HOW TO FILE A 1st APPEAL BY REGISTERED MEDICAL PRACTITIONERS (RMPs)

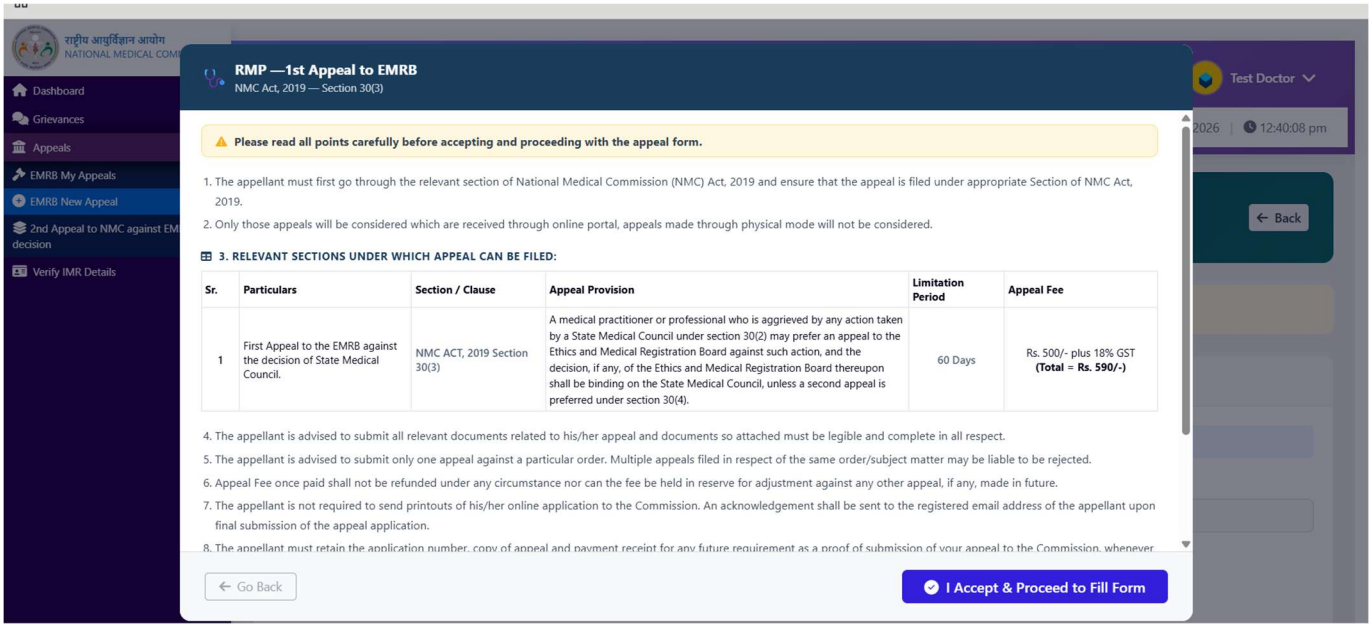

NMC Online Appeal Portal | Section 30(3), National Medical Commission Act, 2019

Step 1: Open EMRB New Appeal

Log in to the NMC Online Appeal Portal and navigate to **Appeals > EMRB New Appeal** to initiate a First Appeal before the Ethics and Medical Registration Board (EMRB).

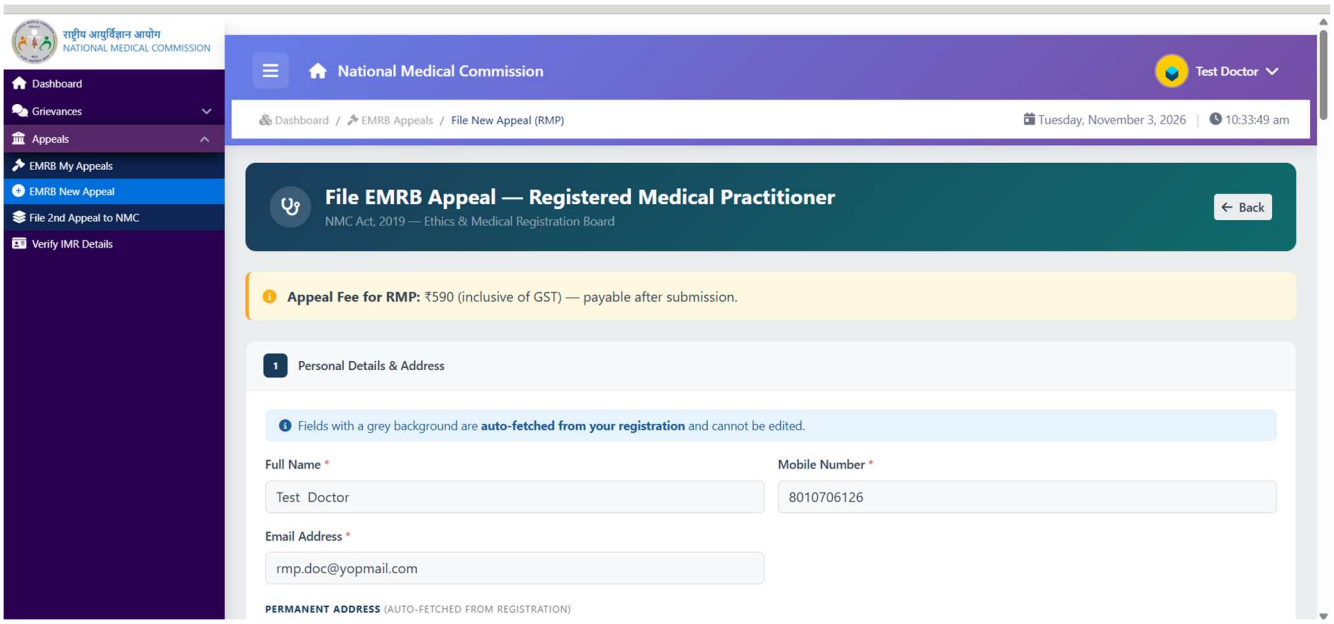

Step 2: Read the terms and conditions

Read all the instructions carefully before proceeding. The portal identifies the appeal as a First Appeal before the Ethics and Medical Registration Board (EMRB) under Section 30(3) of the National Medical Commission Act, 2019. The displayed limitation period is 60 days and the appeal fee is ₹590 (inclusive of GST). After reviewing the instructions, click **"I Accept & Proceed to Fill Form".**

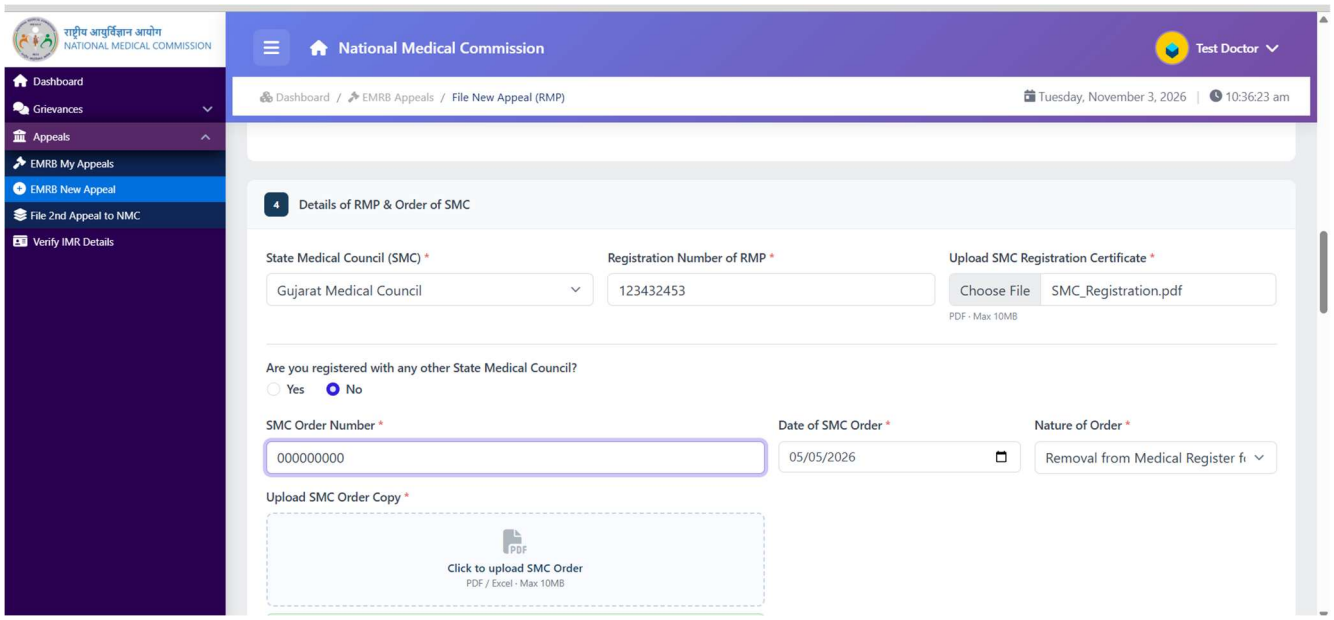

Step 3: Review personal details and address

The form begins with the **“Personal Details & Address”** section. Fields with a grey background are auto-fetched from the RMP’s registration and cannot be edited. Review the details displayed, including the full name, mobile number and email address, and proceed after ensuring that the information is correct.

Step 4: Continue through the appeal form

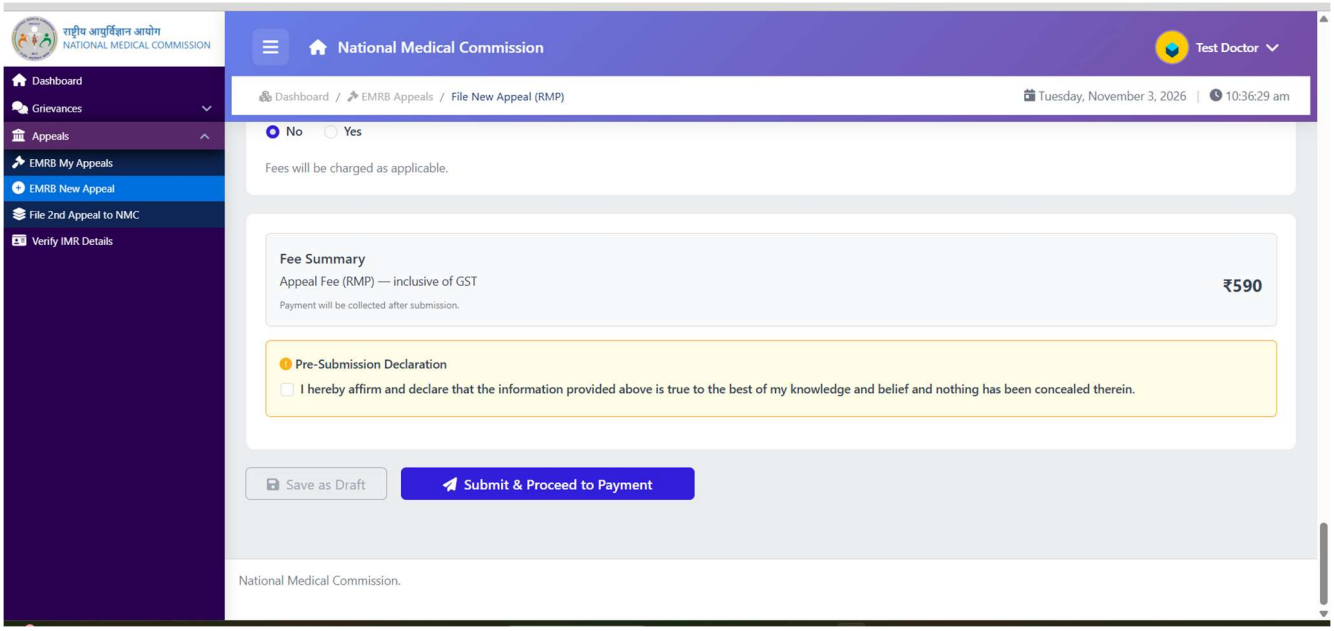

Proceed through the form and complete all applicable fields. Check the information entered for accuracy and provide the details and documents requested by the portal. Ensure that uploaded documents are legible and complete.

Step 5: Review the fee and complete the pre-submission declaration

Proceed to the fee section and answer the question regarding whether you belong to a Below Poverty Line (BPL) category, as applicable. Review the fee summary displayed by the portal. The portal shows an appeal fee of **₹590**, inclusive of GST, with payment to be collected after submission.

Read the **Pre-Submission Declaration** and tick the checkbox to affirm that the information provided is true to the best of your knowledge and belief and that nothing has been concealed.

Step 6: Submit the appeal and pay the fee

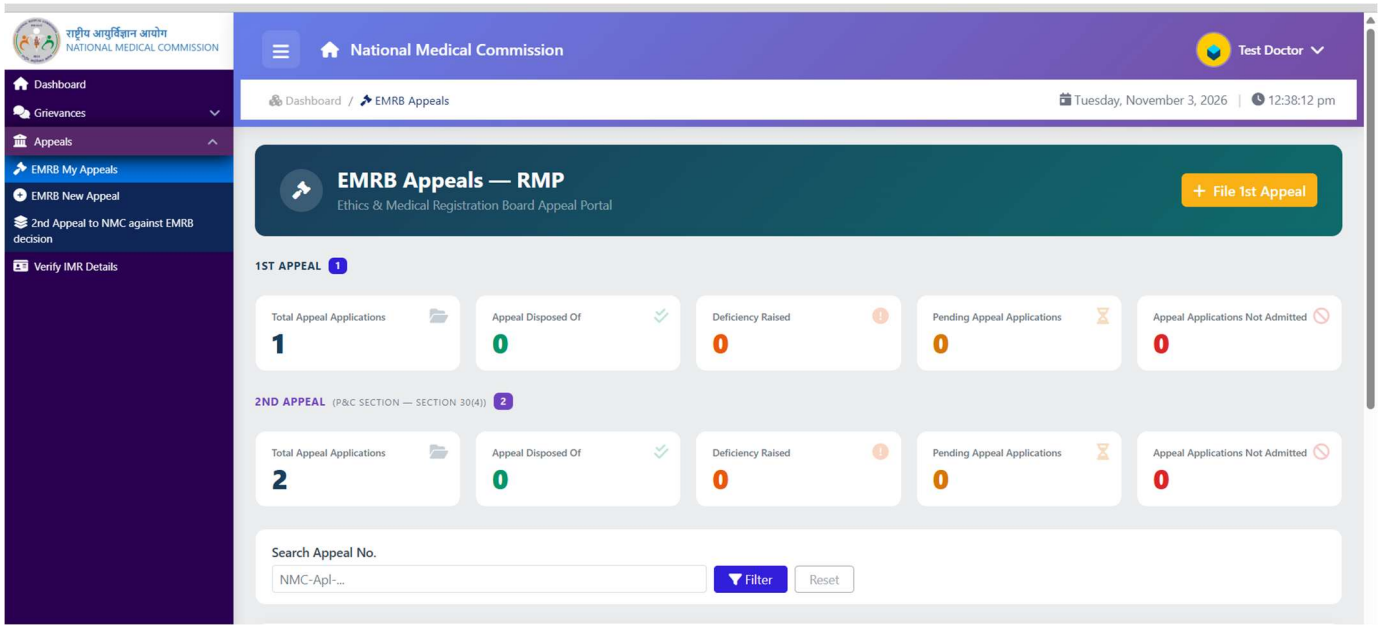

After verifying the details and completing the declaration, click **“Submit & Proceed to Payment”**. Complete the payment as directed by the portal and retain the application details and payment acknowledgement for future reference.

HOW TO FILE A 2nd APPEAL BY REGISTERED MEDICAL PRACTITIONERS (RMPs)

NMC Online Appeal Portal | Section 30(4), National Medical Commission Act, 2019

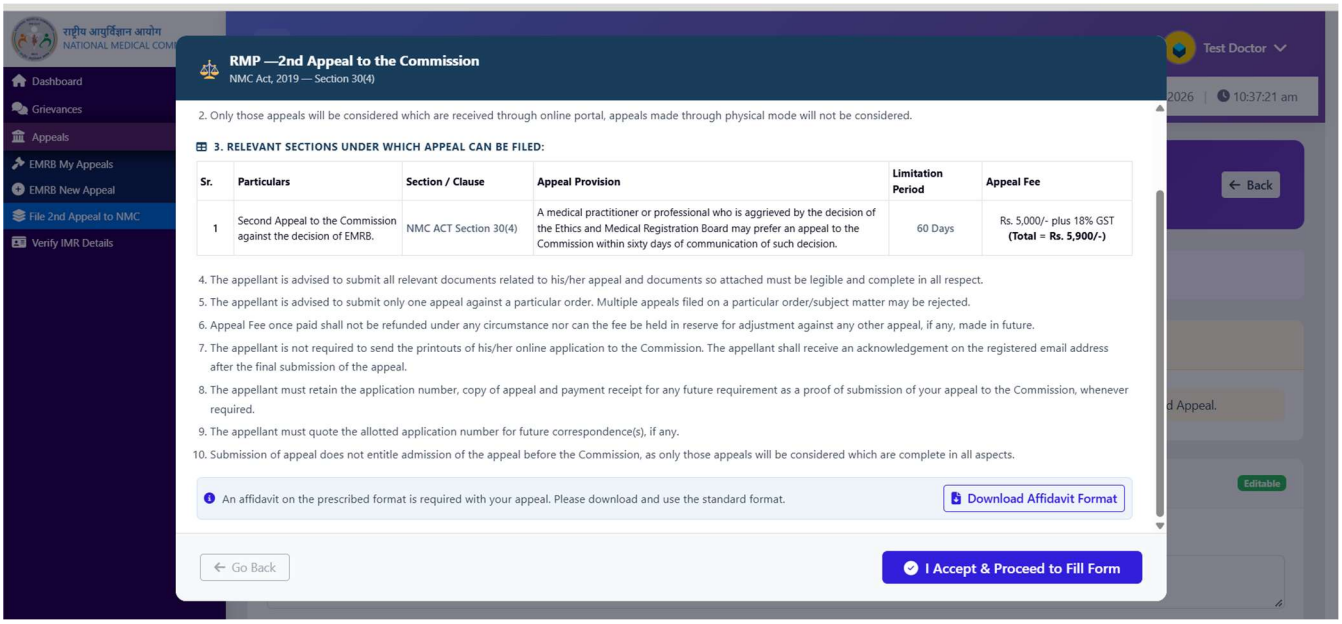

Step 1: Open the EMRB Appeals dashboard

Log in to the NMC portal and navigate to **Appeals > EMRB My Appeals**. The dashboard displays separate sections for First Appeals and Second Appeals, along with application-status summaries. Select **"2nd Appeal to NMC against EMRB decision"** from the menu to initiate a Second Appeal.

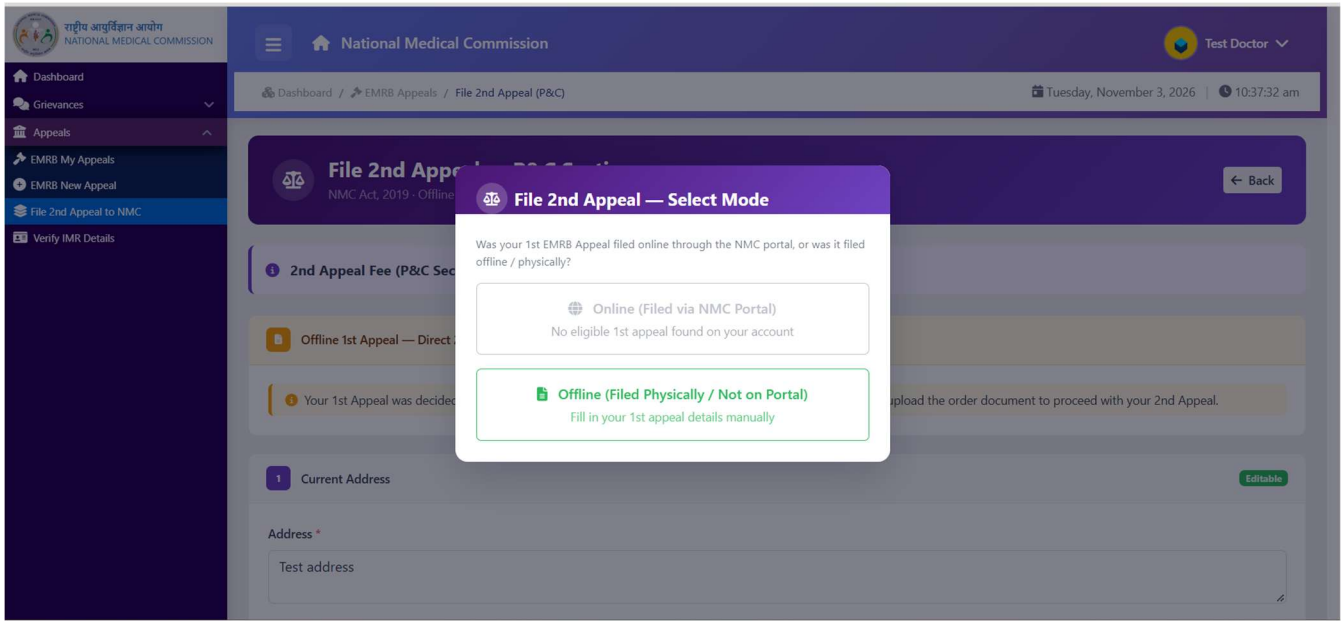

Step 2: Read the instructions for filing a second appeal

Review the instructions carefully before proceeding. The portal identifies the Second Appeal as an appeal to the Commission under Section 30(4) of the National Medical Commission Act, 2019. The displayed limitation period is **60 days** from communication of the EMRB decision, and the appeal fee shown is **₹5,000 plus 18% GST (total ₹5,900)**. An affidavit in the prescribed format is required with the appeal. After reviewing the instructions and downloading the affidavit format, click **"I Accept & Proceed to Fill Form".**

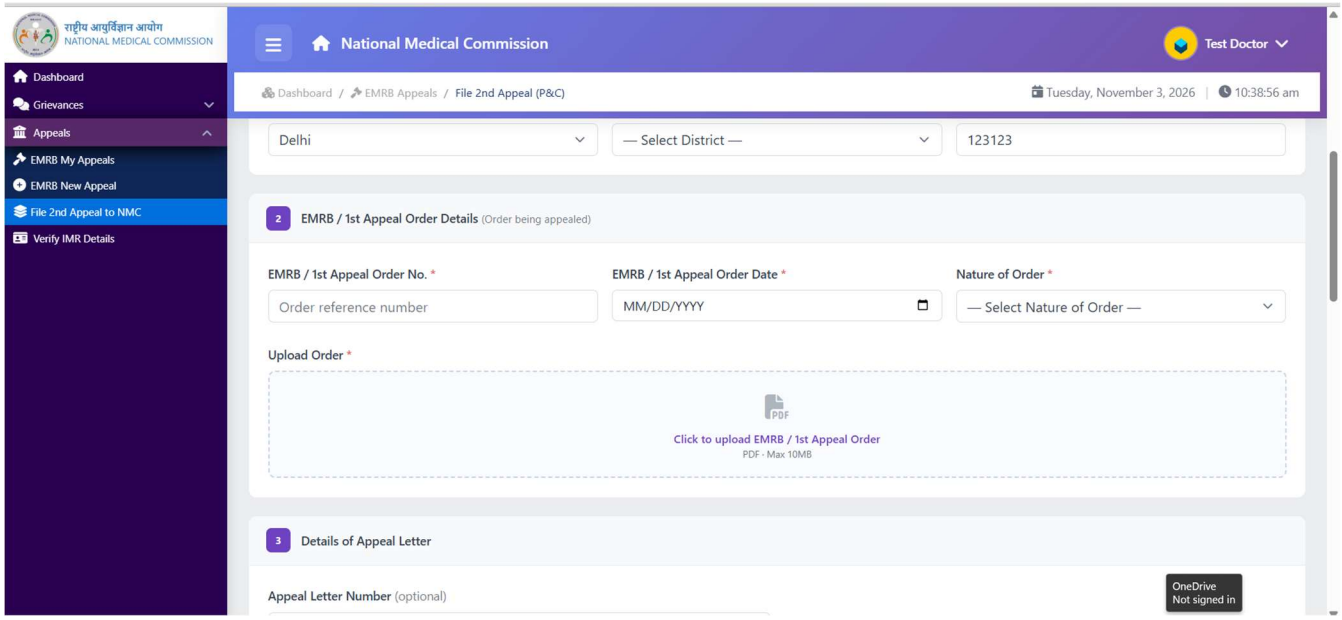

Step 3: Select the mode of filing the first appeal

The portal asks whether the first EMRB appeal was filed online through the NMC portal or offline/physically. Select the applicable option. If the first appeal was filed online, the portal may identify an eligible first appeal linked to the account. If it was filed offline/physically or was not filed on the portal, select **"Offline (Filed Physically / Not on Portal)"** and fill in the first appeal details manually. If the online option is disabled or no eligible appeal is found, proceed using the applicable offline option.

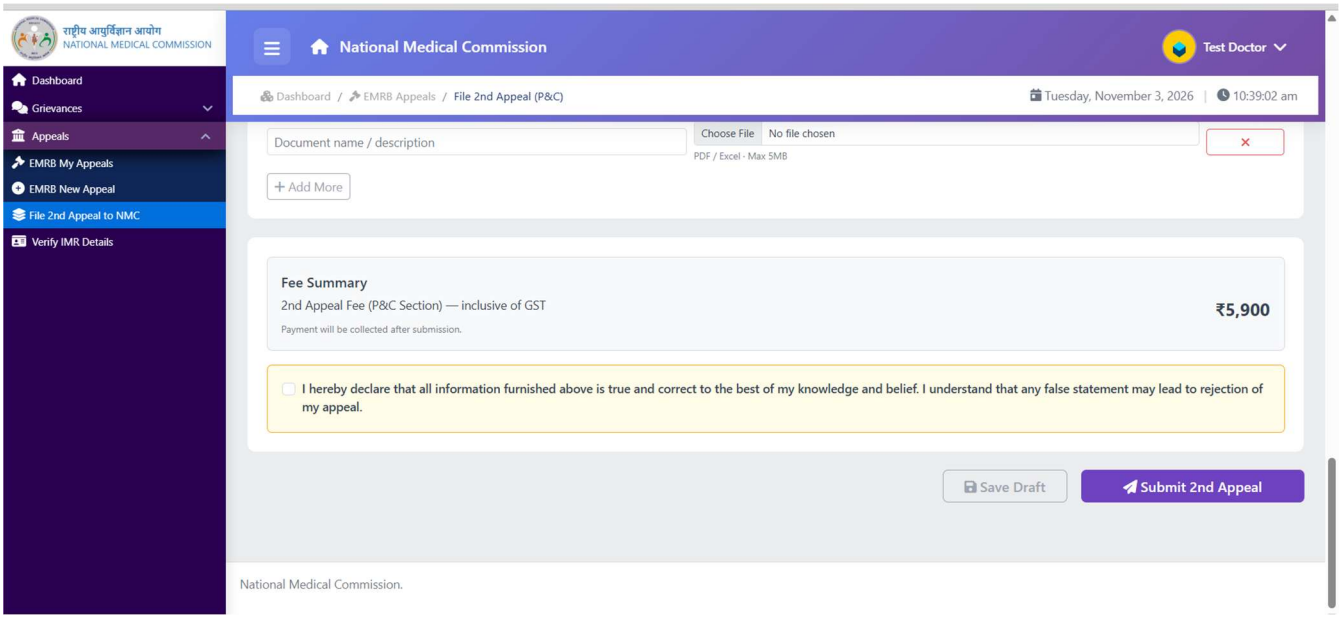

Step 4: Complete the Second Appeal form

For an offline/physical First Appeal, the portal indicates that the appellant must provide the EMRB order details and upload the order document. Complete the current address and all other mandatory fields, and ensure that the details entered are accurate and the uploaded documents are legible and complete.

Step 5: Submit the appeal and pay the fee

Follow the remaining on-screen instructions to complete and submit the application. The portal displays a Second Appeal fee of ₹5,900 (inclusive of GST), payable after submission. Retain the application number, submitted application details and payment acknowledgement for future reference.

PUBLIC NOTICE

Subject: Operationalization of NMC's Online Appeal Portal for Filing of Appeals by Medical Colleges/Institutions under various provisions of the National Medical Commission Act, 2019-reg.

Attention of all Medical Colleges/Institutions is invited to the Public Notices dated 21.05.2024 and 30.05.2024 (copies enclosed) regarding filing of Appeals under the relevant provisions of the National Medical Commission Act, 2019, wherein the procedure for filing appeals through electronic mode and the prescribed appeal fee was prescribed.

2. In order to further streamline and digitize the appeal filing mechanism and to facilitate transparent, efficient and time-bound processing of appeals, the National Medical Commission has developed a dedicated Online Appeal Portal for filing of appeals by Medical Colleges/Institutions against the decisions of MARB/UGMEB/PGMEB under the various provisions of the National Medical Commission Act, 2019 and the Regulations framed thereunder.

3. Colleges may file Appeal by clicking on the Appeal icon or by logging in through their respective college login provided on the NMC website. Alternatively, they may access the online appeal portal directly at **https://application.nmc.org.in/login**.

4. Accordingly, it is hereby informed that with effect from the date of publication of this Public Notice, all Appeals under the National Medical Commission Act, 2019 shall be filed by Medical Colleges/Institutions exclusively through the Online Appeal Portal of NMC.

5. It has also been observed that appeals are often rendered deficient on account of filing under incorrect provisions of the Act, non-submission of requisite documents or filing before an incorrect authority. Stakeholders are, therefore, advised to carefully read the terms & conditions and User Manual available on the Online Appeal Portal before filing an appeal.

6. Consequent upon the operationalization of the Online Appeal Portal, the earlier mode of filing appeals through e-mail or any other mode/channel shall stand discontinued with immediate effect.

PUBLIC NOTICE

Sub: Filing of 1st/2nd Appeals under relevant sections [u/s 22(3), 28(5), 30(4), 35(5)] of NMC Act, 2019 and appeal fee thereof.

This Commission has earlier issued public notices dated 28.12.2022 and 28.08.2023 (copy enclosed) prescribing therein steps/ procedure for filing 1st/ 2nd appeals before the National Medical Commission (NMC) under the NMC Act, 2019.

2. Despite these guidelines, it has been observed that many colleges/ appellants are still not following the due procedure for filing appeals under the aforesaid sections of NMC Act as per said public notices. A number of appeals received in this Commission are deficient on various counts; invoking wrong section of the NMC Act; non-submission of all documents as per checklist prescribed in the public notice, appeal submission to non-concerned authority etc. which make them liable to be rejected on technical grounds.

3. In this regard, it is reiterated that all concerned may go through before submitting any appeal to this commission against decision of any board.

4. **The Commission in its 13th Meeting has decided to adopt a uniform fee of Rs. 50,000/- in cases of appeals filed by colleges/ Institutions related to academic year 2024-25 onwards and Rs. 5,000/- in all cases of appeals filed by Individuals. This will revise the different amounts of appeal fee earlier applicable for appeals in matter of different type of applications.**

5. **Further, it has also been decided that all appeals against the orders of the Boards under the Commission shall henceforth be addressed to Secretary, NMC only.**

6. Therefore, all concerned colleges/ appellants are hereby informed that all appeals against the orders of Boards under the Commission as provided under different sections of NMC Act, 2019 may be preferred via **ONLINE MODE ONLY** through email at '**nmc_appeal@nmc.org.in**' and addressed to "**Secretary, NMC**" within the stipulated time period as per the NMC Act. Appeals received through any other mode/channel or email address will be liable not to be considered.

6. This issues with the approval of Chairman, NMC.
