Sub: Clarifications regarding recognition of diploma courses offered by CPS, Mumbai reg.

Sir/Madam,

I am directed to refer to this Ministry's Notifications of even number dated 17.10.2017 and 22.01.2018 (published on 12.02.2018), whereby Ministry first added and then deleted 36 postgraduate degree/diploma qualifications of College of Physicians and Surgeons, Bombay from the First & Third Schedule of Indian Medical Council Act, 1956.

2 In this regard, it is stated that this Ministry is in receipt of a representation from a student who took admission in one of those 36 courses after Ministry's Notification dated 17.10.2017 and now facing problem in getting her PG qualification registered.

3. The matter has been examined in the Ministry and it has been found that there are total 466 students (List enclosed), who are facing problems in this issue. Therefore, keeping in minds the future of the students, it is decided and clarified that these qualifications stand recognized for those students who had taken admission between 17.10.2017 and 12.02.2018 (both date inclusive).

4. You are, therefore, requested to give this a wide publicity so that the students concerned could get benefit of the decision of the Govt. of India.

Yours faithfully,
