hon'ble Kolkata High Court in W.P No 7055(W) of Year 2016 and decided to recommend to the Central Government that MS(OBG) qualification for 2(Two) seats granted by West Bengal University of Health Sciences, Kolkata in respect of students being trained at ESI-PGIMSR, ESI Hospital, Joka, Kolkata be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

**98. Consideration of communication dated 28.12.2016 of Vice-chancellor, Baba Farid University of Health Sciences regarding Dr. Ravind Kaur, who appeared in M.D.(Anaesthesia) Exam in Nov./Dec., 2016.**

Read: the matter with regard to declare as pass candidate namely Dr. Ravind Kaur, who appeared in M.D.(Anaesthesia) practical examination in Nov./Dec., 2016 while passed theory examination in May/June, 2015.

The Postgraduate Medical Education Committee considered the matter and decided that as per Regulations, the candidate cannot appear for the examination in

parts i.e. theory and practical separately in separate sessions. If the candidate does not appear in theory, it is to be treated as absent & candidate will automatically fail because as per Postgraduate Medical Education Regulations passing in theory and practical held together is essential. Candidate will have to appear again in both - theory and practical together.

There is no provision in the Postgraduate Medical Education Regulation that the candidate can appear separately i.e. once in theory and next time in clinical / practical examination.

Meeting ended with a vote of thanks to the Chair.
