National Medical Commission (NMC) Orchestrates Transformative 11th Meeting to Elevate Medical Education Nationwide

With a mandate to improve medical education in India under NMC Act, 2019 & to meet atleast once every 3 months, the National Medical Commission (NMC) successfully orchestrated its 11th meeting today. Under the visionary guidance of Dr. B.N. Gangadhar, Chairman of NMC, this meeting, meticulously organized by the Policy and Coordination Division, unfolded to address vital aspects of medical education reform.

Fueled by a mandate to enhance the medical education system, providing broader access to quality and affordable education, the meeting focused on ensuring the availability of competent medical professionals. Esteemed members of NMC converged to deliberate and strategize transformative changes aimed at elevating healthcare standards across the nation.

Dr. Yogender Malik, Member of the Ethics and Medical Registration Board (EMRB), and Head of the Publication Division at NMC, emphasized, "This strategic meeting reflects NMC's commitment to advancing policies and refining coordination, ensuring access to quality medical education across the nation."

The progress of all Boards, and Secretariat of NMC was presented by Secretary, NMC, Dr. Vipul Agarwal (IPS) and minutes of last meeting were approved. **13 Regulations were passed in last 1 year by NMC and court cases have drastically come down.**
