PRESS RELEASE

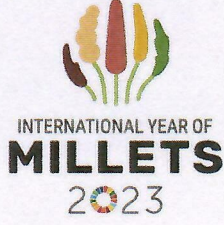

New Delhi, 08th November, 2023

The National Medical Commission (NMC) convened a meeting on November 8, 2023, under the able leadership of Dr. B.N. Gangadhar, Chairman, NMC. This pivotal gathering focused on enhancing the medical education counselling process at a national level, marking a significant stride in India's commitment to excellence in medical education.

A key highlight of the event was a comprehensive presentation by the team of Medical Counselling Committee (MCC), in presence of DGHS, MOHFW - Dr. Atul Goel, Director General. This presentation underscored the NMC's dedication to streamlining and optimizing the counseling procedures within the field of medical education across the nation.

Dr. Gangadhar expressed his deep appreciation to the MCC members for their valuable contributions and unwavering commitment to the betterment of medical education in India. In his statement, he emphasized, "Our mission at NMC is to raise the standards of medical education in India and transparent & smooth counselling process adds to that goal."

This successful meeting underscores the NMC's ongoing efforts to drive positive changes in medical education counseling procedures across the country. The National Medical Commission extends its gratitude to all participants and
