MESSAGE

I express my appreciation for the unwavering commitment of the National Medical Commission (NMC), India's Apex Regulatory Authority, in upholding the highest standards in Medical Education. It ensures the delivery of top-notch Medical Education, Practice and Training throughout the nation.

I do appreciate the diligent efforts of NMC in the bringing out of valuable Publications, like the Compendium on NMC Advisories, Public Notices, Circulars & Guidelines for the years 2020-21 and 2022-23 and the Compendium on NMC Regulations (2020-23). I hope that these publications will be a valuable resource for the diverse stakeholders of the health ecosystem including Policymakers, Medical Education Fraternity, Researchers, Clinicians, other Healthcare Professionals, and the general public seeking awareness of Policies and Regulations of Medical Education and Practice.

I extend my heartfelt congratulations to the entire team for publication of the above compendium and hope to have more such commendable endeavors by the Commission in the future.

MESSAGE

The National Medical Commission (NMC), India's premier regulatory body has been committed to upholding the highest standards in healthcare education, ensuring delivery of quality medical education, practice and training across the nation.

I applaud the diligent efforts of the Publication Team of NMC who have worked hard to bring Publications on Compendium on NMC Advisories, Public Notice, Circular & Guidelines (2020-21), Compendium on NMC Advisories, Public Notice, Circular & Guidelines (2022-23) and Compendium on NMC Regulations (2020-23). I envision that it would serve a variety of audiences such as the policymakers, researchers, clinicians, other health professionals and the public which needs to be aware of the Gazette notification, Advisories, Circulars, Public Notices etc. issued by NMC from time to time.

Congratulations to the team and waiting for more such endeavours.

MESSAGE

I am delighted to announce the publication of the Compendium of the National Medical Commission (NMC). This provides a comprehensive collection of Regulations, Guidelines, circulars, notices, advisories and other important documents.

The compendium is an important milestone in the journey towards mission of NMC; excellence in healthcare delivery. The contents of the compendium help all the stakeholders including the functionaries at NMC to adhere to the standards that will help sound medical education and practice of the profession. The National Medical Commission is committed to fostering an environment of innovation, professionalism and mutual trust within the medical community.

I urge all stakeholders to become familiar with all the Regulations, Guidelines and other advisories brought out by the NMC using this compendium.

Let us all work together to elevate the standards of medical education and care in our country, ultimately benefitting the health and well-being of our fellow citizens.

Message

It gives me immense pleasure in being a part of NMC to share the information with the readers and particularly stake holders about various Public Notifications, circulars, guidelines & regulations issued by National Medical Commission (NMC) and its four Boards.

As the readers are aware, NMC was created by the Act of Parliament on 25th September, 2020 replacing the erstwhile Medical Council of India (MCI). Since all officers and employee of erstwhile Medical council of India where asked to vacate their offices with immediate effect and new staff were appointed over a period of time, there were some difficulties initially. In spite of that everyone in NMC worked hard to stabilize the organization to serve the purpose for which it was created.

I congratulate Prof. Yogender Malik and his team to take up this Herculean task and coming out with this compendium which will be very useful to the students, to the faculty, to the academia at large, to the friends involved in legal system and will also be a window to the world for understanding and following Indian Medical Education, particularly when WFME has accredited NMC for the coming ten years. In turn this will help NMC also by receiving feedbacks and suggestions from various stake holders and luminaries.

MESSAGE

It gives me immense pleasure in being a part of NMC to share the information with the readers and particularly stake holders about various Public Notifications, circulars, guidelines & regulations issued by National Medical Commission (NMC) including Undergraduate Medical Examination Board (UGMEB), from time to time.

As the readers are aware, NMC was created by the Act of Parliament on 25th September, 2020 bringing an end to the erstwhile Medical Council of India (MCI) and the aura associated with it.

This timeline of NMC & UGMEB may be divided into two parts; the first part from year 2020 to year 2021 as covid period; and years 2022 to 2024 as post-covid period. NMC was born in the period when the entire world was caught in snares of the dreadful covid-19 virus pandemic. Medical education of our country was also hit by this attack. By the time, we were recovering from it, Ukraine-Russia war overtook the world scenario and once again affected education of Indian students studying in CIS countries and in neighbouring countries.

Even in this turmoil, NMC continued to function as effectively as possible, with whatever manpower and resources available to it and practically no institutional memory. This publication including a series of Notifications were issued from UGMEB, which includes issues broadly classified as follows. New notifications shall be added as and when needed.

- (i) Related to conduct of medical education and examinations in online and offline mode.
- (ii) Academic calendar for various batches from academic year 2020 to 2023.
- (iii) Regulations/ Guidelines:-
 - Compulsory Rotating Medical Internship Regulations, 2021
 - Foreign Medical Graduate Licentiate Regulations, 2021
 - Prevention of Ragging Regulations, 2021
 - Graduate Medical Education Regulations, 2023
 - Maintenance of Standards of Medical Education Regulations, 2023
 - NMC (MSR) for Establishment of New Medical College/ increase of seats in MBBS course, Guidelines, 2023
 - Establishment of Medical institutions, Assessment & Rating Regulations, 2023".
 - Guidelines for Under Graduate Courses under Establishment of New Medical Institutions, Starting of New Medical Courses, Increase of Seats for Existing Courses & Assessment and Rating Regulations, 2023".

I congratulate Prof. Yogender Malik and his team to take up this Herculean task and bring forth a 'Users' guide' which will be very useful to the students, to the faculty, to the academia at large, to the friends involved in legal system and will also be a window to the world for understanding and following Indian Medical Education, particularly when WFME has accredited NMC for the coming ten years.

From Editor's Desk

In releasing this Compendium, I am extremely grateful for the help, expertise and inspiration to our Hon'ble Chairman-Dr.B.N .Gangadhar, along with Dr.ArunaV.Vanikar-President, Under-Graduate Medical Education Board; Dr.Vijay Oza, President, Post-Graduate Medical Education Board; and Secretary, NMC.

The need for the compendium was felt not only by Members of NMC but also by officers working in NMC and Boards. Even stakeholders from public wanted authentic information online. So, this compendium as one of the most genuine, informative and up to date book for the Registered Medical Practitioners, medical institutions/ organizations, general public and other stakeholders.

I once again appreciate and thank the Govt. departments/ Ministries, and also to our Publication Division staff in helping us making this a reality.

I hope that the associated Boards and agencies will continue to extend their co-operation and shall also provide us their full co-operation, for the benefit of all in future too.

PUBLIC NOTICE

This is to inform all concerned that entire territories of UT of Jammu & Kashmir and Ladakh are an integral part of India. Pakistan is in illegal and forcible occupation of a part of the territory. Accordingly, any medical institution in Pakistan occupied Jammu & Kashmir and Ladakh (PoJKL) requires permission/recognition under the Indian Medical Council Act, 1956. Such permission has not been granted to any medical college in PoJKL. Therefore, any qualification obtained from medical colleges located within these illegally occupied areas of India shall not entitle a person for grant of registration under Indian Medical Council Act, 1956 to practice Modern Medicine in India.

All State Medical Councils

Subject: Advisory regarding acceptance of internship of Foreign Medical Graduates

Madam/Sir,

This is in continuation of Advisory bearing no. MCI-203(1)(Gen.)/2020-Regn./112442 dated 30/07/2020 on the subject "Advisory regarding acceptance of internship of Foreign Medical Graduates" addressed to President/Registrar of all State Medical Councils.

In this regard, kind attention is invited to Section 13(3) of the Indian Medical Council Act, 1956 which reads as under:

13(3) The medical qualifications granted by medical institutions outside India 2 [before such date as the Central Government may, by notification in the Official Gazette, specify] which are included in Part II of the Third Schedule shall also be recognised medical qualifications for the purposes of this Act, but no person possessing any such qualification shall be entitled to enrolment on any State Medical Register unless he is a citizen of India and has undergone such practical training after obtaining that qualification as may be required by the rules or regulations in force in the country granting the qualification, or if he has not undergone any practical training in that country, he has undergone such practical training as may be prescribed.

In terms of the aforesaid provisions, it is clarified that the practical training undergone by an Indian Citizen while acquiring "Primary Medical Qualification" from a medical institution outside India is acceptable. This is applicable in respect of Primary

PUBLIC NOTICE

MCI WEBSITE

No.MCI-7(10)/10/2020-LEGAL/19048/ 119382

Date: - 04.9.2020

Subject: - Requirement of Qualifying NEET to pursue MBBS or its equivalent qualification from Abroad –Reg.

This is to inform all concerned that Writ Petition (Civil) No 4708 of Year 2020 titled as Peeyoosh Bharat Saini V/S Medical Council of India & Anr. was filed in the Hon'ble High Court of Delhi seeking one time exemption from the mandatory requirement of qualifying National Eligibility cum Entrance Test (NEET) Examination in order to pursue MBBS or its equivalent qualification from abroad. This Petition came to be disposed of on 29.7.2020 with directions to Ministry of Health and Family Welfare and Medical Council of India to consider the Petition as representation and decide within three weeks. The decision of Ministry of Health and Family Welfare and Board of Governors in Supersession of Medical Council of India was communicated to the Petitioner on 25.8.2020. The relevant part of the decision is as under:-

“4. Owing to the extra ordinary situation of COVID 19 Pandemic, as a one-time measure, it would be appropriate to permit such aspirants to take admission in Foreign Medical Institutes, provided they fulfil the criteria as provided in the “Eligibility Requirement For Taking Admission In An Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002” as well as “the Screening Test Regulations, 2002” read with “Regulations on Graduate Medical Education, 1997” for admission to MBBS course. However, it would be mandatory for such candidates to qualify the NEET-UG in 2020 or 2021. In case, such candidates fail to qualify NEET-UG in 2020 or 2021, their decision to continue their Foreign Medical Courses thereafter shall be at their own risk, as they shall not be entitled to appear for the Screening Test and thereby would not be entitled for grant of Provisional/Permanent Registration by the State Medical Councils . Further, it

is incumbent upon such candidates to faithfully follow with norms laid down by the Central Government for travelling abroad in view of COVID 19 Pandemic.”

2. Now the Council is in receipt of fresh petitions/several representations on the same issue. By way of this Public Notice it is clarified that any Indian Citizen/Overseas Citizen of India intending to pursue Primary Medical Qualification (MBBS or its equivalent) from academic session commencing from August 2020 onwards is required to qualify NEET either in 2020 or 2021. Further such persons must fulfil the criteria as provided in the “Eligibility Requirement For Taking Admission In An Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002” as well as “the Screening Test Regulations, 2002” read with “Regulations on Graduate Medical Education, 1997” for admission to MBBS course. This exemption is a one-time measure for such candidates in view of COVID-19 Pandemic and it is incumbent upon them to qualify NEET-UG in 2020-21. In case, such candidates fail to qualify NEET UG in 2020 or 2021, their decision to continue Foreign Medical Education shall be at their own risk. This will make them ineligible for appearing in the Screening test and thereby would not be entitled for grant of Provisional/Permanent Registration by the concerned State Medical Council.

3. The aforesaid decision shall be applicable to all the candidates, who are taking admission in a foreign institute / University for pursuing foreign medical qualification for which possessing the NEET qualification is a prerequisite.

(Dr. R. K Vats)
Secretary General

Frequently Asked Questions (FAQs)

Foreign Medical Graduates (FMGs) covered by Screening Test Regulations, 2002

Disclaimer: These FAQs are in the nature of explanation for ease of understanding of the general public and cannot be upheld in a court of law. Please refer to the relevant gazette notifications for legal validity.

Q1 To whom do the Screening Test Regulations, 2002 apply?

The foreign medical graduates who have acquired a foreign medical degree or primary qualification, as the case may be, and the candidates who are pursuing their education in foreign institutions, prior to 18th Nov, 2021.

Q2 What is a Screening Test?

A Screening Test (commonly known as Foreign Medical Graduates Examination or FMGE) is an examination conducted by the National Board of Examinations (NBE) to determine the eligibility or otherwise of a candidate for his or her registration with the National Medical Commission or any State Medical Council and qualifying the same shall not confer any other right, whatsoever, on a candidate. [Reg 5 of Screening Test]

Q3 When did the Screening Test Regulations, 2002 come into force?

The Screening Test Regulations, 2002 came into force on 18th Feb, 2002. [Reg 1(2) of Screening Test]

Q4 What are the registration requirements for Indian Citizens or Overseas Citizens of India having an MBBS degree from outside India?

An Indian citizen or Overseas Citizen of India possessing a primary medical qualification awarded by any medical institution outside India who is desirous of getting provisional or permanent registration with the National Medical Commission or any State Medical Council on or after 15.03.2002 shall have to qualify the FMGE. [Reg. 3 of Screening Test]

Q5 What is meant by Primary Medical Qualification?

A medical qualification awarded by any medical institution outside India which is a recognized qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated and which is equivalent to MBBS in India. [Reg. 2(f) of Screening Test]

Q6 What is meant by Provisional Registration?

Registration in a State Medical Register or Indian Medical Register for the purpose of undergoing practical training in India, as prescribed and for no other purpose, by an Indian citizen possessing any primary medical qualification but has not undergone such practical training after obtaining that qualification as may be required by the

rules or regulations in force in the country granting the qualification. [Reg. 2(g) of Screening Test]

Q7 What is meant by Permanent Registration?

Registration for the purpose of enrolment on any State Medical Register or Indian Medical Register after obtaining the Primary Medical qualification followed by completion of such practical training as prescribed either in India or abroad as per the provisions of the Act. [Reg. 2(c) of Screening Test]

Q8 When is the Screening Test conducted?

The screening test is conducted twice a year. [Reg. 7 of Screening Test]

Q9 What is the eligibility criteria for appearing in the Screening Test?

- i. A Citizen of India or Overseas Citizen of India possessing any primary medical qualification, which is confirmed by the Indian Embassy concerned to be a recognized qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated.
- ii. He/ she had obtained 'Eligibility Certificate' from the Medical Council of India/ National Medical Commission as per the 'Eligibility Requirement for taking admission in an undergraduate medical course in a Foreign Medical Institution Regulations, 2002' as amended from time to time. This requirement shall not be necessary in respect of Indian citizens or Overseas Citizens of India who have acquired the medical qualifications from foreign medical institutions or have obtained admission in foreign medical institution before 15th March, 2002.
- iii. Indian Citizens/Overseas Citizen of India intending to obtain primary medical qualification from any medical institution outside India, on or after May 2018, shall have to mandatorily qualify the 'National Eligibility-cum-Entrance Test for Admission to MBBS course'. The result of the 'National Eligibility-cum-Entrance Test for Admission to MBBS course' shall deem to be treated as the Eligibility Certificate for such persons, provided that such persons fulfil the Eligibility Criteria for admission to the MBBS course prescribed in the Regulations on Graduate Medical Education, 1997.
- iv. A person seeking provisional or permanent registration shall be exempt from the FMGE if he/she holds an Under Graduate medical qualification from Australia/Canada/New Zealand/United Kingdom/United States of America and the holder thereof also been awarded a Post Graduate medical qualification in Australia/Canada/New Zealand/United Kingdom/United States of America and has been recognized for enrolment as medical practitioner in that country. [Reg. 4 of Screening Test]

Q10 What is the format of the FMGE?

There shall be three papers of multiple choice questions in Pre -Clinical, Para - Clinical and Clinical Medicine and its allied subjects including Obstetrics and Gynaecology. [Reg. 8 of Screening Test]

Q11 What is the language of the FMGE?

English. [Reg. 8 of Screening Test]

Q12 What is the duration of the FMGE?

The test for each paper will be of three hours duration. [Reg. 8 of Screening Test]

Q13 What is the criteria for passing the FMGE?

A candidate shall be declared as having passed only if he/ she obtains a minimum of 50% (fifty percent) marks in each paper separately. The minimum qualifying marks shall apply to all categories of candidates without exception. [Reg. 9 of Screening Test]

Q14 How many attempts does a candidate have to clear the FMGE?

A candidate shall have to pass all the three papers in the same attempt. However, there shall not be any restriction on the number of attempts to appear in the test. [Reg. 10 of Screening Test]

Q15 What are the provisions regarding internship of FMGs?

Indian citizens (including overseas Indian citizens) who are Foreign Medical Graduates who do not fall under the purview of the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021 shall be regulated by the provisions of sub-section (3) of section 13 of the Indian Medical Council Act, 1956 (102 of 1956) in accordance with the Advisory no. MCI-203(1)(Gen)/2020-Regn./118239 dated 2nd September, 2020 and shall be required to complete Compulsory Rotating Medical Internship (CRMI) in India if they have not undergone such practical training after obtaining such qualification as may be required by the rules and regulations in force in the country granting such qualification or have not undergone any practical training in that country.

Q16 Are FMGs allowed to transfer from one college to another in the same country or another country during the course?

There is no clause regarding transfer in the Screening Test Regulations, 2002. As such, there are no restrictions on transfer so long as other criteria laid down in Screening Test Regulations, 2002 are fulfilled.

Q17 What are the provisions regarding online classes?

Foreign Medical Graduates are allowed to undergo online classes of theory subjects only and supplemented by offline practical and clinical training done in the Medical University and its affiliated Hospital during the course of MBBS. They are also required to furnish Certificate of successful completion for the same.

Frequently Asked Questions (FAQs)

FMGs covered by National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021

Disclaimer: These FAQs are in the nature of explanation for ease of understanding of the general public and cannot be upheld in a court of law. Please refer to the relevant gazette notifications for legal validity.

Q1 Who is a Foreign Medical Graduate (FMG)?

A person who does not have basic graduation or primary qualification (undergraduate medical degree) from any University/medical college/institution in India, seeking license for medical practice in India. [Reg. 2 (c) of FMGL. 2021]

Q2 When do the FMGL Regulations, 2021 come into force?

18th Nov, 2021 [Reg. 1 (2) of FMGL. 2021]

Q3 What empowers National Medical Commission (NMC) to regulate Foreign Medical Graduates (FMGs)?

Section 5 / read with sub-section (4) of section 15 of National Medical Commission Act, 2019

Q4 Who is exempt from provisions of FMGL Regulations, 2021?

1. These regulations are not applicable to—
 - a. Foreign medical graduates who have acquired a foreign medical degree or primary qualification, as the case may be, prior to 18th Nov, 2021;
 - b. Candidates who are pursuing their undergraduate medical education in foreign institutions prior to 18th Nov, 2021; and
 - c. Such foreign medical graduates who are specifically exempted by the Commission or the Central Government, as the case may be, by notification
2. The foreign medical graduates who have acquired a foreign medical degree or primary qualification, as the case may be, and the candidates who are pursuing their education in foreign institutions, prior to 18th Nov, 2021, shall be governed by the previously applicable regulations. [Reg. 5 of FMGL. 2021]

Q5 What should be the duration of the course leading to foreign medical degree?

Minimum duration of fifty-four months [Reg. 4 (a) (i) of FMGL. 2021]

Q6 What should be the medium of instruction during the course?

English [Reg. 4 (a) (iii) of FMGL. 2021]

Q7 What are the subjects to be studied during the course?

- a. A course of theory, practical and clinical training equivalent to Bachelor of Medicine and Bachelor of Surgery (MBBS) of India; and

- b. An internship of twelve months in addition to the course, in the same foreign institution where the primary medical qualification has been obtained, along with hands-on training in clinical subjects including but not limited to Community Medicine, General Medicine, Psychiatry, Paediatrics, General Surgery, Anaesthesia, Obstetrics and Gynaecology, Orthopaedics, Otorhinolaryngology, Ophthalmology, Dermatology, Emergency or Casualty services, lab services and their sub-specialties; and
- c. The course and internship or clinical clerkship shall be commensurate with the MBBS course of India in accordance with the Regulations on Graduate Medical Education, 1997 and subsequent amendments thereto, and shall include the subjects mentioned therein as are duly recognised by the Commission under sub-section (2) of section 61 of the NMC Act, 2019 [Reg. 2 (i), (ii) of Schedule I of FMGL. 2021]

Q8 Do FMGs need to appear for the National Exit Test?

FMGs have to clear the National Exit Test or such other mandated test or tests conducted by NMC [Reg. 4 (d) of FMGL. 2021]

Q9 Do FMGs need to be registered in the country which awards them the degree?

Yes; FMGs need to be registered with the respective professional regulatory body or otherwise, competent to grant license to practice medicine in their respective jurisdiction of the country in which the medical degree is awarded and at par with the license to practice medicine given to citizen of that country [Reg. 4 (b) of FMGL. 2021]

Q10 Is there any time limit for completion of the course?

Yes; the total duration of the foreign medical graduation course shall be completed within ten years from the date of joining the course. [Reg. 2 (iv) of Schedule I of FMGL. 2021]

Q11 Are FMGs allowed to take transfer to an Indian medical college for internship and exams?

No; The entire course, training and internship or clerkship shall be done outside India in the same foreign medical institution throughout the course of study and no part of medical training and internship shall be done in India or in any country other than country from where the primary medical qualification is obtained. [Reg. 2 (iii) of Schedule I of FMGL. 2021]

Q12 What are the regulations applicable for internship of FMGs?

Internship of FMGs shall be as per provisions of National Medical Commission (Compulsory Rotating Medical Internship) Regulations, 2021.

Q13 What should be the duration of the internship?

Minimum duration of twelve months in the same foreign medical institution [Reg. 4 (a) (ii) of FMGL. 2021]

Q14 Is it mandatory for FMGs to do internship in India?

Yes; In addition to completing an internship for a minimum duration of twelve months in the same foreign medical institution, FMGs are required to undergo a supervised internship in India for a minimum term of twelve months.

Q15 Where should FMGs apply for internship?

FMGs should apply for internship with the respective State Medical Council through National Medical Commission.

Q16 What are the conditions to be fulfilled by FMGs to be eligible for internship in India?

FMGs must have:

- (i) undergone a course leading to foreign medical degree with minimum duration of fifty-four months;
- (ii) undergone an internship for a minimum duration of twelve months in the same foreign medical institution;
- (iii) received a foreign medical degree with medium of instructions in English;
- (iv) studied the mandatory subjects specified in the Schedule-I;
- (v) registered with the respective professional regulatory body or otherwise, competent to grant license to practice medicine in their respective jurisdiction of the country in which the medical degree is awarded and at par with the license to practice medicine given to citizen of that country;
- (vi) passed the screening test or National Exit Test or such other mandated test or tests conducted by NMC;
- (vi) obtained provisional registration from the respective State Medical Council.

Q17 Is internship/clerkship same as that of clinical posting & training during the 54 months of MBBS course or is it separate?

No; internship/clerkship and clinical posting & training are separate phases of practical learning. While, clinical posting & training is a part of the 54 months MBBS course, internship is done after the completion of MBBS course but is an integral part of undergraduate medical education degree.

Q18 What are the provisions regarding online classes?

Foreign Medical Graduates are allowed to undergo online classes of theory subjects only and supplemented by offline practical and clinical training done in the Medical University and its affiliated Hospital during the course of MBBS. They are also required to furnish Certificate of successful completion for the same.

PUBLIC NOTICE

This is to inform all concerned that entire territories of UT of Jammu & Kashmir and Ladakh are an integral part of India. Pakistan is in illegal and forcible occupation of a part of the territory. Accordingly, any medical institution in Pakistan occupied Jammu & Kashmir and Ladakh (PoJKL) requires permission/recognition under the Indian Medical Council Act, 1956. Such permission has not been granted to any medical college in PoJKL. Therefore, any qualification obtained from medical colleges located within these illegally occupied areas of India shall not entitle a person for grant of registration under Indian Medical Council Act, 1956 to practice Modern Medicine in India.

No. NMC/EMRB/Regn./Advisory/02/2021 / 031674

Dated: 01/11/2021

ADVISORY

Subject: Eligibility Certificate for FMGE- December 2021

This is for information to all the Foreign Medical Graduate's (FMG's) who have applied for issuance of Eligibility Certificate from National Medical Commission for which the last date to apply to the NMC was 22.10.2021 as notified by Ethics & Medical Registration Board vide public notice no. F.No.R.15017/(02)/2021-Regn./026047 dated 14.10.2021 on NMC Portal.

2. In this regard, attention is invited to Para- 2.8.2 and 8.29.2 of the information bulletin of FMGE-December-2021 of the National Board of Examinations in Medical Sciences wherein it has been clearly mentioned that deficiency related to documents uploaded i.e., Proof of possessing Primary Medical Qualification, Eligibility Certificate / Admission letter etc., can be rectified latest by 30.11.2021.

3. It is informed that all the applications which are pending with the EMRB and have been submitted online by the candidate to the EMRB by the closing date 22.10.2021 are being scrutinized and those that are found to be in order with all the required documents, will be issued Eligibility certificate before the last date of submission to National Board of Examination in Medical Sciences as per notification.

4. In respect of applications found to be deficient, the applicants will be notified by email on their registered email id about the same. All the candidates are advised to regularly check their email and login portal on NMC website for any deficiencies that have been noted in their applications. Deficiencies, if any, should be rectified latest within three days of the receipt of mail positively and no later than 15.11.2021 in any case, failing which their applications will be rejected.

5. Those applications that have already been resubmitted after corrections & rectifications, will also be dealt with in a similar manner. In case, deficiencies still persist in their application even after they have re-submitted them, no further opportunity for any further rectifications are permissible and their application will be treated as rejected without assigning reason.

6. No fresh applications are being accepted after the last date i.e. 22.10.2021.

7. Please note that no Verbal / Physical queries will be entertained at the National Medical Commission. All correspondence may be sent only by email.

Frequently Asked Questions

(based on queries raised by Foreign Medical Students from Ukraine & China)

Disclaimer: These FAQs are in the nature of explanation for ease of understanding of the general public and cannot be upheld in a court of law. Please refer to the relevant gazette notifications for legal validity.

Q1 Who is covered under the provisions of the Screening Test Regulations, 2002?

Those Foreign Medical Students whose classes were started prior to the publication of FMGL Regulations 2021 i.e. 18th Nov 2021, are covered under the provisions of Screening Test Regulations, 2002.

Q2 Who are covered under the provisions of Foreign Medical Graduate Licentiate Regulations 2021?

Such Foreign Medical Students whose classes have been started after the publication of FMGL Regulations 2021 i.e. 18th Nov 2021, are covered under the provisions of FMGL Regulations, 2021.

Date of Offer Letter/Invitation Letter/Admission Letter will not be considered to decide the applicability of FMGL Regulations 2021.

Q3 To whom is NMC Public Notice No. NMC/20659(Legal)/2022/UGMEB/ dated 28 July, 2022 applicable?

It is applicable to Indian students who were in the last year of their undergraduate medicine course but had to leave their foreign medical institute due to Covid-19, Russia-Ukraine war etc. and returned to India and have subsequently completed their studies and granted certificate of completion of course/degree by their respective institute on or before 30th June, 2022.

Q4 Whether the Foreign Medical Graduates who have completed their medical qualification during the last year and granted certificate of completion of course/degree by their respective institute and already qualified FMG Examination, are also required to undergo Compulsory Rotatory Medical Internship for a period of two years?

Yes, in order to make up for the clinical training which could not be physically attended by FMGs during the undergraduate medicine course in the foreign institute and also to familiarise them with practice of medicine under Indian conditions.

Q5 What if the MBBS course has been completed in July, 2022 instead of June, 2022?

In pursuance to the order passed by the Hon'ble Supreme Court of India in SLP No. 2536-37 of 2022, the relaxation to Foreign Medical Graduates has been granted only to those students who were in the last year of their undergraduate medicine course but had to leave their foreign medical institute due to Covid-19, Russia-Ukraine war etc. and returned to India and have subsequently completed their studies and granted certificate of completion of course/degree by their respective institute on or before 30th June, 2022.

Q6 Can Ukraine returned Foreign Medical Students transfer to other colleges?

As regards Foreign Medical Students covered under Screening Test Regulations, 2002, there is no clause regarding transfer in the Regulations. As such, there are no restrictions on transfer so long as other criteria laid down in Screening Test Regulations, 2002 are fulfilled.

Any Foreign Medical Student whose classes were started after 18th Nov 2021 and covered under FMGL Regulations, 2021, should verify his/her undergraduate course in accordance with Regulation 4 of FMGL Regulations 2021. However, the entire course, training and internship or clerkship shall be done in the same foreign medical institution throughout the course of study and no part of training/internship shall be done from other institute. Hence, transfer is not allowed.

Q7 Can transfer be taken from 6 year course to 5 year course?

Any Foreign Medical Students who is covered under Screening Test Regulations, 2002, may change/transfer his/her institute/university, subject to fulfilment of criteria/conditions as laid down in Screening Test Regulations, 2002.

Q8 Is there any NOC from National Medical Commission required for taking transfer from one foreign medical institute to another foreign medical institute?

Foreign Medical Institutes/Universities are outside the jurisdiction of National Medical Commission. Therefore the question of issuance of any NOC by the Commission does not arise.

Q9 What should the students ensure before taking transfer or new admission in any foreign medical institute/university?

Foreign Medical Students whose classes were started after 18 Nov 2021, are governed with the provisions of FMGL 2021. They must complete the entire duration of course, training and internship or clerkship in the same foreign medical institution and no part of medical training and internship shall be done in India or in any country other than country from where the primary medical qualification is obtained.

Prior to taking new admission in any foreign institute/university, Medical Students are advised to ensure the following provisions of FMGL Regulations 2021 in order to avoid any hardship to be faced after returning to India :

- (i) Minimum duration of undergraduate course/degree is fifty four months.
- (ii) An internship for a minimum duration of twelve months in the same foreign medical institution is provided.
- (iii) Medium of instruction is in English.
- (iv) Mandatory subjects as specified in the Schedule-I of FMGL Regulations 2021 are studied.
- (v) Respective professional regulatory body which is competent to grant license to practice medicine in their respective country in which the medical degree is awarded,

grants registration to the foreign medical students and is at par with the license to practice medicine given to citizen of that country.

Q10 Is the mobility program offered by Ukraine approved by NMC?

National Medical Commission does not approve any such Programme.

Q11 Can Ukraine returned Foreign Medical Students be accommodated in Indian medical colleges?

No

Q12 List of foreign medical institutes/university which are approved by National Medical Commission?

National Medical Commission does not approve or recognise foreign medical institute or university for award of any medical qualification.

Q13 Are online classes of Foreign Medical Students returned from Ukraine valid? If so, for FMGs studying in which year?

Foreign Medical Students are allowed to undergo online classes of theory subjects only which should mandatorily be supplemented by offline practical and clinical training done in the Medical University and/or its affiliated Hospital during their MBBS course. A Certificate issued by Foreign Medical University for successful completion of offline practical and clinical training, is required to be furnished by the Foreign Medical Graduates.

Q14 How many years of internship are required to be done by Foreign Medical Students who are governed as per FMGL 2021?

Foreign Medical Students are required to undergo an internship with minimum duration of twelve months in the same foreign medical institution. In addition, Foreign Medical Students are required to undergo a supervised internship in India for a minimum term of twelve months after qualifying Foreign Medical Graduates Examination. Internship of Foreign Medical Students shall be as per provisions of National Medical Commission (Compulsory Rotating Medical Internship) Regulations, 2021.

Q15 Which document among admission letter, invitation letter, passport stamp and transcript, will NMC consider before allowing Foreign Medical Graduates to sit in NExT exam or any other prescribed exam?

Draft of NExT Examination is under consideration in National Medical Commission and will be placed in public domain after finalization.

F.No. NMC/US (NMC)/MISC/2022-06

Date: 14th January, 2022

PUBLIC NOTICE

Advisory for Indian Students seeking admission in St. Tereza University,
Yerevan (Armenia)

National Medical Commission has received a D.O. letter from Ambassador of India, Yerevan (Armenia) regarding numerous complaints from the existing Indian students who are studying in Medical University named after St. Tereza in Yerevan (Armenia). The complaints range from lack of Proper studies, infrastructure, qualified faculty members etc to allegations of corruption, denial of degrees on completion of studies on various grounds and extortion of money on various grounds.

The Commission has also informed that the operation of some unscrupulous agents working in tandem with the said University issuing fake admission letters and indulging in various forms of cheating with Indian students. It has also come to notice of the Embassy that University's medical courses accreditation has not been renewed by the Ministry of Education of Armenia. It is also revealed that University is not keeping proper academic records of Indian Students.

In view of the above, fresh Indian students are advised to take precautions and do due diligence before taking admission in this University.

File No. NMC/US(NMC)/Misc/2022-96

Date: 8th February, 2022

Subject: University admissions in China-reg.

It has come to the notice of Ministry of External Affairs, Govt. of India that few Universities in People's Republic of China have started issuing notices for admission to MBBS programmes for the current and upcoming academic years.

2. In this context, any prospective student needs to be aware that the Government of People's Republic of China has imposed strict travel restrictions in the wake of COVID-19 and suspended all visas since November 2020. A large number of international students including Indian students have not been able to return to China to continue their studies due to these restrictions. Thus far, there has been no relaxation in the restrictions. Further, the Chinese authorities have conveyed earlier that courses will be conducted online.
3. As per the extant rules, National Medical Commission does not recognize or approve medical courses done only by online mode.
4. Also students are advised to refer to FMGE Regulations before applying or planning to seek admission in any institutions in China/Foreign institutions.
5. In view of the above, students are advised to exercise due diligence in choosing where to pursue medical education from.

File No. NMC/US(NMC)/Misc/2022-100

Date: 18 February, 2022

Subject: Advisory for students who wish to seek registration to practice allopathy in India, seeking Admission in Medical Colleges of Kyrgyzstan or any other foreign country-reg.

It has come to the notice of Ministry of External Affairs, Govt. of India that few new Medical Colleges have been launched in Kyrgyzstan in last one year namely, the Avicenna University, Adam University, Royal Metro, Int'l Medical University, Salymbekov University, ABC etc. and nearly two hundred Indian students have already been enrolled in these institutions without enrollment of a single Kyrgyz Student.

2. In this context, any prospective student needs to be aware that there may be some supervisory, regulatory and infrastructural issues in these institutions that should not be overlooked before taking admissions there. Allowing overseas students on the day of the launch also runs contrary to international norms requisite to enroll foreign students.

3. Also students are advised to refer to National Medical Commission's FMGE Regulations, 2021 before applying or planning to seek admission in any institutions in Krygyztan or any other foreign country.

4. In view of the above, students are advised to exercise due diligence in choosing where to pursue medical education from.

राष्ट्रीय आयुर्विज्ञान आयोग
National Medical Commission
(Undergraduate Medical Education Board)

No. U.15024/4/2022-UGMEB/

Date: 4th March 2022

CIRCULAR

Subject : Guidelines for registration of Foreign Medical Graduates .

It has been brought into the notice of the National Medical Commission that Foreign Medical Graduates are facing hardship in getting themselves registered in some of State Medical Councils after publication of Foreign Medical Graduates Licentiate Regulations, 2021 and Compulsory Rotatory Medical Internship Regulations, 2021 by National Medical Commission.

2. The Commission hereby reiterates that the provisions contained in FMGL Regulations, 2021 are not applicable in the following cases:

- a. Foreign medical graduates who have acquired a foreign medical degree or primary qualification, as the case may be, prior to 18th Nov, 2021;
- b. Candidates who have joined their undergraduate medical education in foreign institutions prior to 18th Nov, 2021; and
- c. Such foreign medical graduates who are specifically exempted by the Central Government, by notification.

3. Therefore, the Foreign Medical Graduates(FMGs) who have acquired a foreign medical degree or primary qualification, as the case may be, and the candidates who have joined their education in foreign institutions, prior to 18th Nov, 2021, shall be governed by the provisions contained in previously applicable regulations, namely "The Screening Test Regulations 2002" and "The Eligibility Requirement for Taking Admission in an Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002"

4. However, the CRMI Regulations have been made effective from the date of publication in Gazette of India i.e. 18 Nov 2021. As per the provision contained in NMC's CRMI Regulations, *Indian citizens (including overseas Indian citizens) who are Foreign Medical Graduates who do not fall under the purview of the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021 shall be regulated by the provisions of sub-section (3) of section 13 of the Indian Medical Council Act, 1956 (102 of 1956) in accordance with the Advisory no MCI-203(1)(Gen)/2020- Regn./118239, dated the 2nd September, 2020 and shall be required to complete CRMI in India if they have not undergone such practical training after obtaining such qualification as may be required by the rules and regulations in force in the country granting such qualification or has not undergone any practical training in that country.*

Contd.....2/-

5. In addition to the above, it has further been observed that there are also some Foreign Medical Graduates with incomplete internship due to such compelling situation which is beyond their control, such as Pandemic COVID-19 and war etc. Considering the agony & stress faced by these foreign medical graduates, their application to complete the remaining part of internship in India is considered eligible. Accordingly, the same may be processed by State Medical Councils provided that the candidates must have cleared FMGE before applying for completion of internship in India.

6. Taking into the consideration all the relevant provisions of NMC's Regulations and circumstances, the Commission decided to issue the detailed guidelines/process which is required to be followed by State Medical Councils for grant of registration of FMGs till further instructions from the Commission or implementation of NExT Exam, whichever occurs earlier. State Medical Councils should ensure the following conditions/criteria while processing the case for grant of registration of FMGs:

- (i) The medical qualification/degree must be registerable to practice medicine in their respective jurisdiction of the country in which the medical degree is awarded and at par with the license to practice medicine given to citizen of that country.
- (ii) Documentary evidence certifying successful completion of physical training or internship during the medical qualification equivalent to MBBS, if conducted in foreign institute.
- (iii) Copy of passport with VISA and immigration details
- (iv) Foreign Medical Graduate Examination(FMGE) conducted by National Board of Examination(NBE) should be cleared by the candidates seeking registration in India.
- (v) If the candidate is found fulfilling all the above mentioned criteria, provisional registration may be granted by State Medical Councils for 12 month internship or balance period, as the case may be.
- (vi) Internship shall be permissible in medical college hospital or hospital attached to medical colleges, permitted by the Commission.
- (vii) The maximum quota for allocation of internship to FMGs must be restricted to additional 7.5% of total permitted seats in a medical college.
- (vii) State Medical Councils should obtain an undertaking from the medical college that **no amount/fee is charged by the medical college from the FMGs for permitting them to do their internship.** The stipend & other facilities to FMGs should be extended equivalent to Indian Medical Graduates being trained at Government Medical Colleges as fixed by the appropriate authority applicable to the institution/University or State.

राष्ट्रीय आयुर्विज्ञान आयोग
National Medical Commission
(Undergraduate Medical Education Board)

No. U.15024/4/2022-UGMEB

Date: 25th March 2022

PUBLIC NOTICE

National Medical Commission considered the representations received from medical students who are pursuing BS Course in Philippines, prior to publication of Gazette of India i.e. FMGL Regulations 2021, seeking exemption/special dispensation.

2. It is observed that BS & MD course are two separate degrees in Philippines. BS Course cannot be equated/included with MBBS course. Therefore, after the publication of Gazette Notification dated 18.11.2021 i.e. NMC's FMGL Regulations 2021, the students who have already taken admission for any foreign medical qualification/course which is not equivalent to the MBBS Course in India, cannot be treated as eligible qualification for registration to practice medicine in India. Whereas, the students who have taken admission in MD course in Philippines prior to FMGL Regulations 2021 can be considered subject to fulfilling other prevailing eligibility criteria for registration.

3. Bridging BS Course is a course of Bachelor of Science for candidates seeking to join courses in field of Science & Research in Philippines. The said course comprises of subjects of Biology similar to Class 11th & 12th in India. BS Course is the pre-medical course in Philippines, after the completion of which the candidates have to appear in the NMAT examination to seek admission in MD Course (Graduate/Primary Medical Course being equivalent to MBBS) which is of 4-year duration. The pattern is BS Course followed by MD Course, however, in the said BS Course, the candidates are not being taught pre-clinical subjects like Anatomy, Biochemistry, Biophysics, Microbiology etc., rather they are being taught subjects like Biology, Psychology etc. which is equivalent to Class 12th in India. Hence, BS Course is a basic degree course prior to the starting of Graduate/Primary Medical Course in reference with Indian Education. The same does not even qualify a candidate to be eligible for admission in MBBS course in India.

4. The Graduate Medical Education Regulations, 1997 prescribes that candidates mandatorily must qualify the NEET-UG Examination for becoming eligible for counselling to be considered for admission in MBBS course and that to appear in NEET-UG, it is pre-condition that the candidates must have studied in the last 2 years of his / her school education (Class 11th & 12th) regular, simultaneous, co-terminus the subjects of Physics, Chemistry & Biology. Thus, a candidate who has already undergone the requisite studies in Class 11th & 12th in India and thereafter qualified the NEET-UG, being the pre-requisite for proceeding to a Foreign Medical Institute, shall not gain any further knowledge by undergoing the BS Course, which seems to be a mandatory course for obtaining admission to the Graduate/Primary Medical Course in Philippines. The BS Course in Philippines is a pre-requisite to appear in NMAT for admission in MD Course (Graduate/Primary Medical Course being equivalent to MBBS). Hence, the duration of the BS Course cannot be counted in the duration of the Graduate/Primary Medical Course in Philippines. Further, the regulations were not made/directed to any particular country but to be universally applicable for all FMGs, with sole objective of maintaining standard of education and quality of doctors in India.

5. National Medical Commission, being the regulatory authority always endeavors to improve the quality of medical education and health care system in India and provides an equal & fair opportunity for individuals who aspire to study medicine and thereafter practice medicine in India. However, practicing medicine involves the risk of human life, hence the Commission cannot compromise with the high standard & quality of medical education in India.

No. NMC/US(NMC)/2022-226

28th April, 2022

PUBLIC NOTICE

All concerned are advised not to travel to Pakistan for pursuing Medical Education. Any Indian national/Overseas Citizen of India who intends to take admission in MBBS/BDS or equivalent medical course in any medical college of Pakistan shall not be eligible for appearing in FMGE or seeking employment in India on the basis of educational qualifications (in any subject) acquired in Pakistan except those who had joined Pakistan degree colleges/institutions before December 2018 or later after obtaining Security Clearance from MHA till date.

2. However, migrants and their children who have acquired medical degree or higher education in Pakistan and have been awarded citizenship by India would continue to be eligible for appearing in FMGE/NEXT or seeking employment in India after obtaining Security Clearance from MHA.

No. NMC/20659(Legal)/2022/UGMEB/

Dated the 28th July 2022

PUBLIC NOTICE

In pursuance to the order dated 29.04.2022 passed by the Hon'ble Supreme Court of India in SLP No.2536-37 of 2022, it is informed that the Indian students who were in the last year of their undergraduate medicine course (due to COVID-19, Russia -Ukraine war etc had to leave their foreign medical institute and return to India) and have subsequently completed their studies as also have been granted certificate of completion of course / degree by their respective institute, **on or before 30th June 2022**, shall be permitted to appear in Foreign Medical Graduate Examination. Thereafter, upon qualifying the FMG examination, such foreign medical graduates are required to undergo Compulsory Rotating Medical Internship (CRMI) for a period of two years to make up for the clinical training which could not be physically attended by them during the undergraduate medicine course in the foreign institute as also to familiarise them with practise of medicine under Indian conditions. The foreign medical graduates will be eligible to get registration only after completing the CRMI for two years.

The above relaxation granted to the foreign medical students is a "one time measure" and shall not be treated as "precedence in the future".

No. NMC/US(NMC)/PMD/2022-281/

Dated the 5th Aug, 2022

PUBLIC NOTICE

Subject : Applications for grant of permanent registration to practice modern medicine/allopathy in India to the persecuted minorities.

Undergraduate Medical Education Board, National Medical Commission invites the online applications from the persecuted minorities from Pakistan who entered into India on or before the 31st day of December 2014 and obtained the citizenship of India, for grant of permanent registration to practice modern medicine/allopathy in India.

2. The applicant must possess a valid medical qualification and had been practicing medicine in Pakistan prior to his/her migration to India.
3. The last date of submission of application is **5th September 2022**.
4. The applicants are advised to strictly follow the instructions given for filing up of the online application through the link provided at NMC website.
5. Offline application shall **NOT** be considered by the Commission.
6. All applications will be scrutinized by the Commission in consultation with the concerned agencies/Departments.
7. Shortlisted applicants will be allowed to appear in the Examination, to be conducted by the Commission or any agency authorized by the Commission.
8. Applicants who qualify the examination, shall be eligible for grant of permanent registration to practice modern medicine/allopathy in India.

राष्ट्रीय आयुर्विज्ञान आयोग
National Medical Commission
(Undergraduate Medical Education Board)

No. U-15024/19/2022-UGMEB

Dated : 21st Sept, 2022

PUBLIC NOTICE

National Medical Commission has published Compulsory Rotatory Medical Internship Regulations 2021 and Foreign Medical Graduate Licentiate Regulations 2021 in the official Gazette of India and the same have been made effective from the date of publication i.e. 18 Nov, 2021.

2. As per the clause 4(c) of Foreign Medical Graduate Licentiate (FMGL) Regulations 2021, *foreign medical graduates are required to undergo supervised internship in India for a minimum term of twelve months, after applying for the same to the Commission.*

3. As per the provisions of CRMI Regulations 2021, Foreign Medical Graduates who are required to do Internship in India, shall do the same only in medical colleges or institutions approved for providing CRMI to Indian Medical Graduates and the allocation of medical college to these FMGs will be done by the concerned State Medical Council only.

4. Further, Indian citizens (including overseas Indian citizens) who are Foreign Medical Graduates and do not fall under the purview of the National Medical Commission (Foreign Medical Graduate Licentiate) Regulations, 2021, shall be regulated by the provisions of sub-section (3) of section 13 of the Indian Medical Council Act, 1956 (102 of 1956) in accordance with the Advisory No MCI-203(1)(Gen)/2020- Regn./118239, dated the 2nd September, 2020 and are required to complete CRMI in India if they have not undergone such practical training after obtaining such qualification as may be required by the rules and regulations in force in the country granting such qualification or has not undergone any practical training in that country.

5. In order to implement the provisions of these Regulations, State Medical Councils are required to allot seats to FMGs, who have qualified FMG Exam, in medical colleges only. Foreign Medical Graduates may be posted first in colleges which have been newly opened and have yet to be recognized. A State-wise list of medical colleges/institutes which are approved/recognized by the Commission has already been shared with State Medical Councils vide UGMEB's letter dated 14.07.2022. ***Accordingly, standalone PG institutes imparting DNB training under DNB-PDCET and non-teaching hospitals are not entitled to conduct Compulsory Rotatory Medical Internship after the publication of the NMC's CRMI Regulations, 2021.***

राष्ट्रीय आयुर्विज्ञान आयोग
National Medical Commission
(Undergraduate Medical Education Board)

No. U-15024/17/2022-UGMEB (Part)

Dated the 4th of January, 2023

PUBLIC NOTICE

Subject: Validation of internship of Foreign Medical Graduates

It is informed that National Medical Commission is in receipt of various requests/ representations regarding internships done by Foreign Medical Graduates in approved colleges/ hospitals/institutes according to old MCI list after the publication and coming into force of NMC's Compulsory Rotating Medical Internship (CRMI) Regulations, 2021 on 18.11.2021.

2. The matter was also considered in the Ministry of Health and Family Welfare, Government of India and it was decided with the approval of Competent Authority to validate the internship of students who took admission in approved colleges/ hospitals/institutes according to old MCI list until 21.10.2022 i.e. the date of publishing of new list by NMC. The same has been communicated to NMC vide letter no. V.11025/458/2022-MEP (Part-I) dated 27.12.2022.

3. Accordingly, Compulsory Rotating Medical Internship done/started by Foreign Medical Graduates in approved colleges/ hospitals/institutes according to old MCI list on or before 21.10.2022 shall be considered valid by the National Medical Commission, **only as a one-time measure**. Any internship started in non-teaching hospitals beyond 21.10.2022 shall be invalid.

4. This issues with the approval of President (UGMEB).

(Shambhu Sharan Kumar)
Director, UGMEB

राष्ट्रीय आयुर्विज्ञान आयोग
National Medical Commission
(Undergraduate Medical Education Board)

No. U-15024/9/2023-UGMEB

Dated, the 28th April, 2023

PUBLIC NOTICE

In reference to National Medical Commission's Public Notice dated 22.02.2023 wherein the updated state-wise list of recognized and approved Medical Colleges/Institutes alongwith number of FMG seats for Compulsory Rotating Medical Internship (CRMI), was published, it is hereby informed that various representations/queries have been received in the Commission regarding inclusion of All India Institute of Medical Sciences (AIIMS) in the said list for allotment to FMGs for their twelve months Internship in India.

The above matter has been deliberated in the Commission and it has been decided that All India Institute of Medical Sciences (AIIMS) do not come under the purview of National Medical Commission. Hence, AIIMS shall be excluded from the list published by the Commission vide above referred Public Notice.

In view of the above, all State Medical Councils are requested **NOT** to allot any Foreign Medical Graduates in AIIMS for conduct of internship in India.

No. U.15024/01/2022-UGMEB/

Dated the 9th May, 2023

CIRCULAR

Subject: Clarification regarding conduct of internship for FMGs – reg.

National Medical Commission is in receipt of representations/queries from various stakeholders including the State Medical Councils seeking clarifications on different issues regarding mode and method of conducting Medical Internship for Foreign Medical Graduates in India.

2. The issue has been carefully deliberated in the Commission and in consultation with Ministry of Health & Family Welfare through virtual meetings and it has been decided to consolidate all the guidelines/instructions issued by the Commission till date.

3. Further, the clarification in respect of the applicability of NMC's Notification dated 28.07.2022 regarding two years internship by FMGs, denial of internship by State Medical Councils on the basis of Domicile and completion of internship by FMGs in parts, is also required to be given in order to raise awareness among the various stakeholders and also the public at large. Thus, the following is clarified:

Important Provisions under CRMI Regulations 2021 for FMGs

- (i) Foreign medical graduates are required to undergo supervised internship in India for a minimum term of twelve months, after applying for the same to the Commission, as per the clause 4(c) of Foreign Medical Graduate Licentiate (FMGL) Regulations 2021.
- (ii) Foreign Medical Graduates who are required to do Internship in India, shall do so only in medical colleges or institutions approved for providing CRMI to Indian Medical Graduates and the allocation of medical college to these FMGs will be done by the concerned State Medical Council.
- (iii) The Internship shall be completed within two years of passing the final MBBS or Foreign Medical Graduate Examination (FMGE) or NExT Step-1 examination, whenever in force.

Contd.....2/-

- (iv) Foreign Medical Graduates may be posted to different medical colleges or institutions through a counseling or seat allocation process based on the merit;
- (v) The college or institution and its affiliated hospitals and Community Health Centres shall be recognized by the Commission for conducting the CRMI programme

Validation of Online study by Commission :

- (vi) The Commission has not approved/validated the medical qualifications (both theoretical & practical) through online mode only. However, during the Covid-19 pandemic, online classes conducted by Medical colleges/institutions in India were made valid, to be supplemented by practical and clinical training as per current curriculum in all MBBS subjects in the colleges/institutions and affiliated hospitals.
- (vii) Online study of medical qualification (theory alongwith practical) is not valid mode of study.

Applicability of NMC Public Notice dated 28.07.2022 on FMGs :

- (viii) In pursuance of order dated 29.04.2022 passed by the Hon'ble Supreme Court of India in SLP No. 2536-37 of 2022, NMC issued public notice dated 28.7.2022 informing that Indian students who were in the last year of their undergraduate medicine course but due to COVID-19, Russia-Ukraine war etc. had to leave their foreign medical institute and return to India and have subsequently completed their studies as also have been granted certificate of completion of course/degree by their respective institute on or before 30th June, 2022 shall be permitted to appear in Foreign Medical Graduate Examination.
- (ix) The provision of two years' internship, referred in Public Notice dated 28.07.2022, is applicable only to those Foreign Medical Graduates who were in their last year of their study of medical qualification and returned to India due to COVID-19 or Russia-Ukraine War etc. After successful completion of the medical qualification, such FMGs are required to qualify FMG Examination and subsequently undergo Compulsory Rotating Medical Internship (CRMI) for a period of two years (schedule of 12 months to be repeated) in hospital attached to medical college only.

Contd.....3/-

- (x) All FMGs (Except covered in point (viii) and (ix) above) are required to complete their study from respective University/Institutes in offline mode or to supplement their online theory subjects/classes by offline practical and clinical training and thereafter shall acquire a valid medical qualification which is registrable in that country where it is being acquired. After qualifying FMG Examination, FMGs shall undergo Compulsory Rotating Medical Internship (CRMI) for a period of one year in accordance with CRMI Regulations 2021.

Requirement of Domicile by FMGs for internship :

- (xi) State Medical Councils shall not deny allotment of medical colleges for internship to FMGs on the basis of their domicile. An FMG can complete his/her internship from a medical college in any State/UT, if found eligible otherwise.

Completion of Internship by FMGs in parts at hospitals/medical colleges :

- (xii) In case, an FMG has already completed first one year of his/her internship in any medical college in India, he/she shall be free to complete remaining part of his/her internship(2nd year of internship) from another medical college/State/UT, as per the availability of seats for conducting internship for FMGs.

Payment of stipend to FMGs :

- (xiii) National Medical Commission vide Circular dated 19.05.2022, requested to all Directorates of Medical Education & State Medical Councils to ensure that no internship fee is charged by the medical colleges/institutes from these interns Indian and Foreign Medical Graduates and stipend including other facilities is being provided to FMGs as equivalent to Indian Medical Graduates in the States/UTs.
- (xiv) However, considering the requests/representations from various State Governments/UTs/medical colleges wherein it was intimated that there has been no budgetary provision in their allocation of annual budget to provide stipend to Foreign Medical Graduates, the Commission vide circular dated 19.10.2022 has already clarified that the amount of stipend to be paid to the interns is to be decided/fixed by the appropriate authority applicable to the Institution/University or State. The implementation of these guidelines/instructions/advisory is solely at the discretion of the concerned State authorities under which the medical college/institute is located.

Contd.....4/-

- (xv) However, stipend is payable to FMG interns only during 2nd year of internship, as one year is in lieu of the missed clinical training during MBBS course in Foreign Medical College/Institute.

One-time Relaxation to Foreign Medical Graduates to complete Internship :

- (xvi) A number of requests/queries received from different State Medical Councils regarding non-availability of seats for FMGs to start their internships at their State/UT especially due to the implementation of the two years' internship for FMGs. Their request has been considered in National Medical Commission favourably in the Coordination Meeting of Chairman, NMC with Presidents and Members of the four Boards of NMC held on 2nd May 2023.
- (xvii) After careful consideration of the situation and issue faced by the FMGs in order to explore seats to complete their internship, it is decided by UGMEB to validate the list of Recognized Non-teaching Hospitals for Compulsory Rotating Medical Internship issued by the erstwhile Medical Council of India, for a period of one year from the issue of this circular i.e. upto May 2024, for conduct of internship for Foreign Medical Graduates only. List of Recognized Non-teaching Hospitals for Compulsory Rotating Medical Internship issued by the erstwhile Medical Council of India is at **Annexure**. This relaxation is granted only as a one-time measure.
- (xviii) The allotment of FMGs in these Non-teaching Hospitals shall also be done only through concerned State Medical Councils.

4. All State Medical Councils and Directorates of Medical Education are requested to kindly ensure the implementation of the above guidelines/instructions while allocating medical colleges to Foreign Medical Graduates.

(Dr. Aruna V. Vanikar)
President, UGMEB

To,

- (i) All Directorates of Medical Education
- (ii) All Registrars of State Medical Councils/UTs

PUBLIC NOTICE

Subject :Advisory/alert for Indian students seeking admission in foreign Institutes/Universities for Undergraduate Medical Courses – reg.

National Medical Commission published Foreign Medical Graduate Licentiates (FMGL) Regulations 2021 in the official gazette of India vide notification dated 18.11.2021 wherein the terms of duration of the study, medium of instructions, syllabus, clinical training or internship/clerkship etc. are prescribed. These conditions are mandatory for registration to practice allopathy in India.

2. It has been observed that the Institutes or Universities abroad are following the curriculum, time frame and training imparted to the students are not in consonance with NMC regulations being followed in India. Therefore, all the students who are desirous to obtain the medical qualification from any foreign medical institutions or universities and thereafter practice allopathy in India, are hereby advised to ensure that all conditions prescribed in FMGL are fulfilled before taking admission.
3. Any variation in duration, medium of instructions, syllabus, clinical training or internship/clerkship may lead to disqualification in grant of registration in India. In case of disqualification, the sole responsibility shall lie upon the candidate only.

This issues with the approval of President, UGMEB.

ADVISORY

Subject: Processing of application of Temporary Registration to the foreign medical practitioners sponsored by any Institute/Hospital in the country- regarding

In this respect, kind attention is invited to the sub-section 13.1.2 of Section 13 under chapter-IV (Fellowship/Clinical Research/Clinical Training/Observership etc.) of "Registration of Medical Practitioners and Licence to Practice Medicine Regulation 2023. In this regard it may be ensure by the sponsoring registered hospital/medical college/institute inviting foreign national for fellowship programs the following provision have been made in the said regulation:

"i. A foreign citizen may be allowed to do Fellowship/Clinical Research/Clinical training / Observership for enhancing their skill and competence through training or academic courses conducted in any Institute in India, ii. For the purpose, the Institute may apply to the Ethics and Medical Registration Board through the web portal along with the following details: a) Name and registration certification of the foreign citizen (if applicable) b) Information related to course content, duration, training facilities, teaching, and infrastructure facilities (details should be available on the website of the Institute) c) Details of fee being charged by the Institute....."

3. In view of the above in order to streamline the process of timely grant of temporary Registration to Foreign Medical practitioners the following should be ensured:

The details of Fellowship programs being run by such registered hospital/medical college/institute should be duly uploaded on their official website. along with information related to course content, duration, training facilities, teaching, faculty details (along with active registration No) and infrastructure facilities etc. must be made available for online verification of the same by EMRB (NMC) at the time of processing the application received for grant of Temporary Registration.

4. Failure to comply with the above may cause delay in processing the applications received for temporary registration for fellowship programs. Ordinarily, temporary registration in respect of the foreign medical practitioners which shall be provided for a maximum period of twelve (12) months followed by a cooling off period of one year and shall be limited to the medical college/institution/hospital sponsoring the programme.

Yours' Sincerely,

Dr. Vijaya Lakshmi Nag

No. U.15024/01/2022-UGMEB/

Dated the 9th May, 2023

CIRCULAR

Subject: Clarification regarding conduct of internship for FMGs – reg.

National Medical Commission is in receipt of representations/queries from various stakeholders including the State Medical Councils seeking clarifications on different issues regarding mode and method of conducting Medical Internship for Foreign Medical Graduates in India.

2. The issue has been carefully deliberated in the Commission and in consultation with Ministry of Health & Family Welfare through virtual meetings and it has been decided to consolidate all the guidelines/instructions issued by the Commission till date.

3. Further, the clarification in respect of the applicability of NMC's Notification dated 28.07.2022 regarding two years internship by FMGs, denial of internship by State Medical Councils on the basis of Domicile and completion of internship by FMGs in parts, is also required to be given in order to raise awareness among the various stakeholders and also the public at large. Thus, the following is clarified:

Important Provisions under CRMI Regulations 2021 for FMGs

- (i) Foreign medical graduates are required to undergo supervised internship in India for a minimum term of twelve months, after applying for the same to the Commission, as per the clause 4(c) of Foreign Medical Graduate Licentiate (FMGL) Regulations 2021.
- (ii) Foreign Medical Graduates who are required to do Internship in India, shall do so only in medical colleges or institutions approved for providing CRMI to Indian Medical Graduates and the allocation of medical college to these FMGs will be done by the concerned State Medical Council.
- (iii) The Internship shall be completed within two years of passing the final MBBS or Foreign Medical Graduate Examination (FMGE) or NExT Step-1 examination, whenever in force.

Contd.....2/-

- (iv) Foreign Medical Graduates may be posted to different medical colleges or institutions through a counseling or seat allocation process based on the merit;
- (v) The college or institution and its affiliated hospitals and Community Health Centres shall be recognized by the Commission for conducting the CRMI programme

Validation of Online study by Commission :

- (vi) The Commission has not approved/validated the medical qualifications (both theoretical & practical) through online mode only. However, during the Covid-19 pandemic, online classes conducted by Medical colleges/institutions in India were made valid, to be supplemented by practical and clinical training as per current curriculum in all MBBS subjects in the colleges/institutions and affiliated hospitals.
- (vii) Online study of medical qualification (theory alongwith practical) is not valid mode of study.

Applicability of NMC Public Notice dated 28.07.2022 on FMGs :

- (viii) In pursuance of order dated 29.04.2022 passed by the Hon'ble Supreme Court of India in SLP No. 2536-37 of 2022, NMC issued public notice dated 28.7.2022 informing that Indian students who were in the last year of their undergraduate medicine course but due to COVID-19, Russia-Ukraine war etc. had to leave their foreign medical institute and return to India and have subsequently completed their studies as also have been granted certificate of completion of course/degree by their respective institute on or before 30th June, 2022 shall be permitted to appear in Foreign Medical Graduate Examination.
- (ix) The provision of two years' internship, referred in Public Notice dated 28.07.2022, is applicable only to those Foreign Medical Graduates who were in their last year of their study of medical qualification and returned to India due to COVID-19 or Russia-Ukraine War etc. After successful completion of the medical qualification, such FMGs are required to qualify FMG Examination and subsequently undergo Compulsory Rotating Medical Internship (CRMI) for a period of two years (schedule of 12 months to be repeated) in hospital attached to medical college only.

Contd.....3/-

- (x) All FMGs (Except covered in point (viii) and (ix) above) are required to complete their study from respective University/Institutes in offline mode or to supplement their online theory subjects/classes by offline practical and clinical training and thereafter shall acquire a valid medical qualification which is registrable in that country where it is being acquired. After qualifying FMG Examination, FMGs shall undergo Compulsory Rotating Medical Internship (CRMI) for a period of one year in accordance with CRMI Regulations 2021.

Requirement of Domicile by FMGs for internship :

- (xi) State Medical Councils shall not deny allotment of medical colleges for internship to FMGs on the basis of their domicile. An FMG can complete his/her internship from a medical college in any State/UT, if found eligible otherwise.

Completion of Internship by FMGs in parts at hospitals/medical colleges :

- (xii) In case, an FMG has already completed first one year of his/her internship in any medical college in India, he/she shall be free to complete remaining part of his/her internship(2nd year of internship) from another medical college/State/UT, as per the availability of seats for conducting internship for FMGs.

Payment of stipend to FMGs :

- (xiii) National Medical Commission vide Circular dated 19.05.2022, requested to all Directorates of Medical Education & State Medical Councils to ensure that no internship fee is charged by the medical colleges/institutes from these interns Indian and Foreign Medical Graduates and stipend including other facilities is being provided to FMGs as equivalent to Indian Medical Graduates in the States/UTs.
- (xiv) However, considering the requests/representations from various State Governments/UTs/medical colleges wherein it was intimated that there has been no budgetary provision in their allocation of annual budget to provide stipend to Foreign Medical Graduates, the Commission vide circular dated 19.10.2022 has already clarified that the amount of stipend to be paid to the interns is to be decided/fixed by the appropriate authority applicable to the Institution/University or State. The implementation of these guidelines/instructions/advisory is solely at the discretion of the concerned State authorities under which the medical college/institute is located.

Contd.....4/-

- (xv) However, stipend is payable to FMG interns only during 2nd year of internship, as one year is in lieu of the missed clinical training during MBBS course in Foreign Medical College/Institute.

One-time Relaxation to Foreign Medical Graduates to complete Internship :

- (xvi) A number of requests/queries received from different State Medical Councils regarding non-availability of seats for FMGs to start their internships at their State/UT especially due to the implementation of the two years' internship for FMGs. Their request has been considered in National Medical Commission favourably in the Coordination Meeting of Chairman, NMC with Presidents and Members of the four Boards of NMC held on 2nd May 2023.
- (xvii) After careful consideration of the situation and issue faced by the FMGs in order to explore seats to complete their internship, it is decided by UGMEB to validate the list of Recognized Non-teaching Hospitals for Compulsory Rotating Medical Internship issued by the erstwhile Medical Council of India, for a period of one year from the issue of this circular i.e. upto May 2024, for conduct of internship for Foreign Medical Graduates only. List of Recognized Non-teaching Hospitals for Compulsory Rotating Medical Internship issued by the erstwhile Medical Council of India is at **Annexure**. This relaxation is granted only as a one-time measure.
- (xviii) The allotment of FMGs in these Non-teaching Hospitals shall also be done only through concerned State Medical Councils.

4. All State Medical Councils and Directorates of Medical Education are requested to kindly ensure the implementation of the above guidelines/instructions while allocating medical colleges to Foreign Medical Graduates.

(Dr. Aruna V. Vanikar)
President, UGMEB

To,

- (i) All Directorates of Medical Education

No.U-15024/9/2023-UGMEB
Government of India National
Medical Commission
(Under Graduate Medical Education Board)

Pocket- 14, Sector8, Dwarka,
Phase-1, New Delhi- 110077
Date: 7th December, 2023

PUBLIC NOTICE

In supersession to the Public Notice dated 22.11.2023, the National Medical Commission in its meeting held on 30.11.2023 has decided to provide clarifications/decisions in various issues with respect to Foreign Medical Graduates.

1. ISSUES RELATED TO FMGs FROM UKRAINE

I. FMGs had a break in their final year and returned to India (Owing to covid pandemic or war) and completed FMG course (including examination) through online mode.

- FMGs will have to undergo one (1) year clinical clerkship (CC) in India in lieu of deficiency in their training from their parent medical college.
- The Indian Medical College may charge clerkship fee from FMGs maximum upto Rs. 5000/-PM.
- After successful completion of 1 year clerkship and supported by logbook followed by authentication from concerned college authority, they will be allowed to begin CRMI which may be done in medical college or any recognized institute.
- Such students at the stage of CRMI, shall be eligible to receive stipend equivalent to the stipend received by IMGs of that college/ Institution.
- Allotment of such students to clinical clerkship or Internship programme will be done through concerned DME and SMC, in consultation with each other.
- Existing FMGs undergoing internship be allowed to continue to complete their two years before permanent registration given by the State Medical Council.

- This relaxation is specifically for final year students who returned to India owing to covid pandemic or war.

II. FMGs had a break in Penultimate year of study (Owing to covid pandemic or war) and completed FMG course (including examination) through online mode.

- FMGs will have to undergo two (2) years of clinical clerkship (CC) supported by logbook, further authenticated by concerned college authority.
- The Indian Medical College may charge clerkship fee from FMGs maximum upto Rs. 5000/-PM.
- After successful completion of 2 year clerkship and supported by logbook followed by authentication from concerned college authority, they will be allowed to begin CRMI which may be done in medical college or any recognized institute.
- Such students at the stage of CRMI, shall be eligible to receive stipend equivalent to the stipend received by IMGs of that college/ Institution.
- Allotment of such students to clinical clerkship or Internship programme will be done through concerned DME and SMC, in consultation with each other.
- Existing FMGs undergoing internship be allowed to continue to complete their three (3) years before permanent registration given by the State Medical Council.
- This relaxation is specifically for penultimate and final year FMGs who returned to India owing to covid pandemic or war.

III. Allowing FMGs from Ukraine to continue their study from different countries (Except India)

- a. In continuation to the earlier scheme dated 15th September, 2022 (read as a clarification of Public Notice dated 06th September, 2022) namely Academic Mobility Program, NMC has decided to extend such scheme as a one-time measure to the FMGs- who had joined MBBS course before 18.11.2021 and have returned from Ukraine to avail the benefits of the scheme and complete their remaining medical course. The Degree may however be awarded by the University to where they shall migrate.
- b. Those candidates who have joined the course (equivalent to MBBS in India), physically in Ukraine/ Russia on or after

18.11.2021, and have returned/ were evacuated during the warperiod (i.e. evacuation period of Operation Ganga w.e.f. 26.02.2022 to 11.03.2022) in a medical institute of either Ukraine or Russia shall be given permission to transfer/migrate to any other country (except India) to complete their study as per FMGL regulations dated 18.11.2021, and procure certificate which grants them license to practice Allopathy in that country. This permission for migration shall be specific for these students only who returned to India till 31st March, 2022. **Period of permission of migration shall expire on 07.03.2024.**

- c. This relaxation is for the batch of students who at the time of return to India were in 1st, 2nd or 3rd year of their medical course.

2. ISSUES RELATED TO RECOGNITION OF BS COURSE

- Students who were studying BS Course or had taken admission in BS course and were physically studying in Foreign Medical Institute at the time of publication of FMGL Regulation 2021 dated 18.11.2021 shall be governed by old Screening Test Regulation, 2002 however such students shall have to undergo additional one year of internship as per CRMI Regulation, 2021.
- This shall be one time exemption specific to these students only.

3. ISSUES RELATED TO INTERNSHIP OF FMGS IN INDIAN INSTITUTES

- The number of seats permitted for internship or clinical clerkship will be 7.5% of the permitted MBBS seats in old colleges who have their students pursuing CRMI and it shall be 100% in new medical colleges who do not have their own students doing CRMI. The permission to be granted to these FMGs to join internship including the time frames and schedules in various institutions shall be decided jointly by State Medical Councils and State Directors of Medical Education/authorities allotting institutions to FMGs for pursuing internship. The students shall be continuing their compulsory rotating medical internship in the same institute/colleges where they shall be doing their clinical clerkship.

4. ISSUE OF ELIGIBILITY CERTIFICATE (EC) TO FMGs

- Keeping in view the fact that several thousand Indian students who have already commenced their pre-medical education, i.e., B.S. course in Philippines or pre-medical/language courses in any other foreign countries and that Eligibility Certificate is required to be granted on the criteria of age and marks in 10+2 as per Public Notice dated 14th September, 2018 issued by the erstwhile Medical Council of India and Order dated 27.09.2018 passed by the Hon'ble High Court of Delhi at New Delhi in WP(c)No.8091/2018 and connected matters, Indian Citizens/OCI who had not registered/appeared/qualified NEET-UG 2018 & 2019, were allowed to take admission in MBBS or equivalent medical course in a medical university outside the country in the academic year 2018-19 and 2019-20. However, such candidates are required to obtain/apply for an eligibility certificate from the Medical Council of India u/s 13(4B) of the IMC Act, 1956.
- Such candidates should furnish their admission record in BS or any other pre-medical course/language course in the Foreign Countries with their application for an Eligibility Certificate alongwith details of travel including exit from India and entry back into India as well as entry / exit in that Foreign Country. The same may be accepted only on the basis of certified copies of passport wherein such details are duly recorded. It may be further clarified that, the present is a one-time exemption granted keeping in view the peculiar facts and circumstances that have arisen and all those who leave the Indian Shores for pursuing pre-medical/medical course for the academic year 2018-19 & 2019-20 shall be exempted from the requirement of NEET-2018 & 2019 in terms of the amendment dated 01.03.2018 to the Screening Test Regulations, 2002 and Eligibility Requirement for Taking Admission in an Undergraduate Medical Course in a Foreign Medical Institution Regulation, 2002."

5. ISSUES RELATED TO CAPPING OF TIME LIMIT TO QUALIFY FMG EXAMINATION

- All FMGs shall have to complete their internship within 10 years from date of joining their Foreign Medical Institutions to

procure qualification equivalent to MBBS in India.

6. This issues with the approval of Competent Authority.

Frequently Asked Questions (FAQs) related to FMGs with reference to the Public Notice dated 7th December, 2023 _

Disclaimer: These FAQs are in the nature of explanation for ease of understanding of the general public and cannot be upheld in a court of law. Please refer to the relevant gazette notifications for legal validity.

1. Issues related to FMGs from Ukraine

2. Can the students pursuing their studies in Ukraine/ Russia at the time of Russia- Ukraine war be allowed to migrate to other countries?

Ans: Yes, these students shall be allowed to migrate to any country other than India.

2. What shall be the terms of migration?

Ans:

- a. Those candidates who have joined the course physically in Ukraine/ Russia before the Ukraine- Russia war and have returned/ were evacuated to India during the war period (i.e evacuation period of Operation Ganga w.e.f. 26.02.'22 to 11.03.'22).
- b. They shall be required to fulfil the FMGL regulations published on 18.11.2021 (other than migration) including period of education, subjects and training in various disciplines as per CBME curriculum, including Family Adoption programme, and procure certificate which grants them licence to practice modern medicine in that country.
- c. This permission for migration shall be specific for these students only who returned to India till 31st March, 2022.

3. How long will this permission for migration be granted?

Ans: Period of permission of migration shall **expire on 07.03.2024**.

2. **Issues related to recognition of BS course**

3. Which regulations will be applicable to students pursuing BS course at the time of publication of FMGL regulations dated 18.11.2021?

Ans: The old screening test regulation 2002 shall remain applicable to the students who were studying BS Course or had taken admission in BS course and were physically studying at the time of publication of FMGL Regulation 2021 dated 18.11.2021. However they shall have to undergo internship in India as per CRMI regulations 2021 dated 18.11.2021.

3. **Issues related to Internship of FMGs in Indian Institutes**

4. What will be quota of seats available for internship in India for FMGs in various institutions of India?

Ans: The quota will be as mentioned in earlier FAQs; 7.5% of the permitted MBBS seats in old colleges who have their students pursuing CRMI and 100% in new medical colleges who do not have their own students doing CRMI.

2. What will be the time frames for joining clinical clerkship and internship in India?

Ans: Time frames for joining shall be as per recently published notification.

3. Who will be the authority to allot internship in India to these FMGs?

Ans: The permission to be granted to these FMGs to join internship including the time frames and schedules in various institutions shall be decided jointly by State Medical Councils and State Directorate General of Medical Education/authorities allotting institutions to FMGs for pursuing internship.

4. Can the candidates do clinical clerkship and internship in India in different institutes?

Ans: No. The students shall be continuing their compulsory rotating medical internship in the same institute/colleges where they shall be

doing their clinical clerkship.

4. Issues related to capping of time limit to qualify FMG Examination

5. What will be the time limit for completing internship for FMGs?

Ans: The time limit for appearing in FMG Examination/NExT shall be in consonance with regulations applicable for Indian students. All FMGs shall have to complete their internship in India within 10 years of date of joining their Foreign Medical Institutions.

5. Documents required to submit to NMC/ State Medical Council/ National Board of Examination in Medical Education by FMGs

What are the documents required to be submitted by FMGs before seeking permission to appear in FMGL examination and before seeking registration to practise modern medicine/allopathy in India?

Ans:

- a. Passport, all visa documents providing evidence of stay in the country for medical education, total number of days of stay in the country at each time, total number of classes, clinics, practical training in various disciplines along with topics taught and hours for each subject.
- b. Certificate of passing for each year/ semester.
- c. Certificate establishing license to practice modern medicine/allopathy in the country of graduation.
